### 2783.0050 ASSIGNED RISK COVERAGE.

Subpart 1. **Generally.** Eligibility for assigned risk coverage is subject to the terms and conditions of subparts 2 and 3.

Subp. 2. **Minimum qualifications.** A liquor vendor who has a current written notice of refusal to insure from an insurer offering liquor liability insurance pursuant to Minnesota Statutes, section 340.11, subdivision 23, clause (2), is entitled to make written application to the assigned risk plan for coverage. Payment of the applicable premium or required portion thereof must be paid prior to coverage by the plan.

An offer of coverage at a rate in excess of the rate charged by the assigned risk plan for similar coverage and risk is a written notice of refusal for purposes of the assigned risk plan. It shall not be deemed to be a written notice of refusal

if the rate for the coverage offered is less than 20 percent in excess of the assigned risk plan rates for similar coverage and risk. However, the offered rate must also be the rate that the insurer has filed with the Department of Commerce if the insurer is required to file its rates with the department. If the insurer is not required to file its rates with the department, the offered rate must be the rate generally charged by the insurer for similar coverage and risk.

**Subp. 3. Disqualifying factors.** A liquor vendor shall be denied or terminated from coverage through the assigned risk plan if the liquor vendor:

A. Applies for coverage for only a portion of the liquor vendor's statutory liability under Minnesota Statutes, section 340.11, subdivision 21.

B. Has an outstanding debt due and owing to the assigned risk plan at the time of application or renewal arising from a prior policy.

C. Refuses to permit completion of an audit requested by the commissioner or administrator.

D. Submits misleading or erroneous information to the commissioner or administrator.

E. Disregards safety standards, laws, rules, or ordinances pertaining to the offer, sale, or other distribution of liquor. A combination of losses and violations within the last three years in excess of ten shall be a rebuttable presumption that a liquor vendor is ineligible for the assigned risk plan.

F. Fails to supply information requested by the commissioner or administrator.

G. Fails to comply with the terms of the policies or contracts for coverage issued pursuant to the assigned risk plan.

H. Has not satisfied the requirements of the market assistance program established pursuant to Minnesota Statutes, section 340.11, subdivision 21.

**Subp. 4. Disqualification after coverage granted.** If an application is filed with the market assistance program less than 15 business days before the expiration date of the applicant's current insurance coverage, the market assistance program may continue to seek coverage for the applicant after coverage is extended by the assigned risk plan. The market assistance program will have 15 business days from the date of filing of the application with the market assistance program to obtain an offer of coverage for the applicant. If the market assistance program is able to secure an offer of coverage for the applicant within 15 business days of filing of the application and if the offer of coverage would not otherwise be considered a refusal for purposes of the assigned risk plan, the applicant will be deemed to not be qualified to participate in the assigned risk plan and coverage, if any, shall be terminated.

**Subp. 5 Notice.** An application for coverage under the assigned risk plan must be granted or denied within ten days after receipt by the administrator of a properly completed application and any supplemental information requested by the administrator. A liquor vendor covered under the assigned risk plan must be given at least 30 days' notice of nonrenewal or termination of the coverage.

An incident is either a loss or a violation. A loss and the violation that resulted in that loss are deemed to be one incident for purposes of the rating plan. A loss shall not be considered an incident for purposes of the rating plan if the circumstances which resulted in that loss would not result in a loss at the time of application to the assigned risk plan because state law prohibits recovery by an insurance company against any liquor vendor under subrogation clauses of the uninsured, underinsured, collision, or other first party coverages of a motor vehicle insurance policy as a result of payments made by the company to persons who have claims that arise in whole or in part under Minnesota Statutes, section 340.95. The applicant shall have the burden of proof to establish that a loss which occurred prior to the adoption of Minnesota Statutes, section 340.95, subdivision 2 should not be classified as a loss.

Upon adoption of this chapter any certificate of coverage previously issued by the assigned risk plan shall be subject to retroactive rebate, dividend, surcharge or other charge as may be necessitated by the adoption of this rating plan. Premiums for certificates of coverage previously issued shall be determined as if this rating plan were in effect at the time of issuance of the certificate of coverage.
