1.26 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

1.27 Section 1. Minnesota Statutes 2018, section 3.972, subdivision 4, is amended to read:

1.28 Subd. 4. Certain transit financial activity reporting. (a) The legislative auditor must
1.29 perform a transit financial activity review of financial information for the Metropolitan
1.30 Council's Transportation Division and the joint powers board under section 297A.992.
1.31 Within 14 days of the end of each fiscal quarter, two times each year. The first report, due
1.32 April 1, must include the quarters ending on September 30 and December 31 of the previous

2.1 calendar year. The second report, due October 1, must include the quarters ending on March
 2.2 31 and June 30 of the current year. The legislative auditor must submit the review to the
 2.3 Legislative Audit Commission and the chairs and ranking minority members of the legislative
 2.4 committees with jurisdiction over transportation policy and finance, finance, and ways and
 2.5 means.

2.6 (b) At a minimum, each transit financial activity review must include:

2.7 (1) a summary of monthly financial statements, including balance sheets and operating
 2.8 statements, that shows income, expenditures, and fund balance;

2.9 (2) a list of any obligations and agreements entered into related to transit purposes,
 2.10 whether for capital or operating, including but not limited to bonds, notes, grants, and future
 2.11 funding commitments;

2.12 (3) the amount of funds in clause (2) that has been committed;

2.13 (4) independent analysis by the fiscal oversight officer of the fiscal viability of revenues
 2.14 and fund balance compared to expenditures, taking into account:

2.15 (i) all expenditure commitments;

2.16 (ii) cash flow;

2.17 (iii) sufficiency of estimated funds; and

2.18 (iv) financial solvency of anticipated transit projects; and

2.19 (5) a notification concerning whether the requirements under paragraph (c) have been
 2.20 met.

2.21 (c) The Metropolitan Council ~~and the joint powers board under section 297A.992~~ must
 2.22 produce monthly financial statements as necessary for the review under paragraph (b),
 2.23 clause (1), and provide timely information as requested by the legislative auditor.

2.24 (d) This subdivision expires on April 15, 2024.

 6.3 ~~proceeding in the same direction, subject to the limitations, exceptions, and special rules~~
 6.4 ~~hereinafter stated:~~

6.5 ~~(1) (a)~~ The driver of a vehicle overtaking another vehicle proceeding in the same direction
 6.6 ~~shall~~ must pass to the left ~~thereof~~ of the other vehicle at a safe distance and ~~shall not again~~
 6.7 ~~drive~~ is prohibited from returning to the right side of the roadway until safely clear of the
 6.8 overtaken vehicle;

6.9 ~~(2) (b)~~ Except when overtaking and passing on the right is permitted, the driver of an
 6.10 overtaken vehicle ~~shall~~ must give way to the right in favor of the overtaking vehicle ~~on~~
 6.11 ~~audible warning,~~ and ~~shall~~ must not increase the speed ~~of the overtaken vehicle~~ until
 6.12 completely passed by the overtaking vehicle; ~~and.~~

6.13 ~~(3) (c)~~ The operator of a motor vehicle overtaking a bicycle or individual proceeding in
 6.14 the same direction on the roadway ~~shall leave or shoulder~~ must:

6.15 (1) either (i) maintain a safe clearance distance while passing, but in no case less than
 6.16 three feet clearance, when passing the bicycle or individual or one-half the width of the
 6.17 motor vehicle, whichever is greater; or (ii) completely enter another lane of the roadway
 6.18 while passing; and shall

6.19 (2) maintain clearance until the motor vehicle has safely past passed the overtaken bicycle
 6.20 or individual.

6.21 Sec. 14. Minnesota Statutes 2018, section 169.18, subdivision 7, is amended to read:

6.22 Subd. 7. **Laned highway.** When any roadway has been divided into two or more clearly
 6.23 marked lanes for traffic, the following rules, in addition to all others consistent ~~herewith~~
 6.24 with this subdivision, ~~shall~~ apply:

6.25 ~~(a) (1)~~ a vehicle shall be driven as nearly as practicable entirely within a single lane and
 6.26 ~~shall~~ must not be moved from ~~such~~ the lane until the driver has first ascertained that ~~such~~
 6.27 the movement can be made with safety;

6.28 ~~(b) (2)~~ upon a roadway which is not a one-way roadway and which is divided into three
 6.29 lanes, a vehicle ~~shall~~ must not be driven in the center lane except when overtaking and
 6.30 passing another vehicle where the roadway is clearly visible and ~~such~~ the center lane is
 6.31 clear of traffic within a safe distance, or in preparation for a left turn or where ~~such~~ the
 6.32 center lane is at the time allocated exclusively to traffic moving in the direction the vehicle

7.1 is proceeding, and is signposted to give notice of ~~such~~ the allocation. The left lane of a
 7.2 three-lane roadway which is not a one-way roadway ~~shall~~ must not be used for overtaking
 7.3 and passing another vehicle;

7.4 ~~(e)~~ (3) official signs may be erected directing slow-moving traffic to use a designated
 7.5 lane or allocating specified lanes to traffic moving in the same direction, and drivers of
 7.6 vehicles ~~shall~~ must obey the ~~directions of every such~~ sign;

7.7 ~~(d)~~ (4) whenever a bicycle lane has been established on a roadway, any person operating
 7.8 a motor vehicle on ~~such~~ the roadway ~~shall~~ must not drive in the bicycle lane except to
 7.9 perform parking maneuvers in order to park where parking is permitted, to enter or leave
 7.10 the highway, to prepare for a turn as provided in section 169.19, subdivision 1, or to stop

10.24 (b) ~~Effective December 31, 1994,~~ All type A, B, C, and D buses sold must display
 10.25 lettering "Unlawful to pass when red lights are flashing" on the rear of the bus. The lettering
 10.26 ~~shall~~ must be in two-inch black letters on school bus yellow background. This message ~~shall~~
 10.27 must be displayed directly below the upper window of the rear door. On rear engine buses,
 10.28 it ~~shall~~ must be centered at approximately the same location. Only signs and lettering
 10.29 approved or required by state law ~~may~~ are permitted to be displayed.

10.30 (c) The requirements of paragraph (b) do not apply to a type A, B, C, or D school bus
 10.31 that is equipped with a changeable electronic message sign on the rear of the bus that:

11.1 (1) displays one or more of the messages: "Caution / stopping," "Unlawful to pass,"
 11.2 "Stop / do not pass," or similar messages approved by the commissioner;

11.3 (2) displays messages in conjunction with bus operation and activation of prewarning
 11.4 flashing amber signals, flashing red signals, or stop-signal arm, as appropriate; and

11.5 (3) is a supplemental warning system under section 169.4503, subdivision 31.

11.6 Sec. 23. Minnesota Statutes 2018, section 169.4503, is amended by adding a subdivision
 11.7 to read:

11.8 Subd. 31. **Supplemental warning system; temporary authority.** (a) Prior to August
 11.9 1, 2022, the commissioner may approve a type A, B, C, or D school bus to be equipped
 11.10 with a supplemental warning system. On and after that date, a school bus may continue to
 11.11 be equipped with a previously approved supplemental warning system.

11.12 (b) To determine approval of a supplemental warning system, the commissioner must
 11.13 consider:

11.14 (1) signal colors, which are limited to one or more of the colors white, amber, and red;

11.15 (2) flashing patterns;

11.16 (3) vehicle mounting and placement;

11.17 (4) supplemental warning system activation in conjunction with activation of prewarning
 11.18 flashing amber signals, stop-signal arm, and flashing red signals;

11.19 (5) light intensity; and

11.20 (6) permissible text, signage, and graphics, if any.

11.21 (c) The commissioner must review relevant research findings and experience in other
 11.22 jurisdictions, and must consult with interested stakeholders, including but not limited to
 11.23 representatives from school district pupil transportation directors, private school bus
 11.24 operators, and pupil transportation and traffic safety associations.

11.25 Sec. 24. Minnesota Statutes 2018, section 169.55, subdivision 1, is amended to read:

11.26 Subdivision 1. **Lights or reflectors required.** At the times when lighted lamps on
 11.27 vehicles are required each vehicle including an animal-drawn vehicle and any vehicle
 11.28 specifically excepted in sections 169.47 to 169.79, with respect to equipment and not
 11.29 ~~hereinbefore specifically~~ previously required to be equipped with lamps, ~~shall~~ must be
 11.30 equipped with one or more lighted lamps or lanterns projecting a white light visible from

12.1 a distance of 500 feet to the front of the vehicle and with a lamp or lantern exhibiting a red
 12.2 light visible from a distance of 500 feet to the rear, except that reflectors meeting the
 12.3 maximum requirements of this chapter may be used in lieu of the lights required in this
 12.4 subdivision. ~~It shall be unlawful except as otherwise provided in this subdivision, to project~~
 12.5 ~~a white light to the rear of any such vehicle while traveling on any street or highway, unless~~
 12.6 ~~such vehicle is moving in reverse. A lighting device mounted on top of a vehicle engaged~~
 12.7 ~~in deliveries to residences may project a white light to the rear if the sign projects one or~~
 12.8 ~~more additional colors to the rear. An authorized emergency vehicle may display an~~
 12.9 ~~oscillating, alternating, or rotating white light used in connection with an oscillating,~~
 12.10 ~~alternating, or rotating red light when responding to emergency calls.~~

12.11 Sec. 25. Minnesota Statutes 2018, section 169.57, subdivision 3, is amended to read:

12.12 Subd. 3. **Maintenance.** (a) When a vehicle is equipped with stop lamps or signal lamps,
 12.13 ~~such~~ the lamps shall must at all times be maintained in good working condition.

12.14 (b) ~~No stop lamps or signal lamp shall project a glaring or dazzling light.~~

12.15 (e) All mechanical signal devices ~~shall~~ must be self-illuminated when in use at the times
 12.16 when lighted lamps on vehicles are required.

12.17 Sec. 26. Minnesota Statutes 2018, section 169.64, subdivision 3, is amended to read:

12.18 Subd. 3. **Flashing lights; glaring lights.** (a) Flashing lights are prohibited, except:

12.19 (1) on an authorized emergency vehicle, school bus, bicycle as provided in section
 12.20 169.222, subdivision 6, road maintenance equipment, tow truck or towing vehicle as provided
 12.21 in section 168B.16, service vehicle, farm tractor, self-propelled farm equipment, rural mail
 12.22 carrier vehicle, or funeral home vehicle, ~~or~~;

12.23 (2) on any vehicle as a means of indicating a right or left turn, or the presence of a
 12.24 vehicular traffic hazard requiring unusual care in approaching, overtaking, or passing; or

12.25 (3) as otherwise provided in this section.

12.26 (b) All flashing warning lights ~~shall~~ must be of the type authorized by section 169.59,
 12.27 subdivision 4, unless otherwise permitted or required in this chapter.

12.28 (c) A stop lamp or signal lamp is prohibited from projecting a glaring or dazzling light,
 12.29 except for:

12.30 (1) strobe lamps as provided under subdivision 8 or section 169.59, subdivision 4; or

13.1 (2) a school bus equipped with a supplemental warning system under section 169.4503,
 13.2 subdivision 31.

13.3 Sec. 27. Minnesota Statutes 2018, section 169.64, is amended by adding a subdivision to
 13.4 read:

13.5 Subd. 4a. **White light.** (a) It is unlawful to project a white light at the rear of a vehicle
 13.6 while traveling on any street or highway, except:

13.7 (1) for a vehicle moving in reverse;

13.8 (2) for a school bus equipped with a supplemental warning system under section
 13.9 169.4503, subdivision 31;

13.10 (3) for a strobe lamp as provided under subdivision 8;

13.11 (4) as required for license plate illumination under section 169.50, subdivision 2;

13.12 (5) as provided in section 169.59, subdivision 4; and

13.13 (6) as otherwise provided in this subdivision.

13.14 (b) A lighting device mounted on top of a vehicle engaged in deliveries to residences
 13.15 may project a white light to the rear if the sign projects one or more additional colors to the
 13.16 rear.

13.17 (c) An authorized emergency vehicle may display an oscillating, alternating, or rotating
 13.18 white light used in connection with an oscillating, alternating, or rotating red light when
 13.19 responding to emergency calls.

