## **SENATE** STATE OF MINNESOTA NINETY-THIRD SESSION

A bill for an act

relating to capital investment; creating a new green infrastructure grant program;

**OFFICIAL STATUS** 

S.F. No. 3092

(SENATE AUTHORS: PAPPAS)

**DATE** 03/22/2023

1.1

1.2

**D-PG** 2210

Introduction and first reading Referred to Capital Investment

1.2	relating to capital investment, creating a new green infrastructure grant program,
1.3	amending criteria for certain projects funded through the clean water and drinking
1.4	water revolving funds; requiring rules and the prioritization of clean water and
1.5	drinking water projects in certain project priority lists to factor in new criteria;
1.6	appropriating money; amending Minnesota Statutes 2022, sections 116.182,
1.7	subdivision 5; 446A.07, subdivisions 1a, 7, 8; 446A.081, subdivisions 1, 8, 9, 12;
1.8	proposing coding for new law in Minnesota Statutes, chapter 116.
1.9	BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:
1.10	Section 1. Minnesota Statutes 2022, section 116.182, subdivision 5, is amended to read:
1.11	Subd. 5. Rules. The agency shall adopt rules for the administration of the financial
1.12	assistance program. For wastewater treatment projects, the rules must include:
1.13	(1) application requirements;
1.14	(2) criteria for the ranking of projects in order of priority based on factors including:
1.15	(i) the type of project and;
1.16	(ii) the degree of environmental impact, and;
1.17	(iii) scenic and wild river standards; and
1.18	(iv) affordability criteria, as defined under section 446A.07, subdivision 1a, paragraph
1.19	(b); and
1.20	(3) criteria for determining essential project components.

Section 1. 1

Sec	e. 2. [116.196] GREEN INFRASTRUCTURE GRANT PROGRAM.
<u>S</u>	ubdivision 1. Establishment of program. The commissioner shall establish a green
infra	structure grant program to provide grants for green infrastructure projects.
<u>S</u>	ubd. 2. Definitions. (a) For the purposes of this section, the following terms have the
mear	nings given.
<u>(l</u>	o) "Commissioner" means the commissioner of the Pollution Control Agency.
<u>(c</u>	e) "Green infrastructure" has the meaning given in United States Code, title 33, section
1362	, as amended through December 31, 2019, and also includes trails, bridges, roads, and
recre	eational amenities designed to mitigate stormwater impacts.
<u>(</u> (	d) "Political subdivision" means a county, home rule charter or statutory city, town, or
other	political subdivision of the state.
<u>(e</u>	e) "Project" means a green infrastructure project or stormwater infrastructure project
to be	owned and administered by a political subdivision.
<u>(1</u>	f) "Stormwater infrastructure" means a project that does one or more of the following:
<u>(</u> ]	1) increases stormwater capacity or stormwater storage;
<u>(2</u>	2) addresses environmental damage caused by weather extremes;
<u>(3</u>	3) prevents localized flooding;
<u>(</u> 4	4) creates stormwater systems that can manage flows from heavy rains;
<u>(</u>	5) addresses public safety concerns caused by undersized stormwater systems; or
<u>(6</u>	6) ensures continuation of critical services during severe weather.
<u>S</u>	ubd. 3. Eligibility. A political subdivision is eligible to apply for and receive a grant
unde	r this section.
<u>S</u>	ubd. 4. Application. An application by a political subdivision for a grant under this
section	on must be made at the time and in the form and manner prescribed by the commissioner.
The	commissioner must consult with the commissioner of management and budget on the
form	of the application, the content of a request for proposals published to solicit applications
for th	ne program under this section, and any prioritization criteria the commissioner intends
to ap	ply to the program.
<u>S</u>	ubd. 5. Eligible project. A grant may be used to acquire land or an interest in land,
prede	esign, design, renovate, construct, furnish, and equip a project that is qualified to be
fund	ed by state general obligation bonds under the Minnesota Constitution, article XI.

Sec. 2. 2

S	ection 5, paragraph (a). Money from the general fund may also be used for green
ir	nfrastructure and stormwater infrastructure that would not qualify to be funded by state
<u>g</u>	eneral obligation bonds.
	Subd. 6. Grants. (a) To be eligible for a grant under this section, a political subdivision
<u>n</u>	nust timely submit an application to the commissioner and pass a resolution in support of
tł	ne project. The commissioner may give priority to a political subdivision that provides a
<u>lc</u>	ocal match of funds for the project.
	(b) A grant awarded under this section must be no less than the amount required to
C	omplete the project, less any local funds committed to the project as required by section
1	6A.502.
	(c) A grant under this section is in addition to any loan, principal forgiveness, or grant
<u>a</u>	warded by the Public Facilities Authority under section 446A.07, subdivision 8, paragraph
<u>(</u> a	a), clause (8), or 446A.081, subdivision 9, paragraph (a), clause (9).
	Subd. 7. Cancellation. A grant under this section is available until the project is
c	ompleted or abandoned subject to section 16A.642.
	<b>EFFECTIVE DATE.</b> This section is effective July 1, 2023.
	Sec. 3. Minnesota Statutes 2022, section 446A.07, subdivision 1a, is amended to read:
	Subd. 1a. <b>Definitions.</b> (a) For the purposes of this section, the terms in this subdivision
h	ave the meanings given them.
	(b) "Affordability criteria," pursuant to section 603(i)(2) of the federal Clean Water Act
n	neans a project service area that includes, in whole or in part, a census tract where at least
tŀ	nree of the following apply as determined using the most recently published data from the
U	Inited States Census Bureau or United States Centers for Disease Control and Prevention
	(1) 20 percent or more of the residents have income below the federal poverty thresholds
	(2) the tract has a United States Centers for Disease Control and Prevention Social
V	Yulnerability Index greater than 0.80;
	(3) the upper limit of the lowest quintile of household income is less than the state upper
<u>li</u>	mit of the lowest quintile;
	(4) the housing vacancy rate is greater than the state average; or
	(5) the percent of the population receiving Supplemental Nutrition Assistance Program
(5	SNAP) benefits is greater than the state average.

Sec. 3. 3

4.1 (b) (c) "Eligible recipients" means governmental units or other entities eligible to receive 4.2 loans or other assistance as provided in title VI of the Federal Water Pollution Control Act. 4.3 (e) (d) "Federal Water Pollution Control Act" means the Federal Water Pollution Control

- Act, as amended, United States Code, title 33, sections 1251 et seq.
- 4.5 (e) "Green infrastructure" has the meaning given in section 116.196, subdivision 2,
   4.6 paragraph (c).

- Sec. 4. Minnesota Statutes 2022, section 446A.07, subdivision 7, is amended to read:
- Subd. 7. **Loan conditions.** (a) When making loans from the clean water revolving fund, the authority shall comply with the conditions of the Federal Water Pollution Control Act, including the criteria in this subdivision.
  - (b) Loans must be made at or below market interest rates, including interest-free loans, for terms not to exceed those allowed under the Federal Water Pollution Control Act.
  - (c) The annual principal and interest payments must begin no later than one year after completion of the project. Loans must be fully amortized no later than 20 years after project completion, unless the recipient's average annual residential wastewater system cost after completion of the project would exceed 1.4 percent of median household income in the recipient governmental unit or entity project meets affordability criteria, in which case the loan must be fully amortized no later than 30 years after project completion.
- (d) An eligible recipient shall establish a dedicated source of revenue for repayment ofthe loan.
- (e) The fund must be credited with all payments of principal and interest on all loans.
- 4.22 (f) A loan may not be used to pay operating expenses or current obligations, unless
   4.23 specifically allowed by the Federal Water Pollution Control Act.
- 4.24 (g) A loan made by the authority must be secured by notes or bonds of the eligible recipient of the loan.
- (h) Notwithstanding Minnesota Rules, part 7380.0272, the interest rate for loans made
   for the purpose of green infrastructure is zero percent.
- Sec. 5. Minnesota Statutes 2022, section 446A.07, subdivision 8, is amended to read:
- Subd. 8. **Other uses of revolving fund.** (a) The clean water revolving fund may be used as provided in title VI of the Federal Water Pollution Control Act, including the following uses:

Sec. 5. 4

(1) to buy or refinance the debt obligation of governmental units for treatment works where debt was incurred and construction begun after March 7, 1985, at or below market rates;

- (2) to guarantee or purchase insurance for local obligations to improve credit market access or reduce interest rates;
- (3) to provide a source of revenue or security for the payment of principal and interest on revenue or general obligation bonds issued by the authority if the bond proceeds are deposited in the fund;
- (4) to provide loan guarantees, loans, or set-aside for similar revolving funds established by a governmental unit other than state agencies, or state agencies under sections 17.117, 103F.725, subdivision 1a, and 116J.617;
  - (5) to earn interest on fund accounts;

- (6) to pay the reasonable costs incurred by the authority and the Pollution Control Agency of administering the fund and conducting activities required under the Federal Water Pollution Control Act, including water quality management planning under section 205(j) of the act and water quality standards continuing planning under section 303(e) of the act;
- (7) to provide principal forgiveness or grants to the extent permitted under the Federal Water Pollution Control Act and other federal law, based on the criteria and requirements established for the wastewater infrastructure funding program under section 446A.072 to projects that meet affordability criteria; and
- (8) to provide loans, principal forgiveness, or grants, including grants under section 116.196 in coordination with the Pollution Control Agency, to the extent permitted under the Federal Water Pollution Control Act and other federal law to address green infrastructure, water or energy efficiency improvements, or other environmentally innovative activities.
- (b) Amounts spent under paragraph (a), clause (6), may not exceed the amount allowed under the Federal Water Pollution Control Act.
- (c) Principal forgiveness or grants provided under paragraph (a), clause (8), may not exceed 25 percent of the eligible project costs as determined by the Pollution Control Agency for project components directly related to green infrastructure, water or energy efficiency improvements, or other environmentally innovative activities, up to a maximum of \$1,000,000. The authority must use the maximum amount of federal funds available for the purposes of green infrastructure each fiscal year beginning in fiscal year 2024. If in any fiscal year there is no maximum amount stated in federal law, regulation, or guidance as

Sec. 5. 5

5.1	being available for the purposes of green infrastructure, the authority must use no less than
5.2	20 percent of the federal funds in the clean water revolving fund for green infrastructure
5.3	and stormwater infrastructure projects eligible for funding through the green infrastructure
5.4	grant program under section 116.196.
5.5	Sec. 6. Minnesota Statutes 2022, section 446A.081, subdivision 1, is amended to read:
5.6	Subdivision 1. <b>Definitions.</b> (a) For the purposes of this section, the terms in this
5.7	subdivision have the meanings given them.
5.8	(b) "Disadvantaged community," pursuant to section 1452(d) of the federal Safe Drinking
5.9	Water Act, means a project service area that includes, in whole or in part, a census tract
5.10	where at least three of the following apply as determined using the most recently published
5.11	data from the United States Census Bureau or United States Centers for Disease Control
5.12	and Prevention:
5.13	(1) 20 percent or more of the residents have income below the federal poverty thresholds;
5.14	(2) the tract has a United States Centers for Disease Control and Prevention Social
5.15	Vulnerability Index greater than 0.80;
6.16	(3) the upper limit of the lowest quintile of household income is less than the state upper
5.17	limit of the lowest quintile;
5.18	(4) the housing vacancy rate is greater than the state average; or
5.19	(5) the percent of the population receiving Supplemental Nutrition Assistance Program
5.20	(SNAP) benefits is greater than the state average.
5.21	(b) (c) "Eligible recipient" means governmental units or other entities eligible to receive
5.22	loans or other assistance as provided in the federal Safe Drinking Water Act.
5.23	(e) (d) "Federal Safe Drinking Water Act" means the federal Safe Drinking Water Act,
5.24	as amended, United States Code, title 42, sections 300f et seq.
5.25	(e) "Green infrastructure" has the meaning given in section 116.196, subdivision 2,
5.26	paragraph (c).
5.27	Sec. 7. Minnesota Statutes 2022, section 446A.081, subdivision 8, is amended to read:
5.28	Subd. 8. Loan conditions. (a) When making loans from the drinking water revolving
5.29	fund, the authority shall comply with the conditions of the federal Safe Drinking Water Act,
5.30	including the criteria in this subdivision.

Sec. 7. 6

(b) Loans must be made at or below market interest rates, including zero interest loans, for terms not to exceed those allowed under the federal Safe Drinking Water Act.

- (c) The annual principal and interest payments must begin no later than one year after completion of the project. Loans must be amortized no later than 20 years after project completion, unless the recipient's average annual residential drinking water system cost after completion of the project would exceed 1.2 percent of median household income in the recipient governmental unit or entity project is identified as being located in a disadvantaged community, in which case the loan must be fully amortized no later than 30 years after project completion.
- (d) A loan recipient must identify and establish a dedicated source of revenue for repayment of the loan, and provide for a source of revenue to properly operate, maintain, and repair the water system.
- (e) The fund must be credited with all payments of principal and interest on all loans, except the costs as permitted under section 446A.04, subdivision 5, paragraph (a).
- (f) A loan may not be used to pay operating expenses or current obligations, unless specifically allowed by the federal Safe Drinking Water Act.
- (g) A loan made by the authority must be secured by notes or bonds of the governmental unit and collateral to be determined by the authority for private borrowers.
- (h) Notwithstanding Minnesota Rules, part 7380.0272, the interest rate for loans made
   for the purpose of green infrastructure is zero percent.
- 7.21 Sec. 8. Minnesota Statutes 2022, section 446A.081, subdivision 9, is amended to read:
- 7.22 Subd. 9. **Other uses of fund.** (a) The drinking water revolving loan fund may be used as provided in the act, including the following uses:
  - (1) to buy or refinance the debt obligations, at or below market rates, of public water systems for drinking water systems, where the debt was incurred after the date of enactment of the act, for the purposes of construction of the necessary improvements to comply with the national primary drinking water regulations under the federal Safe Drinking Water Act;
  - (2) to purchase or guarantee insurance for local obligations to improve credit market access or reduce interest rates;
  - (3) to provide a source of revenue or security for the payment of principal and interest on revenue or general obligation bonds issued by the authority if the bond proceeds are deposited in the fund;

Sec. 8. 7

(4) to provide loans or loan guarantees for similar revolving funds established by a governmental unit or state agency;

- (6) to pay the reasonable costs incurred by the authority, the Department of Employment and Economic Development, and the Department of Health for conducting activities as authorized and required under the act up to the limits authorized under the act;
- (7) to develop and administer programs for water system supervision, source water protection, and related programs required under the act;
- (8) to provide principal forgiveness or grants to the extent permitted under the federal Safe Drinking Water Act and other federal law, based on the criteria and requirements established for drinking water projects under the water infrastructure funding program under section 446A.072 to disadvantaged communities;
- (9) to provide loans, principal forgiveness or grants, including grants under section

  116.196 in coordination with the Pollution Control Agency, to the extent permitted under the federal Safe Drinking Water Act and other federal law to address green infrastructure, water or energy efficiency improvements, or other environmentally innovative activities;
- (10) to provide principal forgiveness, or grants for 80 percent of project costs up to a maximum of \$100,000 for projects needed to comply with national primary drinking water standards for an existing nonmunicipal community public water system; and
- (11) to provide principal forgiveness or grants to the extent permitted under the federal Safe Drinking Water Act and other federal laws for 50 percent of the project costs up to a maximum of \$250,000 for projects to replace the privately owned portion of drinking water lead service lines.
- (b) Principal forgiveness or grants provided under paragraph (a), clause (9), may not exceed 25 percent of the eligible project costs as determined by the Department of Health for project components directly related to green infrastructure, water or energy efficiency improvements, or other environmentally innovative activities, up to a maximum of \$1,000,000. The authority must use the maximum amount of federal funds available for the purposes of green infrastructure each fiscal year beginning in fiscal year 2024. If in any fiscal year there is no maximum amount stated in federal law, regulation, or guidance as being available for the purposes of green infrastructure, the authority must use no less than 20 percent of the federal funds in the drinking water revolving loan fund for green

Sec. 8. 8

infrastructure and stormwater infrastructure projects eligible	for funding through the green
infrastructure grant program under section 116.196.	
Sec. 9. Minnesota Statutes 2022, section 446A.081, subdivi	ision 12, is amended to read:
Subd. 12. Rules of the department. (a) The Department	of Health shall adopt rules
relating to the procedures for administration of the Departmen	nt of Health's duties under the
act and this section.	
(b) Rules that establish criteria for ranking new or upgraded	l water supply system projects
n order of priority must assign priority points for projects loc	cated in disadvantaged
communities.	
Sec. 10. INTERIM PROJECT PRIORITY LIST RECO	MMENDATIONS;
POLLUTION CONTROL AGENCY.	
Until rules factoring in affordability criteria are adopted u	nder Minnesota Statutes,
ection 116.182, subdivision 5, the commissioner of the Pollu	
review each project priority list developed and provide recom	
Facilities Authority that prioritize the projects based on afford	dability criteria. The Public
Facilities Authority must use the recommendations when dev	eloping the intended use plan
developed under Minnesota Statutes, section 446A.07.	
Sec. 11. INTERIM PROJECT PRIORITY LIST RECO	MMENDATIONS:
COMMISSIONER OF HEALTH.	, <u> </u>
Until rules factoring in disadvantaged communities are adop	oted under Minnesota Statutes
section 446A.081, subdivision 12, the commissioner of health	h must review each project
priority list developed and provide recommendations to the Pr	ublic Facilities Authority tha
prioritize the projects based on being located in a disadvantag	ged community. The Public
Facilities Authority must use the recommendations when dev	eloping the intended use plar
developed under Minnesota Statutes, section 446A.081, subd	ivision 5.
Sec. 12. APPROPRIATIONS; GREEN INFRASTRUCT	TURE PROGRAM.
Subdivision 1. Appropriation; state general obligation	bonds. \$ is appropriated
