**122A.415 ALTERNATIVE COMPENSATION REVENUE.**

Subd. 4. **Basic alternative teacher compensation aid.** (a) For fiscal year 2015 and later, the basic alternative teacher compensation aid for a school with a plan approved under section 122A.414, subdivision 2b, equals 65 percent of the alternative teacher compensation revenue under subdivision 1. The basic alternative teacher compensation aid for an intermediate school district or charter school with a plan approved under section 122A.414, subdivisions 2a and 2b, if the recipient is a charter school, equals \$260 times the number of pupils enrolled in the school on October 1 of the previous year, or on October 1 of the current year for a charter school in the first year of operation, times the ratio of the sum of the alternative teacher compensation aid and alternative teacher compensation levy for all participating school districts to the maximum alternative teacher compensation revenue for those districts under subdivision 1.

(b) Notwithstanding paragraph (a) and subdivision 1, the state total basic alternative teacher compensation aid entitlement must not exceed \$75,636,000 for fiscal year 2015 and later. The commissioner must limit the amount of alternative teacher compensation aid approved under this section so as not to exceed these limits.

Subd. 5. **Alternative teacher compensation levy.** For fiscal year 2015 and later, the alternative teacher compensation levy for a district receiving basic alternative teacher compensation aid equals the product of (1) the difference between the district's alternative teacher compensation revenue and the district's basic alternative teacher compensation aid, times (2) the lesser of one or the ratio of the district's adjusted net tax capacity per adjusted pupil unit to \$6,100.

Subd. 6. **Alternative teacher compensation equalization aid.** (a) For fiscal year 2015 and later, a district's alternative teacher compensation equalization aid equals the district's alternative teacher compensation revenue minus the district's basic alternative teacher compensation aid minus the district's alternative teacher compensation levy. If a district does not levy the entire amount permitted, the alternative teacher compensation equalization aid must be reduced in proportion to the actual amount levied.

(b) A district's alternative teacher compensation aid equals the sum of the district's basic alternative teacher compensation aid and the district's alternative teacher compensation equalization aid.
