

**Rule 21. Periodic Review**

The Supreme Court may periodically appoint a committee to review the records and proceedings of the board for the purpose of evaluating the effectiveness of the disciplinary process. The records and proceedings reviewed by the committee shall be maintained as confidential except for records and proceedings that have already been made public. The final written and oral report of the committee may present information about the board as long as it contains no specific information that would easily identify a judge, witness, or complainant.
