5.25 **Sec. 8. [148G.30] DISCIPLINARY ACTION.**

6.16 order, or while under a disciplinary order;

6.17 (7) has failed to meet any requirement for the issuance or renewal of the person's
6.18 license. The burden of proof is on the applicant or licensee to demonstrate the
6.19 qualifications or satisfy the requirements for a license under this chapter;

6.20 (8) has failed to cooperate with an investigation of the board;

6.21 (9) has demonstrated an inability to practice behavior analysis with reasonable skill
6.22 and safety to clients due to any mental or physical illness or condition;

6.23 (10) has engaged in conduct with a client that is sexual or may reasonably be
6.24 interpreted by the client as sexual, or in any verbal behavior that is seductive or sexually
6.25 demeaning to a client;

6.26 (11) has been subject to a corrective action or similar action in another jurisdiction
6.27 or by another regulatory authority;

6.28 (12) has been adjudicated as mentally incompetent, mentally ill, or developmentally

6.30 dangerous person, or a person who has a sexual psychopathic personality by a court of
6.31 competent jurisdiction within this state or an equivalent adjudication from another state.
6.32 Adjudication automatically suspends a license for the duration of the adjudication unless
6.33 the board orders otherwise;

6.34 (13) has paid or promised to pay a commission or part of a fee to any person who
6.35 contacts the behavior analyst or assistant behavior analyst for consultation or sends
6.36 patients to the analyst for treatment;

7.1 (14) has engaged in an incentive payment arrangement, other than that prohibited by

7.4 unreasonably as a result of client treatment;

7.5 (15) has engaged in abusive or fraudulent billing practices, including violations of
7.6 federal Medicare and Medicaid laws, Food and Drug Administration regulations, or state
7.7 medical assistance laws;

7.9 analysis, without being licensed to do so under the laws of this state; and

7.10 (17) has promoted for personal gain an unnecessary device, treatment, procedure,
7.11 or service, or directed or required a client to purchase a device, treatment, procedure,
7.12 or service which has no documented clinical justification from a facility or business in
7.13 which he or she has a financial interest.

7.14 Subd. 2. **Actions.** If grounds for disciplinary action exist under subdivision 1, the
7.15 board may take one or more of the following actions:

7.16 (1) refuse to grant or renew a license;

7.17 (2) revoke a license;

7.18 (3) suspend a license;

7.19 (4) impose limitations or conditions on a licensee's practice, including but not
7.20 limited to limiting the scope of practice to designated competencies, imposing retraining
7.21 or rehabilitation requirements, requiring the licensee to practice under supervision, or
7.22 conditioning continued practice on the demonstration of knowledge or skill by appropriate
7.23 examination or other review of skill and competence;

7.24 (5) censure or reprimand the licensee; and

7.25 (6) impose a civil penalty not exceeding \$40,000 for each separate violation, the
7.26 amount of the civil penalty to be fixed so as to deprive the applicant or licensee of any
7.27 economic advantage gained by reason of the violation charged, to discourage similar
7.28 violations, or to reimburse the board for the cost of the investigation and proceeding,
7.29 including but not limited to fees paid for services provided by the Office of the Attorney
7.30 General, court reporters, witnesses, reproduction of records, board members' per diem
7.31 compensation, board staff time, and travel costs and expenses incurred by board staff
7.32 and board members.

7.33 Subd. 3. **Alternative or additional requirements.** In lieu of or in addition to
7.34 subdivision 2, the board may require, as a condition of continued licensure, termination of
7.35 suspension, reinstatement of license, or examination, that the applicant or licensee:

8.1 (1) submit to a quality review, as specified by the board, of the applicant's or
8.2 licensee's ability, skills, or quality of work; and

8.3 (2) complete, to the satisfaction of the board, one or more educational courses
8.4 specified by the board.

8.5 Subd. 4. **Health professionals services program.** The board may also refer a
8.6 licensee, if appropriate, to the health professionals services program described in sections
8.7 214.31 to 214.37.

8.8 Sec. 9. **[148G.35] TEMPORARY SUSPENSION OF LICENSE.**

8.9 (a) In addition to any other remedy provided by law, the board may issue an order to
8.10 temporarily suspend the credentials of a licensee after conducting a preliminary inquiry to
8.11 determine if the board reasonably believes that the licensee has violated a statute or rule
8.12 that the board is empowered to enforce and whether continued practice by the licensee
8.13 would create an imminent risk of harm to others.

8.14 (b) The order may prohibit the licensee from engaging in the practice of behavior
8.15 analysis in whole or in part and may condition the end of a suspension on the licensee's
8.16 compliance with a statute, rule, or order that the board has issued or is empowered to
8.17 enforce.

8.18 (c) The order shall give notice of the right to a hearing according to this section and
8.19 shall state the reasons for the entry of the order.

8.20 (d) Service of the order is effective when the order is served on the licensee
8.21 personally or by certified mail, which is complete upon receipt, refusal, or return for
8.22 nondelivery to the most recent address provided to the board for the licensee.

8.23 (e) At the time the board issues a temporary suspension order, the board shall
8.24 schedule a hearing to be held before its own members. The hearing shall begin no later than
8.25 60 days after issuance of the temporary suspension order or within 15 working days of the
8.26 date of the board's receipt of a request for hearing by a licensee, on the sole issue of whether
8.27 there is a reasonable basis to continue, modify, or lift the temporary suspension. The
8.28 hearing is not subject to chapter 14. Evidence presented by the board or the licensee shall
8.29 be in affidavit form only. The licensee or counsel of record may appear for oral argument.

8.30 (f) Within five working days of the hearing, the board shall issue its order and, if the
8.31 suspension is continued, schedule a contested case hearing within 30 days of the issuance
8.32 of the order. Notwithstanding chapter 14, the administrative law judge shall issue a report
8.33 within 30 days after closing the contested case hearing record. The board shall issue a
8.34 final order within 30 days of receipt of the administrative law judge's report.

9.1 Sec. 10. **[148G.40] MENTAL, PHYSICAL, OR CHEMICAL DEPENDENCY**
9.2 **EXAMINATION OR EVALUATION; ACCESS TO MEDICAL DATA.**

9.3 If the board has probable cause to believe section 148G.30, subdivision 1, clause (9),
9.4 applies to a licensee or applicant, the board may direct the person to submit to a mental,
9.5 physical, or chemical dependency examination or evaluation. For the purpose of this
9.6 section, every licensee and applicant is deemed to have consented to submit to a mental,
9.7 physical, or chemical dependency examination or evaluation when directed in writing
9.8 by the board and to have waived all objections to the admissibility of the examining
9.9 professionals' testimony or examination reports on the grounds that the testimony or
9.10 examination reports constitute a privileged communication. Failure of a licensee or
9.11 applicant to submit to an examination when directed by the board constitutes an admission
9.12 of the allegations against the person, unless the failure was due to circumstances beyond
9.13 the person's control, in which case a default and final order may be entered without
9.14 the taking of testimony or presentation of evidence. A licensee or applicant affected
9.15 under this section shall, at reasonable intervals, be given an opportunity to demonstrate
9.16 that the person can resume the competent practice of behavior analysis with reasonable
9.17 skill and safety to the public. In any proceeding under this section, neither the record
9.18 of proceedings nor the orders entered by the board shall be used against a licensee or
9.19 applicant in any other proceeding.

9.20 Sec. 11. **[148G.45] REINSTATEMENT OF LAPSED, SUSPENDED, OR**
9.21 **REVOKED LICENSE.**

9.22 (a) The board may, within three years, reinstate a license which has lapsed, upon
9.23 payment of the renewal fee and the reinstatement fee as established in section 148G.20.

9.24 (b) The board may reinstate a license which has been lapsed for more than three
9.25 years upon showing that the applicant is certified and upon payment of the reinstatement
9.26 fee as established in section 148G.20.

9.27 (c) The board may reinstate a license which has been suspended or revoked if,
9.28 after a hearing, the board determines the applicant is able to practice with reasonable
9.29 competence and is able to maintain the standards of practice required by the certification
9.30 board and this chapter. As a condition of reinstatement, the board may impose reasonable
9.31 restrictions under which the licensee shall practice.

9.32 (d) A licensee aggrieved by the final order of the board may request a contested
9.33 case hearing.

9.34 Sec. 12. **[148G.50] BEHAVIOR ANALYST ADVISORY COUNCIL.**

10.1 Subdivision 1. **Membership.** (a) The Behavior Analyst Advisory Council is created
10.2 and is composed of five persons appointed by the board. The five persons must include:

10.3 (1) four licensed behavior analysts who are certified by the certification board and
10.4 have a minimum of five years of clinical experience; and

10.5 (2) one public member who is receiving services, or has a child who is receiving
10.6 services, for an autism spectrum disorder or other related mental and physical conditions.
10.7 The public member must not be a behavior analyst or have a household member who is
10.8 a behavior analyst.

10.9 (b) No member may serve more than two consecutive terms. If a member is appointed
10.10 for a partial term and serves more than half of that term it shall be considered a full term.

10.11 Subd. 2. **Organization.** The council shall be organized and administered under
10.12 section 15.059.

10.13 Subd. 3. **Duties.** The council shall advise the board regarding:

10.14 (1) behavior analyst and assistant behavior analyst licensure standards;

10.15 (2) a code of ethics, including the code of ethics adopted by the certification board;

10.16 (3) enforcement of grounds for discipline;

10.17 (4) distribution of information regarding behavior analysts and assistant behavior
10.18 analysts;

10.19 (5) applications and recommendations of applicants for licensure or license renewal;

10.20 (6) complaints and recommendations to the board regarding disciplinary matters and
10.21 proceedings concerning applicants and licensees according to sections 214.10; 214.103;
10.22 and 214.13, subdivisions 6 and 7; and

10.23 (7) issues related to behavior analyst and assistant behavior analyst practice and
10.24 regulation.

10.25 The council shall perform other duties authorized for the council by chapter 214
10.26 as directed by the board.
