1.10 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

1.11 Section 1. Minnesota Statutes 2010, section 245A.03, is amended by adding a
1.12 subdivision to read:

1.13 Subd. 6a. **Adult foster care homes serving people with mental illness;**
1.14 **certification.** (a) The commissioner of human services shall develop an optional
1.15 certification process for adult foster care homes licensed under this chapter and Minnesota
1.16 Rules, parts 9555.5105 to 9555.6265, that serve people with mental illness where the
1.17 home is not the primary residence of the license holder. If an adult foster care license
1.18 holder becomes certified, the certification shall be included in the license information.
1.19 The certification process shall be developed with input from advocates, mental health
1.20 professionals, and adult foster care providers.

1.21 (b) As part of the certification process, the commissioner shall require that:

1.22 (1) staff working in the adult foster care home receive training on the following
1.23 topics:

1.24 (i) mental health diagnoses;

1.25 (ii) mental health crisis response and de-escalation techniques;

1.26 (iii) recovery from mental illness;

2.1 (iv) treatment options including evidence-based practices;
2.2 (v) medications and their side effects;
2.3 (vi) co-occurring substance abuse and health conditions; and
2.4 (vii) other topics as determined by the commissioner; and
2.5 (2) a mental health professional, as defined in section 245.462, subdivision 18,
2.6 provides oversight of the adult foster care home.

2.7 (c) The commissioner shall develop certification requirements by January 1, 2013.

2.8 Sec. 2. Minnesota Statutes 2010, section 245A.11, subdivision 2a, is amended to read:

2.9 Subd. 2a. **Adult foster care license capacity.** (a) The commissioner shall issue
2.10 adult foster care licenses with a maximum licensed capacity of four beds, including
2.11 nonstaff roomers and boarders, except that the commissioner may issue a license with a
2.12 capacity of five beds, including roomers and boarders, according to paragraphs (b) to (f).

2.13 (b) An adult foster care license holder may have a maximum license capacity of five
2.14 if all persons in care are age 55 or over and do not have a serious and persistent mental
2.15 illness or a developmental disability.

2.16 (c) The commissioner may grant variances to paragraph (b) to allow a foster care
2.17 provider with a licensed capacity of five persons to admit an individual under the age of 55
2.18 if the variance complies with section 245A.04, subdivision 9, and approval of the variance
2.19 is recommended by the county in which the licensed foster care provider is located.

2.20 (d) The commissioner may grant variances to paragraph (b) to allow the use of a fifth
2.21 bed for emergency crisis services for a person with serious and persistent mental illness
2.22 or a developmental disability, regardless of age, if the variance complies with section
2.23 245A.04, subdivision 9, and approval of the variance is recommended by the county in
2.24 which the licensed foster care provider is located.

2.25 (e) The commissioner may grant a variance to paragraph (b) to allow for the use of a
2.26 fifth bed for respite services, as defined in section 245A.02, for persons with disabilities,
2.27 regardless of age, if the variance complies with sections 245A.03, subdivision 7, and
2.28 245A.04, subdivision 9, and approval of the variance is recommended by the county in
2.29 which the licensed foster care provider is licensed. Respite care may be provided under
2.30 the following conditions:

2.31 (1) staffing ratios cannot be reduced below the approved level for the individuals
2.32 being served in the home on a permanent basis;

2.33 (2) no more than two different individuals can be accepted for respite services in
2.34 any calendar month and the total respite days may not exceed 120 days per program in
2.35 any calendar year;

3.1 (3) the person receiving respite services must have his or her bedroom, which could
3.2 be used for alternative purposes when not used as a respite bedroom, and cannot be the
3.3 room of another person who lives in the foster care home; and

3.4 (4) individuals living in the foster care home must be notified when the variance
3.5 is approved. The provider must give 60 days' notice in writing to the residents and their
3.6 legal representatives prior to accepting the first respite placement. Notice must be given to
3.7 residents at least two days prior to service initiation, or as soon as the license holder is
3.8 able if they receive notice of the need for respite less than two days prior to initiation,
3.9 each time a respite client will be served, unless the requirement for this notice is waived
3.10 by the resident or legal guardian.

3.11 ~~(e) If the 2009 legislature adopts a rate reduction that impacts providers of adult~~
3.12 ~~foster care services;~~ (f) The commissioner may issue an adult foster care license with a
3.13 capacity of five adults if the fifth bed does not increase the overall statewide capacity of
3.14 licensed adult foster care beds in homes that are not the primary residence of the license
3.15 holder, ~~over the licensed capacity in such homes on July 1, 2009,~~ as identified in a plan
3.16 submitted to the commissioner by the county, when the capacity is recommended by
3.17 the county licensing agency of the county in which the facility is located and if the
3.18 recommendation verifies that:

3.19 (1) the facility meets the physical environment requirements in the adult foster
3.20 care licensing rule;

3.21 (2) the five-bed living arrangement is specified for each resident in the resident's:

3.22 (i) individualized plan of care;

3.23 (ii) individual service plan under section 256B.092, subdivision 1b, if required; or

3.24 (iii) individual resident placement agreement under Minnesota Rules, part
3.25 9555.5105, subpart 19, if required;

3.26 (3) the license holder obtains written and signed informed consent from each
3.27 resident or resident's legal representative documenting the resident's informed choice
3.28 to remain living in the home and that the resident's refusal to consent would not have
3.29 resulted in service termination; and

3.30 (4) the facility was licensed for adult foster care before March 1, ~~2009~~ 2011.

3.31 ~~(f)~~ (g) The commissioner shall not issue a new adult foster care license under
3.32 paragraph ~~(e)~~ (f) after June 30, ~~2011~~ 2016. The commissioner shall allow a facility with
3.33 an adult foster care license issued under paragraph ~~(e)~~ (f) before June 30, ~~2011~~ 2016, to
3.34 continue with a capacity of five adults if the license holder continues to comply with the
3.35 requirements in paragraph ~~(e)~~ (f).

4.1 Sec. 3. Minnesota Statutes 2010, section 245A.11, subdivision 7, is amended to read:

4.2 Subd. 7. **Adult foster care; variance for alternate overnight supervision.** (a) The
4.3 commissioner may grant a variance under section 245A.04, subdivision 9, to rule parts
4.4 requiring a caregiver to be present in an adult foster care home during normal sleeping
4.5 hours to allow for alternative methods of overnight supervision. The commissioner may
4.6 grant the variance if the local county licensing agency recommends the variance and the
4.7 county recommendation includes documentation verifying that:

4.8 (1) the county has approved the license holder's plan for alternative methods of
4.9 providing overnight supervision and determined the plan protects the residents' health,
4.10 safety, and rights;

4.11 (2) the license holder has obtained written and signed informed consent from
4.12 each resident or each resident's legal representative documenting the resident's or legal
4.13 representative's agreement with the alternative method of overnight supervision; and

4.14 (3) the alternative method of providing overnight supervision, which may include
4.15 the use of technology, is specified for each resident in the resident's: (i) individualized
4.16 plan of care; (ii) individual service plan under section 256B.092, subdivision 1b, if
4.17 required; or (iii) individual resident placement agreement under Minnesota Rules, part
4.18 9555.5105, subpart 19, if required.

4.19 (b) To be eligible for a variance under paragraph (a), the adult foster care license
4.20 holder must not have had a ~~licensing action~~ conditional license issued under section
4.21 245A.06₂ or any other licensing sanction issued under section 245A.07 during the prior 24
4.22 months based on failure to provide adequate supervision, health care services, or resident
4.23 safety in the adult foster care home.

4.24 (c) A license holder requesting a variance under this subdivision to utilize
4.25 technology as a component of a plan for alternative overnight supervision may request
4.26 the commissioner's review in the absence of a county recommendation. Upon receipt of
4.27 such a request from a license holder, the commissioner shall review the variance request
4.28 with the county.

4.29 Sec. 4. Minnesota Statutes 2010, section 245A.11, subdivision 7a, is amended to read:

4.30 Subd. 7a. **Alternate overnight supervision technology; adult foster care license.**

4.31 (a) The commissioner may grant an applicant or license holder an adult foster care license
4.32 for a residence that does not have a caregiver in the residence during normal sleeping
4.33 hours as required under Minnesota Rules, part 9555.5105, subpart 37, item B, but uses
4.34 monitoring technology to alert the license holder when an incident occurs that may
4.35 jeopardize the health, safety, or rights of a foster care recipient. The applicant or license

5.1 holder must comply with all other requirements under Minnesota Rules, parts 9555.5105
5.2 to 9555.6265, and the requirements under this subdivision. The license printed by the
5.3 commissioner must state in bold and large font:

5.4 (1) that the facility is under electronic monitoring; and

5.5 (2) the telephone number of the county's common entry point for making reports of
5.6 suspected maltreatment of vulnerable adults under section 626.557, subdivision 9.

5.7 (b) Applications for a license under this section must be submitted directly to
5.8 the Department of Human Services licensing division. The licensing division must
5.9 immediately notify the host county and lead county contract agency and the host county
5.10 licensing agency. The licensing division must collaborate with the county licensing
5.11 agency in the review of the application and the licensing of the program.

5.12 (c) Before a license is issued by the commissioner, and for the duration of the
5.13 license, the applicant or license holder must establish, maintain, and document the
5.14 implementation of written policies and procedures addressing the requirements in
5.15 paragraphs (d) through (f).

5.16 (d) The applicant or license holder must have policies and procedures that:

5.17 (1) establish characteristics of target populations that will be admitted into the home,
5.18 and characteristics of populations that will not be accepted into the home;

5.19 (2) explain the discharge process when a foster care recipient requires overnight
5.20 supervision or other services that cannot be provided by the license holder due to the
5.21 limited hours that the license holder is on site;

5.22 (3) describe the types of events to which the program will respond with a physical
5.23 presence when those events occur in the home during time when staff are not on site, and
5.24 how the license holder's response plan meets the requirements in paragraph (e), clause
5.25 (1) or (2);

5.26 (4) establish a process for documenting a review of the implementation and
5.27 effectiveness of the response protocol for the response required under paragraph (e),
5.28 clause (1) or (2). The documentation must include:

5.29 (i) a description of the triggering incident;

5.30 (ii) the date and time of the triggering incident;

5.31 (iii) the time of the response or responses under paragraph (e), clause (1) or (2);

5.32 (iv) whether the response met the resident's needs;

5.33 (v) whether the existing policies and response protocols were followed; and

5.34 (vi) whether the existing policies and protocols are adequate or need modification.

5.35 When no physical presence response is completed for a three-month period, the
5.36 license holder's written policies and procedures must require a physical presence response

6.1 drill to be conducted for which the effectiveness of the response protocol under paragraph
6.2 (e), clause (1) or (2), will be reviewed and documented as required under this clause; and

6.3 (5) establish that emergency and nonemergency phone numbers are posted in a
6.4 prominent location in a common area of the home where they can be easily observed by a
6.5 person responding to an incident who is not otherwise affiliated with the home.

6.6 (e) The license holder must document and include in the license application which
6.7 response alternative under clause (1) or (2) is in place for responding to situations that
6.8 present a serious risk to the health, safety, or rights of people receiving foster care services
6.9 in the home:

6.10 (1) response alternative (1) requires only the technology to provide an electronic
6.11 notification or alert to the license holder that an event is underway that requires a response.
6.12 Under this alternative, no more than ten minutes will pass before the license holder will be
6.13 physically present on site to respond to the situation; or

6.14 (2) response alternative (2) requires the electronic notification and alert system
6.15 under alternative (1), but more than ten minutes may pass before the license holder is
6.16 present on site to respond to the situation. Under alternative (2), all of the following
6.17 conditions are met:

6.18 (i) the license holder has a written description of the interactive technological
6.19 applications that will assist the license holder in communicating with and assessing the
6.20 needs related to the care, health, and safety of the foster care recipients. This interactive
6.21 technology must permit the license holder to remotely assess the well being of the foster
6.22 care recipient without requiring the initiation of the foster care recipient. Requiring the
6.23 foster care recipient to initiate a telephone call does not meet this requirement;

6.24 (ii) the license holder documents how the remote license holder is qualified and
6.25 capable of meeting the needs of the foster care recipients and assessing foster care
6.26 recipients' needs under item (i) during the absence of the license holder on site;

6.27 (iii) the license holder maintains written procedures to dispatch emergency response
6.28 personnel to the site in the event of an identified emergency; and

6.29 (iv) each foster care recipient's individualized plan of care, individual service plan
6.30 under section 256B.092, subdivision 1b, if required, or individual resident placement
6.31 agreement under Minnesota Rules, part 9555.5105, subpart 19, if required, identifies the
6.32 maximum response time, which may be greater than ten minutes, for the license holder
6.33 to be on site for that foster care recipient.

6.34 (f) ~~Each foster care recipient's placement agreement, individual~~
6.35 ~~service agreements, and plans applicable to the foster care recipient agreement, and plan~~
6.36 must clearly state that the adult foster care license category is a program without the

7.1 presence of a caregiver in the residence during normal sleeping hours; the protocols in
7.2 place for responding to situations that present a serious risk to the health, safety, or rights
7.3 of foster care recipients under paragraph (e), clause (1) or (2); and a signed informed
7.4 consent from each foster care recipient or the person's legal representative documenting
7.5 the person's or legal representative's agreement with placement in the program. If
7.6 electronic monitoring technology is used in the home, the informed consent form must
7.7 also explain the following:

7.8 (1) how any electronic monitoring is incorporated into the alternative supervision
7.9 system;

7.10 (2) the backup system for any electronic monitoring in times of electrical outages or
7.11 other equipment malfunctions;

7.12 (3) how the ~~license holder is~~ caregivers are trained on the use of the technology;

7.13 (4) the event types and license holder response times established under paragraph (e);

7.14 (5) how the license holder protects the foster care recipient's privacy related to
7.15 electronic monitoring and related to any electronically recorded data generated by the
7.16 monitoring system. A foster care recipient may not be removed from a program under
7.17 this subdivision for failure to consent to electronic monitoring. The consent form must
7.18 explain where and how the electronically recorded data is stored, with whom it will be
7.19 shared, and how long it is retained; and

7.20 (6) the risks and benefits of the alternative overnight supervision system.

7.21 The written explanations under clauses (1) to (6) may be accomplished through
7.22 cross-references to other policies and procedures as long as they are explained to the
7.23 person giving consent, and the person giving consent is offered a copy.

7.24 (g) Nothing in this section requires the applicant or license holder to develop or
7.25 maintain separate or duplicative policies, procedures, documentation, consent forms, or
7.26 individual plans that may be required for other licensing standards, if the requirements of
7.27 this section are incorporated into those documents.

7.28 (h) The commissioner may grant variances to the requirements of this section
7.29 according to section 245A.04, subdivision 9.

7.30 (i) For the purposes of paragraphs (d) through (h), "license holder" has the meaning
7.31 under section 245A.2, subdivision 9, and additionally includes all staff, volunteers, and
7.32 contractors affiliated with the license holder.

7.33 (j) For the purposes of paragraph (e), the terms "assess" and "assessing" mean to
7.34 remotely determine what action the license holder needs to take to protect the well-being
7.35 of the foster care recipient.

8.1 (k) The commissioner shall evaluate license applications using the requirements
8.2 in paragraphs (d) to (f). The commissioner shall provide detailed application forms,
8.3 including a checklist of criteria needed for approval.

8.4 (l) To be eligible for a license under paragraph (a), the adult foster care license holder
8.5 must not have had a conditional license issued under section 245A.06 or any licensing
8.6 sanction under section 245A.07 during the prior 24 months based on failure to provide
8.7 adequate supervision, health care services, or resident safety in the adult foster care home.

8.8 (m) The commissioner shall review an application for an alternative overnight
8.9 supervision license within 60 days of receipt of the application. When the commissioner
8.10 receives an application that is incomplete because the applicant failed to submit required
8.11 documents or that is substantially deficient because the documents submitted do not meet
8.12 licensing requirements, the commissioner shall provide the applicant written notice
8.13 that the application is incomplete or substantially deficient. In the written notice to the
8.14 applicant, the commissioner shall identify documents that are missing or deficient and
8.15 give the applicant 45 days to resubmit a second application that is substantially complete.
8.16 An applicant's failure to submit a substantially complete application after receiving
8.17 notice from the commissioner is a basis for license denial under section 245A.05. The
8.18 commissioner shall complete subsequent review within 30 days.

8.19 (n) Once the application is considered complete under paragraph (m), the
8.20 commissioner will approve or deny an application for an alternative overnight supervision
8.21 license within 60 days.

8.22 (o) For the purposes of this subdivision, "supervision" means:

8.23 (1) oversight by a caregiver as specified in the individual resident's place agreement
8.24 and awareness of the resident's needs and activities; and

8.25 (2) the presence of a caregiver in a residence during normal sleeping hours, unless a
8.26 determination has been made and documented in the individual's support plan that the
8.27 individual does not require the presence of a caregiver during normal sleeping hours.

8.28 Sec. 5. Minnesota Statutes 2010, section 245B.06, subdivision 2, is amended to read:

8.29 Subd. 2. **Risk management plan.** (a) The license holder must develop, document
8.30 ~~in writing~~, and implement a risk management plan that meets the requirements of this
8.31 subdivision. License holders licensed under this chapter are exempt from sections
8.32 245A.65, subdivision 2, and 626.557, subdivision 14, if the requirements of this
8.33 subdivision are met.

8.34 (b) The risk management plan must identify areas in which the consumer is
8.35 vulnerable, based on an assessment, at a minimum, of the following areas:

9.1 (1) an adult consumer's susceptibility to physical, emotional, and sexual abuse as
 9.2 defined in section 626.5572, subdivision 2, and financial exploitation as defined in section
 9.3 626.5572, subdivision 9; a minor consumer's susceptibility to sexual and physical abuse as
 9.4 defined in section 626.556, subdivision 2; and a consumer's susceptibility to self-abuse,
 9.5 regardless of age;

9.6 (2) the consumer's ability to manage mental and physical health needs, considering
 9.7 the consumer's:

9.8 ~~physical~~ (i) mental health diagnosis and disabilities or sensory impairments and
 9.9 the ability to seek and use assistance, assistive technology, adaptive aids, or equipment;
 9.10 ~~allergies; sensory impairments~~

9.11 (ii) recognize and avoid allergens and manage allergic reactions;

9.12 (iii) manage seizures;

9.13 (iv) meet diet and nutritional needs, including eating without assistance and
 9.14 swallowing without choking; ~~need for~~

9.15 (v) self-administer and manage medications or treatment orders; ~~and ability to~~

9.16 (vi) obtain routine medical treatment; and

9.17 (vii) recognize, respond appropriately to, and report changes in physical and mental
 9.18 well-being;

9.19 (3) the consumer's safety ~~needs~~ skills in environments where the license holder
 9.20 serves the consumer, considering the consumer's ability to:

9.21 (i) take reasonable safety precautions to prevent falls, burns, or avoid hazards;

9.22 (ii) identify and use community survival skills to prevent becoming lost or seeking
 9.23 help when lost;

9.24 (iii) follow street safety rules;

9.25 (iv) use public transportation;

9.26 (v) drive or ride in a vehicle;

9.27 (vi) identify and follow water survival skills sufficient to avoid drowning or near
 9.28 drowning; ~~ability to~~

9.29 (vii) seek assistance with or ~~provide medical care~~ self-administer basic first aid;
 9.30 and ~~access to~~

9.31 (viii) recognize and handle or avoid toxic substances or dangerous items;

9.32 (4) ~~environmental issues~~ the consumer's ability to recognize and respond
 9.33 appropriately to unsafe or hazardous situations or conditions in the physical and social
 9.34 environment, considering the ~~program's location in a particular~~ consumer's ability to:

9.35 (i) access and participate in the neighborhood or community resources where the
 9.36 program is located; ~~the type of~~

10.1 (ii) maneuver around areas in the building where services are provided or on the
 10.2 grounds and terrain surrounding the building; and the consumer's ability to

10.3 (iii) respond to weather-related conditions, including dressing appropriately for
 10.4 the weather or seeking shelter;

10.5 (iv) open locked doors; to safely evacuate a room or building in an emergency; and

10.6 (v) remain alone in any environment; and

10.7 (5) the consumer's behavior, including when the license holder knows that the
 10.8 consumer has committed a violent crime or the consumer engages in behaviors that may
 10.9 increase the likelihood of physical aggression between consumers or sexual activity
 10.10 between consumers involving force or coercion, as defined under section 245B.02,
 10.11 subdivision 10, clauses (6) and (7), between consumers, or towards others. Under this
 10.12 clause, a license holder knows of a consumer's history of criminal misconduct or physical
 10.13 aggression if it receives such information from a law enforcement authority, through
 10.14 a medical record prepared by a health care provider, or the license holder's ongoing
 10.15 assessments of the consumer.

10.16 (c) When assessing a consumer's vulnerability, the license holder must consider only
 10.17 the consumer's skills and abilities, independent of staffing patterns, supervision plans, the
 10.18 environment, or other situational elements. License holders jointly providing services
 10.19 to a consumer shall coordinate and use the resulting assessment of risk areas for the
 10.20 development of each license holder's risk management or the shared risk management plan.

10.21 ~~(d) License holders jointly providing services to a consumer shall coordinate and use~~
 10.22 ~~the resulting assessment of risk areas for the development of each license holder's risk~~
 10.23 ~~management or the shared risk management plan. The license holder's license holder~~
 10.24 must develop a plan ~~must include~~ that identifies the specific actions a staff person will
 10.25 take and measures that will be taken to protect the consumer and minimize risks for the
 10.26 identified vulnerability areas within the scope of the licensed services. The plan must
 10.27 identify referrals made when the consumer is vulnerable to risks outside the scope or
 10.28 control of the licensed services.

10.29 (e) The specific actions must include the proactive measures being taken to reduce
 10.30 or minimize the risk, training being provided to the consumer to develop skills or abilities
 10.31 to avoid or respond to the risk as independently as possible, or a detailed description of
 10.32 actions a staff person will take when intervention is needed.

10.33 ~~(e)~~ (f) The specific actions must be developed according to the requirements
 10.34 of subdivision 1, paragraph (a). When the assessment indicates that the consumer is
 10.35 vulnerable but does not need specific risk reduction measures, the risk management

11.1 plan shall document this determination and why, at a minimum, proactive measures or
 11.2 consumer training are not needed.

11.3 (g) Prior to or upon initiating services, a license holder must develop an initial risk
 11.4 management plan that is, at a minimum, verbally approved by the consumer or consumer's
 11.5 legal representative and case manager. The license holder must document the date the
 11.6 license holder receives the consumer's or consumer's legal representative's and case
 11.7 manager's verbal approval of the initial plan.

11.8 ~~(f) As part of the meeting held~~ (h) Within 45 days of initiating service, ~~as required~~
 11.9 ~~under section 245B.06, subdivision 4,~~ the license holder must review the initial risk
 11.10 management plan for accuracy and revise the plan if necessary. The license holder must
 11.11 give the consumer or consumer's legal representative and case manager an opportunity to
 11.12 participate in this plan review. If the license holder revises the plan, or if the consumer or
 11.13 consumer's legal representative and case manager have not previously signed and dated
 11.14 the plan, the license holder must obtain dated signatures to document the plan's approval.

11.15 ~~(g)~~ (i) After plan approval, the license holder must review the plan at least

17.35 the home or homes to receive a planned closure rate adjustment;

18.1 (2) the proposed timetable for any proposed closure, including the proposed dates
18.2 for announcement to residents, commencement of closure, and completion of closure;

18.15 (3) demonstrate that alternative placements will be developed based on individual
18.16 resident needs and applicable federal and state rules.

18.17 (b) The commissioner shall select proposals that best meet the criteria established
18.18 in this subdivision within the appropriations made available for planned closure of adult
18.19 foster care facilities. The commissioner shall notify providers of the selections made and
18.20 approved by the commissioner.

18.21 (c) For each proposal approved by the commissioner, a contract must be established
18.22 between the commissioner, the county of financial responsibility, and the participating
18.23 provider.

18.24 **Subd. 5. Adjustment to rates.** (a) For purposes of this section, the commissioner
18.25 shall establish an enhanced payment rate under section 256B.0913 to facilitate an orderly

18.33 Sec. 13. Minnesota Statutes 2010, section 256D.44, subdivision 5, is amended to read:

18.34 Subd. 5. **Special needs.** In addition to the state standards of assistance established in
18.35 subdivisions 1 to 4, payments are allowed for the following special needs of recipients of

19.1 Minnesota supplemental aid who are not residents of a nursing home, a regional treatment
19.2 center, or a group residential housing facility.

19.3 (a) The county agency shall pay a monthly allowance for medically prescribed
19.4 diets if the cost of those additional dietary needs cannot be met through some other
19.5 maintenance benefit. The need for special diets or dietary items must be prescribed by
19.6 a licensed physician. Costs for special diets shall be determined as percentages of the
19.7 allotment for a one-person household under the thrifty food plan as defined by the United
19.8 States Department of Agriculture. The types of diets and the percentages of the thrifty
19.9 food plan that are covered are as follows:

19.21 (10) hypoglycemic diet, 15 percent of thrifty food plan; or

19.22 (11) ketogenic diet, 25 percent of thrifty food plan.

19.23 (b) Payment for nonrecurring special needs must be allowed for necessary home
19.24 repairs or necessary repairs or replacement of household furniture and appliances using
19.25 the payment standard of the AFDC program in effect on July 16, 1996, for these expenses,
19.26 as long as other funding sources are not available.

19.27 (c) A fee for guardian or conservator service is allowed at a reasonable rate
19.28 negotiated by the county or approved by the court. This rate shall not exceed five percent
19.29 of the assistance unit's gross monthly income up to a maximum of \$100 per month. If the
19.30 guardian or conservator is a member of the county agency staff, no fee is allowed.

19.31 (d) The county agency shall continue to pay a monthly allowance of \$68 for
19.32 restaurant meals for a person who was receiving a restaurant meal allowance on June 1,
19.33 1990, and who eats two or more meals in a restaurant daily. The allowance must continue
19.34 until the person has not received Minnesota supplemental aid for one full calendar month
19.35 or until the person's living arrangement changes and the person no longer meets the criteria
19.36 for the restaurant meal allowance, whichever occurs first.

20.1 (e) A fee of ten percent of the recipient's gross income or \$25, whichever is less,
20.2 is allowed for representative payee services provided by an agency that meets the
20.3 requirements under SSI regulations to charge a fee for representative payee services. This
20.4 special need is available to all recipients of Minnesota supplemental aid regardless of
20.5 their living arrangement.

20.6 (f)(1) Notwithstanding the language in this subdivision, an amount equal to the
20.7 maximum allotment authorized by the federal Food Stamp Program for a single individual
20.8 which is in effect on the first day of July of each year will be added to the standards of
20.9 assistance established in subdivisions 1 to 4 for adults under the age of 65 who qualify
20.10 as shelter needy and are: (i) relocating from an institution, or an adult mental health
20.11 residential treatment program under section 256B.0622; (ii) eligible for the self-directed
20.12 supports option as defined under section 256B.0657, subdivision 2; or (iii) home and
20.13 community-based waiver recipients living in their own home or rented or leased apartment
20.14 which is not owned, operated, or controlled by a provider of service not related by blood
20.15 or marriage, unless allowed under paragraph (g).

20.16 (2) Notwithstanding subdivision 3, paragraph (c), an individual eligible for the
20.17 shelter needy benefit under this paragraph is considered a household of one. An eligible
20.18 individual who receives this benefit prior to age 65 may continue to receive the benefit
20.19 after the age of 65.

20.20 (3) "Shelter needy" means that the assistance unit incurs monthly shelter costs that
20.21 exceed 40 percent of the assistance unit's gross income before the application of this
20.22 special needs standard. "Gross income" for the purposes of this section is the applicant's or
20.23 recipient's income as defined in section 256D.35, subdivision 10, or the standard specified
20.24 in subdivision 3, paragraph (a) or (b), whichever is greater. A recipient of a federal or
20.25 state housing subsidy, that limits shelter costs to a percentage of gross income, shall not be
20.26 considered shelter needy for purposes of this paragraph.

20.27 (g) Notwithstanding this subdivision, to access housing and services as provided
20.28 in paragraph (f), the recipient may choose housing that may be owned, operated, or
20.29 controlled by the recipient's service provider. In a multifamily building ~~of four or more~~
20.30 ~~units, the maximum number of apartments that may be used by recipients of this program~~
20.31 ~~shall be 50 percent of the units in a building. This paragraph expires on June 30, 2012.~~
20.32 the service provider shall implement a plan with the recipient to transition the lease to
20.33 the recipient's name. Within two years of signing the initial lease, the service provider
20.34 shall transfer the lease entered into under this subdivision to the recipient. In the event the
20.35 landlord denies this transfer, the commissioner may approve an exception within sufficient
20.36 time to ensure the continued occupancy by the recipient.

21.1 Sec. 14. **INNOVATION TASK FORCE.**

21.2 (a) The commissioner of human services shall appoint members to the Innovation
21.3 Task Force to review and make recommendations on provider or lead agency initiated
21.4 pilot projects in home and community-based services for people with disabilities that

21.7 one person receiving disability services or a family member; one advocate for people with
21.8 disabilities; one representative from the Disability Law Center; one county representative;

21.10 representatives from the Department of Human Services, one from the mental health
21.11 division, one from the disability services division, and one from the licensing division.
21.12 Members of the task force shall serve three-year terms and shall not be reimbursed for
21.13 task force work or meetings.

21.14 (c) On January 1 and July 1 of each year, the commissioner shall issue a request for
21.15 proposals in the State Register for service providers or lead agencies to develop and
21.16 implement new models for residential services that support people with disabilities. The
21.17 task force shall review and recommend to the commissioner projects for implementation
21.18 twice per year.

21.19 (d) Each proposed pilot project must:

21.20 (1) spend no more in state and federal funding than is spent in total funding for the
21.21 affected service recipients;

21.22 (2) be two years in duration;

21.23 (3) have the informed consent of all affected recipients or their guardians;

21.24 (4) be based on recipients' individual needs and designed for specific quality
21.25 outcomes; and

21.26 (5) be evaluated by the task force after two years with recommendations to the
21.27 commissioner to either discontinue the pilot project or continue the pilot project with
21.28 no time limitation.

21.29 (e) The commissioner shall review the task force's recommendations for start-up or
21.30 continuation of pilot projects and may approve new and continued pilot projects twice
21.31 per year.
