- 7.8 Sec. 2. Minnesota Statutes 2023 Supplement, section 245A.03, subdivision 7, is amended to read:
 - Subd. 7. Licensing moratorium. (a) The commissioner shall not issue an initial license for child foster care licensed under Minnesota Rules, parts 2960.3000 to 2960.3340 which does not include child foster residence settings with residential program certifications for compliance with the Family First Prevention Services Act under section 245A.25, subdivision 1, paragraph (a), or adult foster care licensed under Minnesota Rules, parts 9555.5105 to 9555.6265, under this chapter for a physical location that will not be the primary residence of the license holder for the entire period of licensure. The determination by the commissioner is final and not subject to appeal. Exceptions to the moratorium include:

This exception is available when:
- (i) the person's customized living services are provided in a customized living service setting serving four or fewer people in a single-family home operational on or before June 30, 2021. Operational is defined in section 256B.49, subdivision 28;

- (c) When an adult resident served by the program moves out of a foster home that is not the primary residence of the license holder according to section 256B.49, subdivision 15, paragraph (f), or the adult community residential setting, the county shall immediately inform the Department of Human Services Licensing Division. - (e) A resource need determination process, managed at the state level, using the available data required by section 144A.351, and other data and information shall must be used to determine where the reduced capacity determined under section 256B.493 will be implemented. - (f) At the time of application and reapplication for licensure, the applicant and the license holder that are subject to the moratorium or an exclusion established in paragraph (a) are required to inform the commissioner whether the physical location where the foster care will be provided is or will be the primary residence of the license holder for the entire period of licensure. If the primary residence of the applicant or license holder changes, the applicant or license holder must notify the commissioner immediately. The commissioner shall print on the foster care license certificate whether or not the physical location is the primary residence of the license holder.
- (g) License holders of foster care homes identified under paragraph (f) that are not the primary residence of the license holder and that also provide services in the foster care home that are covered by a federally approved home and community-based services waiver, as authorized under chapter 256S or section 256B.092 or 256B.49, must inform the human

- (h) The commissioner may adjust capacity to address needs identified in section 144A.351. Under this authority, the commissioner may approve new licensed settings or delicense existing settings. Delicensing of settings will be accomplished through a process identified in section 256B.493.
- (i) The commissioner must notify a license holder when its corporate foster care or community residential setting licensed beds are reduced under this section. The notice of reduction of licensed beds must be in writing and delivered to the license holder by certified mail or personal service. The notice must state why the licensed beds are reduced and must inform the license holder of its right to request reconsideration by the commissioner. The license holder's request for reconsideration must be in writing. If mailed, the request for reconsideration must be postmarked and sent to the commissioner within 20 calendar days after the license holder's receipt of the notice of reduction of licensed beds. If a request for reconsideration is made by personal service, it must be received by the commissioner within 20 calendar days after the license holder's receipt of the notice of reduction of licensed beds.

Facilities that serve only private pay clients are exempt from the moratorium described in this paragraph. The commissioner has the authority to manage existing statewide capacity for children's residential treatment services subject to the moratorium under this paragraph and may issue an initial license for such facilities if the initial license would not increase the statewide capacity for children's residential treatment services subject to the moratorium under this paragraph.

court to be of a duration or nature that renders the parent unable, for the reasonably
foreseeable future, to care appropriately for the ongoing physical, mental, or emotional
needs of the child. It is presumed that a parent is palpably unfit to be a party to the parent
and child relationship upon a showing that the parent's parental rights to one or more other
children were involuntarily terminated or that the parent's custodial rights to another child
have been involuntarily transferred to a relative under Minnesota Statutes 2010, section
260C.201, subdivision 11, paragraph (e), clause (1), section 260C.515, subdivision 4, or a
similar law of another jurisdiction;

