20.30 "cost-effective" means community services and living arrangements that cost the same as  
20.31 or less than institutional care or corporate foster care. For an individual found to meet  
20.32 eligibility criteria for home and community-based service programs under section 256B.0915

22.14 or there is not a change in the person's needs for services. Service updates must be completed  
22.15 face-to-face annually unless completed by phone. A service update may be completed by

22.24 reassessment otherwise required under this chapter following a change in condition or a  
22.25 change in eligibility.

22.26 (d) A service update or service modification must be documented in a manner determined  
22.27 by the commissioner.

23.7 reassessment must be reassessed annually.

23.8 (c) If an annual reassessment is not required under federal law for a person who received  
23.9 an initial assessment under subdivision 3a, lead agencies are not required to perform an  
23.10 annual reassessment unless the person or the person's legal representative requests an annual  
23.11 reassessment or the person has experienced a significant change in condition.

 24.4 or the case manager must present information about home and community-based options,  
 24.5 including consumer-directed options, so the individual can make informed choices. If the  
 24.6 individual chooses home and community-based services, the long-term care consultation  
 24.7 team member or case manager must complete a written relocation plan within 20 working  
 24.8 days of the visit. The plan shall describe the services needed to move out of the facility and

 24.20 an annual service update under subdivision 3f.

24.21 (j) Notwithstanding the provisions of subdivision 6, the commissioner may pay county

25.6 access to needed waiver and other state plan services and assist individuals in appeals under  
25.7 section 256.045, as well as needed medical, social, educational, and other services regardless  
25.8 of the funding source for the services to which access is gained. Case managers shall  
25.9 collaborate with consumers, families, legal representatives, and relevant medical experts

25.13 activities of the case management function. The case aide may not assume responsibilities

25.16 (d) Case managers shall be responsible for ongoing monitoring of the provision of  
25.17 services included in the individual's plan of care. Case managers shall initiate the process

26.15 receive an initial assessment of strengths, informal supports, and need for services in

26.16 accordance with section 256B.0911, subdivisions 3, 3a, and 3b. A reassessment ~~of a client~~

26.17 ~~served~~ under the elderly waiver must be conducted ~~at least every 12 months and at other~~

26.18 ~~times~~ according to section 256B.0911, subdivision 3g, when the case manager determines

26.19 that there has been significant change in the client's functioning or at the request of the client

26.27 (b) Regardless of other assessments identified in section 144.0724, subdivision 4, as

26.28 appropriate to determine nursing facility level of care for purposes of medical assistance

26.29 payment for nursing facility services, only face-to-face initial assessments conducted

26.30 according to section 256B.0911, subdivisions 3a and 3b, that result in a nursing facility

26.31 level of care determination will be accepted for purposes of initial ~~and ongoing~~ access to

26.32 waiver service payment. Only reassessments conducted according to section 256B.0911,

26.33 subdivision 3g, that result in a nursing facility level of need determination or annual service

27.1 updates conducted according to section 256B.0911, subdivision 3f, that demonstrate no  
27.2 improvement in the client's condition shall be accepted for the purposes of ongoing access  
27.3 to waiver service payments.

27.4 Sec. 17. Minnesota Statutes 2016, section 256B.49, subdivision 15, is amended to read:

27.5 Subd. 15. **Coordinated service and support plan; comprehensive transitional service**  
27.6 **plan; maintenance service plan.** (a) Each recipient of home and community-based waived  
27.7 services shall be provided a copy of the written coordinated service and support plan which  
27.8 meets the requirements in section 256B.092, subdivision 1b.

27.9 (b) In developing the comprehensive transitional service plan, the individual receiving  
27.10 services, the case manager, and the guardian, if applicable, will identify the transitional  
27.11 service plan fundamental service outcome and anticipated timeline to achieve this outcome.  
27.12 Within the first 20 days following a recipient's request for an assessment or reassessment,  
27.13 the transitional service planning team must be identified. A team leader must be identified  
27.14 who will be responsible for assigning responsibility and communicating with team members  
27.15 to ensure implementation of the transition plan and ongoing assessment and communication  
27.16 process. The team leader should be an individual, such as the case manager or guardian,  
27.17 who has the opportunity to follow the recipient to the next level of service.

27.18 Within ten days following an assessment, a comprehensive transitional service plan must  
27.19 be developed incorporating elements of a comprehensive functional assessment and including  
27.20 short-term measurable outcomes and timelines for achievement of and reporting on these  
27.21 outcomes. Functional milestones must also be identified and reported according to the  
27.22 timelines agreed upon by the transitional service planning team. In addition, the  
27.23 comprehensive transitional service plan must identify additional supports that may assist  
27.24 in the achievement of the fundamental service outcome such as the development of greater  
27.25 natural community support, increased collaboration among agencies, and technological  
27.26 supports.

27.27 The timelines for reporting on functional milestones will prompt a reassessment of  
27.28 services provided, the units of services, rates, and appropriate service providers. It is the  
27.29 responsibility of the transitional service planning team leader to review functional milestone  
27.30 reporting to determine if the milestones are consistent with observable skills and that  
27.31 milestone achievement prompts any needed changes to the comprehensive transitional  
27.32 service plan.

27.33 For those whose fundamental transitional service outcome involves the need to procure  
27.34 housing, a plan for the recipient to seek the resources necessary to secure the least restrictive

28.1 housing possible should be incorporated into the plan, including employment and public  
28.2 supports such as housing access and shelter needy funding.

28.3 (c) Counties and other agencies responsible for funding community placement and  
28.4 ongoing community supportive services are responsible for the implementation of the  
28.5 comprehensive transitional service plans. Oversight responsibilities include both ensuring  
28.6 effective transitional service delivery and efficient utilization of funding resources.

28.7 (d) Following one year of transitional services, the transitional services planning team  
28.8 will make a determination as to whether or not the individual receiving services requires  
28.9 the current level of continuous and consistent support in order to maintain the recipient's  
28.10 current level of functioning. Recipients who are determined to have not had a significant  
28.11 change in functioning for 12 months must move from a transitional to a maintenance service  
28.12 plan. Recipients on a maintenance service plan must be reassessed to determine if the  
28.13 recipient would benefit from a transitional service plan ~~at least every 12 months and at other~~  
28.14 ~~times~~ when there has been a significant change in the recipient's functioning or at the request  
28.15 of the recipient or the recipient's guardian. This assessment should consider any changes to  
28.16 technological or natural community supports.

28.17 (e) When a county is evaluating denials, reductions, or terminations of home and  
28.18 community-based services under this section for an individual, the case manager shall offer

28.21 service plan, or maintenance service plan. The reduction in the authorized services for an  
28.22 individual due to changes in funding for waived services may not exceed the amount  
28.23 needed to ensure medically necessary services to meet the individual's health, safety, and  
28.24 welfare.

28.27 residing in a licensed adult foster home that is not the primary residence of the license  
28.28 holder, or in which the license holder is not the primary caregiver, to determine if that  
28.29 recipient could appropriately be served in a community-living setting. If appropriate for the  
28.30 recipient, the case manager shall offer the recipient, through a person-centered planning  
28.31 process, the option to receive alternative housing and service options. In the event that the  
28.32 recipient chooses to transfer from the adult foster home, the vacated bed shall not be filled  
28.33 with another recipient of waiver services and group residential housing and the licensed  
28.34 capacity shall be reduced accordingly, unless the savings required by the licensed bed closure  
28.35 reductions under Laws 2011, First Special Session chapter 9, article 7, sections 1 and 40,

29.1 paragraph (f), for foster care settings where the physical location is not the primary residence  
29.2 of the license holder are met through voluntary changes described in section 245A.03,  
29.3 subdivision 7, paragraph (e), or as provided under paragraph (a), clauses (3) and (4). If the  
29.4 adult foster home becomes no longer viable due to these transfers, the county agency, with  
29.5 the assistance of the department, shall facilitate a consolidation of settings or closure. This  
29.6 reassessment process shall be completed by July 1, 2013.

30.19 (d) The commissioner shall review all changes to rates that were in effect on December  
30.20 1, 2013, to verify that the rates in effect produce the equivalent level of spending and service

30.22 (e) By December 31, 2014, the commissioner shall complete the review in paragraph

43.5 and individual direct staff hours provided through monitoring technology that was excluded  
43.6 in clause (7);

 52.24 commissioner shall assure aggregate budget neutrality across all service areas by adjusting  
 52.25 the budget neutrality factor in paragraph (a) in each subdivision so that total estimated

 52.27 rates in effect on July 1, 2013.

52.28 (c) A service rate developed using values in subdivision 5, paragraph (a), clause (10),

68.31 (b);

69.1 (3) new foster care licenses or community residential setting licenses determined to be  
69.2 needed by the commissioner under paragraph (b) for the closure of a nursing facility, ICF/DD,  
69.3 or regional treatment center; restructuring of state-operated services that limits the capacity  
69.4 of state-operated facilities; or allowing movement to the community for people who no  
69.5 longer require the level of care provided in state-operated facilities as provided under section  
69.6 256B.092, subdivision 13, or 256B.49, subdivision 24;

69.7 (4) new foster care licenses or community residential setting licenses determined to be  
69.8 needed by the commissioner under paragraph (b) for persons requiring hospital level care;  
69.9 ~~or~~

69.10 (5) new foster care licenses or community residential setting licenses determined to be  
69.11 needed by the commissioner for the transition of people from personal care assistance to  
69.12 the home and community-based services. When approving an exception under this paragraph,  
69.13 the commissioner shall consider the resource need determination process in paragraph (h),  
69.14 the availability of foster care licensed beds in the geographic area in which the licensee  
69.15 seeks to operate, the results of a person's choices during their annual assessment and service  
69.16 plan review, and the recommendation of the local county board. The determination by the  
69.17 commissioner is final and not subject to appeal;

69.18 (6) new foster care licenses or community residential setting licenses determined to be  
69.19 needed by the commissioner for the transition of people from the residential care waiver  
69.20 services to foster care services. This exception applies only when:

69.21 (i) the person's case manager provided the person with information about the choice of  
69.22 service, service provider, and location of service to help the person make an informed choice;  
69.23 and

69.24 (ii) the person's foster care services are less than or equal to the cost of the person's  
69.25 services delivered in the residential care waiver service setting as determined by the lead  
69.26 agency; or

69.27 (7) new foster care licenses or community residential setting licenses for people receiving  
69.28 services under chapter 245D and residing in an unlicensed setting before May 1, 2017, and  
69.29 for which a license is required. This exception does not apply to people living in their own  
69.30 home. For purposes of this clause, there is a presumption that a foster care or community  
69.31 residential setting license is required for services provided to three or more people in a  
69.32 dwelling unit when the setting is controlled by the provider. A license holder subject to this  
69.33 exception may rebut the presumption that a license is required by seeking a reconsideration  
69.34 of the commissioner's determination. The commissioner's disposition of a request for

70.1 reconsideration is final and not subject to appeal under chapter 14. The exception is available  
70.2 until June 30, 2018. This exception is available when:

70.3 (i) the person's case manager provided the person with information about the choice of  
70.4 service, service provider, and location of service, including in the person's home, to help  
70.5 the person make an informed choice; and

70.6 (ii) the person's services provided in the licensed foster care or community residential  
70.7 setting are less than or equal to the cost of the person's services delivered in the unlicensed  
70.8 setting as determined by the lead agency.

70.9 (b) The commissioner shall determine the need for newly licensed foster care homes or  
70.10 community residential settings as defined under this subdivision. As part of the determination,  
70.11 the commissioner shall consider the availability of foster care capacity in the area in which  
70.12 the licensee seeks to operate, and the recommendation of the local county board. The  
70.13 determination by the commissioner must be final. A determination of need is not required  
70.14 for a change in ownership at the same address.

70.15 (c) When an adult resident served by the program moves out of a foster home that is not  
70.16 the primary residence of the license holder according to section 256B.49, subdivision 15,  
70.17 paragraph (f), or the adult community residential setting, the county shall immediately  
70.18 inform the Department of Human Services Licensing Division. The department ~~shall~~ may  
70.19 decrease the statewide licensed capacity for adult foster care settings ~~where the physical~~  
70.20 ~~location is not the primary residence of the license holder, or for adult community residential~~  
70.21 ~~settings, if the voluntary changes described in paragraph (e) are not sufficient to meet the~~  
70.22 ~~savings required by reductions in licensed bed capacity under Laws 2011, First Special~~  
70.23 ~~Session chapter 9, article 7, sections 1 and 40, paragraph (f), and maintain statewide long-term~~  
70.24 ~~care residential services capacity within budgetary limits. Implementation of the statewide~~  
70.25 ~~licensed capacity reduction shall begin on July 1, 2013. The commissioner shall delicense~~  
70.26 ~~up to 128 beds by June 30, 2014, using the needs determination process. Prior to any~~  
70.27 ~~involuntary reduction of licensed capacity, the commissioner shall consult with lead agencies~~  
70.28 ~~and license holders to determine which adult foster care settings, where the physical location~~  
70.29 ~~is not the primary residence of the license holder, or community residential settings, are~~  
70.30 ~~licensed for up to five beds, but have operated at less than full capacity for 12 or more~~  
70.31 ~~months as of March 1, 2014. The settings that meet these criteria must be the first to be~~  
70.32 ~~considered for an involuntary decrease in statewide licensed capacity, up to a maximum of~~  
70.33 ~~35 beds. If more than 35 beds are identified that meet these criteria, the commissioner shall~~  
70.34 ~~prioritize the selection of those beds to be closed based on the length of time the beds have~~  
70.35 ~~been vacant. The longer a bed has been vacant, the higher priority it must be given for~~

71.1 ~~closure. Under this paragraph, the commissioner has the authority to reduce unused licensed~~  
 71.2 ~~capacity of a current foster care program, or the community residential settings, to accomplish~~  
 71.3 ~~the consolidation or closure of settings. Under this paragraph, the commissioner has the~~  
 71.4 ~~authority to manage statewide capacity, including adjusting the capacity available to each~~  
 71.5 ~~county and adjusting statewide available capacity, to meet the statewide needs identified~~  
 71.6 ~~through the process in paragraph (e). A decreased licensed capacity according to this~~  
 71.7 ~~paragraph is not subject to appeal under this chapter.~~

71.8 (d) Residential settings that would otherwise be subject to the decreased license capacity  
 71.9 established in paragraph (c) shall be exempt if the license holder's beds are occupied by  
 71.10 residents whose primary diagnosis is mental illness and the license holder is certified under  
 71.11 the requirements in subdivision 6a or section 245D.33.

71.12 (e) A resource need determination process, managed at the state level, using the available  
 71.13 reports required by section 144A.351, and other data and information shall be used to  
 71.14 determine where the reduced capacity ~~required~~ determined under ~~paragraph (e)~~ section  
 71.15 256B.493 will be implemented. The commissioner shall consult with the stakeholders  
 71.16 described in section 144A.351, and employ a variety of methods to improve the state's  
 71.17 capacity to meet the informed decisions of those people who want to move out of corporate  
 71.18 foster care or community residential settings, long-term ~~care~~ service needs within budgetary  
 71.19 limits, including seeking proposals from service providers or lead agencies to change service  
 71.20 type, capacity, or location to improve services, increase the independence of residents, and  
 71.21 better meet needs identified by the long-term ~~care~~ services and supports reports and statewide  
 71.22 data and information. By February 1, 2013, and August 1, 2014, and each following year,  
 71.23 the commissioner shall provide information and data and targets on ~~the overall~~ capacity of  
 71.24 licensed long-term ~~care~~ services and supports, actions taken under this subdivision to manage  
 71.25 statewide long-term ~~care~~ services and supports resources, and any recommendations for  
 71.26 change to the legislative committees with jurisdiction over health and human services budget.

71.27 (f) At the time of application and reapplication for licensure, the applicant and the license  
 71.28 holder that are subject to the moratorium or an exclusion established in paragraph (a) are  
 71.29 required to inform the commissioner whether the physical location where the foster care  
 71.30 will be provided is or will be the primary residence of the license holder for the entire period  
 71.31 of licensure. If the primary residence of the applicant or license holder changes, the applicant  
 71.32 or license holder must notify the commissioner immediately. The commissioner shall print  
 71.33 on the foster care license certificate whether or not the physical location is the primary  
 71.34 residence of the license holder.

72.1 (g) License holders of foster care homes identified under paragraph (f) that are not the  
72.2 primary residence of the license holder and that also provide services in the foster care home  
72.3 that are covered by a federally approved home and community-based services waiver, as  
72.4 authorized under section 256B.0915, 256B.092, or 256B.49, must inform the human services  
72.5 licensing division that the license holder provides or intends to provide these waiver-funded  
72.6 services.

72.7 (h) The commissioner may adjust capacity to address needs identified in section  
72.8 144A.351. Under this authority, the commissioner may approve new licensed settings or  
72.9 delicense exiting settings. Delicensing of settings will be accomplished through a process  
72.10 identified in section 256B.493. Annually, by August 1, the commissioner shall provide  
72.11 information and data on capacity of licensed long-term services and supports, actions taken  
72.12 under the subdivision to manage statewide long-term services and supports resources, and  
72.13 any recommendations for change to the legislative committees with jurisdiction over the  
72.14 health and human services budget.

72.15 (i) The commissioner must notify a license holder when its corporate foster care or  
72.16 community residential setting licensed beds are reduced under this section. The notice of  
72.17 reduction of licensed beds must be in writing and delivered to the license holder by certified  
72.18 mail or personal service. The notice must state why the licensed beds are reduced and must  
72.19 inform the license holder of its right to request reconsideration by the commissioner. The  
72.20 license holder's request for reconsideration must be in writing. If mailed, the request for  
72.21 reconsideration must be postmarked and sent to the commissioner within 20 calendar days  
72.22 after the license holder's receipt of the notice of reduction of licensed beds. If a request for  
72.23 reconsideration is made by personal service, it must be received by the commissioner within  
72.24 20 calendar days after the license holder's receipt of the notice of reduction of licensed beds.

72.25 (j) The commissioner shall not issue an initial license for children's residential treatment  
72.26 services licensed under Minnesota Rules, parts 2960.0580 to 2960.0700, under this chapter  
72.27 for a program that Centers for Medicare and Medicaid Services would consider an institution  
72.28 for mental diseases.

72.29 Sec. 4. Minnesota Statutes 2016, section 245A.04, subdivision 14, is amended to read:

72.30 Subd. 14. **Policies and procedures for program administration required and**  
72.31 **enforceable.** (a) The license holder shall develop program policies and procedures necessary  
72.32 to maintain compliance with licensing requirements under Minnesota Statutes and Minnesota  
72.33 Rules.

72.34 (b) The license holder shall:

73.1 (1) provide training to program staff related to their duties in implementing the program's  
73.2 policies and procedures developed under paragraph (a);

73.3 (2) document the provision of this training; and

73.4 (3) monitor implementation of policies and procedures by program staff.

73.5 (c) The license holder shall keep program policies and procedures readily accessible to  
73.6 staff and index the policies and procedures with a table of contents or another method  
73.7 approved by the commissioner.

73.8 (d) An adult foster care license holder that provides foster care services to a resident  
73.9 under section 256B.0915 must annually provide a copy of the resident termination policy  
73.10 under section 245A.11, subdivision 11, to a resident covered by the policy.

73.11 Sec. 5. Minnesota Statutes 2016, section 245A.11, is amended by adding a subdivision to  
73.12 read:

73.13 Subd. 9. **Adult foster care bedrooms.** (a) A resident receiving services must have a  
73.14 choice of roommate. Each roommate must consent in writing to sharing a bedroom with  
73.15 one another. The license holder is responsible for notifying a resident of the resident's right  
73.16 to request a change of roommate.

73.17 (b) The license holder must provide a lock for each resident's bedroom door, unless  
73.18 otherwise indicated for the resident's health, safety, or well-being. A restriction on the use  
73.19 of the lock must be documented and justified in the resident's individual abuse prevention  
73.20 plan required by sections 245A.65, subdivision 2, paragraph (b), and 626.557, subdivision  
73.21 14. For a resident served under section 256B.0915, the case manager must be part of the  
73.22 interdisciplinary team under section 245A.65, subdivision 2, paragraph (b).

73.23 **EFFECTIVE DATE.** This section is effective the day following final enactment.

73.24 Sec. 6. Minnesota Statutes 2016, section 245A.11, is amended by adding a subdivision to  
73.25 read:

73.26 Subd. 10. **Adult foster care resident rights.** (a) The license holder shall ensure that a  
73.27 resident and a resident's legal representative are given, at admission:

73.29 (2) a written summary of the Vulnerable Adults Protection Act prepared by the  
73.30 department; and

74.3 (b) Adult foster care resident rights include the right to:

74.9 come and go from the residence at will;

74.10 (4) have privacy for visits with the resident's spouse, next of kin, legal counsel, religious  
74.11 adviser, or others, according to section 363A.09 of the Human Rights Act, including privacy  
74.12 in the resident's bedroom;

74.13 (5) keep, use, and access the resident's personal clothing and possessions as space permits,  
74.14 unless this right infringes on the health, safety, or rights of another resident or household  
74.15 member, including the right to access the resident's personal possessions at any time;

74.16 (6) choose the resident's visitors and time of visits and participate in activities of

74.20 of the adult foster home, the residents have the right to share a bedroom and bed;

74.22 resident's privacy must be respected by license holders, caregivers, household members,

74.24 consent before entering, except in an emergency;

74.25 (9) furnish and decorate the resident's bedroom or living unit;

75.15 (c) A restriction of a resident's rights under paragraph (b), clauses (1) to (4), (6), (8),  
 75.16 (10), and (11), is allowed only if determined necessary to ensure the health, safety, and  
 75.17 well-being of the resident. Any restriction of a resident's right must be documented and  
 75.18 justified in the resident's individual abuse prevention plan required by sections 245A.65,

 75.20 256B.0915, the case manager must be part of the interdisciplinary team under section

76.1 (c) The license holder must allow a resident to remain in the program and cannot terminate  
76.2 services unless:

76.8 (3) the health, safety, and well-being of the resident or another resident in the program  
76.9 would otherwise be endangered;

76.12 (6) the resident was terminated by the lead agency from waiver eligibility.

76.13 (d) Before giving notice of service termination, the license holder must document the

 77.6 terminating a resident's service.

77.7 (h) After the resident receives the notice of service termination and before the services  
 77.8 are terminated, the license holder must:

77.9 (1) work with the support team or expanded support team to develop reasonable  
 77.10 alternatives to support continuity of care and to protect the resident;

77.11 (2) provide information requested by the resident or case manager; and

77.12 (3) maintain information about the service termination, including the written notice of  
 77.13 service termination, in the resident's record.

79.13 (c) Restriction of a person's rights under paragraph (a), clauses (13) to ~~(15)~~ (16), or  
 79.14 paragraph (b) is allowed only if determined necessary to ensure the health, safety, and  
 79.15 well-being of the person. Any restriction of those rights must be documented in the person's  
 79.16 coordinated service and support plan or coordinated service and support plan addendum.  
 79.17 The restriction must be implemented in the least restrictive alternative manner necessary  
 79.18 to protect the person and provide support to reduce or eliminate the need for the restriction  
 79.19 in the most integrated setting and inclusive manner. The documentation must include the  
 79.20 following information:

79.21 (1) the justification for the restriction based on an assessment of the person's vulnerability  
 79.22 related to exercising the right without restriction;

79.23 (2) the objective measures set as conditions for ending the restriction;

79.24 (3) a schedule for reviewing the need for the restriction based on the conditions for  
 79.25 ending the restriction to occur semiannually from the date of initial approval, at a minimum,

80.3 the license holder must complete a preliminary coordinated service and support plan  
80.4 addendum based on the coordinated service and support plan.

80.17 jeopardize the health and welfare of the person or others.

80.18 Assessments must produce information about the person that describes the person's overall  
80.19 strengths, functional skills and abilities, and behaviors or symptoms. Assessments must be  
80.20 based on the person's status within the last 12 months at the time of service initiation.

80.21 Assessments based on older information must be documented and justified. Assessments  
80.22 must be conducted annually at a minimum or within 30 days of a written request from the  
80.23 person or the person's legal representative or case manager. The results must be reviewed  
80.24 by the support team or expanded support team as part of a service plan review.

80.25 (c) Within 45 days of service initiation, the license holder must meet with the person,  
80.26 the person's legal representative, the case manager, and other members of the support team

81.4 the provider will support the person to have control of the person's schedule;

81.5 (4) whether the current service setting is the most integrated setting available and  
81.6 appropriate for the person; and

81.7 (5) how services must be coordinated across other providers licensed under this chapter  
81.8 serving the person and members of the support team or expanded support team to ensure  
81.9 continuity of care and coordination of services for the person.

81.10 **EFFECTIVE DATE.** This section is effective the day following final enactment.

81.11 Sec. 10. Minnesota Statutes 2016, section 245D.11, subdivision 4, is amended to read:

81.12 Subd. 4. **Admission criteria.** The license holder must establish policies and procedures  
81.13 that promote continuity of care by ensuring that admission or service initiation criteria:

81.14 (1) is consistent with the service-related rights identified in section 245D.04, subdivisions  
81.15 2, clauses (4) to (7), and 3, clause (8);

81.16 (2) identifies the criteria to be applied in determining whether the license holder can  
81.17 develop services to meet the needs specified in the person's coordinated service and support  
81.18 plan;

81.19 (3) requires a license holder providing services in a health care facility to comply with  
81.20 the requirements in section 243.166, subdivision 4b, to provide notification to residents  
81.21 when a registered predatory offender is admitted into the program or to a potential admission  
81.22 when the facility was already serving a registered predatory offender. For purposes of this  
81.23 clause, "health care facility" means a facility licensed by the commissioner as a residential  
81.24 facility under chapter 245A to provide adult foster care or residential services to persons  
81.25 with disabilities; ~~and~~

81.26 (4) requires that when a person or the person's legal representative requests services  
81.27 from the license holder, a refusal to admit the person must be based on an evaluation of the  
81.28 person's assessed needs and the license holder's lack of capacity to meet the needs of the  
81.29 person. The license holder must not refuse to admit a person based solely on the type of  
81.30 residential services the person is receiving, or solely on the person's severity of disability,  
81.31 orthopedic or neurological handicaps, sight or hearing impairments, lack of communication  
81.32 skills, physical disabilities, toilet habits, behavioral disorders, or past failure to make progress.

82.1 Documentation of the basis for refusal must be provided to the person or the person's legal  
82.2 representative and case manager upon request; and

82.3 (5) requires the person or the person's legal representative and license holder to sign and  
82.4 date the residency agreement when the license holder provides foster care or supported  
82.5 living services under section 245D.03, subdivision 1, paragraph (c), clause (3), item (i) or  
82.6 (ii), to a person living in a community residential setting defined in section 245D.02,  
82.7 subdivision 4a; an adult foster home defined in Minnesota Rules, part 9555.5105, subpart  
82.8 5; or a foster family home defined in Minnesota Rules, part 9560.0521, subpart 12. The  
82.9 residency agreement must include service termination requirements specified in section  
82.10 245D.10, subdivision 3a, paragraphs (b) to (f). The residency agreement must be reviewed  
82.11 annually, dated, and signed by the person or the person's legal representative and license  
82.12 holder.

82.13 **EFFECTIVE DATE.** This section is effective the day following final enactment.

82.14 Sec. 11. Minnesota Statutes 2016, section 245D.24, subdivision 3, is amended to read:

82.15 Subd. 3. **Bedrooms.** (a) ~~People~~ Each person receiving services must have a choice of  
82.16 roommate and must mutually consent, in writing, to sharing a bedroom with one another.  
82.17 No more than two people receiving services may share one bedroom.

82.18 (b) A single occupancy bedroom must have at least 80 square feet of floor space with a  
82.19 7-1/2 foot ceiling. A double occupancy room must have at least 120 square feet of floor  
82.20 space with a 7-1/2 foot ceiling. Bedrooms must be separated from halls, corridors, and other  
82.21 habitable rooms by floor-to-ceiling walls containing no openings except doorways and must  
82.22 not serve as a corridor to another room used in daily living.

82.23 (c) A person's personal possessions and items for the person's own use are the only items  
82.24 permitted to be stored in a person's bedroom.

82.25 (d) Unless otherwise documented through assessment as a safety concern for the person,  
82.26 each person must be provided with the following furnishings:

82.27 (1) a separate bed of proper size and height for the convenience and comfort of the  
82.28 person, with a clean mattress in good repair;

82.29 (2) clean bedding appropriate for the season for each person;

82.30 (3) an individual cabinet, or dresser, shelves, and a closet, for storage of personal  
82.31 possessions and clothing; and

82.32 (4) a mirror for grooming.

83.1 (e) When possible, a person must be allowed to have items of furniture that the person  
 83.2 personally owns in the bedroom, unless doing so would interfere with safety precautions,  
 83.3 violate a building or fire code, or interfere with another person's use of the bedroom. A  
 83.4 person may choose not to have a cabinet, dresser, shelves, or a mirror in the bedroom, as  
 83.5 otherwise required under paragraph (d), clause (3) or (4). A person may choose to use a  
 83.6 mattress other than an innerspring mattress and may choose not to have the mattress on a  
 83.7 mattress frame or support. If a person chooses not to have a piece of required furniture, the  
 83.8 license holder must document this choice and is not required to provide the item. If a person  
 83.9 chooses to use a mattress other than an innerspring mattress or chooses not to have a mattress  
 83.10 frame or support, the license holder must document this choice and allow the alternative  
 83.11 desired by the person.

83.12 (f) A person must be allowed to bring personal possessions into the bedroom and other  
 83.13 designated storage space, if such space is available, in the residence. The person must be  
 83.14 allowed to accumulate possessions to the extent the residence is able to accommodate them,  
 83.15 unless doing so is contraindicated for the person's physical or mental health, would interfere  
 83.16 with safety precautions or another person's use of the bedroom, or would violate a building  
 83.17 or fire code. The license holder must allow for locked storage of personal items. Any  
 83.18 restriction on the possession or locked storage of personal items, including requiring a  
 83.19 person to use a lock provided by the license holder, must comply with section 245D.04,  
 83.20 subdivision 3, paragraph (c), and allow the person to be present if and when the license  
 83.21 holder opens the lock.

83.22 (g) A person must be allowed to lock the person's bedroom door. The license holder  
 83.23 must document and assess the physical plant and the environment, and the population served,  
 83.24 and identify the risk factors that require using locked doors, and the specific action taken  
 83.25 to minimize the safety risk to a person receiving services at the site.

83.26 **EFFECTIVE DATE.** This section is effective the day following final enactment.

