3.10 **CHILD PROTECTION AND OUT-OF-HOME PLACEMENT**

3.11 Section 1. **[120A.21] ENROLLMENT OF A STUDENT IN FOSTER CARE.**

3.12 A student placed in foster care must remain enrolled in the student's prior school unless
3.13 it is determined that remaining enrolled in the prior school is not in the student's best interests.
3.14 If the student does not remain enrolled in the prior school, the student must be enrolled in
3.15 a new school within seven school days.

3.16 Sec. 2. Minnesota Statutes 2018, section 257.0725, is amended to read:

3.17 **257.0725 ANNUAL REPORT.**

3.18 The commissioner of human services shall publish an annual report on child maltreatment
3.19 and on children in out-of-home placement. The commissioner shall confer with counties,
3.20 child welfare organizations, child advocacy organizations, the courts, and other groups on
3.21 how to improve the content and utility of the department's annual report. In regard to child
3.22 maltreatment, the report shall include the number and kinds of maltreatment reports received
3.23 and any other data that the commissioner determines is appropriate to include in a report
3.24 on child maltreatment. In regard to children in out-of-home placement, the report shall
3.25 include, by county and statewide, information on legal status, living arrangement, age, sex,
3.26 race, accumulated length of time in placement, reason for most recent placement, race of
3.27 family with whom placed, school enrollments within seven days of placement pursuant to
3.28 section 120A.21, and other information deemed appropriate on all children in out-of-home
3.29 placement. Out-of-home placement includes placement in any facility by an authorized
3.30 child-placing agency.

4.1 Sec. 3. Minnesota Statutes 2018, section 260C.219, is amended to read:

4.2 **260C.219 AGENCY RESPONSIBILITIES FOR PARENTS AND CHILDREN IN**
 4.3 **PLACEMENT.**

4.4 Subdivision 1. Responsibilities for parents; noncustodial parents. (a) When a child
 4.5 is in foster care, the responsible social services agency shall make diligent efforts to identify,
 4.6 locate, and, where appropriate, offer services to both parents of the child.

4.7 ~~(1)~~ (b) The responsible social services agency shall assess whether a noncustodial or
 4.8 nonadjudicated parent is willing and capable of providing for the day-to-day care of the
 4.9 child temporarily or permanently. An assessment under this ~~clause~~ paragraph may include,
 4.10 but is not limited to, obtaining information under section 260C.209. If after assessment, the
 4.11 responsible social services agency determines that a noncustodial or nonadjudicated parent
 4.12 is willing and capable of providing day-to-day care of the child, the responsible social
 4.13 services agency may seek authority from the custodial parent or the court to have that parent
 4.14 assume day-to-day care of the child. If a parent is not an adjudicated parent, the responsible
 4.15 social services agency shall require the nonadjudicated parent to cooperate with paternity
 4.16 establishment procedures as part of the case plan.

4.17 ~~(2)~~ (c) If, after assessment, the responsible social services agency determines that the
 4.18 child cannot be in the day-to-day care of either parent, the agency shall:

4.19 ~~(i)~~ (1) prepare an out-of-home placement plan addressing the conditions that each parent
 4.20 must meet before the child can be in that parent's day-to-day care; and

4.21 ~~(ii)~~ (2) provide a parent who is the subject of a background study under section 260C.209
 4.22 15 days' notice that it intends to use the study to recommend against putting the child with
 4.23 that parent, and the court shall afford the parent an opportunity to be heard concerning the
 4.24 study.

4.25 The results of a background study of a noncustodial parent shall not be used by the agency
 4.26 to determine that the parent is incapable of providing day-to-day care of the child unless
 4.27 the agency reasonably believes that placement of the child into the home of that parent
 4.28 would endanger the child's health, safety, or welfare.

4.29 ~~(3)~~ (d) If, after the provision of services following an out-of-home placement plan under
 4.30 this ~~section~~ subdivision, the child cannot return to the care of the parent from whom the
 4.31 child was removed or who had legal custody at the time the child was placed in foster care,
 4.32 the agency may petition on behalf of a noncustodial parent to establish legal custody with
 4.33 that parent under section 260C.515, subdivision 4. If paternity has not already been

5.1 established, it may be established in the same proceeding in the manner provided for under
5.2 chapter 257.

5.3 ~~(4)~~ (e) The responsible social services agency may be relieved of the requirement to
5.4 locate and offer services to both parents by the juvenile court upon a finding of good cause
5.5 after the filing of a petition under section 260C.141.

5.6 **Subd. 2. Notice to parent or guardian.** ~~(b)~~ The responsible social services agency shall
5.7 give notice to the parent or guardian of each child in foster care, other than a child in
5.8 voluntary foster care for treatment under chapter 260D, of the following information:

5.9 (1) that the child's placement in foster care may result in termination of parental rights
5.10 or an order permanently placing the child out of the custody of the parent, but only after
5.11 notice and a hearing as required under this chapter and the juvenile court rules;

5.12 (2) time limits on the length of placement and of reunification services, including the
5.13 date on which the child is expected to be returned to and safely maintained in the home of
5.14 the parent or parents or placed for adoption or otherwise permanently removed from the
5.15 care of the parent by court order;

5.16 (3) the nature of the services available to the parent;

5.17 (4) the consequences to the parent and the child if the parent fails or is unable to use
5.18 services to correct the circumstances that led to the child's placement;

5.19 (5) the first consideration for placement with relatives;

5.20 (6) the benefit to the child in getting the child out of foster care as soon as possible,
5.21 preferably by returning the child home, but if that is not possible, through a permanent legal
5.22 placement of the child away from the parent;

5.23 (7) when safe for the child, the benefits to the child and the parent of maintaining
5.24 visitation with the child as soon as possible in the course of the case and, in any event,
5.25 according to the visitation plan under this section; and

5.26 (8) the financial responsibilities and obligations, if any, of the parent or parents for the
5.27 support of the child during the period the child is in foster care.

5.28 **Subd. 3. Information for a parent considering voluntary placement.** ~~(e)~~ The
5.29 responsible social services agency shall inform a parent considering voluntary placement
5.30 of a child under section 260C.227 of the following information:

5.31 (1) the parent and the child each has a right to separate legal counsel before signing a
5.32 voluntary placement agreement, but not to counsel appointed at public expense;

6.1 (2) the parent is not required to agree to the voluntary placement, and a parent who enters
6.2 a voluntary placement agreement may at any time request that the agency return the child.
6.3 If the parent so requests, the child must be returned within 24 hours of the receipt of the
6.4 request;

6.5 (3) evidence gathered during the time the child is voluntarily placed may be used at a
6.6 later time as the basis for a petition alleging that the child is in need of protection or services
6.7 or as the basis for a petition seeking termination of parental rights or other permanent
6.8 placement of the child away from the parent;

6.9 (4) if the responsible social services agency files a petition alleging that the child is in
6.10 need of protection or services or a petition seeking the termination of parental rights or other
6.11 permanent placement of the child away from the parent, the parent would have the right to
6.12 appointment of separate legal counsel and the child would have a right to the appointment
6.13 of counsel and a guardian ad litem as provided by law, and that counsel will be appointed
6.14 at public expense if they are unable to afford counsel; and

6.15 (5) the timelines and procedures for review of voluntary placements under section
6.16 260C.212, subdivision 3, and the effect the time spent in voluntary placement on the
6.17 scheduling of a permanent placement determination hearing under sections 260C.503 to
6.18 260C.521.

6.19 Subd. 4. **Medical examinations.** ~~(d)~~ When an agency accepts a child for placement, the
6.20 agency shall determine whether the child has had a physical examination by or under the
6.21 direction of a licensed physician within the 12 months immediately preceding the date when
6.22 the child came into the agency's care. If there is documentation that the child has had an
6.23 examination within the last 12 months, the agency is responsible for seeing that the child
6.24 has another physical examination within one year of the documented examination and
6.25 annually in subsequent years. If the agency determines that the child has not had a physical
6.26 examination within the 12 months immediately preceding placement, the agency shall ensure
6.27 that the child has an examination within 30 days of coming into the agency's care and once
6.28 a year in subsequent years.

6.29 Subd. 5. **Children reaching age of majority; copies of records.** ~~(e)~~ Whether under
6.30 state guardianship or not, if a child leaves foster care by reason of having attained the age
6.31 of majority under state law, the child must be given at no cost a copy of the child's social
6.32 and medical history, as defined in section 259.43, and education report.

6.33 Subd. 6. **Prenatal alcohol exposure screening.** The responsible social services agency
6.34 shall coordinate a prenatal alcohol exposure screening for any child who enters foster care

7.1 as soon as practicable but no later than 45 days after the removal of the child from the child's
7.2 home, if the agency has determined that the child has not previously been screened or
7.3 identified as being prenatally exposed to alcohol. The responsible social services agency
7.4 shall ensure that the screening is conducted in accordance with existing prenatal alcohol
7.5 exposure screening best practice guidelines and criteria developed and provided to the
7.6 responsible social services agencies by the statewide organization that focuses solely on
7.7 prevention of and intervention with fetal alcohol spectrum disorder and receives funding
7.8 under the appropriation for fetal alcohol spectrum disorder in Laws 2007, chapter 147,
7.9 article 19, section 4, subdivision 2.

7.10 Subd. 7. **Initial foster care phone call.** (a) When a child enters foster care or moves to
7.11 a new foster care placement, the responsible social services agency shall coordinate a phone
7.12 call between the foster parent or facility and the child's parent or legal guardian to establish
7.13 a connection and encourage ongoing information sharing between the child's parent or legal
7.14 guardian and the foster parent or facility; and to provide an opportunity to share any
7.15 information regarding the child, the child's needs, or the child's care that would facilitate
7.16 the child's adjustment to the foster home, promote stability, reduce the risk of trauma, or
7.17 otherwise improve the quality of the child's care.

7.18 (b) The responsible social services agency shall coordinate the phone call in paragraph
7.19 (a) as soon as practicable after the child arrives at the placement but no later than 48 hours
7.20 after the child's placement. If the responsible social services agency determines that the
7.21 phone call is not in the child's best interests, or if the agency is unable to identify, locate,
7.22 or contact the child's parent or legal guardian despite reasonable efforts, or despite active
7.23 efforts if the child is an American Indian child, the agency may delay the phone call until
7.24 up to 48 hours after the agency determines that the phone call is in the child's best interests,
7.25 or up to 48 hours after the child's parent or legal guardian is located or becomes available
7.26 for the phone call.

7.27 (c) The responsible social services agency shall document the date and time of the phone
7.28 call in paragraph (a), its efforts to coordinate the phone call, its efforts to identify, locate,
7.29 or find availability for the child's parent or legal guardian, any determination of whether
7.30 the phone call is in the child's best interests, and any reasons that the phone call did not
7.31 occur.

7.32 **EFFECTIVE DATE.** This section is effective for children who enter foster care on or
7.33 after August 1, 2020, except subdivision 7 is effective for children entering out-of-home
7.34 placement or moving between placements on or after November 1, 2020.

8.1 Sec. 4. **DIRECTION TO COMMISSIONER; INITIAL FOSTER CARE PHONE**
8.2 **CALL TRAINING.**

8.3 By August 1, 2020, the commissioner of human services shall issue written guidance to
8.4 county social services agencies, foster parents, and facilities to fully implement the initial
8.5 foster care phone call procedures in Minnesota Statutes, section 260C.219, subdivision 6.

8.6 **EFFECTIVE DATE.** This section is effective the day following final enactment.

8.7 **ARTICLE 2**

8.8 **COMMUNITY SUPPORTS ADMINISTRATION**

8.9 Section 1. Minnesota Statutes 2018, section 245.4682, subdivision 2, is amended to read:

8.10 Subd. 2. **General provisions.** (a) In the design and implementation of reforms to the
8.11 mental health system, the commissioner shall:

8.12 (1) consult with consumers, families, counties, tribes, advocates, providers, and other
8.13 stakeholders;

8.14 (2) bring to the legislature, and the State Advisory Council on Mental Health, by January
8.15 15, 2008, recommendations for legislation to update the role of counties and to clarify the
8.16 case management roles, functions, and decision-making authority of health plans and
8.17 counties, and to clarify county retention of the responsibility for the delivery of social
8.18 services as required under subdivision 3, paragraph (a);

8.19 (3) withhold implementation of any recommended changes in case management roles,
8.20 functions, and decision-making authority until after the release of the report due January
8.21 15, 2008;

8.22 (4) ensure continuity of care for persons affected by these reforms including ensuring
8.23 client choice of provider by requiring broad provider networks and developing mechanisms
8.24 to facilitate a smooth transition of service responsibilities;

8.25 (5) provide accountability for the efficient and effective use of public and private
8.26 resources in achieving positive outcomes for consumers;

8.27 (6) ensure client access to applicable protections and appeals; and

8.28 (7) make budget transfers necessary to implement the reallocation of services and client
8.29 responsibilities between counties and health care programs that do not increase the state
8.30 and county costs and efficiently allocate state funds.

9.1 (b) When making transfers under paragraph (a) necessary to implement movement of
9.2 responsibility for clients and services between counties and health care programs, the
9.3 commissioner, in consultation with counties, shall ensure that any transfer of state grants
9.4 to health care programs, including the value of case management transfer grants under
9.5 section 256B.0625, subdivision 20, does not exceed the value of the services being transferred
9.6 for the latest 12-month period for which data is available. The commissioner may make
9.7 quarterly adjustments based on the availability of additional data during the first four quarters
9.8 after the transfers first occur. If case management transfer grants under section 256B.0625,
9.9 subdivision 20, are repealed and the value, based on the last year prior to repeal, exceeds
9.10 the value of the services being transferred, the difference becomes an ongoing part of each
9.11 county's adult mental health grants under sections 245.4661 and 256E.12.

9.12 (c) This appropriation is not authorized to be expended after December 31, 2010, unless

81.5 foster care licensed under Minnesota Rules, parts 9555.5105 to 9555.6265, under this chapter
81.6 for a physical location that will not be the primary residence of the license holder for the
81.7 entire period of licensure. If a license is issued during this moratorium, and the license
81.8 holder changes the license holder's primary residence away from the physical location of
81.9 the foster care license, the commissioner shall revoke the license according to section
81.10 245A.07. The commissioner shall not issue an initial license for a community residential
81.11 setting licensed under chapter 245D. When approving an exception under this paragraph,
81.12 the commissioner shall consider the resource need determination process in paragraph (h),
81.13 the availability of foster care licensed beds in the geographic area in which the licensee
81.14 seeks to operate, the results of a person's choices during their annual assessment and service
81.15 plan review, and the recommendation of the local county board. The determination by the
81.16 commissioner is final and not subject to appeal. Exceptions to the moratorium include:

81.17 (1) foster care settings that are required to be registered under chapter 144D;

81.18 (2) foster care licenses replacing foster care licenses in existence on May 15, 2009, or
81.19 community residential setting licenses replacing adult foster care licenses in existence on
81.20 December 31, 2013, and determined to be needed by the commissioner under paragraph
81.21 (b);

81.22 (3) new foster care licenses or community residential setting licenses determined to be
81.23 needed by the commissioner under paragraph (b) for the closure of a nursing facility, ICF/DD,
81.24 or regional treatment center; restructuring of state-operated services that limits the capacity
81.25 of state-operated facilities; or allowing movement to the community for people who no
81.26 longer require the level of care provided in state-operated facilities as provided under section
81.27 256B.092, subdivision 13, or 256B.49, subdivision 24;

81.28 (4) new foster care licenses or community residential setting licenses determined to be
81.29 needed by the commissioner under paragraph (b) for persons requiring hospital level care;
81.30 or

81.31 ~~(5) new foster care licenses or community residential setting licenses determined to be~~
81.32 ~~needed by the commissioner for the transition of people from personal care assistance to~~
81.33 ~~the home and community-based services;~~

82.1 ~~(6) new foster care licenses or community residential setting licenses determined to be~~
82.2 ~~needed by the commissioner for the transition of people from the residential care waiver~~
82.3 ~~services to foster care services. This exception applies only when:~~

82.4 ~~(i) the person's case manager provided the person with information about the choice of~~
82.5 ~~service, service provider, and location of service to help the person make an informed choice;~~
82.6 ~~and~~

82.7 ~~(ii) the person's foster care services are less than or equal to the cost of the person's~~
82.8 ~~services delivered in the residential care waiver service setting as determined by the lead~~
82.9 ~~agency; or~~

82.10 ~~(7) new foster care licenses or community residential setting licenses for people receiving~~
82.11 ~~services under chapter 245D and residing in an unlicensed setting before May 1, 2017, and~~
82.12 ~~for which a license is required. This exception does not apply to people living in their own~~
82.13 ~~home. For purposes of this clause, there is a presumption that a foster care or community~~
82.14 ~~residential setting license is required for services provided to three or more people in a~~
82.15 ~~dwelling unit when the setting is controlled by the provider. A license holder subject to this~~
82.16 ~~exception may rebut the presumption that a license is required by seeking a reconsideration~~
82.17 ~~of the commissioner's determination. The commissioner's disposition of a request for~~
82.18 ~~reconsideration is final and not subject to appeal under chapter 14. The exception is available~~
82.19 ~~until June 30, 2018. This exception is available when:~~

82.20 ~~(i) the person's case manager provided the person with information about the choice of~~
82.21 ~~service, service provider, and location of service, including in the person's home, to help~~
82.22 ~~the person make an informed choice; and~~

82.23 ~~(ii) the person's services provided in the licensed foster care or community residential~~
82.24 ~~setting are less than or equal to the cost of the person's services delivered in the unlicensed~~
82.25 ~~setting as determined by the lead agency.~~

82.26 ~~(b) The commissioner shall determine the need for newly licensed foster care homes or~~
82.27 ~~community residential settings as defined under this subdivision. As part of the determination,~~
82.28 ~~the commissioner shall consider the availability of foster care capacity in the area in which~~
82.29 ~~the licensee seeks to operate, and the recommendation of the local county board. The~~
82.30 ~~determination by the commissioner must be final. A determination of need is not required~~
82.31 ~~for a change in ownership at the same address.~~

82.32 ~~(c) When an adult resident served by the program moves out of a foster home that is not~~
82.33 ~~the primary residence of the license holder according to section 256B.49, subdivision 15,~~
82.34 ~~paragraph (f), or the adult community residential setting, the county shall immediately~~

83.1 inform the Department of Human Services Licensing Division. The department may decrease
83.2 the statewide licensed capacity for adult foster care settings.

83.3 (d) Residential settings that would otherwise be subject to the decreased license capacity
83.4 established in paragraph (c) shall be exempt if the license holder's beds are occupied by
83.5 residents whose primary diagnosis is mental illness and the license holder is certified under
83.6 the requirements in subdivision 6a or section 245D.33.

83.7 (e) A resource need determination process, managed at the state level, using the available
83.8 reports required by section 144A.351, and other data and information shall be used to
83.9 determine where the reduced capacity determined under section 256B.493 will be
83.10 implemented. The commissioner shall consult with the stakeholders described in section
83.11 144A.351, and employ a variety of methods to improve the state's capacity to meet the
83.12 informed decisions of those people who want to move out of corporate foster care or
83.13 community residential settings, long-term service needs within budgetary limits, including
83.14 seeking proposals from service providers or lead agencies to change service type, capacity,
83.15 or location to improve services, increase the independence of residents, and better meet
83.16 needs identified by the long-term services and supports reports and statewide data and
83.17 information.

83.18 (f) At the time of application and reapplication for licensure, the applicant and the license
83.19 holder that are subject to the moratorium or an exclusion established in paragraph (a) are
83.20 required to inform the commissioner whether the physical location where the foster care
83.21 will be provided is or will be the primary residence of the license holder for the entire period
83.22 of licensure. If the primary residence of the applicant or license holder changes, the applicant
83.23 or license holder must notify the commissioner immediately. The commissioner shall print
83.24 on the foster care license certificate whether or not the physical location is the primary
83.25 residence of the license holder.

83.26 (g) License holders of foster care homes identified under paragraph (f) that are not the
83.27 primary residence of the license holder and that also provide services in the foster care home
83.28 that are covered by a federally approved home and community-based services waiver, as
83.29 authorized under chapter 256S or section 256B.092 or 256B.49, must inform the human
83.30 services licensing division that the license holder provides or intends to provide these
83.31 waiver-funded services.

83.32 (h) The commissioner may adjust capacity to address needs identified in section
83.33 144A.351. Under this authority, the commissioner may approve new licensed settings or
83.34 delicense existing settings. Delicensing of settings will be accomplished through a process

84.1 identified in section 256B.493. Annually, by August 1, the commissioner shall provide
 84.2 information and data on capacity of licensed long-term services and supports, actions taken
 84.3 under the subdivision to manage statewide long-term services and supports resources, and
 84.4 any recommendations for change to the legislative committees with jurisdiction over the
 84.5 health and human services budget.

84.6 (i) The commissioner must notify a license holder when its corporate foster care or
 84.7 community residential setting licensed beds are reduced under this section. The notice of
 84.8 reduction of licensed beds must be in writing and delivered to the license holder by certified
 84.9 mail or personal service. The notice must state why the licensed beds are reduced and must
 84.10 inform the license holder of its right to request reconsideration by the commissioner. The
 84.11 license holder's request for reconsideration must be in writing. If mailed, the request for
 84.12 reconsideration must be postmarked and sent to the commissioner within 20 calendar days
 84.13 after the license holder's receipt of the notice of reduction of licensed beds. If a request for
 84.14 reconsideration is made by personal service, it must be received by the commissioner within
 84.15 20 calendar days after the license holder's receipt of the notice of reduction of licensed beds.

84.16 (j) The commissioner shall not issue an initial license for children's residential treatment
 84.17 services licensed under Minnesota Rules, parts 2960.0580 to 2960.0700, under this chapter
 84.18 for a program that Centers for Medicare and Medicaid Services would consider an institution
 84.19 for mental diseases. Facilities that serve only private pay clients are exempt from the
 84.20 moratorium described in this paragraph. The commissioner has the authority to manage
 84.21 existing statewide capacity for children's residential treatment services subject to the
 84.22 moratorium under this paragraph and may issue an initial license for such facilities if the
 84.23 initial license would not increase the statewide capacity for children's residential treatment
 84.24 services subject to the moratorium under this paragraph.

84.25 **EFFECTIVE DATE.** This section is effective the day following final enactment.

84.26 Sec. 5. Minnesota Statutes 2019 Supplement, section 245A.149, is amended to read:

 101.11 an amount of up to \$5,000 or 20 percent of the value of the claims, whichever is greater.

101.12 (g) The vendor shall pay the fine assessed on or before the payment date specified. If
 101.13 the vendor fails to pay the fine, the commissioner may withhold or reduce payments and
 101.14 recover the amount of the fine. A timely appeal shall stay payment of the fine until the
 101.15 commissioner issues a final order.

 128.13 The physician or provider shall continue to obtain the declarant's informed consent to all
 128.14 intrusive mental health treatment decisions if the declarant is capable of informed consent.
 128.15 A treatment provider ~~may~~ must not require a ~~person~~ patient to make a declaration under
 128.16 this subdivision as a condition of receiving services.

128.17 (d) The physician or other provider shall make the declaration a part of the declarant's
 128.18 medical record. If the physician or other provider is unwilling at any time to comply with
 128.19 the declaration, the physician or provider must promptly notify the declarant and document
 128.20 the notification in the declarant's medical record. ~~If the declarant has been committed as a~~
 128.21 ~~patient under this chapter, the physician or provider may subject a declarant to intrusive~~
 128.22 ~~treatment in a manner contrary to the declarant's expressed wishes, only upon order of the~~
 128.23 ~~committing court. If the declarant is not a committed patient under this chapter, The physician~~
 128.24 ~~or provider may subject the declarant to intrusive treatment in a manner contrary to the~~
 128.25 ~~declarant's expressed wishes, only if the declarant is committed as~~ mentally ill a person who
 128.26 poses a risk of harm due to mental illness or mentally ill as a person who has a mental illness
 128.27 and is dangerous to the public and a court order authorizing the treatment has been issued
 128.28 or an emergency has been declared under section 253B.092, subdivision 3.

128.29 (e) A declaration under this subdivision may be revoked in whole or in part at any time
 128.30 and in any manner by the declarant if the declarant is competent at the time of revocation.
 128.31 A revocation is effective when a competent declarant communicates the revocation to the
 128.32 attending physician or other provider. The attending physician or other provider shall note
 128.33 the revocation as part of the declarant's medical record.

129.1 (f) A provider who administers intrusive mental health treatment according to and in
 129.2 good faith reliance upon the validity of a declaration under this subdivision is held harmless
 129.3 from any liability resulting from a subsequent finding of invalidity.

129.4 (g) In addition to making a declaration under this subdivision, a competent adult may
 129.5 delegate parental powers under section 524.5-211 or may nominate a guardian under sections
 129.6 524.5-101 to 524.5-502.

129.7 Sec. 23. Minnesota Statutes 2018, section 253B.03, subdivision 7, is amended to read:

129.8 Subd. 7. **Program Treatment plan.** A person patient receiving services under this
 129.9 chapter has the right to receive proper care and treatment, best adapted, according to
 129.10 contemporary professional standards, to rendering further supervision unnecessary. The
 129.11 treatment facility, state-operated treatment program, or community-based treatment program
 129.12 shall devise a written program treatment plan for each person patient which describes in
 129.13 behavioral terms the case problems, the precise goals, including the expected period of time
 129.14 for treatment, and the specific measures to be employed. ~~Each plan shall be reviewed at~~
 129.15 ~~least quarterly to determine progress toward the goals, and to modify the program plan as~~
 129.16 ~~necessary.~~ The development and review of treatment plans must be conducted as required
 129.17 under the license or certification of the treatment facility, state-operated treatment program,
 129.18 or community-based treatment program. If there are no review requirements under the
 129.19 license or certification, the treatment plan must be reviewed quarterly. The program treatment
 129.20 plan shall be devised and reviewed with the designated agency and with the patient. The
 129.21 clinical record shall reflect the program treatment plan review. If the designated agency or
 129.22 the patient does not participate in the planning and review, the clinical record shall include
 129.23 reasons for nonparticipation and the plans for future involvement. The commissioner shall
 129.24 monitor the program treatment plan and review process for ~~regional centers~~ state-operated
 129.25 treatment programs to ~~insure~~ ensure compliance with the provisions of this subdivision.

129.26 Sec. 24. Minnesota Statutes 2018, section 253B.03, subdivision 10, is amended to read:

129.27 Subd. 10. **Notification.** (a) All persons patients admitted or committed to a treatment
 129.28 facility or state-operated treatment program, or temporarily confined under section 253B.045,
 129.29 shall be notified in writing of their rights regarding hospitalization and other treatment ~~at~~
 129.30 ~~the time of admission.~~

129.31 (b) This notification must include:

129.32 (1) patient rights specified in this section and section 144.651, including nursing home
 129.33 discharge rights;

- 130.1 (2) the right to obtain treatment and services voluntarily under this chapter;
- 130.2 (3) the right to voluntary admission and release under section 253B.04;
- 130.3 (4) rights in case of an emergency admission under section ~~253B.05~~ 253B.051, including
- 130.4 the right to documentation in support of an emergency hold and the right to a summary
- 130.5 hearing before a judge if the patient believes an emergency hold is improper;
- 130.6 (5) the right to request expedited review under section 62M.05 if additional days of
- 130.7 inpatient stay are denied;
- 130.8 (6) the right to continuing benefits pending appeal and to an expedited administrative
- 130.9 hearing under section 256.045 if the patient is a recipient of medical assistance or
- 130.10 MinnesotaCare; and
- 130.11 (7) the right to an external appeal process under section 62Q.73, including the right to
- 130.12 a second opinion.

130.13 Sec. 25. Minnesota Statutes 2018, section 253B.04, subdivision 1, is amended to read:

130.14 Subdivision 1. **Voluntary admission and treatment.** (a) Voluntary admission is preferred

130.15 over involuntary commitment and treatment. Any person 16 years of age or older may

130.16 request to be admitted to a treatment facility or state-operated treatment program as a

130.17 voluntary patient for observation, evaluation, diagnosis, care and treatment without making

130.18 formal written application. Any person under the age of 16 years may be admitted as a

130.19 patient with the consent of a parent or legal guardian if it is determined by independent

130.20 examination that there is reasonable evidence that (1) the proposed patient has a mental

130.21 illness, ~~or is developmentally disabled~~ developmental disability, or ~~chemically dependent~~

130.22 chemical dependency; and (2) the proposed patient is suitable for treatment. The head of

130.23 the treatment facility or head of the state-operated treatment program shall not arbitrarily

130.24 refuse any person seeking admission as a voluntary patient. In making decisions regarding

130.25 admissions, the treatment facility or state-operated treatment program shall use clinical

130.26 admission criteria consistent with the current applicable inpatient admission standards

130.27 established by professional organizations including the American Psychiatric Association

130.28 ~~or~~ the American Academy of Child and Adolescent Psychiatry, the Joint Commission, and

130.29 the American Society of Addiction Medicine. These criteria must be no more restrictive

130.30 than, and must be consistent with, the requirements of section 62Q.53. The treatment facility

130.31 or head of the state-operated treatment program may not refuse to admit a person voluntarily

130.32 solely because the person does not meet the criteria for involuntary holds under section

131.1 ~~253B.05~~ 253B.051 or the definition of a person who poses a risk of harm due to mental
 131.2 illness under section 253B.02, subdivision 13.

131.3 (b) In addition to the consent provisions of paragraph (a), a person who is 16 or 17 years
 131.4 of age who refuses to consent personally to admission may be admitted as a patient for
 131.5 mental illness or chemical dependency treatment with the consent of a parent or legal
 131.6 guardian if it is determined by an independent examination that there is reasonable evidence
 131.7 that the proposed patient is chemically dependent or has a mental illness and is suitable for
 131.8 treatment. The person conducting the examination shall notify the proposed patient and the
 131.9 parent or legal guardian of this determination.

131.10 (c) A person who is voluntarily participating in treatment for a mental illness is not
 131.11 subject to civil commitment under this chapter if the person:

131.12 (1) has given informed consent or, if lacking capacity, is a person for whom legally valid
 131.13 substitute consent has been given; and

131.14 (2) is participating in a medically appropriate course of treatment, including clinically
 131.15 appropriate and lawful use of neuroleptic medication and electroconvulsive therapy. The
 131.16 limitation on commitment in this paragraph does not apply if, based on clinical assessment,
 131.17 the court finds that it is unlikely that the ~~person~~ patient will remain in and cooperate with
 131.18 a medically appropriate course of treatment absent commitment and the standards for
 131.19 commitment are otherwise met. This paragraph does not apply to a person for whom
 131.20 commitment proceedings are initiated pursuant to rule 20.01 or 20.02 of the Rules of Criminal
 131.21 Procedure, or a person found by the court to meet the requirements under section 253B.02,
 131.22 subdivision 17.

131.23 (d) Legally valid substitute consent may be provided by a proxy under a health care
 131.24 directive, a guardian or conservator with authority to consent to mental health treatment,
 131.25 or consent to admission under subdivision 1a or 1b.

131.26 Sec. 26. Minnesota Statutes 2018, section 253B.04, subdivision 1a, is amended to read:

131.27 Subd. 1a. **Voluntary treatment or admission for persons with a mental illness.** (a)
 131.28 A person with a mental illness may seek or voluntarily agree to accept treatment or admission
 131.29 to a state-operated treatment program or treatment facility. If the mental health provider
 131.30 determines that the person lacks the capacity to give informed consent for the treatment or
 131.31 admission, and in the absence of a health care ~~power of attorney~~ directive or health care
 131.32 power of attorney that authorizes consent, the designated agency or its designee may give

132.1 informed consent for mental health treatment or admission to a treatment facility or
 132.2 state-operated treatment program on behalf of the person.

132.3 (b) The designated agency shall apply the following criteria in determining the person's
 132.4 ability to give informed consent:

132.5 (1) whether the person demonstrates an awareness of the person's illness, and the reasons
 132.6 for treatment, its risks, benefits and alternatives, and the possible consequences of refusing
 132.7 treatment; and

132.8 (2) whether the person communicates verbally or nonverbally a clear choice concerning
 132.9 treatment that is a reasoned one, not based on delusion, even though it may not be in the
 132.10 person's best interests.

132.11 (c) The basis for the designated agency's decision that the person lacks the capacity to
 132.12 give informed consent for treatment or admission, and that the patient has voluntarily
 132.13 accepted treatment or admission, must be documented in writing.

132.14 (d) A ~~mental health provider~~ treatment facility or state-operated treatment program that
 132.15 provides treatment in reliance on the written consent given by the designated agency under
 132.16 this subdivision or by a substitute decision maker appointed by the court is not civilly or
 132.17 criminally liable for performing treatment without consent. This paragraph does not affect
 132.18 any other liability that may result from the manner in which the treatment is performed.

132.19 (e) A ~~person~~ patient who receives treatment or is admitted to a treatment facility or
 132.20 state-operated treatment program under this subdivision or subdivision 1b has the right to
 132.21 refuse treatment at any time or to be released from a treatment facility or state-operated
 132.22 treatment program as provided under subdivision 2. The ~~person~~ patient or any interested
 132.23 person acting on the ~~person's~~ patient's behalf may seek court review within five days for a
 132.24 determination of whether the ~~person's~~ patient's agreement to accept treatment or admission
 132.25 is voluntary. At the time a ~~person~~ patient agrees to treatment or admission to a treatment
 132.26 facility or state-operated treatment program under this subdivision, the designated agency
 132.27 or its designee shall inform the ~~person~~ patient in writing of the ~~person's~~ patient's rights under
 132.28 this paragraph.

132.29 ~~(f) This subdivision does not authorize the administration of neuroleptic medications.~~
 132.30 ~~Neuroleptic medications may be administered only as provided in section 253B.092.~~

132.31 Sec. 27. Minnesota Statutes 2018, section 253B.04, subdivision 2, is amended to read:

132.32 Subd. 2. **Release.** Every patient admitted for mental illness or developmental disability
 132.33 under this section shall be informed in writing at the time of admission that the patient has

133.1 a right to leave the treatment facility or state-operated treatment program within 12 hours
 133.2 of making a request, unless held under another provision of this chapter. Every patient
 133.3 admitted for chemical dependency under this section shall be informed in writing at the
 133.4 time of admission that the patient has a right to leave the treatment facility or state-operated
 133.5 treatment program within 72 hours, exclusive of Saturdays, Sundays, and legal holidays,
 133.6 of making a request, unless held under another provision of this chapter. The request shall
 133.7 be submitted in writing to the head of the treatment facility or state-operated treatment
 133.8 program or the person's designee.

133.9 Sec. 28. **[253B.041] SERVICES FOR ENGAGEMENT IN TREATMENT.**

133.10 **Subdivision 1. Eligibility.** (a) The purpose of engagement services is to avoid the need
 133.11 for commitment and to enable the proposed patient to voluntarily engage in needed treatment.
 133.12 An interested person may apply to the county where a proposed patient resides to request
 133.13 engagement services.

133.14 (b) To be eligible for engagement services, the proposed patient must be at least 18 years
 133.15 of age, have a mental illness, and either:

133.16 (1) be exhibiting symptoms of serious mental illness including hallucinations, mania,
 133.17 delusional thoughts, or be unable to obtain necessary food, clothing, shelter, medical care,
 133.18 or provide necessary hygiene due to the patient's mental illness; or

133.19 (2) have a history of failing to adhere to treatment for mental illness, in that:

133.20 (i) the proposed patient's mental illness has been a substantial factor in necessitating
 133.21 hospitalization, or incarceration in a state or local correctional facility, not including any
 133.22 period during which the person was hospitalized or incarcerated immediately preceding
 133.23 filing the application for engagement; or

133.24 (ii) the proposed patient is exhibiting symptoms or behavior that may lead to
 133.25 hospitalization, incarceration, or court-ordered treatment.

133.26 **Subd. 2. Administration.** (a) Upon receipt of a request for engagement services, the
 133.27 county's prepetition screening team shall conduct an investigation to determine whether the
 133.28 proposed patient is eligible. In making this determination, the screening team shall seek any
 133.29 relevant information from an interested person.

133.30 (b) If the screening team determines that the proposed patient is eligible, engagement
 133.31 services must begin and include, but are not limited to:

134.1 (1) assertive attempts to engage the patient in voluntary treatment for mental illness for
134.2 at least 90 days. Engagement services must be person-centered and continue even if the
134.3 patient is an inmate in a non-state-operated correctional facility;

134.4 (2) efforts to engage the patient's existing systems of support, including interested persons,
134.5 unless the engagement provider determines that involvement is not helpful to the patient.
134.6 This includes education on restricting means of harm, suicide prevention, and engagement;
134.7 and

134.8 (3) collaboration with the patient to meet immediate needs including access to housing,
134.9 food, income, disability verification, medications, and treatment for medical conditions.

134.10 (c) Engagement services regarding potential treatment options must take into account
134.11 the patient's preferences for services and supports. The county may offer engagement services
134.12 through the designated agency or another agency under contract. Engagement services staff
134.13 must have training in person-centered care. Engagement services staff may include but are
134.14 not limited to mobile crisis teams under section 245.462, certified peer specialists under
134.15 section 256B.0615, community-based treatment programs, and homeless outreach workers.

134.16 (d) If the patient voluntarily consents to receive mental health treatment, the engagement
134.17 services staff must facilitate the referral to an appropriate mental health treatment provider
134.18 including support obtaining health insurance if the proposed patient is currently or may
134.19 become uninsured. If the proposed patient initially consents to treatment, but fails to initiate
134.20 or continue treatment, the engagement services team must continue outreach efforts to the
134.21 patient.

134.22 Subd. 3. **Commitment.** Engagement services for a patient to seek treatment may be
134.23 stopped if the proposed patient is in need of commitment and satisfies the commitment
134.24 criteria under section 253B.09, subdivision 1. In such a case, the engagement services team
134.25 must immediately notify the designated agency, initiate the prepetition screening process
134.26 under section 253B.07, or seek an emergency hold if necessary to ensure the safety of the
134.27 patient or others.

134.28 Subd. 4. **Evaluation.** Counties may, but are not required to, provide engagement services.
134.29 The commissioner may conduct a pilot project evaluating the impact of engagement services
134.30 in decreasing commitments, increasing engagement in treatment, and other measures.

134.31 Sec. 29. Minnesota Statutes 2018, section 253B.045, subdivision 2, is amended to read:

134.32 Subd. 2. **Facilities.** (a) Each county or a group of counties shall maintain or provide by
134.33 contract a facility for confinement of persons held temporarily for observation, evaluation,

135.1 diagnosis, treatment, and care. When the temporary confinement is provided at a ~~regional~~
 135.2 state-operated treatment center program, the commissioner shall charge the county of
 135.3 financial responsibility for the costs of confinement of ~~persons~~ patients hospitalized under
 135.4 ~~section 253B.05, subdivisions 1 and 2, sections 253B.051 and section 253B.07, subdivision~~
 135.5 ~~2b~~, except that the commissioner shall bill the responsible health plan first. Any charges
 135.6 not covered, including co-pays and deductibles shall be the responsibility of the county. If
 135.7 the ~~person~~ patient has health plan coverage, but the hospitalization does not meet the criteria
 135.8 in subdivision 6 or section 62M.07, 62Q.53, or 62Q.535, the county is responsible. ~~When~~
 135.9 ~~a person is temporarily confined in a Department of Corrections facility solely under~~
 135.10 ~~subdivision 1a, and not based on any separate correctional authority:~~

135.11 ~~(1) the commissioner of corrections may charge the county of financial responsibility~~
 135.12 ~~for the costs of confinement; and~~

135.13 ~~(2) the Department of Human Services shall use existing appropriations to fund all~~
 135.14 ~~remaining nonconfinement costs. The funds received by the commissioner for the~~
 135.15 ~~confinement and nonconfinement costs are appropriated to the department for these purposes.~~

135.16 (b) For the purposes of this subdivision, "county of financial responsibility" has the
 135.17 meaning specified in section 253B.02, subdivision 4c, or, if the ~~person~~ patient has no
 135.18 residence in this state, the county which initiated the confinement. The charge for
 135.19 confinement in a facility operated by the commissioner ~~of human services~~ shall be based
 135.20 on the commissioner's determination of the cost of care pursuant to section 246.50,
 135.21 subdivision 5. When there is a dispute as to which county is the county of financial
 135.22 responsibility, the county charged for the costs of confinement shall pay for them pending
 135.23 final determination of the dispute over financial responsibility.

135.24 Sec. 30. Minnesota Statutes 2018, section 253B.045, subdivision 3, is amended to read:

135.25 Subd. 3. **Cost of care.** Notwithstanding subdivision 2, a county shall be responsible for
 135.26 the cost of care as specified under section 246.54 for ~~persons~~ a patient hospitalized at a
 135.27 ~~regional state-operated treatment center program~~ in accordance with section 253B.09 and
 135.28 the ~~person's~~ patient's legal status has been changed to a court hold under section 253B.07,
 135.29 subdivision 2b, pending a judicial determination regarding continued commitment pursuant
 135.30 to sections 253B.12 and 253B.13.

135.31 Sec. 31. Minnesota Statutes 2018, section 253B.045, subdivision 5, is amended to read:

135.32 Subd. 5. **Health plan company; definition.** For purposes of this section, "health plan
 135.33 company" has the meaning given it in section 62Q.01, subdivision 4, and also includes a

136.1 demonstration provider as defined in section 256B.69, subdivision 2, paragraph (b); and a
 136.2 county or group of counties participating in county-based purchasing according to section
 136.3 256B.692, ~~and a children's mental health collaborative under contract to provide medical~~
 136.4 ~~assistance for individuals enrolled in the prepaid medical assistance and MinnesotaCare~~
 136.5 ~~programs according to sections 245.493 to 245.495.~~

136.6 Sec. 32. Minnesota Statutes 2018, section 253B.045, subdivision 6, is amended to read:

136.7 Subd. 6. **Coverage.** (a) For purposes of this section, "mental health services" means all
 136.8 covered services that are intended to treat or ameliorate an emotional, behavioral, or
 136.9 psychiatric condition and that are covered by the policy, contract, or certificate of coverage
 136.10 of the enrollee's health plan company or by law.

136.11 (b) All health plan companies that provide coverage for mental health services must
 136.12 cover or provide mental health services ordered by a court of competent jurisdiction ~~under~~
 136.13 ~~a court order that is issued on the basis of a behavioral care evaluation performed by a~~
 136.14 ~~licensed psychiatrist or a doctoral level licensed psychologist, which includes a diagnosis~~
 136.15 ~~and an individual treatment plan for care in the most appropriate, least restrictive~~
 136.16 ~~environment. The health plan company must be given a copy of the court order and the~~
 136.17 ~~behavioral care evaluation. The health plan company shall be financially liable for the~~
 136.18 ~~evaluation if performed by a participating provider of the health plan company and shall be~~
 136.19 ~~financially liable for the care included in the court-ordered individual treatment plan if the~~
 136.20 ~~care is covered by the health plan company and ordered to be provided by a participating~~
 136.21 ~~provider or another provider as required by rule or law. This court-ordered coverage must~~
 136.22 not be subject to a separate medical necessity determination by a health plan company under
 136.23 its utilization procedures.

136.24 Sec. 33. **[253B.051] EMERGENCY ADMISSION.**

136.25 Subdivision 1. Peace officer or health officer authority. (a) If a peace officer or health
 136.26 officer has reason to believe, either through direct observation of the person's behavior or
 136.27 upon reliable information of the person's recent behavior and, if available, knowledge or
 136.28 reliable information concerning the person's past behavior or treatment that the person:

136.29 (1) has a mental illness or developmental disability and is in danger of harming self or
 136.30 others if the officer does not immediately detain the patient, the peace officer or health
 136.31 officer may take the person into custody and transport the person to an examiner or a
 136.32 treatment facility, state-operated treatment program, or community-based treatment program;

137.1 (2) is chemically dependent or intoxicated in public and in danger of harming self or
137.2 others if the officer does not immediately detain the patient, the peace officer or health
137.3 officer may take the person into custody and transport the person to a treatment facility,
137.4 state-operated treatment program, or community-based treatment program; or

137.5 (3) is chemically dependent or intoxicated in public and not in danger of harming self,
137.6 others, or property, the peace officer or health officer may take the person into custody and
137.7 transport the person to the person's home.

137.8 (b) An examiner's written statement or a health officer's written statement in compliance
137.9 with the requirements of subdivision 2 is sufficient authority for a peace officer or health
137.10 officer to take the person into custody and transport the person to a treatment facility,
137.11 state-operated treatment program, or community-based treatment program.

137.12 (c) A peace officer or health officer who takes a person into custody and transports the
137.13 person to a treatment facility, state-operated treatment program, or community-based
137.14 treatment program under this subdivision shall make written application for admission of
137.15 the person containing:

137.16 (1) the officer's statement specifying the reasons and circumstances under which the
137.17 person was taken into custody;

137.18 (2) identifying information on specific individuals to the extent practicable, if danger to
137.19 those individuals is a basis for the emergency hold; and

137.20 (3) the officer's name, the agency that employs the officer, and the telephone number or
137.21 other contact information for purposes of receiving notice under subdivision 3.

137.22 (d) A copy of the examiner's written statement and officer's application shall be made
137.23 available to the person taken into custody.

137.24 (e) The officer may provide the transportation personally or may arrange to have the
137.25 person transported by a suitable medical or mental health transportation provider. As far as
137.26 practicable, a peace officer who provides transportation for a person placed in a treatment
137.27 facility, state-operated treatment program, or community-based treatment program under
137.28 this subdivision must not be in uniform and must not use a vehicle visibly marked as a law
137.29 enforcement vehicle.

137.30 Subd. 2. **Emergency hold.** (a) A treatment facility, state-operated treatment program,
137.31 or community-based treatment program, other than a facility operated by the Minnesota sex
137.32 offender program, may admit or hold a patient, including a patient transported under
137.33 subdivision 1, for emergency care and treatment if the head of the facility or program

138.1 consents to holding the patient and an examiner provides a written statement in support of
138.2 holding the patient.

138.3 (b) The written statement must indicate that:

138.4 (1) the examiner examined the patient not more than 15 days prior to admission;

138.5 (2) the examiner interviewed the patient, or if not, the specific reasons why the examiner
138.6 did not interview the patient;

138.7 (3) the examiner has the opinion that the patient has a mental illness or developmental
138.8 disability, or is chemically dependent and is in danger of causing harm to self or others if
138.9 a facility or program does not immediately detain the patient. The statement must include
138.10 observations of the patient's behavior and avoid conclusory language. The statement must
138.11 be specific enough to provide an adequate record for review. If danger to specific individuals
138.12 is a basis for the emergency hold, the statement must identify those individuals to the extent
138.13 practicable; and

138.14 (4) the facility or program cannot obtain a court order in time to prevent the anticipated
138.15 injury.

138.16 (c) Prior to an examiner writing a statement, if another person brought the patient to the
138.17 treatment facility, state-operated treatment program, or community-based treatment program,
138.18 the examiner shall make a good-faith effort to obtain information from that person, which
138.19 the examiner must consider in deciding whether to place the patient on an emergency hold.
138.20 To the extent available, the statement must include direct observations of the patient's
138.21 behaviors, reliable knowledge of the patient's recent and past behavior, and information
138.22 regarding the patient's psychiatric history, past treatment, and current mental health providers.
138.23 The examiner shall also inquire about health care directives under chapter 145C and advance
138.24 psychiatric directives under section 253B.03, subdivision 6d.

138.25 (d) The facility or program must give a copy of the examiner's written statement to the
138.26 patient immediately upon initiating the emergency hold. The treatment facility, state-operated
138.27 treatment program, or community-based treatment program shall maintain a copy of the
138.28 examiner's written statement. The program or facility must inform the patient in writing of
138.29 the right to (1) leave after 72 hours, (2) have a medical examination within 48 hours, and
138.30 (3) request a change to voluntary status. The facility or program shall assist the patient in
138.31 exercising the rights granted in this subdivision.

138.32 (e) The facility or program must not allow the patient nor require the patient's consent
138.33 to participate in a clinical drug trial during an emergency admission or hold under this

139.1 subdivision. If a patient gives consent to participate in a drug trial during a period of an
139.2 emergency admission or hold, it is void and unenforceable. This paragraph does not prohibit
139.3 a patient from continuing participation in a clinical drug trial if the patient was participating
139.4 in the clinical drug trial at the time of the emergency admission or hold.

139.5 Subd. 3. **Duration of hold, release procedures, and change of status.** (a) If a peace
139.6 officer or health officer transports a person to a treatment facility, state-operated treatment
139.7 program, or community-based treatment program under subdivision 1, an examiner at the
139.8 facility or program must examine the patient and make a determination about the need for
139.9 an emergency hold as soon as possible and within 12 hours of the person's arrival. The peace
139.10 officer or health officer hold ends upon whichever occurs first: (1) initiation of an emergency
139.11 hold on the person under subdivision 2; (2) the person's voluntary admission; (3) the
139.12 examiner's decision not to admit the person; or (4) 12 hours after the person's arrival.

139.13 (b) Under this section, the facility or program may hold a patient up to 72 hours, exclusive
139.14 of Saturdays, Sundays, and legal holidays, after the examiner signs the written statement
139.15 for an emergency hold of the patient. The facility or program must release a patient when
139.16 the emergency hold expires unless the facility or program obtains a court order to hold the
139.17 patient. The facility or program may not place the patient on a consecutive emergency hold
139.18 under this section.

139.19 (c) If the interested person files a petition to civilly commit the patient, the court may
139.20 issue a judicial hold order pursuant to section 253B.07, subdivision 2b.

139.21 (d) During the 72-hour hold, a court must not release a patient under this section unless
139.22 the court received a written petition for the patient's release and the court has held a summary
139.23 hearing regarding the patient's release.

139.24 (e) The written petition for the patient's release must include the patient's name, the basis
139.25 for the hold, the location of the hold, and a statement explaining why the hold is improper.
139.26 The petition must also include copies of any written documentation under subdivision 1 or
139.27 2 that support the hold, unless the facility or program holding the patient refuses to supply
139.28 the documentation. Upon receipt of a petition, the court must comply with the following:

139.29 (1) the court must hold the hearing as soon as practicable and the court may conduct the
139.30 hearing by telephone conference call, interactive video conference, or similar method by
139.31 which the participants are able to simultaneously hear each other;

139.32 (2) before deciding to release the patient, the court shall make every reasonable effort
139.33 to provide notice of the proposed release and reasonable opportunity to be heard to:

140.1 (i) any specific individuals identified in a statement under subdivision 1 or 2 or individuals
 140.2 identified in the record who might be endangered if the person is not held;

140.3 (ii) the examiner whose written statement was the basis for the hold under subdivision
 140.4 2; and

140.5 (iii) the peace officer or health officer who applied for a hold under subdivision 1; and

140.6 (3) if the court decides to release the patient, the court shall direct the patient's release
 140.7 and shall issue written findings supporting the decision. The facility or program must not
 140.8 delay the patient's release pending the written order.

140.9 (f) Notwithstanding section 144.293, subdivisions 2 and 4, if a treatment facility,
 140.10 state-operated treatment program, or community-based treatment program releases or
 140.11 discharges a patient during the 72-hour hold; the examiner refuses to admit the patient; or
 140.12 the patient leaves without the consent of the treating health care provider, the head of the
 140.13 treatment facility, state-operated treatment program, or community-based treatment program
 140.14 shall immediately notify the agency that employs the peace officer or health officer who
 140.15 initiated the transport hold. This paragraph does not apply to the extent that the notice would
 140.16 violate federal law governing the confidentiality of alcohol and drug abuse patient records
 140.17 under Code of Federal Regulations, title 42, part 2.

140.18 (g) If a patient is intoxicated in public and a facility or program holds the patient under
 140.19 this section for detoxification, a treatment facility, state-operated treatment program, or
 140.20 community-based treatment program may release the patient without providing notice under
 140.21 paragraph (f) as soon as the treatment facility, state-operated treatment program, or
 140.22 community-based treatment program determines that the person is no longer in danger of
 140.23 causing harm to self or others. The facility or program must provide notice to the peace
 140.24 officer or health officer who transported the person, or to the appropriate law enforcement
 140.25 agency, if the officer or agency requests notification.

140.26 (h) A treatment facility or state-operated treatment program must change a patient's
 140.27 status to voluntary status as provided in section 253B.04 upon the patient's request in writing
 140.28 if the head of the facility or program consents to the change.

140.29 Sec. 34. Minnesota Statutes 2018, section 253B.06, subdivision 1, is amended to read:

140.30 Subdivision 1. ~~Persons who are mentally ill or developmentally disabled with mental~~
 140.31 illness or developmental disability. A physician must examine every patient hospitalized
 140.32 as mentally ill or developmentally disabled due to mental illness or developmental disability
 140.33 pursuant to section 253B.04 or 253B.05 must be examined by a physician 253B.051 as soon

141.1 as possible but no more than 48 hours following the patient's admission. The physician ~~shall~~
 141.2 must be knowledgeable and trained in ~~the diagnosis of~~ diagnosing the ~~alleged disability~~
 141.3 ~~related to the need for~~ patient's mental illness or developmental disability, forming the basis
 141.4 of the patient's admission as a person who is mentally ill or developmentally disabled.

141.5 Sec. 35. Minnesota Statutes 2018, section 253B.06, subdivision 2, is amended to read:

141.6 Subd. 2. **Chemically dependent persons.** ~~Patients hospitalized~~ A treatment facility,
 141.7 state-operated treatment program, or community-based treatment program must examine a
 141.8 patient hospitalized as chemically dependent pursuant to section 253B.04 or ~~253B.05~~ shall
 141.9 ~~also be examined~~ 253B.051 within 48 hours of admission. At a minimum, ~~the examination~~
 141.10 ~~shall consist of a physical evaluation by facility staff~~ the facility or program must physically
 141.11 examine the patient according to procedures established by a physician, ~~and an evaluation~~
 141.12 ~~by staff~~ examining the patient must be knowledgeable and trained in the diagnosis of the
 141.13 alleged disability ~~related to the need for~~ forming the basis of the patient's admission as a
 141.14 chemically dependent person.

141.15 Sec. 36. Minnesota Statutes 2018, section 253B.06, subdivision 3, is amended to read:

141.16 Subd. 3. **Discharge.** At the end of a 48-hour period, ~~any~~ the facility or program shall
 141.17 discharge a patient admitted pursuant to section ~~253B.05~~ shall be discharged 253B.051 if
 141.18 an examination has not been held or if the examiner or evaluation staff person fails to notify
 141.19 the head of the ~~treatment~~ facility or program in writing that in the examiner's or staff person's
 141.20 opinion the patient is ~~apparently~~ in need of care, treatment, and evaluation as a ~~mentally ill,~~
 141.21 ~~developmentally disabled, or chemically dependent person who has a mental illness,~~
 141.22 developmental disability, or chemical dependency.

141.23 Sec. 37. Minnesota Statutes 2018, section 253B.07, subdivision 1, is amended to read:

141.24 Subdivision 1. **Prepetition screening.** (a) Prior to filing a petition for commitment of
 141.25 ~~or early intervention for~~ a proposed patient, an interested person shall apply to the designated
 141.26 agency in the county of financial responsibility or the county where the proposed patient is
 141.27 present for conduct of a preliminary investigation as provided in section 253B.23, subdivision
 141.28 1b, except when the proposed patient has been acquitted of a crime under section 611.026
 141.29 and the county attorney is required to file a petition for commitment. The designated agency
 141.30 shall appoint a screening team to conduct an investigation. The petitioner may not be a
 141.31 member of the screening team. The investigation must include:

142.1 (1) ~~a person~~ an interview with the proposed patient and other individuals who appear
142.2 to have knowledge of the condition of the proposed patient, if practicable. In-person
142.3 interviews with the proposed patient are preferred. If the proposed patient is not interviewed,
142.4 specific reasons must be documented;

142.5 (2) identification and investigation of specific alleged conduct which is the basis for
142.6 application;

142.7 (3) identification, exploration, and listing of the specific reasons for rejecting or
142.8 recommending alternatives to involuntary placement;

142.9 (4) in the case of a commitment based on mental illness, ~~the following~~ information, ~~if~~
142.10 ~~it is known or available~~, that may be relevant to the administration of neuroleptic medications,
142.11 including the existence of a declaration under section 253B.03, subdivision 6d, or a health
142.12 care directive under chapter 145C or a guardian, conservator, proxy, or agent with authority
142.13 to make health care decisions for the proposed patient; information regarding the capacity
142.14 of the proposed patient to make decisions regarding administration of neuroleptic medication;
142.15 and whether the proposed patient is likely to consent or refuse consent to administration of
142.16 the medication;

142.17 (5) seeking input from the proposed patient's health plan company to provide the court
142.18 with information about ~~services the enrollee needs and the least restrictive alternatives~~ the
142.19 patient's relevant treatment history and current treatment providers; and

142.20 (6) in the case of a commitment based on mental illness, information listed in clause (4)
142.21 for other purposes relevant to treatment.

142.22 (b) In conducting the investigation required by this subdivision, the screening team shall
142.23 have access to all relevant medical records of proposed patients currently in treatment
142.24 facilities, state-operated treatment programs, or community-based treatment programs. The
142.25 interviewer shall inform the proposed patient that any information provided by the proposed
142.26 patient may be included in the prepetition screening report and may be considered in the
142.27 commitment proceedings. Data collected pursuant to this clause shall be considered private
142.28 data on individuals. The prepetition screening report is not admissible as evidence except
142.29 by agreement of counsel or as permitted by this chapter or the rules of court and is not
142.30 admissible in any court proceedings unrelated to the commitment proceedings.

142.31 (c) The prepetition screening team shall provide a notice, written in easily understood
142.32 language, to the proposed patient, the petitioner, persons named in a declaration under
142.33 chapter 145C or section 253B.03, subdivision 6d, and, with the proposed patient's consent,
142.34 other interested parties. The team shall ask the patient if the patient wants the notice read

143.1 and shall read the notice to the patient upon request. The notice must contain information
143.2 regarding the process, purpose, and legal effects of civil commitment ~~and early intervention~~.
143.3 The notice must inform the proposed patient that:

143.4 (1) if a petition is filed, the patient has certain rights, including the right to a
143.5 court-appointed attorney, the right to request a second court examiner, the right to attend
143.6 hearings, and the right to oppose the proceeding and to present and contest evidence; and

143.7 (2) if the proposed patient is committed to a ~~state regional treatment center or group~~
143.8 ~~home~~ state-operated treatment program, the patient may be billed for the cost of care and
143.9 the state has the right to make a claim against the patient's estate for this cost.

143.10 The ombudsman for mental health and developmental disabilities shall develop a form
143.11 for the notice which includes the requirements of this paragraph.

143.12 (d) When the prepetition screening team recommends commitment, a written report
143.13 shall be sent to the county attorney for the county in which the petition is to be filed. The
143.14 statement of facts contained in the written report must meet the requirements of subdivision
143.15 2, paragraph (b).

143.16 (e) The prepetition screening team shall refuse to support a petition if the investigation
143.17 does not disclose evidence sufficient to support commitment. Notice of the prepetition
143.18 screening team's decision shall be provided to the prospective petitioner, any specific
143.19 individuals identified in the examiner's statement, and to the proposed patient.

143.20 (f) If the interested person wishes to proceed with a petition contrary to the
143.21 recommendation of the prepetition screening team, application may be made directly to the
143.22 county attorney, who shall determine whether or not to proceed with the petition. Notice of
143.23 the county attorney's determination shall be provided to the interested party.

143.24 (g) If the proposed patient has been acquitted of a crime under section 611.026, the
143.25 county attorney shall apply to the designated county agency in the county in which the
143.26 acquittal took place for a preliminary investigation unless substantially the same information
143.27 relevant to the proposed patient's current mental condition, as could be obtained by a
143.28 preliminary investigation, is part of the court record in the criminal proceeding or is contained
143.29 in the report of a mental examination conducted in connection with the criminal proceeding.
143.30 If a court petitions for commitment pursuant to the Rules of Criminal or Juvenile Procedure
143.31 or a county attorney petitions pursuant to acquittal of a criminal charge under section 611.026,
143.32 the prepetition investigation, if required by this section, shall be completed within seven
143.33 days after the filing of the petition.

144.1 Sec. 38. Minnesota Statutes 2018, section 253B.07, subdivision 2, is amended to read:

144.2 Subd. 2. **The petition.** (a) Any interested person, except a member of the prepetition
144.3 screening team, may file a petition for commitment in the district court of the county of
144.4 financial responsibility or the county where the proposed patient is present. If the head of
144.5 the treatment facility, state-operated treatment program, or community-based treatment
144.6 program believes that commitment is required and no petition has been filed, ~~the head of~~
144.7 ~~the treatment facility~~ that person shall petition for the commitment of the person proposed
144.8 patient.

144.9 (b) The petition shall set forth the name and address of the proposed patient, the name
144.10 and address of the patient's nearest relatives, and the reasons for the petition. The petition
144.11 must contain factual descriptions of the proposed patient's recent behavior, including a
144.12 description of the behavior, where it occurred, and the time period over which it occurred.
144.13 Each factual allegation must be supported by observations of witnesses named in the petition.
144.14 Petitions shall be stated in behavioral terms and shall not contain judgmental or conclusory
144.15 statements.

144.16 (c) The petition shall be accompanied by a written statement by an examiner stating that
144.17 the examiner has examined the proposed patient within the 15 days preceding the filing of
144.18 the petition and is of the opinion that the proposed patient ~~is suffering~~ has a designated
144.19 disability and should be committed to a treatment facility, state-operated treatment program,
144.20 or community-based treatment program. The statement shall include the reasons for the
144.21 opinion. In the case of a commitment based on mental illness, the petition and the examiner's
144.22 statement shall include, ~~to the extent this information is available,~~ a statement and opinion
144.23 regarding the proposed patient's need for treatment with neuroleptic medication and the
144.24 patient's capacity to make decisions regarding the administration of neuroleptic medications,
144.25 and the reasons for the opinion. If use of neuroleptic medications is recommended by the
144.26 ~~treating physician~~ medical practitioner or other qualified medical provider, the petition for
144.27 commitment must, if applicable, include or be accompanied by a request for proceedings
144.28 under section 253B.092. Failure to include the required information regarding neuroleptic
144.29 medications in the examiner's statement, or to include a request for an order regarding
144.30 neuroleptic medications with the commitment petition, is not a basis for dismissing the
144.31 commitment petition. If a petitioner has been unable to secure a statement from an examiner,
144.32 the petition shall include documentation that a reasonable effort has been made to secure
144.33 the supporting statement.

145.1 Sec. 39. Minnesota Statutes 2018, section 253B.07, subdivision 2a, is amended to read:

145.2 Subd. 2a. **Petition originating from criminal proceedings.** (a) If criminal charges are
145.3 pending against a defendant, the court shall order simultaneous competency and civil
145.4 commitment examinations in accordance with Minnesota Rules of Criminal Procedure, rule
145.5 20.04, when the following conditions are met:

145.6 (1) the prosecutor or defense counsel doubts the defendant's competency and a motion
145.7 is made challenging competency, or the court on its initiative raises the issue under rule
145.8 20.01; and

145.9 (2) the prosecutor and defense counsel agree simultaneous examinations are appropriate.

145.10 No additional examination under subdivision 3 is required in a subsequent civil commitment
145.11 proceeding unless a second examination is requested by defense counsel appointed following
145.12 the filing of any petition for commitment.

145.13 (b) Only a court examiner may conduct an assessment as described in Minnesota Rules
145.14 of Criminal Procedure, rules 20.01, subdivision 4, and 20.02, subdivision 2.

145.15 (c) Where a county is ordered to consider civil commitment following a determination
145.16 of incompetency under Minnesota Rules of Criminal Procedure, rule 20.01, the county in
145.17 which the criminal matter is pending is responsible to conduct prepetition screening and, if
145.18 statutory conditions for commitment are satisfied, to file the commitment petition in that
145.19 county. By agreement between county attorneys, prepetition screening and filing the petition
145.20 may be handled in the county of financial responsibility or the county where the proposed
145.21 patient is present.

145.22 ~~(b)~~ (d) Following an acquittal of a person of a criminal charge under section 611.026,
145.23 the petition shall be filed by the county attorney of the county in which the acquittal took
145.24 place and the petition shall be filed with the court in which the acquittal took place, and that
145.25 court shall be the committing court for purposes of this chapter. When a petition is filed
145.26 pursuant to subdivision 2 with the court in which acquittal of a criminal charge took place,
145.27 the court shall assign the judge before whom the acquittal took place to hear the commitment
145.28 proceedings unless that judge is unavailable.

145.29 Sec. 40. Minnesota Statutes 2018, section 253B.07, subdivision 2b, is amended to read:

145.30 Subd. 2b. **Apprehend and hold orders.** (a) The court may order the treatment facility
145.31 or state-operated treatment program to hold the ~~person in a treatment facility~~ proposed
145.32 patient or direct a health officer, peace officer, or other person to take the proposed patient
145.33 into custody and transport the proposed patient to a treatment facility or state-operated

146.1 treatment program for observation, evaluation, diagnosis, care, treatment, and, if necessary,
146.2 confinement, when:

146.3 (1) there has been a particularized showing by the petitioner that serious physical harm
146.4 to the proposed patient or others is likely unless the proposed patient is immediately
146.5 apprehended;

146.6 (2) the proposed patient has not voluntarily appeared for the examination or the
146.7 commitment hearing pursuant to the summons; or

146.8 (3) a person is held pursuant to section ~~253B.05~~ 253B.051 and a request for a petition
146.9 for commitment has been filed.

146.10 (b) The order of the court may be executed on any day and at any time by the use of all
146.11 necessary means including the imposition of necessary restraint upon the proposed patient.
146.12 Where possible, a peace officer taking the proposed patient into custody pursuant to this
146.13 subdivision shall not be in uniform and shall not use a ~~motor~~ vehicle visibly marked as a
146.14 ~~police~~ law enforcement vehicle. Except as provided in section 253D.10, subdivision 2, in
146.15 the case of an individual on a judicial hold due to a petition for civil commitment under
146.16 chapter 253D, assignment of custody during the hold is to the commissioner ~~of human~~
146.17 ~~services~~. The commissioner is responsible for determining the appropriate placement within
146.18 a secure treatment facility under the authority of the commissioner.

146.19 (c) A proposed patient must not be allowed or required to consent to nor participate in
146.20 a clinical drug trial while an order is in effect under this subdivision. A consent given while
146.21 an order is in effect is void and unenforceable. This paragraph does not prohibit a patient
146.22 from continuing participation in a clinical drug trial if the patient was participating in the
146.23 clinical drug trial at the time the order was issued under this subdivision.

146.24 Sec. 41. Minnesota Statutes 2018, section 253B.07, subdivision 2d, is amended to read:

146.25 Subd. 2d. **Change of venue.** Either party may move to have the venue of the petition
146.26 changed to the district court of the Minnesota county where the person currently lives,
146.27 whether independently or pursuant to a placement. The county attorney of the proposed
146.28 county of venue must be notified of the motion and provided the opportunity to respond
146.29 before the court rules on the motion. The court shall grant the motion if it determines that
146.30 the transfer is appropriate and is in the interests of justice. If the petition has been filed
146.31 pursuant to the Rules of Criminal or Juvenile Procedure, venue may not be changed without
146.32 the agreement of the county attorney of the proposed county of venue and the approval of
146.33 the court in which the juvenile or criminal proceedings are pending.

147.1 Sec. 42. Minnesota Statutes 2018, section 253B.07, subdivision 3, is amended to read:

147.2 Subd. 3. **Court-appointed examiners.** After a petition has been filed, the court shall
147.3 appoint ~~an~~ a court examiner. Prior to the hearing, the court shall inform the proposed patient
147.4 of the right to an independent second examination. At the proposed patient's request, the
147.5 court shall appoint a second court examiner of the patient's choosing to be paid for by the
147.6 county at a rate of compensation fixed by the court.

147.7 Sec. 43. Minnesota Statutes 2018, section 253B.07, subdivision 5, is amended to read:

147.8 Subd. 5. **Prehearing examination; report.** The examination shall be held at a treatment
147.9 facility or other suitable place the court determines is not likely to harm the health of the
147.10 proposed patient. The county attorney and the patient's attorney may be present during the
147.11 examination. Either party may waive this right. Unless otherwise agreed by the parties, a
147.12 ~~court-appointed~~ court examiner shall file the report with the court not less than 48 hours
147.13 prior to the commitment hearing. The court shall ensure that copies of the court examiner's
147.14 report are provided to the county attorney, the proposed patient, and the patient's counsel.

147.15 Sec. 44. Minnesota Statutes 2018, section 253B.07, subdivision 7, is amended to read:

147.16 Subd. 7. **Preliminary hearing.** (a) No proposed patient may be held in a treatment
147.17 facility or state-operated treatment program under a judicial hold pursuant to subdivision
147.18 2b longer than 72 hours, exclusive of Saturdays, Sundays, and legal holidays, unless the
147.19 court holds a preliminary hearing and determines that the standard is met to hold the ~~person~~
147.20 proposed patient.

147.21 (b) The proposed patient, patient's counsel, the petitioner, the county attorney, and any
147.22 other persons as the court directs shall be given at least 24 hours written notice of the
147.23 preliminary hearing. The notice shall include the alleged grounds for confinement. The
147.24 proposed patient shall be represented at the preliminary hearing by counsel. The court may
147.25 admit reliable hearsay evidence, including written reports, for the purpose of the preliminary
147.26 hearing.

147.27 (c) The court, on its motion or on the motion of any party, may exclude or excuse a
147.28 proposed patient who is seriously disruptive or who is incapable of comprehending and
147.29 participating in the proceedings. In such instances, the court shall, with specificity on the
147.30 record, state the behavior of the proposed patient or other circumstances which justify
147.31 proceeding in the absence of the proposed patient.

148.1 (d) The court may continue the judicial hold of the proposed patient if it finds, by a
148.2 preponderance of the evidence, that serious physical harm to the proposed patient or others
148.3 is likely if the proposed patient is not immediately confined. If a proposed patient was
148.4 acquitted of a crime against the person under section 611.026 immediately preceding the
148.5 filing of the petition, the court may presume that serious physical harm to the patient or
148.6 others is likely if the proposed patient is not immediately confined.

148.7 (e) Upon a showing that a ~~person~~ proposed patient subject to a petition for commitment
148.8 may need treatment with neuroleptic medications and that the ~~person~~ proposed patient may
148.9 lack capacity to make decisions regarding that treatment, the court may appoint a substitute
148.10 decision-maker as provided in section 253B.092, subdivision 6. The substitute decision-maker
148.11 shall meet with the proposed patient and provider and make a report to the court at the
148.12 hearing under section 253B.08 regarding whether the administration of neuroleptic
148.13 medications is appropriate under the criteria of section 253B.092, subdivision 7. If the
148.14 substitute decision-maker consents to treatment with neuroleptic medications and the
148.15 proposed patient does not refuse the medication, neuroleptic medication may be administered
148.16 to the proposed patient. If the substitute decision-maker does not consent or the proposed
148.17 patient refuses, neuroleptic medication may not be administered without a court order, or
148.18 in an emergency as set forth in section 253B.092, subdivision 3.

148.19 Sec. 45. Minnesota Statutes 2018, section 253B.08, subdivision 1, is amended to read:

148.20 Subdivision 1. **Time for commitment hearing.** (a) The hearing on the commitment
148.21 petition shall be held within 14 days from the date of the filing of the petition, except that
148.22 the hearing on a commitment petition pursuant to section 253D.07 shall be held within 90
148.23 days from the date of the filing of the petition. For good cause shown, the court may extend
148.24 the time of hearing up to an additional 30 days. The proceeding shall be dismissed if the
148.25 proposed patient has not had a hearing on a commitment petition within the allowed time.

148.26 (b) The proposed patient, or the head of the treatment facility or state-operated treatment
148.27 program in which the ~~person~~ patient is held, may demand in writing at any time that the
148.28 hearing be held immediately. Unless the hearing is held within five days of the date of the
148.29 demand, exclusive of Saturdays, Sundays, and legal holidays, the petition shall be
148.30 automatically dismissed if the patient is being held in a treatment facility or state-operated
148.31 treatment program pursuant to court order. For good cause shown, the court may extend
148.32 the time of hearing on the demand for an additional ten days. This paragraph does not apply
148.33 to a commitment petition brought under section 253B.18 or chapter 253D.

149.1 Sec. 46. Minnesota Statutes 2018, section 253B.08, subdivision 2a, is amended to read:

149.2 Subd. 2a. **Place of hearing.** The hearing shall be conducted in a manner consistent with
149.3 orderly procedure. The hearing shall be held at a courtroom meeting standards prescribed
149.4 by local court rule which may be at a treatment facility or state-operated treatment program.
149.5 The hearing may be conducted by interactive video conference under General Rules of
149.6 Practice, rule 131, and Minnesota Rules of Civil Commitment, rule 14.

149.7 Sec. 47. Minnesota Statutes 2018, section 253B.08, subdivision 5, is amended to read:

149.8 Subd. 5. **Absence permitted.** (a) The court may permit the proposed patient to waive
149.9 the right to attend the hearing if it determines that the waiver is freely given. At the time of
149.10 the hearing, the proposed patient shall not be so under the influence of drugs, medication,
149.11 or other treatment so as to be hampered in participating in the proceedings. When the ~~licensed~~
149.12 ~~physician or licensed psychologist attending the patient~~ professional responsible for the
149.13 proposed patient's treatment is of the opinion that the discontinuance of ~~drugs,~~ medication,
149.14 or other treatment is not in the best interest of the proposed patient, the court, at the time of
149.15 the hearing, shall be presented a record of all ~~drugs,~~ medication or other treatment which
149.16 the proposed patient has received during the 48 hours immediately prior to the hearing.

149.17 (b) The court, on its own motion or on the motion of any party, may exclude or excuse
149.18 a proposed patient who is seriously disruptive or who is incapable of comprehending and
149.19 participating in the proceedings. In such instances, the court shall, with specificity on the
149.20 record, state the behavior of the proposed patient or other circumstances justifying proceeding
149.21 in the absence of the proposed patient.

149.22 Sec. 48. Minnesota Statutes 2018, section 253B.08, subdivision 5a, is amended to read:

149.23 Subd. 5a. **Witnesses.** The proposed patient or the patient's counsel and the county attorney
149.24 may present and cross-examine witnesses, including court examiners, at the hearing. The
149.25 court may in its discretion receive the testimony of any other person. Opinions of
149.26 ~~court-appointed~~ court examiners may not be admitted into evidence unless the court examiner
149.27 is present to testify, except by agreement of the parties.

149.28 Sec. 49. Minnesota Statutes 2018, section 253B.09, subdivision 1, is amended to read:

149.29 Subdivision 1. **Standard of proof.** (a) If the court finds by clear and convincing evidence
149.30 that the proposed patient is a person ~~who is mentally ill, developmentally disabled, or~~
149.31 ~~chemically dependent~~ who poses a risk of harm due to mental illness, or is a person who
149.32 has a developmental disability or chemical dependency, and after careful consideration of

150.1 reasonable alternative dispositions, including but not limited to, dismissal of petition;
150.2 voluntary outpatient care;2 voluntary admission to a treatment facility, state-operated
150.3 treatment program, or community-based treatment program; appointment of a guardian or
150.4 conservator;2 or release before commitment as provided for in subdivision 4, it finds that
150.5 there is no suitable alternative to judicial commitment, the court shall commit the patient
150.6 to the least restrictive treatment program or alternative programs which can meet the patient's
150.7 treatment needs consistent with section 253B.03, subdivision 7.

150.8 (b) In deciding on the least restrictive program, the court shall consider a range of
150.9 treatment alternatives including, but not limited to, community-based nonresidential
150.10 treatment, community residential treatment, partial hospitalization, acute care hospital,
150.11 assertive community treatment teams, and regional state-operated treatment center services
150.12 programs. The court shall also consider the proposed patient's treatment preferences and
150.13 willingness to participate voluntarily in the treatment ordered. The court may not commit
150.14 a patient to a facility or program that is not capable of meeting the patient's needs.

150.15 (c) If, after careful consideration of reasonable alternative dispositions, the court finds
150.16 no suitable alternative to judicial commitment and the court finds that the least restrictive
150.17 alternative as determined in paragraph (a) is a treatment facility or community-based
150.18 treatment program that is less restrictive or more community based than a state-operated
150.19 treatment program, and there is a treatment facility or a community-based treatment program
150.20 willing to accept the civilly committed patient, the court may commit the patient to both
150.21 the treatment facility or community-based treatment program and to the commissioner, in
150.22 the event that treatment in a state-operated treatment program becomes the least restrictive
150.23 alternative. If there is a change in the patient's level of care, then:

150.24 (1) if the patient needs a higher level of care requiring admission to a state-operated
150.25 treatment program, custody of the patient and authority and responsibility for the commitment
150.26 may be transferred to the commissioner for as long as the patient needs a higher level of
150.27 care; and

150.28 (2) when the patient no longer needs treatment in a state-operated treatment program,
150.29 the program may provisionally discharge the patient to an appropriate placement or release
150.30 the patient to the treatment facility or community-based treatment program if the program
150.31 continues to be willing and able to readmit the patient, in which case the commitment, its
150.32 authority, and responsibilities revert to the non-state-operated treatment program. Both
150.33 agencies accepting commitment shall coordinate admission and discharge planning to
150.34 facilitate timely access to the other's services to meet the patient's needs and shall coordinate
150.35 treatment planning consistent with section 253B.03, subdivision 7.

151.1 ~~(e)~~ (d) If the commitment as mentally ill, chemically dependent, or developmentally
 151.2 disabled is to a service facility provided by the commissioner of human services a person
 151.3 is committed to a state-operated treatment program as a person who poses a risk of harm
 151.4 due to mental illness or as a person who has a developmental disability or chemical
 151.5 dependency, the court shall order the commitment to the commissioner. The commissioner
 151.6 shall designate the placement of the person to the court.

151.7 ~~(d)~~ (e) If the court finds a proposed patient to be a person who ~~is mentally ill~~ poses a
 151.8 risk of harm due to mental illness under section 253B.02, subdivision 13, ~~paragraph (a),~~
 151.9 ~~clause (2) or (4)~~, the court shall commit the patient to a treatment facility or community-based
 151.10 treatment program that meets the proposed patient's needs. For purposes of this paragraph,
 151.11 ~~a community-based program may include inpatient mental health services at a community~~
 151.12 ~~hospital.~~

151.13 Sec. 50. Minnesota Statutes 2018, section 253B.09, subdivision 2, is amended to read:

151.14 Subd. 2. **Findings.** (a) The court shall find the facts specifically, and separately state its
 151.15 conclusions of law. Where commitment is ordered, the findings of fact and conclusions of
 151.16 law shall specifically state the proposed patient's conduct which is a basis for determining
 151.17 that each of the requisites for commitment is met.

151.18 (b) If commitment is ordered, the findings shall also identify less restrictive alternatives
 151.19 considered and rejected by the court and the reasons for rejecting each alternative.

151.20 (c) If the proceedings are dismissed, the court may direct that the person be transported
 151.21 back to a suitable location including to the person's home.

151.22 Sec. 51. Minnesota Statutes 2018, section 253B.09, subdivision 3a, is amended to read:

151.23 Subd. 3a. **Reporting judicial commitments; private treatment program or**
 151.24 **facility.** Notwithstanding section 253B.23, subdivision 9, when a court commits a patient
 151.25 to a non-state-operated treatment facility or program or facility other than a state-operated
 151.26 ~~program or facility~~, the court shall report the commitment to the commissioner through the
 151.27 supreme court information system for purposes of providing commitment information for
 151.28 firearm background checks under section 245.041. If the patient is committed to a
 151.29 state-operated treatment program, the court shall send a copy of the commitment order to
 151.30 the commissioner.

152.1 Sec. 52. Minnesota Statutes 2018, section 253B.09, subdivision 5, is amended to read:

152.2 Subd. 5. **Initial commitment period.** The initial commitment begins on the date that
 152.3 the court issues its order or warrant under section 253B.10, subdivision 1. For ~~persons~~ a
 152.4 person committed as ~~mentally ill, developmentally disabled,~~ a person who poses a risk of
 152.5 harm due to mental illness, a developmental disability, or chemically dependent chemical
 152.6 dependency, the initial commitment shall not exceed six months.

152.7 Sec. 53. Minnesota Statutes 2018, section 253B.092, is amended to read:

152.8 **253B.092 ADMINISTRATION OF NEUROLEPTIC MEDICATION.**

152.9 Subdivision 1. **General.** Neuroleptic medications may be administered, only as provided
 152.10 in this section, to patients subject to ~~early intervention or~~ civil commitment as ~~mentally ill,~~
 152.11 ~~mentally ill and dangerous, a sexually dangerous person, or a person with a sexual~~
 152.12 ~~psychopathic personality~~ under this chapter or chapter 253D. For purposes of this section,
 152.13 "patient" includes a proposed patient who is the subject of a petition for ~~early intervention~~
 152.14 ~~or~~ commitment and a committed person as defined in section 253D.02, subdivision 4.

152.15 Subd. 2. **Administration without judicial review.** (a) Neuroleptic medications may be
 152.16 administered without judicial review in the following circumstances:

152.17 (1) the patient has the capacity to make an informed decision under subdivision 4;

152.18 (2) the patient does not have the present capacity to consent to the administration of
 152.19 neuroleptic medication, but prepared a health care power of attorney, a health care directive
 152.20 under chapter 145C, or a declaration under section 253B.03, subdivision 6d, requesting
 152.21 treatment or authorizing an agent or proxy to request treatment, and the agent or proxy has
 152.22 requested the treatment;

152.23 (3) the patient has been prescribed neuroleptic medication prior to admission to a
 152.24 treatment facility, but lacks the present capacity to consent to the administration of that
 152.25 neuroleptic medication; continued administration of the medication is in the patient's best
 152.26 interest; and the patient does not refuse administration of the medication. In this situation,
 152.27 the previously prescribed neuroleptic medication may be continued for up to 14 days while
 152.28 the treating ~~physician~~ medical practitioner:

152.29 (i) is obtaining a substitute decision-maker appointed by the court under subdivision 6;
 152.30 or

152.31 (ii) is requesting a court order authorizing administering neuroleptic medication or an
 152.32 amendment to a current court order authorizing administration of neuroleptic medication;

153.1 (4) a substitute decision-maker appointed by the court consents to the administration of
 153.2 the neuroleptic medication and the patient does not refuse administration of the medication;
 153.3 or

153.4 (5) the substitute decision-maker does not consent or the patient is refusing medication,
 153.5 and the patient is in an emergency situation.

153.6 (b) For the purposes of paragraph (a), clause (3), if a person requests a substitute
 153.7 decision-maker or requests a court order administering neuroleptic medication within 14
 153.8 days, the treating medical practitioner may continue administering the medication to the
 153.9 patient through the hearing date or until the court otherwise issues an order.

153.10 Subd. 3. **Emergency administration.** A treating ~~physician~~ medical practitioner may
 153.11 administer neuroleptic medication to a patient who does not have capacity to make a decision
 153.12 regarding administration of the medication if the patient is in an emergency situation.
 153.13 Medication may be administered for so long as the emergency continues to exist, up to 14
 153.14 days, if the treating ~~physician~~ medical practitioner determines that the medication is necessary
 153.15 to prevent serious, immediate physical harm to the patient or to others. If a request for
 153.16 authorization to administer medication is made to the court within the 14 days, the treating
 153.17 ~~physician~~ medical practitioner may continue the medication through the date of the first
 153.18 court hearing, if the emergency continues to exist. If the request for authorization to
 153.19 administer medication is made to the court in conjunction with a petition for commitment
 153.20 ~~or early intervention~~ and the court makes a determination at the preliminary hearing under
 153.21 section 253B.07, subdivision 7, that there is sufficient cause to continue the ~~physician's~~
 153.22 medical practitioner's order until the hearing under section 253B.08, the treating ~~physician~~
 153.23 medical practitioner may continue the medication until that hearing, if the emergency
 153.24 continues to exist. The treatment facility, state-operated treatment program, or
 153.25 community-based treatment program shall document the emergency in the patient's medical
 153.26 record in specific behavioral terms.

153.27 Subd. 4. **Patients with capacity to make informed decision.** A patient who has the
 153.28 capacity to make an informed decision regarding the administration of neuroleptic medication
 153.29 may consent or refuse consent to administration of the medication. The informed consent
 153.30 of a patient must be in writing.

153.31 Subd. 5. **Determination of capacity.** (a) There is a rebuttable presumption that a patient
 153.32 ~~is presumed to have~~ has the capacity to make decisions regarding administration of
 153.33 neuroleptic medication.

154.1 (b) ~~In determining~~ A ~~person's~~ patient has the capacity to make decisions regarding the
 154.2 administration of neuroleptic medication, ~~the court shall consider~~ if the patient:

154.3 (1) ~~whether the person demonstrates~~ has an awareness of the nature of the ~~person's~~
 154.4 patient's situation, including the reasons for hospitalization, and the possible consequences
 154.5 of refusing treatment with neuroleptic medications;

154.6 (2) ~~whether the person demonstrates~~ has an understanding of treatment with neuroleptic
 154.7 medications and the risks, benefits, and alternatives; and

154.8 (3) ~~whether the person~~ communicates verbally or nonverbally a clear choice regarding
 154.9 treatment with neuroleptic medications that is a reasoned one not based on ~~delusion~~ a
 154.10 symptom of the patient's mental illness, even though it may not be in the ~~person's~~ patient's
 154.11 best interests.

154.12 (c) Disagreement with the ~~physician's~~ medical practitioner's recommendation alone is
 154.13 not evidence of an unreasonable decision.

154.14 Subd. 6. **Patients without capacity to make informed decision; substitute**
 154.15 **decision-maker.** (a) Upon request of any person, and upon a showing that administration
 154.16 of neuroleptic medications may be recommended and that the ~~person~~ patient may lack
 154.17 capacity to make decisions regarding the administration of neuroleptic medication, the court
 154.18 shall appoint a substitute decision-maker with authority to consent to the administration of
 154.19 neuroleptic medication as provided in this section. A hearing is not required for an
 154.20 appointment under this paragraph. The substitute decision-maker must be an individual or
 154.21 a community or institutional multidisciplinary panel designated by the local mental health
 154.22 authority. In appointing a substitute decision-maker, the court shall give preference to a
 154.23 guardian ~~or conservator~~, proxy, or health care agent with authority to make health care
 154.24 decisions for the patient. The court may provide for the payment of a reasonable fee to the
 154.25 substitute decision-maker for services under this section or may appoint a volunteer.

154.26 (b) If the ~~person's treating physician~~ patient's treating medical practitioner recommends
 154.27 treatment with neuroleptic medication, the substitute decision-maker may give or withhold
 154.28 consent to the administration of the medication, based on the standards under subdivision
 154.29 7. If the substitute decision-maker gives informed consent to the treatment and the ~~person~~
 154.30 patient does not refuse, the substitute decision-maker shall provide written consent to the
 154.31 ~~treating physician~~ medical practitioner and the medication may be administered. The
 154.32 substitute decision-maker shall also notify the court that consent has been given. If the
 154.33 substitute decision-maker refuses or withdraws consent or the ~~person~~ patient refuses the

155.1 medication, neuroleptic medication ~~may~~ must not be administered to the ~~person without~~
155.2 patient except with a court order or in an emergency.

155.3 (c) A substitute decision-maker appointed under this section has access to the relevant
155.4 sections of the patient's health records on the past or present administration of medication.
155.5 The designated agency or a person involved in the patient's physical or mental health care
155.6 may disclose information to the substitute decision-maker for the sole purpose of performing
155.7 the responsibilities under this section. The substitute decision-maker may not disclose health
155.8 records obtained under this paragraph except to the extent necessary to carry out the duties
155.9 under this section.

155.10 (d) At a hearing under section 253B.08, the petitioner has the burden of proving incapacity
155.11 by a preponderance of the evidence. If a substitute decision-maker has been appointed by
155.12 the court, the court shall make findings regarding the patient's capacity to make decisions
155.13 regarding the administration of neuroleptic medications and affirm or reverse its appointment
155.14 of a substitute decision-maker. If the court affirms the appointment of the substitute
155.15 decision-maker, and if the substitute decision-maker has consented to the administration of
155.16 the medication and the patient has not refused, the court shall make findings that the substitute
155.17 decision-maker has consented and the treatment is authorized. If a substitute decision-maker
155.18 has not yet been appointed, upon request the court shall make findings regarding the patient's
155.19 capacity and appoint a substitute decision-maker if appropriate.

155.20 (e) If an order for civil commitment ~~or early intervention~~ did not provide for the
155.21 appointment of a substitute decision-maker or for the administration of neuroleptic
155.22 medication, ~~the~~ a treatment facility, state-operated treatment program, or community-based
155.23 treatment program may later request the appointment of a substitute decision-maker upon
155.24 a showing that administration of neuroleptic medications is recommended and that the
155.25 ~~person~~ patient lacks capacity to make decisions regarding the administration of neuroleptic
155.26 medications. A hearing is not required in order to administer the neuroleptic medication
155.27 unless requested under subdivision 10 or if the substitute decision-maker withholds or
155.28 refuses consent or the ~~person~~ patient refuses the medication.

155.29 (f) The substitute decision-maker's authority to consent to treatment lasts for the duration
155.30 of the court's order of appointment or until modified by the court.

155.31 ~~If the substitute decision-maker withdraws consent or the patient refuses consent,~~
155.32 ~~neuroleptic medication may not be administered without a court order.~~

155.33 (g) If there is no hearing after the preliminary hearing, then the court shall, upon the
155.34 request of any interested party, review the reasonableness of the substitute decision-maker's

156.1 decision based on the standards under subdivision 7. The court shall enter an order upholding
156.2 or reversing the decision within seven days.

156.3 Subd. 7. **When person patient lacks capacity to make decisions about medication.** (a)
156.4 When a person patient lacks capacity to make decisions regarding the administration of
156.5 neuroleptic medication, the substitute decision-maker or the court shall use the standards
156.6 in this subdivision in making a decision regarding administration of the medication.

156.7 (b) If the person patient clearly stated what the person patient would choose to do in this
156.8 situation when the person patient had the capacity to make a reasoned decision, the person's
156.9 patient's wishes must be followed. Evidence of the person's patient's wishes may include
156.10 written instruments, including a durable power of attorney for health care under chapter
156.11 145C or a declaration under section 253B.03, subdivision 6d.

156.12 (c) If evidence of the person's patient's wishes regarding the administration of neuroleptic
156.13 medications is conflicting or lacking, the decision must be based on what a reasonable
156.14 person would do, taking into consideration:

156.15 (1) the person's patient's family, community, moral, religious, and social values;

156.16 (2) the medical risks, benefits, and alternatives to the proposed treatment;

156.17 (3) past efficacy and any extenuating circumstances of past use of neuroleptic
156.18 medications; and

156.19 (4) any other relevant factors.

156.20 Subd. 8. **Procedure when patient refuses neuroleptic medication.** (a) If the substitute
156.21 decision-maker or the patient refuses to consent to treatment with neuroleptic medications,
156.22 and absent an emergency as set forth in subdivision 3, neuroleptic medications may not be
156.23 administered without a court order. Upon receiving a written request for a hearing, the court
156.24 shall schedule the hearing within 14 days of the request. The matter may be heard as part
156.25 of any other district court proceeding under this chapter. By agreement of the parties or for
156.26 good cause shown, the court may extend the time of hearing an additional 30 days.

156.27 (b) The patient must be examined by a court examiner prior to the hearing. If the patient
156.28 refuses to participate in an examination, the court examiner may rely on the patient's medical
156.29 records to reach an opinion as to the appropriateness of neuroleptic medication. The patient
156.30 is entitled to counsel and a second court examiner, if requested by the patient or patient's
156.31 counsel.

156.32 (c) The court may base its decision on relevant and admissible evidence, including the
156.33 testimony of a treating physician medical practitioner or other qualified physician, a member

157.1 of the patient's treatment team, a ~~court-appointed~~ court examiner, witness testimony, or the
157.2 patient's medical records.

157.3 (d) If the court finds that the patient has the capacity to decide whether to take neuroleptic
157.4 medication or that the patient lacks capacity to decide and the standards for making a decision
157.5 to administer the medications under subdivision 7 are not met, the ~~treating~~ treatment facility,
157.6 state-operated treatment program, or community-based treatment program may not administer
157.7 medication without the patient's informed written consent or without the declaration of an
157.8 emergency, or until further review by the court.

157.9 (e) If the court finds that the patient lacks capacity to decide whether to take neuroleptic
157.10 medication and has applied the standards set forth in subdivision 7, the court may authorize
157.11 the ~~treating~~ treatment facility, state-operated treatment program, or community-based
157.12 treatment program and any other ~~community or treatment~~ facility or program to which the
157.13 patient may be transferred or provisionally discharged, to involuntarily administer the
157.14 medication to the patient. A copy of the order must be given to the patient, the patient's
157.15 attorney, the county attorney, and the treatment facility, state-operated treatment program,
157.16 or community-based treatment program. The treatment facility, state-operated treatment
157.17 program, or community-based treatment program may not begin administration of the
157.18 neuroleptic medication until it notifies the patient of the court's order authorizing the
157.19 treatment.

167.12 to the commissioner may provisionally discharge the patient pursuant to this subdivision.

167.13 (c) Each patient released on provisional discharge shall have a written ~~aftercare~~
167.14 provisional discharge plan developed with input from the patient and the designated agency
167.15 which specifies the services and treatment to be provided as part of the ~~aftercare~~ provisional
167.16 discharge plan, the financial resources available to pay for the services specified, the expected
167.17 period of provisional discharge, the precise goals for the granting of a final discharge, and

167.19 ~~aftercare~~ provisional discharge plan shall be provided to the patient, the patient's attorney,
167.20 and the designated agency.

167.21 (d) The ~~aftercare~~ provisional discharge plan shall be reviewed on a quarterly basis by
167.22 the patient, designated agency and other appropriate persons. The ~~aftercare~~ provisional
167.23 discharge plan shall contain the grounds upon which a provisional discharge may be revoked.
167.24 The provisional discharge shall terminate on the date specified in the plan unless specific
167.25 action is taken to revoke or extend it.

167.26 Sec. 69. Minnesota Statutes 2018, section 253B.15, subdivision 1a, is amended to read:

167.27 Subd. 1a. **Representative of designated agency.** Before a provisional discharge is
167.28 granted, a representative of the designated agency must be identified to ensure continuity

167.30 community-based treatment program and the patient prior to the provisional discharge. The
167.31 representative of the designated agency shall coordinate plans for and monitor the patient's
167.32 aftercare program. When the patient is on a provisional discharge, the representative of the

168.1 designated agency shall provide the treatment report to the court required under section
168.2 253B.12, subdivision 1.

168.3 Sec. 70. Minnesota Statutes 2018, section 253B.15, subdivision 2, is amended to read:

168.4 Subd. 2. **Revocation of provisional discharge.** (a) The designated agency may ~~revoke~~
168.5 initiate with the court a revocation of a provisional discharge if revocation is the least
168.6 restrictive alternative and either:

168.7 (1) the patient has violated material conditions of the provisional discharge, and the
168.8 violation creates the need to return the patient to a more restrictive setting or more intensive
168.9 community services; or

168.10 (2) there exists a serious likelihood that the safety of the patient or others will be
168.11 jeopardized, in that either the patient's need for food, clothing, shelter, or medical care are
168.12 not being met, or will not be met in the near future, or the patient has attempted or threatened
168.13 to seriously physically harm self or others; ~~and.~~

168.14 ~~(3) revocation is the least restrictive alternative available.~~

168.15 (b) Any interested person may request that the designated agency revoke the patient's
168.16 provisional discharge. Any person making a request shall provide the designated agency
168.17 with a written report setting forth the specific facts, including witnesses, dates and locations,
168.18 supporting a revocation, demonstrating that every effort has been made to avoid revocation
168.19 and that revocation is the least restrictive alternative available.

168.20 Sec. 71. Minnesota Statutes 2018, section 253B.15, subdivision 3, is amended to read:

168.21 Subd. 3. **Procedure; notice.** Revocation shall be commenced by the designated agency's
168.22 written notice of intent to revoke provisional discharge given or sent to the patient, the
168.23 patient's attorney, ~~and the treatment facility~~ or program from which the patient was
168.24 provisionally discharged, and the current community services provider. The notice shall set
168.25 forth the grounds upon which the intention to revoke is based, and shall inform the patient
168.26 of the rights of a patient under this chapter.

168.27 Sec. 72. Minnesota Statutes 2018, section 253B.15, subdivision 3a, is amended to read:

168.28 Subd. 3a. **Report to the court.** Within 48 hours, excluding weekends and legal holidays,
168.29 of giving notice to the patient, the designated agency shall file with the court a copy of the
168.30 notice and a report setting forth the specific facts, including witnesses, dates and locations,
168.31 which (1) support revocation, (2) demonstrate that revocation is the least restrictive alternative

169.1 available, and (3) show that specific efforts were made to avoid revocation. The designated
169.2 agency shall provide copies of the report to the patient, the patient's attorney, the county
169.3 attorney, and the treatment facility or program from which the patient was provisionally
169.4 discharged within 48 hours of giving notice to the patient under subdivision 3.

169.5 Sec. 73. Minnesota Statutes 2018, section 253B.15, subdivision 3b, is amended to read:

169.6 Subd. 3b. **Review.** The patient or patient's attorney may request judicial review of the
169.7 intended revocation by filing a petition for review and an affidavit with the committing
169.8 court. The affidavit shall state specific grounds for opposing the revocation. If the patient
169.9 does not file a petition for review within five days of receiving the notice under subdivision
169.10 3, revocation of the provisional discharge is final and the court, without hearing, may order
169.11 the patient into a ~~treatment~~ facility or program from which the patient was provisionally
169.12 discharged, another treatment facility, state-operated treatment program, or community-based
169.13 treatment program that consents to receive the patient, or more intensive community
169.14 treatment. If the patient files a petition for review, the court shall review the petition and
169.15 determine whether a genuine issue exists as to the propriety of the revocation. The burden
169.16 of proof is on the designated agency to show that no genuine issue exists as to the propriety
169.17 of the revocation. If the court finds that no genuine issue exists as to the propriety of the
169.18 revocation, the revocation of the provisional discharge is final.

169.19 Sec. 74. Minnesota Statutes 2018, section 253B.15, subdivision 3c, is amended to read:

169.20 Subd. 3c. **Hearing.** (a) If the court finds under subdivision 3b that a genuine issue exists
169.21 as to the propriety of the revocation, the court shall hold a hearing on the petition within
169.22 three days after the patient files the petition. The court may continue the review hearing for
169.23 an additional five days upon any party's showing of good cause. At the hearing, the burden
169.24 of proof is on the designated agency to show a factual basis for the revocation. At the
169.25 conclusion of the hearing, the court shall make specific findings of fact. The court shall
169.26 affirm the revocation if it finds:

169.27 (1) a factual basis for revocation due to:

169.28 (i) a violation of the material conditions of the provisional discharge that creates a need
169.29 for the patient to return to a more restrictive setting or more intensive community services;
169.30 or

169.31 (ii) a probable danger of harm to the patient or others if the provisional discharge is not
169.32 revoked; and

170.1 (2) that revocation is the least restrictive alternative available.

170.2 (b) If the court does not affirm the revocation, the court shall order the patient returned
170.3 to provisional discharge status.

170.4 Sec. 75. Minnesota Statutes 2018, section 253B.15, subdivision 5, is amended to read:

170.5 Subd. 5. **Return to facility.** When the designated agency gives or sends notice of the
170.6 intent to revoke a patient's provisional discharge, it may also apply to the committing court
170.7 for an order directing that the patient be returned to a the facility or program from which
170.8 the patient was provisionally discharged or another treatment facility, state-operated treatment
170.9 program, or community-based treatment program that consents to receive the patient. The
170.10 court may order the patient returned to a facility or program prior to a review hearing only
170.11 upon finding that immediate return ~~to a facility~~ is necessary because there is a serious
170.12 likelihood that the safety of the patient or others will be jeopardized, in that (1) the patient's
170.13 need for food, clothing, shelter, or medical care is not being met, or will not be met in the
170.14 near future, or (2) the patient has attempted or threatened to seriously harm self or others.
170.15 If a voluntary return is not arranged, the head of the treatment facility, state-operated
170.16 treatment program, or community-based treatment program may request a health officer or
170.17 a peace officer to return the patient to the ~~treatment~~ facility or program from which the
170.18 patient was released or to any other treatment facility ~~which,~~ state-operated treatment
170.19 program, or community-based treatment program that consents to receive the patient. If
170.20 necessary, the head of the treatment facility, state-operated treatment program, or
170.21 community-based treatment program may request the committing court to direct a health
170.22 officer or peace officer in the county where the patient is located to return the patient to the
170.23 ~~treatment~~ facility or program or to another treatment facility ~~which,~~ state-operated treatment
170.24 program, or community-based treatment program that consents to receive the patient. The
170.25 expense of returning the patient to a ~~regional~~ state-operated treatment ~~center~~ program shall
170.26 be paid by the commissioner unless paid by the patient or the patient's relatives. If the court
170.27 orders the patient to return to the ~~treatment~~ facility or program, or if a health officer or peace
170.28 officer returns the patient to the ~~treatment~~ facility or program, and the patient wants judicial
170.29 review of the revocation, the patient or the patient's attorney must file the petition for review
170.30 and affidavit required under subdivision 3b within 14 days of receipt of the notice of the
170.31 intent to revoke.

171.1 Sec. 76. Minnesota Statutes 2018, section 253B.15, subdivision 7, is amended to read:

171.2 Subd. 7. **Modification and extension of provisional discharge.** (a) A provisional
171.3 discharge may be modified upon agreement of the parties.

171.5 patient has not achieved the goals set forth in the provisional discharge plan or continues
171.6 to need the supervision or assistance provided by an extension of the provisional discharge.
171.7 In determining whether the provisional discharge is to be extended, the ~~head of the facility~~
171.8 designated agency shall consider the willingness and ability of the patient to voluntarily
171.9 obtain needed care and treatment.

171.10 ~~(e) The designated agency shall recommend extension of a provisional discharge only~~
171.11 ~~after a preliminary conference with the patient and other appropriate persons. The patient~~

171.13 ~~(d)~~ (c) The designated agency must provide any recommendation for proposed extension
171.14 shall be made in writing to the ~~head of the facility~~ and to the patient and the patient's attorney
171.15 at least 30 days prior to the expiration of the provisional discharge unless the patient cannot
171.16 be located or is unavailable to receive the notice. The ~~written recommendation submitted~~
171.17 proposal for extension shall include: the specific grounds for ~~recommending~~ proposing the
171.18 extension, ~~the date of the preliminary conference and results,~~ the anniversary date of the
171.19 provisional discharge, the termination date of the provisional discharge, and the proposed
171.20 length of extension. If the grounds for ~~recommending~~ proposing the extension occur less
171.21 than 30 days before its expiration, the designated agency must submit the written
171.22 ~~recommendation shall occur~~ proposal for extension as soon as practicable.

171.23 ~~(e) The head of the facility~~ (d) The designated agency shall extend a provisional discharge

171.26 to the patient and the patient's attorney regarding extension within five days after receiving
171.27 ~~the recommendation from the designated agency~~ the patient's input or after holding a meeting
171.28 with the patient or after the patient has declined to provide input or participate in the meeting.
171.29 The designated agency may seek input from the community-based treatment team or other
171.30 persons the patient chooses.

172.1 Sec. 77. Minnesota Statutes 2018, section 253B.15, is amended by adding a subdivision
172.2 to read:

172.3 Subd. 8a. **Provisional discharge extension.** If the provisional discharge extends until

175.5 finds by clear and convincing evidence that the proposed patient is a person who ~~is mentally~~
175.6 ~~ill and~~ has a mental illness and is dangerous to the public, it shall commit the person to a
175.7 secure treatment facility or to a treatment facility or state-operated treatment program willing

175.9 treatment facility unless the patient ~~establishes~~ or others establish by clear and convincing
175.10 evidence that a less restrictive state-operated treatment program or treatment program facility
175.11 is available that is consistent with the patient's treatment needs and the requirements of
175.12 public safety. In any case where the petition was filed immediately following the acquittal
175.13 of the proposed patient for a crime against the person pursuant to a verdict of not guilty by
175.14 reason of mental illness, the verdict constitutes evidence that the proposed patient is a person
175.15 who ~~is mentally ill and~~ has a mental illness and is dangerous to the public within the meaning
175.16 of this section. The proposed patient has the burden of going forward in the presentation of
175.17 evidence. The standard of proof remains as required by this chapter. Upon commitment,
175.18 admission procedures shall be carried out pursuant to section 253B.10.

175.19 (b) Once a patient is admitted to a treatment facility or state-operated treatment program

175.25 commitment. If the person is in the custody of the commissioner of corrections when the
175.26 initial commitment is ordered under subdivision 1, the written treatment report must be filed
175.27 within 60 days after the person is admitted to ~~a secure~~ the state-operated treatment program
175.28 or treatment facility. The court shall hold a hearing to make a final determination as to
175.29 whether the ~~person~~ patient should remain committed as a person who ~~is mentally ill and~~
175.30 has a mental illness and is dangerous to the public. The hearing shall be held within the
175.31 earlier of 14 days of the court's receipt of the written treatment report, or within 90 days of
175.32 the date of initial commitment or admission, unless otherwise agreed by the parties.

175.33 (b) The court may, with agreement of the county attorney and the patient's attorney ~~for~~
175.34 ~~the patient~~:

176.1 (1) waive the review hearing under this subdivision and immediately order an
176.2 indeterminate commitment under subdivision 3; or

176.3 (2) continue the review hearing for up to one year.

176.4 (c) If the court finds that the patient should be committed as a person ~~who is mentally~~
176.5 ~~ill~~ who poses a risk of harm due to mental illness, but not as a person who is ~~mentally ill~~
176.6 ~~and has a mental illness and is dangerous to the public~~, the court may commit the ~~person~~
176.7 patient as a person ~~who is mentally ill~~ who poses a risk of harm due to mental illness and
176.8 ~~the person shall be deemed~~ court shall deem the patient not to ~~have been found to be~~
176.9 dangerous to the public for the purposes of subdivisions 4a to 15. Failure of the treatment
176.10 facility or state-operated treatment program to provide the required treatment report at the
176.11 end of the 60-day period shall not result in automatic discharge of the patient.

176.12 Sec. 84. Minnesota Statutes 2018, section 253B.18, subdivision 3, is amended to read:

176.13 Subd. 3. **Indeterminate commitment.** If the court finds at the final determination hearing
176.14 held pursuant to subdivision 2 that the patient continues to be a person who is ~~mentally ill~~
176.15 ~~and has a mental illness and is dangerous to the public~~, then the court shall order commitment
176.16 of the proposed patient for an indeterminate period of time. After a final determination that
176.17 a patient is a person who is ~~mentally ill~~ ~~and has a mental illness and is dangerous to the~~
176.18 public, the patient shall be transferred, provisionally discharged or discharged, only as
176.19 provided in this section.

176.20 Sec. 85. Minnesota Statutes 2018, section 253B.18, subdivision 4a, is amended to read:

176.24 treatment facility according to section 253B.18, subdivision 6, shall not be released on a
176.25 pass unless the pass is part of a pass plan that has been approved by the medical director of
176.26 the secure treatment facility. The pass plan must have a specific therapeutic purpose
176.27 consistent with the treatment plan, must be established for a specific period of time, and
176.28 must have specific levels of liberty delineated. The county case manager must be invited
176.29 to participate in the development of the pass plan. At least ten days prior to a determination
176.30 on the plan, the medical director shall notify the designated agency, the committing court,
176.31 the county attorney of the county of commitment, an interested person, the local law
176.32 enforcement agency where the facility is located, the county attorney and the local law

179.16 effective sooner.

179.17 (c) The special review board shall hold a hearing on each petition prior to making its
179.18 recommendation to the commissioner. The special review board proceedings are not contested

180.20 may be discharged or released and that the victim has a right to submit a written statement
180.21 regarding decisions of the medical director, special review board, or commissioner with
180.22 respect to the person. To the extent possible, the notice must be provided at least 14 days

181.10 unless it appears to the satisfaction of the commissioner, after a hearing and favorable
181.11 recommendation by a majority of the special review board, that the transfer is appropriate.
181.12 Transfer may be to ~~other regional centers under the commissioner's control~~ another
181.13 state-operated treatment program. In those instances where a commitment also exists to the
181.14 Department of Corrections, transfer may be to a facility designated by the commissioner of
181.15 corrections.

181.16 (b) The following factors must be considered in determining whether a transfer is
181.17 appropriate:

181.18 (1) the person's clinical progress and present treatment needs;

181.19 (2) the need for security to accomplish continuing treatment;

181.20 (3) the need for continued institutionalization;

181.30 (b) The following factors are to be considered in determining whether a provisional
181.31 discharge shall be recommended: (1) whether the patient's course of hospitalization and

182.1 present mental status indicate there is no longer a need for treatment and supervision in the
182.2 patient's current treatment setting; and (2) whether the conditions of the provisional discharge
182.3 plan will provide a reasonable degree of protection to the public and will enable the patient
182.4 to adjust successfully to the community.

182.6 Subd. 8. **Provisional discharge plan.** A provisional discharge plan shall be developed,

182.21 (b) Revocation shall be commenced by a notice of intent to revoke provisional discharge,
182.22 which shall be served upon the patient, patient's counsel, and the designated agency. The
182.23 notice shall set forth the grounds upon which the intention to revoke is based, and shall
182.24 inform the patient of the rights of a patient under this chapter.

182.25 (c) In all nonemergency situations, prior to revoking a provisional discharge, the head
182.26 of the treatment facility or program shall obtain a revocation report from the designated
182.27 agency outlining the specific reasons for recommending the revocation, including but not

183.5 program. In emergency cases, a revocation report ~~documenting reasons for revocation~~ shall
183.6 be submitted by the designated agency within seven days after the patient is returned to the
183.7 ~~treatment~~ facility or program.

183.8 Sec. 95. Minnesota Statutes 2018, section 253B.18, subdivision 12, is amended to read:

183.19 of returning the patient to a ~~regional~~ state-operated treatment ~~center~~ program shall be paid
183.20 by the commissioner unless paid by the patient or other persons on the patient's behalf.

183.21 Sec. 96. Minnesota Statutes 2018, section 253B.18, subdivision 14, is amended to read:

183.22 Subd. 14. **Voluntary readmission.** (a) With the consent of the head of the treatment

183.25 agency. If the patient is not returned to provisional discharge status within 60 days, the
183.26 provisional discharge is revoked. Within 15 days of receiving notice of the change in status,
183.27 the patient may request a review of the matter before the special review board. The board
183.28 may recommend a return to a provisional discharge status.

183.29 (b) The treatment facility or state-operated treatment program is not required to petition
183.30 for a further review by the special review board unless the patient's return to the community
183.31 results in substantive change to the existing provisional discharge plan. All the terms and
183.32 conditions of the provisional discharge order shall remain unchanged if the patient is released
183.33 again.

184.1 Sec. 97. Minnesota Statutes 2018, section 253B.18, subdivision 15, is amended to read:

184.2 Subd. 15. **Discharge.** (a) A patient who is ~~mentally ill and~~ a person who has a mental

184.5 majority of the special review board, that the patient is capable of making an acceptable
184.6 adjustment to open society, is no longer dangerous to the public, and is no longer in need
184.7 of treatment and supervision.

184.8 (b) In determining whether a discharge shall be recommended, the special review board
184.9 and commissioner shall consider whether specific conditions exist to provide a reasonable
184.10 degree of protection to the public and to assist the patient in adjusting to the community. If
184.11 the desired conditions do not exist, the discharge shall not be granted.

184.12 Sec. 98. Minnesota Statutes 2018, section 253B.19, subdivision 2, is amended to read:

184.13 Subd. 2. **Petition; hearing.** (a) A ~~person~~ patient committed as ~~mentally ill and~~ a person

184.16 responsibility, may petition the judicial appeal panel for a rehearing and reconsideration of
184.17 a decision by the commissioner under section 253B.18, subdivision 5. The judicial appeal
184.18 panel must not consider petitions for relief other than those considered by the commissioner
184.19 from which the appeal is taken. The petition must be filed with the supreme court within
184.20 30 days after the decision of the commissioner is signed. The hearing must be held within
184.21 45 days of the filing of the petition unless an extension is granted for good cause.

184.22 (b) For an appeal under paragraph (a), the supreme court shall refer the petition to the

184.28 (c) Any person may oppose the petition. The patient, the patient's counsel, the county
184.29 attorney of the committing county or the county of financial responsibility, and the
184.30 commissioner shall participate as parties to the proceeding pending before the judicial appeal
184.31 panel and shall, except when the patient is committed solely as ~~mentally ill and~~ a person
184.32 who has a mental illness and is dangerous to the public, no later than 20 days before the
184.33 hearing on the petition, inform the judicial appeal panel and the opposing party in writing
184.34 whether they support or oppose the petition and provide a summary of facts in support of

185.1 their position. The judicial appeal panel may appoint court examiners and may adjourn the
185.2 hearing from time to time. It shall hear and receive all relevant testimony and evidence and
185.3 make a record of all proceedings. The patient, the patient's counsel, and the county attorney
185.4 of the committing county or the county of financial responsibility have the right to be present
185.5 and may present and cross-examine all witnesses and offer a factual and legal basis in
185.6 support of their positions. The petitioning party seeking discharge or provisional discharge
185.7 bears the burden of going forward with the evidence, which means presenting a prima facie
185.8 case with competent evidence to show that the person is entitled to the requested relief. If
185.9 the petitioning party has met this burden, the party opposing discharge or provisional
185.10 discharge bears the burden of proof by clear and convincing evidence that the discharge or
185.11 provisional discharge should be denied. A party seeking transfer under section 253B.18,
185.12 subdivision 6, must establish by a preponderance of the evidence that the transfer is
185.13 appropriate.

185.28 commissioner shall establish procedures by rule to help the patient receive all public
185.29 assistance benefits provided by state or federal law to which the patient is entitled by
185.30 residence and circumstances. The rule shall be uniformly applied in all counties. All counties

186.12 if notified pursuant to subdivision 6, shall establish a continuing plan of aftercare services
186.13 for the patient including a plan for medical and psychiatric treatment, nursing care, vocational
186.14 assistance, and other assistance the patient needs. The designated agency shall provide case
186.15 management services, supervise and assist the patient in finding employment, suitable
186.16 shelter, and adequate medical and psychiatric treatment, and aid in the patient's readjustment

192.27 or detention facility, rather than a secure treatment facility, until a determination of the
192.28 commitment petition as specified in this subdivision.

193.1 (b) A court may order that a person who is being petitioned for commitment under this
193.2 chapter be confined in a Department of Corrections facility pursuant to the judicial hold
193.3 order under the following circumstances and conditions:

193.4 (1) The person is currently serving a sentence in a Department of Corrections facility

193.19 shall not be transferred to a secure treatment facility until the person's prison term expires.
193.20 After a person has revoked an election to remain in a Department of Corrections facility

193.22 of Corrections facility without the agreement of both parties and the Department of
193.23 Corrections.

193.24 (3) Upon petition by the commissioner of corrections, after notice to the parties and

194.4 Corrections facility pursuant to this provision reaches the person's supervised release date
194.5 and is subject to a period of conditional release, the period of conditional release shall
194.6 commence on the supervised release date even though the person remains in the Department
194.7 of Corrections facility pursuant to this provision. At the end of the later of the executed
194.8 sentence or any applicable conditional release period, the person shall be transferred to a
194.9 secure treatment facility.

194.10 (6) Nothing in this section may be construed to establish a right of an inmate in a state
194.11 correctional facility to participate in sex offender treatment. This section must be construed
194.12 in a manner consistent with the provisions of section 244.03.

194.13 (c) When a person is temporarily confined in a Department of Corrections facility solely

194.15 of corrections may charge the county of financial responsibility for the costs of confinement,

194.21 subdivision 2b or 7, the option to be held in a county correctional or detention facility rather
194.22 than a secure treatment facility, under such terms as may be agreed to by the county, the
194.23 commitment petitioner, and the commitment respondent. If a person makes such an election

195.7 (c) The judicial appeal panel may appoint court examiners and may adjourn the hearing
195.8 from time to time. It shall hear and receive all relevant testimony and evidence and make
195.9 a record of all proceedings. The committed person, the committed person's counsel, and the
195.10 county attorney of the committing county or the county of financial responsibility have the
195.11 right to be present and may present and cross-examine all witnesses and offer a factual and
195.12 legal basis in support of their positions.

195.13 (d) The petitioning party seeking discharge or provisional discharge bears the burden
195.14 of going forward with the evidence, which means presenting a prima facie case with
195.15 competent evidence to show that the person is entitled to the requested relief. If the petitioning
195.16 party has met this burden, the party opposing discharge or provisional discharge bears the
195.17 burden of proof by clear and convincing evidence that the discharge or provisional discharge
195.18 should be denied.

195.19 (e) A party seeking transfer under section 253D.29 must establish by a preponderance
195.20 of the evidence that the transfer is appropriate.

- (3) an order of the court cannot be obtained in time to prevent the anticipated injury.

(b) If the proposed patient has been brought to the treatment facility by another person, the examiner shall make a good faith effort to obtain a statement of information that is available from that person, which must be taken into consideration in deciding whether to place the proposed patient on an emergency hold. The statement of information must include, to the extent available, direct observations of the proposed patient's behaviors, reliable knowledge of recent and past behavior, and information regarding psychiatric history, past treatment, and current mental health providers. The examiner shall also inquire into the existence of health care directives under chapter 145, and advance psychiatric directives under section 253B.03, subdivision 6d.

(c) The examiner's statement shall be: (1) sufficient authority for a peace or health officer to transport a patient to a treatment facility, (2) stated in behavioral terms and not in conclusory language, and (3) of sufficient specificity to provide an adequate record for review. If danger to specific individuals is a basis for the emergency hold, the statement must identify those individuals, to the extent practicable. A copy of the examiner's statement shall be personally served on the person immediately upon admission and a copy shall be maintained by the treatment facility.

(d) A patient must not be allowed or required to consent to nor participate in a clinical drug trial during an emergency admission or hold under this subdivision or subdivision 2. A consent given during a period of an emergency admission or hold is void and unenforceable. This paragraph does not prohibit a patient from continuing participation in a clinical drug trial if the patient was participating in the drug trial at the time of the emergency admission or hold.

Subd. 2. **Peace or health officer authority.** (a) A peace or health officer may take a person into custody and transport the person to a licensed physician or treatment facility if the officer has reason to believe, either through direct observation of the person's behavior, or upon reliable information of the person's recent behavior and knowledge of the person's past behavior or psychiatric treatment, that the person is mentally ill or developmentally disabled and in danger of injuring self or others if not immediately detained. A peace or health officer or a person working under such officer's supervision, may take a person who is believed to be chemically dependent or is intoxicated in public into custody and transport the person to a treatment facility. If the person is intoxicated in public or is believed to be chemically dependent and is not in danger of causing self-harm or harm to any person or property, the peace or health officer may transport the person home. The peace or health officer shall make written application for admission of the person to the treatment facility. The application shall contain the peace or health officer's statement specifying the reasons for and circumstances under which the person was taken into custody. If danger to specific individuals is a basis for the emergency hold, the statement must include identifying information on those individuals, to the extent practicable. A copy of the statement shall be made available to the person

taken into custody. The peace or health officer who makes the application shall provide the officer's name, the agency that employs the officer, and the telephone number or other contact information for purposes of receiving notice under subdivision 3, paragraph (d).

(b) As far as is practicable, a peace officer who provides transportation for a person placed in a facility under this subdivision may not be in uniform and may not use a vehicle visibly marked as a law enforcement vehicle.

(c) A person may be admitted to a treatment facility for emergency care and treatment under this subdivision with the consent of the head of the facility under the following circumstances: (1) a written statement shall only be made by the following individuals who are knowledgeable, trained, and practicing in the diagnosis and treatment of mental illness or developmental disability; the medical officer, or the officer's designee on duty at the facility, including a licensed physician, a licensed physician assistant, or an advanced practice registered nurse who after preliminary examination has determined that the person has symptoms of mental illness or developmental disability and appears to be in danger of harming self or others if not immediately detained; or (2) a written statement is made by the institution program director or the director's designee on duty at the facility after preliminary examination that the person has symptoms of chemical dependency and appears to be in danger of harming self or others if not immediately detained or is intoxicated in public.

Subd. 2b. **Notice.** Every person held pursuant to this section must be informed in writing at the time of admission of the right to leave after 72 hours, to a medical examination within 48 hours, and to request a change to voluntary status. The treatment facility shall, upon request, assist the person in exercising the rights granted in this subdivision.

Subd. 3. **Duration of hold.** (a) Any person held pursuant to this section may be held up to 72 hours, exclusive of Saturdays, Sundays, and legal holidays after admission. If a petition for the commitment of the person is filed in the district court in the county of financial responsibility or of the county in which the treatment facility is located, the court may issue a judicial hold order pursuant to section 253B.07, subdivision 2b.

(b) During the 72-hour hold period, a court may not release a person held under this section unless the court has received a written petition for release and held a summary hearing regarding the release. The petition must include the name of the person being held, the basis for and location of the hold, and a statement as to why the hold is improper. The petition also must include copies of any written documentation under subdivision 1 or 2 in support of the hold, unless the person holding the petitioner refuses to supply the documentation. The hearing must be held as soon as practicable and may be conducted by means of a telephone conference call or similar method by which the participants are able to simultaneously hear each other. If the court decides to release the person, the court shall direct the release and shall issue written findings supporting the decision. The release may not be delayed pending the written order. Before deciding to release the person, the court shall make every reasonable effort to provide notice of the proposed release to:

- (1) any specific individuals identified in a statement under subdivision 1 or 2 or individuals identified in the record who might be endangered if the person was not held;
- (2) the examiner whose written statement was a basis for a hold under subdivision 1; and
- (3) the peace or health officer who applied for a hold under subdivision 2.

(c) If a person is intoxicated in public and held under this section for detoxification, a treatment facility may release the person without providing notice under paragraph (d) as soon as the treatment facility determines the person is no longer a danger to themselves or others. Notice must be provided to the peace officer or health officer who transported the person, or the appropriate law enforcement agency, if the officer or agency requests notification.

(d) Notwithstanding section 144.293, subdivisions 2 and 4, if a treatment facility releases or discharges a person during the 72-hour hold period or if the person leaves the facility without the consent of the treating health care provider, the head of the treatment facility shall immediately notify the agency which employs the peace or health officer who transported the person to the treatment facility under this section. This paragraph does not apply to the extent that the notice would violate federal law governing the confidentiality of alcohol and drug abuse patient records under Code of Federal Regulations, title 42, part 2.

(e) A person held under a 72-hour emergency hold must be released by the facility within 72 hours unless a court order to hold the person is obtained. A consecutive emergency hold order under this section may not be issued.

Subd. 4. **Change of status.** Any person admitted pursuant to this section shall be changed to voluntary status provided by section 253B.04 upon the person's request in writing and with the consent of the head of the treatment facility.

253B.064 COURT-ORDERED EARLY INTERVENTION; PRELIMINARY PROCEDURES.

Subdivision 1. **General.** (a) An interested person may apply to the designated agency for early intervention of a proposed patient in the county of financial responsibility or the county where the patient is present. If the designated agency determines that early intervention may be appropriate, a prepetition screening report must be prepared pursuant to section 253B.07, subdivision 1. The county attorney may file a petition for early intervention following the procedures of section 253B.07, subdivision 2.

(b) The proposed patient is entitled to representation by counsel, pursuant to section 253B.07, subdivision 2c. The proposed patient shall be examined by an examiner, and has the right to a second independent examiner, pursuant to section 253B.07, subdivisions 3 and 5.

Subd. 2. **Prehearing examination; failure to appear.** If a proposed patient fails to appear for the examination, the court may:

(1) reschedule the examination; or

(2) deem the failure to appear as a waiver of the proposed patient's right to an examination and consider the failure to appear when deciding the merits of the petition for early intervention.

Subd. 3. **County option.** Nothing in sections 253B.064 to 253B.066 requires a county to use early intervention procedures.

253B.065 COURT-ORDERED EARLY INTERVENTION; HEARING PROCEDURES.

Subdivision 1. **Time for early intervention hearing.** The hearing on the petition for early intervention shall be held within 14 days from the date of the filing of the petition. For good cause shown, the court may extend the time of hearing up to an additional 30 days. When any proposed patient has not had a hearing on a petition filed for early intervention within the allowed time, the proceedings shall be dismissed.

Subd. 2. **Notice of hearing.** The proposed patient, the patient's counsel, the petitioner, the county attorney, and any other persons as the court directs shall be given at least five days' notice that a hearing will be held and at least two days' notice of the time and date of the hearing, except that any person may waive notice. Notice to the proposed patient may be waived by patient's counsel.

Subd. 3. **Failure to appear.** If a proposed patient fails to appear at the hearing, the court may reschedule the hearing within five days and direct a health officer, peace officer, or other person to take the proposed patient to an appropriate treatment facility designated by the court and transport the person to the hearing.

Subd. 4. **Procedures.** The hearing must be conducted pursuant to section 253B.08, subdivisions 3 to 8.

Subd. 5. **Early intervention criteria.** (a) A court shall order early intervention treatment of a proposed patient who meets the criteria under paragraph (b) or (c). The early intervention treatment must be less intrusive than long-term inpatient commitment and must be the least restrictive treatment program available that can meet the patient's treatment needs.

(b) The court shall order early intervention treatment if the court finds all of the elements of the following factors by clear and convincing evidence:

(1) the proposed patient is mentally ill;

(2) the proposed patient refuses to accept appropriate mental health treatment; and

(3) the proposed patient's mental illness is manifested by instances of grossly disturbed behavior or faulty perceptions and either:

(i) the grossly disturbed behavior or faulty perceptions significantly interfere with the proposed patient's ability to care for self and the proposed patient, when competent, would have chosen substantially similar treatment under the same circumstances; or

(ii) due to the mental illness, the proposed patient received court-ordered inpatient treatment under section 253B.09 at least two times in the previous three years; the patient is exhibiting

APPENDIX
Repealed Minnesota Statutes: S3322-1

symptoms or behavior substantially similar to those that precipitated one or more of the court-ordered treatments; and the patient is reasonably expected to physically or mentally deteriorate to the point of meeting the criteria for commitment under section 253B.09 unless treated.

For purposes of this paragraph, a proposed patient who was released under section 253B.095 and whose release was not revoked is not considered to have received court-ordered inpatient treatment under section 253B.09.

(c) The court may order early intervention treatment if the court finds by clear and convincing evidence that a pregnant woman is a chemically dependent person. A chemically dependent person for purposes of this section is a woman who has during pregnancy engaged in excessive use, for a nonmedical purpose, of controlled substances or their derivatives, alcohol, or inhalants that will pose a substantial risk of damage to the brain or physical development of the fetus.

(d) For purposes of paragraphs (b) and (c), none of the following constitute a refusal to accept appropriate mental health treatment:

(1) a willingness to take medication but a reasonable disagreement about type or dosage;

(2) a good faith effort to follow a reasonable alternative treatment plan, including treatment as specified in a valid advance directive under chapter 145C or section 253B.03, subdivision 6d;

(3) an inability to obtain access to appropriate treatment because of inadequate health care coverage or an insurer's refusal or delay in providing coverage for the treatment; or

(4) an inability to obtain access to needed mental health services because the provider will only accept patients who are under a court order or because the provider gives persons under a court order a priority over voluntary patients in obtaining treatment and services.

253B.066 COURT-ORDERED EARLY INTERVENTION; DECISION; TREATMENT ALTERNATIVES; DURATION.

Subdivision 1. **Treatment alternatives.** If the court orders early intervention under section 253B.065, subdivision 5, the court may include in its order a variety of treatment alternatives including, but not limited to, day treatment, medication compliance monitoring, assertive community treatment, crisis assessment and stabilization, partial hospitalization, and short-term hospitalization not to exceed 21 days.

If the court orders short-term hospitalization and the proposed patient will not go voluntarily, the court may direct a health officer, peace officer, or other person to take the person into custody and transport the person to the hospital.

Subd. 2. **Findings.** The court shall find the facts specifically and separately state its conclusions of law in its order. Where early intervention is ordered, the findings of fact and conclusions of law shall specifically state the proposed patient's conduct which is a basis for determining that each of the requisites for early intervention is met.

The court shall also determine the nature and extent of the property of the patient and of the persons who are liable for the patient's care.

Subd. 3. **Duration.** The order for early intervention shall not exceed 90 days.

253B.09 DECISION; STANDARD OF PROOF; DURATION.

Subd. 3. **Financial determination.** The court shall determine the nature and extent of the property of the patient and of the persons who are liable for the patient's care. If the patient is committed to a regional treatment center, the court shall send a copy of the commitment order to the commissioner.

253B.12 TREATMENT REPORT; REVIEW; HEARING.

Subd. 2. **Basis for discharge.** If no written report is filed within the required time or if the written statement describes the patient as not in need of further institutional care and treatment, the proceedings shall be terminated by the committing court, and the patient shall be discharged from the treatment facility.

253B.15 PROVISIONAL DISCHARGE; PARTIAL INSTITUTIONALIZATION.

Subd. 11. **Partial institutionalization.** The head of a treatment facility may place any committed person on a status of partial institutionalization. The status shall allow the patient to be absent from

APPENDIX
Repealed Minnesota Statutes: S3322-1

the facility for certain fixed periods of time. The head of the facility may terminate the status at any time.

253B.20 DISCHARGE; ADMINISTRATIVE PROCEDURE.

Subd. 7. **Services.** A committed person may at any time after discharge, provisional discharge or partial treatment, apply to the head of the treatment facility within whose district the committed person resides for treatment. The head of the treatment facility, on determining that the applicant requires service, may provide needed services related to mental illness, developmental disability, or chemical dependency to the applicant. The services shall be provided in regional centers under terms and conditions established by the commissioner.

Laws 2005, First Special Session chapter 4, article 7, section 50

Sec. 50. CONSUMER-DIRECTED COMMUNITY SUPPORTS METHODOLOGY.

(a) Effective upon federal approval, for persons using the home and community-based waiver for persons with developmental disabilities whose consumer-directed community supports budgets were reduced by the October 2004, state-set budget methodology, the commissioner of human services must allow exceptions to exceed the state-set budget formula up to the daily average cost during calendar year 2004 or for persons who graduated from school during 2004, the average daily cost during July through December 2004, less one-half of case management and home modifications over \$5,000 when the individual's county of financial responsibility determines that:

(1) necessary alternative services will cost the same or more than the person's current budget; and

(2) administrative expenses or provider rates will result in fewer hours of needed staffing for the person than under the consumer-directed community supports option. Any exceptions the county grants must be within the county's allowable aggregate amount for the home and community-based waiver for persons with developmental disabilities.

(b) This section expires on the date the commissioner of human services implements a new consumer-directed community supports budget methodology that is based on information about the services and supports intensity needs of persons using the option and that adequately accounts for the increased costs of adults who graduate from school and need services funded by the waiver during the day.

Laws 2005, First Special Session chapter 4, article 7, section 51

Sec. 51. COSTS ASSOCIATED WITH PHYSICAL ACTIVITIES.

Effective upon federal approval, the expenses allowed for adults under the consumer-directed community supports option shall include the costs at the lowest rate available considering daily, monthly, semi-annual, annual, or membership rates, including transportation, associated with physical exercise or other physical activities to maintain or improve the person's health and functioning.

Sec. 72. Laws 2012, chapter 247, article 4, section 47, is amended to read:

Sec. 47. COMMISSIONER TO SEEK AMENDMENT FOR EXCEPTION TO CONSUMER-DIRECTED COMMUNITY SUPPORTS BUDGET METHODOLOGY.

By July 1, 2014, if necessary, the commissioner shall request an amendment to the home and community-based services waivers authorized under Minnesota Statutes, sections 256B.092 and 256B.49, to establish an exception to the consumer-directed community supports budget methodology to provide up to 20 percent more funds for those participants who have their 21st birthday and graduate from high school between 2013 to 2015 and are authorized for more services under consumer-directed community supports prior to graduation than the amount they are eligible to receive under the current consumer-directed community supports budget methodology. The exception is limited to those who can demonstrate that they will have to leave consumer-directed community supports and use other waiver services because their need for day or employment supports cannot be met within the consumer-directed community supports budget limits. The commissioner shall consult with the stakeholder group authorized under Minnesota Statutes, section 256B.0657, subdivision 11, to implement this provision. The exception process shall be effective upon federal approval for persons eligible through June 30, 2017.

Sec. 54. CONSUMER-DIRECTED COMMUNITY SUPPORTS BUDGET METHODOLOGY EXCEPTION.

(a) No later than September 30, 2015, if necessary, the commissioner of human services shall submit an amendment to the Centers for Medicare and Medicaid Services for the home and community-based services waivers authorized under Minnesota Statutes, sections 256B.092 and 256B.49, to establish an exception to the consumer-directed community supports budget methodology to provide up to 20 percent more funds for:

(1) consumer-directed community supports participants who have graduated from high school and have a coordinated service and support plan which identifies the need for more services under consumer-directed community supports, either prior to graduation or in order to increase the amount of time a person works or to improve their employment opportunities, than the amount they are eligible to receive under the current consumer-directed community supports budget methodology; and

(2) home and community-based waiver participants who are currently using licensed services for employment supports or services during the day which cost more annually than the person would spend under a consumer-directed community supports plan for individualized employment supports or services during the day.

(b) The exception under paragraph (a) is limited to those persons who can demonstrate either that they will have to leave consumer-directed community supports and use other waiver services because their need for day or employment supports cannot be met within the consumer-directed community supports budget limits or they will move to consumer-directed community supports and their services will cost less than services currently being used.

EFFECTIVE DATE. The exception under this section is effective October 1, 2015, or upon federal approval, whichever is later. The commissioner of human services shall notify the revisor of statutes when this occurs.

(1) consumer-directed community supports participants who have a coordinated service and support plan which identifies the need for an increased amount of services or supports under consumer-directed community supports than the amount they are currently receiving under the consumer-directed community supports budget methodology:

(i) to increase the amount of time a person works or otherwise improves employment opportunities;

(ii) to plan a transition to, move to, or live in a setting described in Minnesota Statutes, section 256D.44, subdivision 5, paragraph (g), clause (1), item (iii); or

(iii) to develop and implement a positive behavior support plan; or

(2) home and community-based waiver participants who are currently using licensed providers for (i) employment supports or services during the day; or (ii) residential services, either of which cost more annually than the person would spend under a consumer-directed community supports plan for any or all of the supports needed to meet the goals identified in paragraph (a), clause (1), items (i), (ii), and (iii).

(b) The exception under paragraph (a), clause (1), is limited to those persons who can demonstrate that they will have to discontinue using consumer-directed community supports and accept other non-self-directed waiver services because their supports needed for the goals described in paragraph

This budget exception process shall be available for any individual who:

(1) is not offered available and appropriate services within 60 days since approval for discharge from the individual's current institutional setting; and

- (j) No later than September 30, 2019, the commissioner of human services shall:
