The notification must include an explanation of the individual's available appeal rights and the status of any appeal. If a notice is given under this paragraph, the government entity making the notification shall provide a copy of the notice to the individual who is the subject of the notice.

ARTICLE 2

LICENSING

Section 1. Minnesota Statutes 2012, section 119B.125, subdivision 1b, is amended to read:

Subd. 1b. **Training required.** (a) Effective November 1, 2011, prior to initial authorization as required in subdivision 1, a legal nonlicensed family child care provider must complete first aid and CPR training and provide the verification of first aid and CPR training to the county. The training documentation must have valid effective dates as of the date the registration request is submitted to the county ~~and~~. The training must have been provided by an individual approved to provide first aid and CPR instruction and have included CPR techniques for infants and children.

(b) Legal nonlicensed family child care providers with an authorization effective before November 1, 2011, must be notified of the requirements before October 1, 2011, or at authorization, and must meet the requirements upon renewal of an authorization that occurs on or after January 1, 2012.

(c) Upon each reauthorization after the authorization period when the initial first aid and CPR training requirements are met, a legal nonlicensed family child care provider must provide verification of at least eight hours of additional training listed in the Minnesota Center for Professional Development Registry.

(d) This subdivision only applies to legal nonlicensed family child care providers.

Sec. 2. Minnesota Statutes 2012, section 245A.02, subdivision 5a, is amended to read:

Subd. 5a. **Controlling individual.** "Controlling individual" means a public body, governmental agency, business entity, officer, owner, or managerial official whose responsibilities include the direction of the management or policies of a program. For purposes of this subdivision, owner means an individual who has direct or indirect ownership interest in a corporation, partnership, or other business association issued a license under this chapter. For purposes of this subdivision, managerial official means those individuals who have the decision-making authority related to the operation of the program, and the responsibility for the ongoing management of or direction of the policies, services, or employees of the program. A site director

who has no ownership interest in the program is not considered to be a managerial official for purposes of this definition. Controlling individual does not include:

(1) a bank, savings bank, trust company, savings association, credit union, industrial loan and thrift company, investment banking firm, or insurance company unless the entity operates a program directly or through a subsidiary;

(2) an individual who is a state or federal official, or state or federal employee, or a member or employee of the governing body of a political subdivision of the state or federal government that operates one or more programs, unless the individual is also an officer, owner, or managerial official of the program, receives remuneration from the program, or owns any of the beneficial interests not excluded in this subdivision;

(3) an individual who owns less than five percent of the outstanding common shares of a corporation:

(i) whose securities are exempt under section 80A.45, clause (6); or

(ii) whose transactions are exempt under section 80A.46, clause (2); or

(4) an individual who is a member of an organization exempt from taxation under section 290.05, unless the individual is also an officer, owner, or managerial official of the program or owns any of the beneficial interests not excluded in this subdivision. This clause does not exclude from the definition of controlling individual an organization that is exempt from taxation.

Sec. 3. Minnesota Statutes 2012, section 245A.04, subdivision 1, is amended to read:

Subdivision 1. **Application for licensure.** (a) An individual, corporation, partnership, voluntary association, other organization or controlling individual that is subject to licensure under section 245A.03 must apply for a license. The application must be made on the forms and in the manner prescribed by the commissioner. The commissioner shall provide the applicant with instruction in completing the application and provide information about the rules and requirements of other state agencies that affect the applicant. An applicant seeking licensure in Minnesota with headquarters outside of Minnesota must have a program office located within the state.

The commissioner shall act on the application within 90 working days after a complete application and any required reports have been received from other state agencies or departments, counties, municipalities, or other political subdivisions. The commissioner shall not consider an application to be complete until the commissioner receives all of the information required under section 245C.05.

When the commissioner receives an application for initial licensure that is incomplete because the applicant failed to submit required documents or that is substantially deficient because the documents submitted do not meet licensing requirements, the commissioner shall provide the applicant written notice that the application is incomplete or substantially deficient. In the written notice to the applicant the commissioner shall identify documents that are missing or deficient and give the applicant 45 days to resubmit a second application that is substantially complete. An applicant's failure to submit a substantially complete application after receiving notice from the commissioner is a basis for license denial under section 245A.05.

