3.11 of one hour of earned sick and safe time for every 30 hours worked up to a maximum of 48  
3.12 hours of earned sick and safe time in a year. Employees may not accrue more than 48 hours  
3.13 of earned sick and safe time in a year unless the employer agrees to a higher amount.

3.14 (b) Employers must permit an employee to carry over accrued but unused sick and safe  
3.15 time into the following year. The total amount of accrued but unused earned sick and safe  
3.16 time for an employee may not exceed 80 hours at any time, unless an employer agrees to a  
3.17 higher amount.

3.18 (c) Employees who are exempt from overtime requirements under United States Code,  
3.19 title 29, section 213(a)(1), as amended through the effective date of this section, are deemed  
3.20 to work 40 hours in each workweek for purposes of accruing earned sick and safe time,  
3.21 except that an employee whose normal workweek is less than 40 hours will accrue earned  
3.22 sick and safe time based on the normal workweek.

3.23 (d) Earned sick and safe time under this section begins to accrue at the commencement  
3.24 of employment of the employee.

3.25 (e) Employees may use accrued earned sick and safe time beginning 90 calendar days  
3.26 after the day their employment commenced. After 90 days from the day employment  
3.27 commenced, employees may use earned sick and safe time as it is accrued. The  
3.28 90-calendar-day period under this paragraph includes both days worked and days not worked.

3.29 Subd. 3. **Use of earned sick and safe time.** (a) An employee may use accrued earned  
3.30 sick and safe time for:

3.31 (1) an employee's:

3.32 (i) mental or physical illness, injury, or other health condition;

4.1 (ii) need for medical diagnosis, care, or treatment of a mental or physical illness, injury,  
4.2 or health condition; or

4.3 (iii) need for preventive medical or health care;

4.4 (2) care of a family member:

4.5 (i) with a mental or physical illness, injury, or other health condition;

4.8 (iii) who needs preventive medical or health care;

4.9 (3) absence due to domestic abuse, sexual assault, or stalking of the employee or  
4.10 employee's family member, provided the absence is to:

4.20 or an employee's need to care for a family member whose school or place of care has been  
4.21 closed due to weather or other public emergency; and

4.22 (5) when it has been determined by the health authorities having jurisdiction or by a  
4.23 health care professional that the presence of the employee or family member of the employee  
4.24 in the community would jeopardize the health of others because of the exposure of the  
4.25 employee or family member of the employee to a communicable disease, whether or not  
4.26 the employee or family member has actually contracted the communicable disease.

4.27 (b) An employer may require notice of the need for use of earned sick and safe time as  
4.28 provided in this paragraph. If the need for use is foreseeable, an employer may require  
4.29 advance notice of the intention to use earned sick and safe time but must not require more  
4.30 than seven days' advance notice. If the need is unforeseeable, an employer may require an  
4.31 employee to give notice of the need for earned sick and safe time as soon as practicable.

5.1 (c) When an employee uses earned sick and safe time for more than three consecutive  
5.2 days, an employer may require reasonable documentation that the earned sick and safe time  
5.3 is covered by paragraph (a). For earned sick and safe time under paragraph (a), clauses (1)  
5.4 and (2), reasonable documentation may include a signed statement by a health care  
5.5 professional indicating the need for use of earned sick and safe time. For earned sick and  
5.6 safe time under paragraph (a), clause (3), an employer must accept a court record or  
5.7 documentation signed by a volunteer or employee of a victims services organization, an  
5.8 attorney, a police officer, or an antiviolence counselor as reasonable documentation. An  
5.9 employer must not require disclosure of details relating to domestic abuse, sexual assault,  
5.10 or stalking or the details of an employee's or an employee's family member's medical  
5.11 condition as related to an employee's request to use earned sick and safe time under this  
5.12 section.

5.13 (d) An employer may not require, as a condition of an employee using earned sick and  
5.14 safe time, that the employee seek or find a replacement worker to cover the hours the  
5.15 employee uses as earned sick and safe time.

5.16 (e) Earned sick and safe time may be used in the smallest increment of time tracked by  
5.17 the employer's payroll system, provided such increment is not more than four hours.

5.18 Subd. 4. **Retaliation prohibited.** An employer shall not take retaliatory personnel action  
5.19 against an employee because the employee has requested earned sick and safe time, used  
5.20 earned sick and safe time, requested a statement of accrued sick and safe time, or made a  
5.21 complaint or filed an action to enforce a right to earned sick and safe time under this section.

5.22 Subd. 5. **Reinstatement to comparable position after leave.** An employee returning  
5.23 from a leave under this section is entitled to return to employment in a comparable position.  
5.24 If, during a leave under this section, the employer experiences a layoff and the employee  
5.25 would have lost a position had the employee not been on leave, pursuant to the good faith  
5.26 operation of a bona fide layoff and recall system, including a system under a collective  
5.27 bargaining agreement, the employee is not entitled to reinstatement in the former or  
5.28 comparable position. In such circumstances, the employee retains all rights under the layoff  
5.29 and recall system, including a system under a collective bargaining agreement, as if the  
5.30 employee had not taken the leave.

5.31 Subd. 6. **Pay and benefits after leave.** An employee returning from a leave under this  
5.32 section is entitled to return to employment at the same rate of pay the employee had been  
5.33 receiving when the leave commenced, plus any automatic adjustments in the employee's  
5.34 pay scale that occurred during leave period. The employee returning from a leave is entitled

6.1 to retain all accrued preleave benefits of employment and seniority as if there had been no  
6.2 interruption in service, provided that nothing under this section prevents the accrual of  
6.3 benefits or seniority during the leave pursuant to a collective bargaining or other agreement  
6.4 between the employer and employees.

6.5 Subd. 7. **Part-time return from leave.** An employee, by agreement with the employer,  
6.6 may return to work part time during the leave period without forfeiting the right to return  
6.7 to employment at the end of the leave, as provided under this section.

6.8 Subd. 8. **Notice and posting by employer.** (a) Employers must give notice to all  
6.9 employees that they are entitled to earned sick and safe time, including the amount of earned  
6.10 sick and safe time, the accrual year for the employee, and the terms of its use under this  
6.11 section; that retaliation against employees who request or use earned sick and safe time is  
6.12 prohibited; and that each employee has the right to file a complaint or bring a civil action  
6.13 if earned sick and safe time is denied by the employer or the employee is retaliated against  
6.14 for requesting or using earned sick and safe time.

6.15 (b) Employers must supply employees with a notice in English and other appropriate  
6.16 languages that contains the information required in paragraph (a) at commencement of  
6.17 employment or the effective date of this section, whichever is later.

6.18 (c) The means used by the employer must be at least as effective as the following options  
6.19 for providing notice:

6.20 (1) posting a copy of the notice at each location where employees perform work and  
6.21 where the notice must be readily observed and easily reviewed by all employees performing  
6.22 work; or

6.23 (2) providing a paper or electronic copy of the notice to employees.

6.24 The notice must contain all information required under paragraph (a). The commissioner  
6.25 shall create and make available to employers a poster and a model notice that contains the  
6.26 information required under paragraph (a) for their use in complying with this section.

6.27 (d) An employer that provides an employee handbook to its employees must include in  
6.28 the handbook notice of employee rights and remedies under this section.

6.29 Subd. 9. **Required statement to employee.** (a) Upon request of the employee, the  
6.30 employer must provide, in writing or electronically, current information stating the  
6.31 employee's amount of:

6.32 (1) earned sick and safe time available to the employee; and

7.1 (2) used earned sick and safe time.

7.2 (b) Employers may choose a reasonable system for providing the information in paragraph  
7.3 (a), including but not limited to listing information on each pay stub or developing an online  
7.4 system where employees can access their own information.

7.5 Subd. 10. **Employer records.** (a) Employers shall retain accurate records documenting  
7.6 hours worked by employees and earned sick and safe time taken and comply with all  
7.7 requirements under section 177.30.

7.8 (b) An employer must allow an employee to inspect records required by this section and  
7.9 relating to that employee at a reasonable time and place.

7.10 Subd. 11. **Confidentiality and nondisclosure.** (a) If, in conjunction with this section,  
7.11 an employer possesses (1) health or medical information regarding an employee or an  
7.12 employee's family member; (2) information pertaining to domestic abuse, sexual assault,  
7.13 or stalking; (3) information that the employee has requested or obtained leave under this  
7.14 section; or (4) any written or oral statement, documentation, record, or corroborating evidence  
7.15 provided by the employee or an employee's family member, the employer must treat such  
7.16 information as confidential. Information given by an employee may only be disclosed by  
7.17 an employer if the disclosure is requested or consented to by the employee, when ordered  
7.18 by a court or administrative agency, or when otherwise required by federal or state law.

7.19 (b) Records and documents relating to medical certifications, recertifications, or medical  
7.20 histories of employees or family members of employees created for purposes of this section  
7.21 or section 177.50 must be maintained as confidential medical records separate from the  
7.22 usual personnel files.

7.23 (c) Employers may not discriminate against any employee based on records created for  
7.24 the purposes of this section or section 177.50.

7.25 Subd. 12. **No effect on more generous sick and safe time policies.** (a) Nothing in this  
7.26 section shall be construed to discourage employers from adopting or retaining earned sick  
7.27 and safe time policies that meet or exceed, and do not otherwise conflict with, the minimum  
7.28 standards and requirements provided in this section.

7.29 (b) Nothing in this section shall be construed to limit the right of parties to a collective  
7.30 bargaining agreement to bargain and agree with respect to earned sick and safe time policies  
7.31 or to diminish the obligation of an employer to comply with any contract, collective  
7.32 bargaining agreement, or any employment benefit program or plan that meets or exceeds,

8.1 and does not otherwise conflict with, the minimum standards and requirements provided in  
8.2 this section.

8.3 (c) Employers who provide earned sick and safe time to their employees under a paid  
8.4 time off policy or other paid leave policy that meets or exceeds, and does not otherwise  
8.5 conflict with, the minimum standards and requirements provided in this section are not  
8.6 required to provide additional earned sick and safe time.

8.7 (d) An employer may opt to satisfy the requirements of this section for construction  
8.8 industry employees by:

8.9 (1) paying at least the prevailing wage rate as defined by section 177.42 and as calculated  
8.10 by the Department of Labor and Industry; or

8.11 (2) paying at least the required rate established in a registered apprenticeship agreement  
8.12 for apprentices registered with the Department of Labor and Industry.

8.13 An employer electing this option is deemed to be in compliance with this section for  
8.14 construction industry employees who receive either at least the prevailing wage rate or the  
8.15 rate required in the applicable apprenticeship agreement regardless of whether the employees  
8.16 are working on private or public projects.

8.17 (e) This section does not prohibit an employer from establishing a policy whereby  
8.18 employees may donate unused accrued sick and safe time to another employee.

8.19 (f) This section does not prohibit an employer from advancing sick and safe time to an  
8.20 employee before accrual by the employee.

8.21 Subd. 13. **Termination; separation; transfer.** This section does not require financial  
8.22 or other reimbursement to an employee from an employer upon the employee's termination,  
8.23 resignation, retirement, or other separation from employment for accrued earned sick and  
8.24 safe time that has not been used. If an employee is transferred to a separate division, entity,  
8.25 or location, but remains employed by the same employer, the employee is entitled to all  
8.26 earned sick and safe time accrued at the prior division, entity, or location and is entitled to  
8.27 use all earned sick and safe time as provided in this section. When there is a separation from  
8.28 employment and the employee is rehired within 180 days of separation by the same employer,  
8.29 previously accrued earned sick and safe time that had not been used must be reinstated. An  
8.30 employee is entitled to use accrued earned sick and safe time and accrue additional earned  
8.31 sick and safe time at the commencement of reemployment.

8.32 Subd. 14. **Employer succession.** (a) When a different employer succeeds or takes the  
8.33 place of an existing employer, all employees of the original employer who remain employed

9.1 by the successor employer are entitled to all earned sick and safe time accrued but not used  
9.2 when employed by the original employer, and are entitled to use all earned sick and safe  
9.3 time previously accrued but not used.

9.4 (b) If, at the time of transfer of the business, employees are terminated by the original  
9.5 employer and hired within 30 days by the successor employer following the transfer, those  
9.6 employees are entitled to all earned sick and safe time accrued but not used when employed  
9.7 by the original employer, and are entitled to use all earned sick and safe time previously  
9.8 accrued but not used.

9.9 Sec. 2. **REPEALER.**

9.10 Minnesota Statutes 2018, section 181.9413, is repealed.

9.11 Sec. 3. **EFFECTIVE DATE.**

9.12 Sections 1 and 2 are effective 180 days following final enactment.

9.13 **ARTICLE 2**

9.14 **EARNED SICK AND SAFE TIME ENFORCEMENT**

9.15 Section 1. Minnesota Statutes 2018, section 177.27, subdivision 2, is amended to read:

9.16 Subd. 2. **Submission of records; penalty.** The commissioner may require the employer  
9.17 of employees working in the state to submit to the commissioner photocopies, certified  
9.18 copies, or, if necessary, the originals of employment records which the commissioner deems  
9.19 necessary or appropriate. The records which may be required include full and correct  
9.20 statements in writing, including sworn statements by the employer, containing information  
9.21 relating to wages, hours, names, addresses, and any other information pertaining to the  
9.22 employer's employees and the conditions of their employment as the commissioner deems  
9.23 necessary or appropriate.

9.24 The commissioner may require the records to be submitted by certified mail delivery  
9.25 or, if necessary, by personal delivery by the employer or a representative of the employer,  
9.26 as authorized by the employer in writing.

9.27 The commissioner may fine the employer up to ~~\$1,000~~ \$10,000 for each failure to submit  
9.28 or deliver records as required by this section. This penalty is in addition to any penalties  
9.29 provided under section 177.32, subdivision 1. In determining the amount of a civil penalty  
9.30 under this subdivision, the appropriateness of such penalty to the size of the employer's  
9.31 business and the gravity of the violation shall be considered.

10.1 Sec. 2. Minnesota Statutes 2018, section 177.27, subdivision 4, is amended to read:

10.2 Subd. 4. **Compliance orders.** The commissioner may issue an order requiring an  
 10.3 employer to comply with sections 177.21 to 177.435, 181.02, 181.03, 181.031, 181.032,  
 10.4 181.101, 181.11, 181.13, 181.14, 181.145, 181.15, 181.172, paragraph (a) or (d), 181.275,  
 10.5 subdivision 2a, 181.722, 181.79, ~~and~~ 181.939 to 181.943, and 181.9445, or with any rule  
 10.6 promulgated under section 177.28. The commissioner shall issue an order requiring an  
 10.7 employer to comply with sections 177.41 to 177.435 if the violation is repeated. For purposes  
 10.8 of this subdivision only, a violation is repeated if at any time during the two years that  
 10.9 preceded the date of violation, the commissioner issued an order to the employer for violation  
 10.10 of sections 177.41 to 177.435 and the order is final or the commissioner and the employer  
 10.11 have entered into a settlement agreement that required the employer to pay back wages that  
 10.12 were required by sections 177.41 to 177.435. The department shall serve the order upon the  
 10.13 employer or the employer's authorized representative in person or by certified mail at the  
 10.14 employer's place of business. An employer who wishes to contest the order must file written  
 10.15 notice of objection to the order with the commissioner within 15 calendar days after being  
 10.16 served with the order. A contested case proceeding must then be held in accordance with  
 10.17 sections 14.57 to 14.69. If, within 15 calendar days after being served with the order, the  
 10.18 employer fails to file a written notice of objection with the commissioner, the order becomes  
 10.19 a final order of the commissioner.

10.20 Sec. 3. Minnesota Statutes 2018, section 177.27, subdivision 7, is amended to read:

10.21 Subd. 7. **Employer liability.** If an employer is found by the commissioner to have  
 10.22 violated a section identified in subdivision 4, or any rule adopted under section 177.28, and  
 10.23 the commissioner issues an order to comply, the commissioner shall order the employer to  
 10.24 cease and desist from engaging in the violative practice and to take such affirmative steps  
 10.25 that in the judgment of the commissioner will effectuate the purposes of the section or rule  
 10.26 violated. The commissioner shall order the employer to pay to the aggrieved parties back  
 10.27 pay, gratuities, and compensatory damages, less any amount actually paid to the employee  
 10.28 by the employer, and for an additional equal amount as liquidated damages. Any employer  
 10.29 who is found by the commissioner to have repeatedly or willfully violated a section or  
 10.30 sections identified in subdivision 4 shall be subject to a civil penalty of up to ~~\$1,000~~ \$10,000  
 10.31 for each violation for each employee. In determining the amount of a civil penalty under  
 10.32 this subdivision, the appropriateness of such penalty to the size of the employer's business  
 10.33 and the gravity of the violation shall be considered. In addition, the commissioner may order  
 10.34 the employer to reimburse the department and the attorney general for all appropriate  
 10.35 litigation and hearing costs expended in preparation for and in conducting the contested

11.1 case proceeding, unless payment of costs would impose extreme financial hardship on the  
11.2 employer. If the employer is able to establish extreme financial hardship, then the  
11.3 commissioner may order the employer to pay a percentage of the total costs that will not  
11.4 cause extreme financial hardship. Costs include but are not limited to the costs of services  
11.5 rendered by the attorney general, private attorneys if engaged by the department,  
11.6 administrative law judges, court reporters, and expert witnesses as well as the cost of  
11.7 transcripts. Interest shall accrue on, and be added to, the unpaid balance of a commissioner's  
11.8 order from the date the order is signed by the commissioner until it is paid, at an annual rate  
11.9 provided in section 549.09, subdivision 1, paragraph (c). The commissioner may establish  
11.10 escrow accounts for purposes of distributing damages.

11.11 **Sec. 4. [177.50] EARNED SICK AND SAFE TIME ENFORCEMENT.**

11.12 **Subdivision 1. Definitions.** The definitions in section 181.9445, subdivision 1, apply to  
11.13 this section.

11.14 **Subd. 2. Rulemaking authority.** The commissioner may adopt rules to carry out the  
11.15 purposes of this section and section 181.9445.

11.16 **Subd. 3. Individual remedies.** In addition to any other remedies provided by law, a  
11.17 person injured by a violation of section 181.9445 may bring a civil action to recover any
