 1.4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

1.5 Section 1. Minnesota Statutes 2014, section 626.556, subdivision 1, is amended to read:

1.6 Subdivision 1. **Public policy.** (a) The legislature hereby declares that the public  
 1.7 policy of this state is to protect children whose health or welfare may be jeopardized  
 1.8 through physical abuse, neglect, or sexual abuse. While it is recognized that most parents  
 1.9 want to keep their children safe, sometimes circumstances or conditions interfere with their  
 1.10 ability to do so. When this occurs, ~~families are best served by interventions that engage~~  
 1.11 ~~their protective capacities and address immediate safety concerns and ongoing risks of~~  
 1.12 ~~child maltreatment~~ the health and safety of the children shall be of paramount concern.  
 1.13 Intervention and prevention efforts shall address immediate concerns for child safety and  
 1.14 the ongoing risk of abuse or neglect and should engage the protective capacities of families.

1.15 In furtherance of this public policy, it is the intent of the legislature under this section to:

1.16 (1) protect children and promote child safety;

1.17 (2) strengthen the family and;

1.18 (3) make the home, school, and community safe for children by promoting  
 1.19 responsible child care in all settings; and to

1.20 (4) provide, when necessary, a safe temporary or permanent home environment for  
 1.21 physically or sexually abused or neglected children.

1.22 (b) In addition, it is the policy of this state to:

1.23 (1) require the reporting of neglect, or physical or sexual abuse of children in the  
 1.24 home, school, and community settings; to

2.1           (2) provide for the voluntary reporting of abuse or neglect of children; ~~to require~~  
2.2 a family assessment, when appropriate, as the preferred response to reports not alleging  
2.3 substantial child endangerment; to

2.4           (3) require an investigation when the report alleges ~~substantial child endangerment~~  
2.5 physical or sexual abuse or neglect of a child;

2.6           (4) provide a family assessment for those families whose children are determined to  
2.7 be at low risk of abuse or neglect and for whom there are no immediate safety concerns;  
2.8 and to

2.9           (5) provide protective, family support, and family preservation services when  
2.10 needed in appropriate cases.

2.11           Sec. 2. Minnesota Statutes 2014, section 626.556, subdivision 2, is amended to read:

2.15 of subsequent child maltreatment, and family strengths and needs that is applied to a  
2.16 child maltreatment report that does not allege substantial child endangerment. Family

2.19 risk of subsequent maltreatment.

2.20           (b) "Investigation" means fact gathering related to the current safety of a child  
2.21 and the risk of subsequent maltreatment that determines whether child maltreatment

3.16 file a termination of parental rights petition under section 260C.503, subdivision 2.
- 3.17 (d) "Sexual abuse" means the subjection of a child by a person responsible for the  
3.18 child's care, by a person who has a significant relationship to the child, as defined in

3.28 243.166, subdivision 1b, paragraph (a) or (b), or required registration under section  
3.29 243.166, subdivision 1b, paragraph (a) or (b).
- 3.30 (e) "Person responsible for the child's care" means (1) an individual functioning  
3.31 within the family unit and having responsibilities for the care of the child such as a  
3.32 parent, guardian, or other person having similar care responsibilities, or (2) an individual

4.8 (2) failure to protect a child from conditions or actions that seriously endanger the  
4.9 child's physical or mental health when reasonably able to do so, including a growth delay,

4.11 is due to parental neglect;

4.12 (3) failure to provide for necessary supervision or child care arrangements  
4.13 appropriate for a child after considering factors as the child's age, mental ability, physical

4.15 child's own basic needs or safety, or the basic needs or safety of another child in their care;

4.16 (4) failure to ensure that the child is educated as defined in sections 120A.22 and  
4.17 260C.163, subdivision 11, which does not include a parent's refusal to provide the parent's  
4.18 child with sympathomimetic medications, consistent with section 125A.091, subdivision 5;

4.19 (5) nothing in this section shall be construed to mean that a child is neglected solely  
4.20 because the child's parent, guardian, or other person responsible for the child's care in  
4.21 good faith selects and depends upon spiritual means or prayer for treatment or care of  
4.22 disease or remedial care of the child in lieu of medical care; except that a parent, guardian,  
4.23 or caretaker, or a person mandated to report pursuant to subdivision 3, has a duty to report  
4.24 if a lack of medical care may cause serious danger to the child's health. This section does

5.4 within the normal range for the child's age and stage of development, with due regard to  
5.5 the child's culture.

5.6 (g) "Physical abuse" means any physical injury, mental injury, or threatened injury,  
5.7 inflicted by a person responsible for the child's care on a child other than by accidental

7.1 A child is the subject of a report of threatened injury when the responsible social  
7.2 services agency receives birth match data under paragraph (o) from the Department of  
7.3 Human Services.

7.4 (o) Upon receiving data under section 144.225, subdivision 2b, contained in a  
7.5 birth record or recognition of parentage identifying a child who is subject to threatened  
7.6 injury under paragraph (n), the Department of Human Services shall send the data to the  
7.7 responsible social services agency. The data is known as "birth match" data. Unless the  
7.8 responsible social services agency has already begun an investigation or assessment of the  
7.9 report due to the birth of the child or execution of the recognition of parentage and the  
7.10 parent's previous history with child protection, the agency shall accept the birth match  
7.11 data as a report under this section. The agency may use either a family assessment or  
7.12 investigation to determine whether the child is safe. All of the provisions of this section  
7.13 apply. If the child is determined to be safe, the agency shall consult with the county  
7.14 attorney to determine the appropriateness of filing a petition alleging the child is in need  
7.15 of protection or services under section 260C.007, subdivision 6, clause (16), in order to  
7.16 deliver needed services. If the child is determined not to be safe, the agency and the county  
7.17 attorney shall take appropriate action as required under section 260C.503, subdivision 2.

7.18 (p) Persons who conduct assessments or investigations under this section shall take  
7.19 into account accepted child-rearing practices of the culture in which a child participates  
7.20 and accepted teacher discipline practices, which are not injurious to the child's health,  
7.21 welfare, and safety.

7.22 (q) "Accidental" means a sudden, not reasonably foreseeable, and unexpected  
7.23 occurrence or event which:

7.24 (1) is not likely to occur and could not have been prevented by exercise of due  
7.25 care; and

7.26 (2) if occurring while a child is receiving services from a facility, happens when the  
7.27 facility and the employee or person providing services in the facility are in compliance  
7.28 with the laws and rules relevant to the occurrence or event.

7.29 (r) "Nonmaltreatment mistake" means:

7.30 (1) at the time of the incident, the individual was performing duties identified in the  
7.31 center's child care program plan required under Minnesota Rules, part 9503.0045;

7.32 (2) the individual has not been determined responsible for a similar incident that  
7.33 resulted in a finding of maltreatment for at least seven years;

7.34 (3) the individual has not been determined to have committed a similar  
7.35 nonmaltreatment mistake under this paragraph for at least four years;

8.1 (4) any injury to a child resulting from the incident, if treated, is treated only with  
8.2 remedies that are available over the counter, whether ordered by a medical professional or  
8.3 not; and

8.4 (5) except for the period when the incident occurred, the facility and the individual  
8.5 providing services were both in compliance with all licensing requirements relevant to the  
8.6 incident.

8.7 This definition only applies to child care centers licensed under Minnesota  
8.8 Rules, chapter 9503. If clauses (1) to (5) apply, rather than making a determination of  
8.9 substantiated maltreatment by the individual, the commissioner of human services shall  
8.10 determine that a nonmaltreatment mistake was made by the individual.

8.11 Sec. 3. Minnesota Statutes 2014, section 626.556, subdivision 3, is amended to read:

8.12 Subd. 3. **Persons mandated to report.** (a) A person who knows or has reason  
8.13 to believe a child is being neglected or physically or sexually abused, as defined in  
8.14 subdivision 2, or has been neglected or physically or sexually abused within the preceding  
8.15 three years, shall immediately report the information to the local welfare agency, agency  
8.16 responsible for assessing or investigating the report, police department, or the county  
8.17 sheriff if the person is:

8.34 designate a person within their agency, department, or office who is responsible for  
8.35 ensuring that the notification duties of this paragraph and paragraph (b) are carried out.

9.1 Nothing in this subdivision shall be construed to require more than one report from any  
9.2 institution, facility, school, or agency.

9.3 (b) Any person may voluntarily report to the local welfare agency, agency  
9.4 responsible for assessing or investigating the report, police department, or the county  
9.5 sheriff if the person knows, has reason to believe, or suspects a child is being or has been  
9.6 neglected or subjected to physical or sexual abuse. The police department or the county  
9.7 sheriff, upon receiving a report, shall immediately notify the local welfare agency or

9.12 accepted for investigation or assessment.

9.13 (c) A person mandated to report physical or sexual child abuse or neglect occurring  
9.14 within a licensed facility shall report the information to the agency responsible for  
9.15 licensing the facility under sections 144.50 to 144.58; 241.021; 245A.01 to 245A.16; or  
9.16 chapter 245D; or a nonlicensed personal care provider organization as defined in section  
9.17 256B.0625, subdivision 19. A health or corrections agency receiving a report may request  
9.18 the local welfare agency to provide assistance pursuant to subdivisions 10, 10a, and 10b. A  
9.19 board or other entity whose licensees perform work within a school facility, upon receiving  
9.20 a complaint of alleged maltreatment, shall provide information about the circumstances of  
9.21 the alleged maltreatment to the commissioner of education. Section 13.03, subdivision 4,  
9.22 applies to data received by the commissioner of education from a licensing entity.

9.23 (d) Any person mandated to report shall receive a summary of the disposition of  
9.24 any report made by that reporter, including whether the case has been opened for child  
9.25 protection or other services, or if a referral has been made to a community organization,  
9.26 unless release would be detrimental to the best interests of the child. Any person who is  
9.27 not mandated to report shall, upon request to the local welfare agency, receive a concise  
9.28 summary of the disposition of any report made by that reporter, unless release would be  
9.29 detrimental to the best interests of the child.

9.30 (e) For purposes of this section, "immediately" means as soon as possible but in  
9.31 no event longer than 24 hours.

10.12 subdivision 3 to report shall be followed within 72 hours, exclusive of weekends and  
10.13 holidays, by a report in writing to the appropriate police department, the county sheriff, the  
10.14 agency responsible for assessing or investigating the report, or the local welfare agency.  
10.15 The local welfare agency shall determine if the report is accepted for an assessment or  
10.16 investigation as soon as possible but in no event longer than 24 hours after the report is  
10.17 received. The local welfare agency shall immediately notify local law enforcement when  
10.18 a report is received, including reports that are not accepted for investigation or assessment.

10.19 (b) Any report shall be of sufficient content to identify the child, any person believed  
10.20 to be responsible for the abuse or neglect of the child if the person is known, the nature  
10.21 and extent of the abuse or neglect and the name and address of the reporter. The local  
10.22 welfare agency or agency responsible for assessing or investigating the report shall  
10.23 accept a report made under subdivision 3 notwithstanding refusal by a reporter to provide  
10.24 the reporter's name or address as long as the report is otherwise sufficient under this  
10.25 paragraph. Written reports received by a police department or the county sheriff shall be  
10.26 forwarded immediately to the local welfare agency or the agency responsible for assessing  
10.27 or investigating the report. The police department or the county sheriff may keep copies of  
10.28 reports received by them. Copies of written reports received by a local welfare department  
10.29 or the agency responsible for assessing or investigating the report shall be forwarded  
10.30 immediately to the local police department or the county sheriff.

10.31 (c) When requested, the agency responsible for assessing or investigating a report  
10.32 shall inform the reporter within ten days after the report was made, either orally or in  
10.33 writing, whether the report was accepted or not. If the responsible agency determines the  
10.34 report does not constitute a report under this section, the agency shall advise the reporter

11.1 the report was screened out. ~~A screened-out report must not be used for any purpose other~~  
 11.2 ~~than making an offer of social services to the subjects of the screened-out report.~~

11.3 (d) Notwithstanding paragraph (a), the commissioner of education must inform the  
 11.4 parent, guardian, or legal custodian of the child who is the subject of a report of alleged  
 11.5 maltreatment in a school facility within ten days of receiving the report, either orally or  
 11.6 in writing, whether the commissioner is assessing or investigating the report of alleged  
 11.7 maltreatment.

11.8 (e) Regardless of whether a report is made under this subdivision, as soon as  
 11.9 practicable after a school receives information regarding an incident that may constitute  
 11.10 maltreatment of a child in a school facility, the school shall inform the parent, legal  
 11.11 guardian, or custodian of the child that an incident has occurred that may constitute  
 11.12 maltreatment of the child, when the incident occurred, and the nature of the conduct  
 11.13 that may constitute maltreatment.

11.14 (f) A written copy of a report maintained by personnel of agencies, other than  
 11.15 welfare or law enforcement agencies, which are subject to chapter 13 shall be confidential.  
 11.16 An individual subject of the report may obtain access to the original report as provided  
 11.17 by subdivision 11.

11.18 Sec. 6. Minnesota Statutes 2014, section 626.556, subdivision 10, is amended to read:

11.19 Subd. 10. **Duties of local welfare agency and local law enforcement agency upon**  
 11.20 **receipt of report.** (a) Upon receipt of a report, the local welfare agency shall determine  
 11.21 whether to conduct a family assessment or an investigation as appropriate to prevent or  
 11.22 provide a remedy for child maltreatment. The local welfare agency must notify local  
 11.23 law enforcement when a report is received, including reports that are not accepted for  
 11.24 investigation or assessment. The local welfare agency:

11.25 (1) shall conduct an investigation on reports involving substantial child  
 11.26 endangerment;

11.27 (2) shall begin an immediate investigation if, at any time when it is using a family  
 11.28 assessment response, it determines that there is reason to believe that substantial child  
 11.29 endangerment or a serious threat to the child's safety exists;

11.30 (3) may conduct a family assessment for reports that do not allege substantial child  
 11.31 endangerment. In determining that a family assessment is appropriate, the local welfare  
 11.32 agency may consider issues of child safety, parental cooperation, and the need for an  
 11.33 immediate response; and

11.34 (4) may conduct a family assessment on a report that was initially screened and  
 11.35 assigned for an investigation. In determining that a complete investigation is not required,

12.1 the local welfare agency must document the reason for terminating the investigation and  
12.2 notify the local law enforcement agency if the local law enforcement agency is conducting  
12.3 a joint investigation.

12.4 If the report alleges neglect, physical abuse, or sexual abuse by a parent, guardian,  
12.5 or individual functioning within the family unit as a person responsible for the child's  
12.6 care, or sexual abuse by a person with a significant relationship to the child when that  
12.7 person resides in the child's household or by a sibling, the local welfare agency shall  
12.8 immediately conduct a family assessment or investigation as identified in clauses (1) to  
12.9 (4). In conducting a family assessment or investigation, the local welfare agency shall  
12.10 gather information on the existence of substance abuse and domestic violence and offer  
12.11 services for purposes of preventing future child maltreatment, safeguarding and enhancing  
12.12 the welfare of the abused or neglected minor, and supporting and preserving family  
12.13 life whenever possible. If the report alleges a violation of a criminal statute involving  
12.14 sexual abuse, physical abuse, or neglect or endangerment, under section 609.378, the  
12.15 local law enforcement agency and local welfare agency shall coordinate the planning and  
12.16 execution of their respective investigation and assessment efforts to avoid a duplication of  
12.17 fact-finding efforts and multiple interviews. Each agency shall prepare a separate report of  
12.18 the results of its investigation. In cases of alleged child maltreatment resulting in death,  
12.19 the local agency may rely on the fact-finding efforts of a law enforcement investigation  
12.20 to make a determination of whether or not maltreatment occurred. When necessary the  
12.21 local welfare agency shall seek authority to remove the child from the custody of a parent,  
12.22 guardian, or adult with whom the child is living. In performing any of these duties, the  
12.23 local welfare agency shall maintain appropriate records.

12.24 If the family assessment or investigation indicates there is a potential for abuse of  
12.25 alcohol or other drugs by the parent, guardian, or person responsible for the child's care,  
12.26 the local welfare agency shall conduct a chemical use assessment pursuant to Minnesota  
12.27 Rules, part 9530.6615.

12.28 (b) When a local agency receives a report or otherwise has information indicating  
12.29 that a child who is a client, as defined in section 245.91, has been the subject of physical  
12.30 abuse, sexual abuse, or neglect at an agency, facility, or program as defined in section  
12.31 245.91, it shall, in addition to its other duties under this section, immediately inform the  
12.32 ombudsman established under sections 245.91 to 245.97. The commissioner of education  
12.33 shall inform the ombudsman established under sections 245.91 to 245.97 of reports  
12.34 regarding a child defined as a client in section 245.91 that maltreatment occurred at a  
12.35 school as defined in sections 120A.05, subdivisions 9, 11, and 13, and 124D.10.

13.1 (c) Authority of the local welfare agency responsible for assessing or investigating  
13.2 the child abuse or neglect report, the agency responsible for assessing or investigating  
13.3 the report, and of the local law enforcement agency for investigating the alleged abuse or  
13.4 neglect includes, but is not limited to, authority to interview, without parental consent,  
13.5 the alleged victim and any other minors who currently reside with or who have resided  
13.6 with the alleged offender. The interview may take place at school or at any facility or  
13.7 other place where the alleged victim or other minors might be found or the child may be  
13.8 transported to, and the interview conducted at, a place appropriate for the interview of a  
13.9 child designated by the local welfare agency or law enforcement agency. The interview  
13.10 may take place outside the presence of the alleged offender or parent, legal custodian,  
13.11 guardian, or school official. For family assessments, it is the preferred practice to request  
13.12 a parent or guardian's permission to interview the child prior to conducting the child  
13.13 interview, unless doing so would compromise the safety assessment. Except as provided in  
13.14 this paragraph, the parent, legal custodian, or guardian shall be notified by the responsible  
13.15 local welfare or law enforcement agency no later than the conclusion of the investigation  
13.16 or assessment that this interview has occurred. Notwithstanding rule 32 of the Minnesota  
13.17 Rules of Procedure for Juvenile Courts, the juvenile court may, after hearing on an ex parte  
13.18 motion by the local welfare agency, order that, where reasonable cause exists, the agency  
13.19 withhold notification of this interview from the parent, legal custodian, or guardian. If the  
13.20 interview took place or is to take place on school property, the order shall specify that  
13.21 school officials may not disclose to the parent, legal custodian, or guardian the contents  
13.22 of the notification of intent to interview the child on school property, as provided under  
13.23 this paragraph, and any other related information regarding the interview that may be a  
13.24 part of the child's school record. A copy of the order shall be sent by the local welfare or  
13.25 law enforcement agency to the appropriate school official.

13.26 (d) When the local welfare, local law enforcement agency, or the agency responsible  
13.27 for assessing or investigating a report of maltreatment determines that an interview should  
13.28 take place on school property, written notification of intent to interview the child on school  
13.29 property must be received by school officials prior to the interview. The notification  
13.30 shall include the name of the child to be interviewed, the purpose of the interview, and  
13.31 a reference to the statutory authority to conduct an interview on school property. For  
13.32 interviews conducted by the local welfare agency, the notification shall be signed by the  
13.33 chair of the local social services agency or the chair's designee. The notification shall be  
13.34 private data on individuals subject to the provisions of this paragraph. School officials  
13.35 may not disclose to the parent, legal custodian, or guardian the contents of the notification  
13.36 or any other related information regarding the interview until notified in writing by the

14.1 local welfare or law enforcement agency that the investigation or assessment has been  
14.2 concluded, unless a school employee or agent is alleged to have maltreated the child.  
14.3 Until that time, the local welfare or law enforcement agency or the agency responsible  
14.4 for assessing or investigating a report of maltreatment shall be solely responsible for any  
14.5 disclosures regarding the nature of the assessment or investigation.

14.6 Except where the alleged offender is believed to be a school official or employee,  
14.7 the time and place, and manner of the interview on school premises shall be within the  
14.8 discretion of school officials, but the local welfare or law enforcement agency shall have  
14.9 the exclusive authority to determine who may attend the interview. The conditions as to  
14.10 time, place, and manner of the interview set by the school officials shall be reasonable and  
14.11 the interview shall be conducted not more than 24 hours after the receipt of the notification  
14.12 unless another time is considered necessary by agreement between the school officials and  
14.13 the local welfare or law enforcement agency. Where the school fails to comply with the  
14.14 provisions of this paragraph, the juvenile court may order the school to comply. Every  
14.15 effort must be made to reduce the disruption of the educational program of the child, other  
14.16 students, or school staff when an interview is conducted on school premises.

14.17 (e) Where the alleged offender or a person responsible for the care of the alleged  
14.18 victim or other minor prevents access to the victim or other minor by the local welfare  
14.19 agency, the juvenile court may order the parents, legal custodian, or guardian to produce  
14.20 the alleged victim or other minor for questioning by the local welfare agency or the local  
14.21 law enforcement agency outside the presence of the alleged offender or any person  
14.22 responsible for the child's care at reasonable places and times as specified by court order.

14.23 (f) Before making an order under paragraph (e), the court shall issue an order to  
14.24 show cause, either upon its own motion or upon a verified petition, specifying the basis for  
14.25 the requested interviews and fixing the time and place of the hearing. The order to show  
14.26 cause shall be served personally and shall be heard in the same manner as provided in  
14.27 other cases in the juvenile court. The court shall consider the need for appointment of a  
14.28 guardian ad litem to protect the best interests of the child. If appointed, the guardian ad  
14.29 litem shall be present at the hearing on the order to show cause.

14.30 (g) The commissioner of human services, the ombudsman for mental health and  
14.31 developmental disabilities, the local welfare agencies responsible for investigating reports,  
14.32 the commissioner of education, and the local law enforcement agencies have the right to  
14.33 enter facilities as defined in subdivision 2 and to inspect and copy the facility's records,  
14.34 including medical records, as part of the investigation. Notwithstanding the provisions of  
14.35 chapter 13, they also have the right to inform the facility under investigation that they are  
14.36 conducting an investigation, to disclose to the facility the names of the individuals under

15.1 investigation for abusing or neglecting a child, and to provide the facility with a copy of  
15.2 the report and the investigative findings.

15.3 (h) The local welfare agency responsible for conducting a family assessment or  
15.4 investigation shall collect available and relevant information to determine child safety,  
15.5 risk of subsequent child maltreatment, and family strengths and needs and share not public  
15.6 information with an Indian's tribal social services agency without violating any law of the  
15.7 state that may otherwise impose duties of confidentiality on the local welfare agency in  
15.8 order to implement the tribal state agreement. The local welfare agency or the agency  
15.9 responsible for investigating the report shall collect available and relevant information  
15.10 to ascertain whether maltreatment occurred and whether protective services are needed.  
15.11 Information collected includes, when relevant, information with regard to the person  
15.12 reporting the alleged maltreatment, including the nature of the reporter's relationship to the  
15.13 child and to the alleged offender, and the basis of the reporter's knowledge for the report;  
15.14 the child allegedly being maltreated; the alleged offender; the child's caretaker; and other  
15.15 collateral sources having relevant information related to the alleged maltreatment. The  
15.16 local welfare agency or the agency responsible for investigating the report may make a  
15.17 determination of no maltreatment early in an investigation, and close the case and retain  
15.18 immunity, if the collected information shows no basis for a full investigation.

15.19 Information relevant to the assessment or investigation must be asked for, and  
15.20 may include:

15.21 (1) the child's sex and age, prior reports of maltreatment, information relating  
15.22 to developmental functioning, credibility of the child's statement, and whether the  
15.23 information provided under this clause is consistent with other information collected  
15.24 during the course of the assessment or investigation;

15.25 (2) the alleged offender's age, a record check for prior reports of maltreatment, and  
15.26 criminal charges and convictions. The local welfare agency or the agency responsible for  
15.27 assessing or investigating the report must provide the alleged offender with an opportunity  
15.28 to make a statement. The alleged offender may submit supporting documentation relevant  
15.29 to the assessment or investigation;

15.30 (3) collateral source information regarding the alleged maltreatment and care of the  
15.31 child. Collateral information includes, when relevant: (i) a medical examination of the  
15.32 child; (ii) prior medical records relating to the alleged maltreatment or the care of the  
15.33 child maintained by any facility, clinic, or health care professional and an interview with  
15.34 the treating professionals; and (iii) interviews with the child's caretakers, including the  
15.35 child's parent, guardian, foster parent, child care provider, teachers, counselors, family

16.1 members, relatives, and other persons who may have knowledge regarding the alleged  
16.2 maltreatment and the care of the child; and

16.3 (4) information on the existence of domestic abuse and violence in the home of  
16.4 the child, and substance abuse.

16.5 Nothing in this paragraph precludes the local welfare agency, the local law  
16.6 enforcement agency, or the agency responsible for assessing or investigating the report  
16.7 from collecting other relevant information necessary to conduct the assessment or  
16.8 investigation. Notwithstanding sections 13.384 or 144.291 to 144.298, the local welfare  
16.9 agency has access to medical data and records for purposes of clause (3). Notwithstanding  
16.10 the data's classification in the possession of any other agency, data acquired by the  
16.11 local welfare agency or the agency responsible for assessing or investigating the report  
16.12 during the course of the assessment or investigation are private data on individuals and  
16.13 must be maintained in accordance with subdivision 11. Data of the commissioner of  
16.14 education collected or maintained during and for the purpose of an investigation of  
16.15 alleged maltreatment in a school are governed by this section, notwithstanding the data's  
16.16 classification as educational, licensing, or personnel data under chapter 13.

16.17 In conducting an assessment or investigation involving a school facility as defined  
16.18 in subdivision 2, paragraph (i), the commissioner of education shall collect investigative  
16.19 reports and data that are relevant to a report of maltreatment and are from local law  
16.20 enforcement and the school facility.

16.21 (i) Upon receipt of a report, the local welfare agency shall conduct a face-to-face  
16.22 contact with the child reported to be maltreated and with the child's primary caregiver  
16.23 sufficient to complete a safety assessment and ensure the immediate safety of the child.  
16.24 The face-to-face contact with the child and primary caregiver shall occur immediately  
16.25 if substantial child endangerment is alleged and within five calendar days for all other  
16.26 reports. If the alleged offender was not already interviewed as the primary caregiver, the  
16.27 local welfare agency shall also conduct a face-to-face interview with the alleged offender  
16.28 in the early stages of the assessment or investigation. At the initial contact, the local child  
16.29 welfare agency or the agency responsible for assessing or investigating the report must  
16.30 inform the alleged offender of the complaints or allegations made against the individual in  
16.31 a manner consistent with laws protecting the rights of the person who made the report.  
16.32 The interview with the alleged offender may be postponed if it would jeopardize an active  
16.33 law enforcement investigation.

16.34 (j) When conducting an investigation, the local welfare agency shall use a question  
16.35 and answer interviewing format with questioning as nondirective as possible to elicit

17.1 spontaneous responses. For investigations only, the following interviewing methods and  
17.2 procedures must be used whenever possible when collecting information:

17.3 (1) audio recordings of all interviews with witnesses and collateral sources; and

17.4 (2) in cases of alleged sexual abuse, audio-video recordings of each interview with  
17.5 the alleged victim and child witnesses.

17.6 (k) In conducting an assessment or investigation involving a school facility as  
17.7 defined in subdivision 2, paragraph (i), the commissioner of education shall collect  
17.8 available and relevant information and use the procedures in paragraphs (i), (k), and  
17.9 subdivision 3d, except that the requirement for face-to-face observation of the child  
17.10 and face-to-face interview of the alleged offender is to occur in the initial stages of the  
17.11 assessment or investigation provided that the commissioner may also base the assessment  
17.12 or investigation on investigative reports and data received from the school facility and  
17.13 local law enforcement, to the extent those investigations satisfy the requirements of  
17.14 paragraphs (i) and (k), and subdivision 3d.

17.15 Sec. 7. Minnesota Statutes 2014, section 626.556, subdivision 11c, is amended to read:

17.16 Subd. 11c. **Welfare, court services agency, and school records maintained.**

17.17 Notwithstanding sections 138.163 and 138.17, records maintained or records derived  
17.18 from reports of abuse by local welfare agencies, agencies responsible for assessing or  
17.19 investigating the report, court services agencies, or schools under this section shall be  
17.20 destroyed as provided in paragraphs (a) to (d) by the responsible authority.

17.21 (a) For reports alleging child maltreatment that were not accepted for assessment  
17.22 or investigation, family assessment cases, and cases where an investigation results in no  
17.23 determination of maltreatment or the need for child protective services, the assessment  
17.24 or investigation records must be maintained for a period of ~~four~~ five years after the date  
17.25 of the final entry in the case record. Records under this paragraph may not be used for  
17.26 employment, background checks, or purposes other than to assist in future risk and  
17.27 safety assessments.

17.28 (b) All records relating to reports which, upon investigation, indicate either  
17.29 maltreatment or a need for child protective services shall be maintained for ten years after  
17.30 the date of the final entry in the case record.

17.31 (c) All records regarding a report of maltreatment, including any notification of intent  
17.32 to interview which was received by a school under subdivision 10, paragraph (d), shall be  
17.33 destroyed by the school when ordered to do so by the agency conducting the assessment or  
17.34 investigation. The agency shall order the destruction of the notification when other records  
17.35 relating to the report under investigation or assessment are destroyed under this subdivision.

18.1 (d) Private or confidential data released to a court services agency under subdivision  
18.2 10h must be destroyed by the court services agency when ordered to do so by the local  
18.3 welfare agency that released the data. The local welfare agency or agency responsible for  
18.4 assessing or investigating the report shall order destruction of the data when other records  
18.5 relating to the assessment or investigation are destroyed under this subdivision.

18.6 ~~(e) For reports alleging child maltreatment that were not accepted for assessment~~  
18.7 ~~or investigation, counties shall maintain sufficient information to identify repeat reports~~  
18.8 ~~alleging maltreatment of the same child or children for 365 days from the date the report~~  
18.9 ~~was screened out. The commissioner of human services shall specify to the counties the~~  
18.10 ~~minimum information needed to accomplish this purpose. Counties shall enter this data~~  
18.11 ~~into the state social services information system.~~

18.12 Sec. 8. **INSTRUCTIONS TO THE COMMISSIONER; SCREENING**  
18.13 **GUIDELINES.**

18.14 (a) No later than August 1, 2015, the commissioner of human services shall  
18.15 update the child maltreatment screening guidelines to require agencies to consider prior  
18.16 screened-out reports when determining whether a new report will be screened out or will  
18.17 be accepted for investigation or assessment. The updated guidelines must emphasize that  
18.18 intervention and prevention efforts are to focus on child safety and the ongoing risk of  
18.19 child abuse or neglect and that the health and safety of children are of paramount concern.

18.20 (b) No later than September 30, 2015, the commissioner shall publish and distribute  
18.21 the updated guidelines and ensure that all agency staff have received training on the  
18.22 updated guidelines.

18.23 (c) Agency staff must implement the guidelines on October 1, 2015.