13.20 Sec. 28. Minnesota Statutes 2018, section 169.64, subdivision 8, is amended to read:

13.21 Subd. 8. **Strobe lamp.** (a) Notwithstanding ~~sections 169.55, subdivision 1; 169.57,~~
 13.22 ~~subdivision 3, paragraph (b); or any other law to the contrary, a vehicle may be equipped~~
 13.23 with a 360-degree flashing strobe lamp that emits a white light with a flash rate of 60 to
 13.24 120 flashes a minute, and the lamp may be used as provided in this subdivision, if the vehicle
 13.25 is:

13.26 (1) a school bus that is subject to and complies with the equipment requirements of
 13.27 ~~sections 169.441, subdivision 1, and~~ section 169.442, subdivision 1, or a Head Start bus.

13.28 The lamp must operate from a separate switch containing an indicator lamp to show when
 13.29 the strobe lamp is in use; or

14.1 (2) a road maintenance vehicle owned or under contract to the Department of
 14.2 Transportation or a road authority of a county, home rule or statutory city, or town, but the
 14.3 strobe lamp may only be operated while the vehicle is actually engaged in snow removal
 14.4 during daylight hours.

14.5 (b) Notwithstanding ~~sections 169.55, subdivision 1; 169.57, subdivision 3, paragraph~~
 14.6 ~~(b); or~~ any other law to the contrary, a vehicle may be equipped with a 360-degree flashing
 14.7 strobe lamp that emits an amber light with a flash rate of 60 to 120 flashes a minute, and
 14.8 the lamp may be used as provided in this subdivision, if the vehicle is a rural mail carrier
 14.9 vehicle, provided that the strobe lamp is mounted at the highest practicable point on the
 14.10 vehicle. The strobe lamp may only be operated while the vehicle is actually engaged during
 14.11 daylight hours in the delivery of mail to residents on a rural mail route.

14.12 (c) A strobe lamp authorized by this ~~section shall~~ subdivision must be of a double flash
 14.13 type certified to the commissioner of public safety by the manufacturer as being weatherproof
 14.14 and having a ~~minimum~~ an effective light output of ~~200 candelas as measured by the~~
 14.15 ~~Blondel-Rey formula~~ that meets or exceeds the most recent version of SAE International
 14.16 standard J845, Class 2, or a subsequent standard.

14.17 Sec. 29. Minnesota Statutes 2018, section 169.81, is amended by adding a subdivision to
 14.18 read:

14.19 Subd. 11. **Automobile transporter.** (a) For purposes of this subdivision, the following
 14.20 terms have the meanings given them:

14.21 (1) "automobile transporter" means any vehicle combination designed and used to
 14.22 transport assembled highway vehicles, including truck camper units;

14.23 (2) "stinger-steered combination automobile transporter" means a truck tractor semitrailer
 14.24 having the fifth wheel located on a drop frame located behind and below the rear-most axle
 14.25 of the power unit; and

14.26 (3) "backhaul" means the return trip of a vehicle transporting cargo or general freight,
 14.27 including when carrying goods back over all or part of the same route.

14.28 (b) Stinger-steered combination automobile transporters having a length of 80 feet or
 14.29 less may be operated on interstate highways and other highways designated in this section,
 14.30 and in addition may carry a load that extends the length by four feet or less in the front of
 14.31 the vehicle and six feet or less in the rear of the vehicle.

15.1 (c) An automobile transporter may transport cargo or general freight on a backhaul,
15.2 provided it complies with weight limitations for a truck tractor and semitrailer combination
15.3 under section 169.824.

15.4 Sec. 30. Minnesota Statutes 2018, section 169.8261, subdivision 2, is amended to read:

15.5 Subd. 2. **Conditions.** (a) A vehicle or combination of vehicles described in subdivision
15.6 1 must:

15.7 (1) comply with seasonal load restrictions in effect between the dates set by the
15.8 commissioner under section 169.87, subdivision 2;

15.9 (2) comply with bridge load limits posted under section 169.84;

15.10 (3) be equipped and operated with six or more axles and brakes on all wheels;

15.11 (4) not exceed 90,000 pounds gross vehicle weight, or 99,000 pounds gross vehicle
15.12 weight during the time when seasonal increases are authorized under section 169.826;

15.13 (5) not be operated on interstate highways;

15.14 (6) obtain an annual permit from the commissioner of transportation;

15.15 (7) obey all road postings; and

15.16 (8) not exceed 20,000 pounds gross weight on any single axle.

15.17 (b) A vehicle operated under this section may exceed the legal axle weight limits listed
15.18 in section 169.824 by not more than 12.5 percent; except that, the weight limits may be
15.19 exceeded by not more than 23.75 percent during the time when seasonal increases are
15.20 authorized under section 169.826, subdivision 1.

15.21 (c) Notwithstanding paragraph (a), clause (5), a vehicle or combination of vehicles
15.22 hauling raw or unfinished forest products may operate on the segment of marked Interstate
15.23 Highway 35 provided under United States Code, title 23, section 127(q)(2)(D).

15.24 Sec. 31. Minnesota Statutes 2018, section 169.829, subdivision 4, is amended to read:

15.25 Subd. 4. **Certain emergency vehicles.** (a) The provisions of sections 169.80 to 169.88
15.26 governing size, weight, and load do not apply to a fire apparatus, a law enforcement special
15.27 response vehicle, or a licensed land emergency ambulance service vehicle.

15.28 (b) Emergency vehicles designed to transport personnel and equipment to support the
15.29 suppression of fires and to mitigate other hazardous situations are subject to the following
15.30 weight limitations when operated on an interstate highway: (1) 24,000 pounds on a single

16.1 steering axle; (2) 33,500 pounds on a single drive axle; (3) 52,000 pounds on a tandem rear
 16.2 drive steer axle; and (4) 62,000 pounds on a tandem axle. The gross weight of an emergency
 16.3 vehicle operating on an interstate highway must not exceed 86,000 pounds.

16.4 Sec. 32. Minnesota Statutes 2018, section 169.92, subdivision 4, is amended to read:

16.5 Subd. 4. **Suspension of driver's license.** (a) Upon receiving a report from the court, or
 16.6 from the driver licensing authority of a state, district, territory, or possession of the United
 16.7 States or a province of a foreign country which has an agreement in effect with this state
 16.8 pursuant to section 169.91, that a resident of this state or a person licensed as a driver in
 16.9 this state did not appear in court in compliance with the terms of a citation, the commissioner
 16.10 of public safety ~~shall~~ must notify the driver that the driver's license will be suspended unless
 16.11 the commissioner receives notice within 30 days that the driver has appeared in the
 16.12 appropriate court ~~or, if the offense is a petty misdemeanor for which a guilty plea was~~
 16.13 ~~entered under section 609.491, that the person has paid any fine imposed by the court.~~ If
 16.14 the commissioner does not receive notice of the appearance in the appropriate court ~~or~~
 16.15 ~~payment of the fine~~ within 30 days of the date of the commissioner's notice to the driver,
 16.16 the commissioner may suspend the driver's license, subject to the notice requirements of
 16.17 section 171.18, subdivision 2. Notwithstanding the requirements in this section, the
 16.18 commissioner is prohibited from suspending the driver's license of a person based solely
 16.19 on the fact that the person did not appear in court (1) in compliance with the terms of a
 16.20 citation for a petty misdemeanor, or (2) for a violation of section 171.24, subdivision 1.

16.21 (b) The order of suspension ~~shall~~ must indicate the reason for the order and ~~shall~~ must
 16.22 notify the driver that the driver's license ~~shall remain~~ remains suspended until the driver
 16.23 has furnished evidence, satisfactory to the commissioner, of compliance with any order
 16.24 entered by the court.

16.25 (c) Suspension shall be ordered under this subdivision only when the report clearly
 16.26 identifies the person arrested; describes the violation, specifying the section of the traffic
 16.27 law, ordinance or rule violated; indicates the location and date of the offense; and describes
 16.28 the vehicle involved and its registration number.

16.29 Sec. 33. Minnesota Statutes 2018, section 171.041, is amended to read:

16.30 **171.041 RESTRICTED LICENSE FOR FARM WORK.**

16.31 (a) Notwithstanding any provisions of section 171.04 relating to the age of an applicant
 16.32 to the contrary, the commissioner may issue a restricted farm work license to operate a
 16.33 motor vehicle to a person who has attained the age of 15 years and who, except for age, is

17.1 qualified to hold a driver's license. The applicant is not required to comply with the six-month
 17.2 instruction permit possession provisions of sections 171.04, subdivision 1, clause (2), and
 17.3 171.05, subdivision 2a, or with the 12-month provisional license possession provision of
 17.4 section 171.04, subdivision 1, clause (1), item (i).

17.5 (b) The restricted license ~~shall~~ must be issued solely for the purpose of authorizing the
 17.6 person to whom the restricted license is issued to assist the person's parents or guardians
 17.7 with farm work. An individual may perform farm work under the restricted license for any
 17.8 entity authorized to farm under section 500.24. A person holding this restricted license may
 17.9 operate a motor vehicle only during daylight hours and only within a radius of ~~20~~ 40 miles
 17.10 of the parent's or guardian's farmhouse; however, in no case may a person holding the
 17.11 restricted license operate a motor vehicle in a city of the first class.

17.12 (c) An applicant for a restricted license ~~shall~~ must apply to the commissioner for the
 17.13 license on forms prescribed by the commissioner. The application ~~shall~~ must be accompanied
 17.14 by:

17.15 (1) a copy of a property tax statement showing that the applicant's parent or guardian
 17.16 owns land that is classified as agricultural land or a copy of a rental statement or agreement
 17.17 showing that the applicant's parent or guardian rents land classified as agricultural land; and

17.18 (2) a written verified statement by the applicant's parent or guardian setting forth the
 17.19 necessity for the license.

17.20 **EFFECTIVE DATE.** This section is effective June 1, 2019.

17.21 Sec. 34. Minnesota Statutes 2018, section 171.06, subdivision 2, is amended to read:

18.36 violation" has the meaning given it in section 171.04, subdivision 1.
- 18.37 (c) In addition to the driver's license fee required under paragraph (a), the commissioner
18.38 ~~shall~~ must collect an additional \$4 processing fee from each new applicant or individual
18.39 renewing a license with a school bus endorsement to cover the costs for processing an
18.40 applicant's initial and biennial physical examination certificate. The department ~~shall~~ must
18.41 not charge these applicants any other fee to receive or renew the endorsement.
- 18.42 (d) In addition to the fee required under paragraph (a), a driver's license agent may charge
18.43 and retain a filing fee as provided under section 171.061, subdivision 4.

19.1 (e) In addition to the fee required under paragraph (a), the commissioner ~~shall~~ must
 19.2 charge a filing fee at the same amount as a driver's license agent under section 171.061,
 19.3 subdivision 4. Revenue collected under this paragraph must be deposited in the driver
 19.4 services operating account.

19.5 (f) An application for a Minnesota identification card, instruction permit, provisional
 19.6 license, or driver's license, including an application for renewal, must contain a provision
 19.7 that allows the applicant to add to the fee under paragraph (a), a \$2 donation for the purposes
 19.8 of public information and education on anatomical gifts under section 171.075.

19.9 Sec. 35. Minnesota Statutes 2018, section 171.16, subdivision 2, is amended to read:

19.10 Subd. 2. **Commissioner shall suspend.** (a) The court may recommend the suspension
 19.11 of the driver's license of the person so convicted, and the commissioner ~~shall~~ must suspend
 19.12 such license as recommended by the court, without a hearing ~~as provided herein~~.

19.13 (b) The commissioner is prohibited from suspending a person's driver's license if the
 19.14 person was convicted only under section 171.24, subdivision 1 or 2.

19.15 Sec. 36. Minnesota Statutes 2018, section 171.16, subdivision 3, is amended to read:

19.16 Subd. 3. ~~Suspension for Failure to pay fine. When any court reports to~~ The
 19.17 commissioner must not suspend a person's driver's license based solely on the fact that a
 19.18 person: (1) has been convicted of violating a law of this state or an ordinance of a political
 19.19 subdivision which regulates the operation or parking of motor vehicles, (2) has been
 19.20 sentenced to the payment of a fine or had a surcharge levied against that person, or sentenced
 19.21 to a fine upon which a surcharge was levied, and (3) has refused or failed to comply with
 19.22 that sentence or to pay the surcharge, ~~notwithstanding the fact that the court has determined~~
 19.23 ~~that the person has the ability to pay the fine or surcharge, the commissioner shall suspend~~
 19.24 ~~the driver's license of such person for 30 days for a refusal or failure to pay or until notified~~
 19.25 ~~by the court that the fine or surcharge, or both if a fine and surcharge were not paid, has~~
 19.26 ~~been paid.~~

19.27 Sec. 37. Minnesota Statutes 2018, section 171.18, subdivision 1, is amended to read:

19.28 Subdivision 1. **Offenses.** (a) The commissioner may suspend the license of a driver
 19.29 without preliminary hearing upon a showing by department records or other sufficient
 19.30 evidence that the licensee:

19.31 (1) has committed an offense for which mandatory revocation of license is required upon
 19.32 conviction;

20.1 (2) has been convicted by a court for violating a provision of chapter 169 or an ordinance
 20.2 regulating traffic, other than a conviction for a petty misdemeanor, and department records
 20.3 show that the violation contributed in causing an accident resulting in the death or personal
 20.4 injury of another, or serious property damage;

20.5 (3) is an habitually reckless or negligent driver of a motor vehicle;

20.6 (4) is an habitual violator of the traffic laws;

20.7 (5) is incompetent to drive a motor vehicle as determined in a judicial proceeding;

20.8 (6) has permitted an unlawful or fraudulent use of the license;

20.9 (7) has committed an offense in another state that, if committed in this state, would be
 20.10 grounds for suspension;

20.11 (8) has committed a violation of section 169.444, subdivision 2, paragraph (a), within
 20.12 five years of a prior conviction under that section;

20.13 (9) has committed a violation of section 171.22, except that the commissioner may not
 20.14 suspend a person's driver's license based solely on the fact that the person possessed a
 20.15 fictitious or fraudulently altered Minnesota identification card;

20.16 (10) has failed to appear in court as provided in section 169.92, subdivision 4;

20.17 (11) has failed to report a medical condition that, if reported, would have resulted in
 20.18 cancellation of driving privileges;

20.19 (12) has been found to have committed an offense under section 169A.33; or

20.20 (13) has paid or attempted to pay a fee required under this chapter for a license or permit
 20.21 by means of a dishonored check issued to the state or a driver's license agent, which must
 20.22 be continued until the registrar determines or is informed by the agent that the dishonored
 20.23 check has been paid in full.

20.24 However, an action taken by the commissioner under clause (2) or (5) must conform to the
 20.25 recommendation of the court when made in connection with the prosecution of the licensee.

20.26 (b) Notwithstanding paragraph (c), the commissioner may suspend the license of a driver
 20.27 when any court reports to the commissioner that a driver has eight unpaid parking tickets
 20.28 within a 12-month period or ten unpaid parking tickets within a 24-month period.

20.29 ~~(b)~~ (c) The commissioner ~~may not suspend~~ is prohibited from suspending the driver's
 20.30 license of an individual under paragraph (a) who was convicted of a violation of section

21.1 171.24, subdivision 1, ~~whose license was under suspension at the time solely because of~~
 21.2 ~~the individual's failure to appear in court or failure to pay a fine~~ or 2.

21.3 Sec. 38. Minnesota Statutes 2018, section 174.12, subdivision 8, is amended to read:

21.4 Subd. 8. **Legislative report.** (a) By February 1 of each odd-numbered year, the
 21.5 commissioner of transportation, with assistance from the commissioner of employment and
 21.6 economic development, ~~shall~~ must submit a report on the transportation economic
 21.7 development program to the chairs and ranking minority members of the legislative
 21.8 committees with jurisdiction over transportation policy and finance and economic
 21.9 development policy and finance.

21.10 (b) At a minimum, the report must:

21.11 (1) summarize the requirements and implementation of the transportation economic
 21.12 development program established in this section;

21.13 (2) review the criteria and economic impact performance measures used for evaluation,
 21.14 prioritization, and selection of projects;

21.15 (3) provide a brief overview of each project that received financial assistance under the
 21.16 program, which must at a minimum identify:

21.17 (i) basic project characteristics, such as funding recipient, geographic location, and type
 21.18 of transportation modes served;

21.19 (ii) sources and respective amounts of project funding; and

21.20 (iii) the degree of economic benefit anticipated or observed, following the economic
 21.21 impact performance measures established under subdivision 4;

21.22 (4) identify the allocation of funds, including but not limited to a breakdown of total
 21.23 project funds by transportation mode, the amount expended for administrative costs, and
 21.24 the amount transferred to the transportation economic development assistance account;

21.25 (5) evaluate the overall economic impact of the program; and

21.26 (6) provide recommendations for any legislative changes related to the program.

21.27 (c) Notwithstanding paragraph (a), a report is not required in an odd-numbered year if
 21.28 no project received financial assistance during the preceding 24 months.

22.1 Sec. 39. **[299A.704] DRIVER AND VEHICLE SERVICES FUND.**

22.2 A driver and vehicle services fund is established within the state treasury. The fund
 22.3 consists of accounts and money as specified by law, and any other money donated, allotted,
 22.4 transferred, or otherwise provided to the fund.

22.5 Sec. 40. Minnesota Statutes 2018, section 299A.705, is amended to read:

22.6 **299A.705 DRIVER AND VEHICLE SERVICES ACCOUNTS.**

22.7 Subdivision 1. **Vehicle services operating account.** (a) The vehicle services operating
 22.8 account is created in the ~~special revenue~~ driver and vehicle services fund, consisting of all
 22.9 money from the vehicle services fees specified in chapters 168, 168A, and 168D, and any
 22.10 other money ~~otherwise~~ donated, allotted, ~~appropriated, or legislated~~ transferred, or otherwise
 22.11 provided to this the account.

22.12 (b) Funds ~~appropriated are available~~ from the account must be used by the commissioner
 22.13 of public safety to administer the vehicle services as specified in chapters 168, 168A, and
 22.14 168D, and section 169.345, including:

22.15 (1) designing, producing, issuing, and mailing vehicle registrations, plates, emblems,
 22.16 and titles;

22.17 (2) collecting title and registration taxes and fees;

22.18 (3) transferring vehicle registration plates and titles;

22.19 (4) maintaining vehicle records;

22.20 (5) issuing disability certificates and plates;

22.21 (6) licensing vehicle dealers;

22.22 (7) appointing, monitoring, and auditing deputy registrars; and

22.23 (8) inspecting vehicles when required by law.

22.24 Subd. 2. **Driver services operating account.** (a) The driver services operating account
 22.25 is created in the ~~special revenue~~ driver and vehicle services fund, consisting of all money
 22.26 collected under chapter 171 and any other money ~~otherwise~~ donated, allotted, ~~appropriated,~~
 22.27 ~~or legislated~~ transferred, or otherwise provided to the account.

22.28 (b) ~~Money in the~~ Funds appropriated from the account must be used by the commissioner
 22.29 of public safety to administer the driver services specified in chapters 169A and 171,
 22.30 including the activities associated with producing and mailing drivers' licenses and
 22.31 identification cards and notices relating to issuance, renewal, or withdrawal of driving and

23.1 identification card privileges for any fiscal year or years and for the testing and examination
23.2 of drivers.

23.3 Subd. 3. **Driver and vehicle services technology account.** (a) The driver and vehicle
23.4 services technology account is created in the ~~special revenue~~ driver and vehicle services
23.5 fund, consisting of the technology surcharge collected as specified in ~~chapters 168, 168A,~~
23.6 ~~and 171; the filing fee revenue collected under section 168.33, subdivision 7; section 168.33~~
23.7 and any other money ~~otherwise~~ donated, allotted, ~~appropriated, or legislated~~ transferred, or
23.8 otherwise provided to this the account.

23.9 (b) Money in the account is annually appropriated to the commissioner of public safety
23.10 to support the research, development, deployment, and maintenance of a driver and vehicle
23.11 services information system.

23.12 (c) ~~Following completion of the deposit of filing fee revenue into the driver and vehicle~~
23.13 ~~services technology account as provided under section 168.33, subdivision 7~~ Annually by
23.14 February 1, the commissioner ~~shall~~ must submit a ~~notification~~ report to the chairs and
23.15 ranking minority members of the legislative committees with jurisdiction over transportation
23.16 policy and finance ~~concerning driver and vehicle services information system implementation,~~
23.17 ~~which must include information~~ on (1) total revenue deposited in the driver and vehicle
23.18 services technology account for the previous calendar year, with a breakdown by sources
23.19 of funds; (2) total project costs incurred through December 31 of the previous calendar year,
23.20 with a breakdown by key project components; and (3) an estimate of ongoing system
23.21 maintenance costs.

23.22 Subd. 4. **Prohibited expenditures.** The commissioner is prohibited from expending
23.23 money from driver and vehicle services accounts created in the ~~special revenue~~ driver and
23.24 vehicle services fund for any purpose that is not specifically authorized in this section or in
23.25 the chapters specified in this section.

23.26 Sec. 41. Minnesota Statutes 2018, section 360.013, is amended by adding a subdivision
23.27 to read:

23.28 Subd. 46a. **Comprehensive plan.** "Comprehensive plan" has the meaning given in
23.29 section 394.22, subdivision 9, or 462.352, subdivision 5.

23.30 **EFFECTIVE DATE; APPLICATION.** This section is effective August 1, 2019.

24.1 Sec. 42. Minnesota Statutes 2018, section 360.017, subdivision 1, is amended to read:

24.2 Subdivision 1. **Creation; authorized disbursements.** (a) There is hereby created a fund
24.3 to be known as the state airports fund. The fund shall consist of all money appropriated to
24.4 it, or directed to be paid into it, by the legislature.

24.5 (b) The state airports fund shall be paid out on authorization of the commissioner and
24.6 shall be used:

24.7 (1) to acquire, construct, improve, maintain, and operate airports and other air navigation
24.8 facilities;

24.9 (2) to assist municipalities in the planning, acquisition, construction, improvement, and
24.10 maintenance of airports and other air navigation facilities;

24.11 (3) to assist municipalities to initiate, enhance, and market scheduled air service at their
24.12 airports;

24.13 (4) to promote interest and safety in aeronautics through education and information; and

24.14 (5) to pay the salaries and expenses of the Department of Transportation related to
24.15 aeronautic planning, administration, and operation. All allotments of money from the state
24.16 airports fund for salaries and expenses shall be approved by the commissioner of management
24.17 and budget.

24.18 ~~(c) A municipality that adopts a comprehensive plan that the commissioner finds is~~
24.19 ~~incompatible with the state aviation plan is not eligible for assistance from the state airports~~
24.20 ~~fund.~~

24.21 **EFFECTIVE DATE; APPLICATION.** This section is effective August 1, 2019, and
24.22 applies to airport sponsors that make or plan to make changes to runway lengths or
24.23 configurations on or after that date. Airport safety zoning ordinances that were approved
24.24 by the commissioner and effective before August 1, 2019, remain valid until or unless the
24.25 airport sponsor (1) makes or plans to make changes to runway lengths or configurations,
24.26 or (2) is required to update airport safety zoning ordinances.

24.27 Sec. 43. Minnesota Statutes 2018, section 360.021, subdivision 1, is amended to read:

24.28 Subdivision 1. **Authority to establish.** The commissioner is authorized and empowered,
24.29 on behalf of and in the name of this state, within the limitation of available appropriations,
24.30 to acquire, by purchase, gift, devise, lease, condemnation proceedings, or otherwise, property,
24.31 real or personal, for the purpose of establishing and constructing restricted landing areas
24.32 and other air navigation facilities and to acquire in like manner, own, control, establish,

25.1 construct, enlarge, improve, maintain, equip, operate, regulate, and police such restricted
25.2 landing areas and other air navigation facilities, either within or without this state; and to
25.3 make, prior to any such acquisition, investigations, surveys, and plans. The commissioner
25.4 may maintain, equip, operate, regulate, and police airports, either within or without this
25.5 state. The operation and maintenance of airports is an essential public service. The
25.6 commissioner may maintain at such airports facilities for the servicing of aircraft and for
25.7 the comfort and accommodation of air travelers. The commissioner may dispose of any
25.8 such property, airport, restricted landing area, or any other air navigation facility, by sale,
25.9 lease, or otherwise, in accordance with the laws of this state governing the disposition of
25.10 other like property of the state. The commissioner may not acquire or take over any restricted
25.11 landing area, or other air navigation facility without the consent of the owner. The
25.12 commissioner shall not acquire any additional state airports nor establish any additional
25.13 state-owned airports. The commissioner may erect, equip, operate, and maintain on any
25.14 airport buildings and equipment necessary and proper to maintain, and conduct such airport
25.15 and air navigation facilities connected therewith. The commissioner shall not expend money
25.16 for land acquisition, or for the construction, improvement, or maintenance of airports, or
25.17 for air navigation facilities for an airport, unless the ~~governmental unit~~ municipality, county,
25.18 or joint airport zoning board involved has or is establishing a zoning authority for that
25.19 airport, and the authority has made a good-faith showing that it is in the process of and will
25.20 complete with due diligence, an airport zoning ordinance in accordance with sections 360.061
25.21 to 360.074. The commissioner may provide funds to support airport safety projects that
25.22 maintain existing infrastructure, regardless of a zoning authority's efforts to complete a
25.23 zoning regulation. The commissioner may withhold funding from only the airport subject
25.24 to the proposed zoning ordinance. Notwithstanding the foregoing prohibition, the
25.25 commissioner may continue to maintain the state-owned airport at Pine Creek.

25.26 **EFFECTIVE DATE; APPLICATION.** This section is effective August 1, 2019, and
25.27 applies to airport sponsors that make or plan to make changes to runway lengths or
25.28 configurations on or after that date. Airport safety zoning ordinances that were approved
25.29 by the commissioner and effective before August 1, 2019, remain valid until or unless the
25.30 airport sponsor (1) makes or plans to make changes to runway lengths or configurations,
25.31 or (2) is required to update airport safety zoning ordinances.

26.1 Sec. 44. Minnesota Statutes 2018, section 360.024, is amended to read:

26.2 **360.024 AIR TRANSPORTATION SERVICE CHARGE.**

26.3 Subdivision 1. Charges. (a) The commissioner ~~shall~~ must charge users of air
26.4 transportation services provided by the commissioner for direct operating costs, excluding
26.5 pilot salary ~~and~~.

26.6 (b) The commissioner must charge users for a portion of aircraft acquisition, replacement,
26.7 or leasing costs.

26.8 Subd. 2. Accounts; appropriation. (a) An air transportation services account is
26.9 established in the state airports fund. The account consists of money collected under
26.10 subdivision 1, paragraph (a), and any other money donated, allotted, transferred, or otherwise
26.11 provided to the account. All receipts for these services shall be deposited in the air
26.12 transportation services account in the state airports fund and are Money in the account is
26.13 annually appropriated to the commissioner to pay these direct air service operating costs.

26.14 (b) An aircraft capital account is established in the state airports fund. The account
26.15 consists of collections under subdivision 1, paragraph (b), proceeds from the sale of aircraft
26.16 under jurisdiction of the department, and any other money donated, allotted, transferred, or
26.17 otherwise provided to the account. Money in the account must be used for aircraft acquisition,
26.18 replacement, or leasing costs. Except as provided by law, the commissioner must not transfer
26.19 money into or out of the account.

26.20 **EFFECTIVE DATE.** This section is effective July 1, 2019.

26.21 Sec. 45. Minnesota Statutes 2018, section 360.062, is amended to read:

26.22 **360.062 AIRPORT HAZARD PREVENTION; PROTECTING EXISTING**
26.23 **NEIGHBORHOOD LAND USES.**

26.24 (a) It is hereby found that an airport hazard endangers the lives and property of users of
26.25 the airport and of occupants of land in its vicinity, and may reduce the size of the area
26.26 available for the landing, takeoff, and maneuvering of aircraft, thereby impairing the utility
26.27 of the airport and the public investment therein. It is also found that the social and financial
26.28 costs of disrupting existing land uses around airports ~~in built up urban areas, particularly~~
26.29 ~~established residential neighborhoods,~~ often outweigh the benefits of a reduction in airport
26.30 hazards that might result from the elimination or removal of those uses.

26.31 (b) Accordingly, it is hereby declared: (1) ~~that~~ the creation or establishment of an airport
26.32 hazard is a public nuisance and an injury to the community served by the airport in question;

27.1 (2) ~~that it is therefor~~ necessary in the interest of the public health, public safety, and general
 27.2 welfare that the creation or establishment of airport hazards be prevented and that this should
 27.3 be accomplished to the extent legally possible, by exercise of the police power, without
 27.4 compensation; and (3) ~~that the elimination or removal of existing land uses, particularly~~
 27.5 ~~established residential neighborhoods in built-up urban areas,~~ or their designation as
 27.6 nonconforming uses is not in the public interest and should be avoided whenever possible
 27.7 consistent with reasonable standards of safety.

27.8 (c) It is further declared that the prevention of the creation or establishment of airport
 27.9 hazards and the elimination, removal, alteration, mitigation, or marking and lighting of
 27.10 existing airport hazards are essential public purposes services for which political subdivisions
 27.11 may raise and expend public funds and acquire land or property interests therein.

27.12 **EFFECTIVE DATE; APPLICATION.** This section is effective August 1, 2019, and
 27.13 applies to airport sponsors that make or plan to make changes to runway lengths or
 27.14 configurations on or after that date. Airport safety zoning ordinances that were approved
 27.15 by the commissioner and effective before August 1, 2019, remain valid until or unless the
 27.16 airport sponsor (1) makes or plans to make changes to runway lengths or configurations,
 27.17 or (2) is required to update airport safety zoning ordinances.

27.18 Sec. 46. Minnesota Statutes 2018, section 360.063, subdivision 1, is amended to read:

27.19 Subdivision 1. **Enforcement under police power.** (a) In order to prevent the creation
 27.20 or establishment of airport hazards, every municipality having an airport hazard area within
 27.21 its territorial limits may, unless a joint airport zoning board is permitted under subdivision
 27.22 3, adopt, amend from time to time, administer, and enforce, under the police power and in
 27.23 the manner and upon the conditions hereinafter prescribed, airport zoning regulations for
 27.24 such airport hazard area, which regulations may divide such area into zones, and, within
 27.25 such zones, specify the land uses permitted and regulate and restrict the height to which
 27.26 structures and trees may be erected or allowed to grow.

27.27 (b) ~~For the purpose of promoting~~ In order to promote health, safety, order, convenience,
 27.28 prosperity, general welfare and ~~for conserving~~ to conserve property values and ~~encouraging~~
 27.29 encourage the most appropriate use of land, the municipality may regulate ~~the location, size~~
 27.30 ~~and use of buildings and the density of population in that portion of an airport hazard area~~
 27.31 ~~under approach zones for a distance not to exceed two miles from the airport boundary and~~
 27.32 ~~in other portions of an~~ in airport hazard area may regulate by land use zoning for a distance
 27.33 ~~not to exceed one mile from the airport boundary, and by height-restriction zoning for a~~

28.1 ~~distance not to exceed 1-1/2 miles from the airport boundary~~ areas: (1) land use; (2) height
 28.2 restrictions; (3) the location, size, and use of buildings; and (4) the density of population.

28.3 (c) The powers granted by this subdivision may be exercised by metropolitan airports
 28.4 commissions in contiguous cities of the first class in and for which they have been created.

28.5 (d) In the case of airports owned or operated by the state of Minnesota such powers shall
 28.6 be exercised by the state airport zoning boards or by the commissioner of transportation as
 28.7 authorized herein.

28.8 **EFFECTIVE DATE; APPLICATION.** This section is effective August 1, 2019, and
 28.9 applies to airport sponsors that make or plan to make changes to runway lengths or
 28.10 configurations on or after that date. Airport safety zoning ordinances that were approved
 28.11 by the commissioner and effective before August 1, 2019, remain valid until or unless the
 28.12 airport sponsor (1) makes or plans to make changes to runway lengths or configurations,
 28.13 or (2) is required to update airport safety zoning ordinances.

28.14 Sec. 47. Minnesota Statutes 2018, section 360.063, subdivision 3, is amended to read:

28.15 Subd. 3. **Joint airport zoning board.** (a) Where an airport is owned or controlled by a
 28.16 municipality and an airport hazard area appertaining to the airport is located within the
 28.17 territorial limits of another county or municipality, the municipality owning or controlling
 28.18 the airport may request a county or municipality in which an airport hazard area is located:

28.19 (1) to adopt and enforce airport zoning regulations for the area in question ~~that conform~~
 28.20 ~~to standards prescribed by the commissioner pursuant to subdivision 4~~ under sections
 28.21 360.0655 and 360.0656; or

28.22 (2) to join in creating a joint airport zoning board pursuant to paragraph (b). The owning
 28.23 or controlling municipality shall determine which of these actions it shall request, except
 28.24 as provided in paragraph (e) for the Metropolitan Airports Commission. The request shall
 28.25 be made by certified mail to the governing body of each county and municipality in which
 28.26 an airport hazard area is located.

28.27 (b) Where an airport is owned or controlled by a municipality and an airport hazard area
 28.28 appertaining to the airport is located within the territorial limits of another county or
 28.29 municipality, the municipality owning or controlling the airport and the county or other
 28.30 municipality within which the airport hazard area is located may, by ordinance or resolution
 28.31 duly adopted, create a joint airport zoning board, which board shall have the same power
 28.32 to adopt, administer, and enforce airport zoning regulations applicable to the airport hazard
 28.33 area in question as that vested by subdivision 1 in the municipality within which the area

29.1 is located. A joint board shall have as members two representatives appointed by the
 29.2 municipality owning or controlling the airport and two from the county or municipality, or
 29.3 in case more than one county or municipality is involved two from each county or
 29.4 municipality, in which the airport hazard is located, and in addition a chair elected by a
 29.5 majority of the members so appointed. All members shall serve at the pleasure of their
 29.6 respective appointing authority. Notwithstanding any other provision of law to the contrary,
 29.7 if the owning and controlling municipality is a city of the first class it shall appoint four
 29.8 members to the board, and the chair of the board shall be elected from the membership of
 29.9 the board.

29.10 (c) If a county or municipality, within 60 days of receiving a request from an owning
 29.11 or controlling municipality pursuant to paragraph (a), fails to adopt, or thereafter fails to
 29.12 enforce, the zoning regulations or fails to join in creating a joint airport zoning board, the
 29.13 owning or controlling municipality, or a joint airport zoning board created without
 29.14 participation by the subdivisions which fail to join the board, may itself adopt, administer,
 29.15 and enforce airport zoning regulations for the airport hazard area in question. In the event
 29.16 of conflict between the regulations and airport zoning regulations adopted by the county or
 29.17 municipality within which the airport hazard area is located, section 360.064, subdivision
 29.18 2, applies.

29.19 (d) "Owning or controlling municipality," as used in this subdivision, includes:

29.20 (1) a joint airport operating board created pursuant to section 360.042 that has been
 29.21 granted all the powers of a municipality in zoning matters under the agreement creating the
 29.22 board;

29.23 (2) a joint airport operating board created pursuant to section 360.042 that has not been
 29.24 granted zoning powers under the agreement creating the board; provided that the board shall
 29.25 not itself adopt zoning regulations nor shall a joint airport zoning board created at its request
 29.26 adopt zoning regulations unless all municipalities that created the joint operating board join
 29.27 to create the joint zoning board; and

29.28 (3) the Metropolitan Airports Commission established and operated pursuant to chapter
 29.29 473.

29.30 (e) The Metropolitan Airports Commission shall request creation of one joint airport
 29.31 zoning board for each airport operated under its authority.

29.32 **EFFECTIVE DATE; APPLICATION.** This section is effective August 1, 2019, and
 29.33 applies to airport sponsors that make or plan to make changes to runway lengths or
 29.34 configurations on or after that date. Airport safety zoning ordinances that were approved

30.1 by the commissioner and effective before August 1, 2019, remain valid until or unless the
 30.2 airport sponsor (1) makes or plans to make changes to runway lengths or configurations,
 30.3 or (2) is required to update airport safety zoning ordinances.

30.4 Sec. 48. Minnesota Statutes 2018, section 360.064, subdivision 1, is amended to read:

30.5 Subdivision 1. **Comprehensive regulations.** In the event that a municipality has adopted,
 30.6 or hereafter adopts, a comprehensive zoning ordinance regulating, among other things the
 30.7 height of buildings, any airport zoning regulations applicable to the same area or portion
 30.8 thereof ~~may~~ must be incorporated by reference or incorporated in and made a part of such
 30.9 comprehensive zoning regulations and be administered and enforced in connection therewith.

30.10 **EFFECTIVE DATE; APPLICATION.** This section is effective August 1, 2019, and
 30.11 applies to airport sponsors that make or plan to make changes to runway lengths or
 30.12 configurations on or after that date. Airport safety zoning ordinances that were approved
 30.13 by the commissioner and effective before August 1, 2019, remain valid until or unless the
 30.14 airport sponsor (1) makes or plans to make changes to runway lengths or configurations,
 30.15 or (2) is required to update airport safety zoning ordinances.

30.16 Sec. 49. Minnesota Statutes 2018, section 360.065, subdivision 1, is amended to read:

30.17 Subdivision 1. **Notice of proposed zoning regulations, hearing.** (a) No airport zoning
 30.18 regulations shall be adopted, amended, or changed under sections 360.011 to 360.076,
 30.19 except by action of the governing body of the municipality ~~or, county in question, or joint~~
 30.20 airport zoning board under section 360.0655 or 360.0656, or the boards provided for in
 30.21 section 360.063, subdivisions 3 and 7, or by the commissioner as provided in subdivisions
 30.22 6 and 8, after public hearings, at which parties in interest and citizens shall have an
 30.23 opportunity to be heard.

30.24 (b) A public hearing ~~shall~~ must be held on the ~~proposed~~ airport zoning regulations
 30.25 proposed by a municipality, county, or joint airport zoning board before they are submitted
 30.26 ~~for approval to the commissioner and after that approval but before final adoption by the~~
 30.27 local zoning authority for approval. If any changes that alter the regulations placed on a
 30.28 parcel of land are made to the proposed airport zoning regulations after the initial public
 30.29 hearing, the municipality, county, or joint airport zoning board must hold a second public
 30.30 hearing before final adoption of the regulation. The commissioner may require a second
 30.31 hearing as determined necessary.

30.32 (c) Notice of a hearing ~~required pursuant to this subdivision shall~~ must be published by
 30.33 the local zoning authority municipality, county, or joint airport zoning board at least three

31.1 times during the period between 15 days and five days before the hearing in an official
 31.2 newspaper and in a second newspaper designated by that authority which has a wide general
 31.3 circulation in the area affected by the proposed regulations: and posted on the municipality's,
 31.4 county's, or joint airport zoning board's website. If there is not a second newspaper of wide
 31.5 general circulation in the area that the municipality, county, or joint airport zoning board
 31.6 can designate for the notice, the municipality, county, or joint airport zoning board is only
 31.7 required to publish the notice once in the official newspaper of the jurisdiction. The notice
 31.8 shall not be published in the legal notice section of a newspaper. The notice must specify
 31.9 the time, location, and purpose of the hearing, and must identify any additional location and
 31.10 time the proposed regulations will be available for public inspection. A copy of the published
 31.11 notice must be added to the record of the proceedings.

31.12 (d) Notice of a hearing shall also be mailed to the governing body of each political
 31.13 subdivision in which property affected by the regulations is located. Notice shall must be
 31.14 given by mail at least ~~15~~ ten days before each hearing to any persons in municipalities that
 31.15 own land proposed to be included in safety zone A or B as provided in the rules of the
 31.16 Department of Transportation and landowners where the location or size of a building, or
 31.17 the density of population, will be regulated. Mailed notice must also be provided at least
 31.18 ten days before each hearing to persons or municipalities that have previously requested
 31.19 such notice from the ~~authority:~~ municipality, county, or joint airport zoning board. The
 31.20 notice must specify the time, location, and purpose of the hearing, and must identify any
 31.21 additional location and time the proposed regulations will be made available for public
 31.22 inspection. Mailed notice must also identify the property affected by the regulations. For
 31.23 the purpose of ~~giving~~ providing mailed notice, the ~~authority~~ municipality, county, or joint
 31.24 airport zoning board may use any appropriate records to determine the names and addresses
 31.25 of owners. A copy of the notice and a list of the owners and addresses to which the notice
 31.26 was sent ~~shall be attested to by the responsible person and shall must be made a part of~~
 31.27 added to the records of the proceedings. The Failure to ~~give~~ provide mailed notice to
 31.28 individual property owners; or ~~defects~~ a defect in the notice, ~~shall~~ does not invalidate the
 31.29 proceedings; ~~provided~~ if a bona fide attempt to comply with this subdivision ~~has been~~ was
 31.30 made. A notice shall describe the property affected by the proposed regulations and the
 31.31 restrictions to be imposed on the property by the regulations and shall state the place and
 31.32 time at which the proposed regulations are available for public inspection.

31.33 **EFFECTIVE DATE; APPLICATION.** This section is effective August 1, 2019, and
 31.34 applies to airport sponsors that make or plan to make changes to runway lengths or
 31.35 configurations on or after that date. Airport safety zoning ordinances that were approved

32.1 by the commissioner and effective before August 1, 2019, remain valid until or unless the
32.2 airport sponsor (1) makes or plans to make changes to runway lengths or configurations,
32.3 or (2) is required to update airport safety zoning ordinances.

32.4 Sec. 50. **[360.0655] AIRPORT ZONING REGULATIONS BASED ON**
32.5 **COMMISSIONER'S STANDARDS; SUBMISSION PROCESS.**

32.6 Subdivision 1. **Submission to commissioner; review.** (a) Except as provided in section
32.7 360.0656, prior to adopting zoning regulations the municipality, county, or joint airport
32.8 zoning board must submit the proposed regulations to the commissioner for the commissioner
32.9 to determine whether the regulations conform to the standards prescribed by the
32.10 commissioner. The municipality, county, or joint airport zoning board may elect to complete
32.11 custom airport zoning under section 360.0656 instead of using the commissioner's standard,
32.12 but only after providing written notice to the commissioner.

32.13 (b) Notwithstanding section 15.99, the commissioner must examine the proposed
32.14 regulations within 90 days of receipt of the regulations and report to the municipality, county,
32.15 or joint airport zoning board the commissioner's approval or objections, if any. Failure to
32.16 respond within 90 days is deemed an approval. The commissioner may request additional
32.17 information from the municipality, county, or joint airport zoning board within the 90-day
32.18 review period. If the commissioner requests additional information, the 90-day review period
32.19 is tolled until the commissioner receives information and deems the information satisfactory.

32.20 (c) If the commissioner objects on the grounds that the regulations do not conform to
32.21 the standards prescribed by the commissioner, the municipality, county, or joint airport
32.22 zoning board must make amendments necessary to resolve the objections or provide written
32.23 notice to the commissioner that the municipality, county, or joint airport zoning board has
32.24 elected to proceed with zoning under section 360.0656.

32.25 (d) If the municipality, county, or joint airport zoning board makes revisions to the
32.26 proposed regulations after its initial public hearing, the municipality, county, or joint airport
32.27 zoning board must conduct a second public hearing on the revisions and resubmit the revised
32.28 proposed regulations to the commissioner for review. The commissioner must examine the
32.29 revised proposed regulations within 90 days of receipt to determine whether the revised
32.30 proposed regulations conform to the standards prescribed by the commissioner.

32.31 (e) If, after a second review period, the commissioner determines that the municipality,
32.32 county, or joint airport zoning board failed to submit proposed regulations that conform to
32.33 the commissioner's standards, the commissioner must provide a final written decision to
32.34 the municipality, county, or joint airport zoning board.

33.1 (f) The municipality, county, or joint airport zoning board must not adopt regulations
33.2 or take other action until the proposed regulations are approved by the commissioner.

33.3 (g) The commissioner may approve local zoning ordinances that are more stringent than
33.4 the commissioner's standards.

33.5 (h) If the commissioner approves the proposed regulations, the municipality, county, or
33.6 joint airport zoning board may adopt the regulations.

33.7 (i) A copy of the adopted regulations must be filed with the county recorder in each
33.8 county that contains a zoned area subject to the regulations.

33.9 (j) Substantive rights that existed and had been exercised prior to August 1, 2019, are
33.10 not affected by the filing of the regulations.

33.11 **Subd. 2. Protection of existing land uses.** (a) In order to ensure minimum disruption
33.12 of existing land uses, the commissioner's airport zoning standards and local airport zoning
33.13 ordinances or regulations adopted under this section must distinguish between the creation
33.14 or establishment of a use and the elimination of an existing use, and must avoid the
33.15 elimination, removal, or reclassification of existing uses to the extent consistent with
33.16 reasonable safety standards. The commissioner's standards must include criteria for
33.17 determining when an existing land use may constitute an airport hazard so severe that public
33.18 safety considerations outweigh the public interest in preventing disruption to that land use.

33.19 (b) Airport zoning regulations that classify as a nonconforming use or require
33.20 nonconforming use classification with respect to any existing low-density structure or
33.21 existing isolated low-density building lots must be adopted under sections 360.061 to
33.22 360.074.

33.23 (c) A local airport zoning authority may classify a land use described in paragraph (b)
33.24 as an airport hazard if the authority finds that the classification is justified by public safety
33.25 considerations and is consistent with the commissioner's airport zoning standards. Any land
33.26 use described in paragraph (b) that is classified as an airport hazard must be acquired, altered,
33.27 or removed at public expense.

33.28 (d) This subdivision must not be construed to affect the classification of any land use
33.29 under any zoning ordinances or regulations not adopted under sections 360.061 to 360.074.

33.30 **EFFECTIVE DATE; APPLICATION.** This section is effective August 1, 2019, and
33.31 applies to airport sponsors that make or plan to make changes to runway lengths or
33.32 configurations on or after that date. Airport safety zoning ordinances that were approved
33.33 by the commissioner and effective before August 1, 2019, remain valid until or unless the

34.1 airport sponsor (1) makes or plans to make changes to runway lengths or configurations,
 34.2 or (2) is required to update airport safety zoning ordinances.

34.3 **Sec. 51. [360.0656] CUSTOM AIRPORT ZONING STANDARDS.**

34.4 Subdivision 1. Custom airport zoning standards; factors. (a) Notwithstanding section
 34.5 360.0655, a municipality, county, or joint airport zoning board must provide notice to the
 34.6 commissioner when the municipality, county, or joint airport zoning board intends to establish
 34.7 and adopt custom airport zoning regulations under this section.

34.8 (b) Airport zoning regulations submitted to the commissioner under this subdivision are
 34.9 not subject to the commissioner's zoning regulations under section 360.0655 or Minnesota
 34.10 Rules, part 8800.2400.

34.11 (c) When developing and adopting custom airport zoning regulations under this section,
 34.12 the municipality, county, or joint airport zoning board must include in the record a detailed
 34.13 analysis that explains how the proposed custom airport zoning regulations addressed the
 34.14 following factors to ensure a reasonable level of safety:

34.15 (1) the location of the airport, the surrounding land uses, and the character of
 34.16 neighborhoods in the vicinity of the airport, including:

34.17 (i) the location of vulnerable populations, including schools, hospitals, and nursing
 34.18 homes, in the airport hazard area;

34.19 (ii) the location of land uses that attract large assemblies of people in the airport hazard
 34.20 area;

34.21 (iii) the availability of contiguous open spaces in the airport hazard area;

34.22 (iv) the location of wildlife attractants in the airport hazard area;

34.23 (v) airport ownership or control of the federal Runway Protection Zone and the
 34.24 department's Clear Zone;

34.25 (vi) land uses that create or cause interference with the operation of radio or electronic
 34.26 facilities used by the airport or aircraft;

34.27 (vii) land uses that make it difficult for pilots to distinguish between airport lights and
 34.28 other lights, result in glare in the eyes of pilots using the airport, or impair visibility in the
 34.29 vicinity of the airport;

34.30 (viii) land uses that otherwise inhibit a pilot's ability to land, take off, or maneuver the
 34.31 aircraft;

- 35.1 (ix) airspace protection to prevent the creation of air navigation hazards in the airport
35.2 hazard area; and
- 35.3 (x) the social and economic costs of restricting land uses;
- 35.4 (2) the airport's type of operations and how the operations affect safety surrounding the
35.5 airport;
- 35.6 (3) the accident rate at the airport compared to a statistically significant sample, including
35.7 an analysis of accident distribution based on the rate with a higher accident incidence;
- 35.8 (4) the planned land uses within an airport hazard area, including any applicable platting,
35.9 zoning, comprehensive plan, or transportation plan; and
- 35.10 (5) any other information relevant to safety or the airport.

35.11 Subd. 2. **Submission to commissioner; review.** (a) Except as provided in section
35.12 360.0655, prior to adopting zoning regulations, the municipality, county, or joint airport
35.13 zoning board must submit its proposed regulations and the supporting record to the
35.14 commissioner for review. The commissioner must determine whether the proposed custom
35.15 airport zoning regulations and supporting record (1) evaluate the criteria under subdivision
35.16 1, and (2) provide a reasonable level of safety.

35.17 (b) Notwithstanding section 15.99, the commissioner must examine the proposed
35.18 regulations within 90 days of receipt of the regulations and report to the municipality, county,
35.19 or joint airport zoning board the commissioner's approval or objections, if any. Failure to
35.20 respond within 90 days is deemed an approval. The commissioner may request additional
35.21 information from the municipality, county, or joint airport zoning board within the 90-day
35.22 review period.

35.23 (c) If the commissioner objects on the grounds that the regulations do not provide a
35.24 reasonable level of safety, the municipality, county, or joint airport zoning board must
35.25 review, consider, and provide a detailed explanation demonstrating how it evaluated the
35.26 objections and what action it took or did not take in response to the objections. If the
35.27 municipality, county, or joint airport zoning board submits amended regulations after its
35.28 initial public hearing, the municipality, county, or joint airport zoning board must conduct
35.29 a second public hearing on the revisions and resubmit the revised proposed regulations to
35.30 the commissioner for review. The commissioner must examine the revised proposed
35.31 regulations within 90 days of receipt of the regulations. If the commissioner requests
35.32 additional information, the 90-day review period is tolled until satisfactory information is
35.33 received by the commissioner. Failure to respond within 90 days is deemed an approval.

36.1 (d) If, after the second review period, the commissioner determines that the municipality,
 36.2 county, or joint airport zoning board failed to submit proposed regulations that provide a
 36.3 reasonable safety level, the commissioner must provide a final written decision to the
 36.4 municipality, county, or joint airport zoning board.

36.5 (e) A municipality, county, or joint airport zoning board is prohibited from adopting
 36.6 custom regulations or taking other action until the proposed regulations are approved by
 36.7 the commissioner.

36.8 (f) If the commissioner approves the proposed regulations, the municipality, county, or
 36.9 joint airport zoning board may adopt the regulations.

36.10 (g) A copy of the adopted regulations must be filed with the county recorder in each
 36.11 county that contains a zoned area subject to the regulations.

36.12 (h) Substantive rights that existed and had been exercised prior to August 1, 2019, are
 36.13 not affected by the filing of the regulations.

36.14 **EFFECTIVE DATE; APPLICATION.** This section is effective August 1, 2019, and
 36.15 applies to airport sponsors that make or plan to make changes to runway lengths or
 36.16 configurations on or after that date. Airport safety zoning ordinances that were approved
 36.17 by the commissioner and effective before August 1, 2019, remain valid until or unless the
 36.18 airport sponsor (1) makes or plans to make changes to runway lengths or configurations,
 36.19 or (2) is required to update airport safety zoning ordinances.

36.20 Sec. 52. Minnesota Statutes 2018, section 360.066, subdivision 1, is amended to read:

36.21 Subdivision 1. **Reasonableness.** ~~Standards of the commissioner~~ Zoning standards defining
 36.22 airport hazard areas and the categories of uses permitted and airport zoning regulations
 36.23 adopted under sections 360.011 to 360.076, ~~shall~~ must be reasonable, and none shall impose
 36.24 a requirement or restriction ~~which~~ that is not reasonably necessary to effectuate the purposes
 36.25 of sections 360.011 to 360.076. ~~In determining what minimum airport zoning regulations~~
 36.26 ~~may be adopted, the commissioner and a local airport zoning authority shall consider, among~~
 36.27 ~~other things, the character of the flying operations expected to be conducted at the airport,~~
 36.28 ~~the location of the airport, the nature of the terrain within the airport hazard area, the existing~~
 36.29 ~~land uses and character of the neighborhood around the airport, the uses to which the property~~
 36.30 ~~to be zoned are planned and adaptable, and the social and economic costs of restricting land~~
 36.31 ~~uses versus the benefits derived from a strict application of the standards of the commissioner.~~

36.32 **EFFECTIVE DATE; APPLICATION.** This section is effective August 1, 2019, and
 36.33 applies to airport sponsors that make or plan to make changes to runway lengths or

37.1 configurations on or after that date. Airport safety zoning ordinances that were approved
 37.2 by the commissioner and effective before August 1, 2019, remain valid until or unless the
 37.3 airport sponsor (1) makes or plans to make changes to runway lengths or configurations,
 37.4 or (2) is required to update airport safety zoning ordinances.

37.5 Sec. 53. Minnesota Statutes 2018, section 360.067, is amended by adding a subdivision
 37.6 to read:

37.7 Subd. 5. **Federal no hazard determination.** (a) Notwithstanding subdivisions 1 and 2,
 37.8 a municipality, county, or joint airport zoning board may include in its custom airport zoning
 37.9 regulations adopted under section 360.0656 an option to permit construction of a structure,
 37.10 an increase or alteration of the height of a structure, or the growth of an existing tree without
 37.11 a variance from height restrictions if the Federal Aviation Administration has analyzed the
 37.12 proposed construction, alteration, or growth under Code of Federal Regulations, title 14,
 37.13 part 77, and has determined the proposed construction, alteration, or growth does not:

37.14 (1) pose a hazard to air navigation;

37.15 (2) require changes to airport or aircraft operations; or

37.16 (3) require any mitigation conditions by the Federal Aviation Administration that cannot
 37.17 be satisfied by the landowner.

37.18 (b) A municipality, county, or joint airport zoning board that permits an exception to
 37.19 height restrictions under this subdivision must require the applicant to file the Federal
 37.20 Aviation Administration's no hazard determination with the applicable zoning administrator.
 37.21 The applicant must obtain written approval of the zoning administrator before construction,
 37.22 alteration, or growth may occur. Failure of the administrator to respond within 60 days to
 37.23 a filing under this subdivision is deemed a denial. The Federal Aviation Administration's
 37.24 no hazard determination does not apply to requests for variation from land use, density, or
 37.25 any other requirement unrelated to the height of structures or the growth of trees.

37.26 **EFFECTIVE DATE; APPLICATION.** This section is effective August 1, 2019, and
 37.27 applies to airport sponsors that make or plan to make changes to runway lengths or
 37.28 configurations on or after that date. Airport safety zoning ordinances that were approved
 37.29 by the commissioner and effective before August 1, 2019, remain valid until or unless the
 37.30 airport sponsor (1) makes or plans to make changes to runway lengths or configurations,
 37.31 or (2) is required to update airport safety zoning ordinances.

38.1 Sec. 54. Minnesota Statutes 2018, section 360.071, subdivision 2, is amended to read:

38.2 Subd. 2. **Membership.** (a) Where a zoning board of appeals or adjustment already exists,
38.3 it may be appointed as the board of adjustment. Otherwise, the board of adjustment shall
38.4 consist of five members, each to be appointed for a term of three years by the authority
38.5 adopting the regulations and to be removable by the appointing authority for cause, upon
38.6 written charges and after public hearing. The length of initial appointments may be staggered.

38.7 (b) In the case of a Metropolitan Airports Commission, five members shall be appointed
38.8 by the commission chair from the area in and for which the commission was created, any
38.9 of whom may be members of the commission. In the case of an airport owned or operated
38.10 by the state of Minnesota, the board of commissioners of the county, or counties, in which
38.11 the airport hazard area is located shall constitute the airport board of adjustment and shall
38.12 exercise the powers and duties of such board as provided herein.

38.13 **EFFECTIVE DATE; APPLICATION.** This section is effective August 1, 2019, and
38.14 applies to airport sponsors that make or plan to make changes to runway lengths or
38.15 configurations on or after that date. Airport safety zoning ordinances that were approved
38.16 by the commissioner and effective before August 1, 2019, remain valid until or unless the
38.17 airport sponsor (1) makes or plans to make changes to runway lengths or configurations,
38.18 or (2) is required to update airport safety zoning ordinances.

38.19 Sec. 55. Minnesota Statutes 2018, section 360.305, subdivision 6, is amended to read:

38.20 Subd. 6. **Zoning required.** The commissioner ~~shall~~ must not expend money for planning
38.21 or land acquisition, or for the construction, improvement, or maintenance of airports, or for
38.22 air navigation facilities for an airport, unless the ~~governmental unit~~ municipality, county,
38.23 or joint airport zoning board involved has or is establishing a zoning authority for that
38.24 airport, and the authority has made a good-faith showing that it is in the process of and will
38.25 complete with due diligence, an airport zoning ordinance in accordance with sections 360.061
38.26 to 360.074. The commissioner may provide funds to support airport safety projects that
38.27 maintain existing infrastructure, regardless of a zoning authority's efforts to complete a
38.28 zoning regulation. The commissioner ~~shall~~ must make maximum use of zoning and easements
38.29 to eliminate runway and other potential airport hazards rather than land acquisition in fee.

38.30 **EFFECTIVE DATE; APPLICATION.** This section is effective August 1, 2019, and
38.31 applies to airport sponsors that make or plan to make changes to runway lengths or
38.32 configurations on or after that date. Airport safety zoning ordinances that were approved
38.33 by the commissioner and effective before August 1, 2019, remain valid until or unless the

39.1 airport sponsor (1) makes or plans to make changes to runway lengths or configurations,
 39.2 or (2) is required to update airport safety zoning ordinances.

39.3 Sec. 56. Minnesota Statutes 2018, section 394.22, is amended by adding a subdivision to
 39.4 read:

39.5 Subd. 1a. **Airport safety zone.** "Airport safety zone" means an area subject to land use
 39.6 zoning controls adopted under sections 360.061 to 360.074 if the zoning controls regulate
 39.7 (1) the size or location of buildings, or (2) the density of population.

39.8 **EFFECTIVE DATE; APPLICATION.** This section is effective August 1, 2019.

39.9 Sec. 57. Minnesota Statutes 2018, section 394.23, is amended to read:

39.10 **394.23 COMPREHENSIVE PLAN.**

39.11 The board has the power and authority to prepare and adopt by ordinance, a
 39.12 comprehensive plan. A comprehensive plan or plans when adopted by ordinance must be
 39.13 the basis for official controls adopted under the provisions of sections 394.21 to 394.37.
 39.14 The commissioner of natural resources must provide the natural heritage data from the
 39.15 county biological survey, if available, to each county for use in the comprehensive plan.
 39.16 When adopting or updating the comprehensive plan, the board must, if the data is available
 39.17 to the county, consider natural heritage data resulting from the county biological survey. In
 39.18 a county that is not a greater than 80 percent area, as defined in section 103G.005, subdivision
 39.19 10b, the board must consider adopting goals and objectives that will protect open space and
 39.20 the environment. The board must consider the location and dimensions of airport safety
 39.21 zones in any portion of the county, and of any airport improvements, identified in the airport's
 39.22 most recent approved airport layout plan.

39.23 **EFFECTIVE DATE; APPLICATION.** This section is effective August 1, 2019, and
 39.24 applies to airport sponsors that make or plan to make changes to runway lengths or
 39.25 configurations on or after that date. Airport safety zoning ordinances that were approved
 39.26 by the commissioner and effective before August 1, 2019, remain valid until or unless the
 39.27 airport sponsor (1) makes or plans to make changes to runway lengths or configurations,
 39.28 or (2) is required to update airport safety zoning ordinances.

40.1 Sec. 58. Minnesota Statutes 2018, section 394.231, is amended to read:

40.2 **394.231 COMPREHENSIVE PLANS IN GREATER MINNESOTA; OPEN SPACE.**

40.3 A county adopting or updating a comprehensive plan in a county outside the metropolitan
40.4 area as defined by section 473.121, subdivision 2, and that is not a greater than 80 percent
40.5 area, as defined in section 103G.005, subdivision 10b, shall consider adopting goals and
40.6 objectives for the preservation of agricultural, forest, wildlife, and open space land, and
40.7 minimizing development in sensitive shoreland areas. Within three years of updating the
40.8 comprehensive plan, the county shall consider adopting ordinances as part of the county's
40.9 official controls that encourage the implementation of the goals and objectives. The county
40.10 shall consider the following goals and objectives:

40.11 (1) minimizing the fragmentation and development of agricultural, forest, wildlife, and
40.12 open space lands, including consideration of appropriate minimum lot sizes;

40.13 (2) minimizing further development in sensitive shoreland areas;

40.14 (3) minimizing development near wildlife management areas, scientific and natural
40.15 areas, and nature centers;

40.16 (4) encouraging land uses in airport safety zones that are compatible with the safe
40.17 operation of the airport and the safety of people in the vicinity of the airport;

40.18 ~~(4)~~ (5) identification of areas of preference for higher density, including consideration
40.19 of existing and necessary water and wastewater services, infrastructure, other services, and
40.20 to the extent feasible, encouraging full development of areas previously zoned for
40.21 nonagricultural uses;

40.22 ~~(5)~~ (6) encouraging development close to places of employment, shopping centers,
40.23 schools, mass transit, and other public and private service centers;

40.24 ~~(6)~~ (7) identification of areas where other developments are appropriate; and

40.25 ~~(7)~~ (8) other goals and objectives a county may identify.

