15.31 The commissioner, in consultation with the commissioner of natural resources,
15.32 commissioner of the Pollution Control Agency, and Board of Water and Soil Resources,
15.33 may implement a Minnesota agricultural water quality certification program whereby a
15.34 producer who demonstrates practices and management sufficient to protect water quality
15.35 is certified for up to ten years and presumed to be contributing the producer's share of

16.1 any targeted reduction of water pollutants during the certification period. The program
16.2 is voluntary. The voluntary program will first be piloted in selected watersheds across
16.3 the state, until the commissioner, in consultation with the Minnesota Agricultural Water
16.4 Quality Certification Program Advisory Committee, commissioner of natural resources,
16.5 commissioner of the Pollution Control Agency, and Board of Water and Soil Resources,
16.6 determines the program is suitable to be implemented in other watersheds.

16.9 17.9891 to 17.993.

16.10 Subd. 2. **Certification.** "Certification" means a producer has demonstrated
16.11 compliance with all applicable environmental rules and statutes for all of the producer's
16.12 owned and rented agricultural land and has achieved a satisfactory score through the
16.13 certification instrument as verified by a certifying agent.

16.14 Subd. 3. **Certifying agent.** "Certifying agent" means a person who is authorized
16.15 by the commissioner to assess producers to determine whether a producer satisfies the

16.18 ownership, written lease, or other legal agreement and authority to act as decision
16.19 maker for the day-to-day management of the operation at the time the producer achieves
16.20 certification and for the required certification period.

16.21 Subd. 5. **Eligible land.** "Eligible land" means all acres of a producer's agricultural
16.22 operation, whether contiguous or not, that are under the effective control of the producer
16.23 at the time the producer enters into the program and that the producer operates with
16.24 equipment, labor, and management.

16.25 Subd. 6. **Program.** "Program" means the Minnesota agricultural water quality
16.26 certification program.

16.27 Subd. 7. **Technical assistance.** "Technical assistance" means professional, advisory,

16.31 Certification Program Advisory Committee, commissioner of natural resources,
16.32 commissioner of the Pollution Control Agency, and Board of Water and Soil Resources,
16.33 shall develop an analytical instrument to assess the water quality practices and
16.34 management of agricultural operations. This instrument shall be used to certify that the

17.1 water quality practices and management of an agricultural operation are consistent with
17.2 state water quality goals and standards. The commissioner shall define a satisfactory score
17.3 for certification purposes. The certification instrument tool shall:

- 17.4 (1) integrate applicable existing regulatory requirements;
17.5 (2) utilize technology and prioritize ease of use;
17.6 (3) utilize a water quality index or score applicable to the landscape;
17.7 (4) incorporate a process for updates and revisions as practices, management, and

17.10 **Sec. 8. [17.9894] CERTIFYING AGENT LICENSE.**

17.11 Subdivision 1. **License.** A person who offers certification services to producers
17.12 as part of the program must satisfy all criteria in subdivision 2 and be licensed by
17.13 the commissioner. A certifying agent is ineligible to provide certification services
17.14 to any producer to whom the certifying agent has also provided technical assistance.
17.15 Notwithstanding section 16A.1283, the commissioner may set license fees.

17.16 Subd. 2. **Certifying agent requirements.** In order to be licensed as a certifying
17.17 agent, a person must:

17.19 conservation district or the Natural Resources Conservation Service, a Minnesota certified
17.20 crop advisor recognized by the American Society of Agronomy, or an individual with
17.21 agricultural conservation experience approved by the commissioner. The commissioner
17.22 may establish eligibility criteria by rule;

17.23 (2) have passed a comprehensive exam, as set by the commissioner, evaluating
17.24 knowledge of water quality, soil health, best farm management techniques, and the
17.25 certification instrument; and

17.26 (3) maintain continuing education requirements as set by the commissioner.

17.27 **Sec. 9. [17.9895] DUTIES OF A CERTIFYING AGENT.**

17.28 Subdivision 1. **Duties.** A certifying agent shall conduct a formal certification
17.29 assessment utilizing the certification instrument to determine whether a producer meets
17.30 program criteria. If a producer satisfies all requirements, the certifying agent shall notify
17.31 the commissioner of the producer's eligibility and request that the commissioner issue a
17.32 certificate. All records and documents used in the assessment shall be compiled by the
17.33 certifying agent and submitted to the commissioner.

18.1 Subd. 2. **Violations.** (a) In the event a certifying agent violates any provision of

18.3 written warning or a correction order and may suspend or revoke a license.

18.4 (b) If the commissioner suspends or revokes a license, the certifying agent has ten
18.5 days from the date of suspension or revocation to appeal. If a certifying agent appeals, the
18.6 commissioner shall hold an administrative hearing within 30 days of the suspension or
18.7 revocation of the license, or longer by agreement of the parties, to determine whether the
18.8 license is revoked or suspended. The commissioner shall issue an opinion within 30 days.
18.9 If a person notifies the commissioner that the person intends to contest the commissioner's
18.10 opinion, the Office of Administrative Hearings shall conduct a hearing in accordance with
18.11 the applicable provisions of chapter 14 for hearings in contested cases.

18.12 Sec. 10. **[17.9896] CERTIFICATION PROCEDURES.**

18.13 Subdivision 1. **Producer duties.** A producer who seeks certification of eligible land
18.14 shall conduct an initial assessment using the certification instrument, obtain technical
18.15 assistance if necessary to achieve a satisfactory score on the certification instrument, and
18.16 apply for certification from a licensed certifying agent.

18.17 Subd. 2. **Owned land.** Once certified, if a producer obtains ownership of additional
18.18 agricultural land, the producer must notify a certifying agent and obtain certification of the
18.19 additional land within one year in order to retain the producer's original certification.

18.20 Subd. 3. **Leased land.** Once certified, if a producer leases additional land, then the
18.21 producer must notify a certifying agent before farming operations commence on the newly
18.22 leased land. A producer who operates leased land is not required to implement practices
18.23 that permanently alter the landscape in order to be certified or remain certified if the land
18.24 is added following the original certification. A producer who operates leased land must
18.25 demonstrate sufficient annual crop management practices, consistent with the original
18.26 certification agreement, in order to remain certified.

18.27 Subd. 4. **Violations.** (a) The commissioner may revoke a certification if the
18.28 producer violates subdivision 2 or 3.

18.29 (b) The commissioner may revoke a certification and seek reimbursement of any
18.30 monetary benefit a producer may have received due to certification from a producer who
18.31 fails to maintain certification criteria.

18.32 (c) If the commissioner revokes a certification, the producer has 30 days from the
18.33 date of suspension or revocation to appeal. If a producer appeals, the commissioner shall
18.34 hold an administrative hearing within 30 days of the suspension or revocation of the
18.35 certification, or longer by agreement of the parties, to determine whether the certification

19.1 is revoked or suspended. The commissioner shall issue an opinion within 30 days. If the
19.2 producer notifies the commissioner that the producer intends to contest the commissioner's

19.6 (a) Once a producer is certified, the producer:

19.7 (1) retains certification for up to ten years from the date of certification if the
19.8 producer complies with the certification agreement, even if the producer does not comply
19.9 with new state water protection laws or rules that take effect during the certification period;

19.10 (2) is presumed to be meeting the producer's contribution to any targeted reduction
19.11 of pollutants during the certification period;

19.12 (3) is required to continue implementation of practices that maintain the producer's
19.13 certification; and

19.14 (4) is required to retain all records pertaining to certification.

19.15 (b) Paragraph (a) does not preclude enforcement of a local rule or ordinance by a
19.16 local unit of government.

19.17 Sec. 12. **[17.9898] AUDITS.**

19.18 The commissioner shall perform random audits of producers and certifying agents to
19.19 ensure compliance with the program. All producers and certifying agents shall cooperate
19.20 with the commissioner during these audits, and provide all relevant documents to the
19.21 commissioner for inspection and copying. Any delay, obstruction, or refusal to cooperate
19.22 with the commissioner's audit or falsification of or failure to provide required data or
19.23 information is a violation subject to the provisions of section 17.9895, subdivision 2, or
19.24 17.9896, subdivision 3.

19.25 Sec. 13. **[17.9899] DATA.**

19.26 All data collected under the program that identifies a producer or a producer's
19.27 location are considered nonpublic data as defined in section 13.02, subdivision 9, or
19.28 private data on individuals as defined in section 13.02, subdivision 12. The commissioner
19.29 shall make available summary data of program outcomes on data classified as private
19.30 or nonpublic under this section.

19.31 Sec. 14. **[17.991] RULEMAKING.**

19.32 The commissioner may adopt rules to implement the program.

20.1 Sec. 15. **[17.992] REPORTS.**

20.2 The commissioner, in consultation with the Minnesota Agricultural Water Quality
20.3 Certification Program Advisory Committee, commissioner of natural resources,
20.4 commissioner of the Pollution Control Agency, and Board of Water and Soil Resources,

20.13 ~~growth of noxious weeds~~ manage or prevent the maturation and spread of propagating
20.14 parts of noxious weeds from one area to another by a lawful method that does not cause
20.15 unreasonable adverse effects on the environment as defined in section 18B.01, subdivision
20.16 31, ~~and prevents the maturation and spread of noxious weed propagating parts from one~~
20.17 ~~area to another.~~

20.18 Sec. 18. Minnesota Statutes 2012, section 18.77, subdivision 4, is amended to read:

20.19 Subd. 4. **Eradicate.** "Eradicate" means to destroy the aboveground ~~growth and the~~
20.20 ~~roots~~ and belowground plant parts of noxious weeds by a lawful method ~~that, which~~
20.21 prevents the maturation and spread of noxious weed propagating parts from one area
20.22 to another.

20.23 Sec. 19. Minnesota Statutes 2012, section 18.77, subdivision 10, is amended to read:

20.24 Subd. 10. **Permanent pasture, hay meadow, woodlot, and or other noncrop**
20.25 **area.** "Permanent pasture, hay meadow, woodlot, ~~and or~~ other noncrop area" means an
20.26 area of predominantly native or seeded perennial plants that can be used for grazing or hay
20.27 purposes but is not harvested on a regular basis and is not considered to be a growing crop.

20.28 Sec. 20. Minnesota Statutes 2012, section 18.77, subdivision 12, is amended to read:

20.29 Subd. 12. **Propagating parts.** "Propagating parts" means all plant parts, including
20.30 seeds, that are capable of producing new plants.

21.1 Sec. 21. [18.771] NOXIOUS WEED CATEGORIES.

21.2 (a) For purposes of designation under section 18.79, subdivision 13, noxious weed
21.3 category means each of the following categories.

21.4 (b) "Prohibited noxious weeds" includes noxious weeds that must be controlled or
21.5 eradicated on all lands within the state. Transportation of a prohibited noxious weed's
21.6 propagating parts is restricted by permit except as allowed by section 18.82. Prohibited
21.7 noxious weeds may not be sold or propagated in Minnesota. There are two regulatory
21.8 listings for prohibited noxious weeds in Minnesota:

21.9 (1) the noxious weed eradicate list is established. Prohibited noxious weeds placed
21.10 on the noxious weed eradicate list are plants that are not currently known to be present in
21.11 Minnesota or are not widely established. These species must be eradicated; and

21.12 (2) the noxious weed control list is established. Prohibited noxious weeds placed on
21.13 the noxious weed control list are plants that are already established throughout Minnesota
21.14 or regions of the state. Species on this list must at least be controlled.

21.15 (c) "Restricted noxious weeds" includes noxious weeds that are widely distributed
21.16 in Minnesota, but for which the only feasible means of control is to prevent their spread
21.17 by prohibiting the importation, sale, and transportation of their propagating parts in the
21.18 state, except as allowed by section 18.82.

21.19 (d) "Specially regulated plants" includes noxious weeds that may be native
21.20 species or have demonstrated economic value, but also have the potential to cause harm
21.21 in noncontrolled environments. Plants designated as specially regulated have been
21.22 determined to pose ecological, economical, or human or animal health concerns. Species
21.23 specific management plans or rules that define the use and management requirements
21.24 for these plants must be developed by the commissioner of agriculture for each plant
21.25 designated as specially regulated. The commissioner must also take measures to minimize
21.26 the potential for harm caused by these plants.

21.27 (e) "County noxious weeds" includes noxious weeds that are designated by
21.28 individual county boards to be enforced as prohibited noxious weeds within the county's
21.29 jurisdiction and must be approved by the commissioner of agriculture, in consultation with
21.30 the Noxious Weed Advisory Committee. Each county board must submit newly proposed
21.31 county noxious weeds to the commissioner of agriculture for review. Approved county
21.32 noxious weeds shall also be posted with the county's general weed notice prior to May 15
21.33 each year. Counties are solely responsible for developing county noxious weed lists and
21.34 their enforcement.

21.35 Sec. 22. Minnesota Statutes 2012, section 18.78, subdivision 3, is amended to read:

22.1 Subd. 3. **Cooperative Weed control agreement.** The commissioner, municipality,
22.2 or county agricultural inspector or county-designated employee may enter into a
22.3 cooperative weed control agreement with a landowner or weed management area
22.4 group to establish a mutually agreed-upon noxious weed management plan for up to
22.5 three years duration, whereby a noxious weed problem will be controlled without
22.6 additional enforcement action. If a property owner fails to comply with the noxious weed
22.7 management plan, an individual notice may be served.

22.8 Sec. 23. Minnesota Statutes 2012, section 18.79, subdivision 6, is amended to read:

22.9 Subd. 6. **Training for control or eradication of noxious weeds.** The commissioner
22.10 shall conduct initial training considered necessary for inspectors and county-designated
22.11 employees in the enforcement of the Minnesota Noxious Weed Law. The director of the
22.12 University of Minnesota Extension Service may conduct educational programs for the
22.13 general public that will aid compliance with the Minnesota Noxious Weed Law. Upon
22.14 request, the commissioner may provide information and other technical assistance to the
22.15 county agricultural inspector or county-designated employee to aid in the performance of
22.16 responsibilities specified by the county board under section 18.81, subdivisions 1a and 1b.

22.17 Sec. 24. Minnesota Statutes 2012, section 18.79, subdivision 13, is amended to read:

22.18 Subd. 13. **Noxious weed designation.** The commissioner, in consultation with the
22.19 Noxious Weed Advisory Committee, shall determine which plants are noxious weeds
22.20 subject to ~~control~~ regulation under sections 18.76 to 18.91. The commissioner shall
22.21 prepare, publish, and revise as necessary, but at least once every three years, a list of
22.22 noxious weeds and their designated classification. The list must be distributed to the public
22.23 by the commissioner who may request the help of the University of Minnesota Extension,
22.24 the county agricultural inspectors, and any other organization the commissioner considers
22.25 appropriate to assist in the distribution. The commissioner may, in consultation with
22.26 the Noxious Weed Advisory Committee, accept and consider noxious weed designation
22.27 petitions from Minnesota citizens or Minnesota organizations or associations.

22.28 Sec. 25. Minnesota Statutes 2012, section 18.82, subdivision 1, is amended to read:

22.29 Subdivision 1. **Permits.** Except as provided in section 21.74, if a person wants to
22.30 transport along a public highway materials or equipment containing the propagating
22.31 parts of weeds designated as noxious by the commissioner, the person must secure a
22.32 written permit for transportation of the material or equipment from an inspector or
22.33 county-designated employee. Inspectors or county-designated employees may issue

23.1 permits to persons residing or operating within their jurisdiction. ~~If the noxious weed~~
23.2 ~~propagating parts are removed from materials and equipment or devitalized before~~
23.3 ~~being transported, a permit is not needed~~ A permit is not required for the transport of
23.4 noxious weeds for the purpose of destroying propagating parts at a Department of
23.5 Agriculture-approved disposal site. Anyone transporting noxious weed propagating parts
23.6 for the purpose of disposal at an approved site shall ensure that all materials are contained
23.7 in a manner that prevents escape during transport.

23.8 Sec. 26. Minnesota Statutes 2012, section 18.91, subdivision 1, is amended to read:

23.9 Subdivision 1. **Duties.** The commissioner shall consult with the Noxious Weed
23.10 Advisory Committee to advise the commissioner concerning responsibilities under
23.11 the noxious weed control program. The committee shall also evaluate species for
23.12 invasiveness, difficulty of control, cost of control, benefits, and amount of injury caused
23.13 by them. For each species evaluated, the committee shall recommend to the commissioner
23.14 on which noxious weed list or lists, if any, the species should be placed. Species ~~currently~~
23.15 designated as prohibited or restricted noxious weeds or specially regulated plants must
23.16 be reevaluated every three years for a recommendation on whether or not they need to
23.17 remain on the noxious weed lists. The committee shall also advise the commissioner on
23.18 the implementation of the Minnesota Noxious Weed Law and assist the commissioner in
23.19 the development of management criteria for each noxious weed category. Members of
23.20 the committee are not entitled to reimbursement of expenses nor payment of per diem.
23.21 Members shall serve two-year terms with subsequent reappointment by the commissioner.

23.22 Sec. 27. Minnesota Statutes 2012, section 18.91, subdivision 2, is amended to read:

23.23 Subd. 2. **Membership.** The commissioner shall appoint members, which shall
23.24 include representatives from the following:

- 23.25 (1) horticultural science, agronomy, and forestry at the University of Minnesota;
- 23.26 (2) the nursery and landscape industry in Minnesota;
- 23.27 (3) the seed industry in Minnesota;
- 23.28 (4) the Department of Agriculture;

90.25 roads until the commissioner has been notified and has given prior approval to such
90.26 cutting operations. Approval shall not be granted until the permit holder has completed
90.27 a presale conference with the state appraiser designated to supervise the cutting. The
90.28 permit holder shall also give prior notice whenever permit operations are to be temporarily
90.29 halted, whenever permit operations are to be resumed, and when permit operations are to
90.30 be completed.

90.31 Sec. 44. Minnesota Statutes 2012, section 90.151, subdivision 7, is amended to read:

90.32 Subd. 7. **Liability for timber cut in trespass.** The permit shall provide that the
90.33 permit holder shall pay the permit price value for any timber sold which is negligently

91.1 destroyed or damaged by the permit holder in cutting or removing other timber sold. If the
91.2 permit holder shall cut or remove or negligently destroy or damage any timber upon the
91.3 land described, not sold under the permit, except such timber as it may be necessary to cut
91.4 and remove in the construction of necessary logging roads and landings approved as to
91.5 location and route by the commissioner, such timber shall be deemed to have been cut in
91.6 trespass. The permit holder shall be liable for any such timber and recourse may be had
91.7 upon the ~~bond~~ security deposit.

91.8 Sec. 45. Minnesota Statutes 2012, section 90.151, subdivision 8, is amended to read:

91.9 Subd. 8. **Suspension; cancellation.** The permit shall provide that the commissioner
91.10 shall have the power to order suspension of all operations under the permit when ~~in the~~
91.11 ~~commissioner's judgment~~ the conditions thereof have not been complied with and any
91.12 timber cut or removed during such suspension shall be deemed to have been cut in trespass;
91.13 that the commissioner may cancel the permit at any time ~~when in the commissioner's~~
91.14 ~~judgment the conditions thereof have not been complied with~~ due to a breach of the permit
91.15 conditions and such cancellation shall constitute repossession of the timber by the state;
91.16 that the permit holder shall remove equipment and buildings from such land within 90 days
91.17 after such cancellation; that, if the purchaser at any time fails to pay any obligations to the
91.18 state under any other permits, any or all permits may be canceled; and that any timber cut
91.19 or removed in violation of the terms of the permit or of any law shall constitute trespass.

91.20 Sec. 46. Minnesota Statutes 2012, section 90.151, subdivision 9, is amended to read:

91.21 Subd. 9. **Slashings disposal.** The permit shall provide that the permit holder shall
91.22 ~~burn or otherwise~~ dispose of or treat all slashings or other refuse resulting from cutting
91.23 operations, as specified in the permit, in the manner now or hereafter provided by law.

91.24 Sec. 47. Minnesota Statutes 2012, section 90.161, is amended to read:

91.25 **90.161 SURETY BONDS FOR AUCTION SECURITY DEPOSITS**
91.26 **REQUIRED FOR EFFECTIVE TIMBER PERMITS.**

91.27 Subdivision 1. **Bond Security deposit required.** (a) Except as otherwise provided
91.28 by law, the purchaser of any state timber, before any timber permit becomes effective for
91.29 any purpose, shall give a good and valid ~~bond~~ security in the form of cash; a certified
91.30 check; a cashier's check; a postal, bank, or express money order; a corporate surety bond;
91.31 or an irrevocable bank letter of credit to the state of Minnesota equal to the value of all
91.32 timber covered or to be covered by the permit, as shown by the sale price bid and the

92.1 appraisal report as to quantity, less the amount of any payments pursuant to sections
92.2 section 90.14 and 90.163.

92.3 (b) The bond security deposit shall be conditioned upon the faithful performance
92.4 by the purchaser and successors in interest of all terms and conditions of the permit and
92.5 all requirements of law in respect to timber sales. The bond security deposit shall be
92.6 approved in writing by the commissioner and filed for record in the commissioner's office.

92.7 (c) In the alternative to cash and bond requirements, but upon the same conditions,
92.8 A purchaser may post bond for 100 percent of the purchase price and request refund of the
92.9 amount of any payments pursuant to sections section 90.14 and 90.163. The commissioner
92.10 may credit the refund to any other permit held by the same permit holder if the permit is
92.11 delinquent as provided in section 90.181, subdivision 2, or may credit the refund to any
92.12 other permit to which the permit holder requests that it be credited.

92.13 (d) In the event of a default, the commissioner may take from the deposit the sum of
92.14 money to which the state is entitled. The commissioner shall return the remainder of the
92.15 deposit, if any, to the person making the deposit. When cash is deposited as security, it
92.16 shall be applied to the amount due when a statement is prepared and transmitted to the
92.17 permit holder according to section 90.181. Any balance due to the state shall be shown on
92.18 the statement and shall be paid as provided in section 90.181. Any amount of the deposit
92.19 in excess of the amount determined to be due according to section 90.181 shall be returned
92.20 to the permit holder when a final statement is transmitted under section 90.181. All or
92.21 part of a cash deposit may be withheld from application to an amount due on a nonfinal
92.22 statement if it appears that the total amount due on the permit will exceed the bid price.

92.23 (e) If an irrevocable bank letter of credit is provided as security under paragraph
92.24 (a), at the written request of the permittee, the commissioner shall annually allow the
92.25 amount of the bank letter of credit to be reduced by an amount proportionate to the value
92.26 of timber that has been harvested and for which the state has received payment under the
92.27 timber permit. The remaining amount of the bank letter of credit after a reduction under
92.28 this paragraph must not be less than the value of the timber remaining to be harvested
92.29 under the timber permit.

92.30 (f) If cash; a certified check; a cashier's check; a personal check; or a postal, bank, or
92.31 express money order is provided as security under paragraph (a) and no cutting of state
92.32 timber has taken place on the permit, the commissioner may credit the security provided,
92.33 less any deposit required under section 90.14, to any other permit to which the permit
92.34 holder requests in writing that it be credited.

93.1 Subd. 2. **Failure to ~~bond~~ provide security deposit.** If ~~bond~~ the security deposit is
93.2 not furnished, no harvesting may occur and ~~the down payment for timber~~ 15 percent of the
93.3 permit's purchase price shall forfeit to the state when the permit expires.

