56.26 to, the revolving funds established in sections 14.46; 14.53; 16B.2975, subdivision 4; 16B.48;
56.27 16B.54; 16B.58; 16B.85; 16E.14; 43A.55; and 176.591; ~~and~~ the fund established in section
56.28 43A.30; and the account established in section 16A.1286.

56.29 **EFFECTIVE DATE.** This section is effective July 1, 2024.

56.30 Sec. 56. Minnesota Statutes 2022, section 16A.1286, subdivision 2, is amended to read:

56.31 Subd. 2. **Billing procedures.** The commissioner may bill ~~up to \$10,000,000 in~~ each
56.32 fiscal year for statewide systems services provided to state agencies, ~~judicial branch agencies,~~

57.1 ~~the University of Minnesota~~ in the executive, legislative, and judicial branches, the Minnesota
57.2 State Colleges and Universities, and other entities. Each entity shall be billed based on that
57.3 entity's usage of the statewide systems. Each agency shall transfer from agency operating
57.4 appropriations to the statewide systems account the amount billed by the commissioner.
57.5 ~~Billing policies and procedures related to statewide systems services must be developed by~~
57.6 ~~the commissioner in consultation with the commissioners of management and budget and~~
57.7 ~~administration, the University of Minnesota, and the Minnesota State Colleges and~~
57.8 ~~Universities.~~ The commissioner shall develop billing policies and procedures.

57.9 **EFFECTIVE DATE.** This section is effective July 1, 2025.

57.10 Sec. 57. Minnesota Statutes 2022, section 16A.15, subdivision 3, is amended to read:

57.11 Subd. 3. **Allotment and encumbrance.** (a) A payment may not be made without prior
57.12 obligation. An obligation may not be incurred against any fund, allotment, or appropriation
57.13 unless the commissioner has certified a sufficient unencumbered balance or the accounting
57.14 system shows sufficient allotment or encumbrance balance in the fund, allotment, or
57.15 appropriation to meet it. The commissioner shall determine when the accounting system
57.16 may be used to incur obligations without the commissioner's certification of a sufficient
57.17 unencumbered balance. An expenditure or obligation authorized or incurred in violation of
57.18 this chapter is invalid and ineligible for payment until made valid. A payment made in
57.19 violation of this chapter is illegal. An employee authorizing or making the payment, or
57.20 taking part in it, and a person receiving any part of the payment, are jointly and severally
57.21 liable to the state for the amount paid or received. If an employee knowingly incurs an
57.22 obligation or authorizes or makes an expenditure in violation of this chapter or takes part
57.23 in the violation, the violation is just cause for the employee's removal by the appointing
57.24 authority or by the governor if an appointing authority other than the governor fails to do
57.25 so. In the latter case, the governor shall give notice of the violation and an opportunity to
57.26 be heard on it to the employee and to the appointing authority. A claim presented against
57.27 an appropriation without prior allotment or encumbrance may be made valid on investigation,
57.28 review, and approval by the agency head in accordance with the commissioner's policy, if
57.29 the services, materials, or supplies to be paid for were actually furnished in good faith
57.30 without collusion and without intent to defraud. The commissioner may then pay the claim
57.31 just as properly allotted and encumbered claims are paid.

57.32 (b) The commissioner may approve payment for materials and supplies in excess of the
57.33 obligation amount when increases are authorized by section 16C.03, subdivision 3.

58.1 (c) To minimize potential construction delay claims, an agency with a project funded
58.2 by a building appropriation may allow a consultant or contractor to proceed with
58.3 supplemental work within the limits of the appropriation before money is encumbered.
58.4 Under this circumstance, the agency may requisition funds and allow consultants or
58.5 contractors to expeditiously proceed with services or a construction sequence. While the
58.6 consultant or contractor is proceeding, the agency shall immediately act to encumber the
58.7 required funds.

58.8 Sec. 58. Minnesota Statutes 2022, section 16A.152, subdivision 2, is amended to read:

58.9 Subd. 2. **Additional revenues; priority.** (a) If on the basis of a forecast of general fund
58.10 revenues and expenditures, the commissioner of management and budget determines that
58.11 there will be a positive unrestricted budgetary general fund balance at the close of the
58.12 biennium, the commissioner of management and budget must allocate money to the following
58.13 accounts and purposes in priority order:

58.14 (1) the cash flow account established in subdivision 1 until that account reaches
58.15 \$350,000,000;

58.16 (2) the budget reserve account established in subdivision 1a until that account reaches
58.17 ~~\$2,377,399,000~~ \$2,852,098,000;

58.18 (3) the amount necessary to increase the aid payment schedule for school district aids
58.19 and credits payments in section 127A.45 to not more than 90 percent rounded to the nearest
58.20 tenth of a percent without exceeding the amount available and with any remaining funds
58.21 deposited in the budget reserve; and

58.22 (4) the amount necessary to restore all or a portion of the net aid reductions under section
58.23 127A.441 and to reduce the property tax revenue recognition shift under section 123B.75,
58.24 subdivision 5, by the same amount;

58.25 ~~(5) the amount necessary to increase the Minnesota 21st century fund by not more than~~
58.26 ~~the difference between \$5,000,000 and the sum of the amounts credited and canceled to it~~
58.27 ~~in the previous 12 months under Laws 2020, chapter 71, article 1, section 11, until the sum~~
58.28 ~~of all transfers under this section and all amounts credited or canceled under Laws 2020,~~
58.29 ~~chapter 71, article 1, section 11, equals \$20,000,000; and~~

58.30 ~~(6) for a forecast in November only, the amount remaining after the transfer under clause~~
58.31 ~~(5) must be used to reduce the percentage of accelerated June liability sales tax payments~~
58.32 ~~required under section 289A.20, subdivision 4, paragraph (b), until the percentage equals~~
58.33 ~~zero, rounded to the nearest tenth of a percent. By March 15 following the November~~

59.1 ~~forecast, the commissioner must provide the commissioner of revenue with the percentage~~
59.2 ~~of accelerated June liability owed based on the reduction required by this clause. By April~~
59.3 ~~15 each year, the commissioner of revenue must certify the percentage of June liability~~
59.4 ~~owed by vendors based on the reduction required by this clause.~~

59.5 (b) The amounts necessary to meet the requirements of this section are appropriated
59.6 from the general fund within two weeks after the forecast is released or, in the case of
59.7 transfers under paragraph (a), clauses (3) and (4), as necessary to meet the appropriations
59.8 schedules otherwise established in statute.

59.9 (c) The commissioner of management and budget shall certify the total dollar amount
59.10 of the reductions under paragraph (a), clauses (3) and (4), to the commissioner of education.
59.11 The commissioner of education shall increase the aid payment percentage and reduce the
59.12 property tax shift percentage by these amounts and apply those reductions to the current
59.13 fiscal year and thereafter.

59.14 Sec. 59. Minnesota Statutes 2022, section 16A.152, subdivision 4, is amended to read:

59.15 Subd. 4. **Reduction.** (a) If the commissioner determines that probable receipts for the
59.16 general fund will be less than anticipated, and that the amount available for the remainder
59.17 of the biennium will be less than needed, the commissioner shall, with the approval of the
59.18 governor, and after consulting the Legislative Advisory Commission, reduce the amount in
59.19 the budget reserve account as needed to balance expenditures with revenue.

59.20 (b) An additional deficit shall, with the approval of the governor, and after consulting
59.21 the Legislative Advisory Commission, be made up by reducing unexpended allotments of
59.22 any prior appropriation or transfer. Notwithstanding any other law to the contrary, the
59.23 commissioner is empowered to defer or suspend prior statutorily created obligations which
59.24 would prevent effecting such reductions.

59.25 (c) If the commissioner determines that probable receipts for any other fund,
59.26 appropriation, or item will be less than anticipated, and that the amount available for the
59.27 remainder of the term of the appropriation or for any allotment period will be less than
59.28 needed, the commissioner shall notify the agency concerned and then reduce the amount
59.29 allotted or to be allotted so as to prevent a deficit.

59.30 (d) In reducing allotments, the commissioner may consider other sources of revenue
59.31 available to recipients of state appropriations and may apply allotment reductions based on
59.32 all sources of revenue available.

60.1 (e) In like manner, the commissioner shall reduce allotments to an agency by the amount
 60.2 of any saving that can be made over previous spending plans through a reduction in prices
 60.3 or other cause.

60.4 (f) The commissioner is prohibited from reducing an allotment or appropriation made
 60.5 to the legislature.

60.6 **EFFECTIVE DATE.** This section is effective the day following final enactment.

60.7 Sec. 60. **[16A.2845] APPROPRIATIONS TO OFFICE OF THE GOVERNOR.**

60.8 Except as provided in this section, section 16A.28 applies to appropriations made to the
 60.9 Office of the Governor. An unexpended balance not carried forward and remaining
 60.10 unexpended and unencumbered at the end of a biennium lapses and shall be returned to the
 60.11 fund from which it was appropriated. Balances may be carried forward into the next biennium
 60.12 and credited to special accounts to be used only as follows: (1) for nonrecurring expenditures
 60.13 on investments that enhance efficiency or improve effectiveness; (2) to pay expenses
 60.14 associated with the work of the office, including public outreach efforts and related activities;
 60.15 and (3) to pay severance costs of involuntary terminations. The approval of the commissioner
 60.16 of management and budget under section 16A.28, subdivision 2, does not apply to the Office
 60.17 of the Governor. An appropriation made to the Office of the Governor may be spent in
 60.18 either year of the biennium.

60.19 **EFFECTIVE DATE.** This section is effective July 1, 2023, and applies to appropriations
 60.20 made to the Office of the Governor for fiscal year 2024 and thereafter.

60.21 Sec. 61. Minnesota Statutes 2022, section 16A.632, subdivision 2, is amended to read:

60.22 Subd. 2. **Standards.** (a) Article XI, section 5, clause (a), of the constitution states general
 60.23 obligation bonds may be issued to finance only the acquisition or betterment of state land,
 60.24 buildings, and improvements of a capital nature. In interpreting this and applying it to the
 60.25 purposes of the program contemplated in this section, the following standards are adopted
 60.26 for the disbursement of money from the capital asset preservation and replacement account:.

60.27 (b) ~~No~~ An appropriation under this section may not be used to acquire new land, or
 60.28 buildings, or major new improvements will be acquired. These projects, including all capital
 60.29 expenditures required to permit their effective use for the intended purpose on completion,
 60.30 will be estimated and provided for individually through a direct appropriation for each
 60.31 project or to construct new buildings or additions.

61.1 (c) An expenditure will be made from the account only when it is a capital expenditure
61.2 on a capital asset previously owned by the state, within the meaning of accepted accounting
61.3 principles as applied to public expenditures. The commissioner of administration will consult
61.4 with the commissioner of management and budget to the extent necessary to ensure this
61.5 and will furnish the commissioner of management and budget a list of projects to be financed
61.6 from the account in order of their priority. The commissioner shall also furnish each revision
61.7 of the list. The legislature assumes that many provisions for preservation and replacement
61.8 of portions of existing capital assets will constitute betterments and capital improvements
61.9 within the meaning of the constitution and capital expenditures under correct accounting
61.10 principles, and will be financed more efficiently and economically under the program than
61.11 by direct appropriations for specific projects. However, the purpose of the program is to
61.12 accumulate data showing how additional costs may be saved by appropriating money from
61.13 the general fund for preservation measures, the necessity of which is predictable over short
61.14 periods.

