

(2) a description of the project for which an allocation of private activity bond issuance authority is requested (the higher education coordinating board may satisfy the requirements of this clause by stating that the bond proceeds are intended to be used for student loans);

(3) the amount of bond issuance authority requested; and

(4) a certification of the issuer that the project to which the application relates qualifies for carryforward treatment of allocated 1984 private activity bond issuance authority according to the terms of a federal limitation act and regulations thereunder.

Applications submitted pursuant to this section need not be accompanied by an application deposit or preliminary resolution. The department shall award allocations of 1984 private activity bond issuance authority to applications in the order in which applications are received by the department. The department shall return the application deposits made by applicants for a carryover allocation pursuant to section 474.19, subdivision 7. The amount necessary to pay the refund of application deposits is appropriated to the department of energy and economic development from the general fund. The department shall not award any allocation of 1984 private activity bond issuance authority pursuant to this section to any application which does not comply with clause (4).

For purposes of this section, "issuer" means a local issuer or the higher education coordinating board.

#### Sec. 2. **EFFECTIVE DATE.**

This act is effective the day after final enactment.
