

(e) Out-of-state hospitals that are located within a Minnesota local trade area shall have rates established using the same procedures and methods that apply to Minnesota hospitals. Hospitals that are not required by law to file information in a format necessary to establish rates shall have rates established based on the commissioner's estimates of the information. Relative values of the diagnostic categories shall not be redetermined under this paragraph until required by rule and hospitals affected by this paragraph shall then be included in determining relative values. However, hospitals that have rates established based upon the commissioner's estimates of information shall not be included in determining relative values. This paragraph is effective for hospital fiscal years beginning on or after July 1, 1988. A hospital shall provide the information necessary to establish rates under this paragraph at least 90 days before the start of the hospital's fiscal year.

(f) Hospitals that are not located within Minnesota or a Minnesota local trade area shall have rates established as provided in paragraph (e) or, at the commissioner's discretion, at an amount negotiated by the commissioner. Relative values shall not be affected by negotiated rates.

Sec. 2. **EFFECTIVE DATE.**

Section 1 is effective the day after final enactment.