61.15 (d) The commissioner of administration will furnish instructions to agencies to apply
61.16 for funding of capital expenditures for preservation and replacement from the account, will
61.17 review applications, will make initial allocations among types of eligible projects enumerated
61.18 below, will determine priorities, and will allocate money in priority order until the available
61.19 appropriation has been committed. An appropriation under this section may not be used to
61.20 make minor emergency repairs.

61.21 (e) Categories of projects considered likely to be most needed and appropriate for
61.22 financing are the following:

61.23 (1) ~~unanticipated emergencies of all kinds, for which a relatively small amount should~~
61.24 ~~be initially reserved, replaced from money allocated to low-priority projects, if possible, as~~
61.25 ~~emergencies occur, and used for stabilization rather than replacement if the cost would~~
61.26 ~~exhaust the account and should be specially appropriated~~ involving impacts to state-owned
61.27 property;

61.28 (2) major projects to remove address life safety hazards, like for existing buildings and
61.29 sites, including but not limited to security, replacement of mechanical and other building
61.30 systems, building code violations, or structural defects, at costs not large enough to require
61.31 major capital requests to the legislature;

61.32 (3) ~~elimination~~ removal or containment of hazardous substances like asbestos or PCBs;

62.1 (4) ~~moderate cost replacement~~ major projects to replace and repair of roofs, windows,
62.2 tuckpointing, and structural members necessary to preserve the exterior and interior of
62.3 existing buildings; and

62.4 (5) up to ten percent of an appropriation awarded under this section may be used for
62.5 design costs for projects eligible to be funded from this account in anticipation of future
62.6 funding from the account.

62.7 Sec. 62. Minnesota Statutes 2022, section 16A.97, is amended to read:

62.8 **16A.97 TOBACCO BONDS.**

62.9 The commissioner may sell and issue debt under ~~either or both of sections 16A.98 and~~
62.10 section 16A.99, but the net proceeds of bonds issued and sold under ~~those sections together~~
62.11 that section must not exceed \$640,000,000 during fiscal years 2012 and 2013.

62.12 Sec. 63. Minnesota Statutes 2022, section 16B.307, subdivision 1, is amended to read:

62.13 Subdivision 1. **Standards.** (a) Article XI, section 5, clause (a), of the constitution requires
62.14 that state general obligation bonds be issued to finance only the acquisition or betterment
62.15 of public land, buildings, and other public improvements of a capital nature. Money
62.16 appropriated for asset preservation, whether from state bond proceeds or from other revenue,
62.17 is subject to the following additional limitations:

62.18 (b) An appropriation for asset preservation may not be used to acquire new land nor to
62.19 acquire or construct new buildings, or additions to buildings, ~~or major new improvements.~~

62.20 (c) An appropriation for asset preservation may be used only for a capital expenditure
62.21 on a capital asset previously owned by the state, within the meaning of generally accepted
62.22 accounting principles as applied to public expenditures. The commissioner of administration
62.23 will consult with the commissioner of management and budget to the extent necessary to
62.24 ensure this and will furnish the commissioner of management and budget a list of projects
62.25 to be financed from the account in order of their priority. The legislature assumes that many
62.26 projects for preservation and replacement of portions of existing capital assets will constitute
62.27 betterments and capital improvements within the meaning of the constitution and capital
62.28 expenditures under generally accepted accounting principles, and will be financed more
62.29 efficiently and economically under this section than by direct appropriations for specific
62.30 projects.

62.31 (d) Categories of projects considered likely to be most needed and appropriate for asset
62.32 preservation appropriations are the following:

63.1 (1) major projects to ~~remove~~ address life safety hazards, like for existing buildings and
 63.2 sites, including but not limited to security, building code violations, or structural defects.

63.3 Notwithstanding paragraph (b), a project in this category may include an addition to an
 63.4 existing building if it is a required component of the hazard ~~removal~~ abatement project;

63.5 (2) projects to eliminate or contain hazardous substances like asbestos or lead paint;

63.6 (3) major projects to address accessibility and building code violations; replace or repair
 63.7 roofs, windows, tuckpointing, mechanical or, electrical, plumbing or other building systems,
 63.8 utility infrastructure, and tunnels; make site ~~renovations~~ improvements necessary to support
 63.9 building use; and repair structural components necessary to preserve the exterior and interior
 63.10 of existing buildings; and

63.11 (4) major projects to ~~renovate~~ repair parking structures facilities and surface lots.

63.12 (e) Up to ten percent of an appropriation subject to this section may be used for design
 63.13 costs for projects eligible to be funded under this section in anticipation of future asset
 63.14 preservation appropriations.

63.15 Sec. 64. Minnesota Statutes 2022, section 16B.32, subdivision 1, is amended to read:

63.16 Subdivision 1. **Alternative energy sources.** ~~Plans prepared by the commissioner for a~~
 63.17 ~~new building or for a renovation of 50 percent or more of an existing building or its energy~~
 63.18 ~~systems must include designs which use active and passive solar energy systems, earth~~
 63.19 ~~sheltered construction, and other alternative energy sources where feasible. (a) If the~~
 63.20 incorporation of cost-effective energy efficiency measures into the design, materials, and
 63.21 operations of a building or major building renovation subject to section 16B.325 is not
 63.22 sufficient to meet Sustainable Building 2030 energy performance standards required under
 63.23 section 216B.241, subdivision 9, cost-effective renewable energy sources or solar thermal
 63.24 energy systems, or both, must be deployed to achieve those standards.

63.25 (b) The commissioners of administration and commerce shall review compliance of
 63.26 building designs and plans subject to this section with Sustainable Building 2030 performance
 63.27 standards developed under section 216B.241, subdivision 9, and shall make recommendations
 63.28 to the legislature as necessary to ensure that those performance standards are met.

63.29 (c) For the purposes of this section:

63.30 (1) "energy efficiency" has the meaning given in section 216B.2402, subdivision 7;

63.31 (2) "renewable energy" has the meaning given in section 216B.2422, subdivision 1,
 63.32 paragraph (c), and includes hydrogen generated from wind, solar, or hydroelectric; and

64.1 (3) "solar thermal energy systems" has the meaning given to "qualifying solar thermal
64.2 project" in section 216B.2411, subdivision 2, paragraph (e).

64.3 Sec. 65. Minnesota Statutes 2022, section 16B.32, subdivision 1a, is amended to read:

64.4 Subd. 1a. **Onsite energy generation from renewable sources.** ~~A state agency that~~
64.5 ~~prepares a predesign for a new building must consider meeting at least two percent of the~~
64.6 ~~energy needs of the building from renewable sources located on the building site. For~~
64.7 ~~purposes of this subdivision, "renewable sources" are limited to wind and the sun. The~~
64.8 ~~predesign must include an explicit cost and price analysis of complying with the two percent~~
64.9 ~~requirement compared with the present and future costs of energy supplied by a public~~
64.10 ~~utility from a location away from the building site and the present and future costs of~~
64.11 ~~controlling carbon emissions. If the analysis concludes that the building should not meet at~~
64.12 ~~least two percent of its energy needs from renewable sources located on the building site,~~
64.13 ~~the analysis must provide explicit reasons why not. The building may not receive further~~
64.14 ~~state appropriations for design or construction unless at least two percent of its energy needs~~
64.15 ~~are designed to be met from renewable sources, unless the commissioner finds that the~~
64.16 ~~reasons given by the agency for not meeting the two percent requirement were supported~~
64.17 ~~by evidence in the record.~~ The total aggregate nameplate capacity of all renewable energy
64.18 sources utilized to meet Sustainable Building 2030 standards in a state-owned building or
64.19 facility, including any subscription to a community solar garden under section 216B.1641,
64.20 may not exceed 120 percent of the average annual electric energy consumption of the
64.21 state-owned building or facility.

64.22 Sec. 66. Minnesota Statutes 2022, section 16B.33, subdivision 1, is amended to read:

64.23 Subdivision 1. **Definitions.** (a) As used in this section, the following terms have the
64.24 meanings given them:

64.25 (b) "Agency" has the meaning given in section 16B.01.

64.26 (c) "Architect" means an architect or landscape architect registered to practice under
64.27 sections 326.02 to 326.15.

64.28 (d) "Board" means the state Designer Selection Board.

64.29 (e) "Design-build" means the process of entering into and managing a single contract
64.30 between the commissioner and the design-builder in which the design-builder agrees to
64.31 both design and construct a project as specified in the contract at a guaranteed maximum
64.32 or a fixed price.

65.1 (f) "Design-builder" means a person who proposes to design and construct a project in
65.2 accordance with the requirements of section 16C.33.

65.3 (g) "Designer" means an architect or engineer, or a partnership, association, or corporation
65.4 comprised primarily of architects or engineers or of both architects and engineers.

65.5 (h) "Engineer" means an engineer registered to practice under sections 326.02 to 326.15.

65.6 (i) "Person" includes an individual, corporation, partnership, association, or any other
65.7 legal entity.

65.8 (j) "Primary designer" means the designer who is to have primary design responsibility
65.9 for a project, and does not include designers who are merely consulted by the user agency
65.10 and do not have substantial design responsibility, or designers who will or may be employed
65.11 or consulted by the primary designer.

65.12 (k) "Project" means an undertaking to construct, erect, or remodel a building by or for
65.13 the state or an agency. Capital projects exempt from the requirements of this section include
65.14 demolition or decommissioning of state assets; hazardous materials abatement; repair and
65.15 replacement of utility infrastructure, parking lots, and parking structures; security upgrades;
65.16 building systems replacement or repair, including alterations to building interiors needed
65.17 to accommodate the systems; and other asset preservation work not involving remodeling
65.18 of occupied space.

65.19 (l) "User agency" means the agency undertaking a specific project. For projects
65.20 undertaken by the state of Minnesota, "user agency" means the Department of Administration
65.21 or a state agency with an appropriate delegation to act on behalf of the Department of
65.22 Administration.

65.23 Sec. 67. Minnesota Statutes 2022, section 16B.33, subdivision 3, is amended to read:

65.24 Subd. 3. **Agencies must request designer.** (a) **Application.** Upon undertaking a project
65.25 with an estimated cost greater than ~~\$2,000,000~~ \$4,000,000 or a planning project with
65.26 estimated fees greater than ~~\$200,000~~ \$400,000, every user agency, except the Capitol Area
65.27 Architectural and Planning Board, shall submit a written request for a primary designer for
65.28 its project to the commissioner, who shall forward the request to the board. The University
65.29 of Minnesota and the Minnesota State Colleges and Universities shall follow the process
65.30 in subdivision 3a to select designers for their projects. The written request must include a
65.31 description of the project, the estimated cost of completing the project, a description of any
65.32 special requirements or unique features of the proposed project, and other information which
65.33 will assist the board in carrying out its duties and responsibilities set forth in this section.

66.1 (b) **Reactivated project.** If a project for which a designer has been selected by the board
66.2 becomes inactive, lapses, or changes as a result of project phasing, insufficient appropriations,
66.3 or other reasons, the commissioner, the Minnesota State Colleges and Universities, or the
66.4 University of Minnesota may, if the project is reactivated, retain the same designer to
66.5 complete the project.

66.6 (c) **Fee limit reached after designer selected.** If a project initially estimated to be below
66.7 the cost and planning fee limits of this subdivision has its cost or planning fees revised so
66.8 that the limits are exceeded, the project must be referred to the board for designer selection
66.9 even if a primary designer has already been selected. In this event, the board may, without
66.10 conducting interviews, elect to retain the previously selected designer if it determines that
66.11 the interests of the state are best served by that decision and shall notify the commissioner
66.12 of its determination.

