A city or county making expenditures authorized under this paragraph must by March 15 of each year file a report with the board, on a form the board prescribes, that lists all such revenues collected and expenditures for the previous calendar year.

(b) A statutory or home rule city or county may by ordinance require that a licensed organization conducting lawful gambling within its jurisdiction expend all or a portion of its expenditures for lawful purposes on lawful purposes conducted or located within the city's or county's trade area. Such an ordinance must be limited to lawful purpose expenditures of gross profits derived from lawful gambling conducted at premises within the city's or county's jurisdiction, must define the city's or county's trade area, and must specify the percentage of lawful purpose expenditures which must be expended within the trade area. The board may require organizations ~~or bingo halls~~ to notify the appropriate local government at the time of application. This required notification is sufficient to constitute the notice required by this subdivision. The board may not issue or renew a premises permit ~~or bingo hall license~~ unless the organization submits a resolution from the city council or county board approving the premises permit ~~or bingo hall license~~. The resolution must have been adopted within 90 days of the date of application for the new or renewed permit or license.
