

TABLE 4

SPECIAL LAWS ENACTED AT THE 1985 SESSIONS RELATING TO LOCAL GOVERNMENT UNITS

If an act requires local approval and the approval has been filed with the secretary of state pursuant to Minnesota Statutes, section 645.021, before the first day of the 1986 session, the dates of the local approval and filing appear in this table. If a special law provides for approval by more than one local government unit, the approval and filing dates are listed after the name of each unit. If local approval is not required, the fact is indicated by "NA." Article numbers, which previously appeared on this table as Roman numerals, have been changed to Arabic numbers.
