BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

Section 1. Minnesota Statutes 2022, section 289A.02, subdivision 7, is amended to read:

Subd. 7. **Internal Revenue Code.** Unless specifically defined otherwise, "Internal Revenue Code" means the Internal Revenue Code of 1986, as amended through ~~December 31, 2018~~ December 15, 2022.

**EFFECTIVE DATE.** This section is effective the day following final enactment, except the changes incorporated by federal changes are effective retroactively at the same time the changes were effective for federal purposes.

Sec. 2. Minnesota Statutes 2022, section 289A.08, subdivision 7, is amended to read:

Subd. 7. **Composite income tax returns for nonresident partners, shareholders, and beneficiaries.** (a) The commissioner may allow a partnership with nonresident partners to file a composite return and to pay the tax on behalf of nonresident partners who have no other Minnesota source income. This composite return must include the names, addresses, Social Security numbers, income allocation, and tax liability for the nonresident partners electing to be covered by the composite return.

(b) The computation of a partner's tax liability must be determined by multiplying the income allocated to that partner by the highest rate used to determine the tax liability for individuals under section 290.06, subdivision 2c. Nonbusiness deductions, standard deductions, or personal exemptions are not allowed.

(c) The partnership must submit a request to use this composite return filing method for nonresident partners. The requesting partnership must file a composite return in the form prescribed by the commissioner of revenue. The filing of a composite return is considered a request to use the composite return filing method.

(d) The electing partner must not have any Minnesota source income other than the income from the partnership, other electing partnerships, and other qualifying entities electing to file and pay the pass-through entity tax under subdivision 7a. If it is determined that the electing partner has other Minnesota source income, the inclusion of the income and tax liability for that partner under this provision will not constitute a return to satisfy the requirements of subdivision 1. The tax paid for the individual as part of the composite return is allowed as a payment of the tax by the individual on the date on which the composite return payment was made. If the electing nonresident partner has no other Minnesota source income, filing of the composite return is a return for purposes of subdivision 1.

(e) This subdivision does not negate the requirement that an individual pay estimated tax if the individual's liability would exceed the requirements set forth in section 289A.25. The individual's liability to pay estimated tax is, however, satisfied when the partnership pays composite estimated tax in the manner prescribed in section 289A.25.

(f) If an electing partner's share of the partnership's gross income from Minnesota sources is less than the filing requirements for a nonresident under this subdivision, the tax liability is zero. However, a statement showing the partner's share of gross income must be included as part of the composite return.

(g) The election provided in this subdivision is only available to a partner who has no other Minnesota source income and who is either (1) a full-year nonresident individual or (2) a trust or estate that does not claim a deduction under either section 651 or 661 of the Internal Revenue Code.

(h) A corporation defined in section 290.9725 and its nonresident shareholders may make an election under this paragraph. The provisions covering the partnership apply to the corporation and the provisions applying to the partner apply to the shareholder.

(i) Estates and trusts distributing current income only and the nonresident individual beneficiaries of the estates or trusts may make an election under this paragraph. The provisions covering the partnership apply to the estate or trust. The provisions applying to the partner apply to the beneficiary.

(j) For the purposes of this subdivision, "income" means the partner's share of federal adjusted gross income from the partnership modified by the additions provided in section 290.0131, subdivisions 8 to 10, 16, and 17, and the subtractions provided in: (1) section 290.0132, subdivisions 9, 27, ~~and 28~~, and 31, to the extent the amount is assignable or allocable to Minnesota under section 290.17; and (2) section 290.0132, subdivision 14. The subtraction allowed under section 290.0132, subdivision 9, is only allowed on the composite tax computation to the extent the electing partner would have been allowed the subtraction.

**EFFECTIVE DATE.** This section is effective for taxable years beginning after December 31, 2022.

Sec. 3. Minnesota Statutes 2022, section 289A.08, subdivision 7a, is amended to read:

Subd. 7a. **Pass-through entity tax.** (a) For the purposes of this subdivision, the following terms have the meanings given:

(1) "income" has the meaning given in subdivision 7, paragraph (j), modified by the addition provided in section 290.0131, subdivision 5, and the subtraction provided in section 290.0132, subdivision 3, except that the provisions that apply to a partnership apply to a qualifying entity and the provisions that apply to a partner apply to a qualifying owner. The income of both a resident and nonresident qualifying owner is allocated and assigned to this state as provided for nonresident partners and shareholders under sections 290.17, 290.191, and 290.20;

(2) "qualifying entity" means a partnership, limited liability company, or S corporation including a qualified subchapter S subsidiary organized under section 1361(b)(3)(B) of the Internal Revenue Code. Qualifying entity does not include a partnership, limited liability company, or corporation that has a partnership, limited liability company other than a disregarded entity, or corporation as a partner, member, or shareholder; and

(3) "qualifying owner" means:

(i) a resident or nonresident individual or estate that is a partner, member, or shareholder of a qualifying entity; or

(ii) a resident or nonresident trust that is a shareholder of a qualifying entity that is an S corporation.

(b) For taxable years beginning after December 31, 2020, in which the taxes of a qualifying owner are limited under section 164(b)(6)(B) of the Internal Revenue Code, a qualifying entity may elect to file a return and pay the pass-through entity tax imposed under paragraph (c). The election:

(1) must be made on or before the due date or extended due date of the qualifying entity's pass-through entity tax return;

(2) may only be made by qualifying owners who collectively hold more than a 50 percent ownership interest in the qualifying entity;

(3) is binding on all qualifying owners who have an ownership interest in the qualifying entity; and

(4) once made is irrevocable for the taxable year.

(c) Subject to the election in paragraph (b), a pass-through entity tax is imposed on a qualifying entity in an amount equal to the sum of the tax liability of each qualifying owner.

(d) The amount of a qualifying owner's tax liability under paragraph (c) is the amount of the qualifying owner's income multiplied by the highest tax rate for individuals under section 290.06, subdivision 2c. When making this determination:

(1) nonbusiness deductions, standard deductions, or personal exemptions are not allowed; and

(2) a credit or deduction is allowed only to the extent allowed to the qualifying owner.

(e) The amount of each credit and deduction used to determine a qualifying owner's tax liability under paragraph (d) must also be used to determine that qualifying owner's income tax liability under chapter 290.

(f) This subdivision does not negate the requirement that a qualifying owner pay estimated tax if the qualifying owner's tax liability would exceed the requirements set forth in section 289A.25. The qualifying owner's liability to pay estimated tax on the qualifying owner's tax liability as determined under paragraph (d) is, however, satisfied when the qualifying entity pays estimated tax in the manner prescribed in section 289A.25 for composite estimated tax.

(g) A qualifying owner's adjusted basis in the interest in the qualifying entity, and the treatment of distributions, is determined as if the election to pay the pass-through entity tax under paragraph (b) is not made.

(h) To the extent not inconsistent with this subdivision, for purposes of this chapter, a pass-through entity tax return must be treated as a composite return and a qualifying entity filing a pass-through entity tax return must be treated as a partnership filing a composite return.

(i) The provisions of subdivision 17 apply to the election to pay the pass-through entity tax under this subdivision.

(j) If a nonresident qualifying owner of a qualifying entity making the election to file and pay the tax under this subdivision has no other Minnesota source income, filing of the pass-through entity tax return is a return for purposes of subdivision 1, provided that the nonresident qualifying owner must not have any Minnesota source income other than the income from the qualifying entity, other electing qualifying entities, and other partnerships electing to file a composite return under subdivision 7. If it is determined that the nonresident qualifying owner has other Minnesota source income, the inclusion of the income and tax liability

for that owner under this provision will not constitute a return to satisfy the requirements of subdivision 1. The tax paid for the qualifying owner as part of the pass-through entity tax return is allowed as a payment of the tax by the qualifying owner on the date on which the pass-through entity tax return payment was made.

(k) Once a credit is claimed by a qualifying owner under section 290.06, subdivision 40, a qualifying entity cannot receive a refund for tax paid under this subdivision for any amounts claimed under that section by the qualifying owners. Once a credit is claimed under section 290.06, subdivision 40, any refund must be claimed in conjunction with a return filed by the qualifying owner.

**EFFECTIVE DATE.** This section is effective retroactively for taxable years beginning after December 31, 2020.

Sec. 4. Minnesota Statutes 2022, section 290.01, subdivision 19, is amended to read:

Subd. 19. **Net income.** (a) For a trust or estate taxable under section 290.03, and a corporation taxable under section 290.02, the term "net income" means the federal taxable income, as defined in section 63 of the Internal Revenue Code of 1986, as amended through the date named in this subdivision, incorporating the federal effective dates of changes to the Internal Revenue Code and any elections made by the taxpayer in accordance with the Internal Revenue Code in determining federal taxable income for federal income tax purposes, and with the modifications provided in sections 290.0131 to 290.0136.

(b) For an individual, the term "net income" means federal adjusted gross income with the modifications provided in sections 290.0131, 290.0132, and 290.0135 to 290.0137.

(c) In the case of a regulated investment company or a fund thereof, as defined in section 851(a) or 851(g) of the Internal Revenue Code, federal taxable income means investment company taxable income as defined in section 852(b)(2) of the Internal Revenue Code, except that:

(1) the exclusion of net capital gain provided in section 852(b)(2)(A) of the Internal Revenue Code does not apply;

(2) the deduction for dividends paid under section 852(b)(2)(D) of the Internal Revenue Code must be applied by allowing a deduction for capital gain dividends and exempt-interest dividends as defined in sections 852(b)(3)(C) and 852(b)(5) of the Internal Revenue Code; and

(3) the deduction for dividends paid must also be applied in the amount of any undistributed capital gains which the regulated investment company elects to have treated as provided in section 852(b)(3)(D) of the Internal Revenue Code.

(d) The net income of a real estate investment trust as defined and limited by section 856(a), (b), and (c) of the Internal Revenue Code means the real estate investment trust taxable income as defined in section 857(b)(2) of the Internal Revenue Code.

(e) The net income of a designated settlement fund as defined in section 468B(d) of the Internal Revenue Code means the gross income as defined in section 468B(b) of the Internal Revenue Code.

(f) The Internal Revenue Code of 1986, as amended through ~~December 31, 2018~~ December 15, 2022, applies for taxable years beginning after December 31, 1996, ~~except the sections of federal law in section 290.0111 shall also apply.~~

(g) Except as otherwise provided, references to the Internal Revenue Code in this subdivision and sections 290.0131 to 290.0136 mean the code in effect for purposes of determining net income for the applicable year.

**EFFECTIVE DATE.** This section is effective the day following final enactment, except the changes incorporated by federal changes are effective retroactively at the same time the changes were effective for federal purposes.

No addition is required for a net operating loss deduction that is a farming loss under section 172(b)(1)(B) of the Internal Revenue Code carried to the two years preceding the year the farming loss arose.

(b) The amount of a net operating loss deduction in any taxable year beginning after December 31, 2017, and before January 1, 2021, that exceeds the deduction allowed under section 172(a)(2) of the Internal Revenue Code is an addition. For purposes of this paragraph, the deduction allowed under section 172(a)(2) of the Internal Revenue Code is allowed in the case of a taxable year beginning after December 31, 2017.

(c) The amount of a Minnesota disallowed loss carryover is an addition. For purposes of this paragraph, "Minnesota disallowed loss carryover" means, for any taxable year beginning after December 31, 2017, and before January 1, 2021, a disallowed loss carryover as defined in section 461(l)(2) of the Internal Revenue Code, for a loss that is not allowed under section 461(l)(1)(B) of the Internal Revenue Code. Subd. 31. **Delayed business interest.** (a) For each taxable year an addition is required under section 290.0131, subdivision 19, the amount of the addition, less the sum of all amounts subtracted under this paragraph in all prior taxable years, that does not exceed the limitation on business interest in section 163(j) of the Internal Revenue Code of 1986, as amended through December 15, 2022, notwithstanding the special rule in section 163(j)(10) of the Internal Revenue Code, is a subtraction. Any excess is a delayed business interest carryforward, the entire amount of which must be carried to the earliest taxable year. No subtraction is allowed under this paragraph for taxable years beginning after December 31, 2022.

(b) For each of the five taxable years beginning after December 31, 2022, there is allowed a subtraction equal to one-fifth of the sum of all carryforward amounts that remain after the expiration of paragraph (a).

Any excess is a delayed net operating loss deduction carryforward, the entire amount of which must be carried to the earliest taxable year. No subtraction under this subdivision is allowed after 20 taxable years from the taxable year in which an operating loss arises. The sum of the additions required under section 290.0131, subdivision 20, paragraph (a), are aggregated and assigned to the taxable year immediately succeeding the taxable year in which the operating loss arises, for purposes of determining the subtraction allowed under this subdivision in that succeeding taxable year and the amount carried forward.

- (1) On the first \$38,770, 5.35 percent;
- (2) On all over \$38,770, but not over \$154,020, 6.8 percent;
- (3) On all over \$154,020, but not over \$269,010, 7.85 percent;
- (4) On all over \$269,010, 9.85 percent.

Married individuals filing separate returns, estates, and trusts must compute their income tax by applying the above rates to their taxable income, except that the income brackets will be one-half of the above amounts after the adjustment required in subdivision 2d.

(b) The income taxes imposed by this chapter upon unmarried individuals must be computed by applying to taxable net income the following schedule of rates:

- (1) On the first \$26,520, 5.35 percent;

- (4) On all over \$214,980, 9.85 percent.

(d) In lieu of a tax computed according to the rates set forth in this subdivision, the tax of any individual taxpayer whose taxable net income for the taxable year is less than an amount determined by the commissioner must be computed in accordance with tables prepared and issued by the commissioner of revenue based on income brackets of not more than \$100. The amount of tax for each bracket shall be computed at the rates set forth in this subdivision, provided that the commissioner may disregard a fractional part of a dollar unless it amounts to 50 cents or more, in which case it may be increased to \$1.

(e) An individual who is not a Minnesota resident for the entire year must compute the individual's Minnesota income tax as provided in this subdivision. After the application of the nonrefundable credits provided in this chapter, the tax liability must then be multiplied by a fraction in which:

(1) the numerator is the individual's Minnesota source federal adjusted gross income as defined in section 62 of the Internal Revenue Code and increased by:

(ii) the subtractions under sections 290.0132, subdivisions 2, 9, 10, 14, 15, 17, 18, ~~and 27, and 31,~~ and 290.0137, paragraph (c).

(f) If an individual who is not a Minnesota resident for the entire year is a qualifying owner of a qualifying entity that elects to pay tax as provided in section 289A.08, subdivision 7a, paragraph (b), the individual must compute the individual's Minnesota income tax as provided in paragraph (e), and also must include, to the extent attributed to the electing qualifying entity:

(1) in paragraph (e), clause (1), item (i), and paragraph (e), clause (2), item (i), the addition under section 290.0131, subdivision 5; and

(2) in paragraph (e), clause (1), item (ii), and paragraph (e), clause (2), item (ii), the subtraction under section 290.0132, subdivision 3.

Sec. 19. Minnesota Statutes 2022, section 290.095, subdivision 11, is amended to read:

Subd. 11. **Carryback or carryover adjustments.** (a) Except as provided in ~~paragraph~~ paragraphs (c) and (d), for individuals, estates, and trusts the amount of a net operating loss that may be carried back or carried over shall be the same dollar amount allowable in the determination of federal taxable income, provided that, notwithstanding any other provision, estates and trusts must apply the following adjustments to the amount of the net operating loss that may be carried back or carried over:

(1) Nonassignable income or losses as required by section 290.17.

(2) Deductions not allocable to Minnesota under section 290.17.

(b) The net operating loss carryback or carryover applied as a deduction in the taxable year to which the net operating loss is carried back or carried over shall be equal to the net operating loss carryback or carryover applied in the taxable year in arriving at federal taxable income provided that trusts and estates must apply the following modifications:

(1) Increase the amount of carryback or carryover applied in the taxable year by the amount of losses and interest, taxes and other expenses not assignable or allowable to Minnesota incurred in the taxable year.

(2) Decrease the amount of carryback or carryover applied in the taxable year by the amount of income not assignable to Minnesota earned in the taxable year. For estates and trusts, the net operating loss carryback or carryover to the next consecutive taxable year shall be the net operating loss carryback or carryover as calculated in clause (b) less the amount applied in the earlier taxable year(s). No additional net operating loss carryback or carryover shall be allowed to estates and trusts if the entire amount has been used to offset Minnesota income in a year earlier than was possible on the federal return. However, if a net operating loss carryback or carryover was allowed to offset federal income in a year earlier than was possible on the Minnesota return, an estate or trust shall still be allowed to offset Minnesota income but only if the loss was assignable to Minnesota in the year the loss occurred.

(c) This paragraph does not apply to eligible small businesses that make a valid election to carry back their losses for federal purposes under section 172(b)(1)(H) of the Internal Revenue Code as amended through March 31, 2009.

(1) A net operating loss of an individual, estate, or trust that is allowed under this subdivision and for which the taxpayer elects to carry back for more than two years under section 172(b)(1)(H) of the Internal Revenue Code is a net operating loss carryback to each of the two taxable years preceding the loss, and unused portions may be carried forward for 20 taxable years after the loss.

(2) The entire amount of the net operating loss for any taxable year must be carried to the earliest of the taxable years to which the loss may be carried. The portion of the loss which may be carried to each of the other taxable years is the excess, if any, of the amount of the loss over the greater of the taxable net income or alternative minimum taxable income for each of the taxable years to which the loss may be carried.

(d) The amount of a net operating loss carried forward must be reduced by any amounts used for the subtraction in section 290.0132, subdivision 33, in the next taxable year following the subtraction in which a net operating loss deduction is claimed.
