68.14 including but not limited to the motor vehicle operator or occupants; and

68.15 (3) may only record or retain the data specified in clause (1), items (i) to (iii), if the
68.16 traffic safety camera system identifies an appropriate potential violation for review by a
68.17 traffic enforcement agent.

68.18 Subd. 16. **Data practices; destruction of data.** (a) Notwithstanding section 138.17,
68.19 and except as otherwise provided in this subdivision, data collected by a traffic safety camera

69.15 information on speeding, traffic-control signals, and other safety risks associated with speed
69.16 and speeding in work zones.

69.17 (d) The commissioner must establish an implementation schedule that begins
69.18 commencement of camera-based traffic enforcement on at least two, but no more than four,
69.19 trunk highway work zone segments by August 1, 2025. The commissioners may select
69.20 different trunk highway work zones. The commissioners must conduct the work zone pilot
69.21 project in geographically diverse areas and must consider traffic patterns, work zone accident
69.22 rates, historic speed enforcement and citation rates, and other factors to study further
69.23 deployment of speed camera systems in additional work zones.

69.24 (e) By July 1, 2025, the commissioners of transportation and public safety must establish
69.25 standards, schedules, curricula, and requirements for camera-based traffic enforcement in
69.26 a trunk highway work zone.

69.27 (f) The authority for the work zone pilot project is limited to August 1, 2025, to July 31,

70.12 enrolled in driver education programs offered at public schools, private schools, and
70.13 commercial driver training schools to require inclusion of a section on vulnerable road users
70.14 in the course of instruction. The instruction must include information on:

70.15 (1) the rights and responsibilities of vulnerable road users, as defined in section 169.011,

151.29 through its energy conservation and optimization plans approved by the commissioner of
151.30 commerce under section 216B.241 or an energy conservation and optimization plan filed

186.29 subdivision 4, paragraph (a).

186.30 (c) A person who provides or performs building construction or improvement services
186.31 in the course of the person's trade, business, occupation, or profession shall not:

186.32 (1) as a condition of payment for services provided or performed, require an individual
186.33 ~~through coercion, misrepresentation, or fraudulent means,~~ who is an employee pursuant to

188.6 or improvement services that are in the course of the person's trade, business, profession,
188.7 or occupation, classifies, represents, treats, reports, or discloses the individual as an
188.8 independent contractor, the person shall maintain, for at least three years, and in a manner
188.9 that may be readily produced to the commissioner upon demand, all the information and
188.10 documentation upon which the person based the determination that the individual met all
188.11 the requirements under subdivision 4, paragraph (a), at the time the individual was engaged
188.12 and at the time the services were provided or performed.

188.13 (g) The following damages and penalties may be imposed for a violation of this section:

188.27 to cooperate constitutes a separate violation.

188.28 (h) This section may be investigated and enforced under the commissioner's authority
188.29 under state law.

188.30 Subd. 13. **Rulemaking.** The commissioner may, in consultation with the commissioner
188.31 of revenue and the commissioner of employment and economic development, adopt, amend,
188.32 suspend, and repeal rules under the rulemaking provisions of chapter 14 that relate to the

189.1 commissioner's responsibilities under this section. ~~This subdivision is effective May 26,~~

189.10 that is applicable to returns audited or investigated under section 289A.35.

189.11 **EFFECTIVE DATE.** This section is effective July 1, 2024, except that the amendments
189.12 to subdivision 4 are effective for building construction or improvement services provided

189.18 **Subd. 2. Policy and statement of purpose.** It is the policy of the state of Minnesota to
189.19 prevent employers from misclassifying workers, because employee misclassification allows
189.20 an employer to illegally evade obligations under state labor, employment, and tax laws,
189.21 including but not limited to the laws governing minimum wage, overtime, unemployment
189.22 insurance, paid family medical leave, earned sick and safe time, workers' compensation

197.25 The commissioner shall respond in writing to requests for reconsideration made under

197.27 not stay a requirement to correct a violation as set forth in the notice of violation. After
197.28 reviewing the request for reconsideration, the commissioner may affirm, modify, or rescind
197.29 the notice of violation. The commissioner's response to a request for reconsideration is final

198.16 by the deadline stated in a final notice of violation issued under subdivision 6 or a final
198.17 administrative order issued under paragraph (a). Each day after the deadline during which
198.18 the violation remains uncorrected is a separate violation for purposes of calculating the
198.19 maximum monetary penalty amount.

198.20 (c) Upon the application of the commissioner, a district court shall find the failure of
198.21 any person to correct a violation as required by a final notice of violation issued under

220.15 Sec. 13. Minnesota Statutes 2023 Supplement, section 181.9447, subdivision 11, is amended
220.16 to read:

220.17 Subd. 11. **Confidentiality and nondisclosure.** (a) If, in conjunction with this section,

220.32 separate from the usual personnel files. At the request of the employee, the employer must

221.1 destroy or return the records required by sections 181.9445 to 181.9448 that are older than
221.2 three years prior to the current calendar year, unless state or federal law, rule, or regulation
221.3 requires the employer to retain such records.

221.4 (c) Employers may not discriminate against any employee based on records created for
221.5 the purposes of section 177.50 or sections 181.9445 to 181.9448.

221.6 **EFFECTIVE DATE.** This section is effective the day following final enactment.

221.7 Sec. 14. Minnesota Statutes 2023 Supplement, section 181.9447, is amended by adding
221.8 a subdivision to read:

221.9 Subd. 12. **Weather event exception.** Notwithstanding subdivision 1, an employee may
221.10 not use sick and safe time under the conditions in subdivision 1, clause (4), if:

221.11 (1) the employee's preassigned or foreseeable work duties during a public emergency
221.12 or weather event would require the employee to respond to the public emergency or weather
221.13 event;

221.14 (2) the employee is a firefighter; a peace officer subject to licensure under sections
221.15 626.84 to 626.863; a 911 telecommunicator as defined in section 403.02, subdivision 17c;
221.16 a guard at a correctional facility; or a public employee holding a commercial driver's license;

221.18 (3) one of the following two conditions are met:

221.19 (i) the employee is represented by an exclusive representative under section 179A.03,
221.20 subdivision 8, and the collective bargaining agreement or memorandum of understanding
221.21 governing the employee's position explicitly references section 181.9447, subdivision 1,
221.22 clause (4), and clearly and unambiguously waives application of that section for the
221.23 employee's position; or

221.24 (ii) the employee is not represented by an exclusive representative, the employee is
221.25 needed for the employer to maintain minimum staffing requirements, and the employer has
221.26 a written policy explicitly referencing section 181.9447, subdivision 1, clause (4), that is
221.27 provided to such employees in a manner that meets the requirements of other earned sick
221.28 and safe time notices under section 181.9447, subdivision 9.

222.1 Sec. 15. Minnesota Statutes 2023 Supplement, section 181.9448, subdivision 1, is amended
222.2 to read:

222.3 Subdivision 1. ~~No Effect on more generous sick and safe time policies.~~ (a) Nothing
222.4 in sections 181.9445 to 181.9448 shall be construed to discourage employers from adopting
222.5 or retaining earned sick and safe time policies that meet or exceed, and do not otherwise
222.6 conflict with, the minimum standards and requirements provided in sections 181.9445 to
222.7 181.9448. All paid time off and other paid leave made available to an employee by an
222.8 employer in excess of the minimum amount required in section 181.9446 for absences from
222.9 work due to personal illness or injury, but not including short-term or long-term disability
222.10 or other salary continuation benefits, must meet or exceed the minimum standards and
222.11 requirements provided in sections 181.9445 to 181.9448, except for section 181.9446. For
222.12 paid leave accrued prior to January 1, 2024, for absences from work due to personal illness
222.13 or injury, an employer may require an employee who uses such leave to follow the written
222.14 notice and documentation requirements in the employer's applicable policy or applicable
222.15 collective bargaining agreement as of December 31, 2023, in lieu of the requirements of
222.16 section 181.9447, subdivisions 2 and 3, provided that an employer does not require an
222.17 employee to use leave accrued on or after January 1, 2024, before using leave accrued prior
222.18 to that date.

222.19 (b) Nothing in sections 181.9445 to 181.9448 shall be construed to limit the right of
222.20 parties to a collective bargaining agreement to bargain and agree with respect to earned sick
222.21 and safe time policies or to diminish the obligation of an employer to comply with any
222.22 contract, collective bargaining agreement, or any employment benefit program or plan that
222.23 meets or exceeds, and does not otherwise conflict with, the minimum standards and
222.24 requirements provided in this section.

222.25 (c) Nothing in sections 181.9445 to 181.9448 shall be construed to preempt, limit, or
222.26 otherwise affect the applicability of any other law, regulation, requirement, policy, or
222.27 standard that provides for a greater amount, accrual, or use by employees of paid sick and
222.28 safe time or that extends other protections to employees.

222.29 (d) Nothing in sections 181.9445 to 181.9448 shall be construed or applied so as to
222.30 create any power or duty in conflict with federal law.

222.31 (e) Employers who provide earned sick and safe time to their employees under a paid
222.32 time off policy or other paid leave policy that may be used for the same purposes and under
222.33 the same conditions as earned sick and safe time, and that meets or exceeds, and does not

223.1 otherwise conflict with, the minimum standards and requirements provided in sections
223.2 181.9445 to 181.9448 are not required to provide additional earned sick and safe time.

223.3 (f) The provisions of sections 181.9445 to 181.9448 may be waived by a collective
223.4 bargaining agreement with a bona fide building and construction trades labor organization
223.5 that has established itself as the collective bargaining representative for the affected building
223.6 and construction industry employees, provided that for such waiver to be valid, it shall
223.7 explicitly reference sections 181.9445 to 181.9448 and clearly and unambiguously waive
223.8 application of those sections to such employees.

223.9 (g) The requirements of section 181.9447, subdivision 3, may be waived for paid leave
223.10 made available to an employee by an employer for absences from work in excess of the
223.11 minimum amount required in section 181.9446 through a collective bargaining agreement
223.12 with a labor organization that has established itself as the collective bargaining representative
223.13 for the employees, provided that for such waiver to be valid, it shall explicitly reference
223.14 section 181.9447, subdivision 3, and clearly and unambiguously waive application of that
223.15 subdivision to such employees.

223.16 (h) An individual provider, as defined in section 256B.0711, subdivision 1, paragraph
223.17 (d), who provides services through a consumer support grant under section 256.476,
223.18 consumer-directed community supports under section 256B.4911, or community first services
223.19 and supports under section 256B.85, to a family member who is a participant, as defined
223.20 in section 256B.0711, subdivision 1, paragraph (e), may individually waive the provisions
223.21 of sections 181.9445 to 181.9448 for the remainder of the participant's service plan year,
223.22 provided that the funds are returned to the participant's budget. Once an individual provider
223.23 has waived the provisions of sections 181.9445 to 181.9448, they may not accrue earned
223.24 sick and safe time until the start of the participant's next service plan year.

223.25 ~~(g)~~ (i) Sections 181.9445 to 181.9448 do not prohibit an employer from establishing a
223.26 policy whereby employees may donate unused accrued sick and safe time to another
223.27 employee.

223.28 ~~(h)~~ (j) Sections 181.9445 to 181.9448 do not prohibit an employer from advancing sick
223.29 and safe time to an employee before accrual by the employee.

223.30 **EFFECTIVE DATE.** This section is effective the day following final enactment, except
223.31 paragraph (a) is effective January 1, 2025.

224.1 Sec. 16. Minnesota Statutes 2023 Supplement, section 181.9448, subdivision 2, is amended
224.2 to read:

224.3 Subd. 2. **Termination; separation; transfer.** Sections 181.9445 to 181.9448 do not
224.4 require financial or other reimbursement to an employee from an employer upon the
224.5 employee's termination, resignation, retirement, or other separation from employment for
224.6 accrued earned sick and safe time that has not been used. If an employee is transferred to
224.7 a separate division, entity, or location, but remains employed by the same employer, the
224.8 employee is entitled to all earned sick and safe time accrued at the prior division, entity, or
224.9 location and is entitled to use all earned sick and safe time as provided in sections 181.9445
224.10 to 181.9448. When there is a separation from employment and the employee is rehired
224.11 within 180 days of separation by the same employer, previously accrued earned sick and
224.12 safe time that had not been used or otherwise disbursed to the benefit of the employee upon
224.13 separation must be reinstated. An employee is entitled to use accrued earned sick and safe
224.14 time and accrue additional earned sick and safe time at the commencement of reemployment.

224.15 **EFFECTIVE DATE.** This section is effective the day following final enactment.

224.16 Sec. 17. Minnesota Statutes 2023 Supplement, section 181.9448, subdivision 3, is amended
224.17 to read:

224.18 Subd. 3. **Employer succession.** (a) When a different employer succeeds or takes the
224.19 place of an existing employer, all employees of the original employer who remain employed
224.20 by the successor employer are entitled to all earned sick and safe time accrued but not used
224.21 when employed by the original employer, and are entitled to use all earned sick and safe
224.22 time previously accrued but not used.

224.23 (b) ~~If, at the time of transfer of the business,~~ employees are terminated by the original
224.24 employer and hired within 30 days by the successor employer following the transfer employer
224.25 succession, those employees are entitled to all earned sick and safe time accrued but not
224.26 used when employed by the original employer, and are entitled to use all earned sick and
224.27 safe time previously accrued but not used.

224.28 **EFFECTIVE DATE.** This section is effective the day following final enactment.

241.22 some form of public assistance or other rehabilitative services in the absence of the award
241.23 of a contract to the vendor; or

241.24 (ii) if the vendor is a business providing construction services, has in its employ to deliver
241.25 the set-aside contract as many employees who would be eligible to receive some form of
241.26 public assistance or other rehabilitative services in the absence of the award of a contract
241.27 to the vendor as is practicable in consideration of industry safety standards, established
241.28 supervisory ratios for apprentices, and requirements for licensed persons to perform certain
241.29 work;

241.30 (2) the vendor has elected to apply to the board for a contract under the set-aside
241.31 provisions; and

241.32 (3) the vendor is able to perform the set-aside contract.

242.1 (d) The board shall publicize the provisions of the set-aside program, attempt to locate
242.2 vendors able to perform set-aside procurement contracts and otherwise encourage
242.3 participation therein.

242.4 Sec. 3. Minnesota Statutes 2022, section 462A.02, subdivision 10, is amended to read:

242.5 Subd. 10. **Energy conservation, decarbonization, and climate resilience.** It is further
242.6 declared that supplies of conventional energy resources are rapidly depleting in quantity
242.7 and rising in price and that the burden of these occurrences falls heavily upon the citizens
242.8 of Minnesota generally and persons of low and moderate income in particular. These
242.9 conditions are adverse to the health, welfare, and safety of all of the citizens of this state.
242.10 It is further declared that it is a public purpose to ensure the availability of financing to be
242.11 used by all citizens of the state, while giving preference to low and moderate income people,
242.12 to assist in the installation in their dwellings of reasonably priced energy conserving systems
242.13 including the use of alternative energy resources and equipment so that by the improvement
242.14 of the energy efficiency of, clean energy, greenhouse gas emissions reduction, climate
242.15 resiliency, and other qualified projects for all housing, the adequacy of the total energy
242.16 supply may be preserved for the benefit of all citizens.

242.17 Sec. 4. Minnesota Statutes 2023 Supplement, section 462A.05, subdivision 14, is amended
242.18 to read:

242.19 Subd. 14. **Rehabilitation loans.** It may agree to purchase, make, or otherwise participate
242.20 in the making, and may enter into commitments for the purchase, making, or participation
242.21 in the making, of eligible loans for rehabilitation, with terms and conditions as the agency
242.22 deems advisable, to persons and families of low and moderate income, and to owners of
242.23 existing residential housing for occupancy by such persons and families, for the rehabilitation
242.24 of existing residential housing owned by them. Rehabilitation may include the addition or
242.25 rehabilitation of a detached accessory dwelling unit. The loans may be insured or uninsured
242.26 and may be made with security, or may be unsecured, as the agency deems advisable. The
242.27 loans may be in addition to or in combination with long-term eligible mortgage loans under
242.28 subdivision 3. They may be made in amounts sufficient to refinance existing indebtedness
242.29 secured by the property, if refinancing is determined by the agency to be necessary to permit
242.30 the owner to meet the owner's housing cost without expending an unreasonable portion of
242.31 the owner's income thereon. No loan for rehabilitation shall be made unless the agency
242.32 determines that the loan will be used primarily to make the housing more desirable to live
242.33 in, to increase the market value of the housing, for compliance with state, county or municipal
242.34 building, housing maintenance, fire, health or similar codes and standards applicable to

243.1 housing, or to accomplish energy conservation ~~related improvements,~~ decarbonization,
243.2 climate resiliency, and other qualified projects. In unincorporated areas and municipalities
243.3 not having codes and standards, the agency may, solely for the purpose of administering
243.4 the provisions of this chapter, establish codes and standards. No loan under this subdivision
243.5 for the rehabilitation of owner-occupied housing shall be denied solely because the loan
243.6 will not be used for placing the owner-occupied residential housing in full compliance with
243.7 all state, county, or municipal building, housing maintenance, fire, health, or similar codes
243.8 and standards applicable to housing. Rehabilitation loans shall be made only when the
243.9 agency determines that financing is not otherwise available, in whole or in part, from private
243.10 lenders upon equivalent terms and conditions. Accessibility rehabilitation loans authorized
243.11 under this subdivision may be made to eligible persons and families without limitations
243.12 relating to the maximum incomes of the borrowers if:

243.13 (1) the borrower or a member of the borrower's family requires a level of care provided
243.14 in a hospital, skilled nursing facility, or intermediate care facility for persons with
243.15 developmental disabilities;

243.16 (2) home care is appropriate; and

243.17 (3) the improvement will enable the borrower or a member of the borrower's family to
243.18 reside in the housing.

243.19 The agency may waive any requirement that the housing units in a residential housing
243.20 development be rented to persons of low and moderate income if the development consists
243.21 of four or fewer dwelling units, one of which is occupied by the owner.

243.22 Sec. 5. Minnesota Statutes 2022, section 462A.05, subdivision 14a, is amended to read:

243.23 Subd. 14a. **Rehabilitation loans; existing owner-occupied residential housing.** It may
243.24 make loans to persons and families of low and moderate income to rehabilitate or to assist
243.25 in rehabilitating existing residential housing owned and occupied by those persons or
243.26 families. Rehabilitation may include replacement of manufactured homes. No loan shall be
243.27 made unless the agency determines that the loan will be used primarily for rehabilitation
243.28 work necessary for health or safety, essential accessibility improvements, or to improve the
243.29 energy efficiency of, clean energy, greenhouse gas emissions reductions, climate resiliency,
243.30 and other qualified projects in the dwelling. No loan for rehabilitation of owner-occupied
243.31 residential housing shall be denied solely because the loan will not be used for placing the
243.32 residential housing in full compliance with all state, county or municipal building, housing
243.33 maintenance, fire, health or similar codes and standards applicable to housing. The amount
243.34 of any loan shall not exceed the lesser of (a) a maximum loan amount determined under

244.1 rules adopted by the agency not to exceed \$37,500, or (b) the actual cost of the work
244.2 performed, or (c) that portion of the cost of rehabilitation which the agency determines
244.3 cannot otherwise be paid by the person or family without the expenditure of an unreasonable
244.4 portion of the income of the person or family. Loans made in whole or in part with federal
244.5 funds may exceed the maximum loan amount to the extent necessary to comply with federal
244.6 lead abatement requirements prescribed by the funding source. In making loans, the agency
244.7 shall determine the circumstances under which and the terms and conditions under which
244.8 all or any portion of the loan will be repaid and shall determine the appropriate security for
244.9 the repayment of the loan. Loans pursuant to this subdivision may be made with or without
244.10 interest or periodic payments.

244.11 Sec. 6. Minnesota Statutes 2022, section 462A.05, subdivision 14b, is amended to read:

244.12 Subd. 14b. **Energy conservation, decarbonization, and climate resiliency loans.** It
244.13 may agree to purchase, make, or otherwise participate in the making, and may enter into
244.14 commitments for the purchase, making, or participating in the making, of loans to persons
244.15 and families, without limitations relating to the maximum incomes of the borrowers, to
244.16 assist in energy conservation ~~rehabilitation measures~~, decarbonization, climate resiliency,
244.17 and other qualified projects for existing housing owned by those persons or families
244.18 including, but not limited to: weatherstripping and caulking; chimney construction or
244.19 improvement; furnace or space heater repair, cleaning or replacement; central air conditioner
244.20 installation, repair, maintenance, or replacement; air source or geothermal heat pump
244.21 installation, repair, maintenance, or replacement; insulation; windows and doors; and
244.22 structural or other directly related repairs or installations essential for energy conservation,
244.23 decarbonization, climate resiliency, and other qualified projects. Loans shall be made only
244.24 when the agency determines that financing is not otherwise available, in whole or in part,
244.25 from private lenders upon equivalent terms and conditions. Loans under this subdivision
244.26 or subdivision 14 may:

244.27 (1) be integrated with a utility's on-bill repayment program approved under section
244.28 216B.241, subdivision 5d; and

244.29 (2) also be made for the installation of on-site solar energy or energy storage systems.

244.30 Sec. 7. Minnesota Statutes 2022, section 462A.05, subdivision 15, is amended to read:

244.31 Subd. 15. **Rehabilitation grants.** (a) It may make grants to persons and families of low
244.32 and moderate income to pay or to assist in paying a loan made pursuant to subdivision 14,
244.33 or to rehabilitate or to assist in rehabilitating existing residential housing owned or occupied

245.1 by such persons or families. For the purposes of this section, persons of low and moderate
 245.2 income include administrators appointed pursuant to section 504B.425, paragraph (d). No
 245.3 grant shall be made unless the agency determines that the grant will be used primarily to
 245.4 make the housing more desirable to live in, to increase the market value of the housing or
 245.5 for compliance with state, county or municipal building, housing maintenance, fire, health
 245.6 or similar codes and standards applicable to housing, or to accomplish energy conservation
 245.7 ~~related improvements,~~ decarbonization, climate resiliency, or other qualified projects. In
 245.8 unincorporated areas and municipalities not having codes and standards, the agency may,
 245.9 solely for the purpose of administering this provision, establish codes and standards. No
 245.10 grant for rehabilitation of owner occupied residential housing shall be denied solely because
 245.11 the grant will not be used for placing the residential housing in full compliance with all
 245.12 state, county or municipal building, housing maintenance, fire, health or similar codes and
 245.13 standards applicable to housing. The amount of any grant shall not exceed the lesser of (a)
 245.14 \$6,000, or (b) the actual cost of the work performed, or (c) that portion of the cost of
 245.15 rehabilitation which the agency determines cannot otherwise be paid by the person or family
 245.16 without spending an unreasonable portion of the income of the person or family thereon.
 245.17 In making grants, the agency shall determine the circumstances under which and the terms
 245.18 and conditions under which all or any portion thereof will be repaid and shall determine the
 245.19 appropriate security should repayment be required.

245.20 (b) The agency may also make grants to rehabilitate or to assist in rehabilitating housing
 245.21 under this subdivision to persons of low and moderate income for the purpose of qualifying
 245.22 as foster parents.

245.23 Sec. 8. Minnesota Statutes 2022, section 462A.05, subdivision 15b, is amended to read:

245.24 Subd. 15b. **Energy conservation, decarbonization, and climate resiliency grants.** (a)
 245.25 It may make grants to assist in energy conservation ~~rehabilitation measures,~~ decarbonization,
 245.26 climate resiliency, and other qualified projects for existing owner occupied housing including,
 245.27 but not limited to: insulation, storm windows and doors, furnace or space heater repair,
 245.28 cleaning or replacement, chimney construction or improvement, weatherstripping and
 245.29 caulking, ~~and structural or other directly related repairs,~~ or installations essential for energy
 245.30 conservation, decarbonization, climate resiliency, and other qualified projects. The grant
 245.31 to any household shall not exceed \$2,000.

245.32 (b) To be eligible for an emergency energy conservation, decarbonization, and climate
 245.33 resiliency grant, a household must be certified as eligible to receive emergency residential
 245.34 heating assistance under either the federal or the state program, and either (1) have had a

246.1 heating cost for the preceding heating season that exceeded 120 percent of the regional
246.2 average for the preceding heating season for that energy source as determined by the
246.3 commissioner of employment and economic development, or (2) be eligible to receive a
246.4 federal energy conservation grant, but be precluded from receiving the grant because of a
246.5 need for directly related repairs that cannot be paid for under the federal program. The
246.6 Housing Finance Agency shall make a reasonable effort to determine whether other state
246.7 or federal loan and grant programs are available and adequate to finance the intended
246.8 improvements. An emergency energy conservation grant may be made in conjunction with
246.9 grants or loans from other state or federal programs that finance other needed rehabilitation
246.10 work. The receipt of a grant pursuant to this section shall not affect the applicant's eligibility
246.11 for other Housing Finance Agency loan or grant programs.

246.12 Sec. 9. Minnesota Statutes 2022, section 462A.05, subdivision 21, is amended to read:

246.13 Subd. 21. **Rental property loans.** The agency may make or purchase loans to owners
246.14 of rental property that is occupied or intended for occupancy primarily by low- and
246.15 moderate-income tenants and which does not comply with the standards established in
246.16 section 326B.106, subdivision 1, for the purpose of energy improvements, decarbonization,
246.17 climate resiliency, and other qualified projects necessary to bring the property into full or
246.18 partial compliance with these standards. For property which meets the other requirements
246.19 of this subdivision, a loan may also be used for moderate rehabilitation of the property. The
246.20 authority granted in this subdivision is in addition to and not in limitation of any other
246.21 authority granted to the agency in this chapter. The limitations on eligible mortgagors
246.22 contained in section 462A.03, subdivision 13, do not apply to loans under this subdivision.
246.23 Loans for the improvement of rental property pursuant to this subdivision may contain
246.24 provisions that repayment is not required in whole or in part subject to terms and conditions
246.25 determined by the agency to be necessary and desirable to encourage owners to maximize
246.26 rehabilitation of properties.

246.27 Sec. 10. Minnesota Statutes 2022, section 462A.05, subdivision 23, is amended to read:

246.28 Subd. 23. **Insuring financial institution loans.** The agency may participate in loans or

246.31 this or any other state or of the United States having an office in this state, to owners of
246.32 renter-occupied homes or apartments that do not comply with standards set forth in section
246.33 326B.106, subdivision 1, without limitations relating to the maximum incomes of the owners
246.34 or tenants. The proceeds of the insured portion of the loan must be used to pay the costs of

247.1 improvements, including all related structural and other improvements, that will reduce
247.2 energy consumption, that will decarbonize, and that will ensure the climate resiliency of
247.3 housing.

247.4 Sec. 11. Minnesota Statutes 2023 Supplement, section 462A.05, subdivision 45, is amended
247.5 to read:

247.9 Code, title 25, section 4103(22), eligible for agency funding ~~authorized under this chapter.~~

247.11 to read:

247.15 state law to align with federal rent or income limits in sections 42 and 142 of the Internal
247.16 Revenue Code of 1986, as amended. Adjustments made under this subdivision are exempt
247.17 from the rulemaking requirements of chapter 14.

247.18 Sec. 13. Minnesota Statutes 2022, section 462A.07, is amended by adding a subdivision
247.19 to read:

248.20 improvements shall include installation or upgrading of ceiling, wall, floor and duct
248.21 insulation, storm windows and doors, and caulking and weatherstripping. The improvements
248.22 shall not be inconsistent with the energy standards as promulgated as part of the State
248.23 Building Code; provided that the improvements need not bring the housing into full
248.24 compliance with the energy standards. Any loan for such purpose shall be made only upon
248.25 determination by the agency that such loan is not otherwise available, wholly or in part,
248.26 from private lenders upon equivalent terms and conditions. The agency may promulgate
248.27 rules as necessary to implement and make specific the provisions of this subdivision. The
248.28 rules shall be designed to permit the state, to the extent not inconsistent with this chapter,
248.29 to seek federal grants or loans for energy ~~purposes~~ decarbonization, climate resiliency, and
248.30 other qualified projects.

249.1 Sec. 16. Minnesota Statutes 2023 Supplement, section 462A.22, subdivision 1, is amended
249.2 to read:

270.16 amount necessary to increase the amount in the account or accounts established under that
270.17 paragraph to \$1,250,000. The amount calculated under the preceding sentence shall be
270.18 deducted from the amount available to counties for the purposes of certifying the amount
270.19 of aid to be paid to counties in the following year. By August 1 of each year, the
270.20 commissioner must certify the amount to be paid to each tier I city and county in the
270.21 following year. The commissioner must pay statewide local housing aid to tier I cities and

270.26 prior year to be necessary to increase the amount in the account or accounts established
270.27 under that paragraph to \$1,250,000.

270.28 (b) Beginning in 2025, aid recipients shall submit a report annually, no later than

270.33 subdivision 5, paragraph (b), ~~or~~ uses funds for a project that does not qualify under this
270.34 section, or if an aid recipient fails to meet the requirements of subdivision 5a, the Minnesota

271.1 Housing Finance Agency shall notify the Department of Revenue and the aid recipient must
271.2 repay funds under paragraph (c) by February 15 of the following year.

271.3 (c) By May 15, after receiving notice from the Minnesota Housing Finance Agency, an
271.4 aid recipient must pay to the Minnesota Housing Finance Agency funds the aid recipient

271.13 funds, or failed to report on its use of funds. A request to stop payment under this paragraph
271.14 must be submitted to the commissioner in the form and manner prescribed by the
271.15 commissioner on or before May 1 of the year prior to the aids payable year in which the
271.16 aid recipient wants the commissioner to stop payment of aid. The commissioner shall not
271.17 stop payment based on a request received after May 1 until aids payable based on certification
271.18 in the following calendar year.

271.19 (e) The commissioner may resume distributing funds to an aid recipient to which the
271.20 commissioner has stopped payments in the year following the August 1 after the Minnesota
271.21 Housing Finance Agency certifies that the city or county has submitted documentation of
271.22 plans for a qualifying project. The commissioner may resume distributing funds to an aid
271.23 recipient to which the commissioner has stopped payments at the request of the recipient
271.24 in the year following the August 1 after the Minnesota Housing Finance Agency certifies
271.25 that the recipient has submitted documentation of plans for a qualifying project.

271.26 (f) By June 1, any funds paid to the Minnesota Housing Finance Agency under paragraph
271.27 (c) must be deposited in the housing development fund. Funds deposited under this paragraph

271.33 by submitting an application under this subdivision. An eligible Tribal Nation which has

272.1 not received a distribution in a prior aids payable year may elect to begin participation in
 272.2 the program by submitting an application in the manner and form prescribed by the
 272.3 commissioner of revenue by January 15 of the aids payable year. In order to receive a
 272.4 distribution, an eligible Tribal Nation must certify to the commissioner of revenue the most
 272.5 recent estimate of the total number of enrolled members of the eligible Tribal Nation. The
 272.6 information must be annually certified by March 1 in the form prescribed by the
 272.7 commissioner of revenue. The commissioner of revenue must annually calculate and certify

294.14 driver containing the following information:

294.15 (1) the right to legally required minimum compensation under section 181C.03;

294.16 (2) the frequency and manner of a driver's pay;

294.17 (3) the rights and remedies available to a driver for a TNC's failure to comply with legal
294.18 obligations related to minimum compensation; and

294.19 (4) the driver's right to elect coverage of paid family and medical leave benefits, as
294.20 provided under chapter 268B.

294.21 (b) Notice under this subdivision must be provided in written plain language and made
294.22 available in English, Amharic, Arabic, Hmong, Oromo, Somali, and Spanish. TNCs operating
294.23 in Minnesota must consider updating the languages in which they offer the notice each year.

294.24 (c) The TNC must provide notice to a driver in writing or electronically of any changes
294.25 to the driver's compensation policy at least 48 hours before the date the changes take effect.

294.26 Subd. 2. **Assignment notice.** When a TNC alerts a driver of a possible assignment to
294.27 transport a rider, the ride offer must be available for sufficient time for the driver to review,
294.28 and the TNC must indicate:

294.29 (1) the estimated travel time and number of miles from the driver's current location to
294.30 the pickup location for P2;

294.31 (2) the estimated travel time and number of miles for the trip for P3; and

295.1 (3) the estimated total compensation, before any gratuity.

295.2 Subd. 3. **Daily trip receipt.** Within 24 hours of each trip completion, the TNC must
295.3 transmit a detailed electronic receipt to the driver containing the following information for
295.4 each unique trip or portion of a unique trip:

295.5 (1) the date, pickup, and drop-off locations. In describing the pickup and drop-off
295.6 locations, the TNC shall describe the location by indicating the specific block in which the
295.7 pick-up and drop-off occurred;

295.8 (2) the time and total mileage traveled from pick up to drop off of a rider or riders for
295.9 P3;

295.10 (3) the time and total mileage traveled from acceptance of the assignment to completion
295.11 for P2 and P3;

295.12 (4) total fare or fee paid by the rider or riders; and

295.13 (5) total compensation to the driver, specifying:

295.14 (i) any applicable rate or rates of pay, any applicable price multiplier, or variable pricing
295.15 policy in effect;

295.16 (ii) any gratuity; and

295.17 (iii) an itemized list of all tolls, fees, or other pass-throughs from the rider charged to
295.18 the driver.

295.19 Subd. 4. **Weekly summary.** Each week, a TNC must transmit a weekly summary to a
295.20 driver in writing or electronically containing the following information for the preceding
295.21 calendar week:

295.22 (1) total time the driver logged into the TNC application;

295.23 (2) total time and mileage for P2 and P3 segments;

295.24 (3) total fares or fees paid by riders; and

295.25 (4) total compensation to the driver, including any gratuities.

295.26 Subd. 5. **Record keeping.** TNCs must maintain the trip receipts and weekly summaries
295.27 required under this section for at least three years.

295.28 **EFFECTIVE DATE.** This section is effective December 1, 2024.

296.1 Sec. 4. [181C.03] MINIMUM COMPENSATION.

296.2 (a) Minimum compensation of a TNC driver under this paragraph must be adjusted
296.3 annually as provided under paragraph (f), and must be paid in a per minute, per mile format,
296.4 as follows:

296.5 (1) \$1.28 per mile and \$0.31 per minute for any transportation of a rider by a driver;

296.6 (2) if applicable, an additional \$0.91 per mile for any transportation of a rider by a driver
296.7 in a vehicle that is subject to the requirements in sections 299A.11 to 299A.17, regardless
296.8 of whether a wheelchair securement device is used;

296.9 (3) if a trip request is canceled by a rider or a TNC after the driver has already departed
296.10 to pick up a rider, 80 percent of any cancellation fee paid by the rider; and

296.11 (4) at minimum, compensation of \$5.00 for any transportation of a rider by a driver.

296.12 (b) A TNC must pay a driver the minimum compensation required under this section
296.13 over a reasonable earnings period not to exceed 14 calendar days. The minimum
296.14 compensation required under this section guarantees a driver a certain level of compensation
296.15 in an earnings period that cannot be reduced. Nothing in this section prevents a driver from
296.16 earning, or a TNC from paying, a higher level of compensation.

296.17 (c) Any gratuities received by a driver from a rider or riders are the property of the driver
296.18 and are not included as part of the minimum compensation required by this section. A TNC
296.19 must pay the applicable driver all gratuities received by the driver in an earnings period no
296.20 later than the driver's next scheduled payment.

296.21 (d) For each earnings period, a TNC must compare a driver's earnings, excluding
296.22 gratuities, against the required minimum compensation for that driver during the earnings
296.23 period. If the driver's earnings, excluding gratuities, in the earnings period are less than the
296.24 required minimum compensation for that earnings period, the TNC must include an additional
296.25 sum accounting for the difference in the driver's earnings and the minimum compensation
296.26 no later than during the next earnings period.

296.27 (e) A TNC that uses software or collection technology to collect fees or fares must pay
296.28 a driver the compensation earned by the driver, regardless of whether the fees or fares are
296.29 actually collected.

296.30 (f) Beginning January 1, 2027, and each January 1 thereafter, the minimum compensation
296.31 required under paragraph (a) must be adjusted annually by the same process as the statewide
296.32 minimum wage under section 177.24, subdivision 1.

297.1 **EFFECTIVE DATE.** This section is effective December 1, 2024.

297.2 Sec. 5. **[181C.04] DEACTIVATION.**

297.3 Subdivision 1. **Deactivation policy; requirements.** (a) A TNC must maintain a written
297.4 plain-language deactivation policy that provides the policies and procedures for deactivation.
297.5 The TNC must make the deactivation policy available online, through the TNC's digital
297.6 platform. Updates or changes to the policy must be provided to drivers at least 48 hours
297.7 before they go into effect.

297.8 (b) The deactivation policy must be provided in English, Amharic, Arabic, Hmong,
297.9 Oromo, Somali, and Spanish. TNCs operating in Minnesota must consider updating the
297.10 languages in which they offer the deactivation policy each year.

297.11 (c) The deactivation policy must:

297.12 (1) state that the deactivation policy is enforceable as a term of the TNC's contract with
297.13 a driver;

297.14 (2) provide drivers with a reasonable understanding of the circumstances that constitute
297.15 a violation that may warrant deactivation under the deactivation policy and indicate the
297.16 consequences known, including the specific number of days or range of days for a
297.17 deactivation if applicable;

297.18 (3) describe fair and reasonable procedures for notifying a driver of a deactivation and
297.19 the reason for the deactivation;

297.20 (4) describe fair, objective, and reasonable procedures and eligibility criteria for the
297.21 reconsideration of a deactivation decision and the process by which a driver may request a
297.22 deactivation appeal with the TNC, consistent with subdivision 5; and

297.23 (5) be specific enough for a driver to understand what constitutes a violation of the policy
297.24 and how to avoid violating the policy.

297.25 (d) Serious misconduct must be clearly defined in the TNC deactivation policy.

297.26 Subd. 2. **Prohibitions for deactivation.** A TNC must not deactivate a driver for:

297.27 (1) a violation not reasonably understood as part of a TNC's written deactivation policy;

297.28 (2) a driver's ability to work a minimum number of hours;

297.29 (3) a driver's acceptance or rejection of a ride, as long as the acceptance or rejection is
297.30 not for a discriminatory purpose;

298.1 (4) a driver's good faith statement regarding compensation or working conditions made
298.2 publicly or privately; or

298.3 (5) a driver asserting their legal rights under any local, state, or federal law.

298.4 Subd. 3. **Written notice and warning.** (a) The TNC must provide notice at the time of
298.5 the deactivation or, for deactivations based on serious misconduct, notice within three days
298.6 of the deactivation. A written notice must include:

298.7 (1) the reason for deactivation;

298.8 (2) anticipated length of the deactivation, if known;

298.9 (3) what day the deactivation started on;

298.10 (4) an explanation of whether or not the deactivation can be reversed and clear steps for
298.11 the driver to take to reverse a deactivation;

298.12 (5) instructions for a driver to challenge the deactivation and information on their rights
298.13 under the appeals process provided under subdivision 5; and

298.14 (6) a notice that the driver has a right to assistance and information on how to contact a
298.15 driver advocacy group as provided in subdivision 4 to assist in the deactivation appeal
298.16 process, including the telephone number and website information for one or more driver
298.17 advocacy groups.

298.18 (b) The TNC must provide a warning to a driver if the driver's behavior could result in
298.19 a future deactivation. A TNC does not need to provide a warning for behavior that constitutes
298.20 serious misconduct.

298.21 Subd. 4. **Driver advocacy organizations.** (a) A TNC must contract with a driver's
298.22 advocacy organization to provide services to drivers under this section. A driver advocacy
298.23 group identified in the notice must be an independent, not-for-profit organization operating
298.24 without excessive influence from the TNC. The TNC must not have any control or influence
298.25 over the day-to-day operations of the advocacy organization or the organization's staff or
298.26 management or have control or influence over who receives assistance on specific cases or
298.27 how assistance is provided in a case. The organization must have been established and
298.28 operating in Minnesota continuously for at least two years and be capable of providing
298.29 culturally competent driver representation services, outreach, and education.

298.30 (b) The driver advocacy groups must provide, at no cost to the drivers, assistance with:

298.31 (1) deactivation appeals;

299.1 (2) education and outreach to drivers regarding the drivers' rights and remedies available
299.2 to them under the law; and

299.3 (3) other technical or legal assistance on issues related to providing services for the TNC
299.4 and riders.

299.5 Subd. 5. **Request for appeal.** (a) The deactivation policy must provide the driver with
299.6 an opportunity to appeal the deactivation upon receipt of the notice and an opportunity to
299.7 provide information to support the request. An appeal process must provide the driver with
299.8 no less than 30 days from the date the notice was provided to the driver to appeal the
299.9 deactivation and allow the driver to have the support of an advocate or attorney.

299.10 (b) Unless the TNC or the driver requests an additional 15 days, a TNC must review
299.11 and make a final decision on the appeal within 15 days from the receipt of the requested
299.12 appeal and information to support the request. A TNC may use a third party to assist with
299.13 appeals.

299.14 (c) The TNC must consider any information presented by the driver under the appeal
299.15 process. For a deactivation to be upheld, there must be evidence under the totality of the
299.16 circumstances to find that it is more likely than not that a rule violation subjecting the driver
299.17 to deactivation has occurred.

299.18 (d) This section does not apply to deactivations for economic reasons or during a public
299.19 state of emergency that are not targeted at a particular driver or drivers.

299.20 (e) When an unintentional deactivation of an individual driver occurs due to a purely
299.21 technical issue and is not caused by any action or fault of the driver, the driver, upon request,
299.22 must be provided reasonable compensation for the period of time the driver was not able
299.23 to accept rides through the TNC capped at a maximum of 21 days. For the purposes of this
299.24 paragraph, "reasonable compensation" means compensation for each day the driver was
299.25 deactivated using the driver's daily average in earnings from the TNC for the 90 days prior
299.26 to the deactivation.

299.27 Subd. 6. **Prior deactivations.** Consistent with the deactivation policy created under this
299.28 section, a driver who was deactivated after January 1, 2021, but before November 1, 2024,
299.29 and who has not been reinstated may request an appeal of the deactivation under this section,
299.30 if the driver provides notice of the appeal within 90 days of the date of enactment. The TNC
299.31 may take up to 90 days to issue a final decision.

299.32 **EFFECTIVE DATE.** This section is effective December 1, 2024, and applies to
299.33 deactivations that occur on or after that date except as provided in subdivision 6.

300.1 Sec. 6. **[181C.05] ENFORCEMENT.**

300.2 (a) Except as provided under section 181C.06, the commissioner of labor and industry
300.3 has exclusive enforcement authority and may issue an order under section 177.27, subdivision
300.4 4, requiring a TNC to comply with sections 181C.02 and 181C.03 under section 177.27,
300.5 subdivision 4.

300.6 (b) A provision in a contract between a TNC and a driver that violates this chapter is
300.7 void and unenforceable. Unless a valid arbitration agreement exists under section 181C.08,
300.8 a driver may bring an action in district court seeking injunctive relief and any applicable
300.9 remedies available under the contract if a provision of a contract between a TNC and a
300.10 driver violates this chapter.

300.11 (c) A TNC must not retaliate against or discipline a driver for (1) raising a complaint
300.12 under this chapter, or (2) pursuing enactment or enforcement of this chapter. A TNC must
300.13 not give less favorable or more favorable rides to a driver for making public or private
300.14 comments supporting or opposing working conditions or compensation at a TNC.

300.15 Sec. 7. **[181C.06] DISCRIMINATION PROHIBITED.**

300.16 (a) A TNC must not discriminate against a TNC driver or a qualified applicant to become
300.17 a driver, due to race, national origin, color, creed, religion, sex, disability, sexual orientation,
300.18 marital status, or gender identity as provided under section 363A.11. Nothing in this section
300.19 prohibits providing a reasonable accommodation to a person with a disability, for religious
300.20 reasons, due to pregnancy, or to remedy previous discriminatory behavior.

300.21 (b) A TNC driver injured by a violation of this section is entitled to the remedies under
300.22 sections 363A.28 to 363A.35.

300.23 Sec. 8. **[181C.07] COLLECTIVE BARGAINING; EMPLOYMENT STATUS.**

300.24 Notwithstanding any law to the contrary, nothing in this chapter prohibits collective
300.25 bargaining or shall be construed to determine whether a TNC driver is an employee.

300.26 Sec. 9. **[181C.08] ARBITRATION; REQUIREMENTS.**

300.27 (a) A TNC must provide a driver with the option to opt out of arbitration. Upon a driver's
300.28 written election to pursue remedies through arbitration, the driver must not seek remedies
300.29 through district court based on the same alleged violation.

300.30 (b) The rights and remedies established in this chapter must be the governing law in an
300.31 arbitration between a driver operating in Minnesota and a TNC. The application of the rights

301.1 and remedies available under chapter 181C cannot be waived by a driver prior to or at the
301.2 initiation of an arbitration between a driver and a TNC. To the extent possible, a TNC shall
301.3 use Minnesota as the venue for arbitration with a Minnesota driver. If an arbitration cannot
301.4 take place in the state of Minnesota, the driver must be allowed to appear via phone or other
301.5 electronic means and apply the rights and remedies available under chapter 181C. Arbitrators
301.6 must be jointly selected by the TNC and the driver using the roster of qualified neutrals
301.7 provided by the Minnesota supreme court for alternative dispute resolution. Consistent with
301.8 the rules and guidelines provided by the American Arbitrators Association, if the parties
301.9 are unable to agree on an arbitrator through the joint selection process, the case manager
301.10 may administratively appoint the arbitrator or arbitrators.

301.11 (c) Contracts that have already been executed must have an addendum provided to each
301.12 driver that includes a copy of this chapter and notice that a driver may elect to pursue the
301.13 remedies provided in this chapter.

301.14 **Sec. 10. [181C.09] REVOCATION OF LICENSE.**

301.15 A local unit of government may refuse to issue a license or may revoke a license and
301.16 right to operate issued to a TNC by the local unit of government for a TNC's failure to
301.17 comply with the requirements of this chapter. Notwithstanding section 13.39, the
301.18 commissioner of labor and industry may provide data collected related to a compliance
301.19 order issued under section 177.27, subdivision 4, to a local unit of government for purposes
301.20 of a revocation under this section.

301.21 **Sec. 11. [181C.10] STATEWIDE REGULATIONS.**

301.22 Notwithstanding any other provision of law and except as provided in section 181C.09
301.23 no local governmental unit of this state may enact or enforce any ordinance, local law, or
301.24 regulation that: (1) regulates any matter relating to transportation network companies or
301.25 transportation network company drivers addressed in section 65B.472 or chapter 181C; or
301.26 (2) requires the provision of data related to section 65B.472 or chapter 181C.

301.27 **EFFECTIVE DATE.** This section is effective the day following final enactment. An
301.28 ordinance, local law, or regulation existing on that date that is prohibited under this section
301.29 is void and unenforceable as of that date.

301.30 **Sec. 12. APPROPRIATION.**

301.31 \$173,000 in fiscal year 2025 is appropriated from the general fund to the commissioner
301.32 of labor and industry for the purposes of enforcement, education, and outreach of Minnesota

302.1 Statutes, sections 181C.02 and 181C.03. Beginning in fiscal year 2026, the base amount is
302.2 \$123,000 each fiscal year.

302.3 **ARTICLE 18**

302.4 **TRANSFER CARE SPECIALISTS**

302.5 Section 1. Minnesota Statutes 2022, section 149A.01, subdivision 3, is amended to read:

302.6 Subd. 3. **Exceptions to licensure.** (a) Except as otherwise provided in this chapter,
302.7 nothing in this chapter shall in any way interfere with the duties of:

302.8 (1) an anatomical bequest program located within an accredited school of medicine or
302.9 an accredited college of mortuary science;

302.10 (2) a person engaged in the performance of duties prescribed by law relating to the
302.11 conditions under which unclaimed dead human bodies are held subject to anatomical study;

302.12 (3) authorized personnel from a licensed ambulance service in the performance of their
302.13 duties;

302.14 (4) licensed medical personnel in the performance of their duties; or

302.15 (5) the coroner or medical examiner in the performance of the duties of their offices.

302.16 (b) This chapter does not apply to or interfere with the recognized customs or rites of
302.17 any culture or recognized religion in the ceremonial washing, dressing, casketing, and public
302.18 transportation of their dead, to the extent that all other provisions of this chapter are complied
302.19 with.

302.20 (c) Noncompensated persons with the right to control the dead human body, under section
302.21 149A.80, subdivision 2, may remove a body from the place of death; transport the body;
302.22 prepare the body for disposition, except embalming; or arrange for final disposition of the
302.23 body, provided that all actions are in compliance with this chapter.

302.24 (d) Persons serving internships pursuant to section 149A.20, subdivision 6, ~~or~~; students
302.25 officially registered for a practicum or clinical through a program of mortuary science
302.26 accredited by the American Board of Funeral Service Education; or transfer care specialists
302.27 registered pursuant to section 149A.47 are not required to be licensed, provided that the
302.28 persons ~~or~~, students, or transfer care specialists are registered with the commissioner and
302.29 act under the direct and exclusive supervision of a person holding a current license to practice
302.30 mortuary science in Minnesota.

303.1 (e) Notwithstanding this subdivision, nothing in this section shall be construed to prohibit
303.2 an institution or entity from establishing, implementing, or enforcing a policy that permits
303.3 only persons licensed by the commissioner to remove or cause to be removed a dead body
303.4 or body part from the institution or entity.

303.5 (f) An unlicensed person may arrange for and direct or supervise a memorial service if
303.6 that person or that person's employer does not have charge of the dead human body. An
303.7 unlicensed person may not take charge of the dead human body, unless that person has the
303.8 right to control the dead human body under section 149A.80, subdivision 2, or is that person's
303.9 noncompensated designee.

303.10 Sec. 2. Minnesota Statutes 2022, section 149A.02, subdivision 13a, is amended to read:

303.11 Subd. 13a. **Direct supervision.** "Direct supervision" means overseeing the performance
303.12 of an individual. For the purpose of a clinical, practicum, or internship, direct supervision
303.13 means that the supervisor is available to observe and correct, as needed, the performance
303.14 of the trainee. For the purpose of a transfer care specialist, direct supervision means that
303.15 the supervisor is available by being physically present or by telephone to advise and correct,
303.16 as needed, the performance of the transfer care specialist. The supervising mortician
303.17 ~~supervisor~~ is accountable for the actions of the clinical student, practicum student, or intern
303.18 throughout the course of the training. The supervising mortician is accountable for any
303.19 violations of law or rule, in the performance of their duties, by the clinical student, practicum
303.20 student, ~~or intern,~~ or transfer care specialist.

303.21 Sec. 3. Minnesota Statutes 2022, section 149A.02, is amended by adding a subdivision to
303.22 read:

303.23 Subd. 37d. **Transfer care specialist.** "Transfer care specialist" means an individual who
303.24 is registered with the commissioner in accordance with section 149A.47 and is authorized
303.25 to perform the removal of a dead human body from the place of death under the direct
303.26 supervision of a licensed mortician.

303.27 Sec. 4. Minnesota Statutes 2022, section 149A.03, is amended to read:

303.28 **149A.03 DUTIES OF COMMISSIONER.**

303.29 The commissioner shall:

303.30 (1) enforce all laws and adopt and enforce rules relating to the:

- 304.1 (i) removal, preparation, transportation, arrangements for disposition, and final disposition
304.2 of dead human bodies;
- 304.3 (ii) licensure, registration, and professional conduct of funeral directors, morticians,
304.4 interns, practicum students, ~~and~~ clinical students, and transfer care specialists;

304.18 fees, initial and renewal, sufficient to cover all necessary operating expenses;
- 304.19 (9) educate the public about the existence and content of the laws and rules for mortuary
304.20 science licensing and the removal, preparation, transportation, arrangements for disposition,
304.21 and final disposition of dead human bodies to enable consumers to file complaints against
304.22 licensees and others who may have violated those laws or rules;
- 304.23 (10) evaluate the laws, rules, and procedures regulating the practice of mortuary science
304.24 in order to refine the standards for licensing and to improve the regulatory and enforcement
304.25 methods used; and
- 304.26 (11) initiate proceedings to address and remedy deficiencies and inconsistencies in the
304.27 laws, rules, or procedures governing the practice of mortuary science and the removal,
304.28 preparation, transportation, arrangements for disposition, and final disposition of dead
304.29 human bodies.

305.1 Sec. 5. Minnesota Statutes 2022, section 149A.09, is amended to read:

305.2 **149A.09 DENIAL; REFUSAL TO REISSUE; REVOCATION; SUSPENSION;**
305.3 **LIMITATION OF LICENSE, REGISTRATION, OR PERMIT.**

305.4 Subdivision 1. **Denial; refusal to renew; revocation; and suspension.** The regulatory
305.5 agency may deny, refuse to renew, revoke, or suspend any license, registration, or permit
305.6 applied for or issued pursuant to this chapter when the person subject to regulation under
305.7 this chapter:

315.22 to receive notice does not relieve the licensee of the obligation to meet the renewal deadline
315.23 and other requirements for license renewal.

315.24 Subd. 3. **Renewal requirements.** (a) To renew a license, a licensee must submit to the
315.25 board:

315.26 (1) a completed and signed application for license renewal;

315.27 (2) the license renewal fee as specified under section 148.9995; and

315.28 (3) evidence satisfactory to the board that the licensee holds a current and active national
315.29 certification as a behavior analyst from the certifying entity or otherwise meets renewal
315.30 requirements as established by the board, in consultation with the advisory council.

316.1 (b) The application for license renewal and fee must be postmarked or received by the
316.2 board by the end of the day on which the license expires or the following business day if
316.3 the expiration date falls on a Saturday, Sunday, or holiday. A renewal application that is
316.4 not completed and signed, or that is not accompanied by the correct fee, is void and must
316.5 be returned to the licensee.

316.6 Subd. 4. **Pending renewal.** If a licensee's application for license renewal is postmarked
316.7 or received by the board by the end of the business day on the expiration date of the license
316.8 or the following business day if the expiration date falls on a Saturday, Sunday, or holiday,
316.9 the licensee may continue to practice after the expiration date while the application for
316.10 license renewal is pending with the board.

316.11 Subd. 5. **Late renewal fee.** If the application for license renewal is postmarked or
316.12 received after the expiration date of the license or the following business day if the expiration
316.13 date falls on a Saturday, Sunday, or holiday, the licensee must pay a biennial renewal late
316.14 fee as specified by section 148.9995, in addition to the renewal fee, before the licensee's
316.15 application for license renewal will be considered by the board.

316.16 **EFFECTIVE DATE.** This section is effective July 1, 2024.

316.17 Sec. 5. **[148.9985] EXPIRED LICENSE.**

316.18 (a) Within 30 days after the renewal date, a licensee who has not renewed their license
316.19 must be notified by letter, sent to the last known address of the licensee in the board's file,
316.20 that the renewal is overdue and that failure to pay the current fee and current biennial renewal
316.21 late fee within 60 days after the renewal date will result in termination of the license.

316.22 (b) The board must terminate the license of a licensee whose license renewal is at least
316.23 60 days overdue and to whom notification has been sent as provided in paragraph (a). Failure
316.24 of a licensee to receive notification is not grounds for later challenge of the termination.
316.25 The former licensee must be notified of the termination by letter within seven days after
316.26 board action, in the same manner as provided in paragraph (a).

316.27 (c) Notwithstanding paragraph (b), the board retains jurisdiction over a former licensee
316.28 for complaints received after termination of a license regarding conduct that occurred during
316.29 licensure.

316.30 **EFFECTIVE DATE.** This section is effective July 1, 2024.

317.1 Sec. 6. **[148.9986] PROHIBITED PRACTICE OR USE OF TITLES; PENALTY.**

317.2 Subdivision 1. Practice. Effective January 1, 2025, an individual must not engage in
317.3 the practice of applied behavior analysis unless the individual is licensed under sections
317.4 148.9981 to 148.9995 as a behavior analyst or is exempt under section 148.9987. A
317.5 psychologist licensed under sections 148.88 to 148.981 who practices behavior analysis is
317.6 not required to obtain a license as a behavior analyst under sections 148.9981 to 148.9995.

317.7 Subd. 2. Use of titles. (a) An individual must not use a title incorporating the words
317.8 "licensed behavior analyst," or "behavior analyst," or use any other title or description stating
317.9 or implying that they are licensed or otherwise qualified to practice applied behavior analysis,
317.10 unless that person holds a valid license under sections 148.9981 to 148.9995.

317.11 (b) Notwithstanding paragraph (a), a licensed psychologist who practices applied behavior
317.12 analysis within the psychologist's scope of practice may use the title "behavior analyst," but
317.13 must not use the title "licensed behavior analyst" unless the licensed psychologist holds a
317.14 valid license as a behavior analyst issued under sections 148.9981 to 148.9995.

317.15 Subd. 3. Penalty. An individual who violates this section is guilty of a misdemeanor.

317.16 EFFECTIVE DATE. This section is effective July 1, 2024.

317.17 Sec. 7. **[148.9987] EXCEPTIONS TO LICENSE REQUIREMENT.**

317.18 (a) Sections 148.9981 to 148.9995 must not be construed to prohibit or restrict:

317.19 (1) the practice of an individual who is licensed to practice psychology in the state or
317.20 an individual who is providing psychological services under the supervision of a licensed
317.21 psychologist in accordance with section 148.925;

317.22 (2) the practice of any other profession or occupation licensed, certified, or registered
317.23 by the state by an individual duly licensed, certified, or registered to practice the profession
317.24 or occupation or to perform any act that falls within the scope of practice of the profession
317.25 or occupation;

317.26 (3) an individual who is employed by a school district from providing behavior analysis
317.27 services as part of the individual's employment with the school district, so long as the
317.28 individual does not provide behavior analysis services to any person or entity other than as
317.29 an employee of the school district or accept remuneration for the provision of behavior
317.30 analysis services outside of the individual's employment with the school district;

317.31 (4) an employee of a program licensed under chapter 245D from providing the services
317.32 described in section 245D.091, subdivision 1;

318.1 (5) teaching behavior analysis or conducting behavior analysis research if the teaching
318.2 or research does not involve the direct delivery of behavior analysis services;

318.3 (6) providing behavior analysis services by an unlicensed supervisee or trainee under
318.4 the authority and direction of a licensed behavior analyst and in compliance with the licensure
318.5 and supervision standards required by law or rule;

318.6 (7) a family member or guardian of the recipient of behavior analysis services from
318.7 performing behavior analysis services under the authority and direction of a licensed behavior
318.8 analyst; or

318.9 (8) students or interns enrolled in an accredited school or educational program, or
318.10 participating in a behavior analysis practicum, from engaging in the practice of applied
318.11 behavior analysis while supervised by a licensed behavior analyst or instructor of an
318.12 accredited school or educational program. These individuals must be designated as a behavior
318.13 analyst student or intern.

318.14 (b) Notwithstanding paragraph (a), a licensed psychologist may supervise an unlicensed
318.15 supervisee, trainee, student, or intern who is engaged in the practice of behavior analysis if
318.16 the supervision is authorized under the Minnesota Psychology Practice Act.

318.17 **EFFECTIVE DATE.** This section is effective July 1, 2024.

318.18 **Sec. 8. [148.9988] NONTRANSFERABILITY OF LICENSES.**

318.19 A behavior analyst license is not transferable.

318.20 **EFFECTIVE DATE.** This section is effective July 1, 2024.

318.21 **Sec. 9. [148.9989] DUTY TO MAINTAIN CURRENT INFORMATION.**

318.22 All licensees and applicants for licensure must notify the board within 30 days of the
318.23 occurrence of:

318.24 (1) a change of name, address, place of employment, or home or business telephone
318.25 number; or

318.26 (2) a change in any other application information.

318.27 **EFFECTIVE DATE.** This section is effective July 1, 2024.

318.28 **Sec. 10. [148.999] DISCIPLINE; REPORTING.**

318.29 For purposes of sections 148.9981 to 148.9995, behavior analysts are subject to the
318.30 provisions of sections 148.941, 148.952 to 148.965, and 148.98.

319.1 **EFFECTIVE DATE.** This section is effective July 1, 2024.

319.2 Sec. 11. **[148.9991] COMPETENT PROVISION OF SERVICES.**

319.3 Subdivision 1. **Limits on practice.** Behavior analysts must limit practice to the client
319.4 populations and services for which the behavior analysts have competence or for which the
319.5 behavior analysts are developing competence.

319.6 Subd. 2. **Developing competence.** When a behavior analyst is developing competence
319.7 in a service, method, or procedure, or is developing competence to treat a specific client
319.8 population, the behavior analyst must obtain professional education, training, continuing
319.9 education, consultation, supervision or experience, or a combination thereof, necessary to
319.10 demonstrate competence.

319.11 Subd. 3. **Limitations.** A behavior analyst must recognize the limitations to the scope of
319.12 practice of applied behavior analysis. When the needs of a client appear to be outside the
319.13 behavior analyst's scope of practice, the behavior analyst must inform the client that there
319.14 may be other professional, technical, community, and administrative resources available to
319.15 the client. A behavior analyst must assist with identifying resources when it is in the best
319.16 interest of a client to be provided with alternative or complementary services.

319.17 Subd. 4. **Burden of proof.** Whenever a complaint is submitted to the board involving
319.18 a violation of this section, the burden of proof is on the behavior analyst to demonstrate that
319.19 the elements of competence have been reasonably met.

319.20 **EFFECTIVE DATE.** This section is effective July 1, 2024.

319.21 Sec. 12. **[148.9992] DUTY TO WARN; LIMITATION ON LIABILITY; VIOLENT**
319.22 **BEHAVIOR OF PATIENT.**

319.23 Subdivision 1. **Definitions.** (a) For the purposes of this section, the terms in this
319.24 subdivision have the meanings given.

319.25 (b) "Other person" means an immediate family member or someone who personally
319.26 knows the client and has reason to believe the client is capable of and will carry out a serious,
319.27 specific threat of harm to a specific, clearly identified or identifiable victim.

319.28 (c) "Reasonable efforts" means communicating a serious, specific threat to the potential
319.29 victim and, if unable to make contact with the potential victim, communicating the serious,
319.30 specific threat to the law enforcement agency closest to the potential victim or the client.

320.1 (d) "Licensee" has the meaning given in section 148.9981 and includes behavior analysis
320.2 students, interns, and unlicensed supervisees who are participating in a behavior analysis
320.3 practicum or enrolled in an accredited school or educational program.

320.4 Subd. 2. **Duty to warn.** The duty to predict, warn of, or take reasonable precautions to
320.5 provide protection from violent behavior arises only when a client or other person has
320.6 communicated to the licensee a specific, serious threat of physical violence against a specific,
320.7 clearly identified or identifiable potential victim. If a duty to warn arises, the duty is
320.8 discharged by the licensee if reasonable efforts are made to communicate the threat.

320.9 Subd. 3. **Liability standard.** If no duty to warn exists under subdivision 2, then no
320.10 monetary liability and no cause of action may arise against a licensee for failure to predict,
320.11 warn of, or take reasonable precautions to provide protection from a client's violent behavior.

320.12 Subd. 4. **Disclosure of confidences.** Good faith compliance with the duty to warn must
320.13 not constitute a breach of confidence and must not result in monetary liability or a cause of
320.14 action against the licensee.

320.15 Subd. 5. **Continuity of care.** Subdivision 2 must not be construed to authorize a licensee
320.16 to terminate treatment of a client as a direct result of a client's violent behavior or threat of
320.17 physical violence unless the client is referred to another practitioner or appropriate health
320.18 care facility.

320.19 Subd. 6. **Exception.** This section does not apply to a threat to commit suicide or other
320.20 threats by a client to harm the client, or to a threat by a client who is adjudicated as a person
320.21 who has a mental illness and is dangerous to the public under chapter 253B.

320.22 Subd. 7. **Optional disclosure.** This section must not be construed to prohibit a licensee
320.23 from disclosing confidences to third parties in a good faith effort to warn or take precautions
320.24 against a client's violent behavior or threat to commit suicide for which a duty to warn does
320.25 not arise.

320.26 Subd. 8. **Limitation on liability.** No monetary liability and no cause of action or
320.27 disciplinary action by the board may arise against a licensee for disclosure of confidences
320.28 to third parties, for failure to disclose confidences to third parties, or for erroneous disclosure
320.29 of confidences to third parties in a good faith effort to warn against or take precautions
320.30 against a client's violent behavior or threat of suicide for which a duty to warn does not
320.31 arise.

320.32 **EFFECTIVE DATE.** This section is effective July 1, 2024.

321.1 **Sec. 13. [148.9993] INFORMED CONSENT.**

321.2 **Subdivision 1. Obtaining informed consent for services.** A behavior analyst must
321.3 obtain informed consent from the client or the client's legal guardian before initiating
321.4 services. The informed consent must be in writing, signed by the client, and include, at a
321.5 minimum, the following:

321.6 (1) consent for the behavior analyst to engage in activities that directly affect the client;

321.7 (2) the goals, purposes, and procedures of the proposed services;

321.8 (3) the factors that may impact the duration of the proposed services;

321.9 (4) the applicable fee schedule for the proposed services;

321.10 (5) the significant risks and benefits of the proposed services;

321.11 (6) the behavior analyst's limits under section 148.9991, including, if applicable,
321.12 information that the behavior analyst is developing competence in the proposed service,
321.13 method, or procedure, and alternatives to the proposed service, if any; and

321.14 (7) the behavior analyst's responsibilities if the client terminates the service.

321.15 **Subd. 2. Updating informed consent.** If there is a substantial change in the nature or
321.16 purpose of a service, the behavior analyst must obtain a new informed consent from the
321.17 client.

321.18 **Subd. 3. Emergency or crisis services.** Informed consent is not required when a behavior
321.19 analyst is providing emergency or crisis services. If services continue after the emergency
321.20 or crisis has abated, informed consent must be obtained.

321.21 **EFFECTIVE DATE.** This section is effective July 1, 2024.

321.22 **Sec. 14. [148.9994] BEHAVIOR ANALYST ADVISORY COUNCIL.**

321.23 **Subdivision 1. Membership.** The Behavior Analyst Advisory Council is created and
321.24 composed of five members appointed by the board. The advisory council consists of:

321.25 (1) one public member as defined in section 214.02;

321.26 (2) three members who are licensed behavior analysts; and

321.27 (3) one member who is a licensed psychologist and, to the extent practicable, who
321.28 practices applied behavior analysis.

321.29 **Subd. 2. Administration.** The advisory council is established and administered under
321.30 section 15.059, except that the advisory council does not expire.

322.1 Subd. 3. **Duties.** The advisory council must:

322.2 (1) advise the board regarding standards for behavior analysts;

322.3 (2) assist with the distribution of information regarding behavior analyst standards;

322.4 (3) advise the board on enforcement of sections 148.9981 to 148.9995;

322.5 (4) review license applications and license renewal applications and make

322.6 recommendations to the board;

322.7 (5) review complaints and complaint investigation reports and make recommendations

322.8 to the board on whether disciplinary action should be taken and, if applicable, what type;

322.9 (6) advise the board regarding evaluation and treatment protocols; and

322.10 (7) perform other duties authorized for advisory councils under chapter 214 as directed

322.11 by the board to ensure effective oversight of behavior analysts.

322.22 Subd. 3. **Deposit of fees.** Fees collected by the board under this section must be deposited

322.23 in the state government special revenue fund.

322.24 **EFFECTIVE DATE.** This section is effective July 1, 2024.

322.25 **Sec. 16. INITIAL BEHAVIOR ANALYST ADVISORY COUNCIL.**

322.26 The Board of Psychology must make the first appointments to the Behavior Analyst

322.27 Advisory Council authorized under Minnesota Statutes, section 148.9994, by September 1,

324.24 a lower fee, for licensees not actively engaged in the practice of veterinary medicine or
324.25 veterinary technology within the state of Minnesota. The board may assess a charge for
324.26 delinquent payment of a renewal fee.

324.27 Any person who is licensed to practice veterinary medicine or veterinary technology in

325.3 veterinary medicine while employed by the University of Minnesota and who is not eligible
325.4 for a regular license shall make a written application to the board for an institutional license
325.5 using forms provided for that purpose or in a format accepted by the board. The board shall
325.6 issue an institutional license to practice veterinary medicine to an applicant who:

325.7 (1) has obtained the degree of doctor of veterinary medicine or its equivalent from a

325.15 clinical abilities as evidenced in clinical rotations;

325.16 (4) has paid the license application fee;

325.17 (5) provides proof of employment by the University of Minnesota;

325.18 (6) certifies that the applicant understands and agrees that the institutional license is

325.29 (c) The fee for a license issued under this subdivision is the same as for a regular license
325.30 to practice veterinary medicine in the state. License payment and renewal deadlines, late

368.21 participating state to gather evidence of conduct in another state that is lawful in that other
368.22 state, for the purpose of taking adverse action against a licensee's compact privilege or

368.25 a PA's compact privilege or to deny an application for a compact privilege in that participating
368.26 state for the individual's otherwise lawful practice in another state.

368.27 (e) For purposes of taking adverse action, the participating state which issued the
368.28 qualifying license shall give the same priority and effect to reported conduct received from
368.29 any other participating state as it would if the conduct had occurred within the participating
368.30 state which issued the qualifying license. In so doing, that participating state shall apply its
368.31 own state laws to determine appropriate action.

369.1 (f) A participating state, if otherwise permitted by state law, may recover from the
369.2 affected PA the costs of investigations and disposition of cases resulting from any adverse
369.3 action taken against that PA.

369.5 state, provided that the participating state follows its own procedures for taking the adverse
369.6 action.

369.7 (h) Joint investigations:

369.8 (1) in addition to the authority granted to a participating state by its respective state PA
369.9 laws and regulations or other applicable state law, any participating state may participate
369.10 with other participating states in joint investigations of licensees; and

369.11 (2) participating states shall share any investigative, litigation, or compliance materials
369.12 in furtherance of any joint or individual investigation initiated under this compact.

369.13 (i) If an adverse action is taken against a PA's qualifying license, the PA's compact
369.14 privilege in all remote states shall be deactivated until two years have elapsed after all
369.15 restrictions have been removed from the state license. All disciplinary orders by the
369.16 participating state which issued the qualifying license that impose adverse action against a
369.17 PA's license shall include a statement that the PA's compact privilege is deactivated in all
369.18 participating states during the pendency of the order.

369.19 (j) If any participating state takes adverse action, it promptly shall notify the administrator
369.20 of the data system.

369.21 ARTICLE VII

369.22 ESTABLISHMENT OF THE PA LICENSURE COMPACT COMMISSION

369.23 (a) The participating states hereby create and establish a joint government agency and

369.25 commission is an instrumentality of the compact states acting jointly, and is not an
369.26 instrumentality of any one state. The commission shall come into existence on or after the

- 371.24 (20) reserve for itself, in addition to those reserved exclusively to the commission under
371.25 the compact, powers that the executive committee may not exercise;
- 371.26 (21) approve or disapprove a state's participation in the compact based upon its
371.27 determination as to whether the state's compact legislation departs in a material manner
371.28 from the model compact language;
- 371.29 (22) prepare and provide to the participating states an annual report; and
- 371.30 (23) perform such other functions as may be necessary or appropriate to achieve the
371.31 purposes of this compact consistent with the state regulation of PA licensure and practice.

372.1 (d) Meetings of the commission:

372.2 (1) all meetings of the commission that are not closed pursuant to this paragraph shall
372.3 be open to the public. Notice of public meetings shall be posted on the commission's website
372.4 at least 30 days prior to the public meeting;

372.5 (2) notwithstanding clause (1), the commission may convene a public meeting by
372.6 providing at least 24 hours' prior notice on the commission's website, and any other means
372.7 as provided in the commission's rules, for any of the reasons it may dispense with notice of
372.8 proposed rulemaking under article IX, paragraph (1);

372.9 (3) the commission may convene in a closed, nonpublic meeting or nonpublic part of a
372.10 public meeting to receive legal advice or to discuss:

372.11 (i) noncompliance of a participating state with its obligations under this compact;

372.12 (ii) the employment, compensation, discipline, or other matters, practices, or procedures
372.13 related to specific employees, or other matters related to the commission's internal personnel
372.14 practices and procedures;

372.15 (iii) current, threatened, or reasonably anticipated litigation;

372.16 (iv) negotiation of contracts for the purchase, lease, or sale of goods, services, or real
372.17 estate;

372.18 (v) accusing any person of a crime or formally censuring any person;

372.19 (vi) disclosure of trade secrets or commercial or financial information that is privileged
372.20 or confidential;

372.21 (vii) disclosure of information of a personal nature where disclosure would constitute a
372.22 clearly unwarranted invasion of personal privacy;

372.23 (viii) disclosure of investigative records compiled for law enforcement purposes;

372.24 (ix) disclosure of information related to any investigative reports prepared by or on
372.25 behalf of, or for use of, the commission or other committee charged with responsibility of
372.26 investigation or determination of compliance issues pursuant to this compact;

372.27 (x) legal advice; or

372.28 (xi) matters specifically exempted from disclosure by federal or participating states'
372.29 statutes;

373.1 (4) if a meeting, or portion of a meeting, is closed pursuant to clause (3), the chair of
373.2 the meeting or the chair's designee shall certify that the meeting or portion of the meeting
373.3 may be closed and shall reference each relevant exempting provision; and

373.4 (5) the commission shall keep minutes that fully and clearly describe all matters discussed
373.5 in a meeting and shall provide a full and accurate summary of actions taken, including a
373.6 description of the views expressed. All documents considered in connection with an action
373.7 shall be identified in such minutes. All minutes and documents of a closed meeting shall
373.8 remain under seal, subject to release by a majority vote of the commission or order of a
373.9 court of competent jurisdiction.

373.10 (e) Financing of the commission:

373.11 (1) the commission shall pay, or provide for the payment of, the reasonable expenses of
373.12 its establishment, organization, and ongoing activities;

373.13 (2) the commission may accept any and all appropriate revenue sources, donations, and
373.14 grants of money, equipment, supplies, materials, and services;

373.15 (3) the commission may levy on and collect an annual assessment from each participating
373.16 state and may impose compact privilege fees on licensees of participating states to whom
373.17 a compact privilege is granted, to cover the cost of the operations and activities of the
373.18 commission and its staff. The cost of the operations and activities of the commission and
373.19 its staff must be in a total amount sufficient to cover its annual budget as approved by the
373.20 commission each year for which revenue is not provided by other sources. The aggregate
373.21 annual assessment amount levied on participating states shall be allocated based upon a
373.22 formula to be determined by commission rule:

373.23 (i) a compact privilege expires when the licensee's qualifying license in the participating
373.24 state from which the licensee applied for the compact privilege expires; and

373.25 (ii) if the licensee terminates the qualifying license through which the licensee applied
373.26 for the compact privilege before its scheduled expiration, and the licensee has a qualifying
373.27 license in another participating state, the licensee shall inform the commission that it is
373.28 changing the participating state through which it applies for a compact privilege to the other
373.29 participating state and pay to the commission any compact privilege fee required by
373.30 commission rule;

373.31 (4) the commission shall not incur obligations of any kind prior to securing the funds
373.32 adequate to meet the same, nor shall the commission pledge the credit of any of the
373.33 participating states, except by and with the authority of the participating state; and

374.1 (5) the commission shall keep accurate accounts of all receipts and disbursements. The
374.2 receipts and disbursements of the commission shall be subject to the financial review and
374.3 accounting procedures established under its bylaws. All receipts and disbursements of funds
374.4 handled by the commission shall be subject to an annual financial review by a certified or
374.5 licensed public accountant, and the report of the financial review shall be included in and
374.6 become part of the annual report of the commission.

374.7 (f) The executive committee:

374.8 (1) the executive committee shall have the power to act on behalf of the commission
374.9 according to the terms of this compact and commission rules;

374.10 (2) the executive committee shall be composed of nine members as follows:

374.11 (i) seven voting members who are elected by the commission from the current
374.12 membership of the commission;

374.13 (ii) one ex officio, nonvoting member from a recognized national PA professional
374.14 association; and

374.15 (iii) one ex officio, nonvoting member from a recognized national PA certification
374.16 organization;

374.17 (3) the ex officio members will be selected by their respective organizations;

374.18 (4) the commission may remove any member of the executive committee as provided
374.19 in its bylaws;

374.20 (5) the executive committee shall meet at least annually;

374.21 (6) the executive committee shall have the following duties and responsibilities:

374.22 (i) recommend to the entire commission changes to the commission's rules or bylaws,
374.23 changes to this compact legislation, fees paid by compact participating states such as annual
374.24 dues, and any commission compact fee charged to licensees for the compact privilege;

374.25 (ii) ensure compact administration services are appropriately provided, contractual or
374.26 otherwise;

374.27 (iii) prepare and recommend the budget;

374.28 (iv) maintain financial records on behalf of the commission;

374.29 (v) monitor compact compliance of participating states and provide compliance reports
374.30 to the commission;

374.31 (vi) establish additional committees as necessary;

375.1 (vii) exercise the powers and duties of the commission during the interim between
375.2 commission meetings, except for issuing proposed rulemaking or adopting commission
375.3 rules or bylaws, or exercising any other powers and duties exclusively reserved to the
375.4 commission by the commission's rules; and

375.5 (viii) perform other duties as provided in commission's rules or bylaws;

375.6 (7) all meetings of the executive committee at which it votes or plans to vote on matters
375.7 in exercising the powers and duties of the commission shall be open to the public, and public
375.8 notice of such meetings shall be given as public meetings of the commission are given; and

375.9 (8) the executive committee may convene in a closed, nonpublic meeting for the same
375.10 reasons that the commission may convene in a nonpublic meeting as set forth in paragraph
375.11 (d), clause (3), and shall announce the closed meeting as the commission is required to
375.12 under paragraph (d), clause (4), and keep minutes of the closed meeting as the commission
375.13 is required to under paragraph (d), clause (5).

375.14 (g) Qualified immunity, defense, and indemnification:

375.15 (1) the members, officers, executive director, employees, and representatives of the
375.16 commission shall be immune from suit and liability, both personally and in their official
375.17 capacity, for any claim for damage to or loss of property or personal injury or other civil
375.18 liability caused by or arising out of any actual or alleged act, error, or omission that occurred,
375.19 or that the person against whom the claim is made had a reasonable basis for believing
375.20 occurred, within the scope of commission employment, duties, or responsibilities, provided
375.21 that nothing in this paragraph shall be construed to protect any such person from suit or
375.22 liability for any damage, loss, injury, or liability caused by the intentional or willful or
375.23 wanton misconduct of that person. The procurement of insurance of any type by the
375.24 commission shall not in any way compromise or limit the immunity granted hereunder;

375.25 (2) the commission shall defend any member, officer, executive director, employee, or
375.26 representative of the commission in any civil action seeking to impose liability arising out
375.27 of any actual or alleged act, error, or omission that occurred within the scope of commission
375.28 employment, duties, or responsibilities, or that the person against whom the claim is made
375.29 had a reasonable basis for believing occurred within the scope of commission employment,
375.30 duties, or responsibilities, provided that nothing herein shall be construed to prohibit that
375.31 person from retaining their own counsel at their own expense, and provided further that the
375.32 actual or alleged act, error, or omission did not result from that person's intentional or willful
375.33 or wanton misconduct;

376.1 (3) the commission shall indemnify and hold harmless any member, officer, executive
376.2 director, employee, or representative of the commission for the amount of any settlement
376.3 or judgment obtained against that person arising out of any actual or alleged act, error, or
376.4 omission that occurred within the scope of commission employment, duties, or
376.5 responsibilities, or that such person had a reasonable basis for believing occurred within
376.6 the scope of commission employment, duties, or responsibilities, provided that the actual
376.7 or alleged act, error, or omission did not result from the intentional or willful or wanton
376.8 misconduct of that person;

376.9 (4) except as provided under paragraph (i), venue is proper and judicial proceedings by
376.10 or against the commission shall be brought solely and exclusively in a court of competent
376.11 jurisdiction where the principal office of the commission is located. The commission may
376.12 waive venue and jurisdictional defenses in any proceedings as authorized by commission
376.13 rules;

376.14 (5) nothing herein shall be construed as a limitation on the liability of any licensee for
376.15 professional malpractice or misconduct, which shall be governed solely by any other
376.16 applicable state laws;

376.17 (6) nothing herein shall be construed to designate the venue or jurisdiction to bring
376.18 actions for alleged acts of malpractice, professional misconduct, negligence, or other such
376.19 civil action pertaining to the practice of a PA. All such matters shall be determined
376.20 exclusively by state law other than this compact;

376.21 (7) nothing in this compact shall be interpreted to waive or otherwise abrogate a
376.22 participating state's state action immunity or state action affirmative defense with respect
376.23 to antitrust claims under the federal Sherman Act, Clayton Act, or any other state or federal
376.24 antitrust or anticompetitive law or regulation; and

376.25 (8) nothing in this compact shall be construed to be a waiver of sovereign immunity by
376.26 the participating states or by the commission.

376.27 (h) Notwithstanding paragraph (g), clause (1), the liability of the executive director,
376.28 employees, or representatives of the interstate commission, acting within the scope of their
376.29 employment or duties, may not exceed the limits of liability set forth under the constitution
376.30 and laws of this state for state officials, employees, and agents. This paragraph expressly
376.31 incorporates section 3.736, and neither expands nor limits the rights and remedies provided
376.32 under that statute.

376.33 (i) Except for a claim alleging a violation of this compact, a claim against the commission,
376.34 its executive director, employees, or representatives alleging a violation of the constitution

377.1 and laws of this state may be brought in any county where the plaintiff resides. Nothing in
377.2 this paragraph creates a private right of action.

377.3 ARTICLE VIII

377.4 DATA SYSTEM

377.5 (a) The commission shall provide for the development, maintenance, and utilization of
377.6 a coordinated database and reporting system containing licensure and adverse action
377.7 information, and the reporting of significant investigative information on all licensed PAs
377.8 and applicants denied a license in participating states.

377.9 (b) Notwithstanding any other state law to the contrary, a participating state shall submit
377.10 a uniform data set to the data system on all PAs to whom this compact is applicable, using
377.11 a unique identifier, as required by the rules of the commission, including:

377.12 (1) identifying information;

377.13 (2) licensure data;

377.14 (3) adverse actions against a license or compact privilege;

377.15 (4) any denial of application for licensure and the reason or reasons for the denial,
377.16 excluding the reporting of any criminal history record information where prohibited by law;

377.17 (5) the existence of significant investigative information; and

377.18 (6) other information that may facilitate the administration of this compact, as determined
377.19 by the rules of the commission.

377.20 (c) Significant investigative information pertaining to a licensee in any participating
377.21 state shall only be available to other participating states.

377.22 (d) The commission shall promptly notify all participating states of any reports it receives
377.23 of any adverse action taken against a licensee or an individual applying for a license. This
377.24 adverse action information shall be available to any other participating state.

377.25 (e) Participating states contributing information to the data system may, in accordance
377.26 with state or federal law, designate information that may not be shared with the public
377.27 without the express permission of the contributing state. Notwithstanding any such
377.28 designation, such information shall be reported to the commission through the data system.

377.29 (f) Any information submitted to the data system that is subsequently expunged by
377.30 federal law or the laws of the participating state contributing the information shall be removed
377.31 from the data system upon reporting of such by the participating state to the commission.

378.1 (g) The records and information provided to a participating state pursuant to this compact
378.2 or through the data system, when certified by the commission or an agent thereof, shall
378.3 constitute the authenticated business records of the commission and shall be entitled to any
378.4 associated hearsay exception in any relevant judicial, quasi-judicial, or administrative
378.5 proceedings in a participating state.

378.6 ARTICLE IX

378.7 RULEMAKING

378.8 (a) The commission shall exercise its rulemaking powers pursuant to the criteria set
378.9 forth in this article and the rules adopted thereunder. Commission rules shall become binding
378.10 as of the date specified by the commission for each rule.

378.11 (b) The commission shall promulgate reasonable rules in order to effectively and
378.12 efficiently implement and administer this compact and achieve its purposes. A commission
378.13 rule shall be invalid and have no force or effect only if a court of competent jurisdiction
378.14 holds that the rule is invalid because the commission exercised its rulemaking authority in
378.15 a manner that is beyond the scope of the purposes of this compact, or the powers granted
378.16 hereunder, or based upon another applicable standard of review.

378.17 (c) The rules of the commission shall have the force of law in each participating state,
378.18 provided however that where the rules of the commission conflict with the laws of the
378.19 participating state that establish the medical services a PA may perform in the participating
378.20 state, as held by a court of competent jurisdiction, the rules of the commission shall be
378.21 ineffective in that state to the extent of the conflict.

378.22 (d) If a majority of the legislatures of the participating states rejects a commission rule,
378.23 by enactment of a statute or resolution in the same manner used to adopt the compact within
378.24 four years of the date of adoption of the rule, then such rule shall have no further force and
378.25 effect in any participating state or in any state applying to participate in the compact.

378.26 (e) Rules or amendments to the rules shall be adopted at a regular or special meeting of
378.27 the commission.

378.28 (f) Prior to promulgation and adoption of a final rule or rules by the commission and at
378.29 least 30 days in advance of the meeting at which the rule will be considered and voted upon,
378.30 the commission shall file a notice of proposed rulemaking:

378.31 (1) on the website of the commission or other publicly accessible platform;

378.32 (2) to persons who have requested notice of the commission's notices of proposed
378.33 rulemaking; and

379.1 (3) in such other ways as the commission may specify by rule.

379.2 (g) The notice of proposed rulemaking shall include:

379.3 (1) the time, date, and location of the public hearing on the proposed rule;

379.4 (2) the time, date, and location of the public hearing in which the proposed rule will be
379.5 considered and voted upon;

379.6 (3) the text of the proposed rule and the reason for the proposed rule;

379.7 (4) a request for comments on the proposed rule from any interested person and the date
379.8 by which written comments must be received; and

379.9 (5) the manner in which interested persons may submit notice to the commission of their
379.10 intention to attend the public hearing and any written comments.

379.11 (h) Prior to adoption of a proposed rule, the commission shall allow persons to submit
379.12 written data, facts, opinions, and arguments, which shall be made available to the public.

379.13 (i) If the hearing is held via electronic means, the commission shall publish the mechanism
379.14 for access to the electronic hearing:

379.15 (1) all persons wishing to be heard at the hearing shall notify the commission of their
379.16 desire to appear and testify at the hearing, not less than five business days before the
379.17 scheduled date of the hearing, as directed in the notice of proposed rulemaking;

379.18 (2) hearings shall be conducted in a manner providing each person who wishes to
379.19 comment a fair and reasonable opportunity to comment orally or in writing;

379.20 (3) all hearings shall be recorded. A copy of the recording and the written comments,
379.21 data, facts, opinions, and arguments received in response to the proposed rulemaking shall
379.22 be made available to a person on request; and

379.23 (4) nothing in this section shall be construed as requiring a separate hearing on each
379.24 rule. Proposed rules may be grouped for the convenience of the commission at hearings
379.25 required by this article.

379.26 (j) Following the public hearing, the commission shall consider all written and oral
379.27 comments timely received.

379.28 (k) The commission shall, by majority vote of all delegates, take final action on the
379.29 proposed rule and shall determine the effective date of the rule, if adopted, based on the
379.30 rulemaking record and the full text of the rule. The commission:

379.31 (1) shall, if adopted, post the rule on the commission's website;

380.1 (2) may adopt changes to the proposed rule provided the changes do not expand the
380.2 original purpose of the proposed rule;

380.3 (3) shall provide on its website an explanation of the reasons for substantive changes
380.4 made to the proposed rule as well as reasons for substantive changes not made that were
380.5 recommended by commenters; and

380.6 (4) shall determine a reasonable effective date for the rule. Except for an emergency as
380.7 provided in paragraph (l), the effective date of the rule shall be no sooner than 30 days after
380.8 the commission issued the notice that it adopted the rule.

380.9 (l) Upon determination that an emergency exists, the commission may consider and
380.10 adopt an emergency rule with 24 hours' prior notice, without the opportunity for comment
380.11 or hearing, provided that the usual rulemaking procedures provided in the compact and in
380.12 this article shall be retroactively applied to the rule as soon as reasonably possible, in no
380.13 event later than 90 days after the effective date of the rule. For the purposes of this provision,
380.14 an emergency rule is one that must be adopted immediately by the commission in order to:

380.15 (1) meet an imminent threat to public health, safety, or welfare;

380.16 (2) prevent a loss of commission or participating state funds;

380.17 (3) meet a deadline for the promulgation of a commission rule that is established by
380.18 federal law or rule; or

380.19 (4) protect public health and safety.

380.20 (m) The commission or an authorized committee of the commission may direct revisions
380.21 to a previously adopted commission rule for purposes of correcting typographical errors,
380.22 errors in format, errors in consistency, or grammatical errors. Public notice of any revisions
380.23 shall be posted on the website of the commission. The revision shall be subject to challenge
380.24 by any person for a period of 30 days after posting. The revision may be challenged only
380.25 on grounds that the revision results in a material change to a rule. A challenge shall be made
380.26 as set forth in the notice of revisions and delivered to the commission prior to the end of
380.27 the notice period. If no challenge is made, the revision will take effect without further action.
380.28 If the revision is challenged, the revision may not take effect without the approval of the
380.29 commission.

380.30 (n) No participating state's rulemaking requirements shall apply under this compact.

380.31 ARTICLE X

380.32 OVERSIGHT, DISPUTE RESOLUTION, AND ENFORCEMENT

381.1 (a) Oversight:

381.2 (1) the executive and judicial branches of state government in each participating state
381.3 shall enforce this compact and take all actions necessary and appropriate to implement the
381.4 compact;

381.5 (2) venue is proper and judicial proceedings by or against the commission shall be
381.6 brought solely and exclusively in a court of competent jurisdiction where the principal office
381.7 of the commission is located. The commission may waive venue and jurisdictional defenses
381.8 to the extent it adopts or consents to participate in alternative dispute resolution proceedings.
381.9 Nothing herein shall affect or limit the selection or propriety of venue in any action against
381.10 a licensee for professional malpractice, misconduct, or any such similar matter; and

381.11 (3) the commission shall be entitled to receive service of process in any such proceeding
381.12 regarding the enforcement or interpretation of the compact or the commission's rules and
381.13 shall have standing to intervene in such a proceeding for all purposes. Failure to provide
381.14 service of process to the commission shall render a judgment or order void as to the
381.15 commission, this compact, or commission rules.

381.16 (b) Default, technical assistance, and termination:

381.17 (1) if the commission determines that a participating state has defaulted in the
381.18 performance of its obligations or responsibilities under this compact or the commission
381.19 rules, the commission shall:

381.20 (i) provide written notice to the defaulting state and other participating states describing
381.21 the default, the proposed means of curing the default, or any other action that the commission
381.22 may take; and

381.23 (ii) offer remedial training and specific technical assistance regarding the default;

381.24 (2) if a state in default fails to cure the default, the defaulting state may be terminated
381.25 from this compact upon an affirmative vote of a majority of the delegates of the participating
381.26 states, and all rights, privileges, and benefits conferred by this compact may be terminated
381.27 on the effective date of termination. A cure of the default does not relieve the offending
381.28 state of obligations or liabilities incurred during the period of default;

381.29 (3) termination of participation in this compact shall be imposed only after all other
381.30 means of securing compliance have been exhausted. Notice of intent to suspend or terminate
381.31 shall be given by the commission to the governor, the majority and minority leaders of the
381.32 defaulting state's legislature, and the licensing board or boards of each of the participating
381.33 states;

382.1 (4) a state that has been terminated is responsible for all assessments, obligations, and
382.2 liabilities incurred through the effective date of termination, including obligations that
382.3 extend beyond the effective date of termination;

382.4 (5) the commission shall not bear any costs related to a state that is found to be in default
382.5 or that has been terminated from this compact, unless agreed upon in writing between the
382.6 commission and the defaulting state;

382.7 (6) the defaulting state may appeal its termination from the compact by the commission
382.8 by petitioning the United States District Court for the District of Columbia or the federal
382.9 district where the commission has its principal offices. The prevailing member shall be
382.10 awarded all costs of such litigation, including reasonable attorney fees; and

382.11 (7) upon the termination of a state's participation in the compact, the state shall
382.12 immediately provide notice to all licensees within that state of such termination:

382.13 (i) licensees who have been granted a compact privilege in that state shall retain the
382.14 compact privilege for 180 days following the effective date of such termination; and

382.15 (ii) licensees who are licensed in that state who have been granted a compact privilege
382.16 in a participating state shall retain the compact privilege for 180 days, unless the licensee
382.17 also has a qualifying license in a participating state or obtains a qualifying license in a
382.18 participating state before the 180-day period ends, in which case the compact privilege shall
382.19 continue.

382.20 (c) Dispute resolution:

382.21 (1) upon request by a participating state, the commission shall attempt to resolve disputes
382.22 related to this compact that arise among participating states and between participating and
382.23 nonparticipating states; and

382.24 (2) the commission shall promulgate a rule providing for both mediation and binding
382.25 dispute resolution for disputes, as appropriate.

382.26 (d) Enforcement:

382.27 (1) the commission, in the reasonable exercise of its discretion, shall enforce the
382.28 provisions of this compact and rules of the commission;

382.29 (2) if compliance is not secured after all means to secure compliance have been exhausted,
382.30 by majority vote, the commission may initiate legal action in the United States District
382.31 Court for the District of Columbia or the federal district where the commission has its
382.32 principal offices against a participating state in default, to enforce compliance with the

383.1 provisions of this compact and the commission's promulgated rules and bylaws. The relief
383.2 sought may include both injunctive relief and damages. In the event judicial enforcement
383.3 is necessary, the prevailing member shall be awarded all costs of such litigation, including
383.4 reasonable attorney fees; and

383.5 (3) the remedies herein shall not be the exclusive remedies of the commission. The
383.6 commission may pursue any other remedies available under federal or state law.

383.7 (e) Legal action against the commission:

383.8 (1) a participating state may initiate legal action against the commission in the United
383.9 States District Court for the District of Columbia or the federal district where the commission
383.10 has its principal offices to enforce compliance with the provisions of the compact and the
383.11 commission's rules. The relief sought may include both injunctive relief and damages. In
383.12 the event judicial enforcement is necessary, the prevailing party shall be awarded all costs
383.13 of such litigation, including reasonable attorney fees; and

383.14 (2) no person other than a participating state shall enforce this compact against the
383.15 commission.

383.16 ARTICLE XI

383.17 DATE OF IMPLEMENTATION OF THE PA LICENSURE COMPACT COMMISSION

383.18 (a) This compact shall come into effect on the date on which the compact statute is
383.19 enacted into law in the seventh participating state.

383.20 (b) On or after the effective date of the compact, the commission shall convene and
383.21 review the enactment of each of the charter participating states to determine if the statute
383.22 enacted by each charter participating state is materially different than the model compact.
383.23 A charter participating state whose enactment is found to be materially different from the
383.24 model compact shall be entitled to the default process set forth in article X, paragraph (b).

383.25 (c) If any participating state later withdraws from the compact or its participation is
383.26 terminated, the commission shall remain in existence and the compact shall remain in effect
383.27 even if the number of participating states should be less than seven. Participating states
383.28 enacting the compact subsequent to the commission convening shall be subject to the process
383.29 set forth in article VII, paragraph (c), clause (21), to determine if their enactments are
383.30 materially different from the model compact and whether they qualify for participation in
383.31 the compact.

383.32 (d) Any participating state enacting the compact subsequent to the seven initial charter
383.33 participating states shall be subject to the process set forth in article VII, paragraph (c),

384.1 clause (21), to determine if the state's enactment is materially different from the model
384.2 compact and whether the state qualifies for participation in the compact.

384.3 (e) All actions taken for the benefit of the commission or in furtherance of the purposes
384.4 of the administration of the compact prior to the effective date of the compact or the
384.5 commission coming into existence shall be considered to be actions of the commission
384.6 unless specifically repudiated by the commission.

384.7 (f) Any state that joins this compact shall be subject to the commission's rules and bylaws
384.8 as they exist on the date on which this compact becomes law in that state. Any rule that has
384.9 been previously adopted by the commission shall have the full force and effect of law on
384.10 the day this compact becomes law in that state.

384.11 (g) Any participating state may withdraw from this compact by enacting a statute
384.12 repealing the same:

384.13 (1) a participating state's withdrawal shall not take effect until 180 days after enactment
384.14 of the repealing statute. During this 180-day period, all compact privileges that were in
384.15 effect in the withdrawing state and were granted to licensees licensed in the withdrawing
384.16 state shall remain in effect. If any licensee licensed in the withdrawing state is also licensed
384.17 in another participating state or obtains a license in another participating state within the
384.18 180 days, the licensee's compact privileges in other participating states shall not be affected
384.19 by the passage of the 180 days;

384.20 (2) withdrawal shall not affect the continuing requirement of the state licensing board
384.21 or boards of the withdrawing state to comply with the investigative and adverse action
384.22 reporting requirements of this compact prior to the effective date of withdrawal; and

384.23 (3) upon the enactment of a statute withdrawing a state from this compact, the state shall
384.24 immediately provide notice of such withdrawal to all licensees within that state. Such
384.25 withdrawing state shall continue to recognize all licenses granted pursuant to this compact
384.26 for a minimum of 180 days after the date of such notice of withdrawal.

384.27 (h) Nothing contained in this compact shall be construed to invalidate or prevent any
384.28 PA licensure agreement or other cooperative arrangement between participating states or a
384.29 participating state and a nonparticipating state that does not conflict with the provisions of
384.30 this compact.

384.31 (i) This compact may be amended by the participating states. No amendment to this
384.32 compact shall become effective and binding upon any participating state until it is enacted

385.1 materially in the same manner into the laws of all participating states, as determined by the
385.2 commission.

385.3 ARTICLE XII

385.4 CONSTRUCTION AND SEVERABILITY

385.5 (a) This compact and the commission's rulemaking authority shall be liberally construed
385.6 so as to effectuate the purposes of the compact and its implementation and administration.
385.7 Provisions of the compact expressly authorizing or requiring the promulgation of rules shall
385.8 not be construed to limit the commission's rulemaking authority solely for those purposes.

385.9 (b) The provisions of this compact shall be severable and if any phrase, clause, sentence,
385.10 or provision of this compact is held by a court of competent jurisdiction to be contrary to
385.11 the constitution of any participating state, of a state seeking participation in the compact,
385.12 or of the United States, or the applicability thereof to any government, agency, person, or
385.13 circumstance is held to be unconstitutional by a court of competent jurisdiction, the validity
385.14 of the remainder of this compact and the applicability thereof to any government, agency,
385.15 person, or circumstance shall not be affected thereby.

385.16 (c) Notwithstanding paragraph (b) or any provision of this article, the commission may
385.17 deny a state's participation in the compact or, in accordance with the requirements of article
385.18 X, paragraph (b), terminate a participating state's participation in the compact, if it determines
385.19 that a constitutional requirement of a participating state is, or would be with respect to a
385.20 state seeking to participate in the compact, a material departure from the compact. Otherwise,
385.21 if this compact shall be held to be contrary to the constitution of any participating state, the
385.22 compact shall remain in full force and effect as to the remaining participating states and in
385.23 full force and effect as to the participating state affected as to all severable matters.

385.24 ARTICLE XIII

385.25 BINDING EFFECT OF THE COMPACT

385.26 (a) Nothing herein prevents the enforcement of any other law of a participating state
385.27 that is not inconsistent with this compact.

385.28 (b) Any laws in a participating state in conflict with this compact are superseded to the
385.29 extent of the conflict.

385.30 (c) All agreements between the commission and the participating states are binding in
385.31 accordance with their terms.

388.24 (2) participate fully in the commission's data system, including but not limited to using
388.25 the commission's unique identifier as defined in rules of the commission;

388.26 (3) have a mechanism in place for receiving and investigating complaints about licensees;

388.27 (4) notify the commission, in compliance with the terms of the compact and rules, of
388.28 any adverse action or the availability of investigative information regarding a licensee;

388.29 (5) implement or utilize procedures for considering the criminal history records of
388.30 applicants for an initial compact privilege. These procedures shall include the submission
388.31 of fingerprints or other biometric-based information by applicants for the purpose of obtaining

389.2 and the agency responsible for retaining that state's criminal records;

389.3 (i) A member state shall, within a time frame established by the commission, require a
389.4 criminal background check for a licensee seeking or applying for a compact privilege whose
389.5 primary state of residence is that member state by receiving the results of the Federal Bureau
389.6 of Investigation criminal record search, and shall use the results in making licensure
389.7 decisions.

389.8 (ii) Communication between a member state, the commission, and among member states
389.9 regarding the verification of eligibility for licensure through the compact shall not include

389.19 and rules.

389.20 (C) Member states may charge a fee for granting a compact privilege.

389.21 (D) A member state shall provide for the state's delegate to attend all occupational therapy
389.22 compact commission meetings.

389.23 (E) Individuals not residing in a member state shall continue to be able to apply for a
389.24 member state's single-state license as provided under the laws of each member state.
389.25 However, the single-state license granted to these individuals shall not be recognized as
389.26 granting the compact privilege in any other member state.

389.27 (F) Nothing in this compact shall affect the requirements established by a member state
389.28 for the issuance of a single-state license.

389.29 ARTICLE IV

389.30 COMPACT PRIVILEGE

389.31 (A) To exercise the compact privilege under the terms and provisions of the compact,

- 390.1 (1) hold a license in the home state;
- 390.2 (2) have a valid United States Social Security number or national practitioner

390.6 IV, (D), (F), (G), and (H);

- 390.10 (6) notify the commission that the licensee is seeking the compact privilege within a
390.11 remote state or states;
- 390.12 (7) pay any applicable fees, including any state fee, for the compact privilege;
- 390.13 (8) complete a criminal background check in accordance with Article III, (A)(5). The
390.14 licensee shall be responsible for the payment of any fee associated with the completion of
390.15 a criminal background check;
- 390.16 (9) meet any jurisprudence requirements established by the remote state or states in

390.19 days from the date the adverse action is taken.
- 390.20 (B) The compact privilege is valid until the expiration date of the home state license.
390.21 The licensee must comply with the requirements of Article IV, (A), to maintain the compact
390.22 privilege in the remote state.
- 390.23 (C) A licensee providing occupational therapy in a remote state under the compact
390.24 privilege shall function within the laws and regulations of the remote state.
- 390.25 (D) Occupational therapy assistants practicing in a remote state shall be supervised by
390.26 an occupational therapist licensed or holding a compact privilege in that remote state.
- 390.27 (E) A licensee providing occupational therapy in a remote state is subject to that state's
390.28 regulatory authority. A remote state may, in accordance with due process and that state's
390.29 laws, remove a licensee's compact privilege in the remote state for a specific period of time,
390.30 impose fines, or take any other necessary actions to protect the health and safety of its
390.31 citizens. The licensee may be ineligible for a compact privilege in any state until the specific
390.32 time for removal has passed and all fines are paid.

391.1 (F) If a home state license is encumbered, the licensee shall lose the compact privilege
391.2 in any remote state until the following occur:

391.3 (1) the home state license is no longer encumbered; and

391.4 (2) two years have elapsed from the date on which the home state license is no longer
391.5 encumbered in accordance with Article IV, (F)(1).

391.6 (G) Once an encumbered license in the home state is restored to good standing, the
391.7 licensee must meet the requirements of Article IV, (A), to obtain a compact privilege in any
391.8 remote state.

391.9 (H) If a licensee's compact privilege in any remote state is removed, the individual may
391.10 lose the compact privilege in any other remote state until the following occur:

391.11 (1) the specific period of time for which the compact privilege was removed has ended;

391.12 (2) all fines have been paid and all conditions have been met;

391.13 (3) two years have elapsed from the date of completing requirements for Article IV,
391.14 (H)(1) and (2); and

391.15 (4) the compact privileges are reinstated by the commission and the compact data system
391.16 is updated to reflect reinstatement.

391.17 (I) If a licensee's compact privilege in any remote state is removed due to an erroneous
391.18 charge, privileges shall be restored through the compact data system.

391.19 (J) Once the requirements of Article IV, (H), have been met, the licensee must meet the
391.20 requirements in Article IV, (A), to obtain a compact privilege in a remote state.

391.21 ARTICLE V

391.22 OBTAINING A NEW HOME STATE LICENSE BY VIRTUE OF COMPACT PRIVILEGE

391.23 (A) An occupational therapist or occupational therapy assistant may hold a home state
391.24 license, which allows for compact privileges in member states, in only one member state
391.25 at a time.

391.26 (B) If an occupational therapist or occupational therapy assistant changes their primary
391.27 state of residence by moving between two member states:

391.28 (1) the occupational therapist or occupational therapy assistant shall file an application
391.29 for obtaining a new home state license by virtue of a compact privilege, pay all applicable
391.30 fees, and notify the current and new home state in accordance with applicable rules adopted
391.31 by the commission;

392.1 (2) upon receipt of an application for obtaining a new home state license by virtue of
392.2 compact privilege, the new home state shall verify that the occupational therapist or
392.3 occupational therapy assistant meets the pertinent criteria outlined in Article IV via the data
392.4 system, without need for primary source verification except for:

392.5 (i) an FBI fingerprint-based criminal background check if not previously performed or
392.6 updated pursuant to applicable rules adopted by the commission in accordance with Public
392.7 Law 92-544;

392.8 (ii) other criminal background checks as required by the new home state; and

392.9 (iii) submission of any requisite jurisprudence requirements of the new home state;

392.10 (3) the former home state shall convert the former home state license into a compact
392.11 privilege once the new home state has activated the new home state license in accordance
392.12 with applicable rules adopted by the commission;

392.13 (4) notwithstanding any other provision of this compact, if the occupational therapist or
392.14 occupational therapy assistant cannot meet the criteria in Article IV, the new home state
392.15 shall apply its requirements for issuing a new single-state license; and

392.16 (5) the occupational therapist or the occupational therapy assistant shall pay all applicable
392.17 fees to the new home state in order to be issued a new home state license.

392.18 (C) If an occupational therapist or occupational therapy assistant changes their primary
392.19 state of residence by moving from a member state to a nonmember state, or from a
392.20 nonmember state to a member state, the state criteria shall apply for issuance of a single-state
392.21 license in the new state.

392.22 (D) Nothing in this compact shall interfere with a licensee's ability to hold a single-state
392.23 license in multiple states; however, for the purposes of this compact, a licensee shall have
392.24 only one home state license.

392.25 (E) Nothing in this compact shall affect the requirements established by a member state
392.26 for the issuance of a single-state license.

392.27 ARTICLE VI

392.28 ACTIVE DUTY MILITARY PERSONNEL OR THEIR SPOUSES

392.29 Active duty military personnel, or their spouses, shall designate a home state where the
392.30 individual has a current license in good standing. The individual may retain the home state
392.31 designation during the period the service member is on active duty. Subsequent to designating

393.1 a home state, the individual shall only change their home state through application for
393.2 licensure in the new state or through the process described in Article V.

393.3 ARTICLE VII

393.4 ADVERSE ACTIONS

393.5 (A) A home state shall have exclusive power to impose adverse action against an
393.6 occupational therapist's or occupational therapy assistant's license issued by the home state.

393.7 (B) In addition to the other powers conferred by state law, a remote state shall have the
393.8 authority, in accordance with existing state due process law, to:

393.9 (1) take adverse action against an occupational therapist's or occupational therapy
393.10 assistant's compact privilege within that member state; and

393.11 (2) issue subpoenas for both hearings and investigations that require the attendance and
393.12 testimony of witnesses as well as the production of evidence. Subpoenas issued by a licensing
393.13 board in a member state for the attendance and testimony of witnesses or the production of
393.14 evidence from another member state shall be enforced in the latter state by any court of
393.15 competent jurisdiction, according to the practice and procedure of that court applicable to
393.16 subpoenas issued in proceedings pending before that court. The issuing authority shall pay
393.17 any witness fees, travel expenses, mileage, and other fees required by the service statutes
393.18 of the state in which the witnesses or evidence are located.

393.19 (C) For purposes of taking adverse action, the home state shall give the same priority
393.20 and effect to reported conduct received from a member state as it would if the conduct had
393.21 occurred within the home state. In so doing, the home state shall apply its own state laws
393.22 to determine appropriate action.

393.23 (D) The home state shall complete any pending investigations of an occupational therapist
393.24 or occupational therapy assistant who changes their primary state of residence during the
393.25 course of the investigations. The home state, where the investigations were initiated, shall
393.26 also have the authority to take appropriate action and shall promptly report the conclusions
393.27 of the investigations to the compact commission data system. The occupational therapy
393.28 compact commission data system administrator shall promptly notify the new home state
393.29 of any adverse actions.

393.30 (E) A member state, if otherwise permitted by state law, may recover from the affected
393.31 occupational therapist or occupational therapy assistant the costs of investigations and
393.32 disposition of cases resulting from any adverse action taken against that occupational
393.33 therapist or occupational therapy assistant.

394.1 (F) A member state may take adverse action based on the factual findings of the remote
394.2 state, provided that the member state follows its own procedures for taking the adverse
394.3 action.

394.4 (G) Joint Investigations:

394.5 (1) In addition to the authority granted to a member state by its respective state
394.6 occupational therapy laws and regulations or other applicable state law, any member state
394.7 may participate with other member states in joint investigations of licensees.

394.8 (2) Member states shall share any investigative, litigation, or compliance materials in
394.9 furtherance of any joint or individual investigation initiated under the compact.

394.10 (H) If an adverse action is taken by the home state against an occupational therapist's
394.11 or occupational therapy assistant's license, the occupational therapist's or occupational
394.12 therapy assistant's compact privilege in all other member states shall be deactivated until
394.13 all encumbrances have been removed from the state license. All home state disciplinary
394.14 orders that impose adverse action against an occupational therapist's or occupational therapy
394.15 assistant's license shall include a statement that the occupational therapist's or occupational
394.16 therapy assistant's compact privilege is deactivated in all member states during the pendency
394.17 of the order.

394.18 (I) If a member state takes adverse action, the member state shall promptly notify the
394.19 administrator of the data system. The administrator of the data system shall promptly notify
394.20 the home state of any adverse actions by remote states.

394.21 (J) Nothing in this compact shall override a member state's decision that participation
394.22 in an alternative program may be used in lieu of adverse action.

394.23 ARTICLE VIII

394.24 ESTABLISHMENT OF THE OCCUPATIONAL THERAPY COMPACT COMMISSION

394.25 (A) The compact member states hereby create and establish a joint public agency known

395.1 (3) Nothing in this compact shall be construed to be a waiver of sovereign immunity.

395.2 (B) Membership, Voting, and Meetings:

395.14 and creation of bylaws and shall otherwise have an opportunity to participate in the business
395.15 and affairs of the commission. A delegate shall vote in person or by such other means as
395.16 provided in the bylaws. The bylaws may provide for delegates' participation in meetings
395.17 by telephone or other means of communication.

395.29 administration of this compact. The rules shall have the force and effect of law and shall
395.30 be binding in all member states;

396.1 (7) bring and prosecute legal proceedings or actions in the name of the commission,
396.2 provided that the standing of any state occupational therapy licensing board to sue or be
396.3 sued under applicable law shall not be affected;

396.4 (8) purchase and maintain insurance and bonds;

396.5 (9) borrow, accept, or contract for services of personnel, including but not limited to
396.6 employees of a member state;

396.7 (10) hire employees, elect or appoint officers, fix compensation, define duties, grant
396.8 such individuals appropriate authority to carry out the purposes of the compact, and establish
396.9 the commission's personnel policies and programs relating to conflicts of interest,
396.10 qualifications of personnel, and other related personnel matters;

396.11 (11) accept any and all appropriate donations and grants of money, equipment, supplies,
396.12 materials, and services, and receive, utilize, and dispose of the same; provided that at all
396.13 times the commission shall avoid any appearance of impropriety or conflict of interest;

396.14 (12) lease, purchase, accept appropriate gifts or donations of, or otherwise own, hold,
396.15 improve, or use any property, real, personal, or mixed; provided that at all times the
396.16 commission shall avoid any appearance of impropriety;

396.17 (13) sell, convey, mortgage, pledge, lease, exchange, abandon, or otherwise dispose of
396.18 any property real, personal, or mixed;

396.19 (14) establish a budget and make expenditures;

396.25 (18) establish and elect an executive committee; and

396.26 (19) perform other functions as may be necessary or appropriate to achieve the purposes
396.27 of this compact consistent with the state regulation of occupational therapy licensure and
396.28 practice.

396.29 (D) The Executive Committee:

396.30 (1) The executive committee shall have the power to act on behalf of the commission
396.31 according to the terms of this compact.

- 397.1 (2) The executive committee shall be composed of nine members:
- 397.2 (i) seven voting members who are elected by the commission from the current

- 397.9 (4) The commission may remove any member of the executive committee as provided
- 397.10 in the bylaws.
- 397.11 (5) The executive committee shall meet at least annually.
- 397.12 (6) The executive committee shall have the following duties and responsibilities:
- 397.13 (i) recommend to the entire commission changes to the rules or bylaws, changes to this
- 397.14 compact legislation, fees paid by compact member states such as annual dues, and any
- 397.15 commission compact fee charged to licensees for the compact privilege;
- 397.16 (ii) ensure compact administration services are appropriately provided, contractual or
- 397.17 otherwise;
- 397.18 (iii) prepare and recommend the budget;

- 397.20 (v) monitor compact compliance of member states and provide compliance reports to
- 397.21 the commission;
- 397.22 (vi) establish additional committees as necessary; and
- 397.23 (vii) perform other duties as provided in rules or bylaws.
- 397.24 (E) Meetings of the Commission:
- 397.25 (1) All meetings shall be open to the public, and public notice of meetings shall be given
- 397.26 in the same manner as required under the rulemaking provisions in Article X.
- 397.27 (2) The commission or the executive committee or other committees of the commission
- 397.28 may convene in a closed, nonpublic meeting if the commission or executive committee or
- 397.29 other committees of the commission must discuss:
- 397.30 (i) noncompliance of a member state with its obligations under the compact;

398.1 (ii) the employment, compensation, discipline, or other matters, practices, or procedures
398.2 related to specific employees or other matters related to the commission's internal personnel
398.3 practices and procedures;

398.6 estate;

398.7 (v) accusing any person of a crime or formally censuring any person;

398.8 (vi) disclosure of trade secrets or commercial or financial information that is privileged
398.9 or confidential;

398.10 (vii) disclosure of information of a personal nature where disclosure would constitute a
398.11 clearly unwarranted invasion of personal privacy;

398.12 (viii) disclosure of investigative records compiled for law enforcement purposes;

398.13 (ix) disclosure of information related to any investigative reports prepared by or on
398.14 behalf of or for use of the commission or other committee charged with responsibility of
398.15 investigation or determination of compliance issues pursuant to the compact; or

398.16 (x) matters specifically exempted from disclosure by federal or member state statute.

398.17 (3) If a meeting, or portion of a meeting, is closed pursuant to this provision, the
398.18 commission's legal counsel or designee shall certify that the meeting may be closed and
398.19 shall reference each relevant exempting provision.

398.20 (4) The commission shall keep minutes that fully and clearly describe all matters
398.21 discussed in a meeting and shall provide a full and accurate summary of actions taken, and
398.22 the reasons therefore, including a description of the views expressed. All documents
398.23 considered in connection with an action shall be identified in such minutes. All minutes and
398.24 documents of a closed meeting shall remain under seal, subject to release by a majority vote
398.25 of the commission or order of a court of competent jurisdiction.

398.26 (F) Financing of the Commission:

398.27 (1) The commission shall pay, or provide for the payment of, the reasonable expenses
398.28 of its establishment, organization, and ongoing activities.

398.29 (2) The commission may accept any and all appropriate revenue sources, donations, and
398.30 grants of money, equipment, supplies, materials, and services.

399.1 (3) The commission may levy on and collect an annual assessment from each member
399.2 state or impose fees on other parties to cover the cost of the operations and activities of the
399.3 commission and its staff, which must be in a total amount sufficient to cover its annual
399.4 budget as approved by the commission each year for which revenue is not provided by other
399.5 sources. The aggregate annual assessment amount shall be allocated based upon a formula
399.6 to be determined by the commission, which shall promulgate a rule binding upon all member
399.7 states.

399.8 (4) The commission shall not incur obligations of any kind prior to securing the funds
399.9 adequate to meet the same; nor shall the commission pledge the credit of any of the member
399.10 states, except by and with the authority of the member state.

399.11 (5) The commission shall keep accurate accounts of all receipts and disbursements. The
399.12 receipts and disbursements of the commission shall be subject to the audit and accounting
399.13 procedures established under its bylaws. However, all receipts and disbursements of funds
399.14 handled by the commission shall be audited yearly by a certified or licensed public
399.15 accountant, and the report of the audit shall be included in and become part of the annual
399.16 report of the commission.

399.17 (G) Qualified Immunity, Defense, and Indemnification:

399.18 (1) The members, officers, executive director, employees, and representatives of the
399.19 commission shall be immune from suit and liability, either personally or in their official
399.20 capacity, for any claim for damage to or loss of property or personal injury or other civil
399.21 liability caused by or arising out of any actual or alleged act, error, or omission that occurred,
399.22 or that the person against whom the claim is made had a reasonable basis for believing
399.23 occurred within the scope of commission employment, duties, or responsibilities; provided
399.24 that nothing in this paragraph shall be construed to protect any such person from suit or
399.25 liability for any damage, loss, injury, or liability caused by the intentional or willful or
399.26 wanton misconduct of that person.

399.27 (2) The commission shall defend any member, officer, executive director, employee, or
399.28 representative of the commission in any civil action seeking to impose liability arising out
399.29 of any actual or alleged act, error, or omission that occurred within the scope of commission
399.30 employment, duties, or responsibilities, or that the person against whom the claim is made
399.31 had a reasonable basis for believing occurred within the scope of commission employment,
399.32 duties, or responsibilities; provided that nothing herein shall be construed to prohibit that
399.33 person from retaining their own counsel; and provided further, that the actual or alleged

400.1 act, error, or omission did not result from that person's intentional or willful or wanton
400.2 misconduct.

400.3 (3) The commission shall indemnify and hold harmless any member, officer, executive
400.4 director, employee, or representative of the commission for the amount of any settlement
400.5 or judgment obtained against that person arising out of any actual or alleged act, error, or
400.6 omission that occurred within the scope of commission employment, duties, or
400.7 responsibilities, or that such person had a reasonable basis for believing occurred within
400.8 the scope of commission employment, duties, or responsibilities; provided that the actual
400.9 or alleged act, error, or omission did not result from the intentional or willful or wanton
400.10 misconduct of that person.

400.11 (H) Notwithstanding paragraph (G), clause (1), the liability of the executive director,
400.12 employees, or representatives of the interstate commission, acting within the scope of their
400.13 employment or duties, may not exceed the limits of liability set forth under the constitution
400.14 and laws of this state for state officials, employees, and agents. This paragraph expressly
400.15 incorporates section 3.736, and neither expands nor limits the rights and remedies provided
400.16 under that statute.

400.17 (I) Except for a claim alleging a violation of this compact, a claim against the commission,
400.18 its executive director, employees, or representatives alleging a violation of the constitution
400.19 and laws of this state may be brought in any county where the plaintiff resides. Nothing in
400.20 this paragraph creates a private right of action.

400.21 (J) Nothing in this compact shall be construed as a limitation on the liability of any
400.22 licensee for professional malpractice or misconduct, which shall be governed solely by any
400.23 other applicable state laws.

400.24 ARTICLE IX

400.25 DATA SYSTEM

400.26 (A) The commission shall provide for the development, maintenance, and utilization of
400.27 a coordinated database and reporting system containing licensure, adverse action, and
400.28 investigative information on all licensed individuals in member states.

400.29 (B) A member state shall submit a uniform data set to the data system on all individuals
400.30 to whom this compact is applicable, utilizing a unique identifier, as required by the rules
400.31 of the commission, including:

400.32 (1) identifying information;

400.33 (2) licensure data;

- 401.1 (3) adverse actions against a license or compact privilege;
- 401.2 (4) nonconfidential information related to alternative program participation;
- 401.3 (5) any denial of application for licensure and the reason or reasons for such denial;
- 401.4 (6) other information that may facilitate the administration of this compact, as determined
401.5 by the rules of the commission; and
- 401.6 (7) current significant investigative information.
- 401.7 (C) Current significant investigative information and other investigative information
401.8 pertaining to a licensee in any member state will only be available to other member states.
- 401.9 (D) The commission shall promptly notify all member states of any adverse action taken
401.10 against a licensee or an individual applying for a license. Adverse action information
401.11 pertaining to a licensee in any member state will be available to any other member state.
- 401.12 (E) Member states contributing information to the data system may designate information
401.13 that may not be shared with the public without the express permission of the contributing
401.14 state.
- 401.15 (F) Any information submitted to the data system that is subsequently required to be
401.16 expunged by the laws of the member state contributing the information shall be removed
401.17 from the data system.

401.18 ARTICLE X

401.19 RULEMAKING

- 401.20 (A) The commission shall exercise its rulemaking powers pursuant to the criteria set
401.21 forth in this Article and the rules adopted thereunder. Rules and amendments shall become
401.22 binding as of the date specified in each rule or amendment.
- 401.23 (B) The commission shall promulgate reasonable rules in order to effectively and
401.24 efficiently achieve the purposes of the compact. Notwithstanding the foregoing, in the event
401.25 the commission exercises its rulemaking authority in a manner that is beyond the scope of
401.26 the purposes of the compact, or the powers granted hereunder, then such an action by the
401.27 commission shall be invalid and have no force and effect.
- 401.28 (C) If a majority of the legislatures of the member states rejects a rule, by enactment of
401.29 a statute or resolution in the same manner used to adopt the compact within four years of
401.30 the date of adoption of the rule, then such rule shall have no further force and effect in any
401.31 member state.

402.1 (D) Rules or amendments to the rules shall be adopted at a regular or special meeting
402.2 of the commission.

402.3 (E) Prior to promulgation and adoption of a final rule or rules by the commission, and
402.4 at least 30 days in advance of the meeting at which the rule will be considered and voted
402.5 upon, the commission shall file a notice of proposed rulemaking:

402.6 (1) on the website of the commission or other publicly accessible platform; and

402.7 (2) on the website of each member state occupational therapy licensing board or other
402.8 publicly accessible platform or the publication in which each state would otherwise publish
402.9 proposed rules.

402.10 (F) The notice of proposed rulemaking shall include:

402.11 (1) the proposed time, date, and location of the meeting in which the rule will be
402.12 considered and voted upon;

402.13 (2) the text of the proposed rule or amendment and the reason for the proposed rule;

402.14 (3) a request for comments on the proposed rule from any interested person; and

402.15 (4) the manner in which interested persons may submit notice to the commission of their
402.16 intention to attend the public hearing and any written comments.

402.17 (G) Prior to adoption of a proposed rule, the commission shall allow persons to submit
402.18 written data, facts, opinions, and arguments, which shall be made available to the public.

402.19 (H) The commission shall grant an opportunity for a public hearing before it adopts a
402.20 rule or amendment if a hearing is requested by:

402.21 (1) at least 25 persons;

402.22 (2) a state or federal governmental subdivision or agency; or

402.23 (3) an association or organization having at least 25 members.

402.24 (I) If a hearing is held on the proposed rule or amendment, the commission shall publish
402.25 the place, time, and date of the scheduled public hearing. If the hearing is held via electronic
402.26 means, the commission shall publish the mechanism for access to the electronic hearing:

402.27 (1) All persons wishing to be heard at the hearing shall notify the executive director of
402.28 the commission or other designated member in writing of their desire to appear and testify
402.29 at the hearing not less than five business days before the scheduled date of the hearing.

402.30 (2) Hearings shall be conducted in a manner providing each person who wishes to
402.31 comment a fair and reasonable opportunity to comment orally or in writing.

403.1 (3) All hearings will be recorded. A copy of the recording will be made available on
403.2 request.

403.3 (4) Nothing in this Article shall be construed as requiring a separate hearing on each
403.4 rule. Rules may be grouped for the convenience of the commission at hearings required by
403.5 this Article.

403.6 (J) Following the scheduled hearing date, or by the close of business on the scheduled
403.7 hearing date if the hearing was not held, the commission shall consider all written and oral
403.8 comments received.

403.9 (K) If no written notice of intent to attend the public hearing by interested parties is
403.10 received, the commission may proceed with promulgation of the proposed rule without a
403.11 public hearing.

403.12 (L) The commission shall, by majority vote of all members, take final action on the
403.13 proposed rule and shall determine the effective date of the rule, if any, based on the
403.14 rulemaking record and the full text of the rule.

403.15 (M) Upon determination that an emergency exists, the commission may consider and
403.16 adopt an emergency rule without prior notice, opportunity for comment, or hearing; provided
403.17 that the usual rulemaking procedures provided in the compact and in this Article shall be
403.18 retroactively applied to the rule as soon as reasonably possible, in no event later than 90
403.19 days after the effective date of the rule. For the purposes of this provision, an emergency
403.20 rule is one that must be adopted immediately in order to:

403.21 (1) meet an imminent threat to public health, safety, or welfare;

403.22 (2) prevent a loss of commission or member state funds;

403.23 (3) meet a deadline for the promulgation of an administrative rule that is established by
403.24 federal law or rule; or

403.25 (4) protect public health and safety.

403.26 (N) The commission or an authorized committee of the commission may direct revisions
403.27 to a previously adopted rule or amendment for purposes of correcting typographical errors,
403.28 errors in format, errors in consistency, or grammatical errors. Public notice of any revisions
403.29 shall be posted on the website of the commission. The revision shall be subject to challenge
403.30 by any person for a period of 30 days after posting. The revision may be challenged only
403.31 on grounds that the revision results in a material change to a rule. A challenge shall be made
403.32 in writing and delivered to the chair of the commission prior to the end of the notice period.

404.1 If no challenge is made, the revision will take effect without further action. If the revision
404.2 is challenged, the revision may not take effect without the approval of the commission.

404.3 ARTICLE XI

404.4 OVERSIGHT, DISPUTE RESOLUTION, AND ENFORCEMENT

404.5 (A) Oversight:

404.6 (1) The executive, legislative, and judicial branches of state government in each member
404.7 state shall enforce this compact and take all actions necessary and appropriate to effectuate
404.8 the compact's purposes and intent. The provisions of this compact and the rules promulgated
404.9 hereunder shall have standing as statutory law.

404.10 (2) All courts shall take judicial notice of the compact and the rules in any judicial or
404.11 administrative proceeding in a member state pertaining to the subject matter of this compact
404.12 which may affect the powers, responsibilities, or actions of the commission.

404.13 (3) The commission shall be entitled to receive service of process in any such proceeding,
404.14 and shall have standing to intervene in such a proceeding for all purposes. Failure to provide
404.15 service of process to the commission shall render a judgment or order void as to the
404.16 commission, this compact, or promulgated rules.

404.17 (B) Default, Technical Assistance, and Termination:

404.18 (1) If the commission determines that a member state has defaulted in the performance
404.19 of its obligations or responsibilities under this compact or the promulgated rules, the
404.20 commission shall:

404.21 (i) provide written notice to the defaulting state and other member states of the nature
404.22 of the default, the proposed means of curing the default, or any other action to be taken by
404.23 the commission; and

404.24 (ii) provide remedial training and specific technical assistance regarding the default.

404.25 (2) If a state in default fails to cure the default, the defaulting state may be terminated
404.26 from the compact upon an affirmative vote of a majority of the member states, and all rights,
404.27 privileges, and benefits conferred by this compact may be terminated on the effective date
404.28 of termination. A cure of the default does not relieve the offending state of obligations or
404.29 liabilities incurred during the period of default.

404.30 (3) Termination of membership in the compact shall be imposed only after all other
404.31 means of securing compliance have been exhausted. Notice of intent to suspend or terminate

405.1 shall be given by the commission to the governor, the majority and minority leaders of the
405.2 defaulting state's legislature, and each of the member states.

405.3 (4) A state that has been terminated is responsible for all assessments, obligations, and
405.4 liabilities incurred through the effective date of termination, including obligations that
405.5 extend beyond the effective date of termination.

405.6 (5) The commission shall not bear any costs related to a state that is found to be in default
405.7 or that has been terminated from the compact, unless agreed upon in writing between the
405.8 commission and the defaulting state.

405.9 (6) The defaulting state may appeal the action of the commission by petitioning the
405.10 United States District Court for the District of Columbia or the federal district where the
405.11 commission has its principal offices. The prevailing member shall be awarded all costs of
405.12 such litigation, including reasonable attorney fees.

405.13 (C) Dispute Resolution:

405.14 (1) Upon request by a member state, the commission shall attempt to resolve disputes
405.15 related to the compact that arise among member states and between member and nonmember
405.16 states.

405.17 (2) The commission shall promulgate a rule providing for both mediation and binding
405.18 dispute resolution for disputes as appropriate.

405.19 (D) Enforcement:

405.20 (1) The commission, in the reasonable exercise of its discretion, shall enforce the
405.21 provisions and rules of this compact.

405.22 (2) By majority vote, the commission may initiate legal action in the United States
405.23 District Court for the District of Columbia or the federal district where the commission has
405.24 its principal offices against a member state in default to enforce compliance with the
405.25 provisions of the compact and its promulgated rules and bylaws. The relief sought may
405.26 include both injunctive relief and damages. In the event that judicial enforcement is necessary,
405.27 the prevailing member shall be awarded all costs of such litigation, including reasonable
405.28 attorney fees.

405.29 (3) The remedies herein shall not be the exclusive remedies of the commission. The
405.30 commission may pursue any other remedies available under federal or state law.

405.31

ARTICLE XII

406.1 DATE OF IMPLEMENTATION OF THE INTERSTATE COMMISSION FOR
406.2 OCCUPATIONAL THERAPY PRACTICE AND ASSOCIATED RULES, WITHDRAWAL,
406.3 AND AMENDMENT

406.4 (A) The compact shall come into effect on the date on which the compact statute is

406.22 member state and a nonmember state that does not conflict with the provisions of this
406.23 compact.

406.24 (E) This compact may be amended by the member states. No amendment to this compact

412.26 the production of evidence from another party state, shall be enforced in the latter state by

418.3 or that the person against whom the claim is made had a reasonable basis for believing
418.4 occurred, within the scope of commission employment, duties, or responsibilities, provided
418.5 that nothing in this paragraph shall be construed to protect any such person from suit or
418.6 liability for any damage, loss, injury, or liability caused by the intentional or willful or
418.7 wanton misconduct of that person;

418.8 (2) the commission shall defend any member, officer, executive director, employee, or
418.9 representative of the commission in any civil action seeking to impose liability arising out
418.10 of any actual or alleged act, error, or omission that occurred within the scope of commission
418.11 employment, duties, or responsibilities, or that the person against whom the claim is made
418.12 had a reasonable basis for believing occurred within the scope of commission employment,
418.13 duties, or responsibilities, provided that nothing herein shall be construed to prohibit that
418.14 person from retaining his or her own counsel, and provided further that the actual or alleged
418.15 act, error, or omission did not result from the intentional or willful or wanton misconduct
418.16 of that person; and

418.17 (3) the commission shall indemnify and hold harmless any member, officer, executive
418.18 director, employee, or representative of the commission for the amount of any settlement
418.19 or judgment obtained against that person arising out of any actual or alleged act, error, or
418.20 omission that occurred within the scope of commission employment, duties, or
418.21 responsibilities, or that such person had a reasonable basis for believing occurred within
418.22 the scope of commission employment, duties, or responsibilities, provided that the actual
418.23 or alleged act, error, or omission did not result from the intentional or willful or wanton
418.24 misconduct of that person.

418.25 (g) Notwithstanding paragraph (f), clause (1), the liability of the executive director,
418.26 employees, or representatives of the interstate commission, acting within the scope of their
418.27 employment or duties, may not exceed the limits of liability set forth under the constitution
418.28 and laws of this state for state officials, employees, and agents. This paragraph expressly
418.29 incorporates section 3.736, and neither expands nor limits the rights and remedies provided
418.30 under that statute.

418.31 (h) Except for a claim alleging a violation of this compact, a claim against the
418.32 commission, its executive director, employees, or representatives alleging a violation of the
418.33 constitution and laws of this state may be brought in any county where the plaintiff resides.
418.34 Nothing in this paragraph creates a private right of action.

419.1 (i) Nothing in this compact shall be construed as a limitation on the liability of any
419.2 licensee for professional malpractice or misconduct, which shall be governed solely by any
419.3 other applicable state laws.

419.4 ARTICLE VIII

419.5 DATA SYSTEM

419.6 (a) The commission shall provide for the development, maintenance, and utilization of
419.7 a coordinated database and reporting system containing licensure, adverse action, and

419.20 available to other party states.

419.21 (d) The commission shall promptly notify all member states of any adverse action taken
419.22 against a licensee or an individual applying for a license. Adverse action information
419.23 pertaining to a licensee in any member state will be available to any other member state.

419.24 (e) Member states contributing information to the data system may designate information
419.25 that may not be shared with the public without the express permission of the contributing

419.27 (f) Any information submitted to the data system that is subsequently required to be
419.28 expunged by the laws of the member state contributing the information shall be removed
419.29 from the data system.

419.30 ARTICLE IX

420.1 (a) The commission shall exercise its rulemaking powers pursuant to the criteria set
420.2 forth in this article and the rules adopted thereunder. Rules and amendments shall become
420.3 binding as of the date specified in each rule or amendment.

420.4 (b) If a majority of the legislatures of the member states rejects a rule, by enactment of
420.5 a statute or resolution in the same manner used to adopt the compact within four years of
420.6 the date of adoption of the rule, then such rule shall have no further force and effect in any
420.7 member state.

420.8 (c) Rules or amendments to the rules shall be adopted at a regular or special meeting of
420.9 the commission.

420.10 (d) Prior to promulgation and adoption of a final rule or rules by the commission and at
420.11 least 30 days in advance of the meeting at which the rule will be considered and voted upon,
420.12 the commission shall file a notice of proposed rulemaking:

420.13 (1) on the website of the commission or other publicly accessible platform; and

420.14 (2) on the website of each member state physical therapy licensing board or other publicly
420.15 accessible platform or the publication in which each state would otherwise publish proposed
420.16 rules.

420.17 (e) The notice of proposed rulemaking shall include:

420.18 (1) the proposed time, date, and location of the meeting in which the rule will be
420.19 considered and voted upon;

420.20 (2) the text of the proposed rule or amendment and the reason for the proposed rule;

420.21 (3) a request for comments on the proposed rule from any interested person; and

420.22 (4) the manner in which interested persons may submit notice to the commission of their
420.23 intention to attend the public hearing and any written comments.

420.24 (f) Prior to adoption of a proposed rule, the commission shall allow persons to submit
420.25 written data, facts, opinions, and arguments, which shall be made available to the public.

420.26 (g) The commission shall grant an opportunity for a public hearing before it adopts a
420.27 rule or amendment if a hearing is requested by:

420.28 (1) at least 25 persons;

420.29 (2) a state or federal governmental subdivision or agency; or

420.30 (3) an association having at least 25 members.

421.1 (h) If a hearing is held on the proposed rule or amendment, the commission shall publish
421.2 the place, time, and date of the scheduled public hearing. If the hearing is held via electronic
421.3 means, the commission shall publish the mechanism for access to the electronic hearing:

421.4 (1) all persons wishing to be heard at the hearing shall notify the executive director of
421.5 the commission or other designated member in writing of their desire to appear and testify
421.6 at the hearing not less than five business days before the scheduled date of the hearing;

421.7 (2) hearings shall be conducted in a manner providing each person who wishes to
421.8 comment a fair and reasonable opportunity to comment orally or in writing;

421.9 (3) all hearings will be recorded. A copy of the recording will be made available on
421.10 request; and

421.11 (4) nothing in this section shall be construed as requiring a separate hearing on each
421.12 rule. Rules may be grouped for the convenience of the commission at hearings required by
421.13 this section.

421.14 (i) Following the scheduled hearing date, or by the close of business on the scheduled
421.15 hearing date if the hearing was not held, the commission shall consider all written and oral
421.16 comments received.

421.17 (j) If no written notice of intent to attend the public hearing by interested parties is
421.18 received, the commission may proceed with promulgation of the proposed rule without a
421.19 public hearing.

421.20 (k) The commission shall, by majority vote of all members, take final action on the
421.21 proposed rule and shall determine the effective date of the rule, if any, based on the
421.22 rulemaking record and the full text of the rule.

421.23 (l) Upon determination that an emergency exists, the commission may consider and
421.24 adopt an emergency rule without prior notice, opportunity for comment, or hearing, provided
421.25 that the usual rulemaking procedures provided in the compact and in this section shall be
421.26 retroactively applied to the rule as soon as reasonably possible, in no event later than 90
421.27 days after the effective date of the rule. For the purposes of this provision, an emergency
421.28 rule is one that must be adopted immediately in order to:

421.29 (1) meet an imminent threat to public health, safety, or welfare;

421.30 (2) prevent a loss of commission or member state funds;

421.31 (3) meet a deadline for the promulgation of an administrative rule that is established by

422.2 (m) The commission or an authorized committee of the commission may direct revisions
422.3 to a previously adopted rule or amendment for purposes of correcting typographical errors,
422.4 errors in format, errors in consistency, or grammatical errors. Public notice of any revisions
422.5 shall be posted on the website of the commission. The revision shall be subject to challenge
422.6 by any person for a period of 30 days after posting. The revision may be challenged only
422.7 on grounds that the revision results in a material change to a rule. A challenge shall be made
422.8 in writing and delivered to the chair of the commission prior to the end of the notice period.
422.9 If no challenge is made, the revision will take effect without further action. If the revision
422.10 is challenged, the revision may not take effect without the approval of the commission.

422.11 ARTICLE X

422.12 OVERSIGHT, DISPUTE RESOLUTION, AND ENFORCEMENT

422.13 (a) Oversight:

422.14 (1) the executive, legislative, and judicial branches of state government in each member
422.15 state shall enforce this compact and take all actions necessary and appropriate to effectuate
422.16 the compact's purposes and intent. The provisions of this compact and the rules promulgated
422.17 hereunder shall have standing as statutory law;

422.18 (2) all courts shall take judicial notice of the compact and the rules in any judicial or
422.19 administrative proceeding in a member state pertaining to the subject matter of this compact
422.20 which may affect the powers, responsibilities, or actions of the commission; and

422.21 (3) the commission shall be entitled to receive service of process in any such proceeding
422.22 and shall have standing to intervene in such a proceeding for all purposes. Failure to provide
422.23 service of process to the commission shall render a judgment or order void as to the
422.24 commission, this compact, or promulgated rules.

422.25 (b) Default, technical assistance, and termination:

422.26 (1) if the commission determines that a member state has defaulted in the performance
422.27 of its obligations or responsibilities under this compact or the promulgated rules, the
422.28 commission shall:

422.29 (i) provide written notice to the defaulting state and other member states of the nature
422.30 of the default, the proposed means of curing the default, or any other action to be taken by
422.31 the commission; and

422.32 (ii) provide remedial training and specific technical assistance regarding the default;

423.1 (2) if a state in default fails to cure the default, the defaulting state may be terminated
423.2 from the compact upon an affirmative vote of a majority of the member states, and all rights,
423.3 privileges, and benefits conferred by this compact may be terminated on the effective date
423.4 of termination. A cure of the default does not relieve the offending state of obligations or
423.5 liabilities incurred during the period of default;

423.6 (3) termination of membership in the compact shall be imposed only after all other means
423.7 of securing compliance have been exhausted. Notice of intent to suspend or terminate shall
423.8 be given by the commission to the governor, the majority and minority leaders of the
423.9 defaulting state's legislature, and each of the member states;

423.10 (4) a state that has been terminated is responsible for all assessments, obligations, and
423.11 liabilities incurred through the effective date of termination, including obligations that
423.12 extend beyond the effective date of termination;

423.13 (5) the commission shall not bear any costs related to a state that is found to be in default
423.14 or that has been terminated from the compact, unless agreed upon in writing between the
423.15 commission and the defaulting state; and

423.16 (6) the defaulting state may appeal the action of the commission by petitioning the United
423.17 States District Court for the District of Columbia or the federal district where the commission
423.18 has its principal offices. The prevailing member shall be awarded all costs of such litigation,
423.19 including reasonable attorney fees.

423.20 (c) Dispute resolution:

423.21 (1) upon request by a member state, the commission shall attempt to resolve disputes
423.22 related to the compact that arise among member states and between member and nonmember
423.23 states; and

423.24 (2) the commission shall promulgate a rule providing for both mediation and binding
423.25 dispute resolution for disputes as appropriate.

423.26 (d) Enforcement:

423.27 (1) the commission, in the reasonable exercise of its discretion, shall enforce the
423.28 provisions and rules of this compact;

423.29 (2) by majority vote, the commission may initiate legal action in the United States District
423.30 Court for the District of Columbia or the federal district where the commission has its
423.31 principal offices against a member state in default to enforce compliance with the provisions
423.32 of the compact and its promulgated rules and bylaws. The relief sought may include both
423.33 injunctive relief and damages. In the event judicial enforcement is necessary, the prevailing

424.1 member shall be awarded all costs of such litigation, including reasonable attorney fees;
424.2 and

424.3 (3) the remedies herein shall not be the exclusive remedies of the commission. The
424.4 commission may pursue any other remedies available under federal or state law.

424.5 ARTICLE XI

424.6 DATE OF IMPLEMENTATION OF THE INTERSTATE COMPACT FOR PHYSICAL
424.7 THERAPY PRACTICE AND ASSOCIATED RULES, WITHDRAWAL, AND
424.8 AMENDMENTS

424.9 (a) The compact shall come into effect on the date on which the compact statute is
424.10 enacted into law in the tenth member state. The provisions, which become effective at that
424.11 time, shall be limited to the powers granted to the commission relating to assembly and the
424.12 promulgation of rules. Thereafter, the commission shall meet and exercise rulemaking
424.13 powers necessary to the implementation and administration of the compact.

424.14 (b) Any state that joins the compact subsequent to the commission's initial adoption of
424.15 the rules shall be subject to the rules as they exist on the date on which the compact becomes
424.16 law in that state. Any rule that has been previously adopted by the commission shall have
424.17 the full force and effect of law on the day the compact becomes law in that state.

424.18 (c) Any member state may withdraw from this compact by enacting a statute repealing
424.19 the same:

424.20 (1) a member state's withdrawal shall not take effect until six months after enactment
424.21 of the repealing statute; and

424.22 (2) withdrawal shall not affect the continuing requirement of the withdrawing state's
424.23 physical therapy licensing board to comply with the investigative and adverse action reporting
424.24 requirements of this compact prior to the effective date of withdrawal.

424.25 (d) Nothing contained in this compact shall be construed to invalidate or prevent any
424.26 physical therapy licensure agreement or other cooperative arrangement between a member
424.27 state and a nonmember state that does not conflict with the provisions of this compact.

424.28 (e) This compact may be amended by the member states. No amendment to this compact
424.29 shall become effective and binding upon any member state until it is enacted into the laws
424.30 of all member states.

424.31 ARTICLE XII

424.32 CONSTRUCTION AND SEVERABILITY

425.1 This compact shall be liberally construed so as to effectuate the purposes thereof. The
425.2 provisions of this compact shall be severable and if any phrase, clause, sentence, or provision
425.3 of this compact is declared to be contrary to the constitution of any party state or of the
425.4 United States or the applicability thereof to any government, agency, person, or circumstance
425.5 is held invalid, the validity of the remainder of this compact and the applicability thereof
425.6 to any government, agency, person, or circumstance shall not be affected thereby. If this
425.7 compact shall be held contrary to the constitution of any party state, the compact shall
425.8 remain in full force and effect as to the remaining party states and in full force and effect
425.9 as to the party state affected as to all severable matters.

425.10 **EFFECTIVE DATE.** This section is effective the day following final enactment. The
425.11 Board of Physical Therapy must publish the effective date of the compact in the State
425.12 Register and on the board's website.

429.21 member state's single state license as provided under the laws of each member state. However,
429.22 the single state license granted to these individuals shall not be recognized as granting a
429.23 privilege to practice professional counseling in any other member state.

429.24 (e) Nothing in this compact shall affect the requirements established by a member state
429.25 for the issuance of a single state license.

429.26 (f) A license issued to a licensed professional counselor by a home state to a resident in
429.27 that state shall be recognized by each member state as authorizing a licensed professional
429.28 counselor to practice professional counseling, under a privilege to practice, in each member
429.29 state.

429.30 ARTICLE IV

429.31 PRIVILEGE TO PRACTICE

430.1 (a) To exercise the privilege to practice under the terms and provisions of the compact,
430.2 the licensee shall:

430.4 (2) have a valid United States Social Security number or national practitioner identifier;

430.5 (3) be eligible for a privilege to practice in any member state in accordance with this
430.6 article, paragraphs (d), (g), and (h);

430.7 (4) have not had any encumbrance or restriction against any license or privilege to
430.8 practice within the previous two years;

430.9 (5) notify the commission that the licensee is seeking the privilege to practice within a
430.10 remote state(s);

430.11 (6) pay any applicable fees, including any state fee, for the privilege to practice;

430.12 (7) meet any continuing competence or education requirements established by the home
430.13 state;

430.14 (8) meet any jurisprudence requirements established by the remote state in which the
430.15 licensee is seeking a privilege to practice; and

430.16 (9) report to the commission any adverse action, encumbrance, or restriction on license
430.17 taken by any nonmember state within 30 days from the date the action is taken.

430.18 (b) The privilege to practice is valid until the expiration date of the home state license.
430.19 The licensee must comply with the requirements of this article, paragraph (a), to maintain
430.20 the privilege to practice in the remote state.

430.21 (c) A licensee providing professional counseling in a remote state under the privilege
430.22 to practice shall adhere to the laws and regulations of the remote state.

430.23 (d) A licensee providing professional counseling services in a remote state is subject to
430.24 that state's regulatory authority. A remote state may, in accordance with due process and
430.25 that state's laws, remove a licensee's privilege to practice in the remote state for a specific
430.26 period of time, impose fines, or take any other necessary actions to protect the health and
430.27 safety of its citizens. The licensee may be ineligible for a privilege to practice in any member
430.28 state until the specific time for removal has passed and all fines are paid.

430.29 (e) If a home state license is encumbered, the licensee shall lose the privilege to practice
430.30 in any remote state until the following occur:

430.31 (1) the home state license is no longer encumbered; and

431.1 (2) have not had any encumbrance or restriction against any license or privilege to
431.2 practice within the previous two years.

431.3 (f) Once an encumbered license in the home state is restored to good standing, the
431.4 licensee must meet the requirements of this article, paragraph (a), to obtain a privilege to
431.5 practice in any remote state.

431.6 (g) If a licensee's privilege to practice in any remote state is removed, the individual
431.7 may lose the privilege to practice in all other remote states until the following occur:

431.8 (1) the specific period of time for which the privilege to practice was removed has ended;

431.9 (2) all fines have been paid; and

431.10 (3) have not had any encumbrance or restriction against any license or privilege to
431.11 practice within the previous two years.

431.12 (h) Once the requirements of this article, paragraph (g), have been met, the licensee must
431.13 meet the requirements in this article, paragraph (a), to obtain a privilege to practice in a
431.14 remote state.

431.15 ARTICLE V

431.16 OBTAINING A NEW HOME STATE LICENSE BASED ON A PRIVILEGE TO
431.17 PRACTICE

431.18 (a) A licensed professional counselor may hold a home state license, which allows for
431.19 a privilege to practice in other member states, in only one member state at a time.

431.20 (b) If a licensed professional counselor changes primary state of residence by moving
431.21 between two member states:

431.22 (1) the licensed professional counselor shall file an application for obtaining a new home
431.23 state license based on a privilege to practice, pay all applicable fees, and notify the current
431.24 and new home state in accordance with applicable rules adopted by the commission;

431.25 (2) upon receipt of an application for obtaining a new home state license by virtue of a
431.26 privilege to practice, the new home state shall verify that the licensed professional counselor
431.27 meets the pertinent criteria outlined in article IV via the data system, without need for
431.28 primary source verification, except for:

431.29 (i) a Federal Bureau of Investigation fingerprint-based criminal background check if not
431.30 previously performed or updated pursuant to applicable rules adopted by the commission
431.31 in accordance with Public Law 92-544;

- 432.1 (ii) other criminal background checks as required by the new home state; and
- 432.2 (iii) completion of any requisite jurisprudence requirements of the new home state;
- 432.3 (3) the former home state shall convert the former home state license into a privilege to
432.4 practice once the new home state has activated the new home state license in accordance
432.5 with applicable rules adopted by the commission;
- 432.6 (4) notwithstanding any other provision of this compact, if the licensed professional
432.7 counselor cannot meet the criteria in article VI, the new home state may apply its
432.8 requirements for issuing a new single state license; and
- 432.9 (5) the licensed professional counselor shall pay all applicable fees to the new home
432.10 state in order to be issued a new home state license.
- 432.11 (c) If a licensed professional counselor changes primary state of residence by moving
432.12 from a member state to a nonmember state, or from a nonmember state to a member state,
432.13 the state criteria shall apply for issuance of a single state license in the new state.
- 432.14 (d) Nothing in this compact shall interfere with a licensee's ability to hold a single state
432.15 license in multiple states, however, for the purposes of this compact, a licensee shall have
432.16 only one home state license.
- 432.17 (e) Nothing in this compact shall affect the requirements established by a member state
432.18 for the issuance of a single state license.

432.19 ARTICLE VI

432.20 ACTIVE DUTY MILITARY PERSONNEL OR THEIR SPOUSES

- 432.21 Active duty military personnel, or their spouse, shall designate a home state where the
432.22 individual has a current license in good standing. The individual may retain the home state
432.23 designation during the period the service member is on active duty. Subsequent to designating
432.24 a home state, the individual shall only change their home state through application for
432.25 licensure in the new state or through the process outlined in article V.

432.26 ARTICLE VII

432.27 COMPACT PRIVILEGE TO PRACTICE TELEHEALTH

- 432.28 (a) Member states shall recognize the right of a licensed professional counselor, licensed
432.29 by a home state in accordance with article III and under rules promulgated by the commission,
432.30 to practice professional counseling in any member state via telehealth under a privilege to
432.31 practice as provided in the compact and rules promulgated by the commission.

433.1 (b) A licensee providing professional counseling services in a remote state under the
433.2 privilege to practice shall adhere to the laws and regulations of the remote state.

433.3 ARTICLE VIII

433.4 ADVERSE ACTIONS

433.5 (a) In addition to the other powers conferred by state law, a remote state shall have the
433.6 authority, in accordance with existing state due process law, to:

433.7 (1) take adverse action against a licensed professional counselor's privilege to practice
433.8 within that member state; and

433.9 (2) issue subpoenas for both hearings and investigations that require the attendance and
433.10 testimony of witnesses as well as the production of evidence. Subpoenas issued by a licensing
433.11 board in a member state for the attendance and testimony of witnesses or the production of
433.12 evidence from another member state shall be enforced in the latter state by any court of
433.13 competent jurisdiction according to the practice and procedure of that court applicable to
433.14 subpoenas issued in proceedings pending before it. The issuing authority shall pay any
433.15 witness fees, travel expenses, mileage, and other fees required by the service statutes of the
433.16 state in which the witnesses or evidence are located.

433.17 (b) Only the home state shall have the power to take adverse action against a licensed
433.18 professional counselor's license issued by the home state.

433.19 (c) For purposes of taking adverse action, the home state shall give the same priority
433.20 and effect to reported conduct received from a member state as it would if the conduct had
433.21 occurred within the home state. In so doing, the home state shall apply its own state laws
433.22 to determine appropriate action.

433.23 (d) The home state shall complete any pending investigations of a licensed professional
433.24 counselor who changes primary state of residence during the course of the investigations.
433.25 The home state shall also have the authority to take appropriate action and shall promptly
433.26 report the conclusions of the investigations to the administrator of the data system. The
433.27 administrator of the coordinated licensure information system shall promptly notify the new
433.28 home state of any adverse actions.

433.29 (e) A member state, if otherwise permitted by state law, may recover from the affected
433.30 licensed professional counselor the costs of investigations and dispositions of cases resulting
433.31 from any adverse action taken against that licensed professional counselor.

434.1 (f) A member state may take adverse action based on the factual findings of the remote
434.2 state, provided that the member state follows its own procedures for taking the adverse
434.3 action.

434.4 (g) Joint investigations:

434.5 (1) in addition to the authority granted to a member state by its respective professional
434.6 counseling practice act or other applicable state law, any member state may participate with
434.7 other member states in joint investigations of licensees; and

434.8 (2) member states shall share any investigative, litigation, or compliance materials in
434.9 furtherance of any joint or individual investigation initiated under the compact.

434.10 (h) If adverse action is taken by the home state against the license of a licensed
434.11 professional counselor, the licensed professional counselor's privilege to practice in all other
434.12 member states shall be deactivated until all encumbrances have been removed from the
434.13 state license. All home state disciplinary orders that impose adverse action against the license
434.14 of a licensed professional counselor shall include a statement that the licensed professional
434.15 counselor's privilege to practice is deactivated in all member states during the pendency of
434.16 the order.

434.17 (i) If a member state takes adverse action, it shall promptly notify the administrator of
434.18 the data system. The administrator of the data system shall promptly notify the home state
434.19 of any adverse actions by remote states.

434.20 (j) Nothing in this compact shall override a member state's decision that participation
434.21 in an alternative program may be used in lieu of adverse action.

434.22 ARTICLE IX

434.23 ESTABLISHMENT OF COUNSELING COMPACT COMMISSION

434.24 (a) The compact member states hereby create and establish a joint public agency known
434.25 as the counseling compact commission:

436.10 of personnel, and other related personnel matters;

436.11 (10) accept any and all appropriate donations and grants of money, equipment, supplies,
436.12 materials, and services and to receive, utilize, and dispose of the same; provided that at all
436.13 times the commission shall avoid any appearance of impropriety and conflict of interest;

436.14 (11) lease, purchase, accept appropriate gifts or donations of, or otherwise to own, hold,

438.22 therefore, including a description of the views expressed. All documents considered in
438.23 connection with an action shall be identified in such minutes. All minutes and documents

439.6 by the commission, which shall promulgate a rule binding upon all member states;

439.7 (iv) the commission shall not incur obligations of any kind prior to securing the funds
439.8 adequate to meet the same; nor shall the commission pledge the credit of any of the member
439.9 states, except by and with the authority of the member state; and

439.10 (v) the commission shall keep accurate accounts of all receipts and disbursements. The
439.11 receipts and disbursements of the commission shall be subject to the audit and accounting
439.12 procedures established under its bylaws. However, all receipts and disbursements of funds

439.20 liability caused by or arising out of any actual or alleged act, error, or omission that occurred,
439.21 or that the person against whom the claim is made had a reasonable basis for believing
439.22 occurred within the scope of commission employment, duties, or responsibilities; provided
439.23 that nothing in this paragraph shall be construed to protect any such person from suit or
439.24 liability for any damage, loss, injury, or liability caused by the intentional or willful or
439.25 wanton misconduct of that person;

439.26 (2) the commission shall defend any member, officer, executive director, employee, or
439.27 representative of the commission in any civil action seeking to impose liability arising out
439.28 of any actual or alleged act, error, or omission that occurred within the scope of commission
439.29 employment, duties, or responsibilities, or that the person against whom the claim is made
439.30 had a reasonable basis for believing occurred within the scope of commission employment,
439.31 duties, or responsibilities; provided that nothing herein shall be construed to prohibit that
439.32 person from retaining his or her own counsel; and provided further, that the actual or alleged
439.33 act, error, or omission did not result from that person's intentional or willful or wanton
439.34 misconduct; and

440.1 (3) the commission shall indemnify and hold harmless any member, officer, executive
440.2 director, employee, or representative of the commission for the amount of any settlement
440.3 or judgment obtained against that person arising out of any actual or alleged act, error, or
440.4 omission that occurred within the scope of commission employment, duties, or
440.5 responsibilities, or that such person had a reasonable basis for believing occurred within
440.6 the scope of commission employment, duties, or responsibilities, provided that the actual
440.7 or alleged act, error, or omission did not result from the intentional or willful or wanton
440.8 misconduct of that person.

440.9 (h) Notwithstanding paragraph (g), clause (1), the liability of the executive director,
440.10 employees, or representatives of the interstate commission, acting within the scope of their
440.11 employment or duties, may not exceed the limits of liability set forth under the constitution
440.12 and laws of this state for state officials, employees, and agents. This paragraph expressly
440.13 incorporates section 3.736, and neither expands nor limits the rights and remedies provided
440.14 under that statute.

440.15 (i) Except for a claim alleging a violation of this compact, a claim against the commission,
440.16 its executive director, employees, or representatives alleging a violation of the constitution
440.17 and laws of this state may be brought in any county where the plaintiff resides. Nothing in
440.18 this paragraph creates a private right of action.

440.19 (j) Nothing in this compact shall be construed as a limitation on the liability of any
440.20 licensee for professional malpractice or misconduct, which shall be governed solely by any
440.21 other applicable state laws.

440.22 ARTICLE X

440.23 DATA SYSTEM

440.24 (a) The commission shall provide for the development, maintenance, operation, and
440.25 utilization of a coordinated database and reporting system containing licensure, adverse
440.26 action, and investigative information on all licensed individuals in member states.

440.27 (b) Notwithstanding any other provision of state law to the contrary, a member state
440.28 shall submit a uniform data set to the data system on all individuals to whom this compact
440.29 is applicable as required by the rules of the commission, including:

441.5 by the rules of the commission.

441.6 (c) Investigative information pertaining to a licensee in any member state will only be
441.7 available to other member states.

441.8 (d) The commission shall promptly notify all member states of any adverse action taken
441.9 against a licensee or an individual applying for a license. Adverse action information
441.10 pertaining to a licensee in any member state will be available to any other member state.

441.11 (e) Member states contributing information to the data system may designate information
441.12 that may not be shared with the public without the express permission of the contributing
441.13 state.

441.14 (f) Any information submitted to the data system that is subsequently required to be
441.15 expunged by the laws of the member state contributing the information shall be removed
441.16 from the data system.

441.17 ARTICLE XI

441.18 RULEMAKING

441.19 (a) The commission shall promulgate reasonable rules in order to effectively and
441.20 efficiently achieve the purpose of the compact. Notwithstanding the foregoing, in the event
441.21 the commission exercises its rulemaking authority in a manner that is beyond the scope of
441.22 the purposes of the compact, or the powers granted hereunder, then such an action by the
441.23 commission shall be invalid and have no force or effect.

441.24 (b) The commission shall exercise its rulemaking powers pursuant to the criteria set
441.25 forth in this article and the rules adopted thereunder. Rules and amendments shall become
441.26 binding as of the date specified in each rule or amendment.

441.27 (c) If a majority of the legislatures of the member states rejects a rule, by enactment of
441.28 a statute or resolution in the same manner used to adopt the compact within four years of
441.29 the date of adoption of the rule, then such rule shall have no further force and effect in any
441.30 member state.

441.31 (d) Rules or amendments to the rules shall be adopted at a regular or special meeting of
441.32 the commission.

442.1 (e) Prior to promulgation and adoption of a final rule or rules by the commission, and
442.2 at least thirty days in advance of the meeting at which the rule will be considered and voted
442.3 upon, the commission shall file a notice of proposed rulemaking:

442.4 (1) on the website of the commission or other publicly accessible platform; and

442.5 (2) on the website of each member state professional counseling licensing board or other
442.6 publicly accessible platform or the publication in which each state would otherwise publish
442.7 proposed rules.

442.8 (f) The notice of proposed rulemaking shall include:

442.9 (1) the proposed time, date, and location of the meeting in which the rule will be
442.10 considered and voted upon;

442.11 (2) the text of the proposed rule or amendment and the reason for the proposed rule;

442.12 (3) a request for comments on the proposed rule from any interested person; and

442.13 (4) the manner in which interested persons may submit notice to the commission of their
442.14 intention to attend the public hearing and any written comments.

442.15 (g) Prior to adoption of a proposed rule, the commission shall allow persons to submit
442.16 written data, facts, opinions, and arguments, which shall be made available to the public.

442.17 (h) The commission shall grant an opportunity for a public hearing before it adopts a
442.18 rule or amendment if a hearing is requested by:

442.19 (1) at least 25 persons;

442.20 (2) a state or federal governmental subdivision or agency; or

442.21 (3) an association having at least 25 members.

442.22 (i) If a hearing is held on the proposed rule or amendment, the commission shall publish
442.23 the place, time, and date of the scheduled public hearing. If the hearing is held via electronic
442.24 means, the commission shall publish the mechanism for access to the electronic hearing:

442.25 (1) all persons wishing to be heard at the hearing shall notify the executive director of
442.26 the commission or other designated member in writing of their desire to appear and testify
442.27 at the hearing not less than five business days before the scheduled date of the hearing;

442.28 (2) hearings shall be conducted in a manner providing each person who wishes to
442.29 comment a fair and reasonable opportunity to comment orally or in writing;

442.30 (3) all hearings will be recorded. A copy of the recording will be made available on
442.31 request; and

443.1 (4) nothing in this article shall be construed as requiring a separate hearing on each rule.
443.2 Rules may be grouped for the convenience of the commission at hearings required by this
443.3 article.

443.4 (j) Following the scheduled hearing date, or by the close of business on the scheduled
443.5 hearing date if the hearing was not held, the commission shall consider all written and oral
443.6 comments received.

443.7 (k) If no written notice of intent to attend the public hearing by interested parties is
443.8 received, the commission may proceed with promulgation of the proposed rule without a
443.9 public hearing.

443.10 (l) The commission shall, by majority vote of all members, take final action on the
443.11 proposed rule and shall determine the effective date of the rule, if any, based on the
443.12 rulemaking record and the full text of the rule.