66.13 Sec. 68. Minnesota Statutes 2022, section 16B.33, subdivision 3a, is amended to read:

66.14 Subd. 3a. **Higher education projects.** (a) When the University of Minnesota or the
66.15 Minnesota State Colleges and Universities undertakes a project involving construction or
66.16 major remodeling, as defined in section 16B.335, subdivision 1, with an estimated cost
66.17 greater than ~~\$2,000,000~~ \$4,000,000 or a planning project with estimated fees greater than
66.18 ~~\$200,000~~ \$400,000, the system shall submit a written request for a primary designer to the
66.19 commissioner, as provided in subdivision 3.

66.20 (b) When the University of Minnesota or the Minnesota State Colleges and Universities
66.21 undertakes a project involving renovation, repair, replacement, or rehabilitation, the system
66.22 office may submit a written request for a primary designer to the commissioner as provided
66.23 in subdivision 3.

66.24 (c) For projects at the University of Minnesota or the State Colleges and Universities,
66.25 the board shall select at least two primary designers under subdivision 4 for recommendation
66.26 to the Board of Regents or the Board of Trustees. Meeting records or written evaluations
66.27 that document the final selection are public records. The Board of Regents or the Board of
66.28 Trustees shall notify the commissioner of the designer selected from the recommendations.

66.29 Sec. 69. Minnesota Statutes 2022, section 16B.33, is amended by adding a subdivision to
66.30 read:

66.31 Subd. 6. **Rate of inflation.** No later than December 31 of every fifth year starting in
66.32 2025, the commissioner shall determine the percentage increase in the rate of inflation, as
66.33 measured by the Means Quarterly Construction Cost Index, during the four-year period

67.1 preceding that year. The thresholds in subdivisions 3, paragraph (a); and 3a, paragraph (a),
67.2 shall be increased by the percentage calculated by the commissioner to the nearest

147.19 ~~the list~~ to the chair of each major political party the list of voters who selected that party.

147.20 Sec. 18. Minnesota Statutes 2022, section 201.12, subdivision 2, is amended to read:

147.21 Subd. 2. **Moved within state.** If any nonforwardable mailing from an election official
147.22 is returned as undeliverable but with a permanent forwarding address in this state, the county
147.23 auditor may change the voter's status to "inactive" in the statewide registration system and
147.24 shall transmit a copy of the mailing to the auditor of the county in which the new address
147.25 is located. If an election is scheduled to occur in the precinct in which the voter ~~resides~~
147.26 maintains residence in the next 47 days, the county auditor shall promptly update the voter's
147.27 address in the statewide voter registration system. If there is not an election scheduled, the
147.28 auditor may wait to update the voter's address until after the next list of address changes is

147.30 a notice stating the voter's name, address, precinct, and polling place, except that if the
147.31 voter's record is challenged due to a felony conviction, noncitizenship, name change,

148.1 incompetence, or a court's revocation of voting rights of individuals under guardianship,
148.2 the auditor must not mail the notice. The notice must advise the voter that the voter's voting
148.3 address has been changed and that the voter must notify the county auditor within 21 days
148.4 if the new address is not the voter's address of residence. The notice must state that it must
148.5 be returned if it is not deliverable to the voter at the named address.

148.6 Sec. 19. Minnesota Statutes 2022, section 201.121, subdivision 1, is amended to read:

148.7 Subdivision 1. **Entry of registration information.** (a) At the time a voter registration
148.8 application is properly completed, submitted, and received in accordance with sections
148.9 201.061 and 201.071, the county auditor shall enter the information contained on it into the
148.10 statewide registration system. Voter registration applications completed before election day
148.11 must be entered into the statewide registration system within ten days after they have been
148.12 submitted to the county auditor. Voter registration applications completed on election day
148.13 must be entered into the statewide registration system within 42 days after the election,
148.14 unless the county auditor notifies the secretary of state before the deadline has expired that
148.15 the deadline will not be met. Upon receipt of a notification under this paragraph, the secretary
148.16 of state must extend the deadline for that county auditor by an additional 28 days. The
148.17 secretary of state may waive a county's obligations under this paragraph if, on good cause
148.18 shown, the county demonstrates its permanent inability to comply.

148.19 The secretary of state must post data on each county's compliance with this paragraph on
148.20 the secretary of state's website including, as applicable, the date each county fully complied
148.21 or the deadline by which a county's compliance must be complete.

148.22 (b) Upon receiving a completed voter registration application, the secretary of state may
148.23 electronically transmit the information on the application to the appropriate county auditor
148.24 as soon as possible for review by the county auditor before final entry into the statewide
148.25 registration system. The secretary of state may mail the voter registration application to the
148.26 county auditor.

148.27 (c) Within ten days after the county auditor has entered information from a voter
148.28 registration application into the statewide registration system, the secretary of state shall
148.29 compare the voter's name, date of birth, and driver's license number, state identification
148.30 number, or the last four digits of the Social Security number with the same information
148.31 contained in the Department of Public Safety database.

148.32 (d) The secretary of state shall provide a report to the county auditor on a weekly basis
148.33 that includes a list of voters whose name, date of birth, or identification number have been
148.34 compared with the same information in the Department of Public Safety database and cannot

149.1 be verified as provided in this subdivision. The report must list separately those voters who
149.2 have submitted a voter registration application by mail and have not voted in a federal
149.3 election in this state.

149.4 (e) The county auditor shall compile a list of voters for whom the county auditor and
149.5 the secretary of state are unable to conclude that information on the voter registration
149.6 application and the corresponding information in the Department of Public Safety database
149.7 relate to the same person.

149.8 (f) The county auditor shall send a notice of incomplete registration to any voter whose
149.9 name appears on the list and change the voter's status to "~~incomplete.~~" "challenged." A voter
149.10 who receives a notice of incomplete registration from the county auditor may either provide
149.11 the information required to ~~complete the registration~~ clear the challenge at least 21 days
149.12 before the next election or at the polling place on election day.

149.13 Sec. 20. Minnesota Statutes 2022, section 201.13, subdivision 3, is amended to read:

149.14 Subd. 3. **Use of change of address system.** (a) At least once each month the secretary
149.15 of state shall obtain a list of individuals registered to vote in this state who have filed with
149.16 the United States Postal Service a change of their permanent address. The secretary of state
149.17 may also periodically obtain a list of individuals with driver's licenses or state identification
149.18 cards to identify those who are registered to vote who have applied to the Department of
149.19 Public Safety for a replacement driver's license or state identification card with a different
149.20 address, and a list of individuals for whom the Department of Public Safety received
149.21 notification of a driver's license or state identification card cancellation due to a change of
149.22 residency out of state. However, the secretary of state shall not load data derived from these
149.23 lists into the statewide voter registration system within the 47 days before the state primary
149.24 or 47 days before a November general election.

149.25 (b) If the address is changed to another address in this state, the secretary of state shall
149.26 locate the precinct in which the voter ~~resides~~ maintains residence, if possible. If the secretary
149.27 of state is able to locate the precinct in which the voter ~~resides~~ maintains residence, the
149.28 secretary must transmit the information about the changed address by electronic means to
149.29 the county auditor of the county in which the new address is located. For addresses for
149.30 which the secretary of state is unable to determine the precinct, the secretary may forward
149.31 information to the appropriate county auditors for individual review. If the voter has not
149.32 voted or submitted a voter registration application since the address change, upon receipt
149.33 of the information, the county auditor shall update the voter's address in the statewide voter
149.34 registration system. The county auditor shall mail to the voter a notice stating the voter's

150.1 name, address, precinct, and polling place, unless the voter's record is challenged due to a
150.2 felony conviction, noncitizenship, name change, incompetence, or a court's revocation of
150.3 voting rights of individuals under guardianship, in which case the auditor must not mail the
150.4 notice. The notice must advise the voter that the voter's voting address has been changed
150.5 and that the voter must notify the county auditor within 21 days if the new address is not
150.6 the voter's address of residence. The notice must state that it must be returned if it is not
150.7 deliverable to the voter at the named address.

150.8 (c) If the change of permanent address is to an address outside this state, the secretary
150.9 of state shall notify by electronic means the auditor of the county where the voter formerly
150.10 ~~resided~~ maintained residence that the voter has moved to another state. If the voter has not
150.11 voted or submitted a voter registration application since the address change, the county
150.12 auditor shall promptly mail to the voter at the voter's new address a notice advising the voter
150.13 that the voter's status in the statewide voter registration system will be changed to "inactive"
150.14 unless the voter notifies the county auditor within 21 days that the voter is retaining the
150.15 former address as the voter's address of residence, except that if the voter's record is
150.16 challenged due to a felony conviction, noncitizenship, name change, incompetence, or a
150.17 court's revocation of voting rights of individuals under guardianship, the auditor must not
150.18 mail the notice. If the notice is not received by the deadline, the county auditor shall change
150.19 the voter's status to "inactive" in the statewide voter registration system.

150.20 (d) If, in order to maintain voter registration records, the secretary of state enters an
150.21 agreement to share information or data with an organization governed exclusively by a
150.22 group of states, the secretary must first determine that the data security protocols are sufficient
150.23 to safeguard the information or data shared. If required by such an agreement, the secretary
150.24 of state may share the following data from the statewide voter registration system and data
150.25 released to the secretary of state under section 171.12, subdivision 7a:

150.26 (1) name;

150.27 (2) date of birth;

150.28 (3) address;

150.30 (5) the last four digits of an individual's Social Security number; and

150.31 (6) the date that an individual's record was last updated.

150.32 If the secretary of state enters into such an agreement, the secretary and county auditors
150.33 must process changes to voter records based upon that data in accordance with this section.

151.1 Except as otherwise provided in this subdivision, when data is shared with the secretary of
151.2 state by another state, the secretary of state must maintain the same data classification that
151.3 the data had while it was in the possession of the state providing the data.

173.13 absentee ballot rejection must contain the following information:

173.14 (1) the date on which the absentee ballot was rejected or, if the ballot was received after
173.15 the required deadline for submission, the date on which the ballot was received;

173.16 (2) the reason for rejection; and

173.21 **EFFECTIVE DATE.** This section is effective June 1, 2023.

173.22 Sec. 59. Minnesota Statutes 2022, section 203B.121, subdivision 3, is amended to read:

173.23 Subd. 3. **Record of voting.** (a) When applicable, the county auditor or municipal clerk
173.24 must immediately record that a voter's absentee ballot has been accepted. After the close

173.29 system.

173.30 (b) The roster must be marked, and a supplemental report of absentee voters who
173.31 submitted a voter registration application with their ballot must be created, no later than the

174.1 start of voting on election day to indicate the voters that have already cast a ballot at the
174.2 election. The roster may be marked either:

174.3 (1) by the county auditor or municipal clerk before election day;

174.4 (2) by the ballot board before election day; or

174.5 (3) by the election judges at the polling place on election day.

174.6 ~~The record of a voter whose absentee ballot was received after the close of business on~~
174.7 ~~the seventh day before the election is not required to be marked on the roster or contained~~
174.8 ~~in a supplemental report as required by this paragraph.~~

174.9 **EFFECTIVE DATE.** The amendment to paragraph (a) is effective June 1, 2023. The
174.10 amendment to paragraph (b) is effective the day following final enactment.

