13.15 services being provided to the client.

13.16 (f) A licensed music therapist shall evaluate on an ongoing basis the client's response
13.17 to music therapy and to the music therapy treatment plan, document the client's progress,
13.18 and make modifications to the plan, as appropriate. A licensed music therapist shall determine
13.19 when music therapy services are no longer needed in collaboration with the client, the client's
13.20 health care provider or providers, family members of the client, and other appropriate
13.21 individuals upon whom the client relies for support.

13.22 (g) A licensed music therapist shall collaborate with and educate the client and the client's
13.23 family, caregiver, and any other appropriate individual regarding the needs of the client
13.24 being addressed in music therapy and the manner in which the music therapy treatment
13.25 addresses those needs. A licensed music therapist shall minimize any barriers to ensure that
13.26 the client receives music therapy services in the least restrictive environment.

13.27 **EFFECTIVE DATE.** This section is effective July 1, 2024.

13.28 Sec. 15. **[148G.14] REVIEW OF CLIENT DOCUMENTATION; COLLABORATION**

13.30 Subdivision 1. **Review of diagnosis, treatment, and educational plans.** Before a
13.31 licensed professional music therapist provides music therapy services to a client for an
13.32 identified clinical or developmental need, the music therapist shall review the client's
13.33 diagnosis, treatment needs, and treatment plan with any care or support team involved in

14.1 the client's care. Before a licensed professional music therapist provides music therapy
14.2 services to a client for an identified educational need in a special education setting, the
14.3 music therapist shall review the student's diagnosis, treatment needs, and any treatment plan
14.4 with the individualized family care team or individualized education program team.

14.5 Subd. 2. **Collaboration with treatment team.** During the provision of music therapy

14.13 pathologist before a licensed professional music therapist is permitted to work with the
14.14 client and address communication skills.

14.15 (b) When providing educational or health care services, a licensed professional music
14.16 therapist may not replace the services provided by an audiologist or a speech-language
14.17 pathologist. Unless authorized to practice speech-language pathology, licensed professional
14.18 music therapists must not evaluate, examine, instruct, or counsel on speech, language,
14.19 communication, or swallowing disorders and conditions.

14.20 (c) An individual licensed as a licensed professional music therapist must not represent
14.21 to the public that the individual is authorized to treat a communication disorder. This does
14.22 not prohibit an individual licensed as a professional music therapist from representing to
14.23 the public that the individual may work with clients who have a communication disorder
14.24 and address communication skills.

14.25 **EFFECTIVE DATE.** This section is effective July 1, 2024.