40.26 **EFFECTIVE DATE; APPLICATION.** This section is effective August 1, 2019, and
40.27 applies to airport sponsors that make or plan to make changes to runway lengths or
40.28 configurations on or after that date. Airport safety zoning ordinances that were approved
40.29 by the commissioner and effective before August 1, 2019, remain valid until or unless the
40.30 airport sponsor (1) makes or plans to make changes to runway lengths or configurations,
40.31 or (2) is required to update airport safety zoning ordinances.

41.1 Sec. 59. Minnesota Statutes 2018, section 394.25, subdivision 3, is amended to read:

41.2 Subd. 3. **In district zoning, maps.** Within each such district zoning ordinances or maps
 41.3 may also be adopted designating or limiting the location, height, width, bulk, type of
 41.4 foundation, number of stories, size of, and the specific uses for which dwellings, buildings,
 41.5 and structures may be erected or altered; the minimum and maximum size of yards, courts,
 41.6 or other open spaces; setback from existing roads and highways and roads and highways
 41.7 designated on an official map; protective measures necessary to protect the public interest
 41.8 including but not limited to controls relating to appearance, signs, lighting, hours of operation
 41.9 and other aesthetic performance characteristics including but not limited to noise, heat,
 41.10 glare, vibrations and smoke; the area required to provide for off street loading and parking
 41.11 facilities; heights of trees and structures near airports; and to avoid too great concentration
 41.12 or scattering of the population. All such provisions shall be uniform for each class of land
 41.13 or building throughout each district, but the provisions in one district may differ from those
 41.14 in other districts. No provision may prohibit earth sheltered construction as defined in section
 41.15 216C.06, subdivision 14, or manufactured homes built in conformance with sections 327.31
 41.16 to 327.35 that comply with all other zoning ordinances promulgated pursuant to this section.
 41.17 Airport safety zones must be included on maps that illustrate boundaries of zoning districts
 41.18 and that are adopted as official controls.

41.19 **EFFECTIVE DATE.** This section is effective August 1, 2019, and applies to maps
 41.20 created or updated under this section on or after that date.

41.21 Sec. 60. Minnesota Statutes 2018, section 462.352, is amended by adding a subdivision
 41.22 to read:

41.23 Subd. 1a. **Airport safety zone.** "Airport safety zone" has the meaning given in section
 41.24 394.22, subdivision 1a.

41.25 **EFFECTIVE DATE; APPLICATION.** This section is effective August 1, 2019.

41.26 Sec. 61. Minnesota Statutes 2018, section 462.355, subdivision 1, is amended to read:

41.27 Subdivision 1. **Preparation and review.** The planning agency shall prepare the
 41.28 comprehensive municipal plan. In discharging this duty the planning agency shall consult
 41.29 with and coordinate the planning activities of other departments and agencies of the
 41.30 municipality to insure conformity with and to assist in the development of the comprehensive
 41.31 municipal plan. In its planning activities the planning agency shall take due cognizance of
 41.32 the planning activities of adjacent units of government and other affected public agencies.
 41.33 The planning agency shall periodically review the plan and recommend amendments

42.1 whenever necessary. When preparing or recommending amendments to the comprehensive
 42.2 plan, the planning agency of a municipality located within a county that is not a greater than
 42.3 80 percent area, as defined in section 103G.005, subdivision 10b, must consider adopting
 42.4 goals and objectives that will protect open space and the environment. When preparing or
 42.5 recommending amendments to the comprehensive plan, the planning agency must consider
 42.6 (1) the location and dimensions of airport safety zones in any portion of the municipality,
 42.7 and (2) any airport improvements identified in the airport's most recent approved airport
 42.8 layout plan.

42.9 **EFFECTIVE DATE; APPLICATION.** This section is effective August 1, 2019, and
 42.10 applies to airport sponsors that make or plan to make changes to runway lengths or
 42.11 configurations on or after that date. Airport safety zoning ordinances that were approved
 42.12 by the commissioner and effective before August 1, 2019, remain valid until or unless the
 42.13 airport sponsor (1) makes or plans to make changes to runway lengths or configurations,
 42.14 or (2) is required to update airport safety zoning ordinances.

42.15 Sec. 62. Minnesota Statutes 2018, section 462.357, is amended by adding a subdivision
 42.16 to read:

42.17 **Subd. 1i. Airport safety zones on zoning maps.** Airport safety zones must be included
 42.18 on maps that illustrate boundaries of zoning districts and that are adopted as official controls.

42.19 **EFFECTIVE DATE.** This section is effective August 1, 2019, and applies to maps
 42.20 created or updated under this section on or after that date.

42.21 Sec. 63. Minnesota Statutes 2018, section 462.357, subdivision 9, is amended to read:

42.22 **Subd. 9. Development goals and objectives.** In adopting official controls after July 1,
 42.23 2008, in a municipality outside the metropolitan area, as defined by section 473.121,
 42.24 subdivision 2, the municipality shall consider restricting new residential, commercial, and
 42.25 industrial development so that the new development takes place in areas subject to the
 42.26 following goals and objectives:

42.27 (1) minimizing the fragmentation and development of agricultural, forest, wildlife, and
 42.28 open space lands, including consideration of appropriate minimum lot sizes;

42.29 (2) minimizing further development in sensitive shoreland areas;

42.30 (3) minimizing development near wildlife management areas, scientific and natural
 42.31 areas, and nature centers;

43.1 (4) encouraging land uses in airport safety zones that are compatible with the safe
 43.2 operation of the airport and the safety of people in the vicinity of the airport;

43.3 ~~(4)~~ (5) identification of areas of preference for higher density, including consideration
 43.4 of existing and necessary water and wastewater services, infrastructure, other services, and
 43.5 to the extent feasible, encouraging full development of areas previously zoned for
 43.6 nonagricultural uses;

43.7 ~~(5)~~ (6) encouraging development close to places of employment, shopping centers,
 43.8 schools, mass transit, and other public and private service centers;

43.9 ~~(6)~~ (7) identification of areas where other developments are appropriate; and

43.10 ~~(7)~~ (8) other goals and objectives a municipality may identify.

43.11 **EFFECTIVE DATE; APPLICATION.** This section is effective August 1, 2019, and
 43.12 applies to airport sponsors that make or plan to make changes to runway lengths or
 43.13 configurations on or after that date. Airport safety zoning ordinances that were approved
 43.14 by the commissioner and effective before August 1, 2019, remain valid until or unless the
 43.15 airport sponsor (1) makes or plans to make changes to runway lengths or configurations,
 43.16 or (2) is required to update airport safety zoning ordinances.

43.17 Sec. 64. Minnesota Statutes 2018, section 473.13, is amended by adding a subdivision to
 43.18 read:

43.19 **Subd. 1d. Budget changes or variances; reports.** At least quarterly by January 1, April
 43.20 1, July 1, and October 1, the council must submit a summary to the chairs and ranking
 43.21 minority members of the house of representatives and senate committees with jurisdiction
 43.22 over transportation policy and finance and to the Legislative Commission on Metropolitan
 43.23 Government on any changes to or variances from the budget adopted under subdivision 1.

43.24 **EFFECTIVE DATE; APPLICATION.** This section is effective June 1, 2019, and
 43.25 applies in the counties of Anoka, Carver, Dakota, Hennepin, Ramsey, Scott, and Washington.

43.26 Sec. 65. Minnesota Statutes 2018, section 473.386, is amended by adding a subdivision
 43.27 to read:

43.28 **Subd. 9. Data practices.** (a) For purposes of administering this section, and only with
 43.29 the consent of the data subject, the commissioner of human services and the Metropolitan
 43.30 Council may share the following private data on individuals eligible for special transportation
 43.31 services:

- 44.1 (1) name;
 44.2 (2) date of birth;
 44.3 (3) residential address; and
 44.4 (4) program eligibility status with expiration date, to inform the other party of program
 44.5 eligibility.

44.6 (b) The commissioner of human services and the Metropolitan Council must provide
 44.7 notice regarding data sharing to each individual applying for or renewing eligibility to use
 44.8 special transportation services. The notice must seek consent to engage in data sharing under
 44.9 paragraph (a), and must state how and for what purposes the individual's private data will
 44.10 be shared between the commissioner of human services and the Metropolitan Council. A
 44.11 consent to engage in data sharing is effective until the individual's eligibility expires, but
 44.12 may be renewed if the individual applies to renew eligibility.

44.13 **EFFECTIVE DATE; APPLICATION.** This section is effective June 1, 2019, and
 44.14 applies in the counties of Anoka, Carver, Dakota, Hennepin, Ramsey, Scott, and Washington.
 44.15 Within 60 days of this section's effective date, the commissioner of human services and the
 44.16 Metropolitan Council must provide notice regarding data sharing to each individual who is
 44.17 currently receiving special transportation services under Minnesota Statutes, section 473.386.
 44.18 The notice must provide an opportunity to opt out of data sharing under paragraph (a) of
 44.19 this section, and must state how and for what purposes the individual's private data will be
 44.20 shared between the commissioner of human services and the Metropolitan Council. An
 44.21 individual who is currently receiving special transportation services on this section's effective
 44.22 date is presumed to have consented to data sharing under paragraph (a) unless, within 60
 44.23 days of the dissemination of the notice, the individual appropriately informs the commissioner
 44.24 of human services or the Metropolitan Council that the individual opts out of data sharing.

44.25 Sec. 66. Minnesota Statutes 2018, section 574.26, subdivision 1a, is amended to read:

44.26 Subd. 1a. **Exemptions: certain manufacturers; commissioner of transportation;**
 44.27 **road maintenance.** (a) Sections 574.26 to 574.32 do not apply to a manufacturer of public
 44.28 transit buses that manufactures at least 100 public transit buses in a calendar year. For
 44.29 purposes of this section, "public transit bus" means a motor vehicle designed to transport
 44.30 people, with a design capacity for carrying more than 40 passengers, including the driver.
 44.31 The term "public transit bus" does not include a school bus, as defined in section 169.011,
 44.32 subdivision 71.

45.1 (b) At the discretion of the commissioner of transportation, sections 574.26 to 574.32
 45.2 do not apply to any projects of the Department of Transportation (1) costing less than the
 45.3 amount in section 471.345, subdivision 3, ~~or~~ (2) involving the permanent or semipermanent
 45.4 installation of heavy machinery, fixtures, or other capital equipment to be used primarily
 45.5 for maintenance or repair, or (3) awarded under section 161.32, subdivision 2.

45.6 (c) Sections 574.26 to 574.32 do not apply to contracts for snow removal, ice removal,
 45.7 grading, or other similar routine road maintenance on town roads.

45.8 Sec. 67. Laws 2014, chapter 312, article 11, section 38, subdivision 5, is amended to read:

45.9 Subd. 5. **Pilot program evaluation.** In coordination with the city, the commissioner of
 45.10 transportation shall evaluate effectiveness of the pilot program under this section, which
 45.11 must include analysis of traffic safety impacts, utility to motorists and tourists, costs and
 45.12 expenditures, extent of community support, and pilot program termination or continuation.
 45.13 By January 15, ~~2021~~ 2025, the commissioner shall submit a report on the evaluation to the
 45.14 ~~chairs and ranking minority members~~ and staff of the legislative committees with jurisdiction
 45.15 over transportation policy and finance.

45.16 Sec. 68. Laws 2014, chapter 312, article 11, section 38, subdivision 6, is amended to read:

45.17 Subd. 6. **Expiration.** The pilot program under this section expires January 1, ~~2022~~ 2026.

45.18 Sec. 69. **LEGISLATIVE ROUTE NO. 222 REMOVED.**

45.19 (a) Minnesota Statutes, section 161.115, subdivision 153, is repealed effective the day
 45.20 after the commissioner of transportation receives a copy of the agreement between the
 45.21 commissioner and the governing body of Red Lake County to transfer jurisdiction of
 45.22 Legislative Route No. 222 and after the commissioner notifies the revisor of statutes under
 45.23 paragraph (b).

45.24 (b) The revisor of statutes shall delete the route identified in paragraph (a) from Minnesota
 45.25 Statutes when the commissioner of transportation sends notice to the revisor electronically
 45.26 or in writing that the conditions required to transfer the route have been satisfied.

45.27 Sec. 70. **LEGISLATIVE ROUTE NO. 253 REMOVED.**

45.28 (a) Minnesota Statutes, section 161.115, subdivision 184, is repealed effective the day
 45.29 after the commissioner of transportation receives a copy of the agreement between the
 45.30 commissioner and the governing body of Faribault County to transfer jurisdiction of

46.1 Legislative Route No. 253 and after the commissioner notifies the revisor of statutes under
46.2 paragraph (b).

46.3 (b) The revisor of statutes shall delete the route identified in paragraph (a) from Minnesota
46.4 Statutes when the commissioner of transportation sends notice to the revisor electronically
46.5 or in writing that the conditions required to transfer the route have been satisfied.

46.6 **Sec. 71. LEGISLATIVE ROUTE NO. 254 REMOVED.**

46.7 (a) Minnesota Statutes, section 161.115, subdivision 185, is repealed effective the day
46.8 after the commissioner of transportation receives a copy of the agreement between the
46.9 commissioner and the governing body of Faribault County to transfer jurisdiction of
46.10 Legislative Route No. 254 and after the commissioner notifies the revisor of statutes under
46.11 paragraph (b).

46.12 (b) The revisor of statutes shall delete the route identified in paragraph (a) from Minnesota
46.13 Statutes when the commissioner of transportation sends notice to the revisor electronically
46.14 or in writing that the conditions required to transfer the route have been satisfied.

46.15 **Sec. 72. LEGISLATIVE ROUTE NO. 277 REMOVED.**

46.16 (a) Minnesota Statutes, section 161.115, subdivision 208, is repealed effective June 1,
46.17 2019, or the day after the commissioner of transportation receives a copy of the agreement
46.18 between the commissioner and the governing body of Chippewa County to transfer
46.19 jurisdiction of Legislative Route No. 277 and after the commissioner notifies the revisor of
46.20 statutes under paragraph (b), whichever is later.

46.21 (b) The revisor of statutes shall delete the route identified in paragraph (a) from Minnesota
46.22 Statutes when the commissioner of transportation sends notice to the revisor electronically
46.23 or in writing that the conditions required to transfer the route have been satisfied.

46.24 **Sec. 73. LEGISLATIVE ROUTE NO. 298 REMOVED.**

46.25 (a) Minnesota Statutes, section 161.115, subdivision 229, is repealed effective the day
46.26 after the commissioner of transportation receives a copy of the agreement between the
46.27 commissioner and the governing body of the city of Faribault to transfer jurisdiction of
46.28 Legislative Route No. 298 and after the commissioner notifies the revisor of statutes under
46.29 paragraph (b).

47.1 (b) The revisor of statutes shall delete the route identified in paragraph (a) from Minnesota
47.2 Statutes when the commissioner of transportation sends notice to the revisor electronically
47.3 or in writing that the conditions required to transfer the route have been satisfied.

47.4 **Sec. 74. LEGISLATIVE ROUTE NO. 299 REMOVED.**

47.5 (a) Minnesota Statutes, section 161.115, subdivision 230, is repealed effective the day
47.6 after the commissioner of transportation receives a copy of the agreement between the
47.7 commissioner and the governing body of the city of Faribault to transfer jurisdiction of
47.8 Legislative Route No. 299 and after the commissioner notifies the revisor of statutes under
47.9 paragraph (b).

47.10 (b) The revisor of statutes shall delete the route identified in paragraph (a) from Minnesota
47.11 Statutes when the commissioner of transportation sends notice to the revisor electronically
47.12 or in writing that the conditions required to transfer the route have been satisfied.

47.13 **Sec. 75. LEGISLATIVE ROUTE NO. 323 REMOVED.**

47.14 (a) Minnesota Statutes, section 161.115, subdivision 254, is repealed effective the day
47.15 after the commissioner of transportation receives a copy of the agreement between the
47.16 commissioner and the governing body of the city of Faribault to transfer jurisdiction of
47.17 Legislative Route No. 323 and after the commissioner notifies the revisor of statutes under
47.18 paragraph (b).

47.19 (b) The revisor of statutes shall delete the route identified in paragraph (a) from Minnesota
47.20 Statutes when the commissioner of transportation sends notice to the revisor electronically
47.21 or in writing that the conditions required to transfer the route have been satisfied.

47.22 **Sec. 76. RETROACTIVE DRIVER'S LICENSE REINSTATEMENT.**

47.23 (a) The commissioner of public safety must make an individual's driver's license eligible
47.24 for reinstatement if the license is solely suspended pursuant to:

47.25 (1) Minnesota Statutes 2016, section 171.16, subdivision 2, if the person was convicted
47.26 only under Minnesota Statutes, section 171.24, subdivision 1 or 2;

47.27 (2) Minnesota Statutes 2016, section 171.16, subdivision 3; or

47.28 (3) both clauses (1) and (2).

47.29 (b) By May 1, 2020, the commissioner must provide written notice to an individual
47.30 whose license has been made eligible for reinstatement under paragraph (a), addressed to
47.31 the licensee at the licensee's last known address.

48.1 (c) Before the license is reinstated, an individual whose driver's license is eligible for
 48.2 reinstatement under paragraph (a) must pay the reinstatement fee under Minnesota Statutes,
 48.3 section 171.20, subdivision 4.

48.4 (d) The following applies for an individual who is eligible for reinstatement under
 48.5 paragraph (a), clause (1), (2), or (3), and whose license was suspended, revoked, or canceled
 48.6 under any other provision in Minnesota Statutes:

48.7 (1) the suspension, revocation, or cancellation under any other provision in Minnesota
 48.8 Statutes remains in effect;

48.9 (2) subject to clause (1), the individual may become eligible for reinstatement under
 48.10 paragraph (a), clause (1), (2), or (3); and

48.11 (3) the commissioner is not required to send the notice described in paragraph (b).

48.12 (e) Paragraph (a) applies notwithstanding Minnesota Statutes 2016, sections 169.92,
 48.13 subdivision 4; 171.16, subdivision 2 or 3; or any other law to the contrary.

48.14 **EFFECTIVE DATE.** This section is effective April 1, 2020.

48.15 **Sec. 77. COMMERCIAL DRIVER'S LICENSE FEDERAL REGULATION WAIVER**
 48.16 **REQUEST.**

48.17 For the sole purpose of authorizing a person to drive a bus with no passengers to deliver
 48.18 the bus to the purchaser, the commissioner of public safety must apply to the Federal Motor
 48.19 Carrier Safety Administration for a waiver from Code of Federal Regulations, title 49,
 48.20 section 383.93, and any other federal rule or regulation that requires a person to have a
 48.21 passenger endorsement.

48.22 **EFFECTIVE DATE.** This section is effective June 1, 2019.

48.23 **Sec. 78. NORTHSTAR COMMUTER RAIL OPERATING COSTS; EXCEPTION.**

48.24 (a) Minnesota Statutes, section 398A.10, subdivision 2, does not apply for reserve funds
 48.25 available to the Anoka County Regional Railroad Authority as of June 30, 2019, that are
 48.26 used to pay operating and maintenance costs of Northstar Commuter Rail.

48.27 (b) This section expires on January 1, 2022.

49.1 Sec. 79. **REVISOR INSTRUCTIONS.**

49.2 (a) The revisor of statutes shall renumber Minnesota Statutes, section 160.02, subdivision
49.3 27a, as Minnesota Statutes, section 169.011, subdivision 73a. The revisor shall correct any
49.4 cross-references made necessary by this renumbering.

49.5 (b) The revisor of statutes shall change the term "special revenue fund" to "driver and
49.6 vehicle services fund" wherever the term appears in Minnesota Statutes when referring to
49.7 the accounts under Minnesota Statutes, section 299A.705.

49.8 Sec. 80. **REPEALER.**

49.9 (a) Minnesota Statutes 2018, section 168.013, subdivision 21, is repealed.

49.10 (b) Minnesota Statutes 2018, sections 360.063, subdivision 4; 360.065, subdivision 2;
49.11 and 360.066, subdivisions 1a and 1b, are repealed.

49.12 **EFFECTIVE DATE; APPLICATION.** Paragraph (b) is effective August 1, 2019, and
49.13 applies to airport sponsors that make or plan to make changes to runway lengths or
49.14 configurations on or after that date. Airport safety zoning ordinances that were approved
49.15 by the commissioner and effective before August 1, 2019, remain valid until or unless the
49.16 airport sponsor (1) makes or plans to make changes to runway lengths or configurations,
49.17 or (2) is required to update airport safety zoning ordinances.

168.013 VEHICLE REGISTRATION TAXES.

Subd. 21. **Technology surcharge.** For every vehicle registration renewal required under this chapter, the commissioner shall collect a surcharge of: (1) \$1.75 until June 30, 2012; and (2) \$1 from July 1, 2012, to June 30, 2016. Surcharges collected under this subdivision must be credited to the driver and vehicle services technology account in the special revenue fund under section 299A.705.

360.063 AIRPORT ZONING; AUTHORITY, PROCEDURE.

Subd. 4. **Airport approach.** The commissioner may recommend an airport approach plan for each publicly owned airport in the state and for each privately owned airport of the publicly owned class and from time to time recommend revisions of the plan. A plan shall indicate the circumstances in which structures or trees are or would be airport hazards, the airport hazard area, and what measures should be taken to eliminate airport hazards. The commissioner shall prescribe airport approach and turning standards for airports of various classes, and airport zoning regulations adopted by a municipality, county, or joint airport zoning board shall conform to the standards, except as provided in sections 360.065 and 360.066.

360.065 AIRPORT ZONING; ADOPTION AND APPROVAL OF PROPOSED REGULATIONS.

Subd. 2. **Regulations submitted to commissioner.** Prior to adopting zoning regulations for an airport hazard area under sections 360.011 to 360.076, the municipality, county, or joint airport zoning board which is to adopt the regulations shall submit its proposed regulations to the commissioner in order that the commissioner may determine whether it conforms to the standards prescribed by the commissioner. The commissioner shall immediately examine the proposed regulations and report to the municipality, county, or joint airport zoning board the commissioner's approval, or objections, if any. If objections are made by the commissioner on the ground that the regulations do not conform to the standards prescribed by the commissioner for the class of airport involved, the municipality, county, or joint zoning board shall make amendments as are necessary to meet the objections unless it demonstrates that the social and economic costs of restricting land uses in accordance with the standards outweigh the benefits of a strict application of the standards. The governing body of the municipality or county or the joint airport zoning board shall not adopt the regulations or take other action until the proposed regulations are approved by the commissioner. The commissioner may approve local zoning ordinances that are more stringent than the standards. A copy of the regulations as adopted shall be filed with the county recorder in each county in which the zoned area is located.

Substantive rights existing prior to the passage of this subdivision and previously exercised are not affected by the filing of the regulations.

360.066 AIRPORT ZONING; MINIMUM STANDARDS, LAND USES.

Subd. 1a. **Protection of existing neighborhood.** (a) In order to ensure the minimum disruption of existing land uses, particularly established residential neighborhoods in built-up urban areas, the airport zoning standards of the commissioner and the local airport zoning ordinances or regulations adopted under sections 360.061 to 360.074 shall distinguish between the creation or establishment of a use and the elimination of an existing use, and shall avoid the elimination, removal, or reclassification of existing uses to the extent consistent with reasonable standards of safety. The standards of the commissioner shall include criteria for determining when an existing land use may constitute an airport hazard so severe that considerations of public safety outweigh the public interest in preventing disruption to that land use.

(b) No airport zoning standards or local airport zoning ordinances or regulations shall be adopted pursuant to sections 360.061 to 360.074 that classify as a nonconforming use or require such classification with respect to any low-density residential structure or isolated low-density residential building lots existing on January 1, 1978, in an established residential neighborhood.

(c) A local airport zoning authority may classify a land use described in paragraph (b) as an airport hazard if that authority finds that this classification is justified by considerations of public safety and is consistent with the airport zoning standards of the commissioner. Any land use described in paragraph (b) which is classified as an airport hazard shall be acquired, altered, or removed at public expense.

(d) The provisions of this subdivision shall not be construed to affect the classification of any land use under any zoning ordinances or regulations not adopted pursuant to sections 360.061 to 360.074.

APPENDIX
Repealed Minnesota Statutes: 19-3103

Subd. 1b. **Amendment of standards.** Within nine months after March 29, 1978, the commissioner shall amend the standards defining airport hazard areas and categories of uses permitted therein to conform with the requirements of Laws 1978, chapter 654. Until the commissioner adopts amended standards as required by this subdivision the unamended standards, insofar as they require classification of any residential property as a nonconforming use contrary to the provisions of subdivision 1a, paragraph (b), shall be without force or effect.
