 1.14 the court if the child does not understand a question;

1.15 (3) rephrase, or request the attorney to rephrase, a question asked of the child to  
 1.16 ensure the child understands the question and is able to answer that question completely;

1.17 (4) allow for recesses during the child's testimony when necessary for the energy,  
 1.18 comfort, or attention span of the child;

1.19 (5) permit the child to have a comfort item in the child's possession while testifying,

 1.21 motion is likely to unfairly prejudice the trier of fact in evaluating the child's testimony; and

1.22 (6) allow the child witness to request a supportive person, whether or not the person is  
 1.23 a witness in the case, during the testimony of the child, unless the court finds that granting

2.1 **EFFECTIVE DATE.** This section applies to all trials or testimonial proceedings  
2.2 commenced on or after August 1, 2014.