83.27 Sec. 12. Minnesota Statutes 2016, section 256.045, subdivision 3, is amended to read:

83.28 Subd. 3. **State agency hearings.** (a) State agency hearings are available for the following:

83.29 (1) any person applying for, receiving or having received public assistance, medical  
 83.30 care, or a program of social services granted by the state agency or a county agency or the  
 83.31 federal Food Stamp Act whose application for assistance is denied, not acted upon with  
 83.32 reasonable promptness, or whose assistance is suspended, reduced, terminated, or claimed  
 83.33 to have been incorrectly paid;

84.1 (2) any patient or relative aggrieved by an order of the commissioner under section  
84.2 252.27;

84.3 (3) a party aggrieved by a ruling of a prepaid health plan;

84.4 (4) except as provided under chapter 245C, any individual or facility determined by a  
84.5 lead investigative agency to have maltreated a vulnerable adult under section 626.557 after  
84.6 they have exercised their right to administrative reconsideration under section 626.557;

84.7 (5) any person whose claim for foster care payment according to a placement of the  
84.8 child resulting from a child protection assessment under section 626.556 is denied or not  
84.9 acted upon with reasonable promptness, regardless of funding source;

84.10 (6) any person to whom a right of appeal according to this section is given by other  
84.11 provision of law;

84.12 (7) an applicant aggrieved by an adverse decision to an application for a hardship waiver  
84.13 under section 256B.15;

84.14 (8) an applicant aggrieved by an adverse decision to an application or redetermination  
84.15 for a Medicare Part D prescription drug subsidy under section 256B.04, subdivision 4a;

84.16 (9) except as provided under chapter 245A, an individual or facility determined to have  
84.17 maltreated a minor under section 626.556, after the individual or facility has exercised the  
84.18 right to administrative reconsideration under section 626.556;

84.19 (10) except as provided under chapter 245C, an individual disqualified under sections  
84.20 245C.14 and 245C.15, following a reconsideration decision issued under section 245C.23,  
84.21 on the basis of serious or recurring maltreatment; a preponderance of the evidence that the  
84.22 individual has committed an act or acts that meet the definition of any of the crimes listed  
84.23 in section 245C.15, subdivisions 1 to 4; or for failing to make reports required under section  
84.24 626.556, subdivision 3, or 626.557, subdivision 3. Hearings regarding a maltreatment  
84.25 determination under clause (4) or (9) and a disqualification under this clause in which the  
84.26 basis for a disqualification is serious or recurring maltreatment, shall be consolidated into  
84.27 a single fair hearing. In such cases, the scope of review by the human services judge shall  
84.28 include both the maltreatment determination and the disqualification. The failure to exercise  
84.29 the right to an administrative reconsideration shall not be a bar to a hearing under this section  
84.30 if federal law provides an individual the right to a hearing to dispute a finding of  
84.31 maltreatment;

84.32 (11) any person with an outstanding debt resulting from receipt of public assistance,  
84.33 medical care, or the federal Food Stamp Act who is contesting a setoff claim by the

85.1 Department of Human Services or a county agency. The scope of the appeal is the validity  
85.2 of the claimant agency's intention to request a setoff of a refund under chapter 270A against  
85.3 the debt;

85.4 (12) a person issued a notice of service termination under section 245D.10, subdivision  
85.5 3a, from residential supports and services as defined in section 245D.03, subdivision 1,  
85.6 paragraph (c), clause (3), that is not otherwise subject to appeal under subdivision 4a; or

85.7 (13) an individual disability waiver recipient based on a denial of a request for a rate  
85.8 exception under section 256B.4914; or

85.9 (14) a person issued a notice of service termination under section 245A.11, subdivision  
85.10 11, that is not otherwise subject to appeal under subdivision 4a.

85.11 (b) The hearing for an individual or facility under paragraph (a), clause (4), (9), or (10),  
85.12 is the only administrative appeal to the final agency determination specifically, including  
85.13 a challenge to the accuracy and completeness of data under section 13.04. Hearings requested  
85.14 under paragraph (a), clause (4), apply only to incidents of maltreatment that occur on or  
85.15 after October 1, 1995. Hearings requested by nursing assistants in nursing homes alleged  
85.16 to have maltreated a resident prior to October 1, 1995, shall be held as a contested case  
85.17 proceeding under the provisions of chapter 14. Hearings requested under paragraph (a),  
85.18 clause (9), apply only to incidents of maltreatment that occur on or after July 1, 1997. A  
85.19 hearing for an individual or facility under paragraph (a), clauses (4), (9), and (10), is only  
85.20 available when there is no district court action pending. If such action is filed in district  
85.21 court while an administrative review is pending that arises out of some or all of the events  
85.22 or circumstances on which the appeal is based, the administrative review must be suspended  
85.23 until the judicial actions are completed. If the district court proceedings are completed,  
85.24 dismissed, or overturned, the matter may be considered in an administrative hearing.

85.25 (c) For purposes of this section, bargaining unit grievance procedures are not an  
85.26 administrative appeal.

85.27 (d) The scope of hearings involving claims to foster care payments under paragraph (a),  
85.28 clause (5), shall be limited to the issue of whether the county is legally responsible for a  
85.29 child's placement under court order or voluntary placement agreement and, if so, the correct  
85.30 amount of foster care payment to be made on the child's behalf and shall not include review  
85.31 of the propriety of the county's child protection determination or child placement decision.

85.32 (e) The scope of hearings under paragraph (a), ~~clause~~ clauses (12) and (14), shall be  
85.33 limited to whether the proposed termination of services is authorized under section 245D.10,  
85.34 subdivision 3a, paragraph (b), or 245A.11, subdivision 11, and whether the requirements

86.1 of section 245D.10, subdivision 3a, ~~paragraph~~ paragraphs (c) to (e), or 245A.11, subdivision  
 86.2 2a, paragraphs (d) to (f), were met. If the appeal includes a request for a temporary stay of  
 86.3 termination of services, the scope of the hearing shall also include whether the case  
 86.4 management provider has finalized arrangements for a residential facility, a program, or  
 86.5 services that will meet the assessed needs of the recipient by the effective date of the service  
 86.6 termination.

86.7 (f) A vendor of medical care as defined in section 256B.02, subdivision 7, or a vendor  
 86.8 under contract with a county agency to provide social services is not a party and may not  
 86.9 request a hearing under this section, except if assisting a recipient as provided in subdivision  
 86.10 4.

86.11 (g) An applicant or recipient is not entitled to receive social services beyond the services  
 86.12 prescribed under chapter 256M or other social services the person is eligible for under state  
 86.13 law.

86.14 (h) The commissioner may summarily affirm the county or state agency's proposed  
 86.15 action without a hearing when the sole issue is an automatic change due to a change in state  
 86.16 or federal law.

86.17 (i) Unless federal or Minnesota law specifies a different time frame in which to file an  
 86.18 appeal, an individual or organization specified in this section may contest the specified  
 86.19 action, decision, or final disposition before the state agency by submitting a written request  
 86.20 for a hearing to the state agency within 30 days after receiving written notice of the action,  
 86.21 decision, or final disposition, or within 90 days of such written notice if the applicant,  
 86.22 recipient, patient, or relative shows good cause, as defined in section 256.0451, subdivision  
 86.23 13, why the request was not submitted within the 30-day time limit. The individual filing  
 86.24 the appeal has the burden of proving good cause by a preponderance of the evidence.

86.25 **EFFECTIVE DATE.** This section is effective the day following final enactment.

88.2 as at risk of institutionalization.

88.3 Subd. 4. **Assessment requirements.** (a) An individual's assessment of functional need  
88.4 must be conducted by one of the following methods:

90.6 on which an assessment was requested or recommended. Upon statewide implementation  
90.7 of subdivisions 2b, 2c, and 5, this requirement also applies to an assessment of a person  
90.8 requesting personal care assistance services and home care nursing. The commissioner shall  
90.9 provide at least a 90-day notice to lead agencies prior to the effective date of this requirement.  
90.10 Face-to-face assessments must be conducted according to paragraphs (b) to (i).

92.4 found to meet eligibility criteria for home and community-based service programs under  
92.5 section 256B.0915 or 256B.49, "cost-effectiveness" has the meaning found in the federally  
92.6 approved waiver plan for each program;

92.7 (3) the need for and purpose of preadmission screening conducted by long-term care  
92.8 options counselors according to section 256.975, subdivisions 7a to 7c, if the person selects

92.10 agency shall forward information needed to complete the level of care determinations and  
92.11 screening for developmental disability and mental illness collected during the assessment  
92.12 to the long-term care options counselor using forms provided by the commissioner;

92.16 and (b);

92.17 (5) information about Minnesota health care programs;

92.18 (6) the person's freedom to accept or reject the recommendations of the team;

92.19 (7) the person's right to confidentiality under the Minnesota Government Data Practices  
92.20 Act, chapter 13;

92.24 paragraphs (a), clause (6), and (b); and

92.25 (9) the person's right to appeal the certified assessor's decision regarding eligibility for  
92.26 all services and programs as defined in subdivision 1a, paragraphs (a), clauses (6), (7), and  
92.27 (8), and (b), and incorporating the decision regarding the need for institutional level of care  
92.28 or the lead agency's final decisions regarding public programs eligibility according to section  
92.29 256.045, subdivision 3.

92.30 (i) Face-to-face assessment completed as part of eligibility determination for the  
92.31 alternative care, elderly waiver, community access for disability inclusion, community

93.5 effective waiver or alternative care program eligibility start date, assessment and support  
93.6 plan information must be updated and documented in the department's Medicaid Management  
93.7 Information System (MMIS). Notwithstanding retroactive medical assistance coverage of  
93.8 state plan services, the effective date of eligibility for programs included in paragraph (i)  
93.9 cannot be prior to the date the most recent updated assessment is completed.

93.10 (k) At the time of reassessment, the certified assessor shall assess each person receiving  
93.11 waiver services currently residing in a community residential setting, or licensed adult foster  
93.12 care home that is not the primary residence of the license holder, or in which the license

93.19 community-based services waiver for the elderly, authorized under section 1915(c) of the  
93.20 Social Security Act, in order to obtain federal financial participation to expand the availability  
93.21 of services for persons who are eligible for medical assistance. The commissioner may  
93.22 apply for additional waivers or pursue other federal financial participation which is  
93.23 advantageous to the state for funding home care services for the frail elderly who are eligible  
93.24 for medical assistance. The provision of waived services to elderly and disabled medical  
93.25 assistance recipients must comply with the criteria for service definitions and provider  
93.26 standards approved in the waiver.

93.27 (b) The commissioner shall comply with the requirements in the federally approved  
93.28 transition plan for the home and community-based services waivers authorized under this  
93.29 section.

93.30 **EFFECTIVE DATE.** This section is effective the day following final enactment.

94.1 Sec. 16. Minnesota Statutes 2016, section 256B.092, subdivision 4, is amended to read:

94.2 Subd. 4. **Home and community-based services for developmental disabilities.** (a)

94.3 The commissioner shall make payments to approved vendors participating in the medical  
94.4 assistance program to pay costs of providing home and community-based services, including  
94.5 case management service activities provided as an approved home and community-based  
94.6 service, to medical assistance eligible persons with developmental disabilities who have  
94.7 been screened under subdivision 7 and according to federal requirements. Federal  
94.8 requirements include those services and limitations included in the federally approved  
94.9 application for home and community-based services for persons with developmental  
94.10 disabilities and subsequent amendments.

94.11 (b) Effective July 1, 1995, contingent upon federal approval and state appropriations  
94.12 made available for this purpose, and in conjunction with Laws 1995, chapter 207, article 8,

94.14 for home and community-based waived services for persons with developmental disabilities  
94.15 authorized but not receiving those services as of June 30, 1995, based upon the average  
94.16 resource need of persons with similar functional characteristics. To ensure service continuity  
94.17 for service recipients receiving home and community-based waived services for persons  
94.18 with developmental disabilities prior to July 1, 1995, the commissioner shall make available  
94.19 to the county of financial responsibility home and community-based waived services  
94.20 resources based upon fiscal year 1995 authorized levels.

94.27 community-based service program. Payment is available under this subdivision only for  
94.28 persons who, if not provided these services, would require the level of care provided in an  
94.29 intermediate care facility for persons with developmental disabilities.

94.30 (d) The commissioner shall comply with the requirements in the federally approved  
94.31 transition plan for the home and community-based services waivers for the elderly authorized  
94.32 under this section.

95.1 Sec. 17. Minnesota Statutes 2016, section 256B.49, subdivision 11, is amended to read:

95.2 Subd. 11. **Authority.** (a) The commissioner is authorized to apply for home and  
95.3 community-based service waivers, as authorized under section 1915(c) of the Social Security  
95.4 Act to serve persons under the age of 65 who are determined to require the level of care  
95.5 provided in a nursing home and persons who require the level of care provided in a hospital.  
95.6 The commissioner shall apply for the home and community-based waivers in order to:

95.7 (1) promote the support of persons with disabilities in the most integrated settings;

95.8 (2) expand the availability of services for persons who are eligible for medical assistance;

95.9 (3) promote cost-effective options to institutional care; and

95.10 (4) obtain federal financial participation.

95.11 (b) The provision of waived services to medical assistance recipients with disabilities  
95.12 shall comply with the requirements outlined in the federally approved applications for home  
95.13 and community-based services and subsequent amendments, including provision of services  
95.14 according to a service plan designed to meet the needs of the individual. For purposes of  
95.15 this section, the approved home and community-based application is considered the necessary  
95.16 federal requirement.

95.17 (c) The commissioner shall provide interested persons serving on agency advisory  
95.18 committees, task forces, the Centers for Independent Living, and others who request to be  
95.19 on a list to receive, notice of, and an opportunity to comment on, at least 30 days before  
95.20 any effective dates, (1) any substantive changes to the state's disability services program  
95.21 manual, or (2) changes or amendments to the federally approved applications for home and  
95.22 community-based waivers, prior to their submission to the federal Centers for Medicare  
95.23 and Medicaid Services.

95.24 (d) The commissioner shall seek approval, as authorized under section 1915(c) of the

95.28 Social Act, to allow medical assistance eligibility under this section for individuals under  
95.29 age 65 without deeming the spouse's income or assets.

95.30 (f) The commissioner shall comply with the requirements in the federally approved  
95.31 transition plan for the home and community-based services waivers authorized under this  
95.32 section.

96.1 **EFFECTIVE DATE.** This section is effective the day following final enactment.

96.2 Sec. 18. Minnesota Statutes 2016, section 256B.49, subdivision 15, is amended to read:

96.3 Subd. 15. **Coordinated service and support plan; comprehensive transitional service**  
96.4 **plan; maintenance service plan.** (a) Each recipient of home and community-based waived  
96.5 services shall be provided a copy of the written coordinated service and support plan which  
96.6 meets the requirements in section 256B.092, subdivision 1b.

96.7 (b) In developing the comprehensive transitional service plan, the individual receiving  
96.8 services, the case manager, and the guardian, if applicable, will identify the transitional  
96.9 service plan fundamental service outcome and anticipated timeline to achieve this outcome.  
96.10 Within the first 20 days following a recipient's request for an assessment or reassessment,  
96.11 the transitional service planning team must be identified. A team leader must be identified  
96.12 who will be responsible for assigning responsibility and communicating with team members  
96.13 to ensure implementation of the transition plan and ongoing assessment and communication  
96.14 process. The team leader should be an individual, such as the case manager or guardian,  
96.15 who has the opportunity to follow the recipient to the next level of service.

96.16 Within ten days following an assessment, a comprehensive transitional service plan must  
96.17 be developed incorporating elements of a comprehensive functional assessment and including  
96.18 short-term measurable outcomes and timelines for achievement of and reporting on these  
96.19 outcomes. Functional milestones must also be identified and reported according to the  
96.20 timelines agreed upon by the transitional service planning team. In addition, the  
96.21 comprehensive transitional service plan must identify additional supports that may assist  
96.22 in the achievement of the fundamental service outcome such as the development of greater  
96.23 natural community support, increased collaboration among agencies, and technological  
96.24 supports.

96.25 The timelines for reporting on functional milestones will prompt a reassessment of  
96.26 services provided, the units of services, rates, and appropriate service providers. It is the  
96.27 responsibility of the transitional service planning team leader to review functional milestone  
96.28 reporting to determine if the milestones are consistent with observable skills and that  
96.29 milestone achievement prompts any needed changes to the comprehensive transitional  
96.30 service plan.

96.31 For those whose fundamental transitional service outcome involves the need to procure  
96.32 housing, a plan for the recipient to seek the resources necessary to secure the least restrictive  
96.33 housing possible should be incorporated into the plan, including employment and public  
96.34 supports such as housing access and shelter needy funding.

97.1 (c) Counties and other agencies responsible for funding community placement and  
97.2 ongoing community supportive services are responsible for the implementation of the  
97.3 comprehensive transitional service plans. Oversight responsibilities include both ensuring  
97.4 effective transitional service delivery and efficient utilization of funding resources.

97.5 (d) Following one year of transitional services, the transitional services planning team  
97.6 will make a determination as to whether or not the individual receiving services requires  
97.7 the current level of continuous and consistent support in order to maintain the recipient's  
97.8 current level of functioning. Recipients who are determined to have not had a significant  
97.9 change in functioning for 12 months must move from a transitional to a maintenance service  
97.10 plan. Recipients on a maintenance service plan must be reassessed to determine if the  
97.11 recipient would benefit from a transitional service plan at least every 12 months and at other  
97.12 times when there has been a significant change in the recipient's functioning. This assessment  
97.13 should consider any changes to technological or natural community supports.

97.14 (e) When a county is evaluating denials, reductions, or terminations of home and  
97.15 community-based services under this section for an individual, the case manager shall offer  
97.16 to meet with the individual or the individual's guardian in order to discuss the prioritization  
97.17 of service needs within the coordinated service and support plan, comprehensive transitional  
97.18 service plan, or maintenance service plan. The reduction in the authorized services for an  
97.19 individual due to changes in funding for waived services may not exceed the amount  
97.20 needed to ensure medically necessary services to meet the individual's health, safety, and  
97.21 welfare.

97.22 ~~(f) At the time of reassessment, local agency case managers shall assess each recipient~~  
97.23 ~~of community access for disability inclusion or brain injury waived services currently~~  
97.24 ~~residing in a licensed adult foster home that is not the primary residence of the license~~  
97.25 ~~holder, or in which the license holder is not the primary caregiver, to determine if that~~  
97.26 ~~recipient could appropriately be served in a community living setting. If appropriate for the~~  
97.27 ~~recipient, the case manager shall offer the recipient, through a person-centered planning~~  
97.28 ~~process, the option to receive alternative housing and service options. In the event that the~~  
97.29 ~~recipient chooses to transfer from the adult foster home, the vacated bed shall not be filled~~  
97.30 ~~with another recipient of waiver services and group residential housing and the licensed~~  
97.31 ~~capacity shall be reduced accordingly, unless the savings required by the licensed bed closure~~  
97.32 ~~reductions under Laws 2011, First Special Session chapter 9, article 7, sections 1 and 40,~~  
97.33 ~~paragraph (f), for foster care settings where the physical location is not the primary residence~~  
97.34 ~~of the license holder are met through voluntary changes described in section 245A.03,~~  
97.35 ~~subdivision 7, paragraph (e), or as provided under paragraph (a), clauses (3) and (4). If the~~

98.1 ~~adult foster home becomes no longer viable due to these transfers, the county agency, with~~  
 98.2 ~~the assistance of the department, shall facilitate a consolidation of settings or closure. This~~  
 98.3 ~~reassessment process shall be completed by July 1, 2013.~~

98.4 Sec. 19. Minnesota Statutes 2016, section 256B.493, subdivision 1, is amended to read:

98.5 Subdivision 1. **Commissioner's duties; report.** The commissioner of human services  
 98.6 ~~shall solicit proposals for the conversion of services provided for persons with disabilities~~  
 98.7 ~~in settings licensed under Minnesota Rules, parts 9555.5105 to 9555.6265, or community~~  
 98.8 ~~residential settings licensed under chapter 245D, to other types of community settings in~~  
 98.9 ~~conjunction with the closure of identified licensed adult foster care settings~~ has the authority  
 98.10 to manage statewide licensed corporate foster care or community residential settings capacity,  
 98.11 including the reduction and realignment of licensed capacity of a current foster care or  
 98.12 community residential settings to accomplish the consolidation or closure of settings. The  
 98.13 commissioner shall implement a program for planned closure of licensed corporate adult  
 98.14 foster care or community residential settings, necessary as a preferred method to: (1) respond  
 98.15 to the informed decisions of those individuals who want to move out of these settings into  
 98.16 other types of community settings; and (2) achieve necessary budgetary savings required  
 98.17 in section 245A.03, subdivision 7, paragraphs (c) and (d).

98.18 Sec. 20. Minnesota Statutes 2016, section 256B.493, subdivision 2, is amended to read:

98.19 Subd. 2. **Planned closure process needs determination.** ~~The commissioner shall~~  
 98.20 ~~announce and implement a program for planned closure of adult foster care homes. Planned~~  
 98.21 ~~closure shall be the preferred method for achieving necessary budgetary savings required~~  
 98.22 ~~by the licensed bed closure budget reduction in section 245A.03, subdivision 7, paragraph~~  
 98.23 ~~(e). If additional closures are required to achieve the necessary savings, the commissioner~~  
 98.24 ~~shall use the process and priorities in section 245A.03, subdivision 7, paragraph (e) A~~  
 98.25 resource need determination process, managed at the state level, using available reports  
 98.26 required by section 144A.351 and other data and information shall be used by the  
 98.27 commissioner to align capacity where needed.

98.28 Sec. 21. Minnesota Statutes 2016, section 256B.493, is amended by adding a subdivision  
 98.29 to read:

98.30 Subd. 2a. **Closure process.** (a) The commissioner shall work with stakeholders to  
 98.31 establish a process for the application, review, approval, and implementation of setting  
 98.32 closures. Voluntary proposals from license holders for consolidation and closure of adult

99.1 foster care or community residential settings are encouraged. Whether voluntary or  
99.2 involuntary, all closure plans must include:

99.3 (1) a description of the proposed closure plan, identifying the home or homes and  
99.4 occupied beds;

99.5 (2) the proposed timetable for the proposed closure, including the proposed dates for  
99.6 notification to people living there and the affected lead agencies, commencement of closure,  
99.7 and completion of closure;

 100.24 Costs for special diets shall be determined as percentages of the allotment for a one-person  
 100.25 household under the thrifty food plan as defined by the United States Department of  
 100.26 Agriculture. The types of diets and the percentages of the thrifty food plan that are covered  
 100.27 are as follows:

101.15 ~~(e)~~ (d) A fee for guardian or conservator service is allowed at a reasonable rate negotiated  
101.16 by the county or approved by the court. This rate shall not exceed five percent of the  
101.17 assistance unit's gross monthly income up to a maximum of \$100 per month. If the guardian

101.30 ~~(f)~~ (g)(1) Notwithstanding the language in this subdivision, an amount equal to one-half  
101.31 of the maximum allotment authorized by the federal Food Stamp Program for a federal  
101.32 Supplemental Security Income payment amount for a single individual which is in effect

102.1 on the first day of July of each year will be added to the standards of assistance established

102.9 or leased apartment ~~which is not owned, operated, or controlled by a provider of service~~  
102.10 ~~not related by blood or marriage, unless allowed under paragraph (g).~~

102.11 (2) Notwithstanding subdivision 3, paragraph (c), an individual eligible for the shelter  
102.12 needy benefit under this paragraph is considered a household of one. An eligible individual  
102.13 who receives this benefit prior to age 65 may continue to receive the benefit after the age  
102.14 of 65.

102.15 (3) "~~Shelter-needy~~ Housing assistance" means that the assistance unit incurs monthly  
102.16 shelter costs that exceed 40 percent of the assistance unit's gross income before the application  
102.17 of this special needs standard. "Gross income" for the purposes of this section is the  
102.18 applicant's or recipient's income as defined in section 256D.35, subdivision 10, or the  
102.19 standard specified in subdivision 3, paragraph (a) or (b), whichever is greater. A recipient  
102.20 of a federal or state housing subsidy, that limits shelter costs to a percentage of gross income,  
102.21 shall not be considered ~~shelter-needy~~ in need of housing assistance for purposes of this  
102.22 paragraph.

102.23 ~~(g) Notwithstanding this subdivision, to access housing and services as provided in~~  
102.24 ~~paragraph (f), the recipient may choose housing that may be owned, operated, or controlled~~  
102.25 ~~by the recipient's service provider. When housing is controlled by the service provider, the~~  
102.26 ~~individual may choose the individual's own service provider as provided in section 256B.49,~~  
102.27 ~~subdivision 23, clause (3). When the housing is controlled by the service provider, the~~  
102.28 ~~service provider shall implement a plan with the recipient to transition the lease to the~~  
102.29 ~~recipient's name. Within two years of signing the initial lease, the service provider shall~~  
102.30 ~~transfer the lease entered into under this subdivision to the recipient. In the event the landlord~~  
102.31 ~~denies this transfer, the commissioner may approve an exception within sufficient time to~~  
102.32 ~~ensure the continued occupancy by the recipient. This paragraph expires June 30, 2016.~~

103.1 **EFFECTIVE DATE.** Paragraphs (a) to (f) are effective July 1, 2017. Paragraph (g),  
 103.2 clause (1), is effective July 1, 2020, except paragraph (g), clause (1), items (ii) and (iii), are  
 103.3 effective July 1, 2017.

 103.14 the individual will receive housing setting support and the individual meets the requirements  
 103.15 in paragraph (a) ~~or~~, (b), or (c).

103.16 (a) The individual is aged, blind, or is over 18 years of age and disabled as determined  
 103.17 under the criteria used by the title II program of the Social Security Act, and meets the

104.7 provided to the satisfaction of the commissioner, as determined at the sole discretion of the  
104.8 commissioner's authorized representative, and in accordance with all applicable federal,  
104.9 state, and local laws, ordinances, rules, and regulations, including business registration

104.13 regulation.

104.14 (b) The commissioner has the right to suspend or terminate the agreement immediately  
104.15 when the commissioner determines the health or welfare of the housing or service recipients  
104.16 is endangered, or when the commissioner has reasonable cause to believe that the provider  
104.17 has breached a material term of the agreement under subdivision 2b.

104.18 (c) Notwithstanding paragraph (b), if the commissioner learns of a curable material  
104.19 breach of the agreement by the provider, the commissioner shall provide the provider with  
104.20 a written notice of the breach and allow ten days to cure the breach. If the provider does  
104.21 not cure the breach within the time allowed, the provider shall be in default of the agreement  
104.22 and the commissioner may terminate the agreement immediately thereafter. If the provider  
104.23 has breached a material term of the agreement and cure is not possible, the commissioner  
104.24 may immediately terminate the agreement.

104.25 Sec. 27. Minnesota Statutes 2016, section 256I.04, subdivision 2g, is amended to read:

104.26 Subd. 2g. **Crisis shelters.** Secure crisis shelters for battered women and their children

104.29 Sec. 28. Minnesota Statutes 2016, section 256I.04, subdivision 3, is amended to read:

104.30 Subd. 3. **Moratorium on development of ~~group residential housing support~~ beds.**  
104.31 (a) Agencies shall not enter into agreements for new ~~group residential~~ housing support beds  
104.32 with total rates in excess of the MSA equivalent rate except:

105.1 (1) for ~~group residential housing~~ establishments licensed under chapter 245D provided  
105.2 the facility is needed to meet the census reduction targets for persons with developmental  
105.3 disabilities at regional treatment centers;

105.4 (2) up to 80 beds in a single, specialized facility located in Hennepin County that will  
105.5 provide housing for chronic inebriates who are repetitive users of detoxification centers and  
105.6 are refused placement in emergency shelters because of their state of intoxication, and  
105.7 planning for the specialized facility must have been initiated before July 1, 1991, in  
105.8 anticipation of receiving a grant from the Housing Finance Agency under section 462A.05,  
105.9 subdivision 20a, paragraph (b);

105.12 mental illness, a history of substance abuse, or human immunodeficiency virus or acquired  
105.13 immunodeficiency syndrome. For purposes of this section, "homeless adult" means a person

105.20 been discharged from a regional treatment center, or a state-contracted psychiatric bed in  
105.21 a community hospital, or a residential mental health or chemical dependency treatment  
105.22 program. If a person meets the requirements of subdivision 1, paragraph (a), and receives  
105.23 a federal or state housing subsidy, the ~~group residential~~ housing support rate for that person  
105.24 is limited to the supplementary rate under section 256I.05, subdivision 1a, and is determined  
105.25 by subtracting the amount of the person's countable income that exceeds the MSA equivalent  
105.26 rate from the ~~group residential~~ housing support supplementary service rate. A resident in a  
105.27 demonstration project site who no longer participates in the demonstration program shall  
105.28 retain eligibility for a ~~group residential~~ housing support payment in an amount determined  
105.29 under section 256I.06, subdivision 8, using the MSA equivalent rate. Service funding under  
105.30 section 256I.05, subdivision 1a, will end June 30, 1997, if federal matching funds are  
105.31 available and the services can be provided through a managed care entity. If federal matching  
105.32 funds are not available, then service funding will continue under section 256I.05, subdivision  
105.33 1a;

105.34 (4) for an additional two beds, resulting in a total of 32 beds, for a facility located in  
105.35 Hennepin County providing services for recovering and chemically dependent men that has

106.1 had a ~~group residential~~ housing support contract with the county and has been licensed as

106.3 (5) for a ~~group residential~~ housing support provider located in the city of St. Cloud, or  
106.4 a county contiguous to the city of St. Cloud, that operates a 40-bed facility, that received  
106.5 financing through the Minnesota Housing Finance Agency Ending Long-Term Homelessness  
106.6 Initiative and serves chemically dependent clientele, providing 24-hour-a-day supervision;

106.7 (6) for a new 65-bed facility in Crow Wing County that will serve chemically dependent  
106.8 persons, operated by a ~~group residential~~ housing support provider that currently operates a  
106.9 304-bed facility in Minneapolis, and a 44-bed facility in Duluth;

106.10 (7) for a ~~group residential~~ housing support provider that operates two ten-bed facilities,  
106.11 one located in Hennepin County and one located in Ramsey County, that provide community  
106.12 support and 24-hour-a-day supervision to serve the mental health needs of individuals who  
106.13 have chronically lived unsheltered; and

106.14 (8) for a ~~group residential~~ facility authorized for recipients of housing support in Hennepin  
106.15 County with a capacity of up to 48 beds that has been licensed since 1978 as a board and  
106.16 lodging facility and that until August 1, 2007, operated as a licensed chemical dependency  
106.17 treatment program.

106.18 (b) An agency may enter into a ~~group residential~~ housing support agreement for beds  
106.19 with rates in excess of the MSA equivalent rate in addition to those currently covered under  
106.20 a ~~group residential~~ housing support agreement if the additional beds are only a replacement  
106.21 of beds with rates in excess of the MSA equivalent rate which have been made available  
106.22 due to closure of a setting, a change of licensure or certification which removes the beds  
106.23 from ~~group residential~~ housing support payment, or as a result of the downsizing of a ~~group~~  
106.24 ~~residential housing~~ setting authorized for recipients of housing support. The transfer of  
106.25 available beds from one agency to another can only occur by the agreement of both agencies.

106.26 Sec. 29. Minnesota Statutes 2016, section 256I.05, subdivision 1a, is amended to read:

106.27 Subd. 1a. **Supplementary service rates.** (a) Subject to the provisions of section 256I.04,  
106.28 subdivision 3, the county agency may negotiate a payment not to exceed \$426.37 for other  
106.29 services necessary to provide room and board ~~provided by the group residence~~ if the residence  
106.30 is licensed by or registered by the Department of Health, or licensed by the Department of  
106.31 Human Services to provide services in addition to room and board, and if the provider of  
106.32 services is not also concurrently receiving funding for services for a recipient under a home  
106.33 and community-based waiver under title XIX of the Social Security Act; or funding from

107.1 the medical assistance program under section 256B.0659, for personal care services for  
 107.2 residents in the setting; or residing in a setting which receives funding under section 245.73.  
 107.3 If funding is available for other necessary services through a home and community-based  
 107.4 waiver, or personal care services under section 256B.0659, then the ~~GRH~~ housing support  
 107.5 rate is limited to the rate set in subdivision 1. Unless otherwise provided in law, in no case  
 107.6 may the supplementary service rate exceed \$426.37. The registration and licensure  
 107.7 requirement does not apply to establishments which are exempt from state licensure because  
 107.8 they are located on Indian reservations and for which the tribe has prescribed health and  
 107.9 safety requirements. Service payments under this section may be prohibited under rules to  
 107.10 prevent the supplanting of federal funds with state funds. The commissioner shall pursue  
 107.11 the feasibility of obtaining the approval of the Secretary of Health and Human Services to  
 107.12 provide home and community-based waiver services under title XIX of the Social Security  
 107.13 Act for residents who are not eligible for an existing home and community-based waiver  
 107.14 due to a primary diagnosis of mental illness or chemical dependency and shall apply for a  
 107.15 waiver if it is determined to be cost-effective.

107.16 (b) The commissioner is authorized to make cost-neutral transfers from the ~~GRH~~ housing  
 107.17 support fund for beds under this section to other funding programs administered by the  
 107.18 department after consultation with the county or counties in which the affected beds are  
 107.19 located. The commissioner may also make cost-neutral transfers from the ~~GRH~~ housing  
 107.20 support fund to county human service agencies for beds permanently removed from the  
 107.21 ~~GRH~~ housing support census under a plan submitted by the county agency and approved  
 107.22 by the commissioner. The commissioner shall report the amount of any transfers under this  
 107.23 provision annually to the legislature.

107.24 (c) Counties must not negotiate supplementary service rates with providers of ~~group~~  
 107.25 ~~residential~~ housing support that are licensed as board and lodging with special services and  
 107.26 that do not encourage a policy of sobriety on their premises and make referrals to available  
 107.27 community services for volunteer and employment opportunities for residents.

107.28 Sec. 30. Minnesota Statutes 2016, section 256I.05, subdivision 1c, is amended to read:

107.29 Subd. 1c. **Rate increases.** An agency may not increase the rates negotiated for ~~group~~  
 107.30 ~~residential~~ housing support above those in effect on June 30, 1993, except as provided in  
 107.31 paragraphs (a) to (f).

107.32 (a) An agency may increase the rates for ~~group residential housing settings~~ room and  
 107.33 board to the MSA equivalent rate for those settings whose current rate is below the MSA  
 107.34 equivalent rate.

108.1 (b) An agency may increase the rates for residents in adult foster care whose difficulty  
108.2 of care has increased. The total ~~group residential~~ housing support rate for these residents  
108.3 must not exceed the maximum rate specified in subdivisions 1 and 1a. Agencies must not  
108.4 include nor increase ~~group residential housing~~ difficulty of care rates for adults in foster  
108.5 care whose difficulty of care is eligible for funding by home and community-based waiver  
108.6 programs under title XIX of the Social Security Act.

108.7 (c) The room and board rates will be increased each year when the MSA equivalent rate  
108.8 is adjusted for SSI cost-of-living increases by the amount of the annual SSI increase, less  
108.9 the amount of the increase in the medical assistance personal needs allowance under section  
108.10 256B.35.

108.11 (d) When ~~a group residential housing rate is used to pay~~ support pays for an individual's  
108.12 room and board, or other costs necessary to provide room and board, the rate payable to the  
108.13 residence must continue for up to 18 calendar days per incident that the person is temporarily  
108.14 absent from the residence, not to exceed 60 days in a calendar year, if the absence or absences  
108.15 have received the prior approval of the county agency's social service staff. Prior approval

126.31 Subd. 3a. **Elderly waiver cost limits.** (a) Effective on the first day of the state fiscal

127.1 fiscal year, the monthly limit for the cost of waived services to an individual elderly waiver  
127.2 client shall be the monthly limit of the case mix resident class to which the waiver client  
127.3 would be assigned under Minnesota Rules, parts 9549.0051 to 9549.0059, in effect on the  
127.4 last day of the previous state fiscal year, adjusted by any legislatively adopted home and  
127.5 community-based services percentage rate adjustment. If a legislatively authorized increase  
127.6 is service-specific, the monthly cost limit shall be adjusted based on the overall average  
127.7 increase to the elderly waiver program.

127.8 (b) The monthly limit for the cost of waived services under paragraph (a) to an  
127.9 individual elderly waiver client assigned to a case mix classification A with:

127.19 consecutive months beginning with the month of purchase. If the monthly cost of a recipient's  
127.20 waived services exceeds the monthly limit established in paragraph (a), (b), (d), or (e),  
127.21 the annual cost of all waived services shall be determined. In this event, the annual cost

127.23 as described in paragraph (a), (b), (d), or (e).

127.24 (d) Effective July 1, 2013, the monthly cost limit of waiver services, including any

 128.15 living services authorized.

128.16 (b) The payment rate must be based on the amount of component services to be provided  
 128.17 utilizing component rates established by the commissioner. Counties and tribes shall use

 128.33 June 30 of the previous state fiscal year updated annually based on legislatively adopted  
 128.34 changes to all service rate maximums for home and community-based service providers.

129.1 (e) For rates effective on or after January 1, 2022, the elderly waiver payment for  
 129.2 customized living services includes a cognitive and behavioral needs factor equal to an

129.22 ~~(g)~~ (h) A provider may not bill or otherwise charge an elderly waiver participant or their  
 129.23 family for additional units of any allowable component service beyond those available under  
 129.24 the service rate limits described in paragraph ~~(d)~~ (e), nor for additional units of any allowable

130.3 Sec. 9. Minnesota Statutes 2016, section 256B.0915, subdivision 3h, is amended to read:

130.4 Subd. 3h. **Service rate limits; 24-hour customized living services.** (a) The payment  
130.5 rate for 24-hour customized living services is a monthly rate authorized by the lead agency  
130.6 within the parameters established by the commissioner of human services. The payment  
130.7 agreement must delineate the amount of each component service included in each recipient's  
130.8 customized living service plan. The lead agency, with input from the provider of customized  
130.9 living services, shall ensure that there is a documented need within the parameters established  
130.10 by the commissioner for all component customized living services authorized. The lead  
130.11 agency shall not authorize 24-hour customized living services unless there is a documented  
130.12 need for 24-hour supervision.

130.13 (b) For purposes of this section, "24-hour supervision" means that the recipient requires  
130.14 assistance due to needs related to one or more of the following:

130.15 (1) intermittent assistance with toileting, positioning, or transferring;

130.16 (2) cognitive or behavioral issues;

130.17 (3) a medical condition that requires clinical monitoring; or

130.18 (4) for all new participants enrolled in the program on or after July 1, 2011, and all other  
130.19 participants at their first reassessment after July 1, 2011, dependency in at least three of the  
130.20 following activities of daily living as determined by assessment under section 256B.0911:  
130.21 bathing; dressing; grooming; walking; or eating when the dependency score in eating is  
130.22 three or greater; and needs medication management and at least 50 hours of service per  
130.23 month. The lead agency shall ensure that the frequency and mode of supervision of the  
130.24 recipient and the qualifications of staff providing supervision are described and meet the  
130.25 needs of the recipient.

130.26 (c) The payment rate for 24-hour customized living services must be based on the amount  
130.27 of component services to be provided utilizing component rates established by the  
130.28 commissioner. Counties and tribes will use tools issued by the commissioner to develop  
130.29 and document customized living plans and authorize rates.

130.30 (d) Component service rates must not exceed payment rates for comparable elderly  
130.31 waiver or medical assistance services and must reflect economies of scale.

131.8 case mix resident class under Minnesota Rules, parts 9549.0051 to 9549.0059, to which  
131.9 elderly waiver service clients are assigned. When there are fewer than 50 authorizations in  
131.10 effect in the case mix resident class, the commissioner shall multiply the calculated service  
131.11 payment rate maximum for the A classification by the standard weight for that classification  
131.12 under Minnesota Rules, parts 9549.0051 to 9549.0059, to determine the applicable payment  
131.13 rate maximum. Service payment rate maximums shall be updated annually based on  
131.14 legislatively adopted changes to all service rates for home and community-based service  
131.15 providers.

131.16 (g) Notwithstanding the requirements of paragraphs (d) and (f), the commissioner may  
131.17 establish alternative payment rate systems for 24-hour customized living services in housing  
131.18 with services establishments which are freestanding buildings with a capacity of 16 or fewer,  
131.19 by applying a single hourly rate for covered component services provided in either:

131.25 eight residents, and which meet the requirements of Minnesota Rules, part 9555.6205,  
131.26 subparts 1, 2, 3, and 4, item A.

131.27 (h) Twenty-four-hour customized living services are delivered by a provider licensed  
131.28 by the Department of Health as a class A or class F home care provider and provided in a  
131.29 building that is registered as a housing with services establishment under chapter 144D.  
131.30 Licensed home care providers are subject to section 256B.0651, subdivision 14.

131.31 (i) A provider may not bill or otherwise charge an elderly waiver participant or their  
131.32 family for additional units of any allowable component service beyond those available under

132.1 the service rate limits described in paragraph (e), nor for additional units of any allowable  
 132.2 component service beyond those approved in the service plan by the lead agency.

132.3 (j) Effective ~~July 1, 2016~~ January 1, 2018, and each ~~July~~ January 1 thereafter,  
 132.4 individualized service rate limits for 24-hour customized living services under this

 132.8 payment rates under ~~sections 256B.431, 256B.434, and 256B.441~~ chapter 256R, effective  
 132.9 the previous January 1. This paragraph shall only apply if the average statewide percentage  
 132.10 increase in nursing facility operating payment rates is greater than any legislatively adopted  
 132.11 home and community-based provider rate increases effective on ~~July~~ January 1, or occurring  
 132.12 since the previous ~~July~~ January 1.

132.13 Sec. 10. Minnesota Statutes 2016, section 256B.0915, subdivision 5, is amended to read:

 132.15 receive an initial assessment of strengths, informal supports, and need for services in  
 132.16 accordance with section 256B.0911, subdivisions 3, 3a, and 3b. A reassessment of a client  
 132.17 served under the elderly waiver must be conducted at least every 12 months ~~and at other~~

 132.25 payment for nursing facility services, only face-to-face assessments conducted according  
 132.26 to section 256B.0911, subdivisions 3a and 3b, that result in a nursing facility level of care  
 132.27 determination will be accepted for purposes of initial and ongoing access to waiver service  
 132.28 payment.

132.29 (c) The lead agency shall conduct a change-in-condition reassessment before the annual  
 132.30 reassessment in cases where a client's condition changed due to a major health event, an  
 132.31 emerging need or risk, worsening health condition, or cases where the current services do  
 132.32 not meet the client's needs. A change-in-condition reassessment may be initiated by the lead  
 132.33 agency, or it may be requested by the client or requested on the client's behalf by another  
 132.34 party, such as a provider of services. The lead agency shall complete a change-in-condition

133.1 reassessment no later than 20 calendar days from the request. The lead agency shall conduct  
133.2 these assessments in a timely manner and expedite urgent requests. The lead agency shall  
133.3 evaluate urgent requests based on the client's needs and risk to the client if a reassessment  
133.4 is not completed.

136.1 (8) the individual community living support base wage equals 20 percent of the  
136.2 Minneapolis-St. Paul-Bloomington, MN-WI MetroSA average wage for licensed practical  
136.3 and licensed vocational nurses (SOC code 29-2061); and 80 percent of the Minneapolis-St.  
136.4 Paul-Bloomington, MN-WI MetroSA average wage for nursing assistants (SOC code

136.14 shall, in consultation with stakeholders, select a new SOC code and position that is the  
136.15 closest match to the previously used SOC position.

136.16 Sec. 15. Minnesota Statutes 2016, section 256B.0915, is amended by adding a subdivision  
136.17 to read:

136.18 Subd. 15. **Payment rates; factors.** The commissioner shall use the following factors:

136.19 (1) the payroll taxes and benefits factor is the sum of net payroll taxes and benefits  
136.20 divided by the sum of all salaries for all nursing facilities on the most recent and available  
136.21 cost report;

136.22 (2) the general and administrative factor is the sum of net general and administrative  
136.23 expenses minus administrative salaries divided by total operating expenses for all nursing  
136.24 facilities on the most recent and available cost report;

136.25 (3) the program plan support factor is defined as the direct service staff needed to provide  
136.26 support for the home and community-based service when not engaged in direct contact with  
136.27 clients. Based on the 2016 Non-Wage Provider Costs in Home and Community-Based  
136.28 Disability Waiver Services Report, this factor equals 12.8 percent;

136.29 (4) the registered nurse management and supervision factor equals 15 percent of the  
136.30 product of the position's base wage and the sum of the factors in clauses (1) to (3); and

136.31 (5) the social worker supervision factor equals 15 percent of the product of the position's  
136.32 base wage and the sum of the factors in clauses (1) to (3).

137.1 Sec. 16. Minnesota Statutes 2016, section 256B.0915, is amended by adding a subdivision  
137.2 to read:

137.3 Subd. 16. **Payment rates; component rates.** (a) For the purposes of this subdivision,  
137.4 the "adjusted base wage" for a position equals the position's base wage plus:

137.5 (1) the position's base wage multiplied by the payroll taxes and benefits factor;

137.6 (2) the position's base wage multiplied by the general and administrative factor; and

137.7 (3) the position's base wage multiplied by the program plan support factor.

137.8 (b) For medication setups by licensed nurse, registered nurse, and social worker services,  
137.9 the component rate for each service equals the respective position's adjusted base wage.

137.10 (c) For home management and support services, home care aide, and home health aide  
137.11 services, the component rate for each service equals the respective position's adjusted base  
137.12 wage plus the registered nurse management and supervision factor.

137.13 (d) The home management and support services component rate shall be used for payment  
137.14 for socialization and transportation component rates under elderly waiver customized living.

137.15 (e) The 15-minute unit rates for chore services and companion services are calculated  
137.16 as follows:

137.17 (1) sum the adjusted base wage for the respective position and the social worker factor;  
137.18 and

137.19 (2) divide the result of clause (1) by four.

137.20 (f) The 15-minute unit rates for homemaker services and assistance with personal care,  
137.21 homemaker services and cleaning, and homemaker services and home management are  
137.22 calculated as follows:

137.23 (1) sum the adjusted base wage for the respective position and the registered nurse  
137.24 management and supervision factor; and

137.25 (2) divide the result of clause (1) by four.

137.26 (g) The 15-minute unit rate for in-home respite care services is calculated as follows:

137.27 (1) sum the adjusted base wage for in-home respite care services and the registered nurse  
137.28 management and supervision factor; and

137.29 (2) divide the result of clause (1) by four.

138.1 (h) The in-home respite care services daily rate equals the in-home respite care services  
138.2 15-minute unit rate multiplied by 18.

138.3 (i) The 15-minute unit rate for out-of-home respite care is calculated as follows:

138.4 (1) sum the out-of-home respite care services adjusted base wage and the registered  
138.5 nurse management and supervision factor; and

138.6 (2) divide the result of clause (1) by four.

138.7 (j) The out-of-home respite care services daily rate equals the out-of-home respite care  
138.8 services 15-minute unit rate multiplied by 18.

138.9 (k) The individual community living support rate is calculated as follows:

138.10 (1) sum the adjusted base wage for the home care aide rate in subdivision 14, paragraph  
138.11 (a), clause (2), and the social worker factor; and

138.12 (2) divide the result of clause (1) by four.

138.13 (l) The home delivered meals rate equals \$9.30. Beginning July 1, 2018, the commissioner  
138.14 shall increase the home delivered meals rate every July 1 by the percent increase in the  
138.15 nursing facility dietary per diem using the two most recent nursing facility cost reports.

138.16 (m) The adult day services rate is based on the home care aide rate in subdivision 14,  
138.17 paragraph (a), clause (2), plus the additional factors from subdivision 15, except that the  
138.18 general and administrative factor used shall be 20 percent. The nonregistered nurse portion  
138.19 of the rate shall be multiplied by 0.25, to reflect an assumed-ratio staffing of one caregiver  
138.20 to four clients, and divided by four to determine the 15-minute unit rate. The registered  
138.21 nurse portion is divided by four to determine the 15-minute unit rate and \$0.63 per 15-minute  
138.22 unit is added to cover the cost of meals.

138.23 (n) The adult day services bath 15-minute unit rate is the same as the calculation of the  
138.24 adult day services 15-minute unit rate without the adjustment for staffing ratio.

138.25 (o) If a bath is authorized for an adult day services client, at least two 15-minute units  
138.26 must be authorized to allow for adequate time to meet client needs. Adult day services may  
138.27 be authorized for up to 48 units, or 12 hours, per day based on client and family caregiver  
138.28 needs.

139.1 Sec. 17. Minnesota Statutes 2016, section 256B.0915, is amended by adding a subdivision  
139.2 to read:

139.3 Subd. 17. **Evaluation of rate methodology.** The commissioner, in consultation with  
139.4 stakeholders, shall conduct a study to evaluate the following:

139.5 (1) base wages in subdivision 14, to determine if the standard occupational classification  
139.6 codes for each rate and component rate are an appropriate representation of staff who deliver  
139.7 the services; and

139.8 (2) factors in subdivision 15, and adjusted base wage calculation in subdivision 16, to  
139.9 determine if the factors and calculations appropriately address nonwage provider costs.

139.10 By January 1, 2019, the commissioner shall submit a report to the legislature on the  
139.11 changes to the rate methodology in this statute, based on the results of the evaluation. Where  
139.12 feasible, the report shall address the impact of the new rates on the workforce situation and  
139.13 client access to services. The report should include any changes to the rate calculations  
139.14 methods that the commissioner recommends.

139.15 Sec. 18. Minnesota Statutes 2016, section 256B.0922, subdivision 1, is amended to read:

139.16 Subdivision 1. **Essential community supports.** (a) The purpose of the essential  
139.17 community supports program is to provide targeted services to persons age 65 and older  
139.18 who need essential community support, but whose needs do not meet the level of care  
139.19 required for nursing facility placement under section 144.0724, subdivision 11.

139.20 (b) Essential community supports are available not to exceed ~~\$400~~ \$600 per person per  
139.21 month. Essential community supports may be used as authorized within an authorization  
139.22 period not to exceed 12 months. Services must be available to a person who:

139.23 (1) is age 65 or older;

139.24 (2) is not eligible for medical assistance;

139.25 (3) has received a community assessment under section 256B.0911, subdivision 3a or  
139.26 3b, and does not require the level of care provided in a nursing facility;

139.27 (4) meets the financial eligibility criteria for the alternative care program under section  
139.28 256B.0913, subdivision 4;

139.29 (5) has a community support plan; and

139.30 (6) has been determined by a community assessment under section 256B.0911,  
139.31 subdivision 3a or 3b, to be a person who would require provision of at least one of the

140.1 following services, as defined in the approved elderly waiver plan, in order to maintain their  
140.2 community residence:

140.3 (i) adult day services;

140.4 (ii) family caregiver support services;

140.5 (iii) respite care;

140.6 ~~(iii)~~ (iv) homemaker support;

140.7 (v) companion services;

140.8 ~~(iv)~~ (vi) chores;

140.9 ~~(v)~~ (vii) a personal emergency response device or system;

140.10 ~~(vi)~~ (viii) home-delivered meals; or

140.11 ~~(vii)~~ (ix) community living assistance as defined by the commissioner.

140.12 (c) The person receiving any of the essential community supports in this subdivision  
140.13 must also receive service coordination, not to exceed \$600 in a 12-month authorization  
140.14 period, as part of their community support plan.

140.15 (d) A person who has been determined to be eligible for essential community supports  
140.16 must be reassessed at least annually and continue to meet the criteria in paragraph (b) to  
140.17 remain eligible for essential community supports.

140.18 (e) The commissioner is authorized to use federal matching funds for essential community  
140.19 supports as necessary and to meet demand for essential community supports as outlined in  
140.20 subdivision 2, and that amount of federal funds is appropriated to the commissioner for this  
140.21 purpose.

140.22 Sec. 19. Minnesota Statutes 2016, section 256B.431, subdivision 10, is amended to read:

140.23 Subd. 10. **Property rate adjustments and construction projects.** A nursing facility  
140.24 completing a construction project that is eligible for a rate adjustment under section  
140.25 256B.434, subdivision 4f, and that was not approved through the moratorium exception  
140.26 process in section 144A.073 must request from the commissioner a property-related payment  
140.27 rate adjustment. ~~If the request is made within 60 days after the construction project's~~  
140.28 ~~completion date,~~ The effective date of the rate adjustment is the first of the month of January  
140.29 or July, whichever occurs first following both the construction project's completion date  
140.30 and submission of the provider's rate adjustment request. ~~If the request is made more than~~  
140.31 ~~60 days after the completion date, the rate adjustment is effective on the first of the month~~

141.1 ~~following the request.~~ The commissioner shall provide a rate notice reflecting the allowable  
141.2 costs within 60 days after receiving all the necessary information to compute the rate  
141.3 adjustment. No sooner than the effective date of the rate adjustment for the construction  
141.4 project, a nursing facility may adjust its rates by the amount anticipated to be allowed. Any  
141.5 amounts collected from private pay residents in excess of the allowable rate must be repaid  
141.6 to private pay residents with interest at the rate used by the commissioner of revenue for  
141.7 the late payment of taxes and in effect on the date the rate increase is effective. Construction  
141.8 projects with completion dates within one year of the completion date associated with the  
141.9 property rate adjustment request and phased projects with project completion dates within  
141.10 three years of the last phase of the phased project must be aggregated for purposes of the  
141.11 minimum thresholds in subdivisions 16 and 17, and the maximum threshold in section  
141.12 144A.071, subdivision 2. "Construction project" and "project construction costs" have the  
141.13 meanings given them in Minnesota Statutes, section 144A.071, subdivision 1a.

141.14 **EFFECTIVE DATE.** This section is effective for projects completed after January 1,  
141.15 2018.

141.16 Sec. 20. Minnesota Statutes 2016, section 256B.431, subdivision 16, is amended to read:

141.17 Subd. 16. **Major additions and replacements; equity incentive.** For rate years beginning  
141.18 after June 30, 1993, if a nursing facility acquires capital assets in connection with a project  
141.19 approved under the moratorium exception process in section 144A.073 or in connection  
141.20 with an addition to or replacement of buildings, attached fixtures, or land improvements  
141.21 for which the total historical cost of those capital asset additions exceeds the lesser of  
141.22 \$150,000 or ten percent of the most recent appraised value, the nursing facility shall be  
141.23 eligible for an equity incentive payment rate as in paragraphs (a) to (d). This computation  
141.24 is separate from the determination of the nursing facility's rental rate. An equity incentive  
141.25 payment rate as computed under this subdivision is limited to one in a 12-month period.

141.26 (a) An eligible nursing facility shall receive an equity incentive payment rate equal to  
141.27 the allowable historical cost of the capital asset acquired, minus the allowable debt directly  
141.28 identified to that capital asset, multiplied by the equity incentive factor as described in  
141.29 paragraphs (b) and (c), and divided by the nursing facility's occupancy factor under  
141.30 subdivision 3f, paragraph (c). This amount shall be added to the nursing facility's total  
141.31 payment rate and shall be effective the same day as the incremental increase in paragraph  
141.32 (d) or subdivision 17. The allowable historical cost of the capital assets and the allowable  
141.33 debt shall be determined as provided in Minnesota Rules, parts 9549.0010 to 9549.0080,  
141.34 and this section.

142.1 (b) The equity incentive factor shall be determined under clauses (1) to (4):

142.2 (1) divide the initial allowable debt in paragraph (a) by the initial historical cost of the  
142.3 capital asset additions referred to in paragraph (a), then cube the quotient,

142.4 (2) subtract the amount calculated in clause (1) from the number one,

142.5 (3) determine the difference between the rental factor and the lesser of two percentage  
142.6 points above the posted yield for standard conventional fixed rate mortgages of the Federal  
142.7 Home Loan Mortgage Corporation as published in the Wall Street Journal and in effect on  
142.8 the first day of the month the debt or cost is incurred, or 16 percent,

142.9 (4) multiply the amount calculated in clause (2) by the amount calculated in clause (3).

142.10 (c) The equity incentive payment rate shall be limited to the term of the allowable debt  
142.11 in paragraph (a), not greater than 20 years nor less than ten years. If no debt is incurred in  
142.12 acquiring the capital asset, the equity incentive payment rate shall be paid for ten years. The  
142.13 sale of a nursing facility under subdivision 14 shall terminate application of the equity  
142.14 incentive payment rate effective on the date provided in subdivision 14, paragraph (f), for  
142.15 the sale.

142.16 (d) A nursing facility with an addition to or a renovation of its buildings, attached fixtures,  
142.17 or land improvements meeting the criteria in this subdivision and not receiving the  
142.18 property-related payment rate adjustment in subdivision 17, shall receive the incremental  
142.19 increase in the nursing facility's rental rate as determined under Minnesota Rules, parts  
142.20 9549.0010 to 9549.0080, and this section. The incremental increase shall be added to the  
142.21 nursing facility's property-related payment rate. The effective date of this incremental  
142.22 increase shall be the first day of the month of January or July, whichever occurs first  
142.23 following the ~~month in~~ date on which the addition or replacement is completed.

142.24 **EFFECTIVE DATE.** This section is effective for additions or replacements completed  
142.25 after January 1, 2018.

142.26 Sec. 21. Minnesota Statutes 2016, section 256B.431, subdivision 30, is amended to read:

142.27 Subd. 30. **Bed layaway and delicensure.** (a) For rate years beginning on or after July  
142.28 1, 2000, a nursing facility reimbursed under this section which has placed beds on layaway  
142.29 shall, for purposes of application of the downsizing incentive in subdivision 3a, paragraph  
142.30 (c), and calculation of the rental per diem, have those beds given the same effect as if the  
142.31 beds had been delicensed so long as the beds remain on layaway. At the time of a layaway,  
142.32 a facility may change its single bed election for use in calculating capacity days under  
142.33 Minnesota Rules, part 9549.0060, subpart 11. The property payment rate increase shall be

143.1 effective the first day of the month of January or July, whichever occurs first following the  
143.2 ~~month in~~ date on which the layaway of the beds becomes effective under section 144A.071,  
143.3 subdivision 4b.

143.4 (b) For rate years beginning on or after July 1, 2000, notwithstanding any provision to  
143.5 the contrary under section 256B.434, a nursing facility reimbursed under that section ~~which~~  
143.6 that has placed beds on layaway shall, for so long as the beds remain on layaway, be allowed  
143.7 to:

143.8 (1) aggregate the applicable investment per bed limits based on the number of beds  
143.9 licensed immediately prior to entering the alternative payment system;

143.10 (2) retain or change the facility's single bed election for use in calculating capacity days  
143.11 under Minnesota Rules, part 9549.0060, subpart 11; and

143.12 (3) establish capacity days based on the number of beds immediately prior to the layaway  
143.13 and the number of beds after the layaway.

143.14 The commissioner shall increase the facility's property payment rate by the incremental  
143.15 increase in the rental per diem resulting from the recalculation of the facility's rental per  
143.16 diem applying only the changes resulting from the layaway of beds and clauses (1), (2), and  
143.17 (3). If a facility reimbursed under section 256B.434 completes a moratorium exception  
143.18 project after its base year, the base year property rate shall be the moratorium project property  
143.19 rate. The base year rate shall be inflated by the factors in section 256B.434, subdivision 4,  
143.20 paragraph (c). The property payment rate increase shall be effective the first day of the  
143.21 month of January or July, whichever occurs first following the ~~month in~~ date on which the  
143.22 layaway of the beds becomes effective.

143.23 (c) If a nursing facility removes a bed from layaway status in accordance with section  
143.24 144A.071, subdivision 4b, the commissioner shall establish capacity days based on the  
143.25 number of licensed and certified beds in the facility not on layaway and shall reduce the  
143.26 nursing facility's property payment rate in accordance with paragraph (b).

143.27 (d) For the rate years beginning on or after July 1, 2000, notwithstanding any provision  
143.28 to the contrary under section 256B.434, a nursing facility reimbursed under that section,  
143.29 ~~which~~ that has delicensed beds after July 1, 2000, by giving notice of the delicensure to the  
143.30 commissioner of health according to the notice requirements in section 144A.071, subdivision  
143.31 4b, shall be allowed to:

143.32 (1) aggregate the applicable investment per bed limits based on the number of beds  
143.33 licensed immediately prior to entering the alternative payment system;

144.1 (2) retain or change the facility's single bed election for use in calculating capacity days  
 144.2 under Minnesota Rules, part 9549.0060, subpart 11; and

144.3 (3) establish capacity days based on the number of beds immediately prior to the  
 144.4 delicensure and the number of beds after the delicensure.

144.5 The commissioner shall increase the facility's property payment rate by the incremental  
 144.6 increase in the rental per diem resulting from the recalculation of the facility's rental per  
 144.7 diem applying only the changes resulting from the delicensure of beds and clauses (1), (2),  
 144.8 and (3). If a facility reimbursed under section 256B.434 completes a moratorium exception  
 144.9 project after its base year, the base year property rate shall be the moratorium project property  
 144.10 rate. The base year rate shall be inflated by the factors in section 256B.434, subdivision 4,  
 144.11 paragraph (c). The property payment rate increase shall be effective the first day of the  
 144.12 month of January or July, whichever occurs first following the month in date on which the  
 144.13 delicensure of the beds becomes effective.

144.14 (e) For nursing facilities reimbursed under this section or section 256B.434, any beds  
 144.15 placed on layaway shall not be included in calculating facility occupancy as it pertains to  
 144.16 leave days defined in Minnesota Rules, part 9505.0415.

144.17 (f) For nursing facilities reimbursed under this section or section 256B.434, the rental  
 144.18 rate calculated after placing beds on layaway may not be less than the rental rate prior to  
 144.19 placing beds on layaway.

144.20 (g) A nursing facility receiving a rate adjustment as a result of this section shall comply  
 144.21 with section ~~256B.47, subdivision 2~~ 256R.06, subdivision 5.

144.22 (h) A facility that does not utilize the space made available as a result of bed layaway  
 144.23 or delicensure under this subdivision to reduce the number of beds per room or provide  
 144.24 more common space for nursing facility uses or perform other activities related to the  
 144.25 operation of the nursing facility shall have its property rate increase calculated under this  
 144.26 subdivision reduced by the ratio of the square footage made available that is not used for  
 144.27 these purposes to the total square footage made available as a result of bed layaway or  
 144.28 delicensure.

144.29 **EFFECTIVE DATE.** This section is effective for layaways occurring after July 1, 2017.

144.30 Sec. 22. Minnesota Statutes 2016, section 256B.434, subdivision 4, is amended to read:

144.31 Subd. 4. **Alternate rates for nursing facilities.** Effective for the rate years beginning  
 144.32 on and after January 1, 2019, a nursing facility's ~~ease mix~~ property payment rates rate for

 145.9 from the midpoint of the previous rate year to the midpoint of the rate year for which the  
 145.10 rate is being determined. ~~For the rate years beginning on July 1, 1999, July 1, 2000, July 1,~~

 145.16 ~~adjustment to the property payment rate under this section and section 256B.431 shall be~~  
 145.17 ~~effective on October 1. In determining the amount of the property-related payment rate~~  
 145.18 ~~adjustment under this paragraph, the commissioner shall determine the proportion of the~~  
 145.19 ~~facility's rates that are property-related based on the facility's most recent cost report.~~

145.20 **EFFECTIVE DATE.** This section is effective the day following final enactment.

145.21 Sec. 23. Minnesota Statutes 2016, section 256B.434, subdivision 4f, is amended to read:

145.22 Subd. 4f. **Construction project rate adjustments effective October 1, 2006.** (a)  
 145.23 Effective October 1, 2006, facilities reimbursed under this section may receive a property  
 145.24 rate adjustment for construction projects exceeding the threshold in section 256B.431,  
 145.25 subdivision 16, and below the threshold in section 144A.071, subdivision 2, clause (a). For  
 145.26 these projects, capital assets purchased shall be counted as construction project costs for a  
 145.27 rate adjustment request made by a facility if they are: (1) purchased within 24 months of  
 145.28 the completion of the construction project; (2) purchased after the completion date of any  
 145.29 prior construction project; and (3) are not purchased prior to July 14, 2005. Except as  
 145.30 otherwise provided in this subdivision, the definitions, rate calculation methods, and  
 145.31 principles in sections 144A.071 and 256B.431 and Minnesota Rules, parts 9549.0010 to  
 145.32 9549.0080, shall be used to calculate rate adjustments for allowable construction projects  
 145.33 under this subdivision and section 144A.073. Facilities completing construction projects  
 145.34 between October 1, 2005, and October 1, 2006, are eligible to have a property rate adjustment  
 145.35 effective October 1, 2006. Facilities completing projects after October 1, 2006, are eligible

146.1 for a property rate adjustment effective on the first day of the month following the completion  
146.2 date. Facilities completing projects after January 1, 2018, are eligible for a property rate  
146.3 adjustment effective on the first day of the month of January or July, whichever occurs  
146.4 immediately following the completion date.

146.5 (b) Notwithstanding subdivision 18, as of July 14, 2005, facilities with rates set under  
146.6 section 256B.431 and Minnesota Rules, parts 9549.0010 to 9549.0080, that commenced a  
146.7 construction project on or after October 1, 2004, and do not have a contract under subdivision  
146.8 3 by September 30, 2006, are eligible to request a rate adjustment under section 256B.431,  
146.9 subdivision 10, through September 30, 2006. If the request results in the commissioner  
146.10 determining a rate adjustment is allowable, the rate adjustment is effective on the first of  
146.11 the month following project completion. These facilities shall be allowed to accumulate  
146.12 construction project costs for the period October 1, 2004, to September 30, 2006.

146.13 (c) Facilities shall be allowed construction project rate adjustments no sooner than 12  
146.14 months after completing a previous construction project. Facilities must request the rate  
146.15 adjustment according to section 256B.431, subdivision 10.

146.16 (d) Capacity days shall be computed according to Minnesota Rules, part 9549.0060,  
146.17 subpart 11. For rate calculations under this section, the number of licensed beds in the  
146.18 nursing facility shall be the number existing after the construction project is completed and  
146.19 the number of days in the nursing facility's reporting period shall be 365.

146.20 (e) The value of assets to be recognized for a total replacement project as defined in  
146.21 section 256B.431, subdivision 17d, shall be computed as described in clause (1). The value  
146.22 of assets to be recognized for all other projects shall be computed as described in clause  
146.23 (2).

146.24 (1) Replacement-cost-new limits under section 256B.431, subdivision 17e, and the  
146.25 number of beds allowed under subdivision 3a, paragraph (c), shall be used to compute the  
146.26 maximum amount of assets allowable in a facility's property rate calculation. If a facility's  
146.27 current request for a rate adjustment results from the completion of a construction project  
146.28 that was previously approved under section 144A.073, the assets to be used in the rate  
146.29 calculation cannot exceed the lesser of the amount determined under sections 144A.071,  
146.30 subdivision 2, and 144A.073, subdivision 3b, or the actual allowable costs of the construction  
146.31 project. A current request that is not the result of a project under section 144A.073 cannot  
146.32 exceed the limit under section 144A.071, subdivision 2, paragraph (a). Applicable credits  
146.33 must be deducted from the cost of the construction project.

147.1 (2)(i) Replacement-cost-new limits under section 256B.431, subdivision 17e, and the  
147.2 number of beds allowed under section 256B.431, subdivision 3a, paragraph (c), shall be  
147.3 used to compute the maximum amount of assets allowable in a facility's property rate  
147.4 calculation.

147.5 (ii) The value of a facility's assets to be compared to the amount in item (i) begins with  
147.6 the total appraised value from the last rate notice a facility received when its rates were set  
147.7 under section 256B.431 and Minnesota Rules, parts 9549.0010 to 9549.0080. This value  
147.8 shall be indexed by the factor in section 256B.431, subdivision 3f, paragraph (a), for each  
147.9 rate year the facility received an inflation factor on its property-related rate when its rates  
147.10 were set under this section. The value of assets listed as previous capital additions, capital  
147.11 additions, and special projects on the facility's base year rate notice and the value of assets  
147.12 related to a construction project for which the facility received a rate adjustment when its  
147.13 rates were determined under this section shall be added to the indexed appraised value.

147.14 (iii) The maximum amount of assets to be recognized in computing a facility's rate  
147.15 adjustment after a project is completed is the lesser of the aggregate replacement-cost-new  
147.16 limit computed in (i) minus the assets recognized in (ii) or the actual allowable costs of the  
147.17 construction project.

147.18 (iv) If a facility's current request for a rate adjustment results from the completion of a  
147.19 construction project that was previously approved under section 144A.073, the assets to be  
147.20 added to the rate calculation cannot exceed the lesser of the amount determined under  
147.21 sections 144A.071, subdivision 2, and 144A.073, subdivision 3b, or the actual allowable  
147.22 costs of the construction project. A current request that is not the result of a project under  
147.23 section 144A.073 cannot exceed the limit stated in section 144A.071, subdivision 2,  
147.24 paragraph (a). Assets disposed of as a result of a construction project and applicable credits  
147.25 must be deducted from the cost of the construction project.

147.26 (f) For construction projects approved under section 144A.073, allowable debt may  
147.27 never exceed the lesser of the cost of the assets purchased, the threshold limit in section  
147.28 144A.071, subdivision 2, or the replacement-cost-new limit less previously existing capital  
147.29 debt.

147.30 (g) For construction projects that were not approved under section 144A.073, allowable  
147.31 debt is limited to the lesser of the threshold in section 144A.071, subdivision 2, for such  
147.32 construction projects or the applicable limit in paragraph (e), clause (1) or (2), less previously  
147.33 existing capital debt. Amounts of debt taken out that exceed the costs of a construction  
147.34 project shall not be allowed regardless of the use of the funds.

148.1 For all construction projects being recognized, interest expense and average debt shall  
148.2 be computed based on the first 12 months following project completion. "Previously existing  
148.3 capital debt" means capital debt recognized on the last rate determined under section  
148.4 256B.431 and Minnesota Rules, parts 9549.0010 to 9549.0080, and the amount of debt  
148.5 recognized for a construction project for which the facility received a rate adjustment when  
148.6 its rates were determined under this section.

148.7 For a total replacement project as defined in section 256B.431, subdivision 17d, the  
148.8 value of previously existing capital debt shall be zero.

148.9 (h) In addition to the interest expense allowed from the application of paragraph (f), the  
148.10 amounts allowed under section 256B.431, subdivision 17a, paragraph (a), clauses (2) and  
148.11 (3), will be added to interest expense.

148.12 (i) The equity portion of the construction project shall be computed as the allowable  
148.13 assets in paragraph (e), less the average debt in paragraph (f). The equity portion must be  
148.14 multiplied by 5.66 percent and the allowable interest expense in paragraph (f) must be added.  
148.15 This sum must be divided by 95 percent of capacity days to compute the construction project  
148.16 rate adjustment.

148.17 (j) For projects that are not a total replacement of a nursing facility, the amount in  
148.18 paragraph (i) is adjusted for nonreimbursable areas and then added to the current property  
148.19 payment rate of the facility.

148.20 (k) For projects that are a total replacement of a nursing facility, the amount in paragraph  
148.21 (i) becomes the new property payment rate after being adjusted for nonreimbursable areas.  
148.22 Any amounts existing in a facility's rate before the effective date of the construction project  
148.23 for equity incentives under section 256B.431, subdivision 16; capital repairs and replacements  
148.24 under section 256B.431, subdivision 15; or refinancing incentives under section 256B.431,  
148.25 subdivision 19, shall be removed from the facility's rates.

148.26 (l) No additional equipment allowance is allowed under Minnesota Rules, part 9549.0060,  
148.27 subpart 10, as the result of construction projects under this section. Allowable equipment  
148.28 shall be included in the construction project costs.

148.29 (m) Capital assets purchased after the completion date of a construction project shall be  
148.30 counted as construction project costs for any future rate adjustment request made by a facility  
148.31 under section 144A.071, subdivision 2, clause (a), if they are purchased within 24 months  
148.32 of the completion of the future construction project.

149.1 (n) In subsequent rate years, the property payment rate for a facility that results from  
149.2 the application of this subdivision shall be the amount inflated in subdivision 4.

149.3 (o) Construction projects are eligible for an equity incentive under section 256B.431,  
149.4 subdivision 16. When computing the equity incentive for a construction project under this  
149.5 subdivision, only the allowable costs and allowable debt related to the construction project  
149.6 shall be used. The equity incentive shall not be a part of the property payment rate and not  
149.7 inflated under subdivision 4. Effective October 1, 2006, all equity incentives for nursing  
149.8 facilities reimbursed under this section shall be allowed for a duration determined under  
149.9 section 256B.431, subdivision 16, paragraph (c).

149.10 **EFFECTIVE DATE.** This section is effective January 1, 2018.

149.11 Sec. 24. Minnesota Statutes 2016, section 256B.50, subdivision 1b, is amended to read:

149.12 Subd. 1b. **Filing an appeal.** To appeal, the provider shall file with the commissioner a  
149.13 written notice of appeal; the appeal must be postmarked or received by the commissioner  
149.14 within 60 days of the publication date ~~the determination of the payment rate was mailed or~~  
149.15 ~~personally received by a provider, whichever is earlier~~ printed on the rate notice. The notice  
149.16 of appeal must specify each disputed item; the reason for the dispute; the total dollar amount  
149.17 in dispute for each separate disallowance, allocation, or adjustment of each cost item or part  
149.18 of a cost item; the computation that the provider believes is correct; the authority in statute  
149.19 or rule upon which the provider relies for each disputed item; the name and address of the

149.26 subpart 7, a vacant bed in an intermediate care facility for persons with developmental  
149.27 disabilities shall be counted as a reserved bed when determining occupancy rates and

 151.11 the commissioner shall allow a scholarship per diem of up to 25 cents for each nursing  
 151.12 facility with no scholarship per diem that is requesting a scholarship per diem to be added  
 151.13 to the external fixed payment rate to be used:

151.14 (1) for employee scholarships that satisfy the following requirements:

151.15 (i) scholarships are available to all employees who work an average of at least ten hours  
 151.16 per week at the facility except the administrator, and to reimburse student loan expenses  
 151.17 for newly hired ~~and recently graduated~~ registered nurses and licensed practical nurses, and

152.8 Sec. 32. Minnesota Statutes 2016, section 256R.40, subdivision 5, is amended to read:

152.9 Subd. 5. **Planned closure rate adjustment.** (a) The commissioner shall calculate the

152.13 (2) the total number of beds in the nursing facility or facilities receiving the planned  
152.14 closure rate adjustment must be identified;

152.15 (3) capacity days are determined by multiplying the number determined under clause  
152.16 (2) by 365; and

152.17 (4) the planned closure rate adjustment is the amount available in clause (1), divided by  
152.18 capacity days determined under clause (3).

152.19 (b) A planned closure rate adjustment under this section is effective on the first day of  
152.20 the month of January or July, whichever occurs immediately following completion of closure  
152.21 of the facility designated for closure in the application and becomes part of the nursing

152.24 closure rate adjustment as provided under section 144A.161, subdivision 10.

152.25 (d) A facility that has received a planned closure rate adjustment may reassign it to  
152.26 another facility that is under the same ownership at any time within three years of its effective  
152.27 date. The amount of the adjustment is computed according to paragraph (a).

152.28 (e) If the per bed dollar amount specified in paragraph (a), clause (1), is increased, the  
152.29 commissioner shall recalculate planned closure rate adjustments for facilities that delicense  
152.30 beds under this section on or after July 1, 2001, to reflect the increase in the per bed dollar  
152.31 amount. The recalculated planned closure rate adjustment is effective from the date the per  
152.32 bed dollar amount is increased.

153.1 **EFFECTIVE DATE.** This section is effective for closures occurring after July 1, 2017.

153.3 **256R.41 SINGLE-BED ROOM INCENTIVE.**

153.4 (a) Beginning July 1, 2005, the operating payment rate for nursing facilities reimbursed  
 153.5 under this chapter shall be increased by 20 percent multiplied by the ratio of the number of  
 153.6 new single-bed rooms created divided by the number of active beds on July 1, 2005, for  
 153.7 each bed closure that results in the creation of a single-bed room after July 1, 2005. The  
 153.8 commissioner may implement rate adjustments for up to 3,000 new single-bed rooms each  
 153.9 year. For eligible bed closures for which the commissioner receives a notice from a facility  
 153.10 ~~during a calendar quarter~~ that a bed has been delicensed and a new single-bed room has  
 153.11 been established, the rate adjustment in this paragraph shall be effective on either the first  
 153.12 day of the second month following that calendar quarter of January or July, whichever  
 153.13 occurs immediately following the date of the bed delicensure.

153.14 (b) A nursing facility is prohibited from discharging residents for purposes of establishing  
 153.15 single-bed rooms. A nursing facility must submit documentation to the commissioner in a  
 153.16 form prescribed by the commissioner, certifying the occupancy status of beds closed to  
 153.17 create single-bed rooms. In the event that the commissioner determines that a facility has  
 153.18 discharged a resident for purposes of establishing a single-bed room, the commissioner shall  
 153.19 not provide a rate adjustment under paragraph (a).

153.20 **EFFECTIVE DATE.** This section is effective for closures occurring after July 1, 2017.

153.21 Sec. 34. Minnesota Statutes 2016, section 256R.47, is amended to read:

153.22 **256R.47 RATE ADJUSTMENT FOR CRITICAL ACCESS NURSING**  
 153.23 **FACILITIES.**

153.24 (a) The commissioner, in consultation with the commissioner of health, may designate  
 153.25 certain nursing facilities as critical access nursing facilities. The designation shall be granted  
 153.26 on a competitive basis, within the limits of funds appropriated for this purpose.

153.27 (b) The commissioner shall request proposals from nursing facilities every two years.  
 153.28 Proposals must be submitted in the form and according to the timelines established by the  
 153.29 commissioner. In selecting applicants to designate, the commissioner, in consultation with  
 153.30 the commissioner of health, and with input from stakeholders, shall develop criteria designed  
 153.31 to preserve access to nursing facility services in isolated areas, rebalance long-term care,

154.1 and improve quality. To the extent practicable, the commissioner shall ensure an even  
154.2 distribution of designations across the state.

154.3 (c) The commissioner shall allow the benefits in clauses (1) to (5) for nursing facilities  
154.4 designated as critical access nursing facilities:

154.5 (1) partial rebasing, with the commissioner allowing a designated facility operating  
154.6 payment rates being the sum of up to 60 percent of the operating payment rate determined  
154.7 in accordance with section 256R.21, subdivision 3, and at least 40 percent, with the sum of  
154.8 the two portions being equal to 100 percent, of the operating payment rate that would have  
154.9 been allowed had the facility not been designated. The commissioner may adjust these  
154.10 percentages by up to 20 percent and may approve a request for less than the amount allowed;

154.11 (2) enhanced payments for leave days. Notwithstanding section 256R.43, upon  
154.12 designation as a critical access nursing facility, the commissioner shall limit payment for  
154.13 leave days to 60 percent of that nursing facility's total payment rate for the involved resident,  
154.14 and shall allow this payment only when the occupancy of the nursing facility, inclusive of  
154.15 bed hold days, is equal to or greater than 90 percent;

154.16 (3) two designated critical access nursing facilities, with up to 100 beds in active service,  
154.17 may jointly apply to the commissioner of health for a waiver of Minnesota Rules, part  
154.18 4658.0500, subpart 2, in order to jointly employ a director of nursing. The commissioner  
154.19 of health shall consider each waiver request independently based on the criteria under  
154.20 Minnesota Rules, part 4658.0040;

154.21 (4) the minimum threshold under section 256B.431, subdivision 15, paragraph (e), shall  
154.22 be 40 percent of the amount that would otherwise apply; and

154.23 (5) the quality-based rate limits under section 256R.23, subdivisions 5 to 7, apply to  
154.24 designated critical access nursing facilities.

154.25 (d) Designation of a critical access nursing facility is for a period of two years, after  
154.26 which the benefits allowed under paragraph (c) shall be removed. Designated facilities may  
154.27 apply for continued designation.

154.28 (e) This section is suspended and no state or federal funding shall be appropriated or  
154.29 allocated for the purposes of this section from January 1, 2016, to December 31, ~~2017~~ 2019.

154.30 **EFFECTIVE DATE.** This section is effective the day following final enactment.

155.1 Sec. 35. Minnesota Statutes 2016, section 256R.49, subdivision 1, is amended to read:

155.2 Subdivision 1. **Rate adjustments for compensation-related costs.** (a) ~~Operating payment~~  
 155.3 ~~rates of all nursing facilities that are reimbursed under this chapter shall be increased effective~~  
 155.4 ~~for rate years beginning on and after October 1, 2014, to address changes in compensation~~

 155.7 January 1, 2018, and rate increases provided on or after October 1, 2016, expire effective  
 155.8 January 1, 2019.

155.9 (b) Nursing facilities that receive approval of the applications in subdivision 2 must  
 155.10 receive rate adjustments according to subdivision 4. The rate adjustments must be used to  
 155.11 pay compensation costs for nursing facility employees paid less than \$14 per hour.

155.12 **EFFECTIVE DATE.** This section is effective the day following final enactment.

155.13 Sec. 36. **DIRECTION TO COMMISSIONER; ADULT DAY SERVICES STAFFING**  
 155.14 **RATIOS.**

155.15 The commissioner of human services shall study the staffing ratio for adult day services  
 155.16 clients and shall provide the chairs and ranking minority members of the house of  
 155.17 representatives and senate committees with jurisdiction over adult day services with  
 155.18 recommendations to adjust staffing ratios based on client needs by January 1, 2018.

### HEALTH CARE

155.27 Section 1. Minnesota Statutes 2016, section 3.972, is amended by adding a subdivision  
 155.28 to read:

155.29 Subd. 2b. **Audits of managed care organizations.** (a) The legislative auditor shall audit  
 155.30 each managed care organization that contracts with the commissioner of human services to  
 155.31 provide health care services under sections 256B.69, 256B.692, and 256L.12. The legislative

156.1 auditor shall design the audits to determine if a managed care organization used the public  
 156.2 money in compliance with federal and state laws, rules, and in accordance with provisions  
 156.3 in the managed care organization's contract with the commissioner of human services. The  
 156.4 legislative auditor shall determine the schedule and scope of the audit work and may contract  
 156.5 with vendors to assist with the audits. The managed care organization must cooperate with  
 156.6 the legislative auditor and must provide the legislative auditor with all data, documents, and  
 156.7 other information, regardless of classification, that the legislative auditor requests to conduct  
 156.8 an audit. The legislative auditor shall periodically report audit results and recommendations  
 156.9 to the Legislative Audit Commission and the chairs and ranking minority members of the  
 156.10 legislative committees with jurisdiction over health and human services policy and finance.

156.11 (b) For purposes of this subdivision, a "managed care organization" means a  
 156.12 demonstration provider as defined under section 256B.69, subdivision 2.

156.13 Sec. 2. Minnesota Statutes 2016, section 13.69, subdivision 1, is amended to read:

156.14 Subdivision 1. **Classifications.** (a) The following government data of the Department  
 156.15 of Public Safety are private data:

156.16 (1) medical data on driving instructors, licensed drivers, and applicants for parking  
 156.17 certificates and special license plates issued to physically disabled persons;

156.18 (2) other data on holders of a disability certificate under section 169.345, except that (i)  
 156.19 data that are not medical data may be released to law enforcement agencies, and (ii) data  
 156.20 necessary for enforcement of sections 169.345 and 169.346 may be released to parking  
 156.21 enforcement employees or parking enforcement agents of statutory or home rule charter  
 156.22 cities and towns;

156.23 (3) Social Security numbers in driver's license and motor vehicle registration records,  
 156.24 except that Social Security numbers must be provided to the Department of Revenue for  
 156.25 purposes of tax administration, the Department of Labor and Industry for purposes of  
 156.26 workers' compensation administration and enforcement, the Department of Human Services  
 156.27 for purposes of recovery of Minnesota health care program benefits paid, and the Department  
 156.28 of Natural Resources for purposes of license application administration; and

156.29 (4) data on persons listed as standby or temporary custodians under section 171.07,  
 156.30 subdivision 11, except that the data must be released to:

156.31 (i) law enforcement agencies for the purpose of verifying that an individual is a designated  
 156.32 caregiver; or

157.1 (ii) law enforcement agencies who state that the license holder is unable to communicate  
 157.2 at that time and that the information is necessary for notifying the designated caregiver of  
 157.3 the need to care for a child of the license holder.

157.4 The department may release the Social Security number only as provided in clause (3)  
 157.5 and must not sell or otherwise provide individual Social Security numbers or lists of Social  
 157.6 Security numbers for any other purpose.

157.7 (b) The following government data of the Department of Public Safety are confidential  
 157.8 data: data concerning an individual's driving ability when that data is received from a member  
 157.9 of the individual's family.

157.10 **EFFECTIVE DATE.** This section is effective July 1, 2017.

157.11 Sec. 3. Minnesota Statutes 2016, section 62U.02, is amended to read:

157.12 **62U.02 PAYMENT RESTRUCTURING; QUALITY INCENTIVE PAYMENTS.**

157.13 Subdivision 1. **Development.** (a) The commissioner of health shall develop a standardized  
 157.14 set of measures for use by health plan companies as specified in subdivision 5. As part of  
 157.15 the standardized set of measures, the commissioner shall establish statewide measures by  
 157.16 which to assess the quality of health care services offered by health care providers, including  
 157.17 health care providers certified as health care homes under section 256B.0751. Quality  
 157.18 measures must be based on medical evidence and be developed through a process in which  
 157.19 providers participate. The statewide measures shall be used for the quality incentive payment  
 157.20 system developed in subdivision 2 and the quality transparency requirements in subdivision  
 157.21 3. The statewide measures must:

157.22 (1) for purposes of assessing the quality of care provided at physician clinics, including  
 157.23 clinics certified as health care homes under section 256B.0751, be selected from the available  
 157.24 measures as defined in Code of Federal Regulations, title 42, part 414 or 495, as amended,  
 157.25 unless the stakeholders identified under paragraph (b) determine that a particular diagnosis,  
 157.26 condition, service, or procedure is not reflected in any of the available measures in a way  
 157.27 that meets identified needs;

157.28 (2) be based on medical evidence;

157.29 (3) be developed through a process in which providers participate and consumer and  
 157.30 community input and perspectives are obtained;

157.31 ~~(4)~~ (4) include uniform definitions, measures, and forms for submission of data, to the  
 157.32 greatest extent possible;

158.1 ~~(2)~~ (5) seek to avoid increasing the administrative burden on health care providers; and

158.2 ~~(3)~~ be initially based on existing quality indicators for physician and hospital services,

158.3 which are measured and reported publicly by quality measurement organizations, including,

158.4 but not limited to, Minnesota Community Measurement and specialty societies;

158.5 ~~(4)~~ (6) place a priority on measures of health care outcomes, rather than process measures,

158.6 wherever possible; and

158.7 ~~(5)~~ incorporate measures for primary care, including preventive services, coronary artery

158.8 and heart disease, diabetes, asthma, depression, and other measures as determined by the

158.9 commissioner.

158.10 The measures may also include measures of care infrastructure and patient satisfaction.

158.11 (b) By June 30, 2018, the commissioner shall develop a measurement framework that

158.12 identifies the most important elements for assessing the quality of care, articulates statewide

158.13 quality improvement goals, ensures clinical relevance, fosters alignment with other

158.14 measurement efforts, and defines the roles of stakeholders. By December 15, 2018, the

158.15 commissioner shall use the framework to update the statewide measures used to assess the

158.16 quality of health care services offered by health care providers, including health care

158.17 providers certified as health care homes under section 256B.0751. No more than six statewide

158.18 measures shall be required for single-specialty physician practices and no more than ten

158.19 statewide measures shall be required for multispecialty physician practices. Measures in

158.20 addition to the six statewide measures for single-specialty practices and the ten statewide

158.21 measures for multispecialty practices may be included for a physician practice if derived

158.22 from administrative claims data. Care infrastructure measures collected according to section

158.23 62J.495 shall not be counted toward the maximum number of measures specified in this

158.24 paragraph. The commissioner shall develop the framework in consultation with stakeholders

158.25 that include consumer, community, and advocacy organizations representing diverse

158.26 communities and patients; health plan companies; health care providers whose quality is

158.27 assessed, including providers who serve primarily socioeconomically complex patient

158.28 populations; health care purchasers; community health boards; and quality improvement

158.29 and measurement organizations. The commissioner, in consultation with stakeholders, shall

158.30 review the framework at least once every three years. The commissioner shall also submit

158.31 a report to the chairs and ranking minority members of the legislative committees with

158.32 jurisdiction over health and human services policy and finance by September 30, 2018,

158.33 summarizing the development of the measurement framework and making recommendations

159.1 on the type and appropriate maximum number of measures in the statewide measures set  
159.2 for implementation on January 1, 2020.

159.3 ~~(b)~~ (c) Effective July 1, 2016, the commissioner shall stratify quality measures by race,  
159.4 ethnicity, preferred language, and country of origin beginning with five measures, and  
159.5 stratifying additional measures to the extent resources are available. On or after January 1,  
159.6 2018, the commissioner may require measures to be stratified by other sociodemographic  
159.7 factors or composite indices of multiple factors that according to reliable data are correlated  
159.8 with health disparities and have an impact on performance on quality or cost indicators.  
159.9 New methods of stratifying data under this paragraph must be tested and evaluated through  
159.10 pilot projects prior to adding them to the statewide system. In determining whether to add  
159.11 additional sociodemographic factors and developing the methodology to be used, the  
159.12 commissioner shall consider the reporting burden on providers and determine whether there  
159.13 are alternative sources of data that could be used. The commissioner shall ensure that  
159.14 categories and data collection methods are developed in consultation with those communities  
159.15 impacted by health disparities using culturally appropriate community engagement principles  
159.16 and methods. The commissioner shall implement this paragraph in coordination with the  
159.17 contracting entity retained under subdivision 4, in order to build upon the data stratification  
159.18 methodology that has been developed and tested by the entity. Nothing in this paragraph  
159.19 expands or changes the commissioner's authority to collect, analyze, or report health care  
159.20 data. Any data collected to implement this paragraph must be data that is available or is  
159.21 authorized to be collected under other laws. Nothing in this paragraph grants authority to  
159.22 the commissioner to collect or analyze patient-level or patient-specific data of the patient  
159.23 characteristics identified under this paragraph.

159.24 ~~(e)~~ (d) The statewide measures shall be reviewed at least annually by the commissioner.

159.25 Subd. 2. **Quality incentive payments.** (a) By July 1, 2009, the commissioner shall  
159.26 develop a system of quality incentive payments under which providers are eligible for  
159.27 quality-based payments that are in addition to existing payment levels, based upon a  
159.28 comparison of provider performance against specified targets, and improvement over time.  
159.29 The targets must be based upon and consistent with the quality measures established under  
159.30 subdivision 1.

159.31 (b) To the extent possible, the payment system must adjust for variations in patient  
159.32 population in order to reduce incentives to health care providers to avoid high-risk patients  
159.33 or populations, including those with risk factors related to race, ethnicity, language, country  
159.34 of origin, and sociodemographic factors.

160.1 (c) The requirements of section 62Q.101 do not apply under this incentive payment  
160.2 system.

160.3 Subd. 3. **Quality transparency.** (a) The commissioner shall establish standards for  
160.4 measuring health outcomes, establish a system for risk adjusting quality measures, and issue  
160.5 annual periodic public reports on trends in provider quality beginning July 1, 2010 at the  
160.6 statewide, regional, or clinic levels.

160.7 (b) Effective July 1, 2017, the risk adjustment system established under this subdivision  
160.8 shall adjust for patient characteristics identified under subdivision 1, paragraph ~~(b)~~ (c), that  
160.9 are correlated with health disparities and have an impact on performance on cost and quality  
160.10 measures. The risk adjustment method may consist of reporting based on an  
160.11 actual-to-expected comparison that reflects the characteristics of the patient population  
160.12 served by the clinic or hospital. The commissioner shall implement this paragraph in  
160.13 coordination with any contracting entity retained under subdivision 4.

160.14 (c) ~~By January 1, 2010,~~ Physician clinics and hospitals shall submit standardized  
160.15 ~~electronic information on the outcomes and processes associated with patient care for the~~  
160.16 ~~identified statewide measures~~ to the commissioner or the commissioner's designee in the  
160.17 formats specified by the commissioner, which must include alternative formats for clinics  
160.18 or hospitals experiencing technological or economic barriers to submission in standardized  
160.19 electronic form. ~~In addition to measures of care processes and outcomes, the report may~~  
160.20 ~~include other measures designated by the commissioner, including, but not limited to, care~~  
160.21 ~~infrastructure and patient satisfaction. The commissioner shall ensure that any quality data~~  
160.22 ~~reporting requirements established under this subdivision are not duplicative of publicly~~  
160.23 ~~reported, communitywide quality reporting activities currently under way in Minnesota.~~  
160.24 The commissioner shall ensure that any quality data reporting requirements for physician  
160.25 clinics are aligned with the specifications and timelines for the selected measures as defined  
160.26 in subdivision 1, paragraph (a), clause (1). The commissioner may develop additional data  
160.27 on race, ethnicity, preferred language, country of origin, or other sociodemographic factors  
160.28 as identified under subdivision 1, paragraph (c), and as required for stratification or risk  
160.29 adjustment. None of the statewide measures selected shall require providers to use an external  
160.30 vendor to administer or collect data. ~~Nothing in this subdivision is intended to replace or~~  
160.31 ~~duplicate current privately supported activities related to quality measurement and reporting~~  
160.32 ~~in Minnesota.~~

160.33 Subd. 4. **Contracting.** The commissioner may contract with a private entity or consortium  
160.34 of private entities to complete the tasks in subdivisions 1 to 3. The private entity or  
160.35 consortium must be nonprofit and have governance that includes representatives from the

161.1 following stakeholder groups: health care providers, including providers serving high  
 161.2 concentrations of patients and communities impacted by health disparities; health plan  
 161.3 companies; consumers, including consumers representing groups who experience health  
 161.4 disparities; employers or other health care purchasers; and state government. No one  
 161.5 stakeholder group shall have a majority of the votes on any issue or hold extraordinary  
 161.6 powers not granted to any other governance stakeholder.

161.7 Subd. 5. **Implementation.** ~~(a) By January 1, 2010,~~ Health plan companies shall use the  
 161.8 standardized quality set of measures established under this section and shall not require  
 161.9 providers to use and report health plan company-specific quality and outcome measures.

161.10 ~~(b) By July 1, 2010, the commissioner of management and budget shall implement this~~  
 161.11 ~~incentive payment system for all participants in the state employee group insurance program.~~

161.12 Sec. 4. Minnesota Statutes 2016, section 62V.05, subdivision 12, is amended to read:

161.13 Subd. 12. **Reports on interagency agreements and intra-agency transfers.** The  
 161.14 MNsure Board shall provide quarterly reports to the chairs and ranking minority members  
 161.15 of the legislative committees with jurisdiction over health and human services policy and  
 161.16 finance on:

161.17 (1) interagency agreements or service-level agreements and any renewals or extensions  
 161.18 of existing interagency or service-level agreements with a state department under section  
 161.19 15.01, state agency under section 15.012, or the Office of MN.IT Services, with a value of  
 161.20 more than \$100,000, or related agreements with the same department or agency with a  
 161.21 cumulative value of more than \$100,000; and

161.22 (2) transfers of appropriations of more than \$100,000 between accounts within or between  
 161.23 agencies.

161.24 The report must include the statutory citation authorizing the agreement, transfer or dollar  
 161.25 amount, purpose, and effective date of the agreement, and the duration of the agreement,  
 161.26 ~~and a copy of the agreement.~~

161.27 Sec. 5. Minnesota Statutes 2016, section 256.01, is amended by adding a subdivision to  
 161.28 read:

161.29 Subd. 18f. **Asset verification system.** The commissioner shall implement the Asset  
 161.30 Verification System (AVS) according to Public Law 110-252, title VII, section 7001(d), to  
 161.31 verify assets for an individual applying for or renewing health care benefits under section

162.26 distinct parts as defined by Medicare shall be paid according to the methodology under  
162.27 subdivision 12; and

162.28 (4) all other hospitals shall be paid on a diagnosis-related group (DRG) methodology.

162.29 (b) For the period beginning January 1, 2011, through October 31, 2014, rates shall not  
162.30 be rebased, except that a Minnesota long-term hospital shall be rebased effective January  
162.31 1, 2011, based on its most recent Medicare cost report ending on or before September 1,

163.1 2008, with the provisions under subdivisions 9 and 23, based on the rates in effect on  
163.2 December 31, 2010. For rate setting periods after November 1, 2014, in which the base  
163.3 years are updated, a Minnesota long-term hospital's base year shall remain within the same  
163.4 period as other hospitals.

163.5 (c) Effective for discharges occurring on and after November 1, 2014, payment rates  
163.6 for hospital inpatient services provided by hospitals located in Minnesota or the local trade  
163.7 area, except for the hospitals paid under the methodologies described in paragraph (a),  
163.8 clauses (2) and (3), shall be rebased, incorporating cost and payment methodologies in a  
163.9 manner similar to Medicare. The base year for the rates effective November 1, 2014, shall  
163.10 be calendar year 2012. The rebasing under this paragraph shall be budget neutral, ensuring  
163.11 that the total aggregate payments under the rebased system are equal to the total aggregate  
163.12 payments that were made for the same number and types of services in the base year. Separate  
163.13 budget neutrality calculations shall be determined for payments made to critical access  
163.14 hospitals and payments made to hospitals paid under the DRG system. Only the rate increases  
163.15 or decreases under subdivision 3a or 3c that applied to the hospitals being rebased during  
163.16 the entire base period shall be incorporated into the budget neutrality calculation.

163.17 (d) For discharges occurring on or after November 1, 2014, through the next rebasing  
163.18 that occurs, the rebased rates under paragraph (c) that apply to hospitals under paragraph  
163.19 (a), clause (4), shall include adjustments to the projected rates that result in no greater than  
163.20 a five percent increase or decrease from the base year payments for any hospital. Any  
163.21 adjustments to the rates made by the commissioner under this paragraph and paragraph (e)  
163.22 shall maintain budget neutrality as described in paragraph (c).

163.23 (e) For discharges occurring on or after November 1, 2014, through the next rebasing  
163.24 that occurs the commissioner may make additional adjustments to the rebased rates, and  
163.25 when evaluating whether additional adjustments should be made, the commissioner shall  
163.26 consider the impact of the rates on the following:

163.27 (1) pediatric services;

163.28 (2) behavioral health services;

163.29 (3) trauma services as defined by the National Uniform Billing Committee;

163.30 (4) transplant services;

163.31 (5) obstetric services, newborn services, and behavioral health services provided by  
163.32 hospitals outside the seven-county metropolitan area;

163.33 (6) outlier admissions;

164.1 (7) low-volume providers; and

164.2 (8) services provided by small rural hospitals that are not critical access hospitals.

164.3 (f) Hospital payment rates established under paragraph (c) must incorporate the following:

164.4 (1) for hospitals paid under the DRG methodology, the base year payment rate per  
164.5 admission is standardized by the applicable Medicare wage index and adjusted by the  
164.6 hospital's disproportionate population adjustment;

164.7 (2) for critical access hospitals, payment rates for discharges between November 1, 2014,  
164.8 and June 30, 2015, shall be set to the same rate of payment that applied for discharges on  
164.9 October 31, 2014;

164.10 (3) the cost and charge data used to establish hospital payment rates must only reflect  
164.11 inpatient services covered by medical assistance; and

164.12 (4) in determining hospital payment rates for discharges occurring on or after the rate  
164.13 year beginning January 1, 2011, through December 31, 2012, the hospital payment rate per  
164.14 discharge shall be based on the cost-finding methods and allowable costs of the Medicare  
164.15 program in effect during the base year or years.

164.16 (g) The commissioner shall validate the rates effective November 1, 2014, by applying  
164.17 the rates established under paragraph (c), and any adjustments made to the rates under  
164.18 paragraph (d) or (e), to hospital claims paid in calendar year 2013 to determine whether the  
164.19 total aggregate payments for the same number and types of services under the rebased rates  
164.20 are equal to the total aggregate payments made during calendar year 2013.

164.21 (h) Effective for discharges occurring on or after July 1, ~~2017~~ 2021, and every two years  
164.22 thereafter, payment rates under this section shall be rebased to reflect only those changes  
164.23 in hospital costs between the existing base year and the next base year. The commissioner  
164.24 shall establish the base year for each rebasing period considering the most recent year for  
164.25 which filed Medicare cost reports are available. The estimated change in the average payment  
164.26 per hospital discharge resulting from a scheduled rebasing must be calculated and made  
164.27 available to the legislature by January 15 of each year in which rebasing is scheduled to  
164.28 occur, and must include by hospital the differential in payment rates compared to the  
164.29 individual hospital's costs.

164.30 (i) Effective for discharges occurring on or after July 1, 2015, payment rates for critical  
164.31 access hospitals located in Minnesota or the local trade area shall be determined using a  
164.32 new cost-based methodology. The commissioner shall establish within the methodology  
164.33 tiers of payment designed to promote efficiency and cost-effectiveness. Payment rates for

165.1 hospitals under this paragraph shall be set at a level that does not exceed the total cost for  
165.2 critical access hospitals as reflected in base year cost reports. Until the next rebasing that  
165.3 occurs, the new methodology shall result in no greater than a five percent decrease from  
165.4 the base year payments for any hospital, except a hospital that had payments that were  
165.5 greater than 100 percent of the hospital's costs in the base year shall have their rate set equal  
165.6 to 100 percent of costs in the base year. The rates paid for discharges on and after July 1,  
165.7 2016, covered under this paragraph shall be increased by the inflation factor in subdivision  
165.8 1, paragraph (a). The new cost-based rate shall be the final rate and shall not be settled to  
165.9 actual incurred costs. Hospitals shall be assigned a payment tier based on the following  
165.10 criteria:

165.11 (1) hospitals that had payments at or below 80 percent of their costs in the base year  
165.12 shall have a rate set that equals 85 percent of their base year costs;

165.13 (2) hospitals that had payments that were above 80 percent, up to and including 90  
165.14 percent of their costs in the base year shall have a rate set that equals 95 percent of their  
165.15 base year costs; and

165.16 (3) hospitals that had payments that were above 90 percent of their costs in the base year  
165.17 shall have a rate set that equals 100 percent of their base year costs.

165.18 (j) The commissioner may refine the payment tiers and criteria for critical access hospitals  
165.19 to coincide with the next rebasing under paragraph (h). The factors used to develop the new  
165.20 methodology may include, but are not limited to:

165.21 (1) the ratio between the hospital's costs for treating medical assistance patients and the  
165.22 hospital's charges to the medical assistance program;

165.23 (2) the ratio between the hospital's costs for treating medical assistance patients and the  
165.24 hospital's payments received from the medical assistance program for the care of medical  
165.25 assistance patients;

165.26 (3) the ratio between the hospital's charges to the medical assistance program and the  
165.27 hospital's payments received from the medical assistance program for the care of medical  
165.28 assistance patients;

165.29 (4) the statewide average increases in the ratios identified in clauses (1), (2), and (3);

165.30 (5) the proportion of that hospital's costs that are administrative and trends in  
165.31 administrative costs; and

165.32 (6) geographic location.

166.1 Sec. 8. Minnesota Statutes 2016, section 256.969, is amended by adding a subdivision to  
166.2 read:

166.3 Subd. 2e. **Alternate inpatient payment rate.** (a) If the days, costs, and revenues  
166.4 associated with patients who are eligible for medical assistance and also have private health  
166.5 insurance are required to be included in the calculation of the hospital-specific  
166.6 disproportionate share hospital payment limit for a rate year, then the commissioner, effective  
166.7 retroactively from rate years beginning on or after January 1, 2015, shall compute an alternate  
166.8 inpatient payment rate for a Minnesota hospital that is designated as a children's hospital  
166.9 and enumerated as such by Medicare. The commissioner shall reimburse the hospital for a  
166.10 rate year at the higher of the amount calculated under the alternate payment rate or the  
166.11 amount calculated under subdivision 9.

166.12 (b) The alternate payment rate must meet the criteria in clauses (1) to (4):

166.13 (1) the alternate payment rate shall be structured to target a total aggregate reimbursement  
166.14 amount equal to two percent less than each children's hospital's cost coverage percentage  
166.15 in the applicable base year for providing fee-for-service inpatient services under this section  
166.16 to patients enrolled in medical assistance;

166.17 (2) costs shall be determined using the most recently available medical assistance cost  
166.18 report provided under subdivision 4b, paragraph (a), clause (3), for the applicable base year.  
166.19 Costs shall be determined using standard Medicare cost finding and cost allocation methods  
166.20 and applied in the same manner as the costs were in the rebasing for the applicable base  
166.21 year. If the medical assistance cost report is not available, costs shall be determined in the  
166.22 interim using the Medicare cost report;

166.23 (3) in any rate year in which payment to a hospital is made using the alternate payment  
166.24 rate, no payments shall be made to the hospital under subdivision 9; and

166.25 (4) if the alternate payment amount increases payments at a rate that is higher than the  
166.26 inflation factor applied over the rebasing period, the commissioner shall take this into  
166.27 consideration when setting payment rates at the next rebasing.

166.28 Sec. 9. Minnesota Statutes 2016, section 256.969, subdivision 4b, is amended to read:

166.29 **Subd. 4b. **Medical assistance cost reports for services.**** (a) A hospital that meets one  
166.30 of the following criteria must annually submit to the commissioner medical assistance cost  
166.31 reports within six months of the end of the hospital's fiscal year:

166.32 (1) a hospital designated as a critical access hospital that receives medical assistance  
166.33 payments; ~~or~~

167.1 (2) a Minnesota hospital or out-of-state hospital located within a Minnesota local trade  
167.2 area that receives a disproportionate population adjustment under subdivision 9; or

167.3 (3) a Minnesota hospital that is designated as a children's hospital and enumerated as  
167.4 such by Medicare.

167.5 For purposes of this subdivision, local trade area has the meaning given in subdivision  
167.6 17.

167.7 (b) The commissioner shall suspend payments to any hospital that fails to submit a report  
167.8 required under this subdivision. Payments must remain suspended until the report has been  
167.9 filed with and accepted by the commissioner.

167.10 **EFFECTIVE DATE.** This section is effective July 1, 2017.

167.11 **Sec. 10. [256B.0371] ADMINISTRATION OF DENTAL SERVICES.**

167.12 **Subdivision 1. Contract for dental administration services.** (a) The commissioner  
167.13 shall contract with up to two dental administrators to administer dental services for all  
167.14 recipients of medical assistance and MinnesotaCare.

167.15 (b) The dental administrator must provide administrative services, including, but not  
167.16 limited to:

167.17 (1) provider recruitment, contracting, and assistance;

167.18 (2) recipient outreach and assistance;

167.19 (3) utilization management and review for medical necessity of dental services;

167.20 (4) dental claims processing, including submission of encounter claims to the department;

167.21 (5) coordination with other services;

167.22 (6) management of fraud and abuse;

167.23 (7) monitoring of access to dental services;

167.24 (8) performance measurement;

167.25 (9) quality improvement and evaluation requirements; and

167.26 (10) management of third party liability requirements.

167.27 (c) A payment to a contracted dental provider shall be at the rates established under  
167.28 section 256B.76.

168.1 Subd. 2. **Requirements.** (a) Recipients shall be given a choice of dental provider,  
168.2 including any provider who agrees to the provider participation requirements and payment  
168.3 rates established under this section. The commissioner and dental services administrator  
168.4 shall comply with the network adequacy, geographic access, and essential community  
168.5 provider requirements that apply to managed care plans and county-based purchasing plans  
168.6 for nondental services.

168.7 (b) The commissioner shall implement this section in consultation with representatives  
168.8 of providers who provide dental services to patients enrolled in medical assistance or  
168.9 MinnesotaCare, including, but not limited to, providers who serve primarily low-income  
168.10 and socioeconomically complex patient populations.

168.11 (c) The commissioner shall consult with county-based purchasing plans on the  
168.12 development and review of a request for proposals, and development of metrics to evaluate  
168.13 the performance of a dental administrator. A contract between the commissioner and a  
168.14 dental administrator must ensure that the administrator coordinates and works with  
168.15 county-based purchasing plans to assist enrollees in accessing appropriate dental care within  
168.16 their geographic areas.

168.17 **EFFECTIVE DATE.** This section is effective January 1, 2018.

168.18 Sec. 11. Minnesota Statutes 2016, section 256B.04, subdivision 21, is amended to read:

168.19 Subd. 21. **Provider enrollment.** (a) The commissioner shall enroll providers and conduct  
168.20 screening activities as required by Code of Federal Regulations, title 42, section 455, subpart  
168.21 E, including database checks, unannounced pre- and post-enrollment site visits, fingerprinting,  
168.22 and criminal background studies. A provider providing services from multiple locations  
168.23 must enroll each location separately. The commissioner may deny a provider's incomplete  
168.24 application for enrollment if a provider fails to respond to the commissioner's request for  
168.25 additional information within 60 days of the request.

168.26 (b) The commissioner must revalidate each provider under this subdivision at least once  
168.27 every five years. The commissioner may revalidate a personal care assistance agency under  
168.28 this subdivision once every three years. The commissioner shall conduct revalidation as  
168.29 follows:

168.30 (1) provide 30-day notice of revalidation due date to include instructions for revalidation  
168.31 and a list of materials the provider must submit to revalidate;

168.32 (2) notify the provider that fails to completely respond within 30 days of any deficiencies  
168.33 and allow an additional 30 days to comply; and

169.1 (3) give 60-day notice of termination and immediately suspend a provider's ability to  
169.2 bill for failure to remedy any deficiencies within the 30-day time period. The provider shall  
169.3 have no right to appeal suspension of ability to bill.

169.4 (c) The commissioner may suspend a provider's ability to bill for a failure to comply  
169.5 with any individual provider requirements or conditions of participation until the provider  
169.6 comes into compliance. The commissioner's decision to suspend the provider is not subject  
169.7 to an administrative appeal.

169.8 (d) Notwithstanding any other provision to the contrary, all correspondence and  
169.9 notifications, including notifications of termination and other actions, shall be delivered  
169.10 electronically to a provider's MN-ITS mailbox. For a provider that does not have a MN-ITS  
169.11 account and mailbox, notice shall be sent by first class mail.

169.12 (e) If the commissioner or the Centers for Medicare and Medicaid Services determines  
169.13 that a provider is designated "high-risk," the commissioner may withhold payment from  
169.14 providers within that category upon initial enrollment for a 90-day period. The withholding  
169.15 for each provider must begin on the date of the first submission of a claim.

169.16 ~~(b)~~ (f) An enrolled provider that is also licensed by the commissioner under chapter  
169.17 245A, or is licensed as a home care provider by the Department of Health under chapter  
169.18 144A and has a home and community-based services designation on the home care license  
169.19 under section 144A.484, must designate an individual as the entity's compliance officer.  
169.20 The compliance officer must:

169.21 (1) develop policies and procedures to assure adherence to medical assistance laws and  
169.22 regulations and to prevent inappropriate claims submissions;

169.23 (2) train the employees of the provider entity, and any agents or subcontractors of the  
169.24 provider entity including billers, on the policies and procedures under clause (1);

169.25 (3) respond to allegations of improper conduct related to the provision or billing of  
169.26 medical assistance services, and implement action to remediate any resulting problems;

169.27 (4) use evaluation techniques to monitor compliance with medical assistance laws and  
169.28 regulations;

169.29 (5) promptly report to the commissioner any identified violations of medical assistance  
169.30 laws or regulations; and

169.31 (6) within 60 days of discovery by the provider of a medical assistance reimbursement  
169.32 overpayment, report the overpayment to the commissioner and make arrangements with  
169.33 the commissioner for the commissioner's recovery of the overpayment.

170.1 The commissioner may require, as a condition of enrollment in medical assistance, that a  
170.2 provider within a particular industry sector or category establish a compliance program that  
170.3 contains the core elements established by the Centers for Medicare and Medicaid Services.

170.4 ~~(e)~~ (g) The commissioner may revoke the enrollment of an ordering or rendering provider  
170.5 for a period of not more than one year, if the provider fails to maintain and, upon request  
170.6 from the commissioner, provide access to documentation relating to written orders or requests  
170.7 for payment for durable medical equipment, certifications for home health services, or  
170.8 referrals for other items or services written or ordered by such provider, when the  
170.9 commissioner has identified a pattern of a lack of documentation. A pattern means a failure  
170.10 to maintain documentation or provide access to documentation on more than one occasion.  
170.11 Nothing in this paragraph limits the authority of the commissioner to sanction a provider  
170.12 under the provisions of section 256B.064.

170.13 ~~(d)~~ (h) The commissioner shall terminate or deny the enrollment of any individual or  
170.14 entity if the individual or entity has been terminated from participation in Medicare or under  
170.15 the Medicaid program or Children's Health Insurance Program of any other state.

170.16 ~~(e)~~ (i) As a condition of enrollment in medical assistance, the commissioner shall require  
170.17 that a provider designated "moderate" or "high-risk" by the Centers for Medicare and  
170.18 Medicaid Services or the commissioner permit the Centers for Medicare and Medicaid  
170.19 Services, its agents, or its designated contractors and the state agency, its agents, or its  
170.20 designated contractors to conduct unannounced on-site inspections of any provider location.  
170.21 The commissioner shall publish in the Minnesota Health Care Program Provider Manual a  
170.22 list of provider types designated "limited," "moderate," or "high-risk," based on the criteria  
170.23 and standards used to designate Medicare providers in Code of Federal Regulations, title  
170.24 42, section 424.518. The list and criteria are not subject to the requirements of chapter 14.  
170.25 The commissioner's designations are not subject to administrative appeal.

170.26 ~~(f)~~ (j) As a condition of enrollment in medical assistance, the commissioner shall require  
170.27 that a high-risk provider, or a person with a direct or indirect ownership interest in the  
170.28 provider of five percent or higher, consent to criminal background checks, including  
170.29 fingerprinting, when required to do so under state law or by a determination by the  
170.30 commissioner or the Centers for Medicare and Medicaid Services that a provider is designated  
170.31 high-risk for fraud, waste, or abuse.

170.32 ~~(g)~~ (k)(1) Upon initial enrollment, reenrollment, and notification of revalidation, all  
170.33 durable medical equipment, prosthetics, orthotics, and supplies (DMEPOS) medical suppliers  
170.34 meeting the durable medical equipment provider and supplier definition in clause (3),

171.1 operating in Minnesota and receiving Medicaid funds must purchase a surety bond that is  
171.2 annually renewed and designates the Minnesota Department of Human Services as the  
171.3 obligee, and must be submitted in a form approved by the commissioner. For purposes of  
171.4 this clause, the following medical suppliers are not required to obtain a surety bond: a  
171.5 federally qualified health center, a home health agency, the Indian Health Service, a  
171.6 pharmacy, and a rural health clinic.

171.7 (2) At the time of initial enrollment or reenrollment, durable medical equipment providers  
171.8 and suppliers defined in clause (3) must purchase a surety bond of \$50,000. If a revalidating  
171.9 provider's Medicaid revenue in the previous calendar year is up to and including \$300,000,  
171.10 the provider agency must purchase a surety bond of \$50,000. If a revalidating provider's  
171.11 Medicaid revenue in the previous calendar year is over \$300,000, the provider agency must  
171.12 purchase a surety bond of \$100,000. The surety bond must allow for recovery of costs and  
171.13 fees in pursuing a claim on the bond.

171.14 (3) "Durable medical equipment provider or supplier" means a medical supplier that can  
171.15 purchase medical equipment or supplies for sale or rental to the general public and is able  
171.16 to perform or arrange for necessary repairs to and maintenance of equipment offered for  
171.17 sale or rental.

171.18 ~~(h)~~ (l) The Department of Human Services may require a provider to purchase a surety  
171.19 bond as a condition of initial enrollment, reenrollment, reinstatement, or continued enrollment  
171.20 if: (1) the provider fails to demonstrate financial viability, (2) the department determines  
171.21 there is significant evidence of or potential for fraud and abuse by the provider, or (3) the  
171.22 provider or category of providers is designated high-risk pursuant to paragraph ~~(a)~~ (e) and  
171.23 as per Code of Federal Regulations, title 42, section 455.450. The surety bond must be in  
171.24 an amount of \$100,000 or ten percent of the provider's payments from Medicaid during the  
171.25 immediately preceding 12 months, whichever is greater. The surety bond must name the  
171.26 Department of Human Services as an obligee and must allow for recovery of costs and fees  
171.27 in pursuing a claim on the bond. This paragraph does not apply if the provider currently  
171.28 maintains a surety bond under the requirements in section 256B.0659 or 256B.85.

171.29 **EFFECTIVE DATE.** This section is effective July 1, 2017.

171.30 Sec. 12. Minnesota Statutes 2016, section 256B.04, subdivision 22, is amended to read:

171.31 Subd. 22. **Application fee.** (a) The commissioner must collect and retain federally  
171.32 required nonrefundable application fees to pay for provider screening activities in accordance  
171.33 with Code of Federal Regulations, title 42, section 455, subpart E. The enrollment application  
171.34 must be made under the procedures specified by the commissioner, in the form specified

172.1 by the commissioner, and accompanied by an application fee described in paragraph (b),  
172.2 or a request for a hardship exception as described in the specified procedures. Application  
172.3 fees must be deposited in the provider screening account in the special revenue fund.  
172.4 Amounts in the provider screening account are appropriated to the commissioner for costs  
172.5 associated with the provider screening activities required in Code of Federal Regulations,  
172.6 title 42, section 455, subpart E. The commissioner ~~shall conduct screening activities as~~  
172.7 ~~required by Code of Federal Regulations, title 42, section 455, subpart E, and as otherwise~~  
172.8 ~~provided by law, to include database checks, unannounced pre- and postenrollment site~~  
172.9 ~~visits, fingerprinting, and criminal background studies. The commissioner must revalidate~~  
172.10 ~~all providers under this subdivision at least once every five years~~ must revalidate all personal  
172.11 care assistance agencies under this subdivision at least once every three years.

172.12 (b) The application fee under this subdivision is \$532 for the calendar year 2013. For  
172.13 calendar year 2014 and subsequent years, the fee:

172.14 (1) is adjusted by the percentage change to the Consumer Price Index for all urban  
172.15 consumers, United States city average, for the 12-month period ending with June of the  
172.16 previous year. The resulting fee must be announced in the Federal Register;

 174.27 shall be made on a monthly basis. In order to receive payment for an eligible child, the  
 174.28 provider must document at least a face-to-face contact with the child, the child's parents, or

174.31 (1) at least a face-to-face contact with the adult or the adult's legal representative or a  
 174.32 contact by interactive video that meets the requirements of subdivision 20b; or

175.12 tribe. The negotiated rate must not exceed the rate charged by the vendor for the same  
175.13 service to other payers. If the service is provided by a team of contracted vendors, the county  
175.14 or tribe may negotiate a team rate with a vendor who is a member of the team. The team  
175.15 shall determine how to distribute the rate among its members. No reimbursement received  
175.16 by contracted vendors shall be returned to the county or tribe, except to reimburse the county

175.29 share, if any, shall be provided by the recipient's tribe. When this service is paid by the state  
175.30 without a federal share through fee-for-service, 50 percent of the cost shall be provided by  
175.31 the recipient's county of responsibility.

175.32 (i) Notwithstanding any administrative rule to the contrary, prepaid medical assistance  
175.33 and MinnesotaCare include mental health case management. When the service is provided

176.1 through prepaid capitation, the nonfederal share is paid by the state and the county pays no  
176.2 share.

176.3 (j) The commissioner may suspend, reduce, or terminate the reimbursement to a provider  
176.4 that does not meet the reporting or other requirements of this section. The county of  
176.5 responsibility, as defined in sections 256G.01 to 256G.12, or, if applicable, the tribal agency,

176.7 with its contracted vendors.

176.8 (k) The commissioner shall set aside a portion of the federal funds earned for county  
176.9 expenditures under this section to repay the special revenue maximization account under

176.14 this section shall only be made from federal earnings from services provided under this  
176.15 section. When this service is paid by the state without a federal share through fee-for-service,  
176.16 50 percent of the cost shall be provided by the state. Payments to county-contracted vendors  
176.17 shall include the federal earnings, the state share, and the county share.

176.22 management services under this subdivision is limited to the lesser of:

182.11 recipients' free exercise of their right to choose service providers by requiring personal care  
182.12 assistants to sign an agreement not to work with any particular personal care assistance  
182.13 recipient or for another personal care assistance provider agency after leaving the agency  
182.14 and that the agency is not taking action on any such agreements or requirements regardless  
182.15 of the date signed.

182.16 (b) Personal care assistance provider agencies shall provide the information specified  
182.17 in paragraph (a) to the commissioner at the time the personal care assistance provider agency

 183.17 The commissioner shall send instructions and a due date to submit the requested information  
 183.18 to the personal care assistance provider agency.

183.19 **EFFECTIVE DATE.** This section is effective the day following final enactment.

183.27 (b) The measures used for the performance reporting system for medical groups shall

 183.29 and measures of preventive care services. The measures used for the performance reporting  
 183.30 system for inpatient hospitals shall include measures of care for acute myocardial infarction,

 183.33 by nonprofit Minnesota or national organizations that produce and disseminate health care  
 183.34 quality measures or evidence-based health care guidelines section 62U.02, subdivision 1,

184.1 paragraph (a), clause (1). In the case of inpatient hospital measures, the commissioner shall

 184.8 by other purchasers in Minnesota.

184.9 (c) The commissioner may require providers to submit information in a required format  
 184.10 to a health care reporting organization or to cooperate with the information collection  
 184.11 procedures of that organization. The commissioner may collaborate with a reporting  
 184.12 organization to collect information reported and to prevent duplication of reporting.

184.13 (d) By October 1, 2007, and annually thereafter, the commissioner shall report through  
 184.14 a public Web site the results by medical groups and hospitals, where possible, of the measures  
 184.15 under this section, and shall compare the results by medical groups and hospitals for patients  
 184.16 enrolled in public programs to patients enrolled in private health plans. To achieve this  
 184.17 reporting, the commissioner may collaborate with a health care reporting organization that  
 184.18 operates a Web site suitable for this purpose.

184.19 (e) Performance measures must be stratified as provided under section 62U.02,  
 184.20 subdivision 1, paragraph ~~(b)~~ (c), and risk-adjusted as specified in section 62U.02, subdivision  
 184.21 3, paragraph (b).

184.22 (f) Notwithstanding paragraph (b), by January 1, 2019, the commissioner shall consider

185.1 total cost of care or risk/gain sharing payment arrangement. The commissioner shall develop

187.22 Sec. 25. Minnesota Statutes 2016, section 256B.0755, subdivision 4, is amended to read:

187.23 Subd. 4. **Payment system.** (a) In developing a payment system for ~~health care delivery~~  
187.24 ~~systems~~ integrated health partnerships, the commissioner shall establish a total cost of care  
187.25 benchmark or a risk/gain sharing payment model to be paid for services provided to the  
187.26 recipients enrolled in a ~~health care delivery system~~ an integrated health partnership.

187.27 (b) The payment system may include incentive payments to ~~health care delivery systems~~

187.30 (c) An amount equal to the savings realized to the general fund as a result of the  
187.31 demonstration project shall be transferred each fiscal year to the health care access fund.

187.32 (d) The payment system shall include a population-based payment that supports care  
187.33 coordination services for all enrollees served by the integrated health partnerships, and is

188.1 risk-adjusted to reflect varying levels of care coordination intensiveness for enrollees with  
 188.2 chronic conditions, limited English skills, cultural differences, or other barriers to health  
 188.3 care. The population-based payment shall be a per member, per month payment paid at least

 188.5 to meet cost and quality metrics under the program to maintain eligibility for the  
 188.6 population-based payment. An integrated health partnership is eligible to receive a payment

189.7 (3) the use of interactive video is approved as part of the person's written personal service  
189.8 or case plan; and

189.9 (4) interactive video is used for up to, but not more than, 50 percent of the minimum  
189.10 required face-to-face contact.

189.11 (b) The person receiving targeted case management or the person's legal guardian has  
189.12 the right to choose and consent to the use of interactive video under this subdivision and  
189.13 has the right to refuse the use of interactive video at any time.

189.14 (c) The commissioner shall establish criteria that a targeted case management provider  
189.15 must attest to in order to demonstrate the safety or efficacy of delivering the service via  
189.16 interactive video. The attestation may include that the case management provider has:

189.17 (1) written policies and procedures specific to interactive video services that are regularly

189.28 designation;

189.29 (2) the basis for determining that interactive video is an appropriate and effective means  
189.30 for delivering the service to the person receiving case management services;

189.31 (3) the mode of transmission of the interactive video services and records evidencing  
189.32 that a particular mode of transmission was utilized;

190.1 (4) the location of the originating site and the distant site; and

190.2 (5) compliance with the criteria attested to by the targeted case management provider  
190.3 as provided in paragraph (c).

190.4 **EFFECTIVE DATE.** This section is effective three months after federal approval.

190.5 Sec. 28. Minnesota Statutes 2016, section 256B.196, subdivision 2, is amended to read:

190.6 Subd. 2. **Commissioner's duties.** (a) For the purposes of this subdivision and subdivision  
190.7 3, the commissioner shall determine the fee-for-service outpatient hospital services upper  
190.8 payment limit for nonstate government hospitals. The commissioner shall then determine  
190.9 the amount of a supplemental payment to Hennepin County Medical Center and Regions  
190.10 Hospital for these services that would increase medical assistance spending in this category  
190.11 to the aggregate upper payment limit for all nonstate government hospitals in Minnesota.  
190.12 In making this determination, the commissioner shall allot the available increases between  
190.13 Hennepin County Medical Center and Regions Hospital based on the ratio of medical  
190.14 assistance fee-for-service outpatient hospital payments to the two facilities. The commissioner  
190.15 shall adjust this allotment as necessary based on federal approvals, the amount of  
190.16 intergovernmental transfers received from Hennepin and Ramsey Counties, and other factors,  
190.17 in order to maximize the additional total payments. The commissioner shall inform Hennepin  
190.18 County and Ramsey County of the periodic intergovernmental transfers necessary to match  
190.19 federal Medicaid payments available under this subdivision in order to make supplementary  
190.20 medical assistance payments to Hennepin County Medical Center and Regions Hospital  
190.21 equal to an amount that when combined with existing medical assistance payments to  
190.22 nonstate governmental hospitals would increase total payments to hospitals in this category  
190.23 for outpatient services to the aggregate upper payment limit for all hospitals in this category  
190.24 in Minnesota. Upon receipt of these periodic transfers, the commissioner shall make  
190.25 supplementary payments to Hennepin County Medical Center and Regions Hospital.

190.26 (b) For the purposes of this subdivision and subdivision 3, the commissioner shall  
190.27 determine an upper payment limit for physicians and other billing professionals affiliated  
190.28 with Hennepin County Medical Center and with Regions Hospital. The upper payment limit  
190.29 shall be based on the average commercial rate or be determined using another method  
190.30 acceptable to the Centers for Medicare and Medicaid Services. The commissioner shall  
190.31 inform Hennepin County and Ramsey County of the periodic intergovernmental transfers  
190.32 necessary to match the federal Medicaid payments available under this subdivision in order  
190.33 to make supplementary payments to physicians and other billing professionals affiliated  
190.34 with Hennepin County Medical Center and to make supplementary payments to physicians

191.1 and other billing professionals affiliated with Regions Hospital through HealthPartners  
191.2 Medical Group equal to the difference between the established medical assistance payment  
191.3 for physician and other billing professional services and the upper payment limit. Upon  
191.4 receipt of these periodic transfers, the commissioner shall make supplementary payments  
191.5 to physicians and other billing professionals affiliated with Hennepin County Medical Center  
191.6 and shall make supplementary payments to physicians and other billing professionals  
191.7 affiliated with Regions Hospital through HealthPartners Medical Group.

191.8 (c) Beginning January 1, 2010, Hennepin County and Ramsey County may make monthly  
191.9 voluntary intergovernmental transfers to the commissioner in amounts not to exceed  
191.10 \$12,000,000 per year from Hennepin County and \$6,000,000 per year from Ramsey County.  
191.11 The commissioner shall increase the medical assistance capitation payments to any licensed  
191.12 health plan under contract with the medical assistance program that agrees to make enhanced  
191.13 payments to Hennepin County Medical Center or Regions Hospital. The increase shall be  
191.14 in an amount equal to the annual value of the monthly transfers plus federal financial  
191.15 participation, with each health plan receiving its pro rata share of the increase based on the  
191.16 pro rata share of medical assistance admissions to Hennepin County Medical Center and  
191.17 Regions Hospital by those plans. For the purposes of this paragraph, "the base amount"  
191.18 means the total annual value of increased medical assistance capitation payments under this  
191.19 paragraph in state fiscal year 2018. For managed care contracts beginning on or after July  
191.20 1, 2018, the commissioner shall reduce the total annual value of increased medical assistance  
191.21 capitation payments under this paragraph by an amount equal to ten percent of the base  
191.22 amount, and by an additional ten percent of the base amount for each subsequent contract  
191.23 year until June 30, 2025. Upon the request of the commissioner, health plans shall submit  
191.24 individual-level cost data for verification purposes. The commissioner may ratably reduce  
191.25 these payments on a pro rata basis in order to satisfy federal requirements for actuarial  
191.26 soundness. If payments are reduced, transfers shall be reduced accordingly. Any licensed  
191.27 health plan that receives increased medical assistance capitation payments under the  
191.28 intergovernmental transfer described in this paragraph shall increase its medical assistance  
191.29 payments to Hennepin County Medical Center and Regions Hospital by the same amount  
191.30 as the increased payments received in the capitation payment described in this paragraph.  
191.31 This paragraph expires on July 1, 2025.

191.32 (d) For the purposes of this subdivision and subdivision 3, the commissioner shall  
191.33 determine an upper payment limit for ambulance services affiliated with Hennepin County  
191.34 Medical Center and the city of St. Paul. The upper payment limit shall be based on the  
191.35 average commercial rate or be determined using another method acceptable to the Centers

192.1 for Medicare and Medicaid Services. The commissioner shall inform Hennepin County and  
 192.2 the city of St. Paul of the periodic intergovernmental transfers necessary to match the federal

209.2 or state requirement.

209.3 (c) Other types of modifications made uniformly are considered a uniform modification

210.2 to any previous qualifying coverage. The individual must not be subjected to an exclusionary  
210.3 rider. Thereafter, the individual who is age 19 or older must not be subject to any preexisting  
210.4 condition limitation, preexisting condition exclusion, or exclusionary rider under an individual  
210.5 health plan by any health carrier, except an unexpired portion of a limitation under prior  
210.6 coverage, so long as the individual maintains continuous coverage as defined in section  
210.7 62L.02. The prohibition on preexisting condition limitations for children age 18 or under  
210.8 does not apply to individual health plans that are grandfathered plans. The prohibition on  
210.9 preexisting condition limitations for adults age 19 and over beginning for plan years on or  
210.10 after January 1, 2014, does not apply to individual health plans that are grandfathered plans.

210.11 (b) A health carrier must offer an individual health plan to any individual previously  
210.12 covered under a group health plan issued by that health carrier, regardless of the size of the  
210.13 group, so long as the individual maintained continuous coverage as defined in section  
210.14 62L.02. If the individual has available any continuation coverage provided under sections  
210.15 62A.146; 62A.148; 62A.17, subdivisions 1 and 2; 62A.20; 62A.21; 62C.142; 62D.101; or  
210.16 62D.105, or continuation coverage provided under federal law, the health carrier need not  
210.17 offer coverage under this paragraph until the individual has exhausted the continuation  
210.18 coverage. The offer must not be subject to underwriting, except as permitted under this  
210.19 paragraph. A health plan issued under this paragraph must be a qualified plan as defined in  
210.20 section 62E.02 and must not contain any preexisting condition limitation, preexisting  
210.21 condition exclusion, or exclusionary rider, except for any unexpired limitation or exclusion  
210.22 under the previous coverage. The individual health plan must cover pregnancy on the same  
210.23 basis as any other covered illness under the individual health plan. The offer of coverage  
210.24 by the health carrier must inform the individual that the coverage, including what is covered  
210.25 and the health care providers from whom covered care may be obtained, may not be the  
210.26 same as the individual's coverage under the group health plan. The offer of coverage by the  
210.27 health carrier must also inform the individual that the individual, if a Minnesota resident,  
210.28 may be eligible to obtain coverage from (i) other private sources of health coverage, or (ii)  
210.29 the Minnesota Comprehensive Health Association, without a preexisting condition limitation,  
210.30 and must provide the telephone number used by that association for enrollment purposes.  
210.31 The initial premium rate for the individual health plan must comply with subdivision 3. The  
210.32 premium rate upon renewal must comply with subdivision 2. In no event shall the premium  
210.33 rate exceed 100 percent of the premium charged for comparable individual coverage by the  
210.34 Minnesota Comprehensive Health Association, and the premium rate must be less than that  
210.35 amount if necessary to otherwise comply with this section. Coverage issued under this  
210.36 paragraph must provide that it cannot be canceled or nonrenewed as a result of the health

211.1 carrier's subsequent decision to leave the individual, small employer, or other group market.  
211.2 Section 72A.20, subdivision 28, applies to this paragraph. For plan years beginning on or  
211.3 after January 1, 2017, a health carrier is not required to offer coverage under this paragraph.

211.4 **EFFECTIVE DATE.** This section is effective for policies offered, sold, issued, or  
211.5 renewed on or after January 1, 2018.

211.6 Sec. 7. Minnesota Statutes 2016, section 62D.105, subdivision 1, is amended to read:

211.7 Subdivision 1. **Requirement.** Every health maintenance contract, which in addition to  
211.8 covering the enrollee also provides coverage to the ~~spouse and~~ dependent children to the  
211.9 limiting age as defined in section 62Q.01, subdivision 2a, of the enrollee and spouse who  
211.10 was covered on the day before entry of a valid decree of dissolution shall: (1) permit the  
211.11 spouse and dependent children to the limiting age as defined in section 62Q.01, subdivision  
211.12 2a, to elect to continue coverage when the enrollee becomes enrolled for benefits under title  
211.13 XVIII of the Social Security Act (Medicare); and (2) permit the dependent children to  
211.14 continue coverage when they cease to be dependent children to the limiting age as defined  
211.15 in section 62Q.01, subdivision 2a, under the generally applicable requirement of the plan.

211.16 **EFFECTIVE DATE.** This section is effective for policies offered, sold, issued, or  
211.17 renewed on or after January 1, 2018.

211.18 Sec. 8. Minnesota Statutes 2016, section 62D.105, subdivision 2, is amended to read:

211.19 Subd. 2. **Continuation privilege.** The coverage described in subdivision 1 may be  
211.20 continued until the earlier of the following dates:

211.21 (1) the date coverage would otherwise terminate under the contract;

211.22 (2) 36 months after continuation by the spouse or dependent was elected; or

211.23 (3) the date the spouse or dependent children become covered under another group health  
211.24 plan or Medicare.

211.25 If coverage is provided under a group policy, any required fees for the coverage shall  
211.26 be paid by the enrollee on a monthly basis to the group contract holder for remittance to the  
211.27 health maintenance organization. In no event shall the fee charged exceed 102 percent of  
211.28 the cost to the plan for such coverage for other similarly situated spouse and dependent  
211.29 children to the limiting age as defined in section 62Q.01, subdivision 2a, to whom subdivision  
211.30 1 is not applicable, without regard to whether such cost is paid by the employer or employee.

212.1 **EFFECTIVE DATE.** This section is effective for policies offered, sold, issued, or  
 212.2 renewed on or after January 1, 2018.

212.3 Sec. 9. Minnesota Statutes 2016, section 62E.04, subdivision 11, is amended to read:

212.5 For ~~individual or small group health plans that include the essential health benefits package~~  
 212.6 ~~and are~~ any policy of accident and health insurance subject to the requirements of the

 212.9 apply.

212.10 **EFFECTIVE DATE.** This section is effective for policies offered, sold, issued, or  
 212.11 renewed on or after January 1, 2018.

212.12 Sec. 10. Minnesota Statutes 2016, section 62E.05, subdivision 1, is amended to read:

212.13 Subdivision 1. **Certification.** Upon application by an insurer, fraternal, or employer for  
 212.14 certification of a plan of health coverage as a qualified plan or a qualified Medicare  
 212.15 supplement plan for the purposes of sections 62E.01 to 62E.19, the commissioner shall  
 212.16 make a determination within 90 days as to whether the plan is qualified. All plans of health  
 212.17 coverage, except Medicare supplement policies, shall be labeled as "qualified" or  
 212.18 "nonqualified" on the front of the policy or contract, or on the schedule page. All qualified  
 212.19 plans shall indicate whether they are number one, two, or three coverage plans. For any  
 212.20 policy of accident and health insurance subject to the requirements of the Affordable Care  
 212.21 Act, as defined under section 62A.011, subdivision 1a, that is offered, sold, issued, or  
 212.22 renewed on or after January 1, 2018, the requirements of this section do not apply.

212.23 **EFFECTIVE DATE.** This section is effective for policies offered, sold, issued, or  
 212.24 renewed on or after January 1, 2018.

212.25 Sec. 11. Minnesota Statutes 2016, section 62E.06, is amended by adding a subdivision to  
 212.26 read:

212.27 Subd. 5. **Affordable Care Act compliant plans.** For any policy of accident and health  
 212.28 insurance subject to the requirements of the Affordable Care Act, as defined under section  
 212.29 62A.011, subdivision 1a, that is offered, sold, issued, or renewed on or after January 1,  
 212.30 2018, the requirements of this section do not apply.

212.31 **EFFECTIVE DATE.** This section is effective for policies offered, sold, issued, or

213.2 Subd. 7. **Portability of coverage.** Effective July 1, 1994, no health plan company shall  
213.3 offer, sell, issue, or renew any group health plan that does not, with respect to individuals

213.5 (1) make coverage available on a guaranteed issue basis;

213.6 (2) give full credit for previous continuous coverage against any applicable preexisting  
213.7 condition limitation or preexisting condition exclusion; and

213.8 (3) with respect to a group health plan offered, sold, issued, or renewed to a large  
213.9 employer, impose preexisting condition limitations or preexisting condition exclusions  
213.10 except to the extent that would be permitted under chapter 62L if the group sponsor were  
213.11 a small employer as defined in section 62L.02, subdivision 26.

213.12 To the extent that this subdivision conflicts with chapter 62L, chapter 62L governs,  
213.13 regardless of whether the group sponsor is a small employer as defined in section 62L.02,  
213.14 except that for group health plans issued to groups that are not small employers, this  
213.15 subdivision's requirement that the individual have maintained continuous coverage applies.  
213.16 An individual who has maintained continuous coverage, but would be considered a late  
213.17 entrant under chapter 62L, may be treated as a late entrant in the same manner under this  
213.18 subdivision as permitted under chapter 62L. For plan years beginning on or after January  
213.19 1, 2017, a health plan company is no longer required to offer coverage under this subdivision.

213.20 **EFFECTIVE DATE.** This section is effective for policies offered, sold, issued, or

213.23 Subdivision 1. **Provider network.** (a) No health plan company offering an individual  
213.24 health plan that is not a grandfathered plan shall deny a primary care provider the right to  
213.25 contract with the health plan company as an in-network provider if the primary care provider  
213.26 meets one of the following criteria:

213.27 (1) is certified as a health care home by the commissioner of health under section  
213.28 256B.0751. To remain eligible for in-network status under this section, the primary care  
213.29 provider must maintain certification as a health care home; or

213.30 (2) is in the process of becoming certified as a health care home under section 256B.0751.  
213.31 To remain eligible for in-network status under this subdivision, the primary care provider

214.1 (b) A health plan company may require the primary care provider to meet reasonable  
214.2 data, utilization review, and quality assurance requirements on the same basis as other  
214.3 in-network providers.

214.4 (c) The primary care provider must agree to serve all enrollees of the health care company  
214.5 who select or designate the primary care provider, if designation is required.

214.6 (d) The primary care provider and health plan company may negotiate the payment rate  
214.7 for covered services provided by the primary care provider. The rate must not be less than  
214.8 the rate paid by the health plan company to the provider under a different category of  
214.9 coverage or health product, or other arrangement within a category of coverage.

214.10 Subd. 2. **Cost-sharing or other conditions.** No health plan company shall impose a  
214.11 co-payment, fee, or other cost-sharing requirement for selecting or designating a primary  
214.12 care provider of the enrollee's choosing or impose other conditions that limit the enrollee's  
214.13 ability to utilize a primary care provider of the enrollee's choosing, unless the health plan  
214.14 company imposes the same cost-sharing requirements, fees, conditions, or limits upon an  
214.15 enrollee's selection or designation of any of the health plan company's in-network primary  
214.16 care providers.

214.17 Subd. 3. **Care coordination.** (a) As part of the provider contract with primary care  
214.18 providers that are certified health care homes, the contract must include a care coordination  
214.19 payment for providing care coordination services. The care coordination payment under  
214.20 this subdivision must be a per enrollee, per month payment and must be in addition to the  
214.21 payment rate for the covered services provided by the primary care provider.

214.22 (b) The care coordination payment may vary based on care complexity, but must at least  
214.23 be equal to the payment amounts established under section 256B.0753.

214.24 (c) The health plan company shall not impose a co-payment, fee, or other cost-sharing  
214.25 requirement for care coordination services.

214.27 provisions of this section.

214.28 Subd. 5. **Definition.** For purposes of this section, "primary care provider" means a  
214.29 physician licensed under chapter 147 or an advanced practice registered nurse licensed  
214.30 under chapter 148 who specializes in the practice of family medicine, general internal  
214.31 medicine, obstetrics and gynecology, or general pediatrics; or a health care clinic that  
214.32 specializes in the above-mentioned areas and utilizes a primary care team that includes  
214.33 physicians, physician assistants, or advanced practice registered nurses.

215.1 Subd. 6. **Limitations.** (a) This section does not apply to enrollees who are enrolled in  
 215.2 a public health care program under chapter 256B or 256L, or the Minnesota restricted  
 215.3 recipient program pursuant to Minnesota Rules, part 9505.2238.

215.4 (b) This section does not waive any exclusions of coverage under the terms and conditions  
 215.5 of the enrollee's health plan.

215.6 (c) This section only applies to individual health plans.

215.7 Subd. 7. **Enforcement.** The commissioner of health shall enforce this section.

215.8 **EFFECTIVE DATE.** This section is effective January 1, 2018, and applies to any  
 215.9 individual health plan offered, sold, issued, or renewed on or after that date.

215.10 Sec. 14. **[62Q.678] NETWORK OFFERINGS.**

 215.12 the health plan company must offer, in those counties, at least one individual health plan  
 215.13 with a provider network that includes in-network access to more than a single health care  
 215.14 provider system or a health plan that includes more than one primary care location in a  
 215.15 county. This section is applicable only for the plan year in which the health plan company  
 215.16 actively markets an individual health plan.

215.17 (b) The commissioner of health shall enforce this section.

215.18 **EFFECTIVE DATE.** This section is effective January 1, 2018, and applies to any health  
 215.19 plan offered, sold, issued, or renewed on or after that date.

215.20 Sec. 15. Minnesota Statutes 2016, section 317A.811, subdivision 1, is amended to read:

215.21 Subdivision 1. **When required.** (a) Except as provided in subdivision 6, the following

217.30 subdivision 5, and other information from the health maintenance organization or the

217.32 for review of the proposed transaction.

218.1 (b) A copy of the notice and other information required under this subdivision must be  
218.2 given to the commissioner.

218.3 Subd. 4. **Review elements.** (a) The attorney general may approve, conditionally approve,  
218.4 or not approve a conversion transaction under this section. In making a decision whether  
218.5 to approve, conditionally approve, or not approve a proposed transaction, the attorney  
218.6 general, in consultation with the commissioner, shall consider any factors the attorney  
218.7 general considers relevant, including whether:

218.10 (2) the proposed transaction involves or constitutes a breach of charitable trust;

218.11 (3) the nonprofit health care entity will receive full and fair value for its public benefit

218.16 benefit for which the assets are held by the nonprofit health care entity;

218.17 (6) the proposed transaction will result in a breach of fiduciary duty, as determined by  
218.18 the attorney general, including whether:

218.19 (i) conflicts of interest exist related to payments to or benefits conferred upon officers,  
218.20 directors, board members, and executives of the nonprofit health care entity or a related  
218.21 organization;

218.22 (ii) the nonprofit health care entity's board of directors exercised reasonable care and

218.25 (iii) the nonprofit health care entity's board of directors considered all reasonably viable  
218.26 alternatives, including any competing offers for its public benefit assets, or alternative  
218.27 transactions;

218.28 (7) the transaction will result in private inurement to any person, including owners,  
218.29 stakeholders, or directors, officers, or key staff of the nonprofit health care entity or entity  
218.30 to which the nonprofit health care entity proposes to transfer public benefit assets;

218.31 (8) the conversion benefit entity meets the requirements of subdivision 5; and

219.1 (9) the attorney general and the commissioner have been provided with sufficient  
219.2 information by the nonprofit health care entity to adequately evaluate the proposed transaction  
219.3 and the effects on the public, provided the attorney general or the commissioner has notified  
219.4 the nonprofit health care entity or the proposed conversion benefit entity of any inadequacy  
219.5 of the information and has provided a reasonable opportunity to remedy that inadequacy.

219.6 In addition, the attorney general shall consider the public comments received regarding  
219.7 the proposed conversion transaction and the proposed transaction's likely effect on the  
219.8 availability, accessibility, and affordability of health care services to the public.

219.9 (b) The attorney general must consult with the commissioner in making a decision  
219.10 whether to approve or disapprove a transaction.

219.14 (b) The conversion benefit entity must be completely independent of any influence or  
219.15 control by the nonprofit health care entity and related organizations, all entities to which  
219.16 the nonprofit health care entity transfers any public benefit assets in connection with a  
219.17 conversion transaction, and the directors, officers, and other executives of those organizations  
219.18 or entities.

219.19 (c) The conversion benefit entity must have in place procedures and policies to prohibit  
219.20 conflicts of interest, including but not limited to prohibiting conflicts of interests relating  
219.21 to any grant-making activities that may benefit:

219.22 (1) the directors, officers, or other executives of the conversion benefit entity;

219.23 (2) any entity to which the nonprofit health care entity transfers any public benefit assets  
219.24 in connection with a conversion transaction; or

253.4 Sec. 33. Minnesota Statutes 2016, section 245E.07, subdivision 1, is amended to read:

253.5 Subdivision 1. **Grounds for and methods of monetary recovery.** (a) The department  
 253.6 may obtain monetary recovery from a provider who has been improperly paid by the child  
 253.7 care assistance program, regardless of whether the error was on the part of the provider, the  
 253.8 department, or the county and regardless of whether the error was intentional or county  
 253.9 error. The department does not need to establish a pattern as a ~~precondition of monetary~~  
 253.10 ~~recovery~~ of erroneous or false billing claims, duplicate billing claims, or billing claims  
 253.11 based on false statements or financial misconduct.

253.12 (b) The department shall obtain monetary recovery from providers by the following  
 253.13 means:

253.14 (1) permitting voluntary repayment of money, either in lump-sum payment or installment  
 253.15 payments;

253.16 (2) using any legal collection process;

253.17 (3) deducting or withholding program payments; or

253.18 (4) utilizing the means set forth in chapter 16D.

253.19 **EFFECTIVE DATE.** This section is effective April 23, 2018.

253.20 Sec. 34. Minnesota Statutes 2016, section 252.27, subdivision 2a, is amended to read:

253.21 Subd. 2a. **Contribution amount.** (a) The natural or adoptive parents of a minor child,  
 253.22 including a child determined eligible for medical assistance without consideration of parental  
 253.23 income, must contribute to the cost of services used by making monthly payments on a  
 253.24 sliding scale based on income, unless the child is married or has been married, parental  
 253.25 rights have been terminated, or the child's adoption is subsidized according to chapter 259A  
 253.26 or through title IV-E of the Social Security Act. The parental contribution is a partial or full  
 253.27 payment for medical services provided for diagnostic, therapeutic, curing, treating, mitigating,  
 253.28 rehabilitation, maintenance, and personal care services as defined in United States Code,  
 253.29 title 26, section 213, needed by the child with a chronic illness or disability.

254.1 (b) For households with adjusted gross income equal to or greater than 275 percent of  
254.2 federal poverty guidelines, the parental contribution shall be computed by applying the  
254.3 following schedule of rates to the adjusted gross income of the natural or adoptive parents:

254.4 (1) if the adjusted gross income is equal to or greater than 275 percent of federal poverty  
254.5 guidelines and less than or equal to 545 percent of federal poverty guidelines, the parental  
254.6 contribution shall be determined using a sliding fee scale established by the commissioner  
254.7 of human services which begins at ~~2.23~~ 1.94 percent of adjusted gross income at 275 percent  
254.8 of federal poverty guidelines and increases to ~~6.08~~ 5.29 percent of adjusted gross income  
254.9 for those with adjusted gross income up to 545 percent of federal poverty guidelines;

254.10 (2) if the adjusted gross income is greater than 545 percent of federal poverty guidelines  
254.11 and less than 675 percent of federal poverty guidelines, the parental contribution shall be  
254.12 ~~6.08~~ 5.29 percent of adjusted gross income;

254.13 (3) if the adjusted gross income is equal to or greater than 675 percent of federal poverty  
254.14 guidelines and less than 975 percent of federal poverty guidelines, the parental contribution  
254.15 shall be determined using a sliding fee scale established by the commissioner of human  
254.16 services which begins at ~~6.08~~ 5.29 percent of adjusted gross income at 675 percent of federal  
254.17 poverty guidelines and increases to ~~8.1~~ 7.05 percent of adjusted gross income for those with  
254.18 adjusted gross income up to 975 percent of federal poverty guidelines; and

254.19 (4) if the adjusted gross income is equal to or greater than 975 percent of federal poverty  
254.20 guidelines, the parental contribution shall be ~~10.13~~ 8.81 percent of adjusted gross income.

254.21 If the child lives with the parent, the annual adjusted gross income is reduced by \$2,400  
254.22 prior to calculating the parental contribution. If the child resides in an institution specified  
254.23 in section 256B.35, the parent is responsible for the personal needs allowance specified  
254.24 under that section in addition to the parental contribution determined under this section.  
254.25 The parental contribution is reduced by any amount required to be paid directly to the child  
254.26 pursuant to a court order, but only if actually paid.

254.27 (c) The household size to be used in determining the amount of contribution under  
254.28 paragraph (b) includes natural and adoptive parents and their dependents, including the  
254.29 child receiving services. Adjustments in the contribution amount due to annual changes in  
254.30 the federal poverty guidelines shall be implemented on the first day of July following  
254.31 publication of the changes.

254.32 (d) For purposes of paragraph (b), "income" means the adjusted gross income of the  
254.33 natural or adoptive parents determined according to the previous year's federal tax form,

255.1 except, effective retroactive to July 1, 2003, taxable capital gains to the extent the funds  
255.2 have been used to purchase a home shall not be counted as income.

255.3 (e) The contribution shall be explained in writing to the parents at the time eligibility  
255.4 for services is being determined. The contribution shall be made on a monthly basis effective  
255.5 with the first month in which the child receives services. Annually upon redetermination  
255.6 or at termination of eligibility, if the contribution exceeded the cost of services provided,  
255.7 the local agency or the state shall reimburse that excess amount to the parents, either by  
255.8 direct reimbursement if the parent is no longer required to pay a contribution, or by a  
255.9 reduction in or waiver of parental fees until the excess amount is exhausted. All  
255.10 reimbursements must include a notice that the amount reimbursed may be taxable income  
255.11 if the parent paid for the parent's fees through an employer's health care flexible spending  
255.12 account under the Internal Revenue Code, section 125, and that the parent is responsible  
255.13 for paying the taxes owed on the amount reimbursed.

255.14 (f) The monthly contribution amount must be reviewed at least every 12 months; when  
255.15 there is a change in household size; and when there is a loss of or gain in income from one  
255.16 month to another in excess of ten percent. The local agency shall mail a written notice 30  
255.17 days in advance of the effective date of a change in the contribution amount. A decrease in  
255.18 the contribution amount is effective in the month that the parent verifies a reduction in  
255.19 income or change in household size.

255.20 (g) Parents of a minor child who do not live with each other shall each pay the  
255.21 contribution required under paragraph (a). An amount equal to the annual court-ordered  
255.22 child support payment actually paid on behalf of the child receiving services shall be deducted  
255.23 from the adjusted gross income of the parent making the payment prior to calculating the  
255.24 parental contribution under paragraph (b).

255.25 (h) The contribution under paragraph (b) shall be increased by an additional five percent  
255.26 if the local agency determines that insurance coverage is available but not obtained for the  
255.27 child. For purposes of this section, "available" means the insurance is a benefit of employment  
255.28 for a family member at an annual cost of no more than five percent of the family's annual  
255.29 income. For purposes of this section, "insurance" means health and accident insurance  
255.30 coverage, enrollment in a nonprofit health service plan, health maintenance organization,  
255.31 self-insured plan, or preferred provider organization.

255.32 Parents who have more than one child receiving services shall not be required to pay  
255.33 more than the amount for the child with the highest expenditures. There shall be no resource  
255.34 contribution from the parents. The parent shall not be required to pay a contribution in

256.1 excess of the cost of the services provided to the child, not counting payments made to  
256.2 school districts for education-related services. Notice of an increase in fee payment must  
256.3 be given at least 30 days before the increased fee is due.

256.4 (i) The contribution under paragraph (b) shall be reduced by \$300 per fiscal year if, in  
256.5 the 12 months prior to July 1:

256.6 (1) the parent applied for insurance for the child;

256.7 (2) the insurer denied insurance;

256.8 (3) the parents submitted a complaint or appeal, in writing to the insurer, submitted a  
256.9 complaint or appeal, in writing, to the commissioner of health or the commissioner of  
256.10 commerce, or litigated the complaint or appeal; and

256.11 (4) as a result of the dispute, the insurer reversed its decision and granted insurance.

256.12 For purposes of this section, "insurance" has the meaning given in paragraph (h).

256.13 A parent who has requested a reduction in the contribution amount under this paragraph  
256.14 shall submit proof in the form and manner prescribed by the commissioner or county agency,  
256.15 including, but not limited to, the insurer's denial of insurance, the written letter or complaint  
256.16 of the parents, court documents, and the written response of the insurer approving insurance.  
256.17 The determinations of the commissioner or county agency under this paragraph are not rules  
256.18 subject to chapter 14.

256.19 **EFFECTIVE DATE.** This section is effective July 1, 2017.

256.20 Sec. 35. Minnesota Statutes 2016, section 256.98, subdivision 8, is amended to read:

256.21 Subd. 8. **Disqualification from program.** (a) Any person found to be guilty of  
256.22 wrongfully obtaining assistance by a federal or state court or by an administrative hearing  
256.23 determination, or waiver thereof, through a disqualification consent agreement, or as part  
256.24 of any approved diversion plan under section 401.065, or any court-ordered stay which  
256.25 carries with it any probationary or other conditions, in the Minnesota family investment  
256.26 program and any affiliated program to include the diversionary work program and the work  
256.27 participation cash benefit program, the food stamp or food support program, the general  
256.28 assistance program, the group residential housing program, or the Minnesota supplemental  
256.29 aid program shall be disqualified from that program. In addition, any person disqualified  
256.30 from the Minnesota family investment program shall also be disqualified from the food  
256.31 stamp or food support program. The needs of that individual shall not be taken into  
256.32 consideration in determining the grant level for that assistance unit:

- 257.1 (1) for one year after the first offense;
- 257.2 (2) for two years after the second offense; and
- 257.3 (3) permanently after the third or subsequent offense.

257.4 The period of program disqualification shall begin on the date stipulated on the advance  
257.5 notice of disqualification without possibility of postponement for administrative stay or  
257.6 administrative hearing and shall continue through completion unless and until the findings  
257.7 upon which the sanctions were imposed are reversed by a court of competent jurisdiction.  
257.8 The period for which sanctions are imposed is not subject to review. The sanctions provided  
257.9 under this subdivision are in addition to, and not in substitution for, any other sanctions that  
257.10 may be provided for by law for the offense involved. A disqualification established through  
257.11 hearing or waiver shall result in the disqualification period beginning immediately unless  
257.12 the person has become otherwise ineligible for assistance. If the person is ineligible for  
257.13 assistance, the disqualification period begins when the person again meets the eligibility  
257.14 criteria of the program from which they were disqualified and makes application for that  
257.15 program.

257.16 (b) A family receiving assistance through child care assistance programs under chapter  
257.17 119B with a family member who is found to be guilty of wrongfully obtaining child care  
257.18 assistance by a federal court, state court, or an administrative hearing determination or  
257.19 waiver, through a disqualification consent agreement, as part of an approved diversion plan  
257.20 under section 401.065, or a court-ordered stay with probationary or other conditions, is  
257.21 disqualified from child care assistance programs. The disqualifications must be for periods  
257.22 of one year and two years for the first and second offenses, respectively. Subsequent  
257.23 violations must result in permanent disqualification. During the disqualification period,  
257.24 disqualification from any child care program must extend to all child care programs and  
257.25 must be immediately applied.