(b) An application for licensure must identify all controlling individuals and must specify an agent who is responsible for dealing with the commissioner of human services on all matters provided for in this chapter and on whom service of all notices and orders must be made. The agent must be authorized to accept service on behalf of all of the controlling individuals of the program. Service on the agent is service on all of the

controlling individuals of the program. It is not a defense to any action arising under this chapter that service was not made on each controlling individual of the program. The designation of one or more controlling individuals as agents under this paragraph does not affect the legal responsibility of any other controlling individual under this chapter.

(c) An applicant or license holder must have a policy that prohibits license holders, employees, subcontractors, and volunteers, when directly responsible for persons served by the program, from abusing prescription medication or being in any manner under the influence of a chemical that impairs the individual's ability to provide services or care. The license holder must train employees, subcontractors, and volunteers about the program's drug and alcohol policy.

(d) An applicant and license holder must have a program grievance procedure that permits persons served by the program and their authorized representatives to bring a grievance to the highest level of authority in the program.

(e) The applicant must be able to demonstrate competent knowledge of the applicable requirements of this chapter and chapter 245C, and the requirements of other licensing statutes and rules applicable to the program or services for which the applicant is seeking to be licensed. Effective January 1, 2013, the commissioner may require the applicant, except for child foster care, to demonstrate competence in the applicable licensing requirements by successfully completing a written examination. The commissioner may develop a prescribed written examination format.

(f) When an applicant is an individual, the individual must provide:

(1) the applicant's taxpayer identification numbers including the Social Security number, and federal employer identification number, if the applicant has employees;

(2) the complete business name, if any, and if doing business under a different name, the doing business as (DBA) name, as registered with the secretary of state; and

(3) a notarized signature of the applicant.

(g) When an applicant is a nonindividual, the applicant must provide the:

(1) applicant's taxpayer identification numbers including the Minnesota tax identification number, the and federal employer identification number;

(2) complete business name, and if doing business under a different name, the doing business as (DBA) name, as registered with the secretary of state;

(3) first, middle, and last name, and address for all individuals who will be controlling individuals, including all officers, owners, and managerial officials as defined in section 245A.02, subdivision 5a, and the date that the background study was initiated by the applicant for each controlling individual. The applicant must also provide the; and

(4) first, middle, and last name, mailing address, and notarized signature of the agent authorized by the applicant to accept service on behalf of the controlling individuals.

(h) At the time of application for licensure or renewal of a license, the applicant or license holder must acknowledge on the form provided by the commissioner if the applicant or license holder elects to receive any public funding reimbursement from the commissioner for services provided under the license that:

(1) the applicant's or license holder's compliance with the provider enrollment agreement or registration requirements for receipt of public funding may be monitored by the commissioner as part of a licensing investigation or licensing inspection; and

(2) noncompliance with the provider enrollment agreement or registration requirements for receipt of public funding that is identified through a licensing investigation or licensing inspection, or noncompliance with a licensing requirement that is a basis of enrollment for reimbursement for a service, may result in:

- (i) a correction order or a conditional license under section 245A.06, or sanctions under section 245A.07;
- (ii) nonpayment of claims submitted by the license holder for public program reimbursement;
- (iii) recovery of payments made for the service;
- (iv) disenrollment in the public payment program; or
- (v) other administrative, civil, or criminal penalties as provided by law.

Sec. 4. Minnesota Statutes 2012, section 245A.04, subdivision 5, is amended to read:

Subd. 5. **Commissioner's right of access.** (a) When the commissioner is exercising the powers conferred by this chapter and sections 245.69, 626.556, and 626.557, the commissioner must be given access to:

- (1) the physical plant and grounds where the program is provided;
- (2) documents and records, including records maintained in electronic format;
- (3) persons served by the program; and

(4) staff and personnel records of current and former staff whenever the program is in operation and the information is relevant to inspections or investigations conducted by the commissioner. Upon request, the license holder must provide the commissioner verification of documentation of staff work experience, training, or educational requirements.

The commissioner must be given access without prior notice and as often as the commissioner considers necessary if the commissioner is investigating alleged maltreatment, conducting a licensing inspection, or investigating an alleged violation of applicable laws or rules. In conducting inspections, the commissioner may request and shall receive assistance from other state, county, and municipal governmental agencies and departments. The applicant or license holder shall allow the commissioner to photocopy, photograph, and make audio and video tape recordings during the inspection of the program at the commissioner's expense. The commissioner shall obtain a court order or the consent of the subject of the records or the parents or legal guardian of the subject before photocopying hospital medical records.

