 5.21 prizes in a bingo occasion does not exceed ~~\$1,000~~ \$2,000. ~~Total prizes awarded at a~~
 5.22 ~~bingo occasion may not exceed \$2,800, unless a cover-all and cover-none game is played~~
 5.23 ~~in which case the limit is \$4,800.~~ A prize may be determined based on the value of the
 5.24 bingo packet sold to the player. For purposes of this subdivision, a cover-all game is one
 5.25 in which a player must cover all spaces except a single free space to win and includes a
 5.26 game in which all odd or all even numbers are designated by the organization as covered
 5.27 prior to the start of the game and a cover-none game is one in which a player does not
 5.28 cover any numbered spaces to win.

5.29 Sec. 12. Minnesota Statutes 2014, section 349.213, subdivision 1, is amended to read:

5.30 Subdivision 1. **Local regulation.** (a) A statutory or home rule city or county has the
 5.31 authority to adopt more stringent regulation of lawful gambling within its jurisdiction,
 5.32 including the prohibition of lawful gambling.

6.1 (b) A statutory or home rule city or county may require a permit for the conduct
6.2 of gambling exempt from licensing under section 349.166. The fee for a permit issued
6.3 under section 349.166 may not exceed \$100.

6.4 (c) The authority granted by this subdivision does not include the authority to require
6.5 a license or fee for a license or permit to conduct gambling by organizations, gambling
6.6 managers, gambling employees, or sales by distributors or linked bingo game providers
6.7 licensed by or registered with the board.

6.8 (d) The authority granted by this subdivision does not include the authority to require
6.9 an organization to make specific expenditures of more than ten percent per year from its
6.10 net profits derived from lawful gambling.

6.11 (e) For the purposes of this subdivision, net profits are gross profits less amounts
6.12 expended for allowable expenses and paid in taxes assessed on lawful gambling.

6.13 (f) A statutory or home rule charter city or a county may not require an organization
6.14 conducting lawful gambling within its jurisdiction to make an expenditure to the city or
6.15 county as a condition to operate within that city or county, except:

6.16 (1) as authorized under section 349.16, subdivision 8, or 297E.02; or

6.17 (2) by an ordinance requirement that such organizations must contribute ten percent
6.18 per year of their net profits derived from lawful gambling conducted at premises within
6.19 the city's or county's jurisdiction to a fund administered and regulated by the responsible
6.20 local unit of government without cost to such fund. The funds must be disbursed by the
6.21 local unit of government for (i) charitable contributions as defined in section 349.12,
6.22 subdivision 7a, or (ii) police, fire, and other emergency or public safety-related services,
6.23 equipment, and training, excluding pension obligations. A contribution made by an
6.24 organization is not considered an expenditure to the city or county nor a tax under section
6.25 297E.02, and is valid and lawful. A city or county receiving and making expenditures
6.26 authorized under this clause must by March 15 of each year file a report with the board, on
6.27 a form the board prescribes, that lists all such revenues collected, interest received on fund
6.28 balances, and expenditures for the previous calendar year. A home rule or statutory city or
6.29 county making charitable contributions authorized under this clause must acknowledge
6.30 financial contributions of organizations conducting lawful gambling to the community
6.31 and to the recipients of the funds. This may occur in communications about the funds as
6.32 well as in the distribution of funds.

6.33 (g) A statutory or home rule city or county may by ordinance require that a licensed
6.34 organization conducting lawful gambling within its jurisdiction expend all or a portion
6.35 of its expenditures for lawful purposes on lawful purposes conducted or located within
6.36 the city's or county's trade area. Such an ordinance must be limited to lawful purpose

7.1 expenditures of gross profits derived from lawful gambling conducted at premises within
7.2 the city's or county's jurisdiction, must define the city's or county's trade area, and must
7.3 specify the percentage of lawful purpose expenditures which must be expended within the
7.4 trade area. A trade area defined by a city under this subdivision must include each city and
7.5 township contiguous to the defining city.

7.6 (h) A more stringent regulation or prohibition of lawful gambling adopted by a
7.7 political subdivision under this subdivision must apply equally to all forms of lawful
7.8 gambling within the jurisdiction of the political subdivision, except a political subdivision
7.9 may prohibit the use of paddlewheels.

7.10 Sec. 13. **EFFECTIVE DATE.**

7.11 This act is effective July 1, 2016.
