3.12 lands to a public sale, it is necessary to first extinguish the school trust interest through
3.13 condemnation prior to a private sale of the lands to the United States.

3.14 (d) For purposes of this section, "school trust land" has the meaning given under
3.15 section 92.025.

3.20 Subd. 3. **Commencement of condemnation proceedings.** When the commissioner
3.21 of natural resources has reached agreement with the United States on the sale of
3.22 state-owned land within the wilderness area, the commissioner shall proceed to extinguish
3.23 the school trust interest by condemnation action. When requested by the commissioner,
3.24 the attorney general shall commence condemnation of the identified school trust lands.

3.25 Subd. 4. **Valuation.** Notwithstanding section 117.036, an appraisal of the land is
3.26 not required, and the examination and value determination of the school trust land shall
3.27 be done in a manner as agreed to between the commissioner of natural resources and the

4.11 and ensure accuracy.

4.12 (c) Notwithstanding sections 92.115, 92.12, and 94.10, an appraisal of the lands is
4.13 not required, and the value of the lands shall be determined in the same manner as the
4.14 exchange with the United States of other state-owned lands within the Boundary Waters
4.15 Canoe Area Wilderness.

4.16 (d) The land that may be sold is state-owned land under the control of the
4.17 commissioner of natural resources and located within the boundary of the Boundary
4.18 Waters Canoe Area Wilderness in Cook, Lake, and St. Louis Counties. The state-owned
4.19 lands may include the state land for which the school trust interest was extinguished
4.20 through condemnation under section 92.81, university lands granted to the state by acts of

4.27 through condemnation shall be used to pay the award under the condemnation action.