(b) Persons served by the program have the right to refuse to consent to be interviewed, photographed, or audio or videotaped. Failure or refusal of an applicant or license holder to fully comply with this subdivision is reasonable cause for the commissioner to deny the application or immediately suspend or revoke the license.

Sec. 5. Minnesota Statutes 2012, section 245A.04, subdivision 11, is amended to read:

Subd. 11. **Education program; permitted ages, additional requirement.** (a) Except for foster care, the commissioner of human services may not grant a license to a residential facility for the placement of children

before the commissioner has received documentation of approval of the on-site educational program from the commissioner of education according to section 125A.515.

(b) A program licensed by the commissioner under Minnesota Rules, chapter 2960, may serve persons who are over the age of 18 but under the age of 21 when the person is:

- (1) completing secondary education or a program leading to an equivalent credential;
- (2) enrolled in an institution which provides postsecondary or vocational education;
- (3) participating in a program or activity designed to promote, or remove barriers to, employment;
- (4) employed for at least 80 hours per month; or

(5) incapable of doing any of the activities described in clauses (1) to (4) due to a medical condition, which incapability is supported by regularly updated information in the case plan of the person.

(c) In addition to the requirements in paragraph (b), a residential program licensed by the commissioner of human services under Minnesota Rules, parts 2960.0010 to 2960.0710, may serve persons under the age of 21 provided the facility complies with the following requirements:

(1) for each person age 18 and older served at the program, the program must assess and document the person's risk of victimizing other residents residing in the facility, and based on the assessment, the facility must develop and implement necessary measures to minimize any risk of harm to other residents, including making arrangements for appropriate sleeping arrangements; and

(2) the program must assure that the services and living arrangements provided to all residents are suitable to the age and functioning of the residents, including separation of services, staff supervision, and other program operations as appropriate.

(d) Nothing in this subdivision precludes the license holder from seeking other variances under subdivision 9.

Sec. 6. Minnesota Statutes 2012, section 245A.07, subdivision 2, is amended to read:

Subd. 2. **Temporary immediate suspension.** If the license holder's actions or failure to comply with applicable law or rule, or the actions of other individuals or conditions in the program pose an imminent risk of harm to the health, safety, or rights of persons served by the program, or if while the program continues to operate pending an appeal of an order of revocation the commissioner identifies one or more subsequent violations of law or rule which may adversely affect the health or safety of persons served by the program, the commissioner shall act immediately to temporarily suspend the license. No state funds shall be made available or be expended by any agency or department of state, county, or municipal government for use by a license holder regulated under this chapter while a license is under immediate suspension. A notice stating the reasons for the immediate suspension and informing the license holder of the right to an expedited hearing under chapter 14 and Minnesota Rules, parts 1400.8505 to 1400.8612, must be delivered by personal service to the address shown on the application or the last known address of the license holder. The license holder may appeal an order immediately suspending a license. The appeal of an order immediately suspending a license must be made in writing by certified mail or personal service. If mailed, the appeal must be postmarked and sent to the commissioner within five calendar days after the license holder receives notice that the license has been immediately suspended. If a request is made by personal

service, it must be received by the commissioner within five calendar days after the license holder received the order. A license holder and any controlling individual shall discontinue operation of the program upon receipt of the commissioner's order to immediately suspend the license.

Sec. 7. Minnesota Statutes 2013 Supplement, section 245A.07, subdivision 2a, is amended to read:

Subd. 2a. **Immediate suspension expedited hearing.** (a) Within five working days of receipt of the license holder's timely appeal, the commissioner shall request assignment of an administrative law judge. The request must include a proposed date, time, and place of a hearing. A hearing must be conducted by an administrative law judge within 30 calendar days of the request for assignment, unless an extension is requested by either party and granted by the administrative law judge for good cause. The commissioner shall issue a notice of hearing by certified mail or personal service at least ten working days before the hearing. The scope of the hearing shall be limited solely to the issue of whether the temporary immediate suspension should remain in effect pending the commissioner's final order under section 245A.08, regarding a licensing sanction issued under subdivision 3 following the immediate suspension. The burden of proof in expedited hearings under this subdivision shall be limited to the commissioner's demonstration that reasonable cause exists to believe that the license holder's actions or failure to comply with applicable law or rule poses, or if the actions of other individuals or conditions in the program poses an imminent risk of harm to the health, safety, or rights of persons served by the program. "Reasonable cause" means there exist specific articulable facts or circumstances which provide the commissioner with a reasonable suspicion that there is an imminent risk of harm to the health, safety, or rights of persons served by the program. When the commissioner has determined there is reasonable cause to order the temporary immediate suspension of a license based on a violation of safe sleep requirements, as defined in section 245A.1435, the commissioner is not required to demonstrate that an infant died or was injured as a result of the safe sleep violations.

(b) The administrative law judge shall issue findings of fact, conclusions, and a recommendation within ten working days from the date of hearing. The parties shall have ten calendar days to submit exceptions to the administrative law judge's report. The record shall close at the end of the ten-day period for submission of exceptions. The commissioner's final order shall be issued within ten working days from the close of the record. When an appeal of a temporary immediate suspension is withdrawn or dismissed, the commissioner shall issue a final order affirming the temporary immediate suspension within ten calendar days of the commissioner's receipt of the withdrawal or dismissal. Within 90 calendar days after a final order affirming an immediate suspension, the commissioner shall make a determination regarding whether a final licensing sanction shall be issued under subdivision 3. The license holder shall continue to be prohibited from operation of the program during this 90-day period.

(c) When the final order under paragraph (b) affirms an immediate suspension, and a final licensing sanction is issued under subdivision 3 and the license holder appeals that sanction, the license holder continues to be prohibited from operation of the program pending a final commissioner's order under section 245A.08, subdivision 5, regarding the final licensing sanction.

Sec. 8. Minnesota Statutes 2012, section 245A.07, is amended by adding a subdivision to read:

Subd. 7. **Time frame for conducting hearing.** Within 15 working days of receipt of the license holder's timely appeal of a sanction under this section other than a temporary immediate suspension, the commissioner shall request assignment of an administrative law judge. The commissioner's request must include a proposed date, time, and place of a hearing. A hearing must be conducted by an administrative law judge within 90 calendar days of the request for assignment, unless an extension is requested by either party and granted by the administrative law judge for good cause or for purposes of discussing settlement. In no case

shall one or more extensions be granted for a total of more than 90 calendar days unless there is a criminal or juvenile court action pending against the license holder or another individual subject to a background study.

Sec. 9. [245A.075] DISQUALIFIED INDIVIDUAL; DENIAL, CONDITIONAL LICENSE, REVOCATION.

(a) For the purpose of keeping a disqualified individual away from individuals receiving services in a license holder's home, when the disqualified individual has not received a set aside and a variance has not been granted under chapter 245C, the commissioner may issue:

- (1) an order of denial of an application;
- (2) an order of conditional license; or
- (3) an order of revocation.

(b) An order issued by the commissioner under this section is subject to notice and appeal rights provided under this chapter as follows:

Sec. 10. Minnesota Statutes 2013 Supplement, section 245A.08, subdivision 2a, is amended to read:

Subd. 2a. **Consolidated contested case hearings.** (a) When a denial of a license under section 245A.05 or a licensing sanction under section 245A.07, subdivision 3, is based on a disqualification for which reconsideration was timely requested and which was not set aside under section 245C.22, the scope of the contested case hearing shall include the disqualification and the licensing sanction or denial of a license, unless otherwise specified in this subdivision. When the licensing sanction or denial of a license is based on a determination of maltreatment under section 626.556 or 626.557, or a disqualification for serious or recurring maltreatment which was not set aside, the scope of the contested case hearing shall include the maltreatment determination, disqualification, and the licensing sanction or denial of a license, unless otherwise specified in this subdivision. In such cases, a fair hearing under section 256.045 shall not be conducted as provided for in sections 245C.27, 626.556, subdivision 10i, and 626.557, subdivision 9d.

(b) Except for family child care and child foster care, reconsideration of a maltreatment determination under sections 626.556, subdivision 10i, and 626.557, subdivision 9d, and reconsideration of a disqualification under section 245C.22, shall not be conducted when:

(1) a denial of a license under section 245A.05, or a licensing sanction under section 245A.07, is based on a determination that the license holder is responsible for maltreatment or the disqualification of a license holder is based on serious or recurring maltreatment;

(2) the denial of a license or licensing sanction is issued at the same time as the maltreatment determination or disqualification; and

(3) the license holder appeals the maltreatment determination or disqualification, and denial of a license or licensing sanction. In these cases, a fair hearing shall not be conducted under sections 245C.27, 626.556,

subdivision 10i, and 626.557, subdivision 9d. The scope of the contested case hearing must include the maltreatment determination, disqualification, and denial of a license or licensing sanction.

Notwithstanding clauses (1) to (3), if the license holder appeals the maltreatment determination or disqualification, but does not appeal the denial of a license or a licensing sanction, reconsideration of the maltreatment determination shall be conducted under sections 626.556, subdivision 10i, and 626.557, subdivision 9d, and reconsideration of the disqualification shall be conducted under section 245C.22. In such cases, a fair hearing shall also be conducted as provided under sections 245C.27, 626.556, subdivision 10i, and 626.557, subdivision 9d.

(c) In consolidated contested case hearings regarding sanctions issued in family child care, child foster care, family adult day services, adult foster care, and community residential settings, the county attorney shall defend the commissioner's orders in accordance with section 245A.16, subdivision 4.

(d) The commissioner's final order under subdivision 5 is the final agency action on the issue of maltreatment and disqualification, including for purposes of subsequent background studies under chapter 245C and is the only administrative appeal of the final agency determination, specifically, including a challenge to the accuracy and completeness of data under section 13.04.

(e) When consolidated hearings under this subdivision involve a licensing sanction based on a previous maltreatment determination for which the commissioner has issued a final order in an appeal of that determination under section 256.045, or the individual failed to exercise the right to appeal the previous maltreatment determination under section 626.556, subdivision 10i, or 626.557, subdivision 9d, the commissioner's order is conclusive on the issue of maltreatment. In such cases, the scope of the administrative law judge's review shall be limited to the disqualification and the licensing sanction or denial of a license. In the case of a denial of a license or a licensing sanction issued to a facility based on a maltreatment determination regarding an individual who is not the license holder or a household member, the scope of the administrative law judge's review includes the maltreatment determination.

(f) The hearings of all parties may be consolidated into a single contested case hearing upon consent of all parties and the administrative law judge, if:

(1) a maltreatment determination or disqualification, which was not set aside under section 245C.22, is the basis for a denial of a license under section 245A.05 or a licensing sanction under section 245A.07;

(2) the disqualified subject is an individual other than the license holder and upon whom a background study must be conducted under section 245C.03; and

(3) the individual has a hearing right under section 245C.27.

(g) When a denial of a license under section 245A.05 or a licensing sanction under section 245A.07 is based on a disqualification for which reconsideration was requested and was not set aside under section 245C.22, and the individual otherwise has no hearing right under section 245C.27, the scope of the administrative law judge's review shall include the denial or sanction and a determination whether the disqualification should be set aside, unless section 245C.24 prohibits the set-aside of the disqualification. In determining whether the disqualification should be set aside, the administrative law judge shall consider the factors under section 245C.22, subdivision 4, to determine whether the individual poses a risk of harm to any person receiving services from the license holder.

(h) Notwithstanding section 245C.30, subdivision 5, when a licensing sanction under section 245A.07 is based on the termination of a variance under section 245C.30, subdivision 4, the scope of the administrative

law judge's review shall include the sanction and a determination whether the disqualification should be set aside, unless section 245C.24 prohibits the set-aside of the disqualification. In determining whether the disqualification should be set aside, the administrative law judge shall consider the factors under section 245C.22, subdivision 4, to determine whether the individual poses a risk of harm to any person receiving services from the license holder.

Sec. 11. Minnesota Statutes 2012, section 245A.08, subdivision 5a, is amended to read:

Subd. 5a. Granting subsequent license. (a) A license holder and each controlling individual of a license holder whose license has been revoked because of noncompliance with applicable law or rule must not be granted a license for five years following the revocation. Notwithstanding the five-year restriction, when a license is revoked because a person, other than the license holder, resides in the home where services are provided and that person has a disqualification that is not set aside and no variance has been granted, the former license holder may reapply for a license when:

(1) the person with a disqualification, who is not a minor child, is no longer residing in the home and is prohibited from residing in or returning to the home; or

(2) the person with the disqualification is a minor child, the restriction applies until the minor child becomes an adult and permanently moves away from the home or five years, whichever is less.

(b) An applicant or controlling individual whose application was denied must not be granted a license for two years following a denial, unless the applicant's subsequent application contains new information which constitutes a substantial change in the conditions that caused the previous denial. The addition of a new co-applicant in a subsequent application does not constitute a substantial change. If an applicant or controlling individual whose application was denied is affiliated with a subsequent application, and two years have not passed since the denial, the subsequent application must be denied.

Sec. 12. Minnesota Statutes 2012, section 245A.146, subdivision 3, is amended to read:
