If the Bodes accept the payment by the commissioner of natural resources as full and final settlement of their claim, the Office of Administrative Hearings shall assign an administrative law judge to determine, after a hearing, whether that portion of the area designated as Wetland 52-26 by the Department of Natural Resources that is located on the Bode farm is a public waters wetland. The determination of the administrative law judge is final. * (The preceding subdivision was indicated as vetoed by the governor.)