- (5) (4) that following the child's placement out of the home, reasonable efforts, under the direction of the court, have failed to correct the conditions leading to the child's placement. It is presumed that reasonable efforts under this clause have failed upon a showing that:
- (i) a child has resided out of the parental home under court order for a cumulative period of 12 months within the preceding 22 months. In the case of a child under age eight at the time the petition was filed alleging the child to be in need of protection or services, the presumption arises when the child has resided out of the parental home under court order for six months unless the parent has maintained regular contact with the child and the parent is complying with the out-of-home placement plan;
- 21.19 (ii) the court has approved the out-of-home placement plan required under section 260C.212 and filed with the court under section 260C.178;
 - (iii) conditions leading to the out-of-home placement have not been corrected. It is presumed that conditions leading to a child's out-of-home placement have not been corrected upon a showing that the parent or parents have not substantially complied with the court's orders and a reasonable case plan; and
- 21.25 (iv) reasonable efforts have been made by the social services agency to rehabilitate the parent and reunite the family.
- This clause does not prohibit the termination of parental rights prior to one year, or in the case of a child under age eight, prior to six months after a child has been placed out of the home.
- 21.30 It is also presumed that reasonable efforts have failed under this clause upon a showing that:
- 21.32 (A) the parent has been diagnosed as chemically dependent by a professional certified to make the diagnosis;

22.1	(B) the parent has been required by a case plan to participate in a chemical dependency
22.2	treatment program;
22.3	(C) the treatment programs offered to the parent were culturally, linguistically, and
22.4	clinically appropriate;
22.5	(D) the parent has either failed two or more times to successfully complete a treatment
22.6	program or has refused at two or more separate meetings with a caseworker to participate
22.7	in a treatment program; and
22.8	(E) the parent continues to abuse chemicals.
22.9	(6) (5) that a child has experienced egregious harm in the parent's care which that is of
22.10	a nature, duration, or chronicity that indicates a lack of regard for the child's well-being,
22.11	such that a reasonable person would believe it contrary to the best interest of the child or
22.12	of any child to be in the parent's care;
22.13	(7) (6) that in the case of a child born to a mother who was not married to the child's
22.14	father when the child was conceived nor when the child was born the person is not entitled
22.15	to notice of an adoption hearing under section 259.49 and the person has not registered with
22.16	the fathers' adoption registry under section 259.52;
22.17	(8) (7) that the child is neglected and in foster care; or
22.18	(9) (8) that the parent has been convicted of a crime listed in section 260.012, paragraph
22.19	(g), clauses (1) to (5).
22.20	In an action involving an American Indian child, sections 260.751 to 260.835 and the
22.21	Indian Child Welfare Act, United States Code, title 25, sections 1901 to 1923, control to
22.22	the extent that the provisions of this section are inconsistent with those laws.
22.23	Sec. 15. Minnesota Statutes 2022, section 260C.515, subdivision 4, is amended to read:
22.24	Subd. 4. Transfer of permanent legal and physical custody to relative. (a) The court

for purposes of ensuring appropriate services are delivered to the child and permanent legal custodian for the purpose of ensuring conditions ordered by the court related to the care and custody of the child are met.

- Sec. 16. Minnesota Statutes 2022, section 260C.607, subdivision 1, is amended to read:
- Subdivision 1. Review hearings. (a) The court shall conduct a review of the responsible social services agency's reasonable efforts to finalize adoption for any child under the guardianship of the commissioner and of the progress of the case toward adoption at least every 90 days after the court issues an order that the commissioner is the guardian of the child.
- (b) The review of progress toward adoption shall continue notwithstanding that an appeal is made of the order for guardianship or termination of parental rights.
- (c) The agency's reasonable efforts to finalize the adoption must continue during the pendency of the appeal under paragraph (b) or subdivision 6, paragraph (h), and all progress toward adoption shall continue except that the court may not finalize an adoption while the appeal is pending.
- Sec. 17. Minnesota Statutes 2022, section 260C.607, subdivision 6, is amended to read:
- Subd. 6. Motion and hearing to order adoptive placement. (a) At any time after the district court orders the child under the guardianship of the commissioner of human services, but not later than 30 days after receiving notice required under section 260C.613, subdivision 1, paragraph (c), that the agency has made an adoptive placement, a relative or the child's foster parent may file a motion for an order for adoptive placement of a child who is under the guardianship of the commissioner if the relative or the child's foster parent:
- (1) has an adoption home study under section 259.41 or 260C.611 approving the relative or foster parent for adoption. If the relative or foster parent does not have an adoption home study, an affidavit attesting to efforts to complete an adoption home study may be filed with the motion instead. The affidavit must be signed by the relative or foster parent and the responsible social services agency or licensed child-placing agency completing the adoption home study. The relative or foster parent must also have been a resident of Minnesota for at least six months before filing the motion; the court may waive the residency requirement for the moving party if there is a reasonable basis to do so; or

residence and the study is filed with the motion for adoptive placement. If the relative or foster parent does not have an adoption home study in the relative or foster parent's state of residence, an affidavit attesting to efforts to complete an adoption home study may be filed with the motion instead. The affidavit must be signed by the relative or foster parent and the agency completing the adoption home study.

- (b) The motion shall must be filed with the court conducting reviews of the child's progress toward adoption under this section. The motion and supporting documents must make a prima facie showing that the agency has been unreasonable in failing to make the requested adoptive placement. The motion must be served according to the requirements for motions under the Minnesota Rules of Juvenile Protection Procedure and shall must be made on all individuals and entities listed in subdivision 2.
- (c) If the motion and supporting documents do not make a prima facie showing for the court to determine whether the agency has been unreasonable in failing to make the requested adoptive placement, the court shall dismiss the motion. If the court determines a prima facie basis is made, the court shall set the matter for evidentiary hearing.
- (d) At the evidentiary hearing, the responsible social services agency shall proceed first with evidence about the reason for not making the adoptive placement proposed by the moving party. When the agency presents evidence regarding the child's current relationship with the identified adoptive placement resource, the court must consider the agency's efforts to support the child's relationship with the moving party consistent with section 260C.221. The moving party then has the burden of proving by a preponderance of the evidence that the agency has been unreasonable in failing to make the adoptive placement.
- (e) The court shall review and enter findings regarding whether the agency, in making an adoptive placement decision for the child:
- (1) considered relatives for adoptive placement in the order specified under section 260C.212, subdivision 2, paragraph (a); and
- (2) assessed how the identified adoptive placement resource and the moving party are each able to meet the child's current and future needs, based on an individualized determination of the child's needs, as required under sections 260C.212, subdivision 2, and 260C.613, subdivision 1, paragraph (b).
- (f) At the conclusion of the evidentiary hearing, if the court finds that the agency has been unreasonable in failing to make the adoptive placement and that the moving party is the most suitable adoptive home to meet the child's needs using the factors in section 260C.212, subdivision 2, paragraph (b), the court may:

- (2) order the responsible social services agency to place the child in the home of the moving party upon approval of an adoption home study. The agency must promote and support the child's ongoing visitation and contact with the moving party until the child is placed in the moving party's home. The agency must provide an update to the court after 90 days, including progress and any barriers encountered. If the moving party does not have an approved adoption home study within 180 days, the moving party and the agency must inform the court of any barriers to obtaining the approved adoption home study during a review hearing under this section. If the court finds that the moving party is unable to obtain an approved adoption home study, the court must dismiss the order for adoptive placement under this subdivision and order the agency to continue making reasonable efforts to finalize the adoption of the child as required under section 260C.605.
- (g) If, in order to ensure that a timely adoption may occur, the court orders the responsible social services agency to make an adoptive placement under this subdivision, the agency shall:
- (1) make reasonable efforts to obtain a fully executed adoption placement agreement, including assisting the moving party with the adoption home study process;
- (2) work with the moving party regarding eligibility for adoption assistance as required under chapter 256N; and
- (3) if the moving party is not a resident of Minnesota, timely refer the matter for approval of the adoptive placement through the Interstate Compact on the Placement of Children.
- (h) Denial or granting of a motion for an order for adoptive placement after an evidentiary hearing is an order which that may be appealed by the responsible social services agency, the moving party, the child, when age ten or over, the child's guardian ad litem, and any individual who had a fully executed adoption placement agreement regarding the child at the time the motion was filed if the court's order has the effect of terminating the adoption placement agreement. An appeal shall must be conducted according to the requirements of the Rules of Juvenile Protection Procedure. Pursuant to subdivision 1, paragraph (c), the court shall not finalize an adoption while an appeal is pending.
