

These appropriations shall be placed in the loan repayment account of the maximum effort school loan fund for the payment of the principal and interest on school loan bonds, as provided in Minnesota Statutes, section 124.46, to the extent that money in the fund is not sufficient to pay when due the full amount of principal and interest due on school loan bonds. The purpose of these appropriations is to ensure that sufficient money is available in the fund to prevent a statewide property tax levy as would otherwise be required pursuant to Minnesota Statutes, section 124.46, subdivision 3. Notwithstanding the provisions of Minnesota Statutes, section 124.39, subdivision 5, any amount of the appropriation made in this section which is not needed to pay when due the principal and interest due on school loan bonds shall not be transferred to the debt service loan account of the maximum effort school loan fund but instead shall cancel and revert to the general fund.

Any unexpended balance in fiscal year 1988 does not cancel but is available for fiscal year 1989.

Sec. 38. INSTRUCTION TO REVISOR.

In subsequent editions of Minnesota Statutes, the revisor of statutes is requested to change the heading of section 124.245, from "HAZARDOUS SUBSTANCE REVENUE" to "ADJUSTMENTS TO CAPITAL EXPENDITURE AIDS."
