

(i) An individual may refuse to make an anatomical gift of the individual's body or part by (i) a writing signed in the same manner as a document of gift, or (ii) any other writing used to identify the individual as refusing to make an anatomical gift. During a terminal illness or injury, the refusal may be an oral statement or other form of communication.

(j) In the absence of contrary indications by the donor, an anatomical gift of a part is neither a refusal to give other parts nor a limitation on an anatomical gift under section 525.9212 or on a removal or release of other parts under section 525.9213.

(k) In the absence of contrary indications by the donor, a revocation or amendment of an anatomical gift is not a refusal to make another anatomical gift. If the donor intends a revocation to be a refusal to make an anatomical gift, the donor shall make the refusal pursuant to paragraph (i).

Sec. 3. EFFECTIVE DATE.

Section 1 is effective December 1, 2002, and applies to application forms distributed on or after that date. Section 2 is effective the day following final enactment and applies to documents of gifts executed before, on, or after the effective date.
