

120.57 and appropriated to the fund created by this act. Such bonds shall be purchased without new application therefor but subject to the following provisions:

(a) Such bonds shall bear interest at three and one-half percent per annum payable semiannually. Bonds may be called for redemption in any amount at any time after three years from date of issue; first required payment on the principal shall be due 15 years from date of issue and the entire issue shall mature serially at equal intervals over a period of 38 years so that the entire principal of the loan is paid on or before 50 years from the date of its issue. Bonds shall be numbered and be in such denominations as the committee shall determine.

(b) The committee may require such loans authorized in this subdivision to be presently paid when such school district, whose bonds are purchased under this subdivision, is able to refund said bonds on the public market pursuant to Minnesota Statutes 1957, Chapter 475; and the committee shall require as a condition of granting such aid that maximum effective use be made of such presently existing educational facilities.

(c) Such loans as are authorized in this subdivision shall be for the purpose of construction of school building classroom facilities only, and the bonds of such district shall be accepted by the committee as security for the loans.

Sec. 14. Laws 1959, Chapter 687, is repealed. This act is a substitute therefor.

Approved May 22, 1959.
