## 2720.0600 ADEQUACY OF SURPLUS.

The factors set forth under Minnesota Statutes, section 60D.20, subdivision 4, are not intended to be an exhaustive list. In determining the adequacy and reasonableness of an insurer's surplus no single factor shall be controlling. The commissioner, instead, will consider the net effect of all of these factors plus other factors bearing on the financial condition of the insurer. In comparing the surplus maintained by other insurers, the commissioner will consider the extent to which each of these factors varies from company to company, and in determining the quality and liquidity of investments in subsidiaries the commissioner will consider the individual subsidiary and may discount or disallow its valuation to the extent that the individual investments so warrant.

## ACQUISITION FILING STATEMENTS AND REGISTRATION STATEMENTS

### 2720.1100 FORMS.

The forms described in parts 2720.9910 to 2720.9940 are intended to be guides in the preparation of the statements required by Minnesota Statutes, chapter 60D, and are not intended to be blank forms to be filled in. The statements filed shall contain the numbers and captions of all items, but the text of the items may be omitted provided the answers thereto are prepared in such a manner as to indicate to the reader the scope and coverage of the items without the necessity of referring to the text of the items or the instructions thereto. All instructions, whether appearing under the items of the form or elsewhere thereon, are to be omitted. Unless expressly provided otherwise, if any item is inapplicable or the answer thereto is in the negative, an appropriate statement to that effect shall be made.

Two complete copies of each form or statement, including exhibits and all other papers and documents filed as a part of the form or the statement, shall be filed with the commissioner by personal delivery or mail addressed to the Commissioner of Commerce. A copy of form C, part 2720.9930, shall be filed in each state in which an insurer is authorized to do business if the commissioner of that state has notified the insurer of its request in writing, in which case, the insurer has 30 days from receipt of the notice to file the form. At least one of the copies shall be manually signed in the manner prescribed on the form. Unsigned copies shall be conformed. If the signature of any person is affixed pursuant to a power of attorney or other similar authority, a copy of such power of attorney or other authority shall be filed with the statement.

Statements should be prepared on paper 8-1/2 inches by 11 inches in size and preferably bound at the top or the top left-hand corner. Exhibits and financial statements, unless specifically prepared for the filing, may be submitted in their original size. Information required by any item of the forms described in parts 2720.9910 to 2720.9940 may be incorporated by reference in answer or partial answer to any other item. Information contained in any financial statement, annual report, proxy statement,

statement filed with a governmental authority, or any other document may be incorporated by reference in answer or partial answer to any item of these forms, provided the document or paper is filed as an exhibit to the statement. Excerpts of documents may be filed as exhibits if the documents are extensive. Documents already on file with the commissioner which were filed within three years need not be attached as exhibits. References to information contained in exhibits or in documents already on file shall clearly identify the material, the date of filing, and shall specifically indicate that such material is to be incorporated by reference in the answer to the item. Information shall not be incorporated by reference in any case where the incorporation would render the statement incomplete, unclear, or confusing.

In addition to such statement, the summary or outline may incorporate by reference particular parts of any exhibit or document on file with the commissioner and may be qualified in its entirety by such reference.

A. the person filing shall give such information on the subject as it possesses or can acquire without unreasonable effort or expense, together with the sources thereof; and

B. the person filing shall include a statement either showing that unreasonable effort or expense would be involved or indicating the absence of any affiliation with the person within whose knowledge the information rests, and stating the result of a request made to such person for the information.

Subp. 2. **Extension of time.** If it is impractical to furnish any required information, document, or report at the time it is required to be filed, a separate document may be filed identifying the information, document, or report in question; stating why the filing at the time required is impractical; and requesting an extension of time to a specified date for filing the information, document, or report. The request for extension of time shall be deemed granted unless the commissioner, within 30 days after receipt of the request, enters an order denying the request for extension of time.

A. Any authorized insurer may file a registration statement on behalf of any affiliated insurer or insurers required to register under Minnesota Statutes, section 60D.19. A registration statement may include information not required by Minnesota Statutes, chapter 60D, regarding any insurer in the insurance holding company system even if the insurer is not authorized to do business in this state. In lieu of filing a registration statement as prescribed in form B, part 2720.9920, the authorized insurer may file a copy of the registration statement or similar report that it is required to file in its state of domicile; provided the statement or report contains substantially similar information required to be furnished by part 2720.9920 and the filing insurer is the principal insurance company in the insurance holding company system.

