3.29 regardless of whether the complaint or charge resulted in a disciplinary action;

3.30 (5) the final disposition of any disciplinary action together with the specific reasons
3.31 for the action and data documenting the basis of the action, excluding data that would
3.32 identify confidential sources who are employees of the public body;

3.33 (6) the complete terms of any agreement settling any dispute arising out of an
3.34 employment relationship, including a buyout agreement as defined in section 123B.143,

4.9 (b) For purposes of this subdivision, a final disposition occurs when the government
4.10 entity makes its final decision about the disciplinary action, regardless of the possibility of

4.19 to a prospective witness as part of the government entity's investigation of any complaint
4.20 or charge against the employee.

4.25 public official resigns or is terminated from employment while the complaint or charge is
4.26 pending, all data relating to the complaint or charge are public, unless access to the data
4.27 would jeopardize an active investigation or reveal confidential sources. For purposes
4.28 of this paragraph, "public official" means:
