2.1 **ARTICLE 1**

2.2 **ELECTION ADMINISTRATION**

2.3 Section 1. Minnesota Statutes 2014, section 123B.09, subdivision 1, is amended to read:

2.4 Subdivision 1. **School board membership.** The care, management, and control of
 2.5 independent districts is vested in a board of directors, to be known as the school board.
 2.6 The term of office of a member shall be four years commencing on the first Monday in
 2.7 January and until a successor qualifies. The membership of the board shall consist of six
 2.8 elected directors together with such ex officio member as may be provided by law. The
 2.9 board may submit to the electors at any school election the question whether the board
 2.10 shall consist of seven members. If a majority of those voting on the proposition favor a
 2.11 seven-member board, a seventh member shall be elected at the next election of directors
 2.12 for a four-year term and thereafter the board shall consist of seven members.

2.13 Those districts with a seven-member board may submit to the electors at any school
 2.14 election at least 150 days before the next election of three members of the board the
 2.15 question whether the board shall consist of six members. If a majority of those voting on
 2.16 the proposition favor a six-member board instead of a seven-member board, ~~two~~ three
 2.17 members instead of ~~three~~ four members shall be elected at the next election of the board of
 2.18 directors and thereafter the board shall consist of six members.

2.19 Sec. 2. Minnesota Statutes 2014, section 123B.09, is amended by adding a subdivision
 2.20 to read:

2.21 Subd. 5a. **Vacancies.** A vacancy other than a vacancy described in subdivision 4
 2.22 must be filled pursuant to section 123B.095.

2.23 Sec. 3. **[123B.095] VACANCY IN OFFICE OF SCHOOL BOARD MEMBER.**

2.24 Subdivision 1. **Option for filling vacancies; special election.** (a) Except as
 2.25 provided in section 123B.09, subdivision 4, a vacancy in the office of school board may be
 2.26 filled as provided in this subdivision and subdivision 2, or as provided in subdivision 3. If
 2.27 the vacancy is to be filled under this subdivision and subdivision 2, it must be filled at a
 2.28 special election. The school board may by resolution call for a special election to be held
 2.29 according to the earliest of the following time schedules:

2.30 (1) not less than 120 days following the date the vacancy is declared, but no later
 2.31 than 12 weeks prior to the date of the next regularly scheduled primary election;

2.32 (2) concurrently with the next regularly scheduled primary election and general
 2.33 election; or

3.1 (3) no sooner than 120 days following the next regularly scheduled general election.

3.2 (b) The person elected at the special election shall take office immediately after
3.3 receipt of the certificate of election and upon filing the bond and taking the oath of office
3.4 and shall serve the remainder of the unexpired term.

3.5 Subd. 2. **When victor seated immediately.** If a vacancy for which a special
3.6 election is required occurs less than 120 days before the general election preceding the
3.7 end of the term, the vacancy shall be filled by the person elected at that election for the
3.8 ensuing term who shall take office immediately after receiving the certificate of election,
3.9 filing the bond and taking the oath of office.

3.10 Subd. 3. **Vacancies of less than one year; appointment option.** Except as provided
3.11 in section 123B.09, subdivision 4, and as an alternative to the procedure provided in
3.12 subdivisions 1 and 2, any other vacancy in the office of school board member may be
3.13 filled by board appointment at a regular or special meeting. The appointment shall be
3.14 evidenced by a resolution entered in the minutes and shall continue until an election is
3.15 held under this subdivision. All elections to fill vacancies shall be for the unexpired term.
3.16 If one year or more remains in the unexpired term, a special election must be held under
3.17 subdivision 1. If less than one year remains in the unexpired term, the school board may
3.18 appoint a person to fill the vacancy for the remainder of the unexpired term, unless the
3.19 vacancy occurs within 90 days of the next school district general election, in which case
3.20 an appointment shall not be made and the vacancy must be filled at the general election.
3.21 The person elected to fill a vacancy at the general election takes office immediately in the
3.22 same manner as for a special election under subdivision 1, and serves the remainder of the
3.23 unexpired term and the new term for which the election was otherwise held.

3.24 Subd. 4. **School board vacancy appointment; public hearing.** Before making an
3.25 appointment to fill a vacancy under subdivision 3, the school board must hold a public
3.26 hearing not more than 30 days after the vacancy occurs with public notice given in the
3.27 same manner as for a special meeting of the school board. At the public hearing, the board
3.28 must invite public testimony from persons residing in the district in which the vacancy
3.29 occurs relating to the qualifications of prospective appointees to fill the vacancy. Before
3.30 making an appointment, the board also must notify public officials in the school district
3.31 on the appointment, including county commissioners, town supervisors, and city council
3.32 members, and must enter into the record at the board meeting in which the appointment is
3.33 made the names and addresses of the public officials notified. If, after the public hearing,
3.34 the board is unable or decides not to make an appointment under subdivision 3, it must
3.35 hold a special election under subdivision 1, but the time period in which the election must
3.36 be held begins to run from the date of the public hearing.

4.1 Sec. 4. Minnesota Statutes 2014, section 200.02, subdivision 7, is amended to read:

4.2 Subd. 7. **Major political party.** (a) "Major political party" means a political party
4.3 that maintains a party organization in the state, political division or precinct in question
4.4 and that has presented at least one candidate for election to the office of:

4.5 (1) governor and lieutenant governor, secretary of state, state auditor, or attorney
4.6 general at the last preceding state general election for those offices; or

4.7 (2) presidential elector or U.S. senator at the last preceding state general election for
4.8 presidential electors; and

4.9 whose candidate received votes in each county in that election and received votes
4.10 from not less than five percent of the total number of individuals who voted in that election.

4.11 (b) "Major political party" also means a political party that maintains a party
4.12 organization in the state, political subdivision, or precinct in question and that has
4.13 presented at least 45 candidates for election to the office of state representative, 23
4.14 candidates for election to the office of state senator, four candidates for election to
4.15 the office of representative in Congress, and one candidate for election to each of the
4.16 following offices: governor and lieutenant governor, attorney general, secretary of state,
4.17 and state auditor, at the last preceding state general election for those offices.

4.18 (c) "Major political party" also means a political party that maintains a party
4.19 organization in the state, political subdivision, or precinct in question and whose members
4.20 present to the secretary of state at any time before the close of filing for the state partisan
4.21 primary ballot a petition for a place on the state partisan primary ballot, which petition
4.22 contains valid signatures of a number of the party members equal to at least five percent
4.23 of the total number of individuals who voted in the preceding state general election. A
4.24 signature is valid only if signed no more than one year prior to the date the petition was filed.

4.25 (d) A political party whose candidate receives a sufficient number of votes at a state
4.26 general election described in paragraph (a) or a political party that presents candidates at
4.27 an election as required by paragraph (b) becomes a major political party as of January
4.28 1 following that election and retains its major party status for at least two state general
4.29 elections even if the party fails to present a candidate who receives the number and
4.30 percentage of votes required under paragraph (a) or fails to present candidates as required
4.31 by paragraph (b) at subsequent state general elections.

4.32 (e) A major political party whose candidates fail to receive the number and
4.33 percentage of votes required under paragraph (a) and that fails to present candidates as
4.34 required by paragraph (b) at each of two consecutive state general elections described by
4.35 paragraph (a) or (b), respectively, loses major party status as of December 31 following
4.36 the later of the two consecutive state general elections.

5.1 Sec. 5. Minnesota Statutes 2014, section 200.02, subdivision 23, is amended to read:

5.2 Subd. 23. **Minor political party.** (a) "Minor political party" means a political party
5.3 that has adopted a state constitution, designated a state party chair, held a state convention
5.4 in the last two years, filed with the secretary of state no later than December 31 following
5.5 the most recent state general election a certification that the party has met the foregoing
5.6 requirements, and met the requirements of paragraph (b) or (e), as applicable.

5.7 (b) To be considered a minor party in all elections statewide, the political party must
5.8 have presented at least one candidate for election to the office of:

5.9 (1) governor and lieutenant governor, secretary of state, state auditor, or attorney
5.10 general, at the last preceding state general election for those offices; or

5.11 (2) presidential elector or U.S. senator at the preceding state general election for
5.12 presidential electors; and

5.13 (3) who received votes in each county that in the aggregate equal at least one percent
5.14 of the total number of individuals who voted in the election, or its members must have
5.15 presented to the secretary of state at any time before the close of filing for the state
5.16 partisan primary ballot a nominating petition in a form prescribed by the secretary of state
5.17 containing the valid signatures of party members in a number equal to at least one percent
5.18 of the total number of individuals who voted in the preceding state general election. A
5.19 signature is valid only if signed no more than one year prior to the date the petition was filed.

5.20 (c) A political party whose candidate receives a sufficient number of votes at a
5.21 state general election described in paragraph (b) becomes a minor political party as of
5.22 January 1 following that election and retains its minor party status for at least two state
5.23 general elections even if the party fails to present a candidate who receives the number
5.24 and percentage of votes required under paragraph (b) at subsequent state general elections.

5.25 (d) A minor political party whose candidates fail to receive the number and
5.26 percentage of votes required under paragraph (b) at each of two consecutive state general
5.27 elections described by paragraph (b) loses minor party status as of December 31 following
5.28 the later of the two consecutive state general elections.

5.29 (e) A minor party that qualifies to be a major party loses its status as a minor party
5.30 at the time it becomes a major party. Votes received by the candidates of a major party
5.31 must be counted in determining whether the party received sufficient votes to qualify as a
5.32 minor party, notwithstanding that the party does not receive sufficient votes to retain its
5.33 major party status. To be considered a minor party in an election in a legislative district,
5.34 the political party must have presented at least one candidate for a legislative office in that
5.35 district who received votes from at least ten percent of the total number of individuals
5.36 who voted for that office, or its members must have presented to the secretary of state a

6.1 nominating petition in a form prescribed by the secretary of state containing the valid
6.2 signatures of party members in a number equal to at least ten percent of the total number of
6.3 individuals who voted in the preceding state general election for that legislative office. A
6.4 signature is valid only if signed no more than one year prior to the date the petition was filed.

6.5 Sec. 6. Minnesota Statutes 2014, section 200.02, is amended by adding a subdivision

6.15 As required by the Help America Vote Act of 2002, Public Law 107-252, the
6.16 commissioner of public safety shall make electronic data on citizenship available to the
6.17 secretary of state. The secretary of state must determine whether the data newly indicates
6.18 that any individuals who have active records in the statewide voter registration system
6.19 are not citizens. The secretary of state shall prepare a list of those voters for each county
6.20 auditor at least monthly. The county auditor shall change the status of those registrants in
6.21 the statewide voter registration system to reflect that they are challenged based upon their
6.22 citizenship and must notify the county attorney.

6.23 ~~In 2010, the secretary of state must make the determination and provide lists~~
6.24 ~~to the county auditors between 30 and 60 days before the general election and again~~
6.25 ~~between six and ten weeks after the election. In 2011, the secretary of state must make~~
6.26 ~~this determination again as part of the annual list maintenance. By August 1, 2012, the~~

6.31 defined in United States Code, title 42, ~~section 1973ff-6~~ section 20310, and military
6.32 forces as defined by section 190.05, subdivision 3.

7.1 Sec. 10. Minnesota Statutes 2014, section 203B.07, subdivision 1, is amended to read:

7.2 Subdivision 1. **Delivery of envelopes, directions.** The county auditor or the
7.3 municipal clerk shall prepare, print, and transmit a return envelope, a ballot envelope, and
7.4 a copy of the directions for casting an absentee ballot to each applicant whose application
7.5 for absentee ballots is accepted pursuant to section 203B.04. The county auditor or
7.6 municipal clerk shall provide first class postage for the return envelope. The directions
7.7 for casting an absentee ballot shall be printed in at least 14-point bold type with heavy
7.8 leading and may be printed on the ballot envelope. When a person requests the directions
7.9 in Braille or on ~~eassette-tape~~ audio file, the county auditor or municipal clerk shall provide
7.10 them in the form requested. The secretary of state shall prepare Braille and ~~eassette~~ audio
7.11 file copies and make them available.

7.12 When a voter registration application is sent to the applicant as provided in section
7.13 203B.06, subdivision 4, the directions on registration application shall include instructions
7.14 for registering to vote.

7.15 Sec. 11. Minnesota Statutes 2014, section 203B.08, subdivision 1, is amended to read:

7.16 Subdivision 1. **Marking and return by voter.** An eligible voter who receives
7.17 absentee ballots as provided in this chapter shall mark them in the manner specified in the
7.18 directions for casting the absentee ballots. The return envelope containing marked ballots
7.19 may be mailed as provided in the directions for casting the absentee ballots or may be
7.20 left with the county auditor or municipal clerk who transmitted the absentee ballots to the
7.21 voter. If delivered in person ~~by an agent~~, the return envelope must be submitted to the
7.22 county auditor or municipal clerk by 3:00 p.m. on election day.

7.23 The voter may designate an agent to deliver in person the sealed absentee ballot
7.24 return envelope to the county auditor or municipal clerk or to deposit the return envelope
7.25 in the mail. An agent may deliver or mail the return envelopes of not more than three
7.26 voters in any election. Any person designated as an agent who tampers with either the
7.27 return envelope or the voted ballots or does not immediately mail or deliver the return
7.28 envelope to the county auditor or municipal clerk is guilty of a misdemeanor.

7.29 Sec. 12. Minnesota Statutes 2014, section 203B.08, subdivision 3, is amended to read:

7.30 Subd. 3. **Procedures on receipt of ballots.** When absentee ballots are returned to a
7.31 county auditor or municipal clerk, that official shall stamp or initial and date the return
7.32 envelope and place it in a secure location with other return envelopes received by that
7.33 office. Within five days after receipt, the county auditor or municipal clerk shall deliver to
7.34 the ballot board all ballots received, except that during the 14 days immediately preceding

8.1 an election, the county auditor or municipal clerk shall deliver all ballots received to the
8.2 ballot board within three days. Ballots received on election day either (1) after 3:00 p.m.,
8.3 if delivered ~~by an agent in person~~; or (2) after ~~the last mail delivery~~ 8 p.m., if delivered by
8.4 ~~another method~~ mail or a package delivery service, shall be marked as received late by the
8.5 county auditor or municipal clerk, and must not be delivered to the ballot board.

8.6 Sec. 13. Minnesota Statutes 2014, section 203B.121, subdivision 2, is amended to read:

8.7 Subd. 2. **Duties of ballot board; absentee ballots.** (a) The members of the ballot
8.8 board shall take possession of all return envelopes delivered to them in accordance with
8.9 section 203B.08. Upon receipt from the county auditor, municipal clerk, or school district
8.10 clerk, two or more members of the ballot board shall examine each return envelope and
8.11 shall mark it accepted or rejected in the manner provided in this subdivision. Election
8.12 judges performing the duties in this section must be of different major political parties,
8.13 unless they are exempt from that requirement under section 205.075, subdivision 4, or
8.14 section 205A.10, subdivision 2.

8.15 (b) The members of the ballot board shall mark the return envelope "Accepted" and
8.16 initial or sign the return envelope below the word "Accepted" if a majority of the members
8.17 of the ballot board examining the envelope are satisfied that:

8.18 (1) the voter's name and address on the return envelope are the same as the
8.19 information provided on the absentee ballot application;

8.20 (2) the voter signed the certification on the envelope;

8.21 (3) the voter's Minnesota driver's license, state identification number, or the last four
8.22 digits of the voter's Social Security number are the same as ~~the~~ a number provided on the
8.23 voter's absentee ballot application for ballots or voter record. If the number does not
8.24 match ~~the number as submitted on the application, or if a number was not submitted on~~
8.25 ~~the application~~, the election judges must compare the signature provided by the applicant
8.26 to determine whether the ballots were returned by the same person to whom they were
8.27 transmitted;

8.28 (4) the voter is registered and eligible to vote in the precinct or has included a
8.29 properly completed voter registration application in the return envelope;

8.30 (5) the certificate has been completed as prescribed in the directions for casting an
8.31 absentee ballot; and

8.32 (6) the voter has not already voted at that election, either in person or, if it is after the
8.33 close of business on the seventh day before the election, by absentee ballot.

8.34 The return envelope from accepted ballots must be preserved and returned to the
8.35 county auditor.

9.1 (c)(1) If a majority of the members of the ballot board examining a return envelope
9.2 find that an absentee voter has failed to meet one of the requirements provided in
9.3 paragraph (b), they shall mark the return envelope "Rejected," initial or sign it below the
9.4 word "Rejected," list the reason for the rejection on the envelope, and return it to the
9.5 county auditor. There is no other reason for rejecting an absentee ballot beyond those
9.6 permitted by this section. Failure to place the ballot within the security envelope before
9.7 placing it in the outer white envelope is not a reason to reject an absentee ballot.

9.8 (2) If an envelope has been rejected at least five days before the election, the
9.9 envelope must remain sealed and the official in charge of the ballot board shall provide the
9.10 voter with a replacement absentee ballot and return envelope in place of the rejected ballot.

9.11 (3) If an envelope is rejected within five days of the election, the envelope must
9.12 remain sealed and the official in charge of the ballot board must attempt to contact the
9.13 voter by telephone or e-mail to notify the voter that the voter's ballot has been rejected.
9.14 The official must document the attempts made to contact the voter.

9.15 (d) The official in charge of the absentee ballot board must mail the voter a written
9.16 notice of absentee ballot rejection between six and ten weeks following the election. If the
9.17 official determines that the voter has otherwise cast a ballot in the election, no notice is
9.18 required. If an absentee ballot arrives after the deadline for submission provided by this
9.19 chapter, the notice must be provided between six to ten weeks after receipt of the ballot. A
9.20 notice of absentee ballot rejection must contain the following information:

9.21 (1) the date on which the absentee ballot was rejected or, if the ballot was received
9.22 after the required deadline for submission, the date on which the ballot was received;

9.23 (2) the reason for rejection; and

9.24 (3) the name of the appropriate election official to whom the voter may direct further
9.25 questions, along with appropriate contact information.

9.26 (e) An absentee ballot return envelope marked "Rejected" may not be opened or
9.27 subject to further review except in an election contest filed pursuant to chapter 209.

9.28 Sec. 14. Minnesota Statutes 2014, section 203B.16, subdivision 1, is amended to read:

9.29 Subdivision 1. **Military service; temporary residence outside United States.**

9.30 Sections 203B.16 to 203B.27 provide alternative voting procedures for eligible voters who
9.31 are absent from the precinct where they maintain residence because they are:

9.32 (1) either in the military or the spouses or dependents of individuals serving in
9.33 the military; or

9.34 (2) temporarily outside the territorial limits of the United States.

10.1 Sections 203B.16 to 203B.27 are intended to implement the federal Uniformed and

11.22 of perjury; and

11.23 (g) the voter's e-mail address, if the application was submitted electronically through
11.24 the secure Web site maintained by the secretary of state.

11.31 number, or Social Security number. The secretary of state must review all unverifiable
11.32 applications for evidence of suspicious activity and must forward any such application to
11.33 an appropriate law enforcement agency for investigation.

11.34 Sec. 18. Minnesota Statutes 2014, section 204B.06, subdivision 1b, is amended to read:

12.1 Subd. 1b. **Address and telephone number.** (a) An affidavit of candidacy must

12.7 provide the certification required under paragraph (c) for classification of that address.

12.8 (b) For an office whose residency requirement must be satisfied by the close of the
12.9 filing period, a registered voter in this state may request in writing that the filing officer
12.10 receiving the affidavit of candidacy review the address as provided in this paragraph, at
12.11 any time up to one day after the last day for filing for office. If requested, the filing officer
12.12 must determine whether the address provided in the affidavit of candidacy is within the
12.13 area represented by the office the candidate is seeking. If the filing officer determines
12.14 that the address is not within the area represented by the office, the filing officer must
12.15 immediately notify the candidate and the candidate's name must be removed from the
12.16 ballot for that office. A determination made by a filing officer under this paragraph is
12.17 subject to judicial review under section 204B.44.

12.18 (c) If the candidate requests that the candidate's address of residence be classified
12.19 as private data, the candidate must list the candidate's address of residence on a separate
12.20 form to be attached to the affidavit. The candidate must also certify on the affidavit that
12.21 a police report has been submitted or an order for protection has been issued in regard
12.22 to the safety of the candidate or the candidate's family, or that the candidate's address is
12.23 otherwise private pursuant to Minnesota law. The address of residence provided by a
12.24 candidate who makes a request for classification on the candidate's affidavit of candidacy
12.25 and provides the certification required by this paragraph is classified as private data,
12.26 as defined in section 13.02, subdivision 12, but may be reviewed by the filing officer
12.27 as provided in this subdivision.

12.28 (d) The requirements of this subdivision do not apply to affidavits of candidacy for a
12.29 candidate for: (1) judicial office; (2) the office of county attorney; or (3) county sheriff.

12.34 eligible to be appointed as a without party affiliation trainee election judge ~~in the county in~~
12.35 ~~which the student resides.~~ The student must meet qualifications for trainee election judges

13.1 specified in rules of the secretary of state. A student appointed as a trainee election judge
13.2 may be excused from school attendance during the hours that the student is serving as a
13.3 trainee election judge if the student submits a written request signed and approved by the
13.4 student's parent or guardian to be absent from school and a certificate from the appointing
13.5 authority stating the hours during which the student will serve as a trainee election judge
13.6 to the principal of the school at least ten days prior to the election. Students shall not
13.7 serve as trainee election judges after 10:00 p.m. Notwithstanding section 177.24 to the
13.8 contrary, trainee election judges may be paid not less than two-thirds of the minimum
13.9 wage for a large employer. The principal of the school may approve a request to be absent
13.10 from school conditioned on acceptable academic performance at the time of service as
13.11 a trainee election judge.

13.13 Subdivision 1. **Type.** All ballots shall be printed with black ink on paper of sufficient
13.14 thickness to prevent the printing from being discernible from the back. All ballots shall be
13.15 printed in easily readable type with suitable lines dividing candidates, offices, instructions
13.16 and other matter printed on ballots. ~~The name of each candidate shall be printed in capital~~
13.17 ~~letters.~~ The same type shall be used for the names of all candidates on the same ballot.

13.19 Subd. 2. **Candidates and offices.** The name of each candidate shall be printed at a
13.20 right angle to the length of the ballot. At a general election the name of the political party
13.21 or the political principle of each candidate for partisan office shall be printed above or
13.22 below the name of the candidate. The name of a political party or a political principle
13.23 shall be printed in capital and lowercase letters of the same type, with the capital letters
13.24 at least one-half the height of the capital letters used for names of the candidates. At a
13.25 general election, blank lines containing the words "write-in, if any" shall be printed below
13.26 the name of the last candidate for each office, or below the title of the office if no candidate
13.27 has filed for that office, so that a voter may write in the names of individuals whose names
13.28 are not on the ballot. One blank line shall be printed for each officer of that kind to be
13.29 elected. At a primary election, no blank lines shall be provided for writing in the names of
13.30 individuals whose names do not appear on the primary ballot.

13.31 On the left side of the ballot at the same level with the name of each candidate and
13.32 each blank line shall be printed ~~a square~~ an oval or similar target shape in which the
13.33 voter may designate a vote by ~~a mark (X)~~ filling in the oval or similar mark if a different
13.34 target shape is used. Each square shall be the same size. Above the first name on each

14.1 ballot shall be ~~printed the words, "Put an (X) in the square opposite the name of each~~
 14.2 ~~candidate you wish to vote for." At the same level with these words and directly above~~
 14.3 ~~the squares shall be printed a small arrow pointing downward~~ instructions for voting.
 14.4 Directly underneath the official title of each office shall be printed the words "Vote for
 14.5 one" or "Vote for up to ..." (any greater number to be elected).

14.6 Sec. 22. Minnesota Statutes 2014, section 204B.36, subdivision 3, is amended to read:

14.7 Subd. 3. **Question; form of ballot.** When a question is to be submitted to a vote, a
 14.8 concise statement of the nature of the question shall be printed on the ballot. The words,
 14.9 "~~YES~~" "Yes" and "~~NO~~" "No" shall be printed to the left of this statement, with ~~a square~~
 14.10 an oval or similar target shape to the left of each word so that the voter may indicate by
 14.11 a mark (X) either a negative or affirmative vote. The ballot shall include instructions
 14.12 directing the voter to ~~put an (X) in the square~~ fill in the oval or similar mark if a different
 14.13 target shape is used, before the word "~~YES~~" "Yes" if the voter desires to vote for the
 14.14 question, or to ~~put an (X)~~ fill in the oval or similar mark if a different target shape is used,
 14.15 before the word "~~NO~~" "No" if the voter desires to vote against the question.

14.16 Sec. 23. Minnesota Statutes 2014, section 204B.36, subdivision 4, is amended to read:

14.17 Subd. 4. **Judicial candidates.** The official ballot shall contain the names of all
 14.18 candidates for each judicial office and shall state the number of those candidates for
 14.19 whom a voter may vote. Each seat for an associate justice, associate judge, or judge of
 14.20 the district court must be numbered. The words "~~SUPREME COURT,~~" "~~COURT OF~~
 14.21 ~~APPEALS,~~" "Supreme Court," "Court of Appeals," and "~~(number) DISTRICT COURT~~"
 14.22 "(number) District Court" must be printed above the respective judicial office groups on
 14.23 the ballot. The title of each judicial office shall be printed on the official primary and
 14.24 general election ballot as follows:

- 14.25 (a) In the case of the Supreme Court:
 14.26 "Chief justice";
 14.27 "Associate justice (number)";
 14.28 (b) In the case of the Court of Appeals:
 14.29 "Judge (number)"; or
 14.30 (c) In the case of the district court:
 14.31 "Judge (number)."

14.32 Sec. 24. Minnesota Statutes 2014, section 204B.45, subdivision 1, is amended to read:

15.1 Subdivision 1. **Authorization.** A town of any size ~~not located in a metropolitan~~
15.2 ~~county as defined by section 473.121, in any location~~ or a city having fewer than 400
15.3 1,000 registered voters on June 1 of an election year and not located in a metropolitan
15.4 county as defined by section 473.121, may provide balloting by mail at any municipal,
15.5 county, or state election with no polling place other than the office of the auditor or clerk
15.6 or other locations designated by the auditor or clerk. The governing body may apply to the
15.7 county auditor for permission to conduct balloting by mail. The county board may provide
15.8 for balloting by mail in unorganized territory. The governing body of any municipality
15.9 may designate for mail balloting any precinct having fewer than 100 registered voters,
15.10 subject to the approval of the county auditor.

15.11 Voted ballots may be returned in person to any location designated by the county
15.12 auditor or municipal clerk.

15.13 Sec. 25. Minnesota Statutes 2014, section 204B.45, subdivision 2, is amended to read:

15.14 Subd. 2. **Procedure.** Notice of the election and the special mail procedure must
15.15 be given at least ten weeks prior to the election. Not more than 46 days nor later than 14
15.16 days before a regularly scheduled election and not more than 30 days nor later than 14
15.17 days before any other election, the auditor shall mail ballots by nonforwardable mail to
15.18 all voters registered in the town or unorganized territory. No later than 14 days before
15.19 the election, the auditor must make a subsequent mailing of ballots to those voters who
15.20 register to vote after the initial mailing but before the 20th day before the election.
15.21 Eligible voters not registered at the time the ballots are mailed may apply for ballots as
15.22 provided in chapter 203B. Ballot return envelopes, with return postage provided, must
15.23 be preaddressed to the auditor or clerk and the voter may return the ballot by mail or in
15.24 person to the office of the auditor or clerk. The auditor or clerk must appoint a ballot board
15.25 to examine the mail and absentee ballot return envelopes and mark them "accepted" or
15.26 "rejected" within three days of receipt if there are 14 or fewer days before election day, or
15.27 within five days of receipt if there are more than 14 days before election day. The board
15.28 may consist of deputy county auditors or deputy municipal clerks who have received
15.29 training in the processing and counting of mail ballots, who need not be affiliated with
15.30 a major political party. Election judges performing the duties in this section must be of
15.31 different major political parties, unless they are exempt from that requirement under
15.32 section 205.075, subdivision 4, or section 205A.10. If an envelope has been rejected at
15.33 least five days before the election, the ballots in the envelope must remain sealed and the
15.34 auditor or clerk shall provide the voter with a replacement ballot and return envelope in
15.35 place of the spoiled ballot. If the ballot is rejected within five days of the election, the

16.1 envelope must remain sealed and the official in charge of the ballot board must attempt to
 16.2 contact the voter by telephone or e-mail to notify the voter that the voter's ballot has been
 16.3 rejected. The official must document the attempts made to contact the voter.

16.4 If the ballot is accepted, the county auditor or municipal clerk must mark the roster to
 16.5 indicate that the voter has already cast a ballot in that election. After the close of business
 16.6 on the ~~fourth~~ seventh day before the election, the ballots from return envelopes marked
 16.7 "Accepted" may be opened, duplicated as needed in the manner provided by section 206.86,
 16.8 subdivision 5, initialed by the members of the ballot board, and deposited in the ballot box.

16.9 In all other respects, the provisions of the Minnesota Election Law governing
 16.10 deposit and counting of ballots apply.

16.11 The mail and absentee ballots for a precinct must be counted together and reported
 16.12 as one vote total. No vote totals from mail or absentee ballots may be made public before
 16.13 the close of voting on election day.

16.14 The costs of the mailing shall be paid by the election jurisdiction in which the voter
 16.15 resides. Any ballot received by 8:00 p.m. on the day of the election must be counted.

16.16 Sec. 26. Minnesota Statutes 2014, section 204C.04, subdivision 2, is amended to read:

16.17 Subd. 2. **Elections covered.** For purposes of this section, "election" means a
 16.18 regularly scheduled ~~state primary or general~~ election, an election to fill a vacancy in the
 16.19 office of United States senator or United States representative, an election to fill a vacancy
 16.20 in nomination for a constitutional office, or an election to fill a vacancy in the office of
 16.21 state senator or state representative.

16.22 Sec. 27. Minnesota Statutes 2014, section 204C.13, subdivision 2, is amended to read:

16.23 Subd. 2. **Voting booths.** One of the election judges shall explain to the voter the
 16.24 proper method of marking ~~and folding~~ the ballots and, during a primary election, the effect
 16.25 of attempting to vote in more than one party's primary. Except as otherwise provided in
 16.26 section 204C.15, the voter shall retire alone to an unoccupied voting booth or, at the
 16.27 voter's discretion, the voter may choose to use another writing surface. The voter shall
 16.28 mark the ballots without undue delay. The voter may take sample ballots into the booth to
 16.29 assist in voting. The election judges may adopt and enforce reasonable rules governing the
 16.30 amount of time a voter may spend in the voting booth marking ballots.

16.31 Sec. 28. Minnesota Statutes 2014, section 204C.13, subdivision 3, is amended to read:

16.32 Subd. 3. **Marking ballots.** The voter shall mark each ballot in the following manner:

17.1 (a) ~~A mark (X) shall be placed in the square~~ The voter shall fill in the oval or similar
 17.2 mark if a different target shape is used, opposite the printed name of each candidate for
 17.3 whom the individual desires to vote, and in the square oval or other target shape before the
 17.4 "YES" "Yes" or "NO" "No" if the individual desires to vote for or against a question.

17.5 (b) The voter may write in other names on the lines provided under the printed
 17.6 names of the candidates, except that no names shall be written in on primary ballots.

17.7 (c) At a state primary an individual may vote for candidates of only one major
 17.8 political party on the partisan primary ballot. If a partisan primary ballot contains votes
 17.9 for the candidates of more than one major political party, the ballot is totally defective and
 17.10 no vote on the partisan section of the ballot shall be counted.

17.11 (d) An individual who spoils a ballot may return it to the election judges and receive
 17.12 another.

17.13 Sec. 29. Minnesota Statutes 2014, section 204C.13, subdivision 5, is amended to read:

17.14 Subd. 5. **Deposit of ballots in ballot boxes box.** The voter shall then withdraw
 17.15 from the voting booth with the ballots ~~and hand them to the election judge in charge of the~~
 17.16 ~~ballot boxes. That election judge shall~~ and immediately deposit each ballot in the proper
 17.17 ballot box. Ballots that have not been initialed by the election judges as provided in
 17.18 section 204C.09, shall not be deposited in the ballot box.

17.19 Sec. 30. Minnesota Statutes 2014, section 204C.15, subdivision 1, is amended to read:

17.20 Subdivision 1. **Physical assistance in marking ballots.** A voter who claims a need
 17.21 for assistance because of inability to read English or physical inability to mark a ballot
 17.22 may obtain the aid of two election judges who are members of different major political
 17.23 parties. The election judges shall mark the ballots as directed by the voter and in as secret
 17.24 a manner as circumstances permit. A voter in need of assistance may alternatively obtain
 17.25 the assistance of any individual the voter chooses. Only the following persons may not
 17.26 provide assistance to a voter: the voter's employer, an agent of the voter's employer, an
 17.27 officer or agent of the voter's union, or a candidate for election. The person who assists the
 17.28 voter shall, unaccompanied by an election judge, retire with that voter to a booth and mark
 17.29 the ballot as directed by the voter. ~~No person who assists another voter as provided in~~
 17.30 ~~the preceding sentence shall mark the ballots of more than three voters at one election.~~
 17.31 Before the ballots are deposited, the voter may show them privately to an election judge to
 17.32 ascertain that they are marked as the voter directed. An election judge or other individual
 17.33 assisting a voter shall not in any manner request, persuade, induce, or attempt to persuade
 17.34 or induce the voter to vote for any particular political party or candidate. The election

18.1 judges or other individuals who assist the voter shall not reveal to anyone the name of any
18.2 candidate for whom the voter has voted or anything that took place while assisting the voter.

18.3 Sec. 31. Minnesota Statutes 2014, section 204C.22, subdivision 3, is amended to read:

18.4 Subd. 3. **Votes for too many candidates.** If a voter places a mark (X) beside the
18.5 names of more candidates for an office than are to be elected or nominated, the ballot is
18.6 defective with respect only to that office. No vote shall be counted for any candidate for
18.7 that office, but the rest of the ballot shall be counted if possible. At a primary, if a voter
18.8 has not indicated a party preference and places a mark (X) beside the names of candidates
18.9 of more than one party on the partisan ballot, the ballot is totally defective and no votes on
18.10 it shall be counted. If a voter has indicated a party preference at a primary, only votes cast
18.11 for candidates of that party shall be counted.

18.12 Sec. 32. Minnesota Statutes 2014, section 204C.22, subdivision 4, is amended to read:

18.13 Subd. 4. **Name written in proper place.** If a voter has written the name of an
18.14 individual in the proper place on a general or special election ballot a vote shall be counted
18.15 for that individual whether or not the voter makes a mark (X) in the square oval or other
18.16 target shape opposite the blank.

18.17 Sec. 33. Minnesota Statutes 2014, section 204C.22, subdivision 7, is amended to read:

18.18 Subd. 7. **All written names or marks counted up to limit.** If a number of
18.19 individuals are to be elected to the same office, the election judges shall count all names
18.20 written in and all printed names with (X) marks in squares oval or other target shape
18.21 opposite them, not exceeding the whole number to be elected. When fewer names than the
18.22 number to be elected are marked with an (X) or written in, only the marked or written in
18.23 names shall be counted. When more names than the number to be elected are marked or
18.24 written in, the ballot is defective with respect to that office and no vote shall be counted
18.25 for that office.

18.26 Sec. 34. Minnesota Statutes 2014, section 204C.22, subdivision 10, is amended to read:

18.27 Subd. 10. **Different marks.** If a voter uniformly uses a mark ~~other than (X) which~~
18.28 that clearly indicates an intent to mark a name or to mark yes or no on a question, and the
18.29 voter does not use (X) the more standard mark anywhere else on the ballot, a vote shall
18.30 be counted for each candidate or response to a question marked. If a voter uses two or
18.31 more distinct marks, such as (X) and some other mark, a vote shall be counted for each

19.1 candidate or response to a question marked, unless the ballot is marked by distinguishing
19.2 characteristics that make the entire ballot defective as provided in subdivision 13.

19.3 Sec. 35. Minnesota Statutes 2014, section 204C.35, subdivision 1, is amended to read:

19.4 Subdivision 1. **Publicly funded recounts.** (a) In a state primary when the difference
19.5 between the votes cast for the candidates for nomination to:

19.6 (1) a state legislative office is less than one-half of one percent of the total number of
19.7 votes counted for that nomination or is ten votes or less and the total number of votes cast
19.8 for the nomination is 400 votes or less; or

19.9 (2) a statewide federal office, state constitutional office, statewide judicial office,
19.10 congressional office, or district judicial office is less than one-quarter of one percent of
19.11 the total number of votes counted for that nomination or is ten votes or less and the total
19.12 number of votes cast for the nomination is 400 votes or less;

19.13 and the difference determines the nomination, the canvassing board with responsibility
19.14 for declaring the results for that office shall manually recount the vote upon receiving a
19.15 written request from the candidate whose nomination is in question.

39.6 Section 1. Minnesota Statutes 2014, section 201.014, is amended by adding a
 39.7 subdivision to read:

39.8 Subd. 2a. **Felony conviction; restoration of civil right to vote.** An individual
 39.9 convicted of a felony has the civil right to vote restored when the individual completes
 39.10 any incarceration imposed and executed by the court for the offense, and during any other
 39.11 period following conviction in which the individual is not incarcerated. If the individual
 39.12 is later incarcerated for the same offense, the individual's civil right to vote is lost only
 39.13 during the period of incarceration.

39.14 Sec. 2. Minnesota Statutes 2014, section 201.12, subdivision 2, is amended to read:

39.15 Subd. 2. **Moved within state.** If any nonforwardable mailing from an election
 39.16 official is returned as undeliverable but with a permanent forwarding address in this state,
 39.17 the county auditor may change the voter's status to "inactive" in the statewide registration
 39.18 system and shall transmit a copy of the mailing to the auditor of the county in which the
 39.19 new address is located. If an election is scheduled to occur in the precinct in which the voter
 39.20 resides in the next 47 days, the county auditor shall promptly update the voter's address in
 39.21 the statewide voter registration system. If there is not an election scheduled, the auditor
 39.22 may wait to update the voter's address until after the next list of address changes is received
 39.23 from the secretary of state. Once updated, the county auditor shall mail to the voter a notice
 39.24 stating the voter's name, address, precinct, and polling place, except that if the voter's
 39.25 record is challenged due to incarceration for a felony conviction offense, noncitizenship,
 39.26 name change, incompetence, or a court's revocation of voting rights of individuals under
 39.27 guardianship, the auditor must not mail the notice. The notice must advise the voter that
 39.28 the voter's voting address has been changed and that the voter must notify the county
 39.29 auditor within 21 days if the new address is not the voter's address of residence. The notice
 39.30 must state that it must be returned if it is not deliverable to the voter at the named address.

39.31 Sec. 3. Minnesota Statutes 2014, section 201.12, subdivision 3, is amended to read:

39.32 Subd. 3. **Moved out of state.** If any nonforwardable mailing from an election
 39.33 official is returned as undeliverable but with a permanent forwarding address outside this

40.1 state, the county auditor shall promptly mail to the voter at the voter's new address a
40.2 notice advising the voter that the voter's status in the statewide voter registration system
40.3 will be changed to "inactive" unless the voter notifies the county auditor within 21 days
40.4 that the voter is retaining the former address as the voter's address of residence. If the
40.5 voter's record is challenged due to incarceration for a felony conviction offense, lack of
40.6 United States citizenship, legal incompetence, or court-ordered revocation of voting rights
40.7 of persons under guardianship, the county auditor must not mail this notice. If the notice is
40.8 not received by the deadline, the county auditor shall change the voter's status to "inactive"
40.9 in the statewide voter registration system.

40.10 Sec. 4. Minnesota Statutes 2014, section 201.13, subdivision 3, is amended to read:

40.11 Subd. 3. **Use of change of address system.** (a) At least once each month the
40.12 secretary of state shall obtain a list of individuals registered to vote in this state who have
40.13 filed with the United States Postal Service a change of their permanent address. The
40.14 secretary of state may also periodically obtain a list of individuals with driver's licenses or
40.15 state identification cards to identify those who are registered to vote who have applied to
40.16 the Department of Public Safety for a replacement driver's license or state identification
40.17 card with a different address, and a list of individuals for whom the Department of Public
40.18 Safety received notification of a driver's license or state identification card cancellation
40.19 due to a change of residency out of state. However, the secretary of state shall not load
40.20 data derived from these lists into the statewide voter registration system within the 47 days
40.21 before the state primary or 47 days before a November general election.

40.22 (b) If the address is changed to another address in this state, the secretary of state
40.23 shall locate the precinct in which the voter resides, if possible. If the secretary of state
40.24 is able to locate the precinct in which the voter resides, the secretary must transmit the
40.25 information about the changed address by electronic means to the county auditor of the
40.26 county in which the new address is located. For addresses for which the secretary of
40.27 state is unable to determine the precinct, the secretary may forward information to the
40.28 appropriate county auditors for individual review. If the voter has not voted or submitted a
40.29 voter registration application since the address change, upon receipt of the information, the
40.30 county auditor shall update the voter's address in the statewide voter registration system.
40.31 The county auditor shall mail to the voter a notice stating the voter's name, address,
40.32 precinct, and polling place, unless the voter's record is challenged due to incarceration
40.33 for a felony conviction offense, noncitizenship, name change, incompetence, or a court's
40.34 revocation of voting rights of individuals under guardianship, in which case the auditor
40.35 must not mail the notice. The notice must advise the voter that the voter's voting address

41.1 has been changed and that the voter must notify the county auditor within 21 days if the
 41.2 new address is not the voter's address of residence. The notice must state that it must be
 41.3 returned if it is not deliverable to the voter at the named address.

41.4 (c) If the change of permanent address is to an address outside this state, the secretary
 41.5 of state shall notify by electronic means the auditor of the county where the voter formerly
 41.6 resided that the voter has moved to another state. If the voter has not voted or submitted a
 41.7 voter registration application since the address change, the county auditor shall promptly
 41.8 mail to the voter at the voter's new address a notice advising the voter that the voter's status
 41.9 in the statewide voter registration system will be changed to "inactive" unless the voter
 41.10 notifies the county auditor within 21 days that the voter is retaining the former address
 41.11 as the voter's address of residence, except that if the voter's record is challenged due to
 41.12 incarceration for a felony conviction offense, noncitizenship, name change, incompetence,
 41.13 or a court's revocation of voting rights of individuals under guardianship, the auditor must
 41.14 not mail the notice. If the notice is not received by the deadline, the county auditor shall
 41.15 change the voter's status to "inactive" in the statewide voter registration system.

41.16 (d) If, in order to maintain voter registration records, the secretary of state enters
 41.17 an agreement to share information or data with an organization governed exclusively by
 41.18 a group of states, the secretary must first determine that the data security protocols are
 41.19 sufficient to safeguard the information or data shared. If required by such an agreement,
 41.20 the secretary of state may share the following data from the statewide voter registration
 41.21 system and data released to the secretary of state under section 171.12, subdivision 7a:

- 41.22 (1) name;
- 41.23 (2) date of birth;
- 41.24 (3) address;
- 41.25 (4) driver's license or state identification card number;
- 41.26 (5) the last four digits of an individual's Social Security number; and
- 41.27 (6) the date that an individual's record was last updated.

41.28 If the secretary of state enters into such an agreement, the secretary and county auditors
 41.29 must process changes to voter records based upon that data in accordance with this section.
 41.30 Except as otherwise provided in this subdivision, when data is shared with the secretary of
 41.31 state by another state, the secretary of state must maintain the same data classification that
 41.32 the data had while it was in the possession of the state providing the data.

41.33 Sec. 5. Minnesota Statutes 2014, section 201.14, is amended to read:

41.34 **201.14 COURT ADMINISTRATOR OF DISTRICT COURT; REPORT**
 41.35 **CHANGES OF NAMES.**

42.1 The state court administrator shall regularly report by electronic means to the
 42.2 secretary of state the name, address, and, if available, driver's license or state identification
 42.3 card number of each individual, 18 years of age or over, whose name was changed since
 42.4 the last report, by marriage, divorce, or any order or decree of the court. The secretary of
 42.5 state shall determine if any of the persons in the report are registered to vote under their
 42.6 previous name and shall prepare a list of those registrants for each county auditor. Upon
 42.7 receipt of the list, the county auditor shall make the change in the voter's record and mail
 42.8 to the voter the notice of registration required by section 201.121, subdivision 2. A notice
 42.9 must not be mailed if the voter's record is challenged due to incarceration for a felony
 42.10 ~~conviction~~ offense, lack of United States citizenship, legal incompetence, or court-ordered

 42.21 not a correctional facility, and, if available, corrections' state identification number, and
 42.22 the driver's license or state identification card number, and, if an individual has completed
 42.23 the sentence, the date of discharge.

42.24 (b) The secretary of state must determine if any data newly indicates that:

 42.26 system is currently ~~serving a felony sentence under the commissioner's jurisdiction or is~~
 42.27 ~~on probation for a felony offense that would result in the loss of civil rights~~ incarcerated

 43.7 shall challenge the individual's record in the statewide voter registration system. The
 43.8 county auditor must provide information to the county attorney about individuals under
 43.9 clause (2) for the county attorney's investigation. For individuals under clause (3), the
 43.10 county auditor must determine if the challenge status should be removed from the voter
 43.11 record for the individual, and if so, must remove the challenge.

43.12 The secretary of state must make the required determinations and provide the
 43.13 required lists to the county auditors at least monthly.

 49.13 for acceptance of absentee ballot applications and casting of absentee ballots from 8:00
 49.14 a.m. to 12:00 noon on the day immediately preceding a federal, state, or county election,

 49.17 office must be open from 10:00 a.m. to 3:00 p.m. on Saturday and until 5:00 p.m. on the

 49.19 on a Saturday or Sunday. Town clerks' offices must be open for absentee voting from
 49.20 10:00 a.m. to 12:00 noon on the Saturday before a town general election held in March.
 49.21 The school district clerk, when performing the county auditor's election duties, need not
 49.22 comply with this section.

49.23 Sec. 8. Minnesota Statutes 2014, section 203B.121, subdivision 1, is amended to read:

49.24 Subdivision 1. **Establishment; applicable laws.** (a) The governing body of each
 49.25 county, municipality, and school district with responsibility to accept and reject absentee
 49.26 ballots or to administer early voting must, by ordinance or resolution, establish a ballot
 49.27 board. The board must consist of a sufficient number of election judges trained in the
 49.28 handling of absentee ballots and, administration of early voting, and the use of the statewide
 49.29 voter registration system. The members must be appointed as provided in sections 204B.19
 49.30 to 204B.22. The board may include deputy county auditors or deputy city clerks who have
 49.31 received training in the processing and counting of absentee and early voting ballots.

49.32 (b) Each jurisdiction must pay a reasonable compensation to each member of that
 49.33 jurisdiction's ballot board for services rendered during an election.

50.1 (c) Except as otherwise provided by this section, all provisions of the Minnesota
50.2 Election Law apply to a ballot board.

50.3 Sec. 9. Minnesota Statutes 2014, section 203B.121, is amended by adding a
50.4 subdivision to read:

50.5 Subd. 2a. **Duties of ballot board; early voting.** The members of the ballot board
50.6 shall administer the process of early voting as prescribed in section 203B.35, and shall
50.7 make a record of voters who cast ballots early and count those ballots as provided in
50.8 subdivisions 3 and 5.

50.9 Sec. 10. Minnesota Statutes 2014, section 203B.121, subdivision 3, is amended to read:

50.10 Subd. 3. **Record of voting.** (a) When applicable, the county auditor or municipal
50.11 clerk must immediately record that a voter's absentee ballot has been accepted or that the
50.12 voter has cast a ballot pursuant to the early voting procedures provided in this chapter. A
50.13 voter whose record indicates that the voter has cast an early ballot must not be permitted
50.14 to cast another ballot in that election. After the close of business on the ~~seventh day before~~
50.15 ~~the election~~ day prior to the beginning of the early voting period as provided in section
50.16 203B.31, a voter whose record indicates that an absentee ballot has been accepted must
50.17 not be permitted to cast another ballot at that election. In a state primary, general, or state
50.18 special election for federal ~~or~~ state, or county office, the auditor or clerk must also record
50.19 this information in the statewide voter registration system.

50.20 (b) The roster must be marked, and a supplemental report of absentee and early
50.21 voters who submitted a voter registration application with their ballot must be created, no
50.22 later than the start of voting on election day to indicate the voters that have already cast a
50.23 ballot at the election. The roster may be marked either:

50.24 (1) by the county auditor or municipal clerk before election day;

50.25 (2) by the ballot board before election day; or

50.26 (3) by the election judges at the polling place on election day.

50.27 The record of a voter whose absentee ballot was received after the close of business
50.28 on the seventh day before the election is not required to be marked on the roster or
50.29 contained in a supplemental report as required by this paragraph.

50.30 Sec. 11. Minnesota Statutes 2014, section 203B.121, subdivision 4, is amended to read:

50.31 Subd. 4. **Opening of envelopes.** After the close of business on the ~~seventh day~~
50.32 ~~before the election~~ day prior to the beginning of the early voting period as provided in
50.33 section 203B.31, the ballots from return envelopes marked "Accepted" may be opened,

51.1 duplicated as needed in the manner provided in section 206.86, subdivision 5, initialed by
51.2 the members of the ballot board, and deposited in the appropriate ballot box. If more than
51.3 one ballot is enclosed in the ballot envelope, the ballots must be returned in the manner
51.4 provided by section 204C.25 for return of spoiled ballots, and may not be counted.

51.5 Sec. 12. Minnesota Statutes 2014, section 203B.121, subdivision 5, is amended to read:

51.6 Subd. 5. **Storage and counting of absentee and early voting ballots.** (a) On a
51.7 day on which absentee or early voting ballots are inserted into a ballot box, two members
51.8 of the ballot board must:

51.9 (1) remove the ballots from the ballot box at the end of the day;

51.10 (2) without inspecting the ballots, ensure that the number of ballots removed from
51.11 the ballot box is equal to the number of voters who cast early votes and whose absentee
51.12 ballots were accepted that day; and

51.13 (3) seal and secure all voted and unvoted ballots present in that location at the end
51.14 of the day.

51.15 (b) After the polls have closed on election day, two members of the ballot board
51.16 must count the ballots, tabulating the vote in a manner that indicates each vote of the voter
51.17 and the total votes cast for each candidate or question. In state primary and state general
51.18 elections, the results must indicate the total votes cast for each candidate or question in
51.19 each precinct and report the vote totals tabulated for each precinct. The count must be
51.20 recorded on a summary statement in substantially the same format as provided in section
51.21 204C.26. The ballot board shall submit at least one completed summary statement to the
51.22 county auditor or municipal clerk. The county auditor or municipal clerk may require
51.23 the ballot board to submit a sufficient number of completed summary statements to
51.24 comply with the provisions of section 204C.27, or the county auditor or municipal clerk
51.25 may certify reports containing the details of the ballot board summary statement to the
51.26 recipients of the summary statements designated in section 204C.27.

51.27 In state primary and state general elections, these vote totals shall be added to the
51.28 vote totals on the summary statements of the returns for the appropriate precinct. In other
51.29 elections, these vote totals may be added to the vote totals on the summary statement of
51.30 returns for the appropriate precinct or may be reported as a separate total.

51.31 The count shall be public. No vote totals from ballots may be made public before the
51.32 close of voting on election day.

51.33 (c) In addition to the requirements of paragraphs (a) and (b), if the task has not been
51.34 completed previously, the members of the ballot board must verify as soon as possible, but
51.35 no later than 24 hours after the end of the hours for voting, that voters whose absentee

52.1 ballots arrived after the rosters were marked or supplemental reports were generated
 52.2 and whose ballots were accepted did not vote in person on election day. An absentee
 52.3 ballot submitted by a voter who has voted in person on election day must be rejected. All
 52.4 other accepted absentee ballots must be opened, duplicated if necessary, and counted by
 52.5 members of the ballot board. The vote totals from these ballots must be incorporated into
 52.6 the totals with the other absentee ballots and handled according to paragraph (b).

52.7 Sec. 13. **[203B.30] EARLY VOTING; APPLICABILITY.**

52.8 Subdivision 1. Federal, state, and county elections. Any eligible voter may vote in
 52.9 person for every primary, special, and general election for a federal, state, or county office
 52.10 prior to the date of the election, in the manner provided in sections 203B.30 to 203B.35.

52.11 Subd. 2. Municipal and school district elections. (a) Subject to the requirements
 52.12 in paragraph (b), for municipal or school district elections not held in conjunction with a
 52.13 federal, state, or county election, the municipality or school district may authorize eligible
 52.14 voters to vote in the manner provided in sections 203B.30 to 203B.35 upon resolution of
 52.15 the governing body of the municipality or school district. The resolution must be adopted
 52.16 at least 74 days before the election. A home rule charter city may alternatively provide for
 52.17 authorization pursuant to this subdivision in the city's charter.

52.18 (b) A municipality or school district may only authorize voting under sections
 52.19 203B.30 to 203B.35 if the municipal or school district clerk has the technical capacity
 52.20 to access the statewide voter registration system in the secure manner prescribed by the
 52.21 secretary of state. The secretary of state must identify hardware, software, security,
 52.22 or other technical prerequisites necessary to ensure the security, access controls, and
 52.23 performance of the statewide voter registration system. The clerk must receive training
 52.24 approved by the secretary of state on the use of the statewide voter registration system
 52.25 before administering voting authorized under this paragraph. The clerk may not use the
 52.26 statewide voter registration system until the clerk has received the required training.

52.27 Sec. 14. **[203B.31] TIME PERIOD FOR EARLY VOTING.**

52.28 In elections where early voting is required or authorized under section 203B.30, early
 52.29 voting must be available from 15 days before the election through 5:00 p.m. on the third
 52.30 day before the election. All voters in line at 5:00 p.m. on the third day before the election
 52.31 must be allowed to vote in the same manner as provided in section 204C.05, subdivision 2.

52.32 Sec. 15. **[203B.32] HOURS FOR EARLY VOTING.**

53.1 Early voting must be available between the hours of 8:00 a.m. and 4:30 p.m. on
 53.2 each weekday during the time period provided in section 203B.31, from 8:00 a.m. to 8:00
 53.3 p.m. on at least one weekday, and from 10:00 a.m. to 5:00 p.m. on the two Saturdays
 53.4 before the election. For a primary election, early voting polling places are not required to
 53.5 be open on the first Saturday of the early voting period.

53.6 Sec. 16. **[203B.33] LOCATIONS FOR EARLY VOTING; POLLING PLACE**
 53.7 **REQUIREMENTS.**

53.8 Subdivision 1. **Locations.** Early voting must be made available at: (1) the county
 53.9 auditor's office; (2) at the municipal clerk's office in every municipality that has been
 53.10 delegated the responsibility to administer absentee voting as provided in section 203B.05;
 53.11 and (3) at any other location designated by the county auditor or municipal clerk at least
 53.12 90 days before the election.

53.13 Subd. 2. **Requirements for polling places.** (a) At least one voting station and one
 53.14 ballot marking device for disabled voters must be made available in each polling place.

53.15 (b) The county auditor must make an electronic voting system available in each
 53.16 polling place.

53.17 (c) Each polling place must have access to the statewide voter registration system in
 53.18 a manner that allows election judges to enter data into the system from the polling place.

53.19 Sec. 17. **[203B.34] NOTICE TO VOTERS.**

53.20 The county auditor must prepare a notice to the voters of the days, times, and
 53.21 locations for early voting. At least 14 days before the first day for early voting, the
 53.22 notice must be posted on the county's Web site and the Web site for each municipality in
 53.23 the county where an early voting location is designated for the election. If a county or
 53.24 municipality does not have a Web site, the county auditor or municipal clerk must publish
 53.25 the notice at least once in the jurisdiction's official newspaper at least seven days and not
 53.26 more than 14 days before the first day for early voting.

53.27 Sec. 18. **[203B.35] PROCEDURES FOR EARLY VOTING.**

53.28 Subdivision 1. **Voting procedure.** (a) Before an individual is allowed to sign the
 53.29 polling place roster or a voter signature certificate, a ballot board member must access the
 53.30 statewide voter registration system to determine if the individual has cast a ballot in the
 53.31 election. If the individual has already cast a ballot in the election, the voter must not be
 53.32 allowed to sign the polling place roster or a voter signature certificate, and the individual
 53.33 must not be given a ballot. If the individual has not already cast a ballot in the election,

54.1 the voter shall sign the polling place roster or a voter signature certificate as provided in
 54.2 section 204C.10. An individual who is not registered to vote must register in the manner
 54.3 provided in section 201.061, subdivision 3.

54.4 (b) After the voter has signed the polling place roster or a voter signature certificate,
 54.5 a member of the ballot board must provide a ballot to the voter. As soon as possible, after
 54.6 a ballot is provided to a voter, a ballot board member must indicate in the statewide voter
 54.7 registration system that the voter has cast a ballot in the election. Ballots must be prepared
 54.8 and distributed by members of the ballot board in the manner provided in section 204C.09.
 54.9 The voter must mark the ballot and deposit it in either a precinct count voting system or a
 54.10 sealed ballot box. A voter may not leave the polling place with the ballot.

54.11 Subd. 2. **Processing of ballots.** Ballots cast pursuant to sections 203B.30 to
 54.12 203B.35 must be processed and counted as provided in section 203B.121, subdivision 2a.

54.13 Sec. 19. Minnesota Statutes 2014, section 204B.28, subdivision 2, is amended to read:

54.14 Subd. 2. **Election supplies; duties of county auditors and clerks.** (a) Except as
 54.15 otherwise provided for absentee ballots in this section and in section 204B.35, subdivision
 54.16 4, the county auditor shall complete the preparation of the election materials for which
 54.17 the auditor is responsible at least four days before every state primary and state general
 54.18 election. At any time after all election materials are available from the county auditor
 54.19 but not later than four days before the election each municipal clerk shall secure from
 54.20 the county auditor:

54.21 (a) (1) the forms that are required for the conduct of the election;

54.22 (b) (2) any printed voter instruction materials furnished by the secretary of state;

54.24 (d) (4) a sufficient quantity of the official ballots, registration files, envelopes for
 54.25 ballot returns, and other supplies and materials required for each precinct in order to
 54.26 comply with the provisions of the Minnesota Election Law. The county auditor may
 54.27 furnish the election supplies to the municipal clerks in the same manner as the supplies are
 54.28 furnished to precincts in unorganized territory pursuant to section 204B.29, subdivision 1.

54.29 (b) At least one day prior to the beginning of the early voting period, as provided in
 54.30 section 203B.31, the county auditor must prepare and make available election materials
 54.31 for early voting to city clerks designated to administer early voting under section 203B.05.

54.32 Sec. 20. Minnesota Statutes 2014, section 204C.10, is amended to read:

55.6 (4) maintains residence at the address shown;

55.7 (5) is not under a guardianship in which the court order revokes the individual's
55.8 right to vote;

55.9 (6) has not been found by a court of law to be legally incompetent to vote ~~or has~~
55.10 ~~the right to vote because;~~

55.11 (7) ~~if the individual was convicted of a felony, the felony sentence has expired or~~

55.13 incarcerated for a felony offense;

55.14 (8) is registered; and

55.15 (9) has not already voted in the election.

55.16 The roster and voter signature certificate must also state: "I understand that deliberately
55.17 providing false information is a felony punishable by not more than five years
55.18 imprisonment and a fine of not more than \$10,000, or both."

55.19 (b) An individual voting early under section 203B.30 must sign the roster or a voter
55.20 signature certificate that meets the additional requirements of this paragraph. In addition
55.21 to the content required under paragraph (a), the roster or voter signature certificate must
55.22 also state: "I understand that after I have cast my ballot today, I cannot vote again in
55.23 this election."

55.24 (c) All of the text contained within the quotation marks in paragraphs (a) and (b)
55.25 must be in bold type on rosters or voter signature certificates provided to individuals
55.26 voting as provided in section 203B.30.

55.27 (d) A judge may, before the applicant signs the roster or voter signature certificate,
55.28 confirm the applicant's name, address, and date of birth.

55.29 (e) (e) After the applicant signs the roster or voter signature certificate, the judge
55.30 shall give the applicant a voter's receipt. The voter shall deliver the voter's receipt to the
55.31 judge in charge of ballots as proof of the voter's right to vote, and thereupon the judge
55.32 shall hand to the voter the ballot. The voters' receipts must be maintained during the
55.33 time for notice of filing an election contest.

55.34 Sec. 21. Minnesota Statutes 2014, section 206.82, subdivision 1, is amended to read:

56.1 Subdivision 1. **Program.** A program or programs for use in an election conducted
 56.2 by means of an electronic voting system or using an electronic ballot marker shall be
 56.3 prepared at the direction of the county auditor or municipal clerk who is responsible for
 56.4 the conduct of the election and shall be independently verified by a competent person
 56.5 designated by that official. The term "competent person" as used in this section means a
 56.6 person who can demonstrate knowledge as a computer programmer and who is other than
 56.7 and wholly independent of any person operating or employed by the counting center or the
 56.8 corporation or other preparer of the program. A test deck prepared by a competent person
 56.9 shall be used for independent verification of the program; it shall test the maximum digits
 56.10 used in totaling the returns and shall be usable by insertion during the tabulation process
 56.11 as well as prior to tabulation. A test deck must also be prepared using the electronic ballot
 56.12 marker program and must also be used to verify that all valid votes counted by the vote
 56.13 tabulator may be selected using the electronic ballot marker. The computer program for
 56.14 any election and an exact duplicate of the program for use as backup must be completed
 56.15 and delivered to the election jurisdiction or the county auditor in charge of a common
 56.16 central counting center at least 27 days prior to the election. The secretary of state shall
 56.17 adopt rules further specifying test procedures.

56.18 Sec. 22. Minnesota Statutes 2014, section 206.83, is amended to read:

56.19 **206.83 TESTING OF VOTING SYSTEMS.**

56.20 ~~Within 14 days~~ No sooner than 22 days before election day and no later than 16 days
 56.21 before election day, the official in charge of elections shall have the voting system tested
 56.22 to ascertain that the system will correctly mark ballots using all methods supported by the
 56.23 system, including through assistive technology, and count the votes cast for all candidates
 56.24 and on all questions. Public notice of the time and place of the test must be given at least
 56.25 two days in advance by publication once in official newspapers. The test must be observed
 56.26 by at least two election judges, who are not of the same major political party, and must be
 56.27 open to representatives of the political parties, candidates, the press, and the public. The
 56.28 test must be conducted by (1) processing a preaudited group of ballots punched or marked
 56.29 to record a predetermined number of valid votes for each candidate and on each question,
 56.30 and must include for each office one or more ballot cards which have votes in excess of
 56.31 the number allowed by law in order to test the ability of the voting system tabulator and
 56.32 electronic ballot marker to reject those votes; and (2) processing an additional test deck
 56.33 of ballots marked using the electronic ballot marker for the precinct, including ballots
 56.34 marked using the electronic ballot display, audio ballot reader, and any assistive voting
 56.35 technology used with the electronic ballot marker. If any error is detected, the cause must

57.1 be ascertained and corrected and an errorless count must be made before the voting system
 57.2 may be used in the election. After the completion of the test, the programs used and ballot
 57.3 cards must be sealed, retained, and disposed of as provided for paper ballots.

57.4 Sec. 23. **EFFECTIVE DATE; APPLICABILITY.**

57.5 (a) This article is effective when the secretary of state makes the certification
 57.6 required in paragraph (b), and applies to elections held after the effective date or August 1,
 57.7 2015, whichever is later.

57.8 (b) The secretary of state shall certify that:

57.9 (1) the statewide voter registration system has been tested and shown to properly
 57.10 allow for the tracking of the information required to conduct early voting, and can handle
 57.11 the expected volume of use; and

57.12 (2) precinct count voting equipment that can tabulate at least 30 different ballot
 57.13 styles has been certified for use in this state.

57.14 **ARTICLE 6**

57.15 **REDISTRICTING**

57.16 Section 1. Minnesota Statutes 2014, section 103C.311, subdivision 2, is amended to

 57.19 metropolitan area shall by resolution provide that supervisors will be elected by supervisor
 57.20 districts as provided in this subdivision.

57.21 (b) A district board outside of the seven-county metropolitan area, with the approval
 57.22 of the state board, may by resolution provide that supervisors will be elected by supervisor
 57.23 districts as provided in this subdivision.

57.24 (c) The supervisor districts must be composed of precincts established by county
 57.25 and municipal governing bodies under section 204B.14. The districts must be compact,
 57.26 include only contiguous territory, and be substantially equal in population. The districts
 57.27 must be numbered in a regular series. The districts must be drawn by the county board
 57.28 of the county containing the largest area of the soil and water conservation district,
 57.29 in consultation with the district board and with the approval of the state board. The
 57.30 boundaries of the districts must be redrawn after each decennial federal census as provided
 57.31 in section 204B.135. A certified copy of the resolution establishing supervisor districts
 57.32 must be filed by the chair of the district board with the county auditor of the counties
 57.33 where the soil and water conservation district is located, with the state board, and with
 57.34 the secretary of state, and the filings must occur within 80 days of the time when the

58.1 legislature has been redistricted or at least 15 weeks before the state primary election in a
 58.2 year ending in two, whichever comes first.

58.3 (d) Each supervisor district is entitled to elect one supervisor. A supervisor must be
 58.4 a resident of the district from which elected.

58.5 (e) The district board shall provide staggered terms for supervisors elected by
 58.6 district. After each redistricting, there shall be a new election of supervisors in all the
 58.7 districts at the next general election, except that if the change made in the boundaries of a
 58.8 district is less than five percent of the average population of all the districts, the supervisor
 58.9 in office at the time of the redistricting shall serve for the full term for which elected. The
 58.10 district board shall determine by lot the seats to be filled for a two-year term, a four-year
 58.11 term, and a six-year term.

58.12 (f) "Population" as referenced in this section includes the redistricting population
 58.13 data prepared by the secretary of state pursuant to section 204B.145, subdivision 5.

58.14 Sec. 2. Minnesota Statutes 2014, section 204B.145, is amended to read:

58.15 **204B.145 DUTIES OF SECRETARY OF STATE; REDISTRICTING.**

58.16 Subdivision 1. Exchange of information. Following the completion of legislative
 58.17 redistricting, the secretary of state may coordinate and facilitate the exchange of
 58.18 information between the legislative redistricting computer system, the statewide voter
 58.19 registration system, and a computer system developed to assist the counties, municipalities,
 58.20 and school districts in redrawing election districts and establishing election precincts.

58.21 Subd. 2. Corrections information transfer. (a) In each year in which the federal
 58.22 decennial census is taken but in which the United States Bureau of the Census allocates
 58.23 incarcerated persons as residents of correctional facilities, the commissioner of corrections
 58.24 shall by May 1 of that same year transfer to the secretary of state the following:

58.25 (1) a unique identifier, not including the name, or Offender Identification (OID)
 58.26 number for each incarcerated person subject to the jurisdiction of the department on the
 58.27 date for which the decennial census reports population. The unique identifier shall enable
 58.28 the secretary of state to address inquiries about specific address records to the Department
 58.29 of Corrections, without making it possible for anyone outside of the Department of
 58.30 Corrections to identify the inmate for whom the address record pertains;

58.31 (2) the street address of the correctional facility in which the person was incarcerated
 58.32 at the time of the report;

58.33 (3) the last known address of the person prior to incarceration or other legal
 58.34 residence, if known;

59.1 (4) the person's race, whether the person is of Hispanic or Latino origin, and whether
59.2 the person is over the age of 18, if known; and

59.3 (5) any additional information as the secretary of state may request pursuant to law.

59.4 (b) The commissioner of corrections shall provide the information specified in
59.5 paragraph (a) in a form specified by the secretary of state.

59.6 (c) The secretary of state must provide the information to the Legislative
59.7 Coordinating Commission.

59.8 (d) Notwithstanding any other provision of law, the information required to be
59.9 provided to the secretary of state and the Legislative Coordinating Commission pursuant
59.10 to this section shall not include the name or identification of any incarcerated person. The
59.11 information shall be treated as confidential, and shall not be disclosed by the secretary
59.12 of state or by the Legislative Coordinating Commission except as redistricting data
59.13 aggregated by census block for purposes specified in subdivision 4.

59.14 Subd. 3. **Federal facilities.** The secretary of state shall request each agency that
59.15 operates a federal facility in this state that incarcerates persons convicted of a criminal
59.16 offense to provide the secretary of state with a report including the information listed
59.17 in subdivision 2, paragraph (a).

59.18 Subd. 4. **Redistricting population.** The secretary of state shall work with the
59.19 Legislative Coordinating Commission to prepare redistricting population data to reflect
59.20 incarcerated persons at their residential address pursuant to subdivision 5. The data
59.21 prepared pursuant to subdivision 5 shall be the basis of state house of representatives
59.22 districts, state senate districts, and all local government districts that are based on
59.23 population. Incarcerated populations residing at unknown geographic locations within the
59.24 state, as determined under subdivision 5, paragraph (c), clause (2), shall not be used to
59.25 determine the ideal population of any set of districts, wards, or precincts.

59.26 Subd. 5. **Determinations and data publication by the secretary of state.** (a) For
59.27 each person included in a report received under subdivisions 2 and 3, the secretary of state
59.28 shall work with the Legislative Coordinating Commission to determine the geographic
59.29 units for which population counts are reported in the federal decennial census that contain
59.30 the facility of incarceration and the legal residence as listed according to the report.

59.31 (b) For each person included in a report received under subdivisions 2 and 3, if
59.32 the legal residence is known and in this state, the secretary of state shall work with the
59.33 Legislative Coordinating Commission to:

59.34 (1) ensure that the person is not represented in any population counts reported by the
59.35 secretary of state or the Legislative Coordinating Commission for the geographic units

60.1 that include the facility at which the person was incarcerated, unless that geographic unit
 60.2 also includes the person's legal residence; and

60.3 (2) ensure that any population counts reported by the secretary of state and the
 60.4 Legislative Coordinating Commission reflect the persons' residential address as reported
 60.5 under subdivisions 2 and 3.

60.6 (c) For each person included in a report received under subdivisions 2 and 3 for
 60.7 whom a legal residence is unknown or not in this state, and for all persons reported in the
 60.8 census as residing in a federal correctional facility for whom a report was not provided,
 60.9 the secretary of state shall work with the Legislative Coordinating Commission to:

60.10 (1) ensure that the person is not represented in any population counts reported by the
 60.11 secretary of state or the Legislative Coordinating Commission for the geographic units
 60.12 that include the facility at which the person was incarcerated; and

60.13 (2) allocate the person to a state unit not tied to a specific determined geography, as
 60.14 other state residents with unknown state addresses are allocated, including but not limited
 60.15 to military and federal government personnel stationed overseas.

60.16 Subd. 6. **Data publishing.** The data prepared by the secretary of state and the
 60.17 Legislative Coordinating Commission pursuant to this section shall be completed and
 60.18 published no later than 30 days from the date that federal decennial Public Law 94-171
 60.19 data is published for the state of Minnesota.

60.20 Subd. 7. **Data use.** (a) The secretary of state shall notify each county, home rule
 60.21 charter and statutory city, soil and water conservation districts, Three Rivers Park District,
 60.22 and the Metropolitan Council that subdivision 4 requires those governments to use the
 60.23 data prepared by the secretary pursuant to this section for redistricting purposes.

60.24 (b) The data prepared by the secretary of state in subdivision 5 shall not be used in
 60.25 the distribution of any state or federal aid.

60.26 Sec. 3. Minnesota Statutes 2014, section 205.84, subdivision 1, is amended to read:

60.27 Subdivision 1. **General provisions.** (a) In a city electing council members by wards,
 60.28 wards shall be as equal in population as practicable and each ward shall be composed of
 60.29 compact, contiguous territory. Each council member shall be a resident of the ward for
 60.30 which elected, but, except as otherwise provided by paragraph (b), a change in ward
 60.31 boundaries does not disqualify a council member from serving for the remainder of a term.

60.32 (b) Notwithstanding any home rule charter provision to the contrary, in a city of the
 60.33 first class where council members are elected by ward to serve for four years to terms that
 60.34 are not staggered, if the population of any ward changes by five percent or more, all
 60.35 council members must be elected to new terms at the first municipal general election

61.1 after ward boundaries are redefined under subdivision 2; provided, however, that if no
61.2 municipal general election would otherwise occur in the year ending in "2" or the year
61.3 ending in "3," a municipal general election must be held in one of those years.

61.4 (c) "Population" as referenced in this section includes the redistricting population
61.5 data prepared by the secretary of state pursuant to section 204B.145, subdivision 5.

61.6 **Sec. 4. [241.0241] LEGAL RESIDENCE OF PERSONS ENTERING CUSTODY.**

61.7 (a) The commissioner of corrections shall collect and maintain an electronic record
61.8 of the legal residence, presumptively outside of the facility, and other demographic data
61.9 for any person entering its custody. At a minimum, this record shall contain the last
61.10 known complete street address prior to incarceration, the person's race, whether the person
61.11 is of Hispanic or Latino origin, and whether the person is over the age of 18. To the
61.12 degree possible, the commissioner of corrections shall also allow the legal residence to be
61.13 updated as appropriate.

61.14 (b) The commissioner shall transfer the data collected under this section to the
61.15 secretary of state as provided under section 204B.145, subdivision 2.

61.16 Sec. 5. Minnesota Statutes 2014, section 375.025, subdivision 1, is amended to read:

61.17 Subdivision 1. **Standards.** (a) The redistricting plan in use in a county shall be
61.18 used until a new plan is adopted in accordance with this section. Each county shall be
61.19 divided into as many districts numbered consecutively as it has members of the county
61.20 board. Commissioner districts shall be bounded by town, municipal, ward, or precinct
61.21 lines. Each district shall be composed of contiguous territory as regular and compact in
61.22 form as practicable, depending upon the geography of the county involved and shall be as
61.23 nearly equal in population as possible. No district shall vary in population more than ten
61.24 percent from the average for all districts in the county, unless the result forces a voting
61.25 precinct to be split. A majority of the least populous districts shall contain not less than a
61.26 majority of the population of the county. A county may be redistricted by the county board
61.27 after each federal census. When it appears after a federal census that the districts of the
61.28 county are not in accord with the standards set forth in this subdivision, the county shall
61.29 be redistricted by the county board within the times set in section 204B.135, subdivision
61.30 2. Before acting to redistrict, the county board, or a redistricting commission if one is
61.31 appointed, shall publish three weeks' notice of its purpose, stating the time and place of
61.32 the meeting where the matter will be considered, in the newspaper having the contract to
61.33 publish the commissioners' proceedings for the county for the current year.

62.1 (b) "Population" as referenced in this section includes the redistricting population
 62.2 data prepared by the secretary of state pursuant to section 204B.145, subdivision 5.

62.3 Sec. 6. Minnesota Statutes 2014, section 375A.09, subdivision 4, is amended to read:

62.4 Subd. 4. **Apportionment, redistricting, staggering, timing.** (a) The county shall
 62.5 be divided into the number of districts from which commissioners are nominated and
 62.6 elected and the population of the county shall be apportioned to the several districts so that
 62.7 each commissioner represents the same number of persons as nearly as may be possible.
 62.8 When the number of commissioners has been changed, the county board shall proceed to
 62.9 redistrict the county accordingly and it shall follow as nearly as possible the times and
 62.10 procedures specified in section 375.025, including determining the two-year and four-year
 62.11 terms first assigned to districts in order to provide as nearly as possible for an equal number
 62.12 of overlapping four-year terms in the future. The resolution redistricting the county shall be
 62.13 adopted not less than 30 days before the first day candidates may file for the office of county
 62.14 commissioner. Commissioners to be elected pursuant to the modification of the county
 62.15 board shall be elected at the general election following the adoption of the modification.

62.16 (b) "Population" as referenced in this section includes the redistricting population
 62.17 data prepared by the secretary of state pursuant to section 204B.145, subdivision 5.

62.18 Sec. 7. Minnesota Statutes 2014, section 383B.68, subdivision 4, is amended to read:

62.19 Subd. 4. **Decennial redistricting.** (a) After September 1, 1985, and after at least
 62.20 30 days' notice and public hearing, the Board of Park District Commissioners of the
 62.21 Three Rivers Park District shall divide the territory of Hennepin County outside the city
 62.22 of Minneapolis into five districts, which constitute the Three Rivers Park District. Each
 62.23 district shall be composed of contiguous territory as regular and compact in form as
 62.24 practicable and as nearly equal in population as possible, provided that no district shall
 62.25 vary in population more than ten percent from the average of all the districts, unless
 62.26 compliance with this requirement requires division of a voting precinct. After each federal
 62.27 census and by the date prescribed for redistricting of election districts in section 204B.135,
 62.28 subdivision 2, after at least 30 days' notice and public hearing, the Board of Park District
 62.29 Commissioners of the Three Rivers Park District shall redistrict the territory of the
 62.30 Three Rivers Park District into new commissioner districts as necessary to comply with
 62.31 the provisions of this subdivision. The districts established pursuant to this subdivision
 62.32 shall remain effective until new districts are established. Any person aggrieved by a
 62.33 districting plan established pursuant to this subdivision may challenge the plan in the same
 62.34 manner as a county commissioner districting plan may be challenged pursuant to section

63.1 375.025. The district court in reviewing any challenge to a districting plan under this
 63.2 subdivision shall proceed in the manner prescribed by section 375.025. Each districting
 63.3 plan established pursuant to this subdivision shall be filed in the office of the director of
 63.4 finance of Hennepin County or any successor office and shall be effective 31 days after its
 63.5 publication in a newspaper of general circulation in the county.

63.6 (b) "Population" as referenced in this section includes the redistricting population
 63.7 data prepared by the secretary of state pursuant to section 204B.145, subdivision 5.

63.8 Sec. 8. Minnesota Statutes 2014, section 473.123, subdivision 3a, is amended to read:

63.9 Subd. 3a. **Redistricting.** (a) The legislature shall redraw the boundaries of the
 63.10 council districts after each decennial federal census so that each district has substantially
 63.11 equal population. Redistricting is effective in the year ending in the numeral "3." Within
 63.12 60 days after a redistricting plan takes effect, the governor shall appoint members from the
 63.13 newly drawn districts to serve terms as provided under subdivision 2a.

63.14 (b) "Population" as referenced in this section includes the redistricting population
 63.15 data prepared by the secretary of state pursuant to section 204B.145, subdivision 5.

123B.09 BOARDS OF INDEPENDENT SCHOOL DISTRICTS.

Subd. 5. **Appointments to fill vacancies.** Any other vacancy in a board must be filled by board appointment at a regular or special meeting. The appointment shall be evidenced by a resolution entered in the minutes and shall continue until an election is held under this subdivision. All elections to fill vacancies shall be for the unexpired term. If the vacancy occurs before the first day to file affidavits of candidacy for the next school district general election and more than two years remain in the unexpired term, a special election shall be held in conjunction with the school district general election. The appointed person shall serve until the qualification of the successor elected to fill the unexpired part of the term at that special election. If the vacancy occurs on or after the first day to file affidavits of candidacy for the school district general election, or when less than two years remain in the unexpired term, there shall be no special election to fill the vacancy and the appointed person shall serve the remainder of the unexpired term and until a successor is elected and qualifies at the school district election.

201.155 REPORT ON FELONY CONVICTIONS.

Pursuant to the Help America Vote Act of 2002, Public Law 107-252, the state court administrator shall report regularly by electronic means to the secretary of state the name, address, date of birth, and, if available, driver's license or state identification card number, date of sentence, effective date of the sentence, and county in which the conviction occurred of each person who has been convicted of a felony. The state court administrator shall also report the name, address, and date of birth of each person previously convicted of a felony whose civil rights have been restored. The secretary of state shall determine if any of the persons in the report is registered to vote and shall prepare a list of those registrants for each county auditor. The county auditor shall change the status of those registrants in the appropriate manner in the statewide registration system.

201.275 INVESTIGATIONS; PROSECUTIONS.

A law enforcement agency that is notified by affidavit of an alleged violation of this chapter shall promptly investigate. Upon receiving an affidavit alleging a violation of this chapter, a county attorney shall promptly forward it to a law enforcement agency with jurisdiction for investigation. If there is probable cause for instituting a prosecution, the county attorney shall proceed by complaint or present the charge, with whatever evidence has been found, to the grand jury. A county attorney who refuses or intentionally fails to faithfully perform this or any other duty imposed by this chapter is guilty of a misdemeanor and upon conviction shall forfeit office. The county attorney, under the penalty of forfeiture of office, shall prosecute all violations of this chapter except violations of this section; if, however, a complainant withdraws an allegation under this chapter, the county attorney is not required to proceed with the prosecution.

Where the matter relates to a voter registration application submitted electronically through the secure Web site established in section 201.061, subdivision 1, alleged violations of this chapter may be investigated and prosecuted in the county in which the individual registered or attempted to register.

204B.14 ELECTION PRECINCTS.

Subd. 6. **Precinct boundaries to follow physical features.** (a) Unless a precinct consists entirely of unorganized territory or more than one precinct is entirely included within one census block, for the first two years following a decennial census an election precinct boundary must follow a census block line.

(b) The boundaries of election precincts must follow visible, clearly recognizable physical features. If it is not possible to establish the boundary between any two adjacent precincts along such features, the boundary around the two precincts combined shall be established in the manner provided in the rules of the secretary of state to comply with the provisions of this subdivision. The maps required by subdivision 5 shall clearly indicate which boundaries do not follow visible, clearly recognizable physical features.

(c) For the purposes of this subdivision, "visible, clearly recognizable physical feature" means a street, road, boulevard, parkway, river, stream, shoreline, drainage ditch, railway right-of-way, or any other line which is clearly visible from the ground. A street or other roadway which has been platted but not graded is not a visible, clearly recognizable physical feature for the purposes of this subdivision.

APPENDIX

Repealed Minnesota Statutes: S0455-1

(d) If the secretary of state determines that a precinct boundary does not comply with this subdivision, the secretary of state shall send a notice to the county auditor or municipal clerk specifying the action needed to correct the precinct boundary. If, after 60 days, the county or municipal governing body has not taken action to correct the precinct boundary, the secretary of state shall correct the precinct boundary and notify the county auditor or municipal clerk of the action taken.

(e) If a visible, clearly recognizable physical feature is not available for use as a precinct boundary, an alternate boundary used by the United States Bureau of the Census may be authorized by the secretary of state.

204C.13 RECEIVING AND MARKING BALLOTS.

Subd. 4. **Folding ballots.** After marking the ballots, the voter shall fold each of them separately to conceal the face and all marks on it, and to expose only the initials of the election judges on the back of the ballot.

The persons so chosen shall be presidential electors and shall meet and act with the other electors.

208.08 ELECTORS TO MEET AT STATE CAPITOL.

The original, alternate, and substituted presidential electors, at 12:00 M., shall meet in the executive chamber at the State Capitol and shall perform all the duties imposed upon them as electors by the Constitution and laws of the United States and this state.

Each elector, as a condition of having been chosen under the name of the party of a presidential and a vice presidential candidate, is obligated to vote for those candidates. The elector shall speak aloud or affirm in a nonverbal manner the name of the candidate for president and for vice president for whom the elector is voting and then confirm that vote by written public ballot.

If an elector fails to cast a ballot for the presidential or vice presidential candidate of the party under whose name the elector was chosen, the elector's vote or abstention is invalidated and an alternate presidential elector, chosen by lot from among the alternates, shall cast a ballot in the name of the elector for the presidential and vice presidential candidate of the party under whose name the elector was chosen. The invalidation of an elector's vote or abstention on the ballot for president or vice president does not apply if the presidential candidate under whose party's name the elector was chosen has without condition released the elector or has died or become mentally disabled.
