7.1 been in compliance with the rules and regulations necessary to maintain the provider's
7.2 authorization.

7.3 **EFFECTIVE DATE.** This section is effective July 1, 2021, except that the language
7.4 in paragraph (g) is effective retroactively from July 1, 2020.

7.5 Sec. 4. Minnesota Statutes 2020, section 252.27, subdivision 2a, is amended to read:

7.6 Subd. 2a. **Contribution amount.** (a) The natural or adoptive parents of a minor child,
7.7 not including a child determined eligible for medical assistance without consideration of
7.8 parental income under the TEFRA option or for the purposes of accessing home and
7.9 community-based waiver services, must contribute to the cost of services used by making
7.10 monthly payments on a sliding scale based on income, unless the child is married or has
7.11 been married, parental rights have been terminated, or the child's adoption is subsidized
7.12 according to chapter 259A or through title IV-E of the Social Security Act. The parental
7.13 contribution is a partial or full payment for medical services provided for diagnostic,
7.14 therapeutic, curing, treating, mitigating, rehabilitation, maintenance, and personal care
7.15 services as defined in United States Code, title 26, section 213, needed by the child with a
7.16 chronic illness or disability.

7.17 (b) For households with adjusted gross income equal to or greater than 275 percent of
7.18 federal poverty guidelines, the parental contribution shall be computed by applying the
7.19 following schedule of rates to the adjusted gross income of the natural or adoptive parents:

7.20 (1) if the adjusted gross income is equal to or greater than 275 percent of federal poverty
7.21 guidelines and less than or equal to 545 percent of federal poverty guidelines, the parental
7.22 contribution shall be determined using a sliding fee scale established by the commissioner
7.23 of human services which begins at 1.65 percent of adjusted gross income at 275 percent of
7.24 federal poverty guidelines and increases to 4.5 percent of adjusted gross income for those
7.25 with adjusted gross income up to 545 percent of federal poverty guidelines;

7.26 (2) if the adjusted gross income is greater than 545 percent of federal poverty guidelines
7.27 and less than 675 percent of federal poverty guidelines, the parental contribution shall be
7.28 4.5 percent of adjusted gross income;

7.29 (3) if the adjusted gross income is equal to or greater than 675 percent of federal poverty
7.30 guidelines and less than 975 percent of federal poverty guidelines, the parental contribution
7.31 shall be determined using a sliding fee scale established by the commissioner of human
7.32 services which begins at 4.5 percent of adjusted gross income at 675 percent of federal

8.1 poverty guidelines and increases to 5.99 percent of adjusted gross income for those with
8.2 adjusted gross income up to 975 percent of federal poverty guidelines; and

8.3 (4) if the adjusted gross income is equal to or greater than 975 percent of federal poverty
8.4 guidelines, the parental contribution shall be 7.49 percent of adjusted gross income.

8.5 If the child lives with the parent, the annual adjusted gross income is reduced by \$2,400
8.6 prior to calculating the parental contribution. If the child resides in an institution specified
8.7 in section 256B.35, the parent is responsible for the personal needs allowance specified
8.8 under that section in addition to the parental contribution determined under this section.
8.9 The parental contribution is reduced by any amount required to be paid directly to the child
8.10 pursuant to a court order, but only if actually paid.

8.11 (c) The household size to be used in determining the amount of contribution under
8.12 paragraph (b) includes natural and adoptive parents and their dependents, including the
8.13 child receiving services. Adjustments in the contribution amount due to annual changes in
8.14 the federal poverty guidelines shall be implemented on the first day of July following
8.15 publication of the changes.

8.16 (d) For purposes of paragraph (b), "income" means the adjusted gross income of the
8.17 natural or adoptive parents determined according to the previous year's federal tax form,
8.18 except, effective retroactive to July 1, 2003, taxable capital gains to the extent the funds
8.19 have been used to purchase a home shall not be counted as income.

8.20 (e) The contribution shall be explained in writing to the parents at the time eligibility
8.21 for services is being determined. The contribution shall be made on a monthly basis effective
8.22 with the first month in which the child receives services. Annually upon redetermination
8.23 or at termination of eligibility, if the contribution exceeded the cost of services provided,
8.24 the local agency or the state shall reimburse that excess amount to the parents, either by
8.25 direct reimbursement if the parent is no longer required to pay a contribution, or by a
8.26 reduction in or waiver of parental fees until the excess amount is exhausted. All
8.27 reimbursements must include a notice that the amount reimbursed may be taxable income
8.28 if the parent paid for the parent's fees through an employer's health care flexible spending
8.29 account under the Internal Revenue Code, section 125, and that the parent is responsible
8.30 for paying the taxes owed on the amount reimbursed.

8.31 (f) The monthly contribution amount must be reviewed at least every 12 months; when
8.32 there is a change in household size; and when there is a loss of or gain in income from one
8.33 month to another in excess of ten percent. The local agency shall mail a written notice 30
8.34 days in advance of the effective date of a change in the contribution amount. A decrease in

9.1 the contribution amount is effective in the month that the parent verifies a reduction in
9.2 income or change in household size.

9.3 (g) Parents of a minor child who do not live with each other shall each pay the
9.4 contribution required under paragraph (a). An amount equal to the annual court-ordered
9.5 child support payment actually paid on behalf of the child receiving services shall be deducted
9.6 from the adjusted gross income of the parent making the payment prior to calculating the
9.7 parental contribution under paragraph (b).

9.8 (h) The contribution under paragraph (b) shall be increased by an additional five percent
9.9 if the local agency determines that insurance coverage is available but not obtained for the
9.10 child. For purposes of this section, "available" means the insurance is a benefit of employment
9.11 for a family member at an annual cost of no more than five percent of the family's annual
9.12 income. For purposes of this section, "insurance" means health and accident insurance
9.13 coverage, enrollment in a nonprofit health service plan, health maintenance organization,
9.14 self-insured plan, or preferred provider organization.

9.15 Parents who have more than one child receiving services shall not be required to pay
9.16 more than the amount for the child with the highest expenditures. There shall be no resource
9.17 contribution from the parents. The parent shall not be required to pay a contribution in
9.18 excess of the cost of the services provided to the child, not counting payments made to
9.19 school districts for education-related services. Notice of an increase in fee payment must
9.20 be given at least 30 days before the increased fee is due.

9.21 (i) The contribution under paragraph (b) shall be reduced by \$300 per fiscal year if, in
9.22 the 12 months prior to July 1:

9.23 (1) the parent applied for insurance for the child;

9.24 (2) the insurer denied insurance;

9.25 (3) the parents submitted a complaint or appeal, in writing to the insurer, submitted a
9.26 complaint or appeal, in writing, to the commissioner of health or the commissioner of
9.27 commerce, or litigated the complaint or appeal; and

9.28 (4) as a result of the dispute, the insurer reversed its decision and granted insurance.

9.29 For purposes of this section, "insurance" has the meaning given in paragraph (h).

9.30 A parent who has requested a reduction in the contribution amount under this paragraph
9.31 shall submit proof in the form and manner prescribed by the commissioner or county agency,
9.32 including, but not limited to, the insurer's denial of insurance, the written letter or complaint
9.33 of the parents, court documents, and the written response of the insurer approving insurance.

10.1 The determinations of the commissioner or county agency under this paragraph are not rules
 10.2 subject to chapter 14.

10.3 Sec. 5. Minnesota Statutes 2020, section 256B.14, subdivision 2, is amended to read:

10.4 Subd. 2. **Actions to obtain payment.** The state agency shall promulgate rules to
 10.5 determine the ability of responsible relatives to contribute partial or complete payment or
 10.6 repayment of medical assistance furnished to recipients for whom they are responsible. All
 10.7 medical assistance exclusions shall be allowed, and a resource limit of \$10,000 for
 10.8 nonexcluded resources shall be implemented. Above these limits, a contribution of one-third
 10.9 of the excess resources shall be required. These rules shall not require payment or repayment
 10.10 when payment would cause undue hardship to the responsible relative or that relative's
 10.11 immediate family. These rules shall ~~be consistent with the requirements of section 252.27~~
 10.12 ~~for~~ not apply to parents of children whose eligibility for medical assistance was determined
 10.13 without deeming of the parents' resources and income under the TEFRA option or for the
 10.14 purposes of accessing home and community-based waiver services. The county agency
 10.15 shall give the responsible relative notice of the amount of the payment or repayment. If the
 10.16 state agency or county agency finds that notice of the payment obligation was given to the
 10.17 responsible relative, but that the relative failed or refused to pay, a cause of action exists
 10.18 against the responsible relative for that portion of medical assistance granted after notice
 10.19 was given to the responsible relative, which the relative was determined to be able to pay.

10.20 The action may be brought by the state agency or the county agency in the county where
 10.21 assistance was granted, for the assistance, together with the costs of disbursements incurred
 10.22 due to the action.

10.23 In addition to granting the county or state agency a money judgment, the court may,
 10.24 upon a motion or order to show cause, order continuing contributions by a responsible
 10.25 relative found able to repay the county or state agency. The order shall be effective only
 10.26 for the period of time during which the recipient receives medical assistance from the county
 10.27 or state agency.

10.28 Sec. 6. Minnesota Statutes 2020, section 256D.051, is amended by adding a subdivision
 10.29 to read:

 10.31 Supplemental Nutrition Assistance Program (SNAP) employment and training program
 10.32 that meets the SNAP employment and training participation requirements of the United
 10.33 States Department of Agriculture governed by Code of Federal Regulations, title 7, section

11.1 273.7. The commissioner shall operate a SNAP employment and training program in which
 11.2 SNAP recipients elect to participate. In order to receive SNAP assistance beyond the time

17.10 failure to attend the orientation is considered an occurrence of noncompliance with program
17.11 requirements, and will result in the imposition of a sanction under section 256J.46. If the
17.12 client complies with the orientation requirement prior to the first day of the month in which
17.13 the grant reduction is proposed to occur, the orientation sanction shall be lifted.

17.18 improve participant outcomes as measured in section 256J.751, subdivision 2. Counties and
17.19 tribes that administer MFIP eligibility may use the funds for any allowable expenditures
17.20 under subdivision 2, including case management. Tribes that do not administer MFIP
17.21 eligibility may use the funds for any allowable expenditures under subdivision 2, including

17.25 **EFFECTIVE DATE.** This section is effective July 1, 2021.

17.26 Sec. 18. Minnesota Statutes 2020, section 256J.95, subdivision 5, is amended to read:

17.27 Subd. 5. **Submitting application form.** The eligibility date for the diversionary work
17.28 program begins ~~with~~ on the date that the ~~signed~~ combined application form (CAF) is received
17.29 by the county agency either as a signed written application; an application submitted by
17.30 telephone; or an application submitted through Internet telepresence; or on the date that
17.31 diversionary work program eligibility criteria are met, whichever is later. The county agency

18.1 must inform an applicant that when the applicant submits the application by telephone or
18.2 through Internet telepresence, the county agency must receive a signed written application
18.3 within 30 days of the date that the applicant submitted the application by telephone or
18.4 through Internet telepresence. The county agency must inform the applicant that any delay
18.5 in submitting the application will reduce the benefits paid for the month of application. The
18.6 county agency must inform a person that an application may be submitted before the person
18.7 has an interview appointment. Upon receipt of a signed application, the county agency must
18.8 stamp the date of receipt on the face of the application. The applicant may withdraw the
18.9 application at any time prior to approval by giving written or oral notice to the county
18.10 agency. The county agency must follow the notice requirements in section 256J.09,
18.11 subdivision 3, when issuing a notice confirming the withdrawal.

18.12 Sec. 19. Minnesota Statutes 2020, section 256N.02, subdivision 16, is amended to read:

18.13 Subd. 16. **Permanent legal and physical custody.** "Permanent legal and physical
18.14 custody" means: (1) a full transfer of permanent legal and physical custody of a child ordered
18.15 by a Minnesota juvenile court under section 260C.515, subdivision 4, to a relative ~~ordered~~
18.16 ~~by a Minnesota juvenile court under section 260C.515, subdivision 4,~~ who is not the child's
18.17 parent as defined in section 260C.007, subdivision 25; or (2) for a child under jurisdiction
18.18 of a tribal court, a judicial determination under a similar provision in tribal code which
18.19 means that a relative will assume the duty and authority to provide care, control, and
18.20 protection of a child who is residing in foster care, and to make decisions regarding the
18.21 child's education, health care, and general welfare until adulthood. To establish eligibility
18.22 for Northstar kinship assistance, permanent legal and physical custody does not include
18.23 joint legal custody, joint physical custody, or joint legal and joint physical custody of a child
18.24 shared by the child's parent and relative custodian.

18.25 Sec. 20. Minnesota Statutes 2020, section 256N.02, subdivision 17, is amended to read:

18.26 Subd. 17. **Reassessment.** "Reassessment" means an update of a previous assessment
18.27 through the process under section 256N.24 for a child who has been continuously eligible
18.28 for Northstar Care for Children, or when a child identified as an at-risk child (Level A)
18.29 under ~~guardianship or~~ adoption assistance has manifested the disability upon which eligibility
18.30 for the agreement was based according to section 256N.25, subdivision 3, paragraph (b).
18.31 A reassessment may be used to update an initial assessment, a special assessment, or a
18.32 previous reassessment.

19.1 Sec. 21. Minnesota Statutes 2020, section 256N.22, subdivision 1, is amended to read:

19.2 Subdivision 1. **General eligibility requirements.** (a) To be eligible for Northstar kinship
19.3 assistance under this section, there must be a judicial determination under section 260C.515,
19.4 subdivision 4, that a transfer of permanent legal and physical custody to a relative who is
19.5 not the child's parent is in the child's best interest. For a child under jurisdiction of a tribal
19.6 court, a judicial determination under a similar provision in tribal code indicating that a
19.7 relative will assume the duty and authority to provide care, control, and protection of a child
19.8 who is residing in foster care, and to make decisions regarding the child's education, health
19.9 care, and general welfare until adulthood, and that this is in the child's best interest is
19.10 considered equivalent. A child whose parent shares legal, physical, or legal and physical
19.11 custody of the child with a relative custodian is not eligible for Northstar kinship assistance.

19.12 Additionally, a child must:

19.13 (1) have been removed from the child's home pursuant to a voluntary placement
19.14 agreement or court order;

19.15 (2)(i) have resided with the prospective relative custodian who has been a licensed child
19.16 foster parent for at least six consecutive months; or

19.17 (ii) have received from the commissioner an exemption from the requirement in item

19.18 (i) that the prospective relative custodian has been a licensed child foster parent for at least
19.19 six consecutive months, based on a determination that:

19.20 (A) an expedited move to permanency is in the child's best interest;

19.21 (B) expedited permanency cannot be completed without provision of Northstar kinship
19.22 assistance;

19.23 (C) the prospective relative custodian is uniquely qualified to meet the child's needs, as
19.24 defined in section 260C.212, subdivision 2, on a permanent basis;

19.25 (D) the child and prospective relative custodian meet the eligibility requirements of this
19.26 section; and

19.27 (E) efforts were made by the legally responsible agency to place the child with the
19.28 prospective relative custodian as a licensed child foster parent for six consecutive months
19.29 before permanency, or an explanation why these efforts were not in the child's best interests;

19.30 (3) meet the agency determinations regarding permanency requirements in subdivision
19.31 2;

19.32 (4) meet the applicable citizenship and immigration requirements in subdivision 3;

20.1 (5) have been consulted regarding the proposed transfer of permanent legal and physical
20.2 custody to a relative, if the child is at least 14 years of age or is expected to attain 14 years
20.3 of age prior to the transfer of permanent legal and physical custody; and

20.4 (6) have a written, binding agreement under section 256N.25 among the caregiver or
20.5 caregivers, the financially responsible agency, and the commissioner established prior to
20.6 transfer of permanent legal and physical custody.

20.7 (b) In addition to the requirements in paragraph (a), the child's prospective relative
20.8 custodian or custodians must meet the applicable background study requirements in
20.9 subdivision 4.

20.10 (c) To be eligible for title IV-E Northstar kinship assistance, a child must also meet any
20.11 additional criteria in section 473(d) of the Social Security Act. The sibling of a child who
20.12 meets the criteria for title IV-E Northstar kinship assistance in section 473(d) of the Social
20.13 Security Act is eligible for title IV-E Northstar kinship assistance if the child and sibling
20.14 are placed with the same prospective relative custodian or custodians, and the legally
20.15 responsible agency, relatives, and commissioner agree on the appropriateness of the
20.16 arrangement for the sibling. A child who meets all eligibility criteria except those specific
20.17 to title IV-E Northstar kinship assistance is entitled to Northstar kinship assistance paid
20.18 through funds other than title IV-E.

20.19 Sec. 22. Minnesota Statutes 2020, section 256N.23, subdivision 2, is amended to read:

20.20 Subd. 2. **Special needs determination.** (a) A child is considered a child with special
20.21 needs under this section if the requirements in paragraphs (b) to (g) are met.

20.22 (b) There must be a determination that the child must not or should not be returned to
20.23 the home of the child's parents as evidenced by:

20.24 (1) a court-ordered termination of parental rights;

20.25 (2) a petition to terminate parental rights;

20.26 (3) consent of the child's parent to adoption accepted by the court under chapter 260C
20.27 or, in the case of a child receiving Northstar kinship assistance payments under section
20.28 256N.22, consent of the child's parent to the child's adoption executed under chapter 259;

20.29 (4) in circumstances when tribal law permits the child to be adopted without a termination
20.30 of parental rights, a judicial determination by a tribal court indicating the valid reason why
20.31 the child cannot or should not return home;

21.1 (5) a voluntary relinquishment under section 259.25 ~~or 259.47~~ or, if relinquishment
21.2 occurred in another state, the applicable laws in that state; or

21.3 (6) the death of the legal parent or parents if the child has two legal parents.

21.4 (c) There exists a specific factor or condition of which it is reasonable to conclude that
21.5 the child cannot be placed with adoptive parents without providing adoption assistance as
21.6 evidenced by:

21.7 (1) a determination by the Social Security Administration that the child meets all medical
21.8 or disability requirements of title XVI of the Social Security Act with respect to eligibility
21.9 for Supplemental Security Income benefits;

21.10 (2) a documented physical, mental, emotional, or behavioral disability not covered under
21.11 clause (1);

21.12 (3) a member of a sibling group being adopted at the same time by the same parent;

21.13 (4) an adoptive placement in the home of a parent who previously adopted a sibling for
21.14 whom they receive adoption assistance; or

21.15 (5) documentation that the child is an at-risk child.

21.16 (d) A reasonable but unsuccessful effort must have been made to place the child with
21.17 adoptive parents without providing adoption assistance as evidenced by:

21.18 (1) a documented search for an appropriate adoptive placement; or

21.19 (2) a determination by the commissioner that a search under clause (1) is not in the best
21.20 interests of the child.

21.21 (e) The requirement for a documented search for an appropriate adoptive placement
21.22 under paragraph (d), including the registration of the child with the state adoption exchange
21.23 and other recruitment methods under paragraph (f), must be waived if:

21.24 (1) the child is being adopted by a relative and it is determined by the child-placing
21.25 agency that adoption by the relative is in the best interests of the child;

21.26 (2) the child is being adopted by a foster parent with whom the child has developed
21.27 significant emotional ties while in the foster parent's care as a foster child and it is determined
21.28 by the child-placing agency that adoption by the foster parent is in the best interests of the
21.29 child; or

22.1 (3) the child is being adopted by a parent that previously adopted a sibling of the child,
22.2 and it is determined by the child-placing agency that adoption by this parent is in the best
22.3 interests of the child.

22.4 For an Indian child covered by the Indian Child Welfare Act, a waiver must not be
22.5 granted unless the child-placing agency has complied with the placement preferences required
22.6 by the Indian Child Welfare Act, United States Code, title 25, section 1915(a).

22.7 (f) To meet the requirement of a documented search for an appropriate adoptive placement
22.8 under paragraph (d), clause (1), the child-placing agency minimally must:

22.9 (1) conduct a relative search as required by section 260C.221 and give consideration to
22.10 placement with a relative, as required by section 260C.212, subdivision 2;

22.11 (2) comply with the placement preferences required by the Indian Child Welfare Act
22.12 when the Indian Child Welfare Act, United States Code, title 25, section 1915(a), applies;

22.13 (3) locate prospective adoptive families by registering the child on the state adoption
22.14 exchange, as required under section 259.75; and

22.15 (4) if registration with the state adoption exchange does not result in the identification
22.16 of an appropriate adoptive placement, the agency must employ additional recruitment
22.17 methods prescribed by the commissioner.

22.18 (g) Once the legally responsible agency has determined that placement with an identified
22.19 parent is in the child's best interests and made full written disclosure about the child's social
22.20 and medical history, the agency must ask the prospective adoptive parent if the prospective
22.21 adoptive parent is willing to adopt the child without receiving adoption assistance under
22.22 this section. If the identified parent is either unwilling or unable to adopt the child without
22.23 adoption assistance, the legally responsible agency must provide documentation as prescribed
22.24 by the commissioner to fulfill the requirement to make a reasonable effort to place the child
22.25 without adoption assistance. If the identified parent is willing to adopt the child without
22.26 adoption assistance, the parent must provide a written statement to this effect to the legally
22.27 responsible agency and the statement must be maintained in the permanent adoption record
22.28 of the legally responsible agency. For children under guardianship of the commissioner,
22.29 the legally responsible agency shall submit a copy of this statement to the commissioner to
22.30 be maintained in the permanent adoption record.

22.31 Sec. 23. Minnesota Statutes 2020, section 256N.23, subdivision 6, is amended to read:

22.32 Subd. 6. **Exclusions.** The commissioner must not enter into an adoption assistance
22.33 agreement with the following individuals:

- 23.1 (1) a child's biological parent or stepparent;
- 23.2 (2) a child's relative under section 260C.007, subdivision 26b or 27, with whom the
- 23.3 child resided immediately prior to child welfare involvement unless:
- 23.4 (i) the child was in the custody of a Minnesota county or tribal agency pursuant to an
- 23.5 order under chapter 260C or equivalent provisions of tribal code and the agency had
- 23.6 placement and care responsibility for permanency planning for the child; and
- 23.7 (ii) the child is under guardianship of the commissioner of human services according to
- 23.8 the requirements of section 260C.325, subdivision 1 or 3, or is a ward of a Minnesota tribal
- 23.9 court after termination of parental rights, suspension of parental rights, or a finding by the
- 23.10 tribal court that the child cannot safely return to the care of the parent;
- 23.11 (3) an individual adopting a child who is the subject of a direct adoptive placement under
- 23.12 section 259.47 or the equivalent in tribal code;
- 23.13 (4) a child's legal custodian or guardian who is now adopting the child, except for a
- 23.14 relative custodian as defined in section 256N.02, subdivision 19, who is currently receiving
- 23.15 Northstar kinship assistance benefits on behalf of the child; or
- 23.16 (5) an individual who is adopting a child who is not a citizen or resident of the United
- 23.17 States and was either adopted in another country or brought to the United States for the
- 23.18 purposes of adoption.

23.19 Sec. 24. Minnesota Statutes 2020, section 256N.24, subdivision 1, is amended to read:

23.20 Subdivision 1. **Assessment.** (a) Each child eligible under sections 256N.21, 256N.22,

23.21 and 256N.23, must be assessed to determine the benefits the child may receive under section

23.22 256N.26, in accordance with the assessment tool, process, and requirements specified in

23.23 subdivision 2.

23.24 (b) If an agency applies the emergency foster care rate for initial placement under section

24.1 (2) a child transitioning into Northstar Care for Children under section 256N.28,
24.2 subdivision 7, unless the commissioner determines an assessment is appropriate.

24.3 Sec. 25. Minnesota Statutes 2020, section 256N.24, subdivision 8, is amended to read:

24.4 Subd. 8. **Completing the special assessment.** (a) The special assessment must be
24.5 completed in consultation with the child's caregiver. Face-to-face contact with the caregiver
24.6 is not required to complete the special assessment.

24.7 (b) If a new special assessment is required prior to the effective date of the Northstar
24.8 kinship assistance agreement, it must be completed by the financially responsible agency,
24.9 in consultation with the legally responsible agency if different. If the prospective relative
24.10 custodian is unable or unwilling to cooperate with the special assessment process, the child
24.11 shall be assigned the basic level, level B under section 256N.26, subdivision 3, ~~unless the~~
24.12 ~~child is known to be an at-risk child, in which case, the child shall be assigned level A under~~
24.13 ~~section 256N.26, subdivision 1.~~

24.14 (c) If a special assessment is required prior to the effective date of the adoption assistance
24.15 agreement, it must be completed by the financially responsible agency, in consultation with
24.16 the legally responsible agency if different. If there is no financially responsible agency, the

24.19 assessment process, the child must be assigned the basic level, level B under section 256N.26,
24.20 subdivision 3, unless the child is known to be an at-risk child, in which case, the child shall

24.25 Subd. 11. **Completion of reassessment.** (a) The reassessment must be completed in

24.28 (b) For foster children eligible under section 256N.21, reassessments must be completed
24.29 by the financially responsible agency, in consultation with the legally responsible agency
24.30 if different.

24.31 (c) If reassessment is required after the effective date of the Northstar kinship assistance
24.32 agreement, the reassessment must be completed by the financially responsible agency.

25.1 (d) If a reassessment is required after the effective date of the adoption assistance
 25.2 agreement, it must be completed by the financially responsible agency or, if there is no
 25.3 financially responsible agency, the agency designated by the commissioner.

25.4 (e) If the child's caregiver is unable or unwilling to cooperate with the reassessment, the
 25.5 child must be assessed at level B under section 256N.26, subdivision 3, unless the child has
 25.6 ~~an a Northstar adoption assistance or Northstar kinship assistance agreement in place~~ and
 25.7 is known to be an at-risk child, in which case the child must be assessed at level A under
 25.8 section 256N.26, subdivision 1.

25.9 Sec. 27. Minnesota Statutes 2020, section 256N.24, subdivision 12, is amended to read:

25.10 Subd. 12. **Approval of initial assessments, special assessments, and reassessments.** (a)
 25.11 Any agency completing initial assessments, special assessments, or reassessments must
 25.12 designate one or more supervisors or other staff to examine and approve assessments
 25.13 completed by others in the agency under subdivision 2. The person approving an assessment
 25.14 must not be the case manager or staff member completing that assessment.

25.15 (b) In cases where a special assessment or reassessment for ~~guardian~~ Northstar kinship
 25.16 assistance and adoption assistance is required under subdivision 8 or 11, the commissioner
 25.17 shall review and approve the assessment as part of the eligibility determination process
 25.18 outlined in section 256N.22, subdivision 7, for Northstar kinship assistance, or section
 25.19 256N.23, subdivision 7, for adoption assistance. The assessment determines the maximum
 25.20 ~~for~~ of the negotiated agreement amount under section 256N.25.

25.21 (c) The new rate is effective the calendar month that the assessment is approved, or the
 25.22 effective date of the agreement, whichever is later.

25.23 Sec. 28. Minnesota Statutes 2020, section 256N.24, subdivision 14, is amended to read:

25.24 Subd. 14. **Assessment tool determines rate of benefits.** The assessment tool established
 25.25 by the commissioner in subdivision 2 determines the monthly benefit level for children in
 25.26 foster care. The monthly payment for ~~guardian~~ Northstar kinship assistance or adoption
 25.27 assistance may be negotiated up to the monthly benefit level under foster care for those
 25.28 children eligible for a payment under section 256N.26, subdivision 1.

25.29 Sec. 29. Minnesota Statutes 2020, section 256N.25, subdivision 1, is amended to read:

25.30 Subdivision 1. **Agreement; Northstar kinship assistance; adoption assistance.** (a) In
 25.31 order to receive Northstar kinship assistance or adoption assistance benefits on behalf of
 25.32 an eligible child, a written, binding agreement between the caregiver or caregivers, the

26.1 financially responsible agency, or, if there is no financially responsible agency, the agency
26.2 designated by the commissioner, and the commissioner must be established prior to
26.3 finalization of the adoption or a transfer of permanent legal and physical custody. The
26.4 agreement must be negotiated with the caregiver or caregivers under subdivision 2 and
26.5 renegotiated under subdivision 3, if applicable.

26.6 (b) The agreement must be on a form approved by the commissioner and must specify
26.7 the following:

26.8 (1) duration of the agreement;

26.9 (2) the nature and amount of any payment, services, and assistance to be provided under
26.10 such agreement;

26.11 (3) the child's eligibility for Medicaid services;

26.12 (4) the terms of the payment, including any child care portion as specified in section
26.13 256N.24, subdivision 3;

26.14 (5) eligibility for reimbursement of nonrecurring expenses associated with adopting or
26.15 obtaining permanent legal and physical custody of the child, to the extent that the total cost
26.16 does not exceed \$2,000 per child pursuant to subdivision 1a;

26.17 (6) that the agreement must remain in effect regardless of the state of which the adoptive
26.18 parents or relative custodians are residents at any given time;

26.20 of the agreement;

26.21 (8) the effective date of the agreement; and

26.22 (9) the successor relative custodian or custodians for Northstar kinship assistance, when
26.23 applicable. The successor relative custodian or custodians may be added or changed by

26.25 (c) The caregivers, the commissioner, and the financially responsible agency, or, if there
26.26 is no financially responsible agency, the agency designated by the commissioner, must sign
26.27 the agreement. A copy of the signed agreement must be given to each party. Once signed
26.28 by all parties, the commissioner shall maintain the official record of the agreement.

26.29 (d) The effective date of the Northstar kinship assistance agreement must be the date of
26.30 the court order that transfers permanent legal and physical custody to the relative. The
26.31 effective date of the adoption assistance agreement is the date of the finalized adoption
26.32 decree.

27.1 (e) Termination or disruption of the preadoptive placement or the foster care placement
27.2 prior to assignment of custody makes the agreement with that caregiver void.

27.3 Sec. 30. Minnesota Statutes 2020, section 256N.25, is amended by adding a subdivision
27.4 to read:

27.5 Subd. 1a. **Reimbursement of nonrecurring expenses.** (a) The commissioner of human
27.6 services must reimburse a relative custodian with a fully executed Northstar kinship assistance
27.7 benefit agreement for costs that the relative custodian incurs while seeking permanent legal
27.8 and physical custody of a child who is the subject of a Northstar kinship assistance benefit
27.9 agreement. The commissioner must reimburse a relative custodian for expenses that are
27.10 reasonable and necessary that the relative incurs during the transfer of permanent legal and
27.11 physical custody of a child to the relative custodian, subject to a maximum of \$2,000. To
27.12 be eligible for reimbursement, the expenses must directly relate to the legal transfer of
27.13 permanent legal and physical custody of the child to the relative custodian, must not have
27.14 been incurred by the relative custodian in violation of state or federal law, and must not
27.15 have been reimbursed from other sources or funds. The relative custodian must submit
27.16 reimbursement requests to the commissioner within 21 months of the date of the child's
27.17 finalized transfer of permanent legal and physical custody, and the relative custodian must
27.18 follow all requirements and procedures that the commissioner prescribes.

27.19 (b) The commissioner of human services must reimburse an adoptive parent for costs
27.20 that the adoptive parent incurs in an adoption of a child with special needs according to
27.21 section 256N.23, subdivision 2. The commissioner must reimburse an adoptive parent for
27.22 expenses that are reasonable and necessary for the adoption of the child to occur, subject
27.23 to a maximum of \$2,000. To be eligible for reimbursement, the expenses must directly relate
27.24 to the legal adoption of the child, must not have been incurred by the adoptive parent in
27.25 violation of state or federal law, and must not have been reimbursed from other sources or
27.26 funds.

27.27 (1) Children who have special needs but who are not citizens or residents of the United
27.28 States and were either adopted in another country or brought to this country for the purposes
27.29 of adoption are categorically ineligible for the reimbursement program in this section, except
27.30 when the child meets the eligibility criteria in this section after the dissolution of the child's
27.31 international adoption.

27.32 (2) An adoptive parent, in consultation with the responsible child-placing agency, may
27.33 request reimbursement of nonrecurring adoption expenses by submitting a complete

28.1 application to the commissioner that follows the commissioner's requirements and procedures
 28.2 on forms that the commissioner prescribes.

28.3 (3) The commissioner must determine a child's eligibility for adoption expense
 28.4 reimbursement under title IV-E of the Social Security Act, United States Code, title 42,
 28.5 sections 670 to 679c. If the commissioner determines that a child is eligible, the commissioner
 28.6 of human services must fully execute the agreement for nonrecurring adoption expense
 28.7 reimbursement by signing the agreement. For a child to be eligible, the commissioner must
 28.8 have fully executed the agreement for nonrecurring adoption expense reimbursement prior
 28.9 to finalizing a child's adoption.

28.10 (4) An adoptive parent who has a fully executed Northstar adoption assistance agreement

43.21 (f) The agency must determine whether colocation with a parent who is receiving services
43.22 in a licensed residential family-based substance use disorder treatment program is in the

45.19 to constitute egregious harm, the county attorney shall determine which matter should
45.20 proceed to trial first, consistent with the best interests of the child and subject to the
45.21 defendant's right to a speedy trial.

45.22 (d) The requirement of paragraph (a) does not apply if the responsible social services

47.2 adoptive parent is not cooperative in completing the steps necessary to finalize the adoption.
47.3 The court may order a termination of parental rights under subdivision 2; and

49.24 residence and the study is filed with the motion for adoptive placement.

49.25 (b) The motion shall be filed with the court conducting reviews of the child's progress
49.26 toward adoption under this section. The motion and supporting documents must make a
49.27 prima facie showing that the agency has been unreasonable in failing to make the requested
49.28 adoptive placement. The motion must be served according to the requirements for motions
49.29 under the Minnesota Rules of Juvenile Protection Procedure and shall be made on all
49.30 individuals and entities listed in subdivision 2.

49.31 (c) If the motion and supporting documents do not make a prima facie showing for the
49.32 court to determine whether the agency has been unreasonable in failing to make the requested

50.1 adoptive placement, the court shall dismiss the motion. If the court determines a prima facie
50.2 basis is made, the court shall set the matter for evidentiary hearing.

50.3 (d) At the evidentiary hearing, the responsible social services agency shall proceed first
50.4 with evidence about the reason for not making the adoptive placement proposed by the
50.5 moving party. The moving party then has the burden of proving by a preponderance of the
50.6 evidence that the agency has been unreasonable in failing to make the adoptive placement.

50.7 (e) At the conclusion of the evidentiary hearing, if the court finds that the agency has
50.8 been unreasonable in failing to make the adoptive placement and that the relative or the
50.9 child's foster parent is the most suitable adoptive home to meet the child's needs using the
50.10 factors in section 260C.212, subdivision 2, paragraph (b), the court may order the responsible
50.11 social services agency to make an adoptive placement in the home of the relative or the
50.12 child's foster parent.

50.13 (f) If, in order to ensure that a timely adoption may occur, the court orders the responsible
50.14 social services agency to make an adoptive placement under this subdivision, the agency
50.15 shall:

50.16 (1) make reasonable efforts to obtain a fully executed adoption placement agreement;

50.17 (2) work with the moving party regarding eligibility for adoption assistance as required
50.18 under chapter ~~259A~~ 256N; and

50.19 (3) if the moving party is not a resident of Minnesota, timely refer the matter for approval
50.20 of the adoptive placement through the Interstate Compact on the Placement of Children.

50.21 (g) Denial or granting of a motion for an order for adoptive placement after an evidentiary
50.22 hearing is an order which may be appealed by the responsible social services agency, the
50.23 moving party, the child, when age ten or over, the child's guardian ad litem, and any
50.24 individual who had a fully executed adoption placement agreement regarding the child at
50.25 the time the motion was filed if the court's order has the effect of terminating the adoption
50.26 placement agreement. An appeal shall be conducted according to the requirements of the
50.27 Rules of Juvenile Protection Procedure.

50.28 Sec. 58. Minnesota Statutes 2020, section 260C.609, is amended to read:

50.29 **260C.609 SOCIAL AND MEDICAL HISTORY.**

50.30 ~~(a) The responsible social services agency shall work with the birth family of the child,~~

51.6 ~~(e) (a) The responsible social services agency shall thoroughly discuss the child's history~~

 51.9 ~~subdivision 15, including redacted attachments, to the adopting prospective adoptive parent.~~
 51.10 ~~If the prospective adoptive parent does not pursue adoption of the child, the prospective~~
 51.11 ~~adoptive parent must return the child's social and medical history and redacted attachments~~
 51.12 ~~to the agency. The responsible social services agency may give a redacted copy of the child's~~
 51.13 ~~social and medical history may also be given to the child, as appropriate according to section~~
 51.14 ~~260C.212, subdivision 1.~~

51.15 ~~(d) (b) The report shall not include information that identifies birth relatives. Redacted~~
 51.16 ~~copies of all of the child's relevant evaluations, assessments, and records must be attached~~
 51.17 ~~to the social and medical history.~~

51.22 Sec. 59. Minnesota Statutes 2020, section 260C.615, is amended to read:

51.23 **260C.615 DUTIES OF COMMISSIONER.**

51.24 Subdivision 1. **Duties.** (a) For any child who is under the guardianship of the

- 54.2 (iii) serve more than 30 children, including at least three children with disabilities;
- 54.3 (2) develop and use a process to ensure that grant funding be used to support children
- 54.4 with disabilities who, without the additional supports made available through the grant,
- 54.5 would have difficulty accessing inclusive child care settings;
- 54.6 (3) pursue funding for ongoing services needed for children with disabilities in inclusive
- 54.7 child care settings, such as:
- 54.8 (i) Medicaid or private health insurance coverage;

- 54.16 to the manner specified by the commissioner on the following:
- 54.17 (1) additional supports needed to serve children with disabilities in inclusive child care

56.3 Section 1. Minnesota Statutes 2020, section 245.4876, subdivision 3, is amended to read:

56.4 Subd. 3. **Individual treatment plans.** All providers of outpatient services, day treatment
 56.5 services, professional home-based family treatment, residential treatment, and acute care
 56.6 hospital inpatient treatment, and all regional treatment centers that provide mental health
 56.7 services for children must develop an individual treatment plan for each child client. The
 56.8 individual treatment plan must be based on a diagnostic assessment. To the extent appropriate,
 56.9 the child and the child's family shall be involved in all phases of developing and
 56.10 implementing the individual treatment plan. Providers of residential treatment, professional
 56.11 home-based family treatment, and acute care hospital inpatient treatment, and regional
 56.12 treatment centers must develop the individual treatment plan within ten working days of
 56.13 client intake or admission and must review the individual treatment plan every 90 days after
 56.14 intake, ~~except that the administrative review of the treatment plan of a child placed in a~~
 56.15 ~~residential facility shall be as specified in sections 260C.203 and 260C.212, subdivision 9.~~
 56.16 Providers of day treatment services must develop the individual treatment plan before the
 56.17 completion of five working days in which service is provided or within 30 days after the
 56.18 diagnostic assessment is completed or obtained, whichever occurs first. Providers of
 56.19 outpatient services must develop the individual treatment plan within 30 days after the
 56.20 diagnostic assessment is completed or obtained or by the end of the second session of an
 56.21 outpatient service, not including the session in which the diagnostic assessment was provided,
 56.22 whichever occurs first. Providers of outpatient and day treatment services must review the
 56.23 individual treatment plan every 90 days after intake.

56.24 **EFFECTIVE DATE.** This section is effective September 30, 2021.

