

H. F. No. 885.

CHAPTER 338.

Appropriation for roads and bridges.

An act to appropriate money out of the internal improvement fund to aid in building bridges and constructing and draining roads, in certain townships, villages and counties in this state, repealing certain appropriations heretofore made, and giving certain township, villages and counties the right to issue certificates of indebtedness.

Be it enacted by the Legislature of the State of Minnesota :

From Internal improvement fund.

SECTION 1. That the sums hereinafter named be, and the same hereby are appropriated out of any money in the state treasury belonging to the internal improvement fund, or out of the first moneys which shall come into the state treasury belonging to said fund not otherwise appropriated, to aid in building substantial bridges, and in constructing and draining roads, or other improvements as the case may be, at the locations in the townships, villages or counties hereinafter specified.

Provisions of this act carried out by county commissioners, when not otherwise designated.

SEC. 2. Such money shall be expended and such work shall be done under the supervision of the persons or officers in each case designated. Where no such person or officer is designated, the money shall be expended and said work shall be done under the supervision of the county commissioners of the county where the work is being done.

Certified to state auditor. Auditor's warrant.

SEC. 3. When the work in any location hereinafter described has been completed, the persons under whose supervision said work has been carried on, shall so certify to the state auditor, who shall thereupon draw his warrant on the state treasurer, payable to the county, city, village or township treasurer as the case may be, or such order may be made payable directly to the party having done the work. No such treasurer shall retain or be entitled to any portion of such appropriation as his fees or compensation for handling the same.

Must be certified prior to Dec. 31, 1909.

SEC. 4. No payment shall be made on any appropriation created by this act, unless certificate above required, executed by the proper officers, is filed with the state auditor on or before Dec. 31, 1909.

Any appropriation hereby made, for which said certificate shall not have been filed within the time herein specified, shall be cancelled, and is hereby repealed.