93.4 Subd. 3. **Subrogation.** ~~In case of default~~ When security is provided by surety
93.5 bond and the permit holder defaults in payment by the permit holder, the surety upon the
93.6 bond shall make payment in full to the state of all sums of money due under such permit;
93.7 and thereupon such surety shall be deemed immediately subrogated to all the rights of
93.8 the state in the timber so paid for; and such subrogated party may pursue the timber and
93.9 recover therefor, or have any other appropriate relief in relation thereto which the state
93.10 might or could have had if such surety had not made such payment. No assignment or
93.11 other writing on the part of the state shall be necessary to make such subrogation effective,
93.12 but the certificate signed by and bearing the official seal of the commissioner, showing the
93.13 amount of such timber, the lands from which it was cut or upon which it stood, and the
93.14 amount paid therefor, shall be prima facie evidence of such facts.

93.15 Subd. 4. **Change of security.** Prior to any harvest cutting activity, or activities
93.16 incidental to the preparation for harvest, a purchaser having posted a ~~bond~~ security deposit
93.17 for 100 percent of the purchase price of a sale may request the release of the ~~bond~~ security
93.18 and the commissioner shall grant the release ~~upon cash payment to the commissioner of~~
93.19 ~~15 percent of the appraised value of the sale, plus eight percent interest on the appraised~~
93.20 ~~value of the sale from the date of purchase to the date of release~~ while retaining, or upon
93.21 repayment of, the permit's down payment and bid guarantee deposit requirement.

93.22 Subd. 5. **Return of security.** Any security required under this section shall be
93.23 returned to the purchaser within 60 days after the final scale.

93.24 Sec. 48. Minnesota Statutes 2012, section 90.162, is amended to read:

93.25 **90.162 ~~ALTERNATIVE TO BOND OR DEPOSIT REQUIREMENTS~~**
93.26 **SECURING TIMBER PERMITS WITH CUTTING BLOCKS.**

93.27 In lieu of the ~~bond or cash~~ security deposit equal to the value of all timber covered
93.28 by the permit required by section 90.161 ~~or 90.173~~, a purchaser of state timber may elect
93.29 in writing on a form prescribed by the attorney general to give good and valid surety to the
93.30 state of Minnesota equal to the purchase price for any designated cutting block identified
93.31 on the permit before the date the purchaser enters upon the land to begin harvesting the
93.32 timber on the designated cutting block.

93.33 Sec. 49. **[90.164] TIMBER PERMIT DEVELOPMENT OPTION.**

94.1 With the completion of the presale conference requirement under section 90.151,
94.2 subdivision 6, a permit holder may access the permit area in advance of the permit being
94.3 fully secured as required by section 90.161, for the express purpose of clearing approved
94.4 landings and logging roads. No cutting of state timber except that incidental to the clearing
94.5 of approved landings and logging roads is allowed under this section.

94.6 Sec. 50. Minnesota Statutes 2012, section 90.171, is amended to read:

94.7 **90.171 ASSIGNMENT OF AUCTION TIMBER PERMITS.**

94.8 Any permit sold at public auction may be assigned upon written approval of the
94.9 commissioner. The assignment of any permit shall be signed and acknowledged by the
94.10 permit holder. The commissioner shall not approve any assignment until the assignee has
94.11 been determined to meet the qualifications of a responsible bidder and has given to the state
94.12 a ~~bond~~ security deposit which shall be substantially in the form of, and shall be deemed
94.13 of the same effect as, the ~~bond~~ security deposit required of the original purchaser. The
94.14 commissioner may accept the an agreement of the assignee and any corporate surety upon
94.15 ~~such an~~ original bond, substituting the assignee in the place of ~~such the~~ original purchaser
94.16 and continuing ~~such the~~ original bond in full force and effect, as to the assignee. Thereupon
94.17 but not otherwise the permit holder making the assignment shall be released from all
94.18 liability arising or accruing from actions taken after the assignment became effective.

94.19 Sec. 51. Minnesota Statutes 2012, section 90.181, subdivision 2, is amended to read:

94.20 Subd. 2. **Deferred payments.** (a) If the amount of the statement is not paid within
94.21 30 days of the date thereof, it shall bear interest at the rate determined pursuant to section
94.22 16A.124, except that the purchaser shall not be required to pay interest that totals \$1 or
94.23 less. If the amount is not paid within 60 days, the commissioner shall place the account in
94.24 the hands of the commissioner of revenue according to chapter 16D, who shall proceed to
94.25 collect the same. When deemed in the best interests of the state, the commissioner shall
94.26 take possession of the timber for which an amount is due wherever it may be found and
94.27 sell the same informally or at public auction after giving reasonable notice.

94.28 (b) The proceeds of the sale shall be applied, first, to the payment of the expenses
94.29 of seizure and sale; and, second, to the payment of the amount due for the timber, with
94.30 interest; and the surplus, if any, shall belong to the state; and, in case a sufficient amount is
94.31 not realized to pay these amounts in full, the balance shall be collected by the attorney
94.32 general. Neither payment of the amount, nor the recovery of judgment therefor, nor
94.33 satisfaction of the judgment, nor the seizure and sale of timber, shall release the sureties
94.34 on any ~~bond~~ security deposit given pursuant to this chapter, or preclude the state from

95.1 afterwards claiming that the timber was cut or removed contrary to law and recovering
95.2 damages for the trespass thereby committed, or from prosecuting the offender criminally.

95.3 Sec. 52. Minnesota Statutes 2012, section 90.191, subdivision 1, is amended to read:

95.4 Subdivision 1. **Sale requirements.** The commissioner may sell the timber on any
95.5 tract of state land in lots not exceeding 500 cords in volume, without formalities but for
95.6 not less than the full appraised value thereof, to any person. No sale shall be made under
95.7 this section to any person holding two more than four permits issued hereunder which are
95.8 still in effect; ~~except that (1) a partnership as defined in chapter 323, which may include~~
95.9 ~~spouses but which shall provide evidence that a partnership exists, may be holding two~~
95.10 ~~permits for each of not more than three partners who are actively engaged in the business~~
95.11 ~~of logging or who are the spouses of persons who are actively engaged in the business of~~
95.12 ~~logging with that partnership; and (2) a corporation, a majority of whose shares and voting~~
95.13 ~~power are owned by natural persons related to each other within the fourth degree of~~
95.14 ~~kindred according to the rules of the civil law or their spouses or estates, may be holding~~
95.15 ~~two permits for each of not more than three shareholders who are actively engaged in the~~
95.16 ~~business of logging or who are the spouses of persons who are actively engaged in the~~
95.17 ~~business of logging with that corporation.~~

95.18 Sec. 53. Minnesota Statutes 2012, section 90.193, is amended to read:

95.19 **90.193 EXTENSION OF TIMBER PERMITS.**

95.20 The commissioner may, in the case of an exceptional circumstance beyond the
95.21 control of the timber permit holder which makes it unreasonable, impractical, and not
95.22 feasible to complete cutting and removal under the permit within the time allowed, grant
95.23 ~~an~~ one regular extension ~~of~~ for one year. A written request for the regular extension must
95.24 be received by the commissioner before the permit expires. The request must state the
95.25 reason the extension is necessary and be signed by the permit holder. An interest rate of
95.26 eight percent may be charged for the period of extension.

95.27 Sec. 54. Minnesota Statutes 2012, section 90.195, is amended to read:

95.28 **90.195 SPECIAL USE AND PRODUCT PERMIT.**

95.29 (a) The commissioner may issue a permit to salvage or cut not to exceed 12 cords of
95.30 fuelwood per year for personal use from either or both of the following sources: (1) dead,
95.31 down, and ~~diseased~~ damaged trees; (2) other trees that are of negative value under good
95.32 forest management practices. The permits may be issued for a period not to exceed one
95.33 year. The commissioner shall charge a fee for the permit ~~that shall cover the commissioner's~~

96.1 ~~cost of issuing the permit and~~ as provided under section 90.041, subdivision 10. The fee
96.2 shall not exceed the current market value of fuelwood of similar species, grade, and volume
96.3 that is being sold in the area where the salvage or cutting is authorized under the permit.

96.4 (b) The commissioner may issue a special product permit under section 89.42 for
96.5 commercial use, which may include incidental volumes of boughs, gravel, hay, biomass,
96.6 and other products derived from forest management activities. The value of the products
96.7 is the current market value of the products that are being sold in the area. The permit may
96.8 be issued for a period not to exceed one year and the commissioner shall charge a fee for
96.9 the permit as provided under section 90.041, subdivision 10.

96.10 (c) The commissioner may issue a special use permit for incidental volumes of
96.11 timber from approved right-of-way road clearing across state land for the purpose of
96.12 accessing a state timber permit. The permit shall include the volume and value of timber
96.13 to be cleared and may be issued for a period not to exceed one year. A presale conference
96.14 as required under section 90.151, subdivision 6, must be completed before the start of
96.15 any activities under the permit.

96.16 Sec. 55. Minnesota Statutes 2012, section 90.201, subdivision 2a, is amended to read:

96.17 Subd. 2a. **Prompt payment of refunds.** Any refund of cash that is due to a permit
96.18 holder as determined on a final statement transmitted pursuant to section 90.181 or a
96.19 refund of cash made pursuant to section 90.161, subdivision 1, ~~or 90.173, paragraph~~
96.20 ~~(a)~~, shall be paid to the permit holder according to section 16A.124 unless the refund is
96.21 credited on another permit as provided in this chapter.

96.22 Sec. 56. Minnesota Statutes 2012, section 90.211, is amended to read:

96.23 **90.211 PURCHASE MONEY, WHEN FORFEITED.**

96.24 If the holder of an effective permit begins to cut and then fails to ~~cut~~ complete any
96.25 part ~~thereof~~ of the permit before the expiration of the permit, the permit holder shall
96.26 nevertheless pay the price therefor; but under no circumstances shall timber be cut after
96.27 the expiration of the permit or extension thereof.

96.28 Sec. 57. Minnesota Statutes 2012, section 90.221, is amended to read:

96.29 **90.221 TIMBER SALES RECORDS.**

96.30 The commissioner shall keep timber sales records, including the description of each
96.31 tract of land from which any timber is sold; the date of the report of the state appraisers;
96.32 the kind, amount, and value of the timber as shown by such report; the date of the sale;
96.33 the price for which the timber was sold; the name of the purchaser; the number, date

97.1 of issuance and date of expiration of each permit; the date of any assignment of the
97.2 permit; the name of the assignee; the dates of the filing and the amounts of the respective
97.3 ~~bonds~~ security deposits by the purchaser and assignee; the names of the sureties thereon;
97.4 the amount of timber taken from the land; the date of the report of the scaler and state
97.5 appraiser; the names of the scaler and the state appraiser who scaled the timber; and the
97.6 amount paid for such timber and the date of payment.

97.7 Sec. 58. Minnesota Statutes 2012, section 90.252, subdivision 1, is amended to read:

97.8 Subdivision 1. **Consumer scaling.** The commissioner may enter into an agreement
97.9 with either a timber sale permittee, or the purchaser of the cut products, or both, so
97.10 that the scaling of the cut timber and the collection of the payment for the same can be
97.11 consummated by the ~~consumer~~ state. Such an agreement shall be approved as to form and
97.12 content by the attorney general and shall provide for a bond or cash in lieu of a bond and
97.13 such other safeguards as are necessary to protect the interests of the state. The scaling
97.14 and payment collection procedure may be used for any state timber sale, except that no
97.15 permittee who is also the consumer shall both cut and scale the timber sold unless such
97.16 scaling is supervised by a state scaler.

97.17 Sec. 59. Minnesota Statutes 2012, section 90.301, subdivision 2, is amended to read:

97.18 Subd. 2. **Seizure of unlawfully cut timber.** The commissioner may take possession
97.19 of any timber hereafter unlawfully cut upon or taken from any land owned by the state
97.20 wherever found and may sell the same informally or at public auction after giving such
97.21 notice as the commissioner deems reasonable and after deducting all the expenses of such
97.22 sale the proceeds thereof shall be paid into the state treasury to the credit of the proper
97.23 fund; and when any timber so unlawfully cut has been intermingled with any other timber
97.24 or property so that it cannot be identified or plainly separated therefrom the commissioner
97.25 may so seize and sell the whole quantity so intermingled and, in such case, the whole
97.26 quantity of such timber shall be conclusively presumed to have been unlawfully taken
97.27 from state land. When the timber unlawfully cut or removed from state land is so seized
97.28 and sold, the seizure shall not in any manner relieve the trespasser who cut or removed, or
97.29 caused the cutting or removal of, any such timber from the full liability imposed by this
97.30 chapter for the trespass so committed, but the net amount realized from such sale shall
97.31 be credited on whatever judgment is recovered against such trespasser, if the trespass
97.32 was deemed to be casual and involuntary.

97.33 Sec. 60. Minnesota Statutes 2012, section 90.301, subdivision 4, is amended to read:

98.1 Subd. 4. **Apprehension of trespassers; reward.** The commissioner may offer a
98.2 reward to be paid to a person giving to the proper authorities any information that leads to
98.3 the conviction of a person violating this chapter. The reward is limited to the greater of
98.4 \$100 or ten percent of the single stumpage value of any timber unlawfully cut or removed.
98.5 The commissioner shall pay the reward from funds appropriated for that purpose or from
98.6 receipts from the sale of state timber. A reward shall not be paid to salaried forest officers,
98.7 state appraisers, scalers, conservation officers, or licensed peace officers.

98.8 Sec. 61. Minnesota Statutes 2012, section 90.41, subdivision 1, is amended to read:

98.9 Subdivision 1. **Violations and penalty.** (a) Any state scaler or state appraiser who
98.10 shall accept any compensation or gratuity for services as such from any other source
98.11 except the state of Minnesota, or any state scaler, or other person authorized to scale state
98.12 timber, or state appraiser, who shall make any false report, or insert in any such report any
98.13 false statement, or shall make any such report without having examined the land embraced
98.14 therein or without having actually been upon the land, or omit from any such report any
98.15 statement required by law to be made therein, or who shall fail to report any known trespass
98.16 committed upon state lands, or who shall conspire with any other person in any manner, by
98.17 act or omission or otherwise, to defraud or unlawfully deprive the state of Minnesota of any
98.18 land or timber, or the value thereof, shall be guilty of a felony. Any material discrepancy
98.19 between the facts and the scale returned by any such person scaling timber for the state
98.20 shall be considered prima facie evidence that such person is guilty of violating this statute.

98.21 (b) No such appraiser or scaler who has been once discharged for cause shall ever
98.22 again be appointed. This provision shall not apply to resignations voluntarily made by and
98.23 accepted from such employees.

98.24 Sec. 62. Minnesota Statutes 2012, section 93.46, is amended by adding a subdivision
98.25 to read:

98.27 natural iron ore, natural iron ore concentrates, or taconite ore as described in section 93.20,
98.28 subdivisions 12 to 18, from previously developed stockpiles, tailing basins, underground
98.29 mine workings, or open pits and that involves no more than 80 acres of land not previously
98.30 affected by mining, or more than 80 acres of land not previously affected by mining
98.31 if the operator can demonstrate that impacts would be substantially the same as other
98.32 scram operations. "Land not previously affected by mining" means land upon which mine
98.33 wastes have not been deposited and land from which materials have not been removed in
98.34 connection with the production or extraction of metallic minerals.

99.1 Sec. 63. Minnesota Statutes 2012, section 93.481, subdivision 3, is amended to read:

99.2 Subd. 3. **Term of permit; amendment.** (a) A permit issued by the commissioner
99.3 pursuant to this section shall be granted for the term determined necessary by the
99.4 commissioner for the completion of the proposed mining operation, including reclamation
99.5 or restoration. The term of a scam mining permit for iron ore or taconite shall be
99.6 determined in the same manner as a permit to mine for an iron ore or taconite mining
99.7 operation.

99.8 (b) A permit may be amended upon written application to the commissioner. A
99.9 permit amendment application fee must be submitted with the written application. The
99.10 permit amendment application fee is ten percent of the amount provided for in subdivision
99.11 1, clause (3), for an application for the applicable permit to mine. If the commissioner
99.12 determines that the proposed amendment constitutes a substantial change to the permit,
99.13 the person applying for the amendment shall publish notice in the same manner as for a
99.14 new permit, and a hearing shall be held if written objections are received in the same
99.15 manner as for a new permit. An amendment may be granted by the commissioner if the
99.16 commissioner determines that lawful requirements have been met.

99.17 Sec. 64. **[93.61] DRILL CORE LIBRARY ACCESS.**

99.18 Consistent with section 13.03, subdivision 3, a person shall not be required to pay a
99.19 fee to access exploration data, exploration drill core data, mineral evaluation data, and
99.20 mining data stored in the drill core library located in Hibbing, Minnesota, and managed
99.21 by the commissioner of natural resources. The library shall be open during regular
99.22 business hours.

99.23 Sec. 65. Minnesota Statutes 2012, section 97A.401, subdivision 3, is amended to read:

99.24 Subd. 3. **Taking, possessing, and transporting wild animals for certain**
99.25 **purposes.** (a) Except as provided in paragraph (b), special permits may be issued without
99.26 a fee to take, possess, and transport wild animals as pets and for scientific, educational,
99.27 rehabilitative, wildlife disease prevention and control, and exhibition purposes. The
99.28 commissioner shall prescribe the conditions for taking, possessing, transporting, and
99.29 disposing of the wild animals.

99.30 (b) A special permit may not be issued to take or possess wild or native deer for
99.31 exhibition, propagation, or as pets.

99.32 (c) Nonresident professional wildlife rehabilitators with a federal rehabilitation
99.33 permit may possess and transport wildlife affected by oil spills.

100.1 Sec. 66. [103G.217] DRIFTLESS AREA WATER RESOURCES.

100.2 (a) Groundwater discharge from natural springs and seepage areas in the driftless
100.3 area of Minnesota, corresponding to the area of the state contained within the boundaries
100.4 of the Department of Natural Resources Paleozoic Plateau Ecological Section, is vital to
100.5 sustaining the coldwater aquatic ecosystems in the region, as well as the recreational,
100.6 commercial, agricultural, environmental, aesthetic, and economic well-being of the region.

100.7 (b) Within the boundaries of the Department of Natural Resources Paleozoic Plateau
100.8 Ecological Section, no excavation or mining of silica sand, including, but not limited to,
100.9 digging, excavating, mining, drilling, blasting, tunneling, dredging, stripping, or shafting,
100.10 may occur within one mile of a designated trout stream as listed in Minnesota Rules unless
100.11 a silica sand mining trout stream setback permit has been issued by the commissioner.

100.12 (c) Before issuing a permit under this section, the commissioner shall:

100.13 (1) require a project proposer to do a hydrogeological evaluation and collect any
100.14 other information necessary to assess potential impacts to hydrogeological features,
100.15 including private and public drinking water supply wells; and

100.16 (2) identify appropriate setbacks from designated trout streams, springs, and other
100.17 hydrogeologic features and any other restrictions necessary to protect trout stream water
100.18 quantity, quality, and habitat.

100.19 (d) The commissioner may assess the project proposer fees to cover the reasonable
100.20 costs of duties performed under this section.

100.21 **EFFECTIVE DATE.** This section is effective the day following final enactment
100.22 and applies to new silica sand mining projects and projects for which environmental
100.23 review documents have been noticed for public comments after April 30, 2013.

100.24 Sec. 67. Minnesota Statutes 2012, section 103G.265, subdivision 2, is amended to read:

100.25 Subd. 2. **Diversion greater than 2,000,000 gallons per day.** A water use permit
100.26 or a plan that requires a permit or the commissioner's approval, involving a diversion of
100.27 waters of the state of more than 2,000,000 gallons per day average in a 30-day period,
100.28 to a place outside of this state or from the basin of origin within this state may not be
100.29 granted or approved until:

100.30 (1) a determination is made by the commissioner that the water remaining in the
100.31 basin of origin will be adequate to meet the basin's water resources needs during the
100.32 specified life of the diversion project and, for groundwater, the diversion meets the
100.33 applicable standards under section 103G.287, subdivision 5; and

100.34 (2) ~~approval of the diversion is given by the legislature.~~

101.1 Sec. 68. Minnesota Statutes 2012, section 103G.265, subdivision 3, is amended to read:

101.2 Subd. 3. **Consumptive use of more than 2,000,000 gallons per day.** ~~(a) Except~~
101.3 ~~as provided in paragraph (b);~~ A water use permit or a plan that requires a permit or the
101.4 commissioner's approval, involving a consumptive use of more than 2,000,000 gallons per
101.5 day average in a 30-day period, may not be granted or approved until:

101.6 ~~(1) a determination is made by the commissioner that the water remaining in the~~
101.7 ~~basin of origin will be adequate to meet the basin's water resources needs during the~~
101.8 ~~specified life of the consumptive use and, for groundwater, the consumptive use meets the~~
101.9 ~~applicable standards under section 103G.287, subdivision 5; and~~

101.10 ~~(2) approval of the consumptive use is given by the legislature.~~

101.11 ~~(b) Legislative approval under paragraph (a), clause (2), is not required for a~~
101.12 ~~consumptive use in excess of 2,000,000 gallons per day average in a 30-day period for:~~

101.13 ~~(1) a domestic water supply, excluding industrial and commercial uses of a~~
101.14 ~~municipal water supply;~~

101.15 ~~(2) agricultural irrigation and processing of agricultural products;~~

101.16 ~~(3) construction and mine land dewatering;~~

101.17 ~~(4) pollution abatement or remediation; and~~

101.19 Sec. 69. Minnesota Statutes 2012, section 103G.271, subdivision 1, is amended to read:

101.20 Subdivision 1. **Permit required.** (a) Except as provided in paragraph (b), the state,
101.21 a person, partnership, or association, private or public corporation, county, municipality,
101.22 or other political subdivision of the state may not appropriate or use waters of the state
101.23 without a water use permit from the commissioner.

101.24 (b) This section does not apply to use for a water supply by less than 25 persons
101.25 for domestic purposes, except as required by the commissioner under section 103G.287,
101.26 subdivision 4, paragraph (b).

101.27 (c) The commissioner may issue a state general permit for appropriation of water to a
101.28 governmental subdivision or to the general public. The general permit may authorize more
101.29 than one project and the appropriation or use of more than one source of water. Water use
101.30 permit processing fees and reports required under subdivision 6 and section 103G.281,
101.31 subdivision 3, are required for each project or water source that is included under a general
101.32 permit, except that no fee is required for uses totaling less than 15,000,000 gallons annually.

101.33 Sec. 70. Minnesota Statutes 2012, section 103G.271, subdivision 4, is amended to read:

102.1 Subd. 4. **Minimum use exemption and local approval of low use permits.** (a)
102.2 Except for local permits under section 103B.211, subdivision 4, a water use permit is not
102.3 required for the appropriation and use of less than ~~a minimum amount prescribed by the~~
102.4 ~~commissioner by rule~~ 10,000 gallons per day and totaling no more than 1,000,000 gallons
102.5 per year, except as required by the commissioner under section 103G.287, subdivision 4,
102.6 paragraph (b).

102.7 (b) Water use permits for more than the minimum amount but less than an
102.8 intermediate amount prescribed by rule must be processed and approved at the municipal,
102.9 county, or regional level based on rules adopted by the commissioner.

102.10 (c) The rules must include provisions for reporting to the commissioner the amounts
102.11 of water appropriated under local permits.

102.12 Sec. 71. Minnesota Statutes 2012, section 103G.287, subdivision 1, is amended to read:

102.13 Subdivision 1. **Applications for groundwater appropriations; preliminary well**
102.14 **construction approval.** (a) Groundwater use permit applications are not complete until
102.15 the applicant has supplied:

102.16 (1) a water well record as required by section 103I.205, subdivision 9, information
102.17 on the subsurface geologic formations penetrated by the well and the formation or aquifer
102.18 that will serve as the water source, and geologic information from test holes drilled to
102.19 locate the site of the production well;

102.20 (2) the maximum daily, seasonal, and annual pumpage rates and volumes being
102.21 requested;

102.22 (3) information on groundwater quality in terms of the measures of quality
102.23 commonly specified for the proposed water use and details on water treatment necessary
102.24 for the proposed use;

102.25 (4) an inventory of existing wells within 1-1/2 miles of the proposed production well
102.26 or within the area of influence, as determined by the commissioner. The inventory must
102.27 include information on well locations, depths, geologic formations, depth of the pump or
102.28 intake, pumping and nonpumping water levels, and details of well construction; ~~and~~

102.29 (5) the results of an aquifer test completed according to specifications approved by
102.30 the commissioner. The test must be conducted at the maximum pumping rate requested
102.31 in the application and for a length of time adequate to assess or predict impacts to other
102.32 wells and surface water and groundwater resources. The permit applicant is responsible
102.33 for all costs related to the aquifer test, including the construction of groundwater and
102.34 surface water monitoring installations, and water level readings before, during, and after
102.35 the aquifer test; and

103.1 (6) the results of any assessments conducted by the commissioner under paragraph (c).

103.2 (b) The commissioner may waive an application requirement in this subdivision
103.3 if the information provided with the application is adequate to determine whether the
103.4 proposed appropriation and use of water is sustainable and will protect ecosystems, water
103.5 quality, and the ability of future generations to meet their own needs.

103.6 (c) The commissioner shall provide an assessment of a proposed well needing a
103.7 groundwater appropriation permit. The commissioner shall evaluate the information
103.8 submitted as required under section 103I.205, subdivision 1, paragraph (f), and determine
103.9 whether the anticipated appropriation request is likely to meet the applicable requirements
103.10 of this chapter. If the appropriation request is likely to meet applicable requirements, the
103.11 commissioner shall provide the person submitting the information with a letter providing
103.12 preliminary approval to construct the well.

103.13 Sec. 72. Minnesota Statutes 2012, section 103G.287, subdivision 4, is amended to read:

103.14 Subd. 4. **Groundwater management areas.** (a) The commissioner may designate
103.15 groundwater management areas and limit total annual water appropriations and uses within
103.16 a designated area to ensure sustainable use of groundwater that protects ecosystems, water
103.17 quality, and the ability of future generations to meet their own needs. Water appropriations
103.18 and uses within a designated management area must be consistent with a plan approved by
103.19 the commissioner that addresses water conservation requirements and water allocation
103.20 priorities established in section 103G.261.

103.21 (b) Notwithstanding section 103G.271, subdivision 1, paragraph (b), and Minnesota
103.22 Rules, within designated groundwater management areas, the commissioner may require
103.23 general permits as specified in section 103G.271, subdivision 1, paragraph (c), for water
103.24 users using less than 10,000 gallons per day or 1,000,000 gallons per year and water
103.25 suppliers serving less than 25 persons for domestic purposes. The commissioner may
103.26 waive the requirements under section 103G.281 for general permits issued under this
103.27 paragraph, and the fee specified in section 103G.301, subdivision 2, paragraph (c), does
103.28 not apply to general permits issued under this paragraph.

103.29 Sec. 73. Minnesota Statutes 2012, section 103G.287, subdivision 5, is amended to read:

103.30 Subd. 5. ~~Interference with other wells~~ **Sustainability standard.** The
103.31 commissioner may issue water use permits for appropriation from groundwater only if
103.32 the commissioner determines that the groundwater use is sustainable to supply the needs
103.33 of future generations and the proposed use will not harm ecosystems, degrade water, or

104.1 reduce water levels beyond the reach of public water supply and private domestic wells
104.2 constructed according to Minnesota Rules, chapter 4725.

104.3 Sec. 74. Minnesota Statutes 2012, section 103I.205, subdivision 1, is amended to read:

104.4 Subdivision 1. **Notification required.** (a) Except as provided in paragraphs (d)
104.5 and (e), a person may not construct a well until a notification of the proposed well on a
104.6 form prescribed by the commissioner is filed with the commissioner with the filing fee in
104.7 section 103I.208, and, when applicable, the person has met the requirements of paragraph
104.8 (f). If after filing the well notification an attempt to construct a well is unsuccessful, a
104.9 new notification is not required unless the information relating to the successful well
104.10 has substantially changed.

104.11 (b) The property owner, the property owner's agent, or the well contractor where a
104.12 well is to be located must file the well notification with the commissioner.

104.13 (c) The well notification under this subdivision preempts local permits and
104.14 notifications, and counties or home rule charter or statutory cities may not require a
104.15 permit or notification for wells unless the commissioner has delegated the permitting or
104.16 notification authority under section 103I.111.

104.17 (d) A person who is an individual that constructs a drive point well on property
104.18 owned or leased by the individual for farming or agricultural purposes or as the individual's
104.19 place of abode must notify the commissioner of the installation and location of the well.
104.20 The person must complete the notification form prescribed by the commissioner and mail
104.21 it to the commissioner by ten days after the well is completed. A fee may not be charged
104.22 for the notification. A person who sells drive point wells at retail must provide buyers
104.23 with notification forms and informational materials including requirements regarding
104.24 wells, their location, construction, and disclosure. The commissioner must provide the
104.25 notification forms and informational materials to the sellers.

104.26 (e) A person may not construct a monitoring well until a permit is issued by the
104.27 commissioner for the construction. If after obtaining a permit an attempt to construct a
104.28 well is unsuccessful, a new permit is not required as long as the initial permit is modified
104.29 to indicate the location of the successful well.

104.30 (f) When the operation of a well will require an appropriation permit from the
104.31 commissioner of natural resources, a person may not begin construction of the well until
104.32 the person submits the following information to the commissioner of natural resources:

104.33 (1) the location of the well;

104.34 (2) the formation or aquifer that will serve as the water source;

105.1 (3) the maximum daily, seasonal, and annual pumpage rates and volumes that will
105.2 be requested in the appropriation permit; and

105.3 (4) other information requested by the commissioner of natural resources that
105.4 is necessary to conduct the preliminary assessment required under section 103G.287,
105.5 subdivision 1, paragraph (c).

105.6 The person may begin construction after receiving preliminary approval from the
105.7 commissioner of natural resources.

105.8 Sec. 75. Minnesota Statutes 2012, section 114D.50, subdivision 4, is amended to read:

105.9 Subd. 4. **Expenditures; accountability.** (a) A project receiving funding from the
105.10 clean water fund must meet or exceed the constitutional requirements to protect, enhance,
105.11 and restore water quality in lakes, rivers, and streams and to protect groundwater and
105.12 drinking water from degradation. Priority may be given to projects that meet more than
105.13 one of these requirements. A project receiving funding from the clean water fund shall
105.14 include measurable outcomes, as defined in section 3.303, subdivision 10, and a plan for
105.15 measuring and evaluating the results. A project must be consistent with current science
105.16 and incorporate state-of-the-art technology.

105.17 (b) Money from the clean water fund shall be expended to balance the benefits
105.18 across all regions and residents of the state.

105.19 (c) A state agency or other recipient of a direct appropriation from the clean
105.20 water fund must compile and submit all information for proposed and funded projects
105.21 or programs, including the proposed measurable outcomes and all other items required
105.22 under section 3.303, subdivision 10, to the Legislative Coordinating Commission as soon
105.23 as practicable or by January 15 of the applicable fiscal year, whichever comes first. The
105.24 Legislative Coordinating Commission must post submitted information on the Web site
105.25 required under section 3.303, subdivision 10, as soon as it becomes available. Information
105.26 classified as not public under section 13D.05, subdivision 3, paragraph (d), is not required
105.27 to be placed on the Web site.

105.28 (d) Grants funded by the clean water fund must be implemented according to section
105.29 16B.98 and must account for all expenditures. Proposals must specify a process for any
105.30 regranting envisioned. Priority for grant proposals must be given to proposals involving
105.31 grants that will be competitively awarded.

105.32 (e) Money from the clean water fund may only be spent on projects that benefit
105.33 Minnesota waters.

105.34 (f) When practicable, a direct recipient of an appropriation from the clean water fund
105.35 shall prominently display on the recipient's Web site home page the legacy logo required

106.1 under Laws 2009, chapter 172, article 5, section 10, as amended by Laws 2010, chapter
106.2 361, article 3, section 5, accompanied by the phrase "Click here for more information."
106.3 When a person clicks on the legacy logo image, the Web site must direct the person to
106.4 a Web page that includes both the contact information that a person may use to obtain
106.5 additional information, as well as a link to the Legislative Coordinating Commission Web
106.6 site required under section 3.303, subdivision 10.

106.7 (g) Future eligibility for money from the clean water fund is contingent upon a state
106.8 agency or other recipient satisfying all applicable requirements in this section, as well as
106.9 any additional requirements contained in applicable session law.

106.10 (h) Money from the clean water fund may be used to leverage federal funds through
106.11 execution of formal project partnership agreements with federal agencies consistent with
106.12 respective federal agency partnership agreement requirements.

106.13 Sec. 76. **[115.84] WASTEWATER LABORATORY CERTIFICATION.**

106.14 Subdivision 1. Wastewater laboratory certification required. (a) Laboratories
106.15 performing wastewater or water analytical laboratory work, the results of which are
106.16 reported to the agency to determine compliance with a national pollutant discharge
106.17 elimination system (NPDES) or state disposal system (SDS) permit condition or other
106.18 regulatory document, must be certified according to this section.

106.19 (b) This section does not apply to:

106.20 (1) laboratories that are private and for-profit;

106.21 (2) laboratories that perform drinking water analyses; or

106.22 (3) laboratories that perform remediation program analyses, such as Superfund or
106.23 petroleum analytical work.

106.24 (c) Until adoption of rules under subdivision 2, laboratories required to be certified
106.25 under this section that submit data to the agency must: (1) register with the agency by
106.26 submitting registration information required by the agency; or (2) be certified or accredited
106.27 by a recognized authority, such as the commissioner of health under sections 144.97 to
106.28 144.99, for the analytical methods required by the agency.

106.29 Subd. 2. Rules. The agency may adopt rules to govern certification of laboratories
106.30 according to this section. Notwithstanding section 16A.1283, the agency may adopt
106.31 rules establishing fees.

106.32 Subd. 3. Fees. (a) Until the agency adopts a rule establishing fees for certification,
106.33 the agency shall collect fees from laboratories registering with the agency, but not
106.34 accredited by the commissioner of health under sections 144.97 to 144.99, in amounts

107.1 necessary to cover the reasonable costs of the certification program, including reviewing
107.2 applications, issuing certifications, and conducting audits and compliance assistance.

107.3 (b) Fees under this section must be based on the number, type, and complexity of
107.4 analytical methods that laboratories are certified to perform.

107.5 (c) Revenue from fees charged by the agency for certification shall be credited to
107.6 the environmental fund.

107.7 Subd. 4. **Enforcement.** (a) The commissioner may deny, suspend, or revoke
107.8 wastewater laboratory certification for, but is not limited to, any of the following reasons:
107.9 fraud, failure to follow applicable requirements, failure to respond to documented
107.10 deficiencies or complete corrective actions necessary to address deficiencies, failure to pay
107.11 certification fees, or other violations of federal or state law.

107.12 (b) This section and the rules adopted under it may be enforced by any means
107.13 provided in section 115.071.

107.14 Sec. 77. Minnesota Statutes 2012, section 115A.1320, subdivision 1, is amended to read:

107.15 Subdivision 1. **Duties of the agency.** (a) The agency shall administer sections
107.16 115A.1310 to 115A.1330.

107.17 (b) The agency shall establish procedures for:

107.18 (1) receipt and maintenance of the registration statements and certifications filed
107.19 with the agency under section 115A.1312; and

107.20 (2) making the statements and certifications easily available to manufacturers,
107.21 retailers, and members of the public.

107.22 (c) The agency shall annually review the value of the following variables that are
107.23 part of the formula used to calculate a manufacturer's annual registration fee under section
107.24 115A.1314, subdivision 1:

107.25 (1) the proportion of sales of video display devices sold to households that
107.26 manufacturers are required to recycle;

107.27 (2) the estimated per-pound price of recycling covered electronic devices sold to
107.28 households;

107.29 (3) the base registration fee; and

107.30 (4) the multiplier established for the weight of covered electronic devices collected
107.31 in section 115A.1314, subdivision 1, paragraph (d). If the agency determines that any of
107.32 these values must be changed in order to improve the efficiency or effectiveness of the
107.33 activities regulated under sections 115A.1312 to 115A.1330, the agency shall submit
107.34 recommended changes and the reasons for them to the chairs of the senate and house of
107.35 representatives committees with jurisdiction over solid waste policy.

108.1 (d) By January 15 each year, beginning in 2008, the agency shall calculate estimated
108.2 sales of video display devices sold to households by each manufacturer during the preceding
108.3 program year, based on national sales data, and forward the estimates to the department.

108.4 (e) The agency shall provide a report to the governor and the legislature on the
108.5 implementation of sections 115A.1310 to 115A.1330. For each program year, the report
108.6 must discuss the total weight of covered electronic devices recycled and a summary
108.7 of information in the reports submitted by manufacturers and recyclers under section
108.8 115A.1316. The report must also discuss the various collection programs used by
108.9 manufacturers to collect covered electronic devices; information regarding covered
108.10 electronic devices that are being collected by persons other than registered manufacturers,
108.11 collectors, and recyclers; and information about covered electronic devices, if any, being
108.12 disposed of in landfills in this state. The report must include a description of enforcement
108.13 actions under sections 115A.1310 to 115A.1330. The agency may include in its report
108.14 other information received by the agency regarding the implementation of sections
108.15 115A.1312 to 115A.1330. The report must be done in conjunction with the report required
108.16 under section ~~115D.10~~ 115A.121.

108.17 (f) The agency shall promote public participation in the activities regulated under
108.18 sections 115A.1312 to 115A.1330 through public education and outreach efforts.

108.19 (g) The agency shall enforce sections 115A.1310 to 115A.1330 in the manner
108.20 provided by sections 115.071, subdivisions 1, 3, 4, 5, and 6; and 116.072, except for those
108.21 provisions enforced by the department, as provided in subdivision 2. The agency may
108.22 revoke a registration of a collector or recycler found to have violated sections 115A.1310
108.23 to 115A.1330.

108.24 (h) The agency shall facilitate communication between counties, collection and
108.25 recycling centers, and manufacturers to ensure that manufacturers are aware of video
108.26 display devices available for recycling.

108.27 (i) The agency shall develop a form retailers must use to report information to
108.28 manufacturers under section 115A.1318 and post it on the agency's Web site.

108.29 (j) The agency shall post on its Web site the contact information provided by each
108.30 manufacturer under section 115A.1318, paragraph (e).

108.31 Sec. 78. **[115A.1415] ARCHITECTURAL PAINT; PRODUCT STEWARDSHIP**

109.8 manufactured purpose;
- 109.9 (4) "producer" means a person that:

109.13 the producer has no physical presence in the United States;
- 109.14 (iii) if subclauses (i) and (ii) do not apply, makes unbranded architectural paint
109.15 that is sold in the state; or
- 109.16 (iv) sells architectural paint at wholesale or retail, does not have legal ownership of
109.17 the brand, and elects to fulfill the responsibilities of the producer for the architectural paint
109.18 by certifying that election in writing to the commissioner;
- 109.19 (5) "recycling" means the process of collecting and preparing recyclable materials and
109.20 reusing the materials in their original form or using them in manufacturing processes that

109.28 including a remote sale conducted through a sales outlet, catalog, Web site, or similar
109.29 electronic means. Sale or sell includes a lease through which architectural paint is
109.30 provided to a consumer by a producer, wholesaler, or retailer;
- 109.31 (9) "stewardship assessment" means the amount added to the purchase price of
109.32 architectural paint sold in the state that is necessary to cover the cost of collecting,
109.33 transporting, and processing postconsumer architectural paint by the producer or
109.34 stewardship organization pursuant to a product stewardship program;

110.1 (10) "stewardship organization" means an organization appointed by one or more
110.2 producers to act as an agent on behalf of the producer to design, submit, and administer a
110.3 product stewardship program under this section; and

110.4 (11) "stewardship plan" means a detailed plan describing the manner in which a
110.5 product stewardship program under subdivision 2 will be implemented.

110.6 Subd. 2. **Product stewardship program.** For architectural paint sold in the state,
110.7 producers must, individually or through a stewardship organization, implement and
110.8 finance a statewide product stewardship program that manages the architectural paint by
110.9 reducing the paint's waste generation, promoting its reuse and recycling, and providing for
110.10 negotiation and execution of agreements to collect, transport, and process the architectural
110.11 paint for end-of-life recycling and reuse.

110.12 Subd. 3. **Requirement for sale.** (a) On and after July 1, 2014, or three months after
110.13 program plan approval, whichever is sooner, no producer, wholesaler, or retailer may sell
110.14 or offer for sale in the state architectural paint unless the paint's producer participates in an
110.15 approved stewardship plan, either individually or through a stewardship organization.

110.16 (b) Each producer must operate a product stewardship program approved by the
110.17 agency or enter into an agreement with a stewardship organization to operate, on the
110.18 producer's behalf, a product stewardship program approved by the agency.

110.19 Subd. 4. **Requirement to submit plan.** (a) On or before March 1, 2014, and before
110.20 offering architectural paint for sale in the state, a producer must submit a stewardship
110.21 plan to the agency and receive approval of the plan or must submit documentation to the
110.22 agency that demonstrates the producer has entered into an agreement with a stewardship
110.23 organization to be an active participant in an approved product stewardship program as
110.24 described in subdivision 2. A stewardship plan must include all elements required under
110.25 subdivision 5.

110.26 (b) An amendment to the plan, if determined necessary by the commissioner, must
110.27 be submitted every five years.

110.28 (c) It is the responsibility of the entities responsible for each stewardship plan to
110.29 notify the agency within 30 days of any significant changes or modifications to the plan or
110.30 its implementation. Within 30 days of the notification, a written plan revision must be
110.31 submitted to the agency for review and approval.

110.32 Subd. 5. **Stewardship plan content.** A stewardship plan must contain:

110.33 (1) certification that the product stewardship program will accept all discarded
110.34 paint regardless of which producer produced the architectural paint and its individual
110.35 components;

111.1 (2) contact information for the individual and the entity submitting the plan, a list of
111.2 all producers participating in the product stewardship program, and the brands covered by
111.3 the product stewardship program;

111.4 (3) a description of the methods by which the discarded paint will be collected in all
111.5 areas in the state without relying on end-of-life fees, including an explanation of how the
111.6 collection system will be convenient and adequate to serve the needs of small businesses
111.7 and residents in both urban and rural areas on an ongoing basis and a discussion of how
111.8 the existing household hazardous waste infrastructure will be considered when selecting
111.9 collection sites;

111.10 (4) a description of how the adequacy of the collection program will be monitored
111.11 and maintained;

111.12 (5) the names and locations of collectors, transporters, and recyclers that will
111.13 manage discarded paint;

111.14 (6) a description of how the discarded paint and the paint's components will be
111.15 safely and securely transported, tracked, and handled from collection through final
111.16 recycling and processing;

111.17 (7) a description of the method that will be used to reuse, deconstruct, or recycle
111.18 the discarded paint to ensure that the paint's components, to the extent feasible, are
111.19 transformed or remanufactured into finished products for use;

111.20 (8) a description of the promotion and outreach activities that will be used to
111.21 encourage participation in the collection and recycling programs and how the activities'
111.22 effectiveness will be evaluated and the program modified, if necessary;

111.23 (9) the proposed stewardship assessment. The producer or stewardship organization
111.24 shall propose a uniform stewardship assessment for any architectural paint sold in the
111.25 state. The proposed stewardship assessment shall be reviewed by an independent auditor
111.26 to ensure that the assessment does not exceed the costs of the product stewardship program
111.27 and the independent auditor shall recommend an amount for the stewardship assessment.
111.28 The agency must approve the stewardship assessment;

111.29 (10) evidence of adequate insurance and financial assurance that may be required for
111.30 collection, handling, and disposal operations;

111.31 (11) five-year performance goals, including an estimate of the percentage of
111.32 discarded paint that will be collected, reused, and recycled during each of the first five
111.33 years of the stewardship plan. The performance goals must include a specific goal for the
111.34 amount of discarded paint that will be collected and recycled and reused during each year
111.35 of the plan. The performance goals must be based on:

111.36 (i) the most recent collection data available for the state;

112.1 (ii) the estimated amount of architectural paint disposed of annually;
112.2 (iii) the weight of the architectural paint that is expected to be available for collection
112.3 annually; and
112.4 (iv) actual collection data from other existing stewardship programs.

112.5 The stewardship plan must state the methodology used to determine these goals; and
112.6 (12) a discussion of the status of end markets for collected architectural paint and
112.7 what, if any, additional end markets are needed to improve the functioning of the program.

112.8 Subd. 6. **Consultation required.** Each stewardship organization or individual
112.9 producer submitting a stewardship plan must consult with stakeholders including
112.10 retailers, contractors, collectors, recyclers, local government, and customers during the
112.11 development of the plan.

112.12 Subd. 7. **Agency review and approval.** (a) Within 90 days after receipt of a proposed
112.13 stewardship plan, the agency shall determine whether the plan complies with subdivision
112.14 4. If the agency approves a plan, the agency shall notify the applicant of the plan approval
112.15 in writing. If the agency rejects a plan, the agency shall notify the applicant in writing of
112.16 the reasons for rejecting the plan. An applicant whose plan is rejected by the agency must
112.17 submit a revised plan to the agency within 60 days after receiving notice of rejection.

112.18 (b) Any proposed changes to a stewardship plan must be approved by the agency
112.19 in writing.

112.20 Subd. 8. **Plan availability.** All draft and approved stewardship plans shall be
112.21 placed on the agency's Web site for at least 30 days and made available at the agency's
112.22 headquarters for public review and comment.

112.23 Subd. 9. **Conduct authorized.** A producer or stewardship organization that
112.24 organizes collection, transport, and processing of architectural paint under this section
112.25 is immune from liability for the conduct under state laws relating to antitrust, restraint
112.26 of trade, unfair trade practices, and other regulation of trade or commerce only to the
112.27 extent that the conduct is necessary to plan and implement the producer's or organization's
112.28 chosen organized collection or recycling system.

112.29 Subd. 10. **Responsibility of producers.** (a) On and after the date of implementation
112.30 of a product stewardship program according to this section, a producer of architectural
112.31 paint must add the stewardship assessment, as established under subdivision 5, clause (9),
112.32 to the cost of architectural paint sold to retailers and distributors in the state by the producer.

112.33 (b) Producers of architectural paint or the stewardship organization shall provide
112.34 consumers with educational materials regarding the stewardship assessment and product
112.35 stewardship program. The materials must include, but are not limited to, information
112.36 regarding available end-of-life management options for architectural paint offered through

113.1 the product stewardship program and information that notifies consumers that a charge
113.2 for the operation of the product stewardship program is included in the purchase price of
113.3 architectural paint sold in the state.

113.4 Subd. 11. **Responsibility of retailers.** (a) On and after July 1, 2014, or three months
113.5 after program plan approval, whichever is sooner, no architectural paint may be sold in the
113.6 state unless the paint's producer is participating in an approved stewardship plan.

113.7 (b) On and after the implementation date of a product stewardship program according
113.8 to this section, each retailer or distributor, as applicable, must ensure that the full amount
113.9 of the stewardship assessment added to the cost of architectural paint by producers under
113.10 subdivision 10 is included in the purchase price of all architectural paint sold in the state.

113.11 (c) Any retailer may participate, on a voluntary basis, as a designated collection
113.12 point pursuant to a product stewardship program under this section and in accordance
113.13 with applicable law.

113.14 (d) No retailer or distributor shall be found to be in violation of this subdivision if,
113.15 on the date the architectural paint was ordered from the producer or its agent, the producer
113.16 was listed as compliant on the agency's Web site according to subdivision 14.

113.17 Subd. 12. **Stewardship reports.** Beginning October 1, 2015, producers of
113.18 architectural paint sold in the state must individually or through a stewardship organization
113.19 submit an annual report to the agency describing the product stewardship program. At a
113.20 minimum, the report must contain:

113.21 (1) a description of the methods used to collect, transport, and process architectural
113.22 paint in all regions of the state;

113.23 (2) the weight of all architectural paint collected in all regions of the state and a
113.24 comparison to the performance goals and recycling rates established in the stewardship
113.25 plan;

113.26 (3) the amount of unwanted architectural paint collected in the state by method of
113.27 disposition, including reuse, recycling, and other methods of processing;

113.28 (4) samples of educational materials provided to consumers and an evaluation of the
113.29 effectiveness of the materials and the methods used to disseminate the materials; and

113.30 (5) an independent financial audit.

113.31 Subd. 13. **Data classification.** Trade secret and sales information, as defined under
113.32 section 13.37, submitted to the agency under this section are private or nonpublic data
113.33 under section 13.37.

113.34 Subd. 14. **Agency responsibilities.** The agency shall provide, on its Web site, a
113.35 list of all compliant producers and brands participating in stewardship plans that the

114.1 agency has approved and a list of all producers and brands the agency has identified as
114.2 noncompliant with this section.

114.3 Subd. 15. **Local government responsibilities.** (a) A city, county, or other public
114.4 agency may choose to participate voluntarily in a product stewardship program.

114.5 (b) Cities, counties, and other public agencies are encouraged to work with producers
114.6 and stewardship organizations to assist in meeting product stewardship program reuse and
114.7 recycling obligations, by providing education and outreach or using other strategies.

114.8 (c) A city, county, or other public agency that participates in a product stewardship
114.9 program must report for the first year of the program to the agency using the reporting
114.10 form provided by the agency on the cost savings as a result of participation and describe
114.11 how the savings were used.

114.12 Subd. 16. **Administrative fee.** (a) The stewardship organization or individual
114.13 producer submitting a stewardship plan shall pay an annual administrative fee to the
114.14 commissioner. The agency may establish a variable fee based on relevant factors,
114.15 including, but not limited to, the portion of architectural paint sold in the state by members
114.16 of the organization compared to the total amount of architectural paint sold in the state by
114.17 all organizations submitting a stewardship plan.

114.18 (b) Prior to July 1, 2014, and before July 1 annually thereafter, the agency shall
114.19 identify the costs it incurs under this section. The agency shall set the fee at an amount
114.20 that, when paid by every stewardship organization or individual producer that submits a
114.21 stewardship plan, is adequate to reimburse the agency's full costs of administering this
114.22 section. The total amount of annual fees collected under this subdivision must not exceed
114.23 the amount necessary to reimburse costs incurred by the agency to administer this section.

114.24 (c) A stewardship organization or individual producer subject to this subdivision
114.25 must pay the agency's administrative fee under paragraph (a) on or before July 1, 2014 and
114.26 annually thereafter. Each year after the initial payment, the annual administrative fee may
114.27 not exceed five percent of the aggregate stewardship assessment added to the cost of all
114.28 architectural paint sold by producers in the state for the preceding calendar year.

114.29 (d) All fees received under this section shall be deposited to the state treasury and
114.30 credited to a product stewardship account in the special revenue fund. For fiscal years
114.31 2014 and 2015, the amount collected under this section is annually appropriated to the
114.32 agency to implement and enforce this section.

114.33 Sec. 79. **[115A.142] REPORT TO LEGISLATURE AND GOVERNOR.**

115.1 As part of the report required under section 115A.121, the commissioner of the
115.2 Pollution Control Agency shall provide a report to the governor and the legislature on
115.3 the implementation of section 115A.1415.

115.4 Sec. 80. Minnesota Statutes 2012, section 115B.20, subdivision 6, is amended to read:

115.5 Subd. 6. **Report to legislature.** ~~Each year~~ By January 31 of each odd-numbered
115.6 year, the commissioner of agriculture and the agency shall submit to the senate Finance
115.7 Committee, the house of representatives Ways and Means Committee, the Environment
115.8 and Natural Resources Committees of the senate and house of representatives, the Finance
115.9 Division of the senate Committee on Environment and Natural Resources, and the house
115.10 of representatives Committee on Environment and Natural Resources Finance, and the
115.11 Environmental Quality Board a report detailing the activities for which money has been
115.12 spent pursuant to this section during the previous fiscal year.

115.13 **EFFECTIVE DATE.** This section is effective July 1, 2013.

115.14 Sec. 81. Minnesota Statutes 2012, section 115B.28, subdivision 1, is amended to read:

115.15 Subdivision 1. **Duties.** In addition to performing duties specified in sections
115.16 115B.25 to 115B.37 or in other law, and subject to the limitations on disclosure contained
115.17 in section 115B.35, the agency shall:

115.18 (1) adopt rules, including rules governing practice and procedure before the agency,
115.19 the form and procedure for applications for compensation, and procedures for claims
115.20 investigations;

115.21 (2) publicize the availability of compensation and application procedures on a
115.22 statewide basis with special emphasis on geographical areas surrounding sites identified
115.23 by the agency as having releases from a facility where a harmful substance was placed or
115.24 came to be located prior to July 1, 1983;

115.25 (3) collect, analyze, and make available to the public, in consultation with the
115.26 Department of Health, the Pollution Control Agency, the University of Minnesota Medical
115.27 and Public Health Schools, and the medical community, data regarding injuries relating to
115.28 exposure to harmful substances; and

115.29 (4) prepare and transmit ~~by December 31 of each year to the governor and the~~
115.30 ~~legislature an annual~~ legislative report required under section 115B.20, subdivision
115.31 6, to include (i) a summary of agency activity under clause (3); (ii) data determined
115.32 by the agency from actual cases, including but not limited to number of cases, actual
115.33 compensation received by each claimant, types of cases, and types of injuries compensated,
115.34 as they relate to types of harmful substances as well as length of exposure, but excluding

116.1 identification of the claimants; (iii) all administrative costs associated with the business of
116.2 the agency; and (iv) agency recommendations for legislative changes, further study, or any
116.3 other recommendation aimed at improving the system of compensation.

116.4 Sec. 82. Minnesota Statutes 2012, section 115B.421, is amended to read:

116.5 **115B.421 CLOSED LANDFILL INVESTMENT FUND.**

116.6 The closed landfill investment fund is established in the state treasury. The fund
116.7 consists of money credited to the fund, and interest and other earnings on money in the
116.8 fund. ~~The commissioner of management and budget shall transfer an initial amount of~~
116.9 ~~\$5,100,000 from the balance in the solid waste fund beginning in fiscal year 2000 and~~
116.10 ~~shall continue to transfer \$5,100,000 for each following fiscal year, ceasing after 2003.~~

116.11 Beginning July 1, 2003, funds must be deposited as described in section 115B.445. The
116.12 fund shall be managed to maximize long-term gain through the State Board of Investment.
116.13 Money in the fund may be spent by the commissioner after fiscal year 2020 in accordance
116.14 with sections 115B.39 to 115B.444.

116.15 Sec. 83. Minnesota Statutes 2012, section 115C.02, subdivision 4, is amended to read:

116.16 Subd. 4. **Corrective action.** "Corrective action" means an action taken to minimize,
116.17 eliminate, or clean up a release to protect the public health and welfare or the environment.
116.18 Corrective action may include, environmental covenants pursuant to chapter 114E, an
116.19 affidavit required under section 116.48, subdivision 6, or similar notice of a release
116.20 recorded with real property records.

116.21 Sec. 84. Minnesota Statutes 2012, section 115C.08, subdivision 4, is amended to read:

116.22 Subd. 4. **Expenditures.** (a) Money in the fund may only be spent:

116.23 (1) to administer the petroleum tank release cleanup program established in this
116.24 chapter;

116.25 (2) for agency administrative costs under sections 116.46 to 116.50, sections
116.26 115C.03 to 115C.06, and costs of corrective action taken by the agency under section
116.27 115C.03, including investigations;

116.28 (3) for costs of recovering expenses of corrective actions under section 115C.04;

116.29 (4) for training, certification, and rulemaking under sections 116.46 to 116.50;

116.30 (5) for agency administrative costs of enforcing rules governing the construction,
116.31 installation, operation, and closure of aboveground and underground petroleum storage
116.32 tanks;

117.1 (6) for reimbursement of the environmental response, compensation, and compliance
117.2 account under subdivision 5 and section 115B.26, subdivision 4;

117.3 (7) for administrative and staff costs as set by the board to administer the petroleum
117.4 tank release program established in this chapter;

117.5 (8) for corrective action performance audits under section 115C.093;

117.6 (9) for contamination cleanup grants, as provided in paragraph (c);

117.7 (10) to assess and remove abandoned underground storage tanks under section
117.8 115C.094 and, if a release is discovered, to pay for the specific consultant and contractor
117.9 services costs necessary to complete the tank removal project, including, but not limited
117.10 to, excavation soil sampling, groundwater sampling, soil disposal, and completion of
117.11 an excavation report; and

117.12 (11) ~~for property acquisition by the agency when the agency has determined that~~
117.13 ~~purchasing a property where a release has occurred is the most appropriate corrective~~
117.14 ~~action. The~~ to acquire interests in real or personal property, including easements,
117.15 environmental covenants under chapter 114E, and leases, that the agency determines are
117.16 necessary for corrective actions or to ensure the protectiveness of corrective actions. A
117.17 donation of an interest in real property to the agency is not effective until the agency
117.18 executes a certificate of acceptance. The state is not liable under this chapter solely as a
117.19 result of acquiring an interest in real property under this clause. Agency approval of an
117.20 environmental covenant under chapter 114E is sufficient evidence of acceptance of an
117.21 interest in real property when the agency is expressly identified as a holder in the covenant.
117.22 Acquisition of all properties real property under this clause, except environmental
117.23 covenants under chapter 114E, is subject to approval by the board.

117.24 (b) Except as provided in paragraph (c), money in the fund is appropriated to the
117.25 board to make reimbursements or payments under this section.

117.26 (c) In fiscal years 2010 and 2011, \$3,700,000 is annually appropriated from the fund
117.27 to the commissioner of employment and economic development for contamination cleanup
117.28 grants under section 116J.554. Beginning in fiscal year 2012 and each year thereafter,
117.29 \$6,200,000 is annually appropriated from the fund to the commissioner of employment
117.30 and economic development for contamination cleanup grants under section 116J.554. Of
117.31 this amount, the commissioner may spend up to \$225,000 annually for administration
117.32 of the contamination cleanup grant program. The appropriation does not cancel and is
117.33 available until expended. The appropriation shall not be withdrawn from the fund nor the
117.34 fund balance reduced until the funds are requested by the commissioner of employment
117.35 and economic development. The commissioner shall schedule requests for withdrawals

118.1 from the fund to minimize the necessity to impose the fee authorized by subdivision 2.

118.2 Unless otherwise provided, the appropriation in this paragraph may be used for:

118.3 (1) project costs at a qualifying site if a portion of the cleanup costs are attributable
118.4 to petroleum contamination or new and used tar and tar-like substances, including but not
118.5 limited to bitumen and asphalt, but excluding bituminous or asphalt pavement, that consist
118.6 primarily of hydrocarbons and are found in natural deposits in the earth or are distillates,
118.7 fractions, or residues from the processing of petroleum crude or petroleum products as
118.8 defined in section 296A.01; and

118.9 (2) the costs of performing contamination investigation if there is a reasonable basis
118.10 to suspect the contamination is attributable to petroleum or new and used tar and tar-like
118.11 substances, including but not limited to bitumen and asphalt, but excluding bituminous or
118.12 asphalt pavement, that consist primarily of hydrocarbons and are found in natural deposits
118.13 in the earth or are distillates, fractions, or residues from the processing of petroleum crude
118.14 or petroleum products as defined in section 296A.01.

118.15 Sec. 85. Minnesota Statutes 2012, section 115C.08, is amended by adding a subdivision
118.16 to read:

118.17 **Subd. 6. Disposition of property acquired for corrective action.** (a) If the
118.18 commissioner determines that real or personal property acquired by the agency for a
118.19 corrective action is no longer needed for corrective action purposes, the commissioner may:

118.20 (1) request the commissioner of administration to dispose of the property according
118.21 to sections 16B.281 to 16B.287, subject to conditions the commissioner of the Pollution
118.22 Control Agency determines necessary to protect the public health and welfare and the
118.23 environment or to comply with federal law;

118.24 (2) transfer the property to another state agency, a political subdivision, or a special
118.25 purpose district as provided in paragraph (b); or

118.26 (3) if required by federal law, take actions and dispose of the property according
118.27 to federal law.

118.28 (b) If the commissioner determines that real or personal property acquired by
118.29 the agency for a corrective action must be operated, maintained, or monitored after
118.30 completion of other phases of the corrective action, the commissioner may transfer
118.31 ownership of the property to another state agency, a political subdivision, or a special
118.32 purpose district that agrees to accept the property. A state agency, political subdivision,
118.33 or special purpose district may accept and implement terms and conditions of a transfer
118.34 under this paragraph. The commissioner may set terms and conditions for the transfer
118.35 that the commissioner considers reasonable and necessary to ensure proper operation,

119.1 maintenance, and monitoring of corrective actions; protect the public health and welfare
119.2 and the environment; and comply with applicable federal and state laws and regulations.
119.3 The state agency, political subdivision, or special purpose district to which the property is
119.4 transferred is not liable under this chapter solely as a result of acquiring the property or
119.5 acting in accordance with the terms and conditions of transfer.

119.6 (c) The commissioner of administration may charge the agency for actual staff and
119.7 other costs related to disposal of the property under paragraph (a), clause (1). The net
119.8 proceeds of a sale or other transfer of property under this subdivision by the commissioner
119.9 or by the commissioner of administration shall be deposited in the petroleum tank fund or
119.10 other appropriate fund. Any share of the proceeds that the agency is required by federal
119.11 law or regulation to reimburse to the federal government is appropriated from the fund
119.12 to the agency for the purpose. Section 16B.287, subdivision 1, does not apply to real
119.13 property that is sold by the commissioner of administration and that was acquired under
119.14 subdivision 4, clause (11).

119.15 Sec. 86. Minnesota Statutes 2012, section 115D.10, is amended to read:

119.16 **115D.10 TOXIC POLLUTION PREVENTION EVALUATION REPORT.**

119.17 The commissioner, in cooperation with the commission, shall report to
119.18 the Environment and Natural Resources Committees of the senate and house of
119.19 representatives, the Finance Division of the senate Committee on Environment and
119.20 Natural Resources, and the house of representatives Committee on Environment and
119.21 Natural Resources Finance on progress being made in achieving the objectives of sections
119.22 115D.01 to 115D.12. The report must be ~~submitted by February 1 of each even-numbered~~
119.23 year done in conjunction with the report required under section 115A.121.

119.26 knows contains an underground or aboveground storage tank or contained an underground
119.27 or aboveground storage tank that had a release for which no corrective action was taken or
119.28 if required by the agency as a condition of a corrective action under chapter 115C, the
119.29 owner shall record with the county recorder or registrar of titles of the county in which the
119.30 property is located an affidavit containing:

119.31 (1) a legal description of the property where the tank is located;

120.7 aboveground storage tank, the owner shall deliver to the purchaser a copy of the affidavit
120.8 and any additional information necessary to make the facts in the affidavit accurate as of
120.9 the date of transfer of ownership.

120.10 (c) Failure to record an affidavit as provided in this subdivision does not affect or
120.11 prevent any transfer of ownership of the property.

120.12 Sec. 88. Minnesota Statutes 2012, section 116C.03, subdivision 2, is amended to read:

120.13 Subd. 2. **Membership.** The members of the board are the ~~director of the Office of~~

120.18 transportation, the chair of the Board of Water and Soil Resources, and a representative of
120.19 the governor's office designated by the governor. The governor shall appoint five members
120.20 from the general public to the board, subject to the advice and consent of the senate.
120.21 At least two of the five public members must have knowledge of and be conversant in

121.5 Sec. 91. **[116C.99] SILICA SAND MINING MODEL STANDARDS AND**
121.6 **CRITERIA.**

121.7 Subdivision 1. **Definitions.** The definitions in this subdivision apply to sections
121.8 116C.99 to 116C.992.

121.9 (a) "Local unit of government" means a county, statutory or home rule charter city,
121.10 or town.

121.11 (b) "Mining" means excavating silica sand by any process, including digging,
121.12 excavating, drilling, blasting, tunneling, dredging, stripping, or by shaft.

121.13 (c) "Processing" means washing, cleaning, screening, crushing, filtering, sorting,
121.14 processing, stockpiling, and storing silica sand, either at the mining site or at any other site.

121.15 (d) "Silica sand" means well-rounded, sand-sized grains of quartz (silicon dioxide),
121.16 with very little impurities in terms of other minerals. Specifically, the silica sand for the
121.17 purposes of this section is commercially valuable for use in the hydraulic fracturing of
121.18 shale to obtain oil and natural gas. Silica sand does not include common rock, stone,
121.19 aggregate, gravel, sand with a low quartz level, or silica compounds recovered as a
121.20 by-product of metallic mining.

121.21 (e) "Silica sand project" means the excavation and mining and processing of silica
121.22 sand; the washing, cleaning, screening, crushing, filtering, drying, sorting, stockpiling,
121.23 and storing of silica sand, either at the mining site or at any other site; the hauling and
121.24 transporting of silica sand; or a facility for transporting silica sand to destinations by rail,
121.25 barge, truck, or other means of transportation.

121.26 (f) "Temporary storage" means the storage of stock piles of silica sand that have
121.27 been transported and await further transport.

121.28 (g) "Transporting" means hauling and transporting silica sand, by any carrier:

121.29 (1) from the mining site to a processing or transfer site; or

121.30 (2) from a processing or storage site to a rail, barge, or transfer site for transporting
121.31 to destinations.

121.32 Subd. 2. **Standards and criteria.** (a) By October 1, 2013, the Environmental
121.33 Quality Board, in consultation with local units of government, shall develop model
121.34 standards and criteria for mining, processing, and transporting silica sand. These standards
121.35 and criteria may be used by local units of government in developing local ordinances. The

- 122.1 standards and criteria shall be different for different geographic areas of the state. The
122.2 unique karst conditions and landforms of southeastern Minnesota shall be considered
122.3 unique when compared with the flat scoured river terraces and uniform hydrology of the
122.4 Minnesota Valley. The standards and criteria developed shall reflect those differences in
122.5 varying regions of the state. The standards and criteria must include:
- 122.6 (1) recommendations for setbacks or buffers for mining operation and processing,
122.7 including:
- 122.8 (i) any residence or residential zoning district boundary;
122.9 (ii) any property line or right-of-way line of any existing or proposed street or
122.10 highway;
- 122.11 (iii) ordinary high water levels of public waters;
122.12 (iv) bluffs;
122.13 (v) designated trout streams, Class 2A water as designated in the rules of the
122.14 Pollution Control Agency, or any perennially flowing tributary of a designated trout
122.15 stream or Class 2A water;
- 122.16 (vi) calcareous fens;
122.17 (vii) wellhead protection areas as defined in section 103I.005;
122.18 (viii) critical natural habitat acquired by the commissioner of natural resources
122.19 under section 84.944; and
- 122.20 (ix) a natural resource easement paid wholly or in part by public funds;
- 122.21 (2) standards for hours of operation;
122.22 (3) groundwater and surface water quality and quantity monitoring and mitigation
122.23 plan requirements, including:
- 122.24 (i) applicable groundwater and surface water appropriation permit requirements;
122.25 (ii) well sealing requirements;
122.26 (iii) annual submission of monitoring well data; and
122.27 (iv) storm water runoff rate limits not to exceed two-, ten-, and 100-year storm events;
- 122.28 (4) air monitoring and data submission requirements;
122.29 (5) dust control requirements;
122.30 (6) noise testing and mitigation plan requirements;
122.31 (7) blast monitoring plan requirements;
122.32 (8) lighting requirements;
122.33 (9) inspection requirements;
122.34 (10) containment requirements for silica sand in temporary storage to protect air
122.35 and water quality;
- 122.36 (11) containment requirements for chemicals used in processing;

123.1 (12) financial assurance requirements;
123.2 (13) road and bridge impacts and requirements; and
123.3 (14) reclamation plan requirements as required under the rules adopted by the
123.4 commissioner of natural resources.

123.5 Subd. 3. **Silica sand technical assistance team.** By October 1, 2013, the
123.6 Environmental Quality Board shall assemble a silica sand technical assistance team
123.7 to provide local units of government, at their request, with assistance with ordinance
123.8 development, zoning, environmental review and permitting, monitoring, or other issues
123.9 arising from silica sand mining and processing operations. The technical assistance team
123.10 may be chosen from representatives of the following entities: the Department of Natural
123.11 Resources, the Pollution Control Agency, the Board of Water and Soil Resources, the
123.12 Department of Health, the Department of Transportation, the University of Minnesota,
123.13 the Minnesota State Colleges and Universities, and federal agencies. A majority of the
123.14 members must be from a state agency and all members must have expertise in one or more
123.15 of the following areas: silica sand mining, hydrology, air quality, water quality, land use,
123.16 or other areas related to silica sand mining.

123.17 Subd. 4. **Consideration of technical assistance team recommendations.** (a) When
123.18 the technical assistance team, at the request of the local unit of government, assembles
123.19 findings or makes a recommendation related to a proposed silica sand project for the
123.20 protection of human health and the environment, a local government unit must consider
123.21 the findings or recommendations of the technical assistance team in its approval or denial
123.22 of a silica sand project. If the local government unit does not agree with the technical
123.23 assistance team's findings and recommendations, the detailed reasons for the disagreement
123.24 must be part of the local government unit's record of decision.

123.25 (b) Silica sand project proposers must cooperate in providing local government unit
123.26 staff, and members of the technical assistance team with information regarding the project.

123.27 (c) When a local unit of government requests assistance from the silica sand
123.28 technical assistance team for environmental review or permitting of a silica sand project
123.29 the local unit of government may assess the project proposer for reasonable costs of the
123.30 assistance and use the funds received to reimburse the entity providing that assistance.

123.31 **EFFECTIVE DATE.** This section is effective the day following final enactment.

123.32 Sec. 92. **[116C.991] ENVIRONMENTAL REVIEW; SILICA SAND PROJECTS.**

123.33 (a) Until two years after the effective date of this section, an environmental
123.34 assessment worksheet must be prepared for any silica sand project that meets or exceeds
123.35 the following thresholds, unless the project meets or exceeds the thresholds for an

124.1 environmental impact statement under rules of the Environmental Quality Board and an
124.2 environmental impact statement must be prepared:

124.3 (1) excavates 20 or more acres of land to a mean depth of ten feet or more during its
124.4 existence. The local government is the responsible governmental unit; or

124.5 (2) is designed to store or is capable of storing more than 7,500 tons of silica sand or
124.6 has an annual throughput of more than 200,000 tons of silica sand and is not required to
124.7 receive a permit from the Pollution Control Agency. The Pollution Control Agency is the
124.8 responsible governmental unit.

124.9 (b) In addition to the contents required under statute and rule, an environmental
124.10 assessment worksheet completed according to this section must include:

124.11 (1) a hydrogeologic investigation assessing potential groundwater and surface water
124.12 effects and geologic conditions that could create an increased risk of potentially significant
124.13 effects on groundwater and surface water;

124.14 (2) for a project with the potential to require a groundwater appropriation permit
124.15 from the commissioner of natural resources, an assessment of the water resources
124.16 available for appropriation;

124.17 (3) an air quality impact assessment that includes an assessment of the potential
124.18 effects from airborne particulates and dust;

124.19 (4) a traffic impact analysis, including documentation of existing transportation
124.20 systems, analysis of the potential effects of the project on transportation, and mitigation
124.21 measures to eliminate or minimize adverse impacts;

124.22 (5) an assessment of compatibility of the project with other existing uses; and

124.23 (6) mitigation measures that could eliminate or minimize any adverse environmental
124.24 effects for the project.

124.25 **EFFECTIVE DATE.** This section is effective July 1, 2013, and no permit for
124.26 a silica sand project subject to this section may be approved after that date unless the
124.27 required environmental review has been completed.

124.28 **Sec. 93. [116C.992] TECHNICAL ASSISTANCE, ORDINANCE, AND PERMIT**
124.29 **LIBRARY.**

124.30 By October 1, 2013, the Environmental Quality Board, in consultation with local
124.31 units of government, shall create and maintain a library on local government ordinances
124.32 and local government permits that have been approved for regulation of silica sand
124.33 projects for reference by local governments.

125.1 Sec. 94. Minnesota Statutes 2012, section 116D.04, is amended by adding a
125.2 subdivision to read:

125.3 Subd. 16. **Groundwater; environmental assessment worksheets.** When an
125.4 environmental assessment worksheet is required for a proposed action that has the
125.5 potential to require a groundwater appropriation permit from the commissioner of natural
125.6 resources, the board shall require that the environmental assessment worksheet include an
125.7 assessment of the water resources available for appropriation.

125.8 Sec. 95. Minnesota Statutes 2012, section 282.04, subdivision 1, is amended to read:

125.9 Subdivision 1. **Timber sales; land leases and uses.** (a) The county auditor, with
125.10 terms and conditions set by the county board, may sell timber upon any tract that may be
125.11 approved by the natural resources commissioner. The sale of timber shall be made for
125.12 cash at not less than the appraised value determined by the county board to the highest
125.13 bidder after not less than one week's published notice in an official paper within the
125.14 county. Any timber offered at the public sale and not sold may thereafter be sold at private
125.15 sale by the county auditor at not less than the appraised value thereof, until the time as
125.16 the county board may withdraw the timber from sale. The appraised value of the timber
125.17 and the forestry practices to be followed in the cutting of said timber shall be approved
125.18 by the commissioner of natural resources.

125.19 (b) Payment of the full sale price of all timber sold on tax-forfeited lands shall be
125.20 made in cash at the time of the timber sale, except in the case of oral or sealed bid auction
125.21 sales, the down payment shall be no less than 15 percent of the appraised value, and the
125.22 balance shall be paid prior to entry. In the case of auction sales that are partitioned and
125.23 sold as a single sale with predetermined cutting blocks, the down payment shall be no less
125.24 than 15 percent of the appraised price of the entire timber sale which may be held until the
125.25 satisfactory completion of the sale or applied in whole or in part to the final cutting block.
125.26 The value of each separate block must be paid in full before any cutting may begin in that
125.27 block. With the permission of the county contract administrator the purchaser may enter
125.28 unpaid blocks and cut necessary timber incidental to developing logging roads as may
125.29 be needed to log other blocks provided that no timber may be removed from an unpaid
125.30 block until separately scaled and paid for. If payment is provided as specified in this
125.31 paragraph as security under paragraph (a) and no cutting has taken place on the contract,
125.32 the county auditor may credit the security provided, less any down payment required for
125.33 an auction sale under this paragraph, to any other contract issued to the contract holder
125.34 by the county under this chapter to which the contract holder requests in writing that it

126.1 be credited, provided the request and transfer is made within the same calendar year as
126.2 the security was received.

126.3 (c) The county board may sell any timber, including biomass, as appraised or scaled.
126.4 Any parcels of land from which timber is to be sold by scale of cut products shall be so
126.5 designated in the published notice of sale under paragraph (a), in which case the notice
126.6 shall contain a description of the parcels, a statement of the estimated quantity of each
126.7 species of timber, and the appraised price of each species of timber for 1,000 feet, per cord
126.8 or per piece, as the case may be. In those cases any bids offered over and above the
126.9 appraised prices shall be by percentage, the percent bid to be added to the appraised price
126.10 of each of the different species of timber advertised on the land. The purchaser of timber
126.11 from the parcels shall pay in cash at the time of sale at the rate bid for all of the timber
126.12 shown in the notice of sale as estimated to be standing on the land, and in addition shall
126.13 pay at the same rate for any additional amounts which the final scale shows to have been
126.14 cut or was available for cutting on the land at the time of sale under the terms of the sale.
126.15 Where the final scale of cut products shows that less timber was cut or was available
126.16 for cutting under terms of the sale than was originally paid for, the excess payment
126.17 shall be refunded from the forfeited tax sale fund upon the claim of the purchaser, to be
126.18 audited and allowed by the county board as in case of other claims against the county. No
126.19 timber, except hardwood pulpwood, may be removed from the parcels of land or other
126.20 designated landings until scaled by a person or persons designated by the county board
126.21 and approved by the commissioner of natural resources. Landings other than the parcel
126.22 of land from which timber is cut may be designated for scaling by the county board by
126.23 written agreement with the purchaser of the timber. The county board may, by written
126.24 agreement with the purchaser and with a consumer designated by the purchaser when the
126.25 timber is sold by the county auditor, and with the approval of the commissioner of natural
126.26 resources, accept the consumer's scale of cut products delivered at the consumer's landing.
126.27 No timber shall be removed until fully paid for in cash. Small amounts of timber not
126.28 exceeding \$3,000 in appraised valuation may be sold for not less than the full appraised
126.29 value at private sale to individual persons without first publishing notice of sale or calling
126.30 for bids, provided that in case of a sale involving a total appraised value of more than \$200
126.31 the sale shall be made subject to final settlement on the basis of a scale of cut products in
126.32 the manner above provided and not more than two of the sales, directly or indirectly to any
126.33 individual shall be in effect at one time.

126.34 (d) As directed by the county board, the county auditor may lease tax-forfeited land
126.35 to individuals, corporations or organized subdivisions of the state at public or private sale,
126.36 and at the prices and under the terms as the county board may prescribe, for use as cottage

127.1 and camp sites and for agricultural purposes and for the purpose of taking and removing of
127.2 hay, stumpage, sand, gravel, clay, rock, marl, and black dirt from the land, and for garden
127.3 sites and other temporary uses provided that no leases shall be for a period to exceed ten
127.4 years; provided, further that any leases involving a consideration of more than \$12,000 per
127.5 year, except to an organized subdivision of the state shall first be offered at public sale in
127.6 the manner provided herein for sale of timber. Upon the sale of any leased land, it shall
127.7 remain subject to the lease for not to exceed one year from the beginning of the term of the
127.8 lease. Any rent paid by the lessee for the portion of the term cut off by the cancellation
127.9 shall be refunded from the forfeited tax sale fund upon the claim of the lessee, to be
127.10 audited and allowed by the county board as in case of other claims against the county.

127.11 (e) As directed by the county board, the county auditor may lease tax-forfeited land
127.12 to individuals, corporations, or organized subdivisions of the state at public or private sale,
127.13 at the prices and under the terms as the county board may prescribe, for the purpose
127.14 of taking and removing for use for road construction and other purposes tax-forfeited
127.15 stockpiled iron-bearing material. The county auditor must determine that the material is
127.16 needed and suitable for use in the construction or maintenance of a road, tailings basin,
127.17 settling basin, dike, dam, bank fill, or other works on public or private property, and
127.18 that the use would be in the best interests of the public. No lease shall exceed ten years.
127.19 The use of a stockpile for these purposes must first be approved by the commissioner of
127.20 natural resources. The request shall be deemed approved unless the requesting county
127.21 is notified to the contrary by the commissioner of natural resources within six months
127.22 after receipt of a request for approval for use of a stockpile. Once use of a stockpile has
127.23 been approved, the county may continue to lease it for these purposes until approval is
127.24 withdrawn by the commissioner of natural resources.

127.25 (f) The county auditor, with the approval of the county board is authorized to grant
127.26 permits, licenses, and leases to tax-forfeited lands for the depositing of stripping, lean ores,
127.27 tailings, or waste products from mines or ore milling plants, or to use for facilities needed
127.28 to recover iron-bearing oxides from tailings basins or stockpiles, or for a buffer area
127.29 needed for a mining operation, upon the conditions and for the consideration and for the
127.30 period of time, not exceeding 25 years, as the county board may determine. The permits,
127.31 licenses, or leases are subject to approval by the commissioner of natural resources.

127.32 (g) Any person who removes any timber from tax-forfeited land before said timber
127.33 has been scaled and fully paid for as provided in this subdivision is guilty of a misdemeanor.

127.34 (h) The county auditor may, with the approval of the county board, and without first
127.35 offering at public sale, grant leases, for a term not exceeding 25 years, for the removal of
127.36 peat and for the production or removal of farm-grown closed-loop biomass as defined in

128.1 section 216B.2424, subdivision 1, or short-rotation woody crops from tax-forfeited lands
128.2 upon the terms and conditions as the county board may prescribe. Any lease for the removal
128.3 of peat, farm-grown closed-loop biomass, or short-rotation woody crops from tax-forfeited
128.4 lands must first be reviewed and approved by the commissioner of natural resources if the
128.5 lease covers 320 or more acres. No lease for the removal of peat, farm-grown closed-loop
128.6 biomass, or short-rotation woody crops shall be made by the county auditor pursuant to this
128.7 section without first holding a public hearing on the auditor's intention to lease. One printed
128.8 notice in a legal newspaper in the county at least ten days before the hearing, and posted
128.9 notice in the courthouse at least 20 days before the hearing shall be given of the hearing.

128.10 (i) Notwithstanding any provision of paragraph (c) to the contrary, the St. Louis
128.11 County auditor may, at the discretion of the county board, sell timber to the party who
128.12 bids the highest price for all the several kinds of timber, as provided for sales by the
128.13 commissioner of natural resources under section 90.14. Bids offered over and above the
128.14 appraised price need not be applied proportionately to the appraised price of each of
128.15 the different species of timber.

128.16 (j) In lieu of any payment or deposit required in paragraph (b), as directed by the
128.17 county board and under terms set by the county board, the county auditor may accept an
128.18 irrevocable bank letter of credit in the amount equal to the amount otherwise determined in
128.19 paragraph (b). If an irrevocable bank letter of credit is provided under this paragraph, at the
128.20 written request of the purchaser, the county may periodically allow the bank letter of credit
128.21 to be reduced by an amount proportionate to the value of timber that has been harvested
128.22 and for which the county has received payment. The remaining amount of the bank letter
128.23 of credit after a reduction under this paragraph must not be less than 20 percent of the value
128.24 of the timber purchased. If an irrevocable bank letter of credit or cash deposit is provided
128.25 for the down payment required in paragraph (b), and no cutting of timber has taken place
128.26 on the contract for which a letter of credit has been provided, the county may allow the
128.27 transfer of the letter of credit to any other contract issued to the contract holder by the
128.28 county under this chapter to which the contract holder requests in writing that it be credited.

128.29 Sec. 96. **[383B.761] DISCONTINUANCE OF HENNEPIN COUNTY SOIL AND**
128.30 **WATER CONSERVATION DISTRICT; TRANSFER OF DUTIES.**

128.31 **Subdivision 1. Petition.** Notwithstanding section 103C.225, the Hennepin County
128.32 Board of Commissioners may petition the Minnesota Board of Water and Soil Resources
128.33 to discontinue the Hennepin Soil and Water Conservation District and transfer the duties
128.34 and authorities of the district to the Hennepin County Board of Commissioners. The
128.35 Minnesota Board of Water and Soil Resources has 60 days from the receipt of the petition

129.1 to conduct its review. The Minnesota Board of Water and Soil Resources shall make
129.2 its determination regarding the petition no later than its first regular meeting following
129.3 the 60-day review period.

129.4 Subd. 2. **Discontinuance.** The Minnesota Board of Water and Soil Resources shall
129.5 review the petition submitted under subdivision 1 to determine whether progress toward

138.16 single municipality. The proposed sanitary district must promote the public health and
138.17 welfare by providing an adequate and efficient system and means of collecting, conveying,
138.18 pumping, treating, and disposing of domestic sewage and garbage and industrial wastes
138.19 within the district. When the chief administrative law judge or the Minnesota Pollution
138.20 Control Agency finds that there is need throughout the territory for the accomplishment
138.21 of these purposes; that these purposes can be effectively accomplished on an equitable
138.22 basis by a district if created; and that the creation and maintenance of a district will be
138.23 administratively feasible and in furtherance of the public health, safety, and welfare, the
138.24 chief administrative law judge shall make an order creating the sanitary district. A sanitary
138.25 district is administratively feasible under this section if the district has the financial and
138.26 managerial resources needed to deliver adequate and efficient sanitary sewer services
138.27 within the proposed district.

138.28 (b) Notwithstanding paragraph (a), no district shall be created within 25 miles of the
138.29 boundary of any city of the first class without the approval of the governing body thereof
138.30 and the approval of the governing body of each and every municipality in the proposed
138.31 district by resolution filed with the chief administrative law judge.

138.32 (c) If the chief administrative law judge and the Minnesota Pollution Control Agency
138.33 disagree on the need to create a sanitary district, they must determine whether not allowing
138.34 the sanitary district formation will have a detrimental effect on the environment. If it is

139.1 determined that the sanitary district formation will prevent environmental harm, the sanitary
139.2 district creation or connection to an existing wastewater treatment system must occur.

139.3 Subd. 2. Proceeding to create sanitary district. (a) A proceeding for the creation
139.4 of a district may be initiated by a petition to the chief administrative law judge containing
139.5 the following:

139.6 (1) a request for creation of the proposed district;

139.7 (2) the name proposed for the district, to include the words "sanitary district";

139.8 (3) a legal description of the territory of the proposed district, including justification
139.9 for inclusion or exclusion for all parcels;

139.10 (4) addresses of every property owner within the proposed district boundaries as
139.11 provided by the county auditor, with certification from the county auditor; two sets of
139.12 address labels for said owners; and a list of e-mail addresses for said owners, if available;

139.13 (5) a statement showing the existence in the territory of the conditions requisite for
139.14 creation of a district as prescribed in subdivision 1;

139.15 (6) a statement of the territorial units represented by and the qualifications of the
139.16 respective signers; and

139.17 (7) the post office address of each signer, given under the signer's signature.

139.18 A petition may consist of separate writings of like effect, each signed by one or more
139.19 qualified persons, and all such writings, when filed, shall be considered together as a
139.20 single petition.

139.21 (b) Petitioners must conduct and pay for a public meeting to inform citizens of the
139.22 proposed creation of the district. At the meeting, information must be provided, including
139.23 a description of the district's proposed structure, bylaws, territory, ordinances, budget, and
139.24 charges and a description of the territory of the proposed district, including justification
139.25 for inclusion or exclusion for all parcels. Notice of the meeting must be published for two
139.26 successive weeks in a qualified newspaper, as defined under chapter 331A, published
139.27 within the territory of the proposed district or, if there is no qualified newspaper published
139.28 within the territory, in a qualified newspaper of general circulation in the territory, and
139.29 must be posted for two weeks in each territorial unit of the proposed district and on the
139.30 Web site of the proposed district, if one exists. Notice of the meeting must be mailed or
139.31 e-mailed at least three weeks prior to the meeting to all property tax billing addresses for
139.32 all parcels included in the proposed district. The following must be submitted to the chief
139.33 administrative law judge with the petition:

139.34 (1) a record of the meeting, including copies of all information provided at the
139.35 meeting;

140.1 (2) a copy of the mailing list provided by the county auditor and used to notify
140.2 property owners of the meeting;

140.3 (3) a copy of the e-mail list used to notify property owners of the meeting;

140.4 (4) the printer's affidavit of publication of public meeting notice;

140.5 (5) an affidavit of posting the public meeting notice with information on dates and
140.6 locations of posting; and

140.7 (6) the minutes or other record of the public meeting documenting that the following
140.8 topics were discussed: printer's affidavit of publication of each resolution, with a copy
140.9 of the resolution from the newspaper attached; and the affidavit of resolution posting
140.10 on the town or proposed district Web site.

140.11 (c) Every petition must be signed as follows:

140.12 (1) for each municipality wherein there is a territorial unit of the proposed district,
140.13 by an authorized officer pursuant to a resolution of the municipal governing body;

140.14 (2) for each organized town wherein there is a territorial unit of the proposed district,
140.15 by an authorized officer pursuant to a resolution of the town board;

140.16 (3) for each county wherein there is a territorial unit of the proposed district consisting
140.17 of an unorganized area, by an authorized officer pursuant to a resolution of the county
140.18 board or by at least 20 percent of the voters residing and owning land within the unit.

140.19 (d) Each resolution must be published in the official newspaper of the governing
140.20 body adopting it and becomes effective 40 days after publication, unless within said
140.21 period there shall be filed with the governing body a petition signed by qualified electors
140.22 of a territorial unit of the proposed district, equal in number to five percent of the number
140.23 of electors voting at the last preceding election of the governing body, requesting a
140.24 referendum on the resolution, in which case the resolution may not become effective until
140.25 approved by a majority of the qualified electors voting at a regular election or special
140.26 election that the governing body may call. The notice of an election and the ballot to be
140.27 used must contain the text of the resolution followed by the question: "Shall the above
140.28 resolution be approved?"

140.29 (e) If any signer is alleged to be a landowner in a territorial unit, a statement as to
140.30 the signer's landowner status as shown by the county auditor's tax assessment records,
140.31 certified by the auditor, shall be attached to or endorsed upon the petition.

140.32 (f) At any time before publication of the public notice required in subdivision 3,
140.33 additional signatures may be added to the petition or amendments of the petition may
140.34 be made to correct or remedy any error or defect in signature or otherwise except a
140.35 material error or defect in the description of the territory of the proposed district. If the
140.36 qualifications of any signer of a petition are challenged, the chief administrative law judge

141.1 shall determine the challenge forthwith on the allegations of the petition, the county
141.2 auditor's certificate of land ownership, and such other evidence as may be received.

141.3 Subd. 3. **Notice of intent to create sanitary district.** (a) Upon receipt of a petition
141.4 and the record of the public meeting required under subdivision 2, the chief administrative
141.5 law judge shall publish a notice of intent to create the proposed sanitary district in the State
141.6 Register and mail or e-mail information of that publication to each property owner in the
141.7 affected territory at the owner's address as given by the county auditor. The information
141.8 must state the date that the notice will appear in the State Register and give the Web site
141.9 location for the State Register. The notice must:

141.10 (1) describe the petition for creation of the district;

141.11 (2) describe the territory affected by the petition;

141.12 (3) allow 30 days for submission of written comments on the petition;

141.13 (4) state that a person who objects to the petition may submit a written request for
141.14 hearing to the chief administrative law judge within 30 days of the publication of the
141.15 notice in the State Register; and

141.16 (5) state that if a timely request for hearing is not received, the chief administrative
141.17 law judge may make a decision on the petition.

141.18 (b) If 50 or more individual timely requests for hearing are received, the chief
141.19 administrative law judge must hold a hearing on the petition according to the contested
141.20 case provisions of chapter 14. The sanitary district proposers are responsible for paying all
141.21 costs involved in publicizing and holding a hearing on the petition.

141.22 Subd. 4. **Hearing time, place.** If a hearing is required pursuant to subdivision 3, the
141.23 chief administrative law judge shall designate a time and place for a hearing according
141.24 to section 442A.13.

141.25 Subd. 5. **Relevant factors.** (a) In arriving at a decision, the chief administrative law
141.26 judge shall consider the following factors:

141.27 (1) administrative feasibility under subdivision 1, paragraph (a);

141.28 (2) public health, safety, and welfare impacts;

141.29 (3) alternatives for managing the public health impacts;

141.30 (4) equities of the petition proposal;

141.31 (5) contours of the petition proposal; and

141.32 (6) public notification of and interaction on the petition proposal.

141.33 (b) Based on the factors in paragraph (a), the chief administrative law judge may
141.34 order the sanitary district creation on finding that:

141.35 (1) the proposed district is administratively feasible;

142.1 (2) the proposed district provides a long-term, equitable solution to pollution
142.2 problems affecting public health, safety, and welfare;

142.3 (3) property owners within the proposed district were provided notice of the
142.4 proposed district and opportunity to comment on the petition proposal; and

142.5 (4) the petition complied with the requirements of all applicable statutes and rules
142.6 pertaining to sanitary district creation.

142.7 (c) The chief administrative law judge may alter the boundaries of the proposed
142.8 sanitary district by increasing or decreasing the area to be included or may exclude
142.9 property that may be better served by another unit of government. The chief administrative
142.10 law judge may also alter the boundaries of the proposed district so as to follow visible,
142.11 clearly recognizable physical features for municipal boundaries.

142.12 (d) The chief administrative law judge may deny sanitary district creation if the area,
142.13 or a part thereof, would be better served by an alternative method.

142.14 (e) In all cases, the chief administrative law judge shall set forth the factors that are
142.15 the basis for the decision.

142.16 Subd. 6. **Findings; order.** After the public notice period or the public hearing, if
142.17 required under subdivision 3, and based on the petition, any public comments received,
142.18 and, if a hearing was held, the hearing record, the chief administrative law judge shall
142.19 make findings of fact and conclusions determining whether the conditions requisite for the
142.20 creation of a district exist in the territory described in the petition. If the chief administrative
142.21 law judge finds that the conditions exist, the judge may make an order creating a district
142.22 for the territory described in that petition under the name proposed in the petition or such
142.23 other name, including the words "sanitary district," as the judge deems appropriate.

142.24 Subd. 7. **Denial of petition.** If the chief administrative law judge, after conclusion
142.25 of the public notice period or holding a hearing, if required, determines that the creation of
142.26 a district in the territory described in the petition is not warranted, the judge shall make
142.27 an order denying the petition. The chief administrative law judge shall give notice of the
142.28 denial by mail or e-mail to each signer of the petition. No petition for the creation of a
142.29 district consisting of the same territory shall be entertained within a year after the date of
142.30 an order under this subdivision. Nothing in this subdivision precludes action on a petition
142.31 for the creation of a district embracing part of the territory with or without other territory.

142.32 Subd. 8. **Notice of order creating sanitary district.** The chief administrative law
142.33 judge shall publish a notice in the State Register of the final order creating a sanitary
142.34 district, referring to the date of the order and describing the territory of the district, and
142.35 shall mail or e-mail information of the publication to each property owner in the affected
142.36 territory at the owner's address as given by the county auditor. The information must state

143.1 the date that the notice will appear in the State Register and give the Web site location
143.2 for the State Register. The notice must:

- 143.3 (1) describe the petition for creation of the district;
143.4 (2) describe the territory affected by the petition; and
143.5 (3) state that a certified copy of the order shall be delivered to the secretary of state
143.6 for filing ten days after public notice of the order in the State Register.

143.7 Subd. 9. **Filing.** Ten days after public notice of the order in the State Register, the
143.8 chief administrative law judge shall deliver a certified copy of the order to the secretary
143.9 of state for filing. Thereupon, the creation of the district is deemed complete, and it
143.10 shall be conclusively presumed that all requirements of law relating thereto have been
143.11 complied with. The chief administrative law judge shall also transmit a certified copy of
143.12 the order for filing to the county auditor of each county and the clerk or recorder of each
143.13 municipality and organized town wherein any part of the territory of the district is situated
143.14 and to the secretary of the district board when elected.

143.15 Sec. 7. **[442A.05] SANITARY DISTRICT ANNEXATION.**

143.16 Subdivision 1. **Annexation.** (a) A sanitary district annexation may occur under
143.17 this chapter for any area adjacent to an existing district upon a petition to the chief
143.18 administrative law judge stating the grounds therefor as provided in this section.

143.19 (b) The proposed annexation area must embrace an area or a group of two or more
143.20 adjacent areas, whether contiguous or separate, but not situated entirely within the limits
143.21 of a single municipality. The proposed annexation must promote public health and
143.22 welfare by providing an adequate and efficient system and means of collecting, conveying,
143.23 pumping, treating, and disposing of domestic sewage and garbage and industrial wastes
143.24 within the district. When the chief administrative law judge or the Minnesota Pollution
143.25 Control Agency finds that there is need throughout the territory for the accomplishment of
143.26 these purposes, that these purposes can be effectively accomplished on an equitable basis
143.27 by annexation to a district, and that the creation and maintenance of such annexation will
143.28 be administratively feasible and in furtherance of the public health, safety, and welfare,
143.29 the chief administrative law judge shall make an order for sanitary district annexation. An
143.30 annexation is administratively feasible under this section if the district has the financial
143.31 and managerial resources needed to deliver adequate and efficient sanitary sewer services
143.32 within the proposed annexation.

143.33 (c) Notwithstanding paragraph (b), no annexation to a district shall be approved
143.34 within 25 miles of the boundary of any city of the first class without the approval
143.35 of the governing body thereof and the approval of the governing body of each and

144.1 every municipality in the proposed annexation area by resolution filed with the chief
144.2 administrative law judge.

144.3 (d) If the chief administrative law judge and the Minnesota Pollution Control Agency
144.4 disagree on the need for a sanitary district annexation, they must determine whether not
144.5 allowing the sanitary district annexation will have a detrimental effect on the environment.
144.6 If it is determined that the sanitary district annexation will prevent environmental harm,
144.7 the sanitary district annexation or connection to an existing wastewater treatment system
144.8 must occur.

144.9 Subd. 2. **Proceeding for annexation.** (a) A proceeding for sanitary district
144.10 annexation may be initiated by a petition to the chief administrative law judge containing
144.11 the following:

144.12 (1) a request for proposed annexation to a sanitary district;

144.13 (2) a legal description of the territory of the proposed annexation, including
144.14 justification for inclusion or exclusion for all parcels;

144.15 (3) addresses of every property owner within the existing sanitary district and
144.16 proposed annexation area boundaries as provided by the county auditor, with certification
144.17 from the county auditor; two sets of address labels for said owners; and a list of e-mail
144.18 addresses for said owners, if available;

144.19 (4) a statement showing the existence in such territory of the conditions requisite
144.20 for annexation to a district as prescribed in subdivision 1;

144.21 (5) a statement of the territorial units represented by and qualifications of the
144.22 respective signers; and

144.23 (6) the post office address of each signer, given under the signer's signature.

144.24 A petition may consist of separate writings of like effect, each signed by one or more
144.25 qualified persons, and all such writings, when filed, shall be considered together as a
144.26 single petition.

144.27 (b) Petitioners must conduct and pay for a public meeting to inform citizens of the
144.28 proposed annexation to a sanitary district. At the meeting, information must be provided,
144.29 including a description of the existing sanitary district's structure, bylaws, territory,
144.30 ordinances, budget, and charges; a description of the existing sanitary district's territory;
144.31 and a description of the territory of the proposed annexation area, including justification
144.32 for inclusion or exclusion for all parcels for the annexation area. Notice of the meeting
144.33 must be published for two successive weeks in a qualified newspaper, as defined under
144.34 chapter 331A, published within the territories of the existing sanitary district and proposed
144.35 annexation area or, if there is no qualified newspaper published within those territories, in
144.36 a qualified newspaper of general circulation in the territories, and must be posted for two

145.1 weeks in each territorial unit of the existing sanitary district and proposed annexation area
145.2 and on the Web site of the existing sanitary district, if one exists. Notice of the meeting
145.3 must be mailed or e-mailed at least three weeks prior to the meeting to all property tax
145.4 billing addresses for all parcels included in the existing sanitary district and proposed
145.5 annexation area. The following must be submitted to the chief administrative law judge
145.6 with the petition:

145.7 (1) a record of the meeting, including copies of all information provided at the
145.8 meeting;

145.9 (2) a copy of the mailing list provided by the county auditor and used to notify
145.10 property owners of the meeting;

145.11 (3) a copy of the e-mail list used to notify property owners of the meeting;

145.12 (4) the printer's affidavit of publication of the public meeting notice;

145.13 (5) an affidavit of posting the public meeting notice with information on dates and
145.14 locations of posting; and

145.15 (6) the minutes or other record of the public meeting documenting that the following
145.16 topics were discussed: printer's affidavit of publication of each resolution, with copy
145.17 of resolution from newspaper attached; and affidavit of resolution posting on town or
145.18 existing sanitary district Web site.

145.19 (c) Every petition must be signed as follows:

145.20 (1) by an authorized officer of the existing sanitary district pursuant to a resolution
145.21 of the board;

145.22 (2) for each municipality wherein there is a territorial unit of the proposed annexation
145.23 area, by an authorized officer pursuant to a resolution of the municipal governing body;

145.24 (3) for each organized town wherein there is a territorial unit of the proposed
145.25 annexation area, by an authorized officer pursuant to a resolution of the town board; and

145.26 (4) for each county wherein there is a territorial unit of the proposed annexation area
145.27 consisting of an unorganized area, by an authorized officer pursuant to a resolution of the
145.28 county board or by at least 20 percent of the voters residing and owning land within the unit.

145.29 (d) Each resolution must be published in the official newspaper of the governing
145.30 body adopting it and becomes effective 40 days after publication, unless within said

145.31 period there shall be filed with the governing body a petition signed by qualified electors
145.32 of a territorial unit of the proposed annexation area, equal in number to five percent of the

145.33 number of electors voting at the last preceding election of the governing body, requesting
145.34 a referendum on the resolution, in which case the resolution may not become effective

145.35 until approved by a majority of the qualified electors voting at a regular election or special
145.36 election that the governing body may call. The notice of an election and the ballot to be

146.1 used must contain the text of the resolution followed by the question: "Shall the above
146.2 resolution be approved?"

146.3 (e) If any signer is alleged to be a landowner in a territorial unit, a statement as to
146.4 the signer's landowner status as shown by the county auditor's tax assessment records,
146.5 certified by the auditor, shall be attached to or endorsed upon the petition.

146.6 (f) At any time before publication of the public notice required in subdivision 4,
146.7 additional signatures may be added to the petition or amendments of the petition may be
146.8 made to correct or remedy any error or defect in signature or otherwise except a material
146.9 error or defect in the description of the territory of the proposed annexation area. If the
146.10 qualifications of any signer of a petition are challenged, the chief administrative law judge
146.11 shall determine the challenge forthwith on the allegations of the petition, the county
146.12 auditor's certificate of land ownership, and such other evidence as may be received.

146.13 Subd. 3. **Joint petition.** Different areas may be annexed to a district in a single
146.14 proceeding upon a joint petition therefor and upon compliance with the provisions of
146.15 subdivisions 1 and 2 with respect to the area affected so far as applicable.

146.16 Subd. 4. **Notice of intent for sanitary district annexation.** (a) Upon receipt
146.17 of a petition and the record of public meeting required under subdivision 2, the chief
146.18 administrative law judge shall publish a notice of intent for sanitary district annexation
146.19 in the State Register and mail or e-mail information of the publication to each property
146.20 owner in the affected territory at the owner's address as given by the county auditor. The
146.21 information must state the date that the notice will appear in the State Register and give
146.22 the Web site location for the State Register. The notice must:

146.23 (1) describe the petition for sanitary district annexation;

146.24 (2) describe the territory affected by the petition;

146.25 (3) allow 30 days for submission of written comments on the petition;

146.26 (4) state that a person who objects to the petition may submit a written request for
146.27 hearing to the chief administrative law judge within 30 days of the publication of the
146.28 notice in the State Register; and

146.29 (5) state that if a timely request for hearing is not received, the chief administrative
146.30 law judge may make a decision on the petition.

146.31 (b) If 50 or more individual timely requests for hearing are received, the chief
146.32 administrative law judge must hold a hearing on the petition according to the contested case
146.33 provisions of chapter 14. The sanitary district or annexation area proposers are responsible
146.34 for paying all costs involved in publicizing and holding a hearing on the petition.

147.1 Subd. 5. **Hearing time, place.** If a hearing is required under subdivision 4, the
147.2 chief administrative law judge shall designate a time and place for a hearing according
147.3 to section 442A.13.

147.4 Subd. 6. **Relevant factors.** (a) In arriving at a decision, the chief administrative law
147.5 judge shall consider the following factors:

147.6 (1) administrative feasibility under subdivision 1, paragraph (b);

147.7 (2) public health, safety, and welfare impacts;

147.8 (3) alternatives for managing the public health impacts;

147.9 (4) equities of the petition proposal;

147.10 (5) contours of the petition proposal; and

147.11 (6) public notification of and interaction on the petition proposal.

147.12 (b) Based upon these factors, the chief administrative law judge may order the
147.13 annexation to the sanitary district on finding that:

147.14 (1) the sanitary district is knowledgeable and experienced in delivering sanitary sewer
147.15 services to ratepayers and has provided quality service in a fair and cost-effective manner;

147.16 (2) the proposed annexation provides a long-term, equitable solution to pollution
147.17 problems affecting public health, safety, and welfare;

147.18 (3) property owners within the existing sanitary district and proposed annexation
147.19 area were provided notice of the proposed district and opportunity to comment on the
147.20 petition proposal; and

147.21 (4) the petition complied with the requirements of all applicable statutes and rules
147.22 pertaining to sanitary district annexation.

147.23 (c) The chief administrative law judge may alter the boundaries of the proposed
147.24 annexation area by increasing or decreasing the area to be included or may exclude
147.25 property that may be better served by another unit of government. The chief administrative
147.26 law judge may also alter the boundaries of the proposed annexation area so as to follow
147.27 visible, clearly recognizable physical features for municipal boundaries.

147.28 (d) The chief administrative law judge may deny sanitary district annexation if the
147.29 area, or a part thereof, would be better served by an alternative method.

147.30 (e) In all cases, the chief administrative law judge shall set forth the factors that are
147.31 the basis for the decision.

147.32 Subd. 7. **Findings; order.** (a) After the public notice period or the public hearing, if
147.33 required under subdivision 4, and based on the petition, any public comments received,
147.34 and, if a hearing was held, the hearing record, the chief administrative law judge shall
147.35 make findings of fact and conclusions determining whether the conditions requisite for
147.36 the sanitary district annexation exist in the territory described in the petition. If the chief

148.1 administrative law judge finds that conditions exist, the judge may make an order for
148.2 sanitary district annexation for the territory described in the petition.

148.3 (b) All taxable property within the annexed area shall be subject to taxation for
148.4 any existing bonded indebtedness or other indebtedness of the district for the cost of
148.5 acquisition, construction, or improvement of any disposal system or other works or
148.6 facilities beneficial to the annexed area to such extent as the chief administrative law judge
148.7 may determine to be just and equitable, to be specified in the order for annexation. The
148.8 proper officers shall levy further taxes on such property accordingly.

148.9 Subd. 8. **Denial of petition.** If the chief administrative law judge, after conclusion
148.10 of the public notice period or holding a hearing, if required, determines that the sanitary
148.11 district annexation in the territory described in the petition is not warranted, the judge shall
148.12 make an order denying the petition. The chief administrative law judge shall give notice
148.13 of the denial by mail or e-mail to each signer of the petition. No petition for a sanitary
148.14 district annexation consisting of the same territory shall be entertained within a year
148.15 after the date of an order under this subdivision. Nothing in this subdivision precludes
148.16 action on a petition for a sanitary district annexation embracing part of the territory with
148.17 or without other territory.

148.18 Subd. 9. **Notice of order for sanitary district annexation.** The chief administrative
148.19 law judge shall publish in the State Register a notice of the final order for sanitary district
148.20 annexation, referring to the date of the order and describing the territory of the annexation
148.21 area, and shall mail or e-mail information of the publication to each property owner in the
148.22 affected territory at the owner's address as given by the county auditor. The information
148.23 must state the date that the notice will appear in the State Register and give the Web site
148.24 location for the State Register. The notice must:

- 148.25 (1) describe the petition for annexation to the district;
148.26 (2) describe the territory affected by the petition; and
148.27 (3) state that a certified copy of the order shall be delivered to the secretary of state
148.28 for filing ten days after public notice of the order in the State Register.

148.29 Subd. 10. **Filing.** Ten days after public notice of the order in the State Register, the
148.30 chief administrative law judge shall deliver a certified copy of the order to the secretary
148.31 of state for filing. Thereupon, the sanitary district annexation is deemed complete, and it
148.32 shall be conclusively presumed that all requirements of law relating thereto have been
148.33 complied with. The chief administrative law judge shall also transmit a certified copy of
148.34 the order for filing to the county auditor of each county and the clerk or recorder of each
148.35 municipality and organized town wherein any part of the territory of the district, including
148.36 the newly annexed area, is situated and to the secretary of the district board.

149.1 Sec. 8. [442A.06] SANITARY DISTRICT DETACHMENT.

149.2 Subdivision 1. Detachment. (a) A sanitary district detachment may occur under this
149.3 chapter for any area within an existing district upon a petition to the chief administrative
149.4 law judge stating the grounds therefor as provided in this section.

149.5 (b) The proposed detachment must not have any negative environmental impact
149.6 on the proposed detachment area.

149.7 (c) If the chief administrative law judge and the Minnesota Pollution Control
149.8 Agency disagree on the need for a sanitary district detachment, they must determine
149.9 whether not allowing the sanitary district detachment will have a detrimental effect on
149.10 the environment. If it is determined that the sanitary district detachment will cause
149.11 environmental harm, the sanitary district detachment is not allowed unless the detached
149.12 area is immediately connected to an existing wastewater treatment system.

149.13 Subd. 2. Proceeding for detachment. (a) A proceeding for sanitary district
149.14 detachment may be initiated by a petition to the chief administrative law judge containing
149.15 the following:

149.16 (1) a request for proposed detachment from a sanitary district;

149.17 (2) a statement that the requisite conditions for inclusion in a district no longer exist
149.18 in the proposed detachment area;

149.19 (3) a legal description of the territory of the proposed detachment, including
149.20 justification for inclusion or exclusion for all parcels;

149.21 (4) addresses of every property owner within the sanitary district and proposed
149.22 detachment area boundaries as provided by the county auditor, with certification from the
149.23 county auditor; two sets of address labels for said owners; and a list of e-mail addresses
149.24 for said owners, if available;

149.25 (5) a statement of the territorial units represented by and qualifications of the
149.26 respective signers; and

149.27 (6) the post office address of each signer, given under the signer's signature.

149.28 A petition may consist of separate writings of like effect, each signed by one or more
149.29 qualified persons, and all such writings, when filed, shall be considered together as a
149.30 single petition.

149.31 (b) Petitioners must conduct and pay for a public meeting to inform citizens of
149.32 the proposed detachment from a sanitary district. At the meeting, information must be
149.33 provided, including a description of the existing district's territory and a description of the
149.34 territory of the proposed detachment area, including justification for inclusion or exclusion
149.35 for all parcels for the detachment area. Notice of the meeting must be published for two
149.36 successive weeks in a qualified newspaper, as defined under chapter 331A, published

150.1 within the territories of the existing sanitary district and proposed detachment area or, if
150.2 there is no qualified newspaper published within those territories, in a qualified newspaper
150.3 of general circulation in the territories, and must be posted for two weeks in each territorial
150.4 unit of the existing sanitary district and proposed detachment area and on the Web site
150.5 of the existing sanitary district, if one exists. Notice of the meeting must be mailed or
150.6 e-mailed at least three weeks prior to the meeting to all property tax billing addresses for
150.7 all parcels included in the sanitary district. The following must be submitted to the chief
150.8 administrative law judge with the petition:

150.9 (1) a record of the meeting, including copies of all information provided at the
150.10 meeting;

150.11 (2) a copy of the mailing list provided by the county auditor and used to notify
150.12 property owners of the meeting;

150.13 (3) a copy of the e-mail list used to notify property owners of the meeting;

150.14 (4) the printer's affidavit of publication of public meeting notice;

150.15 (5) an affidavit of posting the public meeting notice with information on dates and
150.16 locations of posting; and

150.17 (6) minutes or other record of the public meeting documenting that the following
150.18 topics were discussed: printer's affidavit of publication of each resolution, with copy
150.19 of resolution from newspaper attached; and affidavit of resolution posting on town or
150.20 existing sanitary district Web site.

150.21 (c) Every petition must be signed as follows:

150.22 (1) by an authorized officer of the existing sanitary district pursuant to a resolution
150.23 of the board;

150.24 (2) for each municipality wherein there is a territorial unit of the proposed detachment
150.25 area, by an authorized officer pursuant to a resolution of the municipal governing body;

150.26 (3) for each organized town wherein there is a territorial unit of the proposed
150.27 detachment area, by an authorized officer pursuant to a resolution of the town board; and

150.28 (4) for each county wherein there is a territorial unit of the proposed detachment area
150.29 consisting of an unorganized area, by an authorized officer pursuant to a resolution of the
150.30 county board or by at least 20 percent of the voters residing and owning land within the unit.

150.31 (d) Each resolution must be published in the official newspaper of the governing
150.32 body adopting it and becomes effective 40 days after publication, unless within said period
150.33 there shall be filed with the governing body a petition signed by qualified electors of a
150.34 territorial unit of the proposed detachment area, equal in number to five percent of the
150.35 number of electors voting at the last preceding election of the governing body, requesting
150.36 a referendum on the resolution, in which case the resolution may not become effective

151.1 until approved by a majority of the qualified electors voting at a regular election or special
151.2 election that the governing body may call. The notice of an election and the ballot to be
151.3 used must contain the text of the resolution followed by the question: "Shall the above
151.4 resolution be approved?"

151.5 (e) If any signer is alleged to be a landowner in a territorial unit, a statement as to
151.6 the signer's landowner status as shown by the county auditor's tax assessment records,
151.7 certified by the auditor, shall be attached to or endorsed upon the petition.

151.8 (f) At any time before publication of the public notice required in subdivision 4,
151.9 additional signatures may be added to the petition or amendments of the petition may be
151.10 made to correct or remedy any error or defect in signature or otherwise except a material
151.11 error or defect in the description of the territory of the proposed detachment area. If the
151.12 qualifications of any signer of a petition are challenged, the chief administrative law judge
151.13 shall determine the challenge forthwith on the allegations of the petition, the county
151.14 auditor's certificate of land ownership, and such other evidence as may be received.

151.15 Subd. 3. **Joint petition.** Different areas may be detached from a district in a single
151.16 proceeding upon a joint petition therefor and upon compliance with the provisions of
151.17 subdivisions 1 and 2 with respect to the area affected so far as applicable.

151.18 Subd. 4. **Notice of intent for sanitary district detachment.** (a) Upon receipt
151.19 of a petition and record of public meeting required under subdivision 2, the chief
151.20 administrative law judge shall publish a notice of intent for sanitary district detachment
151.21 in the State Register and mail or e-mail information of the publication to each property
151.22 owner in the affected territory at the owner's address as given by the county auditor. The
151.23 information must state the date that the notice will appear in the State Register and give
151.24 the Web site location for the State Register. The notice must:

151.25 (1) describe the petition for sanitary district detachment;

151.26 (2) describe the territory affected by the petition;

151.27 (3) allow 30 days for submission of written comments on the petition;

151.28 (4) state that a person who objects to the petition may submit a written request for
151.29 hearing to the chief administrative law judge within 30 days of the publication of the
151.30 notice in the State Register; and

151.31 (5) state that if a timely request for hearing is not received, the chief administrative
151.32 law judge may make a decision on the petition.

151.33 (b) If 50 or more individual timely requests for hearing are received, the chief
151.34 administrative law judge must hold a hearing on the petition according to the contested case
151.35 provisions of chapter 14. The sanitary district or detachment area proposers are responsible
151.36 for paying all costs involved in publicizing and holding a hearing on the petition.

152.1 Subd. 5. **Hearing time, place.** If a hearing is required under subdivision 4, the
152.2 chief administrative law judge shall designate a time and place for a hearing according
152.3 to section 442A.13.

152.4 Subd. 6. **Relevant factors.** (a) In arriving at a decision, the chief administrative law
152.5 judge shall consider the following factors:

152.6 (1) public health, safety, and welfare impacts for the proposed detachment area;

152.7 (2) alternatives for managing the public health impacts for the proposed detachment
152.8 area;

152.9 (3) equities of the petition proposal;

152.10 (4) contours of the petition proposal; and

152.11 (5) public notification of and interaction on the petition proposal.

152.12 (b) Based upon these factors, the chief administrative law judge may order the
152.13 detachment from the sanitary district on finding that:

152.14 (1) the proposed detachment area has adequate alternatives for managing public
152.15 health impacts due to the detachment;

152.16 (2) the proposed detachment area is not necessary for the district to provide a
152.17 long-term, equitable solution to pollution problems affecting public health, safety, and
152.18 welfare;

152.19 (3) property owners within the existing sanitary district and proposed detachment
152.20 area were provided notice of the proposed detachment and opportunity to comment on
152.21 the petition proposal; and

152.22 (4) the petition complied with the requirements of all applicable statutes and rules
152.23 pertaining to sanitary district detachment.

152.24 (c) The chief administrative law judge may alter the boundaries of the proposed
152.25 detachment area by increasing or decreasing the area to be included or may exclude
152.26 property that may be better served by another unit of government. The chief administrative
152.27 law judge may also alter the boundaries of the proposed detachment area so as to follow
152.28 visible, clearly recognizable physical features for municipal boundaries.

152.29 (d) The chief administrative law judge may deny sanitary district detachment if the
152.30 area, or a part thereof, would be better served by an alternative method.

152.31 (e) In all cases, the chief administrative law judge shall set forth the factors that are
152.32 the basis for the decision.

152.33 Subd. 7. **Findings; order.** (a) After the public notice period or the public hearing, if
152.34 required under subdivision 4, and based on the petition, any public comments received,
152.35 and, if a hearing was held, the hearing record, the chief administrative law judge shall
152.36 make findings of fact and conclusions determining whether the conditions requisite for

153.1 the sanitary district detachment exist in the territory described in the petition. If the chief
153.2 administrative law judge finds that conditions exist, the judge may make an order for
153.3 sanitary district detachment for the territory described in the petition.

153.4 (b) All taxable property within the detached area shall remain subject to taxation
153.5 for any existing bonded indebtedness of the district to such extent as it would have been
153.6 subject thereto if not detached and shall also remain subject to taxation for any other
153.7 existing indebtedness of the district incurred for any purpose beneficial to such area to
153.8 such extent as the chief administrative law judge may determine to be just and equitable,
153.9 to be specified in the order for detachment. The proper officers shall levy further taxes on
153.10 such property accordingly.

153.11 Subd. 8. **Denial of petition.** If the chief administrative law judge, after conclusion
153.12 of the public notice period or holding a hearing, if required, determines that the sanitary
153.13 district detachment in the territory described in the petition is not warranted, the judge
153.14 shall make an order denying the petition. The chief administrative law judge shall give
153.15 notice of the denial by mail or e-mail to each signer of the petition. No petition for a
153.16 detachment from a district consisting of the same territory shall be entertained within a
153.17 year after the date of an order under this subdivision. Nothing in this subdivision precludes
153.18 action on a petition for a detachment from a district embracing part of the territory with
153.19 or without other territory.

153.20 Subd. 9. **Notice of order for sanitary district detachment.** The chief
153.21 administrative law judge shall publish in the State Register a notice of the final order
153.22 for sanitary district detachment, referring to the date of the order and describing the
153.23 territory of the detached area and shall mail or e-mail information of the publication
153.24 to each property owner in the affected territory at the owner's address as given by the
153.25 county auditor. The information must state the date that the notice will appear in the State
153.26 Register and give the Web site location for the State Register. The notice must:

153.27 (1) describe the petition for detachment from the district;

153.28 (2) describe the territory affected by the petition; and

153.29 (3) state that a certified copy of the order shall be delivered to the secretary of state
153.30 for filing ten days after public notice of the order in the State Register.

153.31 Subd. 10. **Filing.** Ten days after public notice of the order in the State Register, the
153.32 chief administrative law judge shall deliver a certified copy of the order to the secretary of
153.33 state for filing. Thereupon, the sanitary district detachment is deemed complete, and it
153.34 shall be conclusively presumed that all requirements of law relating thereto have been
153.35 complied with. The chief administrative law judge shall also transmit a certified copy of
153.36 the order for filing to the county auditor of each county and the clerk or recorder of each

154.1 municipality and organized town wherein any part of the territory of the district, including
154.2 the newly detached area, is situated and to the secretary of the district board.

154.3 **Sec. 9. [442A.07] SANITARY DISTRICT DISSOLUTION.**

154.4 Subdivision 1. **Dissolution.** (a) An existing sanitary district may be dissolved under
154.5 this chapter upon a petition to the chief administrative law judge stating the grounds
154.6 therefor as provided in this section.

154.7 (b) The proposed dissolution must not have any negative environmental impact on
154.8 the existing sanitary district area.

154.9 (c) If the chief administrative law judge and the Minnesota Pollution Control
154.10 Agency disagree on the need to dissolve a sanitary district, they must determine whether
154.11 not dissolving the sanitary district will have a detrimental effect on the environment. If
154.12 it is determined that the sanitary district dissolution will cause environmental harm, the
154.13 sanitary district dissolution is not allowed unless the existing sanitary district area is
154.14 immediately connected to an existing wastewater treatment system.

154.15 Subd. 2. **Proceeding for dissolution.** (a) A proceeding for sanitary district
154.16 dissolution may be initiated by a petition to the chief administrative law judge containing
154.17 the following:

154.18 (1) a request for proposed sanitary district dissolution;

154.19 (2) a statement that the requisite conditions for a sanitary district no longer exist
154.20 in the district area;

154.21 (3) a proposal for distribution of the remaining funds of the district, if any, among
154.22 the related governmental subdivisions;

154.23 (4) a legal description of the territory of the proposed dissolution;

154.24 (5) addresses of every property owner within the sanitary district boundaries as
154.25 provided by the county auditor, with certification from the county auditor; two sets of
154.26 address labels for said owners; and a list of e-mail addresses for said owners, if available;

154.27 (6) a statement of the territorial units represented by and the qualifications of the
154.28 respective signers; and

154.29 (7) the post office address of each signer, given under the signer's signature.

154.30 A petition may consist of separate writings of like effect, each signed by one or more
154.31 qualified persons, and all such writings, when filed, shall be considered together as a
154.32 single petition.

154.33 (b) Petitioners must conduct and pay for a public meeting to inform citizens of the
154.34 proposed dissolution of a sanitary district. At the meeting, information must be provided,
154.35 including a description of the existing district's territory. Notice of the meeting must be

155.1 published for two successive weeks in a qualified newspaper, as defined under chapter
155.2 331A, published within the territory of the sanitary district or, if there is no qualified
155.3 newspaper published within that territory, in a qualified newspaper of general circulation
155.4 in the territory and must be posted for two weeks in each territorial unit of the sanitary
155.5 district and on the Web site of the existing sanitary district, if one exists. Notice of the
155.6 meeting must be mailed or e-mailed at least three weeks prior to the meeting to all property
155.7 tax billing addresses for all parcels included in the sanitary district. The following must be
155.8 submitted to the chief administrative law judge with the petition:

155.9 (1) a record of the meeting, including copies of all information provided at the
155.10 meeting;

155.11 (2) a copy of the mailing list provided by the county auditor and used to notify
155.12 property owners of the meeting;

155.13 (3) a copy of the e-mail list used to notify property owners of the meeting;

155.14 (4) the printer's affidavit of publication of public meeting notice;

155.15 (5) an affidavit of posting the public meeting notice with information on dates and
155.16 locations of posting; and

155.17 (6) minutes or other record of the public meeting documenting that the following
155.18 topics were discussed: printer's affidavit of publication of each resolution, with copy
155.19 of resolution from newspaper attached; and affidavit of resolution posting on town or
155.20 existing sanitary district Web site.

155.21 (c) Every petition must be signed as follows:

155.22 (1) by an authorized officer of the existing sanitary district pursuant to a resolution
155.23 of the board;

155.24 (2) for each municipality wherein there is a territorial unit of the existing sanitary
155.25 district, by an authorized officer pursuant to a resolution of the municipal governing body;

155.26 (3) for each organized town wherein there is a territorial unit of the existing sanitary
155.27 district, by an authorized officer pursuant to a resolution of the town board; and

155.28 (4) for each county wherein there is a territorial unit of the existing sanitary district
155.29 consisting of an unorganized area, by an authorized officer pursuant to a resolution of the
155.30 county board or by at least 20 percent of the voters residing and owning land within the unit.

155.31 (d) Each resolution must be published in the official newspaper of the governing body
155.32 adopting it and becomes effective 40 days after publication, unless within said period there
155.33 shall be filed with the governing body a petition signed by qualified electors of a territorial
155.34 unit of the district, equal in number to five percent of the number of electors voting at the
155.35 last preceding election of the governing body, requesting a referendum on the resolution,
155.36 in which case the resolution may not become effective until approved by a majority of the

156.1 qualified electors voting at a regular election or special election that the governing body
156.2 may call. The notice of an election and the ballot to be used must contain the text of the
156.3 resolution followed by the question: "Shall the above resolution be approved?"

156.4 (e) If any signer is alleged to be a landowner in a territorial unit, a statement as to
156.5 the signer's landowner status as shown by the county auditor's tax assessment records,
156.6 certified by the auditor, shall be attached to or endorsed upon the petition.

156.7 (f) At any time before publication of the public notice required in subdivision 3,
156.8 additional signatures may be added to the petition or amendments of the petition may be
156.9 made to correct or remedy any error or defect in signature or otherwise except a material
156.10 error or defect in the description of the territory of the proposed dissolution area. If the
156.11 qualifications of any signer of a petition are challenged, the chief administrative law judge
156.12 shall determine the challenge forthwith on the allegations of the petition, the county
156.13 auditor's certificate of land ownership, and such other evidence as may be received.

156.14 Subd. 3. **Notice of intent for sanitary district dissolution.** (a) Upon receipt
156.15 of a petition and record of the public meeting required under subdivision 2, the chief
156.16 administrative law judge shall publish a notice of intent of sanitary district dissolution
156.17 in the State Register and mail or e-mail information of the publication to each property
156.18 owner in the affected territory at the owner's address as given by the county auditor. The
156.19 information must state the date that the notice will appear in the State Register and give
156.20 the Web site location for the State Register. The notice must:

156.21 (1) describe the petition for sanitary district dissolution;

156.22 (2) describe the territory affected by the petition;

156.23 (3) allow 30 days for submission of written comments on the petition;

156.24 (4) state that a person who objects to the petition may submit a written request for
156.25 hearing to the chief administrative law judge within 30 days of the publication of the
156.26 notice in the State Register; and

156.27 (5) state that if a timely request for hearing is not received, the chief administrative
156.28 law judge may make a decision on the petition.

156.29 (b) If 50 or more individual timely requests for hearing are received, the chief
156.30 administrative law judge must hold a hearing on the petition according to the contested
156.31 case provisions of chapter 14. The sanitary district dissolution proposers are responsible
156.32 for paying all costs involved in publicizing and holding a hearing on the petition.

156.33 Subd. 4. **Hearing time, place.** If a hearing is required under subdivision 3, the
156.34 chief administrative law judge shall designate a time and place for a hearing according
156.35 to section 442A.13.

157.1 Subd. 5. **Relevant factors.** (a) In arriving at a decision, the chief administrative law
157.2 judge shall consider the following factors:

- 157.3 (1) public health, safety, and welfare impacts for the proposed dissolution;
157.4 (2) alternatives for managing the public health impacts for the proposed dissolution;
157.5 (3) equities of the petition proposal;
157.6 (4) contours of the petition proposal; and
157.7 (5) public notification of and interaction on the petition proposal.

157.8 (b) Based upon these factors, the chief administrative law judge may order the
157.9 dissolution of the sanitary district on finding that:

- 157.10 (1) the proposed dissolution area has adequate alternatives for managing public
157.11 health impacts due to the dissolution;
157.12 (2) the sanitary district is not necessary to provide a long-term, equitable solution to
157.13 pollution problems affecting public health, safety, and welfare;
157.14 (3) property owners within the sanitary district were provided notice of the proposed
157.15 dissolution and opportunity to comment on the petition proposal; and
157.16 (4) the petition complied with the requirements of all applicable statutes and rules
157.17 pertaining to sanitary district dissolution.

157.18 (c) The chief administrative law judge may alter the boundaries of the proposed
157.19 dissolution area by increasing or decreasing the area to be included or may exclude
157.20 property that may be better served by another unit of government. The chief administrative
157.21 law judge may also alter the boundaries of the proposed dissolution area so as to follow
157.22 visible, clearly recognizable physical features for municipal boundaries.

157.23 (d) The chief administrative law judge may deny sanitary district dissolution if the
157.24 area, or a part thereof, would be better served by an alternative method.

157.25 (e) In all cases, the chief administrative law judge shall set forth the factors that are
157.26 the basis for the decision.

157.27 Subd. 6. **Findings; order.** (a) After the public notice period or the public hearing, if
157.28 required under subdivision 3, and based on the petition, any public comments received,
157.29 and, if a hearing was held, the hearing record, the chief administrative law judge shall
157.30 make findings of fact and conclusions determining whether the conditions requisite for
157.31 the sanitary district dissolution exist in the territory described in the petition. If the chief
157.32 administrative law judge finds that conditions exist, the judge may make an order for
157.33 sanitary district dissolution for the territory described in the petition.

157.34 (b) If the chief administrative law judge determines that the conditions requisite for
157.35 the creation of the district no longer exist therein, that all indebtedness of the district has
157.36 been paid, and that all property of the district except funds has been disposed of, the judge

158.1 may make an order dissolving the district and directing the distribution of its remaining
158.2 funds, if any, among the related governmental subdivisions on such basis as the chief
158.3 administrative law judge determines to be just and equitable, to be specified in the order.

158.4 Subd. 7. **Denial of petition.** If the chief administrative law judge, after conclusion
158.5 of the public notice period or holding a hearing, if required, determines that the sanitary
158.6 district dissolution in the territory described in the petition is not warranted, the judge
158.7 shall make an order denying the petition. The chief administrative law judge shall give
158.8 notice of the denial by mail or e-mail to each signer of the petition. No petition for the
158.9 dissolution of a district consisting of the same territory shall be entertained within a year
158.10 after the date of an order under this subdivision.

158.11 Subd. 8. **Notice of order for sanitary district dissolution.** The chief administrative
158.12 law judge shall publish in the State Register a notice of the final order for sanitary
158.13 district dissolution, referring to the date of the order and describing the territory of the
158.14 dissolved district and shall mail or e-mail information of the publication to each property
158.15 owner in the affected territory at the owner's address as given by the county auditor. The
158.16 information must state the date that the notice will appear in the State Register and give
158.17 the Web site location of the State Register. The notice must:

- 158.18 (1) describe the petition for dissolution of the district;
158.19 (2) describe the territory affected by the petition; and
158.20 (3) state that a certified copy of the order shall be delivered to the secretary of state
158.21 for filing ten days after public notice of the order in the State Register.

158.22 Subd. 9. **Filing.** (a) Ten days after public notice of the order in the State Register,
158.23 the chief administrative law judge shall deliver a certified copy of the order to the secretary
158.24 of state for filing. Thereupon, the sanitary district dissolution is deemed complete, and it
158.25 shall be conclusively presumed that all requirements of law relating thereto have been
158.26 complied with. The chief administrative law judge shall also transmit a certified copy of
158.27 the order for filing to the county auditor of each county and the clerk or recorder of each
158.28 municipality and organized town wherein any part of the territory of the dissolved district
158.29 is situated and to the secretary of the district board.

158.30 (b) The chief administrative law judge shall also transmit a certified copy of the order
158.31 to the treasurer of the district, who must thereupon distribute the remaining funds of the
158.32 district as directed by the order and who is responsible for the funds until so distributed.

158.33 **Sec. 10. [442A.08] JOINT PUBLIC INFORMATIONAL MEETING.**

158.34 There must be a joint public informational meeting of the local governments of any
158.35 proposed sanitary district creation, annexation, detachment, or dissolution. The joint public

159.1 informational meeting must be held after the final mediation meeting or the final meeting
 159.2 held according to section 442A.02, subdivision 8, if any, and before the hearing on the
 159.3 matter is held. If no mediation meetings are held, the joint public informational meeting
 159.4 must be held after the initiating documents have been filed and before the hearing on the
 159.5 matter. The time, date, and place of the public informational meeting must be determined
 159.6 jointly by the local governments in the proposed creation, annexation, detachment, or
 159.7 dissolution areas and by the sanitary district, if one exists. The chair of the sanitary district,
 159.8 if one exists, and the responsible official for one of the local governments represented at
 159.9 the meeting must serve as the co-chairs for the informational meeting. Notice of the time,
 159.10 date, place, and purpose of the informational meeting must be posted by the sanitary
 159.11 district, if one exists, and local governments in designated places for posting notices. The
 159.12 sanitary district, if one exists, and represented local governments must also publish, at their
 159.13 own expense, notice in their respective official newspapers. If the same official newspaper
 159.14 is used by multiple local government representatives or the sanitary district, a joint notice
 159.15 may be published and the costs evenly divided. All notice required by this section must
 159.16 be provided at least ten days before the date for the public informational meeting. At the
 159.17 public informational meeting, all persons appearing must have an opportunity to be heard,
 159.18 but the co-chairs may, by mutual agreement, establish the amount of time allowed for each
 159.19 speaker. The sanitary district board, the local government representatives, and any resident
 159.20 or affected property owner may be represented by counsel and may place into the record of
 159.21 the informational meeting documents, expert opinions, or other materials supporting their
 159.22 positions on issues raised by the proposed proceeding. The secretary of the sanitary district,
 159.23 if one exists, or a person appointed by the chair must record minutes of the proceedings of
 159.24 the informational meeting and must make an audio recording of the informational meeting.
 159.25 The sanitary district, if one exists, or a person appointed by the chair must provide the
 159.26 chief administrative law judge and the represented local governments with a copy of the
 159.27 printed minutes and must provide the chief administrative law judge and the represented
 159.28 local governments with a copy of the audio recording. The record of the informational
 159.29 meeting for a proceeding under section 442A.04, 442A.05, 442A.06, or 442A.07 is
 159.30 admissible in any proceeding under this chapter and shall be taken into consideration by
 159.31 the chief administrative law judge or the chief administrative law judge's designee.

159.32 Sec. 11. **[442A.09] ANNEXATION BY ORDER OF POLLUTION CONTROL**
 159.33 **AGENCY.**

159.34 Subdivision 1. **Annexation by ordinance alternative.** If a determination or order
 159.35 by the Minnesota Pollution Control Agency under section 115.49 or other similar statute is

160.1 made that cooperation by contract is necessary and feasible between a sanitary district and
160.2 an unincorporated area located outside the existing corporate limits of the sanitary district,
160.3 the sanitary district required to provide or extend through a contract a governmental
160.4 service to an unincorporated area, during the statutory 90-day period provided in section
160.5 115.49 to formulate a contract, may in the alternative to formulating a service contract to
160.6 provide or extend the service, declare the unincorporated area described in the Minnesota
160.7 Pollution Control Agency's determination letter or order annexed to the sanitary district by
160.8 adopting an ordinance and submitting it to the chief administrative law judge.

160.9 Subd. 2. **Chief administrative law judge's role.** The chief administrative law
160.10 judge may review and comment on the ordinance but shall approve the ordinance within
160.11 30 days of receipt. The ordinance is final and the annexation is effective on the date the
160.12 chief administrative law judge approves the ordinance.

160.13 Sec. 12. **[442A.10] PETITIONERS TO PAY EXPENSES.**

160.14 Expenses of the preparation and submission of petitions in the proceedings under
160.15 sections 442A.04 to 442A.09 shall be paid by the petitioners. Notwithstanding section
160.16 16A.1283, the Office of Administrative Hearings may adopt rules according to section
160.17 14.386 to establish fees necessary to support the preparation and submission of petitions
160.18 in proceedings under sections 442A.04 to 442A.09. The fees collected by the Office of
160.19 Administrative Hearings shall be deposited in the environmental fund.

160.20 **EFFECTIVE DATE.** This section is effective the day following final enactment.

160.21 Sec. 13. **[442A.11] TIME LIMITS FOR ORDERS; APPEALS.**

160.22 Subdivision 1. **Orders; time limit.** All orders in proceedings under this chapter
160.23 shall be issued within one year from the date of the first hearing thereon, provided that
160.24 the time may be extended for a fixed additional period upon consent of all parties of
160.25 record. Failure to so order shall be deemed to be an order denying the matter. An appeal
160.26 may be taken from such failure to so order in the same manner as an appeal from an
160.27 order as provided in subdivision 2.

160.28 Subd. 2. **Grounds for appeal.** (a) Any person aggrieved by an order issued under
160.29 this chapter may appeal to the district court upon the following grounds:

160.30 (1) the order was issued without jurisdiction to act;

160.31 (2) the order exceeded the jurisdiction of the presiding administrative law judge;

160.32 (3) the order was arbitrary, fraudulent, capricious, or oppressive or in unreasonable
160.33 disregard of the best interests of the territory affected; or

160.34 (4) the order was based upon an erroneous theory of law.

161.1 (b) The appeal must be taken in the district court in the county in which the majority
161.2 of the area affected is located. The appeal does not stay the effect of the order. All notices
161.3 and other documents must be served on both the chief administrative law judge and the
161.4 attorney general's assistant assigned to the chief administrative law judge for purposes
161.5 of this chapter.

161.6 (c) If the court determines that the action involved is unlawful or unreasonable or is
161.7 not warranted by the evidence in case an issue of fact is involved, the court may vacate or
161.8 suspend the action involved, in whole or in part, as the case requires. The matter shall then
161.9 be remanded for further action in conformity with the decision of the court.

161.10 (d) To render a review of an order effectual, the aggrieved person shall file with the
161.11 court administrator of the district court of the county in which the majority of the area is
161.12 located, within 30 days of the order, an application for review together with the grounds
161.13 upon which the review is sought.

161.14 (e) An appeal lies from the district court as in other civil cases.

161.15 Sec. 14. **[442A.12] CHIEF ADMINISTRATIVE LAW JUDGE MAY APPEAL**
161.16 **FROM DISTRICT COURT.**

161.17 An appeal may be taken under the Rules of Civil Appellate Procedure by the chief
161.18 administrative law judge from a final order or judgment made or rendered by the district
161.19 court when the chief administrative law judge determines that the final order or judgment
161.20 adversely affects the public interest.

161.21 Sec. 15. **[442A.13] UNIFORM PROCEDURES.**

161.22 Subdivision 1. **Hearings.** (a) Proceedings initiated by the submission of an initiating
161.23 document or by the chief administrative law judge shall come on for hearing within 30 to
161.24 60 days from receipt of the document by the chief administrative law judge or from the
161.25 date of the chief administrative law judge's action and the person conducting the hearing
161.26 must submit an order no later than one year from the date of the first hearing.

161.27 (b) The place of the hearing shall be in the county where a majority of the affected
161.28 territory is situated, and shall be established for the convenience of the parties.

161.29 (c) The chief administrative law judge shall mail notice of the hearing to the
161.30 following parties: the sanitary district; any township or municipality presently governing
161.31 the affected territory; any township or municipality abutting the affected territory;
161.32 the county where the affected territory is situated; and each planning agency that has
161.33 jurisdiction over the affected area.

162.1 (d) The chief administrative law judge shall see that notice of the hearing is published
162.2 for two successive weeks in a legal newspaper of general circulation in the affected area.

162.3 (e) When the chief administrative law judge exercises authority to change the
162.4 boundaries of the affected area so as to increase the quantity of land, the hearing shall
162.5 be recessed and reconvened upon two weeks' published notice in a legal newspaper of
162.6 general circulation in the affected area.

162.7 Subd. 2. **Transmittal of order.** The chief administrative law judge shall see that
162.8 copies of the order are mailed to all parties entitled to mailed notice of hearing under
162.9 subdivision 1, individual property owners if initiated in that manner, and any other party
162.10 of record.

162.11 Sec. 16. **[442A.14] DISTRICT BOARD OF MANAGERS.**

162.12 Subdivision 1. **Composition.** The governing body of each district shall be a board
162.13 of managers of five members, who shall be voters residing in the district and who may
162.14 but need not be officers, members of governing bodies, or employees of the related
162.15 governmental subdivisions, except that when there are more than five territorial units in
162.16 a district, there must be one board member for each unit.

162.17 Subd. 2. **Terms.** The terms of the first board members elected after creation of a
162.18 district shall be so arranged and determined by the electing body as to expire on the first
162.19 business day in January as follows:

162.20 (1) the terms of two members in the second calendar year after the year in which
162.21 they were elected;

162.22 (2) the terms of two other members in the third calendar year after the year in which
162.23 they were elected; and

162.24 (3) the term of the remaining member in the fourth calendar year after the year in
162.25 which the member was elected. In case a board has more than five members, the additional
162.26 members shall be assigned to the groups under clauses (1) to (3) to equalize the groups as
162.27 far as practicable. Thereafter, board members shall be elected successively for regular
162.28 terms beginning upon expiration of the preceding terms and expiring on the first business
162.29 day in January of the third calendar year thereafter. Each board member serves until
162.30 a successor is elected and has qualified.

162.31 Subd. 3. **Election of board.** In a district having only one territorial unit, all the
162.32 members of the board shall be elected by the related governing body. In a district having
162.33 more than one territorial unit, the members of the board shall be elected by the members
162.34 of the related governing bodies in joint session except as otherwise provided. The electing
162.35 bodies concerned shall meet and elect the first board members of a new district as soon

163.1 as practicable after creation of the district and shall meet and elect board members for
163.2 succeeding regular terms as soon as practicable after November 1 next preceding the
163.3 beginning of the terms to be filled, respectively.

163.4 Subd. 4. **Central related governing body.** Upon the creation of a district
163.5 having more than one territorial unit, the chief administrative law judge, on the basis of
163.6 convenience for joint meeting purposes, shall designate one of the related governing
163.7 bodies as the central related governing body in the order creating the district or in a
163.8 subsequent special order, of which the chief administrative law judge shall notify the
163.9 clerks or recorders of all the related governing bodies. Upon receipt of the notification,
163.10 the clerk or recorder of the central related governing body shall immediately transmit the
163.11 notification to the presiding officer of the body. The officer shall thereupon call a joint
163.12 meeting of the members of all the related governing bodies to elect board members, to
163.13 be held at such time as the officer shall fix at the regular meeting place of the officer's
163.14 governing body or at such other place in the district as the officer shall determine. The
163.15 clerk or recorder of the body must give at least ten days' notice of the meeting by mail to
163.16 the clerks or recorders of all the other related governing bodies, who shall immediately
163.17 transmit the notice to all the members of the related governing bodies, respectively.
163.18 Subsequent joint meetings to elect board members for regular terms must be called and
163.19 held in like manner. The presiding officer and the clerk or recorder of the central related
163.20 governing body shall act respectively as chair and secretary of the joint electing body at
163.21 any meeting thereof, but in case of the absence or disability of either of them, the body
163.22 may elect a temporary substitute. A majority of the members of each related governing
163.23 body is required for a quorum at any meeting of the joint electing body.

163.24 Subd. 5. **Nominations.** Nominations for board members may be made by petitions,
163.25 each signed by ten or more voters residing and owning land in the district, filed with the
163.26 clerk, recorder, or secretary of the electing body before the election meeting. No person
163.27 shall sign more than one petition. The electing body shall give due consideration to all
163.28 nominations but is not limited thereto.

163.29 Subd. 6. **Election; single governing body.** In the case of an electing body
163.30 consisting of a single related governing body, a majority vote of all members is required
163.31 for an election. In the case of a joint electing body, a majority vote of members present is
163.32 required for an election. In case of lack of a quorum or failure to elect, a meeting of an
163.33 electing body may be adjourned to a stated time and place without further notice.

163.34 Subd. 7. **Election; multiple governing bodies.** In any district having more than
163.35 one territorial unit, the related governing bodies, instead of meeting in joint session, may
163.36 elect a board member by resolutions adopted by all of them separately, concurring in the

164.1 election of the same person. A majority vote of all members of each related governing
164.2 body is required for the adoption of any such resolution. The clerks or recorders of the
164.3 other related governing bodies shall transmit certified copies of the resolutions to the clerk
164.4 or recorder of the central related governing body. Upon receipt of concurring resolutions
164.5 from all the related governing bodies, the presiding officer and clerk or recorder of the
164.6 central related governing body shall certify the results and furnish certificates of election
164.7 as provided for a joint meeting.

164.8 Subd. 8. **Vacancies.** Any vacancy in the membership of a board must be filled for
164.9 the unexpired term in like manner as provided for the regular election of board members.

164.10 Subd. 9. **Certification of election; temporary chair.** The presiding and recording
164.11 officers of the electing body shall certify the results of each election to the county auditor
164.12 of each county wherein any part of the district is situated and to the clerk or recorder of
164.13 each related governing body and shall make and transmit to each board member elected
164.14 a certificate of the board member's election. Upon electing the first board members of a
164.15 district, the presiding officer of the electing body shall designate a member to serve as
164.16 temporary chair for purposes of initial organization of the board, and the recording
164.17 officer of the body shall include written notice thereof to all the board members with
164.18 their certificates of election.

164.19 Sec. 17. **[442A.15] BOARD ORGANIZATION AND PROCEDURES.**

164.20 Subdivision 1. **Initial, annual meetings.** As soon as practicable after the election
164.21 of the first board members of a district, the board shall meet at the call of the temporary
164.22 chair to elect officers and take other appropriate action for organization and administration
164.23 of the district. Each board shall hold a regular annual meeting at the call of the chair or
164.24 otherwise as the board prescribes on or as soon as practicable after the first business day in
164.25 January of each year and such other regular and special meetings as the board prescribes.

164.26 Subd. 2. **Officers.** The officers of each district shall be a chair and a vice-chair,
164.27 who shall be members of the board, and a secretary and a treasurer, who may but need
164.28 not be members of the board. The board of a new district at its initial meeting or as soon
164.29 thereafter as practicable shall elect the officers to serve until the first business day in
164.30 January next following. Thereafter, the board shall elect the officers at each regular annual
164.31 meeting for terms expiring on the first business day in January next following. Each
164.32 officer serves until a successor is elected and has qualified.

164.33 Subd. 3. **Meeting place; offices.** The board at its initial meeting or as soon
164.34 thereafter as practicable shall provide for suitable places for board meetings and for offices
164.35 of the district officers and may change the same thereafter as the board deems advisable.

165.1 The meeting place and offices may be the same as those of any related governing body,
165.2 with the approval of the body. The secretary of the board shall notify the secretary of state,
165.3 the county auditor of each county wherein any part of the district is situated, and the clerk
165.4 or recorder of each related governing body of the locations and post office addresses of the
165.5 meeting place and offices and any changes therein.

165.6 Subd. 4. **Budget.** At any time before the proceeds of the first tax levy in a district
165.7 become available, the district board may prepare a budget comprising an estimate of the
165.8 expenses of organizing and administering the district until the proceeds are available, with
165.9 a proposal for apportionment of the estimated amount among the related governmental
165.10 subdivisions, and may request the governing bodies thereof to advance funds according to
165.11 the proposal. The governing bodies may authorize advancement of the requested amounts,
165.12 or such part thereof as they respectively deem proper, from any funds available in their
165.13 respective treasuries. The board shall include in its first tax levy after receipt of any such
165.14 advancements a sufficient sum to cover the same and shall cause the same to be repaid,
165.15 without interest, from the proceeds of taxes as soon as received.

165.16 Sec. 18. **[442A.16] DISTRICT STATUS AND POWERS.**

165.17 Subdivision 1. **Status.** Every district shall be a public corporation and a governmental
165.18 subdivision of the state and shall be deemed to be a municipality or municipal corporation
165.19 for the purpose of obtaining federal or state grants or loans or otherwise complying with
165.20 any provision of federal or state law or for any other purpose relating to the powers and
165.21 purposes of the district for which such status is now or hereafter required by law.

165.22 Subd. 2. **Powers and purpose.** Every district shall have the powers and purposes
165.23 prescribed by this chapter and such others as may now or hereafter be prescribed by law.
165.24 No express grant of power or enumeration of powers herein shall be deemed to limit the
165.25 generality or scope of any grant of power.

165.26 Subd. 3. **Scope of powers and duties.** Except as otherwise provided, a power or
165.27 duty vested in or imposed upon a district or any of its officers, agents, or employees shall
165.28 not be deemed exclusive and shall not supersede or abridge any power or duty vested in or
165.29 imposed upon any other agency of the state or any governmental subdivision thereof, but
165.30 shall be supplementary thereto.

165.31 Subd. 4. **Exercise of power.** All the powers of a district shall be exercised by its
165.32 board of managers except so far as approval of any action by popular vote or by any other
165.33 authority may be expressly required by law.

166.1 Subd. 5. **Lawsuits; contracts.** A district may sue and be sued and may enter into
166.2 any contract necessary or proper for the exercise of its powers or the accomplishment
166.3 of its purposes.

166.4 Subd. 6. **Property acquisition.** A district may acquire by purchase, gift, or
166.5 condemnation or may lease or rent any real or personal property within or without the
166.6 district that may be necessary for the exercise of district powers or the accomplishment of
166.7 district purposes, may hold the property for such purposes, and may lease, rent out, sell, or
166.8 otherwise dispose of any property not needed for such purposes.

166.9 Subd. 7. **Acceptance of money or property.** A district may accept gifts, grants,
166.10 or loans of money or other property from the United States, the state, or any person,
166.11 corporation, or other entity for district purposes; may enter into any agreement required in
166.12 connection therewith; and may hold, use, and dispose of the money or property according
166.13 to the terms of the gift, grant, loan, or agreement relating thereto.

166.14 Sec. 19. **[442A.17] SPECIFIC PURPOSES AND POWERS.**

166.15 Subdivision 1. **Pollution prevention.** A district may construct, install, improve,

166.17 required to control and prevent pollution of any waters of the state within its territory.

166.18 Subd. 2. **Sewage disposal.** A district may construct, install, improve, maintain,
166.19 and operate any system, works, or facilities within or without the district required to
166.20 provide for, regulate, and control the disposal of sewage, industrial waste, and other waste
166.21 originating within its territory. The district may require any person upon whose premises
166.22 there is any source of sewage, industrial waste, or other waste within the district to

166.26 maintain, and operate any system, works, or facilities within or without the district required
166.27 to provide for, regulate, and control the disposal of garbage or refuse originating within the
166.28 district. The district may require any person upon whose premises any garbage or refuse is
166.29 produced or accumulated to dispose of the garbage or refuse through the system, works, or
166.30 facilities of the district whenever reasonable opportunity therefor is provided.

166.31 Subd. 4. **Water supply.** A district may procure supplies of water necessary for any
166.32 purpose under subdivisions 1 to 3 and may construct, install, improve, maintain, and
166.33 operate any system, works, or facilities required therefor within or without the district.

166.34 Subd. 5. **Roads.** (a) To maintain the integrity of and facilitate access to district
166.35 systems, works, or facilities, the district may maintain and repair a road by agreement with

167.1 the entity that was responsible for the performance of maintenance and repair immediately
167.2 prior to the agreement. Maintenance and repair includes but is not limited to providing

167.18 far as necessary for such work, with the approval of the governing body or other authority
167.19 in charge of the public property affected and on such terms as may be agreed upon with the
167.20 governing body or authority respecting interference with public use, restoration of previous
167.21 conditions, compensation for damages, and other pertinent matters. If an agreement cannot
167.22 be reached after reasonable opportunity therefor, the district may acquire the necessary
167.23 rights, easements, or other interests in the public property by condemnation, subject to all
167.24 applicable provisions of law as in case of taking private property, upon condition that the
167.25 court shall determine that there is paramount public necessity for the acquisition.

167.26 Subd. 2. **Use of other systems.** A district may, upon such terms as may be
167.27 agreed upon with the respective governing bodies or authorities concerned, provide for
167.28 connecting with or using; lease; or acquire and take over any system, works, or facilities
167.29 for any purpose under section 442A.17 belonging to any other governmental subdivision
167.30 or other public agency.

167.31 Subd. 3. **Use by other governmental bodies.** A district may, upon such terms
167.32 as may be agreed upon with the respective governing bodies or authorities concerned,
167.33 authorize the use by any other governmental subdivision or other public agency of any
167.34 system, works, or facilities of the district constructed for any purpose under section
167.35 442A.17 so far as the capacity thereof is sufficient beyond the needs of the district. A

168.1 district may extend any such system, works, or facilities and permit the use thereof by
168.2 persons outside the district, so far as the capacity thereof is sufficient beyond the needs of
168.3 the district, upon such terms as the board may prescribe.

168.4 Subd. 4. **Joint projects.** A district may be a party to a joint cooperative project,
168.5 undertaking, or enterprise with one or more other governmental subdivisions or other
168.6 public agencies for any purpose under section 442A.17 upon such terms as may be
168.7 agreed upon between the governing bodies or authorities concerned. Without limiting the
168.8 effect of the foregoing provision or any other provision of this chapter, a district, with
168.9 respect to any of said purposes, may act under and be subject to section 471.59, or any
168.10 other appropriate law providing for joint or cooperative action between governmental
168.11 subdivisions or other public agencies.

168.12 **Sec. 21. [442A.19] CONTROL OF SANITARY FACILITIES.**

168.13 A district may regulate and control the construction, maintenance, and use of privies,
168.14 cesspools, septic tanks, toilets, and other facilities and devices for the reception or disposal
168.15 of human or animal excreta or other domestic wastes within its territory so far as necessary
168.16 to prevent nuisances or pollution or to protect the public health, safety, and welfare
168.17 and may prohibit the use of any such facilities or devices not connected with a district
168.18 disposal system, works, or facilities whenever reasonable opportunity for such connection
168.19 is provided; provided, that the authority of a district under this section does not extend
168.20 or apply to the construction, maintenance, operation, or use by any person other than the
168.21 district of any disposal system or part thereof within the district under and in accordance
168.22 with a valid and existing permit issued by the Minnesota Pollution Control Agency.

168.23 **Sec. 22. [442A.20] DISTRICT PROGRAMS, SURVEYS, AND STUDIES.**

168.24 A district may develop general programs and particular projects within the scope of
168.25 its powers and purposes and may make all surveys, studies, and investigations necessary
168.26 for the programs and projects.

168.27 **Sec. 23. [442A.21] GENERAL AND MUNICIPALITY POWERS.**

168.28 A district may do and perform all other acts and things necessary or proper for the
168.29 effectuation of its powers and the accomplishment of its purposes. Without limiting the
168.30 effect of the foregoing provision or any other provision of this chapter, a district, with
168.31 respect to each and all of said powers and purposes, shall have like powers as are vested
168.32 in municipalities with respect to any similar purposes. The exercise of such powers by a
168.33 district and all matters pertaining thereto are governed by the law relating to the exercise

169.1 of similar powers by municipalities and matters pertaining thereto, so far as applicable,
169.2 with like force and effect, except as otherwise provided.

169.3 Sec. 24. **[442A.22] ADVISORY COMMITTEE.**

169.4 A district board of managers may appoint an advisory committee with membership
169.5 and duties as the board prescribes.

169.6 Sec. 25. **[442A.23] BOARD POWERS.**

169.7 Subdivision 1. **Generally.** The board of managers of every district shall have charge
169.8 and control of all the funds, property, and affairs of the district. With respect thereto, the
169.9 board has the same powers and duties as are provided by law for a municipality with respect
169.10 to similar municipal matters, except as otherwise provided. Except as otherwise provided,
169.11 the chair, vice-chair, secretary, and treasurer of the district have the same powers and duties,
169.12 respectively, as the mayor, acting mayor, clerk, and treasurer of a municipality. Except as
169.13 otherwise provided, the exercise of the powers and the performance of the duties of the
169.14 board and officers of the district and all other activities, transactions, and procedures of the
169.15 district or any of its officers, agents, or employees, respectively, are governed by the law
169.16 relating to similar matters in a municipality, so far as applicable, with like force and effect.

169.17 Subd. 2. **Regulation of district.** The board may enact ordinances, prescribe
169.18 regulations, adopt resolutions, and take other appropriate action relating to any matter
169.19 within the powers and purposes of the district and may do and perform all other acts and
169.20 things necessary or proper for the effectuation of said powers and the accomplishment
169.21 of said purposes. The board may provide that violation of a district ordinance is a penal
169.22 offense and may prescribe penalties for violations, not exceeding those prescribed by
169.23 law for violation of municipal ordinances.

169.24 Subd. 3. **Arrest; prosecution.** (a) Violations of district ordinances may be
169.25 prosecuted before any court having jurisdiction of misdemeanors. Any peace officer may
169.26 make arrests for violations committed anywhere within the district in the same manner as
169.27 for violations of city ordinances or for statutory misdemeanors.

169.28 (b) All fines collected shall be deposited in the treasury of the district.

169.29 Sec. 26. **[442A.24] TAX LEVIES, ASSESSMENTS, AND SERVICE CHARGES.**

169.30 Subdivision 1. **Tax levies.** The board may levy taxes for any district purpose on all
169.31 property taxable within the district.

169.32 Subd. 2. **Particular area.** In the case where a particular area within the district,
169.33 but not the entire district, is benefited by a system, works, or facilities of the district,

170.1 the board, after holding a public hearing as provided by law for levying assessments on
170.2 benefited property, shall by ordinance establish such area as a taxing subdistrict, to be
170.3 designated by number, and shall levy special taxes on all the taxable property therein, to be
170.4 accounted for separately and used only for the purpose of paying the cost of construction,
170.5 improvement, acquisition, maintenance, or operation of such system, works, or facilities,
170.6 or paying the principal and interest on bonds issued to provide funds therefor and expenses
170.7 incident thereto. The hearing may be held jointly with a hearing for the purpose of levying
170.8 assessments on benefited property within the proposed taxing subdistrict.

170.9 Subd. 3. **Benefited property.** The board shall levy assessments on benefited property
170.10 to provide funds for payment of the cost of construction, improvement, or acquisition of
170.11 any system, works, or facilities designed or used for any district purpose or for payment of
170.12 the principal of and interest on any bonds issued therefor and expenses incident thereto.

170.13 Subd. 4. **Service charges.** The board shall prescribe service, use, or rental charges
170.14 for persons or premises connecting with or making use of any system, works, or facilities
170.15 of the district; prescribe the method of payment and collection of the charges; and provide
170.16 for the collection thereof for the district by any related governmental subdivision or
170.17 other public agency on such terms as may be agreed upon with the governing body or
170.18 other authority thereof.

170.19 Sec. 27. **[442A.25] BORROWING POWERS; BONDS.**

170.20 Subdivision 1. **Borrowing power.** The board may authorize the borrowing of
170.21 money for any district purpose and provide for the repayment thereof, subject to chapter
170.22 475. The taxes initially levied by any district according to section 475.61 for the payment
170.23 of district bonds, upon property within each municipality included in the district, shall be
170.24 included in computing the levy of the municipality.

170.25 Subd. 2. **Bond issuance.** The board may authorize the issuance of bonds or
170.26 obligations of the district to provide funds for the construction, improvement, or
170.27 acquisition of any system, works, or facilities for any district purpose or for refunding
170.28 any prior bonds or obligations issued for any such purpose and may pledge the full faith
170.29 and credit of the district; the proceeds of tax levies or assessments; service, use, or
170.30 rental charges; or any combination thereof to the payment of such bonds or obligations
170.31 and interest thereon or expenses incident thereto. An election or vote of the people of
170.32 the district is required to authorize the issuance of any bonds or obligations. Except as
170.33 otherwise provided in this chapter, the forms and procedures for issuing and selling bonds
170.34 and provisions for payment thereof must comply with chapter 475.

171.1 Sec. 28. **[442A.26] FUNDS; DISTRICT TREASURY.**

171.2 The proceeds of all tax levies, assessments, service, use, or rental charges, and
171.3 other income of the district must be deposited in the district treasury and must be held
171.4 and disposed of as the board may direct for district purposes, subject to any pledges or
171.5 dedications made by the board for the use of particular funds for the payment of bonds,
171.6 interest thereon, or expenses incident thereto or for other specific purposes.

171.7 Sec. 29. **[442A.27] EFFECT OF DISTRICT ORDINANCES AND FACILITIES.**

171.8 In any case where an ordinance is enacted or a regulation adopted by a district
171.9 board relating to the same subject matter and applicable in the same area as an existing
171.10 ordinance or regulation of a related governmental subdivision for the district, the district
171.11 ordinance or regulation, to the extent of its application, supersedes the ordinance or
171.12 regulation of the related governmental subdivision. In any case where an area within a
171.13 district is served for any district purpose by a system, works, or facilities of the district,
171.14 no system, works, or facilities shall be constructed, maintained, or operated for the same
171.15 purpose in the same area by any related governmental subdivision or other public agency
171.16 except as approved by the district board.

171.17 Sec. 30. **[442A.28] APPLICATION.**

171.18 This chapter does not abridge or supersede any authority of the Minnesota Pollution
171.19 Control Agency or the commissioner of health, but is subject and supplementary thereto.
171.20 Districts and members of district boards are subject to the authority of the Minnesota
171.21 Pollution Control Agency and have no power or authority to abate or control pollution that
171.22 is permitted by and in accord with any classification of waters, standards of water quality,
171.23 or permit established, fixed, or issued by the Minnesota Pollution Control Agency.

171.24 Sec. 31. **[442A.29] CHIEF ADMINISTRATIVE LAW JUDGE'S POWERS.**

171.25 Subdivision 1. **Alternative dispute resolution.** (a) Notwithstanding sections
171.26 442A.01 to 442A.28, before assigning a matter to an administrative law judge for hearing,

171.28 the procedures and principles established in sections 442A.01 to 442A.28, may require
171.29 that disputes over proposed sanitary district creations, attachments, detachments, or
171.30 dissolutions be addressed in whole or in part by means of alternative dispute resolution
171.31 processes in place of, or in connection with, hearings that would otherwise be required
171.32 under sections 442A.01 to 442A.28, including those provided in chapter 14.

172.1 (b) In all proceedings, the chief administrative law judge has the authority and
172.2 responsibility to conduct hearings and issue final orders related to the hearings under
172.3 sections 442A.01 to 442A.28.

172.4 Subd. 2. **Cost of proceedings.** (a) The parties to any matter directed to alternative
172.5 dispute resolution under subdivision 1 must pay the costs of the alternative dispute
172.6 resolution process or hearing in the proportions that the parties agree to.

172.7 (b) Notwithstanding section 14.53 or other law, the Office of Administrative
172.8 Hearings is not liable for the costs.

172.9 (c) If the parties do not agree to a division of the costs before the commencement of
172.10 mediation, arbitration, or hearing, the costs must be allocated on an equitable basis by
172.11 the mediator, arbitrator, or chief administrative law judge.

172.12 (d) The chief administrative law judge may contract with the parties to a matter for
172.13 the purpose of providing administrative law judges and reporters for an administrative
172.14 proceeding or alternative dispute resolution.

172.15 (e) The chief administrative law judge shall assess the cost of services rendered by
172.16 the Office of Administrative Hearings as provided by section 14.53.

172.17 Subd. 3. **Parties.** In this section, "party" means:

172.18 (1) a property owner, group of property owners, sanitary district, municipality, or
172.19 township that files an initiating document or timely objection under this chapter;

172.20 (2) the sanitary district, municipality, or township within which the subject area
172.21 is located;

172.22 (3) a municipality abutting the subject area; and

172.23 (4) any other person, group of persons, or governmental agency residing in, owning
172.24 property in, or exercising jurisdiction over the subject area that submits a timely request
172.25 and is determined by the presiding administrative law judge to have a direct legal interest
172.26 that will be affected by the outcome of the proceeding.

172.27 Subd. 4. **Effectuation of agreements.** Matters resolved or agreed to by the parties
172.28 as a result of an alternative dispute resolution process, or otherwise, may be incorporated
172.29 into one or more stipulations for purposes of further proceedings according to the
172.30 applicable procedures and statutory criteria of this chapter.

172.31 Subd. 5. **Limitations on authority.** Nothing in this section shall be construed to
172.32 permit a sanitary district, municipality, town, or other political subdivision to take, or
172.33 agree to take, an action that is not otherwise authorized by this chapter.
