

A bill for an act
relating to health; establishing a grant program for nursing education
demonstration projects; appropriating money.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

Section 1. **INNOVATION IN NURSING EDUCATION DEMONSTRATION
PROJECTS.**

(a) The commissioner of health shall make grants to the College of St. Catherine
and the College of St. Scholastica for innovation in nursing education demonstration
projects. Through the demonstration projects, each grantee must redesign its nursing
education curricula to include a greater use of technology in teaching and learning,
purchase educational software and hardware, and provide faculty training and leadership
to ensure the effective use of teaching technology in the classroom.

(b) The goal of these projects is to demonstrate that the use of nursing education
technologies will accomplish the following:

(1) increase the number of nursing graduates without the need to hire additional
faculty;

(2) reduce the burden on health care providers in providing clinical time for nursing
students by utilizing a virtual clinical experience on campus;

(3) reduce the burden on health care providers for postgraduation, entry-level
nursing training;

(4) improve the ability of nursing graduates to serve underserved rural populations;
and

(5) improve cultural knowledge among nursing graduates.

2.1 (c) By January 15, 2011, the College of St. Catherine and the College of St.
2.2 Scholastica must report to the commissioner of health on the progress of the goals in
2.3 paragraph (b).

2.4 Sec. 2. **APPROPRIATION.**

2.5 \$1,124,000 in 2010 and \$380,000 in 2011 are appropriated from the general fund
2.6 to the commissioner of health for grants to the College of St. Catherine and the College
2.7 of St. Scholastica for the innovation in nursing education demonstration projects. The
2.8 grants shall be distributed equally so that each grantee receives \$562,000 in 2010 and
2.9 \$190,000 in 2011.