56.25 Sec. 2. Minnesota Statutes 2020, section 245.4882, subdivision 1, is amended to read:

56.26 Subdivision 1. **Availability of residential treatment services.** County boards must
 56.27 provide or contract for enough residential treatment services to meet the needs of each child
 56.28 with severe emotional disturbance residing in the county and needing this level of care.
 56.29 Length of stay is based on the child's residential treatment need and shall be ~~subject to the~~
 56.30 ~~six-month review process established in section 260C.203, and for children in voluntary~~
 56.31 ~~placement for treatment, the court review process in section 260D.06~~ reviewed every 90
 56.32 days. Services must be appropriate to the child's age and treatment needs and must be made
 56.33 available as close to the county as possible. Residential treatment must be designed to:

- 57.1 (1) help the child improve family living and social interaction skills;
- 57.2 (2) help the child gain the necessary skills to return to the community;
- 57.3 (3) stabilize crisis admissions; and
- 57.4 (4) work with families throughout the placement to improve the ability of the families
- 57.5 to care for children with severe emotional disturbance in the home.

57.6 **EFFECTIVE DATE.** This section is effective September 30, 2021.

57.7 Sec. 3. Minnesota Statutes 2020, section 245.4885, subdivision 1, is amended to read:

57.8 Subdivision 1. **Admission criteria.** (a) Prior to admission or placement, except in the

57.9 case of an emergency, all children referred for treatment of severe emotional disturbance

57.10 in a ~~treatment foster care setting~~, residential treatment facility, or informally admitted to a

57.11 regional treatment center shall undergo an assessment to determine the appropriate level of

57.12 care if public county funds are used to pay for the child's services.

57.13 (b) The ~~responsible social services agency~~ county board shall determine the appropriate

57.14 level of care for a child when county-controlled funds are used to pay for the child's ~~services~~

57.15 ~~or placement~~ residential treatment under this chapter, including residential treatment provided

57.16 in a qualified residential treatment ~~facility under chapter 260C and licensed by the~~

57.17 ~~commissioner under chapter 245A. In accordance with section 260C.157, a juvenile treatment~~

57.18 ~~screening team shall conduct a screening before the team may recommend whether to place~~

57.19 ~~a child in a qualified residential treatment program as defined in section 260C.007,~~

57.20 subdivision 26d. When a ~~social services agency~~ county board does not have responsibility

57.21 for a child's placement and the child is enrolled in a prepaid health program under section

57.22 256B.69, the enrolled child's contracted health plan must determine the appropriate level

57.23 of care for the child. When Indian Health Services funds or funds of a tribally owned facility

57.24 funded under the Indian Self-Determination and Education Assistance Act, Public Law

57.25 93-638, are to be used for a child, the Indian Health Services or 638 tribal health facility

57.26 must determine the appropriate level of care for the child. When more than one entity bears

57.27 responsibility for a child's coverage, the entities shall coordinate level of care determination

57.28 activities for the child to the extent possible.

57.29 (c) The ~~responsible social services agency must make the level of care determination~~

57.30 ~~available to the juvenile treatment screening team, as permitted under chapter 13. The level~~

57.31 ~~of care determination shall inform the juvenile treatment screening team process and the~~

57.32 ~~assessment in section 260C.704 when considering whether to place the child in a qualified~~

57.33 ~~residential treatment program. When the responsible social services agency is not involved~~

58.1 ~~in determining a child's placement, the~~ child's level of care determination shall determine
 58.2 whether the proposed treatment:

58.3 (1) is necessary;

58.4 (2) is appropriate to the child's individual treatment needs;

58.5 (3) cannot be effectively provided in the child's home; and

58.6 (4) provides a length of stay as short as possible consistent with the individual child's
 58.7 ~~need~~ needs.

58.8 (d) When a level of care determination is conducted, the ~~responsible social services~~
 58.9 ~~agency~~ county board or other entity may not determine that a screening ~~under section~~
 58.10 ~~260C.157 or~~ referral, or admission to a treatment foster care setting or residential treatment
 58.11 facility is not appropriate solely because services were not first provided to the child in a
 58.12 less restrictive setting and the child failed to make progress toward or meet treatment goals
 58.13 in the less restrictive setting. The level of care determination must be based on a diagnostic
 58.14 assessment ~~that includes a functional assessment~~ of a child which evaluates the child's
 58.15 family, school, and community living situations; and an assessment of the child's need for
 58.16 care out of the home using a validated tool which assesses a child's functional status and
 58.17 assigns an appropriate level of care to the child. The validated tool must be approved by
 58.18 the commissioner of human services. If a diagnostic assessment ~~including a functional~~
 58.19 ~~assessment~~ has been completed by a mental health professional within the past 180 days, a
 58.20 new diagnostic assessment need not be completed unless in the opinion of the current treating
 58.21 mental health professional the child's mental health status has changed markedly since the
 58.22 assessment was completed. The child's parent shall be notified if an assessment will not be
 58.23 completed and of the reasons. A copy of the notice shall be placed in the child's file.
 58.24 Recommendations developed as part of the level of care determination process shall include
 58.25 specific community services needed by the child and, if appropriate, the child's family, and
 58.26 shall indicate whether ~~or not~~ these services are available and accessible to the child and the
 58.27 child's family. The child and the child's family must be invited to any meeting at which the
 58.28 level of care determination is discussed and decisions regarding residential treatment are
 58.29 made. The child and the child's family may invite other relatives, friends, or advocates to
 58.30 attend these meetings.

58.31 (e) During the level of care determination process, the child, child's family, or child's
 58.32 legal representative, as appropriate, must be informed of the child's eligibility for case
 58.33 management services and family community support services and that an individual family
 58.34 community support plan is being developed by the case manager, if assigned.

59.1 ~~(f) When the responsible social services agency has authority, the agency must engage~~
 59.2 ~~the child's parents in case planning under sections 260C.212 and 260C.708 unless a court~~
 59.3 ~~terminates the parent's rights or court orders restrict the parent from participating in case~~
 59.4 ~~planning, visitation, or parental responsibilities.~~

59.5 ~~(g)~~ The level of care determination, and placement decision, and recommendations for
 59.6 mental health services must be documented in the child's record, as required in ~~chapter~~
 59.7 chapters 260C and 260D.

59.8 (g) Discharge planning for the child to return to the community must include identification
 59.9 of and referrals to appropriate home and community supports to meet the needs of the child
 59.10 and family. Discharge planning must begin within 30 days after the child enters residential
 59.11 treatment and be updated every 60 days.

61.26 (c) Children's residential facilities licensed as detention settings according to Minnesota
61.27 Rules, parts 2960.0230 to 2960.0290, or secure programs according to Minnesota Rules,

61.29 (d) For purposes of this section, "license holder" means an individual, organization, or
61.30 government entity that was issued a children's residential facility or foster residence setting
61.31 license by the commissioner of human services under this chapter or by the commissioner
61.32 of corrections under chapter 241.

62.1 (e) Certifications issued under this section for foster residence settings may only be
62.2 issued by the commissioner of human services and are not delegated to county or private
62.3 licensing agencies under section 245A.16.

62.4 Subd. 2. **Program certification types and requests for certification.** (a) By July 1,
62.5 2021, the commissioner of human services must offer certifications to license holders for
62.6 the following types of programs:

62.7 (1) qualified residential treatment programs;

62.18 Subd. 3. **Trauma-informed care.** (a) Programs certified under subdivision 4 or 5 must
62.19 provide services to a person according to a trauma-informed model of care that meets the
62.20 requirements of this subdivision, except that programs certified under subdivision 5 are not
62.21 required to meet the requirements of paragraph (e).

62.22 (b) For the purposes of this section, "trauma-informed care" means care that:

62.27 (4) focuses on the physical and psychological safety of the person receiving services
62.28 and the person's family.

62.29 (c) The license holder must have a process for identifying the signs and symptoms of
62.30 trauma in a youth and must address the youth's needs related to trauma. This process must
62.31 include:

63.1 (1) screening for trauma by completing a trauma-specific screening tool with each youth
63.2 upon the youth's admission or obtaining the results of a trauma-specific screening tool that
63.3 was completed with the youth within 30 days prior to the youth's admission to the program;
63.4 and

63.5 (2) ensuring that trauma-based interventions targeting specific trauma-related symptoms
63.6 are available to each youth when needed to assist the youth in obtaining services. For
63.7 qualified residential treatment programs, this must include the provision of services in
63.8 paragraph (e).

63.9 (d) The license holder must develop and provide services to each youth according to the
63.10 principles of trauma-informed care including:

63.25 specific trauma-related symptoms; and

63.26 (4) training all clinical staff of the program on trauma-specific treatment interventions.

63.27 (f) At the license holder's program, the license holder must provide a physical, social,
63.28 and emotional environment that:

63.29 (1) promotes the physical and psychological safety of each youth;

63.30 (2) avoids aspects that may be retraumatizing;

63.31 (3) responds to trauma experienced by each youth and the youth's other needs; and

64.1 (4) includes designated spaces that are available to each youth for engaging in sensory
64.2 and self-soothing activities.

64.3 (g) The license holder must base the program's policies and procedures on
64.4 trauma-informed principles. In the program's policies and procedures, the license holder
64.5 must:

64.6 (1) describe how the program provides services according to a trauma-informed model
64.7 of care;

64.8 (2) describe how the program's environment fulfills the requirements of paragraph (f);

64.9 (3) prohibit the use of aversive consequences for a youth's violation of program rules
64.10 or any other reason;

64.11 (4) describe the process for how the license holder incorporates trauma-informed
64.12 principles and practices into the organizational culture of the license holder's program; and

64.13 (5) if the program is certified to use restrictive procedures under Minnesota Rules, part
64.14 2960.0710, describe how the program uses restrictive procedures only when necessary for
64.15 a youth in a manner that addresses the youth's history of trauma and avoids causing the
64.16 youth additional trauma.

64.17 (h) Prior to allowing a staff person to have direct contact, as defined in section 245C.02,
64.18 subdivision 11, with a youth and annually thereafter, the license holder must train each staff
64.19 person about:

64.20 (1) concepts of trauma-informed care and how to provide services to each youth according
64.21 to these concepts; and

64.22 (2) impacts of each youth's culture, race, gender, and sexual orientation on the youth's
64.23 behavioral health and traumatic experiences.

64.24 **Subd. 4. Qualified residential treatment programs; certification requirements. (a)**
64.25 **To be certified as a qualified residential treatment program, a license holder must meet:**

64.29 treatment model in subdivision 3; and

64.30 (3) the requirements of this subdivision.

65.1 (b) For each youth placed in the license holder's program, the license holder must
65.2 collaborate with the responsible social services agency and other appropriate parties to
65.3 implement the youth's out-of-home placement plan and the youth's short-term and long-term
65.4 mental health and behavioral health goals in the assessment required by sections 260C.212,
65.5 subdivision 1; 260C.704; and 260C.708.

65.6 (c) A qualified residential treatment program must use a trauma-based treatment model
65.7 that meets all of the requirements of subdivision 3 that is designed to address the needs,
65.8 including clinical needs, of youth with serious emotional or behavioral disorders or
65.9 disturbances. The license holder must develop, document, and review a treatment plan for

65.25 of the United States Department of Health and Human Services.

65.26 (f) The license holder must facilitate participation of a youth's family members in the
65.27 youth's treatment program, consistent with the youth's best interests and according to the
65.28 youth's out-of-home placement plan required by sections 260C.212, subdivision 1; and
65.29 260C.708.

65.30 (g) The license holder must contact and facilitate outreach to each youth's family
65.31 members, including the youth's siblings, and must document outreach to the youth's family
65.32 members in the youth's file, including the contact method and each family member's contact

66.2 information for all known biological family members and fictive kin of the youth.

66.3 (h) The license holder must document in the youth's file how the program integrates
66.4 family members into the treatment process for the youth, including after the youth's discharge
66.5 from the program, and how the program maintains the youth's connections to the youth's
66.6 siblings.

66.7 (i) The program must provide discharge planning and family-based aftercare support to
66.8 each youth for at least six months after the youth's discharge from the program. When
66.9 providing aftercare to a youth, the program must have monthly contact with the youth and
66.10 the youth's caregivers to promote the youth's engagement in aftercare services and to regularly
66.11 evaluate the family's needs. The program's monthly contact with the youth may be
66.12 face-to-face, by telephone, or virtual.

66.13 (j) The license holder must maintain a service delivery plan that describes how the
66.14 program provides services according to the requirements in paragraphs (b) to (i).

66.15 **Subd. 5. Residential settings specializing in providing care and supportive services**
66.16 **for youth who have been or are at risk of becoming victims of sex trafficking or**
66.17 **commercial sexual exploitation; certification requirements.** (a) To be certified as a
66.18 residential setting specializing in providing care and supportive services for youth who have
66.19 been or are at risk of becoming victims of sex trafficking or commercial sexual exploitation,
66.20 a license holder must meet the requirements of this subdivision.

66.24 requirements of subdivision 3, and that is designed to address the needs, including emotional

66.26 trafficking or commercial sexual exploitation.

66.27 (d) The program must provide high-quality care and supportive services for youth who

67.6 youth at risk of future sex trafficking or commercial sexual exploitation; and

67.7 (6) engage with the discharge planning process for each youth and the youth's family.

67.8 (e) The license holder must maintain a service delivery plan that describes how the
67.9 program provides services according to the requirements in paragraphs (c) and (d).

67.10 (f) The license holder must ensure that each staff person who has direct contact, as
67.11 defined in section 245C.02, subdivision 11, with a youth served by the license holder's
67.12 program completes a human trafficking training approved by the Department of Human
67.13 Services' Children and Family Services Administration before the staff person has direct
67.14 contact with a youth served by the program and annually thereafter. For programs certified
67.15 prior to January 1, 2022, the license holder must ensure that each staff person at the license
67.16 holder's program completes the initial training by January 1, 2022.

67.23 by section 260C.212, subdivision 1.

67.24 (c) The license holder must specialize in providing prenatal, postpartum, or parenting
67.25 supports for youth and must:

67.26 (1) provide equitable, culturally responsive, and individualized services to each youth;

67.27 (2) assist each youth with accessing postpartum services during the same period of time
67.28 that a woman is considered pregnant for the purposes of medical assistance eligibility under

67.30 (i) sexual and reproductive health services and education; and

67.31 (ii) a postpartum mental health assessment and follow-up services; and

67.32 (3) discharge planning that includes the youth and the youth's family.

68.1 (d) On or before the date of a child's initial physical presence at the facility, the license
68.2 holder must provide education to the child's parent related to safe bathing and reducing the
68.3 risk of sudden unexpected infant death and abusive head trauma from shaking infants and
68.4 young children. The license holder must use the educational material developed by the
68.5 commissioner of human services to comply with this requirement. At a minimum, the
68.6 education must address:

68.7 (1) instruction that: (i) a child or infant should never be left unattended around water;
68.8 (ii) a tub should be filled with only two to four inches of water for infants; and (iii) an infant
68.9 should never be put into a tub when the water is running; and

68.10 (2) the risk factors related to sudden unexpected infant death and abusive head trauma
68.11 from shaking infants and young children and means of reducing the risks, including the
68.12 safety precautions identified in section 245A.1435 and the risks of co-sleeping.

68.13 The license holder must document the parent's receipt of the education and keep the
68.14 documentation in the parent's file. The documentation must indicate whether the parent
68.15 agrees to comply with the safeguards described in this paragraph. If the parent refuses to
68.16 comply, program staff must provide additional education to the parent as described in the
68.17 parental supervision plan. The parental supervision plan must include the intervention,
68.18 frequency, and staff responsible for the duration of the parent's participation in the program
68.19 or until the parent agrees to comply with the safeguards described in this paragraph.

68.20 (e) On or before the date of a child's initial physical presence at the facility, the license
68.21 holder must document the parent's capacity to meet the health and safety needs of the child
68.22 while on the facility premises considering the following factors:

68.23 (1) the parent's physical and mental health;

68.24 (2) the parent being under the influence of drugs, alcohol, medications, or other chemicals;

68.25 (3) the child's physical and mental health; and

68.27 not be able to adequately care for the child.

68.28 (f) The license holder must have written procedures specifying the actions that staff shall
68.29 take if a parent is or becomes unable to adequately care for the parent's child.

68.30 (g) If the parent refuses to comply with the safeguards described in paragraph (d) or is
68.31 unable to adequately care for the child, the license holder must develop a parental supervision
68.32 plan in conjunction with the parent. The plan must account for any factors in paragraph (e)

69.1 that contribute to the parent's inability to adequately care for the child. The plan must be
69.2 dated and signed by the staff person who completed the plan.

69.3 (h) The license holder must have written procedures addressing whether the program
69.4 permits a parent to arrange for supervision of the parent's child by another youth in the
69.5 program. If permitted, the facility must have a procedure that requires staff approval of the
69.6 supervision arrangement before the supervision by the nonparental youth occurs. The
69.7 procedure for approval must include an assessment of the nonparental youth's capacity to
69.8 assume the supervisory responsibilities using the criteria in paragraph (e). The license holder
69.9 must document the license holder's approval of the supervisory arrangement and the
69.10 assessment of the nonparental youth's capacity to supervise the child and must keep this
69.11 documentation in the file of the parent whose child is being supervised by the nonparental
69.12 youth.

69.13 (i) The license holder must maintain a service delivery plan that describes how the
69.14 program provides services according to paragraphs (b) to (h).

69.15 Subd. 7. **Supervised independent living settings for youth 18 years of age or older;**
69.16 **certification requirements.** (a) To be certified as a supervised independent living setting
69.17 for youth who are 18 years of age or older, a license holder must meet the requirements of
69.18 this subdivision.

69.19 (b) A license holder must provide training, counseling, instruction, supervision, and
69.20 assistance for independent living according to the youth's needs.

69.21 (c) A license holder may provide services to assist the youth with locating housing,
69.22 money management, meal preparation, shopping, health care, transportation, and any other
69.23 support services necessary to meet the youth's needs and improve the youth's ability to
69.24 conduct such tasks independently.

69.25 (d) The service plan for the youth must contain an objective of independent living skills.

69.26 (e) The license holder must maintain a service delivery plan that describes how the
69.27 program provides services according to paragraphs (b) to (d).

69.28 Subd. 8. **Monitoring and inspections.** (a) For a program licensed by the commissioner
69.29 of human services, the commissioner of human services may review a program's compliance
69.30 with certification requirements by conducting an inspection, a licensing review, or an
69.31 investigation of the program. The commissioner may issue a correction order to the license
69.32 holder for a program's noncompliance with the certification requirements of this section.
69.33 For a program licensed by the commissioner of human services, a license holder must make

70.1 a request for reconsideration of a correction order according to section 245A.06, subdivision
70.2 2.

70.3 (b) For a program licensed by the commissioner of corrections, the commissioner of
70.4 human services may review the program's compliance with the requirements for a certification
70.5 issued under this section biennially and may issue a correction order identifying the program's
70.6 noncompliance with the requirements of this section. The correction order must state the
70.7 following:

70.8 (1) the conditions that constitute a violation of a law or rule;

70.9 (2) the specific law or rule violated; and

70.10 (3) the time allowed for the program to correct each violation.

70.11 (c) For a program licensed by the commissioner of corrections, if a license holder believes
70.12 that there are errors in the correction order of the commissioner of human services, the
70.13 license holder may ask the Department of Human Services to reconsider the parts of the
70.14 correction order that the license holder alleges are in error. To submit a request for
70.15 reconsideration, the license holder must send a written request for reconsideration by United
70.16 States mail to the commissioner of human services. The request for reconsideration must
70.17 be postmarked within 20 calendar days of the date that the correction order was received
70.18 by the license holder and must:

70.19 (1) specify the parts of the correction order that are alleged to be in error;

70.20 (2) explain why the parts of the correction order are in error; and

70.21 (3) include documentation to support the allegation of error.

70.22 A request for reconsideration does not stay any provisions or requirements of the correction
70.23 order. The commissioner of human services' disposition of a request for reconsideration is
70.24 final and not subject to appeal under chapter 14.

70.25 (d) Nothing in this subdivision prohibits the commissioner of human services from
70.26 decertifying a license holder according to subdivision 9 prior to issuing a correction order.

70.27 Subd. 9. **Decertification.** (a) The commissioner of human services may rescind a
70.28 certification issued under this section if a license holder fails to comply with the certification
70.29 requirements in this section.

70.30 (b) The license holder may request reconsideration of a decertification by notifying the
70.31 commissioner of human services by certified mail or personal service. The license holder
70.32 must request reconsideration of a decertification in writing. If the license holder sends the

71.1 request for reconsideration of a decertification by certified mail, the license holder must
71.2 send the request by United States mail to the commissioner of human services and the
71.3 request must be postmarked within 20 calendar days after the license holder received the
71.4 notice of decertification. If the license holder requests reconsideration of a decertification
71.5 by personal service, the request for reconsideration must be received by the commissioner
71.6 of human services within 20 calendar days after the license holder received the notice of
71.7 decertification. When submitting a request for reconsideration of a decertification, the license
71.8 holder must submit a written argument or evidence in support of the request for
71.9 reconsideration.

71.10 (c) The commissioner of human services' disposition of a request for reconsideration is
71.11 final and not subject to appeal under chapter 14.

71.12 Subd. 10. **Variances.** The commissioner of human services may grant variances to the
71.13 requirements in this section that do not affect a youth's health or safety or compliance with
71.14 federal requirements for Title IV-E funding if the conditions in section 245A.04, subdivision
71.15 9, are met.

71.16 **EFFECTIVE DATE.** This section is effective the day following final enactment.

71.17 Sec. 13. Minnesota Statutes 2020, section 256.01, subdivision 14b, is amended to read:

71.18 Subd. 14b. **American Indian child welfare projects.** (a) The commissioner of human
71.19 services may authorize projects to initiate tribal delivery of child welfare services to American
71.20 Indian children and their parents and custodians living on the reservation. The commissioner
71.21 has authority to solicit and determine which tribes may participate in a project. Grants may
71.22 be issued to Minnesota Indian tribes to support the projects. The commissioner may waive
71.23 existing state rules as needed to accomplish the projects. The commissioner may authorize
71.24 projects to use alternative methods of (1) screening, investigating, and assessing reports of
71.25 child maltreatment, and (2) administrative reconsideration, administrative appeal, and
71.26 judicial appeal of maltreatment determinations, provided the alternative methods used by
71.27 the projects comply with the provisions of section 256.045 and chapter 260E that deal with
71.28 the rights of individuals who are the subjects of reports or investigations, including notice
71.29 and appeal rights and data practices requirements. The commissioner shall only authorize
71.30 alternative methods that comply with the public policy under section 260E.01. The
71.31 commissioner may seek any federal approval necessary to carry out the projects as well as
71.32 seek and use any funds available to the commissioner, including use of federal funds,
71.33 foundation funds, existing grant funds, and other funds. The commissioner is authorized to
71.34 advance state funds as necessary to operate the projects. Federal reimbursement applicable

72.1 to the projects is appropriated to the commissioner for the purposes of the projects. The
72.2 projects must be required to address responsibility for safety, permanency, and well-being
72.3 of children.

72.4 (b) For the purposes of this section, "American Indian child" means a person under 21
72.5 years old and who is a tribal member or eligible for membership in one of the tribes chosen
72.6 for a project under this subdivision and who is residing on the reservation of that tribe.

72.7 (c) In order to qualify for an American Indian child welfare project, a tribe must:

72.8 (1) be one of the existing tribes with reservation land in Minnesota;

72.9 (2) have a tribal court with jurisdiction over child custody proceedings;

72.10 (3) have a substantial number of children for whom determinations of maltreatment have
72.11 occurred;

72.12 (4)(i) have capacity to respond to reports of abuse and neglect under chapter 260E; or

72.13 (ii) have codified the tribe's screening, investigation, and assessment of reports of child
72.14 maltreatment procedures, if authorized to use an alternative method by the commissioner
72.15 under paragraph (a);

72.16 (5) provide a wide range of services to families in need of child welfare services; ~~and~~

72.17 (6) have a tribal-state title IV-E agreement in effect; and

72.18 (7) enter into host Tribal contracts pursuant to section 256.0112, subdivision 6.

72.19 (d) Grants awarded under this section may be used for the nonfederal costs of providing
72.20 child welfare services to American Indian children on the tribe's reservation, including costs
72.21 associated with:

72.22 (1) assessment and prevention of child abuse and neglect;

72.23 (2) family preservation;

72.24 (3) facilitative, supportive, and reunification services;

72.25 (4) out-of-home placement for children removed from the home for child protective
72.26 purposes; and

72.27 (5) other activities and services approved by the commissioner that further the goals of
72.28 providing safety, permanency, and well-being of American Indian children.

72.29 (e) When a tribe has initiated a project and has been approved by the commissioner to
72.30 assume child welfare responsibilities for American Indian children of that tribe under this
72.31 section, the affected county social service agency is relieved of responsibility for responding

73.1 to reports of abuse and neglect under chapter 260E for those children during the time within
73.2 which the tribal project is in effect and funded. The commissioner shall work with tribes
73.3 and affected counties to develop procedures for data collection, evaluation, and clarification
73.4 of ongoing role and financial responsibilities of the county and tribe for child welfare services
73.5 prior to initiation of the project. Children who have not been identified by the tribe as
73.6 participating in the project shall remain the responsibility of the county. Nothing in this
73.7 section shall alter responsibilities of the county for law enforcement or court services.

73.8 (f) Participating tribes may conduct children's mental health screenings under section
73.9 245.4874, subdivision 1, paragraph (a), clause (12), for children who are eligible for the
73.10 initiative and living on the reservation and who meet one of the following criteria:

73.11 (1) the child must be receiving child protective services;

73.12 (2) the child must be in foster care; or

73.13 (3) the child's parents must have had parental rights suspended or terminated.

73.14 Tribes may access reimbursement from available state funds for conducting the screenings.
73.15 Nothing in this section shall alter responsibilities of the county for providing services under
73.16 section 245.487.

73.17 (g) Participating tribes may establish a local child mortality review panel. In establishing
73.18 a local child mortality review panel, the tribe agrees to conduct local child mortality reviews
73.19 for child deaths or near-fatalities occurring on the reservation under subdivision 12. Tribes
73.20 with established child mortality review panels shall have access to nonpublic data and shall
73.21 protect nonpublic data under subdivision 12, paragraphs (c) to (e). The tribe shall provide
73.22 written notice to the commissioner and affected counties when a local child mortality review
73.23 panel has been established and shall provide data upon request of the commissioner for
73.24 purposes of sharing nonpublic data with members of the state child mortality review panel
73.25 in connection to an individual case.

73.26 (h) The commissioner shall collect information on outcomes relating to child safety,
73.27 permanency, and well-being of American Indian children who are served in the projects.
73.28 Participating tribes must provide information to the state in a format and completeness
73.29 deemed acceptable by the state to meet state and federal reporting requirements.

73.30 (i) In consultation with the White Earth Band, the commissioner shall develop and submit
73.31 to the chairs and ranking minority members of the legislative committees with jurisdiction

 74.3 commissioner shall submit the plan by January 15, 2012.

74.4 **EFFECTIVE DATE.** This section is effective the day following final enactment.

74.5 Sec. 14. Minnesota Statutes 2020, section 256.0112, subdivision 6, is amended to read:

74.6 Subd. 6. **Contracting within and across county lines; lead county contracts; lead**
 74.7 **Tribal contracts.** Paragraphs (a) to (e) govern contracting within and across county lines
 74.8 and lead county contracts. Paragraphs (a) to (e) govern contracting within and across
 74.9 reservation boundaries and lead Tribal contracts for initiative tribes under section 256.01,
 74.10 subdivision 14b. For purposes of this subdivision, "local agency" includes a tribe or a county
 74.11 agency.

74.12 (a) Once a local agency and an approved vendor execute a contract that meets the
 74.13 requirements of this subdivision, the contract governs all other purchases of service from
 74.14 the vendor by all other local agencies for the term of the contract. The local agency that
 74.15 negotiated and entered into the contract becomes the lead tribe or county for the contract.

74.16 (b) When the local agency in the county or reservation where a vendor is located wants
 74.17 to purchase services from that vendor and the vendor has no contract with the local agency
 74.18 or any other tribe or county, the local agency must negotiate and execute a contract with
 74.19 the vendor.

74.20 (c) When a local agency ~~in one county~~ wants to purchase services from a vendor located
 74.21 in another county or reservation, it must notify the local agency in the county or reservation
 74.22 where the vendor is located. Within 30 days of being notified, the local agency in the vendor's
 74.23 county or reservation must:

74.24 (1) if it has a contract with the vendor, send a copy to the inquiring local agency;

74.25 (2) if there is a contract with the vendor for which another local agency is the lead tribe
 74.26 or county, identify the lead tribe or county to the inquiring agency; or

74.27 (3) if no local agency has a contract with the vendor, inform the inquiring agency whether
 74.28 it will negotiate a contract and become the lead tribe or county. If the agency where the
 74.29 vendor is located will not negotiate a contract with the vendor because of concerns related
 74.30 to clients' health and safety, the agency must share those concerns with the inquiring local
 74.31 agency.

75.1 (d) If the local agency in the county where the vendor is located declines to negotiate a
 75.2 contract with the vendor or fails to respond within 30 days of receiving the notification
 75.3 under paragraph (c), the inquiring agency is authorized to negotiate a contract and must
 75.4 notify the local agency that declined or failed to respond.

75.5 (e) When the inquiring ~~county~~ local agency under paragraph (d) becomes the lead tribe
 75.6 or county for a contract and the contract expires and needs to be renegotiated, that tribe or
 75.7 county must again follow the requirements under paragraph (c) and notify the local agency
 75.8 where the vendor is located. The local agency where the vendor is located has the option
 75.9 of becoming the lead tribe or county for the new contract. If the local agency does not
 75.10 exercise the option, paragraph (d) applies.

75.11 (f) This subdivision does not affect the requirement to seek county concurrence under
 75.12 section 256B.092, subdivision 8a, when the services are to be purchased for a person with
 75.13 a developmental disability or under section 245.4711, subdivision 3, when the services to
 75.14 be purchased are for an adult with serious and persistent mental illness.

75.15 **EFFECTIVE DATE.** This section is effective the day following final enactment.

75.16 Sec. 15. Minnesota Statutes 2020, section 260C.007, subdivision 26c, is amended to read:

75.17 Subd. 26c. **Qualified individual.** (a) "Qualified individual" means a trained culturally
 75.18 competent professional or licensed clinician, including a mental health professional under
 75.19 section 245.4871, subdivision 27, who is ~~not~~ qualified to conduct the assessment approved
 75.20 by the commissioner. The qualified individual must not be an employee of the responsible
 75.21 social services agency and who is not connected to or affiliated with any placement setting
 75.22 in which a responsible social services agency has placed children.

75.23 (b) When the Indian Child Welfare Act of 1978, United States Code, title 25, sections
 75.24 1901 to 1963, applies to a child, the county must contact the child's tribe without delay to
 75.25 give the tribe the option to designate a qualified individual who is a trained culturally
 75.26 competent professional or licensed clinician, including a mental health professional under
 75.27 section 245.4871, subdivision 27, who is not employed by the responsible social services
 75.28 agency and who is not connected to or affiliated with any placement setting in which a
 75.29 responsible social services agency has placed children. Only a federal waiver that
 75.30 demonstrates maintained objectivity may allow a responsible social services agency employee
 75.31 or Tribal employee affiliated with any placement setting in which the responsible social
 75.32 services agency has placed children to be designated the qualified individual.

76.1 Sec. 16. Minnesota Statutes 2020, section 260C.007, subdivision 31, is amended to read:

76.2 Subd. 31. **Sexually exploited youth.** "Sexually exploited youth" means an individual
76.3 who:

76.4 (1) is alleged to have engaged in conduct which would, if committed by an adult, violate
76.5 any federal, state, or local law relating to being hired, offering to be hired, or agreeing to
76.6 be hired by another individual to engage in sexual penetration or sexual conduct;

76.7 (2) is a victim of a crime described in section 609.342, 609.343, 609.344, 609.345,
76.8 609.3451, 609.3453, 609.352, 617.246, or 617.247;

76.9 (3) is a victim of a crime described in United States Code, title 18, section 2260; 2421;
76.10 2422; 2423; 2425; 2425A; or 2256; ~~or~~

76.11 (4) is a sex trafficking victim as defined in section 609.321, subdivision 7b.; or

76.12 (5) is a victim of commercial sexual exploitation as defined in United States Code, title
76.13 22, section 7102(11)(A) and (12).

76.14 **EFFECTIVE DATE.** This section is effective September 30, 2021.

76.15 Sec. 17. Minnesota Statutes 2020, section 260C.157, subdivision 3, is amended to read:

76.16 Subd. 3. **Juvenile treatment screening team.** (a) The responsible social services agency
76.17 shall establish a juvenile treatment screening team to conduct screenings under this chapter
76.18 and chapter 260D, and section 245.487, subdivision 3, for a child to receive treatment for
76.19 an emotional disturbance, a developmental disability, or related condition in a residential
76.20 treatment facility licensed by the commissioner of human services under chapter 245A, or
76.21 licensed or approved by a tribe. A screening team is not required for a child to be in: (1) a
76.22 residential facility specializing in prenatal, postpartum, or parenting support; (2) a facility
76.23 specializing in high-quality residential care and supportive services to children and youth
76.24 who ~~are~~ have been or are at risk of becoming victims of sex trafficking ~~sex trafficking~~
76.25 ~~victims or are at risk of becoming sex trafficking victims~~ or commercial sexual exploitation;
76.26 (3) supervised settings for youth who are 18 years ~~old~~ of age or older and living
76.27 independently; or (4) a licensed residential family-based treatment facility for substance
76.28 abuse consistent with section 260C.190. Screenings are also not required when a child must
76.29 be placed in a facility due to an emotional crisis or other mental health emergency.

76.30 (b) The responsible social services agency shall conduct screenings within 15 days of a
76.31 request for a screening, unless the screening is for the purpose of residential treatment and
76.32 the child is enrolled in a prepaid health program under section 256B.69, in which case the

77.1 agency shall conduct the screening within ten working days of a request. The responsible
77.2 social services agency shall convene the juvenile treatment screening team, which may be
77.3 constituted under section 245.4885 or 256B.092 or Minnesota Rules, parts 9530.6600 to
77.4 9530.6655. The team shall consist of social workers; persons with expertise in the treatment
77.5 of juveniles who are emotionally ~~disabled~~ disturbed, chemically dependent, or have a
77.6 developmental disability; and the child's parent, guardian, or permanent legal custodian.
77.7 The team may include the child's relatives as defined in section 260C.007, subdivisions 26b
77.8 and 27, the child's foster care provider, and professionals who are a resource to the child's
77.9 family such as teachers, medical or mental health providers, and clergy, as appropriate,
77.10 consistent with the family and permanency team as defined in section 260C.007, subdivision
77.11 16a. Prior to forming the team, the responsible social services agency must consult with the
77.12 child's parents, the child if the child is age 14 or older, ~~the child's parents~~, and, if applicable,
77.13 the child's tribe to obtain recommendations regarding which individuals to include on the
77.14 team and to ensure that the team is family-centered and will act in the child's best interest
77.15 interests. If the child, child's parents, or legal guardians raise concerns about specific relatives
77.16 or professionals, the team should not include those individuals. This provision does not
77.17 apply to paragraph (c).

77.18 (c) If the agency provides notice to tribes under section 260.761, and the child screened
77.19 is an Indian child, the responsible social services agency must make a rigorous and concerted
77.20 effort to include a designated representative of the Indian child's tribe on the juvenile
77.21 treatment screening team, unless the child's tribal authority declines to appoint a
77.22 representative. The Indian child's tribe may delegate its authority to represent the child to
77.23 any other federally recognized Indian tribe, as defined in section 260.755, subdivision 12.
77.24 The provisions of the Indian Child Welfare Act of 1978, United States Code, title 25, sections
77.25 1901 to 1963, and the Minnesota Indian Family Preservation Act, sections 260.751 to
77.26 260.835, apply to this section.

77.27 (d) If the court, prior to, or as part of, a final disposition or other court order, proposes
77.28 to place a child with an emotional disturbance or developmental disability or related condition
77.29 in residential treatment, the responsible social services agency must conduct a screening.
77.30 If the team recommends treating the child in a qualified residential treatment program, the
77.31 agency must follow the requirements of sections 260C.70 to 260C.714.

77.32 The court shall ascertain whether the child is an Indian child and shall notify the
77.33 responsible social services agency and, if the child is an Indian child, shall notify the Indian
77.34 child's tribe as paragraph (c) requires.

78.1 (e) When the responsible social services agency is responsible for placing and caring
78.2 for the child and the screening team recommends placing a child in a qualified residential
78.3 treatment program as defined in section 260C.007, subdivision 26d, the agency must: (1)
78.4 begin the assessment and processes required in section 260C.704 without delay; and (2)
78.5 conduct a relative search according to section 260C.221 to assemble the child's family and
78.6 permanency team under section 260C.706. Prior to notifying relatives regarding the family
78.7 and permanency team, the responsible social services agency must consult with the child's
78.8 parents and the child if the child is age 14 or older, ~~the child's parents~~ and, if applicable, the
78.9 child's tribe to ensure that the agency is providing notice to individuals who will act in the
78.10 child's best ~~interest~~ interests. The child and the child's parents may identify a culturally
78.11 competent qualified individual to complete the child's assessment. The agency shall make
78.12 efforts to refer the assessment to the identified qualified individual. The assessment may
78.13 not be delayed for the purpose of having the assessment completed by a specific qualified
78.14 individual.

78.15 (f) When a screening team determines that a child does not need treatment in a qualified
78.16 residential treatment program, the screening team must:

78.17 (1) document the services and supports that will prevent the child's foster care placement
78.18 and will support the child remaining at home;

78.19 (2) document the services and supports that the agency will arrange to place the child
78.20 in a family foster home; or

78.21 (3) document the services and supports that the agency has provided in any other setting.

78.22 (g) When the Indian child's tribe or tribal health care services provider or Indian Health
78.23 Services provider proposes to place a child for the primary purpose of treatment for an
78.24 emotional disturbance, a developmental disability, or co-occurring emotional disturbance
78.25 and chemical dependency, the Indian child's tribe or the tribe delegated by the child's tribe
78.26 shall submit necessary documentation to the county juvenile treatment screening team,
78.27 which must invite the Indian child's tribe to designate a representative to the screening team.

78.28 (h) The responsible social services agency must conduct and document the screening in
78.29 a format approved by the commissioner of human services.

78.30 **EFFECTIVE DATE.** This section is effective September 30, 2021.

79.1 Sec. 18. Minnesota Statutes 2020, section 260C.163, subdivision 3, is amended to read:

79.2 Subd. 3. **Appointment of counsel.** (a) The child, parent, guardian or custodian has the
79.3 right to effective assistance of counsel in connection with a proceeding in juvenile court as
79.4 provided in this subdivision.

79.5 (b) Except in proceedings where the sole basis for the petition is habitual truancy, if the
79.6 child desires counsel but is unable to employ it, the court shall appoint counsel to represent
79.7 the child who is ten years of age or older under section 611.14, clause (4), or other counsel
79.8 at public expense.

79.9 (c) ~~Except in proceedings where the sole basis for the petition is habitual truancy, if the~~
79.10 ~~parent, guardian, or custodian desires counsel but is unable to employ it, the court shall~~
79.11 ~~appoint counsel to represent the parent, guardian, or custodian in any case in which it feels~~
79.12 ~~that such an appointment is appropriate if the person would be financially unable to obtain~~
79.13 ~~counsel under the guidelines set forth in section 611.17. In all child protection proceedings~~
79.14 ~~where a child risks removal from the care of the child's parent, guardian, or custodian,~~
79.15 ~~including a child in need of protection or services petition, an action pursuing removal of~~
79.16 ~~a child from the child's home, a termination of parental rights petition, or a petition for~~
79.17 ~~permanent out-of-home placement, if the parent, guardian, or custodian desires counsel and~~
79.18 ~~is eligible for counsel under section 611.17, the court shall appoint counsel to represent~~
79.19 ~~each parent, guardian, or custodian prior to the first hearing on the petition and at all stages~~
79.20 ~~of the proceedings.~~ Court appointed counsel shall be at county expense as outlined in
79.21 paragraph (h).

79.22 (d) In any proceeding where the subject of a petition for a child in need of protection or
79.23 services is ten years of age or older, the responsible social services agency shall, within 14
79.24 days after filing the petition or at the emergency removal hearing under section 260C.178,
79.25 subdivision 1, if the child is present, fully and effectively inform the child of the child's
79.26 right to be represented by appointed counsel upon request and shall notify the court as to
79.27 whether the child desired counsel. Information provided to the child shall include, at a
79.28 minimum, the fact that counsel will be provided without charge to the child, that the child's
79.29 communications with counsel are confidential, and that the child has the right to participate
79.30 in all proceedings on a petition, including the opportunity to personally attend all hearings.
79.31 The responsible social services agency shall also, within 14 days of the child's tenth birthday,
79.32 fully and effectively inform the child of the child's right to be represented by counsel if the
79.33 child reaches the age of ten years while the child is the subject of a petition for a child in
79.34 need of protection or services or is a child under the guardianship of the commissioner.

80.1 (e) In any proceeding where the sole basis for the petition is habitual truancy, the child,
 80.2 parent, guardian, and custodian do not have the right to appointment of a public defender
 80.3 or other counsel at public expense. However, before any out-of-home placement, including
 80.4 foster care or inpatient treatment, can be ordered, the court must appoint a public defender
 80.5 or other counsel at public expense in accordance with this subdivision.

80.6 (f) Counsel for the child shall not also act as the child's guardian ad litem.

80.7 (g) In any proceeding where the subject of a petition for a child in need of protection or
 80.8 services is not represented by an attorney, the court shall determine the child's preferences
 80.9 regarding the proceedings, including informing the child of the right to appointed counsel
 80.10 and asking whether the child desires counsel, if the child is of suitable age to express a
 80.11 preference.

80.12 (h) Court-appointed counsel for the parent, guardian, or custodian under this subdivision
 80.13 is at county expense. If the county has contracted with counsel ~~meeting qualifications under~~
 80.14 ~~paragraph (i)~~, the court shall appoint the counsel retained by the county, unless a conflict
 80.15 of interest exists. If a conflict exists, after consulting with the chief judge of the judicial
 80.16 district or the judge's designee, the county shall contract with competent counsel to provide
 80.17 the necessary representation. The court may appoint only one counsel at public expense for
 80.18 the first court hearing to represent the interests of the parents, guardians, and custodians,
 80.19 unless, at any time during the proceedings upon petition of a party, the court determines
 80.20 and makes written findings on the record that extraordinary circumstances exist that require
 80.21 counsel to be appointed to represent a separate interest of other parents, guardians, or
 80.22 custodians subject to the jurisdiction of the juvenile court.

80.23 ~~(i) Counsel retained by the county under paragraph (h) must meet the qualifications~~
 80.24 ~~established by the Judicial Council in at least one of the following: (1) has a minimum of~~

86.33 **EFFECTIVE DATE.** This section is effective July 1, 2021.

87.1 Sec. 23. Minnesota Statutes 2020, section 260C.704, is amended to read:

87.2 **260C.704 REQUIREMENTS FOR THE QUALIFIED INDIVIDUAL'S**
 87.3 **ASSESSMENT OF THE CHILD FOR PLACEMENT IN A QUALIFIED**
 87.4 **RESIDENTIAL TREATMENT PROGRAM.**

87.5 (a) A qualified individual must complete an assessment of the child prior to ~~or within~~
 87.6 ~~30 days of~~ the child's placement in a qualified residential treatment program in a format
 87.7 approved by the commissioner of human services, ~~and~~ unless, due to a crisis, the child must
 87.8 immediately be placed in a qualified residential treatment program. When a child must
 87.9 immediately be placed in a qualified residential treatment program without an assessment,
 87.10 the qualified individual must complete the child's assessment within 30 days of the child's
 87.11 placement. The qualified individual must:

87.12 (1) assess the child's needs and strengths, using an age-appropriate, evidence-based,
 87.13 validated, functional assessment approved by the commissioner of human services;

87.14 (2) determine whether the child's needs can be met by the child's family members or
 87.15 through placement in a family foster home; or, if not, determine which residential setting
 87.16 would provide the child with the most effective and appropriate level of care to the child
 87.17 in the least restrictive environment;

87.18 (3) develop a list of short- and long-term mental and behavioral health goals for the
 87.19 child; and

87.20 (4) work with the child's family and permanency team using culturally competent
 87.21 practices.

87.22 If a level of care determination was conducted under section 245.4885, that information
 87.23 must be shared with the qualified individual and the juvenile treatment screening team.

87.24 (b) The child and the child's parents, when appropriate, may request that a specific
 87.25 culturally competent qualified individual complete the child's assessment. The agency shall
 87.26 make efforts to refer the child to the identified qualified individual to complete the
 87.27 assessment. The assessment must not be delayed for a specific qualified individual to
 87.28 complete the assessment.

87.29 (c) The qualified individual must provide the assessment, when complete, to the
 87.30 responsible social services agency, ~~the child's parents or legal guardians, the guardian ad~~
 87.31 ~~litem, and the court.~~ If the assessment recommends placement of the child in a qualified
 87.32 residential treatment facility, the agency must distribute the assessment to the child's parent
 87.33 or legal guardian and file the assessment with the court report as required in section 260C.71,

88.1 subdivision 2. If the assessment does not recommend placement in a qualified residential
88.2 treatment facility, the agency must provide a copy of the assessment to the parents or legal
88.3 guardians and the guardian ad litem and file the assessment determination with the court at
88.4 the next required hearing as required in section 260C.71, subdivision 5. If court rules and
88.5 chapter 13 permit disclosure of the results of the child's assessment, the agency may share
88.6 the results of the child's assessment with the child's foster care provider, other members of
88.7 the child's family, and the family and permanency team. The agency must not share the
88.8 child's private medical data with the family and permanency team unless: (1) chapter 13
88.9 permits the agency to disclose the child's private medical data to the family and permanency
88.10 team; or (2) the child's parent has authorized the agency to disclose the child's private medical
88.11 data to the family and permanency team.

88.12 (d) For an Indian child, the assessment of the child must follow the order of placement
88.13 preferences in the Indian Child Welfare Act of 1978, United States Code, title 25, section
88.14 1915.

88.15 (e) In the assessment determination, the qualified individual must specify in writing:

88.16 (1) the reasons why the child's needs cannot be met by the child's family or in a family
88.17 foster home. A shortage of family foster homes is not an acceptable reason for determining
88.18 that a family foster home cannot meet a child's needs;

88.19 (2) why the recommended placement in a qualified residential treatment program will
88.20 provide the child with the most effective and appropriate level of care to meet the child's
88.21 needs in the least restrictive environment possible and how placing the child at the treatment
88.22 program is consistent with the short-term and long-term goals of the child's permanency
88.23 plan; and

88.24 (3) if the qualified individual's placement recommendation is not the placement setting
88.25 that the parent, family and permanency team, child, or tribe prefer, the qualified individual
88.26 must identify the reasons why the qualified individual does not recommend the parent's,
88.27 family and permanency team's, child's, or tribe's placement preferences. The out-of-home
88.28 placement plan under section 260C.708 must also include reasons why the qualified
88.29 individual did not recommend the preferences of the parents, family and permanency team,
88.30 child, or tribe.

88.31 (f) If the qualified individual determines that the child's family or a family foster home
88.32 or other less restrictive placement may meet the child's needs, the agency must move the
88.33 child out of the qualified residential treatment program and transition the child to a less
88.34 restrictive setting within 30 days of the determination. If the responsible social services

89.1 agency has placement authority of the child, the agency must make a plan for the child's
 89.2 placement according to section 260C.212, subdivision 2. The agency must file the child's
 89.3 assessment determination with the court at the next required hearing.

89.4 (g) If the qualified individual recommends placing the child in a qualified residential
 89.5 treatment program and if the responsible social services agency has placement authority of
 89.6 the child, the agency shall make referrals to appropriate qualified residential treatment
 89.7 programs and, upon acceptance by an appropriate program, place the child in an approved
 89.8 or certified qualified residential treatment program.

89.9 **EFFECTIVE DATE.** This section is effective September 30, 2021.

89.10 Sec. 24. Minnesota Statutes 2020, section 260C.706, is amended to read:

89.11 **260C.706 FAMILY AND PERMANENCY TEAM REQUIREMENTS.**

89.12 (a) When the responsible social services agency's juvenile treatment screening team, as
 89.13 defined in section 260C.157, recommends placing the child in a qualified residential treatment
 89.14 program, the agency must assemble a family and permanency team within ten days.

89.15 (1) The team must include all appropriate biological family members, the child's parents,
 89.16 legal guardians or custodians, foster care providers, and relatives as defined in section
 89.17 260C.007, subdivisions ~~26e~~ 26b and 27, and professionals, as appropriate, who are a resource
 89.18 to the child's family, such as teachers, medical or mental health providers, or clergy.

89.19 (2) When a child is placed in foster care prior to the qualified residential treatment
 89.20 program, the agency shall include relatives responding to the relative search notice as
 89.21 required under section 260C.221 on this team, unless the juvenile court finds that contacting
 89.22 a specific relative would ~~endanger~~ present a safety or health risk to the parent, guardian,
 89.23 child, sibling, or any other family member.

89.24 (3) When a qualified residential treatment program is the child's initial placement setting,
 89.25 the responsible social services agency must engage with the child and the child's parents to
 89.26 determine the appropriate family and permanency team members.

89.27 (4) When the permanency goal is to reunify the child with the child's parent or legal
 89.28 guardian, the purpose of the relative search and focus of the family and permanency team
 89.29 is to preserve family relationships and identify and develop supports for the child and parents.

89.30 (5) The responsible agency must make a good faith effort to identify and assemble all
 89.31 appropriate individuals to be part of the child's family and permanency team and request
 89.32 input from the parents regarding relative search efforts consistent with section 260C.221.

90.1 The out-of-home placement plan in section 260C.708 must include all contact information
90.2 for the team members, as well as contact information for family members or relatives who
90.3 are not a part of the family and permanency team.

90.4 (6) If the child is age 14 or older, the team must include members of the family and
90.5 permanency team that the child selects in accordance with section 260C.212, subdivision
90.6 1, paragraph (b).

90.7 (7) Consistent with section 260C.221, a responsible social services agency may disclose
90.8 relevant and appropriate private data about the child to relatives in order for the relatives
90.9 to participate in caring and planning for the child's placement.

90.10 (8) If the child is an Indian child under section 260.751, the responsible social services
90.11 agency must make active efforts to include the child's tribal representative on the family
90.12 and permanency team.

90.13 (b) The family and permanency team shall meet regarding the assessment required under
90.14 section 260C.704 to determine whether it is necessary and appropriate to place the child in
90.15 a qualified residential treatment program and to participate in case planning under section
90.16 260C.708.

90.17 (c) When reunification of the child with the child's parent or legal guardian is the
90.18 permanency plan, the family and permanency team shall support the parent-child relationship
90.19 by recognizing the parent's legal authority, consulting with the parent regarding ongoing
90.20 planning for the child, and assisting the parent with visiting and contacting the child.

90.21 (d) When the agency's permanency plan is to transfer the child's permanent legal and
90.22 physical custody to a relative or for the child's adoption, the team shall:

90.23 (1) coordinate with the proposed guardian to provide the child with educational services,
90.24 medical care, and dental care;

90.25 (2) coordinate with the proposed guardian, the agency, and the foster care facility to
90.26 meet the child's treatment needs after the child is placed in a permanent placement with the
90.27 proposed guardian;

90.28 (3) plan to meet the child's need for safety, stability, and connection with the child's
90.29 family and community after the child is placed in a permanent placement with the proposed
90.30 guardian; and

90.31 (4) in the case of an Indian child, communicate with the child's tribe to identify necessary
90.32 and appropriate services for the child, transition planning for the child, the child's treatment

91.1 needs, and how to maintain the child's connections to the child's community, family, and
91.2 tribe.

91.3 (e) The agency shall invite the family and permanency team to participate in case planning
91.4 and the agency shall give the team notice of court reviews under sections 260C.152 and
91.5 260C.221 until: (1) the child is reunited with the child's parents; or (2) the child's foster care
91.6 placement ends and the child is in a permanent placement.

91.7 **EFFECTIVE DATE.** This section is effective September 30, 2021.

91.23 (5) evidence that the family and permanency team is involved in the assessment required
91.24 under section 260C.704 to determine the appropriateness of the child's placement in a
91.25 qualified residential treatment program;

91.26 (6) the family and permanency team's placement preferences for the child in the
91.27 assessment required under section 260C.704. When making a decision about the child's
91.28 placement preferences, the family and permanency team must recognize:

91.29 (i) that the agency should place a child with the child's siblings unless a court finds that
91.30 placing a child with the child's siblings is not possible due to a child's specialized placement
91.31 needs or is otherwise contrary to the child's best interests; and

92.1 (ii) that the agency should place an Indian child according to the requirements of the
 92.2 Indian Child Welfare Act, the Minnesota Family Preservation Act under sections 260.751
 92.3 to 260.835, and section 260C.193, subdivision 3, paragraph (g);

92.4 ~~(5)~~ (7) when reunification of the child with the child's parent or legal guardian is the
 92.5 agency's goal, evidence demonstrating that the parent or legal guardian provided input about
 92.6 the members of the family and permanency team under section 260C.706;

92.7 ~~(6)~~ (8) when the agency's permanency goal is to reunify the child with the child's parent
 92.8 or legal guardian, the out-of-home placement plan must identify services and supports that
 92.9 maintain the parent-child relationship and the parent's legal authority, decision-making, and
 92.10 responsibility for ongoing planning for the child. In addition, the agency must assist the
 92.11 parent with visiting and contacting the child;

92.12 ~~(7)~~ (9) when the agency's permanency goal is to transfer permanent legal and physical
 92.13 custody of the child to a proposed guardian or to finalize the child's adoption, the case plan
 92.14 must document the agency's steps to transfer permanent legal and physical custody of the
 92.15 child or finalize adoption, as required in section 260C.212, subdivision 1, paragraph (c),
 92.16 clauses (6) and (7); and

92.17 ~~(8)~~ (10) the qualified individual's recommendation regarding the child's placement in a
 92.18 qualified residential treatment program and the court approval or disapproval of the placement
 92.19 as required in section 260C.71.

92.20 (b) If the placement preferences of the family and permanency team, child, and tribe, if
 92.21 applicable, are not consistent with the placement setting that the qualified individual
 92.22 recommends, the case plan must include the reasons why the qualified individual did not
 92.23 recommend following the preferences of the family and permanency team, child, and the
 92.24 tribe.

92.25 (c) The agency must file the out-of-home placement plan with the court as part of the
 92.26 60-day ~~hearing~~ court order under section 260C.71.

92.27 **EFFECTIVE DATE.** This section is effective September 30, 2021.

92.28 Sec. 26. Minnesota Statutes 2020, section 260C.71, is amended to read:

92.29 **260C.71 COURT APPROVAL REQUIREMENTS.**

92.30 Subdivision 1. **Judicial review.** When the responsible social services agency has legal
 92.31 authority to place a child at a qualified residential treatment facility under section 260C.007,
 92.32 subdivision 21a, and the child's assessment under section 260C.704 recommends placing

93.1 the child in a qualified residential treatment facility, the agency shall place the child at a
 93.2 qualified residential facility. Within 60 days of placing the child at a qualified residential
 93.3 treatment facility, the agency must obtain a court order finding that the child's placement
 93.4 is appropriate and meets the child's individualized needs.

93.5 Subd. 2. **Qualified residential treatment program; agency report to court.** (a) The
 93.6 responsible social services agency shall file a written report with the court after receiving
 93.7 the qualified individual's assessment as specified in section 260C.704 prior to the child's
 93.8 placement or within 35 days of the date of the child's placement in a qualified residential
 93.9 treatment facility. The written report shall contain or have attached:

93.10 (1) the child's name, date of birth, race, gender, and current address;

93.11 (2) the names, races, dates of birth, residence, and post office address of the child's
 93.12 parents or legal custodian, or guardian;

93.13 (3) the name and address of the qualified residential treatment program, including a
 93.14 chief administrator of the facility;

93.15 (4) a statement of the facts that necessitated the child's foster care placement;

93.16 (5) the child's out-of-home placement plan under section 260C.212, subdivision 1,
 93.17 including the requirements in section 260C.708;

93.18 (6) if the child is placed in an out-of-state qualified residential treatment program, the
 93.19 compelling reasons why the child's needs cannot be met by an in-state placement;

93.20 (7) the qualified individual's assessment of the child under section 260C.704, paragraph
 93.21 (c), in a format approved by the commissioner;

93.22 (8) if, at the time required for the report under this subdivision, the child's parent or legal
 93.23 guardian, a child who is ten years of age or older, the family and permanency team, or a
 93.24 tribe disagrees with the recommended qualified residential treatment program placement,
 93.25 information regarding the disagreement and to the extent possible, the basis for the
 93.26 disagreement in the report; and

93.27 (9) any other information that the responsible social services agency, child's parent, legal
 93.28 custodian or guardian, child, or, in the case of an Indian child, tribe would like the court to
 93.29 consider.

93.30 (b) The agency shall file the written report under paragraph (a) with the court and serve
 93.31 on the parties a request for a hearing or a court order without a hearing.

94.1 (c) The agency must inform the child's parent or legal guardian and a child who is ten
 94.2 years of age or older of the court review requirements of this section and the child and child's
 94.3 parent's or legal guardian's right to submit information to the court:

94.4 (1) the agency must inform the child's parent or legal guardian and a child who is ten
 94.5 years of age or older of the reporting date and the date by which the agency must receive
 94.6 information from the child and child's parent so that the agency is able to submit the report
 94.7 required by this subdivision to the court;

94.8 (2) the agency must inform the child's parent or legal guardian, and a child who is ten
 94.9 years of age or older that the court will hold a hearing upon the request of the child or the
 94.10 child's parent; and

94.11 (3) the agency must inform the child's parent or legal guardian, and a child who is ten
 94.12 years of age or older that they have the right to request a hearing and the right to present
 94.13 information to the court for the court's review under this subdivision.

94.14 Subd. 3. **Court hearing.** (a) The court shall hold a hearing when a party or a child who
 94.15 is ten years of age or older requests a hearing.

94.16 (b) In all other circumstances, the court has the discretion to hold a hearing or issue an
 94.17 order without a hearing.

94.18 Subd. 4. **Court findings and order.** (a) Within 60 days from the beginning of each
 94.19 placement in a qualified residential treatment program when the qualified individual's
 94.20 assessment of the child recommends placing the child in a qualified residential treatment
 94.21 program, the court must consider the qualified individual's assessment of the child under
 94.22 section 260C.704 and issue an order to:

94.23 ~~(1) consider the qualified individual's assessment of whether it is necessary and~~
 94.24 ~~appropriate to place the child in a qualified residential treatment program under section~~
 94.25 ~~260C.704;~~

94.26 ~~(2)~~ (1) determine whether a family foster home can meet the child's needs, whether it is
 94.27 necessary and appropriate to place a child in a qualified residential treatment program that
 94.28 is the least restrictive environment possible, and whether the child's placement is consistent
 94.29 with the child's short and long term goals as specified in the permanency plan; and

94.30 ~~(3)~~ (2) approve or disapprove of the child's placement.

94.31 ~~(b) In the out-of-home placement plan, the agency must document the court's approval~~
 94.32 ~~or disapproval of the placement, as specified in section 260C.708. If the court disapproves~~
 94.33 ~~of the child's placement in a qualified residential treatment program, the responsible social~~

95.1 services agency shall: (1) remove the child from the qualified residential treatment program
 95.2 within 30 days of the court's order; and (2) make a plan for the child's placement that is
 95.3 consistent with the child's best interests under section 260C.212, subdivision 2.

95.4 Subd. 5. **Court review and approval not required.** When the responsible social services
 95.5 agency has legal authority to place a child under section 260C.007, subdivision 21a, and
 95.6 the qualified individual's assessment of the child does not recommend placing the child in
 95.7 a qualified residential treatment program, the court is not required to hold a hearing and the
 95.8 court is not required to issue an order. Pursuant to section 260C.704, paragraph (f), the
 95.9 responsible social services agency shall make a plan for the child's placement consistent
 95.10 with the child's best interests under section 260C.212, subdivision 2. The agency must file
 95.11 the agency's assessment determination for the child with the court at the next required
 95.12 hearing.

95.13 **EFFECTIVE DATE.** This section is effective September 30, 2021.

95.14 Sec. 27. Minnesota Statutes 2020, section 260C.712, is amended to read:

95.15 **260C.712 ONGOING REVIEWS AND PERMANENCY HEARING**
 95.16 **REQUIREMENTS.**

95.17 As long as a child remains placed in a qualified residential treatment program, the
 95.18 responsible social services agency shall submit evidence at each administrative review under
 95.19 section 260C.203; each court review under sections 260C.202, 260C.203, ~~and~~ 260C.204,
 95.20 260D.06, 260D.07, and 260D.08; and each permanency hearing under section 260C.515,
 95.21 260C.519, ~~or~~ 260C.521, or 260D.07 that:

95.22 (1) demonstrates that an ongoing assessment of the strengths and needs of the child
 95.23 continues to support the determination that the child's needs cannot be met through placement
 95.24 in a family foster home;

95.25 (2) demonstrates that the placement of the child in a qualified residential treatment
 95.26 program provides the most effective and appropriate level of care for the child in the least
 95.27 restrictive environment;

95.28 (3) demonstrates how the placement is consistent with the short-term and long-term
 95.29 goals for the child, as specified in the child's permanency plan;

95.30 (4) documents how the child's specific treatment or service needs will be met in the
 95.31 placement;

96.1 (5) documents the length of time that the agency expects the child to need treatment or
 96.2 services; ~~and~~

96.3 (6) documents the responsible social services agency's efforts to prepare the child to
 96.4 return home or to be placed with a fit and willing relative, legal guardian, adoptive parent,
 96.5 or foster family; and

96.6 (7) if the child is placed in a qualified residential treatment program out-of-state,
 96.7 documents the compelling reasons for placing the child out-of-state, and the reasons that
 96.8 the child's needs cannot be met by an in-state placement.

96.9 **EFFECTIVE DATE.** This section is effective September 30, 2021.

96.10 Sec. 28. Minnesota Statutes 2020, section 260C.714, is amended to read:

96.11 **260C.714 REVIEW OF EXTENDED QUALIFIED RESIDENTIAL TREATMENT**
 96.12 **PROGRAM PLACEMENTS.**

96.13 (a) When a responsible social services agency places a child in a qualified residential
 96.14 treatment program for more than 12 consecutive months or 18 nonconsecutive months or,
 96.15 in the case of a child who is under 13 years of age, for more than six consecutive or
 96.16 nonconsecutive months, the agency must submit: (1) the signed approval by the county
 96.17 social services director of the responsible social services agency; and (2) the evidence
 96.18 supporting the child's placement at the most recent court review or permanency hearing
 96.19 under section 260C.712, ~~paragraph (b).~~

96.20 (b) The commissioner shall specify the procedures and requirements for the agency's
 96.21 review and approval of a child's extended qualified residential treatment program placement.
 96.22 The commissioner may consult with counties, tribes, child-placing agencies, mental health
 96.23 providers, licensed facilities, the child, the child's parents, and the family and permanency
 96.24 team members to develop case plan requirements and engage in periodic reviews of the
 96.25 case plan.

96.26 **EFFECTIVE DATE.** This section is effective September 30, 2021.

96.27 Sec. 29. Minnesota Statutes 2020, section 260D.01, is amended to read:

96.28 **260D.01 CHILD IN VOLUNTARY FOSTER CARE FOR TREATMENT.**

96.29 (a) Sections 260D.01 to 260D.10, may be cited as the "child in voluntary foster care for
 96.30 treatment" provisions of the Juvenile Court Act.

97.1 (b) The juvenile court has original and exclusive jurisdiction over a child in voluntary
 97.2 foster care for treatment upon the filing of a report or petition required under this chapter.
 97.3 All obligations of the responsible social services agency to a child and family in foster care
 97.4 contained in chapter 260C not inconsistent with this chapter are also obligations of the
 97.5 agency with regard to a child in foster care for treatment under this chapter.

97.6 (c) This chapter shall be construed consistently with the mission of the children's mental
 97.7 health service system as set out in section 245.487, subdivision 3, and the duties of an agency
 97.8 under sections 256B.092 and 260C.157 and Minnesota Rules, parts 9525.0004 to 9525.0016,
 97.9 to meet the needs of a child with a developmental disability or related condition. This
 97.10 chapter:

97.11 (1) establishes voluntary foster care through a voluntary foster care agreement as the
 97.12 means for an agency and a parent to provide needed treatment when the child must be in
 97.13 foster care to receive necessary treatment for an emotional disturbance or developmental
 97.14 disability or related condition;

97.15 (2) establishes court review requirements for a child in voluntary foster care for treatment
 97.16 due to emotional disturbance or developmental disability or a related condition;

97.17 (3) establishes the ongoing responsibility of the parent as legal custodian to visit the
 97.18 child, to plan together with the agency for the child's treatment needs, to be available and
 97.19 accessible to the agency to make treatment decisions, and to obtain necessary medical,
 97.20 dental, and other care for the child; ~~and~~

97.21 (4) applies to voluntary foster care when the child's parent and the agency agree that the
 97.22 child's treatment needs require foster care either:

97.23 (i) due to a level of care determination by the agency's screening team informed by the
 97.24 child's diagnostic and functional assessment under section 245.4885; or

97.25 (ii) due to a determination regarding the level of services needed by the child by the
 97.26 responsible social services' services agency's screening team under section 256B.092, and
 97.27 Minnesota Rules, parts 9525.0004 to 9525.0016; and

97.28 (5) includes the requirements for a child's placement in sections 260C.70 to 260C.714,
 97.29 when the juvenile treatment screening team recommends placing a child in a qualified
 97.30 residential treatment program except as modified by this chapter.

97.31 (d) This chapter does not apply when there is a current determination under chapter
 97.32 260E that the child requires child protective services or when the child is in foster care for
 97.33 any reason other than treatment for the child's emotional disturbance or developmental

98.1 disability or related condition. When there is a determination under chapter 260E that the
98.2 child requires child protective services based on an assessment that there are safety and risk
98.3 issues for the child that have not been mitigated through the parent's engagement in services
98.4 or otherwise, or when the child is in foster care for any reason other than the child's emotional
98.5 disturbance or developmental disability or related condition, the provisions of chapter 260C
98.6 apply.

98.7 (e) The paramount consideration in all proceedings concerning a child in voluntary foster
98.8 care for treatment is the safety, health, and the best interests of the child. The purpose of
98.9 this chapter is:

98.10 (1) to ensure that a child with a disability is provided the services necessary to treat or
98.11 ameliorate the symptoms of the child's disability;

98.12 (2) to preserve and strengthen the child's family ties whenever possible and in the child's
98.13 best interests, approving the child's placement away from the child's parents only when the
98.14 child's need for care or treatment requires it out-of-home placement and the child cannot
98.15 be maintained in the home of the parent; and

98.16 (3) to ensure that the child's parent retains legal custody of the child and associated
98.17 decision-making authority unless the child's parent willfully fails or is unable to make
98.18 decisions that meet the child's safety, health, and best interests. The court may not find that
98.19 the parent willfully fails or is unable to make decisions that meet the child's needs solely
98.20 because the parent disagrees with the agency's choice of foster care facility, unless the
98.21 agency files a petition under chapter 260C, and establishes by clear and convincing evidence
98.22 that the child is in need of protection or services.

98.23 (f) The legal parent-child relationship shall be supported under this chapter by maintaining
98.24 the parent's legal authority and responsibility for ongoing planning for the child and by the
98.25 agency's assisting the parent, ~~where~~ when necessary, to exercise the parent's ongoing right
98.26 and obligation to visit or to have reasonable contact with the child. Ongoing planning means:

98.27 (1) actively participating in the planning and provision of educational services, medical,
98.28 and dental care for the child;

98.29 (2) actively planning and participating with the agency and the foster care facility for
98.30 the child's treatment needs; ~~and~~

98.31 (3) planning to meet the child's need for safety, stability, and permanency, and the child's
98.32 need to stay connected to the child's family and community; and

99.1 (4) engaging with the responsible social services agency to ensure that the family and
 99.2 permanency team under section 260C.706 consists of appropriate family members. For
 99.3 purposes of voluntary placement of a child in foster care for treatment under chapter 260D,
 99.4 prior to forming the child's family and permanency team, the responsible social services
 99.5 agency must consult with the child's parents and the child if the child is 14 years of age or
 99.6 older, and if applicable, the child's tribe to obtain recommendations regarding which
 99.7 individuals to include on the team and to ensure that the team is family-centered and will
 99.8 act in the child's best interests. If the child or the child's parent or legal guardian raises
 99.9 concerns about specific relatives or professionals, the team should not include those
 99.10 individuals on the team unless the individual is a treating professional or an important
 99.11 connection to the youth as outlined in the case or crisis plan. For voluntary placements under
 99.12 this chapter in a qualified residential treatment program, as defined in section 260C.007,
 99.13 subdivision 26d, for purposes of engaging in a relative search as provided in section
 99.14 260C.221, the county agency must consult with the child's parent or legal guardian, the
 99.15 child if the child is 14 years of age or older, and, if applicable, the tribe, to obtain
 99.16 recommendations regarding which adult relatives should be notified. If the child, parent,
 99.17 or legal guardian raises concerns about specific relatives, the county agency must not notify
 99.18 them.

99.19 (g) The provisions of section 260.012 to ensure placement prevention, family
 99.20 reunification, and all active and reasonable effort requirements of that section apply. This
 99.21 chapter shall be construed consistently with the requirements of the Indian Child Welfare
 99.22 Act of 1978, United States Code, title 25, section 1901, et al., and the provisions of the
 99.23 Minnesota Indian Family Preservation Act, sections 260.751 to 260.835.

99.24 **EFFECTIVE DATE.** This section is effective September 30, 2021.

99.25 Sec. 30. Minnesota Statutes 2020, section 260D.05, is amended to read:

99.26 **260D.05 ADMINISTRATIVE REVIEW OF CHILD IN VOLUNTARY FOSTER**
 99.27 **CARE FOR TREATMENT.**

99.28 The administrative reviews required under section 260C.203 must be conducted for a
 99.29 child in voluntary foster care for treatment, except that the initial administrative review
 99.30 must take place prior to the submission of the report to the court required under section
 99.31 260D.06, subdivision 2. When a child is placed in a qualified residential treatment program
 99.32 as defined in section 260C.007, subdivision 26d, the responsible social services agency
 99.33 must submit evidence to the court as specified in section 260C.712.

99.34 **EFFECTIVE DATE.** This section is effective September 30, 2021.

100.1 Sec. 31. Minnesota Statutes 2020, section 260D.06, subdivision 2, is amended to read:

100.2 Subd. 2. **Agency report to court; court review.** The agency shall obtain judicial review
100.3 by reporting to the court according to the following procedures:

100.4 (a) A written report shall be forwarded to the court within 165 days of the date of the
100.5 voluntary placement agreement. The written report shall contain or have attached:

100.6 (1) a statement of facts that necessitate the child's foster care placement;

100.7 (2) the child's name, date of birth, race, gender, and current address;

100.8 (3) the names, race, date of birth, residence, and post office addresses of the child's
100.9 parents or legal custodian;

100.10 (4) a statement regarding the child's eligibility for membership or enrollment in an Indian
100.11 tribe and the agency's compliance with applicable provisions of sections 260.751 to 260.835;

100.12 (5) the names and addresses of the foster parents or chief administrator of the facility in
100.13 which the child is placed, if the child is not in a family foster home or group home;

100.14 (6) a copy of the out-of-home placement plan required under section 260C.212,
100.15 subdivision 1;

100.16 (7) a written summary of the proceedings of any administrative review required under
100.17 section 260C.203; ~~and~~

100.18 (8) evidence as specified in section 260C.712 when a child is placed in a qualified
100.19 residential treatment program as defined in section 260C.007, subdivision 26d; and

100.20 (9) any other information the agency, parent or legal custodian, the child or the foster
100.21 parent, or other residential facility wants the court to consider.

100.22 (b) In the case of a child in placement due to emotional disturbance, the written report
100.23 shall include as an attachment, the child's individual treatment plan developed by the child's
100.24 treatment professional, as provided in section 245.4871, subdivision 21, or the child's
100.25 standard written plan, as provided in section 125A.023, subdivision 3, paragraph (e).

100.26 (c) In the case of a child in placement due to developmental disability or a related
100.27 condition, the written report shall include as an attachment, the child's individual service
100.28 plan, as provided in section 256B.092, subdivision 1b; the child's individual program plan,
100.29 as provided in Minnesota Rules, part 9525.0004, subpart 11; the child's waiver care plan;
100.30 or the child's standard written plan, as provided in section 125A.023, subdivision 3, paragraph
100.31 (e).

101.1 (d) The agency must inform the child, age 12 or older, the child's parent, and the foster
101.2 parent or foster care facility of the reporting and court review requirements of this section
101.3 and of their right to submit information to the court:

101.4 (1) if the child or the child's parent or the foster care provider wants to send information
101.5 to the court, the agency shall advise those persons of the reporting date and the date by
101.6 which the agency must receive the information they want forwarded to the court so the
101.7 agency is timely able submit it with the agency's report required under this subdivision;

101.8 (2) the agency must also inform the child, age 12 or older, the child's parent, and the
101.9 foster care facility that they have the right to be heard in person by the court and how to
101.10 exercise that right;

101.11 (3) the agency must also inform the child, age 12 or older, the child's parent, and the
101.12 foster care provider that an in-court hearing will be held if requested by the child, the parent,
101.13 or the foster care provider; and

101.14 (4) if, at the time required for the report under this section, a child, age 12 or older,
101.15 disagrees about the foster care facility or services provided under the out-of-home placement
101.16 plan required under section 260C.212, subdivision 1, the agency shall include information
101.17 regarding the child's disagreement, and to the extent possible, the basis for the child's
101.18 disagreement in the report required under this section.

101.19 (e) After receiving the required report, the court has jurisdiction to make the following
101.20 determinations and must do so within ten days of receiving the forwarded report, whether
101.21 a hearing is requested:

101.22 (1) whether the voluntary foster care arrangement is in the child's best interests;

101.23 (2) whether the parent and agency are appropriately planning for the child; and

101.24 (3) in the case of a child age 12 or older, who disagrees with the foster care facility or
101.25 services provided under the out-of-home placement plan, whether it is appropriate to appoint
101.26 counsel and a guardian ad litem for the child using standards and procedures under section
101.27 260C.163.

101.28 (f) Unless requested by a parent, representative of the foster care facility, or the child,
101.29 no in-court hearing is required in order for the court to make findings and issue an order as
101.30 required in paragraph (e).

101.31 (g) If the court finds the voluntary foster care arrangement is in the child's best interests
101.32 and that the agency and parent are appropriately planning for the child, the court shall issue
101.33 an order containing explicit, individualized findings to support its determination. The

102.1 individualized findings shall be based on the agency's written report and other materials
102.2 submitted to the court. The court may make this determination notwithstanding the child's
102.3 disagreement, if any, reported under paragraph (d).

102.4 (h) The court shall send a copy of the order to the county attorney, the agency, parent,
102.5 child, age 12 or older, and the foster parent or foster care facility.

102.6 (i) The court shall also send the parent, the child, age 12 or older, the foster parent, or
102.7 representative of the foster care facility notice of the permanency review hearing required
102.8 under section 260D.07, paragraph (e).

102.9 (j) If the court finds continuing the voluntary foster care arrangement is not in the child's
102.10 best interests or that the agency or the parent are not appropriately planning for the child,
102.11 the court shall notify the agency, the parent, the foster parent or foster care facility, the child,
102.12 age 12 or older, and the county attorney of the court's determinations and the basis for the
102.13 court's determinations. In this case, the court shall set the matter for hearing and appoint a
102.14 guardian ad litem for the child under section 260C.163, subdivision 5.

102.15 **EFFECTIVE DATE.** This section is effective September 30, 2021.

102.16 Sec. 32. Minnesota Statutes 2020, section 260D.07, is amended to read:

102.17 **260D.07 REQUIRED PERMANENCY REVIEW HEARING.**

102.18 (a) When the court has found that the voluntary arrangement is in the child's best interests
102.19 and that the agency and parent are appropriately planning for the child pursuant to the report
102.20 submitted under section 260D.06, and the child continues in voluntary foster care as defined
102.21 in section 260D.02, subdivision 10, for 13 months from the date of the voluntary foster care
102.22 agreement, or has been in placement for 15 of the last 22 months, the agency must:

102.23 (1) terminate the voluntary foster care agreement and return the child home; or

102.24 (2) determine whether there are compelling reasons to continue the voluntary foster care
102.25 arrangement and, if the agency determines there are compelling reasons, seek judicial
102.26 approval of its determination; or

102.27 (3) file a petition for the termination of parental rights.

102.28 (b) When the agency is asking for the court's approval of its determination that there are
102.29 compelling reasons to continue the child in the voluntary foster care arrangement, the agency
102.30 shall file a "Petition for Permanency Review Regarding a Child in Voluntary Foster Care
102.31 for Treatment" and ask the court to proceed under this section.

103.1 (c) The "Petition for Permanency Review Regarding a Child in Voluntary Foster Care
103.2 for Treatment" shall be drafted or approved by the county attorney and be under oath. The
103.3 petition shall include:

103.4 (1) the date of the voluntary placement agreement;

103.5 (2) whether the petition is due to the child's developmental disability or emotional
103.6 disturbance;

103.7 (3) the plan for the ongoing care of the child and the parent's participation in the plan;

103.8 (4) a description of the parent's visitation and contact with the child;

103.9 (5) the date of the court finding that the foster care placement was in the best interests
103.10 of the child, if required under section 260D.06, or the date the agency filed the motion under
103.11 section 260D.09, paragraph (b);

103.12 (6) the agency's reasonable efforts to finalize the permanent plan for the child, including
103.13 returning the child to the care of the child's family; ~~and~~

103.14 (7) a citation to this chapter as the basis for the petition; and

103.15 (8) evidence as specified in section 260C.712 when a child is placed in a qualified
103.16 residential treatment program as defined in section 260C.007, subdivision 26d.

103.17 (d) An updated copy of the out-of-home placement plan required under section 260C.212,
103.18 subdivision 1, shall be filed with the petition.

103.19 (e) The court shall set the date for the permanency review hearing no later than 14 months
103.20 after the child has been in placement or within 30 days of the petition filing date when the
103.21 child has been in placement 15 of the last 22 months. The court shall serve the petition
103.22 together with a notice of hearing by United States mail on the parent, the child age 12 or
103.23 older, the child's guardian ad litem, if one has been appointed, the agency, the county
103.24 attorney, and counsel for any party.

103.25 (f) The court shall conduct the permanency review hearing on the petition no later than
103.26 14 months after the date of the voluntary placement agreement, within 30 days of the filing
103.27 of the petition when the child has been in placement 15 of the last 22 months, or within 15
103.28 days of a motion to terminate jurisdiction and to dismiss an order for foster care under
103.29 chapter 260C, as provided in section 260D.09, paragraph (b).

103.30 (g) At the permanency review hearing, the court shall:

103.31 (1) inquire of the parent if the parent has reviewed the "Petition for Permanency Review
103.32 Regarding a Child in Voluntary Foster Care for Treatment," whether the petition is accurate,

104.1 and whether the parent agrees to the continued voluntary foster care arrangement as being
104.2 in the child's best interests;

104.3 (2) inquire of the parent if the parent is satisfied with the agency's reasonable efforts to
104.4 finalize the permanent plan for the child, including whether there are services available and
104.5 accessible to the parent that might allow the child to safely be with the child's family;

104.6 (3) inquire of the parent if the parent consents to the court entering an order that:

104.7 (i) approves the responsible agency's reasonable efforts to finalize the permanent plan
104.8 for the child, which includes ongoing future planning for the safety, health, and best interests
104.9 of the child; and

104.10 (ii) approves the responsible agency's determination that there are compelling reasons
104.11 why the continued voluntary foster care arrangement is in the child's best interests; and

104.12 (4) inquire of the child's guardian ad litem and any other party whether the guardian or
104.13 the party agrees that:

104.14 (i) the court should approve the responsible agency's reasonable efforts to finalize the
104.15 permanent plan for the child, which includes ongoing and future planning for the safety,
104.16 health, and best interests of the child; and

104.17 (ii) the court should approve of the responsible agency's determination that there are
104.18 compelling reasons why the continued voluntary foster care arrangement is in the child's
104.19 best interests.

104.20 (h) At a permanency review hearing under this section, the court may take the following
104.21 actions based on the contents of the sworn petition and the consent of the parent:

104.22 (1) approve the agency's compelling reasons that the voluntary foster care arrangement
104.23 is in the best interests of the child; and

104.24 (2) find that the agency has made reasonable efforts to finalize the permanent plan for
104.25 the child.

104.26 (i) A child, age 12 or older, may object to the agency's request that the court approve its
104.27 compelling reasons for the continued voluntary arrangement and may be heard on the reasons
104.28 for the objection. Notwithstanding the child's objection, the court may approve the agency's
104.29 compelling reasons and the voluntary arrangement.

104.30 (j) If the court does not approve the voluntary arrangement after hearing from the child
104.31 or the child's guardian ad litem, the court shall dismiss the petition. In this case, either:

104.32 (1) the child must be returned to the care of the parent; or

105.1 (2) the agency must file a petition under section 260C.141, asking for appropriate relief
105.2 under sections 260C.301 or 260C.503 to 260C.521.

105.3 (k) When the court approves the agency's compelling reasons for the child to continue
105.4 in voluntary foster care for treatment, and finds that the agency has made reasonable efforts
105.5 to finalize a permanent plan for the child, the court shall approve the continued voluntary
105.6 foster care arrangement, and continue the matter under the court's jurisdiction for the purposes
105.7 of reviewing the child's placement every 12 months while the child is in foster care.

105.8 (l) A finding that the court approves the continued voluntary placement means the agency
105.9 has continued legal authority to place the child while a voluntary placement agreement
105.10 remains in effect. The parent or the agency may terminate a voluntary agreement as provided
105.11 in section 260D.10. Termination of a voluntary foster care placement of an Indian child is
105.12 governed by section 260.765, subdivision 4.

105.13 **EFFECTIVE DATE.** This section is effective September 30, 2021.

105.14 Sec. 33. Minnesota Statutes 2020, section 260D.08, is amended to read:

105.15 **260D.08 ANNUAL REVIEW.**

105.16 (a) After the court conducts a permanency review hearing under section 260D.07, the
105.17 matter must be returned to the court for further review of the responsible social services
105.18 reasonable efforts to finalize the permanent plan for the child and the child's foster care
105.19 placement at least every 12 months while the child is in foster care. The court shall give
105.20 notice to the parent and child, age 12 or older, and the foster parents of the continued review
105.21 requirements under this section at the permanency review hearing.

105.22 (b) Every 12 months, the court shall determine whether the agency made reasonable
105.23 efforts to finalize the permanency plan for the child, which means the exercise of due
105.24 diligence by the agency to:

105.25 (1) ensure that the agreement for voluntary foster care is the most appropriate legal
105.26 arrangement to meet the child's safety, health, and best interests and to conduct a genuine
105.27 examination of whether there is another permanency disposition order under chapter 260C,
105.28 including returning the child home, that would better serve the child's need for a stable and
105.29 permanent home;

105.30 (2) engage and support the parent in continued involvement in planning and decision
105.31 making for the needs of the child;

105.32 (3) strengthen the child's ties to the parent, relatives, and community;

106.1 (4) implement the out-of-home placement plan required under section 260C.212,
 106.2 subdivision 1, and ensure that the plan requires the provision of appropriate services to
 106.3 address the physical health, mental health, and educational needs of the child; ~~and~~

106.4 (5) submit evidence to the court as specified in section 260C.712 when a child is placed

 106.6 subdivision 26d; and

106.7 ~~(5)~~ (6) ensure appropriate planning for the child's safe, permanent, and independent

 106.16 and 14.

106.17 Subd. 2. **Notification.** The responsible social services agency shall provide a youth with

 106.20 who is 18 years of age or older may continue to receive according to section 260C.451,

 106.23 birthday.

106.24 Subd. 3. **Administrative or court reviews.** When ~~the child~~ a youth is ~~17~~ 14 years of
 106.25 age or older, the administrative review or court hearing must include a review of the
 106.26 responsible social services agency's support for the ~~child's~~ youth's successful transition to
 106.27 adulthood as required in section 260C.452, subdivision 4.

106.28 **EFFECTIVE DATE.** This section is effective July 1, 2021.

107.26 **AFTERCARE SUPPORTS.**

107.27 The commissioner of human services shall consult with stakeholders to develop policies
107.28 regarding aftercare supports for the transition of a child from a qualified residential treatment
107.29 program as defined in Minnesota Statutes, section 260C.007, subdivision 26d, to reunification
107.30 with the child's parent or legal guardian, including potential placement in a less restrictive

 109.12 To initiate an appeal of a good cause determination or redetermination, the individual must
 109.13 make a request for a state agency hearing in writing within 30 calendar days after the date
 109.14 that a notice of denial for good cause is mailed or otherwise transmitted to the individual.
 109.15 Until a human services judge issues a decision under section 256.0451, subdivision 22, the
 109.16 child support agency shall cease all child support enforcement efforts and shall not report
 109.17 the individual's noncooperation to public assistance agencies.

109.20 Subd. 12b. **Reporting noncooperation.** The public authority may issue a notice of the
 109.21 individual's noncooperation to each public assistance agency providing public assistance
 109.22 to the individual if:

109.23 (1) 30 calendar days have passed since the later of the initial county denial or the date
 109.24 of the denial following the state agency hearing; or

109.25 (2) the individual has not cooperated with the child support agency as required in
 109.26 subdivision 5.

109.27 Sec. 3. Minnesota Statutes 2020, section 260E.20, subdivision 2, is amended to read:

110.4 if sexual abuse or substantial child endangerment is alleged and within five calendar days
110.5 for all other reports. If the alleged offender was not already interviewed as the primary
110.6 caregiver, the local welfare agency shall also conduct a face-to-face interview with the
110.7 alleged offender in the early stages of the assessment or investigation. Face-to-face contact
110.8 with the child and primary caregiver in response to a report alleging sexual abuse or
110.9 substantial child endangerment may be postponed for no more than five calendar days if
110.10 the child is residing in a location that is confirmed to restrict contact with the alleged offender
110.11 as established in guidelines issued by the commissioner, or if the local welfare agency is
110.12 pursuing a court order for the child's caregiver to produce the child for questioning under
110.13 section 260E.22, subdivision 5.

110.14 (c) At the initial contact with the alleged offender, the local welfare agency or the agency
110.15 responsible for assessing or investigating the report must inform the alleged offender of the
110.16 complaints or allegations made against the individual in a manner consistent with laws
110.17 protecting the rights of the person who made the report. The interview with the alleged
110.18 offender may be postponed if it would jeopardize an active law enforcement investigation.

110.19 (d) The local welfare agency or the agency responsible for assessing or investigating
110.20 the report must provide the alleged offender with an opportunity to make a statement. The
110.21 alleged offender may submit supporting documentation relevant to the assessment or

110.27 that divorce, the restructuring of families, and judicial proceedings have upon children and
110.28 families; methods for preventing parenting time conflicts; and dispute resolution options.
110.29 The chief judge of each judicial district or a designee may require that children attend a
110.30 separate education program designed to deal with the impact of divorce upon children as
110.31 part of the parent education program. Each parent education program must enable persons
110.32 to have timely and reasonable access to education sessions.

111.1 (b) The chief judge of each judicial district shall ensure that the judicial district's website
 111.2 includes information on the parent education program or programs required under this

 111.13 parent education program as ordered by the court. Persons who are separated or contemplating
 111.14 involvement in a dissolution, paternity, custody, or parenting time proceeding may attend

111.21 (e) Upon request of a party and a showing of good cause, the court may excuse the party
 111.22 from attending the program. If past or present domestic abuse, as defined in chapter 518B,
 111.23 is alleged, the court shall not require the parties to attend the same parent education sessions

111.32 **IMPORTANT NOTICE**

112.1 1. PAYMENTS TO PUBLIC AGENCY

112.2 According to Minnesota Statutes, section 518A.50, payments ordered for maintenance
112.3 and support must be paid to the public agency responsible for child support enforcement
112.4 as long as the person entitled to receive the payments is receiving or has applied for
112.5 public assistance or has applied for support and maintenance collection services. MAIL
112.6 PAYMENTS TO:

112.7 2. DEPRIVING ANOTHER OF CUSTODIAL OR PARENTAL RIGHTS -- A FELONY

112.8 A person may be charged with a felony who conceals a minor child or takes, obtains,
112.9 retains, or fails to return a minor child from or to the child's parent (or person with
112.10 custodial or visitation rights), according to Minnesota Statutes, section 609.26. A copy
112.11 of that section is available from any district court clerk.

112.12 3. NONSUPPORT OF A SPOUSE OR CHILD -- CRIMINAL PENALTIES

112.13 A person who fails to pay court-ordered child support or maintenance may be charged
112.14 with a crime, which may include misdemeanor, gross misdemeanor, or felony charges,
112.15 according to Minnesota Statutes, section 609.375. A copy of that section is available
112.16 from any district court clerk.

112.17 4. RULES OF SUPPORT, MAINTENANCE, PARENTING TIME

112.18 (a) Payment of support or spousal maintenance is to be as ordered, and the giving of
112.19 gifts or making purchases of food, clothing, and the like will not fulfill the obligation.

112.20 (b) Payment of support must be made as it becomes due, and failure to secure or denial
112.21 of parenting time is NOT an excuse for nonpayment, but the aggrieved party must seek
112.22 relief through a proper motion filed with the court.

112.23 (c) Nonpayment of support is not grounds to deny parenting time. The party entitled to
112.24 receive support may apply for support and collection services, file a contempt motion,
112.25 or obtain a judgment as provided in Minnesota Statutes, section 548.091.

112.26 (d) The payment of support or spousal maintenance takes priority over payment of debts
112.27 and other obligations.

112.28 (e) A party who accepts additional obligations of support does so with the full knowledge
112.29 of the party's prior obligation under this proceeding.

112.30 (f) Child support or maintenance is based on annual income, and it is the responsibility
112.31 of a person with seasonal employment to budget income so that payments are made
112.32 throughout the year as ordered.

113.1 (g) Reasonable parenting time guidelines are contained in Appendix B, which is available
113.2 from the court administrator.

113.3 (h) The nonpayment of support may be enforced through the denial of student grants;
113.4 interception of state and federal tax refunds; suspension of driver's, recreational, and
113.5 occupational licenses; referral to the department of revenue or private collection agencies;
113.6 seizure of assets, including bank accounts and other assets held by financial institutions;
113.7 reporting to credit bureaus; ~~interest charging~~, income withholding, and contempt
113.8 proceedings; and other enforcement methods allowed by law.

113.9 (i) The public authority may suspend or resume collection of the amount allocated for
113.10 child care expenses if the conditions of Minnesota Statutes, section 518A.40, subdivision
113.11 4, are met.

113.12 (j) The public authority may remove or resume a medical support offset if the conditions
113.13 of Minnesota Statutes, section 518A.41, subdivision 16, are met.

113.14 ~~(k) The public authority may suspend or resume interest charging on child support~~
113.15 ~~judgments if the conditions of Minnesota Statutes, section 548.091, subdivision 1a, are met.~~

113.16 5. MODIFYING CHILD SUPPORT

113.17 If either the obligor or obligee is laid off from employment or receives a pay reduction,
113.18 child support may be modified, increased, or decreased. Any modification will only take
113.19 effect when it is ordered by the court, and will only relate back to the time that a motion
113.20 is filed. Either the obligor or obligee may file a motion to modify child support, and may
113.21 request the public agency for help. UNTIL A MOTION IS FILED, THE CHILD
113.22 SUPPORT OBLIGATION WILL CONTINUE AT THE CURRENT LEVEL. THE
113.23 COURT IS NOT PERMITTED TO REDUCE SUPPORT RETROACTIVELY.

113.24 6. PARENTAL RIGHTS FROM MINNESOTA STATUTES, SECTION 518.17, 113.25 SUBDIVISION 3

113.26 Unless otherwise provided by the Court:

113.27 (a) Each party has the right of access to, and to receive copies of, school, medical, dental,
113.28 religious training, and other important records and information about the minor children.
113.29 Each party has the right of access to information regarding health or dental insurance
113.30 available to the minor children. Presentation of a copy of this order to the custodian of
113.31 a record or other information about the minor children constitutes sufficient authorization
113.32 for the release of the record or information to the requesting party.

114.1 (b) Each party shall keep the other informed as to the name and address of the school
114.2 of attendance of the minor children. Each party has the right to be informed by school
114.3 officials about the children's welfare, educational progress and status, and to attend
114.4 school and parent teacher conferences. The school is not required to hold a separate
114.5 conference for each party.

114.6 (c) In case of an accident or serious illness of a minor child, each party shall notify the
114.7 other party of the accident or illness, and the name of the health care provider and the
114.8 place of treatment.

114.9 (d) Each party has the right of reasonable access and telephone contact with the minor
114.10 children.

114.11 7. WAGE AND INCOME DEDUCTION OF SUPPORT AND MAINTENANCE

114.12 Child support and/or spousal maintenance may be withheld from income, with or without
114.13 notice to the person obligated to pay, when the conditions of Minnesota Statutes, section
114.14 518A.53 have been met. A copy of those sections is available from any district court
114.15 clerk.

114.16 8. CHANGE OF ADDRESS OR RESIDENCE

114.17 Unless otherwise ordered, each party shall notify the other party, the court, and the public
114.18 authority responsible for collection, if applicable, of the following information within
114.19 ten days of any change: the residential and mailing address, telephone number, driver's
114.20 license number, Social Security number, and name, address, and telephone number of
114.21 the employer.

114.22 9. COST OF LIVING INCREASE OF SUPPORT AND MAINTENANCE

114.23 Basic support and/or spousal maintenance may be adjusted every two years based upon
114.24 a change in the cost of living (using Department of Labor Consumer Price Index,
114.25 unless otherwise specified in this order) when the conditions of Minnesota Statutes,
114.26 section 518A.75, are met. Cost of living increases are compounded. A copy of Minnesota
114.27 Statutes, section 518A.75, and forms necessary to request or contest a cost of living
114.28 increase are available from any district court clerk.

114.29 10. JUDGMENTS FOR UNPAID SUPPORT

114.30 If a person fails to make a child support payment, the payment owed becomes a judgment
114.31 against the person responsible to make the payment by operation of law on or after the
114.32 date the payment is due, and the person entitled to receive the payment or the public
114.33 agency may obtain entry and docketing of the judgment WITHOUT NOTICE to the

115.1 person responsible to make the payment under Minnesota Statutes, section 548.091.
115.2 ~~Interest begins to accrue on a payment or installment of child support whenever the~~
115.3 ~~unpaid amount due is greater than the current support due, according to Minnesota~~
115.4 ~~Statutes, section 548.091, subdivision 1a.~~

115.5 11. JUDGMENTS FOR UNPAID MAINTENANCE

115.6 (a) A judgment for unpaid spousal maintenance may be entered when the conditions of
115.7 Minnesota Statutes, section 548.091, are met. A copy of that section is available from
115.8 any district court clerk.

115.9 (b) The public authority is not responsible for calculating interest on any judgment for
115.10 unpaid spousal maintenance. When providing services in IV-D cases, as defined in
115.11 Minnesota Statutes, section 518A.26, subdivision 10, the public authority will only
115.12 collect interest on spousal maintenance if spousal maintenance is reduced to a sum
115.13 certain judgment.

115.14 12. ATTORNEY FEES AND COLLECTION COSTS FOR ENFORCEMENT OF CHILD 115.15 SUPPORT

115.16 A judgment for attorney fees and other collection costs incurred in enforcing a child
115.17 support order will be entered against the person responsible to pay support when the
115.18 conditions of Minnesota Statutes, section 518A.735, are met. A copy of Minnesota
115.19 Statutes, sections 518.14 and 518A.735 and forms necessary to request or contest these
115.20 attorney fees and collection costs are available from any district court clerk.

115.21 13. PARENTING TIME EXPEDITOR PROCESS

115.22 On request of either party or on its own motion, the court may appoint a parenting time
115.23 expeditor to resolve parenting time disputes under Minnesota Statutes, section 518.1751.
115.24 A copy of that section and a description of the expeditor process is available from any
115.25 district court clerk.

115.26 14. PARENTING TIME REMEDIES AND PENALTIES

115.27 Remedies and penalties for the wrongful denial of parenting time are available under
115.28 Minnesota Statutes, section 518.175, subdivision 6. These include compensatory parenting
115.29 time; civil penalties; bond requirements; contempt; and reversal of custody. A copy of
115.30 that subdivision and forms for requesting relief are available from any district court
115.31 clerk.

115.32 **EFFECTIVE DATE.** This section is effective August 1, 2022.

116.1 Sec. 7. Minnesota Statutes 2020, section 518A.29, is amended to read:

116.2 **518A.29 CALCULATION OF GROSS INCOME.**

116.3 (a) Subject to the exclusions and deductions in this section, gross income includes any
116.4 form of periodic payment to an individual, including, but not limited to, salaries, wages,
116.5 commissions, self-employment income under section 518A.30, workers' compensation,
116.6 unemployment benefits, annuity payments, military and naval retirement, pension and
116.7 disability payments, spousal maintenance received under a previous order or the current
116.8 proceeding, Social Security or veterans benefits provided for a joint child under section
116.9 518A.31, and potential income under section 518A.32. Salaries, wages, commissions, or
116.10 other compensation paid by third parties shall be based upon gross income before
116.11 participation in an employer-sponsored benefit plan that allows an employee to pay for a
116.12 benefit or expense using pretax dollars, such as flexible spending plans and health savings
116.13 accounts. No deductions shall be allowed for contributions to pensions, 401-K, IRA, or
116.14 other retirement benefits.

116.15 (b) Gross income does not include compensation received by a party for employment
116.16 in excess of a 40-hour work week, provided that:

116.17 (1) child support is ordered in an amount at least equal to the guideline amount based
116.18 on gross income not excluded under this clause; and

116.19 (2) the party demonstrates, and the court finds, that:

116.20 (i) the excess employment began after the filing of the petition for dissolution or legal
116.21 separation or a petition related to custody, parenting time, or support;

116.22 (ii) the excess employment reflects an increase in the work schedule or hours worked
116.23 over that of the two years immediately preceding the filing of the petition;

116.24 (iii) the excess employment is voluntary and not a condition of employment;

116.25 (iv) the excess employment is in the nature of additional, part-time or overtime
116.26 employment compensable by the hour or fraction of an hour; and

116.27 (v) the party's compensation structure has not been changed for the purpose of affecting
116.28 a support or maintenance obligation.

116.29 (c) Expense reimbursements or in-kind payments received by a parent in the course of
116.30 employment, self-employment, or operation of a business shall be counted as income if
116.31 they reduce personal living expenses.

117.1 (d) Gross income may be calculated on either an annual or monthly basis. Weekly income
117.2 shall be translated to monthly income by multiplying the weekly income by 4.33.

117.3 (e) Gross income does not include a child support payment received by a party. It is a
117.4 rebuttable presumption that adoption assistance payments, Northstar kinship assistance
117.5 payments, and foster care subsidies are not gross income.

117.6 (f) Gross income does not include the income of the obligor's spouse and the obligee's
117.7 spouse.

117.8 (g) ~~Child support or~~ Spousal maintenance payments ordered by a court for a ~~nonjoint~~
117.9 ~~child or~~ former spouse or ordered payable to the other party as part of the current proceeding
117.10 are deducted from other periodic payments received by a party for purposes of determining
117.11 gross income.

117.12 (h) Gross income does not include public assistance benefits received under section
117.13 256.741 or other forms of public assistance based on need.

117.14 **EFFECTIVE DATE.** This section is effective January 1, 2023.

117.15 Sec. 8. Minnesota Statutes 2020, section 518A.33, is amended to read:

117.16 **518A.33 DEDUCTION FROM INCOME FOR NONJOINT CHILDREN.**

117.17 (a) When either or both parents are legally responsible for a nonjoint child, a deduction
117.18 for this obligation shall be calculated under this section ~~if:~~

117.19 ~~(1) the nonjoint child primarily resides in the parent's household; and~~

117.20 ~~(2) the parent is not obligated to pay basic child support for the nonjoint child to the~~
117.21 ~~other parent or a legal custodian of the child under an existing child support order.~~

117.22 ~~(b) The court shall use the guidelines under section 518A.35 to determine the basic child~~
117.23 ~~support obligation for the nonjoint child or children by using the gross income of the parent~~
117.24 ~~for whom the deduction is being calculated and the number of nonjoint children primarily~~
117.25 ~~residing in the parent's household. If the number of nonjoint children to be used for the~~
117.26 ~~determination is greater than two, the determination must be made using the number two~~
117.27 ~~instead of the greater number.~~ Court-ordered child support for a nonjoint child shall be
117.28 deducted from the payor's gross income.

117.29 ~~(c) The deduction for nonjoint children is 50 percent of the guideline amount determined~~
117.30 ~~under paragraph (b).~~ When a parent is legally responsible for a nonjoint child and the parent
117.31 is not obligated to pay basic child support for the nonjoint child to the other parent or a legal
117.32 custodian under an existing child support order, a deduction shall be calculated. The court

118.1 shall use the basic support guideline table under section 518A.35 to determine this deduction
 118.2 by using the gross income of the parent for whom the deduction is being calculated, minus
 118.3 any deduction under paragraph (b) and the number of eligible nonjoint children, up to six
 118.4 children. The deduction for nonjoint children is 75 percent of the guideline amount
 118.5 determined under this paragraph.

118.6 **EFFECTIVE DATE.** This section is effective January 1, 2023.

118.7 Sec. 9. Minnesota Statutes 2020, section 518A.35, subdivision 1, is amended to read:

118.8 Subdivision 1. **Determination of support obligation.** (a) The guideline in this section
 118.9 is a rebuttable presumption and shall be used in any judicial or administrative proceeding
 118.10 to establish or modify a support obligation under this chapter.

118.11 (b) The basic child support obligation shall be determined by referencing the guideline
 118.12 for the appropriate number of joint children and the combined parental income for
 118.13 determining child support of the parents.

118.14 (c) If a child is not in the custody of either parent and a support order is sought against
 118.15 one or both parents, the basic child support obligation shall be determined by referencing
 118.16 the guideline for the appropriate number of joint children, and the parent's individual parental
 118.17 income for determining child support, not the combined parental incomes for determining
 118.18 child support of the parents. Unless a parent has court-ordered parenting time, the parenting
 118.19 expense adjustment formula under section 518A.34 must not be applied.

118.20 (d) If a child is ~~in custody of either parent~~ not residing with the parent that has
 118.21 court-ordered or statutory custody and a support order is sought ~~by the public authority~~
 118.22 under section 256.87 against one or both parents, unless the parent against whom the support
 118.23 order is sought has court-ordered parenting time, the basic support obligation must be
 118.24 determined by referencing the guideline for the appropriate number of joint children and
 118.25 the parent's individual income without application of the parenting expense adjustment
 118.26 formula under section 518A.34.

118.27 (e) For combined parental incomes for determining child support exceeding ~~\$15,000~~
 118.28 \$20,000 per month, the presumed basic child support obligations shall be as for parents
 118.29 with combined parental income for determining child support of ~~\$15,000~~ \$20,000 per month.
 118.30 A basic child support obligation in excess of this level may be demonstrated for those reasons
 118.31 set forth in section 518A.43.

118.32 **EFFECTIVE DATE.** This section is effective January 1, 2023.

119.1 Sec. 10. Minnesota Statutes 2020, section 518A.35, subdivision 2, is amended to read:

119.2 Subd. 2. **Basic support; guideline.** Unless otherwise agreed to by the parents and
 119.3 approved by the court, when establishing basic support, the court must order that basic
 119.4 support be divided between the parents based on their proportionate share of the parents'
 119.5 combined monthly parental income for determining child support (PICS). Basic support
 119.6 must be computed using the following guideline:

126.34 **EFFECTIVE DATE.** This section is effective January 1, 2023.

126.35 Sec. 11. Minnesota Statutes 2020, section 518A.39, subdivision 7, is amended to read:

126.36 Subd. 7. **Child care exception.** Child care support must be based on the actual child
 126.37 care expenses. The court may provide that a decrease in the amount of the child care based

127.1 on a decrease in the actual child care expenses is effective as of the date the expense is
127.2 decreased. Under section 518A.40, subdivision 4, paragraph (d), a decrease in the amount
127.3 of child care support shall be effective as of the date the expenses terminated unless otherwise
127.4 found by the court.

127.5 Sec. 12. Minnesota Statutes 2020, section 518A.40, is amended by adding a subdivision
127.6 to read:

127.7 Subd. 3a. **Child care cost information.** (a) Upon the request of the obligor when child
127.8 care support is ordered to be paid, unless there is a protective or restraining order issued by
127.9 the court regarding one of the parties or on behalf of a joint child, or the obligee is a
127.10 participant in the Safe at Home program:

127.11 (1) the obligee must give the child care provider the name and address of the obligor
127.12 and must give the obligor the name, address, and telephone number of the child care provider;

127.13 (2) by February 1 of each year, the obligee must provide the obligor with verification
127.14 from the child care provider that indicates the total child care expenses paid for the previous
127.15 year; and

127.16 (3) when there is a change in the child care provider, the type of child care provider, or
127.17 the age group of the child, the obligee must provide updated information to the obligor
127.18 within 30 calendar days. If the obligee fails to provide the annual verification from the
127.19 provider or updated information, the obligor may request the verification from the provider.

127.20 (b) When the obligee is no longer incurring child care expenses, the obligee must notify
127.21 the obligor, and the public authority if it provides child support services, that the child care
127.22 expenses ended and on which date. If the public authority is providing services, the public
127.23 authority must follow the procedure outlined in subdivision 4.

127.24 Sec. 13. Minnesota Statutes 2020, section 518A.40, subdivision 4, is amended to read:

127.25 Subd. 4. **Change in child care.** (a) When a court order provides for child care expenses,
127.26 and child care support is not assigned under section 256.741, the public authority, if the
127.27 public authority provides child support enforcement services, may suspend collecting the
127.28 amount allocated for child care expenses when either party informs the public authority that
127.29 no child care ~~costs~~ expenses are being incurred and:

127.30 (1) the public authority verifies the accuracy of the information with the obligee; or

127.31 (2) the obligee fails to respond within 30 days of the date of a written request from the
127.32 public authority for information regarding child care costs. A written or oral response from

128.1 the obligee that child care costs are being incurred is sufficient for the public authority to
128.2 continue collecting child care expenses.

128.3 The suspension is effective as of the first day of the month following the date that the public
128.4 authority either verified the information with the obligee or the obligee failed to respond.

128.5 The public authority will resume collecting child care expenses when either party provides
128.6 information that child care costs are incurred, or when a child care support assignment takes
128.7 effect under section 256.741, subdivision 4. The resumption is effective as of the first day
128.8 of the month after the date that the public authority received the information.

128.9 (b) If the parties provide conflicting information to the public authority regarding whether
128.10 child care expenses are being incurred, the public authority will continue or resume collecting
128.11 child care expenses. Either party, by motion to the court, may challenge the suspension,
128.12 continuation, or resumption of the collection of child care expenses under this subdivision.
128.13 If the public authority suspends collection activities for the amount allocated for child care
128.14 expenses, all other provisions of the court order remain in effect.

128.15 (c) In cases where there is a substantial increase or decrease in child care expenses, the
128.16 parties may modify the order under section 518A.39.

128.17 (d) In cases where child care expenses have terminated, the parties may modify the order
128.18 under section 518A.39.

128.19 (e) When the public authority is providing child support services, the parties may contact
128.20 the public authority about the option of a stipulation to modify or terminate the child care
128.21 support amount.

128.22 Sec. 14. Minnesota Statutes 2020, section 518A.42, is amended to read:

128.23 **518A.42 ABILITY TO PAY; SELF-SUPPORT ADJUSTMENT.**

128.24 Subdivision 1. **Ability to pay.** (a) It is a rebuttable presumption that a child support
128.25 order should not exceed the obligor's ability to pay. To determine the amount of child support
128.26 the obligor has the ability to pay, the court shall follow the procedure set out in this section.

128.27 (b) The court shall calculate the obligor's income available for support by subtracting a
128.28 monthly self-support reserve equal to 120 percent of the federal poverty guidelines for one
128.29 person from the obligor's ~~gross income~~ parental income for determining child support (PICS).
128.30 If the obligor's income available for support calculated under this paragraph is equal to or
128.31 greater than the obligor's support obligation calculated under section 518A.34, the court
128.32 shall order child support under section 518A.34.

129.1 (c) If the obligor's income available for support calculated under paragraph (b) is more
 129.2 than the minimum support amount under subdivision 2, but less than the guideline amount
 129.3 under section 518A.34, then the court shall apply a reduction to the child support obligation
 129.4 in the following order, until the support order is equal to the obligor's income available for
 129.5 support:

129.6 (1) medical support obligation;

129.7 (2) child care support obligation; and

129.8 (3) basic support obligation.

129.9 (d) If the obligor's income available for support calculated under paragraph (b) is equal
 129.10 to or less than the minimum support amount under subdivision 2 or if the obligor's gross
 129.11 income is less than 120 percent of the federal poverty guidelines for one person, the minimum
 129.12 support amount under subdivision 2 applies.

138.7 Sec. 23. Minnesota Statutes 2020, section 549.09, subdivision 1, is amended to read:

138.8 Subdivision 1. **When owed; rate.** (a) When a judgment or award is for the recovery of
138.9 money, including a judgment for the recovery of taxes, interest from the time of the verdict,
138.10 award, or report until judgment is finally entered shall be computed by the court administrator
138.11 or arbitrator as provided in paragraph (c) and added to the judgment or award.

138.12 (b) Except as otherwise provided by contract or allowed by law, preverdict, preaward,
138.13 or prereport interest on pecuniary damages shall be computed as provided in paragraph (c)
138.14 from the time of the commencement of the action or a demand for arbitration, or the time
138.15 of a written notice of claim, whichever occurs first, except as provided herein. The action
138.16 must be commenced within two years of a written notice of claim for interest to begin to
138.17 accrue from the time of the notice of claim. If either party serves a written offer of settlement,
138.18 the other party may serve a written acceptance or a written counteroffer within 30 days.
138.19 After that time, interest on the judgment or award shall be calculated by the judge or arbitrator
138.20 in the following manner. The prevailing party shall receive interest on any judgment or
138.21 award from the time of commencement of the action or a demand for arbitration, or the time
138.22 of a written notice of claim, or as to special damages from the time when special damages
138.23 were incurred, if later, until the time of verdict, award, or report only if the amount of its
138.24 offer is closer to the judgment or award than the amount of the opposing party's offer. If
138.25 the amount of the losing party's offer was closer to the judgment or award than the prevailing
138.26 party's offer, the prevailing party shall receive interest only on the amount of the settlement
138.27 offer or the judgment or award, whichever is less, and only from the time of commencement
138.28 of the action or a demand for arbitration, or the time of a written notice of claim, or as to
138.29 special damages from when the special damages were incurred, if later, until the time the
138.30 settlement offer was made. Subsequent offers and counteroffers supersede the legal effect
138.31 of earlier offers and counteroffers. For the purposes of clause (2), the amount of settlement
138.32 offer must be allocated between past and future damages in the same proportion as determined
138.33 by the trier of fact. Except as otherwise provided by contract or allowed by law, preverdict,
138.34 preaward, or prereport interest shall not be awarded on the following:

139.1 (1) judgments, awards, or benefits in workers' compensation cases, but not including
139.2 third-party actions;

139.3 (2) judgments or awards for future damages;

139.4 (3) punitive damages, fines, or other damages that are noncompensatory in nature;

139.5 (4) judgments or awards not in excess of the amount specified in section 491A.01; and

139.6 (5) that portion of any verdict, award, or report which is founded upon interest, or costs,
139.7 disbursements, attorney fees, or other similar items added by the court or arbitrator.

139.8 (c)(1)(i) For a judgment or award of \$50,000 or less or a judgment or award for or against
139.9 the state or a political subdivision of the state, regardless of the amount, or a judgment or
139.10 award in a family court action, except for a child support judgment, regardless of the amount,
139.11 the interest shall be computed as simple interest per annum. The rate of interest shall be
139.12 based on the secondary market yield of one year United States Treasury bills, calculated on
139.13 a bank discount basis as provided in this section.

139.14 On or before the 20th day of December of each year the state court administrator shall
139.15 determine the rate from the one-year constant maturity treasury yield for the most recent
139.16 calendar month, reported on a monthly basis in the latest statistical release of the board of
139.17 governors of the Federal Reserve System. This yield, rounded to the nearest one percent,
139.18 or four percent, whichever is greater, shall be the annual interest rate during the succeeding
139.19 calendar year. The state court administrator shall communicate the interest rates to the court
139.20 administrators and sheriffs for use in computing the interest on verdicts and shall make the
139.21 interest rates available to arbitrators.

139.22 This item applies to any section that references section 549.09 by citation for the purposes
139.23 of computing an interest rate on any amount owed to or by the state or a political subdivision
139.24 of the state, regardless of the amount.

139.25 (ii) The court, in a family court action, may order a lower interest rate or no interest rate
139.26 if the parties agree or if the court makes findings explaining why application of a lower
139.27 interest rate or no interest rate is necessary to avoid causing an unfair hardship to the debtor.
139.28 This item does not apply to child support or spousal maintenance judgments subject to
139.29 section 548.091.

139.30 (2) For a judgment or award over \$50,000, other than a judgment or award for or against
139.31 the state or a political subdivision of the state or a judgment or award in a family court
139.32 action, the interest rate shall be ten percent per year until paid.

140.1 (3) When a judgment creditor, or the judgment creditor's attorney or agent, has received
 140.2 a payment after entry of judgment, whether the payment is made voluntarily by or on behalf
 140.3 of the judgment debtor, or is collected by legal process other than execution levy where a
 140.4 proper return has been filed with the court administrator, the judgment creditor, or the
 140.5 judgment creditor's attorney, before applying to the court administrator for an execution
 140.6 shall file with the court administrator an affidavit of partial satisfaction. The affidavit must
 140.7 state the dates and amounts of payments made upon the judgment after the most recent
 140.8 affidavit of partial satisfaction filed, if any; the part of each payment that is applied to taxable
 140.9 disbursements and to accrued interest and to the unpaid principal balance of the judgment;
 140.10 and the accrued, but the unpaid interest owing, if any, after application of each payment.

140.11 (4) Interest shall not accrue on child support judgments.

140.12 (d) This section does not apply to arbitrations between employers and employees under
 140.13 chapter 179 or 179A. An arbitrator is neither required to nor prohibited from awarding
 140.14 interest under chapter 179 or under section 179A.16 for essential employees.

140.15 (e) For purposes of this subdivision:

140.16 (1) "state" includes a department, board, agency, commission, court, or other entity in
 140.17 the executive, legislative, or judicial branch of the state; and

140.18 (2) "political subdivision" includes a town, statutory or home rule charter city, county,
 140.19 school district, or any other political subdivision of the state.

144.6 256B.0625, subdivision 20;

144.7 (15) comply with standards relating to mental health case management in Minnesota
144.8 Rules, parts 9520.0900 to 9520.0926;

144.13 services are provided.

144.14 (b) If ~~an entity~~ a certified CCBHC is unable to provide one or more of the services listed
144.15 in paragraph (a), clauses (6) to (17), the ~~commissioner may certify the entity as a CCBHC;~~
144.16 ~~if the entity has a current~~ may contract with another entity that has the required authority
144.17 to provide that service and that meets ~~federal CCBHC~~ the following criteria as a designated
144.18 collaborating organization, ~~or, to the extent allowed by the federal CCBHC criteria, the~~
144.19 ~~commissioner may approve a referral arrangement. The CCBHC must meet federal~~
144.20 ~~requirements regarding the type and scope of services to be provided directly by the CCBHC.;~~

144.24 service standards and provider requirements;

144.25 (3) the entity agrees that the CCBHC is responsible for coordinating care and has clinical
144.26 and financial responsibility for the services that the entity provides under the agreement;
144.27 and

144.28 (4) the entity meets any additional requirements issued by the commissioner.

144.29 (c) Notwithstanding any other law that requires a county contract or other form of county
144.30 approval for certain services listed in paragraph (a), clause (6), a clinic that otherwise meets
144.31 CCBHC requirements may receive the prospective payment under section 256B.0625,
144.32 subdivision 5m, for those services without a county contract or county approval. As part of

145.1 the certification process in paragraph (a), the commissioner shall require a letter of support
145.2 from the CCBHC's host county confirming that the CCBHC and the county or counties it
145.3 serves have an ongoing relationship to facilitate access and continuity of care, especially
145.4 for individuals who are uninsured or who may go on and off medical assistance.

145.5 (d) When the standards listed in paragraph (a) or other applicable standards conflict or
145.6 address similar issues in duplicative or incompatible ways, the commissioner may grant
145.7 variances to state requirements if the variances do not conflict with federal requirements
145.8 for services reimbursed under medical assistance. If standards overlap, the commissioner
145.9 may substitute all or a part of a licensure or certification that is substantially the same as
145.10 another licensure or certification. The commissioner shall consult with stakeholders, as
145.11 described in subdivision 4, before granting variances under this provision. For the CCBHC
145.12 that is certified but not approved for prospective payment under section 256B.0625,
145.13 subdivision 5m, the commissioner may grant a variance under this paragraph if the variance
145.14 does not increase the state share of costs.

145.15 (e) The commissioner shall issue a list of required evidence-based practices to be
145.16 delivered by CCBHCs, and may also provide a list of recommended evidence-based practices.
145.17 The commissioner may update the list to reflect advances in outcomes research and medical
145.18 services for persons living with mental illnesses or substance use disorders. The commissioner
145.19 shall take into consideration the adequacy of evidence to support the efficacy of the practice,
145.20 the quality of workforce available, and the current availability of the practice in the state.
145.21 At least 30 days before issuing the initial list and any revisions, the commissioner shall
145.22 provide stakeholders with an opportunity to comment.

145.23 (f) The commissioner shall recertify CCBHCs at least every three years. The
145.24 commissioner shall establish a process for decertification and shall require corrective action,
145.25 medical assistance repayment, or decertification of a CCBHC that no longer meets the
145.26 requirements in this section or that fails to meet the standards provided by the commissioner
145.27 in the application and certification process.

145.28 Sec. 3. Minnesota Statutes 2020, section 245.735, subdivision 5, is amended to read:

145.29 Subd. 5. **Information systems support.** The commissioner and the state chief information
145.30 officer shall provide information systems support to the projects as necessary to comply
145.31 with state and federal requirements.

146.1 Sec. 4. Minnesota Statutes 2020, section 245.735, is amended by adding a subdivision to
146.2 read:

146.3 Subd. 6. **Demonstration entities.** The commissioner may operate the demonstration
146.4 program established by section 223 of the Protecting Access to Medicare Act if federal
146.5 funding for the demonstration program remains available from the United States Department
146.6 of Health and Human Services. To the extent practicable, the commissioner shall align the
146.7 requirements of the demonstration program with the requirements under this section for
146.8 CCBHCs receiving medical assistance reimbursement. A CCBHC may not apply to
146.9 participate as a billing provider in both the CCBHC federal demonstration and the benefit
146.10 for CCBHCs under the medical assistance program.

146.11 Sec. 5. Minnesota Statutes 2020, section 245A.043, subdivision 3, is amended to read:

146.12 Subd. 3. **Change of ownership process.** (a) When a change in ownership is proposed
146.13 and the party intends to assume operation without an interruption in service longer than 60
146.14 days after acquiring the program or service, the license holder must provide the commissioner
146.15 with written notice of the proposed change on a form provided by the commissioner at least
146.16 60 days before the anticipated date of the change in ownership. For purposes of this
146.17 subdivision and subdivision 4, "party" means the party that intends to operate the service
146.18 or program.

146.19 (b) The party must submit a license application under this chapter on the form and in
146.20 the manner prescribed by the commissioner at least 30 days before the change in ownership
146.21 is complete, and must include documentation to support the upcoming change. The party
146.22 must comply with background study requirements under chapter 245C and shall pay the
146.23 application fee required under section 245A.10. ~~A party that intends to assume operation~~
146.24 ~~without an interruption in service longer than 60 days after acquiring the program or service~~
146.25 ~~is exempt from the requirements of Minnesota Rules, part 9530.6800.~~

146.26 (c) The commissioner may streamline application procedures when the party is an existing
146.27 license holder under this chapter and is acquiring a program licensed under this chapter or
146.28 service in the same service class as one or more licensed programs or services the party
146.29 operates and those licenses are in substantial compliance. For purposes of this subdivision,
146.30 "substantial compliance" means within the previous 12 months the commissioner did not
146.31 (1) issue a sanction under section 245A.07 against a license held by the party, or (2) make
146.32 a license held by the party conditional according to section 245A.06.

146.33 (d) Except when a temporary change in ownership license is issued pursuant to
146.34 subdivision 4, the existing license holder is solely responsible for operating the program

147.1 according to applicable laws and rules until a license under this chapter is issued to the
147.2 party.

147.3 (e) If a licensing inspection of the program or service was conducted within the previous
147.4 12 months and the existing license holder's license record demonstrates substantial
147.5 compliance with the applicable licensing requirements, the commissioner may waive the
147.6 party's inspection required by section 245A.04, subdivision 4. The party must submit to the
147.7 commissioner (1) proof that the premises was inspected by a fire marshal or that the fire
147.8 marshal deemed that an inspection was not warranted, and (2) proof that the premises was
147.9 inspected for compliance with the building code or that no inspection was deemed warranted.

147.10 (f) If the party is seeking a license for a program or service that has an outstanding action
147.11 under section 245A.06 or 245A.07, the party must submit a letter as part of the application
147.12 process identifying how the party has or will come into full compliance with the licensing
147.13 requirements.

147.14 (g) The commissioner shall evaluate the party's application according to section 245A.04,
147.15 subdivision 6. If the commissioner determines that the party has remedied or demonstrates
147.16 the ability to remedy the outstanding actions under section 245A.06 or 245A.07 and has
147.17 determined that the program otherwise complies with all applicable laws and rules, the
147.18 commissioner shall issue a license or conditional license under this chapter. The conditional
147.19 license remains in effect until the commissioner determines that the grounds for the action
147.20 are corrected or no longer exist.

147.21 (h) The commissioner may deny an application as provided in section 245A.05. An
147.22 applicant whose application was denied by the commissioner may appeal the denial according
147.23 to section 245A.05.

147.24 (i) This subdivision does not apply to a licensed program or service located in a home
147.25 where the license holder resides.

147.26 Sec. 6. Minnesota Statutes 2020, section 245F.04, subdivision 2, is amended to read:

147.27 Subd. 2. **Contents of application.** Prior to the issuance of a license, an applicant must
147.28 submit, on forms provided by the commissioner, documentation demonstrating the following:

147.29 (1) compliance with this section;

147.30 (2) compliance with applicable building, fire, and safety codes; health rules; zoning
147.31 ordinances; and other applicable rules and regulations or documentation that a waiver has
147.32 been granted. The granting of a waiver does not constitute modification of any requirement
147.33 of this section; and

148.1 (3) ~~completion of an assessment of need for a new or expanded program as required by~~
148.2 ~~Minnesota Rules, part 9530.6800; and~~

148.3 (4) insurance coverage, including bonding, sufficient to cover all patient funds, property,
148.4 and interests.

148.5 Sec. 7. Minnesota Statutes 2020, section 245G.03, subdivision 2, is amended to read:

148.6 Subd. 2. **Application.** (a) Before the commissioner issues a license, an applicant must
148.7 submit, on forms provided by the commissioner, any documents the commissioner requires.

148.8 (b) At least 60 days prior to submitting an application for licensure under this chapter,
148.9 the applicant must notify the county human services director in writing of the applicant's
148.10 intent to open a new treatment program. The written notification must include, at a minimum:

148.11 (1) a description of the proposed treatment program;

148.12 (2) a description of the target population served by the treatment program; and

148.13 (3) a copy of the program's abuse prevention plan, required by section 245A.65,
148.14 subdivision 2.

148.15 (c) The county human services director may submit a written statement to the
148.16 commissioner regarding the county's support of or opposition to opening the new treatment
148.17 program. The written statement must include documentation of the rationale for the county's
148.18 determination. The commissioner shall consider the county's written statement when
148.19 determining whether to issue a license for the treatment program. If the county does not
148.20 submit a written statement, the commissioner shall confirm with the county that the county
148.21 received the notification required by paragraph (b).

148.22 Sec. 8. **[245G.031] ALTERNATIVE LICENSING INSPECTIONS.**

148.23 Subdivision 1. **Eligibility for an alternative licensing inspection.** (a) A license holder
148.24 providing services licensed under this chapter, with a qualifying accreditation and meeting
148.25 the eligibility criteria in paragraphs (b) and (c), may request approval for an alternative
148.26 licensing inspection when all services provided under the license holder's license are
148.27 accredited. A license holder with a qualifying accreditation and meeting the eligibility
148.28 criteria in paragraphs (b) and (c) may request approval for an alternative licensing inspection
148.29 for individual community residential settings or day services facilities licensed under this
148.30 chapter.

149.1 (b) In order to be eligible for an alternative licensing inspection, the program must have
149.2 had at least one inspection by the commissioner following issuance of the initial license.

149.3 (c) In order to be eligible for an alternative licensing inspection, the program must have
149.4 been in substantial and consistent compliance at the time of the last licensing inspection
149.5 and during the current licensing period. For purposes of this section, "substantial and
149.6 consistent compliance" means:

149.7 (1) the license holder's license was not made conditional, suspended, or revoked;

149.8 (2) there have been no substantiated allegations of maltreatment against the license
149.9 holder within the past ten years; and

149.10 (3) the license holder maintained substantial compliance with the other requirements of
149.11 chapters 245A and 245C and other applicable laws and rules.

149.12 (d) For the purposes of this section, the license holder's license includes services licensed
149.13 under this chapter that were previously licensed under chapter 245A or Minnesota Rules,
149.14 chapter 9530, until January 1, 2018.

149.15 Subd. 2. **Qualifying accreditation.** The commissioner must accept an accreditation
149.16 from the joint commission as a qualifying accreditation.

149.17 Subd. 3. **Request for approval of an alternative inspection status.** (a) A request for
149.18 an alternative inspection must be made on the forms and in the manner prescribed by the
149.19 commissioner. When submitting the request, the license holder must submit all documentation
149.20 issued by the accrediting body verifying that the license holder has obtained and maintained
149.21 the qualifying accreditation and has complied with recommendations or requirements from
149.22 the accrediting body during the period of accreditation. Based on the request and the
149.23 additional required materials, the commissioner may approve an alternative inspection
149.24 status.

149.25 (b) The commissioner must notify the license holder in writing that the request for an
149.26 alternative inspection status has been approved. Approval must be granted until the end of
149.27 the qualifying accreditation period.

153.13 shall set rates prospectively for the annual rate period. The commissioner shall require
153.14 providers to submit annual cost reports on a uniform cost reporting form and shall use
153.15 submitted cost reports to inform the rate-setting process. The commissioner shall recalculate

153.32 CCBHCs on a per-visit basis under the prospective payment system for medical assistance
153.33 payments for services delivered by a CCBHC, in accordance with guidance issued by the
153.34 Centers for Medicare and Medicaid Services as described in paragraph (c). The commissioner

154.1 shall include a quality ~~bonus~~ incentive payment in the prospective payment system based
 154.2 ~~on federal criteria~~ as described in paragraph (e). There is no county share for medical
 154.3 assistance services when reimbursed through the CCBHC prospective payment system.

154.4 ~~(c) Unless otherwise indicated in applicable federal requirements, the prospective payment~~
 154.5 ~~system must continue to be based on the federal instructions issued for the federal section~~
 154.6 ~~223 CCBHC demonstration, except:~~ The commissioner shall ensure that the prospective
 154.7 payment system for CCBHC payments under medical assistance meets the following
 154.8 requirements:

154.9 (1) the prospective payment rate shall be a provider-specific rate calculated for each
 154.10 CCBHC, based on the daily cost of providing CCBHC services and the total annual allowable
 154.11 costs for CCBHCs divided by the total annual number of CCBHC visits. For calculating
 154.12 the payment rate, total annual visits include visits covered by medical assistance and visits
 154.13 not covered by medical assistance. Allowable costs include but are not limited to the salaries
 154.14 and benefits of medical assistance providers; the cost of CCBHC services provided under
 154.15 section 245.735, subdivision 3, paragraph (a), clauses (6) and (7); and other costs such as
 154.16 insurance or supplies needed to provide CCBHC services;

154.17 (2) payment shall be limited to one payment per day per medical assistance enrollee for
 154.18 each CCBHC visit eligible for reimbursement. A CCBHC visit is eligible for reimbursement
 154.19 if at least one of the CCBHC services listed under section 245.735, subdivision 3, paragraph
 154.20 (a), clause (6), is furnished to a medical assistance enrollee by a health care practitioner or
 154.21 licensed agency employed by or under contract with a CCBHC;

154.22 (3) new payment rates set by the commissioner for newly certified CCBHCs under
 154.23 section 245.735, subdivision 3, shall be based on rates for established CCBHCs with a
 154.24 similar scope of services. If no comparable CCBHC exists, the commissioner shall establish
 154.25 a clinic-specific rate using audited historical cost report data adjusted for the estimated cost
 154.26 of delivering CCBHC services, including the estimated cost of providing the full scope of
 154.27 services and the projected change in visits resulting from the change in scope;

154.28 ~~(4)~~ (4) the commissioner shall rebase CCBHC rates at least once every three years and
 154.29 12 months following an initial rate or a rate change due to a change in the scope of services,
 154.30 whichever is earlier;

154.31 ~~(2)~~ (5) the commissioner shall provide for a 60-day appeals process after notice of the
 154.32 results of the rebasing;

154.33 ~~(3) the prohibition against inclusion of new facilities in the demonstration does not apply~~
 154.34 ~~after the demonstration ends;~~

155.1 ~~(4)~~ (6) the prospective payment rate under this section does not apply to services rendered
155.2 by CCBHCs to individuals who are dually eligible for Medicare and medical assistance
155.3 when Medicare is the primary payer for the service. An entity that receives a prospective
155.4 payment system rate that overlaps with the CCBHC rate is not eligible for the CCBHC rate;

155.5 ~~(5)~~ (7) payments for CCBHC services to individuals enrolled in managed care shall be
155.6 coordinated with the state's phase-out of CCBHC wrap payments. The commissioner shall
155.7 complete the phase-out of CCBHC wrap payments within 60 days of the implementation

155.9 (MMIS), for CCBHCs reimbursed under this chapter, with a final settlement of payments
155.10 due made payable to CCBHCs no later than 18 months thereafter;

155.11 ~~(6)~~ initial prospective payment rates for CCBHCs certified after July 1, 2019, shall be
155.12 based on rates for comparable CCBHCs. If no comparable provider exists, the commissioner
155.13 shall compute a CCBHC-specific rate based upon the CCBHC's audited costs adjusted for
155.14 changes in the scope of services;

155.15 ~~(7)~~ (8) the prospective payment rate for each CCBHC shall be ~~adjusted annually~~ updated
155.16 by trending each provider-specific rate by the Medicare Economic Index as defined for the
155.17 federal section 223 CCBHC demonstration for primary care services. This update shall
155.18 occur each year in between rebasing periods determined by the commissioner in accordance
155.19 with clause (4). CCBHCs must provide data on costs and visits to the state annually using
155.20 the CCBHC cost report established by the commissioner; and

155.21 (9) a CCBHC may request a rate adjustment for changes in the CCBHC's scope of
155.22 services when such changes are expected to result in an adjustment to the CCBHC payment
155.23 rate by 2.5 percent or more. The CCBHC must provide the commissioner with information
155.24 regarding the changes in the scope of services, including the estimated cost of providing
155.25 the new or modified services and any projected increase or decrease in the number of visits
155.26 resulting from the change. Rate adjustments for changes in scope shall occur no more than
155.27 once per year in between rebasing periods per CCBHC and are effective on the date of the
155.28 annual CCBHC rate update.

155.29 ~~(8)~~ the commissioner shall seek federal approval for a CCBHC rate methodology that
155.30 allows for rate modifications based on changes in scope for an individual CCBHC, including
155.31 for changes to the type, intensity, or duration of services. Upon federal approval, a CCBHC
155.32 may submit a change of scope request to the commissioner if the change in scope would
155.33 result in a change of 2.5 percent or more in the prospective payment system rate currently

156.1 ~~received by the CCBHC. CCBHC change of scope requests must be according to a format~~
156.2 ~~and timeline to be determined by the commissioner in consultation with CCBHCs.~~

156.4 providers at the prospective payment rate. The commissioner shall monitor the effect of
156.5 this requirement on the rate of access to the services delivered by CCBHC providers. If, for
156.6 any contract year, federal approval is not received for this paragraph, the commissioner
156.7 must adjust the capitation rates paid to managed care plans and county-based purchasing
156.8 plans for that contract year to reflect the removal of this provision. Contracts between
156.9 managed care plans and county-based purchasing plans and providers to whom this paragraph
156.10 applies must allow recovery of payments from those providers if capitation rates are adjusted
156.11 in accordance with this paragraph. Payment recoveries must not exceed the amount equal
156.12 to any increase in rates that results from this provision. This paragraph expires if federal
156.13 approval is not received for this paragraph at any time.

156.14 (e) The commissioner shall implement a quality incentive payment program for CCBHCs
156.15 that meets the following requirements:

156.16 (1) a CCBHC shall receive a quality incentive payment upon meeting specific numeric
156.17 thresholds for performance metrics established by the commissioner, in addition to payments
156.18 for which the CCBHC is eligible under the prospective payment system described in
156.19 paragraph (c);

156.20 (2) a CCBHC must be certified and enrolled as a CCBHC for the entire measurement
156.21 year to be eligible for incentive payments;

156.22 (3) each CCBHC shall receive written notice of the criteria that must be met in order to
156.23 receive quality incentive payments at least 90 days prior to the measurement year; and

156.24 (4) a CCBHC must provide the commissioner with data needed to determine incentive
156.25 payment eligibility within six months following the measurement year. The commissioner
156.26 shall notify CCBHC providers of their performance on the required measures and the
156.27 incentive payment amount within 12 months following the measurement year.

156.28 (f) All claims to managed care plans for CCBHC services as provided under this section
156.29 shall be submitted directly to, and paid by, the commissioner on the dates specified no later
156.30 than January 1 of the following calendar year, if:

156.31 (1) one or more managed care plans does not comply with the federal requirement for
156.32 payment of clean claims to CCBHCs, as defined in Code of Federal Regulations, title 42,

157.1 section 447.45(b), and the managed care plan does not resolve the payment issue within 30
157.2 days of noncompliance; and

157.3 (2) the total amount of clean claims not paid in accordance with federal requirements
157.4 by one or more managed care plans is 50 percent of, or greater than, the total CCBHC claims
157.5 eligible for payment by managed care plans.

157.6 If the conditions in this paragraph are met between January 1 and June 30 of a calendar
157.7 year, claims shall be submitted to and paid by the commissioner beginning on January 1 of
157.8 the following year. If the conditions in this paragraph are met between July 1 and December
157.9 31 of a calendar year, claims shall be submitted to and paid by the commissioner beginning
157.10 on July 1 of the following year.

157.18 program according to section 245G.21 and that receive payment under this chapter must

157.31 256B.0625.

157.32 (e) Tribally licensed programs may elect to participate in the demonstration project and
157.33 meet the requirements of subdivision 3. The Department of Human Services must consult

158.1 with Tribal nations to discuss participation in the substance use disorder demonstration
158.2 project.

158.5 the American Science of Addiction Medicine standards to continue to receive the
158.6 demonstration participation rates through at least July 1, 2022.

158.7 **EFFECTIVE DATE.** This section is effective January 1, 2022, or upon federal approval,
158.8 whichever occurs later. The commissioner shall notify the revisor of statutes when federal
158.9 approval is obtained.

180.19 the commissioner shall consider the resource need determination process in paragraph (h),
180.20 the availability of foster care licensed beds in the geographic area in which the licensee
180.21 seeks to operate, the results of a person's choices during their annual assessment and service
180.22 plan review, and the recommendation of the local county board. The determination by the
180.23 commissioner is final and not subject to appeal. Exceptions to the moratorium include:

180.24 (1) foster care settings that are required to be registered under chapter 144D;

180.25 (2) foster care licenses replacing foster care licenses in existence on May 15, 2009, or
180.26 community residential setting licenses replacing adult foster care licenses in existence on
180.27 December 31, 2013, and determined to be needed by the commissioner under paragraph
180.28 (b);

180.29 (3) new foster care licenses or community residential setting licenses determined to be
180.30 needed by the commissioner under paragraph (b) for the closure of a nursing facility, ICF/DD,
180.31 or regional treatment center; restructuring of state-operated services that limits the capacity
180.32 of state-operated facilities; or allowing movement to the community for people who no

181.1 longer require the level of care provided in state-operated facilities as provided under section
 181.2 256B.092, subdivision 13, or 256B.49, subdivision 24;

181.3 (4) new foster care licenses or community residential setting licenses determined to be
 181.4 needed by the commissioner under paragraph (b) for persons requiring hospital level care;
 181.5 ~~or~~

181.6 (5) new foster care licenses or community residential setting licenses for people receiving
 181.7 services under chapter 245D and residing in an unlicensed setting before May 1, 2017, and
 181.8 for which a license is required. This exception does not apply to people living in their own
 181.9 home. For purposes of this clause, there is a presumption that a foster care or community
 181.10 residential setting license is required for services provided to three or more people in a
 181.11 dwelling unit when the setting is controlled by the provider. A license holder subject to this
 181.12 exception may rebut the presumption that a license is required by seeking a reconsideration
 181.13 of the commissioner's determination. The commissioner's disposition of a request for
 181.14 reconsideration is final and not subject to appeal under chapter 14. The exception is available
 181.15 until June 30, 2018. This exception is available when:

181.16 (i) the person's case manager provided the person with information about the choice of
 181.17 service, service provider, and location of service, including in the person's home, to help
 181.18 the person make an informed choice; and

181.19 (ii) the person's services provided in the licensed foster care or community residential
 181.20 setting are less than or equal to the cost of the person's services delivered in the unlicensed
 181.21 setting as determined by the lead agency; or

181.22 (6) new foster care licenses or community residential setting licenses for people receiving
 181.23 customized living or 24-hour customized living services under the brain injury or community
 181.24 access for disability inclusion waiver plans under section 256B.49 and residing in the
 181.25 customized living setting before July 1, 2022, for which a license is required. A customized
 181.26 living service provider subject to this exception may rebut the presumption that a license
 181.27 is required by seeking a reconsideration of the commissioner's determination. The
 181.28 commissioner's disposition of a request for reconsideration is final and not subject to appeal
 181.29 under chapter 14. The exception is available until June 30, 2023. This exception is available
 181.30 when:

181.31 (i) the person's customized living services are provided in a customized living service
 181.32 setting serving four or fewer people under the brain injury or community access for disability
 181.33 inclusion waiver plans under section 256B.49 in a single-family home operational on or
 181.34 before June 30, 2021. Operational is defined in section 256B.49, subdivision 28;

182.1 (ii) the person's case manager provided the person with information about the choice of
182.2 service, service provider, and location of service, including in the person's home, to help
182.3 the person make an informed choice; and

182.4 (iii) the person's services provided in the licensed foster care or community residential
182.5 setting are less than or equal to the cost of the person's services delivered in the customized
182.6 living setting as determined by the lead agency.

182.7 (b) The commissioner shall determine the need for newly licensed foster care homes or
182.8 community residential settings as defined under this subdivision. As part of the determination,
182.9 the commissioner shall consider the availability of foster care capacity in the area in which
182.10 the licensee seeks to operate, and the recommendation of the local county board. The
182.11 determination by the commissioner must be final. A determination of need is not required
182.12 for a change in ownership at the same address.

182.13 (c) When an adult resident served by the program moves out of a foster home that is not
182.14 the primary residence of the license holder according to section 256B.49, subdivision 15,
182.15 paragraph (f), or the adult community residential setting, the county shall immediately
182.16 inform the Department of Human Services Licensing Division. The department may decrease
182.17 the statewide licensed capacity for adult foster care settings.

182.18 (d) Residential settings that would otherwise be subject to the decreased license capacity
182.19 established in paragraph (c) shall be exempt if the license holder's beds are occupied by
182.20 residents whose primary diagnosis is mental illness and the license holder is certified under
182.21 the requirements in subdivision 6a or section 245D.33.

182.22 (e) A resource need determination process, managed at the state level, using the available
182.23 reports required by section 144A.351, and other data and information shall be used to
182.24 determine where the reduced capacity determined under section 256B.493 will be
182.25 implemented. The commissioner shall consult with the stakeholders described in section
182.26 144A.351, and employ a variety of methods to improve the state's capacity to meet the
182.27 informed decisions of those people who want to move out of corporate foster care or
182.28 community residential settings, long-term service needs within budgetary limits, including
182.29 seeking proposals from service providers or lead agencies to change service type, capacity,
182.30 or location to improve services, increase the independence of residents, and better meet
182.31 needs identified by the long-term services and supports reports and statewide data and
182.32 information.

182.33 (f) At the time of application and reapplication for licensure, the applicant and the license
182.34 holder that are subject to the moratorium or an exclusion established in paragraph (a) are

183.1 required to inform the commissioner whether the physical location where the foster care
183.2 will be provided is or will be the primary residence of the license holder for the entire period
183.3 of licensure. If the primary residence of the applicant or license holder changes, the applicant
183.4 or license holder must notify the commissioner immediately. The commissioner shall print
183.5 on the foster care license certificate whether or not the physical location is the primary
183.6 residence of the license holder.

183.7 (g) License holders of foster care homes identified under paragraph (f) that are not the
183.8 primary residence of the license holder and that also provide services in the foster care home
183.9 that are covered by a federally approved home and community-based services waiver, as
183.10 authorized under chapter 256S or section 256B.092 or 256B.49, must inform the human
183.11 services licensing division that the license holder provides or intends to provide these
183.12 waiver-funded services.

183.13 (h) The commissioner may adjust capacity to address needs identified in section
183.14 144A.351. Under this authority, the commissioner may approve new licensed settings or
183.15 delicense existing settings. Delicensing of settings will be accomplished through a process
183.16 identified in section 256B.493. Annually, by August 1, the commissioner shall provide
183.17 information and data on capacity of licensed long-term services and supports, actions taken
183.18 under the subdivision to manage statewide long-term services and supports resources, and
183.19 any recommendations for change to the legislative committees with jurisdiction over the
183.20 health and human services budget.

183.21 (i) The commissioner must notify a license holder when its corporate foster care or
183.22 community residential setting licensed beds are reduced under this section. The notice of
183.23 reduction of licensed beds must be in writing and delivered to the license holder by certified
183.24 mail or personal service. The notice must state why the licensed beds are reduced and must
183.25 inform the license holder of its right to request reconsideration by the commissioner. The
183.26 license holder's request for reconsideration must be in writing. If mailed, the request for
183.27 reconsideration must be postmarked and sent to the commissioner within 20 calendar days
183.28 after the license holder's receipt of the notice of reduction of licensed beds. If a request for
183.29 reconsideration is made by personal service, it must be received by the commissioner within
183.30 20 calendar days after the license holder's receipt of the notice of reduction of licensed beds.

183.31 (j) The commissioner shall not issue an initial license for children's residential treatment
183.32 services licensed under Minnesota Rules, parts 2960.0580 to 2960.0700, under this chapter
183.33 for a program that Centers for Medicare and Medicaid Services would consider an institution
183.34 for mental diseases. Facilities that serve only private pay clients are exempt from the
183.35 moratorium described in this paragraph. The commissioner has the authority to manage

184.1 existing statewide capacity for children's residential treatment services subject to the
184.2 moratorium under this paragraph and may issue an initial license for such facilities if the
184.3 initial license would not increase the statewide capacity for children's residential treatment
184.4 services subject to the moratorium under this paragraph.

192.27 (e) The certified assessor and the individual responsible for developing the coordinated
192.28 service and support plan must complete the community support plan and the coordinated

192.30 person or the person's legal representative must be provided with a written community

194.7 individual. For purposes of this clause, "cost-effective" means community services and
194.8 living arrangements that cost the same as or less than institutional care. For an individual
194.9 found to meet eligibility criteria for home and community-based service programs under
194.10 chapter 256S or section 256B.49, "cost-effectiveness" has the meaning found in the federally

194.28 decision regarding eligibility for all services and programs as defined in subdivision 1a,
194.29 paragraphs (a), clause (6), and (b);

194.30 (9) the person's right to appeal the certified assessor's decision regarding eligibility for
194.31 all services and programs as defined in subdivision 1a, paragraphs (a), clauses (6), (7), and
194.32 (8), and (b), and incorporating the decision regarding the need for institutional level of care
194.33 or the lead agency's final decisions regarding public programs eligibility according to section

195.2 to the person and must visually point out where in the document the right to appeal is stated;

195.10 service eligibility for no more than 60 calendar days after the date of assessment.

195.11 (l) The effective eligibility start date for programs in paragraph (k) can never be prior
195.12 to the date of assessment. If an assessment was completed more than 60 days before the
195.13 effective waiver or alternative care program eligibility start date, assessment and support
195.14 plan information must be updated and documented in the department's Medicaid Management
195.15 Information System (MMIS). Notwithstanding retroactive medical assistance coverage of
195.16 state plan services, the effective date of eligibility for programs included in paragraph (k)
195.17 cannot be prior to the date the most recent updated assessment is completed.

195.18 (m) If an eligibility update is completed within 90 days of the previous face-to-face
195.19 assessment and documented in the department's Medicaid Management Information System
195.20 (MMIS), the effective date of eligibility for programs included in paragraph (k) is the date

195.29 change annual long-term care consultation reassessment requirements, payment for
195.30 institutional or treatment services, medical assistance financial eligibility, or any other law.

195.31 ~~(n)~~ (o) At the time of reassessment, the certified assessor shall assess each person
195.32 receiving waiver residential supports and services currently residing in a community

 196.16 the option to receive self-directed services and supports.

204.3 Sec. 23. Minnesota Statutes 2020, section 256B.49, subdivision 23, is amended to read:

204.4 Subd. 23. **Community-living settings.** (a) For the purposes of this chapter,
204.5 "community-living settings" means a single-family home or multifamily dwelling unit where
204.6 a service recipient or a service recipient's family owns or rents, and maintains control over
204.7 the individual unit as demonstrated by a lease agreement. Community-living settings does
204.8 not include a home or dwelling unit that the service provider owns, operates, or leases or
204.9 in which the service provider has a direct or indirect financial interest.

204.10 (b) To ensure a service recipient or the service recipient's family maintains control over
204.11 the home or dwelling unit, community-living settings are subject to the following
204.12 requirements:

204.13 (1) service recipients must not be required to receive services or share services;

204.14 (2) service recipients must not be required to have a disability or specific diagnosis to
204.15 live in the community-living setting;

204.16 (3) service recipients may hire service providers of their choice;

204.17 (4) service recipients may choose whether to share their household and with whom;

204.18 (5) the home or multifamily dwelling unit must include living, sleeping, bathing, and
204.19 cooking areas;

204.20 (6) service recipients must have lockable access and egress;

204.21 (7) service recipients must be free to receive visitors and leave the settings at times and
204.22 for durations of their own choosing;

204.23 (8) leases must comply with chapter 504B;

204.24 (9) landlords must not charge different rents to tenants who are receiving home and
204.25 community-based services; and

204.26 (10) access to the greater community must be easily facilitated based on the service
204.27 recipient's needs and preferences.

204.28 (c) Nothing in this section prohibits a service recipient from having another person or
204.29 entity not affiliated with the service provider cosign a lease. Nothing in this section prohibits
204.30 a service recipient, during any period in which a service provider has cosigned the service
204.31 recipient's lease, from modifying services with an existing cosigning service provider and,

205.1 subject to the approval of the landlord, maintaining a lease cosigned by the service provider.
205.2 Nothing in this section prohibits a service recipient, during any period in which a service
205.3 provider has cosigned the service recipient's lease, from terminating services with the
205.4 cosigning service provider, receiving services from a new service provider, and, subject to
205.5 the approval of the landlord, maintaining a lease cosigned by the new service provider.

205.6 (d) A lease cosigned by a service provider meets the requirements of paragraph (a) if
205.7 the service recipient and service provider develop and implement a transition plan which
205.8 must provide that, within two years of cosigning the initial lease, the service provider shall
205.9 transfer the lease to the service recipient and other cosigners, if any.

205.10 (e) In the event the landlord has not approved the transfer of the lease within two years
205.11 of the service provider cosigning the initial lease, the service provider must submit a
205.12 time-limited extension request to the commissioner of human services to continue the
205.13 cosigned lease arrangement. The extension request must include:

205.14 (1) the reason the landlord denied the transfer;

205.15 (2) the plan to overcome the denial to transfer the lease;

205.16 (3) the length of time needed to successfully transfer the lease, not to exceed an additional
205.17 two years;

205.18 (4) a description of how the transition plan was followed, what occurred that led to the
205.19 landlord denying the transfer, and what changes in circumstances or condition, if any, the
205.20 service recipient experienced; and

205.21 (5) a revised transition plan to transfer the cosigned lease between the service provider
205.22 and the service recipient to the service recipient.

205.23 The commissioner must approve an extension within sufficient time to ensure the continued
205.24 occupancy by the service recipient.

205.25 (f) In the event that a landlord has not approved a transfer of the lease within the timelines
205.26 of any approved time-limited extension request, a service provider must submit another
205.27 time-limited extension request to the commissioner of human services to continue a cosigned
205.28 lease arrangement. A time-limited extension request submitted under this paragraph must
205.29 include the same information required for an initial time-limited extension request under
205.30 paragraph (e). The commissioner must approve of an extension within sufficient time to
205.31 ensure continued occupancy by the service recipient.

206.1 Sec. 24. Minnesota Statutes 2020, section 256B.49, is amended by adding a subdivision
206.2 to read:

206.16 (c) Customized living settings operational on or before June 30, 2021, are considered
206.17 existing customized living settings.

206.19 four or fewer people in a single-family home to deliver customized living services as defined
206.20 in paragraph (a), the authorizing lead agency is financially responsible for all home and

234.16 Subdivision 1. **Variable rate adjustments.** ~~(a) For rate years beginning on or after~~
234.17 ~~October 1, 2000,~~ When there is a documented increase in the needs of a current ICF/DD
234.18 recipient, the county of financial responsibility may recommend a variable rate to enable
234.19 the facility to meet the individual's increased needs. Variable rate adjustments made under
234.20 this subdivision replace payments for persons with special needs for crisis intervention
234.21 services under section 256B.501, subdivision 8a. ~~Effective July 1, 2003, facilities with a~~
234.22 ~~base rate above the 50th percentile of the statewide average reimbursement rate for a Class~~

234.24 ~~a variable rate adjustment. Variable rate adjustments may not exceed a 12-month period,~~
234.25 ~~except when approved for purposes established in paragraph (b), clause (1).~~ Once approved,
234.26 variable rate adjustments must continue to remain in place unless there is an identified
234.27 change in need. A review of needed resources must be done at the time of the individual's
234.28 annual support plan meeting. Any change in need identified must result in submission of a
234.29 request to adjust the resources for the individual. Variable rate adjustments approved solely
234.30 on the basis of changes on a developmental disabilities screening document will end June
234.31 30, 2002.

234.32 (b) The county of financial responsibility must act on a variable rate request within 30
234.33 days and notify the initiator of the request of the county's recommendation in writing.

235.1 ~~(b)~~ (c) A variable rate may be recommended by the county of financial responsibility
 235.2 for increased needs in the following situations:

235.3 (1) a need for resources due to an individual's full or partial retirement from participation
 235.4 in a day training and habilitation service when the individual: (i) has reached the age of 65
 235.5 or has a change in health condition that makes it difficult for the person to participate in
 235.6 day training and habilitation services over an extended period of time because it is medically
 235.7 contraindicated; and (ii) has expressed a desire for change through the developmental
 235.8 disability screening process under section 256B.092;

235.9 (2) a need for additional resources for intensive short-term programming ~~which~~ that is
 235.10 necessary prior to an individual's discharge to a less restrictive, more integrated setting;

235.11 (3) a demonstrated medical need that significantly impacts the type or amount of services
 235.12 needed by the individual; ~~or~~

235.13 (4) a demonstrated behavioral or cognitive need that significantly impacts the type or
 235.14 amount of services needed by the individual; or

235.15 ~~(e) The county of financial responsibility must justify the purpose, the projected length
 235.16 of time, and the additional funding needed for the facility to meet the needs of the individual.~~

235.17 ~~(d) The facility shall provide an annual report to the county case manager on the use of
 235.18 the variable rate funds and the status of the individual on whose behalf the funds were
 235.19 approved. The county case manager will forward the facility's report with a recommendation
 235.20 to the commissioner to approve or disapprove a continuation of the variable rate.~~

235.21 ~~(e) Funds made available through the variable rate process that are not used by the facility
 235.22 to meet the needs of the individual for whom they were approved shall be returned to the
 235.23 state.~~

235.24 (5) a demonstrated increased need for staff assistance, changes in the type of staff
 235.25 credentials needed, or a need for expert consultation based on assessments conducted prior

235.28 (1) the service needs change;

235.29 (2) the variable rate requested and the difference from the current rate;

 236.2 monitoring associated with the rate increase.

236.3 **EFFECTIVE DATE.** This section is effective July 1, 2021, or upon federal approval,

240.14 shall give each provider notice 90 days prior to the submission due date. If a provider fails

240.15 to submit the required reporting data, the commissioner shall provide notice to the provider

241.3 Subd. 28. **Payment rates evaluation.** (a) The commissioner shall assess data collected
241.4 under subdivision 27 and shall publish evaluation findings in a report to the legislature on
241.5 August 1, 2024, and once every two years thereafter. Evaluation findings shall include:

241.6 (1) the costs that providers incur while providing services under this section;

241.7 (2) comparisons between those costs and the costs incurred by providers of comparable
241.8 services and employers in industries competing in the same labor market;

241.9 (3) changes in wages, benefits provided, hours worked, and retention over time; and

241.10 (4) recommendations for the rate methodologies paid based on the evaluation findings.

241.11 (b) The commissioner shall only release cost data in an aggregate form and shall not

241.15 Subd. 3. **Moratorium on development of housing support beds.** (a) Agencies shall
241.16 not enter into agreements for new housing support beds with total rates in excess of the
241.17 MSA equivalent rate except:

241.18 (1) for establishments licensed under chapter 245D provided the facility is needed to
241.19 meet the census reduction targets for persons with developmental disabilities at regional
241.20 treatment centers;

241.21 (2) up to 80 beds in a single, specialized facility located in Hennepin County that will
241.22 provide housing for chronic inebriates who are repetitive users of detoxification centers and
241.23 are refused placement in emergency shelters because of their state of intoxication, and
241.24 planning for the specialized facility must have been initiated before July 1, 1991, in
241.25 anticipation of receiving a grant from the Housing Finance Agency under section 462A.05,
241.26 subdivision 20a, paragraph (b);

241.27 (3) notwithstanding the provisions of subdivision 2a, for up to 226 supportive housing
241.28 units in Anoka, Dakota, Hennepin, or Ramsey County for homeless adults with a mental
241.29 illness, a history of substance abuse, or human immunodeficiency virus or acquired
241.30 immunodeficiency syndrome. For purposes of this section, "homeless adult" means a person

242.4 immunodeficiency syndrome who are about to be or, within the previous six months, have
242.5 been discharged from a regional treatment center, or a state-contracted psychiatric bed in
242.6 a community hospital, or a residential mental health or chemical dependency treatment
242.7 program. If a person meets the requirements of subdivision 1, paragraph (a), and receives
242.8 a federal or state housing subsidy, the housing support rate for that person is limited to the
242.9 supplementary rate under section 256I.05, subdivision 1a, and is determined by subtracting
242.10 the amount of the person's countable income that exceeds the MSA equivalent rate from
242.11 the housing support supplementary service rate. A resident in a demonstration project site
242.12 who no longer participates in the demonstration program shall retain eligibility for a housing
242.13 support payment in an amount determined under section 256I.06, subdivision 8, using the
242.14 MSA equivalent rate. Service funding under section 256I.05, subdivision 1a, will end June
242.15 30, 1997, if federal matching funds are available and the services can be provided through
242.16 a managed care entity. If federal matching funds are not available, then service funding will
242.17 continue under section 256I.05, subdivision 1a;

242.18 (4) for an additional two beds, resulting in a total of 32 beds, for a facility located in
242.19 Hennepin County providing services for recovering and chemically dependent men that has
242.20 had a housing support contract with the county and has been licensed as a board and lodge
242.21 facility with special services since 1980;

242.22 (5) for a housing support provider located in the city of St. Cloud, or a county contiguous
242.23 to the city of St. Cloud, that operates a 40-bed facility, that received financing through the
242.24 Minnesota Housing Finance Agency Ending Long-Term Homelessness Initiative and serves
242.25 chemically dependent clientele, providing 24-hour-a-day supervision;

242.26 (6) for a new 65-bed facility in Crow Wing County that will serve chemically dependent
242.27 persons, operated by a housing support provider that currently operates a 304-bed facility
242.28 in Minneapolis, and a 44-bed facility in Duluth;

242.29 (7) for a housing support provider that operates two ten-bed facilities, one located in
242.30 Hennepin County and one located in Ramsey County, that provide community support and
242.31 24-hour-a-day supervision to serve the mental health needs of individuals who have
242.32 chronically lived unsheltered; ~~and~~

242.33 (8) for a facility authorized for recipients of housing support in Hennepin County with
242.34 a capacity of up to 48 beds that has been licensed since 1978 as a board and lodging facility

243.1 and that until August 1, 2007, operated as a licensed chemical dependency treatment
243.2 program;

243.3 (9) for an additional 42 beds, resulting in a total of 54 beds, for a recovery community
243.4 organization and housing support provider that currently operates a 38-bed facility in Olmsted

243.17 of licensure or certification which removes the beds from housing support payment, or as
243.18 a result of the downsizing of a setting authorized for recipients of housing support. The

 244.15 fund to ~~county human service~~ agencies for beds permanently removed from the housing
 244.16 support census under a plan submitted by the ~~county~~ agency and approved by the

 245.6 ~~necessary to provide room and board, the rate payable to the residence must continue for~~
 245.7 ~~up to 18 calendar days per incident that the person is temporarily absent from the residence,~~

253.3 The commissioner of human services, in consultation with stakeholders, shall develop
253.4 a new covered service under Minnesota Statutes, chapter 256B, or develop modifications
253.5 to existing covered services, that permits receipt of direct care services in an acute care
253.6 hospital in a manner consistent with the requirements of United States Code, title 42, section
253.7 1396a(h). By August 31, 2022, the commissioner must provide to the chairs and ranking
253.8 minority members of the house of representatives and senate committees and divisions with

253.19 services and supports program under Minnesota Statutes, section 256B.85.

253.27 under Minnesota Statutes, section 256B.0659, or for services and supports provided through
253.28 community first services and supports under Minnesota Statutes, section 256B.85. The
253.29 purpose of this pilot project is to study the benefits of supportive parenting while assisting
253.30 parents with a disability in child rearing tasks and preventing removal of a child from a
253.31 parent because the parent has a disability.

254.1 Subd. 2. Definitions. (a) For the purposes of this section, in addition to the definitions
254.2 in Minnesota Statutes, section 256B.0659, subdivision 1, applying to the personal care
254.3 assistance program and the definitions in Minnesota Statutes, section 256B.85, subdivision

254.27 ability to care for the child, and (2) enables the parent to complete parental responsibilities,
254.28 including child rearing tasks. Supportive parenting service does not include disciplining the
254.29 parent's child.

254.30 Subd. 3. Grants. (a) The commissioner shall develop a competitive application process
254.31 for up to three two-year state-funded grants to personal care assistance provider agencies
254.32 to provide supportive parenting services described in subdivision 4 and to purchase adaptive

255.1 parenting equipment described in subdivision 5. A grant applicant must be a personal care
255.2 assistance provider agency.

255.3 (b) Grant applications must describe how the applicant would recruit families to
255.4 participate in the pilot project and how the applicant would select families to receive
255.5 supportive parenting services while giving preference to families in which both parents are

255.20 personal care assistance services and supportive parenting assistance to a parent as long as
255.21 the requirements of this paragraph are met. Supportive parenting services under this section

 256.6 with jurisdiction over health and human services by February 15, 2023. The report must
 256.7 contain at a minimum:

256.9 (2) the total cost of developing and providing the services provided under the pilot
 256.10 project;

 256.19 and Tribal agencies money for home and community-based waiver programs under Minnesota
 256.20 Statutes, section 256B.49, to ensure a reduction in forecasted state spending that is equivalent
 256.21 to limiting the caseload growth of the community access for disability inclusion waiver to
 256.22 zero allocations per year. Limits do not apply to conversions from nursing facilities. Counties
 256.23 and Tribal agencies shall manage the annual allocations made by the commissioner to ensure
 256.24 that persons for whom services are temporarily discontinued for no more than 90 days are
 256.25 reenrolled. If a county or Tribal agency fails to meet the authorization and spending
 256.26 requirements under Minnesota Statutes, section 256B.49, subdivision 27, the commissioner
 256.27 may determine a corrective action plan is unnecessary if the failure to meet the requirements
 256.28 is due to managing the annual allocation for the purposes of allowing people to reenroll
 256.29 after their services are temporarily discontinued.

256.30 **Subd. 2. Developmental disabilities waiver growth limit.** Between July 1, 2021, and
 256.31 June 30, 2025, the commissioner shall allocate to county and Tribal agencies money for
 256.32 home and community-based waiver programs under Minnesota Statutes, section 256B.092,
 256.33 to ensure a reduction in forecasted state spending that is equivalent to limiting the caseload

257.1 growth of the developmental disabilities waiver to zero allocations per year. Limits do not
257.2 apply to conversions from intermediate care facilities for persons with developmental
257.3 disabilities. Counties and Tribal agencies shall manage the annual allocations made by the
257.4 commissioner to ensure that persons for whom services are temporarily discontinued for
257.5 no more than 90 days are reenrolled.

257.6 Sec. 74. **DIRECTION TO THE COMMISSIONER; LONG-TERM CARE**
257.7 **CONSULTATION SERVICE RATES.**

257.8 By January 15, 2025, the commissioner of human services shall develop a proposal with
257.9 legislative language for capitated rates for each type of assessment or activity provided
257.10 under Minnesota Statutes, section 256B.0911, as determined by the commissioner. The
257.11 commissioner shall provide the proposal and legislative language to the chairs and ranking
257.12 minority members of the legislative committees and divisions with jurisdiction over human
257.13 services policy and finance by January 15, 2025.

257.19 payment to each eligible recipient shall be equal to a percentage to be determined by the
257.20 commissioner under subdivision 9 applied to the eligible recipient's total home and
257.21 community-based service revenue from medical assistance as of May 31, 2021. The value
257.22 of each subsequent quarterly payment shall be equal to a percentage to be determined by

257.24 community-based service revenue from medical assistance based on new data for service
257.25 claims paid as of the first day of the month in which the retainer payment will be made.

257.26 (b) The commissioner shall implement retainer payments and the process of making
257.27 retainer payments under this subdivision without compliance with time-consuming procedures
257.28 and formalities prescribed in law, such as the following statutes and related policies:
257.29 Minnesota Statutes, sections 16A.15, subdivision 3; 16B.97; 16B.98, subdivisions 5 and 7;
257.30 and 16B.98, subdivision 8, the express audit clause requirement.

257.31 (c) The commissioner's determination of the retainer amount determined under this
257.32 subdivision is final and is not subject to appeal. This paragraph does not apply to recoupment
257.33 by the commissioner under subdivision 8.

261.10 applied to the total projected home and community-based service revenue from medical
261.11 assistance for all providers of eligible services sufficient to expend the total appropriation
261.12 for retainer payments, and apply this percentage to each recipient's total home and
261.13 community-based service revenue from medical assistance on the following schedule:

261.14 (1) no earlier than July 1, 2021, make a retainer payment by applying the percentage to

 262.3 make a final retainer payment by applying the redetermined percentage to each recipient's
 262.4 total home and community-based service revenue from medical assistance based on new

286.19 Subd. 6. **Service standards.** The standards in this subdivision apply to intensive
286.20 nonresidential rehabilitative mental health services.

286.21 (a) The treatment team must use team treatment, not an individual treatment model.

286.22 (b) Services must be available at times that meet client needs.

286.23 (c) Services must be age-appropriate and meet the specific needs of the client.

286.24 (d) The initial functional assessment must be completed within ten days of intake and
286.25 updated at least every six months or prior to discharge from the service, whichever comes
286.26 first.

286.27 (e) The treatment team must complete an individual treatment plan for each client and
286.28 the individual treatment plan must:

286.29 (1) be based on the information in the client's diagnostic assessment and baselines;

287.2 accomplishing treatment goals and objectives, and the individuals responsible for providing
287.3 treatment services and supports;

287.4 (3) be developed after completion of the client's diagnostic assessment by a mental health
287.5 professional or clinical trainee and before the provision of children's therapeutic services
287.6 and supports;

287.7 (4) be developed through a child-centered, family-driven, culturally appropriate planning
287.8 process, including allowing parents and guardians to observe or participate in individual
287.9 and family treatment services, assessments, and treatment planning;

287.10 (5) be reviewed at least once every six months and revised to document treatment progress
287.11 on each treatment objective and next goals or, if progress is not documented, to document
287.12 changes in treatment;

287.13 (6) be signed by the clinical supervisor and by the client or by the client's parent or other
287.14 person authorized by statute to consent to mental health services for the client. A client's
287.15 parent may approve the client's individual treatment plan by secure electronic signature or
287.16 by documented oral approval that is later verified by written signature;

287.17 (7) be completed in consultation with the client's current therapist and key providers and
287.18 provide for ongoing consultation with the client's current therapist to ensure therapeutic

287.20 18, the treatment team must consult with parents and guardians in developing the treatment
287.21 plan;

287.22 (8) if a need for substance use disorder treatment is indicated by validated assessment:

287.23 (i) identify goals, objectives, and strategies of substance use disorder treatment; develop

287.29 and substance use disorder treatment for the client; and

287.30 (10) provide for the client's transition out of intensive nonresidential rehabilitative mental
287.31 health services by defining the team's actions to assist the client and subsequent providers
287.32 in the transition to less intensive or "stepped down" services.

288.1 (f) The treatment team shall actively and assertively engage the client's family members
288.2 and significant others by establishing communication and collaboration with the family and
288.3 significant others and educating the family and significant others about the client's mental
288.4 illness, symptom management, and the family's role in treatment, unless the team knows or
288.5 has reason to suspect that the client has suffered or faces a threat of suffering any physical
288.6 or mental injury, abuse, or neglect from a family member or significant other.

288.7 (g) For a client age 18 or older, the treatment team may disclose to a family member,
288.8 other relative, or a close personal friend of the client, or other person identified by the client,
288.9 the protected health information directly relevant to such person's involvement with the
288.10 client's care, as provided in Code of Federal Regulations, title 45, part 164.502(b). If the
288.11 client is present, the treatment team shall obtain the client's agreement, provide the client
288.12 with an opportunity to object, or reasonably infer from the circumstances, based on the
288.13 exercise of professional judgment, that the client does not object. If the client is not present
288.14 or is unable, by incapacity or emergency circumstances, to agree or object, the treatment
288.15 team may, in the exercise of professional judgment, determine whether the disclosure is in
288.16 the best interests of the client and, if so, disclose only the protected health information that
288.17 is directly relevant to the family member's, relative's, friend's, or client-identified person's
288.18 involvement with the client's health care. The client may orally agree or object to the
288.19 disclosure and may prohibit or restrict disclosure to specific individuals.

288.20 (h) The treatment team shall provide interventions to promote positive interpersonal
288.21 relationships.

288.22 Sec. 56. Minnesota Statutes 2020, section 256B.4912, subdivision 13, is amended to read:

288.23 Subd. 13. **Waiver transportation documentation and billing requirements.** (a) A
288.24 waiver transportation service must be a waiver transportation service that: (1) is not covered
288.25 by medical transportation under the Medicaid state plan; and (2) is not included as a
288.26 component of another waiver service.

288.27 (b) In addition to the documentation requirements in subdivision 12, a waiver
288.28 transportation service provider must maintain:

288.29 (1) odometer and other records pursuant to section 256B.0625, subdivision 17b, paragraph
288.30 (b), clause (3), sufficient to distinguish an individual trip with a specific vehicle and driver
288.31 for a waiver transportation service that is billed directly by the mile. A common carrier as
288.32 defined by Minnesota Rules, part 9505.0315, subpart 1, item B, or a publicly operated transit
288.33 system provider are exempt from this clause; and

289.1 (2) documentation demonstrating that a vehicle and a driver meet the ~~standards determined~~
289.2 ~~by the Department of Human Services on vehicle and driver qualifications in section~~
289.3 ~~256B.0625, subdivision 17, paragraph (e)~~ transportation waiver service provider standards
289.4 and qualifications according to the federally approved waiver plan.

289.5 Sec. 57. Minnesota Statutes 2020, section 256B.69, subdivision 5a, is amended to read:

289.6 Subd. 5a. **Managed care contracts.** (a) Managed care contracts under this section and
289.7 section 256L.12 shall be entered into or renewed on a calendar year basis. The commissioner
289.8 may issue separate contracts with requirements specific to services to medical assistance
289.9 recipients age 65 and older.

289.10 (b) A prepaid health plan providing covered health services for eligible persons pursuant
289.11 to chapters 256B and 256L is responsible for complying with the terms of its contract with
289.12 the commissioner. Requirements applicable to managed care programs under chapters 256B
289.13 and 256L established after the effective date of a contract with the commissioner take effect
289.14 when the contract is next issued or renewed.

289.15 (c) The commissioner shall withhold five percent of managed care plan payments under
289.16 this section and county-based purchasing plan payments under section 256B.692 for the
289.17 prepaid medical assistance program pending completion of performance targets. Each
289.18 performance target must be quantifiable, objective, measurable, and reasonably attainable,
289.19 except in the case of a performance target based on a federal or state law or rule. Criteria
289.20 for assessment of each performance target must be outlined in writing prior to the contract
289.21 effective date. Clinical or utilization performance targets and their related criteria must
289.22 consider evidence-based research and reasonable interventions when available or applicable
289.23 to the populations served, and must be developed with input from external clinical experts
289.24 and stakeholders, including managed care plans, county-based purchasing plans, and
289.25 providers. The managed care or county-based purchasing plan must demonstrate, to the
289.26 commissioner's satisfaction, that the data submitted regarding attainment of the performance
289.27 target is accurate. The commissioner shall periodically change the administrative measures
289.28 used as performance targets in order to improve plan performance across a broader range
289.29 of administrative services. The performance targets must include measurement of plan
289.30 efforts to contain spending on health care services and administrative activities. The
289.31 commissioner may adopt plan-specific performance targets that take into account factors
289.32 affecting only one plan, including characteristics of the plan's enrollee population. The
289.33 withheld funds must be returned no sooner than July of the following year if performance

290.1 targets in the contract are achieved. The commissioner may exclude special demonstration
290.2 projects under subdivision 23.

290.3 (d) The commissioner shall require that managed care plans use the assessment and
290.4 authorization processes, forms, timelines, standards, documentation, and data reporting
290.5 requirements, protocols, billing processes, and policies consistent with medical assistance
290.6 fee-for-service or the Department of Human Services contract requirements for all personal
290.7 care assistance services under section 256B.0659 and community first services and supports
290.8 under section 256B.85.

290.9 (e) Effective for services rendered on or after January 1, 2012, the commissioner shall
290.10 include as part of the performance targets described in paragraph (c) a reduction in the health
290.11 plan's emergency department utilization rate for medical assistance and MinnesotaCare
290.12 enrollees, as determined by the commissioner. For 2012, the reduction shall be based on
290.13 the health plan's utilization in 2009. To earn the return of the withhold each subsequent
290.14 year, the managed care plan or county-based purchasing plan must achieve a qualifying
290.15 reduction of no less than ten percent of the plan's emergency department utilization rate for
290.16 medical assistance and MinnesotaCare enrollees, excluding enrollees in programs described
290.17 in subdivisions 23 and 28, compared to the previous measurement year until the final
290.18 performance target is reached. When measuring performance, the commissioner must
290.19 consider the difference in health risk in a managed care or county-based purchasing plan's
290.20 membership in the baseline year compared to the measurement year, and work with the
290.21 managed care or county-based purchasing plan to account for differences that they agree
290.22 are significant.

290.23 The withheld funds must be returned no sooner than July 1 and no later than July 31 of
290.24 the following calendar year if the managed care plan or county-based purchasing plan
290.25 demonstrates to the satisfaction of the commissioner that a reduction in the utilization rate
290.26 was achieved. The commissioner shall structure the withhold so that the commissioner
290.27 returns a portion of the withheld funds in amounts commensurate with achieved reductions
290.28 in utilization less than the targeted amount.

290.29 The withhold described in this paragraph shall continue for each consecutive contract
290.30 period until the plan's emergency room utilization rate for state health care program enrollees
290.31 is reduced by 25 percent of the plan's emergency room utilization rate for medical assistance
290.32 and MinnesotaCare enrollees for calendar year 2009. Hospitals shall cooperate with the
290.33 health plans in meeting this performance target and shall accept payment withholds that
290.34 may be returned to the hospitals if the performance target is achieved.

291.1 (f) Effective for services rendered on or after January 1, 2012, the commissioner shall
291.2 include as part of the performance targets described in paragraph (c) a reduction in the plan's
291.3 hospitalization admission rate for medical assistance and MinnesotaCare enrollees, as
291.4 determined by the commissioner. To earn the return of the withhold each year, the managed
291.5 care plan or county-based purchasing plan must achieve a qualifying reduction of no less
291.6 than five percent of the plan's hospital admission rate for medical assistance and
291.7 MinnesotaCare enrollees, excluding enrollees in programs described in subdivisions 23 and
291.8 28, compared to the previous calendar year until the final performance target is reached.
291.9 When measuring performance, the commissioner must consider the difference in health risk
291.10 in a managed care or county-based purchasing plan's membership in the baseline year
291.11 compared to the measurement year, and work with the managed care or county-based
291.12 purchasing plan to account for differences that they agree are significant.

291.13 The withheld funds must be returned no sooner than July 1 and no later than July 31 of
291.14 the following calendar year if the managed care plan or county-based purchasing plan
291.15 demonstrates to the satisfaction of the commissioner that this reduction in the hospitalization
291.16 rate was achieved. The commissioner shall structure the withhold so that the commissioner
291.17 returns a portion of the withheld funds in amounts commensurate with achieved reductions
291.18 in utilization less than the targeted amount.

291.19 The withhold described in this paragraph shall continue until there is a 25 percent
291.20 reduction in the hospital admission rate compared to the hospital admission rates in calendar
291.21 year 2011, as determined by the commissioner. The hospital admissions in this performance
291.22 target do not include the admissions applicable to the subsequent hospital admission
291.23 performance target under paragraph (g). Hospitals shall cooperate with the plans in meeting
291.24 this performance target and shall accept payment withholds that may be returned to the
291.25 hospitals if the performance target is achieved.

291.26 (g) Effective for services rendered on or after January 1, 2012, the commissioner shall
291.27 include as part of the performance targets described in paragraph (c) a reduction in the plan's
291.28 hospitalization admission rates for subsequent hospitalizations within 30 days of a previous
291.29 hospitalization of a patient regardless of the reason, for medical assistance and MinnesotaCare
291.30 enrollees, as determined by the commissioner. To earn the return of the withhold each year,
291.31 the managed care plan or county-based purchasing plan must achieve a qualifying reduction
291.32 of the subsequent hospitalization rate for medical assistance and MinnesotaCare enrollees,
291.33 excluding enrollees in programs described in subdivisions 23 and 28, of no less than five
291.34 percent compared to the previous calendar year until the final performance target is reached.

292.1 The withheld funds must be returned no sooner than July 1 and no later than July 31 of
292.2 the following calendar year if the managed care plan or county-based purchasing plan
292.3 demonstrates to the satisfaction of the commissioner that a qualifying reduction in the
292.4 subsequent hospitalization rate was achieved. The commissioner shall structure the withhold
292.5 so that the commissioner returns a portion of the withheld funds in amounts commensurate
292.6 with achieved reductions in utilization less than the targeted amount.

292.7 The withhold described in this paragraph must continue for each consecutive contract
292.8 period until the plan's subsequent hospitalization rate for medical assistance and
292.9 MinnesotaCare enrollees, excluding enrollees in programs described in subdivisions 23 and
292.10 28, is reduced by 25 percent of the plan's subsequent hospitalization rate for calendar year
292.11 2011. Hospitals shall cooperate with the plans in meeting this performance target and shall
292.12 accept payment withholds that must be returned to the hospitals if the performance target
292.13 is achieved.

292.14 (h) Effective for services rendered on or after January 1, 2013, through December 31,
292.15 2013, the commissioner shall withhold 4.5 percent of managed care plan payments under
292.16 this section and county-based purchasing plan payments under section 256B.692 for the
292.17 prepaid medical assistance program. The withheld funds must be returned no sooner than
292.18 July 1 and no later than July 31 of the following year. The commissioner may exclude
292.19 special demonstration projects under subdivision 23.

292.20 (i) Effective for services rendered on or after January 1, 2014, the commissioner shall
292.21 withhold three percent of managed care plan payments under this section and county-based
292.22 purchasing plan payments under section 256B.692 for the prepaid medical assistance
292.23 program. The withheld funds must be returned no sooner than July 1 and no later than July
292.24 31 of the following year. The commissioner may exclude special demonstration projects
292.25 under subdivision 23.

292.26 (j) A managed care plan or a county-based purchasing plan under section 256B.692 may
292.27 include as admitted assets under section 62D.044 any amount withheld under this section
292.28 that is reasonably expected to be returned.

292.29 (k) Contracts between the commissioner and a prepaid health plan are exempt from the
292.30 set-aside and preference provisions of section 16C.16, subdivisions 6, paragraph (a), and
292.31 7.

292.32 (l) The return of the withhold under paragraphs (h) and (i) is not subject to the
292.33 requirements of paragraph (c).

293.1 (m) Managed care plans and county-based purchasing plans shall maintain current and
293.2 fully executed agreements for all subcontractors, including bargaining groups, for
293.3 administrative services that are expensed to the state's public health care programs.
293.4 Subcontractor agreements determined to be material, as defined by the commissioner after
293.5 taking into account state contracting and relevant statutory requirements, must be in the
293.6 form of a written instrument or electronic document containing the elements of offer,
293.7 acceptance, consideration, payment terms, scope, duration of the contract, and how the
293.8 subcontractor services relate to state public health care programs. Upon request, the
293.9 commissioner shall have access to all subcontractor documentation under this paragraph.
293.10 Nothing in this paragraph shall allow release of information that is nonpublic data pursuant
293.11 to section 13.02.

293.12 Sec. 58. Minnesota Statutes 2020, section 256B.85, subdivision 1, is amended to read:

293.13 Subdivision 1. **Basis and scope.** (a) Upon federal approval, the commissioner shall
293.14 establish a state plan option for the provision of home and community-based personal
293.15 assistance service and supports called "community first services and supports (CFSS)."

293.16 (b) CFSS is a participant-controlled method of selecting and providing services and
293.17 supports that allows the participant maximum control of the services and supports.
293.18 Participants may choose the degree to which they direct and manage their supports by
293.19 choosing to have a significant and meaningful role in the management of services and
293.20 supports including by directly employing support workers with the necessary supports to
293.21 perform that function.

293.22 (c) CFSS is available statewide to eligible people to assist with accomplishing activities
293.23 of daily living (ADLs), instrumental activities of daily living (IADLs), and health-related
293.24 procedures and tasks through hands-on assistance to accomplish the task or constant
293.25 supervision and cueing to accomplish the task; and to assist with acquiring, maintaining,
293.26 and enhancing the skills necessary to accomplish ADLs, IADLs, and health-related
293.27 procedures and tasks. CFSS allows payment for the participant for certain supports and
293.28 goods such as environmental modifications and technology that are intended to replace or
293.29 decrease the need for human assistance.

293.30 (d) Upon federal approval, CFSS will replace the personal care assistance program under
293.31 sections 256.476, 256B.0625, subdivisions 19a and 19c, and 256B.0659.

293.32 (e) For the purposes of this section, notwithstanding the provisions of section 144A.43,
293.33 subdivision 3, supports purchased under CFSS are not considered home care services.

294.1 Sec. 59. Minnesota Statutes 2020, section 256B.85, subdivision 2, is amended to read:

294.2 Subd. 2. **Definitions.** (a) For the purposes of this section, the terms defined in this

408.31 age or older, an assessor must use either (i) the CAGE-AID Questionnaire or (ii) the criteria
408.32 in the most recent edition of the Diagnostic and Statistical Manual of Mental Disorders

409.1 published by the American Psychiatric Association to screen and assess the client for a
409.2 substance use disorder.

409.3 (e) When completing a standard diagnostic assessment of a client, the assessor must
409.4 include and document the following components of the assessment:

409.5 (1) the client's mental status examination;

409.6 (2) the client's baseline measurements; symptoms; behavior; skills; abilities; resources;
409.7 vulnerabilities; safety needs, including client information that supports the assessor's findings
409.8 after applying a recognized diagnostic framework from paragraph (d); and any differential
409.9 diagnosis of the client;

409.10 (3) an explanation of: (i) how the assessor diagnosed the client using the information
409.11 from the client's interview, assessment, psychological testing, and collateral information
409.12 about the client; (ii) the client's needs; (iii) the client's risk factors; (iv) the client's strengths;
409.13 and (v) the client's responsivity factors.

409.14 (f) When completing a standard diagnostic assessment of a client, the assessor must
409.15 consult the client and the client's family about which services that the client and the family
409.16 prefer to treat the client. The assessor must make referrals for the client as to services required
409.17 by law.

409.18 Subd. 7. **Individual treatment plan.** A license holder must follow each client's written
409.19 individual treatment plan when providing services to the client with the following exceptions:

409.20 (1) services that do not require that a license holder completes a standard diagnostic
409.21 assessment of a client before providing services to the client;

409.22 (2) when developing a service plan; and

409.23 (3) when a client re-engages in services under subdivision 8, paragraph (b).

409.24 Subd. 8. **Individual treatment plan; required elements.** (a) After completing a client's
409.25 diagnostic assessment and before providing services to the client, the license holder must
409.26 complete the client's individual treatment plan. The license holder must:

409.27 (1) base the client's individual treatment plan on the client's diagnostic assessment and
409.28 baseline measurements;

409.29 (2) for a child client, use a child-centered, family-driven, and culturally appropriate
409.30 planning process that allows the child's parents and guardians to observe and participate in
409.31 the child's individual and family treatment services, assessments, and treatment planning;

410.1 (3) for an adult client, use a person-centered, culturally appropriate planning process
410.2 that allows the client's family and other natural supports to observe and participate in the
410.3 client's treatment services, assessments, and treatment planning;

410.4 (4) identify the client's treatment goals, measureable treatment objectives, a schedule
410.5 for accomplishing the client's treatment goals and objectives, a treatment strategy, and the
410.6 individuals responsible for providing treatment services and supports to the client. The
410.7 license holder must have a treatment strategy to engage the client in treatment if the client:

410.8 (i) has a history of not engaging in treatment; and

410.9 (ii) is ordered by a court to participate in treatment services or to take neuroleptic
410.10 medications;

410.11 (5) identify the participants involved in the client's treatment planning. The client must
410.12 be a participant in the client's treatment planning. If applicable, the license holder must
410.13 document the reasons that the license holder did not involve the client's family or other
410.14 natural supports in the client's treatment planning;

410.15 (6) review the client's individual treatment plan every 180 days and update the client's
410.16 individual treatment plan with the client's treatment progress, new treatment objectives and
410.17 goals or, if the client has not made treatment progress, changes in the license holder's
410.18 approach to treatment; and

410.19 (7) ensure that the client approves of the client's individual treatment plan unless a court
410.20 orders the client's treatment plan under chapter 253B.

410.21 (b) If the client disagrees with the client's treatment plan, the license holder must
410.22 document in the client file the reasons why the client does not agree with the treatment plan.
410.23 If the license holder cannot obtain the client's approval of the treatment plan, a mental health
410.24 professional must make efforts to obtain approval from a person who is authorized to consent
410.25 on the client's behalf within 30 days after the client's previous individual treatment plan
410.26 expired. A license holder may not deny a client service during this time period solely because
410.27 the license holder could not obtain the client's approval of the client's individual treatment
410.28 plan. A license holder may continue to bill for the client's otherwise eligible services when
410.29 the client re-engages in services.

410.30 Subd. 9. **Functional assessment; required elements.** When a license holder is
410.31 completing a functional assessment for an adult client, the license holder must:

410.32 (1) complete a functional assessment of the client after completing the client's diagnostic
410.33 assessment;

411.1 (2) use a collaborative process that allows the client and the client's family and other
411.2 natural supports, the client's referral sources, and the client's providers to provide information
411.3 about how the client's symptoms of mental illness impact the client's functioning;

411.4 (3) if applicable, document the reasons that the license holder did not contact the client's
411.5 family and other natural supports;

411.6 (4) assess and document how the client's symptoms of mental illness impact the client's
411.7 functioning in the following areas:

411.8 (i) the client's mental health symptoms;

411.9 (ii) the client's mental health service needs;

411.10 (iii) the client's substance use;

411.11 (iv) the client's vocational and educational functioning;

411.12 (v) the client's social functioning, including the use of leisure time;

411.13 (vi) the client's interpersonal functioning, including relationships with the client's family
411.14 and other natural supports;

411.15 (vii) the client's ability to provide self-care and live independently;

411.16 (viii) the client's medical and dental health;

411.17 (ix) the client's financial assistance needs; and

411.18 (x) the client's housing and transportation needs;

411.19 (5) include a narrative summarizing the client's strengths, resources, and all areas of
411.20 functional impairment;

411.21 (6) complete the client's functional assessment before the client's initial individual
411.22 treatment plan unless a service specifies otherwise; and

411.23 (7) update the client's functional assessment with the client's current functioning whenever
411.24 there is a significant change in the client's functioning or at least every 180 days, unless a
411.25 service specifies otherwise.

411.26 Sec. 12. [245L.11] HEALTH SERVICES AND MEDICATIONS.

411.27 Subdivision 1. Generally. If a license holder is licensed as a residential program, stores
411.28 or administers client medications, or observes clients self-administer medications, the license
411.29 holder must ensure that a staff person who is a registered nurse or licensed prescriber is
411.30 responsible for overseeing storage and administration of client medications and observing

412.1 as a client self-administers medications, including training according to section 245I.05,
412.2 subdivision 6, and documenting the occurrence according to section 245I.08, subdivision
412.3 5.

412.4 Subd. 2. **Health services.** If a license holder is licensed as a residential program, the
412.5 license holder must:

412.6 (1) ensure that a client is screened for health issues within 72 hours of the client's
412.7 admission;

412.8 (2) monitor the physical health needs of each client on an ongoing basis;

412.9 (3) offer referrals to clients and coordinate each client's care with psychiatric and medical
412.10 services;

412.11 (4) identify circumstances in which a staff person must notify a registered nurse or
412.12 licensed prescriber of any of a client's health concerns and the process for providing
412.13 notification of client health concerns; and

412.14 (5) identify the circumstances in which the license holder must obtain medical care for
412.15 a client and the process for obtaining medical care for a client.

412.16 Subd. 3. **Storing and accounting for medications.** (a) If a license holder stores client
412.17 medications, the license holder must:

412.18 (1) store client medications in original containers in a locked location;

412.19 (2) store refrigerated client medications in special trays or containers that are separate
412.20 from food;

412.21 (3) store client medications marked "for external use only" in a compartment that is
412.22 separate from other client medications;

412.23 (4) store Schedule II to IV drugs listed in section 152.02, subdivisions 3 to 5, in a
412.24 compartment that is locked separately from other medications;

412.25 (5) ensure that only authorized staff persons have access to stored client medications;

412.26 (6) follow a documentation procedure on each shift to account for all scheduled drugs;
412.27 and

412.28 (7) record each incident when a staff person accepts a supply of client medications and
412.29 destroy discontinued, outdated, or deteriorated client medications.

412.30 (b) If a license holder is licensed as a residential program, the license holder must allow
412.31 clients who self-administer medications to keep a private medication supply. The license

413.1 holder must ensure that the client stores all private medication in a locked container in the
413.2 client's private living area, unless the private medication supply poses a health and safety
413.3 risk to any clients. A client must not maintain a private medication supply of a prescription
413.4 medication without a written medication order from a licensed prescriber and a prescription
413.5 label that includes the client's name.

413.6 Subd. 4. **Medication orders.** (a) If a license holder stores, prescribes, or administers
413.7 medications or observes a client self-administer medications, the license holder must:

413.8 (1) ensure that a licensed prescriber writes all orders to accept, administer, or discontinue
413.9 client medications;

413.10 (2) accept nonwritten orders to administer client medications in emergency circumstances
413.11 only;

413.12 (3) establish a timeline and process for obtaining a written order with the licensed
413.13 prescriber's signature when the license holder accepts a nonwritten order to administer client
413.14 medications;

413.15 (4) obtain prescription medication renewals from a licensed prescriber for each client
413.16 every 90 days for psychotropic medications and annually for all other medications; and

413.17 (5) maintain the client's right to privacy and dignity.

413.18 (b) If a license holder employs a licensed prescriber, the license holder must inform the
413.19 client about potential medication effects and side effects and obtain and document the client's
413.20 informed consent before the licensed prescriber prescribes a medication.

413.21 Subd. 5. **Medication administration.** If a license holder is licensed as a residential
413.22 program, the license holder must:

413.23 (1) assess and document each client's ability to self-administer medication. In the
413.24 assessment, the license holder must evaluate the client's ability to: (i) comply with prescribed
413.25 medication regimens; and (ii) store the client's medications safely and in a manner that
413.26 protects other individuals in the facility. Through the assessment process, the license holder
413.27 must assist the client in developing the skills necessary to safely self-administer medication;

413.28 (2) monitor the effectiveness of medications, side effects of medications, and adverse
413.29 reactions to medications for each client. The license holder must address and document any
413.30 concerns about a client's medications;

413.31 (3) ensure that no staff person or client gives a legend drug supply for one client to
413.32 another client;

414.1 (4) have policies and procedures for: (i) keeping a record of each client's medication
 414.2 orders; (ii) keeping a record of any incident of deferring a client's medications; (iii)
 414.3 documenting any incident when a client's medication is omitted; and (iv) documenting when
 414.4 a client refuses to take medications as prescribed; and

414.5 (5) document and track medication errors, document whether the license holder notified
 414.6 anyone about the medication error, determine if the license holder must take any follow-up
 414.7 actions, and identify the staff persons who are responsible for taking follow-up actions.

414.8 **Sec. 13. [245L.12] CLIENT RIGHTS AND PROTECTIONS.**

414.9 Subdivision 1. **Client rights.** A license holder must ensure that all clients have the
 414.10 following rights:

414.11 (1) the rights listed in the health care bill of rights in section 144.651;

414.12 (2) the right to be free from discrimination based on age, race, color, creed, religion,
 414.13 national origin, gender, marital status, disability, sexual orientation, and status with regard
 414.14 to public assistance. The license holder must follow all applicable state and federal laws
 414.15 including the Minnesota Human Rights Act, chapter 363A; and

414.16 (3) the right to be informed prior to a photograph or audio or video recording being made
 414.17 of the client. The client has the right to refuse to allow any recording or photograph of the
 414.18 client that is not for the purposes of identification or supervision by the license holder.

414.19 Subd. 2. **Restrictions to client rights.** If the license holder restricts a client's right, the
 414.20 license holder must document in the client file a mental health professional's approval of
 414.21 the restriction and the reasons for the restriction.

414.22 Subd. 3. **Notice of rights.** The license holder must give a copy of the client's rights
 414.23 according to this section to each client on the day of the client's admission. The license
 414.24 holder must document that the license holder gave a copy of the client's rights to each client
 414.25 on the day of the client's admission according to this section. The license holder must post
 414.26 a copy of the client rights in an area visible or accessible to all clients. The license holder
 414.27 must include the client rights in Minnesota Rules, chapter 9544, for applicable clients.

414.28 Subd. 4. **Client property.** (a) The license holder must meet the requirements of section
 414.29 245A.04, subdivision 13.

414.30 (b) If the license holder is unable to obtain a client's signature acknowledging the receipt
 414.31 or disbursement of the client's funds or property required by section 245A.04, subdivision
 414.32 13, paragraph (c), clause (1), two staff persons must sign documentation acknowledging

415.1 that the staff persons witnessed the client's receipt or disbursement of the client's funds or
415.2 property.

415.3 (c) The license holder must return all of the client's funds and other property to the client
415.4 except for the following items:

415.5 (1) illicit drugs, drug paraphernalia, and drug containers that are subject to forfeiture
415.6 under section 609.5316. The license holder must give illicit drugs, drug paraphernalia, and
415.7 drug containers to a local law enforcement agency or destroy the items; and

415.8 (2) weapons, explosives, and other property that may cause serious harm to the client
415.9 or others. The license holder may give a client's weapons and explosives to a local law
415.10 enforcement agency. The license holder must notify the client that a local law enforcement
415.11 agency has the client's property and that the client has the right to reclaim the property if
415.12 the client has a legal right to possess the item.

415.13 (d) If a client leaves the license holder's program but abandons the client's funds or
415.14 property, the license holder must retain and store the client's funds or property, including
415.15 medications, for a minimum of 30 days after the client's discharge from the program.

415.16 Subd. 5. **Client grievances.** (a) The license holder must have a grievance procedure
415.17 that:

415.18 (1) describes to clients how the license holder will meet the requirements in this
415.19 subdivision; and

415.20 (2) contains the current public contact information of the Department of Human Services,
415.21 Licensing Division; the Office of Ombudsman for Mental Health and Developmental
415.22 Disabilities; the Department of Health, Office of Health Facilities Complaints; and all
415.23 applicable health-related licensing boards.

415.24 (b) On the day of each client's admission, the license holder must explain the grievance
415.25 procedure to the client.

415.26 (c) The license holder must:

415.27 (1) post the grievance procedure in a place visible to clients and provide a copy of the
415.28 grievance procedure upon request;

415.29 (2) allow clients, former clients, and their authorized representatives to submit a grievance
415.30 to the license holder;

415.31 (3) within three business days of receiving a client's grievance, acknowledge in writing
415.32 that the license holder received the client's grievance. If applicable, the license holder must

416.1 include a notice of the client's separate appeal rights for a managed care organization's
416.2 reduction, termination, or denial of a covered service;

416.3 (4) within 15 business days of receiving a client's grievance, provide a written final
416.4 response to the client's grievance containing the license holder's official response to the
416.5 grievance; and

416.6 (5) allow the client to bring a grievance to the person with the highest level of authority
416.7 in the program.

416.8 **Sec. 14. [245I.13] CRITICAL INCIDENTS.**

416.9 If a license holder is licensed as a residential program, the license holder must report all
416.10 critical incidents to the commissioner within ten days of learning of the incident on a form
416.11 approved by the commissioner. The license holder must keep a record of critical incidents
416.12 in a central location that is readily accessible to the commissioner for review upon the
416.13 commissioner's request for a minimum of two licensing periods.

416.14 **Sec. 15. [245I.20] MENTAL HEALTH CLINIC.**

416.15 Subdivision 1. **Purpose.** Certified mental health clinics provide clinical services for the
416.16 treatment of mental illnesses with a treatment team that reflects multiple disciplines and
416.17 areas of expertise.

416.18 Subd. 2. **Definitions.** (a) "Clinical services" means services provided to a client to
416.19 diagnose, describe, predict, and explain the client's status relative to a condition or problem
416.20 as described in the: (1) current edition of the Diagnostic and Statistical Manual of Mental
416.21 Disorders published by the American Psychiatric Association; or (2) current edition of the
416.22 DC: 0-5 Diagnostic Classification of Mental Health and Development Disorders of Infancy
416.23 and Early Childhood published by Zero to Three. Where necessary, clinical services includes
416.24 services to treat a client to reduce the client's impairment due to the client's condition.
416.25 Clinical services also includes individual treatment planning, case review, record-keeping
416.26 required for a client's treatment, and treatment supervision. For the purposes of this section,
416.27 clinical services excludes services delivered to a client under a separate license and services
416.28 listed under section 245I.011, subdivision 5.

416.29 (b) "Competent" means having professional education, training, continuing education,
416.30 consultation, supervision, experience, or a combination thereof necessary to demonstrate
416.31 sufficient knowledge of and proficiency in a specific clinical service.

417.1 (c) "Discipline" means a branch of professional knowledge or skill acquired through a
417.2 specific course of study, training, and supervised practice. Discipline is usually documented
417.3 by a specific educational degree, licensure, or certification of proficiency. Examples of the
417.4 mental health disciplines include but are not limited to psychiatry, psychology, clinical
417.5 social work, marriage and family therapy, clinical counseling, and psychiatric nursing.

417.6 (d) "Treatment team" means the mental health professionals, mental health practitioners,
417.7 and clinical trainees who provide clinical services to clients.

417.8 **Subd. 3. Organizational structure.** (a) A mental health clinic location must be an entire
417.9 facility or a clearly identified unit within a facility that is administratively and clinically
417.10 separate from the rest of the facility. The mental health clinic location may provide services
417.11 other than clinical services to clients, including medical services, substance use disorder
417.12 services, social services, training, and education.

417.13 (b) The certification holder must notify the commissioner of all mental health clinic
417.14 locations. If there is more than one mental health clinic location, the certification holder
417.15 must designate one location as the main location and all of the other locations as satellite
417.16 locations. The main location as a unit and the clinic as a whole must comply with the
417.17 minimum staffing standards in subdivision 4.

417.18 (c) The certification holder must ensure that each satellite location:

417.19 (1) adheres to the same policies and procedures as the main location;

417.20 (2) provides treatment team members with face-to-face or telephone access to a mental
417.21 health professional for the purposes of supervision whenever the satellite location is open.
417.22 The certification holder must maintain a schedule of the mental health professionals who
417.23 will be available and the contact information for each available mental health professional.
417.24 The schedule must be current and readily available to treatment team members; and

417.25 (3) enables clients to access all of the mental health clinic's clinical services and treatment
417.26 team members, as needed.

417.27 **Subd. 4. Minimum staffing standards.** (a) A certification holder's treatment team must
417.28 consist of at least four mental health professionals. At least two of the mental health
417.29 professionals must be employed by or under contract with the mental health clinic for a
417.30 minimum of 35 hours per week each. Each of the two mental health professionals must
417.31 specialize in a different mental health discipline.

417.32 (b) The treatment team must include:

418.1 (1) a physician qualified as a mental health professional according to section 245I.04,
418.2 subdivision 2, clause (4), or a nurse qualified as a mental health professional according to
418.3 section 245I.04, subdivision 2, clause (1); and

418.4 (2) a psychologist qualified as a mental health professional according to section 245I.04,
418.5 subdivision 2, clause (3).

418.6 (c) The staff persons fulfilling the requirement in paragraph (b) must provide clinical
418.7 services at least:

418.8 (1) eight hours every two weeks if the mental health clinic has over 25.0 full-time
418.9 equivalent treatment team members;

418.10 (2) eight hours each month if the mental health clinic has 15.1 to 25.0 full-time equivalent
418.11 treatment team members;

418.12 (3) four hours each month if the mental health clinic has 5.1 to 15.0 full-time equivalent
418.13 treatment team members; or

418.14 (4) two hours each month if the mental health clinic has 2.0 to 5.0 full-time equivalent
418.15 treatment team members or only provides in-home services to clients.

418.16 (d) The certification holder must maintain a record that demonstrates compliance with
418.17 this subdivision.

418.18 **Subd. 5. Treatment supervision specified.** (a) A mental health professional must remain
418.19 responsible for each client's case. The certification holder must document the name of the
418.20 mental health professional responsible for each case and the dates that the mental health
418.21 professional is responsible for the client's case from beginning date to end date. The
418.22 certification holder must assign each client's case for assessment, diagnosis, and treatment
418.23 services to a treatment team member who is competent in the assigned clinical service, the
418.24 recommended treatment strategy, and in treating the client's characteristics.

418.25 (b) Treatment supervision of mental health practitioners and clinical trainees required
418.26 by section 245I.06 must include case reviews as described in this paragraph. Every two
418.27 months, a mental health professional must complete a case review of each client assigned
418.28 to the mental health professional when the client is receiving clinical services from a mental
418.29 health practitioner or clinical trainee. The case review must include a consultation process
418.30 that thoroughly examines the client's condition and treatment, including: (1) a review of the
418.31 client's reason for seeking treatment, diagnoses and assessments, and the individual treatment
418.32 plan; (2) a review of the appropriateness, duration, and outcome of treatment provided to
418.33 the client; and (3) treatment recommendations.

419.1 Subd. 6. **Additional policy and procedure requirements.** (a) In addition to the policies
419.2 and procedures required by section 245I.03, the certification holder must establish, enforce,
419.3 and maintain the policies and procedures required by this subdivision.

419.4 (b) The certification holder must have a clinical evaluation procedure to identify and
419.5 document each treatment team member's areas of competence.

419.6 (c) The certification holder must have policies and procedures for client intake and case
419.7 assignment that:

419.8 (1) outline the client intake process;

419.9 (2) describe how the mental health clinic determines the appropriateness of accepting a
419.10 client into treatment by reviewing the client's condition and need for treatment, the clinical
419.11 services that the mental health clinic offers to clients, and other available resources; and

419.12 (3) contain a process for assigning a client's case to a mental health professional who is
419.13 responsible for the client's case and other treatment team members.

419.14 Subd. 7. **Referrals.** If necessary treatment for a client or treatment desired by a client
419.15 is not available at the mental health clinic, the certification holder must facilitate appropriate
419.16 referrals for the client. When making a referral for a client, the treatment team member must
419.17 document a discussion with the client that includes: (1) the reason for the client's referral;
419.18 (2) potential treatment resources for the client; and (3) the client's response to receiving a
419.19 referral.

419.20 Subd. 8. **Emergency service.** For the certification holder's telephone numbers that clients
419.21 regularly access, the certification holder must include the contact information for the area's
419.22 mental health crisis services as part of the certification holder's message when a live operator
419.23 is not available to answer clients' calls.

419.24 Subd. 9. **Quality assurance and improvement plan.** (a) At a minimum, a certification
419.25 holder must develop a written quality assurance and improvement plan that includes a plan
419.26 for:

419.27 (1) encouraging ongoing consultation among members of the treatment team;

419.28 (2) obtaining and evaluating feedback about services from clients, family and other
419.29 natural supports, referral sources, and staff persons;

419.30 (3) measuring and evaluating client outcomes;

419.31 (4) reviewing client suicide deaths and suicide attempts;

419.32 (5) examining the quality of clinical service delivery to clients; and

420.1 (6) self-monitoring of compliance with this chapter.

420.2 (b) At least annually, the certification holder must review, evaluate, and update the
420.3 quality assurance and improvement plan. The review must: (1) include documentation of
420.4 the actions that the certification holder will take as a result of information obtained from
420.5 monitoring activities in the plan; and (2) establish goals for improved service delivery to
420.6 clients for the next year.

420.7 Subd. 10. **Application procedures.** (a) The applicant for certification must submit any
420.8 documents that the commissioner requires on forms approved by the commissioner.

420.9 (b) Upon submitting an application for certification, an applicant must pay the application
420.10 fee required by section 245A.10, subdivision 3.

420.11 (c) The commissioner must act on an application within 90 working days of receiving
420.12 a completed application.

420.13 (d) When the commissioner receives an application for initial certification that is
420.14 incomplete because the applicant failed to submit required documents or is deficient because
420.15 the submitted documents do not meet certification requirements, the commissioner must
420.16 provide the applicant with written notice that the application is incomplete or deficient. In
420.17 the notice, the commissioner must identify the particular documents that are missing or
420.18 deficient and give the applicant 45 days to submit a second application that is complete. An
420.19 applicant's failure to submit a complete application within 45 days after receiving notice
420.20 from the commissioner is a basis for certification denial.

420.21 (e) The commissioner must give notice of a denial to an applicant when the commissioner
420.22 has made the decision to deny the certification application. In the notice of denial, the
420.23 commissioner must state the reasons for the denial in plain language. The commissioner
420.24 must send or deliver the notice of denial to an applicant by certified mail or personal service.
420.25 In the notice of denial, the commissioner must state the reasons that the commissioner denied
420.26 the application and must inform the applicant of the applicant's right to request a contested
420.27 case hearing under chapter 14 and Minnesota Rules, parts 1400.8505 to 1400.8612. The
420.28 applicant may appeal the denial by notifying the commissioner in writing by certified mail
420.29 or personal service. If mailed, the appeal must be postmarked and sent to the commissioner
420.30 within 20 calendar days after the applicant received the notice of denial. If an applicant
420.31 delivers an appeal by personal service, the commissioner must receive the appeal within 20
420.32 calendar days after the applicant received the notice of denial.

420.33 Subd. 11. **Commissioner's right of access.** (a) When the commissioner is exercising
420.34 the powers conferred to the commissioner by this chapter, if the mental health clinic is in

421.1 operation and the information is relevant to the commissioner's inspection or investigation,
 421.2 the certification holder must provide the commissioner access to:

421.3 (1) the physical facility and grounds where the program is located;

421.4 (2) documentation and records, including electronically maintained records;

421.5 (3) clients served by the mental health clinic;

421.6 (4) staff persons of the mental health clinic; and

421.7 (5) personnel records of current and former staff of the mental health clinic.

421.8 (b) The certification holder must provide the commissioner with access to the facility
 421.9 and grounds, documentation and records, clients, and staff without prior notice and as often
 421.10 as the commissioner considers necessary if the commissioner is investigating alleged
 421.11 maltreatment or a violation of a law or rule, or conducting an inspection. When conducting
 421.12 an inspection, the commissioner may request and must receive assistance from other state,
 421.13 county, and municipal governmental agencies and departments. The applicant or certification
 421.14 holder must allow the commissioner, at the commissioner's expense, to photocopy,
 421.15 photograph, and make audio and video recordings during an inspection.

421.16 Subd. 12. **Monitoring and inspections.** (a) The commissioner may conduct a certification
 421.17 review of the certified mental health clinic every two years to determine the certification
 421.18 holder's compliance with applicable rules and statutes.

421.19 (b) The commissioner must offer the certification holder a choice of dates for an
 421.20 announced certification review. A certification review must occur during the clinic's normal
 421.21 working hours.

421.22 (c) The commissioner must make the results of certification reviews and investigations
 421.23 publicly available on the department's website.

421.24 Subd. 13. **Correction orders.** (a) If the applicant or certification holder fails to comply
 421.25 with a law or rule, the commissioner may issue a correction order. The correction order
 421.26 must state:

421.27 (1) the condition that constitutes a violation of the law or rule;

421.28 (2) the specific law or rule that the applicant or certification holder has violated; and

421.29 (3) the time that the applicant or certification holder is allowed to correct each violation.

421.30 (b) If the applicant or certification holder believes that the commissioner's correction
 421.31 order is erroneous, the applicant or certification holder may ask the commissioner to

422.1 reconsider the part of the correction order that is allegedly erroneous. An applicant or
 422.2 certification holder must make a request for reconsideration in writing. The request must
 422.3 be postmarked and sent to the commissioner within 20 calendar days after the applicant or
 422.4 certification holder received the correction order; and the request must:

422.5 (1) specify the part of the correction order that is allegedly erroneous;

422.6 (2) explain why the specified part is erroneous; and

422.7 (3) include documentation to support the allegation of error.

422.8 (c) A request for reconsideration does not stay any provision or requirement of the
 422.9 correction order. The commissioner's disposition of a request for reconsideration is final
 422.10 and not subject to appeal.

422.11 (d) If the commissioner finds that the applicant or certification holder failed to correct
 422.12 the violation specified in the correction order, the commissioner may decertify the certified
 422.13 mental health clinic according to subdivision 14.

422.14 (e) Nothing in this subdivision prohibits the commissioner from decertifying a mental
 422.15 health clinic according to subdivision 14.

422.16 Subd. 14. **Decertification.** (a) The commissioner may decertify a mental health clinic
 422.17 if a certification holder:

422.18 (1) failed to comply with an applicable law or rule; or

422.19 (2) knowingly withheld relevant information from or gave false or misleading information
 422.20 to the commissioner in connection with an application for certification, during an
 422.21 investigation, or regarding compliance with applicable laws or rules.

422.22 (b) When considering decertification of a mental health clinic, the commissioner must
 422.23 consider the nature, chronicity, or severity of the violation of law or rule and the effect of
 422.24 the violation on the health, safety, or rights of clients.

422.25 (c) If the commissioner decertifies a mental health clinic, the order of decertification
 422.26 must inform the certification holder of the right to have a contested case hearing under
 422.27 chapter 14 and Minnesota Rules, parts 1400.8505 to 1400.8612. The certification holder
 422.28 may appeal the decertification. The certification holder must appeal a decertification in
 422.29 writing and send or deliver the appeal to the commissioner by certified mail or personal
 422.30 service. If the certification holder mails the appeal, the appeal must be postmarked and sent
 422.31 to the commissioner within ten calendar days after the certification holder receives the order
 422.32 of decertification. If the certification holder delivers an appeal by personal service, the

423.1 commissioner must receive the appeal within ten calendar days after the certification holder
423.2 received the order. If a certification holder submits a timely appeal of an order of
423.3 decertification, the certification holder may continue to operate the program until the
423.4 commissioner issues a final order on the decertification.

423.5 (d) If the commissioner decertifies a mental health clinic pursuant to paragraph (a),
423.6 clause (1), based on a determination that the mental health clinic was responsible for
423.7 maltreatment, and if the certification holder appeals the decertification according to paragraph
423.8 (c), and appeals the maltreatment determination under section 260E.33, the final
423.9 decertification determination is stayed until the commissioner issues a final decision regarding
423.10 the maltreatment appeal.

423.11 Subd. 15. **Transfer prohibited.** A certification issued under this section is only valid
423.12 for the premises and the individual, organization, or government entity identified by the
423.13 commissioner on the certification. A certification is not transferable or assignable.

423.14 Subd. 16. **Notifications required and noncompliance.** (a) A certification holder must
423.15 notify the commissioner, in a manner prescribed by the commissioner, and obtain the
423.16 commissioner's approval before making any change to the name of the certification holder
423.17 or the location of the mental health clinic.

423.18 (b) Changes in mental health clinic organization, staffing, treatment, or quality assurance
423.19 procedures that affect the ability of the certification holder to comply with the minimum
423.20 standards of this section must be reported in writing by the certification holder to the
423.21 commissioner within 15 days of the occurrence. Review of the change must be conducted
423.22 by the commissioner. A certification holder with changes resulting in noncompliance in
423.23 minimum standards must receive written notice and may have up to 180 days to correct the
423.24 areas of noncompliance before being decertified. Interim procedures to resolve the
423.25 noncompliance on a temporary basis must be developed and submitted in writing to the
423.26 commissioner for approval within 30 days of the commissioner's determination of the
423.27 noncompliance. Not reporting an occurrence of a change that results in noncompliance
423.28 within 15 days, failure to develop an approved interim procedure within 30 days of the
423.29 determination of the noncompliance, or nonresolution of the noncompliance within 180
423.30 days will result in immediate decertification.

423.31 (c) The mental health clinic may be required to submit written information to the
423.32 department to document that the mental health clinic has maintained compliance with this
423.33 section and mental health clinic procedures.

426.7 **planning.** (a) Within 12 hours of a client's admission, the license holder must evaluate and
426.8 document the client's immediate needs, including the client's:

426.13 treatment plan for the client. The license holder must:

426.14 (1) base the client's initial treatment plan on the client's referral information and an
426.15 assessment of the client's immediate needs;

426.16 (2) consider crisis assistance strategies that have been effective for the client in the past;

426.17 (3) identify the client's initial treatment goals, measurable treatment objectives, and
426.18 specific interventions that the license holder will use to help the client engage in treatment;

426.19 (4) identify the participants involved in the client's treatment planning. The client must
426.20 be a participant; and

426.21 (5) ensure that a treatment supervisor approves of the client's initial treatment plan if a

426.24 (c) According to section 245A.65, subdivision 2, paragraph (b), the license holder must

427.7 client's treatment planning on preparing the client for a successful transition from intensive

427.14 reason that the license holder did not make the referral or did not connect the client to a
427.15 particular resource. The license holder is responsible for determining whether additional

427.23 possibility that the client has a substance use disorder, the license holder must complete a
427.24 written assessment of the client's substance use within 30 days of the client's admission. In
427.25 the substance use assessment, the license holder must: (1) evaluate the client's history of

427.32 (i) On a weekly basis, a mental health professional or certified rehabilitation specialist
427.33 must review each client's treatment plan and individual abuse prevention plan. The license
427.34 holder must document in the client's file each weekly review of the client's treatment plan
427.35 and individual abuse prevention plan.

428.1 Subd. 8. Residential crisis stabilization assessment and treatment planning. (a)

428.2 Within 12 hours of a client's admission, the license holder must evaluate the client and
428.3 document the client's immediate needs, including the client's:

428.11 (c) Section 245A.65, subdivision 2, paragraph (b), requires the license holder to complete
428.12 an individual abuse prevention plan for a client as part of the client's crisis treatment plan.

428.13 Subd. 9. Key staff positions. (a) The license holder must have a staff person assigned
428.14 to each of the following key staff positions at all times:

428.15 (1) a program director who qualifies as a mental health practitioner. The license holder
428.16 must designate the program director as responsible for all aspects of the operation of the

428.24 director must be responsible for overseeing treatment services for clients and the treatment
428.25 supervision of all staff persons; and

429.2 and medication administration to clients.

429.3 (b) Within five business days of a change in a key staff position, the license holder must
429.4 notify the commissioner of the staffing change. The license holder must notify the
429.5 commissioner of the staffing change on a form approved by the commissioner and include
429.6 the name of the staff person now assigned to the key staff position and the staff person's
429.7 qualifications.

429.8 Subd. 10. **Minimum treatment team staffing levels and ratios.** (a) The license holder
429.9 must maintain a treatment team staffing level sufficient to:

429.10 (1) provide continuous daily coverage of all shifts;

429.11 (2) follow each client's treatment plan and meet each client's needs as identified in the
429.12 client's treatment plan;

429.13 (3) implement program requirements; and

429.14 (4) safely monitor and guide the activities of each client, taking into account the client's
429.15 level of behavioral and psychiatric stability, cultural needs, and vulnerabilities.

429.16 (b) The license holder must ensure that treatment team members:

429.17 (1) remain awake during all work hours; and

429.18 (2) are available to monitor and guide the activities of each client whenever clients are
429.19 present in the program.

429.20 (c) On each shift, the license holder must maintain a treatment team staffing ratio of at
429.21 least one treatment team member to nine clients. If the license holder is serving nine or
429.22 fewer clients, at least one treatment team member on the day shift must be a mental health
429.23 professional, clinical trainee, certified rehabilitation specialist, or mental health practitioner.
429.24 If the license holder is serving more than nine clients, at least one of the treatment team
429.25 members working during both the day and evening shifts must be a mental health
429.26 professional, clinical trainee, certified rehabilitation specialist, or mental health practitioner.

429.27 (d) If the license holder provides residential crisis stabilization to clients and is serving
429.28 at least one client in residential crisis stabilization and more than four clients in residential
429.29 crisis stabilization and intensive residential treatment services, the license holder must
429.30 maintain a treatment team staffing ratio on each shift of at least two treatment team members
429.31 during the client's first 48 hours in residential crisis stabilization.

430.1 Subd. 11. **Shift exchange.** A license holder must ensure that treatment team members
430.2 working on different shifts exchange information about a client as necessary to effectively
430.3 care for the client and to follow and update a client's treatment plan and individual abuse
430.4 prevention plan.

430.5 Subd. 12. **Daily documentation.** (a) For each day that a client is present in the program,
430.6 the license holder must provide a daily summary in the client's file that includes observations
430.7 about the client's behavior and symptoms, including any critical incidents in which the client
430.8 was involved.

430.9 (b) For each day that a client is not present in the program, the license holder must
430.10 document the reason for a client's absence in the client's file.

430.11 Subd. 13. **Access to a mental health professional, clinical trainee, certified**
430.12 rehabilitation specialist, or mental health practitioner. Treatment team members must
430.13 have access in person or by telephone to a mental health professional, clinical trainee,

432.8 competency when determining whether the license holder is able to meet the needs of a
432.9 person seeking admission; and

432.10 (4) determine whether to admit a person within 72 hours of receiving all necessary
432.11 information from the referral source.

433.28 treatment;

433.29 (2) the client has not made progress toward the client's treatment goals and objectives

434.31 be declared as an institution for mental disease.

435.1 (c) The license holder must furnish each program location to meet the psychological,
435.2 emotional, and developmental needs of clients.

435.3 (d) The license holder must provide one living room or lounge area per program location.
435.4 There must be space available to provide services according to each client's treatment plan,
435.5 such as an area for learning recreation time skills and areas for learning independent living
435.6 skills, such as laundering clothes and preparing meals.

436.9 (1) document the actions that the license holder will take in response to the information
 436.10 that the license holder obtains from the monitoring activities in the plan; and

436.11 (2) establish goals for improving the license holder's services to clients during the next
 436.12 year.

439.20 covers an explanation of findings that a mental health professional or clinical trainee provides
439.21 when the provider has obtained the authorization from the client or the client's representative

439.26 the client or related parties need to carry out a client's treatment plan. Related parties may
439.27 include the client's family and other natural supports and other service providers working
439.28 with the client.

440.7 to an individual or family as part of an individual, family, multifamily group, or peer group
440.8 session to explain, educate, and support the child and family in understanding a child's
440.9 symptoms of mental illness, the impact on the child's development, and needed components
440.10 of treatment and skill development so that the individual, family, or group can help the child
440.11 to prevent relapse, prevent the acquisition of comorbid disorders, and achieve optimal mental
440.12 health and long-term resilience.

440.13 Subd. 6. Dialectical behavior therapy. (a) Subject to federal approval, medical assistance
440.14 covers intensive mental health outpatient treatment for dialectical behavior therapy for
440.15 adults. A dialectical behavior therapy provider must make reasonable and good faith efforts

458.3 response.

458.4 (b) When conducting the crisis screening of a recipient, a provider must:

458.5 (1) employ evidence-based practices to reduce the recipient's risk of suicide and

459.16 (d) A crisis assessment includes: (1) determining (i) whether the recipient is willing to
459.17 voluntarily engage in treatment, or (ii) whether the recipient has an advance directive, and

459.19 supports.

459.20 (e) A crisis assessment must include coordinated response with other health care providers
459.21 if the assessment indicates that a recipient needs detoxification, withdrawal management,

459.23 an acute level of care, a team must serve an otherwise eligible recipient who has a
459.24 co-occurring substance use disorder.

459.28 about the recipient's crisis assessment must immediately contact the referral entity and
459.29 consult with the triage nurse or other staff responsible for intake at the referral entity. During
459.30 the consultation, the crisis team member must convey key findings or concerns that led to
459.31 the recipient's referral. Following the immediate consultation, the provider must also send
459.32 written documentation upon completion. The provider must document if these releases

 460.14 ~~crisis assessment and include measurable short-term goals, cultural considerations, and~~
 460.15 ~~frequency and type of services to be provided to achieve the goals and reduce or eliminate~~
 460.16 ~~the crisis. The treatment plan must be updated as needed to reflect current goals and services.~~

460.17 ~~(e)~~ (d) The mobile crisis intervention team must document which ~~short-term goals~~ crisis

 460.21 to other services, the team must provide referrals to these services. If the recipient has a
 460.22 case manager, planning for other services must be coordinated with the case manager. If
 460.23 the recipient is unable to follow up on the referral, the team must link the recipient to the
 460.24 service and follow up to ensure the recipient is receiving the service.

460.25 ~~(g)~~ (f) If the recipient's mental health crisis is stabilized and the recipient does not have

495.29 (e) The commissioner shall issue a list of required evidence-based practices to be
495.30 delivered by CCBHCs, and may also provide a list of recommended evidence-based practices.

496.6 requirements in this section or that fails to meet the standards provided by the commissioner
496.7 in the application and certification process.

496.8 Sec. 47. Minnesota Statutes 2020, section 245A.04, subdivision 5, is amended to read:

496.17 commissioner. Upon request, the license holder must provide the commissioner verification
496.18 of documentation of staff work experience, training, or educational requirements.

496.19 The commissioner must be given access without prior notice and as often as the
496.20 commissioner considers necessary if the commissioner is investigating alleged maltreatment,
496.21 conducting a licensing inspection, or investigating an alleged violation of applicable laws
496.22 or rules. In conducting inspections, the commissioner may request and shall receive assistance
496.23 from other state, county, and municipal governmental agencies and departments. The
496.24 applicant or license holder shall allow the commissioner to photocopy, photograph, and
496.25 make audio and video tape recordings during the inspection of the program at the
496.26 commissioner's expense. The commissioner shall obtain a court order or the consent of the
496.27 subject of the records or the parents or legal guardian of the subject before photocopying
496.28 hospital medical records.

496.29 (b) Persons served by the program have the right to refuse to consent to be interviewed,
496.30 photographed, or audio or videotaped. Failure or refusal of an applicant or license holder
496.31 to fully comply with this subdivision is reasonable cause for the commissioner to deny the
496.32 application or immediately suspend or revoke the license.

551.29 (ii) time allocated to each treatment strategy intervention;

551.30 (iii) methods of documenting the child's behavior;

551.31 (iv) methods of monitoring the child's progress in reaching objectives; and

552.1 (v) goals to increase or decrease targeted behavior as identified in the individual treatment
552.2 plan;

552.3 (4) providing clinical treatment supervision plans for ~~mental health practitioners and~~
552.4 ~~mental health behavioral aides. A mental health professional must document the clinical~~
552.5 ~~supervision the professional provides by cosigning individual treatment plans and making~~
552.6 ~~entries in the client's record on supervisory activities. The clinical supervisor also shall~~
552.7 ~~document supervisee-specific supervision in the supervisee's personnel file. Clinical staff~~
552.8 according to section 245I.06. Treatment supervision does not include the authority to make
552.9 or terminate court-ordered placements of the child. A clinical treatment supervisor must be
552.10 available for urgent consultation as required by the individual client's needs or the situation.
552.11 ~~Clinical supervision may occur individually or in a small group to discuss treatment and~~
552.12 ~~review progress toward goals. The focus of clinical supervision must be the client's treatment~~
552.13 ~~needs and progress and the mental health practitioner's or behavioral aide's ability to provide~~
552.14 ~~services;~~

552.15 (4a) meeting day treatment program conditions in items (i) ~~to (iii)~~ and (ii):

552.16 (i) the clinical treatment supervisor must be present and available on the premises more
552.17 than 50 percent of the time in a provider's standard working week during which the supervisee
552.18 is providing a mental health service; and

552.19 ~~(ii) the diagnosis and the client's individual treatment plan or a change in the diagnosis~~
552.20 ~~or individual treatment plan must be made by or reviewed, approved, and signed by the~~
552.21 ~~clinical supervisor; and~~

552.22 ~~(iii)~~ (ii) every 30 days, the clinical treatment supervisor must review and sign the record
552.23 indicating the supervisor has reviewed the client's care for all activities in the preceding
552.24 30-day period;

552.25 (4b) meeting the clinical treatment supervision standards in items (i) ~~to (iv)~~ and (ii) for
552.26 all other services provided under CTSS:

552.27 ~~(i) medical assistance shall reimburse for services provided by a mental health practitioner~~
552.28 ~~who is delivering services that fall within the scope of the practitioner's practice and who~~
552.29 ~~is supervised by a mental health professional who accepts full professional responsibility;~~

552.30 ~~(ii) medical assistance shall reimburse for services provided by a mental health behavioral~~
552.31 ~~aide who is delivering services that fall within the scope of the aide's practice and who is~~
552.32 ~~supervised by a mental health professional who accepts full professional responsibility and~~
552.33 ~~has an approved plan for clinical supervision of the behavioral aide. Plans must be developed~~

553.1 ~~in accordance with supervision standards defined in Minnesota Rules, part 9505.0371,~~
 553.2 ~~subpart 4, items A to D;~~

553.3 ~~(iii)~~ (i) the mental health professional is required to be present at the site of service
 553.4 delivery for observation as clinically appropriate when the clinical trainee, mental health
 553.5 practitioner, or mental health behavioral aide is providing CTSS services; and

553.6 ~~(iv)~~ (ii) when conducted, the on-site presence of the mental health professional must be
 553.7 documented in the child's record and signed by the mental health professional who accepts
 553.8 full professional responsibility;

553.9 (5) providing direction to a mental health behavioral aide. For entities that employ mental
 553.10 health behavioral aides, the ~~clinical~~ treatment supervisor must be employed by the provider
 553.11 entity or other provider certified to provide mental health behavioral aide services to ensure
 553.12 necessary and appropriate oversight for the client's treatment and continuity of care. The
 553.13 ~~mental health professional or mental health practitioner~~ staff giving direction must begin
 553.14 with the goals on the ~~individualized~~ individual treatment plan, and instruct the mental health
 553.15 behavioral aide on how to implement therapeutic activities and interventions that will lead
 553.16 to goal attainment. The ~~professional or practitioner~~ staff giving direction must also instruct
 553.17 the mental health behavioral aide about the client's diagnosis, functional status, and other
 553.18 characteristics that are likely to affect service delivery. Direction must also include
 553.19 determining that the mental health behavioral aide has the skills to interact with the client
 553.20 and the client's family in ways that convey personal and cultural respect and that the aide
 553.21 actively solicits information relevant to treatment from the family. The aide must be able
 553.22 to clearly explain or demonstrate the activities the aide is doing with the client and the
 553.23 activities' relationship to treatment goals. Direction is more didactic than is supervision and
 553.24 requires the ~~professional or practitioner~~ staff providing it to continuously evaluate the mental
 553.25 health behavioral aide's ability to carry out the activities of the ~~individualized~~ individual
 553.26 treatment plan and the ~~individualized~~ individual behavior plan. When providing direction,
 553.27 the ~~professional or practitioner~~ staff must:

553.28 (i) review progress notes prepared by the mental health behavioral aide for accuracy and
 553.29 consistency with diagnostic assessment, treatment plan, and behavior goals and the
 553.30 ~~professional or practitioner~~ staff must approve and sign the progress notes;

553.31 (ii) identify changes in treatment strategies, revise the individual behavior plan, and
 553.32 communicate treatment instructions and methodologies as appropriate to ensure that treatment
 553.33 is implemented correctly;

554.1 (iii) demonstrate family-friendly behaviors that support healthy collaboration among
 554.2 the child, the child's family, and providers as treatment is planned and implemented;

554.3 (iv) ensure that the mental health behavioral aide is able to effectively communicate
 554.4 with the child, the child's family, and the provider; ~~and~~

554.5 (v) record the results of any evaluation and corrective actions taken to modify the work
 554.6 of the mental health behavioral aide; and

554.7 (vi) ensure the immediate accessibility of a mental health professional, clinical trainee,
 554.8 or mental health practitioner to the behavioral aide during service delivery;

554.9 (6) providing service delivery that implements the individual treatment plan and meets
 554.10 the requirements under subdivision 9; and

554.11 (7) individual treatment plan review. The review must determine the extent to which
 554.12 the services have met each of the goals and objectives in the treatment plan. The review
 554.13 must assess the client's progress and ensure that services and treatment goals continue to
 554.14 be necessary and appropriate to the client and the client's family or foster family. ~~Revision~~
 554.15 ~~of the individual treatment plan does not require a new diagnostic assessment unless the~~
 554.16 ~~client's mental health status has changed markedly. The updated treatment plan must be~~
 554.17 ~~signed by the clinical supervisor and by the client, if appropriate, and by the client's parent~~
 554.18 ~~or other person authorized by statute to give consent to the mental health services for the~~
 554.19 ~~child.~~

554.20 Sec. 90. Minnesota Statutes 2020, section 256B.0943, subdivision 7, is amended to read:

554.21 Subd. 7. **Qualifications of individual and team providers.** (a) An individual or team
 554.22 provider working within the scope of the provider's practice or qualifications may provide
 554.23 service components of children's therapeutic services and supports that are identified as
 554.24 medically necessary in a client's individual treatment plan.

554.25 (b) An individual provider must be qualified as a:

554.26 (1) ~~a mental health professional as defined in subdivision 1, paragraph (e); or~~

554.27 (2) a clinical trainee;

554.28 (3) mental health practitioner or clinical trainee. ~~The mental health practitioner or clinical~~
 554.29 ~~trainee must work under the clinical supervision of a mental health professional; or~~

554.30 (4) mental health certified family peer specialist; or

555.1 ~~(3) a (5) mental health behavioral aide working under the clinical supervision of a mental~~
 555.2 ~~health professional to implement the rehabilitative mental health services previously~~
 555.3 ~~introduced by a mental health professional or practitioner and identified in the client's~~
 555.4 ~~individual treatment plan and individual behavior plan.~~

555.5 ~~(A) A level I mental health behavioral aide must:~~

555.6 ~~(i) be at least 18 years old;~~

555.7 ~~(ii) have a high school diploma or commissioner of education-selected high school~~
 555.8 ~~equivalency certification or two years of experience as a primary caregiver to a child with~~
 555.9 ~~severe emotional disturbance within the previous ten years; and~~

555.10 ~~(iii) meet preservice and continuing education requirements under subdivision 8.~~

555.11 ~~(B) A level II mental health behavioral aide must:~~

555.12 ~~(i) be at least 18 years old;~~

555.13 ~~(ii) have an associate or bachelor's degree or 4,000 hours of experience in delivering~~
 555.14 ~~clinical services in the treatment of mental illness concerning children or adolescents or~~
 555.15 ~~complete a certificate program established under subdivision 8a; and~~

555.16 ~~(iii) meet preservice and continuing education requirements in subdivision 8.~~

555.17 (c) A day treatment multidisciplinary team must include at least one mental health
 555.18 professional or clinical trainee and one mental health practitioner.

555.19 Sec. 91. Minnesota Statutes 2020, section 256B.0943, subdivision 9, is amended to read:

555.20 Subd. 9. **Service delivery criteria.** (a) In delivering services under this section, a certified
 555.21 provider entity must ensure that:

555.22 (1) ~~each individual provider's caseload size permits the provider to deliver services to~~
 555.23 ~~both clients with severe, complex needs and clients with less intensive needs. the provider's~~
 555.24 ~~caseload size should reasonably enable the provider to play an active role in service planning,~~
 555.25 ~~monitoring, and delivering services to meet the client's and client's family's needs, as specified~~
 555.26 ~~in each client's individual treatment plan;~~

555.27 (2) site-based programs, including day treatment programs, provide staffing and facilities
 555.28 to ensure the client's health, safety, and protection of rights, and that the programs are able
 555.29 to implement each client's individual treatment plan; and

555.30 (3) a day treatment program is provided to a group of clients by a multidisciplinary team
 555.31 under the clinical treatment supervision of a mental health professional. The day treatment

556.1 program must be provided in and by: (i) an outpatient hospital accredited by the Joint
556.2 Commission on Accreditation of Health Organizations and licensed under sections 144.50
556.3 to 144.55; (ii) a community mental health center under section 245.62; or (iii) an entity that
556.4 is certified under subdivision 4 to operate a program that meets the requirements of section
556.5 245.4884, subdivision 2, and Minnesota Rules, parts 9505.0170 to 9505.0475. The day
556.6 treatment program must stabilize the client's mental health status while developing and
556.7 improving the client's independent living and socialization skills. The goal of the day
556.8 treatment program must be to reduce or relieve the effects of mental illness and provide
556.9 training to enable the client to live in the community. The program must be available
556.10 year-round at least three to five days per week, two or three hours per day, unless the normal
556.11 five-day school week is shortened by a holiday, weather-related cancellation, or other
556.12 districtwide reduction in a school week. A child transitioning into or out of day treatment
556.13 must receive a minimum treatment of one day a week for a two-hour time block. The
556.14 two-hour time block must include at least one hour of patient and/or family or group
556.15 psychotherapy. The remainder of the structured treatment program may include patient
556.16 and/or family or group psychotherapy, and individual or group skills training, if included
556.17 in the client's individual treatment plan. Day treatment programs are not part of inpatient
556.18 or residential treatment services. When a day treatment group that meets the minimum group
556.19 size requirement temporarily falls below the minimum group size because of a member's
556.20 temporary absence, medical assistance covers a group session conducted for the group
556.21 members in attendance. A day treatment program may provide fewer than the minimally
556.22 required hours for a particular child during a billing period in which the child is transitioning
556.23 into, or out of, the program.