443.13 (m) Upon determination that an emergency exists, the commission may consider and
443.14 adopt an emergency rule without prior notice, opportunity for comment, or hearing, provided
443.15 that the usual rulemaking procedures provided in the compact and in this article shall be
443.16 retroactively applied to the rule as soon as reasonably possible, in no event later than 90
443.17 days after the effective date of the rule. For the purposes of this provision, an emergency
443.18 rule is one that must be adopted immediately in order to:

443.19 (1) meet an imminent threat to public health, safety, or welfare;

443.20 (2) prevent a loss of commission or member state funds;

443.21 (3) meet a deadline for the promulgation of an administrative rule that is established by
443.22 federal law or rule; or

443.23 (4) protect public health and safety.

443.24 (n) The commission or an authorized committee of the commission may direct revisions
443.25 to a previously adopted rule or amendment for purposes of correcting typographical errors,
443.26 errors in format, errors in consistency, or grammatical errors. Public notice of any revisions
443.27 shall be posted on the website of the commission. The revision shall be subject to challenge
443.28 by any person for a period of thirty days after posting. The revision may be challenged only
443.29 on grounds that the revision results in a material change to a rule. A challenge shall be made
443.30 in writing and delivered to the chair of the commission prior to the end of the notice period.
443.31 If no challenge is made, the revision will take effect without further action. If the revision
443.32 is challenged, the revision may not take effect without the approval of the commission.

443.33 ARTICLE XII

444.1 OVERSIGHT, DISPUTE RESOLUTION, AND ENFORCEMENT

444.2 (a) Oversight:

444.3 (1) the executive, legislative, and judicial branches of state government in each member
444.4 state shall enforce this compact and take all actions necessary and appropriate to effectuate
444.5 the compact's purposes and intent. The provisions of this compact and the rules promulgated
444.6 hereunder shall have standing as statutory law;

444.7 (2) all courts shall take judicial notice of the compact and the rules in any judicial or
444.8 administrative proceeding in a member state pertaining to the subject matter of this compact
444.9 which may affect the powers, responsibilities, or actions of the commission; and

444.10 (3) the commission shall be entitled to receive service of process in any such proceeding
444.11 and shall have standing to intervene in such a proceeding for all purposes. Failure to provide
444.12 service of process to the commission shall render a judgment or order void as to the
444.13 commission, this compact, or promulgated rules.

444.14 (b) Default, technical assistance, and termination:

444.15 (1) if the commission determines that a member state has defaulted in the performance
444.16 of its obligations or responsibilities under this compact or the promulgated rules, the
444.17 commission shall:

444.18 (i) provide written notice to the defaulting state and other member states of the nature
444.19 of the default, the proposed means of curing the default, or any other action to be taken by
444.20 the commission; and

444.21 (ii) provide remedial training and specific technical assistance regarding the default.

444.22 (c) If a state in default fails to cure the default, the defaulting state may be terminated
444.23 from the compact upon an affirmative vote of a majority of the member states, and all rights,
444.24 privileges, and benefits conferred by this compact may be terminated on the effective date
444.25 of termination. A cure of the default does not relieve the offending state of obligations or
444.26 liabilities incurred during the period of default.

444.27 (d) Termination of membership in the compact shall be imposed only after all other
444.28 means of securing compliance have been exhausted. Notice of intent to suspend or terminate
444.29 shall be given by the commission to the governor, the majority and minority leaders of the
444.30 defaulting state's legislature, and each of the member states.

445.1 (e) A state that has been terminated is responsible for all assessments, obligations, and
445.2 liabilities incurred through the effective date of termination, including obligations that
445.3 extend beyond the effective date of termination.

445.4 (f) The commission shall not bear any costs related to a state that is found to be in default
445.5 or that has been terminated from the compact, unless agreed upon in writing between the
445.6 commission and the defaulting state.

445.7 (g) The defaulting state may appeal the action of the commission by petitioning the
445.8 United States District Court for the District of Columbia or the federal district where the
445.9 commission has its principal offices. The prevailing member shall be awarded all costs of
445.10 such litigation, including reasonable attorney fees.

445.11 (h) Dispute resolution:

445.12 (1) upon request by a member state, the commission shall attempt to resolve disputes
445.13 related to the compact that arise among member states and between member and nonmember
445.14 states; and

445.15 (2) the commission shall promulgate a rule providing for both mediation and binding
445.16 dispute resolution for disputes as appropriate.

445.17 (i) Enforcement:

445.18 (1) the commission, in the reasonable exercise of its discretion, shall enforce the
445.19 provisions and rules of this compact;

445.20 (2) by majority vote, the commission may initiate legal action in the United States District
445.21 Court for the District of Columbia or the federal district where the commission has its
445.22 principal offices against a member state in default to enforce compliance with the provisions
445.23 of the compact and its promulgated rules and bylaws. The relief sought may include both
445.24 injunctive relief and damages. In the event judicial enforcement is necessary, the prevailing
445.25 member shall be awarded all costs of such litigation, including reasonable attorney fees;
445.26 and

445.27 (3) the remedies herein shall not be the exclusive remedies of the commission. The
445.28 commission may pursue any other remedies available under federal or state law.

445.29 ARTICLE XIII

445.30 DATE OF IMPLEMENTATION OF THE COUNSELING COMPACT COMMISSION

445.31 AND ASSOCIATED RULES, WITHDRAWAL, AND AMENDMENT

446.1 (a) The compact shall come into effect on the date on which the compact statute is
446.2 enacted into law in the tenth member state. The provisions, which become effective at that
446.3 time, shall be limited to the powers granted to the commission relating to assembly and the
446.4 promulgation of rules. Thereafter, the commission shall meet and exercise rulemaking
446.5 powers necessary to the implementation and administration of the compact.

446.6 (b) Any state that joins the compact subsequent to the commission's initial adoption of
446.7 the rules shall be subject to the rules as they exist on the date on which the compact becomes
446.8 law in that state. Any rule that has been previously adopted by the commission shall have
446.9 the full force and effect of law on the day the compact becomes law in that state.

446.10 (c) Any member state may withdraw from this compact by enacting a statute repealing
446.11 the same.

446.12 (1) a member state's withdrawal shall not take effect until six months after enactment
446.13 of the repealing statute; and

446.14 (2) withdrawal shall not affect the continuing requirement of the withdrawing state's
446.15 professional counseling licensing board to comply with the investigative and adverse action
446.16 reporting requirements of this compact prior to the effective date of withdrawal.

446.17 (d) Nothing contained in this compact shall be construed to invalidate or prevent any
446.18 professional counseling licensure agreement or other cooperative arrangement between a
446.19 member state and a nonmember state that does not conflict with the provisions of this
446.20 compact.

446.21 (e) This compact may be amended by the member states. No amendment to this compact
446.22 shall become effective and binding upon any member state until it is enacted into the laws
446.23 of all member states.

446.24 ARTICLE XIV

446.25 CONSTRUCTION AND SEVERABILITY

446.26 This compact shall be liberally construed so as to effectuate the purposes thereof. The
446.27 provisions of this compact shall be severable and if any phrase, clause, sentence, or provision
446.28 of this compact is declared to be contrary to the constitution of any member state or of the
446.29 United States or the applicability thereof to any government, agency, person, or circumstance
446.30 is held invalid, the validity of the remainder of this compact and the applicability thereof
446.31 to any government, agency, person, or circumstance shall not be affected thereby. If this
446.32 compact shall be held contrary to the constitution of any member state, the compact shall

447.1 remain in full force and effect as to the remaining member states and in full force and effect
447.2 as to the member state affected as to all severable matters.

447.3 ARTICLE XV

447.4 BINDING EFFECT OF COMPACT AND OTHER LAWS

447.5 (a) A licensee providing professional counseling services in a remote state under the
447.6 privilege to practice shall adhere to the laws and regulations, including scope of practice,
447.7 of the remote state.

447.8 (b) Nothing herein prevents the enforcement of any other law of a member state that is
447.9 not inconsistent with the compact.

447.10 (c) Any laws in a member state in conflict with the compact are superseded to the extent
447.11 of the conflict.

447.12 (d) Any lawful actions of the commission, including all rules and bylaws properly
447.13 promulgated by the commission, are binding upon the member states.

447.14 (e) All permissible agreements between the commission and the member states are
447.15 binding in accordance with their terms.

447.16 (f) In the event any provision of the compact exceeds the constitutional limits imposed
447.17 on the legislature of any member state, the provision shall be ineffective to the extent of the
447.18 conflict with the constitutional provision in question in that member state.

452.28 member state's single-state license as provided under the laws of each member state.
452.29 However, the single-state license granted to these individuals shall not be recognized as
452.30 granting the privilege to practice audiology or speech-language pathology in any other
452.31 member state. Nothing in this compact shall affect the requirements established by a member
452.32 state for the issuance of a single-state license.

452.33 (J) Member states may charge a fee for granting a compact privilege.

453.1 (K) Member states must comply with the bylaws and rules and regulations of the
453.2 commission.

453.3 ARTICLE III

453.4 COMPACT PRIVILEGE

453.5 (A) To exercise the compact privilege under the terms and provisions of the compact,
453.6 the audiologist or speech-language pathologist shall:

453.7 (1) hold an active license in the home state;

453.8 (2) have no encumbrance on any state license;

453.9 (3) be eligible for a compact privilege in any member state in accordance with Article
453.10 II;

453.11 (4) have not had any adverse action against any license or compact privilege within the
453.12 previous two years from date of application;

453.13 (5) notify the commission that the licensee is seeking the compact privilege within a
453.14 remote state or states;

453.15 (6) pay any applicable fees, including any state fee, for the compact privilege; and

453.16 (7) report to the commission adverse action taken by any nonmember state within 30
453.17 days from the date the adverse action is taken.

453.18 (B) For the purposes of the compact privilege, an audiologist or speech-language
453.19 pathologist shall only hold one home state license at a time.

453.20 (C) Except as provided in Article V, if an audiologist or speech-language pathologist
453.21 changes primary state of residence by moving between two member states, the audiologist
453.22 or speech-language pathologist must apply for licensure in the new home state, and the
453.23 license issued by the prior home state shall be deactivated in accordance with applicable
453.24 rules adopted by the commission.

453.25 (D) The audiologist or speech-language pathologist may apply for licensure in advance
453.26 of a change in primary state of residence.

453.27 (E) A license shall not be issued by the new home state until the audiologist or
453.28 speech-language pathologist provides satisfactory evidence of a change in primary state of
453.29 residence to the new home state and satisfies all applicable requirements to obtain a license
453.30 from the new home state.

454.1 (F) If an audiologist or speech-language pathologist changes primary state of residence
454.2 by moving from a member state to a nonmember state, the license issued by the prior home
454.3 state shall convert to a single-state license, valid only in the former home state.

454.4 (G) The compact privilege is valid until the expiration date of the home state license.
454.5 The licensee must comply with the requirements of Article III, (A), to maintain the compact
454.6 privilege in the remote state.

454.7 (H) A licensee providing audiology or speech-language pathology services in a remote
454.8 state under the compact privilege shall function within the laws and regulations of the remote
454.9 state.

454.10 (I) A licensee providing audiology or speech-language pathology services in a remote
454.11 state is subject to that state's regulatory authority. A remote state may, in accordance with
454.12 due process and that state's laws, remove a licensee's compact privilege in the remote state
454.13 for a specific period of time, impose fines, or take any other necessary actions to protect
454.14 the health and safety of its citizens.

454.15 (J) If a home state license is encumbered, the licensee shall lose the compact privilege
454.16 in any remote state until the following occur:

454.17 (1) the home state license is no longer encumbered; and

454.18 (2) two years have elapsed from the date of the adverse action.

454.19 (K) Once an encumbered license in the home state is restored to good standing, the
454.20 licensee must meet the requirements of Article III, (A), to obtain a compact privilege in any
454.21 remote state.

454.22 (L) Once the requirements of Article III, (J), have been met, the licensee must meet the
454.23 requirements in Article III, (A), to obtain a compact privilege in a remote state.

454.24 ARTICLE IV

454.25 COMPACT PRIVILEGE TO PRACTICE TELEHEALTH

454.26 Member states shall recognize the right of an audiologist or speech-language pathologist,
454.27 licensed by a home state in accordance with Article II and under rules promulgated by the
454.28 commission, to practice audiology or speech-language pathology in a member state via
454.29 telehealth under a privilege to practice as provided in the compact and rules promulgated
454.30 by the commission.

454.31 ARTICLE V

454.32 ACTIVE DUTY MILITARY PERSONNEL OR THEIR SPOUSES

455.1 Active duty military personnel, or their spouse, shall designate a home state where the
455.2 individual has a current license in good standing. The individual may retain the home state
455.3 designation during the period the service member is on active duty. Subsequent to designating
455.4 a home state, the individual shall only change their home state through application for
455.5 licensure in the new state.

455.6 ARTICLE VI

455.7 ADVERSE ACTIONS

455.8 (A) In addition to the other powers conferred by state law, a remote state shall have the
455.9 authority, in accordance with existing state due process law, to:

455.10 (1) take adverse action against an audiologist's or speech-language pathologist's privilege
455.11 to practice within that member state; and

455.12 (2) issue subpoenas for both hearings and investigations that require the attendance and
455.13 testimony of witnesses as well as the production of evidence. Subpoenas issued by a licensing
455.14 board in a member state for the attendance and testimony of witnesses or the production of
455.15 evidence from another member state shall be enforced in the latter state by any court of
455.16 competent jurisdiction, according to the practice and procedure of that court applicable to
455.17 subpoenas issued in proceedings pending before it. The issuing authority shall pay any
455.18 witness fees, travel expenses, mileage and other fees required by the service statutes of the
455.19 state in which the witnesses or evidence are located.

455.20 (B) Only the home state shall have the power to take adverse action against an
455.21 audiologist's or speech-language pathologist's license issued by the home state.

455.22 (C) For purposes of taking adverse action, the home state shall give the same priority
455.23 and effect to reported conduct received from a member state as it would if the conduct had
455.24 occurred within the home state. In so doing, the home state shall apply its own state laws
455.25 to determine appropriate action.

455.26 (D) The home state shall complete any pending investigations of an audiologist or
455.27 speech-language pathologist who changes primary state of residence during the course of
455.28 the investigations. The home state shall also have the authority to take appropriate action
455.29 and shall promptly report the conclusions of the investigations to the administrator of the
455.30 data system. The administrator of the data system shall promptly notify the new home state
455.31 of any adverse actions.

455.32 (E) If otherwise permitted by state law, the member state may recover from the affected
455.33 audiologist or speech-language pathologist the costs of investigations and disposition of

456.1 cases resulting from any adverse action taken against that audiologist or speech-language
456.2 pathologist.

456.3 (F) The member state may take adverse action based on the factual findings of the remote
456.4 state, provided that the member state follows the member state's own procedures for taking
456.5 the adverse action.

456.6 (G) Joint Investigations:

456.7 (1) In addition to the authority granted to a member state by its respective audiology or
456.8 speech-language pathology practice act or other applicable state law, any member state may
456.9 participate with other member states in joint investigations of licensees.

456.10 (2) Member states shall share any investigative, litigation, or compliance materials in
456.11 furtherance of any joint or individual investigation initiated under the Compact.

456.12 (H) If adverse action is taken by the home state against an audiologist's or
456.13 speech-language pathologist's license, the audiologist's or speech-language pathologist's
456.14 privilege to practice in all other member states shall be deactivated until all encumbrances
456.15 have been removed from the state license. All home state disciplinary orders that impose
456.16 adverse action against an audiologist's or speech-language pathologist's license shall include
456.17 a statement that the audiologist's or speech-language pathologist's privilege to practice is
456.18 deactivated in all member states during the pendency of the order.

456.19 (I) If a member state takes adverse action, it shall promptly notify the administrator of
456.20 the data system. The administrator of the data system shall promptly notify the home state
456.21 of any adverse actions by remote states.

456.22 (J) Nothing in this compact shall override a member state's decision that participation
456.23 in an alternative program may be used in lieu of adverse action.

456.24 ARTICLE VII

456.25 ESTABLISHMENT OF THE AUDIOLOGY AND SPEECH-LANGUAGE PATHOLOGY
456.26 COMPACT COMMISSION

457.16 and creation of bylaws and shall otherwise have an opportunity to participate in the business
457.17 and affairs of the commission.

457.29 bylaws;

458.1 (6) promulgate uniform rules to facilitate and coordinate implementation and
458.2 administration of this compact. The rules shall have the force and effect of law and shall
458.3 be binding in all member states;

458.4 (7) bring and prosecute legal proceedings or actions in the name of the commission,
458.5 provided that the standing of any state audiology or speech-language pathology licensing
458.6 board to sue or be sued under applicable law shall not be affected;

458.7 (8) purchase and maintain insurance and bonds;

458.8 (9) borrow, accept, or contract for services of personnel, including but not limited to
458.9 employees of a member state;

458.10 (10) hire employees, elect or appoint officers, fix compensation, define duties, grant

458.12 commission's personnel policies and programs relating to conflicts of interest, qualifications
458.13 of personnel, and other related personnel matters;

458.14 (11) accept any and all appropriate donations and grants of money, equipment, supplies,
458.15 materials, and services and to receive, utilize, and dispose of the same; provided that at all
458.16 times the commission shall avoid any appearance of impropriety or conflict of interest;

458.17 (12) lease, purchase, accept appropriate gifts or donations of, or otherwise own, hold,

459.1 The executive committee shall have the power to act on behalf of the commission
459.2 according to the terms of this compact. The executive committee shall be composed of ten

459.7 audiology professional association and one nonvoting member from a recognized national
459.8 speech-language pathology association; and

459.15 (3) The executive committee shall have the following duties and responsibilities:

459.16 (i) recommend to the entire commission changes to the rules or bylaws, changes to this
459.17 compact legislation, fees paid by compact member states such as annual dues, and any
459.18 commission compact fee charged to licensees for the compact privilege;

459.19 (ii) ensure compact administration services are appropriately provided, contractual or

459.29 Article IX.

460.1 (5) The commission or the executive committee or other committees of the commission
460.2 may convene in a closed, nonpublic meeting if the commission or executive committee or
460.3 other committees of the commission must discuss:

460.4 (i) noncompliance of a member state with its obligations under the compact;

460.18 behalf of or for use of the commission or other committee charged with responsibility of

460.23 shall reference each relevant exempting provision.

460.24 (7) The commission shall keep minutes that fully and clearly describe all matters
460.25 discussed in a meeting and shall provide a full and accurate summary of actions taken, and
460.26 the reasons therefore, including a description of the views expressed. All documents
460.27 considered in connection with an action shall be identified in minutes. All minutes and
460.28 documents of a closed meeting shall remain under seal, subject to release by a majority vote
460.29 of the commission or order of a court of competent jurisdiction.

461.8 budget as approved each year for which revenue is not provided by other sources. The
461.9 aggregate annual assessment amount shall be allocated based upon a formula to be determined
461.10 by the commission, which shall promulgate a rule binding upon all member states.

461.11 (9) The commission shall not incur obligations of any kind prior to securing the funds
461.12 adequate to meet the same; nor shall the commission pledge the credit of any of the member
461.13 states, except by and with the authority of the member state.

461.14 (10) The commission shall keep accurate accounts of all receipts and disbursements.
461.15 The receipts and disbursements of the commission shall be subject to the audit and accounting
461.16 procedures established under its bylaws. However, all receipts and disbursements of funds

461.20 (F) Qualified Immunity, Defense, and Indemnification:

461.21 (1) The members, officers, executive director, employees, and representatives of the
461.22 commission shall be immune from suit and liability, either personally or in their official
461.23 capacity, for any claim for damage to or loss of property or personal injury or other civil
461.24 liability caused by or arising out of any actual or alleged act, error, or omission that occurred,
461.25 or that the person against whom the claim is made had a reasonable basis for believing
461.26 occurred, within the scope of commission employment, duties, or responsibilities; provided
461.27 that nothing in this paragraph shall be construed to protect any person from suit or liability
461.28 for any damage, loss, injury, or liability caused by the intentional or willful or wanton
461.29 misconduct of that person.

461.30 (2) The commission shall defend any member, officer, executive director, employee, or
461.31 representative of the commission in any civil action seeking to impose liability arising out
461.32 of any actual or alleged act, error, or omission that occurred within the scope of commission
461.33 employment, duties, or responsibilities, or that the person against whom the claim is made
461.34 had a reasonable basis for believing occurred within the scope of commission employment,

462.1 duties, or responsibilities; provided that nothing herein shall be construed to prohibit that
462.2 person from retaining his or her own counsel; and provided further that the actual or alleged
462.3 act, error, or omission did not result from that person's intentional or willful or wanton
462.4 misconduct.

462.5 (3) The commission shall indemnify and hold harmless any member, officer, executive
462.6 director, employee, or representative of the commission for the amount of any settlement
462.7 or judgment obtained against that person arising out of any actual or alleged act, error, or

462.12 of that person.

462.13 (G) Notwithstanding paragraph (F), clause (1), the liability of the executive director,
462.14 employees, or representatives of the interstate commission, acting within the scope of their
462.15 employment or duties, may not exceed the limits of liability set forth under the constitution
462.16 and laws of this state for state officials, employees, and agents. This paragraph expressly
462.17 incorporates section 3.736, and neither expands nor limits the rights and remedies provided
462.18 under that statute.

462.19 (H) Except for a claim alleging a violation of this compact, a claim against the
462.20 commission, its executive director, employees, or representatives alleging a violation of the
462.21 constitution and laws of this state may be brought in any county where the plaintiff resides.
462.22 Nothing in this paragraph creates a private right of action.

462.23 (I) Nothing in this compact shall be construed as a limitation on the liability of any
462.24 licensee for professional malpractice or misconduct, which shall be governed solely by any
462.25 other applicable state laws.

462.26 ARTICLE VIII

462.27 DATA SYSTEM

462.29 a coordinated database and reporting system containing licensure, adverse action, and
462.30 investigative information on all licensed individuals in member states.

462.31 (B) Notwithstanding any other provision of state law to the contrary, a member state

464.25 (1) All persons wishing to be heard at the hearing shall notify the executive director of
464.26 the commission or other designated member in writing of their desire to appear and testify
464.27 at the hearing not less than five business days before the scheduled date of the hearing.

464.28 (2) Hearings shall be conducted in a manner providing each person who wishes to
464.29 comment a fair and reasonable opportunity to comment orally or in writing.

464.30 (3) All hearings shall be recorded. A copy of the recording shall be made available on
464.31 request.

465.1 (4) Nothing in this Article shall be construed as requiring a separate hearing on each
465.2 rule. Rules may be grouped for the convenience of the commission at hearings required by
465.3 this Article.

465.4 (I) Following the scheduled hearing date, or by the close of business on the scheduled
465.5 hearing date if the hearing was not held, the commission shall consider all written and oral
465.6 comments received.

465.7 (J) If no written notice of intent to attend the public hearing by interested parties is
465.8 received, the commission may proceed with promulgation of the proposed rule without a
465.9 public hearing.

465.10 (K) The commission shall, by majority vote of all members, take final action on the
465.11 proposed rule and shall determine the effective date of the rule, if any, based on the
465.12 rulemaking record and the full text of the rule.

465.13 (L) Upon determination that an emergency exists, the commission may consider and
465.14 adopt an emergency rule without prior notice, opportunity for comment, or hearing; provided
465.15 that the usual rulemaking procedures provided in the compact and in this Article shall be
465.16 retroactively applied to the rule as soon as reasonably possible, in no event later than 90
465.17 days after the effective date of the rule. For the purposes of this provision, an emergency
465.18 rule is one that must be adopted immediately in order to:

465.19 (1) meet an imminent threat to public health, safety, or welfare;

465.20 (2) prevent a loss of commission or member state funds; or

465.21 (3) meet a deadline for the promulgation of an administrative rule that is established by
465.22 federal law or rule.

465.23 (M) The commission or an authorized committee of the commission may direct revisions
465.24 to a previously adopted rule or amendment for purposes of correcting typographical errors,
465.25 errors in format, errors in consistency, or grammatical errors. Public notice of any revisions
465.26 shall be posted on the website of the commission. The revision shall be subject to challenge
465.27 by any person for a period of 30 days after posting. The revision may be challenged only
465.28 on grounds that the revision results in a material change to a rule. A challenge shall be made
465.29 in writing and delivered to the chair of the commission prior to the end of the notice period.
465.30 If no challenge is made, the revision shall take effect without further action. If the revision
465.31 is challenged, the revision may not take effect without the approval of the commission.

466.3 related to the compact that arise among member states and between member and nonmember
466.4 states.

466.5 (2) The commission shall promulgate a rule providing for both mediation and binding
466.6 dispute resolution for such disputes as appropriate.

466.7 (B) Enforcement:

466.8 (1) The commission, in the reasonable exercise of its discretion, shall enforce the
466.9 provisions and rules of this compact.

466.10 (2) By majority vote, the commission may initiate legal action in the United States
466.11 District Court for the District of Columbia or the federal district where the commission has
466.12 its principal offices against a member state in default to enforce compliance with the
466.13 provisions of the compact and its promulgated rules and bylaws. The relief sought may
466.14 include both injunctive relief and damages. In the event judicial enforcement is necessary,
466.15 the prevailing member shall be awarded all costs of litigation, including reasonable attorney's
466.16 fees.

466.17 (3) The remedies herein shall not be the exclusive remedies of the commission. The
466.18 commission may pursue any other remedies available under federal or state law.

466.21 AUDIOLOGY AND SPEECH-LANGUAGE PATHOLOGY PRACTICE AND
466.22 ASSOCIATED RULES, WITHDRAWAL, AND AMENDMENT

466.23 (A) The compact shall come into effect on the date on which the compact statute is
466.24 enacted into law in the tenth member state. The provisions, which become effective at that
466.25 time, shall be limited to the powers granted to the commission relating to assembly and the
466.26 promulgation of rules. Thereafter, the commission shall meet and exercise rulemaking
466.27 powers necessary to the implementation and administration of the compact.

466.28 (B) Any state that joins the compact subsequent to the commission's initial adoption of
466.29 the rules shall be subject to the rules as they exist on the date on which the compact becomes
466.30 law in that state. Any rule that has been previously adopted by the commission shall have
466.31 the full force and effect of law on the day the compact becomes law in that state.

467.1 (C) Any member state may withdraw from this compact by enacting a statute repealing
467.2 the same.

467.3 (1) A member state's withdrawal shall not take effect until six months after enactment
467.4 of the repealing statute.

467.5 (2) Withdrawal shall not affect the continuing requirement of the withdrawing state's
467.6 audiology or speech-language pathology licensing board to comply with the investigative
467.7 and adverse action reporting requirements of this compact prior to the effective date of
467.8 withdrawal.

467.9 (D) Nothing contained in this compact shall be construed to invalidate or prevent any
467.10 audiology or speech-language pathology licensure agreement or other cooperative
467.11 arrangement between a member state and a nonmember state that does not conflict with the
467.12 provisions of this compact.

467.13 (E) This compact may be amended by the member states. No amendment to this compact
467.14 shall become effective and binding upon any member state until it is enacted into the laws
467.15 of all member states.

467.16 ARTICLE XII

467.17 CONSTRUCTION AND SEVERABILITY

467.18 This compact shall be liberally construed so as to effectuate the purposes thereof. The
467.19 provisions of this compact shall be severable and if any phrase, clause, sentence, or provision
467.20 of this compact is declared to be contrary to the constitution of any member state or of the
467.21 United States or the applicability thereof to any government, agency, person, or circumstance
467.22 is held invalid, the validity of the remainder of this compact and the applicability thereof
467.23 to any government, agency, person, or circumstance shall not be affected thereby. If this
467.24 compact shall be held contrary to the constitution of any member state, the compact shall
467.25 remain in full force and effect as to the remaining member states and in full force and effect
467.26 as to the member state affected as to all severable matters.

467.27 ARTICLE XIII

467.28 BINDING EFFECT OF COMPACT AND OTHER LAWS

467.29 (A) Nothing herein prevents the enforcement of any other law of a member state that is
467.30 not inconsistent with the compact.

467.31 (B) All laws in a member state in conflict with the compact are superseded to the extent
467.32 of the conflict.

468.1 (C) All lawful actions of the commission, including all rules and bylaws promulgated
468.2 by the commission, are binding upon the member states.

468.3 (D) All agreements between the commission and the member states are binding in
468.4 accordance with their terms.

468.5 (E) In the event any provision of the compact exceeds the constitutional limits imposed
468.6 on the legislature of any member state, the provision shall be ineffective to the extent of the
468.7 conflict with the constitutional provision in question in that member state.

471.11 STATE PARTICIPATION IN THE COMPACT

471.12 (A) In order to join the compact and thereafter continue as a participating state, a state
471.13 must:

471.14 (1) enact a compact that is not materially different from the model compact as determined

472.11 (B) Providing alternative pathways for an individual to obtain an unrestricted license
472.12 does not disqualify a state from participating in the compact.

472.13 (C) When conducting a criminal background check, the state licensing authority shall:

472.14 (1) consider that information in making a licensure decision;

472.15 (2) maintain documentation of completion of the criminal background check and

472.18 and whether the individual was granted or denied a license.

472.19 (D) A licensee of a participating state who has a qualifying license in that state and does

472.22 rules. If a remote state has a jurisprudence requirement a compact privilege will not be
472.23 issued to the licensee unless the licensee has satisfied the jurisprudence requirement.

472.25 COMPACT PRIVILEGE

472.26 (A) To obtain and exercise the compact privilege under the terms and provisions of the
472.27 compact, the licensee shall:

472.30 and (H) of this article;

472.31 (3) submit to an application process whenever the licensee is seeking a compact privilege;

473.1 (4) pay any applicable commission and remote state fees for a compact privilege in the
473.2 remote state;

473.3 (5) meet any jurisprudence requirement established by a remote state in which the licensee
473.4 is seeking a compact privilege;

473.5 (6) have passed a National Board Examination of the Joint Commission on National
473.6 Dental Examinations or another examination accepted by commission rule;

473.7 (7) for a dentist, have graduated from a predoctoral dental education program accredited
473.8 by the Commission on Dental Accreditation, or another accrediting agency recognized by
473.9 the United States Department of Education for the accreditation of dentistry and dental
473.10 hygiene education programs, leading to the Doctor of Dental Surgery (D.D.S.) or Doctor
473.11 of Dental Medicine (D.M.D.) degree;

473.12 (8) for a dental hygienist, have graduated from a dental hygiene education program

473.16 (9) have successfully completed a clinical assessment for licensure;

473.17 (10) report to the commission adverse action taken by any nonparticipating state when
473.18 applying for a compact privilege and, otherwise, within 30 days from the date the adverse
473.19 action is taken;

473.20 (11) report to the commission when applying for a compact privilege the address of the
473.21 licensee's primary residence and thereafter immediately report to the commission any change
473.22 in the address of the licensee's primary residence; and

473.23 (12) consent to accept service of process by mail at the licensee's primary residence on
473.24 record with the commission with respect to any action brought against the licensee by the
473.25 commission or a participating state, and consent to accept service of a subpoena by mail at
473.26 the licensee's primary residence on record with the commission with respect to any action
473.27 brought or investigation conducted by the commission or a participating state.

473.28 (B) The licensee must comply with the requirements of (A) of this article to maintain
473.29 the compact privilege in the remote state. If those requirements are met, the compact privilege
473.30 will continue as long as the licensee maintains a qualifying license in the state through which
473.31 the licensee applied for the compact privilege and pays any applicable compact privilege
473.32 renewal fees.

474.1 (C) A licensee providing dentistry or dental hygiene in a remote state under the compact
474.2 privilege shall function within the scope of practice authorized by the remote state for a
474.3 dentist or dental hygienist licensed in that state.

474.4 (D) A licensee providing dentistry or dental hygiene pursuant to a compact privilege in
474.5 a remote state is subject to that state's regulatory authority. A remote state may, in accordance
474.6 with due process and that state's laws, by adverse action revoke or remove a licensee's
474.7 compact privilege in the remote state for a specific period of time and impose fines or take
474.8 any other necessary actions to protect the health and safety of its citizens. If a remote state
474.9 imposes an adverse action against a compact privilege that limits the compact privilege,
474.10 that adverse action applies to all compact privileges in all remote states. A licensee whose
474.11 compact privilege in a remote state is removed for a specified period of time is not eligible
474.12 for a compact privilege in any other remote state until the specific time for removal of the
474.13 compact privilege has passed and all encumbrance requirements are satisfied.

474.14 (E) If a license in a participating state is an encumbered license, the licensee shall lose
474.15 the compact privilege in a remote state and shall not be eligible for a compact privilege in
474.16 any remote state until the license is no longer encumbered.

474.17 (F) Once an encumbered license in a participating state is restored to good standing, the
474.18 licensee must meet the requirements of (A) of this article to obtain a compact privilege in
474.19 a remote state.

474.20 (G) If a licensee's compact privilege in a remote state is removed by the remote state,
474.21 the individual shall lose or be ineligible for the compact privilege in any remote state until
474.22 the following occur:

474.23 (1) the specific period of time for which the compact privilege was removed has ended;
474.24 and

474.25 (2) all conditions for removal of the compact privilege have been satisfied.

474.26 (H) Once the requirements of (G) of this article have been met, the licensee must meet
474.27 the requirements in (A) of this article to obtain a compact privilege in a remote state.

474.28 ARTICLE V

474.29 ACTIVE MILITARY MEMBER OR THEIR SPOUSES

474.30 An active military member and their spouse shall not be required to pay to the commission
474.31 for a compact privilege the fee otherwise charged by the commission. If a remote state
474.32 chooses to charge a fee for a compact privilege, it may choose to charge a reduced fee or
474.33 no fee to an active military member and their spouse for a compact privilege.

475.1 ARTICLE VI

475.2 ADVERSE ACTIONS

475.3 (A) A participating state in which a licensee is licensed shall have exclusive authority
475.4 to impose adverse action against the qualifying license issued by that participating state.

475.5 (B) A participating state may take adverse action based on the significant investigative
475.6 information of a remote state, so long as the participating state follows its own procedures
475.7 for imposing adverse action.

475.8 (C) Nothing in this compact shall override a participating state's decision that participation
475.9 in an alternative program may be used in lieu of adverse action and that such participation
475.10 shall remain nonpublic if required by the participating state's laws. Participating states must
475.11 require licensees who enter any alternative program in lieu of discipline to agree not to
475.12 practice pursuant to a compact privilege in any other participating state during the term of
475.13 the alternative program without prior authorization from such other participating state.

475.14 (D) Any participating state in which a licensee is applying to practice or is practicing
475.15 pursuant to a compact privilege may investigate actual or alleged violations of the statutes
475.16 and regulations authorizing the practice of dentistry or dental hygiene in any other
475.17 participating state in which the dentist or dental hygienist holds a license or compact
475.18 privilege.

475.19 (E) A remote state shall have the authority to:

475.20 (1) take adverse actions as set forth in article IV, (D), against a licensee's compact
475.21 privilege in the state;

475.22 (2) in furtherance of its rights and responsibilities under the compact and the commission's
475.23 rules issue subpoenas for both hearings and investigations that require the attendance and
475.24 testimony of witnesses, and the production of evidence. Subpoenas issued by a state licensing
475.25 authority in a participating state for the attendance and testimony of witnesses, or the
475.26 production of evidence from another participating state, shall be enforced in the latter state
475.27 by any court of competent jurisdiction, according to the practice and procedure of that court
475.28 applicable to subpoenas issued in proceedings pending before it. The issuing authority shall
475.29 pay any witness fees, travel expenses, mileage, and other fees required by the service statutes
475.30 of the state where the witnesses or evidence are located; and

475.31 (3) if otherwise permitted by state law, recover from the licensee the costs of
475.32 investigations and disposition of cases resulting from any adverse action taken against that
475.33 licensee.

476.1 (F) Joint Investigations:

476.2 (1) In addition to the authority granted to a participating state by its dentist or dental
476.3 hygienist licensure act or other applicable state law, a participating state may jointly
476.4 investigate licensees with other participating states.

476.5 (2) Participating states shall share any significant investigative information, litigation,
476.6 or compliance materials in furtherance of any joint or individual investigation initiated under
476.7 the compact.

476.8 (G) Authority to Continue Investigation:

476.9 (1) After a licensee's compact privilege in a remote state is terminated, the remote state
476.10 may continue an investigation of the licensee that began when the licensee had a compact
476.11 privilege in that remote state.

476.12 (2) If the investigation yields what would be significant investigative information had
476.13 the licensee continued to have a compact privilege in that remote state, the remote state
476.14 shall report the presence of such information to the data system as required by article VIII,
476.15 (B), (6), as if it was significant investigative information.

476.16 ARTICLE VII

476.18 (A) The compact participating states hereby create and establish a joint government
476.19 agency whose membership consists of all participating states that have enacted the compact.
476.20 The commission is an instrumentality of the participating states acting jointly and not an
476.21 instrumentality of any one state. The commission shall come into existence on or after the

476.23 (B) Participation, Voting, and Meetings:

476.24 (1) Each participating state shall have and be limited to one commissioner selected by
476.25 that participating state's state licensing authority or, if the state has more than one state
476.26 licensing authority, selected collectively by the state licensing authorities.

476.27 (2) The commissioner shall be a member or designee of such authority or authorities.

476.28 (3) The commission may by rule or bylaw establish a term of office for commissioners

477.4 by the commission.

477.5 (7) The commission shall meet at least once during each calendar year. Additional
477.6 meetings may be held as set forth in the bylaws. The commission may meet by
477.7 telecommunication, video conference, or other similar electronic means.

477.8 (C) The commission shall have the following powers:

477.16 provided that the standing of any state licensing authority to sue or be sued under applicable
477.17 law shall not be affected;

477.18 (7) maintain and certify records and information provided to a participating state as the
477.19 authenticated business records of the commission, and designate a person to do so on the
477.20 commission's behalf;

477.21 (8) purchase and maintain insurance and bonds;

477.22 (9) borrow, accept, or contract for services of personnel, including but not limited to
477.23 employees of a participating state;

477.24 (10) conduct an annual financial review;

477.25 (11) hire employees, elect or appoint officers, fix compensation, define duties, grant
477.26 such individuals appropriate authority to carry out the purposes of the compact, and establish
477.27 the commission's personnel policies and programs relating to conflicts of interest,
477.28 qualifications of personnel, and other related personnel matters;

477.29 (12) as set forth in the commission rules, charge a fee to a licensee for the grant of a
477.30 compact privilege in a remote state and thereafter, as may be established by commission
477.31 rule, charge the licensee a compact privilege renewal fee for each renewal period in which

- 478.1 that licensee exercises or intends to exercise the compact privilege in that remote state.
- 478.2 Nothing herein shall be construed to prevent a remote state from charging a licensee a fee
- 478.3 for a compact privilege or renewals of a compact privilege, or a fee for the jurisprudence
- 478.4 requirement if the remote state imposes such a requirement for the grant of a compact
- 478.5 privilege;
- 478.6 (13) accept any and all appropriate gifts, donations, grants of money, other sources of
- 478.7 revenue, equipment, supplies, materials, and services, and receive, utilize, and dispose of
- 478.8 the same; provided that at all times the commission shall avoid any appearance of impropriety
- 478.9 and conflict of interest;
- 478.10 (14) lease, purchase, retain, own, hold, improve, or use any property real, personal, or
- 478.11 mixed, or any undivided interest therein;
- 478.12 (15) sell, convey, mortgage, pledge, lease, exchange, abandon, or otherwise dispose of
- 478.13 any property real, personal, or mixed;
- 478.14 (16) establish a budget and make expenditures;
- 478.15 (17) borrow money;
- 478.16 (18) appoint committees, including standing committees, which may be composed of

- 478.22 commission as provided in the commission's bylaws;
- 478.23 (21) establish and elect an executive board;
- 478.24 (22) adopt and provide to the participating states an annual report;
- 478.25 (23) determine whether a state's enacted compact is materially different from the model
- 478.26 compact language such that the state would not qualify for participation in the compact;
- 478.27 and
- 478.28 (24) perform such other functions as may be necessary or appropriate to achieve the
- 478.29 purposes of this compact.
- 478.30 (D) Meetings of the Commission:

479.1 (1) All meetings of the commission that are not closed pursuant to (D)(4) of this article
479.2 shall be open to the public. Notice of public meetings shall be posted on the commission's
479.3 website at least 30 days prior to the public meeting.

479.4 (2) Notwithstanding (D)(1) of this article, the commission may convene an emergency
479.5 public meeting by providing at least 24 hours prior notice on the commission's website, and
479.6 any other means as provided in the commission's rules, for any of the reasons it may dispense
479.7 with notice of proposed rulemaking under article IX, (L). The commission's legal counsel
479.8 shall certify that one of the reasons justifying an emergency public meeting has been met.

479.9 (3) Notice of all commission meetings shall provide the time, date, and location of the
479.10 meeting, and if the meeting is to be held or accessible via telecommunication, video
479.11 conference, or other electronic means, the notice shall include the mechanism for access to
479.12 the meeting through such means.

479.13 (4) The commission may convene in a closed, nonpublic meeting for the commission
479.14 to receive legal advice or to discuss:

479.15 (i) noncompliance of a participating state with its obligations under the compact;

479.16 (ii) the employment, compensation, discipline, or other matters, practices, or procedures
479.17 related to specific employees or other matters related to the commission's internal personnel
479.18 practices and procedures;

479.19 (iii) current or threatened discipline of a licensee or compact privilege holder by the
479.20 commission or by a participating state's licensing authority;

479.21 (iv) current, threatened, or reasonably anticipated litigation;

479.22 (v) negotiation of contracts for the purchase, lease, or sale of goods, services, or real
479.23 estate;

479.24 (vi) accusing any person of a crime or formally censuring any person;

479.25 (vii) trade secrets or commercial or financial information that is privileged or confidential;

479.26 (viii) information of a personal nature where disclosure would constitute a clearly
479.27 unwarranted invasion of personal privacy;

479.28 (ix) investigative records compiled for law enforcement purposes;

479.29 (x) information related to any investigative reports prepared by or on behalf of or for
479.30 use of the commission or other committee charged with responsibility of investigation or
479.31 determination of compliance issues pursuant to the compact;

480.1 (xi) legal advice;

480.2 (xii) matters specifically exempted from disclosure to the public by federal or participating
480.3 state law; and

480.4 (xiii) other matters as promulgated by the commission by rule.

480.5 (5) If a meeting, or portion of a meeting, is closed, the presiding officer shall state that
480.6 the meeting will be closed and reference each relevant exempting provision, and such
480.7 reference shall be recorded in the minutes.

480.8 (6) The commission shall keep minutes that fully and clearly describe all matters
480.9 discussed in a meeting and shall provide a full and accurate summary of actions taken, and
480.10 the reasons therefore, including a description of the views expressed. All documents
480.11 considered in connection with an action shall be identified in such minutes. All minutes and
480.12 documents of a closed meeting shall remain under seal, subject to release only by a majority
480.13 vote of the commission or order of a court of competent jurisdiction.

480.14 (E) Financing of the Commission:

480.15 (1) The commission shall pay, or provide for the payment of, the reasonable expenses
480.16 of its establishment, organization, and ongoing activities.

480.17 (2) The commission may accept any and all appropriate sources of revenue, donations,
480.18 and grants of money, equipment, supplies, materials, and services.

480.19 (3) The commission may levy on and collect an annual assessment from each participating
480.20 state and impose fees on licensees of participating states when a compact privilege is granted
480.21 to cover the cost of the operations and activities of the commission and its staff, which must
480.22 be in a total amount sufficient to cover its annual budget as approved each fiscal year for
480.23 which sufficient revenue is not provided by other sources. The aggregate annual assessment
480.24 amount for participating states shall be allocated based upon a formula that the commission
480.25 shall promulgate by rule.

480.26 (4) The commission shall not incur obligations of any kind prior to securing the funds
480.27 adequate to meet the same; nor shall the commission pledge the credit of any participating
480.28 state, except by and with the authority of the participating state.

480.29 (5) The commission shall keep accurate accounts of all receipts and disbursements. The
480.30 receipts and disbursements of the commission shall be subject to the financial review and
480.31 accounting procedures established under the commission's bylaws. All receipts and
480.32 disbursements of funds handled by the commission shall be subject to an annual financial

481.1 review by a certified or licensed public accountant, and the report of the financial review
481.2 shall be included in and become part of the annual report of the commission.

481.3 (F) The Executive Board:

481.4 (1) The executive board shall have the power to act on behalf of the commission according
481.5 to the terms of this compact. The powers, duties, and responsibilities of the executive board
481.6 shall include:

481.7 (i) overseeing the day-to-day activities of the administration of the compact including
481.8 compliance with the provisions of the compact and the commission's rules and bylaws;

481.9 (ii) recommending to the commission changes to the rules or bylaws, changes to this
481.10 compact legislation, fees charged to compact participating states, fees charged to licensees,
481.11 and other fees;

481.12 (iii) ensuring compact administration services are appropriately provided, including by
481.13 contract;

481.14 (iv) preparing and recommending the budget;

481.15 (v) maintaining financial records on behalf of the commission;

481.16 (vi) monitoring compact compliance of participating states and providing compliance
481.17 reports to the commission;

481.18 (vii) establishing additional committees as necessary;

481.19 (viii) exercising the powers and duties of the commission during the interim between
481.20 commission meetings, except for adopting or amending rules, adopting or amending bylaws,
481.21 and exercising any other powers and duties expressly reserved to the commission by rule
481.22 or bylaw; and

481.23 (ix) other duties as provided in the rules or bylaws of the commission.

481.24 (2) The executive board shall be composed of up to seven members:

481.25 (i) the chair, vice chair, secretary, and treasurer of the commission and any other members
481.26 of the commission who serve on the executive board shall be voting members of the executive
481.27 board; and

481.28 (ii) other than the chair, vice chair, secretary, and treasurer, the commission may elect
481.29 up to three voting members from the current membership of the commission.

481.30 (3) The commission may remove any member of the executive board as provided in the
481.31 commission's bylaws.

482.1 (4) The executive board shall meet at least annually.

482.2 (i) An executive board meeting at which it takes or intends to take formal action on a
482.3 matter shall be open to the public, except that the executive board may meet in a closed,
482.4 nonpublic session of a public meeting when dealing with any of the matters covered under
482.5 (D)(4) of this article.

482.6 (ii) The executive board shall give five business days' notice of its public meetings,
482.7 posted on its website and as it may otherwise determine to provide notice to persons with
482.8 an interest in the public matters the executive board intends to address at those meetings.

482.9 (5) The executive board may hold an emergency meeting when acting for the commission
482.10 to:

482.11 (i) meet an imminent threat to public health, safety, or welfare;

482.12 (ii) prevent a loss of commission or participating state funds; or

482.13 (iii) protect public health and safety.

482.14 (G) Qualified Immunity, Defense, and Indemnification:

482.15 (1) The members, officers, executive director, employees, and representatives of the
482.16 commission shall be immune from suit and liability, both personally and in their official
482.17 capacity, for any claim for damage to or loss of property or personal injury or other civil
482.18 liability caused by or arising out of any actual or alleged act, error, or omission that occurred,
482.19 or that the person against whom the claim is made had a reasonable basis for believing
482.20 occurred within the scope of commission employment, duties, or responsibilities; provided
482.21 that nothing in this paragraph shall be construed to protect any such person from suit or
482.22 liability for any damage, loss, injury, or liability caused by the intentional or willful or
482.23 wanton misconduct of that person. The procurement of insurance of any type by the
482.24 commission shall not in any way compromise or limit the immunity granted hereunder.

482.25 (2) The commission shall defend any member, officer, executive director, employee, or
482.26 representative of the commission in any civil action seeking to impose liability arising out
482.27 of any actual or alleged act, error, or omission that occurred within the scope of commission
482.28 employment, duties, or responsibilities, or as determined by the commission that the person
482.29 against whom the claim is made had a reasonable basis for believing occurred within the
482.30 scope of commission employment, duties, or responsibilities; provided that nothing herein
482.31 shall be construed to prohibit that person from retaining their own counsel at their own
482.32 expense; and provided further that the actual or alleged act, error, or omission did not result
482.33 from that person's intentional or willful or wanton misconduct.

483.1 (3) Notwithstanding (G)(1) of this article, should any member, officer, executive director,
483.2 employee, or representative of the commission be held liable for the amount of any settlement
483.3 or judgment arising out of any actual or alleged act, error, or omission that occurred within
483.4 the scope of that individual's employment, duties, or responsibilities for the commission,
483.5 or that the person to whom that individual is liable had a reasonable basis for believing
483.6 occurred within the scope of the individual's employment, duties, or responsibilities for the
483.7 commission, the commission shall indemnify and hold harmless such individual; provided
483.8 that the actual or alleged act, error, or omission did not result from the intentional or willful
483.9 or wanton misconduct of the individual.

483.10 (4) Nothing herein shall be construed as a limitation on the liability of any licensee for
483.11 professional malpractice or misconduct, which shall be governed solely by any other
483.12 applicable state laws.

483.13 (5) Nothing in this compact shall be interpreted to waive or otherwise abrogate a
483.14 participating state's state action immunity or state action affirmative defense with respect
483.15 to antitrust claims under the Sherman Act, Clayton Act, or any other state or federal antitrust
483.16 or anticompetitive law or regulation.

483.17 (6) Nothing in this compact shall be construed to be a waiver of sovereign immunity by
483.18 the participating states or by the commission.

483.19 (H) Notwithstanding paragraph (G), clause (1), of this article, the liability of the executive
483.20 director, employees, or representatives of the interstate commission, acting within the scope
483.21 of their employment or duties, may not exceed the limits of liability set forth under the
483.22 constitution and laws of this state for state officials, employees, and agents. This paragraph
483.23 expressly incorporates section 3.736, and neither expands nor limits the rights and remedies
483.24 provided under that statute.

483.25 (I) Except for a claim alleging a violation of this compact, a claim against the commission,
483.26 its executive director, employees, or representatives alleging a violation of the constitution
483.27 and laws of this state may be brought in any county where the plaintiff resides. Nothing in
483.28 this paragraph creates a private right of action.

483.29 (J) Nothing in this compact shall be construed as a limitation on the liability of any
483.30 licensee for professional malpractice or misconduct, which shall be governed solely by any
483.31 other applicable state laws.

483.32 ARTICLE VIII

483.33 DATA SYSTEM

484.1 (A) The commission shall provide for the development, maintenance, operation, and
484.2 utilization of a coordinated database and reporting system containing licensure, adverse
484.3 action, and the presence of significant investigative information on all licensees and
484.4 applicants for a license in participating states.

484.5 (B) Notwithstanding any other provision of state law to the contrary, a participating state
484.6 shall submit a uniform data set to the data system on all individuals to whom this compact
484.7 is applicable as required by the rules of the commission, including:

484.8 (1) identifying information;

484.9 (2) licensure data;

484.10 (3) adverse actions against a licensee, license applicant, or compact privilege and
484.11 information related thereto;

484.12 (4) nonconfidential information related to alternative program participation, the beginning
484.13 and ending dates of such participation, and other information related to such participation;

484.14 (5) any denial of an application for licensure, and the reasons for such denial, excluding
484.15 the reporting of any criminal history record information where prohibited by law;

484.16 (6) the presence of significant investigative information; and

484.17 (7) other information that may facilitate the administration of this compact or the
484.18 protection of the public, as determined by the rules of the commission.

484.19 (C) The records and information provided to a participating state pursuant to this compact
484.20 or through the data system, when certified by the commission or an agent thereof, shall
484.21 constitute the authenticated business records of the commission, and shall be entitled to any
484.22 associated hearsay exception in any relevant judicial, quasi-judicial, or administrative
484.23 proceedings in a participating state.

484.24 (D) Significant investigative information pertaining to a licensee in any participating
484.25 state will only be available to other participating states.

484.26 (E) It is the responsibility of the participating states to monitor the database to determine
484.27 whether adverse action has been taken against a licensee or license applicant. Adverse action
484.28 information pertaining to a licensee or license applicant in any participating state will be
484.29 available to any other participating state.

484.30 (F) Participating states contributing information to the data system may designate
484.31 information that may not be shared with the public without the express permission of the
484.32 contributing state.

485.1 (G) Any information submitted to the data system that is subsequently expunged pursuant
485.2 to federal law or the laws of the participating state contributing the information shall be
485.3 removed from the data system.

485.4 ARTICLE IX

485.5 RULEMAKING

485.6 (A) The commission shall promulgate reasonable rules in order to effectively and
485.7 efficiently implement and administer the purposes and provisions of the compact. A
485.8 commission rule shall be invalid and have no force or effect only if a court of competent
485.9 jurisdiction holds that the rule is invalid because the commission exercised its rulemaking
485.10 authority in a manner that is beyond the scope and purposes of the compact, or the powers
485.11 granted hereunder, or based upon another applicable standard of review.

485.12 (B) The rules of the commission shall have the force of law in each participating state,
485.13 provided that where the rules of the commission conflict with the laws of the participating
485.14 state that establish the participating state's scope of practice as held by a court of competent
485.15 jurisdiction, the rules of the commission shall be ineffective in that state to the extent of the
485.16 conflict.

485.17 (C) The commission shall exercise its rulemaking powers pursuant to the criteria set
485.18 forth in this article and the rules adopted thereunder. Rules shall become binding as of the
485.19 date specified by the commission for each rule.

485.20 (D) If a majority of the legislatures of the participating states rejects a commission rule
485.21 or portion of a commission rule, by enactment of a statute or resolution in the same manner
485.22 used to adopt the compact, within four years of the date of adoption of the rule, then such
485.23 rule shall have no further force and effect in any participating state or to any state applying
485.24 to participate in the compact.

485.25 (E) Rules shall be adopted at a regular or special meeting of the commission.

485.26 (F) Prior to adoption of a proposed rule, the commission shall hold a public hearing and
485.27 allow persons to provide oral and written comments, data, facts, opinions, and arguments.

485.28 (G) Prior to adoption of a proposed rule by the commission, and at least 30 days in
485.29 advance of the meeting at which the commission will hold a public hearing on the proposed
485.30 rule, the commission shall provide a notice of proposed rulemaking:

485.31 (1) on the website of the commission or other publicly accessible platform;

486.1 (2) to persons who have requested notice of the commission's notices of proposed
486.2 rulemaking; and

486.3 (3) in such other ways as the commission may by rule specify.

486.4 (H) The notice of proposed rulemaking shall include:

486.5 (1) the time, date, and location of the public hearing at which the commission will hear
486.6 public comments on the proposed rule and, if different, the time, date, and location of the
486.7 meeting where the commission will consider and vote on the proposed rule;

486.8 (2) if the hearing is held via telecommunication, video conference, or other electronic
486.9 means, the commission shall include the mechanism for access to the hearing in the notice
486.10 of proposed rulemaking;

486.11 (3) the text of the proposed rule and the reason therefor;

486.12 (4) a request for comments on the proposed rule from any interested person; and

486.13 (5) the manner in which interested persons may submit written comments.

486.14 (I) All hearings will be recorded. A copy of the recording and all written comments and
486.15 documents received by the commission in response to the proposed rule shall be available
486.16 to the public.

486.17 (J) Nothing in this article shall be construed as requiring a separate hearing on each
486.18 commission rule. Rules may be grouped for the convenience of the commission at hearings
486.19 required by this article.

486.20 (K) The commission shall, by majority vote of all commissioners, take final action on
486.21 the proposed rule based on the rulemaking record.

486.22 (1) The commission may adopt changes to the proposed rule provided the changes do
486.23 not enlarge the original purpose of the proposed rule.

486.24 (2) The commission shall provide an explanation of the reasons for substantive changes
486.25 made to the proposed rule as well as reasons for substantive changes not made that were
486.26 recommended by commenters.

486.27 (3) The commission shall determine a reasonable effective date for the rule. Except for
486.28 an emergency as provided in (L) of this article, the effective date of the rule shall be no
486.29 sooner than 30 days after the commission issuing the notice that it adopted or amended the
486.30 rule.

487.1 (L) Upon determination that an emergency exists, the commission may consider and
487.2 adopt an emergency rule with 24 hours' notice, with opportunity to comment, provided that
487.3 the usual rulemaking procedures provided in the compact and in this article shall be
487.4 retroactively applied to the rule as soon as reasonably possible, in no event later than 90
487.5 days after the effective date of the rule. For the purposes of this provision, an emergency
487.6 rule is one that must be adopted immediately in order to:

487.7 (1) meet an imminent threat to public health, safety, or welfare;

487.8 (2) prevent a loss of commission or participating state funds;

487.9 (3) meet a deadline for the promulgation of a rule that is established by federal law or
487.10 rule; or

487.11 (4) protect public health and safety.

487.12 (M) The commission or an authorized committee of the commission may direct revisions
487.13 to a previously adopted rule for purposes of correcting typographical errors, errors in format,
487.14 errors in consistency, or grammatical errors. Public notice of any revisions shall be posted
487.15 on the website of the commission. The revision shall be subject to challenge by any person
487.16 for a period of 30 days after posting. The revision may be challenged only on grounds that
487.17 the revision results in a material change to a rule. A challenge shall be made in writing and
487.18 delivered to the commission prior to the end of the notice period. If no challenge is made,
487.19 the revision will take effect without further action. If the revision is challenged, the revision
487.20 may not take effect without the approval of the commission.

487.21 (N) No participating state's rulemaking requirements shall apply under this compact.

487.22 ARTICLE X

487.23 OVERSIGHT, DISPUTE RESOLUTION, AND ENFORCEMENT

487.24 (A) Oversight:

487.25 (1) The executive and judicial branches of state government in each participating state
487.26 shall enforce this compact and take all actions necessary and appropriate to implement the
487.27 compact.

487.28 (2) Except as provided under article VII, paragraph (I), venue is proper and judicial
487.29 proceedings by or against the commission shall be brought solely and exclusively in a court
487.30 of competent jurisdiction where the principal office of the commission is located. The
487.31 commission may waive venue and jurisdictional defenses to the extent it adopts or consents
487.32 to participate in alternative dispute resolution proceedings. Nothing herein shall affect or

488.1 limit the selection or propriety of venue in any action against a licensee for professional
488.2 malpractice, misconduct, or any such similar matter.

488.3 (3) The commission shall be entitled to receive service of process in any proceeding
488.4 regarding the enforcement or interpretation of the compact or commission rule and shall
488.5 have standing to intervene in such a proceeding for all purposes. Failure to provide the
488.6 commission service of process shall render a judgment or order void as to the commission,
488.7 this compact, or the promulgated rules.

488.8 (B) Default, Technical Assistance, and Termination:

488.9 (1) If the commission determines that a participating state has defaulted in the
488.10 performance of its obligations or responsibilities under this compact or the promulgated
488.11 rules, the commission shall provide written notice to the defaulting state. The notice of
488.12 default shall describe the default, the proposed means of curing the default, and any other
488.13 action that the commission may take, and shall offer training and specific technical assistance
488.14 regarding the default.

488.15 (2) The commission shall provide a copy of the notice of default to the other participating
488.16 states.

488.17 (C) If a state in default fails to cure the default, the defaulting state may be terminated
488.18 from the compact upon an affirmative vote of a majority of the commissioners, and all
488.19 rights, privileges, and benefits conferred on that state by this compact may be terminated
488.20 on the effective date of termination. A cure of the default does not relieve the offending
488.21 state of obligations or liabilities incurred during the period of default.

488.22 (D) Termination of participation in the compact shall be imposed only after all other
488.23 means of securing compliance have been exhausted. Notice of intent to suspend or terminate
488.24 shall be given by the commission to the governor, the majority and minority leaders of the
488.25 defaulting state's legislature, the defaulting state's state licensing authority or authorities,
488.26 as applicable, and each of the participating states' state licensing authority or authorities, as
488.27 applicable.

488.28 (E) A state that has been terminated is responsible for all assessments, obligations, and
488.29 liabilities incurred through the effective date of termination, including obligations that
488.30 extend beyond the effective date of termination.

488.31 (F) Upon the termination of a state's participation in this compact, that state shall
488.32 immediately provide notice to all licensees of the state, including licensees of other
488.33 participating states issued a compact privilege to practice within that state, of such

489.1 termination. The terminated state shall continue to recognize all compact privileges then in
489.2 effect in that state for a minimum of 180 days after the date of said notice of termination.

489.3 (G) The commission shall not bear any costs related to a state that is found to be in
489.4 default or that has been terminated from the compact, unless agreed upon in writing between
489.5 the commission and the defaulting state.

489.6 (H) The defaulting state may appeal the action of the commission by petitioning the
489.7 United States District Court for the District of Columbia or the federal district where the
489.8 commission has its principal offices. The prevailing party shall be awarded all costs of such
489.9 litigation, including reasonable attorney fees.

489.10 (I) Dispute Resolution:

489.11 (1) Upon request by a participating state, the commission shall attempt to resolve disputes
489.12 related to the compact that arise among participating states and between participating states
489.13 and nonparticipating states.

489.14 (2) The commission shall promulgate a rule providing for both mediation and binding
489.15 dispute resolution for disputes as appropriate.

489.16 (J) Enforcement:

489.17 (1) The commission, in the reasonable exercise of its discretion, shall enforce the
489.18 provisions of this compact and the commission's rules.

489.19 (2) By majority vote, the commission may initiate legal action against a participating
489.20 state in default in the United States District Court for the District of Columbia or the federal
489.21 district where the commission has its principal offices to enforce compliance with the
489.22 provisions of the compact and its promulgated rules. The relief sought may include both
489.23 injunctive relief and damages. In the event judicial enforcement is necessary, the prevailing
489.24 party shall be awarded all costs of such litigation, including reasonable attorney fees. The
489.25 remedies herein shall not be the exclusive remedies of the commission. The commission
489.26 may pursue any other remedies available under federal or the defaulting participating state's
489.27 law.

489.28 (3) A participating state may initiate legal action against the commission in the United
489.29 States District Court for the District of Columbia or the federal district where the commission
489.30 has its principal offices to enforce compliance with the provisions of the compact and its
489.31 promulgated rules. The relief sought may include both injunctive relief and damages. In the
489.32 event judicial enforcement is necessary, the prevailing party shall be awarded all costs of
489.33 such litigation, including reasonable attorney fees.

490.1 (4) No individual or entity other than a participating state may enforce this compact
490.2 against the commission.

490.3 ARTICLE XI

490.4 EFFECTIVE DATE, WITHDRAWAL, AND AMENDMENT

490.5 (A) The compact shall come into effect on the date on which the compact statute is
490.6 enacted into law in the seventh participating state.

490.7 (1) On or after the effective date of the compact, the commission shall convene and
490.8 review the enactment of each of the states that enacted the compact prior to the commission
490.9 convening ("charter participating states") to determine if the statute enacted by each such
490.10 charter participating state is materially different than the model compact.

490.11 (i) A charter participating state whose enactment is found to be materially different from
490.12 the model compact shall be entitled to the default process set forth in article X.

490.13 (ii) If any participating state is later found to be in default, or is terminated or withdraws
490.14 from the compact, the commission shall remain in existence and the compact shall remain
490.15 in effect even if the number of participating states should be less than seven.

490.16 (2) Participating states enacting the compact subsequent to the charter participating states
490.17 shall be subject to the process set forth in article VII, (C)(23), to determine if their enactments
490.18 are materially different from the model compact and whether they qualify for participation
490.19 in the compact.

490.20 (3) All actions taken for the benefit of the commission or in furtherance of the purposes
490.21 of the administration of the compact prior to the effective date of the compact or the
490.22 commission coming into existence shall be considered to be actions of the commission
490.23 unless specifically repudiated by the commission.

490.24 (4) Any state that joins the compact subsequent to the commission's initial adoption of
490.25 the rules and bylaws shall be subject to the commission's rules and bylaws as they exist on
490.26 the date on which the compact becomes law in that state. Any rule that has been previously
490.27 adopted by the commission shall have the full force and effect of law on the day the compact
490.28 becomes law in that state.

490.29 (B) Any participating state may withdraw from this compact by enacting a statute
490.30 repealing that state's enactment of the compact.

490.31 (1) A participating state's withdrawal shall not take effect until 180 days after enactment
490.32 of the repealing statute.

491.1 (2) Withdrawal shall not affect the continuing requirement of the withdrawing state's
491.2 licensing authority or authorities to comply with the investigative and adverse action reporting
491.3 requirements of this compact prior to the effective date of withdrawal.

491.4 (3) Upon the enactment of a statute withdrawing from this compact, the state shall
491.5 immediately provide notice of such withdrawal to all licensees within that state.
491.6 Notwithstanding any subsequent statutory enactment to the contrary, such withdrawing
491.7 state shall continue to recognize all compact privileges to practice within that state granted
491.8 pursuant to this compact for a minimum of 180 days after the date of such notice of
491.9 withdrawal.

491.10 (C) Nothing contained in this compact shall be construed to invalidate or prevent any
491.11 licensure agreement or other cooperative arrangement between a participating state and a
491.12 nonparticipating state that does not conflict with the provisions of this compact.

491.13 (D) This compact may be amended by the participating states. No amendment to this
491.14 compact shall become effective and binding upon any participating state until it is enacted
491.15 into the laws of all participating states.

491.16 ARTICLE XII

491.17 CONSTRUCTION AND SEVERABILITY

491.18 (A) This compact and the commission's rulemaking authority shall be liberally construed
491.19 so as to effectuate the purposes and the implementation and administration of the compact.
491.20 Provisions of the compact expressly authorizing or requiring the promulgation of rules shall
491.21 not be construed to limit the commission's rulemaking authority solely for those purposes.

491.22 (B) The provisions of this compact shall be severable and if any phrase, clause, sentence,
491.23 or provision of this compact is held by a court of competent jurisdiction to be contrary to
491.24 the constitution of any participating state, a state seeking participation in the compact, or
491.25 of the United States, or the applicability thereof to any government, agency, person, or
491.26 circumstance is held to be unconstitutional by a court of competent jurisdiction, the validity
491.27 of the remainder of this compact and the applicability thereof to any other government,
491.28 agency, person, or circumstance shall not be affected thereby.

491.29 (C) Notwithstanding (B) of this article, the commission may deny a state's participation
491.30 in the compact or, in accordance with the requirements of article X, (B), terminate a
491.31 participating state's participation in the compact, if it determines that a constitutional
491.32 requirement of a participating state is a material departure from the compact. Otherwise, if
491.33 this compact shall be held to be contrary to the constitution of any participating state, the

492.1 compact shall remain in full force and effect as to the remaining participating states and in
492.2 full force and effect as to the participating state affected as to all severable matters.

492.3 ARTICLE XIII

492.4 CONSISTENT EFFECT AND CONFLICT WITH OTHER STATE LAWS

492.5 (A) Nothing herein shall prevent or inhibit the enforcement of any other law of a
492.6 participating state that is not inconsistent with the compact.

492.7 (B) Any laws, statutes, regulations, or other legal requirements in a participating state
492.8 in conflict with the compact are superseded to the extent of the conflict.

492.9 (C) All permissible agreements between the commission and the participating states are
492.10 binding in accordance with their terms.

499.7 in the remote state for a specific period of time, impose fines, and take any other necessary
499.8 actions to protect the health and safety of its citizens.

499.9 (g) If a multistate license is encumbered, the regulated social worker's multistate
499.10 authorization to practice shall be deactivated in all remote states until the multistate license
499.11 is no longer encumbered.

499.12 (h) If a multistate authorization to practice is encumbered in a remote state, the regulated
499.13 social worker's multistate authorization to practice may be deactivated in that state until the
499.14 multistate authorization to practice is no longer encumbered.

499.15 **Sec. 5. [148E.44] ISSUANCE OF A MULTISTATE LICENSE.**

499.16 (a) Upon receipt of an application for multistate license, the home state licensing authority
499.17 shall determine the applicant's eligibility for a multistate license in accordance with section
499.18 148E.43.

499.19 (b) If such applicant is eligible pursuant to section 148E.43, the home state licensing
499.20 authority shall issue a multistate license that authorizes the applicant or regulated social
499.21 worker to practice in all member states under a multistate authorization to practice.

499.22 (c) Upon issuance of a multistate license, the home state licensing authority shall designate
499.23 whether the regulated social worker holds a multistate license in the bachelor's, master's,
499.24 or clinical category of social work.

499.25 (d) A multistate license issued by a home state to a resident in that state shall be
499.26 recognized by all Compact member states as authorizing social work practice under a
499.27 multistate authorization to practice corresponding to each category of licensure regulated
499.28 in each member state.

499.29 **Sec. 6. [148E.45] AUTHORITY OF INTERSTATE COMPACT COMMISSION**
499.30 **AND MEMBER STATE LICENSING AUTHORITIES.**

499.31 (a) Nothing in this Compact, nor any rule of the Commission, shall be construed to limit,
499.32 restrict, or in any way reduce the ability of a member state to enact and enforce laws,

500.1 regulations, or other rules related to the practice of social work in that state, where those
500.2 laws, regulations, or other rules are not inconsistent with the provisions of this Compact.

500.3 (b) Nothing in this Compact shall affect the requirements established by a member state
500.4 for the issuance of a single state license.

500.5 (c) Nothing in this Compact, nor any rule of the Commission, shall be construed to limit,
500.6 restrict, or in any way reduce the ability of a member state to take adverse action against a
500.7 licensee's single state license to practice social work in that state.

500.8 (d) Nothing in this Compact, nor any rule of the Commission, shall be construed to limit,
500.9 restrict, or in any way reduce the ability of a remote state to take adverse action against a
500.10 licensee's multistate authorization to practice in that state.

500.11 (e) Nothing in this Compact, nor any rule of the Commission, shall be construed to limit,
500.12 restrict, or in any way reduce the ability of a licensee's home state to take adverse action
500.13 against a licensee's multistate license based upon information provided by a remote state.

500.14 **Sec. 7. [148E.46] REISSUANCE OF A MULTISTATE LICENSE BY A NEW HOME**
500.15 **STATE.**

500.16 (a) A licensee can hold a multistate license, issued by their home state, in only one
500.17 member state at any given time.

500.18 (b) If a licensee changes their home state by moving between two member states:

500.19 (1) The licensee shall immediately apply for the reissuance of their multistate license in
500.20 their new home state. The licensee shall pay all applicable fees and notify the prior home
500.21 state in accordance with the rules of the Commission.

500.22 (2) Upon receipt of an application to reissue a multistate license, the new home state
500.23 shall verify that the multistate license is active, unencumbered, and eligible for reissuance
500.24 under the terms of the Compact and the rules of the Commission. The multistate license
500.25 issued by the prior home state will be deactivated and all member states notified in
500.26 accordance with the applicable rules adopted by the Commission.

500.27 (3) Prior to the reissuance of the multistate license, the new home state shall conduct
500.28 procedures for considering the criminal history records of the licensee. Such procedures
500.29 shall include the submission of fingerprints or other biometric-based information by
500.30 applicants for the purpose of obtaining an applicant's criminal history record information
500.31 from the Federal Bureau of Investigation and the agency responsible for retaining that state's
500.32 criminal records.

501.1 (4) If required for initial licensure, the new home state may require completion of
501.2 jurisprudence requirements in the new home state.

501.3 (5) Notwithstanding any other provision of this Compact, if a licensee does not meet
501.4 the requirements set forth in this Compact for the reissuance of a multistate license by the
501.5 new home state, then the licensee shall be subject to the new home state requirements for
501.6 the issuance of a single state license in that state.

501.7 (c) If a licensee changes their primary state of residence by moving from a member state
501.8 to a nonmember state, or from a nonmember state to a member state, then the licensee shall
501.9 be subject to the state requirements for the issuance of a single state license in the new home
501.10 state.

501.11 (d) Nothing in this Compact shall interfere with a licensee's ability to hold a single state
501.12 license in multiple states; however, for the purposes of this Compact, a licensee shall have
501.13 only one home state, and only one multistate license.

501.14 (e) Nothing in this Compact shall interfere with the requirements established by a member
501.15 state for the issuance of a single state license.

501.16 **Sec. 8. [148E.47] MILITARY FAMILIES.**

501.17 An active military member or their spouse shall designate a home state where the
501.18 individual has a multistate license. The individual may retain their home state designation
501.19 during the period the service member is on active duty.

501.20 **Sec. 9. [148E.48] ADVERSE ACTIONS.**

501.21 (a) In addition to the other powers conferred by state law, a remote state shall have the
501.22 authority, in accordance with existing state due process law, to:

501.23 (1) take adverse action against a regulated social worker's multistate authorization to
501.24 practice only within that member state, and issue subpoenas for both hearings and
501.25 investigations that require the attendance and testimony of witnesses as well as the production
501.26 of evidence. Subpoenas issued by a licensing authority in a member state for the attendance
501.27 and testimony of witnesses or the production of evidence from another member state shall
501.28 be enforced in the latter state by any court of competent jurisdiction, according to the practice
501.29 and procedure of that court applicable to subpoenas issued in proceedings pending before
501.30 it. The issuing licensing authority shall pay any witness fees, travel expenses, mileage, and
501.31 other fees required by the service statutes of the state in which the witnesses or evidence
501.32 are located; and

502.1 (2) only the home state shall have the power to take adverse action against a regulated
502.2 social worker's multistate license.

502.3 (b) For purposes of taking adverse action, the home state shall give the same priority
502.4 and effect to reported conduct received from a member state as it would if the conduct had
502.5 occurred within the home state. In so doing, the home state shall apply its own state laws
502.6 to determine appropriate action.

502.7 (c) The home state shall complete any pending investigations of a regulated social worker
502.8 who changes their home state during the course of the investigations. The home state shall
502.9 also have the authority to take appropriate action and shall promptly report the conclusions
502.10 of the investigations to the administrator of the data system. The administrator of the data
502.11 system shall promptly notify the new home state of any adverse actions.

502.12 (d) A member state, if otherwise permitted by state law, may recover from the affected
502.13 regulated social worker the costs of investigations and dispositions of cases resulting from
502.14 any adverse action taken against that regulated social worker.

502.15 (e) A member state may take adverse action based on the factual findings of another
502.16 member state, provided that the member state follows its own procedures for taking the
502.17 adverse action.

502.18 (f) Joint investigations:

502.19 (1) In addition to the authority granted to a member state by its respective social work
502.20 practice act or other applicable state law, any member state may participate with other
502.21 member states in joint investigations of licensees.

502.22 (2) Member states shall share any investigative, litigation, or compliance materials in
502.23 furtherance of any joint or individual investigation initiated under the Compact.

502.24 (g) If adverse action is taken by the home state against the multistate license of a regulated
502.25 social worker, the regulated social worker's multistate authorization to practice in all other
502.26 member states shall be deactivated until all encumbrances have been removed from the
502.27 multistate license. All home state disciplinary orders that impose adverse action against the
502.28 license of a regulated social worker shall include a statement that the regulated social worker's
502.29 multistate authorization to practice is deactivated in all member states until all conditions
502.30 of the decision, order, or agreement are satisfied.

502.31 (h) If a member state takes adverse action, it shall promptly notify the administrator of
502.32 the data system. The administrator of the data system shall promptly notify the home state
502.33 and all other member states of any adverse actions by remote states.

503.1 (i) Nothing in this compact shall override a member state's decision that participation
503.2 in an alternative program may be used in lieu of adverse action.

503.3 (j) Nothing in this Compact shall authorize a member state to demand the issuance of
503.4 subpoenas for attendance and testimony of witnesses or the production of evidence from
503.5 another member state for lawful actions within that member state.

503.6 (k) Nothing in this Compact shall authorize a member state to impose discipline against
503.7 a regulated social worker who holds a multistate authorization to practice for lawful actions
503.8 within another member state.

503.9 **Sec. 10. [148E.49] ESTABLISHMENT OF SOCIAL WORK LICENSURE**
503.10 **COMPACT COMMISSION.**

503.11 (a) The Compact member states hereby create and establish a joint government agency
503.12 whose membership consists of all member states that have enacted the compact known as
503.13 the Social Work Licensure Compact Commission. The Commission is an instrumentality
503.14 of the Compact states acting jointly and not an instrumentality of any one state. The
503.15 Commission shall come into existence on or after the effective date of the Compact as set
503.16 forth in section 148E.53.

503.17 (b) Membership, voting, and meetings:

503.18 (1) Each member state shall have and be limited to one delegate selected by that member
503.19 state's state licensing authority.

503.20 (2) The delegate shall be either:

503.21 (i) a current member of the state licensing authority at the time of appointment, who is
503.22 a regulated social worker or public member of the state licensing authority; or

503.24 (3) The Commission shall by rule or bylaw establish a term of office for delegates and
503.25 may by rule or bylaw establish term limits.

503.26 (4) The Commission may recommend removal or suspension of any delegate from office.

503.27 (5) A member state's state licensing authority shall fill any vacancy of its delegate
503.28 occurring on the Commission within 60 days of the vacancy.

503.29 (6) Each delegate shall be entitled to one vote on all matters before the Commission
503.30 requiring a vote by Commission delegates.

504.1 (7) A delegate shall vote in person or by such other means as provided in the bylaws.
504.2 The bylaws may provide for delegates to meet by telecommunication, video conference, or
504.3 other means of communication.

504.4 (8) The Commission shall meet at least once during each calendar year. Additional
504.5 meetings may be held as set forth in the bylaws. The Commission may meet by
504.6 telecommunication, video conference, or other similar electronic means.

504.7 (c) The Commission shall have the following powers:

504.8 (1) establish the fiscal year of the Commission;

504.9 (2) establish code of conduct and conflict of interest policies;

504.13 Commission's rules, and the bylaws;

504.14 (6) initiate and conclude legal proceedings or actions in the name of the Commission,
504.15 provided that the standing of any state licensing board to sue or be sued under applicable
504.16 law shall not be affected;

504.17 (7) maintain and certify records and information provided to a member state as the
504.18 authenticated business records of the Commission, and designate an agent to do so on the
504.19 Commission's behalf;

504.20 (8) purchase and maintain insurance and bonds;

504.21 (9) borrow, accept, or contract for services of personnel, including but not limited to
504.22 employees of a member state;

504.23 (10) conduct an annual financial review;

504.24 (11) hire employees, elect or appoint officers, fix compensation, define duties, grant
504.25 such individuals appropriate authority to carry out the purposes of the Compact, and establish
504.26 the Commission's personnel policies and programs relating to conflicts of interest,
504.27 qualifications of personnel, and other related personnel matters;

504.28 (12) assess and collect fees;

504.29 (13) accept any and all appropriate gifts, donations, grants of money, other sources of
504.30 revenue, equipment, supplies, materials, and services, and receive, utilize, and dispose of

505.1 the same, provided that at all times the Commission shall avoid any appearance of
505.2 impropriety or conflict of interest;

505.4 mixed, or any undivided interest therein;

505.16 and

505.17 (22) perform such other functions as may be necessary or appropriate to achieve the
505.18 purposes of this Compact.

505.19 (d) The Executive Committee:

505.20 (1) The Executive Committee shall have the power to act on behalf of the Commission
505.21 according to the terms of this Compact. The powers, duties, and responsibilities of the
505.22 Executive Committee shall include:

505.23 (i) oversee the day-to-day activities of the administration of the Compact, including

505.27 Compact legislation, fees charged to Compact member states, fees charged to licensees,

- 506.9 (ix) other duties as provided in the rules or bylaws of the Commission.
- 506.10 (2) The Executive Committee shall be composed of up to 11 members:
- 506.11 (i) the chair and vice chair of the Commission shall be voting members of the Executive
506.12 Committee;
- 506.13 (ii) the Commission shall elect five voting members from the current membership of
506.14 the Commission;
- 506.15 (iii) up to four ex-officio, nonvoting members from four recognized national social work
506.16 organizations; and

507.2 closed, nonpublic meeting as provided in paragraph (f), clause (2).

507.3 (i) Public notice for all meetings of the full Commission of meetings shall be given in
507.4 the same manner as required under the rulemaking provisions in section 148E.51, except
507.5 that the Commission may hold a special meeting as provided in paragraph (f), clause (1),
507.6 item (ii).

507.7 (ii) The Commission may hold a special meeting when it must meet to conduct emergency
507.8 business by giving 48 hours' notice to all commissioners on the Commission's website and
507.9 other means as provided in the Commission's rules. The Commission's legal counsel shall
507.10 certify that the Commission's need to meet qualifies as an emergency.

507.11 (2) The Commission or the Executive Committee or other committees of the Commission
507.12 may convene in a closed, nonpublic meeting for the Commission or Executive Committee
507.13 or other committees of the Commission to receive legal advice or to discuss:

507.25 unwarranted invasion of personal privacy;

507.26 (ix) investigative records compiled for law enforcement purposes;

507.27 (x) information related to any investigative reports prepared by or on behalf of or for
507.28 use of the Commission or other committee charged with responsibility of investigation or

507.31 (xii) other matters as promulgated by the Commission by rule.

508.1 (3) If a meeting, or portion of a meeting, is closed, the presiding officer shall state that
508.2 the meeting will be closed and reference each relevant exempting provision, and such
508.3 reference shall be recorded in the minutes.

508.4 (4) The Commission shall keep minutes that fully and clearly describe all matters
508.5 discussed in a meeting and shall provide a full and accurate summary of actions taken, and
508.6 the reasons therefore, including a description of the views expressed. All documents
508.7 considered in connection with an action shall be identified in such minutes. All minutes and
508.8 documents of a closed meeting shall remain under seal, subject to release only by a majority
508.9 vote of the Commission or order of a court of competent jurisdiction.

508.10 (g) Financing of the Commission:

508.11 (1) The Commission shall pay, or provide for the payment of, the reasonable expenses
508.12 of its establishment, organization, and ongoing activities.

508.13 (2) The Commission may accept any and all appropriate revenue sources as provided
508.14 in paragraph (c), clause (13).

508.15 (3) The Commission may levy on and collect an annual assessment from each member
508.16 state and impose fees on licensees of member states to whom it grants a multistate license
508.17 to cover the cost of the operations and activities of the Commission and its staff, which
508.18 must be in a total amount sufficient to cover its annual budget as approved each year for
508.19 which revenue is not provided by other sources. The aggregate annual assessment amount
508.20 for member states shall be allocated based upon a formula that the Commission shall
508.21 promulgate by rule.

508.22 (4) The Commission shall not incur obligations of any kind prior to securing the funds
508.23 adequate to meet the same; nor shall the Commission pledge the credit of any of the member
508.24 states, except by and with the authority of the member state.

508.25 (5) The Commission shall keep accurate accounts of all receipts and disbursements. The
508.26 receipts and disbursements of the Commission shall be subject to the financial review and
508.27 accounting procedures established under its bylaws. However, all receipts and disbursements
508.28 of funds handled by the Commission shall be subject to an annual financial review by a
508.29 certified or licensed public accountant, and the report of the financial review shall be included
508.30 in and become part of the annual report of the Commission.

508.31 (h) Qualified immunity, defense, and indemnification:

508.32 (1) The members, officers, executive director, employees, and representatives of the
508.33 Commission shall be immune from suit and liability, both personally and in their official

509.1 capacity, for any claim for damage to or loss of property or personal injury or other civil
509.2 liability caused by or arising out of any actual or alleged act, error, or omission that occurred,
509.3 or that the person against whom the claim is made had a reasonable basis for believing
509.4 occurred within the scope of Commission employment, duties, or responsibilities, provided
509.5 that nothing in this paragraph shall be construed to protect any such person from suit or
509.6 liability for any damage, loss, injury, or liability caused by the intentional or willful or
509.7 wanton misconduct of that person. The procurement of insurance of any type by the
509.8 Commission shall not in any way compromise or limit the immunity granted hereunder.

509.9 (2) The Commission shall defend any member, officer, executive director, employee,
509.10 and representative of the Commission in any civil action seeking to impose liability arising
509.11 out of any actual or alleged act, error, or omission that occurred within the scope of
509.12 Commission employment, duties, or responsibilities, or as determined by the Commission
509.13 that the person against whom the claim is made had a reasonable basis for believing occurred
509.14 within the scope of Commission employment, duties, or responsibilities, provided that
509.15 nothing herein shall be construed to prohibit that person from retaining their own counsel
509.16 at their own expense, and provided further, that the actual or alleged act, error, or omission
509.17 did not result from that person's intentional or willful or wanton misconduct.

509.18 (3) The Commission shall indemnify and hold harmless any member, officer, executive
509.19 director, employee, and representative of the Commission for the amount of any settlement
509.20 or judgment obtained against that person arising out of any actual or alleged act, error, or
509.21 omission that occurred within the scope of Commission employment, duties, or
509.22 responsibilities, or that such person had a reasonable basis for believing occurred within
509.23 the scope of Commission employment, duties, or responsibilities, provided that the actual
509.24 or alleged act, error, or omission did not result from the intentional or willful or wanton
509.25 misconduct of that person.

509.26 (4) Nothing herein shall be construed as a limitation on the liability of any licensee for
509.27 professional malpractice or misconduct, which shall be governed solely by any other
509.28 applicable state laws.

509.29 (5) Nothing in this Compact shall be interpreted to waive or otherwise abrogate a member
509.30 state's state action immunity or state action affirmative defense with respect to antitrust
509.31 claims under the Sherman Act, Clayton Act, or any other state or federal antitrust or
509.32 anticompetitive law or regulation.

509.33 (6) Nothing in this Compact shall be construed to be a waiver of sovereign immunity
509.34 by the member states or by the Commission.

510.1 (i) Notwithstanding paragraph (h), clause (1), the liability of the executive director,
510.2 employees, or representatives of the interstate commission, acting within the scope of their
510.3 employment or duties, may not exceed the limits of liability set forth under the constitution
510.4 and laws of this state for state officials, employees, and agents. This paragraph expressly
510.5 incorporates section 3.736, and neither expands nor limits the rights and remedies provided
510.6 under that statute.

510.7 (j) Except for a claim alleging a violation of this compact, a claim against the commission,
510.8 its executive director, employees, or representatives alleging a violation of the constitution
510.9 and laws of this state may be brought in any county where the plaintiff resides. Nothing in
510.10 this paragraph creates a private right of action.

510.11 **Sec. 11. [148E.50] DATA SYSTEM.**

510.12 (a) The Commission shall provide for the development, maintenance, operation, and
510.13 utilization of a coordinated data system.

510.14 (b) The Commission shall assign each applicant for a multistate license a unique identifier,
510.15 as determined by the rules of the Commission.

510.16 (c) Notwithstanding any other provision of state law to the contrary, a member state
510.17 shall submit a uniform data set to the data system on all individuals to whom this Compact
510.18 is applicable as required by the rules of the Commission, including:

510.19 (1) identifying information;

510.20 (2) licensure data;

510.21 (3) adverse actions against a license and information related thereto;

510.22 (4) nonconfidential information related to alternative program participation, the beginning
510.23 and ending dates of such participation, and other information related to such participation
510.24 not made confidential under member state law;

510.25 (5) any denial of application for licensure, and the reason for such denial;

510.26 (6) the presence of current significant investigative information; and

510.27 (7) other information that may facilitate the administration of this Compact or the
510.28 protection of the public, as determined by the rules of the Commission.

510.29 (d) The records and information provided to a member state pursuant to this Compact
510.30 or through the data system, when certified by the Commission or an agent thereof, shall
510.31 constitute the authenticated business records of the Commission, and shall be entitled to

511.1 any associated hearsay exception in any relevant judicial, quasi-judicial, or administrative
511.2 proceedings in a member state.

511.3 (e) Current significant investigative information pertaining to a licensee in any member
511.4 state will only be available to other member states.

511.5 (f) It is the responsibility of the member states to report any adverse action against a
511.6 licensee and to monitor the database to determine whether adverse action has been taken
511.7 against a licensee. Adverse action information pertaining to a licensee in any member state
511.8 will be available to any other member state.

511.9 (g) Member states contributing information to the data system may designate information
511.10 that may not be shared with the public without the express permission of the contributing
511.11 state.

511.12 (h) Any information submitted to the data system that is subsequently expunged pursuant
511.13 to federal law or the laws of the member state contributing the information shall be removed
511.14 from the data system.

511.15 **Sec. 12. [148E.51] RULEMAKING.**

511.16 (a) The Commission shall promulgate reasonable rules in order to effectively and
511.17 efficiently implement and administer the purposes and provisions of the Compact. A rule
511.18 shall be invalid and have no force or effect only if a court of competent jurisdiction holds
511.19 that the rule is invalid because the Commission exercised its rulemaking authority in a
511.20 manner that is beyond the scope and purposes of the Compact, or the powers granted
511.21 hereunder, or based upon another applicable standard of review.

511.22 (b) The rules of the Commission shall have the force of law in each member state,
511.23 provided however that where the rules of the Commission conflict with the laws of the
511.24 member state that establish the member state's laws, regulations, and applicable standards
511.25 that govern the practice of social work as held by a court of competent jurisdiction, the rules
511.26 of the Commission shall be ineffective in that state to the extent of the conflict.

511.27 (c) The Commission shall exercise its rulemaking powers pursuant to the criteria set
511.28 forth in this section and the rules adopted thereunder. Rules shall become binding on the
511.29 day following adoption or the date specified in the rule or amendment, whichever is later.

511.30 (d) If a majority of the legislatures of the member states rejects a rule or portion of a
511.31 rule, by enactment of a statute or resolution in the same manner used to adopt the Compact
511.32 within four years of the date of adoption of the rule, then such rule shall have no further
511.33 force and effect in any member state.

512.1 (e) Rules shall be adopted at a regular or special meeting of the Commission.

512.2 (f) Prior to adoption of a proposed rule, the commission shall hold a public hearing and
512.3 allow persons to provide oral and written comments, data, facts, opinions, and arguments.

512.4 (g) Prior to adoption of a proposed rule by the Commission, and at least 30 days in
512.5 advance of the meeting at which the Commission will hold a public hearing on the proposed
512.6 rule, the Commission shall provide a notice of proposed rulemaking:

512.7 (1) on the website of the Commission or other publicly accessible platform;

512.8 (2) to persons who have requested notice of the Commission's notices of proposed
512.9 rulemaking; and

512.10 (3) in such other way as the Commission may by rule specify.

512.11 (h) The notice of proposed rulemaking shall include:

512.12 (1) the time, date, and location of the public hearing at which the Commission will hear
512.13 public comments on the proposed rule and, if different, the time, date, and location of the
512.14 meeting where the Commission will consider and vote on the proposed rule;

512.15 (2) if the hearing is held via telecommunication, video conference, or other electronic
512.16 means, the Commission shall include the mechanism for access to the hearing in the notice
512.17 of proposed rulemaking;

512.18 (3) the text of the proposed rule and the reason therefor;

512.19 (4) a request for comments on the proposed rule from any interested person; and

512.20 (5) the manner in which interested persons may submit written comments.

512.21 (i) All hearings will be recorded. A copy of the recording and all written comments and
512.22 documents received by the Commission in response to the proposed rule shall be available
512.23 to the public.

512.24 (j) Nothing in this section shall be construed as requiring a separate hearing on each
512.25 rule. Rules may be grouped for the convenience of the Commission at hearings required by
512.26 this section.

512.27 (k) The Commission shall, by majority vote of all members, take final action on the
512.28 proposed rule based on the rulemaking record and the full text of the rule.

512.29 (1) The Commission may adopt changes to the proposed rule, provided the changes do
512.30 not enlarge the original purpose of the proposed rule.

513.1 (2) The Commission shall provide an explanation of the reasons for substantive changes
513.2 made to the proposed rule as well as reasons for substantive changes not made that were
513.3 recommended by commenters.

513.4 (3) The Commission shall determine a reasonable effective date for the rule. Except for
513.5 an emergency as provided in paragraph (1), the effective date of the rule shall be no sooner
513.6 than 30 days after issuing the notice that it adopted or amended the rule.

513.7 (1) Upon determination that an emergency exists, the Commission may consider and
513.8 adopt an emergency rule with 48 hours' notice, with opportunity to comment, provided that
513.9 the usual rulemaking procedures provided in the Compact and in this section shall be
513.10 retroactively applied to the rule as soon as reasonably possible, in no event later than 90
513.11 days after the effective date of the rule. For the purposes of this provision, an emergency
513.12 rule is one that must be adopted immediately in order to:

513.13 (1) meet an imminent threat to public health, safety, or welfare;

513.14 (2) prevent a loss of Commission or member state funds;

513.15 (3) meet a deadline for the promulgation of a rule that is established by federal law or
513.16 rule; or

513.17 (4) protect public health and safety.

513.18 (m) The Commission or an authorized committee of the Commission may direct revisions
513.19 to a previously adopted rule for purposes of correcting typographical errors, errors in format,
513.20 errors in consistency, or grammatical errors. Public notice of any revisions shall be posted
513.21 on the website of the Commission. The revision shall be subject to challenge by any person
513.22 for a period of 30 days after posting. The revision may be challenged only on grounds that
513.23 the revision results in a material change to a rule. A challenge shall be made in writing and
513.24 delivered to the Commission prior to the end of the notice period. If no challenge is made,
513.25 the revision will take effect without further action. If the revision is challenged, the revision
513.26 may not take effect without the approval of the Commission.

513.27 (n) No member state's rulemaking requirements shall apply under this compact.

513.28 **Sec. 13. [148E.52] OVERSIGHT, DISPUTE RESOLUTION, AND ENFORCEMENT.**

513.29 (a) Oversight:

513.30 (1) The executive and judicial branches of state government in each member state shall
513.31 enforce this Compact and take all actions necessary and appropriate to implement the
513.32 Compact.

514.1 (2) Except as otherwise provided in this Compact, venue is proper and judicial
514.2 proceedings by or against the Commission shall be brought solely and exclusively in a court
514.3 of competent jurisdiction where the principal office of the Commission is located. The
514.4 Commission may waive venue and jurisdictional defenses to the extent it adopts or consents
514.5 to participate in alternative dispute resolution proceedings. Nothing herein shall affect or
514.6 limit the selection or propriety of venue in any action against a licensee for professional
514.7 malpractice, misconduct, or any such similar matter.

514.8 (3) The Commission shall be entitled to receive service of process in any proceeding
514.9 regarding the enforcement or interpretation of the Compact and shall have standing to
514.10 intervene in such a proceeding for all purposes. Failure to provide the Commission service
514.11 of process shall render a judgment or order void as to the Commission, this Compact, or
514.12 promulgated rules.

514.13 (b) Default, technical assistance, and termination:

514.14 (1) If the Commission determines that a member state has defaulted in the performance
514.15 of its obligations or responsibilities under this Compact or the promulgated rules, the
514.16 Commission shall provide written notice to the defaulting state. The notice of default shall
514.17 describe the default, the proposed means of curing the default, and any other action that the
514.18 Commission may take, and shall offer training and specific technical assistance regarding
514.19 the default.

514.20 (2) The Commission shall provide a copy of the notice of default to the other member
514.21 states.

514.22 (c) If a state in default fails to cure the default, the defaulting state may be terminated
514.23 from the Compact upon an affirmative vote of a majority of the delegates of the member
514.24 states, and all rights, privileges, and benefits conferred on that state by this Compact may
514.25 be terminated on the effective date of termination. A cure of the default does not relieve the
514.26 offending state of obligations or liabilities incurred during the period of default.

514.27 (d) Termination of membership in the Compact shall be imposed only after all other
514.28 means of securing compliance have been exhausted. Notice of intent to suspend or terminate
514.29 shall be given by the Commission to the governor, the majority and minority leaders of the
514.30 defaulting state's legislature, the defaulting state's state licensing authority, and each of the
514.31 member states' state licensing authority.

514.32 (e) A state that has been terminated is responsible for all assessments, obligations, and
514.33 liabilities incurred through the effective date of termination, including obligations that
514.34 extend beyond the effective date of termination.

515.1 (f) Upon the termination of a state's membership from this Compact, that state shall
515.2 immediately provide notice to all licensees within that state of such termination. The
515.3 terminated state shall continue to recognize all licenses granted pursuant to this Compact
515.4 for a minimum of six months after the date of said notice of termination.

515.5 (g) The Commission shall not bear any costs related to a state that is found to be in
515.6 default or that has been terminated from the Compact, unless agreed upon in writing between
515.7 the Commission and the defaulting state.

515.8 (h) The defaulting state may appeal the action of the Commission by petitioning the
515.9 United States District Court for the District of Columbia or the federal district where the
515.10 Commission has its principal offices. The prevailing party shall be awarded all costs of such
515.11 litigation, including reasonable attorney fees.

515.12 (i) Dispute resolution:

515.13 (1) Upon request by a member state, the Commission shall attempt to resolve disputes
515.14 related to the Compact that arise among member states and between member and nonmember
515.15 states.

515.16 (2) The Commission shall promulgate a rule providing for both mediation and binding
515.17 dispute resolution for disputes as appropriate.

515.18 (j) Enforcement:

515.19 (1) By majority vote as provided by rule, the Commission may initiate legal action
515.20 against a member state in default in the United States District Court for the District of
515.21 Columbia or the federal district where the Commission has its principal offices to enforce
515.22 compliance with the provisions of the Compact and its promulgated rules. The relief sought
515.23 may include both injunctive relief and damages. In the event judicial enforcement is
515.24 necessary, the prevailing party shall be awarded all costs of such litigation, including
515.25 reasonable attorney fees. The remedies herein shall not be the exclusive remedies of the
515.26 Commission. The Commission may pursue any other remedies available under federal or
515.27 the defaulting member state's law.

515.28 (2) A member state may initiate legal action against the Commission in the United States
515.29 District Court for the District of Columbia or the federal district where the Commission has
515.30 its principal offices to enforce compliance with the provisions of the Compact and its
515.31 promulgated rules. The relief sought may include both injunctive relief and damages. In the
515.32 event judicial enforcement is necessary, the prevailing party shall be awarded all costs of
515.33 such litigation, including reasonable attorney fees.

516.1 (3) No person other than a member state shall enforce this compact against the
516.2 Commission.

516.3 Sec. 14. **[148E.53] EFFECTIVE DATE, WITHDRAWAL, AND AMENDMENT.**

516.4 (a) The Compact shall come into effect on the date on which the Compact statute is
516.5 enacted into law in the seventh member state.

516.6 (1) On or after the effective date of the Compact, the Commission shall convene and
516.7 review the enactment of each of the first seven member states ("charter member states") to
516.8 determine if the statute enacted by each such charter member state is materially different
516.9 than the model Compact statute.

516.10 (i) A charter member state whose enactment is found to be materially different from the
516.11 model Compact statute shall be entitled to the default process set forth in section 148E.52.

516.12 (ii) If any member state is later found to be in default, or is terminated or withdraws
516.13 from the Compact, the Commission shall remain in existence and the Compact shall remain
516.14 in effect even if the number of member states should be less than seven.

516.15 (2) Member states enacting the compact subsequent to the seven initial charter member
516.16 states shall be subject to the process set forth in section 148E.49, paragraph (c), clause (21),
516.17 to determine if their enactments are materially different from the model Compact statute
516.18 and whether they qualify for participation in the Compact.

516.19 (3) All actions taken for the benefit of the Commission or in furtherance of the purposes
516.20 of the administration of the Compact prior to the effective date of the Compact or the
516.21 Commission coming into existence shall be considered to be actions of the Commission
516.22 unless specifically repudiated by the Commission.

516.23 (4) Any state that joins the Compact subsequent to the Commission's initial adoption of
516.24 the rules and bylaws shall be subject to the rules and bylaws as they exist on the date on
516.25 which the Compact becomes law in that state. Any rule that has been previously adopted
516.26 by the Commission shall have the full force and effect of law on the day the Compact
516.27 becomes law in that state.

516.28 (b) Any member state may withdraw from this Compact by enacting a statute repealing
516.29 the same.

516.30 (1) A member state's withdrawal shall not take effect until 180 days after enactment of
516.31 the repealing statute.

517.1 (2) Withdrawal shall not affect the continuing requirement of the withdrawing state's
517.2 licensing authority to comply with the investigative and adverse action reporting requirements
517.3 of this Compact prior to the effective date of withdrawal.

517.4 (3) Upon the enactment of a statute withdrawing from this Compact, a state shall
517.5 immediately provide notice of such withdrawal to all licensees within that state.
517.6 Notwithstanding any subsequent statutory enactment to the contrary, such withdrawing
517.7 state shall continue to recognize all licenses granted pursuant to this Compact for a minimum
517.8 of 180 days after the date of such notice of withdrawal.

517.9 (c) Nothing contained in this Compact shall be construed to invalidate or prevent any
517.10 licensure agreement or other cooperative arrangement between a member state and a
517.11 nonmember state that does not conflict with the provisions of this Compact.

517.12 (d) This Compact may be amended by the member states. No amendment to this Compact
517.13 shall become effective and binding upon any member state until it is enacted into the laws
517.14 of all member states.

517.15 Sec. 15. **[148E.54] CONSTRUCTION AND SEVERABILITY.**

517.16 (a) This Compact and the Commission's rulemaking authority shall be liberally construed
517.17 so as to effectuate the purposes, and the implementation and administration of the Compact.
517.18 Provisions of the Compact expressly authorizing or requiring the promulgation of rules
517.19 shall not be construed to limit the Commission's rulemaking authority solely for those
517.20 purposes.

517.21 (b) The provisions of this Compact shall be severable and if any phrase, clause, sentence,
517.22 or provision of this Compact is held by a court of competent jurisdiction to be contrary to
517.23 the constitution of any member state, a state seeking participation in the Compact, or of the
517.24 United States, or the applicability thereof to any government, agency, person or circumstance
517.25 is held to be unconstitutional by a court of competent jurisdiction, the validity of the
517.26 remainder of this Compact and the applicability thereof to any other government, agency,
517.27 person or circumstance shall not be affected thereby.

517.28 (c) Notwithstanding paragraph (b), the Commission may deny a state's participation in
517.29 the Compact or, in accordance with the requirements of section 148E.52, paragraph (b),
517.30 terminate a member state's participation in the Compact, if it determines that a constitutional
517.31 requirement of a member state is a material departure from the Compact. Otherwise, if this
517.32 Compact shall be held to be contrary to the constitution of any member state, the Compact

518.1 shall remain in full force and effect as to the remaining member states and in full force and
518.2 effect as to the member state affected as to all severable matters.

518.3 Sec. 16. **[148E.55] CONSISTENT EFFECT AND CONFLICT WITH OTHER STATE**
518.4 **LAWS.**

518.5 (a) A licensee providing services in a remote state under a multistate authorization to
518.6 practice shall adhere to the laws and regulations, including laws, regulations, and applicable
518.7 standards, of the remote state where the client is located at the time care is rendered.

518.8 (b) Nothing herein shall prevent or inhibit the enforcement of any other law of a member
518.9 state that is not inconsistent with the Compact.

518.10 (c) Any laws, statutes, regulations, or other legal requirements in a member state in
518.11 conflict with the Compact are superseded to the extent of the conflict.

518.12 (d) All permissible agreements between the Commission and the member states are
518.13 binding in accordance with their terms.

566.13 order to participate in state grants or SELF loan financial aid programs, shall be required
566.14 to provide a school bond of \$10,000.

566.16 of action against the applicant arising at any time after the bond is filed and before it is
566.17 canceled for breach of any contract or agreement made by the applicant with any student.
566.18 The aggregate liability of the surety for all breaches of the conditions of the bond shall not
566.19 exceed the principal sum deposited by the private career school under paragraph (b). The

567.1 a resident agent authorized to receive service of process. The statement shall designate the
567.2 secretary of state as resident agent for service of process in the absence of a designated
567.3 agent. If a private career school fails to file the statement, the secretary of state is designated
567.4 as the resident agent authorized to receive service of process. The authorization shall be
567.5 irrevocable as to causes of action arising out of transactions occurring prior to the filing of
567.6 written notice of withdrawal from the state of Minnesota filed with the secretary of state.

567.7 Sec. 38. Minnesota Statutes 2022, section 136A.822, subdivision 8, is amended to read:

567.28 living quarters which are owned, maintained, recommended, or approved by the applicant
567.29 are sanitary, healthful, and safe, as evidenced by certificate of occupancy issued by the
567.30 municipality or county where the private career school is physically situated, a fire inspection
567.31 by the local or state fire marshal, or another verification deemed acceptable by the office;

571.14 if that national certification entity is not accepted or recognized by Minnesota employers.
571.15 A school may validate that a national certification is accepted or recognized by Minnesota
571.16 employers by providing three certified letters from employers that the national certification
571.17 entity is recognized in Minnesota by employers.

571.18 ~~(l)~~ (m) The commissioner, at any time, may require a retraction of a false, misleading,
571.19 or deceptive claim. To the extent reasonable, the retraction must be published in the same

572.1 (b) To grant conditional private career school license for periods of less than one year
572.2 if in the judgment of the office correctable deficiencies exist at the time of application and

572.4 students;

572.5 (c) The office may upon its own motion, and shall upon the verified complaint in writing
572.6 of any person setting forth fact which, if proved, would constitute grounds for refusal or
572.7 revocation under Laws 1973, chapter 714, investigate the actions of any applicant or any
572.8 person or persons holding or claiming to hold a license or permit. However, before proceeding
572.9 to a hearing on the question of whether a license or permit shall be refused, revoked or
572.10 suspended for any cause enumerated in subdivision 1, the office shall grant a reasonable
572.11 time to the holder of or applicant for a license or permit to correct the situation. If within
572.12 such time the situation is corrected and the private career school is in compliance with the
572.13 provisions of sections 136A.82 to 136A.834, no further action leading to refusal, revocation,

572.18 minimized through the use of restrictions and requirements as conditions of the license.
572.19 Probationary licenses may include requirements and restrictions for:

572.20 (1) periodic monitoring and submission of reports on the school's deficiencies to ascertain
572.21 whether compliance improves;

572.28 according to the refund requirements of section 136A.827;

572.29 (5) a prohibition from enrolling new students;

578.20 of not more than \$10,000 if the person intentionally transfers a ~~pistol or semiautomatic~~
578.21 ~~military-style assault weapon~~ firearm to another if and the person knows or reasonably
578.22 should know that the transferee:

578.23 (1) has been denied a permit to carry under section 624.714 because the transferee is
578.24 not eligible under section 624.713 to possess a pistol or semiautomatic military-style assault
578.25 weapon or any other firearm;

578.26 (2) has been found ineligible to possess a pistol or semiautomatic military-style assault

579.8 Subd. 3. **Subsequent eligibility.** This section is not applicable to a transfer to a person
579.9 who became eligible to possess a pistol or semiautomatic military-style assault weapon
579.10 under section 624.713 after the transfer occurred but before the transferee used or possessed
579.11 the weapon in furtherance of any crime.

579.15 of this section that the defendant was a family or household member of the transferee and
579.16 committed the violation only under compulsion by the transferee who, by explicit or implicit
579.17 threats or other acts, created a reasonable apprehension in the mind of the defendant that
579.18 the refusal of the defendant to participate in the violation would result in the transferee

579.26 has proven the affirmative defense. Past prosecution is not required for the fact finder to
579.27 consider evidence of these acts. Nothing in this paragraph limits the ability of the fact finder
579.28 to consider other relevant evidence when determining if the defendant has proven the
579.29 affirmative defense.

579.30 **EFFECTIVE DATE.** This section is effective August 1, 2024, and applies to crimes
579.31 committed on or after that date.

654.11 grant contract with such entity to provide \$6,800,000 per year for five years, commencing
654.12 30 days after the commission approves the new or amended power purchase agreement, or
654.13 the termination of the power purchase agreement, and on each June 1 thereafter through
654.14 2021, to assist the transition required by the new, amended, or terminated power purchase
654.15 agreement. The grant shall be paid by the public utility from funds withheld from the transfer
654.16 to the renewable development account as provided in paragraphs (b) and (e).

654.17 (h) The collective amount paid under the grant contracts awarded under paragraphs (f)
654.18 and (g) is limited to the amount deposited into the renewable development account, and its
654.19 predecessor, the renewable development account, established under this section, that was
654.20 not required to be deposited into the account under Laws 1994, chapter 641, article 1, section
654.21 10.

654.22 (i) After discontinuation of operation of the Prairie Island nuclear plant or the Monticello
654.23 nuclear plant and each year spent nuclear fuel is stored in dry cask at the discontinued
654.24 facility, the commission shall require the public utility to pay \$7,500,000 for the discontinued
654.25 Prairie Island facility and \$5,250,000 for the discontinued Monticello facility for any year
654.26 in which the commission finds, by the preponderance of the evidence, that the public utility
654.27 did not make a good faith effort to remove the spent nuclear fuel stored at the facility to a
654.28 permanent or interim storage site out of the state. This determination shall be made at least
654.29 every two years.

654.30 (j) Funds in the account may be expended only for any of the following purposes:

654.31 (1) to stimulate research and development of renewable electric energy technologies;

654.32 (2) to encourage grid modernization, including, but not limited to, projects that implement
654.33 electricity storage, load control, and smart meter technology; and

655.1 (3) to stimulate other innovative energy projects that reduce demand and increase system
655.2 efficiency and flexibility.

655.3 Expenditures from the fund must benefit Minnesota ratepayers receiving electric service
655.4 from the utility that owns a nuclear-powered electric generating plant in this state or the
655.5 Prairie Island Indian community or its members.

655.6 The utility that owns a nuclear generating plant is eligible to apply for grants under this
655.7 subdivision.

655.8 (k) For the purposes of paragraph (j), the following terms have the meanings given:

655.9 (1) "renewable" has the meaning given in section 216B.2422, subdivision 1, paragraph
655.10 (c), clauses (1), (2), (4), and (5); and

655.11 (2) "grid modernization" means:

655.12 (i) enhancing the reliability of the electrical grid;

655.13 (ii) improving the security of the electrical grid against cyberthreats and physical threats;
655.14 and

655.15 (iii) increasing energy conservation opportunities by facilitating communication between
655.16 the utility and its customers through the use of two-way meters, control technologies, energy
655.17 storage and microgrids, technologies to enable demand response, and other innovative
655.18 technologies.

655.19 (l) A renewable development account advisory group that includes, among others,
655.20 representatives of the public utility and its ratepayers, and includes at least one representative
655.21 of the Prairie Island Indian community appointed by that community's tribal council, shall
655.22 develop recommendations on account expenditures. The advisory group must design a
655.23 request for proposal and evaluate projects submitted in response to a request for proposals.
655.24 The advisory group must utilize an independent third-party expert to evaluate proposals
655.25 submitted in response to a request for proposal, including all proposals made by the public
655.26 utility. A request for proposal for research and development under paragraph (j), clause (1),
655.27 may be limited to or include a request to higher education institutions located in Minnesota
655.28 for multiple projects authorized under paragraph (j), clause (1). The request for multiple
655.29 projects may include a provision that exempts the projects from the third-party expert review
655.30 and instead provides for project evaluation and selection by a merit peer review grant system.
655.31 In the process of determining request for proposal scope and subject and in evaluating
655.32 responses to request for proposals, the advisory group must strongly consider, where
655.33 reasonable:

656.1 (1) potential benefit to Minnesota citizens and businesses and the utility's ratepayers;
656.2 and

656.3 (2) the proposer's commitment to increasing the diversity of the proposer's workforce
656.4 and vendors.

656.5 (m) The advisory group shall submit funding recommendations to the public utility,
656.6 which has full and sole authority to determine which expenditures shall be submitted by
656.7 the advisory group to the legislature. The commission may approve proposed expenditures,
656.8 may disapprove proposed expenditures that it finds not to be in compliance with this
656.9 subdivision or otherwise not in the public interest, and may, if agreed to by the public utility,
656.10 modify proposed expenditures. The commission shall, by order, submit its funding
656.11 recommendations to the legislature as provided under paragraph (n).

656.12 (n) The commission shall present its recommended appropriations from the account to
656.13 the senate and house of representatives committees with jurisdiction over energy policy and
656.14 finance annually by February 15. Expenditures from the account must be appropriated by
656.15 law. In enacting appropriations from the account, the legislature:

656.16 (1) may approve or disapprove, but may not modify, the amount of an appropriation for
656.17 a project recommended by the commission; and

656.18 (2) may not appropriate money for a project the commission has not recommended
656.19 funding.

656.20 (o) A request for proposal for renewable energy generation projects must, when feasible
656.21 and reasonable, give preference to projects that are most cost-effective for a particular energy
656.22 source.

656.23 (p) The advisory group must annually, by February 15, report to the chairs and ranking
656.24 minority members of the legislative committees with jurisdiction over energy policy on
656.25 projects funded by the account for the prior year and all previous years. The report must,
656.26 to the extent possible and reasonable, itemize the actual and projected financial benefit to
656.27 the public utility's ratepayers of each project.

656.28 ~~(q) By February 1, 2018, and each February 1 thereafter, the commissioner of~~
656.29 ~~management and budget shall submit a written report regarding the availability of funds in~~
656.30 ~~and obligations of the account to the chairs and ranking minority members of the senate~~
656.31 ~~and house committees with jurisdiction over energy policy and finance, the public utility,~~
656.32 ~~and the advisory group.~~

657.1 ~~(p)~~ (q) A project receiving funds from the account must produce a written final report
657.2 that includes sufficient detail for technical readers and a clearly written summary for
657.3 nontechnical readers. The report must include an evaluation of the project's financial,
657.4 environmental, and other benefits to the state and the public utility's ratepayers. A project
657.5 receiving funds from the account must submit a report that meets the requirements of section
657.6 216C.51, subdivisions 3 and 4, each year the project funded by the account is in progress.

657.7 ~~(s)~~ (r) Final reports, any mid-project status reports, and renewable development account
657.8 financial reports must be posted online on a public website designated by the commissioner
657.9 of commerce.

657.10 ~~(t)~~ (s) All final reports must acknowledge that the project was made possible in whole
657.11 or part by the Minnesota renewable development account, noting that the account is financed
657.12 by the public utility's ratepayers.

657.13 ~~(u)~~ (t) Of the amount in the renewable development account, priority must be given to
657.14 making the payments required under section 216C.417.

657.15 ~~(v)~~ (u) Construction projects receiving funds from this account are subject to the
657.16 requirement to pay the prevailing wage rate, as defined in section 177.42 and the requirements
657.17 and enforcement provisions in sections 177.27, 177.30, 177.32, 177.41 to 177.435, and
657.18 177.45.

657.19 Sec. 4. Minnesota Statutes 2023 Supplement, section 116C.7792, is amended to read:

657.20 **116C.7792 SOLAR ENERGY PRODUCTION INCENTIVE PROGRAM.**

657.21 (a) The utility subject to section 116C.779 shall operate a program to provide solar
657.22 energy production incentives for solar energy systems of no more than a total aggregate
657.23 nameplate capacity of 40 kilowatts alternating current per premise. The owner of a solar
657.24 energy system installed before June 1, 2018, is eligible to receive a production incentive
657.25 under this section for any additional solar energy systems constructed at the same customer
657.26 location, provided that the aggregate capacity of all systems at the customer location does
657.27 not exceed 40 kilowatts.

657.28 (b) The program is funded by money withheld from transfer to the renewable development
657.29 account under section 116C.779, subdivision 1, paragraphs (b) and (e). Program funds must
657.30 be placed in a separate account for the purpose of the solar energy production incentive
657.31 program operated by the utility and not for any other program or purpose.

657.32 (c) Funds allocated to the solar energy production incentive program in 2019 and 2020
657.33 remain available to the solar energy production incentive program.

658.1 (d) The following amounts are allocated to the solar energy production incentive program:
658.2 (1) \$10,000,000 in 2021;
658.3 (2) \$10,000,000 in 2022;
658.4 (3) \$5,000,000 in 2023;
658.5 (4) \$11,250,000 in 2024; ~~and~~
658.6 (5) \$6,250,000 in 2025; and
658.7 (6) \$5,000,000 each year, beginning in 2026 through 2035.

658.8 (e) Notwithstanding the Department of Commerce's November 14, 2018, decision in
658.9 Docket No. E002/M-13-1015 regarding operation of the utility's solar energy production
658.10 incentive program, half of the amounts allocated each year under paragraph (d), clauses (3),
658.11 (4), and (5), must be reserved for solar energy systems whose installation meets the eligibility
658.12 standards for the low-income program established in the November 14, 2018, decision or
658.13 successor decisions of the department. All other program operations of the solar energy
658.14 production incentive program are governed by the provisions of the November 14, 2018,
658.15 decision or successor decisions of the department.

658.16 (f) Funds allocated to the solar energy production incentive program that have not been
658.17 committed to a specific project at the end of a program year remain available to the solar
658.18 energy production incentive program.

658.19 (g) Any unspent amount remaining on January 1, 2028, must be transferred to the
658.20 renewable development account.

658.21 (h) A solar energy system receiving a production incentive under this section must be
658.22 sized to less than 120 percent of the customer's on-site annual energy consumption when
658.23 combined with other distributed generation resources and subscriptions provided under
658.24 section 216B.1641 associated with the premise. The production incentive must be paid for
658.25 ten years commencing with the commissioning of the system.

658.26 (i) The utility must file a plan to operate the program with the commissioner of commerce.
658.27 The utility may not operate the program until it is approved by the commissioner. A change
658.28 to the program to include projects up to a nameplate capacity of 40 kilowatts or less does
658.29 not require the utility to file a plan with the commissioner. Any plan approved by the
658.30 commissioner of commerce must not provide an increased incentive scale over prior years
658.31 unless the commissioner demonstrates that changes in the market for solar energy facilities
658.32 require an increase.

659.1 Sec. 5. Minnesota Statutes 2022, section 216B.098, is amended by adding a subdivision
659.2 to read:

659.3 Subd. 7. **Social Security number and individual taxpayer identification number.** If
659.4 a utility requires a new customer to provide a Social Security number on an application for
659.5 utility service, the utility must accept an individual taxpayer identification number in lieu
659.6 of a Social Security number. The utility application must indicate that the utility accepts an
659.7 individual taxpayer identification number.

659.8 Sec. 6. Minnesota Statutes 2022, section 216B.16, subdivision 6c, is amended to read:

659.9 Subd. 6c. **Incentive plan for energy conservation and efficient fuel-switching**
659.10 **improvement.** (a) The commission may order public utilities to develop and submit for
659.11 commission approval incentive plans that describe the method of recovery and accounting
659.12 for utility conservation and efficient fuel-switching expenditures and savings. For public
659.13 utilities that provide electric service, the commission must develop and implement incentive
659.14 plans designed to promote energy conservation separately from the plans designed to promote
659.15 efficient fuel-switching. In developing the incentive plans the commission shall ensure the
659.16 effective involvement of interested parties.

659.17 (b) In approving incentive plans, the commission shall consider:

659.18 (1) whether the plan is likely to increase utility investment in cost-effective energy
659.19 conservation or efficient fuel switching;

659.20 (2) whether the plan is compatible with the interest of utility ratepayers and other
659.21 interested parties;

659.22 (3) whether the plan links the incentive to the utility's performance in achieving
659.23 cost-effective conservation or efficient fuel switching; ~~and~~

659.24 (4) whether the plan is in conflict with other provisions of this chapter;

659.25 (5) whether the plan conflicts with other provisions of this chapter; and

659.26 (6) the likely financial impacts of the conservation and efficient fuel-switching programs
659.27 on the utility.

659.28 (c) The commission may set rates to encourage the vigorous and effective implementation
659.29 of utility conservation and efficient fuel-switching programs. The commission may:

659.30 (1) increase or decrease any otherwise allowed rate of return on net investment based
659.31 upon the utility's skill, efforts, and success in ~~conserving~~ improving the efficient use of
659.32 energy through energy conservation or efficient fuel switching;

660.1 (2) share between ratepayers and utilities the net savings resulting from energy
660.2 conservation and efficient fuel-switching programs to the extent justified by the utility's
660.3 skill, efforts, and success in ~~conserving~~ improving the efficient use of energy; and

660.4 (3) adopt any mechanism that satisfies the criteria of this subdivision, such that
660.5 implementation of cost-effective conservation or efficient fuel switching is a preferred
660.6 resource choice for the public utility considering the impact of conservation or efficient fuel
660.7 switching on earnings of the public utility.

660.8 (d) Any incentives offered to electric utilities under this subdivision for efficient-fuel
660.9 switching projects expire December 31, 2032.

660.10 Sec. 7. Minnesota Statutes 2022, section 216B.16, subdivision 8, is amended to read:

660.11 Subd. 8. **Advertising expense.** (a) The commission shall disapprove the portion of any
660.12 rate which makes an allowance directly or indirectly for expenses incurred by a public utility
660.13 to provide a public advertisement which:

660.14 (1) is designed to influence or has the effect of influencing public attitudes toward
660.15 legislation or proposed legislation, or toward a rule, proposed rule, authorization or proposed
660.16 authorization of the Public Utilities Commission or other agency of government responsible
660.17 for regulating a public utility;

660.18 (2) is designed to justify or otherwise support or defend a rate, proposed rate, practice
660.19 or proposed practice of a public utility;

660.20 (3) is designed primarily to promote consumption of the services of the utility;

660.21 (4) is designed primarily to promote good will for the public utility or improve the
660.22 utility's public image; or

660.23 (5) is designed to promote the use of nuclear power or to promote a nuclear waste storage
660.24 facility.

660.25 (b) The commission may approve a rate which makes an allowance for expenses incurred
660.26 by a public utility to disseminate information which:

660.27 (1) is designed to encourage ~~conservation~~ efficient use of energy supplies;

660.28 (2) is designed to promote safety; or

660.29 (3) is designed to inform and educate customers as to financial services made available
660.30 to them by the public utility.

661.1 (c) The commission shall not withhold approval of a rate because it makes an allowance
661.2 for expenses incurred by the utility to disseminate information about corporate affairs to its
661.3 owners.

661.4 Sec. 8. Minnesota Statutes 2022, section 216B.2402, is amended by adding a subdivision
661.5 to read:

661.6 Subd. 3a. **Data mining facility.** "Data mining facility" means all buildings, structures,
661.7 equipment, and installations at a single site where electricity is used primarily by computers
661.8 to process transactions involving digital currency that is not issued by a central authority.

661.9 Sec. 9. Minnesota Statutes 2022, section 216B.2402, subdivision 4, is amended to read:

661.10 Subd. 4. **Efficient fuel-switching improvement.** "Efficient fuel-switching improvement"
661.11 means a project that:

661.12 (1) replaces a fuel used by a customer with electricity or natural gas delivered at retail
661.13 by a utility subject to section 216B.2403 or 216B.241;

661.14 (2) results in a net increase in the use of electricity or natural gas and a net decrease in
661.15 source energy consumption on a fuel-neutral basis;

661.16 (3) otherwise meets the criteria established for consumer-owned utilities in section
661.17 216B.2403, subdivision 8, and for public utilities under section 216B.241, subdivisions 11
661.18 and 12; and

661.19 (4) requires the installation of equipment that utilizes electricity or natural gas, resulting
661.20 in a reduction or elimination of the previous fuel used.

661.21 An efficient fuel-switching improvement is not an energy conservation improvement or
661.22 energy efficiency even if the efficient fuel-switching improvement results in a net reduction
661.23 in electricity or natural gas use. ~~An efficient fuel-switching improvement does not include,~~
661.24 ~~and must not count toward any energy savings goal from, energy conservation improvements~~
661.25 ~~when fuel switching would result in an increase of greenhouse gas emissions into the~~
661.26 ~~atmosphere on an annual basis.~~

661.27 Sec. 10. Minnesota Statutes 2022, section 216B.2402, subdivision 10, is amended to read:

661.28 Subd. 10. **Gross annual retail energy sales.** "Gross annual retail energy sales" means
661.29 a utility's annual electric sales to all Minnesota retail customers, or natural gas throughput
661.30 to all retail customers, including natural gas transportation customers, on a utility's
661.31 distribution system in Minnesota. Gross annual retail energy sales does not include:

662.1 (1) gas sales to:

662.2 (i) a large energy facility;

662.3 (ii) a large customer facility whose natural gas utility has been exempted by the
662.4 commissioner under section 216B.241, subdivision 1a, paragraph (a), with respect to natural
662.5 gas sales made to the large customer facility; and

662.6 (iii) a commercial gas customer facility whose natural gas utility has been exempted by
662.7 the commissioner under section 216B.241, subdivision 1a, paragraph (b), with respect to
662.8 natural gas sales made to the commercial gas customer facility;

662.9 (2) electric sales to:

662.10 (i) a large customer facility whose electric utility has been exempted by the commissioner
662.11 under section 216B.241, subdivision 1a, paragraph (a), with respect to electric sales made
662.12 to the large customer facility; ~~or~~ and

662.13 (ii) a data mining facility, if the facility:

662.14 (A) has provided a signed letter to the utility verifying the facility meets the definition
662.15 of a data mining facility; and

662.16 (B) imposes a peak electrical demand on a consumer-owned utility's system equal to or
662.17 greater than 40 percent of the peak electrical demand of the system, measured in the same
662.18 manner as the utility that serves the customer facility measures electric demand for billing
662.19 purposes; or

662.20 (3) the amount of electric sales prior to December 31, 2032, that are associated with a
662.21 utility's program, rate, or tariff for electric vehicle charging based on a methodology and
662.22 assumptions developed by the department in consultation with interested stakeholders no
662.23 later than December 31, 2021. After December 31, 2032, incremental sales to electric
662.24 vehicles must be included in calculating a public utility's gross annual retail sales.

662.25 Sec. 11. Minnesota Statutes 2022, section 216B.2403, subdivision 2, is amended to read:

662.26 Subd. 2. **Consumer-owned utility; energy-savings goal.** (a) Each individual
662.27 consumer-owned electric utility subject to this section has an annual energy-savings goal
662.28 equivalent to 1.5 percent of gross annual retail energy sales and each individual
662.29 consumer-owned natural gas utility subject to this section has an annual energy-savings
662.30 goal equivalent to one percent of gross annual retail energy sales, to be met with a minimum
662.31 of energy savings from energy conservation improvements equivalent to at least ~~0.95~~ 0.90
662.32 percent of the consumer-owned utility's gross annual retail energy sales. The balance of

663.1 energy savings toward the annual energy-savings goal may be achieved only by the following
663.2 consumer-owned utility activities:

663.3 (1) energy savings from additional energy conservation improvements;

663.4 (2) electric utility infrastructure projects, as defined in section 216B.1636, subdivision
663.5 1, that result in increased efficiency greater than would have occurred through normal
663.6 maintenance activity;

663.7 (3) net energy savings from efficient fuel-switching improvements that meet the criteria
663.8 under subdivision 8, which may contribute up to ~~0.55~~ 0.60 percent of the goal; or

663.9 (4) subject to department approval, demand-side natural gas or electric energy displaced
663.10 by use of waste heat recovered and used as thermal energy, including the recovered thermal
663.11 energy from a cogeneration or combined heat and power facility.

663.12 (b) The energy-savings goals specified in this section must be calculated based on
663.13 weather-normalized sales averaged over the most recent three years. A consumer-owned
663.14 utility may elect to carry forward energy savings in excess of 1.5 percent for a year to the
663.15 next three years, except that energy savings from electric utility infrastructure projects may
663.16 be carried forward for five years. A particular energy savings can only be used to meet one
663.17 year's goal.

663.18 (c) A consumer-owned utility subject to this section is not required to make energy
663.19 conservation improvements that are not cost-effective, even if the improvement is necessary
663.20 to attain the energy-savings goal. A consumer-owned utility subject to this section must
663.21 make reasonable efforts to implement energy conservation improvements that exceed the
663.22 minimum level established under this subdivision if cost-effective opportunities and funding
663.23 are available, considering other potential investments the consumer-owned utility intends
663.24 to make to benefit customers during the term of the plan filed under subdivision 3.

663.25 ~~(d) Notwithstanding any provision to the contrary, until July 1, 2026, spending by a~~
663.26 ~~consumer-owned utility subject to this section on efficient fuel-switching improvements~~
663.27 ~~implemented to meet the annual energy savings goal under this section must not exceed~~
663.28 ~~0.55 percent per year, averaged over a three-year period, of the consumer-owned utility's~~
663.29 ~~gross annual retail energy sales.~~

663.30 Sec. 12. Minnesota Statutes 2022, section 216B.2403, subdivision 3, is amended to read:

663.31 Subd. 3. **Consumer-owned utility; energy conservation and optimization plans.** (a)
663.32 By June 1, 2022, and at least every three years thereafter, each consumer-owned utility must
663.33 file with the commissioner an energy conservation and optimization plan that describes the

664.1 programs for energy conservation, efficient fuel-switching, load management, and other
664.2 measures the consumer-owned utility intends to offer to achieve the utility's energy savings
664.3 goal.

664.4 (b) A plan's term may extend up to three years. A multiyear plan must identify the total
664.5 energy savings and energy savings resulting from energy conservation improvements that
664.6 are projected to be achieved in each year of the plan. A multiyear plan that does not, in each
664.7 year of the plan, meet both the minimum energy savings goal from energy conservation
664.8 improvements and the total energy savings goal of 1.5 percent, or lower goals adjusted by
664.9 the commissioner under paragraph (k), must:

664.10 (1) state why each goal is projected to be unmet; and

664.11 (2) demonstrate how the consumer-owned utility proposes to meet both goals on an
664.12 average basis over the duration of the plan.

664.13 (c) A plan filed under this subdivision must provide:

664.14 (1) for existing programs, an analysis of the cost-effectiveness of the consumer-owned
664.15 utility's programs offered under the plan, using a list of baseline energy- and capacity-savings
664.16 assumptions developed in consultation with the department; and

664.17 (2) for new programs, a preliminary analysis upon which the program will proceed, in
664.18 parallel with further development of assumptions and standards.

664.19 (d) The commissioner must evaluate a plan filed under this subdivision based on the
664.20 plan's likelihood to achieve the energy-savings goals established in subdivision 2. The
664.21 commissioner may make recommendations to a consumer-owned utility regarding ways to
664.22 increase the effectiveness of the consumer-owned utility's energy conservation activities
664.23 and programs under this subdivision. The commissioner may recommend that a
664.24 consumer-owned utility implement a cost-effective energy conservation or efficient
664.25 fuel-switching program, ~~including an energy conservation program~~ suggested by an outside
664.26 source such as a political subdivision, nonprofit corporation, or community organization.

664.27 (e) Beginning June 1, 2023, and every June 1 thereafter, each consumer-owned utility
664.28 must file: (1) an annual update identifying the status of the plan filed under this subdivision,
664.29 including: (i) total expenditures and investments made to date under the plan; and (ii) any
664.30 intended changes to the plan; and (2) a summary of the annual energy-savings achievements
664.31 under a plan. An annual filing made in the last year of a plan must contain a new plan that
664.32 complies with this section.

665.1 (f) When evaluating the cost-effectiveness of a consumer-owned utility's energy
665.2 conservation programs, the consumer-owned utility and the commissioner must consider
665.3 the costs and benefits to ratepayers, the utility, participants, and society. The commissioner
665.4 must also consider the rate at which the consumer-owned utility is increasing energy savings
665.5 and expenditures on energy conservation, and lifetime energy savings and cumulative energy
665.6 savings.

665.7 (g) A consumer-owned utility may annually spend and invest up to ten percent of the
665.8 total amount spent and invested on energy conservation, efficient fuel-switching, or load
665.9 management improvements on research and development projects that meet the applicable
665.10 definition of energy conservation, efficient fuel-switching, or load management improvement.

665.11 (h) A generation and transmission cooperative electric association or municipal power
665.12 agency that provides energy services to consumer-owned utilities may file a plan under this
665.13 subdivision on behalf of the consumer-owned utilities to which the association or agency
665.14 provides energy services and may make investments, offer conservation programs, and
665.15 otherwise fulfill the energy-savings goals and reporting requirements of this subdivision
665.16 for those consumer-owned utilities on an aggregate basis.

665.17 (i) A consumer-owned utility is prohibited from spending for or investing in energy
665.18 conservation improvements that directly benefit a large energy facility or a large electric
665.19 customer facility the commissioner has exempted under section 216B.241, subdivision 1a.

665.20 (j) The energy conservation and optimization plan of a consumer-owned utility may
665.21 include activities to improve energy efficiency in the public schools served by the utility.
665.22 These activities may include programs to:

665.23 (1) increase the efficiency of the school's lighting and heating and cooling systems;

665.24 (2) recommission buildings;

665.25 (3) train building operators; and

665.26 (4) provide opportunities to educate students, teachers, and staff regarding energy
665.27 efficiency measures implemented at the school.

665.28 (k) A consumer-owned utility may request that the commissioner adjust the
665.29 consumer-owned utility's minimum goal for energy savings from energy conservation
665.30 improvements under subdivision 2, paragraph (a), for the duration of the plan filed under
665.31 this subdivision. The request must be made by January 1 of the year when the
665.32 consumer-owned utility must file a plan under this subdivision. The request must be based
665.33 on:

- 666.1 (1) historical energy conservation improvement program achievements;
- 666.2 (2) customer class makeup;
- 666.3 (3) projected load growth;
- 666.4 (4) an energy conservation potential study that estimates the amount of cost-effective
- 666.5 energy conservation potential that exists in the consumer-owned utility's service territory;
- 666.6 (5) the cost-effectiveness and quality of the energy conservation programs offered by
- 666.7 the consumer-owned utility; and
- 666.8 (6) other factors the commissioner and consumer-owned utility determine warrant an
- 666.9 adjustment.

666.10 The commissioner must adjust the energy savings goal to a level the commissioner determines

666.11 is supported by the record, but must not approve a minimum energy savings goal from

666.12 energy conservation improvements that is less than an average of 0.95 percent per year over

666.13 the consecutive years of the plan's duration, including the year the minimum energy savings

666.14 goal is adjusted.

666.15 (l) A consumer-owned utility filing a conservation and optimization plan that includes

666.16 an efficient fuel-switching program ~~to achieve the utility's energy savings goal~~ must, as part

666.17 of the filing, demonstrate ~~by a comparison of greenhouse gas emissions between the fuels~~

666.18 that the requirements of subdivision 8 are met, ~~using a full fuel-cycle energy analysis.~~

666.19 Sec. 13. Minnesota Statutes 2022, section 216B.2403, subdivision 5, is amended to read:

666.20 Subd. 5. **Energy conservation programs for low-income households.** (a) A

666.21 consumer-owned utility subject to this section must provide energy conservation programs

666.22 to low-income households. The commissioner must evaluate a consumer-owned utility's

666.23 plans under this section by considering the consumer-owned utility's historic spending on

666.24 energy conservation programs directed to low-income households, the rate of customer

666.25 participation in and the energy savings resulting from those programs, and the number of

666.26 low-income persons residing in the consumer-owned utility's service territory. A municipal

666.27 utility that furnishes natural gas service must spend at least 0.2 percent of the municipal

666.28 utility's most recent three-year average gross operating revenue from residential customers

666.29 in Minnesota on energy conservation programs for low-income households. A

666.30 consumer-owned utility that furnishes electric service must spend at least 0.2 percent of the

666.31 consumer-owned utility's gross operating revenue from residential customers in Minnesota

666.32 on energy conservation programs for low-income households. The requirement under this

666.33 paragraph applies to each generation and transmission cooperative association's aggregate

667.1 gross operating revenue from the sale of electricity to residential customers in Minnesota
667.2 by all of the association's member distribution cooperatives.

667.3 (b) To meet all or part of the spending requirements of paragraph (a), a consumer-owned
667.4 utility may contribute money to the energy and conservation account established in section
667.5 216B.241, subdivision 2a. An energy conservation optimization plan must state the amount
667.6 of contributions the consumer-owned utility plans to make to the energy and conservation
667.7 account. Contributions to the account must be used for energy conservation programs serving
667.8 low-income households, including renters, located in the service area of the consumer-owned
667.9 utility making the contribution. Contributions must be remitted to the commissioner by
667.10 February 1 each year.

667.11 (c) The commissioner must establish energy conservation programs for low-income
667.12 households funded through contributions to the energy and conservation account under
667.13 paragraph (b). When establishing energy conservation programs for low-income households,
667.14 the commissioner must consult political subdivisions, utilities, and nonprofit and community
667.15 organizations, including organizations providing energy and weatherization assistance to
667.16 low-income households. The commissioner must record and report expenditures and energy
667.17 savings achieved as a result of energy conservation programs for low-income households
667.18 funded through the energy and conservation account in the report required under section
667.19 216B.241, subdivision 1c, paragraph (f). The commissioner may contract with a political
667.20 subdivision, nonprofit or community organization, public utility, municipality, or
667.21 consumer-owned utility to implement low-income programs funded through the energy and
667.22 conservation account.

667.23 (d) A consumer-owned utility may petition the commissioner to modify the required
667.24 spending under this subdivision if the consumer-owned utility and the commissioner were
667.25 unable to expend the amount required for three consecutive years.

667.26 (e) The commissioner must develop and establish guidelines for determining the eligibility
667.27 of multifamily buildings to participate in energy conservation programs provided to
667.28 low-income households. Notwithstanding the definition of low-income household in section
667.29 216B.2402, a consumer-owned utility or association may apply the most recent guidelines
667.30 published by the department for purposes of determining the eligibility of multifamily
667.31 buildings to participate in low-income programs. The commissioner must convene a
667.32 stakeholder group to review and update these guidelines by August 1, 2021, and at least
667.33 once every five years thereafter. The stakeholder group must include but is not limited to
667.34 representatives of public utilities; municipal electric or gas utilities; electric cooperative
667.35 associations; multifamily housing owners and developers; and low-income advocates.

668.1 (f) Up to 15 percent of a consumer-owned utility's spending on low-income energy
668.2 conservation programs may be spent on preweatherization measures. A consumer-owned
668.3 utility is prohibited from claiming energy savings from preweatherization measures toward
668.4 the consumer-owned utility's energy savings goal.

668.5 (g) The commissioner must, by order, establish a list of preweatherization measures
668.6 eligible for inclusion in low-income energy conservation programs no later than March 15,
668.7 2022.

668.8 (h) A Healthy AIR (Asbestos Insulation Removal) account is established as a separate
668.9 account in the special revenue fund in the state treasury. A consumer-owned utility may
668.10 elect to contribute money to the Healthy AIR account to provide preweatherization measures
668.11 for households eligible for weatherization assistance from the state weatherization assistance
668.12 program in section 216C.264. Remediation activities must be executed in conjunction with
668.13 federal weatherization assistance program services. Money contributed to the account by a
668.14 consumer-owned utility counts toward: (1) the minimum low-income spending requirement
668.15 under paragraph (a); and (2) the cap on preweatherization measures under paragraph (f).
668.16 Money in the account is annually appropriated to the commissioner of commerce to pay for
668.17 Healthy AIR-related activities.

668.18 (i) This paragraph applies to a consumer-owned utility that supplies electricity to a
668.19 low-income household whose primary heating fuel is supplied by an entity other than a
668.20 public utility. Any spending on space and water heating energy conservation improvements
668.21 and efficient fuel-switching by the consumer-owned utility on behalf of the low-income
668.22 household may be applied to the consumer owned utility's spending requirement under
668.23 paragraph (a). To the maximum extent possible, a consumer-owned utility providing services
668.24 under this paragraph must offer the services in conjunction with weatherization services
668.25 provided under section 216C.264.

668.26 Sec. 14. Minnesota Statutes 2022, section 216B.2403, subdivision 8, is amended to read:

668.27 Subd. 8. **Criteria for efficient fuel-switching improvements.** (a) A fuel-switching
668.28 improvement is deemed efficient if, applying the technical criteria established under section
668.29 216B.241, subdivision 1d, paragraph (e), the improvement, relative to the fuel being
668.30 displaced:

668.31 (1) results in a net reduction in the amount of source energy consumed for a particular
668.32 use, measured on a fuel-neutral basis, using (i) the consumer-owned utility's or the utility's
668.33 electricity supplier's annual system average efficiency, or (ii) if the utility elects, a seasonal,

669.1 monthly, or more granular level of analysis for the electric utility system over the measure's
669.2 life;

669.3 (2) results in a net reduction of statewide greenhouse gas emissions, as defined in section
669.4 216H.01, subdivision 2, over the lifetime of the improvement. For an efficient fuel-switching
669.5 improvement installed by an electric consumer-owned utility, the reduction in emissions
669.6 must be measured ~~based on the hourly emissions profile of the consumer-owned utility or~~
669.7 ~~the utility's electricity supplier, as reported in the most recent resource plan approved by~~
669.8 ~~the commission under section 216B.2422. If the hourly emissions profile is not available,~~
669.9 ~~the commissioner must develop a method consumer-owned utilities must use to estimate~~
669.10 that value using (i) the consumer-owned utility's or the utility's electricity supplier's annual
669.11 average emissions factor, or (ii) if the utility elects, a seasonal, monthly, or more granular
669.12 level of analysis for the electric utility system over the measure's life; and

669.13 (3) is cost-effective, considering the costs and benefits from the perspective of the
669.14 consumer-owned utility, participants, and society; ~~and.~~

669.15 ~~(4) is installed and operated in a manner that improves the consumer-owned utility's~~
669.16 ~~system load factor.~~

669.17 (b) For purposes of this subdivision, "source energy" means the total amount of primary
669.18 energy required to deliver energy services, adjusted for losses in generation, transmission,
669.19 and distribution, and expressed on a fuel-neutral basis.

669.20 Sec. 15. Minnesota Statutes 2022, section 216B.241, subdivision 1c, is amended to read:

669.21 Subd. 1c. **Public utility; energy-saving goals.** (a) The commissioner shall establish
669.22 energy-saving goals for energy conservation improvements and shall evaluate an energy
669.23 conservation improvement program on how well it meets the goals set.

669.24 (b) A public utility providing electric service has an annual energy-savings goal equivalent
669.25 to 1.75 percent of gross annual retail energy sales unless modified by the commissioner
669.26 under paragraph (c). A public utility providing natural gas service has an annual
669.27 energy-savings goal equivalent to one percent of gross annual retail energy sales, which
669.28 cannot be lowered by the commissioner. The savings goals must be calculated based on the
669.29 most recent three-year weather-normalized average. A public utility providing electric
669.30 service may elect to carry forward energy savings in excess of 1.75 percent for a year to
669.31 the succeeding three calendar years, except that savings from electric utility infrastructure
669.32 projects allowed under paragraph (d) may be carried forward for five years. A public utility
669.33 providing natural gas service may elect to carry forward energy savings in excess of one

670.1 percent for a year to the succeeding three calendar years. A particular energy savings can
670.2 only be used to meet one year's goal.

670.3 (c) In its energy conservation and optimization plan filing, a public utility may request
670.4 the commissioner to adjust its annual energy-savings percentage goal based on its historical
670.5 conservation investment experience, customer class makeup, load growth, a conservation
670.6 potential study, or other factors the commissioner determines warrants an adjustment.

670.7 (d) The commissioner may not approve a plan of a public utility that provides for an
670.8 annual energy-savings goal of less than one percent of gross annual retail energy sales from
670.9 energy conservation improvements.

670.10 The balance of the 1.75 percent annual energy savings goal may be achieved through
670.11 energy savings from:

670.12 (1) additional energy conservation improvements;

670.13 (2) electric utility infrastructure projects approved by the commission under section
670.14 216B.1636 that result in increased efficiency greater than would have occurred through
670.15 normal maintenance activity; or

670.16 (3) subject to department approval, demand-side natural gas or electric energy displaced
670.17 by use of waste heat recovered and used as thermal energy, including the recovered thermal
670.18 energy from a cogeneration or combined heat and power facility.

670.19 (e) A public utility is not required to make energy conservation investments to attain
670.20 the energy-savings goals of this subdivision that are not cost-effective even if the investment
670.21 is necessary to attain the energy-savings goals. For the purpose of this paragraph, in
670.22 determining cost-effectiveness, the commissioner shall consider: (1) the costs and benefits
670.23 to ratepayers, the utility, participants, and society; (2) the rate at which a public utility is
670.24 increasing both its energy savings and its expenditures on energy conservation; and (3) the
670.25 public utility's lifetime energy savings and cumulative energy savings.

670.26 (f) On an annual basis, the commissioner shall produce and make publicly available a
670.27 report on the annual energy and capacity savings and estimated carbon dioxide reductions
670.28 achieved by the programs under this section and section 216B.2403 for the two most recent
670.29 years for which data is available. The report must also include information regarding any
670.30 annual energy sales or generation capacity increases resulting from efficient fuel-switching
670.31 improvements. The commissioner shall report on program performance both in the aggregate
670.32 and for each entity filing an energy conservation improvement plan for approval or review

671.1 by the commissioner, and must estimate progress made toward the statewide energy-savings
671.2 goal under section 216B.2401.

671.3 ~~(g) Notwithstanding any provision to the contrary, until July 1, 2026, spending by a~~
671.4 ~~public utility subject to this section on efficient fuel-switching improvements to meet energy~~
671.5 ~~savings goals under this section must not exceed 0.35 percent per year, averaged over three~~
671.6 ~~years, of the public utility's gross annual retail energy sales.~~

671.7 Sec. 16. Minnesota Statutes 2022, section 216B.241, subdivision 2, is amended to read:

671.8 Subd. 2. **Public utility; energy conservation and optimization plans.** (a) The
671.9 commissioner may require a public utility to make investments and expenditures in energy
671.10 conservation improvements, explicitly setting forth the interest rates, prices, and terms under
671.11 which the improvements must be offered to the customers.

671.12 (b) A public utility shall file an energy conservation and optimization plan by June 1,
671.13 on a schedule determined by order of the commissioner, but at least every three years. As
671.14 provided in subdivisions 11 to 13, plans may include programs for efficient fuel-switching
671.15 improvements and load management. An individual utility program may combine elements
671.16 of energy conservation, load management, or efficient fuel-switching. The plan must estimate
671.17 the lifetime energy savings and cumulative lifetime energy savings projected to be achieved
671.18 under the plan. A plan filed by a public utility by June 1 must be approved or approved as
671.19 modified by the commissioner by December 1 of that same year.

671.20 (c) The commissioner shall evaluate the plan on the basis of cost-effectiveness and the
671.21 reliability of technologies employed. The commissioner's order must provide to the extent
671.22 practicable for a free choice, by consumers participating in an energy conservation program,
671.23 of the device, method, material, or project constituting the energy conservation improvement
671.24 and for a free choice of the seller, installer, or contractor of the energy conservation
671.25 improvement, provided that the device, method, material, or project seller, installer, or
671.26 contractor is duly licensed, certified, approved, or qualified, including under the residential
671.27 conservation services program, where applicable.

671.28 (d) The commissioner may require a utility subject to subdivision 1c to make an energy
671.29 conservation improvement investment or expenditure whenever the commissioner finds
671.30 that the improvement will result in energy savings at a total cost to the utility less than the
671.31 cost to the utility to produce or purchase an equivalent amount of new supply of energy.

671.32 (e) Each public utility subject to this subdivision may spend and invest annually up to
671.33 ten percent of the total amount ~~spent and invested~~ that the public utility spends and invests

672.1 on energy conservation, efficient fuel-switching, or load management improvements under
 672.2 this section ~~by the public utility~~ on research and development projects that meet the applicable
 672.3 definition of energy conservation, efficient fuel-switching, or load management improvement.

672.4 (f) The commissioner shall consider and may require a public utility to undertake an
 672.5 energy conservation ~~program~~ or efficient fuel-switching program, subject to the requirements
 672.6 of subdivisions 11 and 12, that is suggested by an outside source, including a political
 672.7 subdivision, a nonprofit corporation, or community organization. When approving a proposal
 672.8 under this paragraph, the commissioner must consider the qualifications and experience of
 672.9 the entity proposing the program and any other criteria the commissioner deems relevant.

672.10 (g) A public utility, a political subdivision, or a nonprofit or community organization
 672.11 that has suggested an energy conservation program, the attorney general acting on behalf
 672.12 of consumers and small business interests, or a public utility customer that has suggested
 672.13 an energy conservation program and is not represented by the attorney general under section
 672.14 8.33 may petition the commission to modify or revoke a department decision under this
 672.15 section, and the commission may do so if it determines that the energy conservation program
 672.16 is not cost-effective, does not adequately address the residential conservation improvement
 672.17 needs of low-income persons, has a long-range negative effect on one or more classes of
 672.18 customers, or is otherwise not in the public interest. The commission shall reject a petition
 672.19 that, on its face, fails to make a reasonable argument that an energy conservation program
 672.20 is not in the public interest.

672.21 (h) The commissioner may order a public utility to include, with the filing of the public
 672.22 utility's annual status report, the results of an independent audit of the public utility's
 672.23 conservation improvement programs and expenditures performed by the department or an
 672.24 auditor with experience in the provision of energy conservation and energy efficiency
 672.25 services approved by the commissioner and chosen by the public utility. The audit must
 672.26 specify the energy savings or increased efficiency in the use of energy within the service
 672.27 territory of the public utility that is the result of the public utility's spending and investments.
 672.28 The audit must evaluate the cost-effectiveness of the public utility's conservation programs.

672.29 (i) The energy conservation and optimization plan of each public utility subject to this
 672.30 section must include activities to improve energy efficiency in public schools served by the
 672.31 utility. As applicable to each public utility, at a minimum the activities must include programs
 672.32 to increase the efficiency of the school's lighting and heating and cooling systems, and to
 672.33 provide for building recommissioning, building operator training, and opportunities to
 672.34 educate students, teachers, and staff regarding energy efficiency measures implemented at
 672.35 the school.

673.1 (j) The commissioner may require investments or spending greater than the amounts
673.2 proposed in a plan filed under this subdivision or section 216C.17 for a public utility whose
673.3 most recent advanced forecast required under section 216B.2422 projects a peak demand
673.4 deficit of 100 megawatts or more within five years under midrange forecast assumptions.

673.5 (k) A public utility filing a conservation and optimization plan that includes an efficient
673.6 fuel-switching program ~~to achieve the utility's energy savings goal~~ must, as part of the filing,
673.7 demonstrate ~~by a comparison of greenhouse gas emissions between the fuels that the~~
673.8 requirements of subdivisions 11 or 12 are met, as applicable, ~~using a full fuel-cycle energy~~
673.9 ~~analysis.~~

673.10 Sec. 17. Minnesota Statutes 2022, section 216B.241, subdivision 11, is amended to read:

673.11 Subd. 11. **Programs for efficient fuel-switching improvements; electric utilities.** (a)
673.12 A public utility providing electric service at retail may include in the plan required under
673.13 subdivision 2 a proposed goal for efficient fuel-switching improvements that the utility
673.14 expects to achieve under the plan and the programs to implement efficient fuel-switching
673.15 improvements or combinations of energy conservation improvements, fuel-switching
673.16 improvements, and load management. For each program, the public utility must provide a
673.17 proposed budget, an analysis of the program's cost-effectiveness, and estimated net energy
673.18 and demand savings.

673.19 (b) The department may approve proposed programs for efficient fuel-switching
673.20 improvements if the department determines the improvements meet the requirements of
673.21 paragraph (d). ~~For fuel-switching improvements that require the deployment of electric~~
673.22 ~~technologies, the department must also consider whether the fuel-switching improvement~~
673.23 ~~can be operated in a manner that facilitates the integration of variable renewable energy~~
673.24 ~~into the electric system. The net benefits from an efficient fuel-switching improvement that~~
673.25 ~~is integrated with an energy efficiency program approved under this section may be counted~~
673.26 ~~toward the net benefits of the energy efficiency program, if the department determines the~~
673.27 ~~primary purpose and effect of the program is energy efficiency.~~

673.28 (c) A public utility may file a rate schedule with the commission that provides for annual
673.29 cost recovery of reasonable and prudent costs to implement and promote efficient
673.30 fuel-switching programs. The utility, department, or other entity may propose, and the
673.31 commission may not approve, modify, or reject, a proposal for a financial incentive to
673.32 encourage efficient fuel-switching programs operated by a public utility providing electric
673.33 service approved under this subdivision. When making a decision on the financial incentive

674.1 proposal, the commission must apply the considerations established in section 216B.16,
674.2 subdivision 6c, paragraphs (b) and (c).

674.3 (d) A fuel-switching improvement is deemed efficient if, applying the technical criteria
674.4 established under section 216B.241, subdivision 1d, paragraph (e), the improvement meets
674.5 the following criteria, relative to the fuel that is being displaced:

674.6 (1) results in a net reduction in the amount of source energy consumed for a particular
674.7 use, measured on a fuel-neutral basis, using (i) the utility's annual system average efficiency,
674.8 or (ii) if the utility elects, a seasonal, monthly, or more granular level of analysis for the
674.9 electric utility system over the measure's life;

674.10 (2) results in a net reduction of statewide greenhouse gas emissions as defined in section
674.11 216H.01, subdivision 2, over the lifetime of the improvement. For an efficient fuel-switching
674.12 improvement installed by an electric utility, the reduction in emissions must be measured
674.13 ~~based on the hourly emission profile of the electric utility, using the hourly emissions profile~~
674.14 ~~in the most recent resource plan approved by the commission under section 216B.2422~~
674.15 using (i) the utility's annual average emissions factor, or (ii) if the utility elects, a seasonal,
674.16 monthly or more granular level of analysis, for the electric utility system over the measure's
674.17 life; and

674.18 (3) is cost-effective, considering the costs and benefits from the perspective of the utility,
674.19 participants, and society; ~~and.~~

674.20 ~~(4) is installed and operated in a manner that improves the utility's system load factor.~~

674.21 (e) For purposes of this subdivision, "source energy" means the total amount of primary
674.22 energy required to deliver energy services, adjusted for losses in generation, transmission,
674.23 and distribution, and expressed on a fuel-neutral basis.

674.24 Sec. 18. Minnesota Statutes 2022, section 216B.241, subdivision 12, is amended to read:

674.25 Subd. 12. **Programs for efficient fuel-switching improvements; natural gas**
674.26 **utilities.** (a) As part of a public utility's plan filed under subdivision 2, a public utility that
674.27 provides natural gas service to Minnesota retail customers may propose one or more programs
674.28 to install electric technologies that reduce the consumption of natural gas by the utility's
674.29 retail customers as an energy conservation improvement. The commissioner may approve
674.30 a proposed program if the commissioner, applying the technical criteria developed under
674.31 section 216B.241, subdivision 1d, paragraph (e), determines that:

674.32 (1) the electric technology to be installed meets the criteria established under section
674.33 216B.241, subdivision 11, paragraph (d), clauses (1) and (2); and

675.1 (2) the program is cost-effective, considering the costs and benefits to ratepayers, the
675.2 utility, participants, and society.

675.3 (b) If a program is approved by the commission under this subdivision, the public utility
675.4 may count the program's energy savings toward its energy savings goal under section
675.5 216B.241, subdivision 1c. Notwithstanding section 216B.2402, subdivision 4, efficient
675.6 fuel-switching achieved through programs approved under this subdivision is energy
675.7 conservation.

675.8 (c) A public utility may file rate schedules with the commission that provide annual
675.9 cost-recovery for programs approved by the department under this subdivision, including
675.10 reasonable and prudent costs to implement and promote the programs.

675.11 (d) The commission may approve, modify, or reject a proposal made by the department
675.12 or a utility for an incentive plan to encourage efficient fuel-switching programs approved
675.13 under this subdivision, applying the considerations established under section 216B.16,
675.14 subdivision 6c, paragraphs (b) and (c). The commission may approve a financial incentive
675.15 mechanism that is calculated based on the combined energy savings and net benefits that
675.16 the commission has determined have been achieved by a program approved under this
675.17 subdivision, provided the commission determines that the financial incentive mechanism
675.18 is in the ratepayers' interest.

675.19 ~~(e) A public utility is not eligible for a financial incentive for an efficient fuel-switching~~
675.20 ~~program under this subdivision in any year in which the utility achieves energy savings~~
675.21 ~~below one percent of gross annual retail energy sales, excluding savings achieved through~~
675.22 ~~fuel-switching programs.~~

675.23 Sec. 19. Minnesota Statutes 2022, section 216B.2425, subdivision 1, is amended to read:

697.3 for residential solar projects and solar plus energy storage system projects in order to
697.4 incentivize a permitting authority to adopt the SolarAPP+ software to standardize, automate,
697.5 and streamline the review and permitting process.

697.6 Subd. 3. **Eligibility.** An incentive may be awarded under this section to a permitting
697.7 authority that has deployed SolarAPP+ and made SolarAPP+ available on the permitting
697.8 authority's website.

714.5 Minnesota Statutes, section 216H.02. The tariff standards must reflect an interconnection
714.6 process designed to, at a minimum:

714.7 (1) accelerate the expansion of hosting capacity at multiple points on a utility's distribution
714.8 system by ensuring that the cost of upgrades is shared fairly among owners of distributed
714.9 generation projects seeking interconnection on a pro rata basis according to the amount of
714.10 the expanded capacity utilized by each interconnected distributed generation facility;

714.11 (2) reduce the capital burden on owners of trigger projects seeking interconnection;

714.12 (3) establish a minimum level of upgrade costs an expansion of hosting capacity must
714.13 reach in order to be eligible to participate in the cost-share process and below which a trigger
714.14 project must bear the full cost of the upgrade;

714.15 (4) establish a distributed generation facility's pro rata cost-share amount as the utility's
714.16 total cost of the upgrade divided by the incremental capacity resulting from the upgrade,
714.17 and multiplying the result by the capacity of the distributed generation facility seeking
714.18 interconnection;

714.24 for amounts paid beyond the trigger project's or distributed generation facility's pro rata
714.25 share of expansion costs from distributed generation projects that subsequently interconnect
714.26 at the applicable location, after which pro rata payments are paid to the utility for distribution
714.27 to ratepayers;

714.28 (7) prohibit owners of distributed generation facilities from using any unsubscribed
714.29 capacity at an interconnection that has undergone an upgrade without the distributed

719.29 (b) The scope of an environmental review conducted under this chapter must not include:
719.30 (1) questions of need, including size, type, and timing; (2) alternative system configurations;
719.31 or (3) voltage.

719.32 Subd. 3. **Interstate routes.** If a route is proposed in two or more states, the commission
719.33 must attempt to reach an agreement with affected states on the entry and exit points before

720.1 designating a route. The commission, in discharge of the commission's duties under this
720.2 chapter, may make joint investigations, hold joint hearings within or outside of the state,
720.3 and issue joint or concurrent orders in conjunction or concurrence with any official or agency
720.4 of any state or of the United States. The commission may, pursuant to any consent of
720.5 Congress, negotiate and enter into any agreements or compacts with agencies of other states
720.6 for cooperative efforts to certify the construction, operation, and maintenance of large
720.7 electric power facilities in a manner consistent with this chapter's requirements and to enforce
720.8 the respective state laws regarding large electric power facilities.

720.9 Subd. 4. **Biennial report.** By December 15, 2025, and every odd-numbered year
720.10 thereafter, the commission must submit a written report to the chairs and ranking minority
720.11 members of the senate and house of representatives committees with jurisdiction over energy
720.12 and utilities. The report must:

720.13 (1) provide an update on the progress made to permit, approve, and construct the electric
720.14 utility infrastructure necessary to meet the requirements of section 216B.1691 within the
720.15 milestones provided under section 216B.1691;

720.16 (2) describe efforts made by the commission to engage stakeholders in environmental
720.17 justice areas, as defined in section 216B.1691, subdivision 1, paragraph (c), in permitting,
720.18 approving, and constructing electric utility infrastructure under this section, section
720.19 216B.1691, or section 216B.243; and

720.20 (3) provide information regarding any cumulative impact analysis ordered by the
720.21 commissioner of the Pollution Control Agency under section 116.065 pertaining to any
720.22 electric utility infrastructure permitted, approved, or constructed under this section, section
720.23 216B.1691, or section 216B.243.

720.24 Sec. 4. **[216I.04] APPLICABILITY DETERMINATION.**

720.25 Subdivision 1. **Generally.** This section may be used to determine: (1) whether a proposal
720.26 meets the definition of large energy infrastructure facility and is subject to the commission's
720.27 siting or routing jurisdiction under this chapter; or (2) which review process is applicable
720.28 at the time of the initial application.

720.29 Subd. 2. **Solar, wind, or energy storage facilities.** For solar energy generating systems,
720.30 large wind energy conversion systems, or energy storage systems, the alternating current
720.31 nameplate capacity of one solar energy generating system, wind energy conversion system,
720.32 or energy storage system must be combined with the alternating current nameplate capacity

721.1 of any other solar energy generating system, wind energy conversion system, or energy
721.2 storage system that:

721.3 (1) is constructed within the same 12-month period; and

721.4 (2) exhibits characteristics of being a single development, including but not limited to
721.5 ownership structure, an umbrella sales arrangement, shared interconnection, revenue-sharing
721.6 arrangements, and common debt or equity financing.

721.7 Subd. 3. **Transmission lines.** For transmission lines, the petitioner must describe the
721.8 applicability question and provide sufficient facts to support the determination.

721.9 Subd. 4. **Forms; assistance; written determination.** (a) The commission must provide
721.10 forms and assistance to help applicants make a request for an applicability determination.

721.11 (b) Upon written request from an applicant, the commission or the commission's designee
721.12 must provide a written determination regarding applicability under this section. The
721.13 commission or the commission's designee must provide the written determination within
721.14 30 days of the date the request was received or 30 days of the date information that the
721.15 commission requested from the applicant is received, whichever is later. This written
721.16 determination constitutes a final decision of the commission.

721.17 **Sec. 5. [216L.05] DESIGNATING SITES AND ROUTES.**

721.18 Subdivision 1. **Site permit.** (a) A person is prohibited from constructing a large electric
721.19 generating plant, a solar energy generating system, an energy storage system, or a large
721.20 wind energy conversion system without a site permit issued by the commission. A person
721.21 may construct a large electric generating plant, an energy storage system, a solar energy
721.22 generating system, or a large wind energy conversion system only on a site approved by
721.23 the commission. A person is prohibited from increasing the generating capacity or output
721.24 of an electric power plant from under 50 megawatts to more than 50 megawatts without a
721.25 site permit issued by the commission.

721.26 (b) The commission must incorporate into one proceeding the route selection for a
721.27 high-voltage transmission line that is directly associated with and necessary to interconnect
721.28 the large electric generating plant, energy storage system, solar energy generating system,
721.29 or large wind energy conversion system to the transmission system if the applications are
721.30 submitted jointly under this chapter.

721.31 (c) A site permit does not authorize construction of a large electric power generating
721.32 plant until the permittee has obtained a power purchase agreement or some other enforceable
721.33 mechanism to sell the power generated by the project. If the permittee does not have a power

722.1 purchase agreement or other enforceable mechanism at the time the permit is issued, the
722.2 commission must provide in the permit that the permittee must advise the commission when
722.3 the permittee obtains a commitment to purchase the power. The commission may establish
722.4 as a condition in the permit a date by which the permittee must obtain a power purchase
722.5 agreement or other enforceable mechanism. If the permittee does not obtain a power purchase
722.6 agreement or other enforceable mechanism by the date required by the permit condition,
722.7 the site permit is null and void.

722.8 Subd. 2. **Route permit.** A person is prohibited from constructing a high-voltage
722.9 transmission line without a route permit issued by the commission. A person may construct
722.10 a high-voltage transmission line only along a route approved by the commission.

722.11 Subd. 3. **Application.** (a) A person that seeks to construct a large energy infrastructure
722.12 facility must apply to the commission for a site or route permit, as applicable. The applicant
722.13 must propose a single route for a high-voltage transmission line.

722.14 (b) The application must contain:

722.15 (1) a statement of proposed ownership of the facility at the time of filing the application
722.16 and after commercial operation;

722.17 (2) the name of any person or organization initially named as permittee or permittees
722.18 and the name of any other person to whom the permit may be transferred if transfer of the
722.19 permit is contemplated;

722.20 (3) a description of the proposed large energy infrastructure facility and all associated
722.21 facilities, including size, type, and timing of the facility;

722.22 (4) the environmental information required under subdivision 4;

722.23 (5) the names of each owner described under subdivision 8;

722.24 (6) United States Geological Survey topographical maps, or other maps acceptable to
722.25 the commission, that show the entire proposed large energy infrastructure facility;

722.26 (7) a document that identifies existing utility and public rights-of-way along or near the
722.27 large energy infrastructure facility;

722.28 (8) the engineering and operational design at each of the proposed sites for the proposed
722.29 large energy infrastructure facility, and identify transportation, pipeline, and electrical
722.30 transmission systems that are required to construct, maintain, and operate the facility;

722.31 (9) a cost analysis of the proposed large energy infrastructure facility, including the costs
722.32 to construct, operate, and maintain the facility;

723.1 (10) a description of possible design options to accommodate the large energy
723.2 infrastructure facility's future expansion;

723.3 (11) the procedures and practices proposed to acquire, construct, maintain, and restore
723.4 the large energy infrastructure facility's right-of-way or site;

723.5 (12) a list and brief description of federal, state, and local permits that may be required
723.6 for the proposed large energy infrastructure facility;

723.7 (13) a discussion regarding whether a certificate of need application is required and, if
723.8 a certificate of need application is required, whether the certificate of need application has
723.9 been submitted;

723.10 (14) a discussion regarding any other sites or routes that were considered and rejected
723.11 by the applicant;

723.12 (15) any information the commission requires pursuant to an administrative rule; and

723.13 (16) a discussion regarding coordination with Minnesota Tribal governments, as defined
723.14 under section 10.65, subdivision 2, by the applicant, including but not limited to the notice
723.15 required under subdivision 5 of this section.

723.16 Subd. 4. **Environmental information.** (a) An applicant for a site or route permit must
723.17 include in the application environmental information for each proposed site or route. The
723.18 environmental information submitted must include:

723.19 (1) a description of each site or route's environmental setting;

723.20 (2) a description of the effects the facility's construction and operation has on human
723.21 settlement, including but not limited to public health and safety, displacement, noise,
723.22 aesthetics, socioeconomic impacts, environmental justice impacts, cultural values, recreation,
723.23 and public services;

723.24 (3) a description of the facility's effects on land-based economies, including but not
723.25 limited to agriculture, forestry, tourism, and mining;

723.26 (4) a description of the facility's effects on archaeological and historic resources;

723.27 (5) a description of the facility's effects on the natural environment, including effects
723.28 on air and water quality resources, flora, and fauna;

723.29 (6) a description of the greenhouse gas emissions associated with constructing and
723.30 operating the facility;

723.31 (7) a description of the facility's climate change resilience;

724.1 (8) a description of the facility's effects on rare and unique natural resources;

724.2 (9) a list that identifies human and natural environmental effects that are unavoidable if
724.3 the facility is approved at a specific site or route; and

724.4 (10) a description of (i) measures that might be implemented to mitigate the potential
724.5 human and environmental impacts identified in clauses (1) to (7), and (ii) the estimated
724.6 costs of the potential mitigative measures.

724.7 (b) An applicant that applies using the standard process under section 216I.06 may
724.8 include the environmental information required under paragraph (a) in the applicant's
724.9 environmental assessment.

724.10 Subd. 5. **Preapplication coordination.** At least 30 days before filing an application
724.11 with the commission, an applicant must provide notice to: (1) each local unit of government
724.12 within which a site or route may be proposed; (2) Minnesota Tribal governments, as defined
724.13 under section 10.65, subdivision 2; and (3) the state technical resource agencies. The notice
724.14 must describe the proposed project and provide the entities receiving the notice an opportunity
724.15 for preapplication coordination or feedback.

724.16 Subd. 6. **Preapplication review.** (a) Before submitting an application under this chapter,
724.17 an applicant must provide a draft application to commission staff for review. A draft
724.18 application must not be filed electronically.

724.19 (b) Commission staff's draft application review must focus on the application's
724.20 completeness and clarifications that may assist the commission's review of the application.
724.21 Upon completion of the preapplication review under this subdivision, commission staff
724.22 must provide the applicant a summary of the completeness review. The applicant may
724.23 include the completeness review summary with the applicant's application under subdivision
724.24 3.

724.25 Subd. 7. **Complete applications.** (a) The commission or the commission's designee
724.26 must determine whether an application is complete and advise the applicant of any
724.27 deficiencies within ten working days of the date an application is received.

724.28 (b) An application is not incomplete if: (1) information that is not included in the
724.29 application may be obtained from the applicant prior to the initial public meeting; and (2)
724.30 the information that is not included in the application is not essential to provide adequate
724.31 notice.

724.32 Subd. 8. **Application notice.** (a) Upon finding an application is complete, the commission
724.33 must:

725.1 (1) publish notice of the application in a legal newspaper of general circulation in each
725.2 county in which the site or route is proposed;

725.3 (2) provide notice of the application to any regional development commission, Minnesota
725.4 Tribal government as defined under section 10.65, subdivision 2, county, incorporated
725.5 municipality, and town in which any part of the site or route is proposed;

725.6 (3) provide notice of the application and description of the proposed project to each
725.7 owner whose property is within or adjacent to the proposed site or route for the large energy
725.8 infrastructure facility; and

725.9 (4) provide notice to persons who have requested to be placed on a list maintained by
725.10 the commission to receive notice of proposed large energy infrastructure facilities.

725.11 (b) The commission must identify a standard format and content for application notice.
725.12 At a minimum, the notice must include: (1) a description of the proposed project, including
725.13 a map displaying the general area of the proposed site or route; (2) a description detailing
725.14 how a person may receive more information and future notices regarding the application;
725.15 and (3) a location where a copy of the application may be reviewed.

725.16 (c) The notice must also provide information regarding the date and location of the public
725.17 meeting where the public may learn more about the proposed project and the commission's
725.18 review process.

725.19 (d) For the purposes of providing mailed notice under this subdivision, an owner is the
725.20 person indicated in the records of the county auditor or, in a county where tax statements
725.21 are mailed by the county treasurer, in the records of the county treasurer. If necessary, other
725.22 appropriate records may be used for purposes of providing mailed notice. The failure to
725.23 provide mailed notice to a property owner or defects in the notice do not invalidate the
725.24 proceedings, provided a bona fide attempt to comply with this subdivision has been made.

725.25 Subd. 9. **Public meeting.** (a) The commission must hold at least one public meeting in
725.26 a location near the proposed large energy infrastructure facility project's location to explain
725.27 the permitting process, present major issues, accept public comments on the scope of the
725.28 environmental impact statement prepared under section 216I.06 or the addendum prepared
725.29 under section 216I.07, and respond to questions raised by the public.

725.30 (b) At the public meeting and in written comments accepted for at least ten days following
725.31 the date of the public meeting, the commission must accept comments on (1) potential
725.32 impacts and alternative sites or routes to be considered in the environmental impact statement

726.1 prepared under section 216I.06 or the addendum prepared under section 216I.07, and (2)
726.2 permit conditions.

726.3 Subd. 10. **Draft permit; additional considerations.** Upon close of the public comment
726.4 period following the public meeting in subdivision 9, the commission must:

726.5 (1) prepare a draft site or route permit for the large energy infrastructure facility. The
726.6 draft permit must identify the person or persons who are the permittee, describe the proposed
726.7 project, and include proposed permit conditions. A draft site permit does not authorize a
726.8 person to construct a large energy infrastructure facility. The commission may change the
726.9 draft site permit in any respect before final issuance or may deny the permit; and

726.10 (2) identify the scope of the environmental impact statement prepared under section
726.11 216I.06 or the addendum prepared under section 216I.07. A member of the commission is
726.12 prohibited from giving direction to commission environmental review staff on the scope of
726.13 an environmental assessment, environmental addendum, or environmental impact statement,
726.14 except in a publicly noticed meeting or through a publicly available commission notice or
726.15 order.

726.16 Subd. 11. **Designating sites and routes; considerations.** (a) The commission's site and
726.17 route permit determinations must (1) be guided by the state's goals to conserve resources;
726.18 (2) minimize environmental impacts, and minimize human settlement and other land use
726.19 conflicts; (3) consider impacts to environmental justice areas, as defined in section
726.20 216B.1691, subdivision 1, paragraph (e), including cumulative impacts, as defined in section
726.21 116.065, to environmental justice areas; and (4) ensure the state's energy security through
726.22 efficient, cost-effective energy supply and infrastructure.

726.23 (b) When determining whether to issue a site permit for a large energy infrastructure
726.24 facility, the commission must include but is not limited to:

726.25 (1) evaluating research and investigations relating to: (i) large energy infrastructure
726.26 facilities' effects on land, water, and air resources; and (ii) the effects water and air discharges
726.27 and electric and magnetic fields resulting from large energy infrastructure facilities have
726.28 on public health and welfare, vegetation, animals, materials, and aesthetic values, including
726.29 baseline studies, predictive modeling, and evaluating new or improved methods to minimize
726.30 adverse impacts of water and air discharges and other matters pertaining to large energy
726.31 infrastructure facilities' effects on the water and air environment;

726.32 (2) conducting environmental evaluation of sites and routes that are proposed for future
726.33 development and expansion, and the relationship of proposed sites and routes for future
726.34 development and expansion to Minnesota's land, water, air, and human resources;

- 727.1 (3) evaluating the effects of measures designed to minimize adverse environmental
727.2 effects;
- 727.3 (4) evaluating the potential for beneficial uses of waste energy from proposed large
727.4 electric power generating plants;
- 727.5 (5) analyzing the direct and indirect economic impact of proposed sites and routes,
727.6 including but not limited to productive agricultural land lost or impaired;
- 727.7 (6) evaluating adverse direct and indirect environmental effects that are unavoidable
727.8 should the proposed site and route be accepted;
- 727.9 (7) evaluating alternatives to the applicant's proposed site or route, if applicable;
- 727.10 (8) when appropriate, evaluating potential routes that would use or parallel existing
727.11 railroad and highway rights-of-way;
- 727.12 (9) evaluating governmental survey lines and other natural division lines of agricultural
727.13 land to minimize interference with agricultural operations;
- 727.14 (10) evaluating the future needs for large energy infrastructure facilities in the same
727.15 general area as any proposed site or route;
- 727.16 (11) evaluating irreversible and irretrievable commitments of resources if the proposed
727.17 site or route is approved;
- 727.18 (12) when appropriate, considering the potential impacts raised by other state and federal
727.19 agencies and local entities;
- 727.20 (13) evaluating the benefits of the proposed facility with respect to (i) the protection and
727.21 enhancement of environmental quality, and (ii) the reliability of state and regional energy
727.22 supplies;
- 727.23 (14) evaluating the proposed facility's impact on socioeconomic factors; and
- 727.24 (15) evaluating the proposed facility's employment and economic impacts in the facility
727.25 site's vicinity and throughout Minnesota, including the quantity, quality, and compensation
727.26 level of construction and permanent jobs. The commission must consider a facility's local
727.27 employment and economic impacts, and may reject or place conditions on a site or route
727.28 permit based on the local employment and economic impacts.
- 727.29 (c) If the commission's rules are substantially similar to existing federal agency
727.30 regulations the utility is subject to, the commission must apply the federal regulations.

728.1 (d) The commission is prohibited from designating a site or route that violates state
728.2 agency rules.

728.3 (e) When applicable, the commission must make a specific finding that the commission
728.4 considered locating a route for a high-voltage transmission line on an existing high-voltage
728.5 transmission route and using parallel existing highway right-of-way. To the extent an existing
728.6 high-voltage transmission route or parallel existing right-of-way is not used for the route,
728.7 the commission must state the reasons.

728.8 Subd. 12. **Final decision.** (a) The commission must issue a site or route permit that is
728.9 demonstrated to be in the public interest pursuant to this chapter. The commission may
728.10 require any reasonable conditions in the site or route permit that are necessary to protect
728.11 the public interest. The commission maintains continuing jurisdiction over the route and
728.12 site permits and any conditions contained in the route and site permits.

728.13 (b) The commission is prohibited from issuing a site permit in violation of the site
728.14 selection standards and criteria established under this section and in rules the commission
728.15 adopts. When the commission designates a site, the commission must issue a site permit to
728.16 the applicant with any appropriate conditions. The commission must publish a notice of the
728.17 commission's decision in the Environmental Quality Board Monitor within 30 days of the
728.18 date the commission issues the site permit.

728.19 (c) The commission is prohibited from issuing a route permit in violation of the route
728.20 selection standards and criteria established under this section and in rules the commission
728.21 adopts. When the commission designates a route, the commission must issue a permit for
728.22 the construction of a high-voltage transmission line that specifies the design, routing,
728.23 right-of-way preparation, and facility construction the commission deems necessary,
728.24 including any other appropriate conditions. The commission may order the construction of
728.25 high-voltage transmission line facilities that are capable of expanding transmission capacity
728.26 through multiple circuiting or design modifications. The commission must publish a notice
728.27 of the commission's decision in the Environmental Quality Board Monitor within 30 days
728.28 of the date the commission issues the route permit.

728.29 (d) The commission must require as a condition of permit issuance, including the issuance
728.30 of a modified permit for a repowering project, as defined in section 216B.243, subdivision
728.31 8, paragraph (b), that the recipient of a site or route permit to construct an energy
728.32 infrastructure facility, including all of the permit recipient's construction contractors and
728.33 subcontractors on the project: (1) must pay no less than the prevailing wage rate, as defined

729.1 in section 177.42; and (2) is subject to the requirements and enforcement provisions under
729.2 sections 177.27, 177.30, 177.32, 177.41 to 177.435, and 177.45.

729.3 (e) Immediately following the commission's vote granting an applicant a site or route
729.4 permit, and prior to issuance of a written commission order embodying the decision, the
729.5 applicant may submit to commission staff for review preconstruction compliance filings
729.6 specifying details of the applicant's proposed site or route operations.

729.7 Subd. 13. **Commission; technical expertise and other assistance.** (a) The commission
729.8 must consult with other state agencies and obtain technical expertise and other assistance
729.9 for activities and proceedings under this chapter.

729.10 (b) Notwithstanding the requirements of section 216B.33, employees of the commission
729.11 may take any action related to the requirements of this chapter immediately following a
729.12 hearing and vote by the commission, prior to issuing a written order, finding, authorization,
729.13 or certification.

729.14 Sec. 6. **[216I.06] APPLICATIONS; MAJOR REVIEW.**

729.15 Subdivision 1. **Environmental review.** (a) The commission must prepare an
729.16 environmental impact statement on each proposed large energy infrastructure facility for
729.17 which a complete application has been submitted. An environmental impact statement means
729.18 a detailed written statement that describes a large energy infrastructure facility and satisfies
729.19 the requirements of section 116D.04. For the purposes of environmental review, the
729.20 commission is prohibited from considering whether or not the project is needed. No other
729.21 state environmental review documents are required. The commission must study and evaluate
729.22 any site or route identified by the commission under section 216I.05, subdivision 10, clause
729.23 (2).

729.24 (b) For a cogeneration facility, as defined in section 216H.01, subdivision 1a, that is a
729.25 large electric power generating plant and is not proposed by a utility, the commission must
729.26 make a finding in the environmental impact statement whether the project is likely to result
729.27 in a net reduction of carbon dioxide emissions, considering both the utility providing electric
729.28 service to the proposed cogeneration facility and any reduction in carbon dioxide emissions
729.29 resulting from increased efficiency from thermal energy production on the part of the
729.30 customer that operates or owns the proposed cogeneration facility.

729.31 (c) The commission must publish a draft environmental impact statement and a scoping
729.32 document for the environmental impact statement under section 216I.05, subdivision 10.

730.1 The public may provide comments on the draft environmental impact statement at the public
730.2 hearing and comment period under subdivision 2.

730.3 (d) The commission must publish a final environmental impact statement responding to
730.4 the timely substantive comments on the draft environmental impact statement consistent
730.5 with the scope approved by the commission under section 216I.05, subdivision 10, clause
730.6 (2). The final environmental impact statement must discuss at appropriate points in the final
730.7 environmental impact statement any reasonable opposing views relating to scoping issues
730.8 that were not adequately discussed in the draft environmental impact statement and must
730.9 indicate a response to the reasonable opposing views. When making the commission's final
730.10 decision, the commission must consider the final environmental impact statement and the
730.11 entirety of the record related to human and environmental impacts.

730.12 (e) The commission must determine the adequacy of the final environmental impact
730.13 statement. The commission must not decide the adequacy for at least ten days after the
730.14 availability of the final environmental impact statement is announced in the EQB Monitor.
730.15 The final environmental impact statement is adequate if the final environmental impact
730.16 statement:

730.17 (1) addresses the issues and alternatives raised in scoping;

730.18 (2) provides responses to the timely substantive comments received during the draft
730.19 environmental impact statement review process; and

730.20 (3) was prepared in compliance with the procedures in sections 216I.05 and 216I.06.

730.21 If the commission finds that the environmental impact statement is not adequate, the
730.22 commission must direct staff to respond to the deficiencies and resubmit the revised
730.23 environmental impact statement to the commission as soon as possible.

730.24 Subd. 2. **Public hearing.** (a) No sooner than 15 days after the date the draft environmental
730.25 impact statement is published, the commission must hold a public hearing on an application
730.26 for a large energy infrastructure facility site or route permit. A hearing held to designate a
730.27 site or route must be conducted by an administrative law judge from the Office of
730.28 Administrative Hearings.

730.29 (b) The commission may designate a portion of the hearing to be conducted as a contested
730.30 case proceeding under chapter 14.

730.31 (c) The commission must provide notice of the hearing at least ten days before but no
730.32 earlier than 45 days before the date the hearing commences. The commission must provide
730.33 notice by (1) publishing in a legal newspaper of general circulation in the county in which

731.1 the public hearing is to be held, (2) mailing to chief executives of the regional development
731.2 commissions, counties, organized towns, townships, and incorporated municipalities in
731.3 which a site or route is proposed, and (3) Tribal governments as defined by section 10.65,
731.4 subdivision 2.

731.5 (d) Any person may appear at the hearings and offer testimony and exhibits without the
731.6 necessity of intervening as a formal party to the proceedings. The administrative law judge
731.7 may allow any person to ask questions of other witnesses.

731.8 (e) The administrative law judge must hold a portion of the hearing in the area where
731.9 the large energy infrastructure facility's location is proposed.

731.10 (f) The commission and administrative law judge must accept written comments for at
731.11 least 20 days after the public hearing's date.

731.12 Subd. 3. **Administrative law judge report.** The administrative law judge must issue a
731.13 report and recommendations after completion of post-hearing briefing or the date the public
731.14 comment period under subdivision 2 closes, whichever is later.

731.15 Subd. 4. **Timing.** The commission must make a final decision on an application within
731.16 60 days of the date the administrative law judge's report is received. A final decision on the
731.17 site or route permit request must be made within one year of the date the commission
731.18 determines an application is complete. The commission may extend the time limit under
731.19 this subdivision for up to three months for just cause or upon agreement with the applicant.

731.20 Sec. 7. **[216L.07] APPLICATIONS; STANDARD REVIEW.**

731.21 Subdivision 1. **Standard review.** An applicant who seeks a site or route permit for which
731.22 the applicant's proposal is one of the projects identified in this section may follow the
731.23 procedures under this section in lieu of the procedures under section 216L.06. The applicant
731.24 must notify the commission at the time the application is submitted which procedure the
731.25 applicant has elected to follow.

731.26 Subd. 2. **Applicable projects.** The requirements and procedures under this section apply
731.27 to projects for which the applicant's proposal is:

731.28 (1) large electric power generating plants with a capacity of less than 80 megawatts;

731.29 (2) large electric power generating plants that are fueled by natural gas;

731.30 (3) high-voltage transmission lines with a capacity between 100 and 300 kilovolts;

731.31 (4) high-voltage transmission lines with a capacity in excess of 300 kilovolts and less
731.32 than 30 miles in length in Minnesota;

732.1 (5) high-voltage transmission lines with a capacity in excess of 300 kilovolts, if at least
732.2 80 percent of the distance of the line in Minnesota, as proposed by the applicant, is located
732.3 along existing high-voltage transmission line right-of-way;

732.4 (6) solar energy systems;

732.5 (7) energy storage systems; and

732.6 (8) large wind energy conversion systems.

732.7 Subd. 3. **Environmental review.** (a) For the projects identified in subdivision 2 and
732.8 following the procedures under this section, the applicant must prepare and submit an
732.9 environmental assessment with the application. A draft of the environmental assessment
732.10 must also be provided to commission staff as part of the preapplication review under section
732.11 216I.05, subdivision 6. The environmental assessment must (1) contain information regarding
732.12 the proposed project's human and environmental impacts, and (2) address mitigating measures
732.13 for identified impacts. The environmental assessment is the only state environmental review
732.14 document that must be prepared for the proposed project.

732.15 (b) If after the public meeting the commission identifies other sites or routes or potential
732.16 impacts for review, the commission must prepare an addendum to the environmental
732.17 assessment that evaluates (1) the human and environmental impacts of the alternative site
732.18 or route, and (2) any additional mitigating measures related to the identified impacts
732.19 consistent with the scoping decision made pursuant to section 216I.06, subdivision 10,
732.20 clause (2). The public may provide comments on the environmental assessment and any
732.21 addendum to the environmental assessment at the public hearing and comment period under
732.22 subdivision 4. When making the commission's final decision, the commission must consider
732.23 the environmental assessment, the environmental assessment addendum, if any, and the
732.24 entirety of the record related to human and environmental impacts.

732.25 Subd. 4. **Public hearing.** (a) After the commission issues any environmental assessment
732.26 addendum and a draft permit under section 216I.05, subdivision 10, the commission must
732.27 hold a public hearing in the area where the facility's location is proposed.

732.28 (b) The commission must provide notice of the public hearing in the same manner as
732.29 required under section 216I.06, subdivision 2.

732.30 (c) The commission must conduct the public hearing under procedures established by
732.31 the commission and may request that an administrative law judge from the Office of
732.32 Administrative Hearings conduct the hearing and prepare a report.

733.1 (d) The applicant must be present at the hearing to present evidence and to answer
733.2 questions. The commission must provide opportunity at the public hearing for any person
733.3 to present comments and to ask questions of the applicant and commission staff. The
733.4 commission must also provide interested persons an opportunity to submit written comments
733.5 into the record after the public hearing.

733.6 Subd. 5. **Timing.** (a) The commission must make a final decision on an application
733.7 within 60 days of the date the public comment period following completion of the public
733.8 hearing closes, or the date the report is filed, whichever is later. A final decision on the
733.9 request for a site or route permit under this section must be made within six months of the
733.10 date the commission determines the application is complete. The commission may extend
733.11 the time limit under this subdivision for up to three months for just cause or upon agreement
733.12 with the applicant.

733.13 (b) Immediately following the commission's vote granting an applicant a site or route
733.14 permit, and prior to issuance of a written commission order embodying the decision, the
733.15 applicant may submit to commission staff for review preconstruction compliance filings
733.16 specifying details of the applicant's proposed site or route operations.

733.17 **Sec. 8. [216L.08] APPLICATIONS; LOCAL REVIEW.**

733.18 Subdivision 1. **Local review authorized.** (a) Notwithstanding sections 216L.06 and
733.19 216L.07, an applicant who seeks a site or route permit for one of the projects identified in
733.20 subdivision 2 may apply to the local units of government that have jurisdiction over the site
733.21 or route for approval to build the project. If local approval is granted, a site or route permit
733.22 is not required from the commission. If the applicant files an application with the commission,
733.23 the applicant waives the applicant's right to seek local approval for the project.

733.24 (b) A local unit of government with jurisdiction over a project identified in this section
733.25 to whom an applicant has applied for approval to build the project may request that the
733.26 commission assume jurisdiction and make a decision on a site or route permit pursuant to
733.27 the applicable provisions under this chapter. A local unit of government must file the request
733.28 with the commission within 60 days of the date an applicant files an application for the
733.29 project with any one local unit of government. If one of the local units of government with
733.30 jurisdiction over the project requests that the commission assume jurisdiction, jurisdiction
733.31 over the project transfers to the commission. If the local units of government maintain
733.32 jurisdiction over the project, the commission must select the appropriate local unit of
733.33 government to be the responsible governmental unit to conduct the project's environmental
733.34 review.

734.1 Subd. 2. **Applicable projects.** An applicant may seek approval under this section from
734.2 a local unit of government to construct:

734.3 (1) large electric power generating plants and solar energy generating systems with a
734.4 capacity of less than 80 megawatts;

734.5 (2) large electric power generating plants of any size that burn natural gas and are intended
734.6 to be a peaking plant;

734.7 (3) high-voltage transmission lines with a capacity between 100 and 200 kilovolts;

734.8 (4) substations with a voltage designed for and capable of operation at a nominal voltage
734.9 of 100 kilovolts or more;

734.10 (5) a high-voltage transmission line service extension to a single customer between 200
734.11 and 300 kilovolts and less than ten miles in length;

734.12 (6) a high-voltage transmission line rerouting to serve the demand of a single customer,
734.13 if at least 80 percent of the rerouted line is located on property owned or controlled by the
734.14 customer or the owner of the transmission line;

734.15 (7) energy storage systems; and

734.16 (8) large wind energy conversion systems with a capacity less than 25 megawatts.

734.17 Subd. 3. **Notice of application.** An applicant must notify the commission that the
734.18 applicant has elected to seek local approval of the proposed project within ten days of the
734.19 date the applicant submits an application to a local unit of government to approve an eligible
734.20 project.

734.21 Subd. 4. **Environmental review.** (a) A local unit of government that maintains
734.22 jurisdiction over a qualifying project must prepare or request that the applicant prepare an
734.23 environmental assessment on the project. The local unit of government must afford the
734.24 public an opportunity to participate in developing the scope of the environmental assessment
734.25 before the environmental assessment is prepared.

734.26 (b) Upon completing the environmental assessment, the local unit of government must
734.27 publish notice in the EQB Monitor that indicates (1) the environmental assessment is
734.28 available for review, (2) how a copy of the document may be reviewed, (3) that the public
734.29 may comment on the document, and (4) the procedure for submitting comments to the local
734.30 unit of government. Upon completion of the environmental assessment, the local unit of
734.31 government must provide a copy of the environmental assessment to the commission.

735.1 (c) The local unit of government is prohibited from making a final decision on the permit
735.2 until at least ten days after the date the notice appears in the EQB Monitor. If more than
735.3 one local unit of government has jurisdiction over a project and the local units of government
735.4 cannot agree which local unit of government prepares the environmental assessment, any
735.5 local unit of government or the applicant may request that the commission select the
735.6 appropriate local unit of government to be the responsible governmental unit to conduct an
735.7 environmental review of the project.

735.8 Sec. 9. **[216I.09] PERMIT AMENDMENTS.**

735.9 Subdivision 1. **Applicability.** This section applies to a request by the owner of the large
735.10 energy infrastructure facility to modify any provision or condition of a site or route permit
735.11 issued by the commission, including the following:

735.12 (1) upgrades or rebuilds an existing electric line and associated facilities to a voltage
735.13 capable of operating between 100 kilovolts and 300 kilovolts that does not result in significant
735.14 changes in the human and environmental impact of the facility; or

735.15 (2) repowers or refurbishes a large electric power generating plant, a large wind energy
735.16 conversion system, a solar energy generating system, or an energy storage system that
735.17 increases the efficiency of the system, provided the project does not increase the developed
735.18 area within the permitted site or increase the nameplate capacity of the facility's most recent
735.19 interconnection agreement. For a large electric power generating plant, an increase in
735.20 efficiency is a reduction in the amount of British thermal units required to produce a kilowatt
735.21 hour of electricity at the facility.

735.22 Subd. 2. **Application.** A person that seeks authorization to amend a large energy
735.23 infrastructure facility must apply to the commission. The application must be in writing and
735.24 must (1) describe the alteration to be made or the amendment sought, and (2) explain why
735.25 the request meets the eligibility criteria under subdivision 1. The application must describe
735.26 any changes to the environmental impacts evaluated by the commission as part of the initial
735.27 permit approval. If there are significant changes to the environmental impacts evaluated by
735.28 the commission as part of the initial permit approval, environmental review must be
735.29 conducted pursuant to the applicable requirements of Minnesota Rules, chapter 4410 and
735.30 parts 7849.1000 to 7849.2100.

735.31 Subd. 3. **Notice.** The commission must mail notice that the application was received to
735.32 the persons on the general list and to the persons on the project contact list, if a project list
735.33 exists.

736.1 Subd. 4. **Public comment.** The commission must provide at least a ten-day period for
736.2 interested persons to submit comments on the application or to request that the matter be
736.3 brought to the commission for consideration. The applicant may respond to submitted
736.4 comments within seven days of the date the comment period closes.

736.5 Subd. 5. **Timing.** Within 30 days of the date the applicant responds to submitted
736.6 comments under subdivision 4, the commission must decide whether to authorize the permit
736.7 amendment, bring the matter to the commission for consideration, or determine that the
736.8 application requires a permitting decision under another section in this chapter.

736.9 Subd. 6. **Decision.** The commission may authorize an amendment but impose reasonable
736.10 conditions on the approval. The commission must notify the applicant in writing of the
736.11 commission's decision and send a copy of the decision to any person who requested
736.12 notification or filed comments on the application.

736.13 Subd. 7. **Local review.** For a large electric power generating plant or high-voltage
736.14 transmission line that was not issued a permit by the commission, the owner or operator of
736.15 the nonpermitted facility may seek approval of a project listed under subdivision 1 from
736.16 the local unit of government if the facility qualifies for standard review under section 216I.07
736.17 or local review under section 216I.08.

736.18 Sec. 10. [216I.10] EXEMPT PROJECTS.

736.19 Subdivision 1. **Permit not required.** A permit issued by the commission is not required
736.20 to construct:

736.21 (1) a small wind energy conversion system;

736.22 (2) a power plant or solar energy generating system with a capacity of less than 50
736.23 megawatts;

736.24 (3) an energy storage system with a capacity of less than ten megawatts;

736.25 (4) a transmission line that (i) has a capacity of 100 kilovolts or more, and (ii) is less
736.26 than 1,500 feet in length; and

736.27 (5) a transmission line that has a capacity of less than 100 kilovolts.

736.28 Subd. 2. **Other approval.** A person that proposes a facility listed in subdivision 1 must
736.29 (1) obtain any approval required by local, state, or federal units of government with
736.30 jurisdiction over the project, and (2) comply with the environmental review requirements
736.31 under chapter 116D and Minnesota Rules, chapter 4410.

737.1 Sec. 11. [216L.11] PERMITTING REQUIREMENTS; EXCEPTIONS FOR CERTAIN
737.2 FACILITIES.

737.3 Subdivision 1. Permit not required. The following projects do not constitute the
737.4 construction of a large energy infrastructure facility and may be constructed without a permit
737.5 issued by the commission:

737.6 (1) maintaining or repairing an existing large energy infrastructure facility within an
737.7 existing site or right-of-way;

737.8 (2) adding equipment at an existing substation that does not (i) require more than a
737.9 one-acre expansion of the land needed for the substation, and (ii) involve an increase in the
737.10 voltage or changes in the location of existing transmission lines, except that up to the first
737.11 five transmission line structures outside the substation may be moved to accommodate the
737.12 equipment additions, provided the structures are not moved more than 500 feet from the
737.13 existing right-of-way;

737.14 (3) reconductoring or reconstructing a high-voltage transmission line that does not result
737.15 in a change to voltage or a change in right-of-way;

737.16 (4) relocating a high-voltage transmission line that is required by a local or state agency
737.17 as part of road, street, or highway construction;

737.18 (5) converting the fuel source of a large electric power generating plant to natural gas,
737.19 provided the plant is not expanded beyond the developed portion of the plant site; and

737.20 (6) starting up an existing large electric power generating plant that has been closed for
737.21 any period of time at no more than the large electric power generating plant's previous
737.22 capacity rating and in a manner that does not involve changing the fuel or expanding the
737.23 developed portion of the plant site.

737.24 Subd. 2. Amendment. If a modification or other change to an existing large energy
737.25 infrastructure facility does not qualify for an exception under subdivision 1, the modification
737.26 or change may qualify as an amendment under section 216L.09.

737.27 Subd. 3. Notice. A person that proposes to implement changes to a large energy
737.28 infrastructure facility under subdivision 1, clauses (2) to (5), must notify the commission
737.29 in writing at least 30 days before commencing construction of the modification or change.

737.30 Sec. 12. [216L.13] PERMIT TRANSFER.

737.31 Subdivision 1. Application. A permittee holding a large energy infrastructure facility
737.32 site or route permit may request that the commission transfer the permittee's permit. The

738.1 permittee must provide the name of the existing permittee, the name and description of the
738.2 entity to which the permit is to be transferred, the reasons for the transfer, a description of
738.3 the facilities affected, and the proposed effective date of the transfer. The person to whom
738.4 the permit is to be transferred must provide the commission with information the commission
738.5 requires to determine whether the new permittee is able to comply with the permit's
738.6 conditions. The commission must mail notice of receipt of the application to the persons
738.7 on the general list at least seven days in advance of the date the commission considers the
738.8 matter. The commission must provide the same notice to persons on the project contact list
738.9 if a project contact list exists.

738.10 Subd. 2. **Approval of transfer.** The commission must approve the transfer if the
738.11 commission determines that the new permittee complies with the conditions of the permit.
738.12 The commission, in approving the transfer of a permit, may impose reasonable additional
738.13 conditions in the permit as part of the approval. The commission may decide to hold a public
738.14 meeting to provide the public with an opportunity to comment on the request for the transfer
738.15 prior to making a decision.

738.16 Sec. 13. **[216L.14] PERMIT REVOCATION OR SUSPENSION.**

738.17 Subdivision 1. **Initiation of action to revoke or suspend.** The commission may initiate
738.18 action to consider revoking or suspending a permit on the commission's own motion or
738.19 upon the request of any person who has made a prima facie showing by affidavit and
738.20 documentation that a violation of this act or the permit has occurred.

738.21 Subd. 2. **Hearing.** If the commission initiates action to consider revoking or suspending
738.22 a permit, the commission must provide the permittee with an opportunity for a contested
738.23 case hearing conducted by an administrative law judge from the Office of Administrative
738.24 Hearings.

738.25 Subd. 3. **Finding of violation.** If the commission finds that a violation of this act or the
738.26 permit has occurred, the commission may revoke or suspend the permit, require the permittee
738.27 to undertake corrective or ameliorative measures as a condition to avoid revocation or
738.28 suspension, or require corrective measures and suspend the permit. When determining the
738.29 appropriate sanction, the commission must consider whether:

738.30 (1) the violation results in any significant additional adverse environmental effects;

738.31 (2) the results of the violation can be corrected or ameliorated; and

738.32 (3) suspending or revoking a permit impairs the permittee's electrical power system
738.33 reliability.

740.14 This article is effective July 1, 2025.

740.15 **ARTICLE 44**
740.16 **CERTIFICATES OF NEED**

740.17 Section 1. Minnesota Statutes 2022, section 216B.2421, subdivision 2, is amended to read:

740.18 Subd. 2. **Large energy facility.** "Large energy facility" means:

740.19 (1) any electric power generating plant or combination of plants at a single site with a
740.20 combined capacity of 50,000 kilowatts or more and transmission lines directly associated
740.21 with the plant that are necessary to interconnect the plant to the transmission system;

740.22 (2) any high-voltage transmission line with a capacity of ~~200~~ 300 kilovolts or more and
740.23 greater than ~~1,500 feet~~ one mile in length in Minnesota;

740.24 (3) any high-voltage transmission line with a capacity of 100 kilovolts or more with
740.25 more than ten miles of its length in Minnesota ~~or that crosses a state line;~~

740.26 (4) any pipeline greater than six inches in diameter and having more than 50 miles of
740.27 its length in Minnesota used for the transportation of coal, crude petroleum or petroleum
740.28 fuels or oil, or their derivatives;

740.29 (5) any pipeline for transporting natural or synthetic gas at pressures in excess of 200
740.30 pounds per square inch with more than 50 miles of its length in Minnesota;

741.7 **EFFECTIVE DATE.** This section is effective the day following final enactment.

741.8 Sec. 2. Minnesota Statutes 2022, section 216B.243, subdivision 3, is amended to read:

741.9 Subd. 3. **Showing required for construction.** No proposed large energy facility shall
741.10 be certified for construction unless the applicant can show that demand for electricity cannot
741.11 be met more cost effectively through energy conservation and load-management measures
741.12 and unless the applicant has otherwise justified its need. In assessing need, the commission
741.13 shall evaluate:

741.14 (1) the accuracy of the long-range energy demand forecasts on which the necessity for
741.15 the facility is based;

741.16 (2) the effect of existing or possible energy conservation programs under sections 216C.05
741.17 to 216C.30 and this section or other federal or state legislation on long-term energy demand;

741.18 (3) the relationship of the proposed facility to overall state energy needs, as described
741.19 in the most recent state energy policy and conservation report prepared under section
741.20 216C.18, or, in the case of a high-voltage transmission line, the relationship of the proposed
741.21 line to regional energy needs, as presented in the transmission plan submitted under section
741.22 216B.2425;

741.23 (4) promotional activities that may have given rise to the demand for this facility;

741.24 (5) benefits of this facility, including its uses to protect or enhance environmental quality,
741.25 and to increase reliability of energy supply in Minnesota and the region;

741.26 (6) possible alternatives for satisfying the energy demand or transmission needs including
741.27 but not limited to potential for increased efficiency and upgrading of existing energy
741.28 generation and transmission facilities, load-management programs, and distributed generation,
741.29 except that the commission must not require evaluation of alternative end points for a
741.30 high-voltage transmission line qualifying as a large energy facility unless the alternative
741.31 end points are (i) consistent with end points identified in a federally registered planning
741.32 authority transmission plan, or (ii) otherwise agreed to for further evaluation by the applicant;

742.1 (7) the policies, rules, and regulations of other state and federal agencies and local
742.2 governments;

742.3 (8) any feasible combination of energy conservation improvements, required under
742.4 section 216B.241, that can (i) replace part or all of the energy to be provided by the proposed
742.5 facility, and (ii) compete with it economically;

742.6 (9) with respect to a high-voltage transmission line, the benefits of enhanced regional
742.7 reliability, access, or deliverability to the extent these factors improve the robustness of the
742.8 transmission system or lower costs for electric consumers in Minnesota;

742.9 (10) whether the applicant or applicants are in compliance with applicable provisions
742.10 of sections 216B.1691 and 216B.2425, subdivision 7, and have filed or will file by a date
742.11 certain an application for certificate of need under this section or for certification as a priority
742.12 electric transmission project under section 216B.2425 for any transmission facilities or
742.13 upgrades identified under section 216B.2425, subdivision 7;

742.14 (11) whether the applicant has made the demonstrations required under subdivision 3a;
742.15 and

742.16 (12) if the applicant is proposing a nonrenewable generating plant, the applicant's
742.17 assessment of the risk of environmental costs and regulation on that proposed facility over
742.18 the expected useful life of the plant, including a proposed means of allocating costs associated
742.19 with that risk.

742.20 **EFFECTIVE DATE.** This section is effective the day following final enactment and
742.21 applies to all pending applications.

742.22 Sec. 3. Minnesota Statutes 2022, section 216B.243, subdivision 3a, is amended to read:

742.23 Subd. 3a. **Use of renewable resource.** The commission may not issue a certificate of
742.24 need under this section for a large energy facility that generates electric power ~~by means~~
742.25 ~~of a nonrenewable energy source, or that transmits electric power generated by means of a~~
742.26 nonrenewable energy source, unless the applicant for the certificate has demonstrated to
742.27 the commission's satisfaction that it has explored the possibility of generating power by
742.28 means of renewable energy sources and has demonstrated that the alternative selected is
742.29 less expensive (including environmental costs) than power generated by a renewable
742.30 energy source. For purposes of this subdivision, "renewable energy source" includes hydro,
742.31 wind, solar, and geothermal energy and the use of trees or other vegetation as fuel.

742.32 **EFFECTIVE DATE.** This section is effective the day following final enactment.

743.1 Sec. 4. Minnesota Statutes 2022, section 216B.243, subdivision 4, is amended to read:

743.2 Subd. 4. **Application for certificate; hearing.** Any person proposing to construct a
743.3 large energy facility shall apply for a certificate of need and for a site or route permit under
743.4 chapter ~~216E~~ 216I prior to construction of the facility. The application shall be on forms
743.5 and in a manner established by the commission. In reviewing each application the commission
743.6 shall hold at least one public hearing pursuant to chapter 14. The public hearing shall be
743.7 held at a location and hour reasonably calculated to be convenient for the public. An objective
743.8 of the public hearing shall be to obtain public opinion on the necessity of granting a certificate
743.9 of need and, if a joint hearing is held, a site or route permit. The commission shall designate
743.10 a commission employee whose duty shall be to facilitate citizen participation in the hearing
743.11 process. Unless the commission determines that a joint hearing on siting and need under
743.12 this subdivision and ~~section 216E.03, subdivision 6~~ chapter 216I, is not feasible or more
743.13 efficient, or otherwise not in the public interest, a joint hearing under ~~those subdivisions~~
743.14 shall this subdivision and chapter 216I must be held.

743.15 **EFFECTIVE DATE.** This section is effective July 1, 2025.

743.16 Sec. 5. Minnesota Statutes 2023 Supplement, section 216B.243, subdivision 8, is amended
743.17 to read:

743.18 Subd. 8. **Exemptions.** (a) This section does not apply to:

743.19 (1) cogeneration or small power production facilities as defined in the Federal Power
743.20 Act, United States Code, title 16, section 796, paragraph (17), subparagraph (A), and
743.21 paragraph (18), subparagraph (A), and having a combined capacity at a single site of less
743.22 than 80,000 kilowatts; plants or facilities for the production of ethanol or fuel alcohol; or
743.23 any case where the commission has determined after being advised by the attorney general
743.24 that its application has been preempted by federal law;

743.25 (2) a high-voltage transmission line proposed primarily to distribute electricity to serve
743.26 the demand of a single customer at a single location, unless the applicant opts to request
743.27 that the commission determine need under this section or section 216B.2425;

743.28 (3) the upgrade to a higher voltage of an existing transmission line that serves the demand
743.29 of a single customer that primarily uses existing rights-of-way, unless the applicant opts to
743.30 request that the commission determine need under this section or section 216B.2425;

743.31 (4) a high-voltage transmission line of one mile or less required to connect a new or
743.32 upgraded substation to an existing, new, or upgraded high-voltage transmission line;

744.1 (5) conversion of the fuel source of an existing electric generating plant to using natural
744.2 gas;

744.3 (6) the modification of an existing electric generating plant to increase efficiency, as
744.4 long as the capacity of the plant is not increased more than ten percent or more than 100
744.5 megawatts, whichever is greater;

744.9 an independent power producer under chapter ~~216E or 216F~~ 216I; or

744.10 (8) a large wind energy conversion system, as defined in section ~~216F.01, subdivision~~
744.11 ~~2~~ 216I.02, subdivision 12, or a solar energy generating system ~~that is a large energy facility,~~
744.12 as defined in section ~~216B.2421, subdivision 2~~ 216I.02, subdivision 18, engaging in a
744.13 repowering project that:

744.14 (i) will not result in the system exceeding the nameplate capacity under its most recent
744.15 interconnection agreement; or

744.16 (ii) will result in the system exceeding the nameplate capacity under its most recent
744.17 interconnection agreement, provided that the Midcontinent Independent System Operator
744.18 has provided a signed generator interconnection agreement that reflects the expected net
744.19 power increase;

744.24 that any new structures that are installed are not designed for and capable of operation at
744.25 higher voltage.

744.26 (b) For the purpose of this subdivision, "repowering project" means:

744.27 (1) modifying a large wind energy conversion system or a solar energy generating system
744.28 that is a large energy facility to increase its efficiency without increasing its nameplate
744.29 capacity;

744.30 (2) replacing turbines in a large wind energy conversion system without increasing the
744.31 nameplate capacity of the system; or

744.32 (3) increasing the nameplate capacity of a large wind energy conversion system.

745.1 **EFFECTIVE DATE.** (a) The amendment to paragraph (a), clause (7), is effective July
745.2 1, 2025.

745.3 (b) The amendments to paragraph (a), clauses (9), (10), and (11), are effective the day
745.4 following final enactment, except that the reference to Minnesota Statutes, section 216I.02,
745.5 subdivision 7, in paragraph (a), clause (9), is effective July 1, 2025. Prior to July 1, 2025,
745.6 the definition of "energy storage system" in Minnesota Statutes, section 216E.01, subdivision
745.7 3a, applies.

745.8 Sec. 6. Minnesota Statutes 2022, section 216B.243, subdivision 9, is amended to read:

745.9 Subd. 9. **Renewable energy standard and carbon-free energy standard facilities.** This
745.10 section does not apply to a wind energy conversion system or a solar electric generation
745.11 facility that is intended to be used to meet the obligations of section 216B.1691, subdivision
745.12 2a or 2g; provided that, after notice and comment, the commission determines that the
745.13 facility is a reasonable and prudent approach to meeting a utility's obligations under that
745.14 section. When making this determination, the commission must consider:

745.15 (1) the size of the facility relative to a utility's total need for renewable resources;

745.16 (2) alternative approaches for supplying the renewable energy to be supplied by the
745.17 proposed facility;

745.18 (3) the facility's ability to promote economic development, as required under section
745.19 216B.1691, subdivision 9;

745.20 (4) the facility's ability to maintain electric system reliability;

745.21 (5) impacts on ratepayers; and

745.22 (6) other criteria as the commission may determine are relevant.

745.23 **EFFECTIVE DATE.** This section is effective the day following final enactment.

745.24 Sec. 7. Minnesota Statutes 2022, section 216B.246, subdivision 3, is amended to read:

745.25 Subd. 3. **Commission procedure.** (a) If an electric transmission line has been approved
745.26 for construction in a federally registered planning authority transmission plan, the incumbent
745.27 electric transmission owner, or owners if there is more than one owner, shall give notice to
745.28 the commission, in writing, within ~~90~~ 60 days of approval, regarding its intent to construct,
745.29 own, and maintain the electric transmission line. If an incumbent electric transmission owner
745.30 gives notice of intent to build the electric transmission line then, unless exempt from the
745.31 requirements of section 216B.243, within ~~18~~ 12 months from the date of the notice described

746.1 in this paragraph ~~or such longer time approved by the commission~~, the incumbent electric
746.2 transmission owner shall file an application for a certificate of need under section 216B.243
746.3 or certification under section 216B.2425.

746.4 (b) If the incumbent electric transmission owner indicates that it does not intend to build
746.5 the transmission line, such notice shall fully explain the basis for that decision. If the
746.6 incumbent electric transmission owner, or owners, gives notice of intent not to build the
746.7 electric transmission line, then the commission may determine whether the incumbent
746.8 electric transmission owner or other entity will build the electric transmission line, taking
746.9 into consideration issues such as cost, efficiency, reliability, and other factors identified in
746.10 this chapter.

746.11 **EFFECTIVE DATE.** This section is effective the day following final enactment and
746.12 applies to any electric transmission line that has been approved for construction in a federally
746.13 registered planning authority transmission plan on or after that date.

746.14 **ARTICLE 45**

746.15 **CONFORMING CHANGES**

746.16 Section 1. Minnesota Statutes 2023 Supplement, section 10.65, subdivision 2, is amended
746.17 to read:

746.18 Subd. 2. **Definitions.** As used in this section, the following terms have the meanings
746.19 given:

746.20 (1) "agency" means the Department of Administration; Department of Agriculture;
746.21 Department of Children, Youth, and Families; Department of Commerce; Department of
746.22 Corrections; Department of Education; Department of Employment and Economic
746.23 Development; Department of Health; Office of Higher Education; Housing Finance Agency;
746.24 Department of Human Rights; Department of Human Services; Department of Information
746.25 Technology Services; Department of Iron Range Resources and Rehabilitation; Department
746.26 of Labor and Industry; Minnesota Management and Budget; Bureau of Mediation Services;
746.27 Department of Military Affairs; Metropolitan Council; Department of Natural Resources;
746.28 Pollution Control Agency; Department of Public Safety; Department of Revenue; Department
746.29 of Transportation; Department of Veterans Affairs; Gambling Control Board; Racing
746.30 Commission; the Minnesota Lottery; the Animal Health Board; the Public Utilities
746.31 Commission; and the Board of Water and Soil Resources;

746.32 (2) "consultation" means the direct and interactive involvement of the Minnesota Tribal
746.33 governments in the development of policy on matters that have Tribal implications.

747.1 Consultation is the proactive, affirmative process of identifying and seeking input from
747.2 appropriate Tribal governments and considering their interest as a necessary and integral
747.3 part of the decision-making process. This definition adds to statutorily mandated notification
747.4 procedures. During a consultation, the burden is on the agency to show that it has made a
747.5 good faith effort to elicit feedback. Consultation is a formal engagement between agency
747.6 officials and the governing body or bodies of an individual Minnesota Tribal government
747.7 that the agency or an individual Tribal government may initiate. Formal meetings or
747.8 communication between top agency officials and the governing body of a Minnesota Tribal
747.9 government is a necessary element of consultation;

747.10 (3) "matters that have Tribal implications" means rules, legislative proposals, policy
747.11 statements, or other actions that have substantial direct effects on one or more Minnesota
747.12 Tribal governments, or on the distribution of power and responsibilities between the state
747.13 and Minnesota Tribal governments;

747.14 (4) "Minnesota Tribal governments" means the federally recognized Indian Tribes located
747.15 in Minnesota including: Bois Forte Band; Fond Du Lac Band; Grand Portage Band; Leech

747.18 and Upper Sioux Community; and

747.19 (5) "timely and meaningful" means done or occurring at a favorable or useful time that
747.20 allows the result of consultation to be included in the agency's decision-making process for
747.21 a matter that has Tribal implications.

747.22 **EFFECTIVE DATE.** This section is effective August 1, 2024.

747.23 Sec. 2. Minnesota Statutes 2022, section 116C.83, subdivision 6, is amended to read:

747.24 Subd. 6. **Environmental review and protection.** (a) The siting, construction, and
747.25 operation of an independent spent-fuel storage installation located on the site of a Minnesota
747.26 generation facility for dry cask storage of spent nuclear fuel generated solely by that facility
747.27 is subject to all environmental review and protection provisions of this chapter and chapters
747.28 115, 115B, 116, 116B, 116D, and 216B, and rules associated with those chapters, except
747.29 those statutes and rules that apply specifically to a radioactive waste management facility
747.30 as defined in section 116C.71, subdivision 7.

747.31 (b) An environmental impact statement is required under chapter 116D for a proposal
747.32 to construct and operate a new or expanded independent spent-fuel storage installation. The
747.33 ~~commissioner of the Department of Commerce shall be~~ Public Utilities Commission is the

748.1 responsible governmental unit for the environmental impact statement. Prior to finding the
748.2 statement adequate, the ~~commissioner~~ commission must find that the applicant has
748.3 demonstrated that the facility is designed to provide a reasonable expectation that the
748.4 operation of the facility will not result in groundwater contamination in excess of the
748.5 standards established in section 116C.76, subdivision 1, clauses (1) to (3).

748.6 Sec. 3. Minnesota Statutes 2022, section 216A.037, subdivision 1, is amended to read:

748.7 Subdivision 1. **Ex parte communications prohibitions; rules.** (a) The commission
748.8 shall adopt rules under chapter 14 prescribing permissible and impermissible ex parte
748.9 communications. The ex parte rules may prohibit only ex parte communications, directly
748.10 or indirectly, between a commissioner and a participant or party under the commission's
748.11 rules of practice and procedure relating to:

748.12 (1) a material issue during a pending contested case proceeding;

748.13 (2) a material issue in a rulemaking proceeding after the beginning of commission
748.14 deliberations;

748.15 (3) a material issue in a disputed formal petition; and

748.16 (4) any other communication impermissible by law.

748.17 (b) The commission may apply ex parte prohibitions, prospectively and after notice to
748.18 affected parties, to other commission proceedings as the commission deems necessary.

748.19 (c) A contested case is pending from the time the commission refers the matter to the
748.20 Office of Administrative Hearings until the commission has issued its final order, and the
748.21 time to petition for reconsideration has expired or the commission has issued an order finally
748.22 disposing an application for reconsideration, whichever is later.

748.23 (d) Commission staff and consultants that perform environmental review and other
748.24 activities identified in chapters 216G and 216I are not parties, participants, or decision
748.25 making personnel, as defined under Minnesota Rules, part 7845.7000.

748.26 Sec. 4. Minnesota Statutes 2022, section 216A.07, subdivision 3, is amended to read:

748.27 Subd. 3. **Intervention in commission proceeding.** (a) The commissioner may intervene
748.28 as a party in all proceedings before the commission. When intervening in gas or electric
748.29 hearings, the commissioner shall prepare and defend testimony designed to:

748.30 (1) encourage energy conservation improvements as defined in section 216B.241;

749.1 (2) ensure that the greenhouse gas reduction goals are attained on a schedule that keeps
749.2 pace with the reduction timetable in section 216H.02, subdivision 1;

749.3 (3) ensure that the renewable energy standards, solar energy goal, and carbon-free
749.4 standards are achieved according to the schedules under section 216B.1691, subdivisions
749.5 2a, 2f, and 2g, respectively; and

749.6 (4) ensure compliance with state environmental policy, as stated in section 116D.02.

749.7 (b) The attorney general shall act as counsel in the proceedings.

749.8 Sec. 5. Minnesota Statutes 2023 Supplement, section 216E.06, is amended to read:

749.9 **216E.06 EMERGENCY ~~PERMIT~~ PERMITS.**

749.10 Subdivision 1. Utility emergency action. ~~(a)~~ Any utility whose ~~electric power~~ system
749.11 requires the immediate construction of a large ~~electric power~~ energy infrastructure facility
749.12 due to a major unforeseen event may apply to the commission for an emergency permit.
749.13 The application ~~shall~~ must provide notice in writing of the major unforeseen event and the
749.14 need for immediate construction. The permit must be issued in a timely manner, no later

762.1 foster care licensed under Minnesota Rules, parts 9555.5105 to 9555.6265, under this chapter
762.2 for a physical location that will not be the primary residence of the license holder for the
762.3 entire period of licensure. If a family adult foster care home license is issued during this
762.4 moratorium, and the license holder changes the license holder's primary residence away
762.5 from the physical location of the foster care license, the commissioner shall revoke the
762.6 license according to section 245A.07. The commissioner shall not issue an initial license
762.7 for a community residential setting licensed under chapter 245D. When approving an
762.8 exception under this paragraph, the commissioner shall consider the resource need
762.9 determination process in paragraph (h), the availability of foster care licensed beds in the
762.10 geographic area in which the licensee seeks to operate, the results of a person's choices
762.11 during their annual assessment and service plan review, and the recommendation of the
762.12 local county board. The determination by the commissioner is final and not subject to appeal.
762.13 Exceptions to the moratorium include:

762.14 (1) a license for a person in a foster care setting that is not the primary residence of the
762.15 license holder and where at least 80 percent of the residents are 55 years of age or older;

762.16 (2) foster care licenses replacing foster care licenses in existence on May 15, 2009, or
762.17 community residential setting licenses replacing adult foster care licenses in existence on
762.18 December 31, 2013, and determined to be needed by the commissioner under paragraph
762.19 (b);

762.20 (3) new foster care licenses or community residential setting licenses determined to be
762.21 needed by the commissioner under paragraph (b) for the closure of a nursing facility, ICF/DD,
762.22 or regional treatment center; restructuring of state-operated services that limits the capacity
762.23 of state-operated facilities; or allowing movement to the community for people who no
762.24 longer require the level of care provided in state-operated facilities as provided under section
762.25 256B.092, subdivision 13, or 256B.49, subdivision 24; ~~or~~

762.26 (4) new foster care licenses or community residential setting licenses determined to be
762.27 needed by the commissioner under paragraph (b) for persons requiring hospital-level care;
762.28 or

762.29 (5) new community residential setting licenses determined necessary by the commissioner
762.30 for people affected by the closure of homes with a capacity of five or six beds currently
762.31 licensed as supervised living facilities licensed under Minnesota Rules, chapter 4665, but
762.32 not designated as intermediate care facilities. This exception is available until June 30, 2025.

762.33 (b) The commissioner shall determine the need for newly licensed foster care homes or
762.34 community residential settings as defined under this subdivision. As part of the determination,

763.1 the commissioner shall consider the availability of foster care capacity in the area in which
763.2 the licensee seeks to operate, and the recommendation of the local county board. The
763.3 determination by the commissioner must be final. A determination of need is not required
763.4 for a change in ownership at the same address.

763.5 (c) When an adult resident served by the program moves out of a foster home that is not
763.6 the primary residence of the license holder according to section 256B.49, subdivision 15,
763.7 paragraph (f), or the adult community residential setting, the county shall immediately
763.8 inform the Department of Human Services Licensing Division. The department may decrease
763.9 the statewide licensed capacity for adult foster care settings.

763.10 (d) Residential settings that would otherwise be subject to the decreased license capacity
763.11 established in paragraph (c) shall be exempt if the license holder's beds are occupied by
763.12 residents whose primary diagnosis is mental illness and the license holder is certified under
763.13 the requirements in subdivision 6a or section 245D.33.

763.14 (e) A resource need determination process, managed at the state level, using the available
763.15 data required by section 144A.351, and other data and information shall be used to determine
763.16 where the reduced capacity determined under section 256B.493 will be implemented. The
763.17 commissioner shall consult with the stakeholders described in section 144A.351, and employ
763.18 a variety of methods to improve the state's capacity to meet the informed decisions of those
763.19 people who want to move out of corporate foster care or community residential settings,
763.20 long-term service needs within budgetary limits, including seeking proposals from service
763.21 providers or lead agencies to change service type, capacity, or location to improve services,
763.22 increase the independence of residents, and better meet needs identified by the long-term
763.23 services and supports reports and statewide data and information.

763.24 (f) At the time of application and reapplication for licensure, the applicant and the license
763.25 holder that are subject to the moratorium or an exclusion established in paragraph (a) are
763.26 required to inform the commissioner whether the physical location where the foster care
763.27 will be provided is or will be the primary residence of the license holder for the entire period
763.28 of licensure. If the primary residence of the applicant or license holder changes, the applicant
763.29 or license holder must notify the commissioner immediately. The commissioner shall print
763.30 on the foster care license certificate whether or not the physical location is the primary
763.31 residence of the license holder.

763.32 (g) License holders of foster care homes identified under paragraph (f) that are not the
763.33 primary residence of the license holder and that also provide services in the foster care home
763.34 that are covered by a federally approved home and community-based services waiver, as

764.1 authorized under chapter 256S or section 256B.092 or 256B.49, must inform the human
764.2 services licensing division that the license holder provides or intends to provide these
764.3 waiver-funded services.

764.4 (h) The commissioner may adjust capacity to address needs identified in section
764.5 144A.351. Under this authority, the commissioner may approve new licensed settings or
764.6 delicense existing settings. Delicensing of settings will be accomplished through a process
764.7 identified in section 256B.493.

764.8 (i) The commissioner must notify a license holder when its corporate foster care or
764.9 community residential setting licensed beds are reduced under this section. The notice of
764.10 reduction of licensed beds must be in writing and delivered to the license holder by certified
764.11 mail or personal service. The notice must state why the licensed beds are reduced and must
764.12 inform the license holder of its right to request reconsideration by the commissioner. The
764.13 license holder's request for reconsideration must be in writing. If mailed, the request for
764.14 reconsideration must be postmarked and sent to the commissioner within 20 calendar days
764.15 after the license holder's receipt of the notice of reduction of licensed beds. If a request for
764.16 reconsideration is made by personal service, it must be received by the commissioner within
764.17 20 calendar days after the license holder's receipt of the notice of reduction of licensed beds.

764.18 (j) The commissioner shall not issue an initial license for children's residential treatment
764.19 services licensed under Minnesota Rules, parts 2960.0580 to 2960.0700, under this chapter
764.20 for a program that Centers for Medicare and Medicaid Services would consider an institution
764.21 for mental diseases. Facilities that serve only private pay clients are exempt from the
764.22 moratorium described in this paragraph. The commissioner has the authority to manage
764.23 existing statewide capacity for children's residential treatment services subject to the
764.24 moratorium under this paragraph and may issue an initial license for such facilities if the
764.25 initial license would not increase the statewide capacity for children's residential treatment
764.26 services subject to the moratorium under this paragraph.

764.27 **EFFECTIVE DATE.** This section is effective August 1, 2024.

764.28 Sec. 5. Minnesota Statutes 2022, section 245A.11, subdivision 2a, is amended to read:

764.30 The commissioner shall issue adult foster care and community residential setting licenses
764.31 with a maximum licensed capacity of four beds, including nonstaff roomers and boarders,

764.33 roomers and boarders, according to paragraphs (b) to ~~(g)~~ (h).

765.1 (b) The license holder may have a maximum license capacity of five if all persons in

765.3 developmental disability.

765.4 (c) The commissioner may grant variances to paragraph (b) to allow a facility with a
765.5 licensed capacity of up to five persons to admit an individual under the age of 55 if the

765.7 recommended by the county in which the licensed facility is located.

765.8 (d) The commissioner may grant variances to paragraph (a) to allow the use of an
765.9 additional bed, up to six, for emergency crisis services for a person with serious and persistent
765.10 mental illness or a developmental disability, regardless of age, if the variance complies with
765.11 section 245A.04, subdivision 9, and approval of the variance is recommended by the county
765.12 in which the licensed facility is located.

765.13 (e) The commissioner may grant a variance to paragraph (b) to allow for the use of an
765.14 additional bed, up to six, for respite services, as defined in section 245A.02, for persons
765.15 with disabilities, regardless of age, if the variance complies with sections 245A.03,
765.16 subdivision 7, and 245A.04, subdivision 9, and approval of the variance is recommended
765.17 by the county in which the licensed facility is located. Respite care may be provided under
765.18 the following conditions:

765.19 (1) staffing ratios cannot be reduced below the approved level for the individuals being
765.20 served in the home on a permanent basis;

765.24 (3) the person receiving respite services must have his or her own bedroom, which could
765.25 be used for alternative purposes when not used as a respite bedroom, and cannot be the
765.26 room of another person who lives in the facility; and

765.27 (4) individuals living in the facility must be notified when the variance is approved. The
765.28 provider must give 60 days' notice in writing to the residents and their legal representatives
765.29 prior to accepting the first respite placement. Notice must be given to residents at least two
765.30 days prior to service initiation, or as soon as the license holder is able if they receive notice
765.31 of the need for respite less than two days prior to initiation, each time a respite client will
765.32 be served, unless the requirement for this notice is waived by the resident or legal guardian.

766.1 (f) The commissioner may issue an adult foster care or community residential setting
766.2 license with a capacity of five adults if the fifth bed does not increase the overall statewide
766.3 capacity of licensed adult foster care or community residential setting beds in homes that
766.4 are not the primary residence of the license holder, as identified in a plan submitted to the
766.5 commissioner by the county, when the capacity is recommended by the county licensing
766.6 agency of the county in which the facility is located and if the recommendation verifies
766.7 that:

766.8 (1) the facility meets the physical environment requirements in the adult foster care
766.9 licensing rule;

766.10 (2) the five-bed living arrangement is specified for each resident in the resident's:

766.15 (3) the license holder obtains written and signed informed consent from each resident
766.16 or resident's legal representative documenting the resident's informed choice to remain
766.17 living in the home and that the resident's refusal to consent would not have resulted in
766.18 service termination; and

766.19 (4) the facility was licensed for adult foster care before March 1, 2016.

766.20 (g) The commissioner shall not issue a new adult foster care license under paragraph (f)

854.19 pursuant to subdivision 1, paragraph (b), any inpatient hospital, treatment facility, jail, or
854.20 correctional facility that has provided care or supervision to the patient in the previous two
854.21 years shall, when requested by the treatment facility or commissioner, provide copies of
854.22 the patient's medical and behavioral records to the executive board for purposes of
854.23 preadmission planning. This information shall be provided by the head of the treatment
854.24 facility to treatment facility staff in a consistent and timely manner and pursuant to all
854.25 applicable laws.

854.26 (e) Patients described in paragraph (b) must be admitted to a state-operated treatment
854.27 program within 48 hours of the Office of Executive Medical Director, under section 246C.09,
854.28 or a designee determining that a medically appropriate bed is available. This paragraph
854.29 expires on June 30, 2025.

854.30 (f) Within four business days of determining which state-operated direct care and
854.31 treatment program or programs are appropriate for an individual, the executive medical
854.32 director's office or a designee must notify the source of the referral and the responsible
854.33 county human services agency, the individual being ordered to direct care and treatment,
854.34 and the district court that issued the order of the determination. The notice shall include

855.1 which program or programs are appropriate for the person's priority status. Any interested
855.2 person may provide additional information or request updated priority status about the
855.3 individual to the executive medical director's office or a designee while the individual is
855.4 awaiting admission. Updated priority status of an individual will only be disclosed to
855.5 interested persons who are legally authorized to receive private information about the
855.6 individual. When an available bed has been identified, the executive medical director's
855.7 office or a designee must notify the designated agency and the facility where the individual
855.8 is awaiting admission that the individual has been accepted for admission to a particular
855.9 state-operated direct care and treatment program and the earliest possible date the admission
855.10 can occur. The designated agency or facility where the individual is awaiting admission
855.11 must transport the individual to the admitting state-operated direct care and treatment
855.12 program no more than 48 hours after the offered admission date.

855.13 **EFFECTIVE DATE.** This section is effective July 1, 2024.

855.14 Sec. 6. Minnesota Statutes 2023 Supplement, section 256B.0622, subdivision 8, is amended
855.15 to read:

855.16 Subd. 8. **Medical assistance payment for assertive community treatment and**
855.17 **intensive residential treatment services.** (a) Payment for intensive residential treatment
855.18 services and assertive community treatment in this section shall be based on one daily rate
855.19 per provider inclusive of the following services received by an eligible client in a given
855.20 calendar day: all rehabilitative services under this section, staff travel time to provide
855.21 rehabilitative services under this section, and nonresidential crisis stabilization services
855.22 under section 256B.0624.

855.23 (b) Except as indicated in paragraph ~~(e)~~ (d), payment will not be made to more than one
855.24 entity for each client for services provided under this section on a given day. If services
855.25 under this section are provided by a team that includes staff from more than one entity, the
855.26 team must determine how to distribute the payment among the members.

855.27 (c) Payment must not be made based solely on a court order to participate in intensive
855.28 residential treatment services. If a client has a court order to participate in the program or
855.29 to obtain assessment for treatment and follow treatment recommendations, payment under
855.30 this section must only be provided if the client is eligible for the service and the service is
855.31 determined to be medically necessary.

855.32 ~~(e)~~ (d) The commissioner shall determine one rate for each provider that will bill medical
855.33 assistance for residential services under this section and one rate for each assertive community
855.34 treatment provider. If a single entity provides both services, one rate is established for the

856.1 entity's residential services and another rate for the entity's nonresidential services under
856.2 this section. A provider is not eligible for payment under this section without authorization
856.3 from the commissioner. The commissioner shall develop rates using the following criteria:

856.4 (1) the provider's cost for services shall include direct services costs, other program
856.5 costs, and other costs determined as follows:

856.6 (i) the direct services costs must be determined using actual costs of salaries, benefits,
856.7 payroll taxes, and training of direct service staff and service-related transportation;

856.8 (ii) other program costs not included in item (i) must be determined as a specified
856.9 percentage of the direct services costs as determined by item (i). The percentage used shall
856.10 be determined by the commissioner based upon the average of percentages that represent
856.11 the relationship of other program costs to direct services costs among the entities that provide
856.12 similar services;

856.13 (iii) physical plant costs calculated based on the percentage of space within the program
856.14 that is entirely devoted to treatment and programming. This does not include administrative
856.15 or residential space;

856.16 (iv) assertive community treatment physical plant costs must be reimbursed as part of
856.17 the costs described in item (ii); and

856.18 (v) subject to federal approval, up to an additional five percent of the total rate may be
856.19 added to the program rate as a quality incentive based upon the entity meeting performance
856.20 criteria specified by the commissioner;

856.21 (2) actual cost is defined as costs which are allowable, allocable, and reasonable, and
856.22 consistent with federal reimbursement requirements under Code of Federal Regulations,
856.23 title 48, chapter 1, part 31, relating to for-profit entities, and Office of Management and
856.24 Budget Circular Number A-122, relating to nonprofit entities;

856.25 (3) the number of service units;

856.26 (4) the degree to which clients will receive services other than services under this section;
856.27 and

856.28 (5) the costs of other services that will be separately reimbursed.

856.29 ~~(d)~~ (e) The rate for intensive residential treatment services and assertive community
856.30 treatment must exclude the medical assistance room and board rate, as defined in section
856.31 256B.056, subdivision 5d, and services not covered under this section, such as partial
856.32 hospitalization, home care, and inpatient services.

857.1 ~~(e)~~ (f) Physician services that are not separately billed may be included in the rate to the
857.2 extent that a psychiatrist, or other health care professional providing physician services
857.3 within their scope of practice, is a member of the intensive residential treatment services
857.4 treatment team. Physician services, whether billed separately or included in the rate, may
857.5 be delivered by telehealth. For purposes of this paragraph, "telehealth" has the meaning
857.6 given to "mental health telehealth" in section 256B.0625, subdivision 46, when telehealth
857.7 is used to provide intensive residential treatment services.

857.8 ~~(f)~~ (g) When services under this section are provided by an assertive community treatment
857.9 provider, case management functions must be an integral part of the team.

857.10 ~~(g)~~ (h) The rate for a provider must not exceed the rate charged by that provider for the
857.11 same service to other payors.

857.12 ~~(h)~~ (i) The rates for existing programs must be established prospectively based upon the
857.13 expenditures and utilization over a prior 12-month period using the criteria established in
857.14 paragraph ~~(e)~~ (d). The rates for new programs must be established based upon estimated
857.15 expenditures and estimated utilization using the criteria established in paragraph ~~(e)~~ (d).

857.16 ~~(i)~~ (j) Effective for the rate years beginning on and after January 1, 2024, rates for
857.17 assertive community treatment, adult residential crisis stabilization services, and intensive
857.18 residential treatment services must be annually adjusted for inflation using the Centers for
857.19 Medicare and Medicaid Services Medicare Economic Index, as forecasted in the fourth
857.20 quarter of the calendar year before the rate year. The inflation adjustment must be based on
857.21 the 12-month period from the midpoint of the previous rate year to the midpoint of the rate
857.22 year for which the rate is being determined.

857.23 ~~(j)~~ (k) Entities who discontinue providing services must be subject to a settle-up process
857.24 whereby actual costs and reimbursement for the previous 12 months are compared. In the
857.25 event that the entity was paid more than the entity's actual costs plus any applicable
857.26 performance-related funding due the provider, the excess payment must be reimbursed to
857.27 the department. If a provider's revenue is less than actual allowed costs due to lower
857.28 utilization than projected, the commissioner may reimburse the provider to recover its actual
857.29 allowable costs. The resulting adjustments by the commissioner must be proportional to the
857.30 percent of total units of service reimbursed by the commissioner and must reflect a difference
857.31 of greater than five percent.

857.32 ~~(k)~~ (l) A provider may request of the commissioner a review of any rate-setting decision
857.33 made under this subdivision.

858.1 **Sec. 7. PRIORITY ADMISSIONS REVIEW PANEL.**

858.2 (a) A panel appointed by the commissioner of human services, consisting of all members
858.3 who served on the Task Force on Priority Admissions to State-Operated Treatment Programs
858.4 under Laws 2023, chapter 61, article 8, section 13, subdivision 2, and one member who has
858.5 an active role as a union representative representing staff at Direct Care and Treatment

858.11 Statutes, section 253B.10, subdivision 1, paragraph (b), and develop policy and legislative
858.12 proposals related to the priority admissions timeline in order to minimize litigation costs,

858.19 subdivision 1, paragraph (b), to modify the 48-hour priority admissions timeline.

858.20 (b) The panel appointed under paragraph (a) must also advise the commissioner on the
858.21 effectiveness of the framework and priority admissions generally and review de-identified
858.22 data quarterly for one year following the implementation of the priority admissions
858.23 framework to ensure that the framework is implemented and applied equitably. If the panel
858.24 requests to review data that are classified as private or confidential and the commissioner
858.25 determines that the data requested are necessary for the scope of the panel's review, the
858.26 commissioner is authorized to disclose private or confidential data to the panel under this
858.27 paragraph and pursuant to Minnesota Statutes, section 13.05, subdivision 4, paragraph (b),
858.28 for private or confidential data collected prior to the effective date of this section.

858.29 (c) After the panel completes one year of review, a quality committee established by the
858.30 Direct Care and Treatment executive board must continue to review data; seek input from
858.31 counties, hospitals, community providers, and advocates; and provide a routine report to
858.32 the executive board on the effectiveness of the framework and priority admissions.

962.21 assistance reimbursement to teaching hospitals.

962.22 (c) For purposes of this subdivision, "teaching hospital" means any Minnesota hospital
962.23 with a Centers for Medicare and Medicaid Services designation of "teaching hospital" as
962.24 reported on form CMS-2552-10, worksheet S-2, line 56, that is eligible for reimbursement
962.25 under section 256.969, subdivision 2g.

962.26 (d) Notwithstanding paragraph (c), the following hospitals are exempt from paying the
962.27 surcharge under this section:

962.28 (1) all hospitals in Minnesota designated as a children's hospital under Medicare, including
962.29 Children's Health Care, doing business as Children's Minnesota, and Gillette Children's
962.30 Specialty Healthcare, doing business as Gillette Children's;

962.31 (2) teaching hospitals with three or fewer full-time equivalent trainees, based on a
962.32 Medicare cost report filed for the fiscal year ending in 2022;

963.1 (3) federal Indian Health Service facilities; and

963.2 (4) regional treatment centers.

963.3 (e) The teaching hospital surcharge established under this subdivision must only be
963.4 assessed if the annual inpatient supplemental payments under section 256.969, subdivision
963.5 2g, are approved by the Centers for Medicare and Medicaid Services.

963.6 (f) The commissioner must reduce the surcharge percentage in paragraph (a) such that
963.7 the aggregate amount collected from hospitals under this subdivision does not exceed the
963.8 total amount needed for the nonfederal share of the annual inpatient supplemental payments
963.9 authorized by section 256.969, subdivision 2g.

963.10 (g) For purposes of this subdivision, net patient revenue for inpatient services must be
963.11 calculated by:

963.12 (1) determining gross inpatient hospital facility charges from the hospital's audited
963.13 statements or, if not contained or segregated within the hospital's audited financial statements,
963.14 using detailed internal financial income statements or schedules; and

963.15 (2) subtracting from gross inpatient hospital facility charges:

963.16 (i) all professional fee charges, home health charges, skilled nursing facility charges,
963.17 hospice charges, end-stage renal disease charges, and other nonhospital charges; and

963.18 (ii) applicable contractual allowances.

963.19 (h) Teaching hospitals subject to the surcharge under this subdivision shall submit to
963.20 the commissioner, in the form and manner specified by the commissioner, all documentation
963.21 necessary to provide reconciliation of the net patient revenue calculation under paragraph
963.22 (b).

963.23 (i) This subdivision is effective on the later of July 1, 2025, or 60 days after the end of
963.24 the first legislative regular session that begins following federal approval for all of the
963.25 following: (1) the amendment in this act adding section 256.9657, subdivision 2a; (2) the
963.26 amendment in this act to section 256.969, subdivision 2b; and (3) the amendment in this
963.27 act adding section 256.969, subdivision 2g. The commissioner of human services shall
963.28 notify the revisor of statutes when federal approval is obtained.

963.29 (j) This subdivision is subject to the implementation requirements in section 9.

963.30 (k) This subdivision expires June 30, 2030, or five years after federal approval is obtained,
963.31 whichever is later.

964.1 Sec. 3. Minnesota Statutes 2023 Supplement, section 256.969, subdivision 2b, is amended
964.2 to read:

964.3 Subd. 2b. **Hospital payment rates.** (a) For discharges occurring on or after November
964.4 1, 2014, hospital inpatient services for hospitals located in Minnesota shall be paid according
964.5 to the following:

964.6 (1) critical access hospitals as defined by Medicare shall be paid using a cost-based
964.7 methodology;

964.8 (2) long-term hospitals as defined by Medicare shall be paid on a per diem methodology
964.9 under subdivision 25;

964.10 (3) rehabilitation hospitals or units of hospitals that are recognized as rehabilitation
964.11 distinct parts as defined by Medicare shall be paid according to the methodology under
964.12 subdivision 12; and

964.13 (4) all other hospitals shall be paid on a diagnosis-related group (DRG) methodology.

964.14 (b) For the period beginning January 1, 2011, through October 31, 2014, rates shall not
964.15 be rebased, except that a Minnesota long-term hospital shall be rebased effective January
964.16 1, 2011, based on its most recent Medicare cost report ending on or before September 1,
964.17 2008, with the provisions under subdivisions 9 and 23, based on the rates in effect on
964.18 December 31, 2010. For rate setting periods after November 1, 2014, in which the base
964.19 years are updated, a Minnesota long-term hospital's base year shall remain within the same
964.20 period as other hospitals.

964.21 (c) Effective for discharges occurring on and after November 1, 2014, payment rates
964.22 for hospital inpatient services provided by hospitals located in Minnesota or the local trade
964.23 area, except for the hospitals paid under the methodologies described in paragraph (a),
964.24 clauses (2) and (3), shall be rebased, incorporating cost and payment methodologies in a
964.25 manner similar to Medicare. The base year or years for the rates effective November 1,
964.26 2014, shall be calendar year 2012. The rebasing under this paragraph shall be budget neutral,
964.27 ensuring that the total aggregate payments under the rebased system are equal to the total
964.28 aggregate payments that were made for the same number and types of services in the base
964.29 year. Separate budget neutrality calculations shall be determined for payments made to
964.30 critical access hospitals and payments made to hospitals paid under the DRG system. Only
964.31 the rate increases or decreases under subdivision 3a or 3c that applied to the hospitals being
964.32 rebased during the entire base period shall be incorporated into the budget neutrality
964.33 calculation.

965.1 (d) For discharges occurring on or after November 1, 2014, through the next rebasing
965.2 that occurs, the rebased rates under paragraph (c) that apply to hospitals under paragraph
965.3 (a), clause (4), shall include adjustments to the projected rates that result in no greater than
965.4 a five percent increase or decrease from the base year payments for any hospital. Any
965.5 adjustments to the rates made by the commissioner under this paragraph and paragraph (e)
965.6 shall maintain budget neutrality as described in paragraph (c).

965.7 (e) For discharges occurring on or after November 1, 2014, the commissioner may make
965.8 additional adjustments to the rebased rates, and when evaluating whether additional
965.9 adjustments should be made, the commissioner shall consider the impact of the rates on the
965.10 following:

965.11 (1) pediatric services;

965.12 (2) behavioral health services;

965.13 (3) trauma services as defined by the National Uniform Billing Committee;

965.14 (4) transplant services;

965.15 (5) obstetric services, newborn services, and behavioral health services provided by
965.16 hospitals outside the seven-county metropolitan area;

965.17 (6) outlier admissions;

965.18 (7) low-volume providers; and

965.19 (8) services provided by small rural hospitals that are not critical access hospitals.

965.20 (f) Hospital payment rates established under paragraph (c) must incorporate the following:

965.21 (1) for hospitals paid under the DRG methodology, the base year payment rate per
965.22 admission is standardized by the applicable Medicare wage index and adjusted by the
965.23 hospital's disproportionate population adjustment;

965.24 (2) for critical access hospitals, payment rates for discharges between November 1, 2014,
965.25 and June 30, 2015, shall be set to the same rate of payment that applied for discharges on
965.26 October 31, 2014;

965.27 (3) the cost and charge data used to establish hospital payment rates must only reflect
965.28 inpatient services covered by medical assistance; and

965.29 (4) in determining hospital payment rates for discharges occurring on or after the rate
965.30 year beginning January 1, 2011, through December 31, 2012, the hospital payment rate per
965.31 discharge shall be based on the cost-finding methods and allowable costs of the Medicare

966.1 program in effect during the base year or years. In determining hospital payment rates for
 966.2 discharges in subsequent base years, the per discharge rates shall be based on the cost-finding
 966.3 methods and allowable costs of the Medicare program in effect during the base year or
 966.4 years.

966.5 (g) The commissioner shall validate the rates effective November 1, 2014, by applying
 966.6 the rates established under paragraph (c), and any adjustments made to the rates under
 966.7 paragraph (d) or (e), to hospital claims paid in calendar year 2013 to determine whether the
 966.8 total aggregate payments for the same number and types of services under the rebased rates
 966.9 are equal to the total aggregate payments made during calendar year 2013.

966.10 (h) Effective for discharges occurring on or after July 1, 2017, and every two years
 966.11 thereafter, payment rates under this section shall be rebased to reflect only those changes
 966.12 in hospital costs between the existing base year or years and the next base year or years. In
 966.13 any year that inpatient claims volume falls below the threshold required to ensure a
 966.14 statistically valid sample of claims, the commissioner may combine claims data from two
 966.15 consecutive years to serve as the base year. Years in which inpatient claims volume is
 966.16 reduced or altered due to a pandemic or other public health emergency shall not be used as
 966.17 a base year or part of a base year if the base year includes more than one year. Changes in
 966.18 costs between base years shall be measured using the lower of the hospital cost index defined
 966.19 in subdivision 1, paragraph (a), or the percentage change in the case mix adjusted cost per
 966.20 claim. The commissioner shall establish the base year for each rebasing period considering
 966.21 the most recent year or years for which filed Medicare cost reports are available, except
 966.22 that the base years for the rebasing effective July 1, 2023, are calendar years 2018 and 2019.
 966.23 The estimated change in the average payment per hospital discharge resulting from a
 966.24 scheduled rebasing must be calculated and made available to the legislature by January 15
 966.25 of each year in which rebasing is scheduled to occur, and must include by hospital the
 966.26 differential in payment rates compared to the individual hospital's costs.

966.27 (i) Effective for discharges occurring on or after July 1, 2015, inpatient payment rates
 966.28 for critical access hospitals located in Minnesota or the local trade area shall be determined
 966.29 using a new cost-based methodology. The commissioner shall establish within the
 966.30 methodology tiers of payment designed to promote efficiency and cost-effectiveness.
 966.31 Payment rates for hospitals under this paragraph shall be set at a level that does not exceed
 966.32 the total cost for critical access hospitals as reflected in base year cost reports. Until the
 966.33 next rebasing that occurs, the new methodology shall result in no greater than a five percent
 966.34 decrease from the base year payments for any hospital, except a hospital that had payments
 966.35 that were greater than 100 percent of the hospital's costs in the base year shall have their

967.1 rate set equal to 100 percent of costs in the base year. The rates paid for discharges on and
967.2 after July 1, 2016, covered under this paragraph shall be increased by the inflation factor
967.3 in subdivision 1, paragraph (a). The new cost-based rate shall be the final rate and shall not
967.4 be settled to actual incurred costs. Hospitals shall be assigned a payment tier based on the
967.5 following criteria:

967.6 (1) hospitals that had payments at or below 80 percent of their costs in the base year
967.7 shall have a rate set that equals 85 percent of their base year costs;

967.8 (2) hospitals that had payments that were above 80 percent, up to and including 90
967.9 percent of their costs in the base year shall have a rate set that equals 95 percent of their
967.10 base year costs; and

967.11 (3) hospitals that had payments that were above 90 percent of their costs in the base year
967.12 shall have a rate set that equals 100 percent of their base year costs.

967.13 (j) The commissioner may refine the payment tiers and criteria for critical access hospitals
967.14 to coincide with the next rebasing under paragraph (h). The factors used to develop the new
967.15 methodology may include, but are not limited to:

967.16 (1) the ratio between the hospital's costs for treating medical assistance patients and the
967.17 hospital's charges to the medical assistance program;

967.18 (2) the ratio between the hospital's costs for treating medical assistance patients and the
967.19 hospital's payments received from the medical assistance program for the care of medical
967.20 assistance patients;

967.21 (3) the ratio between the hospital's charges to the medical assistance program and the
967.22 hospital's payments received from the medical assistance program for the care of medical
967.23 assistance patients;

967.24 (4) the statewide average increases in the ratios identified in clauses (1), (2), and (3);

967.25 (5) the proportion of that hospital's costs that are administrative and trends in
967.26 administrative costs; and

967.27 (6) geographic location.

967.28 (k) Subject to subdivision 2g, effective for discharges occurring on or after January 1,
967.29 2024, the rates paid to hospitals described in paragraph (a), clauses (2) to (4), must include
967.30 a rate factor specific to each hospital that qualifies for a medical education and research
967.31 cost distribution under section 62J.692, subdivision 4, paragraph (a).

968.1 **EFFECTIVE DATE.** (a) This section is effective the later of July 1, 2025, or 60 days
968.2 after the end of the first legislative session that begins following federal approval of all of
968.3 the following:

968.4 (1) the amendment in this act to add Minnesota Statutes, section 256.9657, subdivision
968.5 2a;

968.6 (2) the amendments in this act to Minnesota Statutes, section 256.969, subdivision 2b;
968.7 and

968.8 (3) the amendment in this act to add Minnesota Statutes, section 256.969, subdivision
968.9 2g.

968.10 (b) The commissioner of human services shall notify the revisor of statutes when federal
968.11 approval is obtained.

968.12 Sec. 4. Minnesota Statutes 2022, section 256.969, is amended by adding a subdivision to
968.13 read:

968.14 Subd. 2g. **Annual supplemental payment for graduate medical education.** (a) The
968.15 commissioner and contracted managed care organizations shall annually pay an inpatient
968.16 supplemental payment to all eligible hospitals for graduate medical education. A hospital
968.17 must be an eligible hospital to receive an annual supplemental payment under this
968.18 subdivision. Payments under this subdivision must comply with all applicable federal
968.19 requirements and federal laws and meet the requirements of Code of Federal Regulations,
968.20 title 42, section 438.60.

968.21 (b) For purposes of this subdivision, "eligible hospital" means a hospital that:

968.22 (1) is located in Minnesota;

968.23 (2) participates in Minnesota's medical assistance program;

968.24 (3) has received fee-for-service medical assistance payments in the payment year; and

968.25 (4) is either:

968.26 (i) eligible to receive graduate medical education payments from the Medicare program
968.27 under Code of Federal Regulations, title 42, section 413.75; or

968.28 (ii) a hospital in Minnesota designated as a children's hospital under Medicare, including
968.29 Children's Health Care, doing business as Children's Minnesota, and Gillette Children's
968.30 Specialty Healthcare, doing business as Gillette Children's.

968.31 (c) The annual inpatient supplemental payment must be calculated as follows:

969.1 (1) \$425,000 per full-time equivalent trained for each of the first ten full-time equivalents
969.2 at a hospital;

969.3 (2) \$350,000 per full-time equivalent trained for each full-time equivalent between 11
969.4 and 20 full-time equivalents at a hospital;

969.5 (3) \$95,000 per full-time equivalent trained for each full-time equivalent between 21
969.6 and 30 full-time equivalents at a hospital;

969.7 (4) \$70,000 per full-time equivalent trained for each full-time equivalent between 31
969.8 and 400 full-time equivalents at a hospital; and

969.9 (5) \$50,000 per full-time equivalent trained for each full-time equivalent above 401
969.10 full-time equivalents at a hospital.

969.11 (d) The data source for the full-time equivalent trained under paragraph (c) must be the
969.12 Medicare cost report for the fiscal year ending in calendar year 2022. The full-time equivalent
969.13 is calculated by adding the two values populated on lines 10 and 11 on worksheet E, part
969.14 A, of the Medicare cost report for that year, except that for eligible hospitals that are children's
969.15 hospitals, the full-time equivalent is calculated based on interns and residents, as determined
969.16 by adding form CMS-2552-10, worksheet E-4, lines 6, 10.01, and 15.01, or its equivalent,
969.17 for that year.

969.18 (e) An eligible hospital must not accept any reimbursement under section 62J.692 if it
969.19 would result in payments in excess of eligible expenditures. The surcharge paid under section
969.20 256.9657, subdivision 2a, and the payment received under this section must be reported in
969.21 the application under section 62J.692.

969.22 (f) The supplemental payments under this subdivision:

969.23 (1) must not be included as public program revenue under section 62J.692; and

969.24 (2) must be deemed permissible pass-through payments for graduate medical education
969.25 under Code of Federal Regulations, title 42, section 438.6(d), or when the state makes
969.26 payments directly to teaching hospitals for graduate medical education costs approved under
969.27 the state plan under Code of Federal Regulations, title 42, section 438.60.

969.28 (g) The total aggregate state and federal supplemental payments for hospitals under this
969.29 subdivision must not exceed \$203,000,000 per year. The commissioner may reduce the
969.30 amount paid for each full-time equivalent, as described in paragraph (c), on an equal basis
969.31 to limit the total cost of all supplemental payments to the total dollar amounts available.

970.1 (h) This subdivision is effective the later of July 1, 2025, or 60 days after the end of the
970.2 first legislative regular session that begins following federal approval for all of the following:
970.3 (1) the amendment in this act adding section 256.9657, subdivision 2a; (2) the amendment
970.4 in this act to section 256.969, subdivision 2b; and (3) the amendment in this act to add
970.5 section 256.969, subdivision 2g. The commissioner of human services shall notify the revisor
970.6 of statutes when federal approval is obtained.

970.7 (i) This subdivision is subject to the implementation requirements in section 9.

970.8 (j) This subdivision expires June 30, 2030, or five years after federal approval is obtained,
970.9 whichever is later.

970.10 Sec. 5. Minnesota Statutes 2022, section 256.969, is amended by adding a subdivision to
970.11 read:

970.12 Subd. 32. **Biological products for cell and gene therapy.** (a) Effective July 1, 2025,
970.13 and upon necessary federal approval of documentation required to enter into a value-based
970.14 arrangement under section 256B.0625, subdivision 13k, the commissioner may provide
970.15 separate reimbursement to hospitals for biological products provided in the inpatient hospital
970.16 setting as part of cell or gene therapy to treat rare diseases, as defined in United States Code,
970.17 title 21, section 360bb, if the drug manufacturer enters into a value-based arrangement with
970.18 the commissioner.

970.19 (b) The commissioner shall establish the separate reimbursement rate for biological
970.20 products provided under paragraph (a) based on the methodology used for drugs administered
970.21 in an outpatient setting under section 256B.0625, subdivision 13e, paragraph (e).

970.22 **EFFECTIVE DATE.** This section is effective July 1, 2025.

970.23 Sec. 6. Minnesota Statutes 2023 Supplement, section 256B.0625, subdivision 13e, as
970.24 amended by Laws 2024, chapter 85, section 66, is amended to read:

970.25 Subd. 13e. **Payment rates.** (a) The basis for determining the amount of payment shall
970.26 be the lower of the ingredient costs of the drugs plus the professional dispensing fee; or the
970.27 usual and customary price charged to the public. The usual and customary price means the
970.28 lowest price charged by the provider to a patient who pays for the prescription by cash,
970.29 check, or charge account and includes prices the pharmacy charges to a patient enrolled in
970.30 a prescription savings club or prescription discount club administered by the pharmacy or
970.31 pharmacy chain. The amount of payment basis must be reduced to reflect all discount
970.32 amounts applied to the charge by any third-party provider/insurer agreement or contract for

971.1 submitted charges to medical assistance programs. The net submitted charge may not be
971.2 greater than the patient liability for the service. The professional dispensing fee shall be
971.3 ~~\$10.77~~ \$11.55 for prescriptions filled with legend drugs meeting the definition of "covered
971.4 outpatient drugs" according to United States Code, title 42, section 1396r-8(k)(2). The
971.5 dispensing fee for intravenous solutions that must be compounded by the pharmacist shall
971.6 be ~~\$10.77~~ \$11.55 per claim. The professional dispensing fee for prescriptions filled with
971.7 over-the-counter drugs meeting the definition of covered outpatient drugs shall be ~~\$10.77~~
971.8 \$11.55 for dispensed quantities equal to or greater than the number of units contained in
971.9 the manufacturer's original package. The professional dispensing fee shall be prorated based
971.10 on the percentage of the package dispensed when the pharmacy dispenses a quantity less
971.11 than the number of units contained in the manufacturer's original package. The pharmacy
971.12 dispensing fee for prescribed over-the-counter drugs not meeting the definition of covered
971.13 outpatient drugs shall be \$3.65 for quantities equal to or greater than the number of units
971.14 contained in the manufacturer's original package and shall be prorated based on the
971.15 percentage of the package dispensed when the pharmacy dispenses a quantity less than the
971.16 number of units contained in the manufacturer's original package. The National Average
971.17 Drug Acquisition Cost (NADAC) shall be used to determine the ingredient cost of a drug.
971.18 For drugs for which a NADAC is not reported, the commissioner shall estimate the ingredient
971.19 cost at the wholesale acquisition cost minus two percent. The ingredient cost of a drug for
971.20 a provider participating in the federal 340B Drug Pricing Program shall be either the 340B
971.21 Drug Pricing Program ceiling price established by the Health Resources and Services
971.22 Administration or NADAC, whichever is lower. Wholesale acquisition cost is defined as
971.23 the manufacturer's list price for a drug or biological to wholesalers or direct purchasers in
971.24 the United States, not including prompt pay or other discounts, rebates, or reductions in
971.25 price, for the most recent month for which information is available, as reported in wholesale
971.26 price guides or other publications of drug or biological pricing data. The maximum allowable
971.27 cost of a multisource drug may be set by the commissioner and it shall be comparable to
971.28 the actual acquisition cost of the drug product and no higher than the NADAC of the generic
971.29 product. Establishment of the amount of payment for drugs shall not be subject to the
971.30 requirements of the Administrative Procedure Act.

971.31 (b) Pharmacies dispensing prescriptions to residents of long-term care facilities using
971.32 an automated drug distribution system meeting the requirements of section 151.58, or a
971.33 packaging system meeting the packaging standards set forth in Minnesota Rules, part
971.34 6800.2700, that govern the return of unused drugs to the pharmacy for reuse, may employ
971.35 retrospective billing for prescription drugs dispensed to long-term care facility residents. A
971.36 retrospectively billing pharmacy must submit a claim only for the quantity of medication

972.1 used by the enrolled recipient during the defined billing period. A retrospectively billing
972.2 pharmacy must use a billing period not less than one calendar month or 30 days.

972.3 (c) A pharmacy provider using packaging that meets the standards set forth in Minnesota
972.4 Rules, part 6800.2700, is required to credit the department for the actual acquisition cost
972.5 of all unused drugs that are eligible for reuse, unless the pharmacy is using retrospective
972.6 billing. The commissioner may permit the drug clozapine to be dispensed in a quantity that
972.7 is less than a 30-day supply.

972.8 (d) If a pharmacy dispenses a multisource drug, the ingredient cost shall be the NADAC
972.9 of the generic product or the maximum allowable cost established by the commissioner
972.10 unless prior authorization for the brand name product has been granted according to the
972.11 criteria established by the Drug Formulary Committee as required by subdivision 13f,
972.12 paragraph (a), and the prescriber has indicated "dispense as written" on the prescription in
972.13 a manner consistent with section 151.21, subdivision 2.

972.14 (e) The basis for determining the amount of payment for drugs administered in an
972.15 outpatient setting shall be the lower of the usual and customary cost submitted by the
972.16 provider, 106 percent of the average sales price as determined by the United States
972.17 Department of Health and Human Services pursuant to title XVIII, section 1847a of the
972.18 federal Social Security Act, the specialty pharmacy rate, or the maximum allowable cost
972.19 set by the commissioner. If average sales price is unavailable, the amount of payment must
972.20 be lower of the usual and customary cost submitted by the provider, the wholesale acquisition
972.21 cost, the specialty pharmacy rate, or the maximum allowable cost set by the commissioner.
972.22 The commissioner shall discount the payment rate for drugs obtained through the federal
972.23 340B Drug Pricing Program by 28.6 percent. The payment for drugs administered in an
972.24 outpatient setting shall be made to the administering facility or practitioner. A retail or
972.25 specialty pharmacy dispensing a drug for administration in an outpatient setting is not
972.26 eligible for direct reimbursement.

972.27 (f) The commissioner may establish maximum allowable cost rates for specialty pharmacy
972.28 products that are lower than the ingredient cost formulas specified in paragraph (a). The
972.29 commissioner may require individuals enrolled in the health care programs administered
972.30 by the department to obtain specialty pharmacy products from providers with whom the
972.31 commissioner has negotiated lower reimbursement rates. Specialty pharmacy products are
972.32 defined as those used by a small number of recipients or recipients with complex and chronic
972.33 diseases that require expensive and challenging drug regimens. Examples of these conditions
972.34 include, but are not limited to: multiple sclerosis, HIV/AIDS, transplantation, hepatitis C,
972.35 growth hormone deficiency, Crohn's Disease, rheumatoid arthritis, and certain forms of

973.1 cancer. Specialty pharmaceutical products include injectable and infusion therapies,
973.2 biotechnology drugs, antihemophilic factor products, high-cost therapies, and therapies that
973.3 require complex care. The commissioner shall consult with the Formulary Committee to
973.4 develop a list of specialty pharmacy products subject to maximum allowable cost
973.5 reimbursement. In consulting with the Formulary Committee in developing this list, the
973.6 commissioner shall take into consideration the population served by specialty pharmacy
973.7 products, the current delivery system and standard of care in the state, and access to care
973.8 issues. The commissioner shall have the discretion to adjust the maximum allowable cost
973.9 to prevent access to care issues.

973.10 (g) Home infusion therapy services provided by home infusion therapy pharmacies must
973.11 be paid at rates according to subdivision 8d.

973.12 (h) The commissioner shall contract with a vendor to conduct a cost of dispensing survey
973.13 for all pharmacies that are physically located in the state of Minnesota that dispense outpatient
973.14 drugs under medical assistance. The commissioner shall ensure that the vendor has prior
973.15 experience in conducting cost of dispensing surveys. Each pharmacy enrolled with the
973.16 department to dispense outpatient prescription drugs to fee-for-service members must
973.17 respond to the cost of dispensing survey. The commissioner may sanction a pharmacy under
973.18 section 256B.064 for failure to respond. The commissioner shall require the vendor to
973.19 measure a single statewide cost of dispensing for specialty prescription drugs and a single
973.20 statewide cost of dispensing for nonspecialty prescription drugs for all responding pharmacies
973.21 to measure the mean, mean weighted by total prescription volume, mean weighted by
973.22 medical assistance prescription volume, median, median weighted by total prescription
973.23 volume, and median weighted by total medical assistance prescription volume. The
973.24 commissioner shall post a copy of the final cost of dispensing survey report on the
973.25 department's website. The initial survey must be completed no later than January 1, 2021,
973.26 and repeated every three years. The commissioner shall provide a summary of the results
973.27 of each cost of dispensing survey and provide recommendations for any changes to the
973.28 dispensing fee to the chairs and ranking minority members of the legislative committees
973.29 with jurisdiction over medical assistance pharmacy reimbursement. Notwithstanding section
973.30 256.01, subdivision 42, this paragraph does not expire.

973.31 (i) The commissioner shall increase the ingredient cost reimbursement calculated in
973.32 paragraphs (a) and (f) by 1.8 percent for prescription and nonprescription drugs subject to
973.33 the wholesale drug distributor tax under section 295.52.

973.34 **EFFECTIVE DATE.** This section is effective October 1, 2024.

974.1 Sec. 7. Minnesota Statutes 2023 Supplement, section 256B.0625, subdivision 13k, is
974.2 amended to read:

974.3 Subd. 13k. **Value-based purchasing arrangements.** (a) The commissioner may enter
974.4 into a value-based purchasing arrangement under medical assistance or MinnesotaCare, by
974.5 written arrangement with a drug manufacturer based on agreed-upon metrics. The
974.6 commissioner may contract with a vendor to implement and administer the value-based
974.7 purchasing arrangement. A value-based purchasing arrangement may include but is not
974.8 limited to rebates, discounts, price reductions, risk sharing, reimbursements, guarantees,
974.9 shared savings payments, withholds, or bonuses. A value-based purchasing arrangement
974.10 must provide at least the same value or discount in the aggregate as would claiming the
974.11 mandatory federal drug rebate under the Federal Social Security Act, section 1927.

974.12 (b) Nothing in this section shall be interpreted as requiring a drug manufacturer or the
974.13 commissioner to enter into an arrangement as described in paragraph (a).

974.14 (c) Nothing in this section shall be interpreted as altering or modifying medical assistance
974.15 coverage requirements under the federal Social Security Act, section 1927.

974.16 (d) If the commissioner determines that a state plan amendment is necessary before
974.17 implementing a value-based purchasing arrangement, the commissioner shall request the
974.18 amendment and may delay implementing this provision until the amendment is approved.

974.19 (e) The commissioner may provide separate reimbursement to hospitals for drugs provided
974.20 in the inpatient hospital setting as part of a value-based purchasing arrangement. This
974.21 payment must be separate from the diagnostic related group reimbursement for the inpatient
974.22 admission or discharge associated with a stay during which the patient received a drug under
974.23 this section. For payments made under this section, the hospital must not be reimbursed for
974.24 the drug under the payment methodology in section 256.969. The commissioner shall
974.25 establish the separate reimbursement rate for drugs provided under this section based on
974.26 the methodology used for drugs administered in an outpatient setting under section
974.27 256B.0625, subdivision 13e, paragraph (e).

974.28 **EFFECTIVE DATE.** This section is effective upon federal approval. The commissioner
974.29 of human services shall notify the revisor of statutes when federal approval is obtained.

974.30 Sec. 8. Minnesota Statutes 2023 Supplement, section 256L.04, subdivision 10, is amended
974.31 to read:

974.32 Subd. 10. **Citizenship requirements.** (a) Eligibility for MinnesotaCare is available to
974.33 citizens or nationals of the United States; lawfully present noncitizens as defined in Code

975.1 of Federal Regulations, ~~title 8, section 103.12~~ title 45, section 155.20; and undocumented
975.2 noncitizens. For purposes of this subdivision, an undocumented noncitizen is an individual
975.3 who resides in the United States without the approval or acquiescence of the United States
975.4 Citizenship and Immigration Services. Families with children who are citizens or nationals
975.5 of the United States must cooperate in obtaining satisfactory documentary evidence of
975.6 citizenship or nationality according to the requirements of the federal Deficit Reduction
975.7 Act of 2005, Public Law 109-171.

975.8 (b) Notwithstanding subdivisions 1 and 7, eligible persons include families and
975.9 individuals who are ineligible for medical assistance by reason of immigration status and
975.10 who have incomes equal to or less than 200 percent of federal poverty guidelines, except
975.11 that these persons may be eligible for emergency medical assistance under section 256B.06,
975.12 subdivision 4.

975.13 **EFFECTIVE DATE.** This section is effective November 1, 2024.

975.14 **Sec. 9. IMPLEMENTATION OF TEACHING HOSPITAL SURCHARGE AND**
975.15 **GRADUATE MEDICAL EDUCATION SUPPLEMENTAL PAYMENT.**

975.16 (a) The commissioner of human services shall submit to the Centers for Medicare and
975.17 Medicaid Services a request for federal approval to implement the teaching hospital surcharge
975.18 under Minnesota Statutes, section 256.9657, subdivision 2a, and the graduate medical
975.19 education supplemental payments under Minnesota Statutes, section 256.969, subdivisions
975.20 2b and 2g. At least 60 days before submitting the request for approval, the commissioner
975.21 of human services shall make available to the public the draft surcharge requirements, draft
975.22 supplemental payment rates, and an estimate of each nonexempt hospital's surcharge amount.
975.23 The commissioner shall provide at least 60 days for public comment.

975.24 (b) During the design, and prior to submission, of the request for approval described in
975.25 paragraph (a), the commissioner must consult with representatives of eligible hospitals, as
975.26 defined in Minnesota Statutes, section 256.969, subdivision 2g.

975.27 (c) If federal approval is received under paragraph (a), the commissioner shall provide
975.28 a 30-day public comment period on the federally approved terms and conditions for the
975.29 surcharge and supplemental payments. If, during the 30-day comment period, the
975.30 commissioner receives a documented, written statement of opposition from representatives
975.31 of one or more eligible hospitals, as defined in Minnesota Statutes, section 256.9657,
975.32 subdivision 2a, the commissioner shall publish the written statement and indefinitely suspend
975.33 implementation of both the teaching hospital surcharge under Minnesota Statutes, section

976.1 256.9657, subdivision 2a, and the supplemental payments under Minnesota Statutes, section
976.2 256.969, subdivisions 2b and 2g.

976.3 (d) By December 15, 2024, the commissioner of health may make recommendations to
976.4 the legislature for program modifications and conforming amendments to Minnesota Statutes,
976.5 section 62J.692, that are necessary as a result of the amendments to Minnesota Statutes,
976.6 section 256.969, subdivisions 2b and 2g. In developing the recommendations under this
976.7 paragraph, the commissioner of health must consult with eligible hospitals, as defined in
976.8 Minnesota Statutes, section 256.969, subdivision 2g.

976.9 **EFFECTIVE DATE.** This section is effective the day following final enactment.

976.10 Sec. 10. **COUNTY-ADMINISTERED RURAL MEDICAL ASSISTANCE MODEL.**

976.11 Subdivision 1. **Model development.** (a) The commissioner of human services, in
976.12 collaboration with the Association of Minnesota Counties and county-based purchasing
976.13 plans, shall develop a county-administered rural medical assistance (CARMA) model and
976.14 a detailed plan for implementing the CARMA model.

976.15 (b) The CARMA model must be designed to achieve the following objectives:

976.16 (1) provide a distinct county owned and administered alternative to the prepaid medical
976.17 assistance program;

976.18 (2) facilitate greater integration of health care and social services to address social
976.19 determinants of health in rural communities, with the degree of integration of social services
976.20 varying with each county's needs and resources;

976.21 (3) account for the smaller number of medical assistance enrollees and locally available
976.22 providers of behavioral health, oral health, specialty and tertiary care, nonemergency medical
976.23 transportation, and other health care services in rural communities; and

976.24 (4) promote greater accountability for health outcomes, health equity, customer service,
976.25 community outreach, and cost of care.

976.26 Subd. 2. **County participation.** The CARMA model must give each rural county the
976.27 option of applying to participate in the CARMA model as an alternative to participation in
976.28 the prepaid medical assistance program. The CARMA model must include a process for
976.29 the commissioner to determine whether and how a rural county can participate.

976.30 Subd. 3. **Report to the legislature.** (a) The commissioner shall report recommendations
976.31 and an implementation plan for the CARMA model to the chairs and ranking minority
976.32 members of the legislative committees with jurisdiction over health care policy and finance

977.1 by January 15, 2025. The CARMA model and implementation plan must address the issues
977.2 and consider the recommendations identified in the document titled "Recommendations
977.3 Not Contingent on Outcome(s) of Current Litigation," attached to the September 13, 2022,
977.4 e-filing to the Second Judicial District Court (Correspondence for Judicial Approval Index
977.5 #102), that relates to the final contract decisions of the commissioner of human services
977.6 regarding *South Country Health Alliance v. Minnesota Department of Human Services*, No.
977.7 62-CV-22-907 (Ramsey Cnty. Dist. Ct. 2022).

977.8 (b) The report must also identify the clarifications, approvals, and waivers that are needed
977.9 from the Centers for Medicare and Medicaid Services and include any draft legislation
977.10 necessary to implement the CARMA model.

977.11 **ARTICLE 55**

977.24 62M.072; 62M.09; 62M.10; 62M.12; 62M.17, subdivision 2; and 62M.18.

977.25 Sec. 2. Minnesota Statutes 2023 Supplement, section 256.0471, subdivision 1, as amended
977.26 by Laws 2024, chapter 80, article 1, section 76, is amended to read:

977.27 Subdivision 1. **Qualifying overpayment.** Any overpayment for state-funded medical
977.28 assistance under chapter 256B and state-funded MinnesotaCare under chapter 256L granted
977.29 pursuant to section 256.045, subdivision 10; ~~chapter 256B for state-funded medical~~
977.30 assistance; and for assistance granted under chapters 256D, 256I, and 256K, and 256L for

977.32 of law 90 days after the notice of overpayment is personally served upon the recipient in a

978.1 manner that is sufficient under rule 4.03(a) of the Rules of Civil Procedure for district courts,
978.2 or by certified mail, return receipt requested. This judgment shall be entitled to full faith
978.3 and credit in this and any other state.

978.11 ~~expires January 1, 2032.~~

978.12 ~~(b)~~ (a) The surcharge shall be adjusted by inflationary and caseload changes in future
978.13 bienniums to maintain reimbursement of health care providers in accordance with the
978.14 requirements of the state and federal laws governing the medical assistance program,
978.15 including the requirements of the Medicaid moratorium amendments of 1991 found in
978.16 Public Law No. 102-234.

978.17 ~~(e)~~ (b) The commissioner shall request the Minnesota congressional delegation to support
978.18 a change in federal law that would prohibit federal disallowances for any state that makes
978.19 a good faith effort to comply with Public Law 102-234 by enacting conforming legislation
978.20 prior to the issuance of federal implementing regulations.

978.21 Sec. 4. Minnesota Statutes 2022, section 256.969, is amended by adding a subdivision to
978.22 read:

978.23 Subd. 2h. **Alternate inpatient payment rate for a discharge.** (a) Effective retroactively
978.24 from January 1, 2024, in any rate year in which a children's hospital discharge is included

978.26 discharged had resided in a children's hospital for over 20 years, the commissioner shall
978.27 compute an alternate inpatient rate for the children's hospital. The alternate payment rate
978.28 must be the rate computed under this section excluding the disproportionate share hospital
978.29 payment under subdivision 9, paragraph (d), clause (1), increased by an amount equal to
978.30 99 percent of what the disproportionate share hospital payment would have been under
978.31 subdivision 9, paragraph (d), clause (1), had the discharge been excluded.

979.1 (b) In any rate year in which payment to a children's hospital is made using this alternate
979.2 payment rate, payments must not be made to the hospital under subdivisions 2e, 2f, and 9.

979.3 **EFFECTIVE DATE.** This section is effective upon federal approval. The commissioner
979.4 of human services shall notify the revisor of statutes when federal approval is obtained.

979.5 Sec. 5. Minnesota Statutes 2022, section 256B.056, subdivision 1a, is amended to read:

979.6 Subd. 1a. **Income and assets generally.** (a)(1) Unless specifically required by state law
979.7 or rule or federal law or regulation, the methodologies used in counting income and assets
979.8 to determine eligibility for medical assistance for persons whose eligibility category is based
979.9 on blindness, disability, or age of 65 or more years, the methodologies for the Supplemental
979.10 Security Income program shall be used, except as provided ~~under~~ in clause (2) and
979.11 subdivision 3, paragraph (a), clause (6).

979.12 (2) State tax credits, rebates, and refunds must not be counted as income. State tax credits,
979.13 rebates, and refunds must not be counted as assets for a period of 12 months after the month
979.14 of receipt.

979.15 ~~(2)~~ (3) Increases in benefits under title II of the Social Security Act shall not be counted
979.16 as income for purposes of this subdivision until July 1 of each year. Effective upon federal
979.17 approval, for children eligible under section 256B.055, subdivision 12, or for home and
979.18 community-based waiver services whose eligibility for medical assistance is determined
979.19 without regard to parental income, child support payments, including any payments made
979.20 by an obligor in satisfaction of or in addition to a temporary or permanent order for child
979.21 support, and Social Security payments are not counted as income.

979.22 (b)(1) The modified adjusted gross income methodology as defined in United States
979.23 Code, title 42, section 1396a(e)(14), shall be used for eligibility categories based on:

979.24 (i) children under age 19 and their parents and relative caretakers as defined in section
979.25 256B.055, subdivision 3a;

979.26 (ii) children ages 19 to 20 as defined in section 256B.055, subdivision 16;

979.27 (iii) pregnant women as defined in section 256B.055, subdivision 6;

979.28 (iv) infants as defined in sections 256B.055, subdivision 10, and 256B.057, subdivision
979.29 1; and

979.30 (v) adults without children as defined in section 256B.055, subdivision 15.

979.31 For these purposes, a "methodology" does not include an asset or income standard, or
979.32 accounting method, or method of determining effective dates.

980.1 (2) For individuals whose income eligibility is determined using the modified adjusted
980.2 gross income methodology in clause (1):

980.3 (i) the commissioner shall subtract from the individual's modified adjusted gross income
980.4 an amount equivalent to five percent of the federal poverty guidelines; and

980.5 (ii) the individual's current monthly income and household size is used to determine
980.6 eligibility for the 12-month eligibility period. If an individual's income is expected to vary
980.7 month to month, eligibility is determined based on the income predicted for the 12-month
980.8 eligibility period.

980.9 **EFFECTIVE DATE.** This section is effective the day following final enactment.

980.10 Sec. 6. Minnesota Statutes 2022, section 256B.056, subdivision 10, is amended to read:

980.11 Subd. 10. **Eligibility verification.** (a) The commissioner shall require women who are
980.12 applying for the continuation of medical assistance coverage following the end of the
980.13 12-month postpartum period to update their income and asset information and to submit
980.14 any required income or asset verification.

980.15 (b) The commissioner shall determine the eligibility of private-sector health care coverage
980.16 for infants less than one year of age eligible under section 256B.055, subdivision 10, or
980.17 256B.057, subdivision 1, paragraph (c), and shall pay for private-sector coverage if this is
980.18 determined to be cost-effective.

980.19 (c) The commissioner shall verify assets and income for all applicants, and for all
980.20 recipients upon renewal.

980.21 (d) The commissioner shall utilize information obtained through the electronic service
980.22 established by the secretary of the United States Department of Health and Human Services
980.23 and other available electronic data sources in Code of Federal Regulations, title 42, sections
980.24 435.940 to 435.956, to verify eligibility requirements. The commissioner shall establish
980.25 standards to define when information obtained electronically is reasonably compatible with
980.26 information provided by applicants and enrollees, including use of self-attestation, to
980.27 accomplish real-time eligibility determinations and maintain program integrity.

980.28 (e) Each person applying for or receiving medical assistance under section 256B.055,
980.29 subdivision 7, and any other person whose resources are required by law to be disclosed to
980.30 determine the applicant's or recipient's eligibility must authorize the commissioner to obtain
980.31 information from financial institutions to ~~identify unreported accounts~~ verify assets as
980.32 required in section 256.01, subdivision 18f. If a person refuses or revokes the authorization,
980.33 the commissioner may determine that the applicant or recipient is ineligible for medical

981.1 assistance. For purposes of this paragraph, an authorization to ~~identify unreported accounts~~
981.2 verify assets meets the requirements of the Right to Financial Privacy Act, United States
981.3 Code, title 12, chapter 35, and need not be furnished to the financial institution.

981.4 (f) County and tribal agencies shall comply with the standards established by the
981.5 commissioner for appropriate use of the asset verification system specified in section 256.01,
981.6 subdivision 18f.

981.7 Sec. 7. Minnesota Statutes 2023 Supplement, section 256B.0622, subdivision 8, is amended
981.8 to read:

981.9 Subd. 8. **Medical assistance payment for assertive community treatment and**
981.10 **intensive residential treatment services.** (a) Payment for intensive residential treatment
981.11 services and assertive community treatment in this section shall be based on one daily rate
981.12 per provider inclusive of the following services received by an eligible client in a given
981.13 calendar day: all rehabilitative services under this section, staff travel time to provide
981.14 rehabilitative services under this section, and nonresidential crisis stabilization services
981.15 under section 256B.0624.

981.16 (b) Except as indicated in paragraph (c), payment will not be made to more than one
981.17 entity for each client for services provided under this section on a given day. If services
981.18 under this section are provided by a team that includes staff from more than one entity, the
981.19 team must determine how to distribute the payment among the members.

981.20 (c) The commissioner shall determine one rate for each provider that will bill medical
981.21 assistance for residential services under this section and one rate for each assertive community
981.22 treatment provider. If a single entity provides both services, one rate is established for the
981.23 entity's residential services and another rate for the entity's nonresidential services under
981.24 this section. A provider is not eligible for payment under this section without authorization
981.25 from the commissioner. The commissioner shall develop rates using the following criteria:

981.26 (1) the provider's cost for services shall include direct services costs, other program
981.27 costs, and other costs determined as follows:

981.28 (i) the direct services costs must be determined using actual costs of salaries, benefits,
981.29 payroll taxes, and training of direct service staff and service-related transportation;

981.30 (ii) other program costs not included in item (i) must be determined as a specified
981.31 percentage of the direct services costs as determined by item (i). The percentage used shall
981.32 be determined by the commissioner based upon the average of percentages that represent

982.1 the relationship of other program costs to direct services costs among the entities that provide
982.2 similar services;

982.3 (iii) physical plant costs calculated based on the percentage of space within the program
982.4 that is entirely devoted to treatment and programming. This does not include administrative
982.5 or residential space;

982.6 (iv) assertive community treatment physical plant costs must be reimbursed as part of
982.7 the costs described in item (ii); and

982.8 (v) subject to federal approval, up to an additional five percent of the total rate may be
982.9 added to the program rate as a quality incentive based upon the entity meeting performance
982.10 criteria specified by the commissioner;

982.11 (2) actual cost is defined as costs which are allowable, allocable, and reasonable, and
982.12 consistent with federal reimbursement requirements under Code of Federal Regulations,
982.13 title 48, chapter 1, part 31, relating to for-profit entities, and Office of Management and
982.14 Budget Circular Number A-122, relating to nonprofit entities;

982.15 (3) the number of service units;

982.16 (4) the degree to which clients will receive services other than services under this section;
982.17 and

982.18 (5) the costs of other services that will be separately reimbursed.

982.19 (d) The rate for intensive residential treatment services and assertive community treatment
982.20 must exclude the medical assistance room and board rate, as defined in section 256B.056,
982.21 subdivision 5d, and services not covered under this section, such as partial hospitalization,
982.22 home care, and inpatient services.

982.23 (e) Physician services that are not separately billed may be included in the rate to the
982.24 extent that a psychiatrist, or other health care professional providing physician services
982.25 within their scope of practice, is a member of the intensive residential treatment services
982.26 treatment team. Physician services, whether billed separately or included in the rate, may
982.27 be delivered by telehealth. For purposes of this paragraph, "telehealth" has the meaning
982.28 given to "mental health telehealth" in section 256B.0625, subdivision 46, when telehealth
982.29 is used to provide intensive residential treatment services.

982.30 (f) When services under this section are provided by an assertive community treatment
982.31 provider, case management functions must be an integral part of the team.

983.1 (g) The rate for a provider must not exceed the rate charged by that provider for the
983.2 same service to other payors.

983.3 (h) The rates for existing programs must be established prospectively based upon the
983.4 expenditures and utilization over a prior 12-month period using the criteria established in
983.5 paragraph (c). The rates for new programs must be established based upon estimated
983.6 expenditures and estimated utilization using the criteria established in paragraph (c).

983.7 (i) Effective for the rate years beginning on and after January 1, 2024, rates for assertive
983.8 community treatment, adult residential crisis stabilization services, and intensive residential
983.9 treatment services must be annually adjusted for inflation using the Centers for Medicare
983.10 and Medicaid Services Medicare Economic Index, as forecasted in the ~~fourth~~ third quarter
983.11 of the calendar year before the rate year. The inflation adjustment must be based on the
983.12 12-month period from the midpoint of the previous rate year to the midpoint of the rate year
983.13 for which the rate is being determined.

983.14 (j) Entities who discontinue providing services must be subject to a settle-up process
983.15 whereby actual costs and reimbursement for the previous 12 months are compared. In the
983.16 event that the entity was paid more than the entity's actual costs plus any applicable
983.17 performance-related funding due the provider, the excess payment must be reimbursed to
983.18 the department. If a provider's revenue is less than actual allowed costs due to lower
983.19 utilization than projected, the commissioner may reimburse the provider to recover its actual
983.20 allowable costs. The resulting adjustments by the commissioner must be proportional to the
983.21 percent of total units of service reimbursed by the commissioner and must reflect a difference
983.22 of greater than five percent.

983.23 (k) A provider may request of the commissioner a review of any rate-setting decision
983.24 made under this subdivision.

983.25 Sec. 8. Minnesota Statutes 2023 Supplement, section 256B.0625, subdivision 9, is amended
983.26 to read:

983.27 Subd. 9. **Dental services.** (a) Medical assistance covers medically necessary dental
983.28 services.

983.29 (b) The following guidelines apply to dental services:

983.30 (1) posterior fillings are paid at the amalgam rate;

983.31 (2) application of sealants are covered once every five years per permanent molar; and

983.32 (3) application of fluoride varnish is covered once every six months.

984.1 (c) In addition to the services specified in paragraph ~~(b)~~ (a), medical assistance covers
984.2 the following services:

984.3 (1) house calls or extended care facility calls for on-site delivery of covered services;

984.4 (2) behavioral management when additional staff time is required to accommodate
984.5 behavioral challenges and sedation is not used;

984.6 (3) oral or IV sedation, if the covered dental service cannot be performed safely without
984.7 it or would otherwise require the service to be performed under general anesthesia in a
984.8 hospital or surgical center; and

984.9 (4) prophylaxis, in accordance with an appropriate individualized treatment plan, but
984.10 no more than four times per year.

984.11 (d) The commissioner shall not require prior authorization for the services included in
984.12 paragraph (c), clauses (1) to (3), and shall prohibit managed care and county-based purchasing
984.13 plans from requiring prior authorization for the services included in paragraph (c), clauses
984.14 (1) to (3), when provided under sections 256B.69, 256B.692, and 256L.12.

984.15 **EFFECTIVE DATE.** This section is effective the day following final enactment.

984.16 Sec. 9. Minnesota Statutes 2023 Supplement, section 256B.0625, subdivision 13e, as
984.17 amended by Laws 2024, chapter 85, section 66, is amended to read:

984.18 Subd. 13e. **Payment rates.** (a) The basis for determining the amount of payment shall
984.19 be the lower of the ingredient costs of the drugs plus the professional dispensing fee; or the
984.20 usual and customary price charged to the public. The usual and customary price means the
984.21 lowest price charged by the provider to a patient who pays for the prescription by cash,
984.22 check, or charge account and includes prices the pharmacy charges to a patient enrolled in
984.23 a prescription savings club or prescription discount club administered by the pharmacy or
984.24 pharmacy chain, unless the prescription savings club or prescription discount club is one
984.25 in which an individual pays a recurring monthly access fee for unlimited access to a defined
984.26 list of drugs for which the pharmacy does not bill the member or a payer on a
984.27 per-standard-transaction basis. The amount of payment basis must be reduced to reflect all
984.28 discount amounts applied to the charge by any third-party provider/insurer agreement or
984.29 contract for submitted charges to medical assistance programs. The net submitted charge
984.30 may not be greater than the patient liability for the service. The professional dispensing fee
984.31 shall be \$10.77 for prescriptions filled with legend drugs meeting the definition of "covered
984.32 outpatient drugs" according to United States Code, title 42, section 1396r-8(k)(2). The
984.33 dispensing fee for intravenous solutions that must be compounded by the pharmacist shall

985.1 be \$10.77 per claim. The professional dispensing fee for prescriptions filled with
985.2 over-the-counter drugs meeting the definition of covered outpatient drugs shall be \$10.77
985.3 for dispensed quantities equal to or greater than the number of units contained in the
985.4 manufacturer's original package. The professional dispensing fee shall be prorated based
985.5 on the percentage of the package dispensed when the pharmacy dispenses a quantity less
985.6 than the number of units contained in the manufacturer's original package. The pharmacy
985.7 dispensing fee for prescribed over-the-counter drugs not meeting the definition of covered
985.8 outpatient drugs shall be \$3.65 for quantities equal to or greater than the number of units
985.9 contained in the manufacturer's original package and shall be prorated based on the
985.10 percentage of the package dispensed when the pharmacy dispenses a quantity less than the
985.11 number of units contained in the manufacturer's original package. The National Average
985.12 Drug Acquisition Cost (NADAC) shall be used to determine the ingredient cost of a drug.
985.13 For drugs for which a NADAC is not reported, the commissioner shall estimate the ingredient
985.14 cost at the wholesale acquisition cost minus two percent. The ingredient cost of a drug for
985.15 a provider participating in the federal 340B Drug Pricing Program shall be either the 340B
985.16 Drug Pricing Program ceiling price established by the Health Resources and Services
985.17 Administration or NADAC, whichever is lower. Wholesale acquisition cost is defined as
985.18 the manufacturer's list price for a drug or biological to wholesalers or direct purchasers in
985.19 the United States, not including prompt pay or other discounts, rebates, or reductions in
985.20 price, for the most recent month for which information is available, as reported in wholesale
985.21 price guides or other publications of drug or biological pricing data. The maximum allowable
985.22 cost of a multisource drug may be set by the commissioner and it shall be comparable to
985.23 the actual acquisition cost of the drug product and no higher than the NADAC of the generic
985.24 product. Establishment of the amount of payment for drugs shall not be subject to the
985.25 requirements of the Administrative Procedure Act.

985.26 (b) Pharmacies dispensing prescriptions to residents of long-term care facilities using
985.27 an automated drug distribution system meeting the requirements of section 151.58, or a
985.28 packaging system meeting the packaging standards set forth in Minnesota Rules, part
985.29 6800.2700, that govern the return of unused drugs to the pharmacy for reuse, may employ
985.30 retrospective billing for prescription drugs dispensed to long-term care facility residents. A
985.31 retrospectively billing pharmacy must submit a claim only for the quantity of medication
985.32 used by the enrolled recipient during the defined billing period. A retrospectively billing
985.33 pharmacy must use a billing period not less than one calendar month or 30 days.

985.34 (c) A pharmacy provider using packaging that meets the standards set forth in Minnesota
985.35 Rules, part 6800.2700, is required to credit the department for the actual acquisition cost

986.1 of all unused drugs that are eligible for reuse, unless the pharmacy is using retrospective
 986.2 billing. The commissioner may permit the drug clozapine to be dispensed in a quantity that
 986.3 is less than a 30-day supply.

986.4 (d) If a pharmacy dispenses a multisource drug, the ingredient cost shall be the NADAC
 986.5 of the generic product or the maximum allowable cost established by the commissioner
 986.6 unless prior authorization for the brand name product has been granted according to the
 986.7 criteria established by the Drug Formulary Committee as required by subdivision 13f,
 986.8 paragraph (a), and the prescriber has indicated "dispense as written" on the prescription in
 986.9 a manner consistent with section 151.21, subdivision 2.

986.10 (e) The basis for determining the amount of payment for drugs administered in an
 986.11 outpatient setting shall be the lower of the usual and customary cost submitted by the
 986.12 provider, 106 percent of the average sales price as determined by the United States
 986.13 Department of Health and Human Services pursuant to title XVIII, section 1847a of the
 986.14 federal Social Security Act, the specialty pharmacy rate, or the maximum allowable cost
 986.15 set by the commissioner. If average sales price is unavailable, the amount of payment must
 986.16 be lower of the usual and customary cost submitted by the provider, the wholesale acquisition
 986.17 cost, the specialty pharmacy rate, or the maximum allowable cost set by the commissioner.
 986.18 The commissioner shall discount the payment rate for drugs obtained through the federal
 986.19 340B Drug Pricing Program by 28.6 percent. The payment for drugs administered in an
 986.20 outpatient setting shall be made to the administering facility or practitioner. A retail or
 986.21 specialty pharmacy dispensing a drug for administration in an outpatient setting is not
 986.22 eligible for direct reimbursement.

986.23 (f) The commissioner may establish maximum allowable cost rates for specialty pharmacy
 986.24 products that are lower than the ingredient cost formulas specified in paragraph (a). The
 986.25 commissioner may require individuals enrolled in the health care programs administered
 986.26 by the department to obtain specialty pharmacy products from providers with whom the
 986.27 commissioner has negotiated lower reimbursement rates. Specialty pharmacy products are
 986.28 defined as those used by a small number of recipients or recipients with complex and chronic
 986.29 diseases that require expensive and challenging drug regimens. Examples of these conditions
 986.30 include, but are not limited to: multiple sclerosis, HIV/AIDS, transplantation, hepatitis C,
 986.31 growth hormone deficiency, Crohn's Disease, rheumatoid arthritis, and certain forms of
 986.32 cancer. Specialty pharmaceutical products include injectable and infusion therapies,
 986.33 biotechnology drugs, antihemophilic factor products, high-cost therapies, and therapies that
 986.34 require complex care. The commissioner shall consult with the Formulary Committee to
 986.35 develop a list of specialty pharmacy products subject to maximum allowable cost

987.1 reimbursement. In consulting with the Formulary Committee in developing this list, the
987.2 commissioner shall take into consideration the population served by specialty pharmacy
987.3 products, the current delivery system and standard of care in the state, and access to care
987.4 issues. The commissioner shall have the discretion to adjust the maximum allowable cost
987.5 to prevent access to care issues.

987.6 (g) Home infusion therapy services provided by home infusion therapy pharmacies must
987.7 be paid at rates according to subdivision 8d.

987.8 (h) The commissioner shall contract with a vendor to conduct a cost of dispensing survey
987.9 for all pharmacies that are physically located in the state of Minnesota that dispense outpatient
987.10 drugs under medical assistance. The commissioner shall ensure that the vendor has prior
987.11 experience in conducting cost of dispensing surveys. Each pharmacy enrolled with the
987.12 department to dispense outpatient prescription drugs to fee-for-service members must
987.13 respond to the cost of dispensing survey. The commissioner may sanction a pharmacy under
987.14 section 256B.064 for failure to respond. The commissioner shall require the vendor to
987.15 measure a single statewide cost of dispensing for specialty prescription drugs and a single
987.16 statewide cost of dispensing for nonspecialty prescription drugs for all responding pharmacies
987.17 to measure the mean, mean weighted by total prescription volume, mean weighted by
987.18 medical assistance prescription volume, median, median weighted by total prescription
987.19 volume, and median weighted by total medical assistance prescription volume. The
987.20 commissioner shall post a copy of the final cost of dispensing survey report on the
987.21 department's website. The initial survey must be completed no later than January 1, 2021,
987.22 and repeated every three years. The commissioner shall provide a summary of the results
987.23 of each cost of dispensing survey and provide recommendations for any changes to the
987.24 dispensing fee to the chairs and ranking minority members of the legislative committees
987.25 with jurisdiction over medical assistance pharmacy reimbursement. Notwithstanding section
987.26 256.01, subdivision 42, this paragraph does not expire.

987.27 (i) The commissioner shall increase the ingredient cost reimbursement calculated in
987.28 paragraphs (a) and (f) by 1.8 percent for prescription and nonprescription drugs subject to
987.29 the wholesale drug distributor tax under section 295.52.

987.30 Sec. 10. Minnesota Statutes 2022, section 256B.0625, is amended by adding a subdivision
987.31 to read:

987.32 Subd. 25c. **Applicability of utilization review provisions.** Effective January 1, 2026,
987.33 the following provisions of chapter 62M apply to the commissioner when delivering services
987.34 under chapters 256B and 256L: 62M.02, subdivisions 1 to 5, 7 to 12, 13, 14 to 18, and 21;

988.1 62M.04; 62M.05, subdivisions 1 to 4; 62M.06, subdivisions 1 to 3; 62M.07; 62M.072;
988.2 62M.09; 62M.10; 62M.12; 62M.17, subdivision 2; and 62M.18.

988.3 Sec. 11. Minnesota Statutes 2023 Supplement, section 256B.0701, subdivision 6, is
988.4 amended to read:

988.5 Subd. 6. **Recuperative care facility rate.** (a) The recuperative care facility rate is for
988.6 facility costs and must be paid from state money in an amount equal to the ~~medical assistance~~
988.7 ~~room and board~~ MSA equivalent rate as defined in section 256I.03, subdivision 11a, at the
988.8 time the recuperative care services were provided. The eligibility standards in chapter 256I
988.9 do not apply to the recuperative care facility rate. The recuperative care facility rate is only
988.10 paid when the recuperative care services rate is paid to a provider. Providers may opt to
988.11 only receive the recuperative care services rate.

988.12 (b) Before a recipient is discharged from a recuperative care setting, the provider must
988.13 ensure that the recipient's medical condition is stabilized or that the recipient is being
988.14 discharged to a setting that is able to meet that recipient's needs.

988.15 Sec. 12. Minnesota Statutes 2023 Supplement, section 256B.0947, subdivision 7, is
988.16 amended to read:

988.17 Subd. 7. **Medical assistance payment and rate setting.** (a) Payment for services in this
988.18 section must be based on one daily encounter rate per provider inclusive of the following
988.19 services received by an eligible client in a given calendar day: all rehabilitative services,
988.20 supports, and ancillary activities under this section, staff travel time to provide rehabilitative
988.21 services under this section, and crisis response services under section 256B.0624.

988.22 (b) Payment must not be made to more than one entity for each client for services
988.23 provided under this section on a given day. If services under this section are provided by a
988.24 team that includes staff from more than one entity, the team shall determine how to distribute
988.25 the payment among the members.

988.26 (c) The commissioner shall establish regional cost-based rates for entities that will bill
988.27 medical assistance for nonresidential intensive rehabilitative mental health services. In
988.28 developing these rates, the commissioner shall consider:

988.29 (1) the cost for similar services in the health care trade area;

988.30 (2) actual costs incurred by entities providing the services;

988.31 (3) the intensity and frequency of services to be provided to each client;

989.1 (4) the degree to which clients will receive services other than services under this section;
989.2 and

989.3 (5) the costs of other services that will be separately reimbursed.

989.4 (d) The rate for a provider must not exceed the rate charged by that provider for the
989.5 same service to other payers.

989.6 (e) Effective for the rate years beginning on and after January 1, 2024, rates must be
989.7 annually adjusted for inflation using the Centers for Medicare and Medicaid Services
989.8 Medicare Economic Index, as forecasted in the ~~fourth~~ third quarter of the calendar year
989.9 before the rate year. The inflation adjustment must be based on the 12-month period from
989.10 the midpoint of the previous rate year to the midpoint of the rate year for which the rate is
989.11 being determined.

989.12 Sec. 13. Minnesota Statutes 2023 Supplement, section 256B.764, is amended to read:

989.13 **256B.764 REIMBURSEMENT FOR FAMILY PLANNING SERVICES.**

989.14 (a) Effective for services rendered on or after July 1, 2007, payment rates for family
989.15 planning services shall be increased by 25 percent over the rates in effect June 30, 2007,
989.16 when these services are provided by a community clinic as defined in section 145.9268,
989.17 subdivision 1.

989.18 (b) Effective for services rendered on or after July 1, 2013, payment rates for family
989.19 planning services shall be increased by 20 percent over the rates in effect June 30, 2013,
989.20 when these services are provided by a community clinic as defined in section 145.9268,
989.21 subdivision 1. The commissioner shall adjust capitation rates to managed care and
989.22 county-based purchasing plans to reflect this increase, and shall require plans to pass on the
989.23 full amount of the rate increase to eligible community clinics, in the form of higher payment
989.24 rates for family planning services.

989.25 (c) Effective for services provided on or after January 1, 2024, payment rates for family
989.26 planning, when such services are provided by an eligible community clinic as defined in
989.27 section 145.9268, subdivision 1, and abortion services shall be increased by 20 percent.
989.28 This increase does not apply to federally qualified health centers, rural health centers, or
989.29 Indian health services.

990.1 Sec. 14. Minnesota Statutes 2023 Supplement, section 256L.03, subdivision 1, is amended
990.2 to read:

990.3 Subdivision 1. **Covered health services.** (a) "Covered health services" means the health
990.4 services reimbursed under chapter 256B, with the exception of special education services,
990.5 home care nursing services, ~~adult dental care services other than services covered under~~
990.6 ~~section 256B.0625, subdivision 9, orthodontic services,~~ nonemergency medical transportation
990.7 services, personal care assistance and case management services, community first services
990.8 and supports under section 256B.85, behavioral health home services under section
990.9 256B.0757, housing stabilization services under section 256B.051, and nursing home or
990.10 intermediate care facilities services.

990.11 (b) Covered health services shall be expanded as provided in this section.

990.12 (c) For the purposes of covered health services under this section, "child" means an
990.13 individual younger than 19 years of age.

990.14 Sec. 15. Minnesota Statutes 2022, section 524.3-801, as amended by Laws 2024, chapter
990.15 79, article 9, section 20, is amended to read:

990.16 **524.3-801 NOTICE TO CREDITORS.**

990.17 (a) Unless notice has already been given under this section, upon appointment of a
990.18 general personal representative in informal proceedings or upon the filing of a petition for
990.19 formal appointment of a general personal representative, notice thereof, in the form prescribed
990.20 by court rule, shall be given under the direction of the court administrator by publication
990.21 once a week for two successive weeks in a legal newspaper in the county wherein the
990.22 proceedings are pending giving the name and address of the general personal representative
990.23 and notifying creditors of the estate to present their claims within four months after the date
990.24 of the court administrator's notice which is subsequently published or be forever barred,
990.25 unless they are entitled to further service of notice under paragraph (b) or (c).

990.26 (b) The personal representative shall, within three months after the date of the first
990.27 publication of the notice, serve a copy of the notice upon each then known and identified
990.28 creditor in the manner provided in paragraph (c). If the decedent or a predeceased spouse
990.29 of the decedent received assistance for which a claim could be filed under section 246.53,
990.30 256B.15, 256D.16, or 261.04, notice to the commissioner of human services or direct care
990.31 and treatment executive board, as applicable, must be given under paragraph (d) instead of
990.32 under this paragraph or paragraph (c). A creditor is "known" if: (i) the personal representative
990.33 knows that the creditor has asserted a claim that arose during the decedent's life against

991.1 either the decedent or the decedent's estate; (ii) the creditor has asserted a claim that arose
 991.2 during the decedent's life and the fact is clearly disclosed in accessible financial records
 991.3 known and available to the personal representative; or (iii) the claim of the creditor would
 991.4 be revealed by a reasonably diligent search for creditors of the decedent in accessible
 991.5 financial records known and available to the personal representative. Under this section, a
 991.6 creditor is "identified" if the personal representative's knowledge of the name and address
 991.7 of the creditor will permit service of notice to be made under paragraph (c).

991.8 (c) Unless the claim has already been presented to the personal representative or paid,
 991.9 the personal representative shall serve a copy of the notice required by paragraph (b) upon
 991.10 each creditor of the decedent who is then known to the personal representative and identified
 991.11 either by delivery of a copy of the required notice to the creditor, or by mailing a copy of
 991.12 the notice to the creditor by certified, registered, or ordinary first class mail addressed to
 991.13 the creditor at the creditor's office or place of residence.

991.14 (d)(1) Effective for decedents dying on or after July 1, 1997, if the decedent or a
 991.15 predeceased spouse of the decedent received assistance for which a claim could be filed
 991.16 under section 246.53, 256B.15, 256D.16, or 261.04, the personal representative or the
 991.17 attorney for the personal representative shall serve the commissioner or executive board,
 991.18 as applicable, with notice in the manner prescribed in paragraph (c), or electronically in a
 991.19 manner prescribed by the commissioner or executive board, as soon as practicable after the
 991.20 appointment of the personal representative. The notice must state the decedent's full name,
 991.21 date of birth, and Social Security number and, to the extent then known after making a
 991.22 reasonably diligent inquiry, the full name, date of birth, and Social Security number for
 991.23 each of the decedent's predeceased spouses. The notice may also contain a statement that,
 991.24 after making a reasonably diligent inquiry, the personal representative has determined that
 991.25 the decedent did not have any predeceased spouses or that the personal representative has
 991.26 been unable to determine one or more of the previous items of information for a predeceased
 991.27 spouse of the decedent. A copy of the notice to creditors must be attached to and be a part
 991.28 of the notice to the commissioner or executive board.

991.29 (2) Notwithstanding a will or other instrument or law to the contrary, except as allowed
 991.30 in this paragraph, no property subject to administration by the estate may be distributed by
 991.31 the estate or the personal representative until 70 days after the date the notice is served on
 991.32 the commissioner or executive board as provided in paragraph (c), unless the local agency
 991.33 consents as provided for in clause (6). This restriction on distribution does not apply to the
 991.34 personal representative's sale of real or personal property, but does apply to the net proceeds
 991.35 the estate receives from these sales. The personal representative, or any person with personal

992.1 knowledge of the facts, may provide an affidavit containing the description of any real or
992.2 personal property affected by this paragraph and stating facts showing compliance with this
992.3 paragraph. If the affidavit describes real property, it may be filed or recorded in the office
992.4 of the county recorder or registrar of titles for the county where the real property is located.
992.5 This paragraph does not apply to proceedings under sections 524.3-1203 and 525.31, or
992.6 when a duly authorized agent of a county is acting as the personal representative of the
992.7 estate.

992.8 (3) At any time before an order or decree is entered under section 524.3-1001 or
992.9 524.3-1002, or a closing statement is filed under section 524.3-1003, the personal
992.10 representative or the attorney for the personal representative may serve an amended notice
992.11 on the commissioner or executive board to add variations or other names of the decedent
992.12 or a predeceased spouse named in the notice, the name of a predeceased spouse omitted
992.13 from the notice, to add or correct the date of birth or Social Security number of a decedent
992.14 or predeceased spouse named in the notice, or to correct any other deficiency in a prior
992.15 notice. The amended notice must state the decedent's name, date of birth, and Social Security
992.16 number, the case name, case number, and district court in which the estate is pending, and
992.17 the date the notice being amended was served on the commissioner or executive board. If
992.18 the amendment adds the name of a predeceased spouse omitted from the notice, it must also
992.19 state that spouse's full name, date of birth, and Social Security number. The amended notice
992.20 must be served on the commissioner or executive board in the same manner as the original
992.21 notice. Upon service, the amended notice relates back to and is effective from the date the
992.22 notice it amends was served, and the time for filing claims arising under section 246.53,
992.23 256B.15, 256D.16 or 261.04 is extended by 60 days from the date of service of the amended
992.24 notice. Claims filed during the 60-day period are undischarged and unbarred claims, may
992.25 be prosecuted by the entities entitled to file those claims in accordance with section
992.26 524.3-1004, and the limitations in section 524.3-1006 do not apply. The personal
992.27 representative or any person with personal knowledge of the facts may provide and file or
992.28 record an affidavit in the same manner as provided for in clause (1).

992.29 (4) Within one year after the date an order or decree is entered under section 524.3-1001
992.30 or 524.3-1002 or a closing statement is filed under section 524.3-1003, any person who has
992.31 an interest in property that was subject to administration by the estate may serve an amended
992.32 notice on the commissioner or executive board to add variations or other names of the
992.33 decedent or a predeceased spouse named in the notice, the name of a predeceased spouse
992.34 omitted from the notice, to add or correct the date of birth or Social Security number of a
992.35 decedent or predeceased spouse named in the notice, or to correct any other deficiency in

993.1 a prior notice. The amended notice must be served on the commissioner or executive board
 993.2 in the same manner as the original notice and must contain the information required for
 993.3 amendments under clause (3). If the amendment adds the name of a predeceased spouse
 993.4 omitted from the notice, it must also state that spouse's full name, date of birth, and Social
 993.5 Security number. Upon service, the amended notice relates back to and is effective from
 993.6 the date the notice it amends was served. If the amended notice adds the name of an omitted
 993.7 predeceased spouse or adds or corrects the Social Security number or date of birth of the
 993.8 decedent or a predeceased spouse already named in the notice, then, notwithstanding any
 993.9 other laws to the contrary, claims against the decedent's estate on account of those persons
 993.10 resulting from the amendment and arising under section 246.53, 256B.15, 256D.16, or
 993.11 261.04 are undischarged and unbarred claims, may be prosecuted by the entities entitled to
 993.12 file those claims in accordance with section 524.3-1004, and the limitations in section
 993.13 524.3-1006 do not apply. The person filing the amendment or any other person with personal
 993.14 knowledge of the facts may provide and file or record an affidavit describing affected real
 993.15 or personal property in the same manner as clause (1).

993.16 (5) After one year from the date an order or decree is entered under section 524.3-1001
 993.17 or 524.3-1002, or a closing statement is filed under section 524.3-1003, no error, omission,
 993.18 or defect of any kind in the notice to the commissioner or executive board required under
 993.19 this paragraph or in the process of service of the notice on the commissioner or executive
 993.20 board, or the failure to serve the commissioner or executive board with notice as required
 993.21 by this paragraph, makes any distribution of property by a personal representative void or
 993.22 voidable. The distributee's title to the distributed property shall be free of any claims based
 993.23 upon a failure to comply with this paragraph.

993.24 (6) The local agency may consent to a personal representative's request to distribute
 993.25 property subject to administration by the estate to distributees during the 70-day period after
 993.26 service of notice on the commissioner or executive board. The local agency may grant or
 993.27 deny the request in whole or in part and may attach conditions to its consent as it deems
 993.28 appropriate. When the local agency consents to a distribution, it shall give the estate a written
 993.29 certificate evidencing its consent to the early distribution of assets at no cost. The certificate
 993.30 must include the name, case number, and district court in which the estate is pending, the
 993.31 name of the local agency, describe the specific real or personal property to which the consent
 993.32 applies, state that the local agency consents to the distribution of the specific property
 993.33 described in the consent during the 70-day period following service of the notice on the
 993.34 commissioner or executive board, state that the consent is unconditional or list all of the
 993.35 terms and conditions of the consent, be dated, and may include other contents as may be

994.1 appropriate. The certificate must be signed by the director of the local agency or the director's
994.2 designees and is effective as of the date it is dated unless it provides otherwise. The signature
994.3 of the director or the director's designee does not require any acknowledgment. The certificate
994.4 shall be prima facie evidence of the facts it states, may be attached to or combined with a
994.5 deed or any other instrument of conveyance and, when so attached or combined, shall
994.6 constitute a single instrument. If the certificate describes real property, it shall be accepted
994.7 for recording or filing by the county recorder or registrar of titles in the county in which the
994.8 property is located. If the certificate describes real property and is not attached to or combined
994.9 with a deed or other instrument of conveyance, it shall be accepted for recording or filing
994.10 by the county recorder or registrar of titles in the county in which the property is located.
994.11 The certificate constitutes a waiver of the 70-day period provided for in clause (2) with
994.12 respect to the property it describes and is prima facie evidence of service of notice on the
994.13 commissioner or executive board. The certificate is not a waiver or relinquishment of any
994.14 claims arising under section 246.53, 256B.15, 256D.16, or 261.04, and does not otherwise
994.15 constitute a waiver of any of the personal representative's duties under this paragraph.
994.16 Distributees who receive property pursuant to a consent to an early distribution shall remain
994.17 liable to creditors of the estate as provided for by law.

994.18 (7) All affidavits provided for under this paragraph:

994.19 (i) shall be provided by persons who have personal knowledge of the facts stated in the
994.20 affidavit;

994.21 (ii) may be filed or recorded in the office of the county recorder or registrar of titles in
994.22 the county in which the real property they describe is located for the purpose of establishing
994.23 compliance with the requirements of this paragraph; and

994.24 (iii) are prima facie evidence of the facts stated in the affidavit.

994.25 (8) This paragraph applies to the estates of decedents dying on or after July 1, 1997.
994.26 Clause (5) also applies with respect to all notices served on the commissioner of human
994.27 services before July 1, 1997, under Laws 1996, chapter 451, article 2, section 55. All notices
994.28 served on the commissioner before July 1, 1997, pursuant to Laws 1996, chapter 451, article
994.29 2, section 55, shall be deemed to be legally sufficient for the purposes for which they were
994.30 intended, notwithstanding any errors, omissions or other defects.

1005.21 require an evaluation by multiple genetic tests if rWGS testing is not performed;

1005.22 (2) timely identification of a molecular diagnosis is necessary in order to guide clinical
1005.23 decision making, and the rWGS testing may aid in guiding the treatment or management
1005.24 of the enrollee's condition; and

1005.25 (3) the enrollee's complex or acute illness of unknown etiology includes at least one of
1005.26 the following conditions:

- 1006.12 channelopathies, arrhythmias, cardiomyopathies, myocarditis, or structural heart disease;
- 1006.13 (x) abnormal diagnostic imaging studies that are suggestive of underlying genetic
- 1006.14 condition;

1007.28 carrier must not deny or limit coverage of a health care service which the enrollee has already

1014.22 notification may also be made by facsimile to a verified number or by electronic mail to a
1014.23 secure electronic mailbox. These electronic forms of notification satisfy the "audit trail"

1015.5 to authorize after a reasonable attempt has been made to contact the provider or enrollee.

1015.6 (d) When an adverse determination is made, the written notification must inform the
1015.7 enrollee and the attending health care professional of the right to submit an appeal to the

1028.17 treatment and fit criteria as recognized by relevant clinical specialists.

1028.18 (b) A health plan company shall render utilization review determinations in a
1028.19 nondiscriminatory manner and shall not deny coverage for habilitative or rehabilitative
1028.20 benefits, including prosthetics or orthotics, solely on the basis of an enrollee's actual or
1028.21 perceived disability.

1028.22 (c) A health plan company shall not deny a prosthetic or orthotic benefit for an individual
1028.23 with limb loss or absence that would otherwise be covered for a nondisabled person seeking
1028.24 medical or surgical intervention to restore or maintain the ability to perform the same
1028.25 physical activity.

1028.26 (d) A health plan offered, issued, or renewed in Minnesota that offers coverage for

1028.30 access to medically necessary clinical care and to prosthetic and custom orthotic devices
1028.31 and technology from not less than two distinct prosthetic and custom orthotic providers in
1028.32 the plan's provider network located in Minnesota. In the event that medically necessary
1028.33 covered orthotics and prosthetics are not available from an in-network provider, the health

1029.1 plan company shall provide processes to refer a member to an out-of-network provider and
1029.2 shall fully reimburse the out-of-network provider at a mutually agreed upon rate less member
1029.3 cost sharing determined on an in-network basis.

1029.5 made for the replacement of a prosthetic or custom orthotic device or for the replacement
1029.6 of any part of the devices, without regard to continuous use or useful lifetime restrictions,
1029.7 if an ordering health care provider determines that the provision of a replacement device,
1029.8 or a replacement part of a device, is necessary because:

1029.9 (1) of a change in the physiological condition of the patient;

1029.10 (2) of an irreparable change in the condition of the device or in a part of the device; or

1029.11 (3) the condition of the device, or the part of the device, requires repairs and the cost of
1029.12 the repairs would be more than 60 percent of the cost of a replacement device or of the part
1029.13 being replaced.

1029.14 (g) Confirmation from a prescribing health care provider may be required if the prosthetic
1029.15 or custom orthotic device or part being replaced is less than three years old.

1029.16 **EFFECTIVE DATE.** This section is effective January 1, 2025, and applies to all health
1029.17 plans offered, issued, or renewed on or after that date.

1029.20 urinary catheters and insertion supplies if intermittent catheterization is recommended by
1029.21 the enrollee's health care provider. At least 180 intermittent catheters per month with insertion
1029.22 supplies must be covered unless a lesser amount is prescribed by the enrollee's health care
1029.23 provider. A health plan providing coverage under the medical assistance program may be
1029.24 required to provide coverage for more than 180 intermittent catheters per month with
1029.25 insertion supplies.

1029.26 Subd. 2. **Cost-sharing requirements.** A health plan is prohibited from imposing a
1029.27 deductible, co-payment, coinsurance, or other restriction on intermittent catheters and
1029.28 insertion supplies that the health plan does not apply to durable medical equipment in general.

1029.29 **EFFECTIVE DATE.** This section is effective for any health plan issued or renewed

1034.6 (1) in which each health care provider who is a member of the group provides services
1034.7 that a health care provider routinely provides, including but not limited to medical care,
1034.8 consultation, diagnosis, and treatment, through the joint use of shared office space, facilities,
1034.9 equipment, or personnel;

1034.10 (2) for which substantially all services of the health care providers who are group

1035.11 of a health care entity formed under chapter 317A that results in a change of 40 percent or
1035.12 more of the membership of the health care entity; or
- 1035.13 (9) any other transfer of control of a health care entity to, or acquisition of control of a
1035.14 health care entity by, another entity.
- 1035.15 (k) A transaction as defined in paragraph (j) does not include:
- 1035.16 (1) an action or series of actions that meets one or more of the criteria set forth in

- 1035.20 (2) a mortgage or other secured loan for business improvement purposes entered into

1036.33 501(c)(3); or

1037.31 A nonprofit health coverage entity must not enter into a conversion transaction if:

1038.1 (1) doing so would result in less than the full and fair value of all public benefit assets
1038.2 remaining dedicated to the public benefit; or

1038.3 (2) an individual who has been an officer, director, or other executive of the nonprofit
1038.4 health coverage entity or of a related organization, or a family member of such an individual:

1038.5 (i) has held or will hold, whether guaranteed or contingent, an ownership stake, stock,

1038.19 **EFFECTIVE DATE.** This section is effective July 1, 2025.

1038.20 Sec. 49. **[145D.32] REQUIREMENTS FOR NONPROFIT HEALTH COVERAGE**
1038.21 **ENTITY CONVERSION TRANSACTIONS.**

1038.22 Subdivision 1. **Notice.** (a) Before entering into a conversion transaction, a nonprofit
1038.23 health coverage entity must notify the attorney general according to section 317A.811. In
1038.24 addition to the elements listed in section 317A.811, subdivision 1, the notice required by
1038.25 this subdivision must also include: (1) an itemization of the nonprofit health coverage entity's
1038.26 public benefit assets and an independent third-party valuation of the nonprofit health coverage
1038.27 entity's public benefit assets; and (2) other information contained in forms provided by the
1038.28 attorney general.

1038.29 (b) When the nonprofit health coverage entity provides the attorney general with the
1038.30 notice and other information required under paragraph (a), the nonprofit health coverage
1038.31 entity must also provide a copy of this notice and other information to the applicable
1038.32 commissioner.

1039.1 Subd. 2. **Nonprofit health coverage entity requirements.** Before entering into a
1039.2 conversion transaction, a nonprofit health coverage entity must ensure that:

1039.3 (1) the proposed conversion transaction complies with chapters 317A and 501B and
1039.4 other applicable laws;

1039.5 (2) the proposed conversion transaction does not involve or constitute a breach of
1039.6 charitable trust;

1039.7 (3) the nonprofit health coverage entity shall receive full and fair value for its public
1039.8 benefit assets;

1039.9 (4) the value of the public benefit assets to be transferred has not been manipulated in
1039.10 a manner that causes or caused the value of the assets to decrease;

1039.11 (5) the proceeds of the proposed conversion transaction shall be used in a manner
1039.12 consistent with the public benefit for which the assets are held by the nonprofit health
1039.13 coverage entity; and

1039.14 (6) the proposed conversion transaction shall not result in a breach of fiduciary duty.

1039.15 Subd. 3. **Listening sessions and public comment.** The attorney general or the
1039.16 commissioner may hold public listening sessions or forums and may solicit public comments
1039.17 regarding the proposed conversion transaction.

1039.18 Subd. 4. **Waiting period.** (a) Subject to paragraphs (b) and (c), a nonprofit health
1039.19 coverage entity must not enter into a conversion transaction until 60 days after the nonprofit
1039.20 health coverage entity has given written notice as required in subdivision 1.

1039.21 (b) The attorney general may waive all or part of the waiting period or may extend the
1039.22 waiting period for an additional 60 days by notifying the nonprofit health coverage entity
1039.23 of the extension in writing.

1039.24 (c) The time periods specified in this subdivision shall be suspended while an
1039.25 investigation into the conversion transaction is pending or while a request from the attorney
1039.26 general for additional information is outstanding.

1039.27 Subd. 5. **Funds restricted for a particular purpose.** Nothing in this section relieves a
1039.28 nonprofit health coverage entity from complying with requirements for funds that are
1039.29 restricted for a particular purpose. Funds restricted for a particular purpose must continue
1039.30 to be used in accordance with the purpose for which they were restricted under sections
1039.31 317A.671 and 501B.31. A nonprofit health coverage entity may not convert, transfer, or

1040.1 sell assets if the transaction would result in the use of the assets conflicting with their
1040.2 restricted purpose.

1040.3 **EFFECTIVE DATE.** This section is effective July 1, 2025.

1040.4 Sec. 50. **[145D.34] ENFORCEMENT AND REMEDIES.**

1040.5 Subdivision 1. **Investigation.** The attorney general has the powers in section 8.31.

1040.6 Nothing in this subdivision limits the powers, remedies, or responsibilities of the attorney
1040.7 general under this chapter; chapter 8, 309, 317A, or 501B; or any other chapter. For purposes
1040.8 of this section, an approval by the commissioner for regulatory purposes does not impair
1040.9 or inform the attorney general's authority.

1040.10 Subd. 2. **Enforcement and penalties.** (a) The attorney general may bring an action in
1040.11 district court to enjoin or unwind a conversion transaction or seek other equitable relief
1040.12 necessary to protect the public interest if:

1040.13 (1) a nonprofit health coverage entity or conversion transaction violates sections 145D.30
1040.14 to 145D.32; or

1040.15 (2) the conversion transaction is contrary to the public interest.

1040.16 In seeking injunctive relief, the attorney general must not be required to establish irreparable
1040.17 harm but must instead establish that a violation of sections 145D.30 to 145D.32 occurred
1040.18 or that the requested order promotes the public interest.

1040.19 (b) Factors informing whether a conversion transaction is contrary to the public interest
1040.20 include but are not limited to whether:

1040.21 (1) the conversion transaction shall result in increased health care costs for patients; and

1040.22 (2) the conversion transaction shall adversely impact provider cost trends and containment
1040.23 of total health care spending.

1040.24 (c) The attorney general may enforce sections 145D.30 to 145D.32 under section 8.31.

1040.25 (d) Failure of the entities involved in a conversion transaction to provide timely
1040.26 information as required by the attorney general or the commissioner shall be an independent
1040.27 and sufficient ground for a court to enjoin or unwind the transaction or provide other equitable
1040.28 relief, provided the attorney general notifies the entities of the inadequacy of the information
1040.29 provided and provides the entities with a reasonable opportunity to remedy the inadequacy.

1040.30 (e) An officer, director, or other executive found to have violated sections 145D.30 to
1040.31 145D.32 shall be subject to a civil penalty of up to \$100,000 for each violation. A corporation

1041.1 or other entity which is a party to or materially participated in a conversion transaction
1041.2 found to have violated sections 145D.30 to 145D.32 shall be subject to a civil penalty of
1041.3 up to \$1,000,000. A court may also award reasonable attorney fees and costs of investigation
1041.4 and litigation.

1041.5 Subd. 3. **Commissioner of health; data and research.** The commissioner of health
1041.6 must provide the attorney general, upon request, with data and research on broader market
1041.7 trends, impacts on prices and outcomes, public health and population health considerations,
1041.8 and health care access, for the attorney general to use when evaluating whether a conversion
1041.9 transaction is contrary to public interest. The commissioner of health may share with the
1041.10 attorney general, according to section 13.05, subdivision 9, any not public data, as defined
1041.11 in section 13.02, subdivision 8a, held by the commissioner to aid in the investigation and
1041.12 review of the conversion transaction, and the attorney general must maintain this data with
1041.13 the same classification according to section 13.03, subdivision 4, paragraph (c).

1041.14 Subd. 4. **Failure to take action.** Failure by the attorney general to take action with
1041.15 respect to a conversion transaction under this section does not constitute approval of the
1041.16 conversion transaction or waiver, nor shall failure prevent the attorney general from taking
1041.17 action in the same, similar, or subsequent circumstances.

1041.18 **EFFECTIVE DATE.** This section is effective July 1, 2025.

1041.19 Sec. 51. **[145D.35] DATA PRACTICES.**

1041.20 Data provided by a nonprofit health coverage entity to the commissioner or the attorney
1041.21 general under sections 145D.30 to 145D.32 are, for data on individuals, confidential data
1041.22 on individuals as defined under section 13.02, subdivision 3, and, for data not on individuals,
1041.23 protected nonpublic data as defined under section 13.02, subdivision 13. The provided data
1041.24 are not subject to subpoena and shall not be subject to discovery or admissible in evidence
1041.25 in any private civil action. The attorney general or the commissioner may provide access
1041.26 to any data classified as confidential or protected nonpublic under this section to any law
1041.27 enforcement agency if the attorney general or commissioner determines that the access aids
1041.28 the law enforcement process. This section shall not be construed to limit the attorney general's
1041.29 authority to use the data in furtherance of any legal action brought according to section
1041.30 145D.34.

1041.31 **EFFECTIVE DATE.** This section is effective July 1, 2025.

1042.1 **Sec. 52. [145D.36] COMMISSIONER OF HEALTH; REPORTS AND ANALYSIS.**

1042.2 Notwithstanding any law to the contrary, the commissioner of health may use data or
1042.3 information submitted under sections 60A.135 to 60A.137, 60A.17, 60D.18, 60D.20,
1042.4 62D.221, and 145D.32 to conduct analyses of the aggregate impact of transactions within
1042.5 nonprofit health coverage entities and organizations which include nonprofit health coverage
1042.6 entities or their affiliates on access to or the cost of health care services, health care market
1042.7 consolidation, and health care quality. The commissioner of health must issue periodic
1042.8 public reports on the number and types of conversion transactions subject to sections 145D.30
1042.9 to 145D.35 and on the aggregate impact of conversion transactions on health care costs,
1042.10 quality, and competition in Minnesota.

1042.11 **EFFECTIVE DATE.** This section is effective July 1, 2025.

1065.14 Sec. 33. **[149A.56] LICENSE TO OPERATE A NATURAL ORGANIC REDUCTION**
1065.15 **FACILITY.**

1065.16 Subdivision 1. License requirement. This section is effective July 1, 2025. Except as
1065.17 provided in section 149A.01, subdivision 3, no person shall maintain, manage, or operate
1065.18 a place or premises devoted to or used in the holding and natural organic reduction of a
1065.19 dead human body without possessing a valid license to operate a natural organic reduction
1065.20 facility issued by the commissioner of health.

1065.21 Subd. 2. Requirements for natural organic reduction facility. (a) A natural organic
1065.22 reduction facility licensed under this section must consist of:

1065.23 (1) a building or structure that complies with applicable local and state building codes,
1065.24 zoning laws and ordinances, and environmental standards, and that contains one or more
1065.25 natural organic reduction vessels for the natural organic reduction of dead human bodies;

1065.26 (2) a motorized mechanical device for processing the remains in natural reduction; and

1065.27 (3) an appropriate refrigerated holding facility for dead human bodies awaiting natural
1065.28 organic reduction.

1065.29 (b) A natural organic reduction facility licensed under this section may also contain a
1065.30 display room for funeral goods.

1066.1 Subd. 3. **Application procedure; documentation; initial inspection.** (a) An applicant
1066.2 for a license to operate a natural organic reduction facility shall submit a completed
1066.3 application to the commissioner. A completed application includes:

1066.4 (1) a completed application form, as provided by the commissioner;

1066.5 (2) proof of business form and ownership; and

1066.6 (3) proof of liability insurance coverage or other financial documentation, as determined
1066.7 by the commissioner, that demonstrates the applicant's ability to respond in damages for
1066.8 liability arising from the ownership, maintenance, management, or operation of a natural
1066.9 organic reduction facility.

1066.10 (b) Upon receipt of the application and appropriate fee, the commissioner shall review
1066.11 and verify all information. Upon completion of the verification process and resolution of
1066.12 any deficiencies in the application information, the commissioner shall conduct an initial
1066.13 inspection of the premises to be licensed. After the inspection and resolution of any
1066.14 deficiencies found and any reinspections as may be necessary, the commissioner shall make
1066.15 a determination, based on all the information available, to grant or deny licensure. If the
1066.16 commissioner's determination is to grant the license, the applicant shall be notified and the
1066.17 license shall issue and remain valid for a period prescribed on the license, but not to exceed
1066.18 one calendar year from the date of issuance of the license. If the commissioner's determination
1066.19 is to deny the license, the commissioner must notify the applicant, in writing, of the denial
1066.20 and provide the specific reason for denial.

1066.21 Subd. 4. **Nontransferability of license.** A license to operate a natural organic reduction
1066.22 facility is not assignable or transferable and shall not be valid for any entity other than the
1066.23 one named. Each license issued to operate a natural organic reduction facility is valid only
1066.24 for the location identified on the license. A 50 percent or more change in ownership or
1066.25 location of the natural organic reduction facility automatically terminates the license. Separate
1066.26 licenses shall be required of two or more persons or other legal entities operating from the
1066.27 same location.

1066.28 Subd. 5. **Display of license.** Each license to operate a natural organic reduction facility
1066.29 must be conspicuously displayed in the natural organic reduction facility at all times.
1066.30 "Conspicuous display" means in a location where a member of the general public within
1066.31 the natural organic reduction facility is able to observe and read the license.

1066.32 Subd. 6. **Period of licensure.** All licenses to operate a natural organic reduction facility
1066.33 issued by the commissioner are valid for a period of one calendar year beginning on July 1
1066.34 and ending on June 30, regardless of the date of issuance.

1067.1 Subd. 7. **Reporting changes in license information.** Any change of license information
1067.2 must be reported to the commissioner, on forms provided by the commissioner, no later
1067.3 than 30 calendar days after the change occurs. Failure to report changes is grounds for
1067.4 disciplinary action.

1067.5 Subd. 8. **Licensing information.** Section 13.41 applies to data collected and maintained
1067.6 by the commissioner pursuant to this section.

1067.7 Sec. 34. **[149A.57] RENEWAL OF LICENSE TO OPERATE A NATURAL**
1067.8 **ORGANIC REDUCTION FACILITY.**

1067.9 Subdivision 1. **Renewal required.** This section is effective July 1, 2025. All licenses
1067.10 to operate a natural organic reduction facility issued by the commissioner expire on June
1067.11 30 following the date of issuance of the license and must be renewed to remain valid.

1067.12 Subd. 2. **Renewal procedure and documentation.** (a) Licensees who wish to renew
1067.13 their licenses must submit to the commissioner a completed renewal application no later
1067.14 than June 30 following the date the license was issued. A completed renewal application
1067.15 includes:

1067.16 (1) a completed renewal application form, as provided by the commissioner; and

1067.17 (2) proof of liability insurance coverage or other financial documentation, as determined
1067.18 by the commissioner, that demonstrates the applicant's ability to respond in damages for
1067.19 liability arising from the ownership, maintenance, management, or operation of a natural
1067.20 organic reduction facility.

1067.21 (b) Upon receipt of the completed renewal application, the commissioner shall review
1067.22 and verify the information. Upon completion of the verification process and resolution of
1067.23 any deficiencies in the renewal application information, the commissioner shall make a
1067.24 determination, based on all the information available, to reissue or refuse to reissue the
1067.25 license. If the commissioner's determination is to reissue the license, the applicant shall be
1067.26 notified and the license shall issue and remain valid for a period prescribed on the license,
1067.27 but not to exceed one calendar year from the date of issuance of the license. If the
1067.28 commissioner's determination is to refuse to reissue the license, section 149A.09, subdivision
1067.29 2, applies.

1067.30 Subd. 3. **Penalty for late filing.** Renewal applications received after the expiration date
1067.31 of a license will result in the assessment of a late filing penalty. The late filing penalty must
1067.32 be paid before the reissuance of the license and received by the commissioner no later than
1067.33 31 calendar days after the expiration date of the license.

1068.1 Subd. 4. **Lapse of license.** A license to operate a natural organic reduction facility shall
1068.2 automatically lapse when a completed renewal application is not received by the
1068.3 commissioner within 31 calendar days after the expiration date of a license, or a late filing
1068.4 penalty assessed under subdivision 3 is not received by the commissioner within 31 calendar
1068.5 days after the expiration of a license.

1068.6 Subd. 5. **Effect of lapse of license.** Upon the lapse of a license, the person to whom the
1068.7 license was issued is no longer licensed to operate a natural organic reduction facility in
1068.8 Minnesota. The commissioner shall issue a cease and desist order to prevent the lapsed
1068.9 license holder from operating a natural organic reduction facility in Minnesota and may
1068.10 pursue any additional lawful remedies as justified by the case.

1068.11 Subd. 6. **Restoration of lapsed license.** The commissioner may restore a lapsed license
1068.12 upon receipt and review of a completed renewal application, receipt of the late filing penalty,
1068.13 and reinspection of the premises, provided that the receipt is made within one calendar year
1068.14 from the expiration date of the lapsed license and the cease and desist order issued by the
1068.15 commissioner has not been violated. If a lapsed license is not restored within one calendar
1068.16 year from the expiration date of the lapsed license, the holder of the lapsed license cannot
1068.17 be relicensed until the requirements in section 149A.56 are met.

1068.18 Subd. 7. **Reporting changes in license information.** Any change of license information
1068.19 must be reported to the commissioner, on forms provided by the commissioner, no later
1068.20 than 30 calendar days after the change occurs. Failure to report changes is grounds for
1068.21 disciplinary action.

1068.22 Subd. 8. **Licensing information.** Section 13.41 applies to data collected and maintained
1068.23 by the commissioner pursuant to this section.

1068.24 Sec. 35. Minnesota Statutes 2022, section 149A.65, is amended by adding a subdivision
1068.25 to read:

1068.26 Subd. 6a. **Natural organic reduction facilities.** This subdivision is effective July 1,
1068.27 2025. The initial and renewal fee for a natural organic reduction facility is \$425. The late
1068.28 fee charge for a license renewal is \$100.

1068.29 Sec. 36. Minnesota Statutes 2022, section 149A.70, subdivision 1, is amended to read:

1068.30 Subdivision 1. **Use of titles.** Only a person holding a valid license to practice mortuary
1068.31 science issued by the commissioner may use the title of mortician, funeral director, or any
1068.32 other title implying that the licensee is engaged in the business or practice of mortuary

1069.1 science. Only the holder of a valid license to operate an alkaline hydrolysis facility issued
1069.2 by the commissioner may use the title of alkaline hydrolysis facility, water cremation,
1069.3 water-reduction, biocremation, green-cremation, resomation, dissolution, or any other title,
1069.4 word, or term implying that the licensee operates an alkaline hydrolysis facility. Only the
1069.5 holder of a valid license to operate a funeral establishment issued by the commissioner may
1069.6 use the title of funeral home, funeral chapel, funeral service, or any other title, word, or
1069.7 term implying that the licensee is engaged in the business or practice of mortuary science.
1069.8 Only the holder of a valid license to operate a crematory issued by the commissioner may
1069.9 use the title of crematory, crematorium, green-cremation, or any other title, word, or term
1069.10 implying that the licensee operates a crematory or crematorium. Effective July 1, 2025,
1069.11 only the holder of a valid license to operate a natural organic reduction facility issued by
1069.12 the commissioner may use the title of natural organic reduction facility, human composting,
1069.13 or any other title, word, or term implying that the licensee operates a natural organic reduction
1069.14 facility.

1069.15 Sec. 37. Minnesota Statutes 2022, section 149A.70, subdivision 2, is amended to read:

1069.16 Subd. 2. **Business location.** A funeral establishment, alkaline hydrolysis facility, ~~or~~
1069.17 crematory, or, effective July 1, 2025, natural organic reduction facility shall not do business
1069.18 in a location that is not licensed as a funeral establishment, alkaline hydrolysis facility, ~~or~~
1069.19 crematory, or natural organic reduction facility and shall not advertise a service that is
1069.20 available from an unlicensed location.

1069.21 Sec. 38. Minnesota Statutes 2022, section 149A.70, subdivision 3, is amended to read:

1069.22 Subd. 3. **Advertising.** No licensee, clinical student, practicum student, or intern shall
1069.23 publish or disseminate false, misleading, or deceptive advertising. False, misleading, or
1069.24 deceptive advertising includes, but is not limited to:

1069.25 (1) identifying, by using the names or pictures of, persons who are not licensed to practice
1069.26 mortuary science in a way that leads the public to believe that those persons will provide
1069.27 mortuary science services;

1069.28 (2) using any name other than the names under which the funeral establishment, alkaline
1069.29 hydrolysis facility, ~~or~~ crematory, or, effective July 1, 2025, natural organic reduction facility
1069.30 is known to or licensed by the commissioner;

1069.31 (3) using a surname not directly, actively, or presently associated with a licensed funeral
1069.32 establishment, alkaline hydrolysis facility, ~~or~~ crematory, or, effective July 1, 2025, natural
1069.33 organic reduction facility, unless the surname had been previously and continuously used

1070.1 by the licensed funeral establishment, alkaline hydrolysis facility, ~~or~~ crematory, or natural
1070.2 organic reduction facility; and

1070.3 (4) using a founding or establishing date or total years of service not directly or
1070.4 continuously related to a name under which the funeral establishment, alkaline hydrolysis
1070.5 facility, ~~or~~ crematory, or, effective July 1, 2025, natural organic reduction facility is currently
1070.6 or was previously licensed.

1070.7 Any advertising or other printed material that contains the names or pictures of persons
1070.8 affiliated with a funeral establishment, alkaline hydrolysis facility, ~~or~~ crematory, or, effective
1070.9 July 1, 2025, natural organic reduction facility shall state the position held by the persons
1070.10 and shall identify each person who is licensed or unlicensed under this chapter.

1070.11 Sec. 39. Minnesota Statutes 2022, section 149A.70, subdivision 5, is amended to read:

1070.12 Subd. 5. **Reimbursement prohibited.** No licensee, clinical student, practicum student,
1070.13 or intern shall offer, solicit, or accept a commission, fee, bonus, rebate, or other
1070.14 reimbursement in consideration for recommending or causing a dead human body to be
1070.15 disposed of by a specific body donation program, funeral establishment, alkaline hydrolysis
1070.16 facility, crematory, mausoleum, ~~or~~ cemetery, or, effective July 1, 2025, natural organic
1070.17 reduction facility.

1070.18 Sec. 40. Minnesota Statutes 2022, section 149A.71, subdivision 2, is amended to read:

1070.19 Subd. 2. **Preventive requirements.** (a) To prevent unfair or deceptive acts or practices,
1070.20 the requirements of this subdivision must be met. This subdivision applies to natural organic
1070.21 reduction and naturally reduced remains goods and services effective July 1, 2025.

1070.22 (b) Funeral providers must tell persons who ask by telephone about the funeral provider's
1070.23 offerings or prices any accurate information from the price lists described in paragraphs (c)
1070.24 to (e) and any other readily available information that reasonably answers the questions
1070.25 asked.

1070.26 (c) Funeral providers must make available for viewing to people who inquire in person
1070.27 about the offerings or prices of funeral goods or burial site goods, separate printed or
1070.28 typewritten price lists using a ten-point font or larger. Each funeral provider must have a
1070.29 separate price list for each of the following types of goods that are sold or offered for sale:

1070.30 (1) caskets;

1070.31 (2) alternative containers;

- 1071.1 (3) outer burial containers;
- 1071.2 (4) alkaline hydrolysis containers;
- 1071.3 (5) cremation containers;
- 1071.4 (6) hydrolyzed remains containers;
- 1071.5 (7) cremated remains containers;
- 1071.6 (8) markers; ~~and~~
- 1071.7 (9) headstones; and
- 1071.8 (10) naturally reduced remains containers.

1071.9 (d) Each separate price list must contain the name of the funeral provider's place of
1071.10 business, address, and telephone number and a caption describing the list as a price list for
1071.11 one of the types of funeral goods or burial site goods described in paragraph (c), clauses
1071.12 (1) to ~~(9)~~ (10). The funeral provider must offer the list upon beginning discussion of, but
1071.13 in any event before showing, the specific funeral goods or burial site goods and must provide
1071.14 a photocopy of the price list, for retention, if so asked by the consumer. The list must contain,
1071.15 at least, the retail prices of all the specific funeral goods and burial site goods offered which
1071.16 do not require special ordering, enough information to identify each, and the effective date
1071.17 for the price list. However, funeral providers are not required to make a specific price list
1071.18 available if the funeral providers place the information required by this paragraph on the
1071.19 general price list described in paragraph (e).

1071.20 (e) Funeral providers must give a printed price list, for retention, to persons who inquire
1071.21 in person about the funeral goods, funeral services, burial site goods, or burial site services
1071.22 or prices offered by the funeral provider. The funeral provider must give the list upon
1071.23 beginning discussion of either the prices of or the overall type of funeral service or disposition
1071.24 or specific funeral goods, funeral services, burial site goods, or burial site services offered
1071.25 by the provider. This requirement applies whether the discussion takes place in the funeral
1071.26 establishment or elsewhere. However, when the deceased is removed for transportation to
1071.27 the funeral establishment, an in-person request for authorization to embalm does not, by
1071.28 itself, trigger the requirement to offer the general price list. If the provider, in making an
1071.29 in-person request for authorization to embalm, discloses that embalming is not required by
1071.30 law except in certain special cases, the provider is not required to offer the general price
1071.31 list. Any other discussion during that time about prices or the selection of funeral goods,
1071.32 funeral services, burial site goods, or burial site services triggers the requirement to give

1072.1 the consumer a general price list. The general price list must contain the following
1072.2 information:

1072.3 (1) the name, address, and telephone number of the funeral provider's place of business;

1072.4 (2) a caption describing the list as a "general price list";

1072.5 (3) the effective date for the price list;

1072.6 (4) the retail prices, in any order, expressed either as a flat fee or as the prices per hour,
1072.7 mile, or other unit of computation, and other information described as follows:

1072.8 (i) forwarding of remains to another funeral establishment, together with a list of the
1072.9 services provided for any quoted price;

1072.10 (ii) receiving remains from another funeral establishment, together with a list of the
1072.11 services provided for any quoted price;

1072.12 (iii) separate prices for each alkaline hydrolysis, natural organic reduction, or cremation
1072.13 offered by the funeral provider, with the price including an alternative container or alkaline
1072.14 hydrolysis facility or cremation container; any alkaline hydrolysis, natural organic reduction
1072.15 facility, or crematory charges; and a description of the services and container included in
1072.16 the price, where applicable, and the price of alkaline hydrolysis or cremation where the
1072.17 purchaser provides the container;

1072.18 (iv) separate prices for each immediate burial offered by the funeral provider, including
1072.19 a casket or alternative container, and a description of the services and container included
1072.20 in that price, and the price of immediate burial where the purchaser provides the casket or
1072.21 alternative container;

1072.22 (v) transfer of remains to the funeral establishment or other location;

1076.22 of any funeral choice which might be made, or prior approval for embalming has been
1076.23 obtained from an individual legally authorized to make such a decision. In seeking approval
1076.24 to embalm, the funeral provider must disclose that embalming is not required by law except
1076.25 in certain circumstances; that a fee will be charged if a funeral is selected which requires

1078.1 Sec. 50. [149A.955] NATURAL ORGANIC REDUCTION FACILITIES AND
1078.2 NATURAL ORGANIC REDUCTION.

1078.3 Subdivision 1. License required. This section is effective July 1, 2025. A dead human
1078.4 body may only undergo natural organic reduction in this state at a natural organic reduction
1078.5 facility licensed by the commissioner of health.

1078.6 Subd. 2. General requirements. Any building to be used as a natural organic reduction
1078.7 facility must comply with all applicable local and state building codes, zoning laws and
1078.8 ordinances, and environmental standards. A natural organic reduction facility must have on
1078.9 site a natural organic reduction system approved by the commissioner and a motorized
1078.10 mechanical device for processing the remains in natural reduction and must have in the
1078.11 building a refrigerated holding facility for the retention of dead human bodies awaiting
1078.12 natural organic reduction. The holding facility must be secure from access by anyone except
1078.13 the authorized personnel of the natural organic reduction facility, preserve the dignity of
1078.14 the remains, and protect the health and safety of the natural organic reduction facility
1078.15 personnel.

1078.16 Subd. 3. Aerobic reduction vessel. A natural organic reduction facility must use as a
1078.17 natural organic reduction vessel a contained reduction vessel that is designed to promote
1078.18 aerobic reduction and that minimizes odors.

1078.19 Subd. 4. Any room where body is prepared. Any room where the deceased will be
1078.20 prepared for natural organic reduction must be properly lit and ventilated with an exhaust
1078.21 fan. It must be equipped with a functional sink with hot and cold running water. It must

1078.31 authorized family members or their designees is not a violation of this subdivision.

1078.32 (b) The room must, at all times, be secure from the entrance of unauthorized persons.

1078.33 (c) For purposes of this section, "authorized persons" are:

1079.7 (d) Each door allowing ingress or egress must carry a sign that indicates that the room
1079.8 is private and access is limited. All authorized persons who are present in or enter the room
1079.9 while a body is being prepared for final disposition must be attired according to all applicable
1079.10 state and federal regulations regarding the control of infectious disease and occupational
1079.11 and workplace health and safety.

1079.12 Subd. 6. **Areas for vessels or naturally organic reduction operations.** Any rooms or
1079.13 areas where the vessels reside or where any operation takes place involving the handling
1079.14 of the vessels or the remains must be ventilated with exhaust fans. The doors, walls, ceiling,
1079.15 and windows shall be constructed to prevent odors from entering any other part of the
1079.16 building. All windows must be treated in a manner that maintains privacy when the remains
1079.17 are handled. A sanitary condition must be provided. Any area where human remains are
1079.18 transferred, prepared, or processed must have nonpourous flooring, and the walls and ceiling
1079.19 of the rooms must run from floor to ceiling and be covered with tile, or by plaster, sheetrock,
1079.20 or concrete painted with washable paint or other appropriate material, such that a sanitary
1079.21 condition is provided. Access to the vessel holding area must only be granted to individuals
1079.22 outlined in subdivision 5 and to authorized visitors at the discretion of the licensed facility
1079.23 under the direct supervision of trained facility staff, provided that such access does not
1079.24 violate subdivision 18.

1079.25 Subd. 7. **Equipment and supplies.** The natural organic reduction facility must have a
1079.26 functional emergency eye wash and quick drench shower.

1079.27 Subd. 8. **Sanitary conditions and permitted use.** The room where the deceased will
1079.28 be prepared for natural organic reduction, the area where the natural organic reduction
1079.29 vessels are located or where the natural organic reduction operations are undertaken, and
1079.30 all fixtures, equipment, instruments, receptacles, clothing, and other appliances or supplies
1079.31 stored or used in these operations must be maintained in a clean and sanitary condition at
1079.32 all times.

1080.1 Subd. 9. **Occupational and workplace safety.** All applicable provisions of state and
1080.2 federal regulations regarding exposure to workplace hazards and accidents must be followed
1080.3 to protect the health and safety of all authorized persons at the natural organic reduction
1080.4 facility.

1080.5 Subd. 10. **Unlicensed personnel.** A licensed natural organic reduction facility may
1080.6 employ unlicensed personnel, provided that all applicable provisions of this chapter are
1080.7 followed. It is the duty of the licensed natural organic reduction facility to provide proper
1080.8 training for all unlicensed personnel, and the licensed natural organic reduction facility shall
1080.9 be strictly accountable for compliance with this chapter and other applicable state and federal
1080.10 regulations regarding occupational and workplace health and safety.

1080.11 Subd. 11. **Authorization to naturally reduce.** No natural organic reduction facility
1080.12 shall naturally reduce or cause to be naturally reduced any dead human body or identifiable
1080.13 body part without receiving written authorization to do so from the person or persons who
1080.14 have the legal right to control disposition as described in section 149A.80 or the person's
1080.15 legal designee. The written authorization must include:

1080.16 (1) the name of the deceased and the date of death of the deceased;

1080.17 (2) a statement authorizing the natural organic reduction facility to naturally reduce the
1080.18 body;

1080.19 (3) the name, address, phone number, relationship to the deceased, and signature of the
1080.20 person or persons with the legal right to control final disposition or a legal designee;

1080.21 (4) directions for the disposition of any non-naturally reduced materials or items recovered
1080.22 from the natural organic reduction vessel;

1080.23 (5) acknowledgment that some of the remains will be mechanically reduced to a
1080.24 granulated appearance and returned to the natural reduction vessel with the remains for final
1080.25 reduction; and

1080.26 (6) directions for the ultimate disposition of the naturally reduced remains.

1080.27 Subd. 12. **Limitation of liability.** The limitations in section 149A.95, subdivision 5,
1080.28 apply to natural organic reduction facilities.

1080.29 Subd. 13. **Acceptance of delivery of body.** (a) No dead human body shall be accepted
1080.30 for final disposition by natural organic reduction unless the body is:

1080.31 (1) wrapped in a container, such as a pouch, that is impermeable or leak-resistant;

1081.1 (2) accompanied by a disposition permit issued pursuant to section 149A.93, subdivision
1081.2 3, including a photocopy of the complete death record or a signed release authorizing natural
1081.3 organic reduction received from a coroner or medical examiner; and

1081.4 (3) accompanied by a natural organic reduction authorization that complies with
1081.5 subdivision 5.

1081.6 (b) A natural organic reduction facility shall refuse to accept delivery of the dead human
1081.7 body:

1081.8 (1) where there is a known dispute concerning natural organic reduction of the body
1081.9 delivered;

1081.10 (2) where there is a reasonable basis for questioning any of the representations made on
1081.11 the written authorization to naturally reduce; or

1081.12 (3) for any other lawful reason.

1081.13 (c) When a container or pouch containing a dead human body shows evidence of leaking
1081.14 bodily fluid, the container or pouch and the body must be returned to the contracting funeral
1081.15 establishment, or the body must be transferred to a new container or pouch by a licensed
1081.16 mortician.

1081.17 (d) If a dead human body is delivered to a natural organic reduction facility in a container
1081.18 or pouch that is not suitable for placement in a natural organic reduction vessel, the transfer
1081.19 of the body to the vessel must be performed by a licensed mortician.

1081.20 Subd. 14. **Bodies awaiting natural organic reduction.** A dead human body must be
1081.21 placed in the natural organic reduction vessel to initiate the natural reduction process within
1081.22 24 hours after the natural organic reduction facility accepts legal and physical custody of
1081.23 the body.

1081.24 Subd. 15. **Handling of dead human bodies.** All natural organic reduction facility
1081.25 employees handling the containers or pouches for dead human bodies shall use universal
1081.26 precautions and otherwise exercise all reasonable precautions to minimize the risk of
1081.27 transmitting any communicable disease from the body. No dead human body shall be
1081.28 removed from the container or pouch in which it is delivered to the natural organic reduction
1081.29 facility without express written authorization of the person or persons with legal right to
1081.30 control the disposition and only by a licensed mortician. The remains shall be considered
1081.31 a dead human body until after the final reduction. The person or persons with the legal right
1081.32 to control the body may be involved with preparation of the body pursuant to section
1081.33 149A.01, subdivision 3, paragraph (c).

1082.1 Subd. 16. **Identification of the body.** All licensed natural organic reduction facilities
1082.2 shall develop, implement, and maintain an identification procedure whereby dead human
1082.3 bodies can be identified from the time the natural organic reduction facility accepts delivery
1082.4 of the body until the naturally reduced remains are released to an authorized party. After
1082.5 natural organic reduction, an identifying disk, tab, or other permanent label shall be placed
1082.6 within the naturally reduced remains container or containers before the remains are released
1082.7 from the natural organic reduction facility. Each identification disk, tab, or label shall have
1082.8 a number that shall be recorded on all paperwork regarding the decedent. This procedure
1082.9 shall be designed to reasonably ensure that the proper body is naturally reduced and that
1082.10 the remains are returned to the appropriate party. Loss of all or part of the remains or the
1082.11 inability to individually identify the remains is a violation of this subdivision.

1082.12 Subd. 17. **Natural organic reduction vessel for human remains.** A licensed natural
1082.13 organic reduction facility shall knowingly naturally reduce only dead human bodies or
1082.14 human remains in a natural organic reduction vessel.

1082.15 Subd. 18. **Natural organic reduction procedures; privacy.** The final disposition of
1082.16 dead human bodies by natural organic reduction shall be done in privacy. Unless there is
1082.17 written authorization from the person with the legal right to control the final disposition,
1082.18 only authorized natural organic reduction facility personnel shall be permitted in the natural
1082.19 organic reduction area while any human body is awaiting placement or being placed in a
1082.20 natural organic reduction vessel, being removed from the vessel, or being processed for
1082.21 placement for final reduction. This does not prohibit an in-person laying-in ceremony to
1082.22 honor the deceased and the transition prior to the placement.

1082.23 Subd. 19. **Natural organic reduction procedures; commingling of bodies**
1082.24 **prohibited.** Except with the express written permission of the person with the legal right
1082.25 to control the final disposition, no natural organic reduction facility shall naturally reduce
1082.26 more than one dead human body at the same time and in the same natural organic reduction
1082.27 vessel or introduce a second dead human body into same natural organic reduction vessel
1082.28 until reasonable efforts have been employed to remove all fragments of remains from the
1082.29 preceding natural organic reduction. This subdivision does not apply where commingling
1082.30 of human remains during natural organic reduction is otherwise provided by law. The fact
1082.31 that there is incidental and unavoidable residue in the natural organic reduction vessel used
1082.32 in a prior natural organic reduction is not a violation of this subdivision.

1082.33 Subd. 20. **Natural organic reduction procedures; removal from natural organic**
1082.34 **reduction vessel.** Upon completion of the natural organic reduction process, reasonable
1082.35 efforts shall be made to remove from the natural organic reduction vessel all the recoverable

1083.1 remains. The remains shall be transported to the processing area, and any non-naturally
1083.2 reducible materials or items shall be separated from the remains and disposed of, in any
1083.3 lawful manner, by the natural organic reduction facility.

1083.4 Subd. 21. **Natural organic reduction procedures; processing remains.** The remains
1083.5 that remain intact shall be reduced by a motorized mechanical processor to a granulated
1083.6 appearance. The granulated remains and the rest of the naturally reduced remains shall be
1083.7 returned to a natural organic reduction vessel for final reduction. The remains shall be
1083.8 considered a dead human body until after the final reduction.

1083.9 Subd. 22. **Natural organic reduction procedures; commingling of remains**
1083.10 **prohibited.** Except with the express written permission of the person with the legal right
1083.11 to control the final deposition or otherwise provided by law, no natural organic reduction
1083.12 facility shall mechanically process the remains of more than one body at a time in the same
1083.13 mechanical processor or introduce the remains of a second body into a mechanical processor
1083.14 until reasonable efforts have been employed to remove all fragments of remains already in
1083.15 the processor. The fact that there is incidental and unavoidable residue in the mechanical
1083.16 processor is not a violation of this subdivision.

1083.17 Subd. 23. **Natural organic reduction procedures; testing naturally reduced**
1083.18 **remains.** A natural organic reduction facility must:

1083.19 (1) ensure that the material in the natural organic reduction vessel naturally reaches and
1083.20 maintains a minimum temperature of 131 degrees Fahrenheit for a minimum of 72
1083.21 consecutive hours during the process of natural organic reduction;

1083.22 (2) analyze each instance of the naturally reduced remains for physical contaminants,
1083.23 including but not limited to intact bone, dental fillings, and medical implants, and ensure
1083.24 naturally reduced remains have less than 0.01 mg/kg dry weight of any physical contaminants;

1083.25 (3) collect material samples for analysis that are representative of each instance of natural
1083.26 organic reduction, using a sampling method such as those described in the U.S. Composting
1083.27 Council 2002 Test Methods for the Examination of Composting and Compost, method
1083.28 02.01-A through E;

1083.29 (4) develop and use a natural organic reduction process in which the naturally reduced
1083.30 remains from the process do not exceed the following limits:

| 1083.31 | <u>Metals and other testing</u> | <u>Limit (mg/kg dry weight), unless otherwise</u> |
|---------|--|--|
| 1083.32 | <u>parameters</u> | <u>specified</u> |
| 1083.33 | | <u>Less than 1,000 most probable number per gram</u> |
| 1083.34 | <u>Fecal coliform</u> | <u>of total solids (dry weight)</u> |

| | | |
|--------|-------------------|---|
| 1084.1 | | <u>Less than 3 most probable number per 4 grams</u> |
| 1084.2 | <u>Salmonella</u> | <u>of total solids (dry weight)</u> |
| 1084.3 | <u>Arsenic</u> | <u>Less than or equal to 11 ppm</u> |
| 1084.4 | <u>Cadmium</u> | <u>Less than or equal to 7.1 ppm</u> |
| 1084.5 | <u>Lead</u> | <u>Less than or equal to 150 ppm</u> |
| 1084.6 | <u>Mercury</u> | <u>Less than or equal to 5 ppm</u> |
| 1084.7 | <u>Selenium</u> | <u>Less than or equal to 18 ppm;</u> |

1084.8 (5) analyze, using a third-party laboratory, the natural organic reduction facility's material
1084.9 samples of naturally reduced remains according to the following schedule:

1084.10 (i) the natural organic reduction facility must analyze each of the first 20 instances of
1084.11 naturally reduced remains for the parameters in clause (4);

1084.12 (ii) if any of the first 20 instances of naturally reduced remains yield results exceeding
1084.13 the limits in clause (4), the natural organic reduction facility must conduct appropriate
1084.14 processes to correct the levels of the substances in clause (4) and have the resultant remains
1084.15 tested to ensure they fall within the identified limits;

1084.16 (iii) if any of the first 20 instances of naturally reduced remains yield results exceeding
1084.17 the limits in clause (4), the natural organic reduction facility must analyze each additional
1084.18 instance of naturally reduced remains for the parameters in clause (4) until a total of 20
1084.19 samples, not including those from remains that were reprocessed as required in item (ii),
1084.20 have yielded results within the limits in clause (4) on initial testing;

1084.21 (iv) after 20 material samples of naturally reduced remains have met the limits in clause
1084.22 (4), the natural organic reduction facility must analyze at least 25 percent of the natural
1084.23 organic reduction facility's monthly instances of naturally reduced remains for the parameters
1084.24 in clause (4) until 80 total material samples of naturally reduced remains are found to meet
1084.25 the limits in clause (4), not including any samples that required reprocessing to meet those
1084.26 limits; and

1084.27 (v) after 80 material samples of naturally reduced remains are found to meet the limits
1084.28 in clause (4), the natural organic reduction facility must analyze at least one randomly chosen
1084.29 instance of naturally reduced remains each month for the parameters in clause (4). If fecal
1084.30 coliform or salmonella in the tested remains exceeds the limit for that substance in clause
1084.31 (4), the natural organic reduction facility must analyze each subsequent instance of naturally
1084.32 reduced remains for fecal coliform and salmonella until ten total material samples are found
1084.33 to meet the limits for those substances in clause (4) on initial testing, demonstrating the
1084.34 natural organic reduction process was effectively corrected;

1085.1 (6) comply with any testing requirements established by the commissioner for content
1085.2 parameters in addition to those specified in clause (4);

1085.3 (7) not release any naturally reduced remains that exceed the limits in clause (4); and

1085.4 (8) prepare, maintain, and provide to the commissioner upon request, a report for each
1085.5 calendar year detailing the natural organic reduction facility's activities during the previous
1085.6 calendar year. The report must include the following information:

1085.7 (i) the name and address of the natural organic reduction facility;

1085.8 (ii) the calendar year covered by the report;

1085.9 (iii) the annual quantity of naturally reduced remains;

1085.10 (iv) the results of any laboratory analyses of naturally reduced remains; and

1085.11 (v) any additional information required by the commissioner.

1085.12 **Subd. 24. Natural organic reduction procedures; use of more than one naturally**
1085.13 **reduced remains container.** If the naturally reduced remains are to be separated into two
1085.14 or more naturally reduced remains containers according to the directives provided in the
1085.15 written authorization for natural organic reduction, all of the containers shall contain duplicate
1085.16 identification disks, tabs, or permanent labels and all paperwork regarding the given body
1085.17 shall include a notation of the number of and disposition of each container, as provided in
1085.18 the written authorization.

1085.19 **Subd. 25. Natural organic reduction procedures; disposition of accumulated**
1085.20 **residue.** Every natural organic reduction facility shall provide for the removal and disposition
1085.21 of any accumulated residue from any natural organic reduction vessel, mechanical processor,
1085.22 or other equipment used in natural organic reduction. Disposition of accumulated residue
1085.23 shall be by any lawful manner deemed appropriate.

1085.24 **Subd. 26. Natural organic reduction procedures; release of naturally reduced**
1085.25 **remains.** Following completion of the natural organic reduction process, the inurned naturally
1085.26 reduced remains shall be released according to the instructions given on the written
1085.27 authorization for natural organic reduction. If the remains are to be shipped, they must be
1085.28 securely packaged and transported by a method that has an internal tracing system available
1085.29 and which provides a receipt signed by the person accepting delivery. Where there is a
1085.30 dispute over release or disposition of the naturally reduced remains, a natural organic
1085.31 reduction facility may deposit the naturally reduced remains in accordance with the directives
1085.32 of a court of competent jurisdiction pending resolution of the dispute or retain the naturally
1085.33 reduced remains until the person with the legal right to control disposition presents

1086.1 satisfactory indication that the dispute is resolved. A natural organic reduction facility must
1086.2 make every effort to ensure naturally reduced remains are not sold or used for commercial
1086.3 purposes.

1086.4 Subd. 27. **Unclaimed naturally reduced remains.** If, after 30 calendar days following
1086.5 the inurnment, the naturally reduced remains are not claimed or disposed of according to
1086.6 the written authorization for natural organic reduction, the natural organic reduction facility
1086.7 shall give written notice, by certified mail, to the person with the legal right to control the
1086.8 final disposition or a legal designee, that the naturally reduced remains are unclaimed and
1086.9 requesting further release directions. Should the naturally reduced remains be unclaimed
1086.10 120 calendar days following the mailing of the written notification, the natural organic
1086.11 reduction facility may return the remains to the earth respectfully in any lawful manner
1086.12 deemed appropriate.

1086.13 Subd. 28. **Required records.** Every natural organic reduction facility shall create and
1086.14 maintain on its premises or other business location in Minnesota an accurate record of every
1086.15 natural organic reduction provided. The record shall include all of the following information
1086.16 for each natural organic reduction:

1086.17 (1) the name of the person or funeral establishment delivering the body for natural
1086.18 organic reduction;

1086.19 (2) the name of the deceased and the identification number assigned to the body;

1086.20 (3) the date of acceptance of delivery;

1086.21 (4) the names of the operator of the natural organic reduction process and mechanical
1086.22 processor operator;

1086.23 (5) the times and dates that the body was placed in and removed from the natural organic
1086.24 reduction vessel;

1086.25 (6) the time and date that processing and inurnment of the naturally reduced remains
1086.26 was completed;

1086.27 (7) the time, date, and manner of release of the naturally reduced remains;

1086.28 (8) the name and address of the person who signed the authorization for natural organic
1086.29 reduction;

1086.30 (9) all supporting documentation, including any transit or disposition permits, a photocopy
1086.31 of the death record, and the authorization for natural organic reduction; and

1086.32 (10) the type of natural organic reduction vessel.

1087.1 Subd. 29. **Retention of records.** Records required under subdivision 28 shall be
1087.2 maintained for a period of three calendar years after the release of the naturally reduced
1087.3 remains. Following this period and subject to any other laws requiring retention of records,
1087.4 the natural organic reduction facility may then place the records in storage or reduce them
1087.5 to microfilm, a digital format, or any other method that can produce an accurate reproduction
1087.6 of the original record, for retention for a period of ten calendar years from the date of release
1087.7 of the naturally reduced remains. At the end of this period and subject to any other laws
1087.8 requiring retention of records, the natural organic reduction facility may destroy the records
1087.9 by shredding, incineration, or any other manner that protects the privacy of the individuals
1087.10 identified.

1087.11 Sec. 51. **STILLBIRTH PREVENTION THROUGH TRACKING FETAL**
1087.12 **MOVEMENT PILOT PROGRAM.**

1087.13 Subdivision 1. **Grant.** The commissioner of health shall issue a grant to a grant recipient
1087.14 to support a stillbirth prevention through tracking fetal movement pilot program and to
1087.15 provide evidence of the efficacy of tracking fetal movements in preventing stillbirths in
1087.16 Minnesota. The pilot program shall operate in fiscal years 2025, 2026, and 2027.

1087.17 Subd. 2. **Use of grant funds.** The grant recipient must use grant funds:

1087.18 (1) for activities to ensure that expectant parents in Minnesota receive information about
1087.19 the importance of tracking fetal movement in the third trimester of pregnancy, by providing
1087.20 evidence-based information to organizations that include but are not limited to community
1087.21 organizations, hospitals, birth centers, maternal health providers, and higher education
1087.22 institutions that educate maternal health providers;

1087.23 (2) to provide maternal health providers and expectant parents in Minnesota with access
1087.24 to free, evidence-based educational materials on fetal movement tracking, including
1087.25 brochures, posters, reminder cards, continuing education materials, and digital resources;

1087.26 (3) to assist in raising awareness with health care providers about:

1087.27 (i) the availability of free fetal movement tracking education for providers through an
1087.28 initial education campaign;

1087.29 (ii) the importance of tracking fetal movement in the third trimester of pregnancy by
1087.30 offering at least three to five webinars and conferences per year; and

1087.31 (iii) the importance of tracking fetal movement in the third trimester of pregnancy through
1087.32 provider participation in a public relations campaign; and

1088.1 (4) to assist in raising public awareness about the availability of free fetal movement
1088.2 tracking resources through social media marketing and traditional marketing throughout
1088.3 Minnesota.

1088.4 Subd. 3. **Data-sharing and monitoring.** (a) During the operation of the pilot program,
1088.5 the grant recipient shall provide the following information to the commissioner on at least
1088.6 a quarterly basis:

1088.7 (1) the number of educational materials distributed under the pilot program, broken
1088.8 down by zip code and the type of facility or organization that ordered the materials, including
1088.9 hospitals, birth centers, maternal health clinics, WIC clinics, and community organizations;

1088.10 (2) the number of fetal movement tracking application downloads that may be attributed
1088.11 to the pilot program, broken down by zip code;

1088.12 (3) the reach of and engagement with marketing materials provided under the pilot
1088.13 program; and

1088.14 (4) provider attendance and participation in awareness-raising events under the pilot
1088.15 program, such as webinars and conferences.

1088.16 (b) Each year during the pilot program and at the conclusion of the pilot program, the
1088.17 grant recipient shall provide the commissioner with an annual report that includes information
1088.18 on how the pilot program has affected:

1088.19 (1) fetal death rates in Minnesota;

1088.20 (2) fetal death rates in Minnesota among American Indian, Black, Hispanic, and Asian
1088.21 Pacific Islander populations; and

1088.22 (3) fetal death rates by region in Minnesota.

1088.23 Subd. 4. **Reports.** The commissioner must submit to the legislative committees with
1088.24 jurisdiction over public health an interim report and a final report on the operation of the
1088.25 pilot program. The interim report must be submitted by December 1, 2025, and the final
1088.26 report must be submitted by December 1, 2027. Each report must at least describe the pilot
1088.27 program's operations and provide information, to the extent available, on the effectiveness
1088.28 of the pilot program in preventing stillbirths in Minnesota, including lessons learned in
1088.29 implementing the pilot program and recommendations for future action.

1089.13 directly to the commissioner. Financial statements of major participating entities are subject
1089.14 to the provisions of section 13.37, subdivision 1, clause (b), upon request of the major

1091.1 (c) Data submitted to the commissioner under paragraphs (a) and (b) are classified as
1091.2 nonpublic data, as defined in section 13.02, subdivision 9.

1091.3 Subd. 4. **Enforcement and exceptions.** (a) Any health care entity subject to reporting
1091.4 under this section that fails to provide data in the form and manner prescribed by the
1091.5 commissioner is subject to a fine paid to the commissioner of up to \$500 for each day the

1091.11 each year thereafter, the commissioner shall submit to the chairs and ranking minority
1091.12 members of the legislative committees with jurisdiction over health care finance and policy,
1091.13 a report that aggregates the data submitted under subdivision 3, paragraphs (a) and (b). The
1091.14 following information must be included in the report for all 340B entities whose net 340B

1091.16 revenue across all 340B covered entities in Minnesota:

1091.17 (1) the information submitted under subdivision 2; and

1091.18 (2) for each 340B entity identified in subdivision 2, that entity's 340B net revenue as
1091.19 calculated using the data submitted under subdivision 3, paragraph (a), with net revenue
1091.20 being subdivision 3, paragraph (a), clause (2), less the sum of subdivision 3, paragraph (a),
1091.21 clauses (1) and (4).

1091.22 For all other entities, the data in the report must be aggregated to the entity type or groupings
1091.23 of entity types in a manner that prevents the identification of an individual entity and any
1091.24 entity's specific data value reported for an individual data element.

1091.28 an email address for submission of comments from interested parties to provide input about
1091.29 the effectiveness of and continued need for the rulemaking procedures set out in subdivision
1091.30 2 and about the quality and effectiveness of rules adopted using these procedures. The
1091.31 commissioner shall seek comments by holding a meeting and by publishing a notice in the
1091.32 State Register that contains the date, time, and location of the meeting and a statement that
1091.33 invites oral or written comments. The notice must be published at least 30 days before the

1092.8 January 31, 2024, and quarterly thereafter, the commissioner shall produce and post on the
1092.9 department's website a list of prescription drugs that the commissioner determines to represent
1092.10 a substantial public interest and for which the commissioner intends to request data under
1092.11 subdivisions 11 to 14, subject to paragraph (c). The commissioner shall base its inclusion
1092.12 of prescription drugs on any information the commissioner determines is relevant to providing
1092.13 greater consumer awareness of the factors contributing to the cost of prescription drugs in

1133.7 (e) A health plan shall not require prior authorization or step therapy for preexposure

1152.30 Subd. 13f. **Prior authorization.** (a) The Formulary Committee shall review and
1152.31 recommend drugs which require prior authorization. The Formulary Committee shall
1152.32 establish general criteria to be used for the prior authorization of brand-name drugs for

1153.1 which generically equivalent drugs are available, but the committee is not required to review
1153.2 each brand-name drug for which a generically equivalent drug is available.

1153.3 (b) Prior authorization may be required by the commissioner before certain formulary
1153.4 drugs are eligible for payment. The Formulary Committee may recommend drugs for prior
1153.5 authorization directly to the commissioner. The commissioner may also request that the
1153.6 Formulary Committee review a drug for prior authorization. Before the commissioner may
1153.7 require prior authorization for a drug:

1153.8 (1) the commissioner must provide information to the Formulary Committee on the
1153.9 impact that placing the drug on prior authorization may have on the quality of patient care
1153.10 and on program costs, information regarding whether the drug is subject to clinical abuse
1153.11 or misuse, and relevant data from the state Medicaid program if such data is available;

1153.12 (2) the Formulary Committee must review the drug, taking into account medical and
1153.13 clinical data and the information provided by the commissioner; and

1153.14 (3) the Formulary Committee must hold a public forum and receive public comment for
1153.15 an additional 15 days.

1153.22 (2) the drug was initially prescribed for the recipient prior to July 1, 2003; or

1153.23 (3) the drug is part of the recipient's current course of treatment.

1153.24 This paragraph applies to any multistate preferred drug list or supplemental drug rebate
1153.25 program established or administered by the commissioner. Prior authorization shall
1153.26 automatically be granted for 60 days for brand name drugs prescribed for treatment of mental
1153.27 illness within 60 days of when a generically equivalent drug becomes available, provided

1154.8 condition. If more than one version of the oral liquid form of a drug is available, the
1154.9 commissioner may select the version that is able to be approved for a Food and Drug
1154.10 Administration-approved condition for a patient who utilizes an enteral tube for feedings
1154.11 or medication administration. This paragraph applies to any multistate preferred drug list
1154.12 or supplemental drug rebate program established or administered by the commissioner. The
1154.13 commissioner shall design and implement a streamlined prior authorization form for patients
1154.14 who utilize an enteral tube for feedings or medication administration and are prescribed an
1154.15 oral liquid form of a drug. The commissioner may require prior authorization for brand

1154.18 by section 151.21, subdivision 2.

1154.19 (f) Notwithstanding this subdivision, the commissioner may automatically require prior

1154.22 begins no later than the first day that a drug is available for shipment to pharmacies within
1154.23 the state. The Formulary Committee shall recommend to the commissioner general criteria
1154.24 to be used for the prior authorization of the drugs, but the committee is not required to
1154.25 review each individual drug. In order to continue prior authorizations for a drug after the
1154.26 180-day period has expired, the commissioner must follow the provisions of this subdivision.

1154.27 (g) Prior authorization under this subdivision shall comply with section 62Q.184.

1154.28 (h) Any step therapy protocol requirements established by the commissioner must comply
1154.29 with section 62Q.1841.

1155.8 administration program unless the vaccines qualify for 100 percent federal funding or are
1155.9 mandated by the Centers for Medicare and Medicaid Services to be covered outside of the
1155.10 Vaccines for Children program.

1182.2 Medicaid rate is not eligible for the CCBHC rate methodology;

1182.3 (7) payments for CCBHC services to individuals enrolled in managed care shall be
1182.4 coordinated with the state's phase-out of CCBHC wrap payments. The commissioner shall
1182.5 complete the phase-out of CCBHC wrap payments within 60 days of the implementation
1182.6 of the CCBHC daily bundled rate system in the Medicaid Management Information System
1182.7 (MMIS), for CCBHCs reimbursed under this chapter, with a final settlement of payments

1182.9 (8) the CCBHC daily bundled rate for each CCBHC shall be updated by trending each
1182.10 provider-specific rate by the Medicare Economic Index for primary care services. This

1182.14 (9) a CCBHC may request a rate adjustment for changes in the CCBHC's scope of

1182.16 rate by 2.5 percent or more. The CCBHC must provide the commissioner with information
1182.17 regarding the changes in the scope of services, including the estimated cost of providing
1182.18 the new or modified services and any projected increase or decrease in the number of visits

1182.25 any contract year, federal approval is not received for this paragraph, the commissioner
1182.26 must adjust the capitation rates paid to managed care plans and county-based purchasing
1182.27 plans for that contract year to reflect the removal of this provision. Contracts between

1182.29 applies must allow recovery of payments from those providers if capitation rates are adjusted
1182.30 in accordance with this paragraph. Payment recoveries must not exceed the amount equal
1182.31 to any increase in rates that results from this provision. This paragraph expires if federal
1182.32 approval is not received for this paragraph at any time.

1183.4 paragraph (c);

1183.5 (2) a CCBHC must be certified and enrolled as a CCBHC for the entire measurement
1183.6 year to be eligible for incentive payments;

1183.11 shall notify CCBHC providers of their performance on the required measures and the
1183.12 incentive payment amount within 12 months following the measurement year.

1183.13 (f) All claims to managed care plans for CCBHC services as provided under this section
1183.14 shall be submitted directly to, and paid by, the commissioner on the dates specified no later

1183.17 payment of clean claims to CCBHCs, as defined in Code of Federal Regulations, title 42,
1183.18 section 447.45(b), and the managed care plan does not resolve the payment issue within 30
1183.19 days of noncompliance; and

1183.20 (2) the total amount of clean claims not paid in accordance with federal requirements
1183.21 by one or more managed care plans is 50 percent of, or greater than, the total CCBHC claims

1192.4 Sec. 28. Laws 2023, chapter 70, article 1, section 35, is amended to read:

1192.5 Sec. 35. Minnesota Statutes 2022, section 256B.761, is amended to read:

1192.6 **256B.761 REIMBURSEMENT FOR MENTAL HEALTH SERVICES.**

1192.11 1999 charges.

1192.12 (b) Effective July 1, 2001, the medical assistance rates for outpatient mental health
1192.13 services provided by an entity that operates: (1) a Medicare-certified comprehensive
1192.14 outpatient rehabilitation facility; and (2) a facility that was certified prior to January 1, 1993,
1192.15 with at least 33 percent of the clients receiving rehabilitation services in the most recent
1192.16 calendar year who are medical assistance recipients, will be increased by 38 percent, when
1192.17 those services are provided within the comprehensive outpatient rehabilitation facility and
1192.18 provided to residents of nursing facilities owned by the entity.

1192.19 (c) In addition to rate increases otherwise provided, the commissioner may restructure
1192.20 coverage policy and rates to improve access to adult rehabilitative mental health services
1192.21 under section 256B.0623 and related mental health support services under section 256B.021,
1192.22 subdivision 4, paragraph (f), clause (2). For state fiscal years 2015 and 2016, the projected
1192.23 state share of increased costs due to this paragraph is transferred from adult mental health
1192.24 grants under sections 245.4661 and 256E.12. The transfer for fiscal year 2016 is a permanent
1192.25 base adjustment for subsequent fiscal years. Payments made to managed care plans and
1192.26 county-based purchasing plans under sections 256B.69, 256B.692, and 256L.12 shall reflect
1192.27 the rate changes described in this paragraph.

1192.28 (d) Any ratables effective before July 1, 2015, do not apply to early intensive
1192.29 developmental and behavioral intervention (EIDBI) benefits described in section 256B.0949.

1192.30 (e) Effective for services rendered on or after January 1, 2024, payment rates for
1192.31 behavioral health services included in the rate analysis required by Laws 2021, First Special
1192.32 Session chapter 7, article 17, section 18, except for adult day treatment services under section

1193.1 256B.0671, subdivision 3; early intensive developmental and behavioral intervention services
 1193.2 under section 256B.0949; and substance use disorder services under chapter 254B, must be
 1193.3 increased by three percent from the rates in effect on December 31, 2023. Effective for
 1193.4 services rendered on or after January 1, 2025, payment rates for behavioral health services
 1193.5 included in the rate analysis required by Laws 2021, First Special Session chapter 7, article
 1193.6 17, section 18, ~~except for adult day treatment services under section 256B.0671, subdivision~~
 1193.7 ~~3~~; early intensive developmental behavioral intervention services under section 256B.0949;
 1193.8 and substance use disorder services under chapter 254B, must be annually adjusted according
 1193.9 to the change from the midpoint of the previous rate year to the midpoint of the rate year
 1193.10 for which the rate is being determined using the Centers for Medicare and Medicaid Services
 1193.11 Medicare Economic Index as forecasted in the fourth quarter of the calendar year before
 1193.12 the rate year. For payments made in accordance with this paragraph, if and to the extent
 1193.13 that the commissioner identifies that the state has received federal financial participation
 1193.14 for behavioral health services in excess of the amount allowed under United States Code,
 1193.15 title 42, section 447.321, the state shall repay the excess amount to the Centers for Medicare
 1193.16 and Medicaid Services with state money and maintain the full payment rate under this
 1193.17 paragraph. This paragraph does not apply to federally qualified health centers, rural health
 1193.18 centers, Indian health services, certified community behavioral health clinics, cost-based
 1193.19 rates, and rates that are negotiated with the county. This paragraph expires upon legislative
 1193.20 implementation of the new rate methodology resulting from the rate analysis required by
 1193.21 Laws 2021, First Special Session chapter 7, article 17, section 18.

1193.22 (f) Effective January 1, 2024, the commissioner shall increase capitation payments made
 1193.23 to managed care plans and county-based purchasing plans to reflect the behavioral health
 1193.24 service rate increase provided in paragraph (e). Managed care and county-based purchasing
 1193.25 plans must use the capitation rate increase provided under this paragraph to increase payment
 1193.26 rates to behavioral health services providers. The commissioner must monitor the effect of
 1193.27 this rate increase on enrollee access to behavioral health services. If for any contract year
 1193.28 federal approval is not received for this paragraph, the commissioner must adjust the
 1193.29 capitation rates paid to managed care plans and county-based purchasing plans for that
 1193.30 contract year to reflect the removal of this provision. Contracts between managed care plans
 1193.31 and county-based purchasing plans and providers to whom this paragraph applies must
 1193.32 allow recovery of payments from those providers if capitation rates are adjusted in accordance
 1193.33 with this paragraph. Payment recoveries must not exceed the amount equal to any increase
 1193.34 in rates that results from this provision.

1194.1 **EFFECTIVE DATE.** This section is effective January 1, 2025, or upon federal approval,
1194.2 whichever is later. The commissioner of human services shall notify the revisor of statutes
1194.3 when federal approval is obtained.

1205.12 who does not comply with applicable law or rule.

1205.13 When applying sanctions authorized under this section, the commissioner shall consider

1205.15 on the health, safety, or rights of persons served by the program.

1205.16 (b) If a license holder appeals the suspension or revocation of a license and the license

1206.1 (d) Failure to reapply or closure of a license issued under this chapter by the license

1225.19 upon to disqualify the individual was incorrect or inaccurate and the commissioner determines
1225.20 that the information relied upon to disqualify the individual is correct, the commissioner

1227.3 to permit the adopted individual with a permanent disqualification to remain affiliated with
1227.4 the license holder under the conditions of the variance when the variance is recommended
1227.5 by the county of responsibility for each of the remaining individuals in placement in the
1227.6 home and the licensing agency for the home.

1227.7 (e) For an individual 18 years of age or older affiliated with a licensed family foster

1228.19 (7) documentation of approved therapeutic holds;

1228.20 (8) the use of law enforcement personnel as described in subdivision 4;

1228.21 (9) standards governing emergency use of seclusion. Seclusion must be used only when
1228.22 less restrictive measures are ineffective or not feasible. The standards in items (i) to (vii)
1228.23 must be met when seclusion is used with a patient:

1228.24 (i) seclusion must be employed solely for the purpose of preventing a patient from
1228.25 imminent danger of harming self or others;

1228.26 (ii) seclusion rooms must be equipped in a manner that prevents patients from self-harm
1228.27 using projections, windows, electrical fixtures, or hard objects, and must allow the patient
1228.28 to be readily observed without being interrupted;

1228.29 (iii) seclusion must be authorized by the program director, a licensed physician, a

1229.2 seclusion, according to written policies;

1229.3 (iv) patients must not be placed in seclusion for more than 12 hours at any one time;

1229.4 (v) once the condition of a patient in seclusion has been determined to be safe enough
1229.5 to end continuous observation, a patient in seclusion must be observed at a minimum of
1229.6 every 15 minutes for the duration of seclusion and must always be within hearing range of
1229.7 program staff;

1229.8 (vi) a process for program staff to use to remove a patient to other resources available
1229.9 to the facility if seclusion does not sufficiently assure patient safety; and

1229.10 (vii) a seclusion area may be used for other purposes, such as intensive observation, if
1229.11 the room meets normal standards of care for the purpose and if the room is not locked; and

1229.12 (10) physical holds may only be used when less restrictive measures are not feasible.

1229.13 The standards in items (i) to (iv) must be met when physical holds are used with a patient:

1229.14 (i) physical holds must be employed solely for preventing a patient from imminent
1229.15 danger of harming self or others;

1229.16 (ii) physical holds must be authorized by the program director, a licensed physician, a
1229.17 registered nurse, or a physician assistant. If one of these individuals is not present in the
1229.18 facility, the program director or a licensed physician, registered nurse, or physician assistant
1229.19 must be contacted and authorization must be obtained within 30 minutes of initiating a
1229.20 physical hold, according to written policies;

1229.21 (iii) the patient's health concerns must be considered in deciding whether to use physical
1229.22 holds and which holds are appropriate for the patient; and

1229.23 (iv) only approved holds may be utilized. Prone and contraindicated holds are not allowed
1229.24 according to section 245A.211 and must not be authorized.

1229.25 **EFFECTIVE DATE.** This section is effective the day following final enactment.

1229.26 Sec. 29. Minnesota Statutes 2022, section 245F.14, is amended by adding a subdivision
1229.27 to read:

1229.31 registered nurse as required by subdivision 4, and a medical director as required by
1229.32 subdivision 5. The license holder must notify the commissioner of the staffing change on

1230.1 a form approved by the commissioner and include the name of the staff person now assigned
1230.2 to the key staff position and the staff person's qualifications for the position. The license
1230.3 holder must notify the program licensor of a vacancy to discuss how the duties of the key
1230.4 staff position will be fulfilled during the vacancy.

1230.5 **EFFECTIVE DATE.** This section is effective January 1, 2025.

1230.6 Sec. 30. Minnesota Statutes 2022, section 245F.17, is amended to read:

1230.13 (2) documentation of the staff member's current professional license or registration, if
1230.14 relevant;

1230.15 (3) documentation of orientation and subsequent training; and

1230.16 (4) ~~documentation of a statement of freedom from substance use problems; and~~

1230.17 ~~(5) an annual job performance evaluation.~~

1230.19 Sec. 31. Minnesota Statutes 2022, section 245G.07, subdivision 4, is amended to read:

1230.20 **Subd. 4. Location of service provision.** ~~The license holder may provide services at any~~
1230.21 ~~of the license holder's licensed locations or at another suitable location including a school,~~
1230.22 ~~government building, medical or behavioral health facility, or social service organization,~~
1230.23 ~~upon notification and approval of the commissioner. If services are provided off site from~~
1230.24 ~~the licensed site, the reason for the provision of services remotely must be documented.~~
1230.25 ~~The license holder may provide additional services under subdivision 2, clauses (2) to (5),~~
1230.26 ~~off site if the license holder includes a policy and procedure detailing the off-site location~~
1230.27 ~~as a part of the treatment service description and the program abuse prevention plan.~~

1230.28 (a) The license holder must provide all treatment services a client receives at one of the
1230.29 license holder's substance use disorder treatment licensed locations or at a location allowed
1230.30 under paragraphs (b) to (f). If the services are provided at the locations in paragraphs (b) to
1230.31 (d), the license holder must document in the client record the location services were provided.

1231.1 (b) The license holder may provide nonresidential individual treatment services at a
1231.2 client's home or place of residence.

1231.3 (c) If the license holder provides treatment services by telehealth, the services must be
1231.4 provided according to this paragraph:

1231.5 (1) the license holder must maintain a licensed physical location in Minnesota where
1231.6 the license holder must offer all treatment services in subdivision 1, paragraph (a), clauses
1231.7 (1) to (4), physically in-person to each client;

1231.8 (2) the license holder must meet all requirements for the provision of telehealth in sections
1231.9 254B.05, subdivision 5, paragraph (f), and 256B.0625, subdivision 3b. The license holder
1231.10 must document all items in section 256B.0625, subdivision 3b, paragraph (c), for each client
1231.11 receiving services by telehealth, regardless of payment type or whether the client is a medical
1231.12 assistance enrollee;

1231.13 (3) the license holder may provide treatment services by telehealth to clients individually;

1231.14 (4) the license holder may provide treatment services by telehealth to a group of clients
1231.15 that are each in a separate physical location;

1231.16 (5) the license holder must not provide treatment services remotely by telehealth to a
1231.17 group of clients meeting together in person, unless permitted under clause (7);

1231.18 (6) clients and staff may join an in-person group by telehealth if a staff member qualified
1231.19 to provide the treatment service is physically present with the group of clients meeting
1231.20 together in person; and

1231.21 (7) the qualified professional providing a residential group treatment service by telehealth

1231.23 being provided. If weather conditions or short-term illness prohibit a qualified professional
1231.24 from traveling to the residential program and another qualified professional is not available
1231.25 to provide the service, a qualified professional may provide a residential group treatment
1231.26 service by telehealth from a location away from the licensed residential location. In such
1231.27 circumstances, the license holder must ensure that a qualified professional does not provide
1231.28 a residential group treatment service by telehealth from a location away from the licensed
1231.29 residential location for more than one day at a time, must ensure that a staff person who
1231.30 qualifies as a paraprofessional is physically present with the group of clients, and must
1231.31 document the reason for providing the remote telehealth service in the records of clients
1231.32 receiving the service. The license holder must document the dates that residential group
1231.33 treatment services were provided by telehealth from a location away from the licensed

1232.1 residential location in a central log and must provide the log to the commissioner upon
1232.2 request.

1232.3 (d) The license holder may provide the additional treatment services under subdivision
1232.4 2, clauses (2) to (6) and (8), away from the licensed location at a suitable location appropriate
1232.5 to the treatment service.

1232.6 (e) Upon written approval from the commissioner for each satellite location, the license
1232.7 holder may provide nonresidential treatment services at satellite locations that are in a
1232.8 school, jail, or nursing home. A satellite location may only provide services to students of
1232.9 the school, inmates of the jail, or residents of the nursing home. Schools, jails, and nursing
1232.10 homes are exempt from the licensing requirements in section 245A.04, subdivision 2a, to
1232.11 document compliance with building codes, fire and safety codes, health rules, and zoning
1232.12 ordinances.

1232.13 (f) The commissioner may approve other suitable locations as satellite locations for
1232.14 nonresidential treatment services. The commissioner may require satellite locations under
1232.15 this paragraph to meet all applicable licensing requirements. The license holder may not
1232.16 have more than two satellite locations per license under this paragraph.

1232.17 (g) The license holder must provide the commissioner access to all files, documentation,
1232.18 staff persons, and any other information the commissioner requires at the main licensed
1232.19 location for all clients served at any location under paragraphs (b) to (f).

1232.20 (h) Notwithstanding sections 245A.65, subdivision 2, and 626.557, subdivision 14, a
1232.21 program abuse prevention plan is not required for satellite or other locations under paragraphs
1232.22 (b) to (e). An individual abuse prevention plan is still required for any client that is a

1232.29 (b) A staff member, other than a licensed practitioner or nurse, who is delegated by a
1232.30 licensed practitioner or a registered nurse the task of administration of medication or assisting
1232.31 with self-medication, must:

1234.4 with date and time;

1234.5 (8) guidelines for when to inform a nurse of problems with self-administration of
1234.6 medication, including a client's failure to administer, refusal of a medication, adverse

1236.18 ~~federal holidays~~ their individualized take-home doses as ordered for days that the clinic is
1236.19 closed for business, on one weekend day (e.g., Sunday) and state and federal holidays, no

1236.27 are:

1237.4 ~~the client's home; and~~

1237.5 ~~(8) whether the rehabilitative benefit the client derived from decreasing the frequency~~
1237.6 ~~of program attendance outweighs the potential risks of diversion or unsupervised use.~~

1237.7 (c) The determination, including the basis of the determination must be documented by
1237.8 a practitioner in the client's medical record.

1237.9 **EFFECTIVE DATE.** This section is effective the day following final enactment.

1237.15 ~~the medication to be dispensed is methadone hydrochloride. The results of the assessment~~
1237.16 ~~must be contained in the client file. The number of unsupervised use medication doses per~~
1237.17 ~~week in paragraphs (b) to (d) is in addition to the number of unsupervised use medication~~
1237.18 ~~doses a client may receive for days the clinic is closed for business as allowed by subdivision~~
1237.19 ~~6, paragraph (a) and that a patient is safely able to manage unsupervised doses of methadone,~~
1237.20 the number of take-home doses the client receives must be limited by the number allowed

1237.28 ~~exceed three doses per week.~~

1237.29 ~~(e) In the remaining months of the first year, a client may be given a maximum six-day~~
1237.30 ~~unsupervised use medication supply.~~

1238.13 subdivisions 6 and 7.

1238.14 (c) The license holder must maintain a policy and procedure that includes specific
1238.15 measures to reduce the possibility of diversion. The policy and procedure must:

1238.16 (1) specifically identify and define the responsibilities of the medical and administrative
1238.17 staff for performing diversion control measures; and

1238.18 (2) include a process for contacting no less than five percent of clients who have
1238.19 unsupervised use of medication, excluding clients approved solely under subdivision 6,
1238.20 paragraph (a), to require clients to physically return to the program each month. The system

1239.5 (f) Notwithstanding paragraph (e), from July 1, 2023, to June 30, 2024, a counselor in

1239.7 to serve a client who was receiving services at the program on June 30, 2024, at a counselor
1239.8 to client ratio of up to one to 60 and is not required to discharge any clients in order to return
1239.9 to the counselor to client ratio of one to 50. The license holder may not, however, serve a
1239.10 new client after June 30, 2024, unless the counselor who would supervise the new client is
1239.11 supervising fewer than 50 existing clients.

1243.5 subdivision 2b, ineligible for federal programs who are unable to provide for themselves.
1243.6 The minimum standard of assistance determines the total amount of the general assistance
1243.7 grant without separate standards for shelter, utilities, or other needs.

1243.8 (b) The standard of assistance for an assistance unit consisting of a recipient who is
1243.9 childless and unmarried or living apart from children and spouse and who does not live with
1243.10 a parent or parents or a legal custodian, or consisting of a childless couple, is \$350 per month

1243.12 consumer price index as of January 1 every year, beginning October 1, 2025.

1243.13 (c) For an assistance unit consisting of a single adult who lives with a parent or parents,
1243.14 the general assistance standard of assistance is \$350 per month effective October 1, 2023,

1243.25 parents, the parent or parents' other family members and the assistance unit as the only or
1243.26 additional minor child would be financially ineligible for general assistance. For the purposes
1243.27 of calculating the countable income of the assistance unit's parent or parents, the calculation
1243.28 methods must follow the provisions under section 256P.06.

1243.29 **EFFECTIVE DATE.** This section is effective the day following final enactment.

1244.4 removal, electricity, telephone for the site, cooling, supplies, and parts and tools to repair
1244.5 and maintain equipment and facilities.

1244.6 (b) In addition, when providers serve participants described in subdivision 1, paragraph

1244.8 support payments before the end of the eligibility period.

1244.9 Sec. 44. Minnesota Statutes 2023 Supplement, section 256I.05, subdivision 1a, is amended

1244.14 Department of Health, or licensed by the Department of Human Services to provide services
1244.15 in addition to room and board, and if the provider of services is not also concurrently
1244.16 receiving funding for services for a recipient in the residence under the following programs

1244.24 adults with mental illness grants under section 245.73, then the housing support rate is
1244.25 limited to the rate set in subdivision 1. Unless otherwise provided in law, in no case may
1244.26 the supplementary service rate exceed \$494.91. The registration and licensure requirement
1244.27 does not apply to establishments which are exempt from state licensure because they are

1245.5 support that are licensed as board and lodging with special services and that do not encourage
1245.6 a policy of sobriety on their premises and make referrals to available community services

1276.26 (o) A permissible user who delegates access to the data submitted under subdivision 4
1276.27 to an agent or employee shall terminate that individual's access to the data within three
1276.28 business days of the agent or employee leaving employment with the permissible user. The

1334.6 Section 1. Minnesota Statutes 2022, section 289A.08, subdivision 1, is amended to read:

1334.7 Subdivision 1. **Generally; individuals.** (a) A taxpayer must file a return for each taxable
1334.8 year the taxpayer is required to file a return under section 6012 of the Internal Revenue
1334.9 Code or meets the requirements under paragraph (d) to file a return, except that:

1334.10 (1) an individual who is not a Minnesota resident for any part of the year is not required
1334.11 to file a Minnesota income tax return if the individual's gross income derived from Minnesota
1334.12 sources as determined under sections 290.081, paragraph (a), and 290.17, is less than the
1334.13 filing requirements for a single individual who is a full year resident of Minnesota;

1334.14 (2) an individual who is a Minnesota resident is not required to file a Minnesota income
1334.15 tax return if the individual's gross income derived from Minnesota sources as determined
1334.16 under section 290.17, less the subtractions allowed under section 290.0132, subdivisions
1334.17 12 and 15, is less than the filing requirements for a single individual who is a full-year
1334.18 resident of Minnesota.

1334.19 (b) The decedent's final income tax return, and other income tax returns for prior years
1334.20 where the decedent had gross income in excess of the minimum amount at which an
1334.21 individual is required to file and did not file, must be filed by the decedent's personal
1334.22 representative, if any. If there is no personal representative, the return or returns must be
1334.23 filed by the transferees, as defined in section 270C.58, subdivision 3, who receive property
1334.24 of the decedent.

1334.25 (c) The term "gross income," as it is used in this section, has the same meaning given it
1334.26 in section 290.01, subdivision 20.

1334.27 (d) The commissioner of revenue must annually determine the gross income levels at
1334.28 which individuals are required to file a return for each taxable year based on the amounts
1334.29 allowed as a deduction under section 290.0123.

1334.30 (e) Notwithstanding paragraph (a), an individual must file a Minnesota income tax return
1334.31 for each taxable year that the taxpayer has made an election to receive advance payments
1334.32 of the child tax credit under section 290.0661, subdivision 8.

1335.1 **EFFECTIVE DATE.** This section is effective for taxable years beginning after December
1335.2 31, 2024.

1335.3 Sec. 2. Minnesota Statutes 2023 Supplement, section 290.0661, subdivision 4, is amended
1335.4 to read:

1335.5 Subd. 4. **Phaseout.** The credits under ~~this section~~ subdivision 2 and section 290.0671
1335.6 are phased down jointly. The combined amount of the credits is reduced by 12 percent of
1335.7 earned income or adjusted gross income, whichever is greater, in excess of the phaseout
1335.8 threshold. The phaseout threshold equals:

1335.9 (1) \$35,000 for a married taxpayer filing a joint return; or

1335.10 (2) \$29,500 for all other filers.

1335.11 **EFFECTIVE DATE.** This section is effective for taxable years beginning after December

1335.16 establish a process to allow taxpayers to elect to receive one or more advance payments of
1335.17 the credit under this section. The amount of advance payments must be based on the taxpayer
1335.18 and commissioner's estimate of the amount of credits for which the taxpayer would be
1335.19 eligible in the taxable year beginning in the calendar year in which the payments were made.
1335.20 The commissioner must not distribute advance payments to a taxpayer who does not elect
1335.21 to receive advance payments.

1335.22 (b) The amount of a taxpayer's credit under this section for the taxable year is reduced
1335.23 by the amount of advance payments received by the taxpayer in the calendar year during
1335.24 which the taxable year began. If a taxpayer's advance payments exceeded the credit the
1335.25 taxpayer was eligible to receive for the taxable year, the taxpayer's liability for tax is increased
1335.26 by the difference between the amount of advance payments received and the credit amount.

1335.27 **EFFECTIVE DATE.** This section is effective for taxable years beginning after December
1335.28 31, 2024.

1336.1 Sec. 4. Minnesota Statutes 2023 Supplement, section 290.0661, is amended by adding a

1336.12 in the prior taxable year, the minimum credit allowed under this subdivision is equal to 50
1336.13 percent of credit received under this section in the prior taxable year multiplied by a fraction
1336.14 in which:

1336.15 (1) the numerator is the number of qualifying children in the current taxable year; and

1336.16 (2) the denominator is the number of qualifying children in the prior taxable year.

1336.17 **EFFECTIVE DATE.** This section is effective for taxable years beginning after December
1336.18 31, 2024.

1340.25 districts that receive the distributions;

1340.26 (5) ten percent to the county within which the minerals or energy resources are mined
1340.27 or extracted, or within which the concentrate was produced. If the mining and concentration,

1341.4 (9) seven percent to the taconite environmental protection fund; and

1341.5 (10) ten percent to the commissioner of Iron Range resources and rehabilitation for

1341.13 distributed under this subdivision, ten percent of the total proceeds distributed in each year
1341.14 must first be distributed pursuant to this paragraph. The remaining 90 percent of the total
1341.15 proceeds distributed in each of those years must be distributed as outlined in paragraph (a).

- 1352.17 **BONDS AUTHORIZED IN 2025.**
- 1352.18 Subdivision 1. **Issuance; purpose.** (a) Notwithstanding any provision of Minnesota
- 1352.19 Statutes, chapter 298, to the contrary, the commissioner of Iron Range resources and
- 1352.20 rehabilitation shall, in 2025, issue revenue bonds in one or more series in a principal amount
- 1352.21 of up to \$31,000,000 plus an amount sufficient to pay costs of issuance and fund a debt
- 1352.22 service reserve fund for the bonds if determined by the commissioner to be necessary, and
- 1352.23 thereafter may issue bonds to refund those bonds. The proceeds of the bonds must be used
- 1352.24 to pay the costs of issuance, fund a debt service reserve fund if determined by the
- 1352.25 commissioner to be necessary, and make distributions pursuant to this section. The
- 1352.26 commissioner may establish a debt service reserve fund from funds available under Minnesota

- 1352.30 a plan of how the distribution will be spent and the commissioner must ensure that the plan
- 1352.31 matches the intended use outlined in this section. The plan must be submitted in a form and

1353.1 manner determined by the commissioner. The uses listed are not subject to review or
1353.2 recommendation by the Iron Range Resources and Rehabilitation Board. For all distributions
1353.3 equal to or greater than \$1,000,000, a recipient must appear and present and provide a copy
1353.4 of the plan to the Iron Range Resources and Rehabilitation Board. By December 31, 2026,
1353.5 each recipient must report to the commissioner how the distribution received under this
1353.6 section was spent. If a recipient's plan is submitted and approved, the commissioner must
1353.7 distribute the funds for the uses outlined in subdivision 3. The bonds issued under this
1353.8 section do not constitute public debt as that term is defined in Article XI, section 4 of the
1353.9 Minnesota Constitution, and as such are not subject to its provisions.

1353.10 (b) The bonds issued under this section are debt obligations and the commissioner of
1353.11 Iron Range resources and rehabilitation is a district for purposes of Minnesota Statutes,
1353.12 section 126C.55, except that payments made under Minnesota Statutes, section 126C.55,
1353.13 subdivision 2, are not subject to Minnesota Statutes, section 126C.55, subdivisions 4 to 7.

1353.14 (c) If the commissioner of Iron Range resources and rehabilitation determines that

1353.16 be used to make grants as provided in subdivision 3, the requirements of subdivision 1,
1353.17 relating to the submission of a plan and report to the commissioner of Iron Range resources
1353.18 and rehabilitation and the Iron Range Resources and Rehabilitation Board, and subdivision
1353.19 3, relating to the grant amount and identified purpose, shall apply.

1353.20 (d) Funds under this section are available for 30 months from the date the bonds are
1353.21 issued. Any unexpended funds after that date cancel to the Iron Range resources and
1353.22 rehabilitation account under Minnesota Statutes, section 298.28, subdivision 7, and must

1353.34 revenues shall be paid pro rata based on debt service when due.

1354.1 (b) If in any year the amount available under paragraph (a) is insufficient to pay principal
1354.2 and interest due on the bonds in that year, an additional amount is appropriated from the
1354.3 Douglas J. Johnson economic protection trust fund to make up the deficiency.

1354.4 (c) The appropriation under this subdivision terminates upon payment or maturity of
1354.5 the last of the bonds issued under this section.

1360.8 The notice must be posted by the auditor in the auditor's office, subject to public
1360.9 inspection, and must remain so posted until at least one week after the date of the last
1360.10 publication of notice, as provided in this section. Proof of posting must be made by the
1360.11 certificate of the auditor, filed in the auditor's office.

1360.12 Sec. 4. **[282.005] TAX-FORFEITED LAND; INITIAL SALE.**

1360.13 Subdivision 1. Public auction required. Prior to managing tax-forfeited lands as
1360.14 otherwise provided in this chapter, a county must first offer tax-forfeited parcels for sale
1360.15 pursuant to this section, except that any interests in iron-bearing stockpiles, minerals, or
1360.16 mineral interests are reserved for the state as provided under subdivision 8, and any parcel
1360.17 withdrawn from sale by the commissioner of natural resources under section 282.007 must
1360.18 be managed as provided in section 282.007. If a property cannot be sold under this section
1360.19 for more than the minimum bid, the state is deemed to have purchased the property through
1360.20 a credit bid and the parcels may be disposed of as otherwise provided in this chapter.

1360.21 Subd. 2. Definitions. For the purposes of this section, the following terms have the
1360.22 meanings given:

1360.23 (1) "interested party" means any party with an interest in the real estate including but
1360.24 not limited to an owner of the property, a lienholder, or any other party who has filed their
1360.25 name according to section 276.041;

1360.26 (2) "mineral interest" means an interest in any minerals, including but not limited to
1360.27 iron, gas, coal, oil, copper, gold, or other valuable minerals; and

1360.28 (3) "minimum bid" means the sum of delinquent taxes, special assessments, penalties,
1360.29 interests, and costs assigned to the parcel.

1360.30 Subd. 3. Repurchase. Prior to the public sale required under this section, an interested
1360.31 party may repurchase the property by payment of the sum of all delinquent taxes and
1360.32 assessments computed under section 282.251, together with penalties, interest, and costs,
1360.33 that accrued or would have accrued if the parcel of land had not forfeited. A property

1361.1 repurchased under this subdivision is no longer subject to the requirements of this section.
1361.2 All rights and interests of all interested parties remain unaffected if a property is repurchased
1361.3 under this subdivision.

1361.4 Subd. 4. **Public auction.** (a) The county auditor must sell the property at a public auction
1361.5 to the highest bidder in a manner reasonably calculated to facilitate public participation,
1361.6 including by online auction. The sale under this section must occur within six months of
1361.7 either the filing of the certificate of forfeiture pursuant to section 281.23, subdivision 9, or
1361.8 the date the property is vacated by the occupant, whichever is later. Notice of the sale under
1361.9 this subdivision must be provided by publication in newspapers, websites, and other forums
1361.10 that serve diverse communities in the county where the property is located at least 30 days
1361.11 before the commencement of the sale.

1361.12 (b) At auction, the county auditor must calculate the minimum bid and make the figure
1361.13 available to those participating in the auction. The county auditor must also calculate and
1361.14 make available the initial price of the property, which is equal to the estimated market value,
1361.15 as determined by the most recent assessment. The property must not be sold for less than
1361.16 the initial price for 30 days after it is initially made available at auction. If no buyer is willing
1361.17 to pay the initial price, the price for the property must be reduced to the minimum bid. If
1361.18 no buyer is willing to pay the minimum bid, the state is deemed to have purchased the
1361.19 property through a credit bid and the parcels may be disposed of as otherwise provided in
1361.20 this chapter.

1361.21 Subd. 5. **Sale proceeds.** The auction proceeds must be collected by the county auditor.
1361.22 The amount of the minimum bid shall be deposited into a county's forfeited tax sale fund.
1361.23 The proceeds in excess of the minimum bid shall be available for distribution pursuant to
1361.24 subdivision 6.

1361.25 Subd. 6. **Claims for surplus proceeds.** (a) If a sale under this section results in a surplus,
1361.26 within 60 days of the sale, the county auditor must notify interested parties, in a manner
1361.27 described in subdivision 7, of the surplus by sending notice of the surplus and a claim form
1361.28 to the interested parties. The commissioner of revenue must prescribe the form and manner
1361.29 of the claim form. The notice must indicate that the sale of the property resulted in a surplus,
1361.30 the amount of the surplus, that parties with an interest in the property are entitled to the
1361.31 surplus amount, and that interested parties have an obligation to submit a claim for the
1361.32 surplus. Interested parties are entitled to make a claim for surplus proceeds under this
1361.33 subdivision if they file a claim within six months from the date the notice is first mailed to
1361.34 the interested parties.

1362.1 (b) Unless disputed by the county auditor, if a single claim is filed, the county auditor
1362.2 must pay the surplus to the interested party filing the claim. A county must not pay any
1362.3 claimant until after the period of time in which to file a claim has expired.

1362.4 (c) If there are multiple claims for a given property, the county must divide payments
1362.5 under this subdivision among the claimants according to each claimant's interest in proportion
1362.6 to the interest of all claimants. If the county auditor disputes a claim, or if there is a dispute
1362.7 as to how to divide the surplus among multiple claimants, the county auditor may deposit
1362.8 the surplus funds in district court and file a petition pursuant to Rule 67 of the Minnesota
1362.9 Rules of Civil Procedure, asking the court to determine claimants' rights to the funds
1362.10 deposited. The county auditor is entitled to recover the costs it reasonably incurs in
1362.11 commencing and maintaining this action from the amount of funds submitted to the court
1362.12 in the action. If the court determines that no claimant is entitled to the surplus, the surplus
1362.13 must be returned to the county and deposited into the county's forfeited tax sale fund.

1362.14 (d) The county and the county auditor are entitled to absolute immunity related to any
1362.15 claim predicated on distribution of surplus if the county auditor distributed proceeds
1362.16 consistent with this subdivision.

1362.17 Subd. 7. **Manner of service.** (a) A notice provided under subdivision 6 or 8 must be
1362.18 served as follows:

1362.19 (1) by certified mail to all interested parties of record within 60 days of the sale;

1362.20 (2) if an interested party of record has not filed a claim, a second notice must be sent by
1362.21 first class mail to all interested parties between 90 and 120 days after the sale;

1362.22 (3) unless the property is vacant land, within 60 days of the sale, by first class mail to
1362.23 the property addressed to the attention of the occupants of the property; and

1362.24 (4) within 60 days of the sale, by publishing a list of property sales with surplus with
1362.25 unexpired claims periods to the county's website.

1362.26 (b) In addition, solely at the discretion of the county, a list of property sales with surplus
1362.27 with unexpired claims periods may be published in the county's designated newspaper for
1362.28 publication of required public notices.

1362.29 Subd. 8. **Claims for mineral interests; payments; appropriation.** (a) Upon forfeiture,
1362.30 any iron-bearing stockpiles, minerals, and mineral interests shall be sold to the state for \$50.
1362.31 The county auditor must notify interested parties within 60 days of the sale by sending
1362.32 notice and a claim form. The commissioner of revenue must prescribe the form and manner
1362.33 of the claim form. Notice must be provided in a manner described in subdivision 7. An

1363.1 interested party may submit a claim alleging that the value of the iron-bearing stockpiles,
1363.2 minerals, or mineral interests in the property exceeds the minimum bid. Claims must be
1363.3 submitted within six months from the date the notice under this subdivision is first mailed
1363.4 to the interested parties.

1363.5 (b) If a claim is filed under this subdivision, the commissioner of natural resources must
1363.6 determine the value of the forfeited iron-bearing stockpiles, minerals, and mineral interests.
1363.7 If the value of the iron-bearing stockpiles, minerals, and mineral interests does not exceed
1363.8 the minimum bid, the claimant is not entitled to any payment under this subdivision. If the
1363.9 value of the iron-bearing stockpiles, minerals, and mineral interests exceeds the minimum
1363.10 bid, the claimant is entitled to a payment from the commissioner of natural resources equal
1363.11 to this excess amount.

1363.12 (c) If there are multiple claims, the county must divide payments under this subdivision
1363.13 among the claimants according to each claimant's ownership interest in proportion to the
1363.14 ownership interest of all claimants. If the county auditor disputes a claim, or if there is a
1363.15 dispute as to how to divide the surplus among multiple claimants, the commissioner of
1363.16 natural resources must transfer the amount due to the claimants under this subdivision to
1363.17 the county auditor. The county auditor must then deposit the transferred amount in district
1363.18 court and file a petition pursuant to Rule 67 of the Minnesota Rules of Civil Procedure,
1363.19 asking the court to determine claimants' rights to the funds deposited. The county auditor
1363.20 is entitled to recover the costs it reasonably incurs in commencing and maintaining this
1363.21 action from the amount of funds submitted to the court in the action. If the court determines
1363.22 that no party that filed a claim is entitled to the surplus, the payment must be returned to
1363.23 the commissioner of natural resources and is canceled to the general fund.

1363.24 (d) An amount necessary to make payments under this subdivision is annually
1363.25 appropriated from the general fund to the commissioner of natural resources.

1363.26 Subd. 9. **Expiration of surplus.** If a sale under this section results in a surplus and either
1363.27 (1) no interested party makes a claim for the proceeds within the time allowed under
1363.28 subdivision 6, or (2) it is determined that no claimant was entitled to the surplus proceeds,
1363.29 then interested parties are no longer eligible to receive payment of any surplus. Once
1363.30 interested parties are no longer eligible to receive payment of any surplus, the proceeds
1363.31 must be returned to the county's forfeited tax sale fund.

1363.32 Subd. 10. **Rights affected by forfeiture.** The forfeiture of the property extinguishes all
1363.33 liens, claims, and encumbrances other than:

1363.34 (1) the rights of interested parties to surplus proceeds under this section;

- 1364.1 (2) rights of redemption provided under federal law;
1364.2 (3) easements and rights-of-way holders who are not interested parties; and
1364.3 (4) benefits or burdens of any real covenants filed of record as of the date of forfeiture.

1364.4 Subd. 11. **Property bought by the state.** Property deemed to be purchased by the state
1364.5 pursuant to this section shall be held in trust for the benefit of the taxing districts. All land
1364.6 becoming property of the state pursuant to this chapter shall be managed in accordance with
1364.7 chapters 93 and 282 and other applicable law.

1364.8 Sec. 5. **[282.007] LAND WITHDRAWN FROM INITIAL SALE.**

1364.9 Subdivision 1. **Property withdrawn from sale.** The commissioner of natural resources
1364.10 may withhold or withdraw from the sale required under section 282.005 any property allowed
1364.11 to be withheld or withdrawn from sale in section 85.012, 85.013, 282.01, subdivision 8, or
1364.12 282.018. The commissioner of natural resources must condemn parcels withheld or
1364.13 withdrawn from sale under this section according to procedures set forth in chapter 117.
1364.14 Notwithstanding section 282.005, subdivision 1, any interests in iron-bearing stockpiles,
1364.15 minerals, or mineral interests in property withheld or withdrawn from sale under this section
1364.16 are not severed from the property and are not subject to section 282.005, subdivision 8.

1364.17 Subd. 2. **Notice.** The county auditor must provide notice to the commissioner of natural
1364.18 resources of the forfeiture of any lands eligible to be withheld or withdrawn from sale under
1364.19 this section. Notice must be provided within 30 days of either the filing of the certificate of
1364.20 forfeiture pursuant to section 281.23, subdivision 9, or the date the property is vacated by
1364.21 the occupant, whichever is later. Within 30 days of this notice, the commissioner of natural
1364.22 resources must notify the county auditor of a decision to withhold or withdraw a property
1364.23 from the sale under section 282.005. If no such notice is given, the county auditor must sell
1364.24 the property pursuant to section 282.005.

1364.25 Subd. 3. **Repurchase.** Prior to the initiation of the condemnation proceedings of a
1364.26 property withheld or withdrawn from sale under this section, an interested party may
1364.27 repurchase the property by payment of the sum of all delinquent taxes and assessments
1364.28 computed under section 282.251, together with penalties, interest, and costs that accrued
1364.29 or would have accrued if the parcel of land had not forfeited. The county auditor must notify
1364.30 the commissioner of natural resources if a property is repurchased under this subdivision.
1364.31 A property repurchased under this subdivision is no longer subject to the requirements of
1364.32 this section or section 282.005. All rights and interests of all interested parties remain

1365.1 unaffected if a property is repurchased under this subdivision. For the purposes of this
1365.2 section, "interested party" has the meaning given in section 282.005, subdivision 2.

1365.3 Subd. 4. **Proceeds.** Notwithstanding any law to the contrary in chapter 117, all proceeds
1365.4 from the condemnation proceedings of a property withheld or withdrawn from sale under
1365.5 this section must be transferred from the commissioner of natural resources to the county
1365.6 auditor. Any proceeds up to the value of the minimum bid are transferred to the county's
1365.7 forfeited tax sale fund. Any proceeds in excess of the minimum bid must be made available
1365.8 for claims pursuant to section 282.005, subdivision 6. For the purposes of this section,
1365.9 "minimum bid" has the meaning given in section 282.005, subdivision 2.

1365.10 Sec. 6. Minnesota Statutes 2022, section 282.01, subdivision 6, is amended to read:

1365.11 Subd. 6. **Duties of commissioner after sale.** (a) When any sale has been made by the
1365.12 county auditor under sections ~~282.01~~ 282.005 to 282.13, the auditor shall immediately
1365.13 certify to the commissioner of revenue such information relating to such sale, on such forms
1365.14 as the commissioner of revenue may prescribe as will enable the commissioner of revenue
1365.15 to prepare an appropriate deed if the sale is for cash, or keep necessary records if the sale
1365.16 is on terms; and not later than October 31 of each year the county auditor shall submit to
1365.17 the commissioner of revenue a statement of all instances wherein any payment of principal,
1365.18 interest, or current taxes on lands held under certificate, due or to be paid during the preceding
1365.19 calendar years, are still outstanding at the time such certificate is made. When such statement
1365.20 shows that a purchaser or the purchaser's assignee is in default, the commissioner of revenue
1365.21 may instruct the county board of the county in which the land is located to cancel said
1365.22 certificate of sale in the manner provided by subdivision 5, provided that upon
1365.23 recommendation of the county board, and where the circumstances are such that the
1365.24 commissioner of revenue after investigation is satisfied that the purchaser has made every
1365.25 effort reasonable to make payment of both the annual installment and said taxes, and that
1365.26 there has been no willful neglect on the part of the purchaser in meeting these obligations,
1365.27 then the commissioner of revenue may extend the time for the payment for such period as
1365.28 the commissioner may deem warranted, not to exceed one year. On payment in full of the
1365.29 purchase price, appropriate conveyance in fee, in such form as may be prescribed by the
1365.30 attorney general, shall be issued by the commissioner of revenue, which conveyance must
1365.31 be recorded by the county and shall have the force and effect of a patent from the state
1365.32 subject to easements and restrictions of record at the date of the tax judgment sale, including,
1365.33 but without limitation, permits for telephone and electric power lines either by underground
1365.34 cable or conduit or otherwise, sewer and water lines, highways, railroads, and pipe lines for
1365.35 gas, liquids, or solids in suspension.

1366.1 (b) The commissioner of revenue shall issue an appropriate conveyance in fee when
 1366.2 approval from the county auditor is given based upon written confirmation from a licensed
 1366.3 closing agent, title insurer, or title insurance agent as specified in section 82.641. For purposes
 1366.4 of this paragraph, "written confirmation" means a written commitment or approval that the
 1366.5 funding for the conveyance is held in an escrow account available for disbursement upon
 1366.6 delivery of a conveyance. The county recorder or registrar of titles must not record or file
 1366.7 a conveyance issued under this paragraph unless the conveyance contains a certification
 1366.8 signed by the county auditor where the land is located stating that the recorder or registrar
 1366.9 of titles can accept the conveyance for recording or filing. The conveyance issued by the
 1366.10 commissioner of revenue shall not be effective as a conveyance until it is recorded. The
 1366.11 conveyance shall be issued to the county auditor where the land is located. Upon receipt of
 1366.12 the conveyance, the county auditor shall hold the conveyance until the conveyance is
 1366.13 requested from a licensed closing agent, title insurer, or title insurance agent to settle and
 1366.14 close on the conveyance. If a request for the conveyance is not made within 30 days of the
 1366.15 date the conveyance is issued by the commissioner of revenue, the county auditor shall
 1366.16 return the conveyance to the commissioner. If the conveyance is delivered to the licensed
 1366.17 closing agent, title insurer, or title insurance agent and the closing does not occur within
 1366.18 ten days of the request, the licensed closing agent, title insurer, or title insurance agent shall
 1366.19 immediately return the conveyance to the county auditor and, upon receipt, the county
 1366.20 auditor shall return the conveyance to the commissioner of revenue. The commissioner of
 1366.21 revenue shall cancel and destroy all conveyances returned by the county auditor pursuant
 1366.22 to this subdivision. The licensed closing agent, title insurer, or title insurance agent must
 1366.23 promptly record the conveyance after the closing and must deliver an attested or certified
 1366.24 copy to the county auditor and to the grantee or grantees named on the conveyance.

1366.25 Sec. 7. Minnesota Statutes 2022, section 282.241, subdivision 1, is amended to read:

1366.26 Subdivision 1. **Repurchase requirements.** The owner at the time of forfeiture, or the
 1366.27 owner's heirs, devisees, or representatives, or any person to whom the right to pay taxes
 1366.28 was given by statute, mortgage, or other agreement, may repurchase any parcel of land
 1366.29 claimed by the state to be forfeited to the state for taxes unless before the time repurchase
 1366.30 is made the parcel is sold under installment payments, or otherwise, by the state as provided
 1366.31 by law, or is under mineral prospecting permit or lease, or proceedings have been commenced
 1366.32 by the state or any of its political subdivisions or by the United States to condemn the parcel
 1366.33 of land. The parcel of land may be repurchased for the sum of all delinquent taxes and
 1366.34 assessments computed under section 282.251, together with penalties, interest, and costs,
 1366.35 that accrued or would have accrued if the parcel of land had not forfeited to the state. Except

1367.1 for property which was homesteaded on the date of forfeiture, repurchase is permitted during
1367.2 six months only from the date of forfeiture, and in any case only after the adoption of a
1367.3 resolution by the board of county commissioners determining that by repurchase undue
1367.4 hardship or injustice resulting from the forfeiture will be corrected, or that permitting the
1367.5 repurchase will promote the use of the lands that will best serve the public interest. If the
1367.6 county board has good cause to believe that a repurchase installment payment plan for a
1367.7 particular parcel is unnecessary and not in the public interest, the county board may require
1367.8 as a condition of repurchase that the entire repurchase price be paid at the time of repurchase.
1367.9 A repurchase is subject to any easement, lease, or other encumbrance granted by the state
1367.10 before the repurchase, and if the land is located within a restricted area established by any
1367.11 county under Laws 1939, chapter 340, the repurchase must not be permitted unless the
1367.12 resolution approving the repurchase is adopted by the unanimous vote of the board of county
1367.13 commissioners. Notwithstanding the foregoing, any application to repurchase a property
1367.14 that is made available for sale pursuant to section 282.005 must be made before the date of
1367.15 that sale.

1367.16 The person seeking to repurchase under this section shall pay all maintenance costs
1367.17 incurred by the county auditor during the time the property was tax-forfeited.

1367.18 Sec. 8. Minnesota Statutes 2022, section 282.301, is amended to read:

1367.19 **282.301 RECEIPTS FOR PAYMENTS; CERTIFICATION BY COUNTY**
1367.20 **AUDITOR.**

1367.21 When any sale has been made under sections 282.005, 282.012, and 282.241 to 282.324,
1367.22 the purchaser shall receive from the county auditor at the time of repurchase a receipt, in
1367.23 such form as may be prescribed by the attorney general. When the purchase price of a parcel
1367.24 of land shall be paid in full, the following facts shall be certified by the county auditor to
1367.25 the commissioner of revenue of the state of Minnesota: the description of land and the date
1367.26 when the final installment of the purchase price was paid.

1367.27 Sec. 9. [462A.43] HOUSING SUPPORT ACCOUNT.

1367.28 The commissioner of management and budget shall establish the housing support account
1367.29 in the special revenue fund for the deposit of certain funds provided by law. Money
1367.30 appropriated from the account by law must provide housing support for Minnesotans.

1367.31 EFFECTIVE DATE. This section is effective the day following final enactment.

1368.1 Sec. 10. Laws 2024, chapter 113, section 1, subdivision 2, is amended to read:

1368.2 Subd. 2. **Requirements of participating counties.** (a) If a county elects to participate
1368.3 in the settlement, or is deemed to elect to participate in the settlement under subdivision 4,
1368.4 the county must agree:

1368.5 (1) to provide the claims administrator administering the settlement with all public
1368.6 property tax records reasonably necessary to effectuate the settlement agreement by August
1368.7 1, 2024;

1368.8 (2) to make a good faith effort to sell all properties that forfeited between the applicable
1368.9 start date and December 31, 2023, other than those that are classified as conservation lands,
1368.10 those that are part of a rehabilitation program, and those in which title is no longer held in
1368.11 trust by the state of Minnesota for taxing districts;

1368.12 (3) that for any sale made under clause (2):

1368.13 (i) the county will conduct an auction of the property, either in person or online; list the
1368.14 property through a private broker; or, if the property meets the criteria in Minnesota Statutes,
1368.15 section 282.01, subdivision 7a, sell the property pursuant to that subdivision;

1368.16 (ii) the sale will be for no less than its appraised value;

1368.17 (iii) the sale will be for cash only and not on terms; ~~and~~

1368.18 (iv) notwithstanding any provision of Minnesota Statutes, chapter 282, to the contrary,
1368.19 for any property sold on or after the effective date of this section, 75 percent of the proceeds
1368.20 of any sale on or before June 30, 2027, and 85 percent of the proceeds of any sale on or
1368.21 after July 1, 2027, and on or before June 30, 2029, will be remitted to the commissioner for
1368.22 deposit in the general fund and the remaining proceeds will be retained by the county to be
1368.23 used for any permissible purpose; ~~and~~

1368.24 (v) if the property is a residential property with four or fewer residential units or a
1368.25 property that is unimproved with a structure, the property will first be offered for a period
1368.26 of 30 days to persons who intend to own and occupy the property as a residence or who
1368.27 intend to use the property for a noncommercial personal use; and

1368.28 (vi) the sale will be advertised for 30 days by publication in newspapers, websites, and
1368.29 other forums that serve diverse communities in the county where the property is located;

1368.30 (4) that any properties subject to sale under clause (2) that remain unsold on June 30,
1368.31 2029, must continue to be managed under the laws governing tax-forfeited lands until they
1368.32 are disposed of under those laws.

1369.1 (b) The commissioner of revenue must create the form for a person purchasing a property
1369.2 described under paragraph (a), clause (3), item (v), to certify that they intend to use the
1369.3 property accordingly.

1382.19 period to be specified by the commissioner, the application is considered closed and the
1382.20 division must not further act on it.

1382.21 (b) The commissioner must examine each application for benefits to determine the base

1383.10 (e) If an amended determination of benefit account reduces the weekly benefit amount

1383.29 (b) For applicants that have changed employers within the base period, the weekly benefit
1383.30 amount is calculated based on the highest quarter of wages in the base period.

1383.31 ~~(b)~~ (c) The state's average weekly wage is the average wage as calculated under section
1383.32 268.035, subdivision 23, at the time a benefit amount is first determined.

1384.1 ~~(e)~~ (d) The maximum weekly benefit amount is the state's average weekly wage as

1384.28 ~~one work day in a work week.~~

1384.29 Subd. 6a. **Minimum increment of leave.** Intermittent leave must be taken in increments
1384.30 consistent with the established policy of the employer to account for use of other forms of
1384.31 leave, so long as such employer's policy permits a minimum increment of at most one
1384.32 calendar day of intermittent leave. An applicant is not permitted to apply for payment for
1384.33 benefits associated with intermittent leave until the applicant has eight hours of accumulated

1385.1 leave time, unless more than 30 calendar days have lapsed since the initial taking of the
1385.2 leave.

1385.14 of application. An application may be backdated only if the applicant was eligible for the
1385.15 benefit during the period of the backdating. If an individual attempted to file an application
1385.16 for benefits, but was prevented from filing an application by the department, the application
1385.17 is effective the Sunday of the calendar week the individual first attempted to file an
1385.18 application.

1385.19 (b) If the applicant was unable to apply in a timely manner due to incapacitation or due
1385.20 to no fault of their own, the commissioner may backdate the claim beyond one calendar
1385.21 week to the effective date of leave. The commissioner may require the employee to prove
1385.22 the circumstances that prevented timely filing.

1385.31 period, not an unpaid waiting period.

1385.32 (b) Benefits related to bonding need not meet the seven-day qualifying event requirement.

1386.1 (c) The commissioner shall use the rulemaking authority under section 268B.02,
1386.2 subdivision 3, to adopt rules regarding what serious health conditions and other events are

1390.22 determination of ineligibility that has not become final and issue an amended determination.
1390.23 Any amended determination must be sent to the applicant and any employer in the current
1390.24 base period from which the applicant applied for leave by mail or electronic transmission.
1390.25 ~~Any amended determination is final unless an appeal is filed by the applicant within 60~~
1390.26 ~~calendar days after sending.~~

1390.27 **EFFECTIVE DATE.** This section is effective November 1, 2025.

1390.28 Sec. 23. **[268B.081] APPEALS.**

1390.29 Subdivision 1. **Appeal filing.** (a) The commissioner may allow an appeal to be filed by
1390.30 electronic transmission. The commissioner may restrict the manner and format under which
1390.31 an appeal by electronic transmission may be filed. The notification of the determination or
1390.32 decision that is subject to appeal must clearly state the manner in which the determination

1391.1 or decision may be appealed. Subject to paragraph (b), this paragraph applies to requests
1391.2 for reconsideration under subdivision 6.

1391.3 (b) Except as provided in paragraph (c), the commissioner must allow an applicant to
1391.4 file an appeal by mail even if an appeal by electronic transmission is allowed. To be
1391.5 considered an appeal, a written statement delivered or mailed to the department must identify:

1391.6 (1) the determination or decision that the applicant disagrees with; and

1391.7 (2) the reason the applicant disagrees with the determination or decision.

1391.8 (c) If an agent files an appeal on behalf of an employer, the commissioner may require
1391.9 the appeal to be filed online. If the commissioner requires the appeal to be filed online, the
1391.10 appeal must be filed through the electronic address provided on the determination being
1391.11 appealed and use of another method of filing does not constitute an appeal. This paragraph
1391.12 does not apply to:

1391.13 (1) an employee filing an appeal on behalf of an employer; or

1391.14 (2) an attorney licensed to practice law who is directly representing the employer on
1391.15 appeal.

1391.16 (d) All information requested by the department when the appeal is filed must be supplied
1391.17 or the communication does not constitute an appeal.

1391.18 (e) If no appeal is filed by the deadlines listed in subdivision 2, the determination or
1391.19 decision is conclusive and final, unless the appealing party can demonstrate good cause for
1391.20 failing to file in a timely manner. For purposes of this paragraph, "good cause" is a reason
1391.21 that would have prevented a reasonable person acting with due diligence from filing in a
1391.22 timely manner. Unless otherwise specified, deadlines in this section may be extended up to
1391.23 60 days for good cause.

1391.24 Subd. 2. **Appealable issues and deadlines.** (a) An applicant may appeal to the
1391.25 department:

1391.26 (1) within 30 calendar days after a financial eligibility determination or amended financial
1391.27 eligibility determination sent by mail or electronic transmission by the department under
1391.28 section 268B.04 regarding:

1391.29 (i) whether services performed constitute employment;

1391.30 (ii) whether the employment is covered employment;

1391.31 (iii) whether money paid constitutes wages; or

- 1392.1 (iv) a denial resulting from the applicant's missing or incomplete documentation;
- 1392.2 (2) within 30 calendar days after an eligibility determination sent by the department
- 1392.3 related to seasonal employment status under section 268B.06, subdivision 9;
- 1392.4 (3) within 30 calendar days after an eligibility determination sent by the department
- 1392.5 under section 268B.07 regarding:
- 1392.6 (i) financial eligibility, calculations of benefit amount, work schedule, and leave balance
- 1392.7 available; or
- 1392.8 (ii) a denial resulting from missing or incomplete documentation;
- 1392.9 (4) within 30 calendar days after the denial of a good cause demonstration under
- 1392.10 subdivision 1, paragraph (e). The deadline for appeals of denials of good cause demonstration
- 1392.11 may not be extended;
- 1392.12 (5) within 30 calendar days after an applicant receives a decision from an insurer,
- 1392.13 approved private plan administrator, or employer under section 268B.10, subdivision 6,
- 1392.14 regarding the results of the administrative review under section 268B.10, subdivision 6,
- 1392.15 paragraph (b); and
- 1392.16 (6) within 30 calendar days after a determination of overpayment penalty sent by the
- 1392.17 department under section 268B.185.
- 1392.18 (b) A base period employer may appeal to the department:
- 1392.19 (1) within 30 calendar days after a denial of an application for seasonal worker status
- 1392.20 under section 268B.01, subdivision 35;
- 1392.21 (2) within 30 calendar days after a financial eligibility determination or amended financial
- 1392.22 eligibility determination sent by mail or electronic transmission by the department under
- 1392.23 section 268B.04 regarding:
- 1392.24 (i) whether services performed constitute employment;
- 1392.25 (ii) whether the employment is covered employment; or
- 1392.26 (iii) whether money paid constitutes wages;
- 1392.27 (3) within 30 calendar days after a denial of an application for substitution of a private
- 1392.28 plan is sent under section 268B.10;
- 1392.29 (4) within 30 calendar days after a notice of termination of a private plan is sent by the
- 1392.30 department under section 268B.10, subdivision 16;

1393.1 (5) within 30 calendar days after a notice of penalties is sent by the department under
1393.2 section 268B.10, subdivision 17;

1393.3 (6) within 30 calendar days after the notice of the determination of the calculation of
1393.4 premiums has been sent by the department under section 268B.14, subdivision 1;

1393.5 (7) within 30 calendar days after a determination of denial is sent by the department
1393.6 under section 268B.15, subdivision 7; and

1393.7 (8) within 30 calendar days after a determination of penalty is sent by the department
1393.8 under section 268B.19.

1393.9 (c) Notwithstanding any provision of this chapter, the commissioner or a hearing officer
1393.10 may, before a determination is made under this chapter, refer any issue of ineligibility, or
1393.11 any other issue under this chapter, directly for hearing in accordance with this section. The
1393.12 status of the issue is the same as if a determination had been made and an appeal filed.

1393.13 (d) The computation of time provisions of sections 645.15 and 645.151 apply to this
1393.14 section.

1393.15 Subd. 3. **Notice of hearing.** The notice of hearing must include materials that provide:

1393.16 (1) a statement that the purpose of the hearing is to take sworn testimony and other
1393.17 evidence on the issues involved, that the hearing is the only procedure available under the
1393.18 law at which a party may present evidence, and that further appeals consist of a review of
1393.19 the evidence submitted at the hearing;

1393.20 (2) a statement of the parties' right to represent themselves or to be represented by an
1393.21 attorney or other authorized representative;

1393.22 (3) a brief description of the procedure to be followed to request a continuance of the
1393.23 hearing;

1393.24 (4) a brief description of the procedure to be followed at the hearing, including the role
1393.25 of the hearing officer;

1393.26 (5) a statement that the parties should arrange in advance for the participation of witnesses
1393.27 the parties need to support their position;

1393.28 (6) a statement that a party may find out the name of the other party's attorney or other
1393.29 authorized representative, names of the witnesses that the other party intends to have testify
1393.30 at the hearing, and an explanation of the process for making the request;

1393.31 (7) a statement that subpoenas may be available to compel the participation of witnesses
1393.32 or the production of documents and an explanation of the process for requesting a subpoena;

1394.1 (8) a statement that documents contained in the department's records and documents
1394.2 submitted by the parties that will be introduced at the hearing as possible exhibits will be
1394.3 sent to the parties in advance of the hearing;

1394.4 (9) a statement that even if the applicant already received benefits, the applicant should
1394.5 participate in the hearing, because if the applicant is held ineligible, the applicant is not
1394.6 eligible to receive further benefits and will have to pay back the benefits already received;

1394.7 (10) a statement that the hearing officer will determine the facts based upon a
1394.8 preponderance of the evidence along with the statutory definition of "preponderance of the
1394.9 evidence"; and

1394.10 (11) a statement that a party who fails to participate in the hearing will not be allowed
1394.11 a rehearing unless the party can show good cause for failing to participate, along with the
1394.12 statutory definition of "good cause."

1394.13 Subd. 4. **Hearing.** (a) Upon a timely appeal to a determination having been filed or upon
1394.14 a referral for direct hearing, the department must set a time and date for a de novo due
1394.15 process hearing and send notice to an applicant and an employer, by mail or electronic
1394.16 transmission, not less than ten calendar days before the date of the hearing.

1394.17 (b) The commissioner may adopt rules on procedures for hearings. The rules need not
1394.18 conform to common law or statutory rules of evidence and other technical rules of procedure.

1394.19 (c) The department has discretion regarding the method by which the hearing is
1394.20 conducted.

1394.21 (d) The department may conduct a joint hearing with the unemployment insurance
1394.22 division if the substance of the appeal pertains to both programs.

1394.23 (e) The department must assign a hearing officer to conduct a hearing and may transfer
1394.24 to another hearing officer any proceedings pending before another hearing officer.

1394.25 (f) The department has discretion regarding the method by which the hearing is conducted.
1394.26 The hearing must be conducted by a hearing officer as an evidence-gathering inquiry, without
1394.27 regard to a burden of proof. The order of presentation of evidence is determined by the
1394.28 hearing officer.

1394.29 (g) Each party may present and examine witnesses and offer their own documents or
1394.30 other exhibits. Parties have the right to examine witnesses, object to exhibits and testimony,
1394.31 and cross-examine the other party's witnesses. The hearing officer must assist all parties in
1394.32 the presentation of evidence. The hearing officer must rule upon evidentiary objections on
1394.33 the record. The hearing officer must permit rebuttal testimony. Parties have the right to

1395.1 make closing statements. Closing statements may include comments based upon the evidence
1395.2 and arguments of law. The hearing officer may limit repetitious testimony and arguments.

1395.3 (h) The hearing officer must exercise control over the hearing procedure in a manner
1395.4 that protects the parties' rights to a fair hearing, including the sequestration of witnesses to
1395.5 avoid prejudice or collusion. The hearing officer must ensure that all relevant facts are
1395.6 clearly and fully developed. The hearing officer may obtain testimony and other evidence
1395.7 from department employees and any other person the hearing officer believes will assist in
1395.8 reaching a proper result.

1395.9 (i) Before taking testimony, the hearing officer must inform the parties:

1395.10 (1) that the purpose of the hearing is to take testimony and other evidence on the issues;

1395.11 (2) that the hearing is the only opportunity available to the parties to present testimony
1395.12 and other evidence on the issues involved;

1395.13 (3) of an explanation of how the hearing will be conducted, including the role and
1395.14 obligations of the hearing officer;

1395.15 (4) that the parties have the right to request that the hearing be continued so that additional
1395.16 witnesses and documents can be presented, by subpoena if necessary;

1395.17 (5) that the facts will be determined upon a preponderance of the evidence, along with
1395.18 the statutory definition of "preponderance of the evidence";

1395.19 (6) of the statutory provision on burden of proof;

1395.20 (7) that certain government agencies may have access to the information provided at the
1395.21 hearing if allowed by statute and that the information provided may be disclosed under a
1395.22 district court order; and

1395.23 (8) that after the hearing is over, the hearing officer will issue a written decision, which
1395.24 will be sent to the parties by mail or electronic transmission.

1395.25 Subd. 5. **Decision.** (a) After the conclusion of the hearing, upon the evidence obtained,
1395.26 the hearing officer must serve by mail or electronic transmission to all parties the decision,
1395.27 reasons for the decision, and written findings of fact. The hearing officer's decision is final
1395.28 unless a request for reconsideration is filed under subdivision 6.

1395.29 (b) If the appellant fails to participate in the hearing, the hearing officer has the discretion
1395.30 to dismiss the appeal by summary decision. By failing to participate, the appellant is
1395.31 considered to have failed to exhaust available administrative remedies unless the appellant
1395.32 files a request for reconsideration under subdivision 6 and establishes good cause for failing

1396.1 to participate in the hearing. Submission of a written statement does not constitute
1396.2 participation. The appellant must participate personally or through an authorized
1396.3 representative.

1396.4 (c) The hearing officer must issue a decision dismissing the appeal as untimely if the
1396.5 judge decides the appeal was not filed in accordance with the deadlines under subdivision
1396.6 2 after sending the determination. The hearing officer may dismiss the appeal by summary
1396.7 decision or may conduct a hearing to obtain evidence on the timeliness of the appeal.

1396.8 (d) Decisions of a hearing officer are not precedential.

1396.9 Subd. 6. Request for reconsideration. (a) Any party, or the commissioner, may, within
1396.10 30 calendar days after service of the hearing officer's decision, file a request for
1396.11 reconsideration asking the hearing officer to reconsider that decision. Upon the filing of a
1396.12 request for reconsideration, the division must send a notice by mail or electronic transmission
1396.13 to the appellant that a request for reconsideration has been filed. The notice must inform
1396.14 the appellant:

1396.15 (1) that reconsideration is the procedure for the hearing officer to correct any factual or
1396.16 legal mistake in the decision or to order an additional hearing when appropriate;

1396.17 (2) of the opportunity to provide comment on the request for reconsideration and the
1396.18 right to obtain a copy of any recorded testimony and exhibits offered or received into
1396.19 evidence at the hearing;

1396.20 (3) that providing specific comments as to a perceived factual or legal mistake in the
1396.21 decision, or a perceived mistake in procedure during the hearing, will assist the hearing
1396.22 officer in deciding the request for reconsideration;

1396.23 (4) of the right to obtain any comments and submissions provided by any other party
1396.24 regarding the request for reconsideration; and

1396.25 (5) of the provisions of paragraph (c) regarding additional evidence.

1396.26 This paragraph does not apply if paragraph (d) is applicable. Sending the notice does not
1396.27 mean the hearing officer has decided the request for reconsideration was timely filed.

1396.28 (b) In deciding a request for reconsideration, the hearing officer must not consider
1396.29 evidence that was not submitted at the hearing, except for purposes of determining whether
1396.30 to order an additional hearing. The hearing officer must order an additional hearing if a
1396.31 party shows that evidence which was not submitted at the hearing:

1397.1 (1) would likely change the outcome of the decision and there was good cause for not
1397.2 having previously submitted that evidence; or

1397.3 (2) would show that the evidence that was submitted at the hearing was likely false and
1397.4 that the likely false evidence had an effect on the outcome of the decision.

1397.5 For purposes of this paragraph, "good cause" is a reason that would have prevented a
1397.6 reasonable person acting with due diligence from submitting the evidence.

1397.7 (c) If the appellant failed to participate in the hearing, the hearing officer must issue an
1397.8 order setting aside the decision and ordering an additional hearing if the party who failed
1397.9 to participate had good cause for failing to do so. The appellant who failed to participate in
1397.10 the hearing must be informed of the requirement to show good cause for failing to participate.
1397.11 If the hearing officer determines that good cause for failure to participate has not been
1397.12 shown, the judge must state that determination in the decision issued under paragraph (f).
1397.13 Submission of a written statement at the hearing does not constitute participation for purposes
1397.14 of this paragraph. "Good cause" for purposes of this paragraph is a reason that would have
1397.15 prevented a reasonable person acting with due diligence from participating in the hearing.

1397.16 (d) A request for reconsideration must be decided by the hearing officer who issued the
1397.17 decision under subdivision 5 unless that hearing officer:

1397.18 (1) is no longer employed by the department as a hearing officer;

1397.19 (2) is on an extended or indefinite leave; or

1397.20 (3) has been removed from the proceedings by the department.

1397.21 (e) If a request for reconsideration is timely filed, the hearing officer must issue:

1397.22 (1) a decision affirming the findings of fact, reasons for the decision, and a decision
1397.23 issued under subdivision 5;

1397.24 (2) a decision modifying the findings of fact, reasons for the decision, and a decision
1397.25 issued under subdivision 5; or

1397.26 (3) an order setting aside the findings of fact, reasons for the decision, and a decision
1397.27 issued under subdivision 5 and ordering an additional hearing.

1397.28 (f) The hearing officer must issue a decision dismissing the request for reconsideration
1397.29 as untimely if the judge decides the request for reconsideration was not filed within 30
1397.30 calendar days after sending the decision under subdivision 5.

1397.31 (g) The hearing officer must send to all parties by mail or electronic transmission the
1397.32 decision or order issued under this subdivision. A decision affirming or modifying the

1398.1 previously issued findings of fact, reasons for the decision, and a decision issued under
1398.2 subdivision 5, or a decision dismissing the request for reconsideration as untimely, is the
1398.3 final decision on the matter and is binding on the parties unless judicial review is sought
1398.4 under subdivision 9.

1398.5 Subd. 7. **Withdrawal of an appeal.** (a) An appeal that is pending before a hearing officer
1398.6 may be withdrawn by the appealing party, or an authorized representative of that party, by
1398.7 filing a notice of withdrawal. A notice of withdrawal may be filed by mail or by electronic
1398.8 transmission.

1398.9 (b) The appeal must, by order, be dismissed if a notice of withdrawal is filed, unless a
1398.10 hearing officer directs that further proceedings are required. An order of dismissal issued
1398.11 because of a notice of withdrawal is not subject to reconsideration or appeal.

1398.12 (c) A party may file a new appeal after the order of dismissal, but the original deadline
1398.13 period for appeal begins from the date of issuance of the determination, and that period is
1398.14 not suspended or restarted by the notice of withdrawal and order of dismissal. The new
1398.15 appeal may only be filed by mail or facsimile transmission.

1398.16 (d) For purposes of this subdivision, "appeals" includes a request for reconsideration
1398.17 filed under subdivision 6.

1398.18 Subd. 8. **Effect of decisions.** (a) If a hearing officer's decision allows benefits to an
1398.19 applicant, the benefits must be paid regardless of any request for reconsideration or petition
1398.20 to the Minnesota Court of Appeals.

1398.21 (b) If a hearing officer's decision modifies or reverses a determination that allowed
1398.22 benefits to be paid, or on reconsideration the decision modifies or reverses a prior decision
1398.23 that allowed benefits to be paid, any benefits paid are an overpayment of those benefits. A
1398.24 decision that results in an overpayment of benefits must set out the amount of the
1398.25 overpayment and the requirement under section 268B.185, subdivision 1, that the benefits
1398.26 must be repaid.

1398.27 (c) If a hearing officer, on reconsideration under subdivision 6, orders the taking of
1398.28 additional evidence, the hearing officer's prior decision must continue to be enforced until
1398.29 new findings of fact and decision are made by the hearing officer.

1398.30 Subd. 9. **Use of evidence; data privacy.** (a) All testimony at a hearing must be recorded.
1398.31 A copy of recorded testimony and exhibits offered or received into evidence at the hearing
1398.32 must, upon request, be furnished to a party at no cost:

1398.33 (1) during the time period for filing a request for reconsideration;

1399.1 (2) while a request for reconsideration is pending;

1399.2 (3) during the time for filing a petition under subdivision 12; or

1399.3 (4) while a petition is pending.

1399.4 Regardless of any law to the contrary, recorded testimony and other evidence may later be
1399.5 made available only under a district court order. A subpoena is not considered a district
1399.6 court order.

1399.7 (b) Testimony obtained at a hearing must not be used or considered for any purpose,
1399.8 including impeachment, in any civil, administrative, or contractual proceeding, except by
1399.9 a local, state, or federal human rights agency with enforcement powers, unless the proceeding
1399.10 is initiated by the department. This paragraph does not apply to criminal proceedings.

1399.11 Subd. 10. **No collateral estoppel.** No findings of fact, decision, or order issued by a
1399.12 hearing officer may be held conclusive or binding or used as evidence in any separate or
1399.13 subsequent action in any other forum, be it contractual, administrative, or judicial, except
1399.14 proceedings provided for under this chapter, regardless of whether the action involves the
1399.15 same or related parties or involves the same facts.

1399.16 Subd. 11. **Representation; fees.** (a) In any proceeding under subdivision 4 or 6, an
1399.17 applicant or employer may be self-represented or represented by an attorney or an authorized
1399.18 representative. Except for services provided by a licensed attorney, no person may charge
1399.19 an applicant a fee of any kind for advising, assisting, or representing an applicant in a
1399.20 hearing, on reconsideration, or in a proceeding under subdivision 12.

1399.21 (b) A hearing officer may refuse to allow a person to represent others in a hearing if that
1399.22 person acts in an unethical manner or repeatedly fails to follow the instructions of the hearing
1399.23 officer.

1399.24 (c) An applicant may not be charged fees, costs, or disbursements of any kind in a
1399.25 proceeding before a hearing officer, the Minnesota Court of Appeals, or the Supreme Court
1399.26 of Minnesota.

1399.27 (d) No attorney fees may be awarded, or costs or disbursements assessed, against the
1399.28 department as a result of any proceedings under this section.

1399.29 Subd. 12. **Appeal to court of appeals.** (a) Any final determination on a request for
1399.30 reconsideration may be appealed by any party directly to the Minnesota Court of Appeals.
1399.31 The Minnesota Court of Appeals must, by writ of certiorari to the department, review the
1399.32 hearing officer's decision on reconsideration, provided a petition for the writ is filed with
1399.33 the court and a copy is served upon the hearing officer or the commissioner and any other

1400.1 party within 30 calendar days of the sending of the hearing officer's decision on
1400.2 reconsideration under subdivision 6. Three days are added to the 30-calendar-day period if
1400.3 the decision on reconsideration was mailed to the parties.

1400.4 (b) Any employer petitioning for a writ of certiorari must pay to the court the required
1400.5 filing fee in accordance with the Rules of Civil Appellate Procedure. If the employer requests
1400.6 a written transcript of the testimony received at the hearing conducted under this section,
1400.7 the employer must pay to the department the cost of preparing the transcript. That money
1400.8 is credited to the administration account.

1400.9 (c) Upon issuance by the Minnesota Court of Appeals of a writ of certiorari as a result
1400.10 of an applicant's petition, the department must furnish to the applicant at no cost a written
1400.11 transcript of any testimony received at the hearing conducted under this section and, if
1400.12 requested, a copy of all exhibits entered into evidence. No filing fee or cost bond is required
1400.13 of an applicant petitioning the Minnesota Court of Appeals for a writ of certiorari.

1400.14 (d) The Minnesota Court of Appeals may affirm the decision of the hearing officer or
1400.15 remand the case for further proceedings, or it may reverse or modify the decision if the
1400.16 substantial rights of the petitioner may have been prejudiced because the findings, inferences,
1400.17 conclusion, or decision are:

1400.18 (1) in violation of constitutional provisions;

1400.19 (2) in excess of the statutory authority or jurisdiction of the department;

1400.20 (3) made upon unlawful procedure;

1400.21 (4) affected by other error of law;

1400.22 (5) unsupported by substantial evidence in view of the hearing record as submitted; or

1400.23 (6) arbitrary or capricious.

1400.24 (e) The department is the primary responding party to any judicial action involving a
1400.25 hearing officer's decision. The department may be represented by an attorney licensed to
1400.26 practice law in Minnesota.

1400.27 Subd. 13. **Rescheduling and continuances.** (a) Requests to reschedule a hearing must
1400.28 be addressed in a manner and form prescribed by the commissioner in advance of the
1400.29 regularly scheduled hearing date. A hearing must be rescheduled based on a party's good
1400.30 cause need for additional time to obtain necessary evidence or to obtain representation or
1400.31 adequately prepare, inability to participate due to illness, or other compelling reasons beyond
1400.32 the control of the party that prevent participation at the originally scheduled time. A hearing

1401.1 may be rescheduled only once by each party except in the case of an emergency. If requested,
1401.2 a written statement by mail or electronic transmission confirming the reasons for requesting
1401.3 that the case be rescheduled must be provided to the department.

1401.4 (b) The ten-calendar-day notice requirement for hearings does not apply to rescheduled
1401.5 hearings.

1401.6 (c) If a request for rescheduling is made because of the unavailability of a witness or
1401.7 the need to obtain documents, the hearing officer may direct that the hearing take place as
1401.8 scheduled. After obtaining the testimony and other evidence then available, the hearing
1401.9 officer must determine whether the hearing should be continued to obtain the testimony of
1401.10 the unavailable witness or the unavailable documents. The ten-calendar-day notice
1401.11 requirement for hearings does not apply to continued hearings. The hearing officer has the
1401.12 discretion to continue a hearing if the hearing officer determines that additional evidence
1401.13 is necessary for a proper result.

1401.14 Subd. 14. **Consolidation of parties, issues, and new issues.** Upon the request of a party
1401.15 or on the hearing officer's motion, the hearing officer may consolidate for hearing issues
1401.16 involving one or more of the same parties. The hearing officer may take testimony and
1401.17 render a decision on issues not listed on the notice of hearing if each party is notified on
1401.18 the record, is advised of the right to object, and does not object. If a party objects, the hearing
1401.19 officer must:

1401.20 (1) continue the hearing to allow the party to prepare for consideration of the issue; or

1401.21 (2) direct the department to address the issue and send to the parties a determination by
1401.22 mail or electronic transmission.

1401.23 Subd. 15. **Interpreters.** (a) The department must provide an interpreter, when necessary,
1401.24 upon the request of a party. The requesting party must notify the department at least five
1401.25 calendar days before the date of the hearing that an interpreter is required. The hearing
1401.26 officer must continue any hearing where a witness or party needs an interpreter to be
1401.27 understood or to understand the proceedings.

1401.28 (b) A written statement in the five most common languages spoken in Minnesota must
1401.29 accompany all notices and written materials sent to the parties stating that the accompanying
1401.30 documents are important and that if the reader does not understand the documents the reader
1401.31 should seek immediate assistance.

1401.32 Subd. 16. **Exhibits in hearings.** (a) Upon receipt of the notice of hearing, and no later
1401.33 than five calendar days before the scheduled date of hearing, parties may submit to the

1402.1 department, by electronic transmission or mail, any documents a party would like to offer
1402.2 as exhibits at the hearing. Copies of the documents submitted by the parties, as well as all
1402.3 documents that are contained in the department's records that will be introduced as exhibits,
1402.4 must be mailed, or sent by electronic transmission, to all parties or the parties' authorized
1402.5 representatives by the department in advance of the hearing.

1402.6 (b) If a party requests to introduce additional documents during the hearing, and the
1402.7 hearing officer rules that the documents should be considered, the requesting party must
1402.8 provide copies of the documents to the hearing officer and the other party. The record must
1402.9 be left open for sufficient time for the submission of a written response to the documents.
1402.10 The response may be sent by mail or electronic transmission. The hearing officer may, when
1402.11 appropriate, reconvene the hearing to obtain a response or permit cross-examination regarding
1402.12 the late filed exhibits.

1402.13 Subd. 17. **Access to data.** The parties to a hearing must be allowed reasonable access
1402.14 to department data necessary to represent themselves in the hearing. Access to data must
1402.15 be consistent with all laws relating to data practices. The data must be provided by the
1402.16 department at no cost and mailed or sent by electronic transmission to the party or the party's
1402.17 authorized representative.

1402.18 Subd. 18. **Subpoenas and discovery.** (a) The hearing officer may issue subpoenas to
1402.19 compel the attendance of witnesses, the production of documents, or other exhibits upon a
1402.20 showing of necessity by the requesting party. Requests for issuance of subpoenas must be
1402.21 made to the department, by electronic transmission or mail, sufficiently in advance of the
1402.22 scheduled hearing to allow for the service of the subpoenas. The requesting party must
1402.23 identify the person or documents to be subpoenaed and the subject matter and necessity of
1402.24 the evidence requested. A request for a subpoena may be denied if the testimony or
1402.25 documents sought would be irrelevant, immaterial, or unduly cumulative or repetitious.

1402.26 (b) If a request for a subpoena has been denied, the hearing officer must reconsider the
1402.27 request during the hearing and determine whether the request was properly denied. If the
1402.28 hearing officer determines that the request for a subpoena was not properly denied, the
1402.29 hearing officer must continue the hearing to allow for service of and compliance with the
1402.30 subpoena. The hearing officer may issue a subpoena even if a party has not requested one.

1402.31 (c) Within five calendar days following request by another party, each party must disclose
1402.32 the name of the party's attorney or other authorized representative and the names of all
1402.33 witnesses the party intends to have testify at the hearing. The request and the response may
1402.34 be made by mail or by electronic transmission. Any witnesses unknown at the time of the

1403.1 request must be disclosed as soon as they become known. If a party fails to comply with
1403.2 the disclosure requirements, the hearing officer may, upon notice to the parties, continue
1403.3 the hearing.

1403.4 Subd. 19. **Disqualification of hearing officer.** (a) A hearing officer must request to be
1403.5 removed from any case by the department where the hearing officer believes that presiding
1403.6 over the case would create the appearance of impropriety. The department must remove a
1403.7 hearing officer from any case if the hearing officer has a financial or personal interest in
1403.8 the outcome.

1403.9 (b) Any party may request the removal of a hearing officer by submitting to the
1403.10 department, by mail or electronic transmission, a written statement of the basis for removal.
1403.11 The department must decide the fitness of the hearing officer to hear the particular case.

1403.12 Subd. 20. **Public access to hearings and recording of hearings.** (a) Hearings are not
1403.13 public. Only parties, the parties' authorized representatives and witnesses, and authorized
1403.14 department personnel are permitted to participate in or listen to hearings. If any other person
1403.15 wishes to listen to or sit in on a hearing, the parties must provide their consent as required
1403.16 by section 13.05, subdivision 4.

1403.17 (b) The hearing officer must make a recording of all testimony that is the official record.
1403.18 No other voice recordings or pictures may be made of any party, representative, or witness
1403.19 during the hearing.

1403.20 Subd. 21. **Administration of oath or affirmation.** A hearing officer has authority to
1403.21 administer oaths and affirmations. Before testifying, every witness is required to declare to
1403.22 testify truthfully, by oath or affirmation under sections 358.07 and 358.08.

1403.23 Subd. 22. **Receipt of evidence.** Only evidence received into the record of any hearing
1403.24 may be considered by the hearing officer. The parties may stipulate to the existence of any
1403.25 fact or the authenticity of any exhibit. All competent, relevant, and material evidence,
1403.26 including records and documents in the possession of the parties that are offered into
1403.27 evidence, are part of the hearing record. A hearing officer may receive any evidence that
1403.28 possesses probative value, including hearsay, if it is the type of evidence on which reasonable,
1403.29 prudent persons are accustomed to rely in the conduct of their serious affairs. A hearing
1403.30 officer may exclude any evidence that is irrelevant, immaterial, unreliable, or unduly
1403.31 repetitious. A hearing officer is not bound by statutory and common law rules of evidence.
1403.32 The rules of evidence may be used as a guide in determining the quality of evidence offered.
1403.33 A hearing officer may draw adverse inferences from the refusal of a party or witness to

1404.1 testify on the basis of any privilege. A hearing officer may only use reliable, probative, and
1404.2 substantial evidence as a basis for decision.

1404.3 Subd. 23. **Official notice.** A hearing officer may take official notice of matters of common
1404.4 knowledge and may take notice of facts within the hearing officer's specialized knowledge
1404.5 in the field of paid leave. The hearing officer must state on the record any fact that is
1404.6 judicially noticed. The hearing officer must give the parties an opportunity to contest the
1404.7 noticed facts.

1404.8 **EFFECTIVE DATE.** This section is effective November 1, 2025.

1404.9 Sec. 24. Minnesota Statutes 2023 Supplement, section 268B.085, subdivision 3, is amended
1404.10 to read:

1404.11 Subd. 3. **Intermittent schedule.** (a) Leave under this chapter, based on a serious health
1404.12 condition, may be taken intermittently if such leave is reasonable and appropriate to the
1404.13 needs of the individual with the serious health condition. For all other leaves under this
1404.14 chapter, leave may be taken intermittently. Intermittent leave is leave taken in separate
1404.15 blocks of time due to a single, seven-day qualifying event.

1404.16 (b) For an applicant who takes leave on an intermittent schedule, the weekly benefit
1404.17 amount shall be prorated.

1404.18 (c) An employee requesting leave taken intermittently shall provide the employer with
1404.19 a schedule of needed workdays off as soon as practicable and must make a reasonable effort
1404.20 to schedule the intermittent leave so as not to disrupt unduly the operations of the employer.
1404.21 If this cannot be done to the satisfaction of both employer and employee, the employer
1404.22 cannot require the employee to change their leave schedule in order to accommodate the
1404.23 employer.

1404.24 (d) Notwithstanding the allowance for intermittent leave under this subdivision, an
1404.25 employer shall not be required under this chapter to provide, but may elect to provide, more
1404.26 than 480 hours of intermittent leave in any 12-month period. If an employer limits hours of
1404.27 intermittent leave pursuant to this paragraph, an employee is entitled to take their remaining
1404.28 leave continuously, subject to the total amount of leave available under section 268B.04,
1404.29 subdivision 5. An employer may run intermittent leave available under the Family and
1404.30 Medical Leave Act, United States Code, title 29, sections 2601 to 2654, as amended,
1404.31 concurrent with an employee's entitlement to intermittent leave under this chapter.

1405.1 Sec. 25. Minnesota Statutes 2023 Supplement, section 268B.09, subdivision 1, is amended
1405.2 to read:

1405.3 Subdivision 1. **Retaliation prohibited.** (a) An employer must not discharge, discipline,
1405.4 penalize, interfere with, threaten, restrain, coerce, or otherwise retaliate or discriminate
1405.5 against an employee for requesting or obtaining benefits or leave, or for exercising any
1405.6 other right under this chapter.

1405.7 (b) For the purposes of this section, the term "leave" includes but is not limited to:

1405.8 (1) leave taken for any day for which the commissioner has determined that the employee
1405.9 ~~has been deemed~~ is eligible for benefits or leave under this chapter; or

1405.10 (2) any day for which the employee meets the eligibility criteria under section 268B.06,
1405.11 subdivision 1, ~~clause paragraph (a), clauses (2) or (3), and~~ or the employee has applied
1405.12 for benefits in good faith under this chapter. For the purposes of this subdivision, "good
1405.13 faith" is defined as anything that is not knowingly false or in reckless disregard of the truth.

1405.14 (c) In addition to the remedies provided in subdivision 8, the commissioner of labor and
1405.15 industry may also issue a penalty to the employer of not less than \$1,000 and not more than
1405.16 \$10,000 per violation, payable to the employee aggrieved. In determining the amount of
1405.17 the penalty under this subdivision, the appropriateness of the penalty to the size of the
1405.18 employer's business and the gravity of the violation shall be considered.

1405.19 **EFFECTIVE DATE.** This section is effective November 1, 2025.

1405.20 Sec. 26. Minnesota Statutes 2023 Supplement, section 268B.09, subdivision 6, is amended
1405.21 to read:

1405.22 Subd. 6. **Employee right to reinstatement.** (a) On return from leave under this chapter,
1405.23 an employee is entitled to be returned to the same position the employee held when leave
1405.24 commenced or to an equivalent position with equivalent benefits, pay, and other terms and
1405.25 conditions of employment. Except as provided under subdivision 7, an employee is entitled
1405.26 to reinstatement even if the employee has been replaced or the employee's position has been
1405.27 restructured to accommodate the employee's absence.

1405.28 (b)(1) An equivalent position is one that is virtually identical to the employee's former
1405.29 position in terms of pay, benefits, and working conditions, including privileges, prerequisites,
1405.30 and status. It must involve the same or substantially similar duties and responsibilities,
1405.31 which must entail substantially equivalent skill, effort, responsibility, and authority.

1406.1 (2) If an employee is no longer qualified for the position because of the employee's
 1406.2 inability to attend a necessary course, renew a license, fly a minimum number of hours, or
 1406.3 similar condition, as a result of the leave, the employee must be given a reasonable
 1406.4 opportunity to fulfill those conditions upon return from leave.

1406.5 (c)(1) An employee is entitled to any unconditional pay increases which may have
 1406.6 occurred during the leave period, such as cost of living increases. Pay increases conditioned
 1406.7 upon seniority, length of service, or work performed must be granted in accordance with
 1406.8 the employer's policy or practice, or contract with respect to other employees on an
 1406.9 equivalent leave status for a reason that does not qualify for leave under this chapter. An
 1406.10 employee is entitled to be restored to a position with the same or equivalent pay premiums,
 1406.11 such as a shift differential. If an employee departed from a position ~~averaging ten hours of~~
 1406.12 ~~overtime, and corresponding overtime pay, each week an~~ for which they receive overtime
 1406.13 pay, the employee is ordinarily entitled to such a position with overtime pay and overtime
 1406.14 hours on return from leave under this chapter. If a pay premium, such as a shift differential,
 1406.15 or overtime has been decreased or eliminated for other similarly classified employees, an
 1406.16 employee is not entitled to restoration of the pay premium or overtime.

1406.17 (2) Equivalent pay includes any bonus or payment, whether it is discretionary or
 1406.18 nondiscretionary, made to employees consistent with clause (1). If a bonus or other payment
 1406.19 is based on the achievement of a specified goal such as hours worked, products sold, or
 1406.20 perfect attendance, and the employee has not met the goal due to leave under this chapter,
 1406.21 the payment may be denied, unless otherwise paid to employees on an equivalent leave
 1406.22 status for a reason that does not qualify for leave under this chapter.

1406.23 (d) Benefits under this section include all benefits provided or made available to
 1406.24 employees by an employer, including group life insurance, health insurance, disability
 1406.25 insurance, sick leave, annual leave, educational benefits, and pensions, regardless of whether
 1406.26 benefits are provided by a practice or written policy of an employer through an employee
 1406.27 benefit plan as defined in section 3(3) of United States Code, title 29, section 1002(3).

1406.28 (1) At the end of an employee's leave under this chapter, benefits must be resumed in
 1406.29 the same manner and at the same levels as provided when the leave began, and subject to
 1406.30 any changes in benefit levels that may have taken place during the period of leave affecting
 1406.31 the entire workforce, unless otherwise elected by the employee. Upon return from a leave
 1406.32 under this chapter, an employee must not be required to requalify for any benefits the
 1406.33 employee enjoyed before leave began, including family or dependent coverages.

1407.1 (2) An employee may, but is not entitled to, accrue any additional benefits or seniority
1407.2 during a leave under this chapter. Benefits accrued at the time leave began must be available
1407.3 to an employee upon return from leave.

1407.4 (3) With respect to pension and other retirement plans, leave under this chapter must
1407.5 not be treated as or counted toward a break in service for purposes of vesting and eligibility
1407.6 to participate. If the plan requires an employee to be employed on a specific date in order
1407.7 to be credited with a year of service for vesting, contributions, or participation purposes,
1407.8 an employee on leave under this chapter must be treated as employed on that date. Periods
1407.9 of leave under this chapter need not be treated as credited service for purposes of benefit
1407.10 accrual, vesting, and eligibility to participate.

1407.11 (4) Employees on leave under this chapter must be treated as if they continued to work
1407.12 for purposes of changes to benefit plans. Employees on leave under this chapter are entitled
1407.13 to changes in benefit plans, except those which may be dependent upon seniority or accrual
1407.14 during the leave period, immediately upon return from leave or to the same extent they
1407.15 would have qualified if no leave had been taken.

1407.16 (e) An equivalent position must have substantially similar duties, conditions,
1407.17 responsibilities, privileges, and status as the employee's original position.

1407.18 (1) The employee must be reinstated to the same or a geographically proximate worksite
1407.19 from where the employee had previously been employed. If the employee's original worksite
1407.20 has been closed, the employee is entitled to the same rights as if the employee had not been
1407.21 on leave when the worksite closed.

1407.22 (2) The employee is ordinarily entitled to return to the same shift or the same or an
1407.23 equivalent work schedule.

1407.24 (3) The employee must have the same or an equivalent opportunity for bonuses,
1407.25 profit-sharing, and other similar discretionary and nondiscretionary payments, excluding
1407.26 any bonus paid to another employee or employees for covering the work of the employee
1407.27 while the employee was on leave.

1407.28 (4) This chapter does not prohibit an employer from accommodating an employee's
1407.29 request to be restored to a different shift, schedule, or position which better suits the
1407.30 employee's personal needs on return from leave, or to offer a promotion to a better position.
1407.31 However, an employee must not be induced by the employer to accept a different position
1407.32 against the employee's wishes.

1408.1 (f) The requirement that an employee be restored to the same or equivalent job with the
1408.2 same or equivalent pay, benefits, and terms and conditions of employment does not extend
1408.3 to de minimis, intangible, or unmeasurable aspects of the job.

1408.4 (g) Nothing in this section shall be deemed to affect the Americans with Disabilities
1408.5 Act, United States Code, title 42, chapter 126.

1408.6 (h) Ninety calendar days from the date of hire, an employee has a right and is entitled
1408.7 to reinstatement as provided under this subdivision for any day for which:

1408.8 (1) the employee has been deemed eligible for benefits under this chapter; or

1408.9 (2) the employee meets the eligibility criteria under section 268B.06, subdivision 1,
1408.10 ~~clause paragraph (a), clauses (2) or and (3), and or~~ the employee has applied for benefits in
1408.11 good faith under this chapter. For the purposes of this paragraph, good faith is defined as
1408.12 anything that is not knowingly false or in reckless disregard of the truth.

1408.13 (i) This subdivision and subdivision 7 may be waived for employees who are working
1408.14 in the construction industry under a bona fide collective bargaining agreement with a
1408.15 construction trade union that maintains a referral-to-work procedure for employees to obtain
1408.16 employment with multiple signatory employers, but only if the waiver is set forth in clear
1408.17 and unambiguous terms in the collective bargaining agreement and explicitly cites this
1408.18 subdivision and subdivision 7.

1408.19 **EFFECTIVE DATE.** This section is effective January 1, 2026.

1408.20 Sec. 27. Minnesota Statutes 2023 Supplement, section 268B.09, subdivision 7, is amended
1408.21 to read:

1408.22 Subd. 7. **Limitations on an employee's right to reinstatement.** An employee has no
1408.23 greater right to reinstatement or to other benefits and conditions of employment than if the
1408.24 employee had been continuously employed during the period of leave under this chapter.
1408.25 An employer must be able to show that an employee would not otherwise have been
1408.26 employed at the time reinstatement is requested in order to deny restoration to employment.

1408.27 (1) If an employee is laid off during the course of taking a leave under this chapter and
1408.28 employment is terminated, the employer's responsibility to continue the leave, maintain
1408.29 group health plan benefits, and restore the employee cease at the time the employee is laid
1408.30 off, provided the employer has no continuing obligations under a collective bargaining
1408.31 agreement or otherwise. An employer has the burden of proving that an employee would
1408.32 have been laid off during the period of leave under this chapter and, therefore, would not

1409.1 be entitled to restoration to a job slated for layoff when the employee's original position
1409.2 would not meet the requirements of an equivalent position.

1409.3 (2) If a shift has been eliminated or overtime has been decreased, an employee would
1409.4 not be entitled to return to work that shift or the original overtime hours upon restoration.
1409.5 However, if a position on, for example, a night shift has been filled by another employee,
1409.6 the employee is entitled to return to the same shift on which employed before taking leave
1409.7 under this chapter.

1409.8 (3) If an employee was hired for a specific term or only to perform work on a discrete
1409.9 project, the employer has no obligation to maintain group health plan benefits and restore
1409.10 the employee if the employment term or project is over and the employer would not otherwise
1409.11 have continued to employ the employee.

1409.12 **EFFECTIVE DATE.** This section is effective January 1, 2026.

1409.13 Sec. 28. Minnesota Statutes 2023 Supplement, section 268B.10, subdivision 1, is amended
1409.14 to read:

1409.15 Subdivision 1. **Application for substitution.** (a) Employers may apply to the
1409.16 commissioner for approval to meet their obligations under this chapter through the
1409.17 substitution of a private plan that provides paid family, paid medical, or paid family and
1409.18 medical benefits. In order to be approved as meeting an employer's obligations under this
1409.19 chapter, a private plan must confer all of the same rights, protections, and benefits provided
1409.20 to employees under this chapter, including but not limited to benefits under section 268B.04
1409.21 and employment protections under section 268B.09. Employers may apply for approval of
1409.22 private plans that exceed the benefits provided to employees under this chapter. An employee
1409.23 covered by a private plan under this section retains all applicable rights and remedies under
1409.24 section 268B.09.

1409.25 (b) An insurer must file every form, application, rider, endorsement, and rate used in
1409.26 connection with an insurance product that provides coverage for paid family and medical
1409.27 leave benefits as described in this section with the commissioner at least 60 days prior to
1409.28 the form or rate's effective date. The commissioner may extend this filing review period for
1409.29 an additional period not to exceed 60 days. If any form, rate, or amendment is not disapproved
1409.30 by the commissioner within the filing review period, the insurer may implement it. If the
1409.31 commissioner notifies an insurer that has filed any form or rate that the form or rate does
1409.32 not comply with this section, section 62A.02, or chapter 72A, it is unlawful for the insurer
1409.33 to issue or use the form or rate. In the notice, the commissioner shall specify the reasons
1409.34 for disapproval.

1410.1 (c) Any insurer authorized to write accident and sickness insurance in Minnesota has
1410.2 the power to issue an insurance product that provides coverage for paid family and medical
1410.3 leave benefits as described in this section.

1410.4 **EFFECTIVE DATE.** This section is effective July 1, 2025.

1410.5 Sec. 29. Minnesota Statutes 2023 Supplement, section 268B.10, subdivision 2, is amended
1410.6 to read:

1410.7 Subd. 2. **Private plan requirements; medical benefit program.** The commissioner,
1410.8 in consultation with the commissioner of commerce, must approve an application for private
1410.9 provision of the medical benefit program if the commissioner determines:

1410.10 (1) all of the employees of the employer are to be covered under the provisions of the
1410.11 employer plan;

1410.12 (2) eligibility requirements for benefits and leave are no more restrictive than as provided
1410.13 under this chapter;

1410.14 (3) the weekly benefits payable under the private plan for any week are at least equal to
1410.15 the weekly benefit amount payable under this chapter;

1410.16 (4) the total number of weeks for which benefits are payable under the private plan is
1410.17 at least equal to the total number of weeks for which benefits would have been payable
1410.18 under this chapter;

1410.19 (5) no greater amount is required to be paid by employees toward the cost of benefits
1410.20 under the employer plan than by this chapter;

1410.21 (6) wage replacement benefits are stated in the plan separately and distinctly from other
1410.22 benefits;

1410.23 (7) the private plan will provide benefits and leave for any serious health condition or
1410.24 medical care related to pregnancy for which benefits are payable, and leave provided, under
1410.25 this chapter;

1410.26 (8) the private plan will impose no additional condition or restriction on the use of
1410.27 medical benefits beyond those explicitly authorized by this chapter or regulations

1411.4 (11) if an application for leave is filed by a former employee to a private plan, the plan
1411.5 pays benefits for the totality of the leave. Private plans may not cut off eligibility for a
1411.6 former employee during the course of an approved leave.

1411.7 **EFFECTIVE DATE.** This section is effective July 1, 2025.

1411.8 Sec. 30. Minnesota Statutes 2023 Supplement, section 268B.10, subdivision 3, is amended

1411.22 (5) no greater amount is required to be paid by employees toward the cost of benefits
1411.23 under the employer plan than by this chapter;

1411.24 (6) wage replacement benefits are stated in the plan separately and distinctly from other
1411.25 benefits;

1411.26 (7) the private plan will provide benefits and leave for any care for a family member

1412.7 (11) if an application for leave is filed by a former employee to a private plan, the private
1412.8 plan is required to pay benefits for the totality of the leave. Private plans must not discontinue
1412.9 eligibility for a former employee during the course of an approved leave.

1412.10 **EFFECTIVE DATE.** This section is effective July 1, 2025.

1412.11 Sec. 31. Minnesota Statutes 2023 Supplement, section 268B.10, subdivision 6, is amended

1412.16 and wages earned with the employer at the time of an application for benefits. If an employer
1412.17 does not have complete base period wage detail information, the employer may accept an
1412.18 employee's certification of wage credits, based on the employee's records.

1412.19 (b) In the event that an employee's request for benefits is denied, in whole or in part, or

1412.27 under this chapter when their employer changes from the state plan to a private plan, from
1412.28 a private plan to the state plan, or from one private plan to another private plan, the plan
1412.29 under which the employee was covered when their benefits were approved is required to
1412.30 continue paying benefits for continuous, intermittent, and reduced schedule leave through
1412.31 the duration previously approved. If the employee requests an extension of their original

1413.1 leave, or recertification is required, the employee may reapply for benefits with their new

1413.20 benefits is filed, the former employee shall submit an application for benefits with the private
1413.21 plan of their former employer; and

1413.22 (2) if the former employee has become employed by a different employer at the time
1413.23 that an application for benefits is filed, the former employee shall submit an application for
1413.24 benefits based on the new employer's coverage. If the new employer is covered under the

1414.14 the reason for the termination.

1414.15 ~~(e) The employer may, within ten days from mailing or personal service of the notice,~~
1414.16 ~~file an appeal to the commissioner in the time, manner, method, and procedure provided by~~

1414.30 (2) \$2,000 for the second, and each successive violation.

1415.1 (b) The commissioner must waive collection of any penalty if the employer corrects the
1415.2 violation within 30 days of receiving a notice of the violation and the notice is for a first
1415.3 violation.

1415.4 (c) The commissioner may waive collection of any penalty if the commissioner determines

1415.21 their wages to the employer, must pay the remaining portion, if any, of the premium not
1415.22 paid by the employer. Such deductions for any given employee must be in equal proportion
1415.23 to the premiums paid based on the wages of that employee. Deductions under this section
1415.24 must not cause an employee's wage, after the deduction, to fall below the rate required to
1415.25 be paid to the ~~worker~~ employee by law, ~~including~~ any applicable statute, regulation, rule,
1415.26 ordinance, or government resolution or policy, ~~or other legal authority,~~ whichever rate of

1416.5 (1) has 30 or fewer employees pursuant to subdivision 5b; and

1416.6 (2) the average wage for that employer as calculated in subdivision 5c is less than or
1416.7 equal to 150 percent of the state's average wage in covered employment for the basis period.

1416.8 (b) The premium rate for small employers eligible under this subdivision is 75 percent
1416.9 of the annual premium rate calculated in subdivisions 6 and 7, as follows:

1416.10 (1) employers must pay a minimum of 25 percent of the rate calculated in subdivisions
1416.11 6 and 7. Employers shall not deduct from any employees' pay to fund the employer portion
1416.12 of the premium; and

1416.13 (2) employees must pay the remaining portion due under this subdivision, if any, of the
1416.14 premium not paid by the employer. The employer must make wage deductions as necessary
1416.15 under this subdivision to fund the employee portion of the premium.

1416.16 Sec. 40. Minnesota Statutes 2023 Supplement, section 268B.14, is amended by adding a
1416.17 subdivision to read:

1416.18 Subd. 5b. **Employee count.** (a) The basis period for determining premiums under:

1416.22 for any tax year shall be the four-quarter period ending September 30 of the prior year.

1416.23 (b) For each employer that has been covered for the entirety of the basis period, the
1416.24 maximum number of quarterly wage records reported by the employer during the basis
1416.25 period shall be used to determine premiums under subdivision 5a and eligibility for small
1416.26 employer assistance grants under section 268B.29.

1416.27 (c) For any employer not covered for the entirety of the basis period, the number of
1416.28 employees used to determine premiums under subdivision 5a and eligibility for small
1416.29 employer assistance grants under section 268B.29 shall be based on the number of employees
1416.30 working in Minnesota the employer estimates they will employ in the following calendar
1416.31 year.

1417.1 (d) If upon a review of the actual number of wage records reported, it is found that a
1417.2 new employer's estimate at time of registration was ten percent or more less than the actual
1417.3 number of records reported, the employer's premiums under subdivision 5a and eligibility
1417.4 for small employer assistance grants under section 268B.29 shall be recalculated based on
1417.5 the wage records reported.

1417.6 Sec. 41. Minnesota Statutes 2023 Supplement, section 268B.14, is amended by adding a
1417.7 subdivision to read:

1417.8 Subd. 5c. **Average wage for employer.** (a) For each employer that has been covered
1417.9 for the entirety of the basis period, the employer's average wage shall be calculated by
1417.10 dividing the maximum amount of covered wages reported by the employer in a single
1417.11 quarterly wage record during the basis period by the maximum number of quarterly wage
1417.12 records reported by the employer during the basis period.

1417.13 (b) For any employer not covered for the entirety of the basis period, the employer's
1417.14 average wage shall be calculated by dividing the employer's estimated amount of covered
1417.15 wages in the following tax year by the employer's estimated number of employees working
1417.16 in Minnesota the employer will employ in the following calendar year.

1417.17 (c) If upon a review of the actual amount of covered wages reported it is found that a
1417.18 new employer's estimate at time of registration was ten percent or more less than the actual
1417.19 amount of covered wages, the employer's premiums under subdivision 5a and eligibility
1417.20 for small employer assistance grants under section 268B.29 shall be recalculated based on
1417.21 the wage records reported.

1417.22 Sec. 42. Minnesota Statutes 2023 Supplement, section 268B.14, subdivision 7, is amended
1417.23 to read:

1417.24 Subd. 7. **Premium rate adjustments.** ~~(a) Beginning January 1, 2027~~ The commissioner
1417.25 may adjust the annual premium rates pursuant to this section prior to January 1, 2026. By
1417.26 July 31, 2026, and then by July 31 of each year thereafter, the commissioner must adjust
1417.27 the annual premium rates using the formula in paragraph (b) for the following calendar year
1417.28 based on program historical experience and sound actuarial principles and so that the
1417.29 projected fund balance as a percentage of total program expenditure does not fall below 25
1417.30 percent. The commissioner shall contract with a qualified independent actuarial consultant
1417.31 to conduct an actuarial study for this purpose no less than every year. A copy of all actuarial
1417.32 studies, and any revisions or other documents received that relate to an actuarial study, must
1417.33 be provided promptly to the chairs and ranking minority members of the legislative

1418.1 committees with jurisdiction over this chapter. All actuarial studies, and any revisions or
1418.2 other documents received that relate to an actuarial study, must also be filed with the
1418.3 Legislative Reference Library in compliance with section 3.195. A qualified independent
1418.4 actuarial consultant is one who is a Fellow of the Society of Actuaries (FSA) and a Member
1418.5 of the American Academy of Actuaries (MAAA) and who has experience directly relevant
1418.6 to the analysis required. In no year shall the annual premium rate exceed 1.2 percent of
1418.7 taxable wages paid to each employee.

1418.8 ~~(b) To calculate the employer rates for a calendar year, the commissioner must:~~

1418.9 ~~(1) multiply 1.45 times the amount disbursed from the family and medical benefit~~
1418.10 ~~insurance account for the 52-week period ending September 30 of the prior year;~~

1418.11 ~~(2) subtract the amount in the family and medical benefit insurance account on that~~
1418.12 ~~September 30 from the resulting figure;~~

1418.13 ~~(3) divide the resulting figure by the total wages in covered employment of employees~~
1418.14 ~~of employers without approved private plans under section 268B.10 for either the family~~
1418.15 ~~or medical benefit program. For employers with an approved private plan for either the~~
1418.16 ~~medical benefit program or the family benefit program, but not both, count only the~~
1418.17 ~~proportion of wages in covered employment associated with the program for which the~~
1418.18 ~~employer does not have an approved private plan; and~~

1418.19 ~~(4) round the resulting figure down to the nearest one-hundredth of one percent.~~

1418.20 ~~(c) The commissioner must apportion the premium rate between the family and medical~~
1418.21 ~~benefit programs based on the relative proportion of expenditures for each program during~~
1418.22 ~~the preceding year.~~

1418.23 **EFFECTIVE DATE.** This section is effective the day following final enactment.

1418.24 Sec. 43. Minnesota Statutes 2023 Supplement, section 268B.15, subdivision 7, is amended
1418.25 to read:

1418.26 Subd. 7. **Credit adjustments; refunds.** (a) If an employer makes an application for a
1418.27 credit adjustment of any amount paid under this chapter within four years of the date that
1418.28 the payment was due, in a manner and format prescribed by the commissioner, and the
1418.29 commissioner determines that the payment or any portion thereof was erroneous, the
1418.30 commissioner must make an adjustment and issue a credit without interest. If a credit cannot
1418.31 be used, the commissioner must refund, without interest, the amount erroneously paid. The
1418.32 commissioner, on the commissioner's own motion, may make a credit adjustment or refund
1418.33 under this subdivision.

1419.1 (b) Any refund returned to the commissioner is considered unclaimed property under
1419.2 chapter 345.

1419.3 (c) If a credit adjustment or refund is denied in whole or in part, a determination of denial
1419.4 must be sent to the employer by mail or electronic transmission. ~~The determination of denial~~
1419.5 ~~is final unless an employer files an appeal within 20 calendar days after sending. Proceedings~~
1419.6 ~~on the appeal are conducted in accordance with section 268B.08.~~

1419.7 (d) If an employer receives a credit adjustment or refund under this section, the employer
1419.8 must determine the amount of any overpayment attributable to a deduction from employee
1419.9 wages under section 268B.14, subdivision 3, and return any amount erroneously deducted
1419.10 to each affected employee.

1419.11 **EFFECTIVE DATE.** This section is effective January 1, 2026.

1419.12 Sec. 44. Minnesota Statutes 2023 Supplement, section 268B.155, subdivision 2, is amended

1419.14 Subd. 2. **Notice upon application.** In an application for family or medical leave benefits,
1419.15 the applicant must disclose if child support obligations are owed and, if so, in what state
1419.16 and county. If child support obligations are owed, the commissioner must, if the applicant
1419.17 establishes a ~~benefit account~~ leave, notify the child support agency.

1419.18 **EFFECTIVE DATE.** This section is effective January 1, 2026.

1419.19 Sec. 45. Minnesota Statutes 2023 Supplement, section 268B.185, subdivision 2, is amended
1419.20 to read:

1419.21 Subd. 2. **Overpayment because of misrepresentation.** (a) An applicant has committed
1419.22 misrepresentation if the applicant is overpaid benefits by making an intentional false
1419.23 statement or representation in an effort to fraudulently collect benefits. Overpayment because
1419.24 of misrepresentation does not occur where there is an unintentional mistake or a good faith
1419.25 belief as to the eligibility or correctness of the statement or representation.

1419.26 (b) After the discovery of facts indicating misrepresentation, the commissioner must
1419.27 issue a determination of overpayment penalty assessing a penalty equal to 15 percent of the
1419.28 amount overpaid.

1419.29 ~~(e) Unless the applicant files an appeal within 30 calendar days after the sending of a~~
1419.30 ~~determination of overpayment penalty to the applicant by mail or electronic transmission,~~
1419.31 ~~the determination is final. Proceedings on the appeal are conducted in accordance with~~
1419.32 ~~section 268B.08.~~

1420.1 ~~(d)~~(c) A determination of overpayment penalty must state the methods of collection the
1420.2 commissioner may use to recover the overpayment, penalty, and interest assessed. Money
1420.3 received in repayment of overpaid benefits, penalties, and interest is first applied to the
1420.4 benefits overpaid, second to the penalty amount due, and third to any interest due.

1420.5 ~~(e)~~(d) The department is authorized to issue a determination of overpayment penalty
1420.6 under this subdivision within 24 months of the establishment of the ~~benefit account~~ leave
1420.7 upon which the benefits were obtained through misrepresentation.

1420.8 **EFFECTIVE DATE.** This section is effective January 1, 2026.

1420.9 Sec. 46. Minnesota Statutes 2023 Supplement, section 268B.19, is amended to read:

1420.14 of benefits determined to be overpaid, whichever is greater.

1420.15 (b) The commissioner must penalize an employer if that employer or any employee,

1420.27 not paid.

1420.28 (d) Penalties must be paid within 30 calendar days of issuance of the determination of
1420.29 penalty and credited to the family and medical benefit insurance account.

1421.1 ~~(e) The determination of penalty is final unless the employer files an appeal within 30~~
