2500.0710 CONTINUING EDUCATION UNITS FOR EXAMINERS.

Minnesota licensed chiropractors will receive up to nine units of credit for continuing education for participation in the development of an examination, the administration of an examination, or the post-examination audit when the units are verified in writing by the chief examiner or other designee of the board. Units must be calculated according to part 2500 0100, subpart 4a. No chiropractor may receive more than 18 units per calendar year.

2500.0800 APPROVAL OF EXAMINATION FROM ANOTHER STATE OR JURISDICTION.

A practitioner who can demonstrate a cumulative active practice record in another state or jurisdiction for at least five years prior to this application may request that the examination resulting in the practitioner's licensure in that state or jurisdiction be approved for Minnesota licensure. The board shall consider requests according to the requirements in items A to M.

[For text of items A to I, see MR.]

J The applicant must submit an affidavit that contains the statements described in subitems (1) to (3).

[For text of subitems (1) and (2), see MR.]

(3) The applicant must demonstrate an active practice record of 24 months during the 30-month period immediately preceding the application.

[For text of items K to M, see MR.]

2500.1550 ALTERNATIVES TO TRADITIONAL CLASSROOM PRESENTATION.

A chiropractor may obtain the annual requirement through alternatives to traditional classroom presentations. The programs must be approved by the board or a board-approved sponsor according to parts 2500.1200 to 2500.2000. The programs approved for continuing education credit under this part must include a written assessment instrument, designed to ensure that the chiropractor actively participated in the presentation of material and derived a measurable benefit from participation. For the purposes of this part, an instrument that provides a minimum of two questions from each unit of instruction, and of which 75 percent or more are correctly answered, satisfies this requirement.
