subdivision to read:

Subd. 6a. **Multiple points of use.** (a) Notwithstanding the provisions of subdivisions 2 and 3, a business purchaser that is not a holder of a direct pay permit that purchases electronically delivered goods or services that will be concurrently available for use in more than one taxing jurisdiction may deliver to the seller in conjunction with its purchase a multiple points of use certificate disclosing this fact.

(b) Upon receipt of the multiple points of use certificate, the seller is relieved of the obligation to collect, pay, or remit the applicable tax and the purchaser is obligated to collect, pay, or remit the applicable tax on a direct pay basis.

(c) The purchaser delivering the multiple points of use certificate has sole discretion to use any reasonable but consistent and uniform method of apportionment that is supported by the purchaser's business records as they exist at the time of the consummation of the sale.

(d) The multiple points of use certificate remains in effect for all future sales by the seller to the purchaser until it is revoked by the purchaser in writing.