D. Any insurer may take advantage of the provisions of Minnesota Statutes, section 60D.19, subdivision 8 or 9, without obtaining the prior approval of the commissioner. The commissioner, however, reserves the right to require individual filings if the commissioner considers the filings necessary in the interest of clarity, ease of administration, or the public good.

E. The state of entry of an alien insurer shall be deemed to be its domiciliary state for the purposes of Minnesota Statutes, section 60D.19.

B. The registration and amendments required in the act, section 3, shall not be required for any insurance company not domiciled in the state of Minnesota that is otherwise required to file a registration statement, if the insurance company is included in a filing as an affiliate of another insurance company that is exempt from the requirements of the act, section 3, by virtue of the fact that it must file a registration statement in another state under statutes and regulations which are substantially similar to the act and these rules. However, the commissioner may request a copy of the registration statement filed in another state.

**Statutory Authority:** *MS s 60D.07*

As to each person specified in such chart or listing indicate the type of organization (e.g. -- trust, partnership, corporation) and the state or other jurisdiction of domicile.

If any of the provisions of this subdivision apply to the individual or company described in the filing, please give a detailed explanation, including dates, nature of the investigation or proceeding, names and location of courts, and penalties imposed or other disposition of the case.

**ITEM 5. TRANSACTIONS, RELATIONSHIPS, AND AGREEMENTS**

(a) Briefly describe the following agreements in force, relationships subsisting, and transactions currently outstanding or which have occurred during the last calendar year between the Registrant and its affiliates:

- (1) loans, other investments, or purchases, sales or exchanges of securities of the affiliates by the Registrant or of the Registrant by its affiliates;
- (2) purchases, sales, or exchanges of assets;
- (3) transactions not in the ordinary course of business;

No information need be disclosed if the commissioner determines that such information is not material for purposes of Minnesota Statutes, section 60D.19. Sales, purchases, exchanges, loans, or extensions of credit, investments, or guarantees involv-

ing one-half of one percent or less of the registrant's admitted assets as of the preceding December 31 shall not be deemed material.

The description shall be in a manner as to permit the proper evaluation thereof by the commissioner, and shall include at least the following: the nature and purpose of the transaction; the nature and amounts of any payments or transfers of assets between the parties; the identity of all parties to such transactions; and the relationship of the affiliated parties to the Registrant.

#### **ITEM 6. LITIGATION OR ADMINISTRATIVE PROCEEDINGS**

A brief description of any litigation or administrative proceedings of the following types, either then pending or concluded within the preceding fiscal year, to which the ultimate controlling person or any of its directors or executive officers was a party or of which the property of any such person is or was the subject; give the names of the parties and the court or agency in which such litigation or proceeding is or was pending:

(a) Financial statements and exhibits should be attached to this statement as an appendix, but list under this item the financial statements and exhibits so attached.

(b) The financial statements shall include the annual financial statements of the ultimate controlling person in the insurance holding company system as of the end of the person's latest fiscal year.

If at the time of the initial registration, the annual financial statements for the latest fiscal year are not available, annual statements for the previous fiscal year may be filed and similar financial information shall be filed for any subsequent period to the extent such information is available. Such financial statements may be prepared on either an individual basis, or unless the commissioner otherwise requires, on a consolidated basis if such consolidated statements are prepared in the usual course of business.

Unless the commissioner otherwise permits, the annual financial statements shall be accompanied by the certificate of an independent public accountant to the effect that such statements present fairly the financial position of the ultimate controlling person and the results of its operations for the year then ended, in conformity with generally accepted accounting principles or with requirements of insurance or other accounting principles prescribed or permitted under law. If the ultimate controlling person is an insurer which is actively engaged in the business of insurance, the annual financial statements need not be certified, provided they are based on the annual statement of such insurer filed with the insurance department of the insurer's domiciliary state and are in accordance with requirements of insurance or other accounting principles prescribed or permitted under the law and regulations of such state.

(c) Exhibits shall include copies of the latest annual reports to shareholders of the ultimate controlling person and proxy material used by the ultimate controlling person; and any additional documents or papers required by this part or part 2720.1100 or 2720.1300.
