1.8 Subdivision 1. **Purpose and goals.** The purpose of the teacher pipeline program is to
1.9 encourage and support aspiring teachers, especially individuals interested in teaching in
1.10 teacher shortage areas.

1.11 Subd. 2. **Endowment established.** (a) The commissioner of management and budget
1.12 must establish a permanent endowment account in the state treasury. This endowment must
1.13 be funded through appropriations made by the state. The endowment may also receive
1.14 private contributions, gifts, or grants under section 16A.013. Any interest or profit accruing
1.15 from investment of these sums is credited to the account.

1.16 (b) Investment management fees incurred by the State Board of Investment may be
1.17 reimbursed from the account.

1.18 (c) Annual income derived from the investment of principal in the account is appropriated
1.19 from the account to the commissioner of the Office of Higher Education. Up to five percent
1.20 of the annual income is appropriated to the commissioner of the Office of Higher Education
1.21 for administrative expenses associated with awarding grants to aspiring teachers. The
1.22 remaining funds must be used to provide assistance to individuals seeking to become teachers

2.1 in Minnesota public schools. For the purposes of this section, "income" is the annual amount
2.2 of interest on debt securities and dividends on equity securities.

2.3 (d) Any gains or losses from the sale of securities must be added to the principal balance
2.4 in the account.

2.5 (e) Money from this account must not be used for any purposes except those described
2.6 in this section, and no other money from this account may be transferred to any other account.

2.7 Subd. 3. **Plan developed.** The commissioner of education and the commissioner of the
2.8 Office of Higher Education must jointly adopt a plan for the Office of Higher Education to
2.9 award grants to aspiring teachers. The plan must:

2.10 (1) prioritize grant awards to applicants pursuing teacher licensure in a content area with
2.11 an identified shortage, including science, mathematics, special education, and school
2.12 counseling; and

2.13 (2) to the extent possible, distribute grant awards in a manner to ensure geographical
2.14 representation throughout the state.

2.15 Subd. 4. **Grant amounts.** The commissioner of the Office of Higher Education shall
2.16 make grant awards according to the plan developed in subdivision 3. The maximum amount
2.17 of a grant under this section is \$5,000 per year.

2.18 Subd. 5. **Applicant eligibility.** (a) A person is eligible for a grant under this section if
2.19 the person:

2.20 (1) is a Minnesota resident;

2.21 (2) is enrolled in a Professional Educator Licensing and Standards Board-approved

2.29 Subd. 6. **Employment obligation.** (a) Beginning within six months of the completion
2.30 of the academic program for which the grant was awarded, a grant recipient must be
2.31 employed in a teaching position in Minnesota for no less than five years.

3.1 (b) A recipient who has completed the academic program for which the grant was
3.2 awarded, but who has not yet fulfilled the total employment obligation, must annually verify,
3.3 in a form and manner specified by the commissioner of the Office of Higher Education,
3.4 that the recipient is employed in a position that fulfills the employment obligation.

3.5 (c) If a recipient fails to meet the employment obligation, the commissioner of the Office
3.6 of Higher Education must convert the recipient's total grant award to a student loan and
3.7 collect from the participant the total grant amount awarded. All sums recovered under this
3.8 paragraph must be deposited into the state treasury and credited to the endowment established
3.9 in subdivision 2.

3.10 (d) The commissioner of the Office of Higher Education may waive or defer the
3.11 employment obligation for a grant recipient who is placed on an unrequested leave of absence
3.12 by the recipient's school district, or for other circumstances involving extreme hardship.
3.13 Any requirement to fulfill the employment obligation cancels upon the death or permanent
3.14 and total disability of the grant recipient.

3.15 Subd. 7. **Grant awards not considered income.** For the purposes of this subdivision,
3.16 "subtraction" has the meaning given in section 290.0132, subdivision 1, and the rules in
