5.18 Subdivision 1. **Registration required.** A person shall not act as a transferee, attempt to

5.26 issued, expires one year after it is issued, and may be renewed annually by the registrant
5.27 on or before the expiration date.

5.28 Subd. 3. **Application; surety bond.** (a) Each initial or renewal application must contain
5.29 a sworn certification by an owner; officer; director or manager of the applicant, if the
5.30 applicant is not a natural person; or by the applicant if the applicant is a natural person,
5.31 certifying that:

6.1 (1) the applicant has secured a surety bond payable to the state, has been issued a letter
6.2 of credit, or has posted a cash bond in the amount of \$50,000. The security device must be
6.3 in a form satisfactory to the secretary and must run to the state for the benefit of any payee
6.4 claimant to secure the faithful performance of the obligation of the structured settlement
6.5 purchase company under the law, and the secretary shall have no other duty than to receive
6.6 the sworn certification of surety bond; and

6.7 (2) the applicant shall comply with sections 549.30 to 549.41 when acting as a structured
6.8 settlement purchase company and filing structured settlement transfer proceedings.

6.9 (b) A surety bond, letter of credit, or cash bond obtained under this section must be
6.10 effective concurrently with the registration of the applicant and must remain in effect for
6.11 not less than three years after the expiration or termination of the registration. The surety
6.12 bond, letter of credit, or cash bond must be renewed each year as needed to keep it
6.13 continuously in effect when the registration of the applicant is renewed.

6.14 Subd. 4. **Postjudgment notice.** No later than ten days after a judgment is obtained
6.15 against a structured settlement purchase company by a payee, the structured settlement
6.16 purchase company shall file a notice with the secretary and, if applicable, the surety which
6.17 issued the surety bond used by the structured settlement purchase company to satisfy the
6.18 requirements under subdivision 3. The notice must contain:

6.19 (1) a copy of the judgment;

6.20 (2) the name and address of the judgment creditor; and

6.24 issued a surety bond used by a structured settlement purchase company to satisfy the
6.25 requirements under subdivision 3 must not be affected by a:

6.26 (1) breach of contract, breach of warranty, failure to pay a premium, or other act or
6.27 omission of the structured settlement purchase company; or

6.28 (2) insolvency or bankruptcy of the structured settlement purchase company.

6.29 (b) Except as otherwise provided in section 549.36, a transfer order signed by a court
6.30 of competent jurisdiction pursuant to section 549.40 constitutes a qualified order under
6.31 United States Code, title 26, section 5891. If a transferee to which the transfer order applies
6.32 is not registered as a structured settlement purchase company pursuant to this section at the

7.1 time the transfer order is signed, the transfer order does not constitute a qualified order
7.2 under United States Code, title 26, section 5891.

7.3 Subd. 6. **Cancellation or modification.** (a) A surety which issued a surety bond used
7.4 by a structured settlement purchase company to satisfy the requirements under subdivision
7.5 3 and the structured settlement purchase company which obtained the surety bond shall not
7.6 cancel or modify the surety bond during the term for which it is issued unless the surety or
7.7 the structured settlement purchase company provides written notice to the secretary at least
7.8 20 days before the effective date of the cancellation or modification.

7.9 (b) If a surety bond used by a structured settlement purchase company to satisfy the
7.10 requirements of subdivision 3 is modified so as to make the surety bond not comply with
7.11 any provision of sections 549.30 to 549.41, or the surety bond is canceled, the registration
7.12 of the structured settlement purchase company expires on the effective date of the
7.13 modification or cancellation unless a new surety bond, letter of credit, or cash bond which
7.14 complies with sections 549.30 to 549.41, is filed with the secretary on or before the effective
7.15 date of the modification or cancellation.

7.16 (c) A modification or cancellation of a surety bond used by a structured settlement
7.17 purchase company to satisfy the requirements of subdivision 3 does not affect any liability
7.18 of the bonded surety company incurred before the modification or cancellation of the surety
7.19 bond.

7.20 Subd. 7. **Exemptions.** (a) An assignee is not required to register as a structured settlement
7.21 purchase company to acquire structured settlement payment rights or to take security interest
7.22 in structured settlement payment rights that were transferred by the payee to a structured
7.23 settlement purchase company.

7.24 (b) An employee of a structured settlement purchase company, if acting on behalf of the
7.25 structured settlement purchase company in connection with a transfer, is not required to be
7.26 registered.

7.27 Subd. 8. **Fee.** \$700 shall be paid to the secretary of state at the time of making an initial
7.28 registration application and \$200 for a renewal under this section.

7.29 **EFFECTIVE DATE.** This section is effective January 1, 2023.

7.30 Sec. 24. **[549.36] PROHIBITED PRACTICES; PENALTIES.**

7.31 Subdivision 1. **Prohibited practices.** A transferee or structured settlement purchase
7.32 company and an employee or other representative of a transferee or structured settlement
7.33 purchase company shall not engage in the following actions:

8.1 (1) pursue or complete a transfer with a payee without complying with all applicable
8.2 provisions of sections 549.30 to 549.41;

8.3 (2) refuse or fail to fund a transfer after court approval of the transfer;

8.4 (3) acquire structured settlement payment rights from a payee without complying with
8.5 all applicable provisions of sections 549.30 to 549.41, including obtaining court approval
8.6 of the transfer;

8.7 (4) intentionally file a structured settlement transfer proceeding in any court other than
8.8 the court specified in section 549.40, unless the transferee is required to file in a different
8.9 court by applicable law;

8.10 (5) except as otherwise provided in this clause, pay a commission or finder's fee to any
8.11 person for facilitating or arranging a structured settlement transfer with a payee. The
8.12 provisions of this clause do not prevent a structured settlement purchase company from
8.13 paying:

8.14 (i) a salary, commission, or other compensation to a person who is an employee of a
8.15 structured settlement purchase company; or

8.16 (ii) routine transfer expenses to third parties, including, without limitation, court filing
8.17 fees, escrow fees, lien recordation fees, judgment and lien search fees, attorney fees, and
8.18 other similar fees relating to a transfer;

8.19 (6) attempt to coerce, bribe, or intimidate a payee seeking to transfer structured settlement
8.20 payment rights, including providing any gift, loan, extension of credit, advance, or other
8.21 forms of consideration paid to or given to the payee as an inducement to enter a transfer
8.22 agreement;

8.23 (7) attempt to defraud a payee or any party to a structured settlement transfer or any
8.24 interested party in a structured settlement transfer proceeding by any means including, but
8.25 not limited to, forgery or false identification;

8.26 (8) except as otherwise provided in this clause, intervene in a pending structured
8.27 settlement transfer proceeding if the transferee or structured settlement purchase company
8.28 is not a party to the proceeding or an interested party relative to the proposed transfer which
8.29 is the subject of the pending structured settlement transfer proceeding. The provisions of
8.30 this clause do not prevent a structured settlement purchase company from intervening in a
8.31 pending structured settlement transfer proceeding if the payee has signed a transfer agreement
8.32 with the structured settlement purchase company within 60 days before the filing of the
8.33 pending structured settlement transfer proceeding and the structured settlement purchase

9.1 company which filed the pending structured settlement transfer proceeding violated any
9.2 provision in sections 549.30 to 549.41 in connection with the proposed transfer that is the
9.3 subject of the pending structured settlement transfer proceeding;

9.4 (9) except as otherwise provided in this clause, knowingly contact a payee who has
9.5 signed a transfer agreement and is pursuing a proposed transfer with another structured
9.6 settlement purchase company for the purpose of inducing the payee into canceling the
9.7 proposed transfer or transfer agreement with the other structured settlement purchase
9.8 company if a structured settlement transfer proceeding has been filed by the other structured
9.9 settlement purchase company and is pending. The provisions of this clause do not apply if
9.10 no hearing has been held in the pending structured settlement transfer proceeding within
9.11 90 days after the filing of the pending structured settlement transfer proceeding;

9.12 (10) fail to dismiss a pending structured settlement transfer proceeding at the request of
9.13 the payee. A dismissal of a structured settlement proceeding after a structured settlement
9.14 purchase company has violated the provisions of this clause does not exempt the structured
9.15 settlement purchase company from any liability under this section;

9.16 (11) solicit a prospective payee through the conveyance of a document which resembles
9.17 a check or other form of payment;

9.18 (12) provide a transfer agreement or related document that purports to give the transferee
9.19 the first choice or option to purchase any remaining structured settlement payments rights
9.20 belonging to the payee which are not subject to the structured settlement transfer proceeding;
9.21 or

9.22 (13) communicate with a payee, a prospective payee, or a person associated with the
9.23 payee:

9.24 (i) after the payee, a prospective payee, or a person associated with the payee has informed
9.25 the structured settlement purchase company to cease further communication;

9.26 (ii) at any unusual time, or at a time that the structured settlement purchase company
9.27 knows is inconvenient to the consumer. In the absence of the structured settlement purchase
9.28 company's knowledge of circumstances to the contrary, a time before 8:00 a.m. and after
9.29 9:00 p.m. local time at the consumer's location is inconvenient. This clause will not apply
9.30 to any payee, prospective payee, or person associated with the payee who has opted in and
9.31 agreed to allow the structured settlement purchase company to contact the person when
9.32 necessary; or

10.1 (iii) repeatedly or continuously with intent to annoy, abuse, or harass a payee, prospective
10.2 payee, or a person associated with the payee.

10.3 **Subd. 2. Prohibitions regarding provision of independent professional advice. (a)**
10.4 A transferee or structured settlement purchase company and an employee or other
10.5 representative of a transferee or structured settlement purchase company shall not instruct
10.6 a payee to hire or directly refer a payee or a prospective payee to seek independent
10.7 professional advice from a specific person, except that a structured settlement purchase
10.8 company may refer a payee to a state or local referral service, bar association, legal aid, or
10.9 any other entity unrelated to the structured settlement purchase company.

10.10 (b) A person rendering independent professional advice to a payee or prospective payee
10.11 is not to be affected by whether a transfer occurs or does not occur and must not in any
10.12 manner be affiliated with, or compensated by the transferee or a structured settlement
10.13 purchase company unless ordered by the court.

10.14 **Subd. 3. Enforcement; remedies. (a)** A violation of this section is a deceptive practice
10.15 in violation of section 325F.69.

10.16 (b) A payee may file a motion in the district court in which the structured settlement
10.17 transfer proceeding was pending alleging a violation of this section and may pursue all
10.18 rights and remedies to which the payee may be entitled pursuant to sections 549.30 to 549.41,
10.19 or any other applicable law.

10.20 (c) A structured settlement purchase company may file a motion in district court in which
10.21 the structured settlement transfer proceeding was pending to enforce subdivision 1, clauses
10.22 (4), (6), and (8) to (10), and may pursue all remedies to which the structured settlement
10.23 purchase company may be entitled pursuant to sections 549.30 to 549.41, or any other
10.24 applicable law.

10.25 (d) If a court finds that a structured settlement purchase company or transferee is in
10.26 violation of this section, the court may:

10.27 (1) revoke the registration of the structured settlement purchase company;

10.28 (2) suspend the registration of the structured settlement purchase company for a period
10.29 to be determined at the discretion of the court;

10.30 (3) enjoin the structured settlement purchase company or transferee from filing new
10.31 structured settlement transfer proceedings in this state or otherwise pursuing transfers in
10.32 this state; and

10.33 (4) order other equitable relief as determined by the court.

11.1 Sec. 25. **[549.37] REQUIRED DISCLOSURES TO PAYEE.**

11.2 Not less than ten days before the date on which a payee signs a transfer agreement, the
11.3 transferee shall provide to the payee a separate disclosure statement, in bold type no smaller
11.4 than 14-point font, setting forth the following:

11.5 (1) the amounts and due dates of the structured settlement payments to be transferred;

11.6 (2) the aggregate amount of such payments;

11.7 (3) the discounted present value of the payments to be transferred, which must be
11.8 identified as the "calculation of current value of the transferred structured settlement payments
11.9 under federal standards for valuing annuities," and the amount of the applicable federal rate
11.10 used in calculating such discounted present value;

11.11 (4) the gross advance amount;

11.12 (5) an itemized list of all applicable transfer expenses, other than attorney fees and related
11.13 disbursements, payable in connection with the transferee's application for approval of the
11.14 transfer, and the transferee's best estimate of the amount of any such attorney fees and related
11.15 disbursements;

11.16 (6) the effective annual interest rate, which must be disclosed in a statement in the
11.17 following form: "On the basis of the net amount that you will receive from us and the
11.18 amounts and timing of the structured settlement payments that you are transferring to us,
11.19 you will, in effect be paying interest to us at a rate of percent per year.";

11.20 (7) the net advance amount;

11.21 (8) the quotient, expressed as a percentage, obtained by dividing the net payment amount
11.22 by the discounted present value of the payments;

11.23 (9) the amount of any penalties or liquidated damages payable by the payee in the event
11.24 of any breach of the transfer agreement by the payee;

11.25 (10) that the payee has the right to cancel the transfer agreement, without penalty or
11.26 further obligation, until the transfer is approved by the court;

11.27 (11) that the payee has the right to seek and receive independent professional advice
11.28 from an attorney, certified public accountant, actuary, or other licensed professional adviser
11.29 regarding the proposed transfer and should consider doing so before agreeing to the transfer
11.30 of any structured settlement payment rights. The notice must also contain: "It is prohibited
11.31 for us to refer you to a specific independent professional adviser. We may refer you to a

12.12 advance in a final court order based on express findings by the court that:

12.13 (1) the transfer is in the best interests of the payee, taking into account the welfare and
12.14 support of the payee's dependents, if any;

12.15 (2) the payee has been advised in writing by the transferee to seek independent
12.16 professional advice regarding the legal, tax, and financial implications of the transfer and

 13.21 accordance with the order approving the transfer and shall, as to all parties except the
 13.22 transferee or an assignee designated by the transferee, be discharged and released from any
 13.23 and all liability for the redirected payments and such discharge and release shall not be

 13.25 court order approving the transfer;

13.26 (2) the transferee is liable to the structured settlement obligor and the annuity issuer:

13.27 (i) if the transfer contravenes the terms of the structured settlement, for any taxes incurred
 13.28 by the structured settlement obligor or annuity issuer as a consequence of the transfer; and

13.29 (ii) for any other liabilities or costs, including reasonable costs and attorney fees, arising
 13.30 from compliance by the structured settlement obligor or annuity issuer with the court order

14.1 (3) neither the annuity issuer nor the structured settlement obligor may be required to

15.13 considered by the court, which must not be less than five days before the hearing.

15.14 Subd. 4. **Dismissal.** If the payee cancels a transfer agreement or if the transfer agreement
15.15 otherwise terminates, after an application for approval of a transfer of structured settlement
15.16 payment rights has been filed and before it has been granted or denied, the transferee must
15.17 promptly request the dismissal of the application.

15.18 **Sec. 29. [549.405] APPOINTMENT OF ATTORNEY ADVISER.**

15.19 Subdivision 1. **Discretionary appointment.** The court is authorized and may, in its
15.20 discretion, appoint an attorney to make an independent assessment and advise the court
15.21 whether the proposed transfer is in the best interest of the payee, taking into consideration
15.22 the payee's dependents, if any. The attorney may consult with a certified public accountant,
15.23 actuary, or other licensed professional adviser, if necessary. All costs and reasonable fees
15.24 for the appointed attorney shall be borne by the transferee, not to exceed \$2,000. The fee
15.25 shall be deposited with and disbursed to the attorney adviser by the court.

15.27 involving:

15.28 (1) a proposed transfer of a minor's structured settlement payments rights by a parent,

15.30 transfer is of direct benefit to the minor; or

15.31 (2) a proposed transfer of structured settlement payment rights involving a payee if it
15.32 appears to the court that the payee may suffer from a mental or cognitive impairment.

16.1 Subd. 3. **Required motion; mental or cognitive impairment of payee.** (a) The transferee
16.2 shall file a motion for the appointment of an attorney prior to a hearing on the proposed
16.3 transfer if the transferee:

16.4 (1) is aware that the underlying structured settlement arose from a case in which a finding
16.5 was made in a court record of a mental or cognitive impairment on the part of the payee;
16.6 or

16.7 (2) is aware of any other case in which a finding was made in a court record of a mental
16.8 or cognitive impairment on the part of the payee.

16.9 (b) In conjunction with the motion, the transferee shall provide to the court, either
16.10 in-camera or as directed by the court in a way to protect the privacy of the payee, any such
16.11 findings known to the transferee that describe the nature, extent, or consequences of the
16.12 payee's mental or cognitive impairment.

16.14 the court the attorney's assessment and advice at the hearing required under section 549.40,
16.15 subdivision 2, or at another time as directed by the court.

16.16 Subd. 5. **Applicability of other law.** Nothing in sections 549.30 to 549.41 affects the

16.26 party to confess judgment or consent to entry of judgment against the payee.

16.27 Subd. 3. **Life-contingent payments.** No transfer of structured settlement payment rights
16.28 shall extend to any payments that are life contingent unless, prior to the date on which the

17.4 of such transfer to satisfy the conditions of sections 549.30 to 549.41.

17.5 (b) Compliance with the requirements set forth in sections 549.30 to 549.41 are solely

17.7 and neither the structured settlement obligor nor the annuity issuer, if any, has any
17.8 responsibility for, or any liability arising from, noncompliance with such requirements or
17.9 failure to fulfill such conditions.
