**Section 1. ST. PAUL TEACHERS SPECIAL POSTRETIREMENT ADJUSTMENT.**

Subdivision 1. ENTITLEMENT. A person who is receiving, on November 30, 1991, a retirement annuity, disability benefit, or a surviving spouse's annuity or benefit from the basic program of the St. Paul teachers retirement fund association computed under the laws in effect after December 31, 1969, but before June 30, 1978, is entitled to receive a postretirement adjustment from the association in the amount specified in subdivision 2.

Subd. 2. AMOUNT OF POSTRETIREMENT ADJUSTMENT. (a) The postretirement adjustment in 1991 is a lump sum which is the greater of:

(1) \$27.34 for each full year of allowable service credited to the person by the association; or

(2) the difference between:

(i) the product of \$437.38 times the number of full years of allowable service credited to the person by the association; and

(ii) the sum of the benefits payable to the person from any Minnesota public employee pension plan, and cash benefits payable to the person from the Social Security Administration.

In 1992 and each subsequent year, the amount received in the preceding year must be increased by the same percentage applied to regular annuities paid from the Minnesota postretirement investment fund under Minnesota Statutes, section 11A.18.

(b) The postretirement adjustment provided for in this section is payable on December 1, 1991, for those persons receiving an annuity or benefit on November 30, 1991. In subsequent years, the adjustment must be paid on December 1 to those persons receiving an annuity or benefit on the preceding November 30. A person who is eligible may elect to participate in an optional annuity or benefit receipt schedule under subdivision 4. This section does not authorize the payment of a postretirement adjustment to an estate if the annuity or benefit recipient dies before the November 30 eligibility date. Notwithstanding Minnesota Statutes, section 356.18, the postretirement adjustment provided for in this section must be paid automatically unless the intended recipient files a written notice with the retirement fund requesting that the postretirement adjustment not be paid.

Subd. 3. OPTIONAL POSTRETIREMENT ADJUSTMENT PAYMENT SCHEDULE. Basic plan annuity or benefit recipients receiving adjustments under subdivision 2, paragraph (a), clause (2), and whose adjustment exceeds 20 percent of their annuity or benefit may elect to have the adjustment paid in equal monthly amounts instead of a lump sum. Selection of this option must be made by the recipient in writing on forms prepared by the association and may be revoked in writing before November 1 preceding the lump sum distribution in any year. Upon the death of the annuity or benefit recipient, any remaining

This authorization must be received by the retirement association before the December 1, 1991, payment date.

Subd. 5. REPORT. By September 30, 1992, the St. Paul teachers retirement fund association shall report to the legislature and the commissioner of finance on the number of annuity and benefit recipients eligible for each type of adjustment established in subdivision 2, the annual cost of each type of adjustment, and the estimated actuarial liability associated with each.
