

Rule 215. New Certificates, Amendments, Etc.

In proceedings under Minnesota Statutes, sections 508.44, 508.45, 508.58, 508.59, 508.61, 508.62, 508.67, 508.671, 508.70, 508.71, and 508.73, the examiner shall make such examination as to the truth of the allegations contained in the petition as the examiner considers necessary, or as directed by the court. In all cases where notice is necessary and the manner of notice is not prescribed by statute, it shall be by an order to show cause, which shall designate the respondents, the manner of service, and the time within which service shall be made. Any final order or decree directed in such proceeding shall be approved as to form by the examiner before presentation to the court.
