An act relating to retirement; major and statewide retirement plans; crediting service and salary when back pay is awarded in the event of a wrongful discharge; proposing coding for new law in Minnesota Statutes, chapter 356; repealing Minnesota Statutes 1991 Supplement, section 353.27, subdivision 5a.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

Section 1. [356.50] SERVICE AND SALARY CREDIT FROM BACK PAY AWARDS IN THE EVENT OF WRONGFUL DISCHARGE.

(a) A person who is wrongfully discharged from public employment that gave rise to coverage by a public employee pension plan listed in section 356.30, subdivision 3, is entitled to obtain allowable service credit from the applicable public employee pension plan for the applicable period caused by the wrongful discharge. A person is wrongfully discharged for purposes of this section if:

(1) the person has been determined by a court of competent jurisdiction or an arbitrator in binding arbitration to have been wrongfully discharged from public employment;

(2) the person received an award of back pay with respect to that discharge; and

(3) the award does not include any amount for any lost or interrupted public pension plan coverage.

(b) To obtain the public pension plan allowable service credit, the person shall pay the required member contribution amount. The required member contribution amount is the member contribution rate or rates in effect for the pension plan during the period of service covered by the back pay award, applied to the unpaid gross salary amounts of the back pay award including unemployment compensation, workers' compensation or wages from other sources which reduced the back award. No contributions shall be made under this clause for compensation covered by a public pension plan listed in section 356.30, subdivision 3, for employment during the removal period. The person shall pay the required member contribution amount within 60 days of the date of receipt of the back pay award, within 60 days of the effective date of this section, or within 60 days of a billing from the retirement fund, whichever is later.