257.26 (c) A provider caring for children receiving assistance through child care assistance  
257.27 programs under chapter 119B is disqualified from receiving payment for child care services  
257.28 from the child care assistance program under chapter 119B when the provider is found to  
257.29 have wrongfully obtained child care assistance by a federal court, state court, or an  
257.30 administrative hearing determination or waiver under section 256.046, through a  
257.31 disqualification consent agreement, as part of an approved diversion plan under section  
257.32 401.065, or a court-ordered stay with probationary or other conditions. The disqualification  
257.33 must be for a period of ~~one year~~ two years for the first offense ~~and two years for the second~~  
257.34 ~~offense~~. Any subsequent violation must result in permanent disqualification. The

258.1 disqualification period must be imposed immediately after a determination is made under  
258.2 this paragraph. During the disqualification period, the provider is disqualified from receiving  
258.3 payment from any child care program under chapter 119B.

258.4 (d) Any person found to be guilty of wrongfully obtaining MinnesotaCare for adults  
258.5 without children and upon federal approval, all categories of medical assistance and  
258.6 remaining categories of MinnesotaCare, except for children through age 18, by a federal or  
258.7 state court or by an administrative hearing determination, or waiver thereof, through a  
258.8 disqualification consent agreement, or as part of any approved diversion plan under section  
258.9 401.065, or any court-ordered stay which carries with it any probationary or other conditions,  
258.10 is disqualified from that program. The period of disqualification is one year after the first  
258.11 offense, two years after the second offense, and permanently after the third or subsequent  
258.12 offense. The period of program disqualification shall begin on the date stipulated on the  
258.13 advance notice of disqualification without possibility of postponement for administrative  
258.14 stay or administrative hearing and shall continue through completion unless and until the  
258.15 findings upon which the sanctions were imposed are reversed by a court of competent  
258.16 jurisdiction. The period for which sanctions are imposed is not subject to review. The  
258.17 sanctions provided under this subdivision are in addition to, and not in substitution for, any  
258.18 other sanctions that may be provided for by law for the offense involved.

263.31 coordinated systems and service delivery approach on key developmental milestones and  
263.32 outcomes that ultimately lead to reading proficiency by age eight within the target population.  
263.33 The pilot program is from July 1, 2017, to June 30, 2021.

264.1 Subd. 2. **Pilot design and goals.** The pilot will establish five key developmental milestone  
 264.2 markers from birth to age eight. Enrollees in the pilot will be developmentally assessed and  
 264.3 tracked by a technology solution that tracks developmental milestones along the established  
 264.4 developmental continuum. If a child's progress falls below established milestones and the  
 264.5 weighted scoring, the coordinated service system will focus on identified areas of concern,  
 264.6 mobilize appropriate supportive services, and offer services to identified children and their  
 264.7 families.

 264.17 evaluator to evaluate the effectiveness of the pilot and report back to the legislature each  
 264.18 year by February 1 with an update on the progress of the pilot. The final report on the pilot  
 264.19 is due January 1, 2022.

264.20 Sec. 44. **MINNESOTA PATHWAYS TO PROSPERITY PILOT PROJECT.**

264.21 Subdivision 1. **Authorization.** The commissioner of human services may develop a

 264.24 determine the waivers that are necessary to implement the pilot program based on the pilot  
 264.25 design in subdivisions 2 and 3, and outcome measures in subdivision 4.

264.26 Subd. 2. **Pilot program design and goals.** The pilot program must reduce the historical  
 264.27 separation between the state funds and systems affecting families who are receiving public  
 264.28 assistance. The pilot program shall eliminate, where possible, funding restrictions to allow  
 264.29 a more comprehensive approach to the needs of the families in the pilot program, and focus  
 264.30 on upstream, prevention-oriented supports and interventions.

265.5 (4) be enrolled in an education program that is focused on obtaining a career that will  
 265.6 likely result in a livable wage.

265.7 Subd. 4. **Outcomes.** The outcomes measures for the pathways to prosperity include:

265.8 (1) improvement in the affordability, safety, and permanence of suitable housing;

265.9 (2) improvement in family functioning and stability, including in the areas of behavioral  
 265.10 health, incarceration, involvement with the child welfare system, or equivalent indicators;

265.11 (3) secure educational gains for parent and specifically for children from early childhood  
 265.12 through high school, including absentee reduction, preschool readiness scores, third grade

278.27 **EFFECTIVE DATE.** This section is effective January 1, 2018.

278.28 Sec. 11. **[245G.04] INITIAL SERVICES PLAN.**

278.29 (a) The license holder must complete an initial services plan on the day of service  
278.30 initiation. The plan must address the client's immediate health and safety concerns, identify

279.1 the needs to be addressed in the first treatment session, and make treatment suggestions for  
279.2 the client during the time between intake and completion of the individual treatment plan.

279.3 (b) The initial services plan must include a determination of whether a client is a  
279.4 vulnerable adult as defined in section 626.5572, subdivision 21. An adult client of a  
279.5 residential program is a vulnerable adult. An individual abuse prevention plan, according  
279.6 to sections 245A.65, subdivision 2, paragraph (b), and 626.557, subdivision 14, paragraph  
279.7 (b), is required for a client who meets the definition of vulnerable adult.

279.8 **EFFECTIVE DATE.** This section is effective January 1, 2018.

279.9 Sec. 12. **[245G.05] COMPREHENSIVE ASSESSMENT AND ASSESSMENT**  
279.10 **SUMMARY.**

279.11 Subdivision 1. **Comprehensive assessment.** (a) A comprehensive assessment of the  
279.12 client's substance use disorder must be administered face-to-face by an alcohol and drug  
279.13 counselor within three calendar days after service initiation for a residential program or  
279.14 during the initial session for all other programs. If the comprehensive assessment is not  
279.15 completed during the initial session, the client-centered reason for the delay must be  
279.16 documented in the client's file and the planned completion date. If the client received a  
279.17 comprehensive assessment that authorized the treatment service, an alcohol and drug  
279.18 counselor must review the assessment to determine compliance with this subdivision,  
279.19 including applicable timelines. If available, the alcohol and drug counselor may use current  
279.20 information provided by a referring agency or other source as a supplement. Information  
279.21 gathered more than 45 days before the date of admission is not considered current. If the  
279.22 comprehensive assessment cannot be completed in the time specified, the treatment plan  
279.23 must indicate a person-centered reason for the delay, and how and when the comprehensive  
279.24 assessment will be completed. The comprehensive assessment must include sufficient  
279.25 information to complete the assessment summary according to subdivision 2 and the  
279.26 individual treatment plan according to section 245G.06. The comprehensive assessment  
279.27 must include information about the client's needs that relate to substance use and personal  
279.28 strengths that support recovery, including:

279.29 (1) age, sex, cultural background, sexual orientation, living situation, economic status,  
279.30 and level of education;

279.31 (2) circumstances of service initiation;

279.32 (3) previous attempts at treatment for substance misuse or substance use disorder,  
279.33 compulsive gambling, or mental illness;

280.1 (4) substance use history including amounts and types of substances used, frequency  
280.2 and duration of use, periods of abstinence, and circumstances of relapse, if any. For each  
280.3 substance used within the previous 30 days, the information must include the date of the  
280.4 most recent use and previous withdrawal symptoms;

280.5 (5) specific problem behaviors exhibited by the client when under the influence of  
280.6 substances;

280.7 (6) family status, family history, including history or presence of physical or sexual  
280.8 abuse, level of family support, and substance misuse or substance use disorder of a family  
280.9 member or significant other;

280.10 (7) physical concerns or diagnoses, the severity of the concerns, and whether the concerns  
280.11 are being addressed by a health care professional;

280.12 (8) mental health history and psychiatric status, including symptoms, disability, current  
280.13 treatment supports, and psychotropic medication needed to maintain stability; the assessment  
280.14 must utilize screening tools approved by the commissioner pursuant to section 245.4863 to  
280.15 identify whether the client screens positive for co-occurring disorders;

280.16 (9) arrests and legal interventions related to substance use;

280.17 (10) ability to function appropriately in work and educational settings;

280.18 (11) ability to understand written treatment materials, including rules and the client's  
280.19 rights;

280.20 (12) risk-taking behavior, including behavior that puts the client at risk of exposure to  
280.21 blood-borne or sexually transmitted diseases;

280.22 (13) social network in relation to expected support for recovery and leisure time activities  
280.23 that are associated with substance use;

280.24 (14) whether the client is pregnant and, if so, the health of the unborn child and the  
280.25 client's current involvement in prenatal care;

280.26 (15) whether the client recognizes problems related to substance use and is willing to  
280.27 follow treatment recommendations; and

280.28 (16) collateral information. If the assessor gathered sufficient information from the  
280.29 referral source or the client to apply the criteria in parts 9530.6620 and 9530.6622, a collateral  
280.30 contact is not required.

280.31 (b) If the client is identified as having opioid use disorder or seeking treatment for opioid  
280.32 use disorder, the program must provide educational information to the client concerning:

- 281.1 (1) risks for opioid use disorder and dependence;
- 281.2 (2) treatment options, including the use of a medication for opioid use disorder;
- 281.3 (3) the risk of and recognizing opioid overdose; and
- 281.4 (4) the use, availability, and administration of naloxone to respond to opioid overdose.
- 281.5 (c) The commissioner shall develop educational materials that are supported by research
- 281.6 and updated periodically. The license holder must use the educational materials that are
- 281.7 approved by the commissioner to comply with this requirement.
- 281.8 (d) If the comprehensive assessment is completed to authorize treatment service for the
- 281.9 client, at the earliest opportunity during the assessment interview the assessor shall determine
- 281.10 if:
- 281.11 (1) the client is in severe withdrawal and likely to be a danger to self or others;
- 281.12 (2) the client has severe medical problems that require immediate attention; or
- 281.13 (3) the client has severe emotional or behavioral symptoms that place the client or others
- 281.14 at risk of harm.
- 281.15 If one or more of the conditions in clauses (1) to (3) are present, the assessor must end the
- 281.16 assessment interview and follow the procedures in the program's medical services plan
- 281.17 under section 245G.08, subdivision 2, to help the client obtain the appropriate services. The
- 281.18 assessment interview may resume when the condition is resolved.
- 281.19 Subd. 2. **Assessment summary.** (a) An alcohol and drug counselor must complete an
- 281.20 assessment summary within three calendar days after service initiation for a residential
- 281.21 program and within three sessions for all other programs. If the comprehensive assessment
- 281.22 is used to authorize the treatment service, the alcohol and drug counselor must prepare an
- 281.23 assessment summary on the same date the comprehensive assessment is completed. If the
- 281.24 comprehensive assessment and assessment summary are to authorize treatment services,
- 281.25 the assessor must determine appropriate services for the client using the dimensions in
- 281.26 Minnesota Rules, part 9530.6622, and document the recommendations.
- 281.27 (b) An assessment summary must include:
- 281.28 (1) a risk description according to section 245G.05 for each dimension listed in paragraph
- 281.29 (c);
- 281.30 (2) a narrative summary supporting the risk descriptions; and
- 281.31 (3) a determination of whether the client has a substance use disorder.

282.1 (c) An assessment summary must contain information relevant to treatment service  
282.2 planning and recorded in the dimensions in clauses (1) to (6). The license holder must  
282.3 consider:

282.4 (1) Dimension 1, acute intoxication/withdrawal potential; the client's ability to cope with  
282.5 withdrawal symptoms and current state of intoxication;

282.6 (2) Dimension 2, biomedical conditions and complications; the degree to which any  
282.7 physical disorder of the client would interfere with treatment for substance use, and the  
282.8 client's ability to tolerate any related discomfort. The license holder must determine the  
282.9 impact of continued chemical use on the unborn child, if the client is pregnant;

282.10 (3) Dimension 3, emotional, behavioral, and cognitive conditions and complications;  
282.11 the degree to which any condition or complication is likely to interfere with treatment for  
282.12 substance use or with functioning in significant life areas and the likelihood of harm to self  
282.13 or others;

282.14 (4) Dimension 4, readiness for change; the support necessary to keep the client involved  
282.15 in treatment service;

282.16 (5) Dimension 5, relapse, continued use, and continued problem potential; the degree  
282.17 to which the client recognizes relapse issues and has the skills to prevent relapse of either  
282.18 substance use or mental health problems; and

282.19 (6) Dimension 6, recovery environment; whether the areas of the client's life are  
282.20 supportive of or antagonistic to treatment participation and recovery.

282.21 **EFFECTIVE DATE.** This section is effective January 1, 2018.

282.22 Sec. 13. **[245G.06] INDIVIDUAL TREATMENT PLAN.**

282.23 Subdivision 1. **General.** Each client must have an individual treatment plan developed  
282.24 by an alcohol and drug counselor within seven days of service initiation for a residential  
282.25 program and within three sessions for all other programs. The client must have active, direct  
282.26 involvement in selecting the anticipated outcomes of the treatment process and developing  
282.27 the treatment plan. The individual treatment plan must be signed by the client and the alcohol  
282.28 and drug counselor and document the client's involvement in the development of the plan.  
282.29 The plan may be a continuation of the initial services plan required in section 245G.04.  
282.30 Treatment planning must include ongoing assessment of client needs. An individual treatment  
282.31 plan must be updated based on new information gathered about the client's condition and  
282.32 on whether methods identified have the intended effect. A change to the plan must be signed  
282.33 by the client and the alcohol and drug counselor. The plan must provide for the involvement

283.1 of the client's family and people selected by the client as important to the success of treatment  
283.2 at the earliest opportunity, consistent with the client's treatment needs and written consent.

283.3 Subd. 2. **Plan contents.** An individual treatment plan must be recorded in the six  
283.4 dimensions listed in section 245G.05, subdivision 2, paragraph (c), must address each issue  
283.5 identified in the assessment summary, prioritized according to the client's needs and focus,  
283.6 and must include:

283.7 (1) specific methods to address each identified need, including amount, frequency, and  
283.8 anticipated duration of treatment service. The methods must be appropriate to the client's  
283.9 language, reading skills, cultural background, and strengths;

283.10 (2) resources to refer the client to when the client's needs are to be addressed concurrently  
283.11 by another provider; and

283.12 (3) goals the client must reach to complete treatment and terminate services.

283.13 Subd. 3. **Documentation of treatment services; treatment plan review.** (a) A review  
283.14 of all treatment services must be documented weekly and include a review of:

283.15 (1) care coordination activities;

283.16 (2) medical and other appointments the client attended;

283.17 (3) issues related to medications that are not documented in the medication administration  
283.18 record; and

283.19 (4) issues related to attendance for treatment services, including the reason for any client  
283.20 absence from a treatment service.

283.21 (b) A note must be entered immediately following any significant event. A significant  
283.22 event is an event that impacts the client's relationship with other clients, staff, the client's  
283.23 family, or the client's treatment plan.

283.24 (c) A treatment plan review must be entered in a client's file weekly or after each treatment  
283.25 service, whichever is less frequent, by the staff member providing the service. The review  
283.26 must indicate the span of time covered by the review and each of the six dimensions listed  
283.27 in section 245G.05, subdivision 2, paragraph (c). The review must:

283.28 (1) indicate the date, type, and amount of each treatment service provided and the client's  
283.29 response to each service;

283.30 (2) address each goal in the treatment plan and whether the methods to address the goals  
283.31 are effective;

284.1 (3) include monitoring of any physical and mental health problems;

284.2 (4) document the participation of others;

284.3 (5) document staff recommendations for changes in the methods identified in the treatment  
284.4 plan and whether the client agrees with the change; and

284.5 (6) include a review and evaluation of the individual abuse prevention plan according  
284.6 to section 245A.65.

284.7 (d) Each entry in a client's record must be accurate, legible, signed, and dated. A late  
284.8 entry must be clearly labeled "late entry." A correction to an entry must be made in a way  
284.9 in which the original entry can still be read.

284.10 Subd. 4. **Service discharge summary.** (a) An alcohol and drug counselor must write a  
284.11 discharge summary for each client. The summary must be completed within five days of  
284.12 the client's service termination or within five days from the client's or program's decision  
284.13 to terminate services, whichever is earlier.

284.14 (b) The service discharge summary must be recorded in the six dimensions listed in  
284.15 section 245G.05, subdivision 2, paragraph (c), and include the following information:

284.16 (1) the client's issues, strengths, and needs while participating in treatment, including  
284.17 services provided;

284.18 (2) the client's progress toward achieving each goal identified in the individual treatment  
284.19 plan;

284.20 (3) a risk description according to section 245G.05; and

284.21 (4) the reasons for and circumstances of service termination. If a program discharges a  
284.22 client at staff request, the reason for discharge and the procedure followed for the decision  
284.23 to discharge must be documented and comply with the program's policies on staff-initiated  
284.24 client discharge. If a client is discharged at staff request, the program must give the client  
284.25 crisis and other referrals appropriate for the client's needs and offer assistance to the client  
284.26 to access the services.

284.27 (c) For a client who successfully completes treatment, the summary must also include:

284.28 (1) the client's living arrangements at service termination;

284.29 (2) continuing care recommendations, including transitions between more or less intense  
284.30 services, or more frequent to less frequent services, and referrals made with specific attention  
284.31 to continuity of care for mental health, as needed;

285.1 (3) service termination diagnosis; and

285.2 (4) the client's prognosis.

308.9 (2) other treatment program decisions on dispensing medications used for the treatment  
308.10 of opioid use disorder to a client for unsupervised use shall be determined by the medical  
308.11 director.

308.12 (b) In determining whether a client may be permitted unsupervised use of medications,  
308.13 a physician with authority to prescribe must consider the criteria in this paragraph. The  
308.14 criteria in this paragraph must also be considered when determining whether dispensing  
308.15 medication for a client's unsupervised use is appropriate to increase or to extend the amount  
308.16 of time between visits to the program. The criteria are:

308.24 (7) reasonable assurance that unsupervised use medication will be safely stored within  
308.25 the client's home; and

308.26 (8) whether the rehabilitative benefit the client derived from decreasing the frequency  
308.27 of program attendance outweighs the potential risks of diversion or unsupervised use.

308.28 (c) The determination, including the basis of the determination must be documented in  
308.29 the client's medical record.

308.30 Subd. 7. **Restrictions for unsupervised use of methadone hydrochloride.** (a) If a  
308.31 physician with authority to prescribe determines that a client meets the criteria in subdivision

309.5 be limited to a maximum of a single dose each week and the client shall ingest all other  
309.6 doses under direct supervision.

309.7 (c) In the second 90 days of treatment, the unsupervised use medication supply must be  
309.8 limited to two doses per week.

309.9 (d) In the third 90 days of treatment, the unsupervised use medication supply must not  
309.10 exceed three doses per week.

309.11 (e) In the remaining months of the first year, a client may be given a maximum six-day  
309.12 unsupervised use medication supply.

309.14 unsupervised use medication supply.

309.15 (g) After two years of continuous treatment, a client may be given a maximum one-month  
309.16 unsupervised use medication supply, but must make monthly visits to the program.

309.17 Subd. 8. **Restriction exceptions.** When a license holder has reason to accelerate the  
309.18 number of unsupervised use doses of methadone hydrochloride, the license holder must  
309.19 comply with the requirements of Code of Federal Regulations, title 42, section 8.12, the  
309.20 criteria for unsupervised use and must use the exception process provided by the federal  
309.21 Center for Substance Abuse Treatment Division of Pharmacologic Therapies. For the  
309.22 purposes of enforcement of this subdivision, the commissioner has the authority to monitor  
309.23 a program for compliance with federal regulations and may issue licensing actions according  
309.24 to sections 245A.05, 245A.06, and 245A.07 based on the commissioner's determination of  
309.25 noncompliance.

309.26 Subd. 9. **Guest dose.** To receive a guest dose, the client must be enrolled in an opioid  
309.27 treatment program elsewhere in the state or country and be receiving the medication on a  
309.28 temporary basis because the client is not able to receive the medication at the program in  
309.29 which the client is enrolled. Such arrangements shall not exceed 30 consecutive days in any  
309.30 one program and must not be for the convenience or benefit of either program. A guest dose  
309.31 may also occur when the client's primary clinic is not open and the client is not receiving  
309.32 unsupervised use doses.

310.1 Subd. 10. **Capacity management and waiting list system compliance.** An opioid  
310.2 treatment program must notify the department within seven days of the program reaching  
310.3 both 90 and 100 percent of the program's capacity to care for clients. Each week, the program  
310.4 must report its capacity, currently enrolled dosing clients, and any waiting list. A program  
310.5 reporting 90 percent of capacity must also notify the department when the program's census  
310.6 increases or decreases from the 90 percent level.

310.7 Subd. 11. **Waiting list.** An opioid treatment program must have a waiting list system.  
310.8 If the person seeking admission cannot be admitted within 14 days of the date of application,  
310.9 each person seeking admission must be placed on the waiting list, unless the person seeking  
310.10 admission is assessed by the program and found ineligible for admission according to this  
310.11 chapter and Code of Federal Regulations, title 42, part 1, subchapter A, section 8.12(e), and  
310.12 title 45, parts 160 to 164. The waiting list must assign a unique client identifier for each  
310.13 person seeking treatment while awaiting admission. A person seeking admission on a waiting  
310.14 list who receives no services under section 245G.07, subdivision 1, must not be considered  
310.15 a client as defined in section 245G.01, subdivision 9.

310.16 Subd. 12. **Client referral.** An opioid treatment program must consult the capacity  
310.17 management system to ensure that a person on a waiting list is admitted at the earliest time  
310.18 to a program providing appropriate treatment within a reasonable geographic area. If the  
310.19 client was referred through a public payment system and if the program is not able to serve  
310.20 the client within 14 days of the date of application for admission, the program must contact  
310.21 and inform the referring agency of any available treatment capacity listed in the state capacity  
310.22 management system.

310.23 Subd. 13. **Outreach.** An opioid treatment program must carry out activities to encourage  
310.24 an individual in need of treatment to undergo treatment. The program's outreach model  
310.25 must:

310.26 (1) select, train, and supervise outreach workers;

310.27 (2) contact, communicate, and follow up with individuals with high-risk substance  
310.28 misuse, individuals with high-risk substance misuse associates, and neighborhood residents  
310.29 within the constraints of federal and state confidentiality requirements;

310.30 (3) promote awareness among individuals who engage in substance misuse by injection  
310.31 about the relationship between injecting substances and communicable diseases such as  
310.32 HIV; and

310.33 (4) recommend steps to prevent HIV transmission.

311.1 Subd. 14. **Central registry.** (a) A license holder must comply with requirements to  
 311.2 submit information and necessary consents to the state central registry for each client  
 311.3 admitted, as specified by the commissioner. The license holder must submit data concerning  
 311.4 medication used for the treatment of opioid use disorder. The data must be submitted in a  
 311.5 method determined by the commissioner and the original information must be kept in the  
 311.6 client's record. The information must be submitted for each client at admission and discharge.  
 311.7 The program must document the date the information was submitted. The client's failure to  
 311.8 provide the information shall prohibit participation in an opioid treatment program. The  
 311.9 information submitted must include the client's:

311.10 (1) full name and all aliases;

311.11 (2) date of admission;

311.12 (3) date of birth;

311.13 (4) Social Security number or Alien Registration Number, if any;

311.14 (5) current or previous enrollment status in another opioid treatment program;

311.15 (6) government-issued photo identification card number; and

311.16 (7) driver's license number, if any.

311.17 (b) The requirements in paragraph (a) are effective upon the commissioner's  
 311.18 implementation of changes to the drug and alcohol abuse normative evaluation system or  
 311.19 development of an electronic system by which to submit the data.

311.20 Subd. 15. **Nonmedication treatment services; documentation.** (a) The program must  
 311.21 offer at least 50 consecutive minutes of individual or group therapy treatment services as  
 311.22 defined in section 245G.07, subdivision 1, paragraph (a), clause (1), per week, for the first  
 311.23 ten weeks following admission, and at least 50 consecutive minutes per month thereafter.  
 311.24 As clinically appropriate, the program may offer these services cumulatively and not  
 311.25 consecutively in increments of no less than 15 minutes over the required time period, and  
 311.26 for a total of 60 minutes of treatment services over the time period, and must document the  
 311.27 reason for providing services cumulatively in the client's record. The program may offer  
 311.28 additional levels of service when deemed clinically necessary.

311.29 (b) Notwithstanding the requirements of comprehensive assessments in section 245G.05,  
 311.30 the assessment must be completed within 21 days of service initiation.

311.31 (c) Notwithstanding the requirements of individual treatment plans set forth in section  
 311.32 245G.06:

312.1 (1) treatment plan contents for a maintenance client are not required to include goals  
312.2 the client must reach to complete treatment and have services terminated;

312.3 (2) treatment plans for a client in a taper or detox status must include goals the client  
312.4 must reach to complete treatment and have services terminated;

312.5 (3) for the initial ten weeks after admission for all new admissions, readmissions, and  
312.6 transfers, progress notes must be entered in a client's file at least weekly and be recorded  
312.7 in each of the six dimensions upon the development of the treatment plan and thereafter.  
312.8 Subsequently, the counselor must document progress in the six dimensions at least once  
312.9 monthly or, when clinical need warrants, more frequently; and

312.10 (4) upon the development of the treatment plan and thereafter, treatment plan reviews  
312.11 must occur weekly, or after each treatment service, whichever is less frequent, for the first  
312.12 ten weeks after the treatment plan is developed. Following the first ten weeks of treatment  
312.13 plan reviews, reviews may occur monthly, unless the client's needs warrant more frequent  
312.14 revisions or documentation.

312.15 Subd. 16. **Prescription monitoring program.** (a) The program must develop and  
312.16 maintain a policy and procedure that requires the ongoing monitoring of the data from the  
312.17 prescription monitoring program (PMP) for each client. The policy and procedure must  
312.18 include how the program meets the requirements in paragraph (b).

312.19 (b) If a medication used for the treatment of substance use disorder is administered or  
312.20 dispensed to a client, the license holder shall be subject to the following requirements:

312.21 (1) upon admission to a methadone clinic outpatient treatment program, a client must  
312.22 be notified in writing that the commissioner of human services and the medical director  
312.23 must monitor the PMP to review the prescribed controlled drugs a client received;

312.24 (2) the medical director or the medical director's delegate must review the data from the  
312.25 PMP described in section 152.126 before the client is ordered any controlled substance, as  
312.26 defined under section 152.126, subdivision 1, paragraph (c), including medications used  
312.27 for the treatment of opioid addiction, and the medical director's or the medical director's  
312.28 delegate's subsequent reviews of the PMP data must occur at least every 90 days;

312.29 (3) a copy of the PMP data reviewed must be maintained in the client's file;

312.30 (4) when the PMP data contains a recent history of multiple prescribers or multiple  
312.31 prescriptions for controlled substances, the physician's review of the data and subsequent  
312.32 actions must be documented in the client's file within 72 hours and must contain the medical  
312.33 director's determination of whether or not the prescriptions place the client at risk of harm

313.1 and the actions to be taken in response to the PMP findings. The provider must conduct  
313.2 subsequent reviews of the PMP on a monthly basis; and

313.3 (5) if at any time the medical director believes the use of the controlled substances places  
313.4 the client at risk of harm, the program must seek the client's consent to discuss the client's  
313.5 opioid treatment with other prescribers and must seek the client's consent for the other  
313.6 prescriber to disclose to the opioid treatment program's medical director the client's condition  
313.7 that formed the basis of the other prescriptions. If the information is not obtained within  
313.8 seven days, the medical director must document whether or not changes to the client's  
313.9 medication dose or number of unsupervised use doses are necessary until the information  
313.10 is obtained.

313.11 (c) The commissioner shall collaborate with the Minnesota Board of Pharmacy to develop  
313.12 and implement an electronic system for the commissioner to routinely access the PMP data  
313.13 to determine whether any client enrolled in an opioid addiction treatment program licensed  
313.14 according to this section was prescribed or dispensed a controlled substance in addition to  
313.15 that administered or dispensed by the opioid addiction treatment program. When the  
313.16 commissioner determines there have been multiple prescribers or multiple prescriptions of  
313.17 controlled substances for a client, the commissioner shall:

313.18 (1) inform the medical director of the opioid treatment program only that the  
313.19 commissioner determined the existence of multiple prescribers or multiple prescriptions of  
313.20 controlled substances; and

313.21 (2) direct the medical director of the opioid treatment program to access the data directly,  
313.22 review the effect of the multiple prescribers or multiple prescriptions, and document the  
313.23 review.

313.24 (d) If determined necessary, the commissioner shall seek a federal waiver of, or exception  
313.25 to, any applicable provision of Code of Federal Regulations, title 42, section 2.34(c), before  
313.26 implementing this subdivision.

313.27 Subd. 17. **Policies and procedures.** (a) A license holder must develop and maintain the  
313.28 policies and procedures required in this subdivision.

313.29 (b) For a program that is not open every day of the year, the license holder must maintain  
313.30 a policy and procedure that permits a client to receive a single unsupervised use of medication  
313.31 used for the treatment of opioid use disorder for days that the program is closed for business,  
313.32 including, but not limited to, Sundays and state and federal holidays as required under  
313.33 subdivision 6, paragraph (a), clause (1).

314.1 (c) The license holder must maintain a policy and procedure that includes specific  
314.2 measures to reduce the possibility of diversion. The policy and procedure must:

314.3 (1) specifically identify and define the responsibilities of the medical and administrative  
314.4 staff for performing diversion control measures; and

314.5 (2) include a process for contacting no less than five percent of clients who have  
314.6 unsupervised use of medication, excluding clients approved solely under subdivision 6,  
314.7 paragraph (a), clause (1), to require clients to physically return to the program each month.  
314.8 The system must require clients to return to the program within a stipulated time frame and  
314.9 turn in all unused medication containers related to opioid use disorder treatment. The license  
314.10 holder must document all related contacts on a central log and the outcome of the contact  
314.11 for each client in the client's record.

314.12 (d) Medication used for the treatment of opioid use disorder must be ordered,  
314.13 administered, and dispensed according to applicable state and federal regulations and the  
314.14 standards set by applicable accreditation entities. If a medication order requires assessment  
314.15 by the person administering or dispensing the medication to determine the amount to be  
314.16 administered or dispensed, the assessment must be completed by an individual whose  
314.17 professional scope of practice permits an assessment. For the purposes of enforcement of  
314.18 this paragraph, the commissioner has the authority to monitor the person administering or  
314.19 dispensing the medication for compliance with state and federal regulations and the relevant  
314.20 standards of the license holder's accreditation agency and may issue licensing actions  
314.21 according to sections 245A.05, 245A.06, and 245A.07, based on the commissioner's  
314.22 determination of noncompliance.

314.23 Subd. 18. **Quality improvement plan.** The license holder must develop and maintain  
314.24 a quality improvement plan that:

314.25 (1) includes evaluation of the services provided to clients to identify issues that may  
314.26 improve service delivery and client outcomes;

314.27 (2) includes goals for the program to accomplish based on the evaluation;

314.28 (3) is reviewed annually by the management of the program to determine whether the  
314.29 goals were met and, if not, whether additional action is required;

314.30 (4) is updated at least annually to include new or continued goals based on an updated  
314.31 evaluation of services; and

314.32 (5) identifies two specific goal areas, in addition to others identified by the program,  
314.33 including:

315.1 (i) a goal concerning oversight and monitoring of the premises around and near the  
315.2 exterior of the program to reduce the possibility of medication used for the treatment of  
315.3 opioid use disorder being inappropriately used by a client, including but not limited to the  
315.4 sale or transfer of the medication to others; and

315.5 (ii) a goal concerning community outreach, including but not limited to communications  
315.6 with local law enforcement and county human services agencies, to increase coordination  
315.7 of services and identification of areas of concern to be addressed in the plan.

315.8 Subd. 19. **Placing authorities.** A program must provide certain notification and  
315.9 client-specific updates to placing authorities for a client who is enrolled in Minnesota health  
315.10 care programs. At the request of the placing authority, the program must provide  
315.11 client-specific updates, including but not limited to informing the placing authority of  
315.12 positive drug screenings and changes in medications used for the treatment of opioid use  
315.13 disorder ordered for the client.

315.14 Subd. 20. **Duty to report suspected drug diversion.** (a) To the fullest extent permitted  
315.15 under Code of Federal Regulations, title 42, sections 2.1 to 2.67, a program shall report to  
315.16 law enforcement any credible evidence that the program or its personnel knows, or reasonably  
315.17 should know, that is directly related to a diversion crime on the premises of the program,  
315.18 or a threat to commit a diversion crime.

315.19 (b) "Diversion crime," for the purposes of this section, means diverting, attempting to  
315.20 divert, or conspiring to divert Schedule I, II, III, or IV drugs, as defined in section 152.02,  
315.21 on the program's premises.

315.22 (c) The program must document the program's compliance with the requirement in  
315.23 paragraph (a) in either a client's record or an incident report. A program's failure to comply  
315.24 with paragraph (a) may result in sanctions as provided in sections 245A.06 and 245A.07.

347.9 care licensing conducts an annual or biennial licensing inspection, the agency must provide,  
347.10 before departure from the residence or facility, a written or electronic notification to the  
347.11 licensee of potential licensing violations noted during the inspection and the condition that  
347.12 constitutes the violation.

347.13 (b) Providing this notification to the licensee does not relieve the county agency from  
347.14 notifying the license holder and the commissioner of the violation as required by statute or  
347.15 rule.

347.16 Sec. 5. Minnesota Statutes 2016, section 245A.06, subdivision 2, is amended to read:

347.17 Subd. 2. **Reconsideration of correction orders.** (a) If the applicant or license holder  
347.18 believes that the contents of the commissioner's correction order are in error, the applicant  
347.19 or license holder may ask the Department of Human Services to reconsider the parts of the  
347.20 correction order that are alleged to be in error. The request for reconsideration must be made  
347.21 in writing and must be postmarked and sent to the commissioner within 20 calendar days  
347.22 after receipt of the correction order by the applicant or license holder, and:

347.23 (1) specify the parts of the correction order that are alleged to be in error;

347.24 (2) explain why they are in error; and

347.25 (3) include documentation to support the allegation of error.

347.26 A request for reconsideration does not stay any provisions or requirements of the  
347.27 correction order. The commissioner's disposition of a request for reconsideration is final  
347.28 and not subject to appeal under chapter 14.

347.29 (b) This paragraph applies only to licensed family child care providers. A licensed family  
347.30 child care provider who requests reconsideration of a correction order under paragraph (a)

348.1 may also request, on a form and in the manner prescribed by the commissioner, that the  
348.2 commissioner expedite the review if:

348.3 (1) the provider is challenging a violation and provides a description of how complying  
348.4 with the corrective action for that violation would require the substantial expenditure of  
348.5 funds or a significant change to their program; and

348.6 (2) describes what actions the provider will take in lieu of the corrective action ordered  
348.7 to ensure the health and safety of children in care pending the commissioner's review of the  
348.8 correction order.

348.9 (c) By January 1, 2018, and each year thereafter, the Department of Human Services  
348.10 must report data to the chairs and ranking minority members of the legislative committees  
348.11 with jurisdiction over human services policy from the previous year that includes:

348.12 (1) the number of licensed family child care provider appeals of correction orders to the  
348.13 Department of Human Services;

348.14 (2) the number of correction order appeals by family child care providers that the  
348.15 Department of Human Services grants; and

348.16 (3) the number of correction order appeals that the Department of Human Services  
348.17 denies.

348.18 Sec. 6. Minnesota Statutes 2016, section 245A.07, subdivision 3, is amended to read:

348.19 Subd. 3. **License suspension, revocation, or fine.** (a) The commissioner may suspend  
348.20 or revoke a license, or impose a fine if:

348.21 (1) a license holder fails to comply fully with applicable laws or rules;

348.22 (2) a license holder, a controlling individual, or an individual living in the household  
348.23 where the licensed services are provided or is otherwise subject to a background study has  
348.24 a disqualification which has not been set aside under section 245C.22;

348.25 (3) a license holder knowingly withholds relevant information from or gives false or  
348.26 misleading information to the commissioner in connection with an application for a license,  
348.27 in connection with the background study status of an individual, during an investigation,  
348.28 or regarding compliance with applicable laws or rules; or

348.29 (4) after July 1, 2012, and upon request by the commissioner, a license holder fails to  
348.30 submit the information required of an applicant under section 245A.04, subdivision 1,  
348.31 paragraph (f) or (g).

349.1 A license holder who has had a license suspended, revoked, or has been ordered to pay  
349.2 a fine must be given notice of the action by certified mail or personal service. If mailed, the  
349.3 notice must be mailed to the address shown on the application or the last known address of  
349.4 the license holder. The notice must state the reasons the license was suspended, revoked,  
349.5 or a fine was ordered.

349.6 (b) If the license was suspended or revoked, the notice must inform the license holder  
349.7 of the right to a contested case hearing under chapter 14 and Minnesota Rules, parts  
349.8 1400.8505 to 1400.8612. The license holder may appeal an order suspending or revoking  
349.9 a license. The appeal of an order suspending or revoking a license must be made in writing  
349.10 by certified mail or personal service. If mailed, the appeal must be postmarked and sent to  
349.11 the commissioner within ten calendar days after the license holder receives notice that the  
349.12 license has been suspended or revoked. If a request is made by personal service, it must be  
349.13 received by the commissioner within ten calendar days after the license holder received the  
349.14 order. Except as provided in subdivision 2a, paragraph (c), if a license holder submits a  
349.15 timely appeal of an order suspending or revoking a license, the license holder may continue  
349.16 to operate the program as provided in section 245A.04, subdivision 7, paragraphs (g) and  
349.17 (h), until the commissioner issues a final order on the suspension or revocation.

349.18 (c)(1) If the license holder was ordered to pay a fine, the notice must inform the license  
349.19 holder of the responsibility for payment of fines and the right to a contested case hearing  
349.20 under chapter 14 and Minnesota Rules, parts 1400.8505 to 1400.8612. The appeal of an  
349.21 order to pay a fine must be made in writing by certified mail or personal service. If mailed,  
349.22 the appeal must be postmarked and sent to the commissioner within ten calendar days after  
349.23 the license holder receives notice that the fine has been ordered. If a request is made by  
349.24 personal service, it must be received by the commissioner within ten calendar days after  
349.25 the license holder received the order.

349.26 (2) The license holder shall pay the fines assessed on or before the payment date specified.  
349.27 If the license holder fails to fully comply with the order, the commissioner may issue a  
349.28 second fine or suspend the license until the license holder complies. If the license holder  
349.29 receives state funds, the state, county, or municipal agencies or departments responsible for  
349.30 administering the funds shall withhold payments and recover any payments made while the  
349.31 license is suspended for failure to pay a fine. A timely appeal shall stay payment of the fine  
349.32 until the commissioner issues a final order.

349.33 (3) A license holder shall promptly notify the commissioner of human services, in writing,  
349.34 when a violation specified in the order to forfeit a fine is corrected. If upon reinspection the  
349.35 commissioner determines that a violation has not been corrected as indicated by the order

350.1 to forfeit a fine, the commissioner may issue a second fine. The commissioner shall notify  
350.2 the license holder by certified mail or personal service that a second fine has been assessed.  
350.3 The license holder may appeal the second fine as provided under this subdivision.

350.4 (4) Fines shall be assessed as follows:

350.5 (i) the license holder shall forfeit \$1,000 for each determination of maltreatment of a  
350.6 child under section 626.556 or the maltreatment of a vulnerable adult under section 626.557  
350.7 for which the license holder is determined responsible for the maltreatment under section  
350.8 626.556, subdivision 10e, paragraph (i), or 626.557, subdivision 9c, paragraph (c);

350.9 (ii) if the commissioner determines that a determination of maltreatment for which the  
350.10 license holder is responsible is the result of maltreatment that meets the definition of serious  
350.11 maltreatment as defined in section 245C.02, subdivision 18, the license holder shall forfeit  
350.12 \$5,000;

350.13 (iii) for a program that operates out of the license holder's home and a program licensed  
350.14 under Minnesota Rules, parts 9502.0300 to 9502.0495, the fine assessed against the license  
350.15 holder shall not exceed \$1,000 for each determination of maltreatment;

350.16 (iv) the license holder shall forfeit \$200 for each occurrence of a violation of law or rule  
350.17 governing matters of health, safety, or supervision, including but not limited to the provision  
350.18 of adequate staff-to-child or adult ratios, and failure to comply with background study  
350.19 requirements under chapter 245C; and

350.20 (v) the license holder shall forfeit \$100 for each occurrence of a violation of law or rule  
350.21 other than those subject to a \$5,000, \$1,000, or \$200 fine ~~above~~ in items (i) to (iv).

350.22 For purposes of this section, "occurrence" means each violation identified in the  
350.23 commissioner's fine order. Fines assessed against a license holder that holds a license to  
350.24 provide home and community-based services, as identified in section 245D.03, subdivision  
350.25 1, and a community residential setting or day services facility license under chapter 245D  
350.26 where the services are provided, may be assessed against both licenses for the same  
350.27 occurrence, but the combined amount of the fines shall not exceed the amount specified in  
350.28 this clause for that occurrence.

350.29 (5) When a fine has been assessed, the license holder may not avoid payment by closing,  
350.30 selling, or otherwise transferring the licensed program to a third party. In such an event, the  
350.31 license holder will be personally liable for payment. In the case of a corporation, each  
350.32 controlling individual is personally and jointly liable for payment.

351.1 (d) Except for background study violations involving the failure to comply with an order  
 351.2 to immediately remove an individual or an order to provide continuous, direct supervision,  
 351.3 the commissioner shall not issue a fine under paragraph (c) relating to a background study  
 351.4 violation to a license holder who self-corrects a background study violation before the  
 351.5 commissioner discovers the violation. A license holder who has previously exercised the  
 351.6 provisions of this paragraph to avoid a fine for a background study violation may not avoid  
 351.7 a fine for a subsequent background study violation unless at least 365 days have passed  
 351.8 since the license holder self-corrected the earlier background study violation.

351.9 **EFFECTIVE DATE.** This section is effective August 1, 2017.

351.10 **Sec. 7. [245A.1434] INFORMATION FOR CHILD CARE LICENSE HOLDERS.**

351.11 The commissioner shall inform family child care and child care center license holders  
 351.12 on a timely basis of changes to state and federal statute, rule, regulation, and policy relating  
 351.13 to the provision of licensed child care, the child care assistance program under chapter 119B,  
 351.14 the quality rating and improvement system under section 124D.142, and child care licensing  
 351.15 functions delegated to counties. Communications under this section shall include information  
 351.16 to promote license holder compliance with identified changes. Communications under this  
 351.17 section may be accomplished by electronic means and shall be made available to the public  
 351.18 online.

354.25 prescribed by the commissioner is filed with the commissioner with the filing fee in section  
354.26 103I.208, and, when applicable, the person has met the requirements of paragraph (f). If  
354.27 after filing the well notification an attempt to construct a well is unsuccessful, a new  
354.28 notification is not required unless the information relating to the successful well has  
354.29 substantially changed.

355.1 (b) The property owner, the property owner's agent, or the ~~well~~ licensed contractor where  
355.2 a well is to be located must file the well notification with the commissioner.

355.17 commissioner for the construction. If after obtaining a permit an attempt to construct a well  
355.18 is unsuccessful, a new permit is not required as long as the initial permit is modified to  
355.19 indicate the location of the successful well.

355.20 (f) When the operation of a well will require an appropriation permit from the  
355.21 commissioner of natural resources, a person may not begin construction of the well until  
355.22 the person submits the following information to the commissioner of natural resources:

355.23 (1) the location of the well;

356.2 adopt rules that modify the procedures for filing a well or boring notification or well or

356.4 (1) endanger the public health and welfare or cause a need to protect the groundwater;  
356.5 or

356.6 (2) require the monitoring well contractor, limited well/boring contractor, or well  
356.7 contractor to begin constructing a well before obtaining a permit or notification.

356.8 Subd. 3. **Maintenance permit.** (a) Except as provided under paragraph (b), a well that  
356.9 is not in use must be sealed or have a maintenance permit.

356.10 (b) If a monitoring well or a dewatering well is not sealed by 14 months after completion  
356.11 of construction, the owner of the property on which the well is located must obtain and  
356.12 annually renew a maintenance permit from the commissioner.

356.13 Subd. 4. **License required.** (a) Except as provided in paragraph (b), (c), (d), or (e),  
356.14 section 103I.401, subdivision 2, or 103I.601, subdivision 2, a person may not drill, construct,  
356.15 repair, or seal a well or boring unless the person has a well contractor's license in possession.

356.16 (b) A person may construct, repair, and seal a monitoring well if the person:

356.17 (1) is a professional engineer licensed under sections 326.02 to 326.15 in the branches  
356.18 of civil or geological engineering;

356.20 (3) is a professional geoscientist licensed under sections 326.02 to 326.15;

356.21 (4) is a geologist certified by the American Institute of Professional Geologists; or

356.22 (5) meets the qualifications established by the commissioner in rule.

356.23 A person must ~~register with~~ be licensed by the commissioner as a monitoring well  
356.24 contractor on forms provided by the commissioner.

356.25 (c) A person may do the following work with a limited well/boring contractor's license  
356.26 in possession. A separate license is required for each of the six activities:

356.27 (1) installing or repairing well screens or pitless units or pitless adaptors and well casings  
356.28 from the pitless adaptor or pitless unit to the upper termination of the well casing;

356.30 (3) installing well pumps or pumping equipment;

357.1 (4) sealing wells or borings;

357.2 (5) constructing, repairing, or sealing dewatering wells; or

357.3 (6) constructing, repairing, or sealing bored geothermal heat exchangers.

357.4 (d) A person may construct, repair, and seal an elevator boring with an elevator boring  
357.5 contractor's license.

357.7 a license ~~or registration~~ is not required for a person who complies with the other provisions  
357.8 of this chapter if the person is:

473.32 senate and house of representatives with  
473.33 jurisdiction over mental health issues, the

474.1 status of planning and development of the

### **245A.1915 OPIOID ADDICTION TREATMENT EDUCATION REQUIREMENT FOR PROVIDERS LICENSED TO PROVIDE CHEMICAL DEPENDENCY TREATMENT SERVICES.**

All programs serving persons with substance use issues licensed by the commissioner must provide educational information concerning: treatment options for opioid addiction, including the use of a medication for the use of opioid addiction; and recognition of and response to opioid overdose and the use and administration of naloxone, to clients identified as having or seeking treatment for opioid addiction. The commissioner shall develop educational materials that are supported by research and updated periodically that must be used by programs to comply with this requirement.

### **245A.192 PROVIDERS LICENSED TO PROVIDE TREATMENT OF OPIOID ADDICTION.**

Subdivision 1. **Scope.** (a) This section applies to services licensed under this chapter to provide treatment for opioid addiction. In addition to the requirements under Minnesota Rules, parts 9530.6405 to 9530.6505, a program licensed to provide treatment of opioid addiction must meet the requirements in this section.

(b) Where a standard in this section differs from a standard in an otherwise applicable administrative rule, the standards of this section apply.

(c) When federal guidance or interpretations have been issued on federal standards or requirements also required under this section, the federal guidance or interpretations shall apply.

Subd. 2. **Definitions.** (a) For purposes of this section, the terms defined in this subdivision have the meanings given them.

(b) "Diversion" means the use of a medication for the treatment of opioid addiction being diverted from its intended use.

(c) "Guest dose or dosing" means the practice of administering a medication used for the treatment of opioid addiction to a person who is not a client of the program that is administering or dispensing the medication.

(d) "Medical director" means a physician, licensed to practice medicine in the jurisdiction in which the opioid treatment program is located, who assumes responsibility for administering all medical services performed by the program, either by performing them directly or by delegating specific responsibility to authorized program physicians and health care professionals functioning under the medical director's direct supervision.

(e) "Medication used for the treatment of opioid addiction" means a medication approved by the Food and Drug Administration for the treatment of opioid addiction.

(f) "Opioid treatment program" has the meaning given in Code of Federal Regulations, title 42, section 8.12, and includes programs licensed under Minnesota Rules, part 9530.6500.

(g) "Program" means an entity that is licensed under Minnesota Rules, part 9530.6500.

(h) "Unsupervised use" means the use of a medication for the treatment of opioid addiction dispensed for use by a client outside of the program setting. This is also referred to as a "take-home" dose.

APPENDIX

(i) "Placing authority" has the meaning given in Minnesota Rules, part 9530.6605, subpart 21a.

(j) "Minnesota health care programs" has the meaning given in section 256B.0636.

Subd. 3. **Medication orders.** Prior to the program administering or dispensing a medication used for the treatment of opioid addiction:

(1) a client-specific order must be received from an appropriately credentialed physician who is enrolled as a Minnesota health care programs provider and meets all applicable provider standards;

(2) the signed order must be documented in the client's record; and

(3) if the physician that issued the order is not able to sign the order when issued, the unsigned order must be entered in the client record at the time it was received, and the physician must review the documentation and sign the order in the client's record within 72 hours of the medication being ordered. The license holder must report to the commissioner any medication error that endangers a patient's health, as determined by the medical director.

Subd. 3a. **High dose requirements.** A client being administered or dispensed a dose beyond that set forth in subdivision 5, paragraph (a), clause (1), that exceeds 150 milligrams of methadone or 24 milligrams of buprenorphine daily, and for each subsequent increase, must meet face-to-face with a prescribing physician. The meeting must occur before the administering or dispensing of the increased dose.

Subd. 4. **Drug testing.** Each client enrolled in the program must receive a minimum of eight random drug abuse tests per 12 months of treatment. These tests must be reasonably disbursed over the 12-month period. A license holder may elect to conduct more drug abuse tests.

Subd. 5. **Criteria for unsupervised use.** (a) To limit the potential for diversion of medication used for the treatment of opioid addiction to the illicit market, any such medications dispensed to patients for unsupervised use shall be subject to the following requirements:

(1) any patient in an opioid treatment program may receive a single take-home dose for a day that the clinic is closed for business, including Sundays and state and federal holidays; and

(2) treatment program decisions on dispensing medications used to treat opioid addiction to patients for unsupervised use beyond that set forth in clause (1) shall be determined by the medical director.

(b) A physician with authority to prescribe must consider the criteria in this subdivision in determining whether a client may be permitted unsupervised or take-home use of such medications. The criteria must also be considered when determining whether dispensing medication for a client's unsupervised use is appropriate to increase or to extend the amount of time between visits to the program. The criteria include:

(1) absence of recent abuse of drugs including but not limited to opioids, nonnarcotics, and alcohol;

(2) regularity of program attendance;

(3) absence of serious behavioral problems at the program;

(4) absence of known recent criminal activity such as drug dealing;

(5) stability of the client's home environment and social relationships;

(6) length of time in comprehensive maintenance treatment;

(7) reasonable assurance that take-home medication will be safely stored within the client's home; and

(8) whether the rehabilitative benefit the client derived from decreasing the frequency of program attendance outweighs the potential risks of diversion or unsupervised use.

(c) The determination, including the basis of the determination, must be consistent with the criteria in this subdivision and must be documented in the client's medical record.

Subd. 6. **Restrictions for unsupervised or take-home use of methadone hydrochloride.**

(a) In cases where it is determined that a client meets the criteria in subdivision 5 and may be dispensed a medication used for the treatment of opioid addiction, the restrictions in paragraphs (b) to (g) must be followed when the medication to be dispensed is methadone hydrochloride.

(b) During the first 90 days of treatment, the take-home supply must be limited to a maximum of a single dose each week and the client shall ingest all other doses under direct supervision.

(c) In the second 90 days of treatment, the take-home supply must be limited to two doses per week.

(d) In the third 90 days of treatment, the take-home supply must not exceed three doses per week.

(e) In the remaining months of the first year, a client may be given a maximum six-day supply of take-home medication.

## APPENDIX

### Repealed Minnesota Statutes: S0800-2

(f) After one year of continuous treatment, a client may be given a maximum two-week supply of take-home medication.

(g) After two years of continuous treatment, a client may be given a maximum one-month supply of take-home medication, but must make monthly visits.

**Subd. 7. Restriction exceptions.** When a license holder has reason to accelerate the number of unsupervised or take-home doses of methadone hydrochloride, the license holder must comply with the requirements of Code of Federal Regulations, title 42, section 8.12, the criteria for unsupervised use in subdivision 5, and must use the exception process provided by the federal Center for Substance Abuse Treatment Division of Pharmacologic Therapies. For the purposes of enforcement of this subdivision, the commissioner has the authority to monitor for compliance with these federal regulations and may issue licensing actions according to sections 245A.05, 245A.06, and 245A.07 based on the commissioner's determination of noncompliance.

**Subd. 8. Guest dosing.** In order to receive a guest dose, the client must be enrolled in an opioid treatment program elsewhere in the state or country and be receiving the medication on a temporary basis because the client is not able to receive the medication at the program in which the client is enrolled. Such arrangements shall not exceed 30 consecutive days in any one program and must not be for the convenience or benefit of either program. Guest dosing may also occur when the client's primary clinic is not open and the client is not receiving take-home doses.

**Subd. 9. Data and reporting.** The license holder must submit data concerning medication used for the treatment of opioid addiction to a central registry. The data must be submitted in a method determined by the commissioner and must be submitted for each client at the time of admission and discharge. The program must document the date the information was submitted. This requirement is effective upon implementation of changes to the Drug and Alcohol Abuse Normative Evaluation System (DAANES) or development of an electronic system by which to submit the data.

**Subd. 10. Nonmedication treatment services; documentation.** (a) The program must offer at least 50 consecutive minutes of individual or group therapy treatment services as defined in Minnesota Rules, part 9530.6430, subpart 1, item A, subitem (1), per week, for the first ten weeks following admission, and at least 50 consecutive minutes per month thereafter. As clinically appropriate, the program may offer these services cumulatively and not consecutively in increments of no less than 15 minutes over the required time period, and for a total of 60 minutes of treatment services over the time period, and must document the reason for providing services cumulatively in the client's record. The program may offer additional levels of service when deemed clinically necessary.

(b) Notwithstanding the requirements of comprehensive assessments in Minnesota Rules, part 9530.6422, the assessment must be completed within 21 days of service initiation.

(c) Notwithstanding the requirements of individual treatment plans set forth in Minnesota Rules, part 9530.6425:

(1) treatment plan contents for maintenance clients are not required to include goals the client must reach to complete treatment and have services terminated;

(2) treatment plans for clients in a taper or detox status must include goals the client must reach to complete treatment and have services terminated;

(3) for the initial ten weeks after admission for all new admissions, readmissions, and transfers, progress notes must be entered in a client's file at least weekly and be recorded in each of the six dimensions upon the development of the treatment plan and thereafter. Subsequently, the counselor must document progress no less than one time monthly, recorded in the six dimensions or when clinical need warrants more frequent notations; and

(4) upon the development of the treatment plan and thereafter, treatment plan reviews must occur weekly, or after each treatment service, whichever is less frequent, for the first ten weeks after the treatment plan is developed. Following the first ten weeks of treatment plan reviews, reviews may occur monthly, unless the client has needs that warrant more frequent revisions or documentation.

**Subd. 11. Prescription monitoring program.** (a) The program must develop and maintain a policy and procedure that requires the ongoing monitoring of the data from the prescription monitoring program for each client. The policy and procedure must include how the program will meet the requirements in paragraph (b).

(b) If a medication used for the treatment of opioid addiction is administered or dispensed to a client, the license holder shall be subject to the following requirements:

(1) upon admission to a methadone clinic outpatient treatment program, clients must be notified in writing that the commissioner of human services and the medical director will monitor the prescription monitoring program to review the prescribed controlled drugs the clients have received;

## APPENDIX

### Repealed Minnesota Statutes: S0800-2

(2) the medical director or the medical director's delegate must review the data from the Minnesota Board of Pharmacy prescription monitoring program (PMP) established under section 152.126 prior to the client being ordered any controlled substance, as defined under section 152.126, subdivision 1, paragraph (c), including medications used for the treatment of opioid addiction, and subsequent reviews of the PMP data must occur at least every 90 days;

(3) a copy of the PMP data reviewed must be maintained in the client file;

(4) when the PMP data contains a recent history of multiple prescribers or multiple prescriptions for controlled substances, the physician's review of the data and subsequent actions must be documented in the client's individual file within 72 hours and must contain the medical director's determination of whether or not the prescriptions place the client at risk of harm and the actions to be taken in response to the PMP findings. In addition, the provider must conduct subsequent reviews of the PMP on a monthly basis; and

(5) if at any time the medical director believes the use of the controlled substances places the client at risk of harm, the program must seek the client's consent to discuss the client's opioid treatment with other prescribers and must seek consent for the other prescriber to disclose to the opioid treatment program's medical director the client's condition that formed the basis of the other prescriptions. If the information is not obtained within seven days, the medical director must document whether or not changes to the client's medication dose or number of take-home doses are necessary until the information is obtained.

(c) The commissioner shall collaborate with the Minnesota Board of Pharmacy to develop and implement an electronic system through which the commissioner shall routinely access the data from the Minnesota Board of Pharmacy prescription monitoring program established under section 152.126 for the purpose of determining whether any client enrolled in an opioid addiction treatment program licensed according to this section has also been prescribed or dispensed a controlled substance in addition to that administered or dispensed by the opioid addiction treatment program. When the commissioner determines there have been multiple prescribers or multiple prescriptions of controlled substances, the commissioner shall:

(1) inform the medical director of the opioid treatment program only that the commissioner determined the existence of multiple prescribers or multiple prescriptions of controlled substances; and

(2) direct the medical director of the opioid treatment program to access the data directly, review the effect of the multiple prescribers or multiple prescriptions, and document the review.

(d) If determined necessary, the commissioner shall seek a federal waiver of, or exception to, any applicable provision of Code of Federal Regulations, title 42, section 2.34(c), prior to implementing this subdivision.

**Subd. 12. Policies and procedures.** (a) License holders must develop and maintain the policies and procedures required in this subdivision.

(b) For programs that are not open every day of the year, the license holder must maintain a policy and procedure that permits clients to receive a single unsupervised use of medication used for the treatment of opioid addiction for days that the program is closed for business, including, but not limited to, Sundays and state and federal holidays as required under subdivision 5, paragraph (a), clause (1).

(c) The license holder must maintain a policy and procedure that includes specific measures to reduce the possibility of medication used for the treatment of opioid addiction being diverted from its intended treatment use. The policy and procedure must:

(1) specifically identify and define the responsibilities of the medical and administrative staff for carrying out diversion control measures; and

(2) include a process for contacting no less than five percent of clients who have unsupervised use of medication used for the treatment of opioid addiction, excluding those approved solely under subdivision 5, paragraph (a), clause (1), to require them to physically return to the program each month. The system must require clients to return to the program within a stipulated time frame and turn in all unused medication containers related to opioid addiction treatment. The license holder must document all related contacts on a central log and the outcome of the contact for each client in the individual client's record.

(d) Medications used for the treatment of opioid addictions must be ordered, administered, and dispensed according to applicable state and federal regulations and the standards set by applicable accreditation entities. In addition, when an order requires assessment by the person administering or dispensing the medication to determine the amount to be administered or dispensed, the assessment must be completed by an individual whose professional scope of practice permits such assessment. For the purposes of enforcement of this paragraph, the commissioner has the authority to monitor for compliance with these state and federal regulations and the relevant standards of the license holder's accreditation agency and may issue licensing

Subd. 13. **Quality improvement plan.** The license holder must develop and maintain a quality improvement process and plan. The plan must:

(1) include evaluation of the services provided to clients with the goal of identifying issues that may improve service delivery and client outcomes;

(2) include goals for the program to accomplish based on the evaluation;

(3) be reviewed annually by the management of the program to determine whether the goals were met and, if not, whether additional action is required;

(4) be updated at least annually to include new or continued goals based on an updated evaluation of services; and

(5) identify two specific goal areas, in addition to others identified by the program, including:

(i) a goal concerning oversight and monitoring of the premises around and near the exterior of the program to reduce the possibility of medication used for the treatment of opioid addiction being inappropriately used by clients, including but not limited to the sale or transfer of the medication to others; and

(ii) a goal concerning community outreach, including but not limited to communications with local law enforcement and county human services agencies, with the goal of increasing coordination of services and identification of areas of concern to be addressed in the plan.

Subd. 14. **Placing authorities.** Programs must provide certain notification and client-specific updates to placing authorities for clients who are enrolled in Minnesota health care programs. At the request of the placing authority, the program must provide client-specific updates, including but not limited to informing the placing authority of positive drug screenings and changes in medications used for the treatment of opioid addiction ordered for the client.

Subd. 15. **A program's duty to report suspected drug diversion.** (a) To the fullest extent permitted under Code of Federal Regulations, title 42, sections 2.1 to 2.67, a program shall report to law enforcement any credible evidence that the program or its personnel knows, or reasonably should know, that is directly related to a diversion crime on the premises of the program, or a threat to commit a diversion crime.

(b) "Diversion crime," for the purposes of this section, means diverting, attempting to divert, or conspiring to divert Schedule I, II, III, or IV drugs, as defined in section 152.02, on the program's premises.

(c) The program must document its compliance with the requirement in paragraph (a) in either a client's record or an incident report.

(d) Failure to comply with the duty in paragraph (a) may result in sanctions as provided in sections 245A.06 and 245A.07.

Subd. 16. **Variance.** The commissioner may grant a variance to the requirements of this section.

### 254A.02 DEFINITIONS.

Subd. 4. **Drug abuse or abuse of drugs.** "Drug abuse or abuse of drugs" is the use of any psychoactive or mood altering chemical substance, without compelling medical reason, in such a manner as to induce mental, emotional or physical impairment and cause socially dysfunctional or socially disordering behavior and which results in psychological or physiological dependency as a function of continued use.

### 256B.0659 PERSONAL CARE ASSISTANCE PROGRAM.

Subd. 22. **Annual review for personal care providers.** (a) All personal care assistance provider agencies shall resubmit, on an annual basis, the information specified in subdivision 21, in a format determined by the commissioner, and provide a copy of the personal care assistance provider agency's most current version of its grievance policies and procedures along with a written record of grievances and resolutions of the grievances that the personal care assistance provider agency has received in the previous year and any other information requested by the commissioner.

(b) The commissioner shall send annual review notification to personal care assistance provider agencies 30 days prior to renewal. The notification must:

(b) Within 12 months of January 1, 2014, the commissioner shall compare estimated spending for all home and community-based waiver services under the new payment rates defined in subdivisions 6 to 9 with estimated spending for the same recipients and services under the rates in effect on July 1, 2013. This comparison must distinguish spending under each of subdivisions 6, 7, 8, and 9. The comparison must be based on actual recipients and services for one or more service months after the new rates have gone into effect. The commissioner shall consult with the commissioner of management and budget on this analysis to ensure budget neutrality. If estimated spending under the new rates for services under one or more subdivisions differs in this comparison by 0.3 percent or more, the commissioner shall assure aggregate budget neutrality across all service areas by adjusting the budget neutrality factor in paragraph (a) in each subdivision so that total estimated spending for each subdivision under the new rates matches estimated spending under the rates in effect on July 1, 2013.
