3.22 have been granted to the emancipated minor.

3.34 the minor's emancipation shall terminate on the minor's 18th birthday.

3.35 Sec. 4. **[260C.704] EMANCIPATION OF MINORS; REVOCATION.**

4.1 At any time before the emancipated minor reaches 18 years of age, the emancipated
4.2 minor or an interested third party may petition for a revocation of the emancipation, and
4.3 the court shall revoke the emancipation order if the minor agrees to the revocation or if the
4.4 requirements of section 260C.702, subdivision 2, paragraph b, are no longer met.

4.12 Subd. 5. **Automatic termination of support.** (a) Unless a court order provides
4.13 otherwise, a child support obligation in a specific amount per child terminates automatically
4.14 and without any action by the obligor to reduce, modify, or terminate the order upon the
4.15 emancipation of the child as provided under section 518A.26, subdivision 5, or 260C.701.

4.16 (b) A child support obligation for two or more children that is not a support obligation
4.17 in a specific amount per child continues in the full amount until the emancipation of the
4.18 last child for whose benefit the order was made, or until further order of the court.

4.19 (c) The obligor may request a modification of the obligor's child support order
4.20 upon the emancipation of a child if there are still minor children under the order. The
4.21 child support obligation shall be determined based on the income of the parties at the
4.22 time the modification is sought.