556.24 (b) To be eligible for medical assistance payment, a provider entity must deliver the
556.25 service components of children's therapeutic services and supports in compliance with the
556.26 following requirements:

556.27 (1) ~~patient and/or family, family, and group psychotherapy must be delivered as specified~~
556.28 ~~in Minnesota Rules, part 9505.0372, subpart 6.~~ psychotherapy to address the child's
556.29 underlying mental health disorder must be documented as part of the child's ongoing
556.30 treatment. A provider must deliver, or arrange for, medically necessary psychotherapy,
556.31 unless the child's parent or caregiver chooses not to receive it. When a provider delivering
556.32 other services to a child under this section deems it not medically necessary to provide
556.33 psychotherapy to the child for a period of 90 days or longer, the provider entity must
556.34 document the medical reasons why psychotherapy is not necessary. When a provider
556.35 determines that a child needs psychotherapy but psychotherapy cannot be delivered due to

557.1 a shortage of licensed mental health professionals in the child's community, the provider
557.2 must document the lack of access in the child's medical record;

557.3 (2) individual, family, or group skills training ~~must be provided by a mental health~~
557.4 ~~professional or a mental health practitioner who is delivering services that fall within the~~
557.5 ~~scope of the provider's practice and is supervised by a mental health professional who~~
557.6 ~~accepts full professional responsibility for the training.~~ Skills training is subject to the
557.7 following requirements:

557.8 (i) a mental health professional, clinical trainee, or mental health practitioner shall provide
557.9 skills training;

557.10 (ii) skills training delivered to a child or the child's family must be targeted to the specific
557.11 deficits or maladaptations of the child's mental health disorder and must be prescribed in
557.12 the child's individual treatment plan;

557.13 (iii) the mental health professional delivering or supervising the delivery of skills training
557.14 must document any underlying psychiatric condition and must document how skills training
557.15 is being used in conjunction with psychotherapy to address the underlying condition;

557.16 (iv) skills training delivered to the child's family must teach skills needed by parents to
557.17 enhance the child's skill development, to help the child utilize daily life skills taught by a
557.18 mental health professional, clinical trainee, or mental health practitioner, and to develop or
557.19 maintain a home environment that supports the child's progressive use of skills;

557.20 (v) group skills training may be provided to multiple recipients who, because of the
557.21 nature of their emotional, behavioral, or social dysfunction, can derive mutual benefit from
557.22 interaction in a group setting, which must be staffed as follows:

557.23 (A) one mental health professional ~~or one~~, clinical trainee, or mental health practitioner
557.24 ~~under supervision of a licensed mental health professional~~ must work with a group of three
557.25 to eight clients; or

557.26 (B) any combination of two mental health professionals, two clinical trainees, or mental
557.27 ~~health practitioners under supervision of a licensed mental health professional, or one mental~~
557.28 ~~health professional or clinical trainee and one mental health practitioner~~ must work with a
557.29 group of nine to 12 clients;

557.30 (vi) a mental health professional, clinical trainee, or mental health practitioner must have
557.31 taught the psychosocial skill before a mental health behavioral aide may practice that skill
557.32 with the client; and

558.1 (vii) for group skills training, when a skills group that meets the minimum group size
558.2 requirement temporarily falls below the minimum group size because of a group member's
558.3 temporary absence, the provider may conduct the session for the group members in
558.4 attendance;

558.5 (3) crisis ~~assistance~~ planning to a child and family must include development of a written
558.6 plan that anticipates the particular factors specific to the child that may precipitate a
558.7 psychiatric crisis for the child in the near future. The written plan must document actions
558.8 that the family should be prepared to take to resolve or stabilize a crisis, such as advance
558.9 arrangements for direct intervention and support services to the child and the child's family.
558.10 Crisis ~~assistance~~ planning must include preparing resources designed to address abrupt or
558.11 substantial changes in the functioning of the child or the child's family when sudden change
558.12 in behavior or a loss of usual coping mechanisms is observed, or the child begins to present
558.13 a danger to self or others;

558.14 (4) mental health behavioral aide services must be medically necessary treatment services,
558.15 identified in the child's individual treatment plan and individual behavior plan, ~~which are~~
558.16 ~~performed minimally by a paraprofessional qualified according to subdivision 7, paragraph~~
558.17 ~~(b), clause (3),~~ and which are designed to improve the functioning of the child in the
558.18 progressive use of developmentally appropriate psychosocial skills. Activities involve
558.19 working directly with the child, child-peer groupings, or child-family groupings to practice,
558.20 repeat, reintroduce, and master the skills defined in subdivision 1, paragraph (t), as previously
558.21 taught by a mental health professional, clinical trainee, or mental health practitioner including:

558.22 (i) providing cues or prompts in skill-building peer-to-peer or parent-child interactions
558.23 so that the child progressively recognizes and responds to the cues independently;

558.24 (ii) performing as a practice partner or role-play partner;

558.25 (iii) reinforcing the child's accomplishments;

558.26 (iv) generalizing skill-building activities in the child's multiple natural settings;

558.27 (v) assigning further practice activities; and

558.28 (vi) intervening as necessary to redirect the child's target behavior and to de-escalate
558.29 behavior that puts the child or other person at risk of injury.

558.30 To be eligible for medical assistance payment, mental health behavioral aide services must
558.31 be delivered to a child who has been diagnosed with an emotional disturbance or a mental
558.32 illness, as provided in subdivision 1, paragraph (a). The mental health behavioral aide must
558.33 implement treatment strategies in the individual treatment plan and the individual behavior

559.1 plan as developed by the mental health professional, clinical trainee, or mental health
 559.2 practitioner providing direction for the mental health behavioral aide. The mental health
 559.3 behavioral aide must document the delivery of services in written progress notes. Progress
 559.4 notes must reflect implementation of the treatment strategies, as performed by the mental
 559.5 health behavioral aide and the child's responses to the treatment strategies; and

559.6 ~~(5) direction of a mental health behavioral aide must include the following:~~

559.7 ~~(i) ongoing face-to-face observation of the mental health behavioral aide delivering~~
 559.8 ~~services to a child by a mental health professional or mental health practitioner for at least~~
 559.9 ~~a total of one hour during every 40 hours of service provided to a child; and~~

559.10 ~~(ii) immediate accessibility of the mental health professional, clinical trainee, or mental~~
 559.11 ~~health practitioner to the mental health behavioral aide during service provision;~~

559.12 ~~(6)~~ (5) mental health service plan development must be performed in consultation with
 559.13 the child's family and, when appropriate, with other key participants in the child's life by
 559.14 the child's treating mental health professional or clinical trainee or by a mental health
 559.15 practitioner and approved by the treating mental health professional. Treatment plan drafting
 559.16 consists of development, review, and revision by face-to-face or electronic communication.
 559.17 The provider must document events, including the time spent with the family and other key
 559.18 participants in the child's life to ~~review, revise, and sign~~ approve the individual treatment
 559.19 plan. ~~Notwithstanding Minnesota Rules, part 9505.0371, subpart 7, Medical assistance~~
 559.20 ~~covers service plan development before completion of the child's individual treatment plan.~~
 559.21 Service plan development is covered only if a treatment plan is completed for the child. If
 559.22 upon review it is determined that a treatment plan was not completed for the child, the
 559.23 commissioner shall recover the payment for the service plan development; and.

559.24 ~~(7) to be eligible for payment, a diagnostic assessment must be complete with regard to~~
 559.25 ~~all required components, including multiple assessment appointments required for an~~
 559.26 ~~extended diagnostic assessment and the written report. Dates of the multiple assessment~~
 559.27 ~~appointments must be noted in the client's clinical record.~~

559.28 Sec. 92. Minnesota Statutes 2020, section 256B.0943, subdivision 11, is amended to read:

 559.30 it provides under this section. The provider entity must ensure that documentation complies
 559.31 with Minnesota Rules, parts 9505.2175 and 9505.2197. Services billed under this section
 559.32 that are not documented according to this subdivision shall be subject to monetary recovery

560.1 by the commissioner. Billing for covered service components under subdivision 2, paragraph
 560.2 (b), must not include anything other than direct service time.

560.3 ~~(b) An individual mental health provider must promptly document the following in a~~
 560.4 ~~client's record after providing services to the client:~~

560.5 ~~(1) each occurrence of the client's mental health service, including the date, type, start~~
 560.6 ~~and stop times, scope of the service as described in the child's individual treatment plan,~~
 560.7 ~~and outcome of the service compared to baselines and objectives;~~

560.8 ~~(2) the name, dated signature, and credentials of the person who delivered the service;~~

560.9 ~~(3) contact made with other persons interested in the client, including representatives~~
 560.10 ~~of the courts, corrections systems, or schools. The provider must document the name and~~
 560.11 ~~date of each contact;~~

560.12 ~~(4) any contact made with the client's other mental health providers, case manager,~~
 560.13 ~~family members, primary caregiver, legal representative, or the reason the provider did not~~
 560.14 ~~contact the client's family members, primary caregiver, or legal representative, if applicable;~~

560.15 ~~(5) required clinical supervision directly related to the identified client's services and~~
 560.16 ~~needs, as appropriate, with co-signatures of the supervisor and supervisee; and~~

560.17 ~~(6) the date when services are discontinued and reasons for discontinuation of services.~~

560.18 Sec. 93. Minnesota Statutes 2020, section 256B.0946, subdivision 1, is amended to read:

560.19 Subdivision 1. **Required covered service components.** (a) ~~Effective May 23, 2013,~~

256B.0944 CHILDREN'S MENTAL HEALTH CRISIS RESPONSE SERVICES.

Subdivision 1. **Definitions.** For purposes of this section, the following terms have the meanings given them.

(a) "Mental health crisis" means a child's behavioral, emotional, or psychiatric situation that, but for the provision of crisis response services to the child, would likely result in significantly reduced levels of functioning in primary activities of daily living, an emergency situation, or the child's placement in a more restrictive setting, including, but not limited to, inpatient hospitalization.

(b) "Mental health emergency" means a child's behavioral, emotional, or psychiatric situation that causes an immediate need for mental health services and is consistent with section 62Q.55. A physician, mental health professional, or crisis mental health practitioner determines a mental health crisis or emergency for medical assistance reimbursement with input from the client and the client's family, if possible.

(c) "Mental health crisis assessment" means an immediate face-to-face assessment by a physician, mental health professional, or mental health practitioner under the clinical supervision of a mental health professional, following a screening that suggests the child may be experiencing a mental health crisis or mental health emergency situation.

(d) "Mental health mobile crisis intervention services" means face-to-face, short-term intensive mental health services initiated during a mental health crisis or mental health emergency. Mental health mobile crisis services must help the recipient cope with immediate stressors, identify and utilize available resources and strengths, and begin to return to the recipient's baseline level of functioning. Mental health mobile services must be provided on site by a mobile crisis intervention team outside of an inpatient hospital setting.

(e) "Mental health crisis stabilization services" means individualized mental health services provided to a recipient following crisis intervention services that are designed to restore the recipient to the recipient's prior functional level. The individual treatment plan recommending mental health crisis stabilization must be completed by the intervention team or by staff after an inpatient or urgent care visit. Mental health crisis stabilization services may be provided in the recipient's home, the home of a family member or friend of the recipient, schools, another community setting, or a short-term supervised, licensed residential program if the service is not included in the facility's cost pool or per diem. Mental health crisis stabilization is not reimbursable when provided as part of a partial hospitalization or day treatment program.

Subd. 2. **Medical assistance coverage.** Medical assistance covers medically necessary children's mental health crisis response services, subject to federal approval, if provided to an eligible recipient under subdivision 3, by a qualified provider entity under subdivision 4 or a qualified individual provider working within the provider's scope of practice, and identified in the recipient's individual crisis treatment plan under subdivision 8.

Subd. 3. **Eligibility.** An eligible recipient is an individual who:

(1) is eligible for medical assistance;

(2) is under age 18 or between the ages of 18 and 21;

(3) is screened as possibly experiencing a mental health crisis or mental health emergency where a mental health crisis assessment is needed;

(4) is assessed as experiencing a mental health crisis or mental health emergency, and mental health mobile crisis intervention or mental health crisis stabilization services are determined to be medically necessary; and

(5) meets the criteria for emotional disturbance or mental illness.

Subd. 4. **Provider entity standards.** (a) A crisis intervention and crisis stabilization provider entity must meet the administrative and clinical standards specified in section 256B.0943, subdivisions 5 and 6, meet the standards listed in paragraph (b), and be:

(3) a provider entity that is under contract with the county board in the county where the potential crisis or emergency is occurring.

(b) The children's mental health crisis response services provider entity must:

(1) ensure that mental health crisis assessment and mobile crisis intervention services are available 24 hours a day, seven days a week;

(2) directly provide the services or, if services are subcontracted, the provider entity must maintain clinical responsibility for services and billing;

(3) ensure that crisis intervention services are provided in a manner consistent with sections 245.487 to 245.4889; and

(4) develop and maintain written policies and procedures regarding service provision that include safety of staff and recipients in high-risk situations.

Subd. 4a. Alternative provider standards. If a provider entity demonstrates that, due to geographic or other barriers, it is not feasible to provide mobile crisis intervention services 24 hours a day, seven days a week, according to the standards in subdivision 4, paragraph (b), clause (1), the commissioner may approve a crisis response provider based on an alternative plan proposed by a provider entity. The alternative plan must:

(1) result in increased access and a reduction in disparities in the availability of crisis services; and

(2) provide mobile services outside of the usual nine-to-five office hours and on weekends and holidays.

Subd. 5. Mobile crisis intervention staff qualifications. (a) To provide children's mental health mobile crisis intervention services, a mobile crisis intervention team must include:

(b) The team must have at least two people with at least one member providing on-site crisis intervention services when needed. Team members must be experienced in mental health assessment, crisis intervention techniques, and clinical decision making under emergency conditions and have knowledge of local services and resources. The team must recommend and coordinate the team's services with appropriate local resources, including the county social services agency, mental health service providers, and local law enforcement, if necessary.

Subd. 6. Initial screening and crisis assessment planning. (a) Before initiating mobile crisis intervention services, a screening of the potential crisis situation must be conducted. The screening may use the resources of crisis assistance and emergency services as defined in sections 245.4871, subdivision 14, and 245.4879, subdivisions 1 and 2. The screening must gather information, determine whether a crisis situation exists, identify the parties involved, and determine an appropriate response.

(b) If a crisis exists, a crisis assessment must be completed. A crisis assessment must evaluate any immediate needs for which emergency services are needed and, as time permits, the recipient's current life situation, sources of stress, mental health problems and symptoms, strengths, cultural considerations, support network, vulnerabilities, and current functioning.

(c) If the crisis assessment determines mobile crisis intervention services are needed, the intervention services must be provided promptly. As the opportunity presents itself during the intervention, at least two members of the mobile crisis intervention team must confer directly or by telephone about the assessment, treatment plan, and actions taken and needed. At least one of the team members must be on site providing crisis intervention services. If providing on-site crisis intervention services, a mental health practitioner must seek clinical supervision as required under subdivision 9.

APPENDIX
Repealed Minnesota Statutes: S0383-1

(d) The mobile crisis intervention team must develop an initial, brief crisis treatment plan as soon as appropriate but no later than 24 hours after the initial face-to-face intervention. The plan must address the needs and problems noted in the crisis assessment and include measurable short-term goals, cultural considerations, and frequency and type of services to be provided to achieve the goals and reduce or eliminate the crisis. The crisis treatment plan must be updated as needed to reflect current goals and services. The team must involve the client and the client's family in developing and implementing the plan.

(e) The team must document in progress notes which short-term goals have been met and when no further crisis intervention services are required.

(f) If the client's crisis is stabilized, but the client needs a referral for mental health crisis stabilization services or to other services, the team must provide a referral to these services. If the recipient has a case manager, planning for other services must be coordinated with the case manager.

Subd. 7. Crisis stabilization services. Unless exempt under subdivision 3a, each adult recipient in the unit must participate in the SNAP employment and training program each month that the person is eligible for SNAP benefits. The person's participation in SNAP employment and training services must begin no later than the first day of the calendar month following the determination of eligibility for SNAP benefits. With the county agency's consent, and to the extent of available resources, the person may voluntarily continue to participate in SNAP employment and training services for up to three additional consecutive months immediately following termination of SNAP benefits in order to complete the provisions of the person's employability development plan.

Subd. 1a. **Notices and sanctions.** (a) At the time the county agency notifies the household that it is eligible for SNAP benefits, the county agency must inform all mandatory employment and training services participants as identified in subdivision 1 in the household that they must comply with all SNAP employment and training program requirements each month, including the requirement to attend an initial orientation to the SNAP employment and training program and that SNAP eligibility will end unless the participants comply with the requirements specified in the notice.

(b) A participant who fails without good cause to comply with SNAP employment and training program requirements of this section, including attendance at orientation, will lose SNAP eligibility for the following periods:

(1) for the first occurrence, for one month or until the person complies with the requirements not previously complied with, whichever is longer;

(2) for the second occurrence, for three months or until the person complies with the requirements not previously complied with, whichever is longer; or

(3) for the third and any subsequent occurrence, for six months or until the person complies with the requirements not previously complied with, whichever is longer.

"Good cause" means circumstances beyond the control of the participant, such as illness or injury, illness or injury of another household member requiring the participant's presence, a household emergency, or the inability to obtain child care for children between the ages of six and 12 or to obtain transportation needed in order for the participant to meet the SNAP employment and training program participation requirements.

(c) The county agency shall mail or hand deliver a notice to the participant not later than five days after determining that the participant has failed without good cause to comply with SNAP employment and training program requirements which specifies the requirements that were not complied with, the factual basis for the determination of noncompliance, and the right to reinstate eligibility upon a showing of good cause for failure to meet the requirements. The notice must ask the reason for the noncompliance and identify the participant's appeal rights. The notice must request that the participant inform the county agency if the participant believes that good cause existed for the failure to comply and must state that the county agency intends to terminate eligibility for SNAP benefits due to failure to comply with SNAP employment and training program requirements.

(d) If the county agency determines that the participant did not comply during the month with all SNAP employment and training program requirements that were in effect, and if the county agency determines that good cause was not present, the county must provide a ten-day notice of termination of SNAP benefits. The amount of SNAP benefits that are withheld from the household and determination of the impact of the sanction on other household members is governed by Code of Federal Regulations, title 7, section 273.7.

Subd. 6c. **Program funding.** Within the limits of available resources, the commissioner shall reimburse the actual costs of county agencies and their employment and training service providers for the provision of SNAP employment and training services, including participant support services, direct program services, and program administrative activities. The cost of services for each county's SNAP employment and training program shall not exceed the annual allocated amount. No more than 15 percent of program funds may be used for administrative activities. The county agency may expend county funds in excess of the limits of this subdivision without state reimbursement.

Program funds shall be allocated based on the county's average number of SNAP eligible cases as compared to the statewide total number of such cases. The average number of cases shall be based on counts of cases as of March 31, June 30, September 30, and December 31 of the previous calendar year. The commissioner may reallocate unexpended money appropriated under this section to those county agencies that demonstrate a need for additional funds.

Subd. 7. **Registrant status.** A registrant under this section is not an employee for the purposes of workers' compensation, unemployment benefits, retirement, or civil service laws, and shall not perform work ordinarily performed by a regular public employee.

(f) The county agency shall limit the maximum monthly number of hours that any participant may work in a work experience placement to a number equal to the amount of the family's monthly SNAP benefit allotment divided by the greater of the federal minimum wage or the applicable state minimum wage.

After a participant has been assigned to a position for nine months, the participant may not continue in that assignment unless the maximum number of hours a participant works is no greater

than the amount of the SNAP benefit divided by the rate of pay for individuals employed in the same or similar occupations by the same employer at the same site.

(g) The participant's employability development plan must include the length of time needed in the work experience program, the need to continue job seeking activities while participating in work experience, and the participant's employment goals.

(h) After each six months of a recipient's participation in a work experience job placement, and at the conclusion of each work experience assignment under this section, the county agency shall reassess and revise, as appropriate, the participant's employability development plan.

(i) A participant has good cause for failure to cooperate with a work experience job placement if, in the judgment of the employment and training service provider, the reason for failure is reasonable and justified. Good cause for purposes of this section is defined in subdivision 1a, paragraph (b).

(j) A recipient who has failed without good cause to participate in or comply with the work experience job placement shall be terminated from participation in work experience job activities. If the recipient is not exempt from mandatory SNAP employment and training program participation under subdivision 3a, the recipient will be assigned to other mandatory program activities. The expenses must directly relate to the legal adoption of the child, must not be incurred in violation of state or federal law, and must not have been reimbursed from other sources or funds.

(b) Children who have special needs but are not citizens or residents of the United States and were either adopted in another country or brought to this country for the purposes of adoption are categorically ineligible for this reimbursement program, except if the child meets the eligibility criteria after the dissolution of the international adoption.

(c) An adoptive parent, in consultation with the responsible child-placing agency, may request reimbursement of nonrecurring adoption expenses by submitting a complete application, according to the requirements and procedures and on forms prescribed by the commissioner.

(d) The commissioner shall determine the child's eligibility for adoption expense reimbursement under title IV-E of the Social Security Act, United States Code, title 42, sections 670 to 676. If determined eligible, the commissioner of human services shall sign the agreement for nonrecurring adoption expense reimbursement, making this a fully executed agreement. To be eligible, the agreement must be fully executed prior to the child's adoption finalization.

Subpart 1. **Purpose.** This part describes the requirements that outpatient mental health services must meet to receive medical assistance reimbursement.

Subp. 2. **Client eligibility for mental health services.** The following requirements apply to mental health services:

A. The provider must use a diagnostic assessment as specified in part 9505.0372 to determine a client's eligibility for mental health services under this part, except:

(1) prior to completion of a client's initial diagnostic assessment, a client is eligible for:

(a) one explanation of findings;

(b) one psychological testing; and

(c) either one individual psychotherapy session, one family psychotherapy session, or one group psychotherapy session; and

(2) for a client who is not currently receiving mental health services covered by medical assistance, a crisis assessment as specified in Minnesota Statutes, section 256B.0624 or 256B.0944, conducted in the past 60 days may be used to allow up to ten sessions of mental health services within a 12-month period.

APPENDIX
Repealed Minnesota Rules: S0383-1

(1) may be used to allow up to ten sessions of mental health services as specified in part 9505.0372 within a 12-month period before a standard or extended diagnostic assessment is required when the client is:

(a) a new client; or

(b) an existing client who has had fewer than ten sessions of psychotherapy in the previous 12 months and is projected to need fewer than ten sessions of psychotherapy in the next 12 months, or who only needs medication management; and

(b) more than ten sessions of mental health services in a 12-month period. If, after completion of ten sessions of mental health services, the mental health professional determines the need for additional sessions, a standard assessment or extended assessment must be completed.

C. For a child, a new standard or extended diagnostic assessment must be completed:

(1) when the child does not meet the criteria for a brief diagnostic assessment;

(2) at least annually following the initial diagnostic assessment, if:

(a) additional services are needed; and

(b) the child does not meet criteria for brief assessment;

(3) when the child's mental health condition has changed markedly since the child's most recent diagnostic assessment; or

(4) when the child's current mental health condition does not meet criteria of the child's current diagnosis.

D. For an adult, a new standard diagnostic assessment or extended diagnostic assessment must be completed:

(1) when the adult does not meet the criteria for a brief diagnostic assessment or an adult diagnostic assessment update;

(2) at least every three years following the initial diagnostic assessment for an adult who receives mental health services;

(3) when the adult's mental health condition has changed markedly since the adult's most recent diagnostic assessment; or

APPENDIX
Repealed Minnesota Rules: S0383-1

as provided in subpart 2, item A, subitem (1), and medication management, the ITP and subsequent revisions of the ITP must be signed by the client before treatment begins. The mental health professional or practitioner shall request the client, or other person authorized by statute to consent to mental health services for the client, to sign the client's ITP or revision of the ITP. In the case of a child, the child's parent, primary caregiver, or other person authorized by statute to consent to mental health services for the child shall be asked to sign the child's ITP and revisions of the ITP. If the client or authorized person refuses to sign the plan or a revision of the plan, the mental health professional or mental health practitioner shall note on the plan the refusal to sign the plan and the reason or reasons for the refusal. A client's individual treatment plan must be:

A. based on the client's current diagnostic assessment;

B. developed by identifying the client's service needs and considering relevant cultural influences to identify planned interventions that contain specific treatment goals and measurable objectives for the client; and

C. reviewed at least once every 90 days, and revised as necessary. Revisions to the initial individual treatment plan do not require a new diagnostic assessment unless the client's mental health status has changed markedly as provided in subpart 2.

Subp. 8. **Documentation.** To obtain medical assistance payment for an outpatient mental health service, a mental health professional or a mental health practitioner must promptly document:

A. in the client's mental health record:

(1) each occurrence of service to the client including the date, type of service, start and stop time, scope of the mental health service, name and title of the person who gave the service, and date of documentation; and

(2) all diagnostic assessments and other assessments, psychological test results, treatment plans, and treatment plan reviews;

B. the provider's contact with persons interested in the client such as representatives of the courts, corrections systems, or schools, or the client's other mental health providers, case manager, family, primary caregiver, legal representative, including the name and date of the contact or, if applicable, the reason the client's family, primary caregiver, or legal representative was not contacted; and

C. dates that treatment begins and ends and reason for the discontinuation of the mental health service.

Subp. 9. **Service coordination.** The provider must coordinate client services as authorized by the client as follows:

A. When a recipient receives mental health services from more than one mental health provider, each provider must coordinate mental health services they provide to the client with other mental health service providers to ensure services are provided in the most efficient manner to achieve maximum benefit for the client.

B. The mental health provider must coordinate mental health care with the client's physical health provider.

Subp. 10. **Telemedicine services.** Mental health services in part 9505.0372 covered as direct face-to-face services may be provided via two-way interactive video if it is medically appropriate to the client's condition and needs. The interactive video equipment and connection must comply with Medicare standards that are in effect at the time of service. The commissioner may specify parameters within which mental health services can be provided via telemedicine.

9505.0372 COVERED SERVICES.

Subpart 1. **Diagnostic assessment.** Medical assistance covers four types of diagnostic assessments when they are provided in accordance with the requirements in this subpart.

A. To be eligible for medical assistance payment, a diagnostic assessment must:

(1) identify a mental health diagnosis and recommended mental health services, which are the factual basis to develop the recipient's mental health services and treatment plan; or

(2) include a finding that the client does not meet the criteria for a mental health disorder.

B. A standard diagnostic assessment must include a face-to-face interview with the client and contain a written evaluation of a client by a mental health professional or practitioner working under clinical supervision as a clinical trainee according to part 9505.0371, subpart 5, item C. The standard diagnostic assessment must be done within the cultural context of the client and must include relevant information about:

(1) the client's current life situation, including the client's:

(a) age;

(b) current living situation, including household membership and housing status;

(c) basic needs status including economic status;

(d) education level and employment status;

(e) significant personal relationships, including the client's evaluation of relationship quality;

(f) strengths and resources, including the extent and quality of social networks;

(g) belief systems;

(h) contextual nonpersonal factors contributing to the client's presenting concerns;

(i) general physical health and relationship to client's culture; and

(j) current medications;

(2) the reason for the assessment, including the client's:

(a) perceptions of the client's condition;

(b) description of symptoms, including reason for referral;

(c) history of mental health treatment, including review of the client's records;

(d) important developmental incidents;

(e) maltreatment, trauma, or abuse issues;

(f) history of alcohol and drug usage and treatment;

(g) health history and family health history, including physical, chemical, and mental health history; and

(h) cultural influences and their impact on the client;

(3) the client's mental status examination;

APPENDIX
Repealed Minnesota Rules: S0383-1

(4) the assessment of client's needs based on the client's baseline measurements, symptoms, behavior, skills, abilities, resources, vulnerabilities, and safety needs;

(5) the screenings used to determine the client's substance use, abuse, or dependency and other standardized screening instruments determined by the commissioner;

(6) assessment methods and use of standardized assessment tools by the provider as determined and periodically updated by the commissioner;

(7) the client's clinical summary, recommendations, and prioritization of needed mental health, ancillary or other services, client and family participation in assessment and service preferences, and referrals to services required by statute or rule; and

(8) the client data that is adequate to support the findings on all axes of the current edition of the Diagnostic and Statistical Manual of Mental Disorders, published by the American Psychiatric Association; and any differential diagnosis.

C. An extended diagnostic assessment must include a face-to-face interview with the client and contain a written evaluation of a client by a mental health professional or practitioner working under clinical supervision as a clinical trainee according to part 9505.0371, subpart 5, item C. The face-to-face interview is conducted over three or more assessment appointments because the client's complex needs necessitate significant additional assessment time. Complex needs are those caused by acuity of psychotic disorder; cognitive or neurocognitive impairment; need to consider past diagnoses and determine their current applicability; co-occurring substance abuse use disorder; or disruptive or changing environments, communication barriers, or cultural considerations as documented in the assessment. For child clients, the appointments may be conducted outside the diagnostician's office for face-to-face consultation and information gathering with family members, doctors, caregivers, teachers, and other providers, with or without the child present, and may involve directly observing the child in various settings that the child frequents such as home, school, or care settings. To complete the diagnostic assessment with adult clients, the appointments may be conducted outside of the diagnostician's office for face-to-face assessment with the adult client. The appointment may involve directly observing the adult client in various settings that the adult frequents, such as home, school, job, service settings, or community settings. The appointments may include face-to-face meetings with the adult client and the client's family members, doctors, caregivers, teachers, social support network members, recovery support resource representatives, and other providers for consultation and information gathering for the diagnostic assessment. The components of an extended diagnostic assessment include the following relevant information:

(1) for children under age 5:

(a) utilization of the DC:0-3R diagnostic system for young children;

(b) an early childhood mental status exam that assesses the client's developmental, social, and emotional functioning and style both within the family and with the examiner and includes:

- i. physical appearance including dysmorphic features;
- ii. reaction to new setting and people and adaptation during evaluation;
- iii. self-regulation, including sensory regulation, unusual behaviors, activity level, attention span, and frustration tolerance;
- iv. physical aspects, including motor function, muscle tone, coordination, tics, abnormal movements, and seizure activity;
- v. vocalization and speech production, including expressive and receptive language;

APPENDIX
Repealed Minnesota Rules: S0383-1

- vi. thought, including fears, nightmares, dissociative states, and hallucinations;
 - vii. affect and mood, including modes of expression, range, responsiveness, duration, and intensity;
 - viii. play, including structure, content, symbolic functioning, and modulation of aggression;
 - ix. cognitive functioning; and
 - x. relatedness to parents, other caregivers, and examiner; and
- (c) other assessment tools as determined and periodically revised by the commissioner;
- (2) for children ages 5 to 18, completion of other assessment standards for children as determined and periodically revised by the commissioner; and
- (3) for adults, completion of other assessment standards for adults as determined and periodically revised by the commissioner.

D. A brief diagnostic assessment must include a face-to-face interview with the client and a written evaluation of the client by a mental health professional or practitioner working under clinical supervision as a clinical trainee according to part 9505.0371, subpart 5, item C. The professional or practitioner must gather initial background information using the components of a standard diagnostic assessment in item B, subitems (1), (2), unit (b), (3), and (5), and draw a provisional clinical hypothesis. The clinical hypothesis may be used to address the client's immediate needs or presenting problem. Treatment sessions conducted under authorization of a brief assessment may be used to gather additional information necessary to complete a standard diagnostic assessment or an extended diagnostic assessment.

E. Adult diagnostic assessment update includes a face-to-face interview with the client, and contains a written evaluation of the client by a mental health professional or practitioner working under clinical supervision as a clinical trainee according to part 9505.0371, subpart 5, item C, who reviews a standard or extended diagnostic assessment. The adult diagnostic assessment update must update the most recent assessment document in writing in the following areas:

- (1) review of the client's life situation, including an interview with the client about the client's current life situation, and a written update of those parts where significant new or changed information exists, and documentation where there has not been significant change;
- (2) review of the client's presenting problems, including an interview with the client about current presenting problems and a written update of those parts where there is significant new or changed information, and note parts where there has not been significant change;
- (3) screenings for substance use, abuse, or dependency and other screenings as determined by the commissioner;
- (4) the client's mental health status examination;
- (5) assessment of client's needs based on the client's baseline measurements, symptoms, behavior, skills, abilities, resources, vulnerabilities, and safety needs;
- (6) the client's clinical summary, recommendations, and prioritization of needed mental health, ancillary, or other services, client and family participation in assessment and service preferences, and referrals to services required by statute or rule; and
- (7) the client's diagnosis on all axes of the current edition of the Diagnostic and Statistical Manual and any differential diagnosis.

Subp. 2. **Neuropsychological assessment.** A neuropsychological assessment must include a face-to-face interview with the client, the interpretation of the test results, and preparation and completion of a report. A client is eligible for a neuropsychological assessment if at least one of the following criteria is met:

B. In the absence of a medically verified brain disorder based on medical history or neurological evaluation, there are cognitive or behavioral symptoms that suggest that the client has an organic condition that cannot be readily attributed to functional psychopathology, or suspected neuropsychological impairment in addition to functional psychopathology. Examples include:

- (1) poor memory or impaired problem solving;
- (2) change in mental status evidenced by lethargy, confusion, or disorientation;
- (3) deterioration in level of functioning;
- (4) marked behavioral or personality change;
- (5) in children or adolescents, significant delays in academic skill acquisition or poor attention relative to peers;
- (6) in children or adolescents, significant plateau in expected development of cognitive, social, emotional, or physical function, relative to peers; and
- (7) in children or adolescents, significant inability to develop expected knowledge, skills, or abilities as required to adapt to new or changing cognitive, social, emotional, or physical demands.

C. If neither criterion in item A nor B is fulfilled, neuropsychological evaluation is not indicated.

D. The neuropsychological assessment must be conducted by a neuropsychologist with competence in the area of neuropsychological assessment as stated to the Minnesota Board of Psychology who:

(1) was awarded a diploma by the American Board of Clinical Neuropsychology, the American Board of Professional Neuropsychology, or the American Board of Pediatric Neuropsychology;

(2) earned a doctoral degree in psychology from an accredited university training program:

(a) completed an internship, or its equivalent, in a clinically relevant area of professional psychology;

(b) completed the equivalent of two full-time years of experience and specialized training, at least one which is at the postdoctoral level, in the study and practices of clinical neuropsychology and related neurosciences supervised by a clinical neuropsychologist; and

(c) holds a current license to practice psychology independently in accordance with Minnesota Statutes, sections 148.88 to 148.98;

(3) is licensed or credentialed by another state's board of psychology examiners in the specialty of neuropsychology using requirements equivalent to requirements specified by one of the boards named in subitem (1); or

(4) was approved by the commissioner as an eligible provider of neuropsychological assessment prior to December 31, 2010.

(1) a significant mental status change that is not a result of a metabolic disorder that has failed to respond to treatment;

(2) in children or adolescents, a significant plateau in expected development of cognitive, social, emotional, or physical function, relative to peers;

(3) in children or adolescents, significant inability to develop expected knowledge, skills, or abilities, as required to adapt to new or changing cognitive, social, physical, or emotional demands; or

(4) a significant behavioral change, memory loss, or suspected neuropsychological impairment in addition to functional psychopathology, or other organic brain injury or one of the following:

(k) exposure to systemic or intrathecal agents or cranial radiation known to be associated with cerebral dysfunction;

(l) systemic medical conditions known to be associated with cerebral dysfunction, including renal disease, hepatic encephalopathy, cardiac anomaly, sickle cell disease, and related hematologic anomalies, and autoimmune disorders such as lupus, erythematosis, or celiac disease;

(m) congenital genetic or metabolic disorders known to be associated with cerebral dysfunction, such as phenylketonuria, craniofacial syndromes, or congenital hydrocephalus;

(n) severe or prolonged nutrition or malabsorption syndromes; or

(o) a condition presenting in a manner making it difficult for a clinician to distinguish between:

i. the neurocognitive effects of a neurogenic syndrome such as dementia or encephalopathy; and

B. Neuropsychological testing must be administered or clinically supervised by a neuropsychologist qualified as defined in subpart 2, item D.

C. Neuropsychological testing is not covered when performed:

Explanation of findings is provided to the client, client's family, and caregivers, or to other providers to help them understand the results of the testing or diagnostic assessment, better understand the client's illness, and provide professional insight needed to carry out a plan of treatment. An explanation of findings is not paid separately when the results of psychological testing or a diagnostic assessment are explained to the client or the client's representative as part of the psychological testing or a diagnostic assessment.

Subp. 6. **Psychotherapy.** Medical assistance covers psychotherapy as conducted by a mental health professional or a mental health practitioner as defined in part 9505.0371, subpart 5, item C, as provided in this subpart.

A. Individual psychotherapy is psychotherapy designed for one client.

B. Family psychotherapy is designed for the client and one or more family members or the client's primary caregiver whose participation is necessary to accomplish the client's treatment goals. Family members or primary caregivers participating in a therapy session do not need to be eligible for medical assistance. For purposes of this subpart, the phrase "whose participation is necessary to accomplish the client's treatment goals" does not include shift or facility staff members at the client's residence. Medical assistance payment for family psychotherapy is limited to face-to-face sessions at which the client is present throughout the family psychotherapy session unless the mental health professional believes

the client's absence from the family psychotherapy session is necessary to carry out the client's individual treatment plan. If the client is excluded, the mental health professional must document the reason for and the length of time of the exclusion. The mental health professional must also document the reason or reasons why a member of the client's family is excluded.

C. Group psychotherapy is appropriate for individuals who because of the nature of their emotional, behavioral, or social dysfunctions can derive mutual benefit from treatment in a group setting. For a group of three to eight persons, one mental health professional or practitioner is required to conduct the group. For a group of nine to 12 persons, a team of at least two mental health professionals or two mental health practitioners or one mental health professional and one mental health practitioner is required to co-conduct the group. Medical assistance payment is limited to a group of no more than 12 persons.

Multiple-family group psychotherapy is clearly directed toward meeting the identified treatment needs of each client as indicated in client's treatment plan. If the client is excluded, the mental health professional or practitioner must document the reason for and the length of the time of the exclusion. The mental health professional or practitioner must document the reasons why a member of the client's family is excluded.

Subp. 7. **Medication management.** The determination or evaluation of the effectiveness of a client's prescribed drug must be carried out by a physician or by an advanced practice registered nurse, as defined in Minnesota Statutes, sections 148.171 to 148.285, who is qualified in psychiatric nursing.

Adult day treatment is an intensive psychotherapeutic treatment. The services must stabilize the client's mental health status, and develop and improve the client's independent living and socialization skills. The goal of adult day treatment is to reduce or relieve the effects of mental illness so that an individual is able to benefit from a lower level of care and to enable the client to live and function more independently in the community. Day treatment services are not a part of inpatient or residential treatment services.

B. To be eligible for medical assistance payment, a day treatment program must:

(1) be reviewed by and approved by the commissioner;

(2) be provided to a group of clients by a multidisciplinary staff under the clinical supervision of a mental health professional;

(6) have a level of care determination that supports the need for the level of intensity and duration of a day treatment program; and

(7) be determined to need day treatment by a mental health professional who must deem the day treatment services medically necessary.

Peer review shall include the examination of clinical services to determine if the treatment provided was effective, necessary, and sufficient and of client records to determine if the recorded information is necessary and sufficient. The system shall ensure review of a randomly selected sample of five percent or six cases, whichever is less, of the annual caseload of each mental health professional by other mental health professional staff. Subp. 3. **Restrictions.** The approval is issued only for the center named in the application and is not transferable or assignable to another center. The approval is issued only for the center location named in the application and is not transferable or assignable to another location. If the commissioner is notified in writing at least 30 days in advance of a change in center location and can determine that compliance with all provisions of Minnesota Statutes, section 245.69, subdivision 2, and parts 9520.0760 to 9520.0870 are maintained, the commissioner shall continue the approval of the center at the new location.

Nonreporting within 15 days of occurrence of a change that results in noncompliance, failure to develop an approved interim procedure within 30 days of the determination of the noncompliance, or nonresolution of the noncompliance within 180 days shall result in the immediate withdrawal of approval status.

Serious violation of policies or procedures, professional association or board sanctioning or loss of licensure for unethical practices, or the conviction of violating a state or federal statute shall be reported in writing by the center to the commissioner within ten days of the substantiation of such behavior. Review of this report and the action taken by the center shall be conducted by the commissioner. Approval shall be withdrawn immediately unless the commissioner determines that: the center acted with all proper haste and thoroughness in investigating the behavior, the center acted with all proper haste and thoroughness in taking appropriate disciplinary and corrective action, and that no member of the governing body was a party to the behavior. Failure to report such behavior within ten days of its substantiation shall result in immediate withdrawal of approval.

Subp. 5. **Compliance reports.** The center may be required to submit written information to the department during the approval period to document that the center has maintained compliance with the rule and center procedures. The center shall allow the commissioner to inspect the center at any time during the approval period, whether or not the site visit has been announced in advance.
