5.19 Sec. 4. Minnesota Statutes 2022, section 201.071, subdivision 3, is amended to read:

5.20 Subd. 3. **Deficient registration.** ~~No~~ (a) A voter registration application is not deficient
5.21 if it contains the voter's:

5.27 (3) prior registration, if any;₂ and

5.28 (4) signature.

5.29 (b) A voter registration application is not deficient due to any of the following:

5.30 (1) the absence of a zip code number ~~does not cause the registration to be deficient;~~₂

6.1 ~~(2) failure to check a box on an application form that a voter has certified to be true does~~
 6.2 ~~not cause the registration to be deficient; or~~

6.3 (3) the absence of a number listed under paragraph (a), clause (2), if the voter has not
 6.4 been issued one of those numbers and the information can be verified in another government
 6.5 database associated with the applicant's name and date of birth, or the application was
 6.6 accepted before January 1, 2004.

6.7 ~~The election judges shall request an individual to correct a voter registration application~~
 6.8 ~~if it is deficient or illegible. No eligible voter may be prevented from voting unless the~~
 6.9 ~~voter's registration application is deficient or the voter is duly and successfully challenged~~
 6.10 ~~in accordance with section 201.195 or 204C.12.~~

6.11 (c) A voter registration application:

6.12 (1) accepted prior to August 1, 1983, is not deficient for lack of date of birth. The county
 6.13 or municipality may attempt to obtain the date of birth for a voter registration application
 6.14 accepted prior to August 1, 1983, by a request to the voter at any time except at the polling
 6.15 place. Failure by the voter to comply with this request does not make the registration
 6.16 deficient; and

6.17 ~~A voter registration application accepted before January 1, 2004, is not deficient for lack~~
 6.18 ~~of a valid Minnesota driver's license or state identification number or the last four digits of~~

 6.22 ~~for lack of any of these numbers.~~

6.23 ~~A voter registration application (2) submitted electronically through the website of the~~
 6.24 ~~secretary of state prior to April 30, 2014, is not invalid as a result of its electronic submission.~~

6.25 (d) An election judge must request an individual to correct a voter registration application
 6.26 if it is deficient or illegible. An eligible voter must not be prevented from voting unless the
 6.27 voter's registration application is deficient or the voter's eligibility to vote is successfully
 6.28 challenged under section 201.195 or 204C.12.

6.29 Sec. 5. Minnesota Statutes 2022, section 201.071, subdivision 8, is amended to read:

6.30 Subd. 8. **School district assistance.** School districts shall assist county auditors in
 6.31 determining the school district in which a voter ~~resides~~ maintains residence.

7.1 Sec. 6. Minnesota Statutes 2022, section 201.12, subdivision 2, is amended to read:

7.2 Subd. 2. **Moved within state.** If any nonforwardable mailing from an election official
7.3 is returned as undeliverable but with a permanent forwarding address in this state, the county
7.4 auditor may change the voter's status to "inactive" in the statewide registration system and
7.5 shall transmit a copy of the mailing to the auditor of the county in which the new address
7.6 is located. If an election is scheduled to occur in the precinct in which the voter ~~resides~~
7.7 maintains residence in the next 47 days, the county auditor shall promptly update the voter's
7.8 address in the statewide voter registration system. If there is not an election scheduled, the
7.9 auditor may wait to update the voter's address until after the next list of address changes is
7.10 received from the secretary of state. Once updated, the county auditor shall mail to the voter
7.11 a notice stating the voter's name, address, precinct, and polling place, except that if the
7.12 voter's record is challenged due to a felony conviction, noncitizenship, name change,
7.13 incompetence, or a court's revocation of voting rights of individuals under guardianship,
7.14 the auditor must not mail the notice. The notice must advise the voter that the voter's voting
7.15 address has been changed and that the voter must notify the county auditor within 21 days
7.16 if the new address is not the voter's address of residence. The notice must state that it must
7.17 be returned if it is not deliverable to the voter at the named address.

7.18 Sec. 7. Minnesota Statutes 2022, section 201.121, subdivision 1, is amended to read:

7.19 Subdivision 1. **Entry of registration information.** (a) At the time a voter registration
7.20 application is properly completed, submitted, and received in accordance with sections
7.21 201.061 and 201.071, the county auditor shall enter the information contained on it into the
7.22 statewide registration system. Voter registration applications completed before election day
7.23 must be entered into the statewide registration system within ten days after they have been
7.24 submitted to the county auditor. Voter registration applications completed on election day
7.25 must be entered into the statewide registration system within 42 days after the election,
7.26 unless the county auditor notifies the secretary of state before the deadline has expired that
7.27 the deadline will not be met. Upon receipt of a notification under this paragraph, the secretary
7.28 of state must extend the deadline for that county auditor by an additional 28 days. The
7.29 secretary of state may waive a county's obligations under this paragraph if, on good cause
7.30 shown, the county demonstrates its permanent inability to comply.

7.31 The secretary of state must post data on each county's compliance with this paragraph on
7.32 the secretary of state's website including, as applicable, the date each county fully complied
7.33 or the deadline by which a county's compliance must be complete.

8.1 (b) Upon receiving a completed voter registration application, the secretary of state may
8.2 electronically transmit the information on the application to the appropriate county auditor
8.3 as soon as possible for review by the county auditor before final entry into the statewide
8.4 registration system. The secretary of state may mail the voter registration application to the
8.5 county auditor.

8.6 (c) Within ten days after the county auditor has entered information from a voter
8.7 registration application into the statewide registration system, the secretary of state shall
8.8 compare the voter's name, date of birth, and driver's license number, state identification
8.9 number, or the last four digits of the Social Security number with the same information
8.10 contained in the Department of Public Safety database.

8.11 (d) The secretary of state shall provide a report to the county auditor on a weekly basis
8.12 that includes a list of voters whose name, date of birth, or identification number have been
8.13 compared with the same information in the Department of Public Safety database and cannot
8.14 be verified as provided in this subdivision. The report must list separately those voters who
8.15 have submitted a voter registration application by mail and have not voted in a federal
8.16 election in this state.

8.17 (e) The county auditor shall compile a list of voters for whom the county auditor and
8.18 the secretary of state are unable to conclude that information on the voter registration
8.19 application and the corresponding information in the Department of Public Safety database
8.20 relate to the same person.

8.21 (f) The county auditor shall send a notice of incomplete registration to any voter whose
8.22 name appears on the list and change the voter's status to "~~incomplete.~~" "challenged." A voter
8.23 who receives a notice of incomplete registration from the county auditor may either provide
8.24 the information required to ~~complete the registration~~ clear the challenge at least 21 days
8.25 before the next election or at the polling place on election day.

8.26 Sec. 8. Minnesota Statutes 2022, section 201.13, subdivision 3, is amended to read:

8.27 Subd. 3. **Use of change of address system.** (a) At least once each month the secretary
8.28 of state shall obtain a list of individuals registered to vote in this state who have filed with
8.29 the United States Postal Service a change of their permanent address. The secretary of state
8.30 may also periodically obtain a list of individuals with driver's licenses or state identification
8.31 cards to identify those who are registered to vote who have applied to the Department of
8.32 Public Safety for a replacement driver's license or state identification card with a different
8.33 address, and a list of individuals for whom the Department of Public Safety received
8.34 notification of a driver's license or state identification card cancellation due to a change of

9.1 residency out of state. However, the secretary of state shall not load data derived from these
9.2 lists into the statewide voter registration system within the 47 days before the state primary
9.3 or 47 days before a November general election.

9.4 (b) If the address is changed to another address in this state, the secretary of state shall
9.5 locate the precinct in which the voter ~~resides~~ maintains residence, if possible. If the secretary
9.6 of state is able to locate the precinct in which the voter ~~resides~~ maintains residence, the
9.7 secretary must transmit the information about the changed address by electronic means to
9.8 the county auditor of the county in which the new address is located. For addresses for
9.9 which the secretary of state is unable to determine the precinct, the secretary may forward
9.10 information to the appropriate county auditors for individual review. If the voter has not
9.11 voted or submitted a voter registration application since the address change, upon receipt
9.12 of the information, the county auditor shall update the voter's address in the statewide voter
9.13 registration system. The county auditor shall mail to the voter a notice stating the voter's
9.14 name, address, precinct, and polling place, unless the voter's record is challenged due to a
9.15 felony conviction, noncitizenship, name change, incompetence, or a court's revocation of
9.16 voting rights of individuals under guardianship, in which case the auditor must not mail the
9.17 notice. The notice must advise the voter that the voter's voting address has been changed
9.18 and that the voter must notify the county auditor within 21 days if the new address is not
9.19 the voter's address of residence. The notice must state that it must be returned if it is not
9.20 deliverable to the voter at the named address.

9.21 (c) If the change of permanent address is to an address outside this state, the secretary
9.22 of state shall notify by electronic means the auditor of the county where the voter formerly
9.23 ~~resided~~ maintained residence that the voter has moved to another state. If the voter has not
9.24 voted or submitted a voter registration application since the address change, the county
9.25 auditor shall promptly mail to the voter at the voter's new address a notice advising the voter
9.26 that the voter's status in the statewide voter registration system will be changed to "inactive"
9.27 unless the voter notifies the county auditor within 21 days that the voter is retaining the
9.28 former address as the voter's address of residence, except that if the voter's record is
9.29 challenged due to a felony conviction, noncitizenship, name change, incompetence, or a
9.30 court's revocation of voting rights of individuals under guardianship, the auditor must not
9.31 mail the notice. If the notice is not received by the deadline, the county auditor shall change
9.32 the voter's status to "inactive" in the statewide voter registration system.

9.33 (d) If, in order to maintain voter registration records, the secretary of state enters an
9.34 agreement to share information or data with an organization governed exclusively by a
9.35 group of states, the secretary must first determine that the data security protocols are sufficient

10.1 to safeguard the information or data shared. If required by such an agreement, the secretary
10.2 of state may share the following data from the statewide voter registration system and data
10.3 released to the secretary of state under section 171.12, subdivision 7a:

10.4 (1) name;

10.5 (2) date of birth;

10.6 (3) address;

10.7 (4) driver's license or state identification card number;

10.8 (5) the last four digits of an individual's Social Security number; and

10.9 (6) the date that an individual's record was last updated.

10.10 If the secretary of state enters into such an agreement, the secretary and county auditors
10.11 must process changes to voter records based upon that data in accordance with this section.
10.12 Except as otherwise provided in this subdivision, when data is shared with the secretary of
10.13 state by another state, the secretary of state must maintain the same data classification that
10.14 the data had while it was in the possession of the state providing the data.

10.15 Sec. 9. Minnesota Statutes 2022, section 201.1611, subdivision 1, is amended to read:

10.16 Subdivision 1. **Forms.** All postsecondary institutions that enroll students accepting state
10.17 or federal financial aid shall provide voter registration forms to each student as early as
10.18 possible in the fall quarter. All school districts shall make available voter registration
10.19 applications each May and September to all students registered as students of the school
10.20 district who will be eligible to vote at the next election after those months. A school district
10.21 has no obligation to provide voter registration applications to students who participate in a
10.22 postsecondary education option program or who otherwise ~~reside~~ maintain residence in the
10.23 district but do not attend a school operated by the district. A school district fulfills its
10.24 obligation to a student under this section if it provides a voter registration application to the
10.25 student one time. The forms must contain spaces for the information required in section
10.26 201.071, subdivision 1, and applicable rules of the secretary of state. The institutions and
10.27 school districts may request these forms from the secretary of state. Institutions shall consult
10.28 with their campus student government in determining the most effective means of distributing
10.29 the forms and in seeking to facilitate election day registration of students under section
10.30 201.061, subdivision 3. School districts must advise students that completion of the voter
10.31 registration application is not a school district requirement.

11.1 Sec. 10. Minnesota Statutes 2022, section 201.225, subdivision 2, is amended to read:

11.2 Subd. 2. **Technology requirements.** An electronic roster must:

11.3 (1) be able to be loaded with a data file that includes voter registration data in a file
11.4 format prescribed by the secretary of state;

11.5 (2) allow for data to be exported in a file format prescribed by the secretary of state;

11.6 (3) allow for data to be entered manually or by scanning a Minnesota driver's license or
11.7 identification card to locate a voter record or populate a voter registration application that
11.8 would be printed and signed and dated by the voter. The printed registration application
11.9 can be either a printed form, labels printed with voter information to be affixed to a preprinted
11.10 form, or a combination of both;
