Be it enacted by the Legislature of the State of Minnesota :

Section 1. Rochester, bond issue, airport purposes. The city of Rochester, in Olmsted county, is hereby authorized by resolution or resolutions duly adopted by its common council to acquire one or more hangars, shops, offices, or, without limitation, other structures which are determined by the council to be necessary for the servicing of aircraft at its municipal airport, and by such resolution or resolutions to issue, sell, and deliver in accordance with Minnesota Statutes 1957, Sections 475.51 through 475.57 and 475.60 through 475.753, the general obligation bonds of the city in an aggregate principal amount not to exceed \$600,000, for the purpose of financing such acquisition.

Sec. 2. No such structure shall be erected on any ground area leased by the city to any other governmental agency or private party unless such lease or an amendment thereto shall reserve to the city the right to use and occupy the structure or, at its option, to lease it to others and retain the rentals therefrom; but nothing herein shall prevent the city or any lessee of such structure from entering into a sublease of the ground area required for the operation of the structure, providing for such reasonable rental as may be agreed upon for the use and occupancy of such ground area. All rentals and other income from time to time received by the city from the leasing or operation of any such structure, in excess of the current costs of the operation and maintenance thereof which are incurred by the city, shall be pledged and appropriated to the sinking fund or funds maintained for the payment of the bonds herein authorized and interest thereon, so long as any such bonds are outstanding and unpaid, and shall be used, in accordance with law, to reduce and if possible

cancel the taxes otherwise required to be levied and collected for the payment of said bonds.

Sec. 3. This act shall become effective upon approval by resolution duly adopted by the common council of the city of Rochester, by the vote of not less than a majority of all its members; and all proceedings and agreements herein authorized and referred to shall be taken and entered into by resolutions similarly adopted.