174.11 Sec. 60. Minnesota Statutes 2022, section 203B.121, subdivision 3, is amended to read:

174.12 Subd. 3. **Record of voting.** (a) When applicable, the county auditor or municipal clerk
174.13 must immediately record that a voter's absentee ballot has been accepted or that the voter

174.15 close of business on the ~~seventh~~ 19th day before the election, a voter whose record indicates
174.16 that an absentee ballot has been accepted or that the voter has cast an early ballot must not
174.17 be permitted to cast another ballot at that election. In a state primary, general, or state special
174.18 election for federal ~~or~~ state, or county office, the auditor or clerk must also record this
174.19 information in the statewide voter registration system.

174.20 (b) The roster must be marked, and a supplemental report of absentee and early voters
174.21 who submitted a voter registration application with their ballot must be created, no later
174.22 than the start of voting on election day to indicate the voters that have already cast a ballot
174.23 at the election. The roster may be marked either:

174.24 (1) by the county auditor or municipal clerk before election day;

174.25 (2) by the ballot board before election day; or

174.26 (3) by the election judges at the polling place on election day.

174.27 ~~The record of a voter whose absentee ballot was received after the close of business on~~
174.28 ~~the seventh day before the election is not required to be marked on the roster or contained~~
174.29 ~~in a supplemental report as required by this paragraph.~~

175.1 **EFFECTIVE DATE.** This section is effective upon the revisor of statutes' receipt of
175.2 the early voting certification and applies to elections held on or after January 1, 2024, or
175.3 the 85th day after the revisor of statutes receives the certification, whichever is later.

175.4 Sec. 61. Minnesota Statutes 2022, section 203B.121, subdivision 4, is amended to read:

175.5 Subd. 4. **Opening of envelopes.** After the close of business on the ~~seventh~~ 19th day
175.6 before the election, the ballots from secrecy envelopes within the signature envelopes marked
175.7 "Accepted" may be opened, duplicated as needed in the manner provided in section 206.86,
175.8 subdivision 5, initialed by the members of the ballot board, and deposited in the appropriate
175.9 ballot box. If more than one voted ballot is enclosed in the ballot envelope, the ballots must
175.10 be returned in the manner provided by section 204C.25 for return of spoiled ballots, and
175.11 may not be counted.

175.12 **EFFECTIVE DATE.** This section is effective June 1, 2023.

175.13 Sec. 62. Minnesota Statutes 2022, section 203B.16, subdivision 2, is amended to read:

175.14 Subd. 2. **Indefinite residence outside United States.** Sections 203B.16 to 203B.27
175.15 provide the exclusive voting procedure for United States citizens who are living indefinitely
175.16 outside the territorial limits of the United States who meet all the qualifications of an eligible
175.17 voter except residence in Minnesota, but who are authorized by federal law to vote in
175.18 Minnesota because they or, if they have never ~~resided~~ maintained residence in the United
175.19 States, a parent maintained residence in Minnesota for at least 20 days immediately prior
175.20 to their departure from the United States. Individuals described in this subdivision shall be
175.21 permitted to vote only for the offices of president, vice-president, senator in Congress, and
175.22 representative in Congress.

175.23 Sec. 63. Minnesota Statutes 2022, section 203B.21, subdivision 1, is amended to read:

175.24 Subdivision 1. **Form.** Absentee ballots under sections 203B.16 to 203B.27 shall conform
175.25 to the requirements of the Minnesota Election Law, except that modifications in the size or
175.26 form of ballots or envelopes may be made if necessary to satisfy the requirements of the
175.27 United States postal service. The return envelope must be designed in one of the following
175.28 ways:

175.29 (1) it must be of sufficient size to contain ~~an additional~~ a signature envelope that when
175.30 and when the return envelope is sealed, it conceals the signature, identification, and other
175.31 information; or

176.1 (2) it must be the signature envelope and provide an additional flap that when sealed,
176.2 conceals the signature, identification, and other information.

176.3 The flap or the ~~additional~~ return envelope must be perforated to permit election officials to
176.4 inspect the returned certificate for completeness or to ascertain other information at any
176.5 time after receiving the returned ballot without opening the ~~return~~ signature envelope.

176.6 Sec. 64. Minnesota Statutes 2022, section 203B.21, subdivision 3, is amended to read:

176.7 Subd. 3. **Back of ~~return~~ signature envelope.** On the back of the ~~return~~ signature envelope
176.8 a certificate shall appear with space for:

176.9 (1) the voter's address of present or former residence in Minnesota;

176.10 (2) the voter's current email address, if the voter has one;

176.11 (3) a statement indicating the category described in section 203B.16 to which the voter
176.12 belongs;

176.13 (4) a statement that the voter has not cast and will not cast another absentee ballot in the
176.14 same election or elections;

176.15 (5) a statement that the voter personally marked the ballots without showing them to
176.16 anyone, or if physically unable to mark them, that the voter directed another individual to
176.17 mark them; and

176.18 (6) the same voter's passport number, Minnesota driver's license or state identification
176.19 card number, or the last four digits of the voter's Social Security number as provided on the
176.20 absentee ballot application; if the voter does not have access to any of these documents, the
176.21 voter may attest to the truthfulness of the contents of the certificate under penalty of perjury.

176.22 The certificate shall also contain a signed oath in the form required by section 705 of
176.23 the Help America Vote Act, Public Law 107-252, which must read:

176.24 "I swear or affirm, under penalty of perjury, that:

176.25 I am a member of the uniformed services or merchant marine on active duty or an eligible
176.26 spouse or dependent of such a member; a United States citizen temporarily residing outside
176.27 the United States; or other United States citizen residing outside the United States; and I
176.28 am a United States citizen, at least 18 years of age (or will be by the date of the election),
176.29 and I am eligible to vote in the requested jurisdiction; I have not been convicted of a felony,
176.30 or other disqualifying offense, or been adjudicated mentally incompetent, or, if so, my voting
176.31 rights have been reinstated; and I am not registering, requesting a ballot, or voting in any
176.32 other jurisdiction in the United States except the jurisdiction cited in this voting form. In

177.1 voting, I have marked and sealed my ballot in private and have not allowed any person to
177.2 observe the marking of the ballot, except for those authorized to assist voters under state or
177.3 federal law. I have not been influenced.

177.4 The information on this form is true, accurate, and complete to the best of my knowledge.
177.5 I understand that a material misstatement of fact in completion of this document may
177.6 constitute grounds for a conviction for perjury."

177.7 Sec. 65. Minnesota Statutes 2022, section 203B.23, subdivision 2, is amended to read:

177.8 Subd. 2. **Duties.** (a) The absentee ballot board must examine all returned absentee ballot
177.9 envelopes for ballots issued under sections 203B.16 to 203B.27 and accept or reject the
177.10 absentee ballots in the manner provided in section 203B.24. If the certificate of voter
177.11 eligibility is not printed on the ~~return or administrative~~ signature envelope, the certificate
177.12 must be attached to the ballot ~~secreey~~ envelope.

177.13 (b) The absentee ballot board must immediately examine the ~~return~~ signature envelopes
177.14 or certificates of voter eligibility that are attached to the ballot envelopes and mark them
177.15 "accepted" or "rejected" during the 45 days before the election. If an envelope has been
177.16 rejected at least five days before the election, the ballots in the envelope must be considered
177.17 spoiled ballots and the official in charge of the absentee ballot board must provide the voter
177.18 with a replacement absentee ballot and ~~return envelope~~ envelopes in place of the spoiled
177.19 ballot.

177.20 (c) If a county has delegated the responsibility for administering absentee balloting to
177.21 a municipality under section 203B.05, accepted absentee ballots must be delivered to the
177.22 appropriate municipality's absentee ballot board. The absentee ballot board with the authority
177.23 to open and count the ballots must do so in accordance with section 203B.121, subdivisions
177.24 4 and 5.

177.25 Sec. 66. Minnesota Statutes 2022, section 203B.24, subdivision 1, is amended to read:

177.26 Subdivision 1. **Check of voter eligibility; proper execution of certificate.** Upon receipt
177.27 of an absentee ballot returned as provided in sections 203B.16 to 203B.27, the election
177.28 judges shall compare the voter's name with the names recorded under section 203B.19 in
177.29 the statewide registration system to insure that the ballot is from a voter eligible to cast an
177.30 absentee ballot under sections 203B.16 to 203B.27. The election judges shall mark the
177.31 signature envelope "Accepted" and initial or sign the signature envelope below the word
177.32 "Accepted" if the election judges are satisfied that:

178.1 (1) the voter's name and address on the signature envelope appears in substantially the
178.2 same form as on the application records provided to the election judges by the county auditor;

178.3 (2) the voter has signed the federal oath prescribed pursuant to section 705(b)(2) of the
178.4 Help America Vote Act, Public Law 107-252;

178.5 (3) the voter has set forth the same voter's passport number, or Minnesota driver's license
178.6 or state identification card number, or the last four digits of the voter's Social Security
178.7 number as submitted on the application, if the voter has one of these documents;

178.8 (4) the voter is not known to have died; and

178.9 (5) the voter has not already voted at that election, either in person or by absentee ballot.

178.10 If the identification number described in clause (3) does not match the number as
178.11 submitted on the application, the election judges must make a reasonable effort to satisfy
178.12 themselves through other information provided by the applicant, or by an individual
178.13 authorized to apply on behalf of the voter, that the ballots were returned by the same person
178.14 to whom the ballots were transmitted.

178.15 An absentee ballot cast pursuant to sections 203B.16 to 203B.27 may only be rejected
178.16 for the lack of one of clauses (1) to (5). In particular, failure to place the ballot within the
178.17 ~~secrecy~~ ballot envelope before placing it in the ~~outer white~~ signature envelope is not a reason
178.18 to reject an absentee ballot.

178.19 Election judges must note the reason for rejection on the back of the envelope in the
178.20 space provided for that purpose.

178.21 Failure to return unused ballots shall not invalidate a marked ballot, but a ballot shall
178.22 not be counted if the certificate on the ~~return~~ signature envelope is not properly executed.
178.23 In all other respects the provisions of the Minnesota Election Law governing deposit and
178.24 counting of ballots shall apply. Notwithstanding other provisions of this section, the counting
178.25 of the absentee ballot of a deceased voter does not invalidate the election.

178.26 Sec. 67. **[203B.29] TRANSMISSION OF BALLOTS UNDER CERTAIN**
178.27 **CIRCUMSTANCES.**

178.28 Subdivision 1. Emergency response providers. Any eligible Minnesota voter who is
178.29 a trained or certified emergency response provider or utility worker who is deployed in
178.30 response to any state of emergency declared by the President of the United States or any
178.31 governor of any state within the United States during the time period authorized by law for
178.32 absentee voting or on election day may request that ballots, instructions, and a certificate

179.1 of voter eligibility be transmitted to the voter electronically. Upon receipt of a properly
179.2 completed application requesting electronic transmission, the county auditor must
179.3 electronically transmit the requested materials to the voter. The county auditor is not required
179.4 to provide return postage to voters to whom ballots are transmitted electronically.

179.5 Subd. 2. **Reasonable accommodation for voter with disability.** Any eligible Minnesota
179.6 voter with a print disability, including any voter with disabilities that interfere with the
179.7 effective reading, writing, or use of printed materials, may request that ballots, instructions,
179.8 and a certificate of voter eligibility be transmitted to the voter electronically in an accessible
179.9 format that meets Election Assistance Commission minimum accessibility requirements.
179.10 Upon receipt of a properly completed application requesting electronic transmission, the
179.11 county auditor shall electronically transmit the requested materials to the voter. The county
179.12 auditor must also mail the voter materials required under section 203B.07.

179.13 Subd. 3. **Returning voted ballots.** A voter receiving a ballot electronically under
179.14 subdivision 1 or 2 must print and return the voter's voted ballot and the certificate of voter
179.15 eligibility to the county auditor in a sealed envelope. A voter must not return the ballot or
179.16 certificate of voter eligibility electronically. A ballot that is returned electronically must be
179.17 rejected and must not be counted.

179.18 Sec. 68. **[203B.30] PROCEDURES FOR EARLY VOTING.**

179.19 Subdivision 1. **Definition.** For purposes of this section, "early voting official" means
179.20 the county auditor, city clerk, a deputy of the auditor or clerk, or an election judge.

179.21 Subd. 2. **Voting procedure.** (a) When a voter appears in an early voting polling place,
179.22 the voter must state the voter's name, address, and, if requested, the voter's date of birth to
179.23 the early voting official. The early voting official must confirm that the voter's registration
179.24 is current in the statewide voter registration system and that the voter has not already cast
179.25 a ballot in the election. If the voter's status is challenged, the voter may resolve the challenge
179.26 as provided in section 204C.12. An individual who is not registered to vote or whose name
179.27 or address has changed must register in the manner provided in section 201.061, subdivision
179.28 3. A voter who has already cast a ballot in the election must not be provided with a ballot.

179.29 (b) Each voter must sign the certification provided in section 204C.10. The signature of
179.30 an individual on the voter's certificate and the issuance of a ballot to the individual is evidence
179.31 of the intent of the individual to vote at that election. After the voter signs the certification,
179.32 two early voting officials must initial the ballot and issue it to the voter. The voter must
179.33 immediately retire to a voting station or other designated location in the polling place to
179.34 mark the ballot. The voter must not take a ballot from the polling place. If the voter spoils

180.1 the ballot, the voter may return it to the early voting official in exchange for a new ballot.
180.2 After completing the ballot, the voter must deposit the ballot into the ballot counter and
180.3 ballot box. The early voting official must immediately record that the voter has voted in the
180.4 manner provided in section 203B.121, subdivision 3.

180.5 Subd. 3. **Processing of ballots.** The early voting officials must remove and secure ballots
180.6 cast during the early voting period following the procedures in section 203B.121, subdivision
180.7 5, paragraph (a). The absentee ballot board must count the ballots after the polls have closed
180.8 on election day following the procedures in section 203B.121, subdivision 5, paragraph (b).

180.9 **EFFECTIVE DATE.** This section is effective upon the revisor of statutes' receipt of
180.10 the early voting certification and applies to elections held on or after January 1, 2024, or
180.11 the 85th day after the revisor of statutes receives the certification, whichever is later.

180.12 Sec. 69. Minnesota Statutes 2022, section 204B.06, subdivision 1, is amended to read:

180.13 Subdivision 1. **Form of affidavit.** An affidavit of candidacy shall state the name of the
180.14 office sought and, except as provided in subdivision 4, shall state that the candidate:

180.15 (1) is an eligible voter;

180.16 (2) has no other affidavit on file as a candidate for any office at the same primary or
180.17 next ensuing general election, ~~except that a candidate for soil and water conservation district~~
180.18 ~~supervisor in a district not located in whole or in part in Anoka, Hennepin, Ramsey, or~~
180.19 ~~Washington County, may also have on file an affidavit of candidacy for mayor or council~~
180.20 ~~member of a statutory or home rule charter city of not more than 2,500 population contained~~
180.21 ~~in whole or in part in the soil and water conservation district or for town supervisor in a~~
180.22 ~~town of not more than 2,500 population contained in whole or in part in the soil and water~~
180.23 ~~conservation district as authorized by subdivision 9; and~~

180.24 (3) is, or will be on assuming the office, 21 years of age or more, and will have maintained
180.25 residence in the district from which the candidate seeks election for 30 days before the
180.26 general election.

180.27 An affidavit of candidacy must include a statement that the candidate's name as written
180.28 on the affidavit for ballot designation is the candidate's true name or the name by which the
180.29 candidate is commonly and generally known in the community.

180.30 An affidavit of candidacy for partisan office shall also state the name of the candidate's
180.31 political party or political principle, stated in three words or less.

181.1 Sec. 70. Minnesota Statutes 2022, section 204B.06, subdivision 1b, is amended to read:

181.2 Subd. 1b. **Address, electronic mail address, and telephone number.** (a) An affidavit
181.3 of candidacy must state a telephone number where the candidate can be contacted. An
181.4 affidavit must also state the candidate's or campaign's nongovernment issued electronic
181.5 mail address or an attestation that the candidate and the candidate's campaign do not possess
181.6 an electronic mail address. An affidavit must also state the candidate's address of residence
181.7 as determined under section 200.031, or at the candidate's request in accordance with
181.8 paragraph (c), the candidate's campaign contact address. The form for the affidavit of
181.9 candidacy must allow the candidate to request, if eligible, that the candidate's address of
181.10 residence be classified as private data, and to provide the certification required under
181.11 paragraph (c) for classification of that address.

181.12 (b) If an affidavit for an office where a residency requirement must be satisfied by the
181.13 close of the filing period is filed as provided by paragraph (c), the filing officer must, within
181.14 one business day of receiving the filing, determine whether the address provided in the
181.15 affidavit of candidacy is within the area represented by the office the candidate is seeking.
181.16 For all other candidates who filed for an office whose residency requirement must be satisfied
181.17 by the close of the filing period, a registered voter in this state may request in writing that
181.18 the filing officer receiving the affidavit of candidacy review the address as provided in this
181.19 paragraph, at any time up to one day after the last day for filing for office. If requested, the
181.20 filing officer must determine whether the address provided in the affidavit of candidacy is
181.21 within the area represented by the office the candidate is seeking. If the filing officer
181.22 determines that the address is not within the area represented by the office, the filing officer
181.23 must immediately notify the candidate and the candidate's name must be removed from the
181.24 ballot for that office. A determination made by a filing officer under this paragraph is subject
181.25 to judicial review under section 204B.44.

181.26 (c) If the candidate requests that the candidate's address of residence be classified as
181.27 private data, the candidate must list the candidate's address of residence on a separate form
181.28 to be attached to the affidavit. The candidate must also certify on the affidavit that either:
181.29 (1) a police report has been submitted or, an order for protection has been issued, or the
181.30 candidate has a reasonable fear in regard to the safety of the candidate or the candidate's
181.31 family; ~~or that~~ (2) the candidate's address is otherwise private pursuant to Minnesota law.
181.32 The address of residence provided by a candidate who makes a request for classification
181.33 on the candidate's affidavit of candidacy and provides the certification required by this
181.34 paragraph is classified as private data, as defined in section 13.02, subdivision 12, but may
181.35 be reviewed by the filing officer as provided in this subdivision.

182.1 (d) The requirements of this subdivision do not apply to affidavits of candidacy for a
182.2 candidate for: (1) judicial office; (2) the office of county attorney; or (3) county sheriff.

182.3 Sec. 71. Minnesota Statutes 2022, section 204B.06, subdivision 4a, is amended to read:

182.4 Subd. 4a. **State and local offices.** Candidates who seek nomination for the following
182.5 offices shall state the following additional information on the affidavit:

182.6 (1) for governor or lieutenant governor, that on the first Monday of the next January the
182.7 candidate will be 25 years of age or older and, on the day of the state general election, a
182.8 resident of Minnesota for not less than one year;

182.9 (2) for supreme court justice, court of appeals judge, or district court judge, that the
182.10 candidate is learned in the law and will not turn 70 years of age before the first Monday in
182.11 January of the following year;

182.12 (3) for county, municipal, school district, or special district office, that the candidate
182.13 meets any other qualifications for that office prescribed by law;

182.14 (4) for senator or representative in the legislature, that on the day of the general or special
182.15 election to fill the office the candidate will have ~~resided~~ maintained residence not less than
182.16 one year in the state and not less than six months in the legislative district from which the
182.17 candidate seeks election.

182.18 Sec. 72. Minnesota Statutes 2022, section 204B.06, is amended by adding a subdivision
182.19 to read:

182.20 Subd. 9. **Multiple affidavits of candidacy.** Notwithstanding subdivision 1, clause (2):

182.21 (1) a candidate for soil and water conservation district supervisor in a district not located
182.22 in whole or in part in Anoka, Hennepin, Ramsey, or Washington County may also have on
182.23 file an affidavit of candidacy for:

182.24 (i) mayor or council member of a statutory or home rule charter city of not more than
182.25 2,500 population contained in whole or in part in the soil and water conservation district;
182.26 or

182.27 (ii) town supervisor in a town of not more than 2,500 population contained in whole or
182.28 in part in the soil and water conservation district; and

182.29 (2) a candidate for school board member may also have on file an affidavit of candidacy
182.30 for town board supervisor, unless that town board is exercising the powers of a statutory
182.31 city under section 368.01 or an applicable special law.

183.1 Sec. 73. Minnesota Statutes 2022, section 204B.071, is amended to read:

183.2 **204B.071 PETITIONS; RULES OF SECRETARY OF STATE.**

183.3 (a) The secretary of state shall adopt rules governing the manner in which petitions
183.4 required for any election in this state are circulated, signed, filed, and inspected. The secretary

192.28 to read:

192.29 **Subd. 2a. Procedure; voting on election day.** (a) The county auditor may make available
192.30 a ballot counter and ballot box for use during voting hours on election day by the voters
192.31 voting under this section. If a ballot counter and ballot box is provided on election day, a
192.32 voter must be given the option to either:

192.33 (1) vote using the procedures provided in subdivision 2; or

193.1 (2) vote in the manner provided in this subdivision.

193.2 (b) When a voter appears in the designated polling place, the voter must state the voter's
193.3 name, address, and, if requested, the voter's date of birth to the mail ballot voting official.
193.4 The mail ballot voting official must confirm that the voter's registration is current in the
193.5 statewide voter registration system and that the voter has not already cast a ballot in the
193.6 election. If the voter's status is challenged, the voter may resolve the challenge as provided
193.7 in section 204C.12. An individual who is not registered to vote or whose name or address
193.8 has changed must register in the manner provided in section 201.061, subdivision 3. A voter
193.9 who has already cast a ballot in the election must not be provided with a ballot.

193.10 (c) Each voter must sign the certification provided in section 204C.10. The signature of
193.11 an individual on the voter's certificate and the issuance of a ballot to the individual is evidence
193.12 of the intent of the individual to vote at that election. After signing the voter certification,
193.13 two mail ballot voting officials must initial the ballot and issue it to the voter, and the voter
193.14 must immediately retire to a voting station or other designated location in the polling place
193.15 to mark the ballot. The voter must not take the ballot from the polling place. If the voter
193.16 spoils the ballot, the voter may return it to the mail ballot voting official in exchange for a
193.17 new ballot. After completing the ballot, the voter must deposit the ballot into the ballot
193.18 counter and ballot box. The mail ballot voting official must immediately record that the
193.19 voter has voted in the manner provided in section 203B.121, subdivision 3.

193.20 (d) The mail ballot voting official must remove and secure the ballots following the
193.21 procedures in section 203B.121, subdivision 5, paragraph (a). The ballot board must count
193.22 the ballots after the polls have closed on election day following the procedures in section
193.23 203B.121, subdivision 5, paragraph (b).

193.24 (e) For purposes of this subdivision, "mail ballot voting official" means the county
193.25 auditor, the city clerk, a deputy of the auditor or clerk, or an election judge assigned by the
193.26 auditor or clerk.

193.27 Sec. 88. Minnesota Statutes 2022, section 204B.46, is amended to read:

193.29 A county, municipality, or school district submitting questions to the voters at a special
193.30 election may conduct an election by mail with no polling place other than the office of the
193.31 auditor or clerk. No offices may be voted on at a mail election, except in overlapping school
193.32 and municipal jurisdictions, where a mail election may include an office when one of the
193.33 jurisdictions also has a question on the ballot. Notice of the election must be given to the

194.1 county auditor at least 74 days prior to the election. This notice shall also fulfill the
194.2 requirements of Minnesota Rules, part 8210.3000. The special mail ballot procedures must
194.3 be posted at least six weeks prior to the election. Not more than 46 nor later than 14 days
194.4 prior to the election, the auditor or clerk shall mail ballots by nonforwardable mail to all
194.5 voters registered in the county, municipality, or school district. No later than 14 days before
194.6 the election, the auditor or clerk must make a subsequent mailing of ballots to those voters
194.7 who register to vote after the initial mailing but before the 20th day before the election.
194.8 Eligible voters not registered at the time the ballots are mailed may apply for ballots pursuant
194.9 to chapter 203B. The auditor or clerk must appoint a ballot board to examine the mail and
194.10 absentee ballot return envelopes and mark them "Accepted" or "Rejected" within three days
194.11 of receipt if there are 14 or fewer days before election day, or within five days of receipt if
194.12 there are more than 14 days before election day. The board may consist of deputy county
194.13 auditors, deputy municipal clerks, or deputy school district clerks who have received training
194.14 in the processing and counting of mail ballots, who need not be affiliated with a major
194.15 political party. Election judges performing the duties in this section must be of different
194.16 major political parties, unless they are exempt from that requirement under section 205.075,
194.17 subdivision 4, or section 205A.10. If an envelope has been rejected at least five days before
194.18 the election, the ballots in the envelope must remain sealed and the auditor or clerk must
194.19 provide the voter with a replacement ballot and return envelope in place of the spoiled ballot.

194.21 and the official in charge of the ballot board must attempt to contact the voter by telephone
194.22 or email to notify the voter that the voter's ballot has been rejected. The official must
194.23 document the attempts made to contact the voter.

194.24 If the ballot is accepted, the county auditor or municipal clerk must mark the roster to
194.25 indicate that the voter has already cast a ballot in that election. After the close of business
194.26 on the ~~seventh~~ 19th day before the election, the ballots from return envelopes marked
194.27 "Accepted" may be opened, duplicated as needed in the manner provided by section 206.86,
194.28 subdivision 5, initialed by the ballot board, and deposited in the appropriate ballot box.

194.29 In all other respects, the provisions of the Minnesota Election Law governing deposit
194.30 and counting of ballots apply.

194.31 The mail and absentee ballots for a precinct must be counted together and reported as
194.32 one vote total. No vote totals from ballots may be made public before the close of voting
194.33 on election day.

194.34 **EFFECTIVE DATE.** This section is effective June 1, 2023.

197.32 ballots delivered to the precinct;

198.1 (2) the number of votes each candidate received or the number of yes and no votes on

199.7 elections or, if a contest is filed, until the contest has been finally determined. Thereafter,
199.8 the record ~~shall~~ must be retained in the auditor's office for the same period as the ballots as
199.9 provided in section 204B.40.

199.10 (b) The county auditor ~~shall~~ must file all envelopes containing ballots in a safe place
199.11 with seals unbroken. If the envelopes ~~were previously~~ are opened by proper authority for

199.13 ~~shall~~ must have the envelopes sealed again and signed by the individuals who made the
199.14 inspection or recount. The envelopes may be opened by the county ~~canvassing board~~ auditor
199.15 if necessary to procure election returns that the election judges inadvertently may have
199.16 sealed in the envelopes with the ballots. In that case, the envelopes ~~shall~~ must be sealed

207.23 (2) permits every voter to vote for all candidates and questions for whom or upon which
207.24 the voter is legally entitled to vote;

208.7 available for use in any recount.

208.8 (b) An electronic voting system purchased on or after June 4, 2005, may not be employed
208.9 unless it:

208.10 (1) accepts and tabulates, in the polling place or at a counting center, a marked optical
208.11 scan ballot; or

208.12 (2) creates a ~~marked optical scan~~ ballot that can be tabulated in the polling place or at a
208.13 counting center by automatic tabulating equipment certified for use in this state and the
208.14 ballot is:

208.15 (i) a marked optical scan ballot; or

208.16 (ii) a marked paper ballot indicating, at a minimum, the date of the election; the name
208.17 of the precinct; an electronically readable precinct identifier or ballot style indicator; and

208.29 correctly mark ballots using all methods supported by the system, including through assistive
208.30 technology, and count the votes cast for all candidates and on all questions. Public notice
208.31 of the time and place of the test must be given at least two days in advance by publication
208.32 once in official newspapers. The test must be observed by at least two election judges, who

209.1 are not of the same major political party, and must be open to representatives of the political
209.2 parties, candidates, the press, and the public. The test must be conducted by (1) processing
209.3 a preaudited group of ballots punched or marked to record a predetermined number of valid
209.4 votes for each candidate and on each question, and must include for each office one or more
209.5 ballot cards which have votes in excess of the number allowed by law in order to test the
209.6 ability of the voting system tabulator and electronic ballot marker to reject those votes; and
209.7 (2) processing an additional test deck of ballots marked using the electronic ballot marker
209.8 for the precinct, including ballots marked using the electronic ballot display, audio ballot
209.9 reader, and any assistive voting technology used with the electronic ballot marker. If any
209.10 error is detected, the cause must be ascertained and corrected and an errorless count must
209.11 be made before the voting system may be used in the election. After the completion of the
209.12 test, the programs used and ballot cards must be sealed, retained, and disposed of as provided
209.13 for paper ballots.

209.14 Sec. 117. Minnesota Statutes 2022, section 206.845, subdivision 1, is amended to read:

209.19 electronic network, including a local area network, a wide-area network, the Internet, or the
209.20 World Wide Web. Wireless communications may not be used in any way in a vote recording
209.21 or vote tabulating system. Wireless, device-to-device capability is not permitted. No
209.22 connection by modem is permitted.

209.23 Transfer of information from the ballot recording or tabulating system to another system
209.24 for network distribution or broadcast must be made by disk, tape, or other physical means
209.25 of communication, other than direct or indirect electronic connection of the vote recording
209.26 or vote tabulating system. A county auditor or municipal clerk may not create or disclose,
209.27 or permit any other person to create or disclose, an electronic image of the hard drive of
209.28 any vote recording or tabulating system or any other component of an electronic voting
209.29 system, except as authorized in writing by the secretary of state or for the purpose of
209.30 conducting official duties as expressly authorized by law.

209.31 **EFFECTIVE DATE.** This section is effective the day following final enactment.

210.1 Sec. 118. Minnesota Statutes 2022, section 206.845, is amended by adding a subdivision
210.2 to read:

210.3 Subd. 3. **Cast vote records.** After the municipal clerk or county auditor has received
210.4 data from automatic tabulating equipment, textual data from the file is public, with the
210.5 following exceptions, which are protected nonpublic data under section 13.02:

210.6 (1) data that indicate the date, time, or order in which a voter cast a ballot;

210.7 (2) data that indicate the method with which a voter cast a ballot;

210.8 (3) data files that do not include all ballots cast in a precinct;

210.9 (4) data files that provide data in the order it was generated; and

210.10 (5) data from precincts in which fewer than ten votes were cast.

210.11 Data stored as images are protected nonpublic data under section 13.02.

210.12 Sec. 119. Minnesota Statutes 2022, section 206.86, is amended by adding a subdivision
210.13 to read:

210.14 Subd. 5a. **Ballots in precincts with multiple styles of voting system.** In the event the
210.15 results of a precinct are subject to a recount under section 204C.35 or 204C.36, or are subject
210.16 to a postelection review under section 206.89, and a ballot format as provided in section
210.17 206.80, paragraph (b), clause (2), item (ii), was used by ten or fewer voters in the precinct,
210.18 the election judges from that precinct are not eligible to participate in conducting a recount
210.19 or postelection review in that precinct.

210.20 Sec. 120. Minnesota Statutes 2022, section 206.90, subdivision 10, is amended to read:

210.21 Subd. 10. **Counting write-in votes.** Notwithstanding section 204C.22, subdivision 4,
210.22 in precincts using optical scan voting systems, the ballot must be marked in the oval or other
210.23 target shape opposite the blank when a voter writes an individual's name on the line provided
210.24 for write-in votes in order to be counted. The judges shall count the write-in votes and enter
210.25 the number of those votes on forms provided for the purpose. When the write-in votes are
210.26 recorded on a medium that cannot be examined for write-in votes by the automatic tabulating
210.27 equipment or the automatic tabulating equipment does not reject, with respect to write-in
210.28 votes, all votes for an office or question when the number of votes cast on it exceeds the
210.29 number which the voter is entitled to count, all ballot envelopes or other medium on which
210.30 write-in votes have been recorded must be serially numbered, starting with the number one
210.31 and the same number must be placed on the ballot card of the voter. The judges shall compare

211.1 the write-in votes with the votes cast on the ballot card. If the total number of votes for any
211.2 office exceeds the number allowed by law, a notation to that effect must be entered on the
211.3 back of the ballot card and the card must be returned to the counting center in an envelope
211.4 marked "defective ballots"; however, valid votes on ballot cards containing invalid votes
211.5 must be counted as provided in section 206.86, subdivision 5.

211.6 When the write-in votes are recorded on ballot cards that can be examined for write-in
211.7 votes by the automatic tabulating equipment and the automatic tabulating equipment rejects
211.8 all votes for an office or question when the number of votes cast on it exceeds the number
211.9 which the voter is entitled to cast, the judges shall examine the ballot cards with write-in
211.10 votes and count the valid write-in votes.

211.11 Sec. 121. Minnesota Statutes 2022, section 207A.12, is amended to read:

211.12 **207A.12 CONDUCTING PRESIDENTIAL NOMINATION PRIMARY.**

211.13 (a) Except as otherwise provided by law, the presidential nomination primary must be
211.14 conducted, and the results canvassed and returned, in the manner provided by law for the
211.15 state primary.

211.16 (b) An individual seeking to vote at the presidential nomination primary must be
211.17 registered to vote pursuant to section 201.054, subdivision 1. The voter must request the
211.18 ballot of the party for whose candidate the individual wishes to vote. Notwithstanding section
211.19 204C.18, subdivision 1, the election judge must record in the polling place roster the name
211.20 of the political party whose ballot the voter requested. When posting voter history pursuant
211.21 to section 201.171, the county auditor must include the name of the political party whose
211.22 ballot the voter requested. The political party ballot selected by a voter is private data on
211.23 individuals as defined under section 13.02, subdivision 12, except as provided in section
211.24 201.091, subdivision 4a. A voter eligible to cast a ballot as provided in section 5B.06 must
211.25 be permitted to cast a ballot at the presidential nomination primary consistent with the
211.26 requirements of that section.

211.27 (c) Immediately after the state canvassing board declares the results of the presidential
211.28 nomination primary, the secretary of state must notify the chair of each party of the results.

211.29 (d) The results of the presidential nomination primary must bind the election of delegates
211.30 in each party.

212.1 Sec. 122. Minnesota Statutes 2022, section 207A.15, subdivision 2, is amended to read:

212.2 Subd. 2. **Reimbursable local expenses.** (a) The secretary of state ~~shall~~ must reimburse
212.3 the counties and municipalities for expenses incurred in the administration of the presidential
212.4 nomination primary from money contained in the presidential nomination primary elections
212.5 account. The following expenses are eligible for reimbursement: preparation and printing
212.6 of ballots; postage for absentee ballots; publication of ~~the sample ballot~~ notice to voters
212.7 pursuant to section 204D.16; preparation of polling places in an amount not to exceed \$150
212.8 per polling place; preparation of electronic voting systems in an amount not to exceed \$100
212.9 per precinct; compensation for temporary staff or overtime payments; salaries of election
212.10 judges; compensation of county canvassing board members; and other expenses as approved
212.11 by the secretary of state.

213.8 President by National Popular Vote governs the appointment of presidential electors, the
213.9 State Canvassing Board shall declare duly elected the candidates for presidential electors
213.10 and alternates identified in accordance with the provisions of that agreement. When it appears
213.11 that more than the number of persons to be elected as presidential electors or alternates have

213.13 shall decide by lot which of the persons shall be declared elected, except that if the Agreement

213.19 **PRESIDENT BY NATIONAL POPULAR VOTE.**

213.20 The Agreement Among the States to Elect the President by National Popular Vote is
213.21 enacted into law and entered into with all other states legally joining in it in substantially
213.22 the following form:

213.23 Article I - Membership

213.24 Any state of the United States and the District of Columbia may become a member of
213.25 this agreement by enacting this agreement.

213.26 Article II - Right of the People in Member States to
213.27 Vote for President and Vice President

213.28 Each member state shall conduct a statewide popular election for president and vice
213.29 president of the United States.

213.30 Article III - Manner of Appointing Presidential Electors in Member States

213.31 Prior to the time set by law for the meeting and voting by the presidential electors, the
213.32 chief election official of each member state shall determine the number of votes for each

214.1 presidential slate in each state of the United States and in the District of Columbia in which
214.2 votes have been cast in a statewide popular election and shall add such votes together to
214.3 produce a national popular vote total for each presidential slate. The chief election official
214.4 of each member state shall designate the presidential slate with the largest national popular
214.5 vote total as the national popular vote winner. The presidential elector certifying official of
214.6 each member state shall certify the appointment in that official's own state of the elector

214.14 day established by federal law for making a state's final determination conclusive as to the
214.15 counting of electoral votes by Congress. In event of a tie for the national popular vote
214.16 winner, the presidential elector certifying official of each member state shall certify the
214.17 appointment of the elector slate nominated in association with the presidential slate receiving
214.18 the largest number of popular votes within that official's own state. If, for any reason, the
214.19 number of presidential electors nominated in a member state in association with the national
214.20 popular vote winner is less than or greater than that state's number of electoral votes, the
214.21 presidential candidate on the presidential slate that has been designated as the national
214.22 popular vote winner shall have the power to nominate the presidential electors for that state
214.23 and that state's presidential elector certifying official shall certify the appointment of such
214.24 nominees. The chief election official of each member state shall immediately release to the
214.25 public all vote counts or statements of votes as they are determined or obtained. This article

214.28 of the electoral votes.

214.29 Article IV - Other Provisions

214.30 This agreement shall take effect when states cumulatively possessing a majority of the
214.31 electoral votes have enacted this agreement in substantially the same form and the enactments
214.32 by such states have taken effect in each state. Any member state may withdraw from this
214.33 agreement, except that a withdrawal occurring six months or less before the end of a
214.34 president's term shall not become effective until a president or vice president shall have
214.35 been qualified to serve the next term. The chief executive of each member state shall promptly

215.1 notify the chief executive of all other states of when this agreement has been enacted and
215.2 has taken effect in that official's state, when the state has withdrawn from this agreement,
215.3 and when this agreement takes effect generally. This agreement shall terminate if the electoral
215.4 college is abolished. If any provision of this agreement is held invalid, the remaining
215.5 provisions shall not be affected.

233.19 treasurer, principal campaign committee, political committee, political fund, or party unit,
233.20 as those terms are defined in this chapter. The board may only investigate an alleged violation

233.23 (2) discovers a potential violation as a result of an audit conducted by the board; or

233.24 (3) discovers a potential violation as a result of a staff review.

233.25 (b) When the board investigates the allegations made in a written complaint and the
233.26 investigation reveals other potential violations that were not included in the complaint, the
233.27 board may investigate the potential violations not alleged in the complaint only after making
233.28 a determination under paragraph (d) that probable cause exists to believe a violation that
233.29 warrants a formal investigation has occurred.

233.30 (c) Upon receipt of a written complaint filed with the board, the board chair or another
233.31 board member designated by the chair shall promptly make a determination as to whether

234.1 the complaint alleges a prima facie violation. If a determination is made that the complaint
234.2 does not allege a prima facie violation, the complaint shall be dismissed without prejudice
234.3 and the complainant and the subject of the complaint must be promptly notified of the
234.4 reasons the complaint did not allege a prima facie violation. The notice to the subject of the

234.12 (d) If a determination is made that the complaint alleges a prima facie violation, the
234.13 board shall, within ~~45~~ 60 days of the prima facie determination, make findings and

234.16 whom a complaint is filed must be given an opportunity to be heard by the board prior to
234.17 the board's determination as to whether probable cause exists to believe a violation that
234.18 warrants a formal investigation has occurred.

234.19 (e) Upon a determination by the board that probable cause exists to believe a violation
234.20 that warrants a formal investigation has occurred, the board must undertake an investigation
234.21 under subdivision 2 and must issue an order at the conclusion of the investigation, except
234.22 that if the complaint alleges a violation of section 10A.25 or 10A.27, the board must either
234.23 enter a conciliation agreement or make public findings and conclusions as to whether a

234.25 determination has been made. Prior to making findings and conclusions in an investigation,
234.26 the board must offer the subject of the complaint an opportunity to answer the allegations
234.27 of the complaint in writing and to appear before the board to address the matter. The deadline
234.28 for action on a written complaint, including but not limited to issuance of a probable cause
234.29 determination in accordance with paragraph (d), entering into a conciliation agreement, or

250.5 10,000 or more individuals" means:

250.6 (1) in the case of a communication transmitted by an FM radio broadcast station or
250.7 network, where the district lies entirely within the station's or network's protected or primary
250.8 service contour, that the population of the district is 10,000 or more;

250.9 (2) in the case of a communication transmitted by an FM radio broadcast station or
250.10 network, where a portion of the district lies outside of the protected or primary service
250.11 contour, that the population of the part of the district lying within the station's or network's
250.12 protected or primary service contour is 10,000 or more;

250.13 (3) in the case of a communication transmitted by an AM radio broadcast station or
250.14 network, where the district lies entirely within the station's or network's most outward service
250.15 area, that the population of the district is 10,000 or more;

250.16 (4) in the case of a communication transmitted by an AM radio broadcast station or
250.17 network, where a portion of the district lies outside of the station's or network's most outward
250.18 service area, that the population of the part of the district lying within the station's or
250.19 network's most outward service area is 10,000 or more;

250.20 (5) in the case of a communication appearing on a television broadcast station or network,
250.21 where the district lies entirely within the station's or network's Grade B broadcast contour,
250.22 that the population of the district is 10,000 or more;

250.23 (6) in the case of a communication appearing on a television broadcast station or network,
250.24 where a portion of the district lies outside of the Grade B broadcast contour:

250.25 (i) that the population of the part of the district lying within the station's or network's
250.26 Grade B broadcast contour is 10,000 or more; or

251.6 (c) A determination that a communication can be received by 10,000 or more individuals
251.7 based on the application of the formula in this section shall create a rebuttable presumption
251.8 that may be overcome by demonstrating that:

251.9 (1) one or more cable or satellite systems did not carry the network on which the
251.10 communication was publicly distributed at the time the communication was publicly
251.11 distributed; and

251.12 (2) applying the formula to the remaining cable and satellite systems results in a
251.13 determination that the cable network or systems upon which the communication was publicly
251.14 distributed could not be received by 10,000 individuals or more.

251.15 **Subd. 4. Direct costs of producing or airing electioneering communications.** "Direct

251.28 communication is publicly distributed, provided that the person making the electioneering
251.29 communication has made one or more disbursements, or has executed one or more contracts

252.14 of any broadcast, cable, or satellite television or radio station, unless such facilities are
252.15 owned or controlled by any political party, political committee, or candidate, provided that
252.16 a news story distributed through a broadcast, cable, or satellite television or radio station
252.17 owned or controlled by any political party, political committee, or candidate is not an
252.18 electioneering communication if the news story meets the requirements described in Code
252.19 of Federal Regulations, title 11, section 100.132(a) and (b);

252.20 (3) constitutes an expenditure or independent expenditure, provided that the expenditure

253.6 the identity of the candidate is otherwise apparent through an unambiguous reference such
253.7 as "the governor," "your legislator," or "the incumbent," or through an unambiguous reference
253.8 to the candidate's status as a candidate such as "the [political party] gubernatorial nominee"
253.9 or "the [political party] candidate for senate."

253.10 Subd. 11. **Targeted to the relevant electorate.** "Targeted to the relevant electorate"

275.31 (5) if the potential grantee is required to complete an audit under section 309.53,
275.32 subdivision 3, the potential grantee's most recent audit report performed by an independent
275.33 third party in accordance with generally accepted accounting principles; and

276.1 (6) certification, provided by the potential grantee, that none of its current principals
276.2 have been convicted of a felony financial crime in the last ten years. For this section, a
276.3 principal is defined as a public official, a board member, or staff with the authority to access
276.4 funds provided by this agency or determine how those funds are used.

276.5 Subd. 3. **Additional measures for some grantees.** The agency may require additional
276.6 information and may provide enhanced oversight for grantees that have not previously
276.7 received state or federal grants for similar amounts or similar duties and have not yet
276.8 demonstrated the ability to perform the duties required under the grant on the scale required.

276.9 Subd. 4. **Agency authority to not award grant.** (a) If, while performing the required
276.10 steps in subdivision 2 and pursuant to sections 16B.97, 16B.98, and 16B.991, the agency
276.11 requires additional information to determine whether there is a substantial risk that the
276.12 potential grantee cannot or would not perform the required duties of the grant agreement,
276.13 the agency must give the grantee 30 business days within which the grantee can respond to
276.14 the agency for the purpose of satisfying the agency's concerns or work with the agency to
276.15 develop a plan to satisfy the concerns.

276.16 (b) If, after performing the required steps in subdivision 2 and pursuant to sections
276.17 16B.97, 16B.98, and 16B.991, and after reviewing any additional requested information
276.18 from the grantee, the agency still has concerns that there is a substantial risk that a potential
276.19 grantee cannot or would not perform the required duties under the grant agreement, the
276.20 agency must either create a plan to satisfy remaining concerns with the grantee or must not
276.21 award the grant.

276.22 (c) If, pursuant to paragraphs (a) and (b), the agency does not award a competitive,
276.23 single-source, or sole-source grant, the agency must provide notification to the grantee and
276.24 the commissioner of administration of the determination. The notification to the grantee
276.25 must include the agency's reason for postponing or forgoing the grant, including information
276.26 sufficient to explain and support the agency's decision, and notify the applicant of the process
276.27 for contesting the agency's decision with the agency and the applicant's options under
276.28 paragraph (d). If the applicant contests the agency's decision no later than 15 business days
276.29 after receiving the notice, the agency must consider any additional written information
276.30 submitted by the grantee. The agency has 15 business days to consider this information,
276.31 during which the agency may reverse or modify the agency's initial decision to postpone
276.32 or forgo the grant.

277.1 (d) The final decision by an agency under paragraph (c) may be challenged as a contested
277.2 case under chapter 14. The contested case proceeding must be initiated within 30 business
277.3 days of the date of written notification of a final decision by the agency.

277.4 (e) If, pursuant to paragraphs (a) and (b), the agency does not award a legislatively named
277.5 grant, the agency must delay award of the grant until adjournment of the next regular or
277.6 special legislative session for action from the legislature. The agency must provide
277.7 notification to the potential grantee, the commissioner of administration, and the chairs and
277.8 ranking minority members of the Ways and Means Committee in the house of representatives
277.9 and the chairs and ranking minority members of the Finance Committee in the senate. The
277.10 notification to the grantee must include the agency's reason for postponing or forgoing the
277.11 grant, including information sufficient to explain and support the agency's decision and
277.12 notify the applicant of the process for contesting the agency's decision. If the applicant
277.13 contests the agency's decision no later than 15 business days after receiving the notice, the
277.14 agency must consider any additional written information submitted by the grantee. The
277.15 agency has 15 business days to consider this information, during which the agency may
277.16 reverse or modify the agency's initial decision to postpone or forgo the grant. The notification
277.17 to the commissioner of administration and legislators must identify the legislatively named
277.18 potential grantee and the agency's reason for postponing or forgoing the grant. After hearing
277.19 the concerns of the agency, the legislature may reaffirm the award of the grant or
277.20 reappropriate the funds to a different legislatively named grantee. Based on the action of
277.21 the legislature, the agency must award the grant to the legislatively named grantee. If the
277.22 legislature does not provide direction to the agency on the disposition of the grant, the funds
277.23 revert to the original appropriation source.

277.24 Subd. 5. **Authority to award subject to additional assistance and oversight.** An
277.25 agency that identifies an area of significant concern regarding an applicant's financial
277.26 standing or management may award a grant to the applicant if the agency provides or the
277.27 potential grantee otherwise obtains necessary technical assistance. If the agency cannot
277.28 provide and the grantee cannot otherwise reasonably obtain necessary technical assistance,
277.29 the agency may award the grant if the agency establishes additional requirements in the
277.30 grant agreement. Additional requirements may include but are not limited to enhanced
277.31 monitoring, additional reporting, or other reasonable requirements imposed by the agency
277.32 to protect the interests of the state.

277.33 Subd. 6. **Grants with Indian Tribes and bands.** Notwithstanding any other law, an
277.34 agency may not require an Indian Tribe or band to deny its sovereignty as a requirement or
277.35 condition of a grant with an agency.

278.1 **EFFECTIVE DATE.** This section is effective January 15, 2024, and applies to grants
278.2 issued on or after that date.

278.3 Sec. 12. Minnesota Statutes 2022, section 16B.991, is amended to read:

278.5 **Subdivision 1. Criminal conviction.** Each grant agreement subject to sections 16B.97
278.6 and 16B.98 must provide that the agreement will immediately be terminated if the recipient
278.7 is convicted of a criminal offense relating to a state grant agreement.

278.8 **Subd. 2. Authority.** A grant agreement must by its terms permit the commissioner to
278.9 unilaterally terminate the grant agreement prior to completion if the commissioner determines
278.10 that further performance under the grant agreement would not serve agency purposes or is
278.11 not in the best interests of the state.

278.12 Sec. 13. Minnesota Statutes 2022, section 116J.994, subdivision 3, is amended to read:

278.13 **Subd. 3. Subsidy agreement.** (a) A recipient must enter into a subsidy agreement with
278.14 the grantor of the subsidy that includes:

278.15 (1) a description of the subsidy, including the amount and type of subsidy, and type of
278.16 district if the subsidy is tax increment financing;

278.17 (2) a statement of the public purposes for the subsidy;

278.18 (3) measurable, specific, and tangible goals for the subsidy;

278.19 (4) a description of the financial obligation of the recipient if the goals are not met;

278.20 (5) a statement of why the subsidy is needed;

278.21 (6) a commitment to continue operations in the jurisdiction where the subsidy is used
278.22 for at least five years after the benefit date;

278.23 (7) the name and address of the parent corporation of the recipient, if any; and

278.24 (8) a list of all financial assistance by all grantors for the project.

278.25 (b) Business subsidies in the form of grants must be structured as forgivable loans and
278.26 are subject to the financial review under section 16B.981. For other types of business
278.27 subsidies, the agreement must state the fair market value of the subsidy to the recipient,
278.28 including the value of conveying property at less than a fair market price, or other in-kind
278.29 benefits to the recipient.

279.1 (c) If a business subsidy benefits more than one recipient, the grantor must assign a
279.2 proportion of the business subsidy to each recipient that signs a subsidy agreement. The
279.3 proportion assessed to each recipient must reflect a reasonable estimate of the recipient's
279.4 share of the total benefits of the project.

279.5 (d) The state or local government agency and the recipient must both sign the subsidy
279.6 agreement and, if the grantor is a local government agency, the agreement must be approved
279.7 by the local elected governing body, except for the St. Paul Port Authority and a seaway
279.8 port authority.

279.9 (e) Notwithstanding the provision in paragraph (a), clause (6), a recipient may be
279.10 authorized to move from the jurisdiction where the subsidy is used within the five-year
279.11 period after the benefit date if, after a public hearing, the grantor approves the recipient's
279.12 request to move. For the purpose of this paragraph, if the grantor is a state government
279.13 agency other than the Department of Iron Range Resources and Rehabilitation, "jurisdiction"
279.14 means a city or township.

279.15 **EFFECTIVE DATE.** This section is effective January 15, 2024, and applies to grants
279.16 issued on or after that date.

279.17 Sec. 14. **GRANTS ADMINISTRATION OVERSIGHT; FEASIBILITY STUDY.**

279.18 The commissioner of administration must assess the viability of implementing a single
279.19 grants management system for executive agencies. If the results of the study determine an
279.20 enterprise system is feasible, the study must further include:

279.21 (1) an analysis of available technology options;

279.22 (2) recommended changes to the state's organizational model, operational controls, and
279.23 processes;

279.24 (3) staffing and other resource needs;

279.25 (4) high level system requirements;

279.26 (5) estimated costs; and

279.27 (6) an implementation road map.

APPENDIX
Repealed Minnesota Statutes: H1830-4

1.135 STATE SEAL.

Subd. 3. **Design.** The design of the seal is as described in this subdivision.

(a) The seal is composed of two concentric borders. The outside forms the border of the seal and the inside forms the border for the illustrations within the seal. The area between the two borders contains lettering.

(b) The seal is two inches in diameter. The outside border has a radius of one inch and resembles the serrated edge of a coin. The width of the border is 1/16 of an inch.

(c) The inside border has a radius of three-fourths of an inch and is composed of a series of closely spaced dots measuring 1/32 of an inch in diameter.

(d) Within the area between the borders "The Great Seal of the State of Minnesota" is printed in capital letters. Under that is the date "1858" with two dagger symbols separating the date and the letters. The lettering is 14-point century bold.

(e) In the area within the inside border is the portrayal of an 1858 Minnesota scene made up of various illustrations that serve to depict a settler plowing the ground near the Falls of St. Anthony while he watches an Indian on horseback riding in the distance.

(f) For the purposes of description, when the area within the inside border is divided into quadrants, the following illustrations should be clearly visible in the area described.

(1) In the upper parts of quadrants one and two, the inscription "L'Etoile du Nord" is found on the likeness of a scroll whose length is equal to twice the length of the inscription, but whose ends are twice folded underneath and serve to enhance the inscription. The lettering is 7-point century bold.

(2) In quadrant two is found a likeness of a sun whose ambient rays form a background for a male Indian in loincloth and plume riding on horseback at a gallop. The Indian is sitting erect and is holding a spear in his left hand at an upward 60-degree angle to himself and is looking toward the settler in quadrant four.

(3) In quadrant one, three pine trees form a background for a picturesque resemblance of St. Anthony Falls in 1858.

(4) In quadrants three and four, cultivated ground is found across the lower half of the seal, which provides a background for the scenes in quadrants three and four.

(5) In quadrant three, a tree stump is found with an ax embedded in the stump and a period muzzleloader resting on it. A powder flask is hanging towards the end of the barrel.

(6) In quadrant four, a white barefoot male pioneer wearing clothing and a hat of that period is plowing the earth, using an animal-drawn implement from that period. The animal is not visible. The torso of the man continues into quadrant two, and he has his legs spread apart to simulate movement. He is looking at the Indian.

Subd. 5. **Historical symbolism of seal.** The sun, visible on the western horizon, signifies summer in the northern hemisphere. The horizon's visibility signifies the flat plains covering much of Minnesota. The Indian on horseback is riding due south and represents the great Indian heritage of Minnesota. The Indian's horse and spear and the Pioneer's ax, rifle, and plow represent tools that were used for hunting and labor. The stump symbolizes the importance of the lumber industry in Minnesota's history. The Mississippi River and St. Anthony Falls are depicted to note the importance of these resources in transportation and industry. The cultivated ground and the plow symbolize the importance of agriculture in Minnesota. Beyond the falls three pine trees represent the state tree and the three great pine regions of Minnesota; the St. Croix, Mississippi, and Lake Superior.

1.141 STATE FLAG.

Subd. 3. **Description.** The design of the flag shall conform substantially to the following description: The staff is surmounted by a bronze eagle with outspread wings; the flag is rectangular in shape and is on a medium blue background with a narrow gold border and a golden fringe. A circular emblem is contained in the center of the blue field. The circular emblem is on a general white background with a yellow border. The word MINNESOTA is inscribed in red lettering on the lower part of the white field. The white emblem background surrounding a center design contains 19 five pointed stars arranged symmetrically in four groups of four stars each and one group of three stars. The latter group is in the upper part of the center circular white emblem. The group of stars at the top in the white emblem consists of three stars of which the uppermost star is the largest

and represents the North Star. A center design is contained on the white emblem and is made up of the scenes from the Great Seal of the State of Minnesota, surrounded by a border of intertwining *Cypripedium reginae*, the state flower, on a blue field of the same color as the general flag background. The flower border design contains the figures 1819, 1858, 1893.

The coloring is the same on both sides of the flag, but the lettering and the figures appear reversed on one side.

Subd. 4. **Official flag.** The flag described above is the official flag of the state of Minnesota.

Subd. 6. **Folding of state flag for presentation or display.** The following procedures constitute the proper way to fold the Minnesota State Flag for presentation or display. Fold the flag four times lengthwise so that one section displays the three stars of the state crest and the text "L'Etoile du Nord." Fold each side behind the displayed section at a 90-degree angle so that the display section forms a triangle. Take the section ending with the hoist and fold it at a 90-degree angle across the bottom of the display section and then fold the hoist back over so it is aligned with the middle of the display section. Fold the other protruding section directly upwards so that its edge is flush with the display section and then fold it upwards along a 45-degree angle so that a mirror of the display section triangle is formed. Fold the mirror section in half from the point upwards, then fold the remaining portion upwards, tucking it between the display section and the remainder of the flag.
