S.F. No. 25

(SENATE AUTHORS: SENJEM)

DATE	D-PG	OFFICIAL STATUS
01/08/2015	40	Introduction and first reading Referred to Environment and Energy

1.1 A bill for an act
 1.2 relating to environment; creating loan program to renovate rural municipal
 1.3 water treatment facilities; appropriating money; proposing coding for new law
 1.4 in Minnesota Statutes, chapter 446A.

1.5 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

1.6 Section 1. **[446A.076] RURAL MUNICIPALITY WATER TREATMENT**
 1.7 **FACILITY RENOVATION FUNDING.**

1.8 Subdivision 1. **Definitions.** For purposes of this section, the following terms have
 1.9 the meanings given:

1.10 (1) "rural municipality" means a statutory or home rule charter city, town, county, or
 1.11 sanitary district; an organization formed for the joint exercise of powers under section
 1.12 471.59; and any other special purpose district or authority that operates a wastewater
 1.13 treatment facility or water main and that is located outside of the metropolitan area as
 1.14 defined in section 473.121, subdivision 2; and

1.15 (2) "wastewater treatment facility" has the meaning given under section 115.71,
 1.16 subdivision 6.

1.17 Subd. 2. **Establishment of account.** A water treatment facility renovation account
 1.18 is created in the special revenue fund. The authority shall make low or no interest loans
 1.19 from the account to rural municipalities as provided in this section. Money in the account
 1.20 is annually appropriated to the authority and does not lapse. The authority shall manage
 1.21 and administer the account and, for these purposes, may exercise all powers provided in
 1.22 this chapter. The account shall be credited with:

1.23 (1) all loan repayments and interest collected under this section; and

2.1 (2) money appropriated from the clean water fund according to section 114D.50,
2.2 subdivision 3, paragraph (a), clause (3).

2.3 Subd. 3. **Renovation loans; eligibility.** (a) The authority may award loans as
2.4 provided in this section to rural municipalities to renovate, rehabilitate, or update
2.5 wastewater treatment facilities that pose a risk to groundwater quality or the water quality
2.6 in lakes, rivers, or streams, or to replace water mains that pose a risk to drinking water
2.7 sources. A rural municipality receiving a loan from the account is responsible, either
2.8 directly or through a contract with a private vendor, for all inspections and repairs
2.9 necessary to ensure proper operation of the wastewater treatment facility or water main.

2.10 (b) Loans may be awarded for up to 100 percent of eligible project costs minus
2.11 any funding available from other sources.

2.12 (c) The authority must award loans as provided in this section to rural municipalities
2.13 with approved applications based on their ranking on the project priority lists under
2.14 subdivision 4.

2.15 Subd. 4. **Project priority lists.** (a) Rural municipalities seeking loans for a
2.16 wastewater treatment facility renovation must first submit a project proposal to the
2.17 Pollution Control Agency on a form prescribed by the Pollution Control Agency. The
2.18 Pollution Control Agency shall rank project proposals on its project priority list used for
2.19 the clean water revolving fund under section 446A.07.

2.20 (b) Rural municipalities seeking loans for replacing a water main must first submit a
2.21 project proposal to the Department of Health on a form prescribed by the Department of
2.22 Health. The Department of Health shall rank project proposals on its project priority list
2.23 used for the drinking water revolving fund under section 446A.081.

2.24 Subd. 5. **Applications.** Rural municipalities with projects on a project priority list
2.25 shall submit applications for loans under this section to the authority on forms prescribed
2.26 by the authority. An application must include:

2.27 (1) a description of the wastewater treatment facility or water main renovations to
2.28 be made;

2.29 (2) a project schedule and cost estimate for each year of the project; and

2.30 (3) a financing plan for repayment of the loan.

2.31 Subd. 6. **Loan terms and conditions.** Loans from the water treatment facility
2.32 renovation account must comply with the following terms and conditions:

2.33 (1) principal and interest payments must begin no later than two years after the
2.34 loan is awarded;

2.35 (2) loans must be fully amortized within 20 years but not to exceed the expected
2.36 design life of the facility or water main; and

3.1 (3) a rural municipality receiving a loan must establish a dedicated source or sources
3.2 of revenues for repayment of the loan and must issue a general obligation note to the
3.3 authority for the full amount of the loan.

3.4 Subd. 7. **Disbursements.** Loan disbursements by the authority under this section
3.5 must be made for eligible project costs as incurred by the recipients and must be made in
3.6 accordance with the project loan agreement and applicable state law.

3.7 Subd. 8. **Audits.** A rural municipality receiving a loan under this section must
3.8 annually provide to the authority for the term of the loan a copy of its annual independent
3.9 audit or, if the rural municipality is not required to prepare an independent audit, a copy of
3.10 the annual reporting form it provides to the state auditor.
