Notwithstanding section 471.345 or other law, St. Louis county may contract for the acquisition, construction, improvement, maintenance, or operation of solid waste facilities or property or property rights for solid waste facilities by any means available and in any manner determined by the St. Louis county board, with or without advertisement for bids; provided, however, that any request for proposal or other contract negotiated under this subdivision shall require competitive negotiation with more than one vendor or contractor.

Subd. 2. Towns and home rule charter or statutory cities within service areas determined under section 400.08, subdivision 2, may contract with St. Louis county to provide solid waste management, maintenance, or operation services at solid waste facilities. Notwithstanding Minnesota Statutes, section 574.26, or other law to the contrary, a bond is not required for a contract for the construction of a solid waste composting facility prior to July 1, 1991, in Kanabec county provided that no payment of any portion of the contract price is required before completion of the project.

Sec. 3. EFFECTIVE DATE.

Section 1 takes effect the day after compliance with Minnesota Statutes, section 645.021, subdivision 3, by the St. Louis county board. Section 2 is effective the day after final enactment.
