

2.1 Subd. 5. **Level of care recommended in chemical use assessment.** Unless the
2.2 court commits the person to the custody of the commissioner of corrections as provided in
2.3 section 169A.276 (mandatory penalties; felony violations), in addition to other penalties
2.4 required under this section, if the person has not already done so, the court shall order
2.5 a person to submit to the level of care recommended in the chemical use assessment
2.6 treatment services clinically justified by Minnesota Rules, parts 9530.6600 through
2.7 9530.6655, and conducted under section 169A.70 (alcohol safety program; chemical use
2.8 assessments) if the person: (1) is convicted of violating section 169A.20 (driving while
2.9 impaired) while having an alcohol concentration of 0.20 or more as measured at the time,
2.10 or within two hours of the time, of the offense or if the violation occurs within ten years
2.11 of one or more qualified prior impaired driving incidents; or (2) is arrested for violating
2.12 section 169A.20, but is convicted of another offense arising out of the circumstances

2.20 service and shall impose a chemical dependency assessment charge of \$25. The court may
2.21 waive the \$25 assessment charge, but may not waive the cost for the assessment paid
2.22 directly to the entity conducting the assessment or providing assessment services. A
2.23 person shall pay an additional surcharge of \$5 if the person is convicted of a violation of
2.24 section 169A.20 (driving while impaired) within five years of a prior impaired driving
2.25 conviction or a prior conviction for an offense arising out of an arrest for a violation of
2.26 section 169A.20 or Minnesota Statutes 1998, section 169.121 (driver under influence of
2.27 alcohol or controlled substance) or 169.129 (aggravated DWI-related violations; penalty).
2.28 This section applies when the sentence is executed, stayed, or suspended. The court
2.29 may not waive payment or authorize payment of the assessment charge and surcharge in
2.30 installments unless it makes written findings on the record that the convicted person is
2.31 indigent or that the assessment charge and surcharge would create undue hardship for the
2.32 convicted person or that person's immediate family.

2.33 (b) The chemical dependency assessment charge and surcharge required under
2.34 this section are in addition to the surcharge required by section 357.021, subdivision 6

9.19 in accordance with this subdivision. The probation officer shall make an appointment for
9.20 the defendant to undergo the chemical use assessment if so indicated. If the person is
9.21 convicted of a violent crime as defined in section 609.133, subdivision 1, the provisions of

9.27 human services under section 254A.03, subdivision 3. An assessor providing a chemical
9.28 use assessment may not have any direct or shared financial interest or referral relationship
9.29 resulting in shared financial gain with a treatment provider, except as authorized under
9.30 section 254A.19, subdivision 3. If an independent assessor is not available, the probation

10.9 assessment is conducted on a person convicted of a violent crime as required in section
10.10 169A.70, subdivision 2.

10.11 Subd. 3. **Charge.** (a) When a court sentences a person convicted of a violent crime,
10.12 it shall impose a chemical dependency assessment charge of \$125. The court may not
10.13 waive payment or authorize payment of the assessment charge in installments unless it
10.14 makes written findings on the record that the convicted person is indigent or that the
10.15 assessment charge would create undue hardship for the convicted person or that person's
10.16 immediate family.

10.17 (b) The county shall collect and forward to the commissioner of management and
10.18 budget \$25 of the chemical dependency assessment charge on a quarterly basis. The
10.19 commissioner shall credit the money to the general fund. The county shall collect and
10.20 keep \$100 of the chemical dependency assessment charge.

10.31 Sec. 24. **JUDICIAL TRAINING.**

10.32 The Supreme Court shall include training relating to a judge's powers and duties
10.33 regarding chemical use assessments in its judicial education program.

11.1 Sec. 25. REPEAT DUI OFFENDER PILOT PROGRAM.

11.2 The commissioner of public safety shall establish a pilot program in up to three
11.3 counties for repeat driving while impaired offenders. The pilot program is an alternative
11.4 to incarceration or traditional chemical treatment, and must provide a highly structured
11.5 treatment program with 12 months of supervision following treatment. The probation
11.6 officer, treatment provider, chemical use assessor, and possibly police officers, must work
11.7 as partners in the recovery of the client. The pilot program must explore and use different
11.8 monitoring devices to monitor the client's chemical use.

11.9 Sec. 26. APPROPRIATIONS.
