4.24 elderly waived services may be requested. The monthly conversion budget limit for the
4.25 cost of elderly waiver services shall be ~~the resident class assigned under Minnesota Rules,~~
4.26 ~~parts 9549.0050 to 9549.0059, for that resident in the nursing facility where the resident~~

4.32 the per diem nursing facility rate as determined by the resident assessment system as

5.1 described in section 256B.438 for residents in the nursing facility where the elderly waiver
5.2 applicant currently resides. The monthly conversion budget limit shall be calculated by

5.5 budget limit shall be adjusted annually as described in subdivision 3a, paragraph (a). The
5.6 limit under this ~~subdivision~~ paragraph only applies to persons discharged from a nursing
5.7 facility after a minimum 30-day stay and found eligible for waived services on or after

5.9 directed community support services, the nursing facility per diem used to calculate the
5.10 monthly conversion budget limit must be reduced by a percentage equal to the percentage
5.11 difference between the consumer directed services budget limit that would be assigned
5.12 according to the federally approved waiver plan and the corresponding community case
5.13 mix cap, but not to exceed 50 percent.

5.14 (b) A person who meets elderly waiver eligibility criteria and the eligibility criteria under
5.15 section 256.478, subdivision 1, is eligible for a special monthly budget limit for the cost of

5.25 (2) enrolled in a managed care plan that provides elderly waiver services under section
5.26 256B.69.

5.29 and for customized living services under subdivision 3e may be exceeded if necessary for
5.30 the provider to meet identified needs and provide services as approved in the coordinated
5.31 service and support plan, providing that the total cost of all services does not exceed the
5.32 monthly conversion or special monthly budget limit. Service rates shall be established using
5.33 tools provided by the commissioner.

6.1 (e) The following costs must be included in determining the total monthly costs for the
6.2 waiver client:
