5.4 to read:

5.5 Subd. 2. Tax credit for owners of agricultural assets. (a) An owner of agricultural

5.7 agricultural assets to a beginning farmer in the amount allocated by the authority under
5.8 subdivision 4. An owner of agricultural assets is eligible for allocation of a credit equal to:

5.9 (1) eight percent of the lesser of the sale price or the fair market value of the agricultural
5.10 asset, up to a maximum of \$50,000;

(b) A qualifying rental agreement includes cash rent of agricultural assets or a share rent
agreement. The agricultural asset must be rented at prevailing community rates as determined
by the authority.

(c) The credit may be claimed only after approval and certification by the authority, and

In determining reasonable cause, the authority 5.25 must look at which party was at fault in the termination of the agreement. If the authority 5.26 determines the owner of agricultural assets did not have reasonable cause, the owner of 5.27 agricultural assets must repay all credits received as a result of the rental agreement to the 5.28 commissioner of revenue. The repayment is additional income tax for the taxable year in 5.29 which the authority makes its decision or when a final adjudication under subdivision 5, 5.30 paragraph (a), is made, whichever is later. 5.31

(e) The credit is limited to the liability for tax as computed under chapter 290 for the
taxable year. If the amount of the credit determined under this section for any taxable year

exceeds this limitation, the excess is a beginning farmer incentive credit carryover according 6.1 to section 290.06, subdivision 37. 6.2 (f) For purposes of the credit for the sale of agricultural land only, the family member 6.3 definitional exclusions in subdivision 1, paragraph (c), clauses (4) and (5), do not apply. 6.4 For a sale to a family member to qualify for the credit, the sales price of the agricultural 6.5 land must equal or exceed the assessed value of the land as of the date of the sale. The Rural Finance Authority 6.26 must annually notify the commissioner of revenue of approval and certification or 6.27 recertification of beginning farmers and owners of agricultural assets under this section. 6.28 For credits under subdivision 2, the notification must include the amount of credit approved 6.29 by the authority and stated on the credit certificate. 6.30 (b) The certification of a beginning farmer or an owner of agricultural assets under this 6.31

6.32 section is valid for the year of the certification and the two following years, after which

Any 7.8 amount authorized but not allocated for taxable years ending before January 1, 2023, is 7.9 canceled and is not allocated for future taxable years. For taxable years beginning after 7.10 December 31, 2022, any amount authorized but not allocated in any taxable year does not 7.11 cancel and is added to the allocation for the next taxable year. For each taxable year, 50 7.12 percent of newly allocated credits must be allocated to emerging owners of agricultural 7.13 assets that sell or rent agricultural assets to beginning farmers who are also limited-resource 7.14 farmers.
